Explanation

The Code of Federal Regulations is a codification of the general and permanent rules published in the Federal Register by the Executive departments and agencies of the Federal Government. The Code is divided into 50 titles which represent broad areas subject to Federal regulation. Each title is divided into chapters which usually bear the name of the issuing agency. Each chapter is further subdivided into parts covering specific regulatory areas.

Each volume of the Code is revised at least once each calendar year and issued on a quarterly basis approximately as follows:

Title 1 through Title 16.....	as of January 1
Title 17 through Title 27.....	as of April 1
Title 28 through Title 41.....	as of July 1
Title 42 through Title 50.....	as of October 1

The appropriate revision date is printed on the cover of each volume.

LEGAL STATUS

The contents of the Federal Register are required to be judicially noticed (44 U.S.C. 1507). The Code of Federal Regulations is prima facie evidence of the text of the original documents (44 U.S.C. 1510).

HOW TO USE THE CODE OF FEDERAL REGULATIONS

The Code of Federal Regulations is kept up to date by the individual issues of the Federal Register. These two publications must be used together to determine the latest version of any given rule.

To determine whether a Code volume has been amended since its revision date (in this case, April 1, 2007), consult the "List of CFR Sections Affected (LSA)," which is issued monthly, and the "Cumulative List of Parts Affected," which appears in the Reader Aids section of the daily Federal Register. These two lists will identify the Federal Register page number of the latest amendment of any given rule.

EFFECTIVE AND EXPIRATION DATES

Each volume of the Code contains amendments published in the Federal Register since the last revision of that volume of the Code. Source citations for the regulations are referred to by volume number and page number of the Federal Register and date of publication. Publication dates and effective dates are usually not the same and care must be exercised by the user in determining the actual effective date. In instances where the effective date is beyond the cut-off date for the Code a note has been inserted to reflect the future effective date. In those instances where a regulation published in the Federal Register states a date certain for expiration, an appropriate note will be inserted following the text.

OMB CONTROL NUMBERS

The Paperwork Reduction Act of 1980 (Pub. L. 96-511) requires Federal agencies to display an OMB control number with their information collection request.

Many agencies have begun publishing numerous OMB control numbers as amendments to existing regulations in the CFR. These OMB numbers are placed as close as possible to the applicable recordkeeping or reporting requirements.

OBSOLETE PROVISIONS

Provisions that become obsolete before the revision date stated on the cover of each volume are not carried. Code users may find the text of provisions in effect on a given date in the past by using the appropriate numerical list of sections affected. For the period before January 1, 2001, consult either the List of CFR Sections Affected, 1949–1963, 1964–1972, 1973–1985, or 1986–2000, published in 11 separate volumes. For the period beginning January 1, 2001, a “List of CFR Sections Affected” is published at the end of each CFR volume.

INCORPORATION BY REFERENCE

What is incorporation by reference? Incorporation by reference was established by statute and allows Federal agencies to meet the requirement to publish regulations in the Federal Register by referring to materials already published elsewhere. For an incorporation to be valid, the Director of the Federal Register must approve it. The legal effect of incorporation by reference is that the material is treated as if it were published in full in the Federal Register (5 U.S.C. 552(a)). This material, like any other properly issued regulation, has the force of law.

What is a proper incorporation by reference? The Director of the Federal Register will approve an incorporation by reference only when the requirements of 1 CFR part 51 are met. Some of the elements on which approval is based are:

- (a) The incorporation will substantially reduce the volume of material published in the Federal Register.
- (b) The matter incorporated is in fact available to the extent necessary to afford fairness and uniformity in the administrative process.
- (c) The incorporating document is drafted and submitted for publication in accordance with 1 CFR part 51.

Properly approved incorporations by reference in this volume are listed in the Finding Aids at the end of this volume.

What if the material incorporated by reference cannot be found? If you have any problem locating or obtaining a copy of material listed in the Finding Aids of this volume as an approved incorporation by reference, please contact the agency that issued the regulation containing that incorporation. If, after contacting the agency, you find the material is not available, please notify the Director of the Federal Register, National Archives and Records Administration, Washington DC 20408, or call 202-741-6010.

CFR INDEXES AND TABULAR GUIDES

A subject index to the Code of Federal Regulations is contained in a separate volume, revised annually as of January 1, entitled CFR INDEX AND FINDING AIDS. This volume contains the Parallel Table of Statutory Authorities and Agency Rules (Table I). A list of CFR titles, chapters, and parts and an alphabetical list of agencies publishing in the CFR are also included in this volume.

An index to the text of “Title 3—The President” is carried within that volume.

The Federal Register Index is issued monthly in cumulative form. This index is based on a consolidation of the “Contents” entries in the daily Federal Register.

A List of CFR Sections Affected (LSA) is published monthly, keyed to the revision dates of the 50 CFR titles.

REPUBLICATION OF MATERIAL

There are no restrictions on the republication of textual material appearing in the Code of Federal Regulations.

§ 1.1 Purpose.

The purpose of this part 1 is to effectuate the provisions of title VI of the Civil Rights Act of 1964 (hereafter referred to as the *Act*) to the end that no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity receiving Federal financial assistance from the Department of Housing and Urban Development.

§ 1.2 Definitions.

As used in this part 1—

(a) The term *Department* means the Department of Housing and Urban Development.

(b) The term *Secretary* means the Secretary of Housing and Urban Development.

(c) The term *responsible Department official* means the Secretary or, to the extent of any delegation of authority by the Secretary to act under this part 1, any other Department official to whom the Secretary may hereafter delegate such authority.

(d) The term *United States* means the States of the United States, the District of Columbia, Puerto Rico, the Virgin Islands, American Samoa, Guam, Wake Island, the Canal Zone, and the territories and possessions of the United States, and the term *State* means any one of the foregoing.

(e) The term *Federal financial assistance* includes: (1) Grants, loans, and advances of Federal funds, (2) the grant or donation of Federal property and interests in property, (3) the detail of Federal personnel, (4) the sale and lease of, and the permission to use (on other than a casual or transient basis), Federal property or any interest in such property without consideration or at a nominal consideration, or at a consideration which is reduced for the purpose of assisting the recipient, or in recognition of the public interest to be served by such sale or lease to the recipient, and (5) any Federal agreement, arrangement, or other contract which has as one of its purposes the provision of assistance. The term *Federal financial assistance* does not include a contract of insurance or guaranty.

(f) The term *recipient* means any State, political subdivision of any State, or instrumentality of any State or political subdivision, any public or private agency, institution, organization, or other entity, or any individual, in any State, to whom Federal financial assistance is extended, directly or through another recipient, for any program or activity, or who otherwise participates in carrying out such program or activity (such as a redeveloper in the Urban Renewal Program), including any successor, assign, or transferee thereof, but such term does not include

§ 1.3

any ultimate beneficiary under any such program or activity.

(g) The term *applicant* means one who submits an application, contract, request, or plan requiring Department approval as a condition to eligibility for Federal financial assistance, and the term *application* means such an application, contract, request, or plan.

§ 1.3 Application of part 1.

This part 1 applies to any program or activity for which Federal financial assistance is authorized under a law administered by the Department, including any program or activity assisted under the statutes listed in appendix A of this part 1. It applies to money paid, property transferred, or other Federal financial assistance extended to any such program or activity on or after January 3, 1965. This part 1 does not apply to: (a) Any Federal financial assistance by way of insurance or guaranty contracts, (b) money paid, property transferred, or other assistance extended to any such program or activity before January 3, 1965, (c) any assistance to any person who is the ultimate beneficiary under any such program or activity, or (d) any employment practice, under any such program or activity, of any employer, employment agency, or labor organization, except to the extent described in § 1.4(c). The fact that certain financial assistance is not listed in appendix A shall not mean, if title VI of the Act is otherwise applicable, that such financial assistance is not covered. Other financial assistance under statutes now in force or hereinafter enacted may be added to this list by notice published in the FEDERAL REGISTER.

§ 1.4 Discrimination prohibited.

(a) *General.* No person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity to which this part 1 applies.

(b) *Specific discriminatory actions prohibited.* (1) A recipient under any program or activity to which this part 1 applies may not, directly or through contractual or other arrangements, on

24 CFR Subtitle A (4–1–07 Edition)

the ground of race, color, or national origin:

(i) Deny a person any housing, accommodations, facilities, services, financial aid, or other benefits provided under the program or activity;

(ii) Provide any housing, accommodations, facilities, services, financial aid, or other benefits to a person which are different, or are provided in a different manner, from those provided to others under the program or activity;

(iii) Subject a person to segregation or separate treatment in any matter related to his receipt of housing, accommodations, facilities, services, financial aid, or other benefits under the program or activity;

(iv) Restrict a person in any way in access to such housing, accommodations, facilities, services, financial aid, or other benefits, or in the enjoyment of any advantage or privilege enjoyed by others in connection with such housing, accommodations, facilities, services, financial aid, or other benefits under the program or activity;

(v) Treat a person differently from others in determining whether he satisfies any occupancy, admission, enrollment, eligibility, membership, or other requirement or condition which persons must meet in order to be provided any housing, accommodations, facilities, services, financial aid, or other benefits provided under the program or activity;

(vi) Deny a person opportunity to participate in the program or activity through the provision of services or otherwise, or afford him an opportunity to do so which is different from that afforded others under the program or activity (including the opportunity to participate in the program or activity as an employee but only to the extent set forth in paragraph (c) of this section).

(vii) Deny a person the opportunity to participate as a member of a planning or advisory body which is an integral part of the program.

(2)(i) A recipient, in determining the types of housing, accommodations, facilities, services, financial aid, or other benefits which will be provided under any such program or activity, or the

class of persons to whom, or the situations in which, such housing, accommodations, facilities, services, financial aid, or other benefits will be provided under any such program or activity, or the class of persons to be afforded an opportunity to participate in any such program or activity, may not, directly or through contractual or other arrangements, utilize criteria or methods of administration which have the effect of subjecting persons to discrimination because of their race, color, or national origin, or have the effect of defeating or substantially impairing accomplishment of the objectives of the program or activity as respect to persons of a particular race, color, or national origin.

(ii) A recipient, in operating low-rent housing with Federal financial assistance under the United States Housing Act of 1937, as amended (42 U.S.C. 1401 *et seq.*), shall assign eligible applicants to dwelling units in accordance with a plan, duly adopted by the recipient and approved by the responsible Department official, providing for assignment on a community-wide basis in sequence based upon the date and time the application is received, the size or type of unit suitable, and factors affecting preference or priority established by the recipient's regulations, which are not inconsistent with the objectives of title VI of the Civil Rights Act of 1964 and this part 1. The plan may allow an applicant to refuse a tendered vacancy for good cause without losing his standing on the list but shall limit the number of refusals without cause as prescribed by the responsible Department official.

(iii) The responsible Department official is authorized to prescribe and promulgate plans, exceptions, procedures, and requirements for the assignment and reassignment of eligible applicants and tenants consistent with the purpose of paragraph (b)(2)(ii) of this section, this part 1, and title VI of the Civil Rights Act of 1964, in order to effectuate and insure compliance with the requirements imposed thereunder.

(3) In determining the site or location of housing, accommodations, or facilities, an applicant or recipient may not make selections with the purpose or effect of excluding individuals

from, denying them the benefits of, or subjecting them to discrimination under any program to which this part 1 applies, on the ground of race, color, or national origin; or with the purpose or effect of defeating or substantially impairing the accomplishment of the objectives of the Act or this part 1.

(4) As used in this part 1 the housing, accommodations, facilities, services, financial aid, or other benefits provided under a program or activity receiving Federal financial assistance shall be deemed to include any housing, accommodations, facilities, services, financial aid, or other benefits provided in or through a facility provided with the aid of Federal financial assistance.

(5) The enumeration of specific forms of prohibited discrimination in paragraphs (b) and (c) of this section does not limit the generality of the prohibition in paragraph (a) of this section.

(6)(i) In administering a program regarding which the recipient has previously discriminated against persons on the ground of race, color, or national origin, the recipient must take affirmative action to overcome the effects of prior discrimination.

(ii) Even in the absence of such prior discrimination, a recipient in administering a program should take affirmative action to overcome the effects of conditions which resulted in limiting participation by persons of a particular race, color, or national origin.

Where previous discriminatory practice or usage tends, on the ground of race, color, or national origin, to exclude individuals from participation in, to deny them the benefits of, or to subject them to discrimination under any program or activity to which this part 1 applies, the applicant or recipient has an obligation to take reasonable action to remove or overcome the consequences of the prior discriminatory practice or usage, and to accomplish the purpose of the Act.

(c) *Employment practices.* (1) Where a primary objective of the Federal financial assistance to a program or activity to which this part 1 applies is to provide employment, a recipient may not, directly or through contractual or other arrangements, subject a person to discrimination on the ground of race, color, or national origin in its

§ 1.5

employment practices under such program or activity (including recruitment or recruitment advertising, employment, layoff, termination, upgrading, demotion, transfer, rates of pay or other forms of compensation and use of facilities). The requirements applicable to construction employment under such program or activity shall be those specified in or pursuant to part III of Executive Order 11246 or any executive order which supersedes or amends it.

(2) Where a primary objective of the Federal financial assistance is not to provide employment, but discrimination on the ground of race, color, or national origin in the employment practices of the recipient or other persons subject to this part 1 tends, on the ground of race, color, or national origin, to exclude individuals from participation in, to deny them the benefits of, or to subject them to discrimination under any program to which this part 1 applies, the provisions of this paragraph (c) shall apply to the employment practices of the recipient or other persons subject to this part 1 to the extent necessary to assure equality of opportunity to, and nondiscriminatory treatment of, beneficiaries.

§ 1.5 Assurances required.

(a) *General.* (1) Every contract for Federal financial assistance to carry out a program or activity to which this part 1 applies, executed on or after January 3, 1965, and every application for such Federal financial assistance submitted on or after January 3, 1965, shall, as a condition to its approval and the extension of any Federal financial assistance pursuant to such contract or application, contain or be accompanied by an assurance that the program or activity will be conducted and the housing, accommodations, facilities, services, financial aid, or other benefits to be provided will be operated and administered in compliance with all requirements imposed by or pursuant to this part 1. In the case of a contract or application where the Federal financial assistance is to provide or is in the form of personal property or real property or interest therein or structures thereon, the assurance shall obligate the recipient or, in the case of a subsequent transfer, the transferee, for the

24 CFR Subtitle A (4-1-07 Edition)

period during which the property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits, or for as long as the recipient retains ownership or possession of the property, whichever is longer. In all other cases the assurance shall obligate the recipient for the period during which Federal financial assistance is extended pursuant to the contract or application. The responsible Department official shall specify the form of the foregoing assurance for such program or activity, and the extent to which like assurances will be required of subgrantees, contractors and subcontractors, transferees, successors in interest, and other participants in the program or activity. Any such assurance shall include provisions which give the United States a right to seek its judicial enforcement.

(2) In the case of real property, structures or improvements thereon, or interests therein, acquired through a program of Federal financial assistance the instrument effecting any disposition by the recipient of such real property, structures or improvements thereon, or interests therein, shall contain a covenant running with the land assuring nondiscrimination for the period during which the real property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits. In the case where Federal financial assistance is provided in the form of a transfer of real property or interests therein from the Federal Government, the instrument effecting or recording the transfer shall contain such a covenant.

(3) In program receiving Federal financial assistance in the form, or for the acquisition, of real property or an interest in real property, to the extent that rights to space on, over, or under any such property are included as part of the program receiving such assistance, the nondiscrimination requirements of this part 1 shall extend to any facility located wholly or in part in such space.

(b) *Preexisting contracts—funds not disbursed.* In any case where a contract for Federal financial assistance, to carry

out a program or activity to which this part 1 applies, has been executed prior to January 3, 1965, and the funds have not been fully disbursed by the Department, the responsible Department official shall, where necessary to effectuate the purposes of this part 1, require an assurance similar to that provided in paragraph (a) of this section as a condition to the disbursement of further funds.

(c) *Preexisting contracts—periodic payments.* In any case where a contract for Federal financial assistance, to carry out a program or activity to which this part 1 applies, has been executed prior to January 3, 1965, and provides for periodic payments for the continuation of the program or activity, the recipient shall, in connection with the first application for such periodic payments on or after January 3, 1965: (1) Submit a statement that the program or activity is being conducted in compliance with all requirements imposed by or pursuant to this part 1 and (2) provide such methods of administration for the program or activity as are found by the responsible Department official to give reasonable assurance that the recipient will comply with all requirements imposed by or pursuant to this part 1.

(d) *Assurances from institutions.* (1) In the case of any application for Federal financial assistance to an institution of higher education, the assurance required by this section shall extend to admission practices and to all other practices relating to the treatment of students.

(2) The assurance required with respect to an institution of higher education, hospital, or any other institution, insofar as the assurance relates to the institution's practices with respect to admission or other treatment of persons as students, patients, or clients of the institution or to the opportunity to participate in the provision of services or other benefits to such persons, shall be applicable to the entire institution unless the applicant establishes, to the satisfaction of the responsible Department official, that the institution's practices in designated parts or programs of the institution will in no way affect its practices in the program of the institution for which Federal financial assistance is sought, or the bene-

ficiaries of or participants in such program. If in any such case the assistance sought is for the construction of a facility or part of a facility, the assurance shall in any event extend to the entire facility and to facilities operated in connection therewith.

(e) *Elementary and secondary schools.* The requirements of this section with respect to any elementary or secondary school or school system shall be deemed to be satisfied if such school or school system (1) is subject to a final order of a court of the United States for the desegregation of such school or school system, and provides an assurance that it will comply with such order, including any future modification of such order, or (2) submits a plan for the desegregation of such school or school system which the responsible official of the Department of Health and Human Services determines is adequate to accomplish the purposes of the Act and this part 1 within the earliest practicable time, and provides reasonable assurance that it will carry out such plan.

§ 1.6 Compliance information.

(a) *Cooperation and assistance.* The responsible Department official and each Department official who by law or delegation has the principal responsibility within the Department for the administration of any law extending financial assistance subject to this part 1 shall to the fullest extent practicable seek the cooperation of recipients in obtaining compliance with this part 1 and shall provide assistance and guidance to recipients to help them comply voluntarily with this part 1.

(b) *Compliance reports.* Each recipient shall keep such records and submit to the responsible Department official or his designee timely, complete, and accurate compliance reports at such times, and in such form and containing such information, as the responsible Department official or his designee may determine to be necessary to enable him to ascertain whether the recipient has complied or is complying with this part 1. In general, recipients should have available for the department racial and ethnic data showing

§ 1.7

the extent to which members of minority groups are beneficiaries of federally assisted programs.

(c) *Access to sources of information.* Each recipient shall permit access by the responsible Department official or his designee during normal business hours to such of its books, records, accounts, and other sources of information, and its facilities as may be pertinent to ascertain compliance with this part 1. Where any information required of a recipient is in the exclusive possession of any other agency, institution, or person and this agency, institution, or person shall fail or refuse to furnish this information, the recipient shall so certify in its report and shall set forth what efforts it has made to obtain the information.

(d) *Information to beneficiaries and participants.* Each recipient shall make available to participants, beneficiaries, and other interested persons such information regarding the provisions of this part 1 and its applicability to the program or activity under which the recipient receives Federal financial assistance, and make such information available to them in such manner, as the responsible Department official finds necessary to apprise such persons of the protections against discrimination assured them by the Act and this part 1.

§ 1.7 Conduct of investigations.

(a) *Periodic compliance reviews.* The responsible Department official or his designee shall from time to time review the practices of recipients to determine whether they are complying with this part 1.

(b) *Complaints.* Any person who believes himself or any specific class of persons to be subjected to discrimination prohibited by this part 1 may by himself or by a representative file with the responsible Department official or his designee a written complaint. A complaint must be filed not later than 180 days from the date of the alleged discrimination, unless the time for filing is extended by the responsible Department official or his designee.

(c) *Investigations.* The responsible Department official or his designee shall make a prompt investigation whenever a compliance review, report, com-

24 CFR Subtitle A (4-1-07 Edition)

plaint, or any other information indicates a possible failure to comply with this part 1. The investigation should include, where appropriate, a review of the pertinent practices and policies of the recipient, the circumstances under which the possible noncompliance with this part 1 occurred, and other factors relevant to a determination as to whether the recipient has failed to comply with this part .

(d) *Resolution of matters.* (1) If an investigation pursuant to paragraph (c) of this section indicates a failure to comply with this part 1, the responsible Department official or his designee will so inform the recipient and the matter will be resolved by informal means whenever possible. If it has been determined that the matter cannot be resolved by informal means, action will be taken as provided for in § 1.8.

(2) If an investigation does not warrant action pursuant to paragraph (d)(1) of this section the responsible Department official or his designee will so inform the recipient and the complainant, if any, in writing.

(e) *Intimidatory or retaliatory acts prohibited.* No recipient or other person shall intimidate, threaten, coerce, or discriminate against any person for the purpose of interfering with any right or privilege secured by title VI of the Act or this part 1, or because he has made a complaint, testified, assisted, or participated in any manner in an investigation, proceeding, or hearing under this part. The identity of complainants shall be kept confidential except to the extent necessary to carry out the purposes of this part, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder.

§ 1.8 Procedure for effecting compliance.

(a) *General.* If there appears to be a failure or threatened failure to comply with this part 1, and if the noncompliance or threatened noncompliance cannot be corrected by informal means, compliance with this part 1 may be effected by the suspension or termination of or refusal to grant or to continue Federal financial assistance, or by any other means authorized by law. Such other means may include, but are not limited to: (1) A reference to the

Department of Justice with a recommendation that appropriate proceedings be brought to enforce any rights of the United States under any law of the United States (including other titles of the Act), or any assurance or other contractual undertaking, and (2) any applicable proceeding under State or local law.

(b) *Noncompliance with § 1.5.* If an applicant fails or refuses to furnish an assurance required under § 1.5 or otherwise fails or refuses to comply with the requirement imposed by or pursuant to that section, Federal financial assistance may be refused in accordance with the procedures of paragraph (c) of this section. The Department shall not be required to provide assistance in such a case during the pendency of the administrative proceedings under such paragraph, except that the Department shall continue assistance during the pendency of such proceedings where such assistance is due and payable pursuant to a contract therefor approved prior to January 3, 1965.

(c) *Termination of or refusal to grant or to continue Federal financial assistance.* No order suspending, terminating, or refusing to grant or continue Federal financial assistance shall become effective until (1) the responsible Department official has advised the applicant or recipient of his failure to comply and has determined that compliance cannot be secured by voluntary means, (2) there has been an express finding on the record, after opportunity for hearing, of a failure by the applicant or recipient to comply with a requirement imposed by or pursuant to this part 1, (3) the action has been approved by the Secretary, and (4) the expiration of 30 days after the Secretary has filed with the committees of the House and Senate having legislative jurisdiction over the program or activity involved a full written report of the circumstances and the grounds for such action. Any action to suspend or terminate or to refuse to grant or to continue Federal financial assistance shall be limited to the particular political entity, or part thereof, or other recipient as to whom such a finding has been made and shall be limited in its effect to the particular program, or part thereof, in

which such noncompliance has been so found.

(d) *Other means authorized by law.* No action to effect compliance by any other means authorized by law shall be taken until (1) the responsible Department official has determined that compliance cannot be secured by voluntary means, (2) the recipient or other person has been notified of its failure to comply and of the action to be taken to effect compliance, and (3) the expiration of at least 10 days from the mailing of such notice to the applicant or recipient. During this period of at least 10 days additional efforts shall be made to persuade the applicant or recipient to comply with this part 1 and to take such corrective action as may be appropriate.

§ 1.9 Hearings.

(a) *Opportunity for hearing.* Whenever an opportunity for a hearing is required by § 1.8(c), reasonable notice shall be given by registered or certified mail, return receipt requested, to the affected applicant or recipient. This notice shall advise the applicant or recipient of the action proposed to be taken, the specific provision under which the proposed action against it is to be taken, and the matters of fact or law asserted as the basis for this action, and either:

(1) Fix a date not less than 20 days after the date of such notice within which the applicant or recipient may request of the responsible Department official that the matter be scheduled for hearing, or (2) advise the applicant or recipient that the matter in question has been set down for hearing at a stated time and place. The time and place so fixed shall be reasonable and shall be subject to change for cause. The complainant, if any, shall be advised of the time and place of the hearing. An applicant or recipient may waive a hearing and submit written information and argument for the record. The failure of an applicant or recipient to request a hearing under this paragraph (a) or to appear at a hearing for which a date has been set shall be deemed to be a waiver of the right to a hearing under section 602 of the Act and § 1.8(c) and consent to the making

§ 1.10

of a decision on the basis of such information as is available.

(b) *Hearing procedures.* Hearings shall be conducted in accordance with 24 CFR part 180.

[38 FR 17949, July 5, 1973, as amended at 61 FR 52217, Oct. 4, 1996]

§ 1.10 Effect on other regulations; forms and instructions.

(a) *Effect on other regulations.* All regulations, orders, or like directions heretofore issued by any officer of the Department which impose requirements designed to prohibit any discrimination against persons on the ground of race, color, or national origin under any program or activity to which this part applies, and which authorize the suspension or termination of or refusal to grant or to continue Federal financial assistance to any applicant or recipient for failure to comply with such requirements, are hereby superseded to the extent that such discrimination is prohibited by this part, except that nothing in this part shall be deemed to relieve any person of any obligation assumed or imposed under any such superseded regulation, order, instruction, or like direction prior to January 3, 1965. Nothing in this part, however, shall be deemed to supersede any of the following (including future amendments thereof):

(1) Executive Orders 11246 and 11375 and regulations issued thereunder, or

(2) Executive Order 11063 and regulations issued thereunder, or any other order, regulations or instructions, insofar as such order, regulations, or instructions, prohibit discrimination on the ground of race, color, or national origin in any program or activity or situation to which this part is inapplicable, or prohibit discrimination on any other ground.

(b) *Forms and instructions.* The responsible Department official shall assure that forms and detailed instructions and procedures for effectuating this part are issued and promptly made available to interested persons.

(c) *Supervision and coordination.* The Secretary may from time to time assign to officials of the Department, or to officials of other departments or agencies of the Government with the consent of such department or agency,

24 CFR Subtitle A (4-1-07 Edition)

responsibilities in connection with the effectuation of the purposes of title VI of the Act and this part (other than responsibility for final decision as provided in §1.10), including the achievement of effective coordination and maximum uniformity within the Department and within the Executive Branch of the Government in the application of title VI and this part to similar programs or activities and in similar situations. Any action taken, determination made, or requirement imposed by an official of another department or agency acting pursuant to an assignment of responsibility under this paragraph shall have the same effect as though such action had been taken by the responsible official of this Department.

Subpart A—Introduction

§ 3.100 Purpose and effective date.

The purpose of these Title IX regulations is to effectuate Title IX of the Education Amendments of 1972, as amended (except sections 904 and 906 of those Amendments) (20 U.S.C. 1681, 1682, 1683, 1685, 1686, 1687, 1688), which is

designed to eliminate (with certain exceptions) discrimination on the basis of sex in any education program or activity receiving Federal financial assistance, whether or not such program or activity is offered or sponsored by an educational institution as defined in these Title IX regulations. The effective date of these Title IX regulations shall be September 29, 2000.

§ 3.105 Definitions.

As used in these Title IX regulations, the term:

Administratively separate unit means a school, department, or college of an educational institution (other than a local educational agency) admission to which is independent of admission to any other component of such institution.

Admission means selection for part-time, full-time, special, associate, transfer, exchange, or any other enrollment, membership, or matriculation in or at an education program or activity operated by a recipient.

Applicant means one who submits an application, request, or plan required to be approved by an official of the Federal agency that awards Federal financial assistance, or by a recipient, as a condition to becoming a recipient.

Designated agency official means Assistant Secretary for Fair Housing and Equal Opportunity.

Educational institution means a local educational agency (LEA) as defined by 20 U.S.C. 8801(18), a preschool, a private elementary or secondary school, or an applicant or recipient that is an institution of graduate higher education, an institution of undergraduate higher education, an institution of professional education, or an institution of vocational education, as defined in this section.

Federal financial assistance means any of the following, when authorized or extended under a law administered by the Federal agency that awards such assistance:

(1) A grant or loan of Federal financial assistance, including funds made available for:

(i) The acquisition, construction, renovation, restoration, or repair of a building or facility or any portion thereof; and

§ 3.105

(ii) Scholarships, loans, grants, wages, or other funds extended to any entity for payment to or on behalf of students admitted to that entity, or extended directly to such students for payment to that entity.

(2) A grant of Federal real or personal property or any interest therein, including surplus property, and the proceeds of the sale or transfer of such property, if the Federal share of the fair market value of the property is not, upon such sale or transfer, properly accounted for to the Federal Government.

(3) Provision of the services of Federal personnel.

(4) Sale or lease of Federal property or any interest therein at nominal consideration, or at consideration reduced for the purpose of assisting the recipient or in recognition of public interest to be served thereby, or permission to use Federal property or any interest therein without consideration.

(5) Any other contract, agreement, or arrangement that has as one of its purposes the provision of assistance to any education program or activity, except a contract of insurance or guaranty.

Institution of graduate higher education means an institution that:

(1) Offers academic study beyond the bachelor of arts or bachelor of science degree, whether or not leading to a certificate of any higher degree in the liberal arts and sciences;

(2) Awards any degree in a professional field beyond the first professional degree (regardless of whether the first professional degree in such field is awarded by an institution of undergraduate higher education or professional education); or

(3) Awards no degree and offers no further academic study, but operates ordinarily for the purpose of facilitating research by persons who have received the highest graduate degree in any field of study.

Institution of professional education means an institution (except any institution of undergraduate higher education) that offers a program of academic study that leads to a first professional degree in a field for which there is a national specialized accrediting agency recognized by the Secretary of Education.

24 CFR Subtitle A (4-1-07 Edition)

Institution of undergraduate higher education means:

(1) An institution offering at least two but less than four years of college-level study beyond the high school level, leading to a diploma or an associate degree, or wholly or principally creditable toward a baccalaureate degree; or

(3) An agency or body that certifies credentials or offers degrees, but that may or may not offer academic study.

Institution of vocational education means a school or institution (except an institution of professional or graduate or undergraduate higher education) that has as its primary purpose preparation of students to pursue a technical, skilled, or semiskilled occupation or trade, or to pursue study in a technical field, whether or not the school or institution offers certificates, diplomas, or degrees and whether or not it offers full-time study.

Recipient means any State or political subdivision thereof, or any instrumentality of a State or political subdivision thereof, any public or private agency, institution, or organization, or other entity, or any person, to whom Federal financial assistance is extended directly or through another recipient and that operates an education program or activity that receives such assistance, including any subunit, successor, assignee, or transferee thereof.

Student means a person who has gained admission.

Title IX means Title IX of the Education Amendments of 1972, Public Law 92-318, 86 Stat. 235, 373 (codified as amended at 20 U.S.C. 1681-1688) (except sections 904 and 906 thereof), as amended by section 3 of Public Law 93-568, 88 Stat. 1855, by section 412 of the Education Amendments of 1976, Public Law 94-482, 90 Stat. 2234, and by Section 3 of Public Law 100-259, 102 Stat. 28, 28-29 (20 U.S.C. 1681, 1682, 1683, 1685, 1686, 1687, 1688).

[65 FR 52865, 52879, Aug. 30, 2000, as amended at 65 FR 52880, Aug. 30, 2000]

§3.110 Remedial and affirmative action and self-evaluation.

(a) *Remedial action.* If the designated agency official finds that a recipient has discriminated against persons on the basis of sex in an education program or activity, such recipient shall take such remedial action as the designated agency official deems necessary to overcome the effects of such discrimination.

(b) *Affirmative action.* In the absence of a finding of discrimination on the basis of sex in an education program or activity, a recipient may take affirmative action consistent with law to overcome the effects of conditions that resulted in limited participation therein by persons of a particular sex. Nothing in these Title IX regulations shall be interpreted to alter any affirmative action obligations that a recipient may have under Executive Order 11246, 3 CFR, 1964-1965 Comp., p. 339; as amended by Executive Order 11375, 3 CFR, 1966-1970 Comp., p. 684; as amended by Executive Order 11478, 3 CFR, 1966-1970 Comp., p. 803; as amended by Executive Order 12086, 3 CFR, 1978 Comp., p. 230; as amended by Executive Order 12107, 3 CFR, 1978 Comp., p. 264.

(c) *Self-evaluation.* Each recipient education institution shall, within one year of September 29, 2000:

(1) Evaluate, in terms of the requirements of these Title IX regulations, its current policies and practices and the effects thereof concerning admission of students, treatment of students, and employment of both academic and non-academic personnel working in connection with the recipient's education program or activity;

(2) Modify any of these policies and practices that do not or may not meet the requirements of these Title IX regulations; and

(3) Take appropriate remedial steps to eliminate the effects of any dis-

crimination that resulted or may have resulted from adherence to these policies and practices.

(d) *Availability of self-evaluation and related materials.* Recipients shall maintain on file for at least three years following completion of the evaluation required under paragraph (c) of this section, and shall provide to the designated agency official upon request, a description of any modifications made pursuant to paragraph (c)(2) of this section and of any remedial steps taken pursuant to paragraph (c)(3) of this section.

§3.115 Assurance required.

(a) *General.* Either at the application stage or the award stage, Federal agencies must ensure that applications for Federal financial assistance or awards of Federal financial assistance contain, be accompanied by, or be covered by a specifically identified assurance from the applicant or recipient, satisfactory to the designated agency official, that each education program or activity operated by the applicant or recipient and to which these Title IX regulations apply will be operated in compliance with these Title IX regulations. An assurance of compliance with these Title IX regulations shall not be satisfactory to the designated agency official if the applicant or recipient to whom such assurance applies fails to commit itself to take whatever remedial action is necessary in accordance with §3.110(a) to eliminate existing discrimination on the basis of sex or to eliminate the effects of past discrimination whether occurring prior to or subsequent to the submission to the designated agency official of such assurance.

(b) *Duration of obligation.* (1) In the case of Federal financial assistance extended to provide real property or structures thereon, such assurance shall obligate the recipient or, in the case of a subsequent transfer, the transferee, for the period during which the real property or structures are used to provide an education program or activity.

(2) In the case of Federal financial assistance extended to provide personal property, such assurance shall obligate the recipient for the period during

§ 3.120

which it retains ownership or possession of the property.

(3) In all other cases such assurance shall obligate the recipient for the period during which Federal financial assistance is extended.

(c) *Form.* (1) The assurances required by paragraph (a) of this section, which may be included as part of a document that addresses other assurances or obligations, shall include that the applicant or recipient will comply with all applicable Federal statutes relating to nondiscrimination. These include but are not limited to: Title IX of the Education Amendments of 1972, as amended (20 U.S.C. 1681-1683, 1685-1688).

(2) The designated agency official will specify the extent to which such assurances will be required of the applicant's or recipient's subgrantees, contractors, subcontractors, transferees, or successors in interest.

§ 3.120 Transfers of property.

If a recipient sells or otherwise transfers property financed in whole or in part with Federal financial assistance to a transferee that operates any education program or activity, and the Federal share of the fair market value of the property is not upon such sale or transfer properly accounted for to the Federal Government, both the transferor and the transferee shall be deemed to be recipients, subject to the provisions of §§ 3.205 through 3.235(a).

§ 3.125 Effect of other requirements.

(a) *Effect of other Federal provisions.* The obligations imposed by these Title IX regulations are independent of, and do not alter, obligations not to discriminate on the basis of sex imposed by Executive Order 11246, 3 CFR, 1964-1965 Comp., p. 339; as amended by Executive Order 11375, 3 CFR, 1966-1970 Comp., p. 684; as amended by Executive Order 11478, 3 CFR, 1966-1970 Comp., p. 803; as amended by Executive Order 12087, 3 CFR, 1978 Comp., p. 230; as amended by Executive Order 12107, 3 CFR, 1978 Comp., p. 264; sections 704 and 855 of the Public Health Service Act (42 U.S.C. 295m, 298b-2); Title VII of the Civil Rights Act of 1964 (42 U.S.C. 2000e *et seq.*); the Equal Pay Act of 1963 (29 U.S.C. 206); and any other Act of Congress or Federal regulation.

24 CFR Subtitle A (4-1-07 Edition)

(b) *Effect of State or local law or other requirements.* The obligation to comply with these Title IX regulations is not obviated or alleviated by any State or local law or other requirement that would render any applicant or student ineligible, or limit the eligibility of any applicant or student, on the basis of sex, to practice any occupation or profession.

(c) *Effect of rules or regulations of private organizations.* The obligation to comply with these Title IX regulations is not obviated or alleviated by any rule or regulation of any organization, club, athletic or other league, or association that would render any applicant or student ineligible to participate or limit the eligibility or participation of any applicant or student, on the basis of sex, in any education program or activity operated by a recipient and that receives Federal financial assistance.

§ 3.130 Effect of employment opportunities.

The obligation to comply with these Title IX regulations is not obviated or alleviated because employment opportunities in any occupation or profession are or may be more limited for members of one sex than for members of the other sex.

§ 3.135 Designation of responsible employee and adoption of grievance procedures.

(a) *Designation of responsible employee.* Each recipient shall designate at least one employee to coordinate its efforts to comply with and carry out its responsibilities under these Title IX regulations, including any investigation of any complaint communicated to such recipient alleging its noncompliance with these Title IX regulations or alleging any actions that would be prohibited by these Title IX regulations. The recipient shall notify all its students and employees of the name, office address, and telephone number of the employee or employees appointed pursuant to this paragraph.

(b) *Complaint procedure of recipient.* A recipient shall adopt and publish grievance procedures providing for prompt and equitable resolution of student and

employee complaints alleging any action that would be prohibited by these Title IX regulations.

§ 3.140 Dissemination of policy.

(a) *Notification of policy.* (1) Each recipient shall implement specific and continuing steps to notify applicants for admission and employment, students and parents of elementary and secondary school students, employees, sources of referral of applicants for admission and employment, and all unions or professional organizations holding collective bargaining or professional agreements with the recipient, that it does not discriminate on the basis of sex in the educational programs or activities that it operates, and that it is required by Title IX and these Title IX regulations not to discriminate in such a manner. Such notification shall contain such information, and be made in such manner, as the designated agency official finds necessary to apprise such persons of the protections against discrimination assured them by Title IX and these Title IX regulations, but shall state at least that the requirement not to discriminate in education programs or activities extends to employment therein, and to admission thereto unless §§ 3.300 through 3.310 do not apply to the recipient, and that inquiries concerning the application of Title IX and these Title IX regulations to such recipient may be referred to the employee designated pursuant to § 3.135, or to the designated agency official.

(2) Each recipient shall make the initial notification required by paragraph (a)(1) of this section within 90 days of September 29, 2000 or of the date these Title IX regulations first apply to such recipient, whichever comes later, which notification shall include publication in:

(i) Newspapers and magazines operated by such recipient or by student, alumnae, or alumni groups for or in connection with such recipient; and

(ii) Memoranda or other written communications distributed to every student and employee of such recipient.

(b) *Publications.* (1) Each recipient shall prominently include a statement of the policy described in paragraph (a) of this section in each announcement,

bulletin, catalog, or application form that it makes available to any person of a type, described in paragraph (a) of this section, or which is otherwise used in connection with the recruitment of students or employees.

(2) A recipient shall not use or distribute a publication of the type described in paragraph (b)(1) of this section that suggests, by text or illustration, that such recipient treats applicants, students, or employees differently on the basis of sex except as such treatment is permitted by these Title IX regulations.

(c) *Distribution.* Each recipient shall distribute without discrimination on the basis of sex each publication described in paragraph (b)(1) of this section, and shall apprise each of its admission and employment recruitment representatives of the policy of non-discrimination described in paragraph (a) of this section, and shall require such representatives to adhere to such policy.

(b) *Exemption claims.* An educational institution or other entity that wishes to claim the exemption set forth in paragraph (a) of this section shall do so by submitting in writing to the designated agency official a statement by the highest-ranking official of the institution, identifying the provisions of these Title IX regulations that conflict with a specific tenet of the religious organization.

§ 3.220 Admissions.

(a) Admissions to educational institutions prior to June 24, 1973, are not covered by these Title IX regulations.

(b) *Administratively separate units.* For the purposes only of this section, §§ 3.225 and 3.230, and §§ 3.300 through 3.310, each administratively separate unit shall be deemed to be an educational institution.

(c) *Application of §§ 3.300 through 3.310.* Except as provided in paragraphs (d) and (e) of this section, §§ 3.300 through 3.310 apply to each recipient. A recipient to which §§ 3.300 through 3.310 apply shall not discriminate on the basis of sex in admission or recruitment in violation of §§ 3.300 through 3.310.

(d) *Educational institutions.* Except as provided in paragraph (e) of this section as to recipients that are educational institutions, §§ 3.300 through 3.310 apply only to institutions of vocational education, professional education, graduate higher education, and public institutions of undergraduate higher education.

(e) *Public institutions of undergraduate higher education.* §§ 3.300 through 3.310 do not apply to any public institution of undergraduate higher education that traditionally and continually from its establishment has had a policy of admitting students of only one sex.

§ 3.225 Educational institutions eligible to submit transition plans.

(a) *Application.* This section applies to each educational institution to which §§ 3.300 through 3.310 apply that:

(1) Admitted students of only one sex as regular students as of June 23, 1972; or

(2) Admitted students of only one sex as regular students as of June 23, 1965, but thereafter admitted, as regular students, students of the sex not admitted prior to June 23, 1965.

(b) *Provision for transition plans.* An educational institution to which this section applies shall not discriminate on the basis of sex in admission or recruitment in violation of §§ 3.300 through 3.310.

§ 3.230 Transition plans.

(a) *Submission of plans.* An institution to which § 3.225 applies and that is composed of more than one administratively separate unit may submit either a single transition plan applicable to all such units, or a separate transition plan applicable to each such unit.

(b) *Content of plans.* In order to be approved by the Secretary of Education, a transition plan shall:

(1) State the name, address, and Federal Interagency Committee on Education Code of the educational institution submitting such plan, the administratively separate units to which the plan is applicable, and the name, address, and telephone number of the person to whom questions concerning the plan may be addressed. The person who

submits the plan shall be the chief administrator or president of the institution, or another individual legally authorized to bind the institution to all actions set forth in the plan.

(3) Identify and describe with respect to the educational institution or administratively separate unit any obstacles to admitting students without discrimination on the basis of sex.

(4) Describe in detail the steps necessary to eliminate as soon as practicable each obstacle so identified and indicate the schedule for taking these steps and the individual directly responsible for their implementation.

(5) Include estimates of the number of students, by sex, expected to apply for, be admitted to, and enter each class during the period covered by the plan.

(c) *Nondiscrimination.* No policy or practice of a recipient to which § 3.225 applies shall result in treatment of applicants to or students of such recipient in violation of §§ 3.300 through 3.310 unless such treatment is necessitated by an obstacle identified in paragraph (b)(3) of this section and a schedule for eliminating that obstacle has been provided as required by paragraph (b)(4) of this section.

(d) *Effects of past exclusion.* To overcome the effects of past exclusion of students on the basis of sex, each educational institution to which § 3.225 applies shall include in its transition plan, and shall implement, specific steps designed to encourage individuals of the previously excluded sex to apply for admission to such institution. Such steps shall include instituting recruitment programs that emphasize the institution's commitment to enrolling students of the sex previously excluded.

§ 3.235 Statutory amendments.

(a) This section, which applies to all provisions of these Title IX regulations, addresses statutory amendments to Title IX.

(b) These Title IX regulations shall not apply to or preclude:

(1) Any program or activity of the American Legion undertaken in connection with the organization or operation of any Boys State conference, Boys Nation conference, Girls State conference, or Girls Nation conference;

(2) Any program or activity of a secondary school or educational institution specifically for:

The pageant, however, must comply with other nondiscrimination provisions of Federal law.

(c) *Program or activity or program* means:

(1) All of the operations of any entity described in paragraphs (c)(1)(i) through (iv) of this section, any part of which is extended Federal financial assistance:

(iv) Any other entity that is established by two or more of the entities described in paragraphs (c)(1)(i), (ii), or (iii) of this section.

(2)(i) *Program or activity* does not include any operation of an entity that is controlled by a religious organization if the application of 20 U.S.C. 1681 to such operation would not be consistent with the religious tenets of such organization.

(ii) For example, all of the operations of a college, university, or other post-secondary institution, including but not limited to traditional educational operations, faculty and student housing, campus shuttle bus service, campus restaurants, the bookstore, and other commercial activities are part of a “program or activity” subject to these Title IX regulations if the college, university, or other institution receives Federal financial assistance.

(d)(1) Nothing in these Title IX regulations shall be construed to require or prohibit any person, or public or private entity, to provide or pay for any benefit or service, including the use of facilities, related to an abortion. Medical procedures, benefits, services, and the use of facilities, necessary to save the life of a pregnant woman or to address complications related to an abortion are not subject to this section.

Subpart C—Discrimination on the Basis of Sex in Admission and Recruitment Prohibited

§ 3.300 Admission.

(a) *General.* No person shall, on the basis of sex, be denied admission, or be subjected to discrimination in admission, by any recipient to which §§ 3.300 through 3.310 apply, except as provided in §§ 3.225 and 3.230.

(b) *Specific prohibitions.* (1) In determining whether a person satisfies any policy or criterion for admission, or in making any offer of admission, a recipient to which §§ 3.300 through 3.310 apply shall not:

(i) Give preference to one person over another on the basis of sex, by ranking applicants separately on such basis, or otherwise;

(ii) Apply numerical limitations upon the number or proportion of persons of either sex who may be admitted; or

(iii) Otherwise treat one individual differently from another on the basis of sex.

(2) A recipient shall not administer or operate any test or other criterion for admission that has a disproportionately adverse effect on persons on the basis of sex unless the use of such test or criterion is shown to predict validly success in the education program or activity in question and alternative tests or criteria that do not have such a disproportionately adverse effect are shown to be unavailable.

(c) *Prohibitions relating to marital or parental status.* In determining whether a person satisfies any policy or criterion for admission, or in making any offer of admission, a recipient to which §§ 3.300 through 3.310 apply:

(1) Shall not apply any rule concerning the actual or potential parental, family, or marital status of a student or applicant that treats persons differently on the basis of sex;

(2) Shall not discriminate against or exclude any person on the basis of pregnancy, childbirth, termination of pregnancy, or recovery therefrom, or establish or follow any rule or practice that so discriminates or excludes;

(3) Subject to § 3.235(d), shall treat disabilities related to pregnancy, childbirth, termination of pregnancy, or recovery therefrom in the same manner and under the same policies as any other temporary disability or physical condition; and

(4) Shall not make pre-admission inquiry as to the marital status of an applicant for admission, including whether such applicant is “Miss” or “Mrs.” A recipient may make pre-admission inquiry as to the sex of an applicant for admission, but only if such inquiry is made equally of such applicants of both sexes and if the results of such inquiry are not used in connection with discrimination prohibited by these Title IX regulations.

§ 3.305 Preference in admission.

A recipient to which §§ 3.300 through 3.310 apply shall not give preference to applicants for admission, on the basis of attendance at any educational institution or other school or entity that admits as students only or predominantly members of one sex, if the giving of such preference has the effect of discriminating on the basis of sex in violation of §§ 3.300 through 3.310.

§ 3.310 Recruitment.

(a) *Nondiscriminatory recruitment.* A recipient to which §§ 3.300 through 3.310 apply shall not discriminate on the basis of sex in the recruitment and admission of students. A recipient may be required to undertake additional recruitment efforts for one sex as remedial action pursuant to § 3.110(a), and may choose to undertake such efforts as affirmative action pursuant to § 3.110(b).

(b) *Recruitment at certain institutions.* A recipient to which §§ 3.300 through 3.310 apply shall not recruit primarily or exclusively at educational institu-

tions, schools, or entities that admit as students only or predominantly members of one sex, if such actions have the effect of discriminating on the basis of sex in violation of §§ 3.300 through 3.310.

Subpart D—Discrimination on the Basis of Sex in Education Programs or Activities Prohibited

§ 3.400 Education programs or activities.

(a) *General.* Except as provided elsewhere in these Title IX regulations, no person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any academic, extracurricular, research, occupational training, or other education program or activity operated by a recipient that receives Federal financial assistance. Sections 3.400 through 3.455 do not apply to actions of a recipient in connection with admission of its students to an education program or activity of a recipient to which §§ 3.300 through 3.310 do not apply, or an entity, not a recipient, to which §§ 3.300 through 3.310 would not apply if the entity were a recipient.

(b) *Specific prohibitions.* Except as provided in §§ 3.400 through 3.455, in providing any aid, benefit, or service to a student, a recipient shall not, on the basis of sex:

(1) Treat one person differently from another in determining whether such person satisfies any requirement or condition for the provision of such aid, benefit, or service;

(2) Provide different aid, benefits, or services or provide aid, benefits, or services in a different manner;

(3) Deny any person any such aid, benefit, or service;

(4) Subject any person to separate or different rules of behavior, sanctions, or other treatment;

(5) Apply any rule concerning the domicile or residence of a student or applicant, including eligibility for in-state fees and tuition;

(6) Aid or perpetuate discrimination against any person by providing significant assistance to any agency, organization, or person that discriminates on the basis of sex in providing

§ 3.405

any aid, benefit, or service to students or employees;

(7) Otherwise limit any person in the enjoyment of any right, privilege, advantage, or opportunity.

(c) *Assistance administered by a recipient educational institution to study at a foreign institution.* A recipient educational institution may administer or assist in the administration of scholarships, fellowships, or other awards established by foreign or domestic wills, trusts, or similar legal instruments, or by acts of foreign governments and restricted to members of one sex, that are designed to provide opportunities to study abroad, and that are awarded to students who are already matriculating at or who are graduates of the recipient institution; *Provided*, that a recipient educational institution that administers or assists in the administration of such scholarships, fellowships, or other awards that are restricted to members of one sex provides, or otherwise makes available, reasonable opportunities for similar studies for members of the other sex. Such opportunities may be derived from either domestic or foreign sources.

(d) *Aids, benefits or services not provided by recipient.* (1) This paragraph (d) applies to any recipient that requires participation by any applicant, student, or employee in any education program or activity not operated wholly by such recipient, or that facilitates, permits, or considers such participation as part of or equivalent to an education program or activity operated by such recipient, including participation in educational consortia and cooperative employment and student-teaching assignments.

(2) Such recipient:

(i) Shall develop and implement a procedure designed to assure itself that the operator or sponsor of such other education program or activity takes no action affecting any applicant, student, or employee of such recipient that these Title IX regulations would prohibit such recipient from taking; and

(ii) Shall not facilitate, require, permit, or consider such participation if such action occurs.

24 CFR Subtitle A (4-1-07 Edition)

§ 3.405 Housing.

(a) *Generally.* A recipient shall not, on the basis of sex, apply different rules or regulations, impose different fees or requirements, or offer different services or benefits related to housing, except as provided in this section (including housing provided only to married students).

(b) *Housing provided by recipient.* (1) A recipient may provide separate housing on the basis of sex.

(2) Housing provided by a recipient to students of one sex, when compared to that provided to students of the other sex, shall be as a whole:

(i) Proportionate in quantity to the number of students of that sex applying for such housing; and

(ii) Comparable in quality and cost to the student.

(c) *Other housing.* (1) A recipient shall not, on the basis of sex, administer different policies or practices concerning occupancy by its students of housing other than that provided by such recipient.

(2)(i) A recipient which, through solicitation, listing, approval of housing, or otherwise, assists any agency, organization, or person in making housing available to any of its students, shall take such reasonable action as may be necessary to assure itself that such housing as is provided to students of one sex, when compared to that provided to students of the other sex, is as a whole:

(A) Proportionate in quantity; and

(B) Comparable in quality and cost to the student.

(ii) A recipient may render such assistance to any agency, organization, or person that provides all or part of such housing to students of only one sex.

§ 3.410 Comparable facilities.

A recipient may provide separate toilet, locker room, and shower facilities on the basis of sex, but such facilities provided for students of one sex shall be comparable to such facilities provided for students of the other sex.

§ 3.415 Access to course offerings.

(a) A recipient shall not provide any course or otherwise carry out any of its

education program or activity separately on the basis of sex, or require or refuse participation therein by any of its students on such basis, including health, physical education, industrial, business, vocational, technical, home economics, music, and adult education courses.

(b)(1) With respect to classes and activities in physical education at the elementary school level, the recipient shall comply fully with this section as expeditiously as possible but in no event later than one year from September 29, 2000. With respect to physical education classes and activities at the secondary and post-secondary levels, the recipient shall comply fully with this section as expeditiously as possible but in no event later than three years from September 29, 2000.

(2) This section does not prohibit grouping of students in physical education classes and activities by ability as assessed by objective standards of individual performance developed and applied without regard to sex.

(3) This section does not prohibit separation of students by sex within physical education classes or activities during participation in wrestling, boxing, rugby, ice hockey, football, basketball, and other sports the purpose or major activity of which involves bodily contact.

(4) Where use of a single standard of measuring skill or progress in a physical education class has an adverse effect on members of one sex, the recipient shall use appropriate standards that do not have such effect.

(5) Portions of classes in elementary and secondary schools, or portions of education programs or activities, that deal exclusively with human sexuality may be conducted in separate sessions for boys and girls.

(6) Recipients may make requirements based on vocal range or quality that may result in a chorus or choruses of one or predominantly one sex.

§ 3.420 Access to schools operated by LEAs.

A recipient that is a local educational agency shall not, on the basis of sex, exclude any person from admission to:

(a) Any institution of vocational education operated by such recipient; or

(b) Any other school or educational unit operated by such recipient, unless such recipient otherwise makes available to such person, pursuant to the same policies and criteria of admission, courses, services, and facilities comparable to each course, service, and facility offered in or through such schools.

§ 3.425 Counseling and use of appraisal and counseling materials.

(a) *Counseling.* A recipient shall not discriminate against any person on the basis of sex in the counseling or guidance of students or applicants for admission.

(b) *Use of appraisal and counseling materials.* A recipient that uses testing or other materials for appraising or counseling students shall not use different materials for students on the basis of their sex or use materials that permit or require different treatment of students on such basis unless such different materials cover the same occupations and interest areas and the use of such different materials is shown to be essential to eliminate sex bias. Recipients shall develop and use internal procedures for ensuring that such materials do not discriminate on the basis of sex. Where the use of a counseling test or other instrument results in a substantially disproportionate number of members of one sex in any particular course of study or classification, the recipient shall take such action as is necessary to assure itself that such disproportion is not the result of discrimination in the instrument or its application.

(c) *Disproportion in classes.* Where a recipient finds that a particular class contains a substantially disproportionate number of individuals of one sex, the recipient shall take such action as is necessary to assure itself that such disproportion is not the result of discrimination on the basis of sex in counseling or appraisal materials or by counselors.

§ 3.430 Financial assistance.

(a) *General.* Except as provided in paragraphs (b) and (c) of this section,

§ 3.435

in providing financial assistance to any of its students, a recipient shall not:

(1) On the basis of sex, provide different amounts or types of such assistance, limit eligibility for such assistance that is of any particular type or source, apply different criteria, or otherwise discriminate;

(2) Through solicitation, listing, approval, provision of facilities, or other services, assist any foundation, trust, agency, organization, or person that provides assistance to any of such recipient's students in a manner that discriminates on the basis of sex; or

(3) Apply any rule or assist in application of any rule concerning eligibility for such assistance that treats persons of one sex differently from persons of the other sex with regard to marital or parental status.

(b) *Financial aid established by certain legal instruments.* (1) A recipient may administer or assist in the administration of scholarships, fellowships, or other forms of financial assistance established pursuant to domestic or foreign wills, trusts, bequests, or similar legal instruments or by acts of a foreign government that require that awards be made to members of a particular sex specified therein; *Provided*, that the overall effect of the award of such sex-restricted scholarships, fellowships, and other forms of financial assistance does not discriminate on the basis of sex.

(2) To ensure nondiscriminatory awards of assistance as required in paragraph (b)(1) of this section, recipients shall develop and use procedures under which:

(i) Students are selected for award of financial assistance on the basis of nondiscriminatory criteria and not on the basis of availability of funds restricted to members of a particular sex;

(ii) An appropriate sex-restricted scholarship, fellowship, or other form of financial assistance is allocated to each student selected under paragraph (b)(2)(i) of this section; and

(iii) No student is denied the award for which he or she was selected under paragraph (b)(2)(i) of this section because of the absence of a scholarship, fellowship, or other form of financial assistance designated for a member of that student's sex.

24 CFR Subtitle A (4-1-07 Edition)

(c) *Athletic scholarships.* (1) To the extent that a recipient awards athletic scholarships or grants-in-aid, it must provide reasonable opportunities for such awards for members of each sex in proportion to the number of students of each sex participating in interscholastic or intercollegiate athletics.

(2) A recipient may provide separate athletic scholarships or grants-in-aid for members of each sex as part of separate athletic teams for members of each sex to the extent consistent with this paragraph (c) and § 3.450.

§ 3.435 Employment assistance to students.

(a) *Assistance by recipient in making available outside employment.* A recipient that assists any agency, organization, or person in making employment available to any of its students:

(1) Shall assure itself that such employment is made available without discrimination on the basis of sex; and

(2) Shall not render such services to any agency, organization, or person that discriminates on the basis of sex in its employment practices.

(b) *Employment of students by recipients.* A recipient that employs any of its students shall not do so in a manner that violates §§ 3.500 through 3.550.

§ 3.440 Health and insurance benefits and services.

Subject to § 3.235(d), in providing a medical, hospital, accident, or life insurance benefit, service, policy, or plan to any of its students, a recipient shall not discriminate on the basis of sex, or provide such benefit, service, policy, or plan in a manner that would violate §§ 3.500 through 3.550 if it were provided to employees of the recipient. This section shall not prohibit a recipient from providing any benefit or service that may be used by a different proportion of students of one sex than of the other, including family planning services. However, any recipient that provides full coverage health service shall provide gynecological care.

§ 3.445 Marital or parental status.

(a) *Status generally.* A recipient shall not apply any rule concerning a student's actual or potential parental,

family, or marital status that treats students differently on the basis of sex.

(b) *Pregnancy and related conditions.*

(1) A recipient shall not discriminate against any student, or exclude any student from its education program or activity, including any class or extracurricular activity, on the basis of such student's pregnancy, childbirth, false pregnancy, termination of pregnancy, or recovery therefrom, unless the student requests voluntarily to participate in a separate portion of the program or activity of the recipient.

(2) A recipient may require such a student to obtain the certification of a physician that the student is physically and emotionally able to continue participation as long as such a certification is required of all students for other physical or emotional conditions requiring the attention of a physician.

(3) A recipient that operates a portion of its education program or activity separately for pregnant students, admittance to which is completely voluntary on the part of the student as provided in paragraph (b)(1) of this section, shall ensure that the separate portion is comparable to that offered to non-pregnant students.

(4) Subject to § 3.235(d), a recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy and recovery therefrom in the same manner and under the same policies as any other temporary disability with respect to any medical or hospital benefit, service, plan, or policy that such recipient administers, operates, offers, or participates in with respect to students admitted to the recipient's educational program or activity.

(5) In the case of a recipient that does not maintain a leave policy for its students, or in the case of a student who does not otherwise qualify for leave under such a policy, a recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy, and recovery therefrom as a justification for a leave of absence for as long a period of time as is deemed medically necessary by the student's physician, at the conclusion of which the student shall be reinstated to the status that she held when the leave began.

§ 3.450 Athletics.

(a) *General.* No person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, be treated differently from another person, or otherwise be discriminated against in any interscholastic, intercollegiate, club, or intramural athletics offered by a recipient, and no recipient shall provide any such athletics separately on such basis.

(b) *Separate teams.* Notwithstanding the requirements of paragraph (a) of this section, a recipient may operate or sponsor separate teams for members of each sex where selection for such teams is based upon competitive skill or the activity involved is a contact sport. However, where a recipient operates or sponsors a team in a particular sport for members of one sex but operates or sponsors no such team for members of the other sex, and athletic opportunities for members of that sex have previously been limited, members of the excluded sex must be allowed to try out for the team offered unless the sport involved is a contact sport. For the purposes of these Title IX regulations, contact sports include boxing, wrestling, rugby, ice hockey, football, basketball, and other sports the purpose or major activity of which involves bodily contact.

(c) *Equal opportunity.* (1) A recipient that operates or sponsors interscholastic, intercollegiate, club, or intramural athletics shall provide equal athletic opportunity for members of both sexes. In determining whether equal opportunities are available, the designated agency official will consider, among other factors:

(i) Whether the selection of sports and levels of competition effectively accommodate the interests and abilities of members of both sexes;

(ii) The provision of equipment and supplies;

(iii) Scheduling of games and practice time;

(iv) Travel and per diem allowance;

(v) Opportunity to receive coaching and academic tutoring;

(vi) Assignment and compensation of coaches and tutors;

(vii) Provision of locker rooms, practice, and competitive facilities;

§ 3.455

(viii) Provision of medical and training facilities and services;

(ix) Provision of housing and dining facilities and services;

(x) Publicity.

(2) For purposes of paragraph (c)(1) of this section, unequal aggregate expenditures for members of each sex or unequal expenditures for male and female teams if a recipient operates or sponsors separate teams will not constitute noncompliance with this section, but the designated agency official may consider the failure to provide necessary funds for teams for one sex in assessing equality of opportunity for members of each sex.

(d) *Adjustment period.* A recipient that operates or sponsors interscholastic, intercollegiate, club, or intramural athletics at the elementary school level shall comply fully with this section as expeditiously as possible but in no event later than one year from September 29, 2000. A recipient that operates or sponsors interscholastic, intercollegiate, club, or intramural athletics at the secondary or postsecondary school level shall comply fully with this section as expeditiously as possible but in no event later than three years from September 29, 2000.

§ 3.455 Textbooks and curricular material.

Nothing in these Title IX regulations shall be interpreted as requiring or prohibiting or abridging in any way the use of particular textbooks or curricular materials.

(3) A recipient shall not enter into any contractual or other relationship which directly or indirectly has the effect of subjecting employees or students to discrimination prohibited by §§ 3.500 through 3.550, including relationships with employment and referral agencies, with labor unions, and with organizations providing or administering fringe benefits to employees of the recipient.

(4) A recipient shall not grant preferences to applicants for employment on the basis of attendance at any educational institution or entity that admits as students only or predominantly members of one sex, if the giving of such preferences has the effect of discriminating on the basis of sex in violation of these Title IX regulations.

(b) *Application.* The provisions of §§ 3.500 through 3.550 apply to:

(1) Recruitment, advertising, and the process of application for employment;

(2) Hiring, upgrading, promotion, consideration for and award of tenure, demotion, transfer, layoff, termination, application of nepotism policies, right of return from layoff, and rehiring;

(10) Any other term, condition, or privilege of employment.

§ 3.505 Employment criteria.

A recipient shall not administer or operate any test or other criterion for any employment opportunity that has a disproportionately adverse effect on persons on the basis of sex unless:

(a) Use of such test or other criterion is shown to predict validly successful performance in the position in question; and

(b) Alternative tests or criteria for such purpose, which do not have such disproportionately adverse effect, are shown to be unavailable.

§ 3.510 Recruitment.

(a) *Nondiscriminatory recruitment and hiring.* A recipient shall not discriminate on the basis of sex in the recruitment and hiring of employees. Where a recipient has been found to be presently discriminating on the basis of sex in the recruitment or hiring of employees, or has been found to have so discriminated in the past, the recipient shall recruit members of the sex so discriminated against so as to overcome the effects of such past or present discrimination.

(b) *Recruitment patterns.* A recipient shall not recruit primarily or exclusively at entities that furnish as applicants only or predominantly members of one sex if such actions have the effect of discriminating on the basis of sex in violation of §§ 3.500 through 3.550.

§ 3.515 Compensation.

A recipient shall not make or enforce any policy or practice that, on the basis of sex:

(a) Makes distinctions in rates of pay or other compensation;

§ 3.525 Fringe benefits.

(a) *“Fringe benefits” defined.* For purposes of these Title IX regulations, *fringe benefits* means: Any medical, hospital, accident, life insurance, or retirement benefit, service, policy or plan, any profit-sharing or bonus plan, leave, and any other benefit or service of employment not subject to the provision of § 3.515.

(1) Discriminate on the basis of sex with regard to making fringe benefits available to employees or make fringe benefits available to spouses, families, or dependents of employees differently upon the basis of the employee's sex;

(2) Administer, operate, offer, or participate in a fringe benefit plan that does not provide for equal periodic benefits for members of each sex and for equal contributions to the plan by such recipient for members of each sex; or

(3) Administer, operate, offer, or participate in a pension or retirement plan that establishes different optional or compulsory retirement ages based on sex or that otherwise discriminates in benefits on the basis of sex.

(2) Which is based upon whether an employee or applicant for employment is the head of household or principal wage earner in such employee's or applicant's family unit.

(b) *Pregnancy.* A recipient shall not discriminate against or exclude from employment any employee or applicant for employment on the basis of pregnancy, childbirth, false pregnancy, termination of pregnancy, or recovery therefrom.

(c) *Pregnancy as a temporary disability.* Subject to § 3.235(d), a recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy, recovery therefrom, and any temporary disability resulting therefrom as any other temporary disability for all job-related purposes, including commencement, duration, and extensions of leave, payment of disability income, accrual of seniority and any other benefit or service, and reinstatement, and under any fringe benefit offered to employees by virtue of employment.

(d) *Pregnancy leave.* In the case of a recipient that does not maintain a leave policy for its employees, or in the case of an employee with insufficient leave or accrued employment time to qualify for leave under such a policy, a recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy, and recovery therefrom as a justification for a leave of absence without pay for a reasonable period of time, at the conclusion of which the employee shall be reinstated to the status that she held when the leave began or to a comparable position, without decrease in rate of compensation or loss of promotional opportunities, or any other right or privilege of employment.

§ 3.535 Effect of state or local law or other requirements.

(a) *Prohibitory requirements.* The obligation to comply with §§ 3.500 through 3.550 is not obviated or alleviated by the existence of any State or local law or other requirement that imposes prohibitions or limits upon employment of members of one sex that are not imposed upon members of the other sex.

24 CFR Subtitle A (4-1-07 Edition)

(b) *Benefits.* A recipient that provides any compensation, service, or benefit to members of one sex pursuant to a State or local law or other requirement shall provide the same compensation, service, or benefit to members of the other sex.

§ 3.545 Pre-employment inquiries.

(a) *Marital status.* A recipient shall not make pre-employment inquiry as to the marital status of an applicant for employment, including whether such applicant is "Miss" or "Mrs."

(b) *Sex.* A recipient may make pre-employment inquiry as to the sex of an applicant for employment, but only if such inquiry is made equally of such applicants of both sexes and if the results of such inquiry are not used in connection with discrimination prohibited by these Title IX regulations.

§ 3.550 Sex as a bona fide occupational qualification.

A recipient may take action otherwise prohibited by §§ 3.500 through 3.550 provided it is shown that sex is a bona fide occupational qualification for that action, such that consideration of sex with regard to such action is essential to successful operation of the employment function concerned. A recipient shall not take action pursuant to this section that is based upon alleged comparative employment characteristics or stereotyped characterizations of one or the other sex, or upon preference based on sex of the recipient, employees, students, or other persons, but nothing contained in this section shall prevent a recipient from considering an employee's sex in relation to employment in a locker room or toilet facility used only by members of one sex.

Subpart A—Accountability in the Provision of HUD Assistance**§ 4.1 Purpose.**

The provisions of this subpart A are authorized under section 102 of the Department of Housing and Urban Development Reform Act of 1989 (Pub. L. 101-235, approved December 15, 1989) (42 U.S.C. 3537a) (hereinafter, Section 102). Both the provisions of Section 102 and this subpart A apply for the purposes of Section 102. Section 102 contains a number of provisions designed to ensure greater accountability and integrity in the way in which the Department makes assistance available under certain of its programs.

§ 4.3 Definitions.

Applicant includes a person whose application for assistance must be submitted to HUD for any purpose including approval, environmental review, or rent determination.

Assistance under any program or discretionary fund administered by the Secretary is subject to Section 102(a), and means any assistance, under any program administered by the Department, that provides by statute, regulation or otherwise for the competitive distribution of funding.

Assistance within the jurisdiction of the Department is subject to Section 102(b), and means any contract, grant, loan, cooperative agreement, or other form of assistance, including the insurance or guarantee of a loan or mortgage, that is provided with respect to a specific project or activity under a program administered by the Department, whether or not it is awarded through a competitive process.

Assistance within the jurisdiction of the Department to any housing project is subject to Section 102(d), and means:

- (1) Assistance which is provided directly by HUD to any person or entity, but not to subrecipients. It includes assistance for the acquisition, rehabilitation, operation conversion, modernization, renovation, or demolition of any property containing five or more dwelling units that is to be used primarily

§ 4.5

for residential purposes. It includes assistance to independent group residences, board and care facilities, group homes and transitional housing but does not include primarily nonresidential facilities such as intermediate care facilities, nursing homes and hospitals. It also includes any change requested by a recipient in the amount of assistance previously provided, except changes resulting from annual adjustments in Section 8 rents under Section 8(c)(2)(A) of the United States Housing Act of 1937 (42 U.S.C. 1437f);

(2) Assistance to residential rental property receiving a tax credit under Federal, State or local law.

(3) For purposes of this definition, assistance includes assistance resulting from annual adjustments in Section 8 rents under Section 8(c)(2)(A) of the United States Housing Act of 1937, unless the initial assistance was made available before April 15, 1991, and no other assistance subject to this subpart A was made available on or after that date.

Housing project means: (1) Property containing five or more dwelling units that is to be used for primarily residential purposes, including (but not limited to) living arrangements such as independent group residences, board and care facilities, group homes, and transitional housing, but excluding facilities that provide primarily non-residential services, such as intermediate care facilities, nursing homes, and hospitals.

(2) Residential rental property receiving a tax credit under Federal, State, or local law.

Interested party means any person involved in the application for assistance, or in the planning, development or implementation of the project or activity for which assistance is sought and any other person who has a pecuniary interest exceeding the lower of \$50,000 or 10 percent in the project or activity for which assistance is sought.

Selection criteria includes, in addition to any objective measures of housing and other need, project merit, or efficient use of resources, the weight or relative importance of each published selection criterion as well as any other factors that may affect the selection of recipients.

24 CFR Subtitle A (4-1-07 Edition)

§ 4.5 Notice and documentation of assistance subject to section 102(a).

(a) *Notice.* Before the Department solicits an application for assistance subject to Section 102(a), it will publish a Notice in the FEDERAL REGISTER describing application procedures. Not less than 30 calendar days before the deadline by which applications must be submitted, the Department will publish selection criteria in the FEDERAL REGISTER.

(b) *Documentation of decisions.* HUD will make available for public inspection, for at least five (5) years, and beginning not less than 30 calendar days after it provides the assistance, all documentation and other information regarding the basis for the funding decision with respect to each application submitted to HUD for assistance. HUD will also make available any written indication of support that it received from any applicant. Recipients of HUD assistance must ensure, in accordance with HUD guidance, the public availability of similar information submitted by subrecipients of HUD assistance.

§ 4.7 Notice of funding decisions.

HUD will publish a Notice in the FEDERAL REGISTER at least quarterly to notify the public of all decisions made by the Department to provide:

(a) Assistance subject to Section 102(a); and

(b) Assistance that is provided through grants or cooperative agreements on a discretionary (non-formula, non-demand) basis, but that is not provided on the basis of a competition.

§ 4.9 Disclosure requirements for assistance subject to section 102(b).

(a) *Receipt and reasonable expectation of receipt.* (1) In determining the threshold of applicability of Section 102(b), an applicant will be deemed to have received or to have a reasonable expectation of receiving:

(i) The total amount of assistance received during the Federal fiscal year during which the application was submitted;

(ii) The total amount of assistance requested for the fiscal year in which any pending application, including the

Office of the Secretary, HUD

§ 4.11

current application, was submitted; and

(iii) For the fiscal year described in paragraph (a)(1)(ii) of this section, the total amount of assistance from the Department or any other entity that is likely to be made available on a formula basis or in the form of program income as defined in 24 CFR part 85.

(2) In the case of assistance that will be provided pursuant to contract over a period of time (such as project-based assistance under Section 8 of the United States Housing Act of 1937), all amounts that are to be provided over the term of the contract, irrespective of when they are to be received.

(b) *Content of disclosure.* Applicants that receive or can reasonably be expected to receive, as defined in paragraph (a) of this section, an aggregate amount of assistance that is in excess of \$200,000 must disclose the following information:

(1) Other governmental assistance that is or is expected to be made available, based upon a reasonable assessment of the circumstances, with respect to the project or activities for which the assistance is sought;

(2) The name and pecuniary interest of any interested party; and

(3) A report of the expected sources and uses of funds for the project or activity which is the subject of the application, including governmental and non-governmental sources of funds and private capital resulting from tax benefits.

(c) In the case of mortgage insurance under 24 CFR subtitle B, chapter II, the mortgagor is responsible for making the disclosures required under Section 102(b) and this section, and the mortgagee is responsible for furnishing the mortgagor's disclosures to the Department.

(Approved by the Office of Management and Budget under control number 2510-0011)

§ 4.11 Updating of disclosure.

(a) During the period in which an application for assistance covered under Section 102(b) is pending, or in which such assistance is being provided, the applicant must report to the Department, or to the State or unit of general local government, as appropriate:

(1) Any information referred to in Section 102(b) that the applicant should have disclosed with respect to the application, but did not disclose;

(2) Any information referred to in Section 102(b) that initially arose after the time for making disclosures under that subsection, including the name and pecuniary interest of any person who did not have a pecuniary interest in the project or activity that exceeded the threshold in Section 102(b) at the time of the application, but that subsequently exceeded the threshold.

(b) With regard to changes in information that was disclosed under Sections 102(b) or 102(c):

(1) For programs administered by the Assistant Secretary for Community Planning and Development:

(i) Any change in other government assistance covered by Section 102(b) that exceeds the amount of all assistance that was previously disclosed by the lesser of \$250,000 or 10 percent of the assistance;

(ii) Any change in the expected sources or uses of funds that exceed the amount of all previously disclosed sources or uses by the lesser of \$250,000 or 10 percent of previously disclosed sources;

(2) For all other programs:

(i) Any change in other government assistance under Section 102(b)(1) that exceeds the amount of assistance that was previously disclosed;

(ii) Any change in the pecuniary interest of any person under Section 102(b)(2) that exceeds the amount of all previously disclosed interests by the lesser of \$50,000 or 10 percent of such interest;

(iii) For all projects receiving a tax credit under Federal, State or local law, any change in the expected sources or uses of funds that were previously disclosed;

(iv) For all other projects:

(A) Any change in the expected source of funds from a single source that exceeds the lesser of the amount previously disclosed for that source of funds by \$250,000 or 10 percent of the funds previously disclosed for that source;

§ 4.13

(B) Any change in the expected sources of funds from all sources previously disclosed that exceeds the lesser of \$250,000 or 10 percent of the amounts previously disclosed from all sources of funds;

(C) Any change in a single expected use of funds that exceeds the lesser of \$250,000 or 10 percent of the previously disclosed use;

(D) Any change in the use of all funds that exceeds the lesser of \$250,000 or 10 percent of the previously disclosed uses for all funds.

(c) *Period of coverage.* For purposes of updating of Section 102(c), an application for assistance will be considered to be pending from the time the application is submitted until the Department communicates its decision with respect to the selection of the applicant.

(Approved by the Office of Management and Budget under control number 2510-0011)

§ 4.13 Limitation of assistance subject to section 102(d).

(a) In making the certification for assistance subject to Section 102(d), the Secretary will consider the aggregate amount of assistance from the Department and from other sources that is necessary to ensure the feasibility of the assisted activity. The Secretary will take into account all factors relevant to feasibility, which may include, but are not limited to, past rates of returns for owners, sponsors, and investors; the long-term needs of the project and its tenants; and the usual and customary fees charged in carrying out the assisted activity.

(b) If the Department determines that the aggregate of assistance within the jurisdiction of the Department to a housing project from the Department and from other governmental sources exceeds the amount that the Secretary determines is necessary to make the assisted activity feasible, the Department will consider all options available to enable it to make the required certification, including reductions in the amount of Section 8 subsidies. The Department also may impose a dollar-for-dollar, or equivalent, reduction in the amount of HUD assistance to offset the amount of other government assistance. In grant programs, this could result in a reduction of any grant

24 CFR Subtitle A (4-1-07 Edition)

amounts not yet drawn down. The Department may make these adjustments immediately, or in conjunction with servicing actions anticipated to occur in the near future (*e.g.*, in conjunction with the next annual adjustment of Section 8 rents).

(c) If an applicant does not meet the \$200,000 disclosure requirement in § 4.7(b), an applicant must certify whether there is, or is expected to be made, available with respect to the housing project any other governmental assistance. The Department may also require any applicant subject to this subpart A to submit such a certification in conjunction with the Department's processing of any subsequent servicing action on that project. If there is other government assistance for purposes of the two preceding sentences, the applicant must submit such information as the Department deems necessary to make the certification and subsequent adjustments under Section 102(d).

(d) The certification under Section 102(d) shall be retained in the official file for the housing project.

Subpart B—Prohibition of Advance Disclosure of Funding Decisions

§ 4.20 Purpose.

The provisions of this subpart B are authorized under section 103 of the Department of Housing and Urban Development Reform Act of 1989 (Pub. L. 101-235, approved December 15, 1989) (42 U.S.C. 3537a) (hereinafter, Section 103). Both the provisions of Section 103 and this subpart B apply for the purposes of Section 103. Section 103 proscribes direct or indirect communication of certain information during the selection process by HUD employees to persons within or outside of the Department who are not authorized to receive that information. The purpose of the proscription is to preclude giving an unfair advantage to applicants who would receive information not available to other applicants or to the public. Section 103 also authorizes the Department to impose a civil money penalty on a HUD employee who knowingly discloses protected information, if such a violation of Section 103 is material, and authorizes the Department to

sanction the person who received information improperly by, among other things, denying assistance to that person.

§ 4.22 Definitions.

Application means a written request for assistance regardless of whether the request is in proper form or format.

Assistance does not include any contract (e.g., a procurement contract) that is subject to the Federal Acquisition Regulation (FAR) (48 CFR ch. 1).

Disclose means providing information directly or indirectly to a person through any means of communication.

Employee includes persons employed on a full-time, part-time, or temporary basis, and special government employees as defined in 18 U.S.C. 202. The term applies whether or not the employee is denoted as an officer of the Department. "Employee" is to be construed broadly to include persons who are retained on a contractual or consultative basis under an Office of Human Resources appointment. However, "employee" does not include an independent contractor, e.g., a firm or individual working under the authority of a procurement contract.

Material or materially means in some influential or substantial respect or having to do more with substance than with form.

Person means an individual, corporation, company, association, authority, firm, partnership, society, State, local government, or any other organization or group of people.

Selection process means the period with respect to a selection for assistance that begins when the HUD official responsible for awarding the assistance involved, or his or her designee, makes a written request (which includes the selection criteria to be used in providing the assistance) to the Office of General Counsel (OGC) to prepare the NOFA, solicitation, or request for applications for assistance for publication in the FEDERAL REGISTER. The period includes the evaluation of applications, and concludes with the announcement of the selection of recipients of assistance.

§ 4.24 Scope.

(a) *Coverage*. The prohibitions against improper disclosure of covered selection information apply to any person who is an employee of the Department. In addition, the Department will require any other person who participates at the invitation of the Department in the selection process to sign a certification that he or she will be bound by the provisions of this part.

(b) *Applicability*. The prohibitions contained in this part apply to conduct occurring on or after June 12, 1991.

§ 4.26 Permissible and impermissible disclosures.

(a) Notwithstanding the provisions of Section 103, an employee is permitted to disclose information during the selection process with respect to:

(1) The requirements of a HUD program or programs, including unpublished policy statements and the provision of technical assistance concerning program requirements, provided that the requirements or statements are disclosed on a uniform basis to any applicant or potential applicant. For purposes of this part, the term "technical assistance" includes such activities as explaining and responding to questions about program regulations, defining terms in an application package, and providing other forms of technical guidance that may be described in a NOFA. The term "technical assistance" also includes identification of those parts of an application that need substantive improvement, but this term does not include advising the applicant how to make those improvements.

(2) The dates by which particular decisions in the selection process will be made;

(3) Any information which has been published in the FEDERAL REGISTER in a NOFA or otherwise;

(4) Any information which has been made public through means other than the FEDERAL REGISTER;

(5) An official audit, inquiry or investigation, if the disclosure is made to an auditor or investigator authorized by the HUD Inspector General to conduct the audit or investigation;

§ 4.28

(6) Legal activities, including litigation, if the disclosure is made to an attorney who is representing or is otherwise responsible to the Department in connection with the activities; or

(7) Procedures that are required to be performed to process an application, e.g., environmental or budget reviews, and technical assistance from experts in fields who are regularly employed by other government agencies, provided that the agency with which the expert is employed or associated is not an applicant for HUD assistance during the pending funding cycle.

(b) An authorized employee, during the selection process, may contact an applicant for the purpose of:

(1) Communication of the applicant's failure to qualify, after a preliminary review for eligibility and completeness with respect to his or her application, and the reasons for the failure to qualify, or the fact of the applicant's failure to be determined to be technically acceptable after a full review; or

(2) Clarification of the terms of the applicant's application. A clarification, for the purpose of this paragraph (b), may include a request for additional information consistent with regulatory requirements.

(c) Prohibition of advance disclosure of funding decisions. During the selection process an employee shall not knowingly disclose any covered selection information regarding the selection process to any person other than an employee authorized to receive that information.

(1) The following disclosures of information are, at any time during the selection process, a violation of Section 103:

(i) Information regarding any applicant's relative standing;

(ii) The amount of assistance requested by any applicant;

(iii) Any information contained in an application;

(2) The following disclosures of information, before the deadline for the submission of applications, shall be a violation of Section 103:

(i) The identity of any applicant; and

(ii) The number of applicants.

24 CFR Subtitle A (4-1-07 Edition)

§ 4.28 Civil penalties.

Whenever any employee knowingly and materially violates the prohibition in Section 103, the Department may impose a civil money penalty on the employee in accordance with the provisions of 24 CFR part 30.

§ 4.30 Procedure upon discovery of a violation.

(a) *In general.* When an alleged violation of Section 103 or this subpart B comes to the attention of any person, including an employee, he or she may either:

(1) Contact the HUD Ethics Law Division to provide information about the alleged violation; or

(2) Contact the HUD Office of Inspector General to request an inquiry or investigation into the matter.

(b) *Ethics Law Division.* When the Ethics Law Division receives information concerning an alleged violation of Section 103, it shall refer the matter to the Inspector General stating the facts of the alleged violation and requesting that the Inspector General make an inquiry or investigation into the matter.

(c) *Inspector General.* When the Inspector General receives information concerning an alleged violation of Section 103 or this subpart B, he or she shall notify the Ethics Law Division when the Inspector General begins an inquiry or investigation into the matter.

(d) *Protection of employee complaints.* (1) No official of the Ethics Law Division, after receipt of information from an employee stating the facts of an alleged violation of this part, shall disclose the identity of the employee without the consent of that employee. The Inspector General, after receipt of information stating the facts of an alleged violation of this part, shall not disclose the identity of the employee who provided the information without the consent of that employee, unless the Inspector General determines that disclosure of the employee's identity is unavoidable during the course of an investigation. However, any employee who knowingly reports a false alleged violation of this part is not so protected and may be subject to disciplinary action.

Office of the Secretary, HUD

§ 4.36

(2) Any employee who has authority to take, direct others to take, recommend or approve a personnel action is prohibited from threatening, taking, failing to take, recommending, or approving any personnel action as reprisal against another employee for providing information to investigating officials.

§ 4.32 Investigation by Office of Inspector General.

The Office of Inspector General shall review every alleged violation of Section 103. If after a review the Office of Inspector General determines that further investigation is not warranted, it shall notify the Ethics Law Division of that determination. If, after a review, the Office of Inspector General determines that additional investigation is warranted, it shall conduct the investigation and upon completion issue a report of the investigation to the Ethics Law Division as to each alleged violation.

§ 4.34 Review of Inspector General's report by the Ethics Law Division.

After receipt of the Inspector General's report, the Ethics Law Division shall review the facts and circumstances of the alleged violations. In addition, the Ethics Law Division may:

- (a) Return the report to the Inspector General with a request for further investigation;
- (b) Discuss the violation with the employee alleged to have committed the violation; or
- (c) Interview any other person, including employees who it believes will be helpful in furnishing information relevant to the inquiry.

§ 4.36 Action by the Ethics Law Division.

(a) After review of the Inspector General's report, the Ethics Law Division shall determine whether or not there is sufficient information providing a reasonable basis to believe that a violation of Section 103 or this subpart B has occurred.

(b) If the Ethics Law Division determines that there is no reasonable basis to believe that a violation of Section 103 or this subpart B has occurred, it

shall close the matter and send its determination to the Office of Inspector General.

(c) If the Ethics Law Division determines that there is sufficient information to provide a reasonable basis to believe that a violation of Section 103 or this subpart B has occurred, it shall:

(1) Send its determination to the Office of Inspector General; and

(2) Refer the matter to the appropriate official for review as to whether to impose a civil money penalty in accordance with 24 CFR part 30; provided, however, that the Ethics Law Division shall not make a civil money penalty recommendation unless it finds the violation to have been knowing and material. The decision to impose a civil money penalty in a particular matter may be made only upon referral from the Ethics Law Division.

(d) In determining whether a violation is material, the Ethics Law Division shall consider the following factors, as applicable:

(1) The content of the disclosure and its significance to the person to whom the disclosure was made;

(2) The time during the selection process when the disclosure was made;

(3) The person to whom the disclosure was made;

(4) The dollar amount of assistance requested by the person to whom the disclosure was made;

(5) The dollar amount of assistance available for a given competition or program;

(6) The benefit, if any, received or expected by the employee, the employee's relatives or friends, or any other person with whom the employee is affiliated;

(7) The potential injury to the Department.

(e) If the Ethics Law Division determines that there is sufficient information to provide a reasonable basis to believe that a violation of Section 103 or this subpart B has occurred, it may, in addition to referring the matter under 24 CFR part 30, refer the matter to an appropriate HUD official for consideration of any other available disciplinary action. Any referral authorized by this paragraph (e) shall be reported to the Inspector General and

§ 4.38

may be reported to the employee's supervisor.

§ 4.38 Administrative remedies.

(a) If the Department receives or obtains information providing a reasonable basis to believe that a violation of Section 103 has occurred, the Department may impose a sanction, as determined to be appropriate, upon an applicant for or a recipient of assistance who has received covered selection information.

(b) In determining whether a sanction is appropriate and if so which sanction or sanctions should be sought, the Secretary shall give consideration to the applicant's conduct with respect to the violation. In so doing, the Secretary shall consider the factors listed at § 4.36(d), as well as any history of prior violations in any HUD program, the benefits received or expected, deterrence of future violations and the extent of any complicity in the violation.

(c) The Secretary may impose a sanction authorized by this section whether or not the Ethics Law Division refers a case under 24 CFR part 30, and whether or not a civil money penalty is imposed.

[62 FR 61617, Nov. 18, 1997]

§ 5.108 Preservation of Open Competition and Government Neutrality Towards Government Contractors' Labor Relations on Federally Funded Construction Projects.

(a) *Purpose.* This section implements Executive Order 13202 (issued on February 17, 2001), as amended by Executive Order 13208 (issued on April 6, 2001), entitled "Preservation of Open Competition and Government Neutrality Towards Government Contractors' Labor Relations on Federal and Federally Funded Construction Projects."

(b) *Definitions.* For purposes of this section:

Construction contract means a contract for the construction, rehabilitation, alteration, conversion, extension, or repair of buildings, highways, or other improvements to real property, including any subcontracts awarded pursuant to such a contract.

Financial assistance includes:

(i) Grants, loans, and advances of federal funds; or

(ii) Proceeds from loans guaranteed under section 108 of the Housing and Community Development Act of 1974, as amended (42 U.S.C. 5301 *et seq.*) and title VI of the Native American Housing Assistance and Self-Determination

Act of 1996 (25 U.S.C. 4101 *et seq.*). The term “financial assistance” does not include any other contract of insurance or guaranty.

Labor organization has the same meaning it has in 42 U.S.C. 2000e(d).

(c) *Neutrality towards government contractors’ labor relations.* To the extent permitted by law, the bid specifications, project agreements, or other controlling documents for a construction contract awarded on or after June 23, 2003, by a HUD grantee, recipient of financial assistance from HUD, or party to a cooperative agreement with HUD, for a construction project (or a construction manager acting on their behalf) shall not:

(1) Require or prohibit bidders, offerors, contractors, or subcontractors to enter into or adhere to agreements with one or more labor organizations on the same or other related federally funded construction project; or

(2) Otherwise discriminate against bidders, offerors, contractors, or subcontractors for becoming or refusing to become or remain signatories, or otherwise adhere to agreements with one or more labor organizations, on the same or other related federally funded construction project.

(d) *Exemptions*—(1) *Exemptions due to special circumstances.* HUD may exempt a particular construction project, construction contract, subcontract, grant, or cooperative agreement from any requirement of this section, if HUD determines that special circumstances require an exemption in order to avert an imminent threat to public health or safety or to serve the national security. HUD will not base a finding of “special circumstances” on the possibility or presence of a labor dispute concerning the use of contractors or subcontractors who are non-signatories to, or otherwise do not adhere to, agreements with one or more labor organizations, or concerning employees on the construction project who are not members of, or affiliated with, a labor organization.

(2) *Exemption of construction projects subject to project labor agreements entered into as of June 23, 2003.* HUD may exempt a particular construction project from any requirement of this section upon written request from the HUD

grantee, recipient of financial assistance from HUD, or party to a cooperative agreement with HUD (or a construction manager acting on their behalf), if HUD determines that:

(i) The HUD grantee, recipient of financial assistance from HUD, or party to the cooperative agreement with HUD (or a construction manager acting on their behalf) issued, or was a party to, as of June 23, 2003, bid specifications, project agreements, agreements with one or more labor organizations, or other controlling documents with respect to a particular construction project, that contain any of the requirements or prohibitions contained in paragraph (c) of this section; and

(ii) One or more construction contracts subject to such requirements or prohibitions was awarded as of June 23, 2003.

(e) *Sanctions.* If HUD determines that a HUD grantee, recipient of financial assistance from HUD, or party to a cooperative agreement with HUD (or a construction manager acting on their behalf) performs in a manner contrary to the requirements of this section, HUD will take such action, consistent with law and regulations, as HUD determines appropriate.

(f) Voluntarily entering into project labor agreements. Nothing in this section prohibits contractors or subcontractors from voluntarily entering into project labor agreements.

[68 FR 28104, May 22, 2003]

§ 5.109 Equal Participation of Religious Organizations in HUD Programs and Activities.

(a) *Purpose.* Consistent with Executive Order 13279 (issued on December 12, 2002, 67 FR 77141, 3 CFR, 2002 Comp., p. 258), entitled “Equal Protection of the Laws for Faith-Based and Community Organizations,” this section describes HUD’s policy for the equal participation of religious organizations in HUD’s programs and activities. The equal participation policies and requirements contained in this section are generally applicable to religious organizations in all HUD programs and activities. More specific policies and

requirements regarding the participation of religious organizations in individual HUD programs may be provided in the regulations for those programs.

(b) *Equal participation of religious organizations in HUD programs and activities.* Religious organizations are eligible, on the same basis as any other organization, to participate in HUD's programs and activities. Neither the Federal government, nor a State or local government, nor any other entity that administers any HUD program or activity shall discriminate against an organization on the basis of the organization's religious character or affiliation.

(c) *Inherently religious activities.* Organizations that receive direct HUD funds under a HUD program or activity may not engage in inherently religious activities, such as worship, religious instruction, or proselytization, as part of the programs or services funded under a HUD program or activity. If an organization conducts such inherently religious activities, the inherently religious activities must be offered separately, in time or location, from the programs, activities, or services supported by direct HUD funds and participation must be voluntary for the beneficiaries of the programs, activities or services provided under the HUD program.

(d) *Independence of religious organizations.* A religious organization that participates in a HUD program or activity will retain its independence from Federal, State, and local governments, and may continue to carry out its mission, including the definition, practice, and expression of its religious beliefs, provided that it does not engage in any inherently religious activities, such as worship, religious instruction, or proselytization as part of the programs or services supported by direct HUD funds. Among other things, religious organizations may use space in their facilities to provide services under a HUD program without removing religious art, icons, scriptures, or other religious symbols. In addition, a religious organization participating in a HUD program retains its authority over its internal governance, and it may retain religious terms in its organization's name, select its board members on a

religious basis, and include religious references in its organization's mission statements and other governing documents.

(e) *Exemption from Title VII employment discrimination requirements.* A religious organization's exemption from the Federal prohibition on employment discrimination on the basis of religion, set forth in section 702(a) of the Civil Rights Act of 1964 (42 U.S.C. 2000e-1), is not forfeited when the organization participates in a HUD program. Some HUD programs, however, contain independent statutory provisions that impose certain nondiscrimination requirements on all grantees. Accordingly, grantees should consult with the appropriate HUD program office to determine the scope of applicable requirements.

(f) *Nondiscrimination requirements.* An organization that receives direct HUD funds shall not, in providing program assistance, discriminate against a program beneficiary or prospective program beneficiary on the basis of religion or religious belief.

(g) *Acquisition, construction, and rehabilitation of structures.* HUD funds may not be used for the acquisition, construction, or rehabilitation of structures to the extent that those structures are used for inherently religious activities. HUD funds may be used for the acquisition, construction, or rehabilitation of structures only to the extent that those structures are used for conducting eligible activities under a HUD program or activity. Where a structure is used for both eligible and inherently religious activities, HUD funds may not exceed the cost of those portions of the acquisition, construction, or rehabilitation that are attributable to eligible activities in accordance with the cost accounting requirements applicable to the HUD program or activity. Sanctuaries, chapels, and other rooms that a HUD-funded religious congregation uses as its principal place of worship, however, are ineligible for HUD-funded improvements. Disposition of real property after use for the authorized purpose, or any change in use of the property from the authorized purpose, is subject to governmentwide regulations governing

real property disposition (*see, e.g.*, 24 CFR parts 84 and 85).

(h) *Commingling of Federal and State and local funds.* If a state or local government voluntarily contributes its own funds to supplement Federally funded activities, the State or local government has the option to segregate the Federal funds or commingle them. However, if the funds are commingled, the requirements of this section apply to all of the commingled funds. Further, if a State or local government is required to contribute matching funds to supplement a Federally funded activity, the matching funds are considered commingled with the Federal assistance and therefore subject to the requirements of this section. Some HUD programs' requirements govern any project or activity assisted under those programs. Accordingly, grantees should consult with the appropriate HUD program office to determine the scope of applicable requirements.

In addition, consent forms may authorize the collection of other information from applicants and participants to determine eligibility or level of benefits.

(c) *Federal preemption.* This subpart B preempts any State law, including restrictions and penalties, that governs the collection and use of income information to the extent State law is inconsistent with this subpart.

(1) Tenants are permitted to own and keep common household pets in their dwelling units, in accordance with the pet rules (if any) promulgated under this subpart C;

(2) Animals that are used to assist persons with disabilities are excluded from the requirements of this subpart C, as provided in §5.303;

(3) Tenants may, at any time, request a copy of any current pet rule developed under this subpart C (as well as any current proposed rule or proposed amendment to an existing rule); and

(4) Tenants may request that their leases be amended under §5.321 to permit common household pets.

(b) The project owner or PHA shall provide to each applicant for tenancy when he or she is offered a dwelling unit in a project for the elderly or persons with disabilities, the written notice specified in paragraphs (a) (1), (2), and (3) of this section.

(c) If a PHA chooses not to promulgate pet rules, the notice shall be served within 60 days of the effective date of this part. PHAs shall serve notice under this section in accordance with their normal service of notice procedures.

§5.315 Content of pet rules: General requirements.

(a) *Housing programs.* The project owner shall prescribe reasonable rules to govern the keeping of common household pets. The pet rules must include the mandatory rules described in §5.350 and may, unless otherwise noted in this subpart C, include other discretionary provisions as provided in §5.318.

(b) *Public Housing programs.* (1) PHAs may choose not to promulgate rules governing the keeping of common household pets or may include rules as provided in §5.318. PHAs may elect to include provisions based on those in §5.350. If they so choose, the PHAs may modify the provisions in §5.350 in any manner consistent with this subpart C.

(2) If PHAs choose to promulgate pet rules, tenants must be permitted to own and keep pets in their units in accordance with the terms and conditions of their leases, the provisions of this subpart C, and any applicable State or local law or regulation governing the

owning or keeping of pets in dwelling accommodations.

(3) PHAs that choose not to promulgate pet rules, shall not impose, by lease modification or otherwise, any requirement that is inconsistent with the provisions of this subpart C.

(c) *Use of discretion.* (1) This subpart C does not define with specificity the limits of the project owners' or PHAs' discretion to promulgate pet rules. Where a project owner or PHA has discretion to prescribe pet rules under this subpart C, the pet rules should be:

(i) Reasonably related to furthering a legitimate interest of the project owner or PHA, such as the owner's or PHA's interest in providing a decent, safe, and sanitary living environment for existing and prospective tenants and in protecting and preserving the physical condition of the project and the owner's or PHA's financial interest in it; and

(ii) Drawn narrowly to achieve the owner's or PHA's legitimate interests, without imposing unnecessary burdens and restrictions on pet owners and prospective pet owners.

(2) Where a project owner or PHA has discretion to prescribe pet rules under this subpart C, the owner or PHA may vary the rules' content among projects and within individual projects, based on factors such as the size, type, location, and occupancy of the project or its units, provided that the applicable rules are reasonable and do not conflict with any applicable State or local law or regulation governing the owning or keeping of pets in dwelling accommodations.

(d) *Conflict with State or local law.* The pet rules adopted by the project owner or PHA shall not conflict with applicable State or local law or regulations. If such a conflict may exist, the State and local law or regulations shall apply.

§5.318 Discretionary pet rules.

Pet rules promulgated by project owners and PHAs may include, but are not limited to, consideration of the following factors:

(a) *Definitions of "common household pet"*—(1) *For Public Housing programs.* The pet rules established by a PHA

may contain a reasonable definition of a common household pet.

(2) *For Housing programs.* Project owners wishing to define “common household pet” in their pet rules must use the Housing programs definition of the term in §5.306.

(b) *Density of tenants and pets.* (1)(i) The pet rules established under this section may take into account tenant and pet density. The pet rules may place reasonable limitations on the number of common household pets that may be allowed in each dwelling unit. In the case of group homes, the pet rules may place reasonable limitations on the number of common household pets that may be allowed in each home.

(ii) *For Housing programs.* Under these rules, project owners may limit the number of four-legged, warm-blooded pets to one pet in each dwelling unit or group home.

(iii) Other than the limitations described in this paragraph (b)(1), the pet rules may not limit the total number of pets allowed in the project.

(2) As used in paragraph (b)(1) of this section, the term “group home” means:

(i) *For purposes of Housing programs.* A small, communal living arrangement designed specifically for individuals who are chronically mentally ill, developmentally disabled, or physically disabled who require a planned program of continual supportive services or supervision (other than continual nursing, medical or psychiatric care).

(ii) *For purposes of Public Housing programs.* A dwelling or dwelling unit for the exclusive residential use of elderly persons or persons with disabilities who are not capable of living completely independently and who require a planned program of continual supportive services or supervision (other than continual nursing, medical or psychiatric care).

(c) *Pet size and pet type.* The pet rules may place reasonable limitations on the size, weight, and type of common household pets allowed in the project.

(d) *Potential financial obligations of tenants—(1) Pet deposits.* The pet rules may require tenants who own or keep pets in their units to pay a refundable pet deposit. In the case of project owners, this pet deposit shall be limited to those tenants who own or keep cats or

dogs in their units. This deposit is in addition to any other financial obligation generally imposed on tenants of the project. The project owner or PHA may use the pet deposit only to pay reasonable expenses directly attributable to the presence of the pet in the project, including (but not limited to) the cost of repairs and replacements to, and fumigation of, the tenant’s dwelling unit and, for project owners, the cost of animal care facilities under §5.363. The project owner or PHA shall refund the unused portion of the pet deposit to the tenant within a reasonable time after the tenant moves from the project or no longer owns or keeps a pet (or a cat or dog in the case of project owners) in the dwelling unit.

(2) *Housing programs: Maximum pet deposit.* (i) Pet deposits for the following tenants shall not exceed an amount periodically fixed by HUD through notice.

(A) Tenants whose rents are subsidized (including tenants of a HUD-owned project, whose rents were subsidized before HUD acquired it) under one of the programs identified by HUD through notice.

(B) Tenants who live in a project assisted (including tenants who live in a HUD-owned project that was assisted before HUD acquired it) under one of the programs identified by HUD through notice.

(C) For all other tenants of projects for the elderly or persons with disabilities, the pet deposit shall not exceed one month’s rent at the time the pet is brought onto the premises.

(ii) In establishing the maximum amount of pet deposit under paragraph (d)(2)(i) of this section, HUD will consider factors such as:

(A) Projected, estimated expenses directly attributable to the presence of pets in the project;

(B) The ability of project owners to offset such expenses by use of security deposits or HUD-reimbursable expenses; and

(C) The low income status of tenants of projects for the elderly or persons with disabilities.

(iii) For pet deposits subject to paragraph (d)(2)(i)(A) of this section, the pet rules shall provide for gradual accumulation of the deposit by the pet

owner through an initial payment not to exceed \$50 when the pet is brought onto the premises, and subsequent monthly payments not to exceed \$10 per month until the amount of the deposit is reached.

(iv) For pet deposits subject to paragraphs (d)(2)(i)(B) and (C) of this section, the pet rules may provide for gradual accumulation of the deposit by the pet owner.

(v) The project owner may (subject to the HUD-prescribed limits) increase the amount of the pet deposit by amending the house pet rules in accordance with §5.353.

(A) For pet deposits subject to paragraph (d)(2)(i)(A) of this section, the house pet rules shall provide for gradual accumulation of any such increase not to exceed \$10 per month for all deposit amounts that are being accumulated.

(B) [Reserved]

(vi) Any pet deposit that is established within the parameters set forth by paragraph (d)(2) of this section shall be deemed reasonable for purposes of this subpart C.

(3) *Public Housing programs: Maximum pet deposit.* The maximum amount of pet deposit that may be charged by the PHA, on a per dwelling unit basis, shall not exceed the higher of the Total Tenant Payment (as defined in 24 CFR 913.102) or such reasonable fixed amount as the PHA may require. The pet rules may permit gradual accumulation of the pet deposit by the pet owner.

(4) *Housing programs: Waste removal charge.* The pet rules may permit the project owner to impose a separate waste removal charge of up to five dollars (\$5) per occurrence on pet owners that fail to remove pet waste in accordance with the prescribed pet rules. Any pet waste removal charge that is within this five dollar (\$5) limitation shall be deemed to be a reasonable amount for the purposes of this subpart C.

(5) The pet deposit (for Housing and Public Housing programs) and waste removal charge (for Housing programs) are not part of the rent payable by the tenant. Except as provided in paragraph (d) of this section for Housing programs and, paragraph (d) of this section and 24 CFR 966.4(b) for Public

Housing programs, project owners or PHAs may not prescribe pet rules that impose additional financial obligations on pet owners that are designed to compensate the project owner or PHA for costs associated with the presence of pets in the project, including (but not limited to) requiring pet owners:

(i) To obtain liability or other insurance to cover damage caused by the pet;

(ii) To agree to be strictly liable for all damages caused by the pet where this liability is not otherwise imposed by State or local law, or

(iii) To indemnify the project owner for pet-related litigation and attorney's fees.

(e) *Standards of pet care.* The pet rules may prescribe standards of pet care and handling, but must be limited to those necessary to protect the condition of the tenant's unit and the general condition of the project premises, or to protect the health or safety of present tenants, project employees, and the public. The pet rules may not require pet owners to have any pet's vocal cords removed. Permitted rules may:

(1) Bar pets from specified common areas (such as lobbies, laundry rooms, and social rooms), unless the exclusion will deny a pet reasonable ingress and egress to the project or building.

(2) Require the pet owner to control noise and odor caused by a pet.

(3) Housing programs: Project owners may also:

(i) Require pet owners to have their dogs and cats spayed or neutered; and

(ii) Limit the length of time that a pet may be left unattended in a dwelling unit.

(f) *Pet licensing.* The pet rules may require pet owners to license their pets in accordance with applicable State and local laws and regulations. (Failure of the pet rules to contain this requirement does not relieve the pet owner of responsibility for complying with applicable State and local pet licensing requirements.)

(g) *Public Housing programs: Designated pet areas.* (1) PHAs may designate buildings, floors of buildings, or sections of buildings as no-pet areas where pets generally may not be permitted. Similarly, the pet rules may

§ 5.321

designate buildings, floors of buildings, or sections of buildings for residency generally by pet-owning tenants. The PHA may direct such initial tenant moves as may be necessary to establish pet and no-pet areas. The PHA may not refuse to admit (or delay admission of) an applicant for tenancy on the grounds that the applicant's admission would violate a pet or no-pet area. The PHA may adjust the pet and no-pet areas or may direct such additional moves as may be necessary (or both) to accommodate such applicants for tenancy or to meet the changing needs of existing tenants.

(2) Project owners may not designate pet areas in buildings in their pet rules.

(h) *Pets temporarily on the premises.* The pet rules may exclude from the project pets not owned by a tenant that are to be kept temporarily on the project premises. For the purposes of paragraph (h) of this section, pets are to be kept "temporarily" if they are to be kept in the tenant's dwelling accommodations for a period of less than 14 consecutive days and nights. HUD, however, encourages project owners and PHAs to permit the use of a visiting pet program sponsored by a humane society, or other nonprofit organization.

§ 5.321 Lease provisions.

(a) *Lease provisions.* (1) PHAs which have established pet rules and project owners shall ensure that the leases for all tenants of projects for the elderly or persons with disabilities:

(i) State that tenants are permitted to keep common household pets in their dwelling units (subject to the provisions of this subpart and the pet rules);

(ii) Shall incorporate by reference the pet rules promulgated by the project owner or PHA;

(iii) Shall provide that the tenant agrees to comply with these rules; and

(iv) Shall state that violation of these rules may be grounds for removal of the pet or termination of the pet owner's tenancy (or both), in accordance with the provisions of this subpart and applicable regulations and State or local law.

(2) [Reserved]

24 CFR Subtitle A (4-1-07 Edition)

(b) Where a PHA has not established pet rules, the leases of all tenants of such projects shall not contain any provisions prohibiting the owning or keeping of common household pets, and shall state that owning and keeping of such pets will be subject to the general obligations imposed on the PHA and tenants in the lease and any applicable State or local law or regulation governing the owning or keeping of pets in dwelling accommodations.

§ 5.324 Implementation of lease provisions.

The lease for each tenant of a project for the elderly or persons with disabilities who is admitted on or after the date on which this subpart C is implemented shall contain the lease provisions described in § 5.321 and, if applicable, § 5.360. The lease for each tenant who occupies a unit in such a project under lease on the date of implementation of this part shall be amended to include the provisions described in § 5.321 and, if applicable, § 5.360:

(a) For Housing programs:

(1) Upon renewal of the lease and in accordance with any applicable regulation; and

(2) When a Housing program tenant registers a common household pet under § 5.350

(b) For Public Housing programs:

(1) Upon annual reexamination of tenant income in accordance with any applicable regulation; and

(2) When a Public Housing program tenant wishes to own or keep a common household pet in his or her unit.

§ 5.327 Nuisance or threat to health or safety.

Nothing in this subpart C prohibits a project owner, PHA, or an appropriate community authority from requiring the removal of any pet from a project, if the pet's conduct or condition is duly determined to constitute, under the provisions of State or local law, a nuisance or a threat to the health or safety of other occupants of the project or of other persons in the community where the project is located.

§ 5.350

PET OWNERSHIP REQUIREMENTS FOR HOUSING PROGRAMS

§ 5.350 Mandatory pet rules for housing programs.

Mandatory rules. The project owner must prescribe the following pet rules:

(a) *Inoculations.* The pet rules shall require pet owners to have their pets inoculated in accordance with State and local laws.

(b) *Sanitary standards.* (1) The pet rules shall prescribe sanitary standards to govern the disposal of pet waste. These rules may:

(i) Designate areas on the project premises for pet exercise and the deposit of pet waste;

(ii) Forbid pet owners from exercising their pets or permitting their pets to deposit waste on the project premises outside the designated areas;

(iii) Require pet owners to remove and properly dispose of all removable pet waste; and

(iv) Require pet owners to remove pets from the premises to permit the pet to exercise or deposit waste, if no area in the project is designated for such purposes.

(2) In the case of cats and other pets using litter boxes, the pet rules may require the pet owner to change the litter (but not more than twice each week), may require pet owners to separate pet waste from litter (but not more than once each day), and may prescribe methods for the disposal of pet waste and used litter.

(c) *Pet restraint.* The pet rules shall require that all cats and dogs be appropriately and effectively restrained and under the control of a responsible individual while on the common areas of the project.

(d) *Registration.* (1) The pet rules shall require pet owners to register their pets with the project owner. The pet owner must register the pet before it is brought onto the project premises, and must update the registration at least annually. The project owner may coordinate the annual update with the annual reexamination of tenant income, if applicable. The registration must include:

(i) A certificate signed by a licensed veterinarian or a State or local authority empowered to inoculate animals (or

designated agent of such an authority) stating that the pet has received all inoculations required by applicable State and local law;

(ii) Information sufficient to identify the pet and to demonstrate that it is a common household pet; and

(iii) The name, address, and phone number of one or more responsible parties who will care for the pet if the pet owner dies, is incapacitated, or is otherwise unable to care for the pet.

(2) The project owner may require the pet owner to provide additional information necessary to ensure compliance with any discretionary rules prescribed under § 5.318, and shall require the pet owner to sign a statement indicating that he or she has read the pet rules and agrees to comply with them.

(3) The pet rules shall permit the project owner to refuse to register a pet if:

(i) The pet is not a common household pet;

(ii) The keeping of the pet would violate any applicable house pet rule;

(iii) The pet owner fails to provide complete pet registration information or fails annually to update the pet registration; or

(iv) The project owner reasonably determines, based on the pet owner's habits and practices, that the pet owner will be unable to keep the pet in compliance with the pet rules and other lease obligations. The pet's temperament may be considered as a factor in determining the prospective pet owner's ability to comply with the pet rules and other lease obligations.

(4) The project owner may not refuse to register a pet based on a determination that the pet owner is financially unable to care for the pet or that the pet is inappropriate, based on the therapeutic value to the pet owner or the interests of the property or existing tenants.

(5) The pet rules shall require the project owner to notify the pet owner if the project owner refuses to register a pet. The notice shall state the basis for the project owner's action and shall be served on the pet owner in accordance with the requirements of § 5.353(f)(1)(i) or (ii). The notice of refusal to register a pet may be combined with a notice of pet violation as required in § 5.356.

§ 5.353

§ 5.353 Housing programs: Procedure for development of pet rules.

(a) *General.* Project owners shall use the procedures specified in this section to promulgate the pet rules referred to in §§ 5.318 and 5.350.

(b) *Development and notice of proposed pet rules.* Project owners shall develop proposed rules to govern the owning or keeping of common household pets in projects for the elderly or persons with disabilities. Notice of the proposed pet rules shall be served on each tenant of the project as provided in paragraph (f) of this section. The notice shall:

(1) Include the text of the proposed rules;

(2) State that tenants or tenant representatives may submit written comments on the rules; and

(3) State that all comments must be submitted to the project owner no later than 30 days from the effective date of the notice of the proposed rules.

(4) The notice may also announce the date, time, and place for a meeting to discuss the proposed rules (as provided in paragraph (c) of this section).

(c) *Tenant consultation.* Tenants or tenant representatives may submit written comments on the proposed pet rules to the project owner by the date specified in the notice of proposed rules. In addition, the owner may schedule one or more meetings with tenants during the comment period to discuss the proposed rules. Tenants and tenant representatives may make oral comments on the proposed rules at these meetings. The project owner must consider comments made at these meetings only if they are summarized, reduced to writing, and submitted to the project owner before the end of the comment period.

(d) *Development and notice of final pet rules.* The project owner shall develop the final rules after reviewing tenants' written comments and written summaries of any owner-tenant meetings. The project owner may meet with tenants and tenant representatives to attempt to resolve issues raised by the comments. Subject to this subpart C, the content of the final pet rules, however, is within the sole discretion of the project owner. The project owner shall serve on each tenant of the project, a notice of the final pet rules

24 CFR Subtitle A (4-1-07 Edition)

as provided in paragraph (f) of this section. The notice must include the text of the final pet rules and must specify the effective date of the final pet rules.

(e) *Amendment of pet rules.* The project owner may amend the pet rules at any time by following the procedure for the development of pet rules specified in paragraphs (b) through (d) of this section.

(f) *Service of notice.* (1) The project owner must serve the notice required under this section by:

(i) Sending a letter by first class mail, properly stamped and addressed to the tenant at the dwelling unit, with a proper return address; or

(ii) Serving a copy of the notice on any adult answering the door at the tenant's leased dwelling unit, or if no adult responds, by placing the notice under or through the door, if possible, or else by attaching the notice to the door; or

(iii) For service of notice to tenants of a high-rise building, posting the notice in at least three conspicuous places within the building and maintaining the posted notices intact and in legible form for 30 days. For purposes of paragraph (f) of this section, a high-rise building is a structure that is equipped with an elevator and has a common lobby.

(2) For purposes of computing time periods following service of the notice, service is effective on the day that all notices are delivered or mailed, or in the case of service by posting, on the day that all notices are initially posted.

§ 5.356 Housing programs: Pet rule violation procedures.

(a) *Notice of pet rule violation.* If a project owner determines on the basis of objective facts, supported by written statements, that a pet owner has violated a rule governing the owning or keeping of pets; the project owner may serve a written notice of pet rule violation on the pet owner in accordance with § 5.353(f)(1)(i) or (ii). The notice of pet rule violation must:

(1) Contain a brief statement of the factual basis for the determination and the pet rule or rules alleged to be violated;

(2) State that the pet owner has 10 days from the effective date of service of the notice to correct the violation (including, in appropriate circumstances, removal of the pet) or to make a written request for a meeting to discuss the violation;

(3) State that the pet owner is entitled to be accompanied by another person of his or her choice at the meeting; and

(4) State that the pet owner's failure to correct the violation, to request a meeting, or to appear at a requested meeting may result in initiation of procedures to terminate the pet owner's tenancy.

(b)(1) *Pet rule violation meeting.* If the pet owner makes a timely request for a meeting to discuss an alleged pet rule violation, the project owner shall establish a mutually agreeable time and place for the meeting but no later than 15 days from the effective date of service of the notice of pet rule violation (unless the project owner agrees to a later date). At the pet rule violation meeting, the pet owner and project owner shall discuss any alleged pet rule violation and attempt to correct it. The project owner may, as a result of the meeting, give the pet owner additional time to correct the violation.

(2) *Notice for pet removal.* If the pet owner and project owner are unable to resolve the pet rule violation at the pet rule violation meeting, or if the project owner determines that the pet owner has failed to correct the pet rule violation within any additional time provided for this purpose under paragraph (b)(1) of this section, the project owner may serve a written notice on the pet owner in accordance with § 5.353(f)(1) (i) or (ii) (or at the meeting, if appropriate), requiring the pet owner to remove the pet. The notice must:

(i) Contain a brief statement of the factual basis for the determination and the pet rule or rules that have been violated;

(ii) State that the pet owner must remove the pet within 10 days of the effective date of service of the notice of pet removal (or the meeting, if notice is served at the meeting); and

(iii) State that failure to remove the pet may result in initiation of proce-

dures to terminate the pet owner's tenancy.

(c) *Initiation of procedures to remove a pet or terminate the pet owner's tenancy.*

(1) The project owner may not initiate procedures to terminate a pet owner's tenancy based on a pet rule violation, unless:

(i) The pet owner has failed to remove the pet or correct a pet rule violation within the applicable time period specified in this section (including any additional time permitted by the owner); and

(ii) The pet rule violation is sufficient to begin procedures to terminate the pet owner's tenancy under the terms of the lease and applicable regulations.

(2) The project owner may initiate procedures to remove a pet under § 5.327 at any time, in accordance with the provisions of applicable State or local law.

§ 5.359 Housing programs: Rejection of units by applicants for tenancy.

(a) An applicant for tenancy in a project for the elderly or persons with disabilities may reject a unit offered by a project owner if the unit is in close proximity to a dwelling unit in which an existing tenant of the project owns or keeps a common household pet. An applicant's rejection of a unit under this section shall not adversely affect his or her application for tenancy in the project, including (but not limited to) his or her position on the project waiting list or qualification for any tenant selection preference.

(b) Nothing in this subpart C imposes a duty on project owners to provide alternate dwelling units to existing or prospective tenants because of the proximity of common household pets to a particular unit or the presence of such pets in the project.

§ 5.360 Housing programs: Additional lease provisions.

(a) *Inspections.* In addition to other inspections permitted under the lease, the leases for all Housing program tenants of projects for the elderly or persons with disabilities may state that the project owner may, after reasonable notice to the tenant and during reasonable hours, enter and inspect the

§ 5.363

premises. The lease shall permit entry and inspection only if the project owner has received a signed, written complaint alleging (or the project owner has reasonable grounds to believe) that the conduct or condition of a pet in the dwelling unit constitutes, under applicable State or local law, a nuisance or a threat to the health or safety of the occupants of the project or other persons in the community where the project is located.

(b) *Emergencies.* (1) If there is no State or local authority (or designated agent of such an authority) authorized under applicable State or local law to remove a pet that becomes vicious, displays symptoms of severe illness, or demonstrates other behavior that constitutes an immediate threat to the health or safety of the tenancy as a whole, the project owner may place a provision in tenant leases permitting the project owner to enter the premises (if necessary), remove the pet, and take such action with respect to the pet as may be permissible under State and local law, which may include placing it in a facility that will provide care and shelter for a period not to exceed 30 days.

(2) The lease shall permit the project owner to enter the premises and remove the pet or take such other permissible action only if the project owner requests the pet owner to remove the pet from the project immediately, and the pet owner refuses to do so, or if the project owner is unable to contact the pet owner to make a removal request. The lease may not contain a provision relieving the project owner from liability for wrongful removal of a pet. The cost of the animal care facility shall be paid as provided in § 5.363.

(3) The project owner may place a provision in tenant leases permitting the project owner to enter the premises, remove the pet, and place the pet in a facility that will provide care and shelter, in accordance with the provisions of § 5.363. The lease may not contain a provision relieving the project owner from liability for wrongful removal of a pet.

24 CFR Subtitle A (4-1-07 Edition)

§ 5.363 Housing programs: Protection of the pet.

(a) If the health or safety of a pet is threatened by the death or incapacity of the pet owner, or by other factors that render the pet owner unable to care for the pet, the project owner may contact the responsible party or parties listed in the pet registration required under § 5.350(d)(1)(iii).

(b) If the responsible party or parties are unwilling or unable to care for the pet, or the project owner, despite reasonable efforts, has been unable to contact the responsible party or parties, the project owner may contact the appropriate State or local authority (or designated agent of such an authority) and request the removal of the pet.

(c) If there is no State or local authority (or designated agent of such an authority) authorized to remove a pet under these circumstances and the project owner has placed a provision in the lease agreement (as described in § 5.360(c)(2)), the project owner may enter the pet owner's unit, remove the pet, and place the pet in a facility that will provide care and shelter until the pet owner or a representative of the pet owner is able to assume responsibility for the pet, but not longer than 30 days.

(d) The cost of the animal care facility provided under this section shall be borne by the pet owner. If the pet owner (or the pet owner's estate) is unable or unwilling to pay, the cost of the animal care facility may be paid from the pet deposit, if imposed under the pet rules.

PET OWNERSHIP REQUIREMENTS FOR PUBLIC HOUSING PROGRAMS

§ 5.380 Public housing programs: Procedure for development of pet rules.

PHAs that choose to promulgate pet rules shall consult with tenants of projects for the elderly or persons with disabilities administered by them with respect to their promulgation and subsequent amendment. PHAs shall develop the specific procedures governing tenant consultation, but these procedures must be designed to give tenants (or, if appropriate, tenant councils) adequate opportunity to review and comment upon the pet rules before

they are issued for effect. PHAs are solely responsible for the content of final pet rules, but must give consideration to tenant comments. PHAs shall send to the responsible HUD field office, copies of the final (or amended) pet rules, as well as summaries or copies of all tenant comments received in the course of the tenant consultation.

Subpart D—Definitions for Section 8 and Public Housing Assistance Under the United States Housing Act of 1937

§ 5.508 Submission of evidence of citizenship or eligible immigration status.

(a) *General.* Eligibility for assistance or continued assistance under a Section 214 covered program is contingent upon a family's submission to the responsible entity of the documents described in paragraph (b) of this section for each family member. If one or more family members do not have citizenship or eligible immigration status, the family members may exercise the election not to contend to have eligible immigration status as provided in paragraph (e) of this section, and the provisions of §§ 5.516 and 5.518 shall apply.

(b) *Evidence of citizenship or eligible immigration status.* Each family member, regardless of age, must submit the following evidence to the responsible entity.

(1) For U.S. citizens or U.S. nationals, the evidence consists of a signed declaration of U.S. citizenship or U.S. nationality. The responsible entity may request verification of the declaration by requiring presentation of a United States passport or other appropriate documentation, as specified in HUD guidance.

(2) For noncitizens who are 62 years of age or older or who will be 62 years of age or older and receiving assistance under a Section 214 covered program on September 30, 1996 or applying for assistance on or after that date, the evidence consists of:

24 CFR Subtitle A (4-1-07 Edition)

(c) *Declaration.* (1) For each family member who contends that he or she is a U.S. citizen or a noncitizen with eligible immigration status, the family must submit to the responsible entity a written declaration, signed under penalty of perjury, by which the family member declares whether he or she is a U.S. citizen or a noncitizen with eligible immigration status.

(i) For each adult, the declaration must be signed by the adult.

(ii) For each child, the declaration must be signed by an adult residing in the assisted dwelling unit who is responsible for the child.

(d) *Verification consent form—(1) Who signs.* Each noncitizen who declares eligible immigration status (except certain noncitizens who are 62 years of age or older as described in paragraph (b)(2) of this section) must sign a verification consent form as follows.

(i) For each adult, the form must be signed by the adult.

(ii) For each child, the form must be signed by an adult residing in the assisted dwelling unit who is responsible for the child.

(2) *Notice of release of evidence by responsible entity.* The verification consent form shall provide that evidence of eligible immigration status may be released by the responsible entity without responsibility for the further use or transmission of the evidence by the entity receiving it, to:

(i) HUD, as required by HUD; and

(ii) The INS for purposes of verification of the immigration status of the individual.

(3) *Notice of release of evidence by HUD.* The verification consent form also shall notify the individual of the possible release of evidence of eligible immigration status by HUD. Evidence of eligible immigration status shall only be released to the INS for purposes of establishing eligibility for financial assistance and not for any other purpose. HUD is not responsible for the further use or transmission of the evidence or other information by the INS.

(e) *Individuals who do not contend that they have eligible status.* If one or more members of a family elect not to contend that they have eligible immigration status, and other members of the family establish their citizenship or eligible immigration status, the family may be eligible for assistance under §§ 5.516 and 5.518, or § 5.520, despite the fact that no declaration or documentation of eligible status is submitted for one or more members of the family. The family, however, must identify in writing to the responsible entity, the family member (or members) who will elect not to contend that he or she has eligible immigration status.

(f) *Notification of requirements of Section 214—(1) When notice is to be issued.* Notification of the requirement to submit evidence of citizenship or eligible immigration status, as required by this section, or to elect not to contend that one has eligible status as provided by paragraph (e) of this section, shall be given by the responsible entity as follows:

(i) *Applicant's notice.* The notification described in paragraph (f)(1) of this section shall be given to each applicant at the time of application for assistance. Applicants whose applications are pending on June 19, 1995, shall be notified of the requirement to submit evidence of eligible status as soon as possible after June 19, 1995.

(ii) *Notice to tenants.* The notification described in paragraph (f)(1) of this section shall be given to each tenant at the time of, and together with, the responsible entity's notice of regular reexamination of income, but not later than one year following June 19, 1995.

(iii) *Timing of mortgagor's notice.* A mortgagor receiving Section 235 assistance must be provided the notification described in paragraph (f)(1) of this section and any additional requirements imposed under the Section 235 Program.

(2) *Form and content of notice.* The notice shall:

(i) State that financial assistance is contingent upon the submission and verification, as appropriate, of evidence of citizenship or eligible immigration status as required by paragraph (a) of this section;

(ii) Describe the type of evidence that must be submitted, and state the time period in which that evidence must be submitted (see paragraph (g) of this section concerning when evidence must be submitted); and

(iii) State that assistance will be prorated, denied or terminated, as appropriate, upon a final determination of ineligibility after all appeals have been exhausted (see § 5.514 concerning INS appeal, and informal hearing process) or, if appeals are not pursued, at a time to be specified in accordance with HUD requirements. Tenants also shall be informed of how to obtain assistance under the preservation of families provisions of §§ 5.516 and 5.518.

(g) *When evidence of eligible status is required to be submitted.* The responsible entity shall require evidence of eligible status to be submitted at the times specified in paragraph (g) of this section, subject to any extension granted in accordance with paragraph (h) of this section.

(1) *Applicants.* For applicants, responsible entities must ensure that evidence of eligible status is submitted not later than the date the responsible entity anticipates or has knowledge that verification of other aspects of eligibility for assistance will occur (see § 5.512(a)).

(2) *Tenants.* For tenants, evidence of eligible status is required to be submitted as follows:

(i) For financial assistance under a Section 214 covered program, with the exception of Section 235 assistance payments, the required evidence shall be submitted at the first regular reexamination after June 19, 1995, in accordance with program requirements.

(ii) For financial assistance in the form of Section 235 assistance payments, the mortgagor shall submit the required evidence in accordance with requirements imposed under the Section 235 Program.

(3) *New occupants of assisted units.* For any new occupant of an assisted unit (e.g., a new family member comes to reside in the assisted unit), the required evidence shall be submitted at the first interim or regular reexamination following the person's occupancy.

(4) *Changing participation in a HUD program.* Whenever a family applies for

§ 5.510

admission to a Section 214 covered program, evidence of eligible status is required to be submitted in accordance with the requirements of this subpart unless the family already has submitted the evidence to the responsible entity for a Section 214 covered program.

(5) *One-time evidence requirement for continuous occupancy.* For each family member, the family is required to submit evidence of eligible status only one time during continuously assisted occupancy under any Section 214 covered program.

(h) *Extensions of time to submit evidence of eligible status—(1) When extension must be granted.* The responsible entity shall extend the time, provided in paragraph (g) of this section, to submit evidence of eligible immigration status if the family member:

(i) Submits the declaration required under § 5.508(a) certifying that any person for whom required evidence has not been submitted is a noncitizen with eligible immigration status; and

(ii) Certifies that the evidence needed to support a claim of eligible immigration status is temporarily unavailable, additional time is needed to obtain and submit the evidence, and prompt and diligent efforts will be undertaken to obtain the evidence.

(2) *Thirty-day extension period.* Any extension of time, if granted, shall not exceed thirty (30) days. The additional time provided should be sufficient to allow the individual the time to obtain the evidence needed. The responsible entity's determination of the length of the extension needed shall be based on the circumstances of the individual case.

(3) *Grant or denial of extension to be in writing.* The responsible entity's decision to grant or deny an extension as provided in paragraph (h)(1) of this section shall be issued to the family by written notice. If the extension is granted, the notice shall specify the extension period granted (which shall not exceed thirty (30) days). If the extension is denied, the notice shall explain the reasons for denial of the extension.

(i) *Failure to submit evidence or to establish eligible status.* If the family fails to submit required evidence of eligible immigration status within the time pe-

riod specified in the notice, or any extension granted in accordance with paragraph (h) of this section, or if the evidence is timely submitted but fails to establish eligible immigration status, the responsible entity shall proceed to deny, prorate or terminate assistance, or provide continued assistance or temporary deferral of termination of assistance, as appropriate, in accordance with the provisions of §§ 5.514, 5.516, and 5.518.

eligibility of the individual or one family member.

(c) *Primary verification*—(1) *Automated verification system*. Primary verification of the immigration status of the person is conducted by the responsible entity through the INS automated system (INS Systematic Alien Verification for Entitlements (SAVE)). The INS SAVE system provides access to names, file numbers and admission numbers of noncitizens.

(2) *Failure of primary verification to confirm eligible immigration status*. If the INS SAVE system does not verify eligible immigration status, secondary verification must be performed.

(d) *Secondary verification*—(1) *Manual search of INS records*. Secondary verification is a manual search by the INS of its records to determine an individual's immigration status. The responsible entity must request secondary verification, within 10 days of receiving the results of the primary verification, if the primary verification system does not confirm eligible immigration status, or if the primary verification system verifies immigration status that is ineligible for assistance under a Section 214 covered program.

(2) *Secondary verification initiated by responsible entity*. Secondary verification is initiated by the responsible entity forwarding photocopies of the original INS documents required for the immigration status declared (front and back), attached to the INS document verification request form G-845S (Document Verification Request), or such other form specified by the INS to a designated INS office for review. (Form G-845S is available from the local INS Office.)

(a) *General*. Assistance to a family may not be delayed, denied, reduced or terminated because of the immigration status of a family member except as provided in this section.

(b) *Restrictions on delay, denial, reduction or termination of assistance*—(1) *Restrictions on reduction, denial or termination of assistance for applicants and tenants*. Assistance to an applicant or tenant shall not be delayed, denied, reduced, or terminated, on the basis of ineligible immigration status of a family member if:

(ii) The family member for whom required evidence has not been submitted has moved from the assisted dwelling unit;

(iii) The family member who is determined not to be in an eligible immigration status following INS verification has moved from the assisted dwelling unit;

(iv) The INS appeals process under § 5.514(e) has not been concluded;

(v) Assistance is prorated in accordance with § 5.520; or

(vi) Assistance for a mixed family is continued in accordance with §§ 5.516 and 5.518; or

(vii) Deferral of termination of assistance is granted in accordance with §§ 5.516 and 5.518.

(2) *Restrictions on delay, denial, reduction or termination of assistance pending fair hearing for tenants*. In addition to the factors listed in paragraph (b)(1) of this section, assistance to a tenant cannot be delayed, denied, reduced or terminated until the completion of the informal hearing described in paragraph (f) of this section.

(c) *Events causing denial or termination of assistance*—(1) *General*. Assistance to an applicant shall be denied, and a tenant's assistance shall be terminated, in accordance with the procedures of this

§5.514

section, upon the occurrence of any of the following events:

(i) Evidence of citizenship (i.e., the declaration) and eligible immigration status is not submitted by the date specified in §5.508(g) or by the expiration of any extension granted in accordance with §5.508(h);

(ii) Evidence of citizenship and eligible immigration status is timely submitted, but INS primary and secondary verification does not verify eligible immigration status of a family member; and

(A) The family does not pursue INS appeal or informal hearing rights as provided in this section; or

(B) INS appeal and informal hearing rights are pursued, but the final appeal or hearing decisions are decided against the family member; or

(iii) The responsible entity determines that a family member has knowingly permitted another individual who is not eligible for assistance to reside (on a permanent basis) in the public or assisted housing unit of the family member. Such termination shall be for a period of not less than 24 months. This provision does not apply to a family if the ineligibility of the ineligible individual was considered in calculating any proration of assistance provided for the family.

(2) *Termination of assisted occupancy.* For termination of assisted occupancy, see paragraph (i) of this section.

(d) *Notice of denial or termination of assistance.* The notice of denial or termination of assistance shall advise the family:

(5) That the family has a right to request an informal hearing with the responsible entity either upon completion of the INS appeal or in lieu of the INS appeal as provided in paragraph (f) of this section;

(6) For applicants, the notice shall advise that assistance may not be delayed until the conclusion of the INS appeal process, but assistance may be delayed during the pendency of the informal hearing process.

(e) *Appeal to the INS—(1) Submission of request for appeal.* Upon receipt of notification by the responsible entity that INS secondary verification failed to confirm eligible immigration status, the responsible entity shall notify the family of the results of the INS verification, and the family shall have 30 days from the date of the responsible entity's notification, to request an appeal of the INS results. The request for appeal shall be made by the family communicating that request in writing directly to the INS. The family must provide the responsible entity with a copy of the written request for appeal and proof of mailing.

(2) *Documentation to be submitted as part of appeal to INS.* The family shall forward to the designated INS office any additional documentation or written explanation in support of the appeal. This material must include a copy of the INS document verification request form G-845S (used to process the secondary verification request) or such other form specified by the INS, and a cover letter indicating that the family is requesting an appeal of the INS immigration status verification results.

(3) *Decision by INS—(i) When decision will be issued.* The INS will issue to the family, with a copy to the responsible entity, a decision within 30 days of its receipt of documentation concerning the family's appeal of the verification of immigration status. If, for any reason, the INS is unable to issue a decision within the 30 day time period, the INS will inform the family and responsible entity of the reasons for the delay.

(ii) *Notification of INS decision and of informal hearing procedures.* When the

responsible entity receives a copy of the INS decision, the responsible entity shall notify the family of its right to request an informal hearing on the responsible entity's ineligibility determination in accordance with the procedures of paragraph (f) of this section.

(4) *No delay, denial, reduction, or termination of assistance until completion of INS appeal process; direct appeal to INS.* Pending the completion of the INS appeal under this section, assistance may not be delayed, denied, reduced or terminated on the basis of immigration status.

(f) *Informal hearing*—(1) *When request for hearing is to be made.* After notification of the INS decision on appeal, or in lieu of request of appeal to the INS, the family may request that the responsible entity provide a hearing. This request must be made either within 30 days of receipt of the notice described in paragraph (d) of this section, or within 30 days of receipt of the INS appeal decision issued in accordance with paragraph (e) of this section.

(2) *Informal hearing procedures*—(i) *Tenants assisted under a Section 8 covered program:* For tenants assisted under a Section 8 covered program, the procedures for the hearing before the responsible entity are set forth in:

(B) *For Section 8 tenant-based assistance:* 24 CFR part 982; or

(C) *For Section 8 project-based certificate program:* 24 CFR part 983.

(ii) *Tenants assisted under any other Section 8 covered program or a Public Housing covered program:* For tenants assisted under a Section 8 covered program not listed in paragraph (f)(3)(i) of this section or a Public Housing covered program, the procedures for the hearing before the responsible entity are set forth in 24 CFR part 966.

the facts presented at the hearing, within 14 days of the date of the informal hearing. The decision shall state the basis for the decision.

(g) *Judicial relief.* A decision against a family member, issued in accordance with paragraphs (e) or (f) of this section, does not preclude the family from exercising the right, that may otherwise be available, to seek redress directly through judicial procedures.

(h) *Retention of documents.* The responsible entity shall retain for a minimum of 5 years the following documents that may have been submitted to the responsible entity by the family, or provided to the responsible entity as part of the INS appeal or the informal hearing process:

(i) *Termination of assisted occupancy.*

(1) Under Housing covered programs, and in the Section 8 covered programs other than the Section 8 Rental Certificate, Rental Voucher, and Moderate Rehabilitation programs, assisted occupancy is terminated by:

- (i) If permitted under the lease, the responsible entity notifying the tenant that because of the termination of assisted occupancy the tenant is required to pay the HUD-approved market rent for the dwelling unit.
- (ii) The responsible entity and tenant entering into a new lease without financial assistance.
- (iii) The responsible entity evicting the tenant. While the tenant continues in occupancy of the unit, the responsible entity may continue to receive assistance payments if action to terminate the tenancy under an assisted lease is promptly initiated and diligently pursued, in accordance with the

terms of the lease, and if eviction of the tenant is undertaken by judicial action pursuant to State and local law. Action by the responsible entity to terminate the tenancy and to evict the tenant must be in accordance with applicable HUD regulations and other HUD requirements. For any jurisdiction, HUD may prescribe a maximum period during which assistance payments may be continued during eviction proceedings and may prescribe other standards of reasonable diligence for the prosecution of eviction proceedings.

(2) In the Section 8 Rental Certificate, Rental Voucher, and Moderate Rehabilitation programs, assisted occupancy is terminated by terminating assistance payments. (See provisions of this section concerning termination of assistance.) The PHA shall not make any additional assistance payments to the owner after the required procedures specified in this section have been completed. In addition, the PHA shall not approve a lease, enter into an assistance contract, or process a portability move for the family after those procedures have been completed.

§5.516 Availability of preservation assistance to mixed families and other families.

(a) *Assistance available for tenant mixed families—*(1) *General.* Preservation assistance is available to tenant mixed families, following completion of the appeals and informal hearing procedures provided in §5.514. There are three types of preservation assistance:

- (i) Continued assistance (see paragraph (a) of §5.518);
- (ii) Temporary deferral of termination of assistance (see paragraph (b) of §5.518); or
- (iii) Prorated assistance (see §5.520, a mixed family must be provided prorated assistance if the family so requests).

(2) *Availability of assistance—*(i) *For Housing covered programs:* One of the three types of assistance described is available to tenant mixed families assisted under a National Housing Act or

1965 HUD Act covered program, depending upon the family's eligibility for such assistance. Continued assistance must be provided to a mixed family that meets the conditions for eligibility for continued assistance.

(ii) *For Section 8 or Public Housing covered programs.* One of the three types of assistance described may be available to tenant mixed families assisted under a Section 8 or Public Housing covered program.

(b) *Assistance available for applicant mixed families.* Prorated assistance is also available for mixed families applying for assistance as provided in §5.520.

(c) *Assistance available to other families in occupancy.* Temporary deferral of termination of assistance may be available to families receiving assistance under a Section 214 covered program on June 19, 1995, and who have no members with eligible immigration status, as set forth in paragraphs (c)(1) and (2) of this section.

(1) *For Housing covered programs:* Temporary deferral of termination of assistance is available to families assisted under a Housing covered program.

(2) *For Section 8 or Public Housing covered programs:* The responsible entity may make temporary deferral of termination of assistance to families assisted under a Section 8 or Public Housing covered program.

(d) *Section 8 covered programs: Discretion afforded to provide certain family preservation assistance—(1) Project owners.* With respect to assistance under a Section 8 Act covered program administered by a project owner, HUD has the discretion to determine under what circumstances families are to be provided one of the two statutory forms of assistance for preservation of the family (continued assistance or temporary deferral of assistance). HUD is exercising its discretion by specifying the standards in this section under which a project owner must provide one of these two types of assistance to a family. However, project owners and PHAs must offer prorated assistance to eligible mixed families.

(2) *PHAs.* The PHA, rather than HUD, has the discretion to determine the circumstances under which a family will be offered one of the two statutory

forms of assistance (continued assistance or temporary deferral of termination of assistance). The PHA must establish its own policy and criteria to follow in making its decision. In establishing the criteria for granting continued assistance or temporary deferral of termination of assistance, the PHA must incorporate the statutory criteria, which are set forth in paragraphs (a) and (b) of §5.518. However, the PHA must offer prorated assistance to eligible families.

[61 FR 13616, Mar. 27, 1996, as amended at 61 FR 60539, Nov. 29, 1996; 64 FR 25732, May 12, 1999]

§5.518 Types of preservation assistance available to mixed families and other families.

(a) *Continued assistance—(1) General.* A mixed family may receive continued housing assistance if all of the following conditions are met (a mixed family assisted under a Housing covered program must be provided continued assistance if the family meets the following conditions):

(i) The family was receiving assistance under a Section 214 covered program on June 19, 1995;

(ii) The family's head of household or spouse has eligible immigration status as described in §5.506; and

(iii) The family does not include any person (who does not have eligible immigration status) other than the head of household, any spouse of the head of household, any parents of the head of household, any parents of the spouse, or any children of the head of household or spouse.

(2) *Proration of continued assistance.* A family entitled to continued assistance before November 29, 1996 is entitled to continued assistance as described in paragraph (a) of this section. A family entitled to continued assistance after November 29, 1996 shall receive prorated assistance as described in §5.520.

(b) *Temporary deferral of termination of assistance—(1) Eligibility for this type of assistance.* If a mixed family qualifies for prorated assistance (and does not qualify for continued assistance), but decides not to accept prorated assistance, or if a family has no members with eligible immigration status, the family may be eligible for temporary

deferral of termination of assistance if necessary to permit the family additional time for the orderly transition of those family members with ineligible status, and any other family members involved, to other affordable housing. Other affordable housing is used in the context of transition of an ineligible family from a rent level that reflects HUD assistance to a rent level that is unassisted; the term refers to housing that is not substandard, that is of appropriate size for the family and that can be rented for an amount not exceeding the amount that the family pays for rent, including utilities, plus 25 percent.

(2) *Housing covered programs: Conditions for granting temporary deferral of termination of assistance.* The responsible entity shall grant a temporary deferral of termination of assistance to a mixed family if the family is assisted under a Housing covered program and one of the following conditions is met:

(i) The family demonstrates that reasonable efforts to find other affordable housing of appropriate size have been unsuccessful (for purposes of this section, reasonable efforts include seeking information from, and pursuing leads obtained from the State housing agency, the city government, local newspapers, rental agencies and the owner);

(ii) The vacancy rate for affordable housing of appropriate size is below five percent in the housing market for the area in which the project is located; or

(iii) The consolidated plan, as described in 24 CFR part 91 and if applicable to the covered program, indicates that the local jurisdiction's housing market lacks sufficient affordable housing opportunities for households having a size and income similar to the family seeking the deferral.

(3) *Time limit on deferral period.* If temporary deferral of termination of assistance is granted, the deferral period shall be for an initial period not to exceed six months. The initial period may be renewed for additional periods of six months, but the aggregate deferral period for deferrals provided after November 29, 1996 shall not exceed a period of eighteen months. The aggregate deferral period for deferrals granted prior to November 29, 1996 shall not ex-

ceed 3 years. These time periods do not apply to a family which includes a refugee under section 207 of the Immigration and Nationality Act or an individual seeking asylum under section 208 of that Act.

(4) *Notification requirements for beginning of each deferral period.* At the beginning of each deferral period, the responsible entity must inform the family of its ineligibility for financial assistance and offer the family information concerning, and referrals to assist in finding, other affordable housing.

(5) *Determination of availability of affordable housing at end of each deferral period.* (i) Before the end of each deferral period, the responsible entity must satisfy the applicable requirements of either paragraph (b)(5)(i)(A) or (B) of this section. Specifically, the responsible entity must:

(A) *For Housing covered programs:* Make a determination that one of the two conditions specified in paragraph (b)(2) of this section continues to be met (note: affordable housing will be determined to be available if the vacancy rate is five percent or greater), the owner's knowledge and the tenant's evidence indicate that other affordable housing is available; or

(B) *For Section 8 or Public Housing covered programs:* Make a determination of the availability of affordable housing of appropriate size based on evidence of conditions which when taken together will demonstrate an inadequate supply of affordable housing for the area in which the project is located, the consolidated plan (if applicable, as described in 24 CFR part 91), the responsible entity's own knowledge of the availability of affordable housing, and on evidence of the tenant family's efforts to locate such housing.

(ii) The responsible entity must also:

(A) Notify the tenant family in writing, at least 60 days in advance of the expiration of the deferral period, that termination will be deferred again (provided that the granting of another deferral will not result in aggregate deferral periods that exceeds the maximum deferral period). This time period does not apply to a family which includes a refugee under section 207 of the Immigration and Nationality Act or an individual seeking asylum under

section 208 of that Act, and a determination was made that other affordable housing is not available; or

(B) Notify the tenant family in writing, at least 60 days in advance of the expiration of the deferral period, that termination of financial assistance will not be deferred because either granting another deferral will result in aggregate deferral periods that exceed the maximum deferral period (unless the family includes a refugee under section 207 of the Immigration and Nationality Act or an individual seeking asylum under section 208 of that Act), or a determination has been made that other affordable housing is available.

(c) *Option to select proration of assistance at end of deferral period.* A family who is eligible for, and receives temporary deferral of termination of assistance, may request, and the responsible entity shall provide proration of assistance at the end of the deferral period if the family has made a good faith effort during the deferral period to locate other affordable housing.

(d) *Notification of decision on family preservation assistance.* A responsible entity shall notify the family of its decision concerning the family's qualification for family preservation assistance. If the family is ineligible for family preservation assistance, the notification shall state the reasons, which must be based on relevant factors. For tenant families, the notice also shall inform the family of any applicable appeal rights.

[61 FR 13616, Mar. 27, 1996, as amended at 61 FR 60539, Nov. 29, 1996; 64 FR 25732, May 12, 1999]

§ 5.520 Proration of assistance.

(a) *Applicability.* This section applies to a mixed family other than a family receiving continued assistance, or other than a family who is eligible for and requests and receives temporary deferral of termination of assistance. An eligible mixed family who requests prorated assistance must be provided prorated assistance.

(b) *Method of prorating assistance for Housing covered programs—(1) Proration under Rent Supplement Program.* If the household participates in the Rent Supplement Program, the rent supplement paid on the household's behalf

shall be the rent supplement the household would otherwise be entitled to, multiplied by a fraction, the denominator of which is the number of people in the household and the numerator of which is the number of eligible persons in the household;

(2) *Proration under Section 235 Program.* If the household participates in the Section 235 Program, the interest reduction payments paid on the household's behalf shall be the payments the household would otherwise be entitled to, multiplied by a fraction the denominator of which is the number of people in the household and the numerator of which is the number of eligible persons in the household;

(3) *Proration under Section 236 Program without the benefit of additional assistance.* If the household participates in the Section 236 Program without the benefit of any additional assistance, the household's rent shall be increased above the rent the household would otherwise pay by an amount equal to the difference between the market rate rent for the unit and the rent the household would otherwise pay multiplied by a fraction the denominator of which is the number of people in the household and the numerator of which is the number of ineligible persons in the household;

(4) *Proration under Section 236 Program with the benefit of additional assistance.* If the household participates in the Section 236 Program with the benefit of additional assistance under the rent supplement, rental assistance payment or Section 8 programs, the household's rent shall be increased above the rent the household would otherwise pay by:

(i) An amount equal to the difference between the market rate rent for the unit and the basic rent for the unit multiplied by a fraction, the denominator of which is the number of people in the household, and the numerator of which is the number of ineligible persons in the household, plus;

(ii) An amount equal to the rent supplement, housing assistance payment or rental assistance payment the household would otherwise be entitled to multiplied by a fraction, the denominator of which is the number of people in the household and the numerator of

which is the number of ineligible persons in the household.

(c) *Method of prorating assistance for Section 8 covered programs*—(1) *Section 8 assistance other than assistance provided for a tenancy under the Section 8 Rental Voucher Program or for an over-FMR tenancy in the Section 8 Rental Certificate Program.* For Section 8 assistance other than assistance for a tenancy under the voucher program or an over-FMR tenancy under the certificate program, the PHA must prorate the family's assistance as follows:

(i) *Step 1.* Determine gross rent for the unit. (Gross rent is contract rent plus any allowance for tenant paid utilities).

(ii) *Step 2.* Determine total tenant payment in accordance with section 5.613(a). (Annual income includes income of all family members, including any family member who has not established eligible immigration status.)

(iii) *Step 3.* Subtract amount determined in paragraph (c)(1)(ii), (Step 2), from amount determined in paragraph (c)(1)(i), (Step 1).

(iv) *Step 4.* Multiply the amount determined in paragraph (c)(1)(iii), (Step 3) by a fraction for which:

(A) The numerator is the number of family members who have established eligible immigration status; and

(B) The denominator is the total number of family members.

(v) *Prorated housing assistance.* The amount determined in paragraph (c)(1)(iv), (Step 4) is the prorated housing assistance payment for a mixed family.

(vi) *No effect on contract rent.* Proration of the housing assistance payment does not affect contract rent to the owner. The family must pay as rent the portion of contract rent not covered by the prorated housing assistance payment.

(2) *Assistance for a Section 8 voucher tenancy or over-FMR tenancy.* For a tenancy under the voucher program or for an over-FMR tenancy under the certificate program, the PHA must prorate the family's assistance as follows:

(i) *Step 1.* Determine the amount of the pre-proration housing assistance payment. (Annual income includes income of all family members, including

any family member who has not established eligible immigration status.)

(ii) *Step 2.* Multiply the amount determined in paragraph (c)(2)(i), (Step 1) by a fraction for which:

(A) The numerator is the number of family members who have established eligible immigration status; and

(B) The denominator is the total number of family members.

(iii) *Prorated housing assistance.* The amount determined in paragraph (c)(2)(ii), (Step 2) is the prorated housing assistance payment for a mixed family.

(iv) *No effect on rent to owner.* Proration of the housing assistance payment does not affect rent to owner. The family must pay the portion of rent to owner not covered by the prorated housing assistance payment.

(d) *Method of prorating assistance for Public Housing covered programs.* The PHA shall prorate the family's assistance by:

(1) *Step 1.* Determining total tenant payment in accordance with 24 CFR 913.107(a). (Annual income includes income of all family members, including any family member who has not established eligible immigration status.)

(2) *Step 2.* Subtracting the total tenant payment from a HUD-supplied "public housing maximum rent" applicable to the unit or the PHA. (This "maximum rent" shall be determined by HUD using the 95th percentile rent for the PHA.) The result is the maximum subsidy for which the family could qualify if all members were eligible ("family maximum subsidy").

(3) *Step 3.* Dividing the family maximum subsidy by the number of persons in the family (all persons) to determine the maximum subsidy per each family member who has citizenship or eligible immigration status ("eligible family member"). The subsidy per eligible family member is the "member maximum subsidy".

(4) *Step 4.* Multiplying the member maximum subsidy by the number of family members who have citizenship or eligible immigration status ("eligible family members").

(5) *Step 5.* The product of steps 1 through 4, as set forth in paragraph (d)(2) of this section is the amount of subsidy for which the family is eligible

Office of the Secretary, HUD

§ 5.601

(“eligible subsidy”). The family’s rent is the “public housing maximum rent” minus the amount of the eligible subsidy.

The family of a noncitizen student may be eligible for prorated assistance, as provided in paragraph (b)(2) of this section.

(2) The prohibition on providing assistance to a noncitizen student does not extend to the citizen spouse of the noncitizen student and the children of the citizen spouse and noncitizen student.

§ 5.524 Compliance with non-discrimination requirements.

The responsible entity shall administer the restrictions on use of assisted housing by noncitizens with ineligible immigration status imposed by this part in conformity with all applicable nondiscrimination and equal opportunity requirements, including, but not limited to, title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d-2000d-5) and the implementing regulations in 24 CFR part 1, section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794) and the implementing regulations in 24 CFR part 8, the Fair Housing Act (42 U.S.C. 3601-3619) and the implementing regulations in 24 CFR part 100.

(a) *Protection from liability for responsible entities.* Responsible entities are protected from liability as set forth in Section 214(e) (42 U.S.C. 1436a(e)).

(b) *Protection from liability for State and local government agencies and officials.* State and local government agencies and officials shall not be liable for the design or implementation of the verification system described in § 5.512, as long as the implementation by the State and local government agency or official is in accordance with prescribed HUD rules and requirements.

§ 5.528 Liability of ineligible tenants for reimbursement of benefits.

Where a tenant has received the benefit of HUD financial assistance to which the tenant was not entitled because the tenant intentionally misrepresented eligible status, the ineligible tenant is responsible for reimbursing HUD for the assistance improperly paid. If the amount of the assistance is substantial, the responsible entity is encouraged to refer the case to the HUD Inspector General’s office for further investigation. Possible criminal prosecution may follow based on the False Statements Act (18 U.S.C. 1001 and 1010).

§ 5.603 Definitions.

As used in this subpart:

(a) *Terms found elsewhere in part 5—(1) Subpart A.* The terms *1937 Act*, *elderly person*, *public housing*, *public housing agency (PHA)*, *responsible entity* and *Section 8* are defined in § 5.100.

(2) *Subpart D.* The terms “disabled family”, “elderly family”, “family”, “live-in aide”, and “person with disabilities” are defined in § 5.403.

(b) The following terms shall have the meanings set forth below:

Adjusted income. See § 5.611.

Annual income. See § 5.609.

Child care expenses. Amounts anticipated to be paid by the family for the care of children under 13 years of age during the period for which annual income is computed, but only where such care is necessary to enable a family member to actively seek employment, be gainfully employed, or to further his or her education and only to the extent such amounts are not reimbursed. The amount deducted shall reflect reasonable charges for child care. In the case of child care necessary to permit employment, the amount deducted shall not exceed the amount of employment income that is included in annual income.

Dependent. A member of the family (except foster children and foster adults) other than the family head or spouse, who is under 18 years of age, or is a person with a disability, or is a full-time student.

Disability assistance expenses. Reasonable expenses that are anticipated, during the period for which annual income is computed, for attendant care and auxiliary apparatus for a disabled family member and that are necessary to enable a family member (including the disabled member) to be employed, provided that the expenses are neither paid to a member of the family nor reimbursed by an outside source.

Economic self-sufficiency program. Any program designed to encourage, assist, train, or facilitate the economic independence of HUD-assisted families or to provide work for such families. These programs include programs for

job training, employment counseling, work placement, basic skills training, education, English proficiency, workfare, financial or household management, apprenticeship, and any program necessary to ready a participant for work (including a substance abuse or mental health treatment program), or other work activities.

Extremely low income family. A family whose annual income does not exceed 30 percent of the median income for the area, as determined by HUD, with adjustments for smaller and larger families, except that HUD may establish income ceilings higher or lower than 30 percent of the median income for the area if HUD finds that such variations are necessary because of unusually high or low family incomes.

Full-time student. A person who is attending school or vocational training on a full-time basis.

Imputed welfare income. See § 5.615.

Low income family. A family whose annual income does not exceed 80 percent of the median income for the area, as determined by HUD with adjustments for smaller and larger families, except that HUD may establish income ceilings higher or lower than 80 percent of the median income for the area on the basis of HUD's findings that such variations are necessary because of unusually high or low family incomes.

Medical expenses. Medical expenses, including medical insurance premiums, that are anticipated during the period for which annual income is computed, and that are not covered by insurance.

Monthly adjusted income. One twelfth of adjusted income.

Monthly income. One twelfth of annual income.

Net family assets. (1) Net cash value after deducting reasonable costs that would be incurred in disposing of real property, savings, stocks, bonds, and other forms of capital investment, excluding interests in Indian trust land and excluding equity accounts in HUD homeownership programs. The value of necessary items of personal property such as furniture and automobiles shall be excluded.

(2) In cases where a trust fund has been established and the trust is not revocable by, or under the control of, any member of the family or house-

hold, the value of the trust fund will not be considered an asset so long as the fund continues to be held in trust. Any income distributed from the trust fund shall be counted when determining annual income under § 5.609.

(3) In determining net family assets, PHAs or owners, as applicable, shall include the value of any business or family assets disposed of by an applicant or tenant for less than fair market value (including a disposition in trust, but not in a foreclosure or bankruptcy sale) during the two years preceding the date of application for the program or reexamination, as applicable, in excess of the consideration received therefor. In the case of a disposition as part of a separation or divorce settlement, the disposition will not be considered to be for less than fair market value if the applicant or tenant receives important consideration not measurable in dollar terms.

(4) For purposes of determining annual income under § 5.609, the term "net family assets" does not include the value of a home currently being purchased with assistance under part 982, subpart M of this title. This exclusion is limited to the first 10 years after the purchase date of the home.

Owner has the meaning provided in the relevant program regulations. As used in this subpart, where appropriate, the term "owner" shall also include a "borrower" as defined in part 891 of this title.

Responsible entity. For § 5.611, in addition to the definition of "responsible entity" in § 5.100, and for § 5.617, in addition to only that part of the definition of "responsible entity" in § 5.100 which addresses the Section 8 program covered by § 5.617 (public housing is not covered by § 5.617), "responsible entity" means:

(1) For the HOME Investment Partnerships Program, the participating jurisdiction, as defined in 24 CFR 92.2;

(2) For the Rent Supplement Payments Program, the owner of the multifamily project;

(3) For the Rental Assistance Payments Program, the owner of the Section 236 project;

(4) For the Housing Opportunities for Persons with AIDS (HOPWA) program,

§ 5.609

the applicable “State” or “unit of general local government” or “nonprofit organization” as these terms are defined in 24 CFR 574.3, that administers the HOPWA Program;

(5) For the Shelter Plus Care Program, the “Recipient” as defined in 24 CFR 582.5;

(6) For the Supportive Housing Program, the “recipient” as defined in 24 CFR 583.5;

(7) For the Section 202 Supportive Housing Program for the Elderly, the “Owner” as defined in 24 CFR 891.205;

(8) For the Section 202 Direct Loans for Housing for the Elderly and Persons with Disabilities), the “Borrower” as defined in 24 CFR 891.505; and

(9) For the Section 811 Supportive Housing Program for Persons with Disabilities, the “owner” as defined in 24 CFR 891.305.

Tenant rent. The amount payable monthly by the family as rent to the unit owner (Section 8 owner or PHA in public housing). (This term is not used in the Section 8 voucher program.)

Total tenant payment. See § 5.613.

Utility allowance. If the cost of utilities (except telephone) and other housing services for an assisted unit is not included in the tenant rent but is the responsibility of the family occupying the unit, an amount equal to the estimate made or approved by a PHA or HUD of the monthly cost of a reasonable consumption of such utilities and other services for the unit by an energy-conservative household of modest circumstances consistent with the requirements of a safe, sanitary, and healthful living environment.

Utility reimbursement. The amount, if any, by which the utility allowance for a unit, if applicable, exceeds the total tenant payment for the family occupying the unit. (This definition is not used in the Section 8 voucher program, or for a public housing family that is paying a flat rent.)

Very low income family. A family whose annual income does not exceed 50 percent of the median family income for the area, as determined by HUD with adjustments for smaller and larger families, except that HUD may establish income ceilings higher or lower than 50 percent of the median income for the area if HUD finds that such

24 CFR Subtitle A (4–1–07 Edition)

variations are necessary because of unusually high or low family incomes.

Welfare assistance. Welfare or other payments to families or individuals, based on need, that are made under programs funded, separately or jointly, by Federal, State or local governments (including assistance provided under the Temporary Assistance for Needy Families (TANF) program, as that term is defined under the implementing regulations issued by the Department of Health and Human Services at 45 CFR 260.31).

Work activities. See definition at section 407(d) of the Social Security Act (42 U.S.C. 607(d)).

FAMILY INCOME

§ 5.609 Annual income.

(a) *Annual income* means all amounts, monetary or not, which:

(1) Go to, or on behalf of, the family head or spouse (even if temporarily absent) or to any other family member; or

(2) Are anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date; and

(3) Which are not specifically excluded in paragraph (c) of this section.

(4) Annual income also means amounts derived (during the 12-month period) from assets to which any member of the family has access.

(b) Annual income includes, but is not limited to:

(1) The full amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services;

(2) The net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness shall not be used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight line depreciation, as provided in Internal Revenue

Service regulations. Any withdrawal of cash or assets from the operation of a business or profession will be included in income, except to the extent the withdrawal is reimbursement of cash or assets invested in the operation by the family;

(3) Interest, dividends, and other net income of any kind from real or personal property. Expenditures for amortization of capital indebtedness shall not be used as deductions in determining net income. An allowance for depreciation is permitted only as authorized in paragraph (b)(2) of this section. Any withdrawal of cash or assets from an investment will be included in income, except to the extent the withdrawal is reimbursement of cash or assets invested by the family. Where the family has net family assets in excess of \$5,000, annual income shall include the greater of the actual income derived from all net family assets or a percentage of the value of such assets based on the current passbook savings rate, as determined by HUD;

(4) The full amount of periodic amounts received from Social Security, annuities, insurance policies, retirement funds, pensions, disability or death benefits, and other similar types of periodic receipts, including a lump-sum amount or prospective monthly amounts for the delayed start of a periodic amount (except as provided in paragraph (c)(14) of this section);

(5) Payments in lieu of earnings, such as unemployment and disability compensation, worker's compensation and severance pay (except as provided in paragraph (c)(3) of this section);

(6) *Welfare assistance payments.* (i) Welfare assistance payments made under the Temporary Assistance for Needy Families (TANF) program are included in annual income only to the extent such payments:

(A) Qualify as assistance under the TANF program definition at 45 CFR 260.31; and

(B) Are not otherwise excluded under paragraph (c) of this section.

(ii) If the welfare assistance payment includes an amount specifically designated for shelter and utilities that is subject to adjustment by the welfare assistance agency in accordance with the actual cost of shelter and utilities,

the amount of welfare assistance income to be included as income shall consist of:

(A) The amount of the allowance or grant exclusive of the amount specifically designated for shelter or utilities; plus

(B) The maximum amount that the welfare assistance agency could in fact allow the family for shelter and utilities. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this paragraph shall be the amount resulting from one application of the percentage.

(7) Periodic and determinable allowances, such as alimony and child support payments, and regular contributions or gifts received from organizations or from persons not residing in the dwelling;

(8) All regular pay, special pay and allowances of a member of the Armed Forces (except as provided in paragraph (c)(7) of this section).

(9) For section 8 programs only and as provided in 24 CFR 5.612, any financial assistance, in excess of amounts received for tuition, that an individual receives under the Higher Education Act of 1965 (20 U.S.C. 1001 *et seq.*), from private sources, or from an institution of higher education (as defined under the Higher Education Act of 1965 (20 U.S.C. 1002)), shall be considered income to that individual, except that financial assistance described in this paragraph is not considered annual income for persons over the age of 23 with dependent children. For purposes of this paragraph, "financial assistance" does not include loan proceeds for the purpose of determining income.

(c) Annual income does not include the following:

(1) Income from employment of children (including foster children) under the age of 18 years;

(2) Payments received for the care of foster children or foster adults (usually persons with disabilities, unrelated to the tenant family, who are unable to live alone);

(3) Lump-sum additions to family assets, such as inheritances, insurance payments (including payments under health and accident insurance and worker's compensation), capital gains

§ 5.609

and settlement for personal or property losses (except as provided in paragraph (b)(5) of this section);

(4) Amounts received by the family that are specifically for, or in reimbursement of, the cost of medical expenses for any family member;

(5) Income of a live-in aide, as defined in § 5.403;

(6) Subject to paragraph (b)(9) of this section, the full amount of student financial assistance paid directly to the student or to the educational institution;

(7) The special pay to a family member serving in the Armed Forces who is exposed to hostile fire;

(8)(i) Amounts received under training programs funded by HUD;

(ii) Amounts received by a person with a disability that are disregarded for a limited time for purposes of Supplemental Security Income eligibility and benefits because they are set aside for use under a Plan to Attain Self-Sufficiency (PASS);

(iii) Amounts received by a participant in other publicly assisted programs which are specifically for or in reimbursement of out-of-pocket expenses incurred (special equipment, clothing, transportation, child care, etc.) and which are made solely to allow participation in a specific program;

(iv) Amounts received under a resident service stipend. A resident service stipend is a modest amount (not to exceed \$200 per month) received by a resident for performing a service for the PHA or owner, on a part-time basis, that enhances the quality of life in the development. Such services may include, but are not limited to, fire patrol, hall monitoring, lawn maintenance, resident initiatives coordination, and serving as a member of the PHA's governing board. No resident may receive more than one such stipend during the same period of time;

(v) Incremental earnings and benefits resulting to any family member from participation in qualifying State or local employment training programs (including training programs not affiliated with a local government) and training of a family member as resident management staff. Amounts excluded by this provision must be re-

24 CFR Subtitle A (4-1-07 Edition)

ceived under employment training programs with clearly defined goals and objectives, and are excluded only for the period during which the family member participates in the employment training program;

(9) Temporary, nonrecurring or sporadic income (including gifts);

(10) Reparation payments paid by a foreign government pursuant to claims filed under the laws of that government by persons who were persecuted during the Nazi era;

(11) Earnings in excess of \$480 for each full-time student 18 years old or older (excluding the head of household and spouse);

(12) Adoption assistance payments in excess of \$480 per adopted child;

(13) [Reserved]

(14) Deferred periodic amounts from supplemental security income and social security benefits that are received in a lump sum amount or in prospective monthly amounts.

(15) Amounts received by the family in the form of refunds or rebates under State or local law for property taxes paid on the dwelling unit;

(16) Amounts paid by a State agency to a family with a member who has a developmental disability and is living at home to offset the cost of services and equipment needed to keep the developmentally disabled family member at home; or

(17) Amounts specifically excluded by any other Federal statute from consideration as income for purposes of determining eligibility or benefits under a category of assistance programs that includes assistance under any program to which the exclusions set forth in 24 CFR 5.609(c) apply. A notice will be published in the FEDERAL REGISTER and distributed to PHAs and housing owners identifying the benefits that qualify for this exclusion. Updates will be published and distributed when necessary.

(d) *Annualization of income.* If it is not feasible to anticipate a level of income over a 12-month period (e.g., seasonal or cyclic income), or the PHA believes that past income is the best available indicator of expected future income, the PHA may annualize the income anticipated for a shorter period, subject

Office of the Secretary, HUD

to a redetermination at the end of the shorter period.

§ 5.611 Adjusted income.

Adjusted income means annual income (as determined by the responsible entity, defined in § 5.100 and § 5.603) of the members of the family residing or intending to reside in the dwelling unit, after making the following deductions:

(a) *Mandatory deductions.* In determining adjusted income, the responsible entity must deduct the following amounts from annual income:

(1) \$480 for each dependent;

(2) \$400 for any elderly family or disabled family;

(3) The sum of the following, to the extent the sum exceeds three percent of annual income:

(i) Unreimbursed medical expenses of any elderly family or disabled family; and

(ii) Unreimbursed reasonable attendant care and auxiliary apparatus expenses for each member of the family who is a person with disabilities, to the extent necessary to enable any member of the family (including the member who is a person with disabilities) to be employed. This deduction may not exceed the earned income received by family members who are 18 years of age or older and who are able to work because of such attendant care or auxiliary apparatus; and

(4) Any reasonable child care expenses necessary to enable a member of the family to be employed or to further his or her education.

(b) *Additional deductions.* (1) For public housing, a PHA may adopt additional deductions from annual income. The PHA must establish a written policy for such deductions.

(2) For the HUD programs listed in § 5.601(d), the responsible entity shall calculate such other deductions as required and permitted by the applicable program regulations.

§ 5.613 Public housing program and Section 8 tenant-based assistance program: PHA cooperation with welfare agency.

(a) This section applies to the public housing program and the Section 8 tenant-based assistance program.

(b) The PHA must make best efforts to enter into cooperation agreements with welfare agencies under which such agencies agree:

(1) To target public assistance, benefits and services to families receiving assistance in the public housing program and the Section 8 tenant-based assistance program to achieve self-sufficiency;

(2) To provide written verification to the PHA concerning welfare benefits for families applying for or receiving assistance in these housing assistance programs.

[65 FR 16717, Mar. 29, 2000]

§ 5.615 Public housing program and Section 8 tenant-based assistance program: How welfare benefit reduction affects family income.

(a) *Applicability.* This section applies to covered families who reside in public housing (part 960 of this title) or receive Section 8 tenant-based assistance (part 982 of this title).

(b) *Definitions.* The following definitions apply for purposes of this section:

§5.615

Covered families. Families who receive welfare assistance or other public assistance benefits (“welfare benefits”) from a State or other public agency (“welfare agency”) under a program for which Federal, State, or local law requires that a member of the family must participate in an economic self-sufficiency program as a condition for such assistance.

Economic self-sufficiency program. See definition at §5.603.

Imputed welfare income. The amount of annual income not actually received by a family, as a result of a specified welfare benefit reduction, that is nonetheless included in the family’s annual income for purposes of determining rent.

Specified welfare benefit reduction.

(1) A reduction of welfare benefits by the welfare agency, in whole or in part, for a family member, as determined by the welfare agency, because of fraud by a family member in connection with the welfare program; or because of welfare agency sanction against a family member for noncompliance with a welfare agency requirement to participate in an economic self-sufficiency program.

(2) “Specified welfare benefit reduction” does not include a reduction or termination of welfare benefits by the welfare agency:

(i) at expiration of a lifetime or other time limit on the payment of welfare benefits;

(ii) because a family member is not able to obtain employment, even though the family member has complied with welfare agency economic self-sufficiency or work activities requirements; or

(iii) because a family member has not complied with other welfare agency requirements.

(c) *Imputed welfare income.* (1) A family’s annual income includes the amount of imputed welfare income (because of a specified welfare benefits reduction, as specified in notice to the PHA by the welfare agency), plus the total amount of other annual income as determined in accordance with §5.609.

(2) At the request of the PHA, the welfare agency will inform the PHA in writing of the amount and term of any

24 CFR Subtitle A (4–1–07 Edition)

specified welfare benefit reduction for a family member, and the reason for such reduction, and will also inform the PHA of any subsequent changes in the term or amount of such specified welfare benefit reduction. The PHA will use this information to determine the amount of imputed welfare income for a family.

(3) A family’s annual income includes imputed welfare income in family annual income, as determined at the PHA’s interim or regular reexamination of family income and composition, during the term of the welfare benefits reduction (as specified in information provided to the PHA by the welfare agency).

(4) The amount of the imputed welfare income is offset by the amount of additional income a family receives that commences after the time the sanction was imposed. When such additional income from other sources is at least equal to the imputed welfare income, the imputed welfare income is reduced to zero.

(5) The PHA may not include imputed welfare income in annual income if the family was not an assisted resident at the time of sanction.

(d) *Review of PHA decision—(1) Public housing.* If a public housing tenant claims that the PHA has not correctly calculated the amount of imputed welfare income in accordance with HUD requirements, and if the PHA denies the family’s request to modify such amount, the PHA shall give the tenant written notice of such denial, with a brief explanation of the basis for the PHA determination of the amount of imputed welfare income. The PHA notice shall also state that if the tenant does not agree with the PHA determination, the tenant may request a grievance hearing in accordance with part 966, subpart B of this title to review the PHA determination. The tenant is not required to pay an escrow deposit pursuant to §966.55(e) for the portion of tenant rent attributable to the imputed welfare income in order to obtain a grievance hearing on the PHA determination.

(2) *Section 8 participant.* A participant in the Section 8 tenant-based assistance program may request an informal hearing, in accordance with §982.555 of

this title, to review the PHA determination of the amount of imputed welfare income that must be included in the family's annual income in accordance with this section. If the family claims that such amount is not correctly calculated in accordance with HUD requirements, and if the PHA denies the family's request to modify such amount, the PHA shall give the family written notice of such denial, with a brief explanation of the basis for the PHA determination of the amount of imputed welfare income. Such notice shall also state that if the family does not agree with the PHA determination, the family may request an informal hearing on the determination under the PHA hearing procedure.

(e) *PHA relation with welfare agency.*

(1) The PHA must ask welfare agencies to inform the PHA of any specified welfare benefits reduction for a family member, the reason for such reduction, the term of any such reduction, and any subsequent welfare agency determination affecting the amount or term of a specified welfare benefits reduction. If the welfare agency determines a specified welfare benefits reduction for a family member, and gives the PHA written notice of such reduction, the family's annual incomes shall include the imputed welfare income because of the specified welfare benefits reduction.

(2) The PHA is responsible for determining the amount of imputed welfare income that is included in the family's annual income as a result of a specified welfare benefits reduction as determined by the welfare agency, and specified in the notice by the welfare agency to the PHA. However, the PHA is not responsible for determining whether a reduction of welfare benefits by the welfare agency was correctly determined by the welfare agency in accordance with welfare program requirements and procedures, nor for providing the opportunity for review or hearing on such welfare agency determinations.

(3) Such welfare agency determinations are the responsibility of the welfare agency, and the family may seek appeal of such determinations through the welfare agency's normal due process procedures. The PHA shall be enti-

tled to rely on the welfare agency notice to the PHA of the welfare agency's determination of a specified welfare benefits reduction.

§5.617 Self-sufficiency incentives for persons with disabilities—Disallowance of increase in annual income.

(a) *Applicable programs.* The disallowance of increase in annual income provided by this section is applicable only to the following programs: HOME Investment Partnerships Program (24 CFR part 92); Housing Opportunities for Persons with AIDS (24 CFR part 574); Supportive Housing Program (24 CFR part 583); and the Housing Choice Voucher Program (24 CFR part 982).

(b) *Definitions.* The following definitions apply for purposes of this section.

Disallowance. Exclusion from annual income.

Previously unemployed includes a person with disabilities who has earned, in the twelve months previous to employment, no more than would be received for 10 hours of work per week for 50 weeks at the established minimum wage.

Qualified family. A family residing in housing assisted under one of the programs listed in paragraph (a) of this section or receiving tenant-based rental assistance under one of the programs listed in paragraph (a) of this section.

(1) Whose annual income increases as a result of employment of a family member who is a person with disabilities and who was previously unemployed for one or more years prior to employment;

(2) Whose annual income increases as a result of increased earnings by a family member who is a person with disabilities during participation in any economic self-sufficiency or other job training program; or

(3) Whose annual income increases, as a result of new employment or increased earnings of a family member who is a person with disabilities, during or within six months after receiving assistance, benefits or services under any state program for temporary assistance for needy families funded under Part A of Title IV of the Social Security Act, as determined by the responsible entity in consultation with

§ 5.628

the local agencies administering temporary assistance for needy families (TANF) and Welfare-to-Work (WTW) programs. The TANF program is not limited to monthly income maintenance, but also includes such benefits and services as one-time payments, wage subsidies and transportation assistance—provided that the total amount over a six-month period is at least \$500.

(c) *Disallowance of increase in annual income*—(1) *Initial twelve month exclusion*. During the cumulative twelve month period beginning on the date a member who is a person with disabilities of a qualified family is first employed or the family first experiences an increase in annual income attributable to employment, the responsible entity must exclude from annual income (as defined in the regulations governing the applicable program listed in paragraph (a) of this section) of a qualified family any increase in income of the family member who is a person with disabilities as a result of employment over prior income of that family member.

(2) *Second twelve month exclusion and phase-in*. During the second cumulative twelve month period after the date a member who is a person with disabilities of a qualified family is first employed or the family first experiences an increase in annual income attributable to employment, the responsible entity must exclude from annual income of a qualified family fifty percent of any increase in income of such family member as a result of employment over income of that family member prior to the beginning of such employment.

(3) *Maximum four year disallowance*. The disallowance of increased income of an individual family member who is a person with disabilities as provided in paragraph (c)(1) or (c)(2) is limited to a lifetime 48 month period. The disallowance only applies for a maximum of twelve months for disallowance under paragraph (c)(1) and a maximum of twelve months for disallowance under paragraph (c)(2), during the 48 month period starting from the initial exclusion under paragraph (c)(1) of this section.

24 CFR Subtitle A (4–1–07 Edition)

(d) *Inapplicability to admission*. The disallowance of increases in income as a result of employment of persons with disabilities under this section does not apply for purposes of admission to the program (including the determination of income eligibility or any income targeting that may be applicable).

FAMILY PAYMENT

§ 5.628 Total tenant payment.

(a) *Determining total tenant payment (TTP)*. Total tenant payment is the highest of the following amounts, rounded to the nearest dollar:

(1) 30 percent of the family's monthly adjusted income;

(2) 10 percent of the family's monthly income;

(3) If the family is receiving payments for welfare assistance from a public agency and a part of those payments, adjusted in accordance with the family's actual housing costs, is specifically designated by such agency to meet the family's housing costs, the portion of those payments which is so designated; or

(4) The minimum rent, as determined in accordance with § 5.630.

(b) *Determining TTP if family's welfare assistance is ratably reduced*. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under paragraph (a)(3) of this section is the amount resulting from one application of the percentage.

[65 FR 16718, Mar. 29, 2000]

§ 5.630 Minimum rent.

(a) *Minimum rent*. (1) The PHA must charge a family no less than a minimum monthly rent established by the responsible entity, except as described in paragraph (b) of this section.

(2) For the public housing program and the section 8 moderate rehabilitation, and certificate or voucher programs, the PHA may establish a minimum rent of up to \$50.

(3) For other section 8 programs, the minimum rent is \$25.

(b) *Financial hardship exemption from minimum rent*—(1) *When is family exempt*

from minimum rent? The responsible entity must grant an exemption from payment of minimum rent if the family is unable to pay the minimum rent because of financial hardship, as described in the responsible entity's written policies. Financial hardship includes these situations:

(i) When the family has lost eligibility for or is awaiting an eligibility determination for a Federal, State, or local assistance program, including a family that includes a member who is a noncitizen lawfully admitted for permanent residence under the Immigration and Nationality Act who would be entitled to public benefits but for title IV of the Personal Responsibility and Work Opportunity Act of 1996;

(ii) When the family would be evicted because it is unable to pay the minimum rent;

(iii) When the income of the family has decreased because of changed circumstances, including loss of employment;

(iv) When a death has occurred in the family; and

(v) Other circumstances determined by the responsible entity or HUD.

(2) *What happens if family requests a hardship exemption?* (i) *Public housing.*

(A) If a family requests a financial hardship exemption, the PHA must suspend the minimum rent requirement beginning the month following the family's request for a hardship exemption, and continuing until the PHA determines whether there is a qualifying financial hardship and whether it is temporary or long term.

(B) The PHA must promptly determine whether a qualifying hardship exists and whether it is temporary or long term.

(C) The PHA may not evict the family for nonpayment of minimum rent during the 90-day period beginning the month following the family's request for a hardship exemption.

(D) If the PHA determines that a qualifying financial hardship is temporary, the PHA must reinstate the minimum rent from the beginning of the suspension of the minimum rent. The PHA must offer the family a reasonable repayment agreement, on terms and conditions established by

the PHA, for the amount of back minimum rent owed by the family.

(ii) *All section 8 programs.* (A) If a family requests a financial hardship exemption, the responsible entity must suspend the minimum rent requirement beginning the month following the family's request for a hardship exemption until the responsible entity determines whether there is a qualifying financial hardship, and whether such hardship is temporary or long term.

(B) The responsible entity must promptly determine whether a qualifying hardship exists and whether it is temporary or long term.

(C) If the responsible entity determines that a qualifying financial hardship is temporary, the PHA must not impose the minimum rent during the 90-day period beginning the month following the date of the family's request for a hardship exemption. At the end of the 90-day suspension period, the responsible entity must reinstate the minimum rent from the beginning of the suspension. The family must be offered a reasonable repayment agreement, on terms and conditions established by the responsible entity, for the amount of back rent owed by the family.

(iii) *All programs.* (A) If the responsible entity determines there is no qualifying financial hardship exemption, the responsible entity must reinstate the minimum rent, including back rent owed from the beginning of the suspension. The family must pay the back rent on terms and conditions established by the responsible entity.

(B) If the responsible entity determines a qualifying financial hardship is long term, the responsible entity must exempt the family from the minimum rent requirements so long as such hardship continues. Such exemption shall apply from the beginning of the month following the family's request for a hardship exemption until the end of the qualifying financial hardship.

(C) The financial hardship exemption only applies to payment of the minimum rent (as determined pursuant to § 5.628(a)(4) and § 5.630), and not to the other elements used to calculate the total tenant payment (as determined

§ 5.632

pursuant to § 5.628(a)(1), (a)(2) and (a)(3)).

(3) *Public housing: Grievance hearing concerning PHA denial of request for hardship exemption.* If a public housing family requests a hearing under the PHA grievance procedure, to review the PHA's determination denying or limiting the family's claim to a financial hardship exemption, the family is not required to pay any escrow deposit in order to obtain a grievance hearing on such issues.

§ 5.632 Utility reimbursements.

(a) *Applicability.* This section is applicable to:

(1) The Section 8 programs other than the Section 8 voucher program (for distribution of a voucher housing assistance payment that exceeds rent to owner, see § 982.514(b) of this title);

(2) A public housing family paying an income-based rent (see § 960.253 of this title). (Utility reimbursement is not paid for a public housing family that is paying a flat rent.)

(b) *Payment of utility reimbursement.*

(1) The responsible entity pays a utility reimbursement if the utility allowance (for tenant-paid utilities) exceeds the amount of the total tenant payment.

(2) In the public housing program (where the family is paying an income-based rent), the Section 8 moderate rehabilitation program and the Section 8 certificate or voucher program, the PHA may pay the utility reimbursement either to the family or directly to the utility supplier to pay the utility bill on behalf of the family. If the PHA elects to pay the utility supplier, the PHA must notify the family of the amount paid to the utility supplier.

(3) In the other Section 8 programs, the owner must pay the utility reimbursement either:

(i) To the family, or

(ii) With consent of the family, to the utility supplier to pay the utility bill on behalf of the family.

SECTION 8 PROJECT-BASED ASSISTANCE: OCCUPANCY REQUIREMENTS

§ 5.653 Section 8 project-based assistance programs: Admission—Income-eligibility and income-targeting.

(a) *Applicability.* This section describes requirements concerning income-eligibility and income-targeting that apply to the Section 8 project-based assistance programs, except for the moderate rehabilitation and the project-based certificate or voucher programs.

(b) *Who is eligible?—(1) Basic eligibility.* An applicant must meet all eligibility requirements in order to receive housing assistance. At a minimum, the applicant must be a family, as defined in § 5.403, and must be income-eligible, as described in this section. Such eligible applicants include single persons.

(2) *Low income limit.* No family other than a low income family is eligible for admission to the Section 8 project-based assistance programs. (This paragraph (b) does not apply to the Section 8 project-based voucher program under part 983 of this title.)

(c) *Targeting to extremely low income families.* For each project assisted under a contract for project-based assistance, of the dwelling units that become available for occupancy in any fiscal year that are assisted under the contract, not less than 40 percent shall be available for leasing only by families that are extremely low income families at the time of admission.

(d) *Limitation on admission of non-very low income families—(1) Admission to units available before October 1, 1981.* Not more than 25 percent of the Section 8 project-based dwelling units that were available for occupancy under Section 8 Housing Assistance Payments Contracts effective before October 1, 1981 and that are leased on or after that date shall be available for leasing by low income families other than very low income families. HUD reserves the

right to limit the admission of low income families other than very low income families to these units.

(2) *Admission to units available on or after October 1, 1981.* Not more than 15 percent of the Section 8 project-based dwelling units that initially become available for occupancy under Section 8 Housing Assistance Payments (HAP) Contracts on or after October 1, 1981 shall be available for leasing by low income families other than families that are very low income families at the time of admission to the Section 8 program. Except with the prior approval of HUD under paragraphs (d)(3) and (d)(4) of this section, the owner may only lease such units to very low income families.

(3) *Request for exception.* A request by an owner for approval of admission of low income families other than very low income families to section 8 project-based units must state the basis for requesting the exception and provide supporting data. Bases for exceptions that may be considered include the following:

(i) Need for admission of a broader range of tenants to preserve the financial or management viability of a project because there is an insufficient number of potential applicants who are very low income families;

(ii) Commitment of an owner to attaining occupancy by families with a broad range of incomes;

(iii) Project supervision by a State Housing Finance Agency having a policy of occupancy by families with a broad range of incomes supported by evidence that the Agency is pursuing this goal throughout its assisted projects in the community, or a project with financing through Section 11(b) of the 1937 Act (42 U.S.C. 1437i) or under Section 103 of the Internal Revenue Code (26 U.S.C. 103); and

(iv) Low-income families that otherwise would be displaced from a Section 8 project.

(4) *Action on request for exception.* Whether to grant any request for exception is a matter committed by law to HUD's discretion, and no implication is intended to be created that HUD will seek to grant approvals up to the maximum limits permitted by statute, nor is any presumption of an entitle-

ment to an exception created by the specification of certain grounds for exception that HUD may consider. HUD will review exceptions granted to owners at regular intervals. HUD may withdraw permission to exercise those exceptions for program applicants at any time that exceptions are not being used or after a periodic review, based on the findings of the review.

(e) *Income used for eligibility and targeting.* Family annual income (see § 5.609) is used both for determination of income-eligibility and for income-targeting under this section.

(f) *Reporting.* The Section 8 owner must comply with HUD-prescribed reporting requirements, including income reporting requirements that will permit HUD to maintain the data necessary to monitor compliance with income-eligibility and income-targeting requirements.

§ 5.655 Section 8 project-based assistance programs: Owner preferences in selection for a project or unit.

(a) *Applicability.* This section applies to the section 8 project-based assistance programs. The section describes requirements concerning the Section 8 owner's selection of residents to occupy a project or unit, except for the moderate rehabilitation and the project-based certificate or voucher programs.

(b) *Selection—(1) Selection for owner's project or unit.* Selection for occupancy of a project or unit is the function of the Section 8 owner. However, selection is subject to the income-eligibility and income-targeting requirements in § 5.653.

(2) *Tenant selection plan.* The owner must adopt a written tenant selection plan in accordance with HUD requirements.

(3) *Amount of income.* The owner may not select a family for occupancy of a project or unit in an order different from the order on the owner's waiting list for the purpose of selecting a relatively higher income family. However, an owner may select a family for occupancy of a project or unit based on its income in order to satisfy the targeting requirements of § 5.653(c).

(4) *Selection for particular unit.* In selecting a family to occupy a particular unit, the owner may match family characteristics with the type of unit available, for example, number of bedrooms. If a unit has special accessibility features for persons with disabilities, the owner must first offer the unit to families which include persons with disabilities who require such features (see §§ 8.27 and 100.202 of this title).

(5) *Housing assistance limitation for single persons.* A single person who is not an elderly or displaced person, a person with disabilities, or the remaining member of a resident family may not be provided a housing unit with two or more bedrooms.

(c) *Particular owner preferences.* The owner must inform all applicants about available preferences and must give applicants an opportunity to show that they qualify for available preferences.

(1) *Residency requirements or preferences.* (i) Residency requirements are prohibited. Although the owner is not prohibited from adopting a residency preference, the owner may only adopt or implement residency preferences in accordance with non-discrimination and equal opportunity requirements listed at § 5.105(a).

(ii) A residency preference is a preference for admission of persons who reside in a specified geographic area ("residency preference area").

(iii) An owner's residency preference must be approved by HUD in one of the following methods:

(A) Prior approval of the housing market area in the Affirmative Fair Housing Marketing plan (in accordance with § 108.25 of this title) as a residency preference area;

(B) Prior approval of the residency preference area in the PHA plan of the jurisdiction in which the project is located;

(C) Modification of the Affirmative Fair Housing Marketing Plan, in accordance with § 108.25 of this title,

(iv) Use of a residency preference may not have the purpose or effect of delaying or otherwise denying admission to a project or unit based on the race, color, ethnic origin, gender, religion, disability, or age of any member of an applicant family.

(v) A residency preference must not be based on how long an applicant has resided or worked in a residency preference area.

(vi) Applicants who are working or who have been notified that they are hired to work in a residency preference area must be treated as residents of the residency preference area. The owner may treat graduates of, or active participants in, education and training programs in a residency preference area as residents of the residency preference area if the education or training program is designed to prepare individuals for the job market.

(2) *Preference for working families.* (i) The owner may adopt a preference for admission of working families (families where the head, spouse or sole member is employed). However, an applicant shall be given the benefit of the working family preference if the head and spouse, or sole member, is age 62 or older, or is a person with disabilities.

(ii) If the owner adopts a preference for admission of working families, the owner must not give a preference based on the amount of earned income.

(3) *Preference for person with disabilities.* The owner may adopt a preference for admission of families that include a person with disabilities. However, the owner may not adopt a preference for admission of persons with a specific disability.

(4) *Preference for victims of domestic violence.* The owner should consider whether to adopt a preference for admission of families that include victims of domestic violence.

(5) *Preference for single persons who are elderly, displaced, homeless or persons with disabilities over other single persons.* The owner may adopt a preference for admission of single persons who are age 62 or older, displaced, homeless, or persons with disabilities over other single persons.

§ 5.657 Section 8 project-based assistance programs: Reexamination of family income and composition.

(a) *Applicability.* This section states requirements for reexamination of family income and composition in the

Section 8 project-based assistance programs, except for the moderate rehabilitation and the project-based certificate or voucher programs.

(b) *Regular reexamination.* The owner must conduct a reexamination and redetermination of family income and composition at least annually.

(c) *Interim reexaminations.* A family may request an interim reexamination of family income because of any changes since the last examination. The owner must make the interim reexamination within a reasonable time after the family request. The owner may adopt policies prescribing when and under what conditions the family must report a change in family income or composition.

[65 FR 16720, Mar. 29, 2000]

§5.659 Family information and verification.

(a) *Applicability.* This section states requirements for reexamination of family income and composition in the Section 8 project-based assistance programs, except for the moderate rehabilitation program and the project-based certificate or voucher programs.

(b) *Family obligation to supply information.* (1) The family must supply any information that HUD or the owner determines is necessary in administration of the Section 8 program, including submission of required evidence of citizenship or eligible immigration status (as provided by part 5, subpart E of this title). "Information" includes any requested certification, release or other documentation.

(2) The family must supply any information requested by the owner or HUD for use in a regularly scheduled reexamination or an interim reexamination of family income and composition in accordance with HUD requirements.

(3) For requirements concerning the following, see part 5, subpart B of this title:

(i) Family verification and disclosure of social security numbers;

(ii) Family execution and submission of consent forms for obtaining wage and claim information from State Wage Information Collection Agencies (SWICAs).

(4) Any information supplied by the family must be true and complete.

(c) *Family release and consent.* (1) As a condition of admission to or continued occupancy of a unit with Section 8 assistance, the owner must require the family head, and such other family members as the owner designates, to execute a HUD-approved release and consent form (including any release and consent as required under §5.230 of this title) authorizing any depository or private source of income, or any Federal, State or local agency, to furnish or release to the owner or HUD such information as the owner or HUD determines to be necessary.

(2) The use or disclosure of information obtained from a family or from another source pursuant to this release and consent shall be limited to purposes directly connected with administration of the Section 8 program.

(d) *Owner responsibility for verification.* The owner must obtain and document in the family file third party verification of the following factors, or must document in the file why third party verification was not available:

(1) Reported family annual income;

(2) The value of assets;

(3) Expenses related to deductions from annual income; and

(4) Other factors that affect the determination of adjusted income.

§5.661 Section 8 project-based assistance programs: Approval for police or other security personnel to live in project.

(a) *Applicability.* This section describes when a Section 8 owner may lease a Section 8 unit to police or other security personnel with continued Section 8 assistance for the unit. This section applies to the Section 8 project-based assistance programs.

(b) *Terms.* (1) *Security personnel* means:

(i) A police officer, or

(ii) A qualified security professional, with adequate training and experience to provide security services for project residents.

(2) *Police officer* means a person employed on a full-time basis as a duly licensed professional police officer by a Federal, State or local government or by any agency of these governments.

§ 5.661

24 CFR Subtitle A (4-1-07 Edition)

(3) *Security* includes the protection of project residents, including resident project management from criminal or other activity that is a threat to person or property, or that arouses fears of such threat.

(c) *Owner application.* (1) The owner may submit a written application to the contract administrator (PHA or HUD) for approval to lease an available unit in a Section 8 project to security personnel who would not otherwise be eligible for Section 8 assistance, for the purpose of increasing security for Section 8 families residing in the project.

(2) The owner's application must include the following information:

(i) A description of criminal activities in the project and the surrounding community, and the effect of criminal activity on the security of project residents.

(ii) Qualifications of security personnel who will reside in the project, and the period of residence by such personnel. How owner proposes to check backgrounds and qualifications of any security personnel who will reside in the project.

(iii) Full disclosure of any family relationship between the owner and any security personnel. For this purpose, "owner" includes a principal or other interested party.

(iv) How residence by security personnel in a project unit will increase security for Section 8 assisted families residing in the project.

(v) The amount payable monthly as rent to the unit owner by security personnel residing in the project (including a description of how this amount is determined), and the amount of any other compensation by the owner to such resident security personnel.

(vi) The terms of occupancy by such security personnel. The lease by owner to the approved security personnel may provide that occupancy of the unit is authorized only while the security personnel is satisfactorily performing any agreed responsibilities and functions for project security.

(vii) Other information as requested by the contract administrator.

(d) *Action by contract administrator.* (1) The contract administrator shall have discretion to approve or disapprove owner's application, and to impose con-

ditions for approval of occupancy by security personnel in a section 8 project unit.

(2) Notice of approval by the contract administrator shall specify the term of such approved occupancy. Such approval may be withdrawn at the discretion of the contract administrator, for example, if the contract administrator determines that such occupancy is not providing adequate security benefits as proposed in the owner's application; or that security benefits from such occupancy are not a sufficient return for program costs.

(e) *Housing assistance payment and rent.* (1) During approved occupancy by security personnel as provided in this section, the amount of the monthly housing assistance payment to the owner shall be equal to the contract rent (as determined in accordance with the HAP contract and HUD requirements) minus the amount (as approved by the contract administrator) of rent payable monthly as rent to the unit owner by such security personnel. The owner shall bear the risk of collecting such rent from such security personnel, and the amount of the housing assistance payment shall not be increased because of non-payment by such security personnel. The owner shall not be entitled to receive any vacancy payment for the period following occupancy by such security personnel.

(2) In approving the amount of monthly rent payable by security personnel for occupancy of a contract unit, the contract administrator may consider whether security services to be performed are an adequate return for housing assistance payments on the unit, or whether the cost of security services should be borne by the owner from other project income.

Subpart G—Physical Condition Standards and Inspection Requirements

SOURCE: 63 FR 46577, Sept. 1, 1998, unless otherwise noted.

§ 5.701 Applicability.

(a) This subpart applies to housing assisted under the HUD programs listed in 24 CFR 200.853(a).

(b) This subpart applies to housing with mortgages insured or held by HUD, or housing that is receiving assistance from HUD, under the programs listed in 24 CFR 200.853(b).

(c) This subpart also applies to Public Housing (housing receiving assistance under the U.S. Housing Act of 1937, other than under section 8 of the Act).

(d) For purposes of this subpart, the term "HUD housing" means the types of housing listed in paragraphs (a), (b), and (c) of this section.

[63 FR 46577, Sept. 1, 1998, as amended at 65 FR 77240, Dec. 8, 2000]

§ 5.703 Physical condition standards for HUD housing that is decent, safe, sanitary and in good repair (DSS/GR).

HUD housing must be decent, safe, sanitary and in good repair. Owners of housing described in § 5.701(a), mortgagors of housing described in § 5.701(b), and PHAs and other entities approved by HUD owning housing described in § 5.701(c), must maintain such housing in a manner that meets the physical condition standards set forth in this section in order to be considered decent, safe, sanitary and in good repair. These standards address the major areas of the HUD housing: the site; the building exterior; the building systems; the dwelling units; the common areas; and health and safety considerations.

(a) *Site.* The site components, such as fencing and retaining walls, grounds, lighting, mailboxes/project signs, parking lots/driveways, play areas and equipment, refuse disposal, roads, storm drainage and walkways must be free of health and safety hazards and be in good repair. The site must not be subject to material adverse conditions, such as abandoned vehicles, dangerous

walks or steps, poor drainage, septic tank back-ups, sewer hazards, excess accumulations of trash, vermin or rodent infestation or fire hazards.

(b) *Building exterior.* Each building on the site must be structurally sound, secure, habitable, and in good repair. Each building's doors, fire escapes, foundations, lighting, roofs, walls, and windows, where applicable, must be free of health and safety hazards, operable, and in good repair.

(c) *Building systems.* Each building's domestic water, electrical system, elevators, emergency power, fire protection, HVAC, and sanitary system must be free of health and safety hazards, functionally adequate, operable, and in good repair.

(d) *Dwelling units.* (1) Each dwelling unit within a building must be structurally sound, habitable, and in good repair. All areas and aspects of the dwelling unit (for example, the unit's bathroom, call-for-aid (if applicable), ceiling, doors, electrical systems, floors, hot water heater, HVAC (where individual units are provided), kitchen, lighting, outlets/switches, patio/porch/balcony, smoke detectors, stairs, walls, and windows) must be free of health and safety hazards, functionally adequate, operable, and in good repair.

(2) Where applicable, the dwelling unit must have hot and cold running water, including an adequate source of potable water (note for example that single room occupancy units need not contain water facilities).

(3) If the dwelling unit includes its own sanitary facility, it must be in proper operating condition, usable in privacy, and adequate for personal hygiene and the disposal of human waste.

(4) The dwelling unit must include at least one battery-operated or hard-wired smoke detector, in proper working condition, on each level of the unit.

(e) *Common areas.* The common areas must be structurally sound, secure, and functionally adequate for the purposes intended. The basement/garage/carport, restrooms, closets, utility, mechanical, community rooms, day care, halls/corridors, stairs, kitchens, laundry rooms, office, porch, patio, balcony, and trash collection areas, if applicable, must be free of health and safety hazards, operable, and in good repair. All common

§ 5.705

area ceilings, doors, floors, HVAC, lighting, outlets/switches, smoke detectors, stairs, walls, and windows, to the extent applicable, must be free of health and safety hazards, operable, and in good repair. These standards for common areas apply, to a varying extent, to all HUD housing, but will be particularly relevant to congregate housing, independent group homes/residences, and single room occupancy units, in which the individual dwelling units (sleeping areas) do not contain kitchen and/or bathroom facilities.

(f) *Health and safety concerns.* All areas and components of the housing must be free of health and safety hazards. These areas include, but are not limited to, air quality, electrical hazards, elevators, emergency/fire exits, flammable materials, garbage and debris, handrail hazards, infestation, and lead-based paint. For example, the buildings must have fire exits that are not blocked and have hand rails that are undamaged and have no other observable deficiencies. The housing must have no evidence of infestation by rats, mice, or other vermin, or of garbage and debris. The housing must have no evidence of electrical hazards, natural hazards, or fire hazards. The dwelling units and common areas must have proper ventilation and be free of mold, odor (e.g., propane, natural gas, methane gas), or other observable deficiencies. The housing must comply with all requirements related to the evaluation and reduction of lead-based paint hazards and have available proper certifications of such (see 24 CFR part 35).

(g) *Compliance with State and local codes.* The physical condition standards in this section do not supersede or preempt State and local codes for building and maintenance with which HUD housing must comply. HUD housing must continue to adhere to these codes.

§ 5.705 Uniform physical inspection requirements.

Any entity responsible for conducting a physical inspection of HUD housing, to determine compliance with this subpart, must inspect such HUD housing annually in accordance with HUD-prescribed physical inspection

24 CFR Subtitle A (4–1–07 Edition)

procedures. The inspection must be conducted annually unless the program regulations governing the housing provide otherwise or unless HUD has provided otherwise by notice.

[65 FR 77240, Dec. 8, 2000]

(1) Prepared in accordance with Generally Accepted Accounting Principles as further defined by HUD in supplementary guidance;

(2) Submitted electronically to HUD through the internet, or in such other electronic format designated by HUD, or in such non-electronic format as HUD may allow if the burden or cost of

electronic reporting is determined by HUD to be excessive; and

(3) Submitted in such form and substance as prescribed by HUD.

(c) *Annual financial report filing dates.*

(1) For entities listed in paragraphs (a)(1) and (2) of this section, the financial information to be submitted to HUD in accordance with paragraph (b) of this section, must be submitted to HUD annually, no later than 60 days after the end of the fiscal year of the reporting period, and as otherwise provided by law (for public housing agencies, see also 24 CFR 903.33).

30, 1999 must submit its report as required in this section. On or after September 30, 1998, but prior to November 30, 1999 (except for a PHA with its fiscal year ending September 30, 1999), PHAs may submit their financial reports in accordance with this section.

(2) For entities listed in paragraphs (a)(3) and (a)(4) of this section, the requirements of this section will begin with those entities with fiscal years ending December 31, 1998 and later. Subpart I—Preventing Crime in Federally Assisted Housing—Denying Admission and Terminating Tenancy for Criminal Activity or Alcohol Abuse

SOURCE: 66 FR 28792, May 24, 2001, unless otherwise noted.

GENERAL

§ 5.850 Which subsidized housing is covered by this subpart?

(a) If you are the owner of federally assisted housing, your federally assisted housing is covered, except as provided in paragraph (b) or (c) of this section.

(b) If you are operating public housing, this subpart does not apply, but similar provisions applicable to public housing units are found in parts 960 and 966 of this title. If you administer tenant-based assistance under Section 8 or you are the owner of housing assisted with tenant-based assistance under Section 8, this subpart does not apply to you, but similar provisions that do apply are located in part 982 of this title.

(c) If you own or administer housing assisted by the Rural Housing Administration under section 514 or section 515 of the Housing Act of 1949, this subpart does not apply to you.

§ 5.851 What authority do I have to screen applicants and to evict tenants?

(a) *Screening applicants.* You are authorized to screen applicants for the programs covered by this part. The provisions of this subpart implement statutory directives that either *require* or *permit* you to take action to deny admission to applicants under certain circumstances in accordance with established standards, as described in this subpart. The provisions of this subpart do not constrain your authority to screen out applicants who you determine are unsuitable under your standards for admission.

(b) *Terminating tenancy.* You are authorized to terminate tenancy of tenants, in accordance with your leases

and landlord-tenant law for the programs covered by this part. The provisions of this subpart implement statutory directives that either require or permit you to terminate tenancy under certain circumstances, as provided in 42 U.S.C. 1437f, 1437n, and 13662, in accordance with established standards, as described in this subpart. You retain authority to terminate tenancy on any basis that is otherwise authorized.

§ 5.852 What discretion do I have in screening and eviction actions?

(a) *General.* If the law and regulation permit you to take an action but do not require action to be taken, you may take or not take the action in accordance with your standards for admission and eviction. Consistent with the application of your admission and eviction standards, you may consider all of the circumstances relevant to a particular admission or eviction case, such as:

- (1) The seriousness of the offending action;
- (2) The effect on the community of denial or termination or the failure of the responsible entity to take such action;
- (3) The extent of participation by the leaseholder in the offending action;
- (4) The effect of denial of admission or termination of tenancy on household members not involved in the offending action;
- (5) The demand for assisted housing by families who will adhere to lease responsibilities;
- (6) The extent to which the leaseholder has shown personal responsibility and taken all reasonable steps to prevent or mitigate the offending action; and
- (7) The effect of the responsible entity's action on the integrity of the program.

(b) *Exclusion of culpable household member.* You may require an applicant (or tenant) to exclude a household member in order to be admitted to the housing program (or continue to reside in the assisted unit), where that household member has participated in or been culpable for action or failure to act that warrants denial (or termination).

(c) *Consideration of rehabilitation.* (1) In determining whether to deny admission or terminate tenancy for illegal use of drugs or alcohol abuse by a household member who is no longer engaged in such behavior, you may consider whether such household member is participating in or has successfully completed a supervised drug or alcohol rehabilitation program, or has otherwise been rehabilitated successfully (42 U.S.C. 13661). For this purpose, you may require the applicant or tenant to submit evidence of the household member's current participation in, or successful completion of, a supervised drug or alcohol rehabilitation program or evidence of otherwise having been rehabilitated successfully.

(2) If rehabilitation is not an element of the eligibility determination (see § 5.854(a)(1) for the case where it must be considered), you may choose not to consider whether the person has been rehabilitated.

(d) *Length of period of mandatory prohibition on admission.* If a statute requires that you prohibit admission of persons for a prescribed period of time after some disqualifying behavior or event, you may apply that prohibition for a longer period of time.

(e) *Nondiscrimination limitation.* Your admission and eviction actions must be consistent with fair housing and equal opportunity provisions of § 5.105.

§ 5.853 Definitions.

(a) *Terms found elsewhere.* The following terms are defined in subpart A of this part: *1937 Act*, *covered person*, *drug*, *drug-related criminal activity*, *federally assisted housing*, *guest*, *household*, *HUD*, *other person under the tenant's control*, *premises*, *public housing*, *public housing agency (PHA)*, *Section 8*, *violent criminal activity*.

(b) *Additional terms* used in this part are as follows.

Currently engaging in. With respect to behavior such as illegal use of a drug, other drug-related criminal activity, or other criminal activity, *currently engaging in* means that the individual has engaged in the behavior recently enough to justify a reasonable belief that the individual's behavior is current.

§ 5.854

Owner. The owner of federally assisted housing.

Responsible entity. For the Section 8 project-based certificate or project-based voucher program (part 983 of this title) and the Section 8 moderate rehabilitation program (part 882 of this title), *responsible entity* means the PHA administering the program under an Annual Contributions Contract with HUD. For all other federally assisted housing, the responsible entity means the owner of the housing.

DENYING ADMISSIONS

§ 5.854 When must I prohibit admission of individuals who have engaged in drug-related criminal activity?

(a) You *must* prohibit admission to your federally assisted housing of an applicant for three years from the date of eviction if any household member has been evicted from federally assisted housing for drug-related criminal activity. However, you may admit the household if:

(1) The evicted household member who engaged in drug-related criminal activity has successfully completed an approved supervised drug rehabilitation program; or

(2) The circumstances leading to the eviction no longer exist (for example, the criminal household member has died or is imprisoned).

(b) You *must* establish standards that prohibit admission of a household to federally assisted housing if:

(1) You determine that any household member is currently engaging in illegal use of a drug; or

(2) You determine that you have reasonable cause to believe that a household member's illegal use or a pattern of illegal use of a drug may interfere with the health, safety, or right to peaceful enjoyment of the premises by other residents.

§ 5.855 When am I specifically authorized to prohibit admission of individuals who have engaged in criminal activity?

(a) You may prohibit admission of a household to federally assisted housing under your standards if you determine that any household member is currently engaging in, or has engaged in

24 CFR Subtitle A (4-1-07 Edition)

during a reasonable time before the admission decision:

(1) Drug-related criminal activity;

(2) Violent criminal activity;

(3) Other criminal activity that would threaten the health, safety, or right to peaceful enjoyment of the premises by other residents; or

(4) Other criminal activity that would threaten the health or safety of the PHA or owner or any employee, contractor, subcontractor or agent of the PHA or owner who is involved in the housing operations.

(b) You may establish a period before the admission decision during which an applicant must not have engaged in the activities specified in paragraph (a) of this section (*reasonable time*).

(c) If you previously denied admission to an applicant because of a determination concerning a member of the household under paragraph (a) of this section, you may reconsider the applicant if you have sufficient evidence that the members of the household are not currently engaged in, and have not engaged in, such criminal activity during a reasonable period, determined by you, before the admission decision.

(1) You would have *sufficient evidence* if the household member submitted a certification that she or he is not currently engaged in and has not engaged in such criminal activity during the specified period and provided supporting information from such sources as a probation officer, a landlord, neighbors, social service agency workers and criminal records, which you verified. (See subpart J of this part for one method of checking criminal records.)

(2) For purposes of this section, a household member is *currently engaged in* the criminal activity if the person has engaged in the behavior recently enough to justify a reasonable belief that the behavior is current.

§ 5.856 When must I prohibit admission of sex offenders?

You must establish standards that prohibit admission to federally assisted housing if any member of the household is subject to a lifetime registration requirement under a State sex offender registration program. In the

Office of the Secretary, HUD

§ 5.901

screening of applicants, you must perform necessary criminal history background checks in the State where the housing is located and in other States where the household members are known to have resided. (See § 5.905.)

§ 5.857 When must I prohibit admission of alcohol abusers?

You must establish standards that prohibit admission to federally assisted housing if you determine you have reasonable cause to believe that a household member's abuse or pattern of abuse of alcohol interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents.

TERMINATING TENANCY

§ 5.858 What authority do I have to evict drug criminals?

The lease must provide that drug-related criminal activity engaged in on or near the premises by any tenant, household member, or guest, and any such activity engaged in on the premises by any other person under the tenant's control, is grounds for you to terminate tenancy. In addition, the lease must allow you to evict a family when you determine that a household member is illegally using a drug or when you determine that a pattern of illegal use of a drug interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents.

§ 5.859 When am I specifically authorized to evict other criminals?

(a) *Threat to other residents.* The lease must provide that the owner may terminate tenancy for any of the following types of criminal activity by a covered person:

(1) Any criminal activity that threatens the health, safety, or right to peaceful enjoyment of the premises by other residents (including property management staff residing on the premises); or

(2) Any criminal activity that threatens the health, safety, or right to peaceful enjoyment of their residences by persons residing in the immediate vicinity of the premises.

(b) *Fugitive felon or parole violator.* The lease must provide that you may terminate the tenancy during the term of the lease if a tenant is:

(1) Fleeing to avoid prosecution, or custody or confinement after conviction, for a crime, or attempt to commit a crime, that is a felony under the laws of the place from which the individual flees, or that, in the case of the State of New Jersey, is a high misdemeanor; or

(2) Violating a condition of probation or parole imposed under Federal or State law.

§ 5.860 When am I specifically authorized to evict alcohol abusers?

The lease must provide that you may terminate the tenancy if you determine that a household member's abuse or pattern of abuse of alcohol threatens the health, safety, or right to peaceful enjoyment of the premises by other residents.

§ 5.861 What evidence of criminal activity must I have to evict?

You may terminate tenancy and evict the tenant through judicial action for criminal activity by a covered person in accordance with this subpart if you determine that the covered person has engaged in the criminal activity, regardless of whether the covered person has been arrested or convicted for such activity and without satisfying a criminal conviction standard of proof of the activity.

Subpart J—Access to Criminal Records and Information

SOURCE: 66 FR 28794, May 24, 2001, unless otherwise noted.

§ 5.901 To what criminal records and searches does this subpart apply?

(a) *General criminal records searches.* This subpart applies to criminal conviction background checks by PHAs that administer the Section 8 and public housing programs when they obtain criminal conviction records, under the authority of section 6(q) of the 1937 Act (42 U.S.C. 1437d(q)), from a law enforcement agency to prevent admission of

§ 5.902

criminals to public housing and Section 8 housing and to assist in lease enforcement and eviction.

(b) *Sex offender registration records searches.* This subpart applies to PHAs that administer the Section 8 and public housing programs when they obtain sex offender registration information from State and local agencies, under the authority of 42 U.S.C. 13663, to prevent admission of dangerous sex offenders to federally assisted housing.

(c) *Excluded records searches.* The provisions of this subpart do not apply to criminal conviction information or sex offender information searches by a PHA or others of information from law enforcement agencies or other sources other than as provided under this subpart.

§ 5.902 Definitions.

(a) *Terms found elsewhere.* The following terms used in this subpart are defined in subpart A of this part: *1937 Act, drug, federally assisted housing, household, HUD, public housing, public housing agency (PHA), Section 8.*

(b) *Additional terms* used in this subpart are as follows:

Adult. A person who is 18 years of age or older, or who has been convicted of a crime as an adult under any Federal, State, or tribal law.

Covered housing. Public housing, project-based assistance under section 8 (including new construction and substantial rehabilitation projects), and tenant-based assistance under section 8.

24 CFR Subtitle A (4–1–07 Edition)

other Section 8 programs, responsible entity means the Section 8 owner.

§ 5.903 What special authority is there to obtain access to criminal records?

(a) *Authority.* If you are a PHA that administers the Section 8 program and/or the public housing program, this section authorizes you to obtain criminal conviction records from a law enforcement agency, as defined in § 5.902. You may use the criminal conviction records that you obtain from a law enforcement agency under the authority of this section to screen applicants for admission to covered housing programs and for lease enforcement or eviction of families residing in public housing or receiving Section 8 project-based assistance.

(b) *Consent for release of criminal conviction records.* (1) In order to obtain access to records under this section, as a responsible entity you must require every applicant family to submit a consent form signed by each adult household member.

(2) By execution of the consent form, an adult household member consents that:

(i) Any law enforcement agency may release criminal conviction records concerning the household member to a PHA in accordance with this section;

(ii) The PHA may receive the criminal conviction records from a law enforcement agency, and may use the records in accordance with this section.

(c) *Procedure for PHA.* (1) When the law enforcement agency receives your request, the law enforcement agency must promptly release to you a certified copy of any criminal conviction records concerning the household member in the possession or control of the law enforcement agency. NCIC records must be provided in accordance with NCIC procedures.

(2) The law enforcement agency may charge you a reasonable fee for releasing criminal conviction records.

(d) *Owner access to criminal records—*

(1) *General.* (i) If an owner submits a request to the PHA for criminal records

concerning an adult member of an applicant or resident household, in accordance with the provisions of paragraph (d) of this section, the PHA must request the criminal conviction records from the appropriate law enforcement agency or agencies, as determined by the PHA.

(ii) If the PHA receives criminal conviction records requested by an owner, the PHA must determine whether criminal action by a household member, as shown by such criminal conviction records, may be a basis for applicant screening, lease enforcement or eviction, as applicable in accordance with HUD regulations and the owner criteria.

(iii) The PHA must notify the owner whether the PHA has received criminal conviction records concerning the household member, and of its determination whether such criminal conviction records may be a basis for applicant screening, lease enforcement or eviction. However, except as provided in paragraph (e)(2)(ii) of this section, the PHA must not disclose the household member's criminal conviction record or the content of that record to the owner.

(2) *Screening.* If you are an owner of covered housing, you may request that the PHA in the jurisdiction of the property obtain criminal conviction records of an adult household member from a law enforcement agency on your behalf for the purpose of screening applicants.

(i) Your request must include a copy of the consent form, signed by the household member.

(ii) Your request must include your standards for prohibiting admission of drug criminals in accordance with § 5.854, and for prohibiting admission of other criminals in accordance with § 5.855.

(3) *Eviction or lease enforcement.* If you are an owner of a unit with Section 8 project-based assistance, you may request that the PHA in the location of the project obtain criminal conviction records of a household member from an appropriate law enforcement agency on your behalf in connection with lease enforcement or eviction.

(i) Your request must include a copy of the consent form, signed by the household member.

(ii) If you intend to use the PHA determination regarding any such criminal conviction records in connection with eviction, your request must include your standards for evicting drug criminals in accordance with § 5.857, and for evicting other criminals in accordance with § 5.858.

(iii) If you intend to use the PHA determination regarding any such criminal conviction records for lease enforcement other than eviction, your request must include your standards for lease enforcement because of criminal activity by members of a household.

(4) *Fees.* If an owner requests a PHA to obtain criminal conviction records in accordance with this section, the PHA may charge the owner reasonable fees for making the request on behalf of the owner and for taking other actions for the owner. The PHA may require the owner to reimburse costs incurred by the PHA, including reimbursement of any fees charged to the PHA by the law enforcement agency, the PHA's own related staff and administrative costs. The owner may not pass along to the applicant or tenant the costs of a criminal records check.

(e) *Permitted use and disclosure of criminal conviction records received by PHA—(1) Use of records.* Criminal conviction records received by a PHA from a law enforcement agency in accordance with this section may only be used for the following purposes:

(i) *Applicant screening.* (A) PHA screening of applicants for admission to public housing (part 960 of this title);

(B) PHA screening of applicants for admission to the Housing Choice Voucher Program (section 8 tenant-based assistance) (part 982 of this title);

(C) PHA screening of applicants for admission to the Section 8 moderate rehabilitation program (part 882 of this title); or the Section 8 project-based certificate or project-based voucher program (part 983 of this title); or

(D) PHA screening concerning criminal conviction of applicants for admission to Section 8 project-based assistance, at the request of the owner. (For requirements governing use of criminal conviction records obtained by a PHA at the request of a Section 8 owner

§ 5.903

24 CFR Subtitle A (4-1-07 Edition)

under this section, see paragraph (d) of this section.)

(ii) *Lease enforcement and eviction.* (A) PHA enforcement of public housing leases and PHA eviction of public housing residents;

(B) Enforcement of leases by a Section 8 project owner and eviction of residents by a Section 8 project owner. (However, criminal conviction records received by a PHA from a law enforcement agency under this section may not be used for lease enforcement or eviction of residents receiving Section 8 tenant-based assistance.)

(2) *PHA disclosure of records.* (i) A PHA may disclose the criminal conviction records which the PHA receives from a law enforcement agency only as follows:

(A) To officers or employees of the PHA, or to authorized representatives of the PHA who have a job-related need to have access to the information. For example, if the PHA is seeking to evict a public housing tenant on the basis of criminal activity as shown in criminal conviction records provided by a law enforcement agency, the records may be disclosed to PHA employees performing functions related to the eviction, or to a PHA hearing officer conducting an administrative grievance hearing concerning the proposed eviction.

(B) To the owner for use in connection with judicial eviction proceedings by the owner to the extent necessary in connection with a judicial eviction proceeding. For example, criminal conviction records may be included in pleadings or other papers filed in an eviction action, may be disclosed to parties to the action or the court, and may be filed in court or offered as evidence.

(ii) This disclosure may be made only if the following conditions are satisfied:

(A) If the PHA has determined that criminal activity by the household member as shown by such records received from a law enforcement agency may be a basis for eviction from a Section 8 unit; and

(B) If the owner certifies in writing that it will use the criminal conviction records only for the purpose and only to the extent necessary to seek eviction in a judicial proceeding of a Sec-

tion 8 tenant based on the criminal activity by the household member that is described in the criminal conviction records.

(iii) The PHA may rely on an owner's certification that the criminal record is necessary to proceed with a judicial eviction to evict the tenant based on criminal activity of the identified household member, as shown in the criminal conviction record.

(iv) Upon disclosure as necessary in connection with judicial eviction proceedings, the PHA is not responsible for controlling access to or knowledge of such records after such disclosure.

(f) *Opportunity to dispute.* If a PHA obtains criminal record information from a State or local agency under this section showing that a household member has been convicted of a crime relevant to applicant screening, lease enforcement or eviction, the PHA must notify the household of the proposed action to be based on the information and must provide the subject of the record and the applicant or tenant a copy of such information, and an opportunity to dispute the accuracy and relevance of the information. This opportunity must be provided before a denial of admission, eviction or lease enforcement action on the basis of such information.

(g) *Records management.* Consistent with the limitations on disclosure of records in paragraph (e) of this section, the PHA must establish and implement a system of records management that ensures that any criminal record received by the PHA from a law enforcement agency is:

(1) Maintained confidentially;

(2) Not misused or improperly disseminated; and

(3) Destroyed, once the purpose(s) for which the record was requested has been accomplished, including expiration of the period for filing a challenge to the PHA action without institution of a challenge or final disposition of any such litigation.

(h) *Penalties for improper release of information—*(1) *Criminal penalty.* Conviction for a misdemeanor and imposition of a penalty of not more than \$5,000 is the potential for:

(i) Any person, including an officer, employee, or authorized representative

of any PHA or of any project owner, who knowingly and willfully requests or obtains any information concerning an applicant for, or tenant of, covered housing assistance under the authority of this section under false pretenses; or

(ii) Any person, including an officer, employee, or authorized representative of any PHA or a project owner, who knowingly and willfully discloses any such information in any manner to any individual not entitled under any law to receive the information.

(2) *Civil liability.* (i) A PHA may be held liable to any applicant for, or tenant of, covered housing assistance affected by either of the following:

(A) A negligent or knowing disclosure of criminal records information obtained under the authority of this section about such person by an officer, employee, or authorized representative of the PHA if the disclosure is not authorized by this section; or

(B) Any other negligent or knowing action that is inconsistent with this section.

(ii) An applicant for, or tenant of, covered housing assistance may seek relief against a PHA in these circumstances by bringing a civil action for damages and such other relief as may be appropriate against the PHA responsible for such unauthorized action. The United States district court in which the affected applicant or tenant resides, in which the unauthorized action occurred, or in which the officer, employee, or representative alleged to be responsible resides, has jurisdiction. Appropriate relief may include reasonable attorney's fees and other litigation costs.

§ 5.905 What special authority is there to obtain access to sex offender registration information?

(a) *PHA obligation to obtain sex offender registration information.* (1) A PHA that administers a Section 8 or public housing program under an Annual Contributions Contract with HUD must carry out background checks necessary to determine whether a member of a household applying for admission to any federally assisted housing program is subject to a lifetime sex offender registration requirement under a State sex offender registration pro-

gram. This check must be carried out with respect to the State in which the housing is located and with respect to States where members of the applicant household are known to have resided.

(2) If the PHA requests such information from any State or local agency responsible for the collection or maintenance of such information, the State or local agency must promptly provide the PHA such information in its possession or control.

(3) The State or local agency may charge a reasonable fee for providing the information.

(b) *Owner's request for sex offender registration information—*(1) *General.* An owner of federally assisted housing that is located in the jurisdiction of a PHA that administers a Section 8 or public housing program under an Annual Contributions Contract with HUD may request that the PHA obtain information necessary to determine whether a household member is subject to a lifetime registration requirement under a State sex offender registration requirement.

(2) *Procedure.* If the request is made in accordance with the provisions of paragraph (b) of this section:

(i) The PHA must request the information from a State or local agency;

(ii) The State or local agency must promptly provide the PHA such information in its possession or control;

(iii) The PHA must determine whether such information may be a basis for applicant screening, lease enforcement or eviction, based on the criteria used by the owner as specified in the owner's request, and inform the owner of the determination.

(iv) The PHA must notify the owner of its determination whether sex offender registration information received by the PHA under this section concerning a household member may be a basis for applicant screening, lease enforcement or eviction in accordance with HUD requirements and the criteria used by the owner.

(3) *Contents of request.* As the owner, your request must specify whether you are asking the PHA to obtain the sex

§ 5.1001

offender registration information concerning the household member for applicant screening, for lease enforcement, or for eviction and include the following information:

(i) Addresses or other information about where members of the household are known to have lived.

(ii) If you intend to use the PHA determination regarding any such sex offender registration information for applicant screening, your request must include your standards in accordance with § 5.855(c) for prohibiting admission of persons subject to a lifetime sex offender registration requirement.

(iii) If you intend to use the PHA determination regarding any such sex offender registration information for eviction, your request must include your standards for evicting persons subject to a lifetime registration requirement in accordance with § 5.858.

(iv) If you intend to use the PHA determination regarding any such sex offender registration information for lease enforcement other than eviction, your request must include your standards for lease enforcement because of criminal activity by members of a household.

(4) *PHA disclosure of records.* The PHA must not disclose to the owner any sex offender registration information obtained by the PHA under this section.

(5) *Fees.* If an owner asks a PHA to obtain sex offender registration information concerning a household member in accordance with this section, the PHA may charge the owner reasonable fees for making the request on behalf of the owner and for taking other actions for the owner. The PHA may require the owner to reimburse costs incurred by the PHA, including reimbursement of any fees charged to the PHA by a State or local agency for releasing the information, the PHA's own related staff and administrative costs. The owner may not pass along to the applicant or tenant the costs of a sex offender registration records check.

(c) *Records management.* (1) The PHA must establish and implement a system of records management that ensures that any sex offender registration information record received by the PHA from a State or local agency under this section is:

24 CFR Subtitle A (4–1–07 Edition)

(i) Maintained confidentially;

(ii) Not misused or improperly disseminated; and

(iii) Destroyed, once the purpose for which the record was requested has been accomplished, including expiration of the period for filing a challenge to the PHA action without institution of a challenge or final disposition of any such litigation.

(2) The records management requirements do not apply to information that is public information, or is obtained by a PHA other than under this section.

(d) *Opportunity to dispute.* If a PHA obtains sex offender registration information from a State or local agency under paragraph (a) of this section showing that a household member is subject to a lifetime sex offender registration requirement, the PHA must notify the household of the proposed action to be based on the information and must provide the subject of the record, and the applicant or tenant, with a copy of such information, and an opportunity to dispute the accuracy and relevance of the information. This opportunity must be provided before a denial of admission, eviction or lease enforcement action on the basis of such information.

Subpart A—General Provisions

§ 6.1 Purpose.

The purpose of this part is to implement the provisions of section 109 of

§ 6.2

title I of the Housing and Community Development Act of 1974 (Title I) (42 U.S.C. 5309). Section 109 provides that no person in the United States shall, on the ground of race, color, national origin, religion, or sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity funded in whole or in part with Federal financial assistance. Section 109 does not directly prohibit discrimination on the bases of age or disability, and the regulations in this part 6 do not apply to age or disability discrimination in Title I programs. Instead, section 109 directs that the prohibitions against discrimination on the basis of age under the Age Discrimination Act of 1975 (42 U.S.C. 6101-6107) (Age Discrimination Act) and the prohibitions against discrimination on the basis of disability under section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794) (Section 504) apply to programs or activities funded in whole or in part with Federal financial assistance. Thus, the regulations of 24 CFR part 8, which implement Section 504 for HUD programs, and the regulations of 24 CFR part 146, which implement the Age Discrimination Act for HUD programs, apply to disability and age discrimination in Title I programs.

§ 6.2 Applicability.

(a) This part applies to any program or activity funded in whole or in part with funds under title I of the Housing and Community Development Act of 1974, including Community Development Block Grants—Entitlement, State and HUD-Administered Small Cities, and Section 108 Loan Guarantees; Urban Development Action Grants; Economic Development Initiative Grants; and Special Purpose Grants.

(b) The provisions of this part and sections 104(b)(2) and 109 of Title I that relate to discrimination on the basis of race shall not apply to the provision of Federal financial assistance by grantees under this title to the Hawaiian Homelands (42 U.S.C. 5309).

(c) The provisions of this part and sections 104(b)(2) and 109 of Title I that relate to discrimination on the basis of race and national origin shall not

24 CFR Subtitle A (4-1-07 Edition)

apply to the provision of Federal financial assistance to grant recipients under the Native American Housing Assistance and Self-Determination Act (25 U.S.C. 4101). See also, 24 CFR 1003.601(a).

(v) Treat an individual differently from others in determining whether the individual satisfies any admission, enrollment, eligibility, membership, or other requirements or conditions that the individual must meet in order to be

§6.5

provided any facilities, services, or other benefit provided under the program or activity;

(vii) Aid or otherwise perpetuate discrimination against an individual by providing Federal financial assistance to an agency, organization, or person that discriminates in providing any housing, aid, benefit, or service;

(viii) Otherwise limit an individual in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by other individuals receiving the housing, aid, benefit, or service;

(ix) Use criteria or methods of administration that have the effect of subjecting persons to discrimination or have the effect of defeating or substantially impairing accomplishment of the objectives of the program or activity with respect to persons of a particular race, color, national origin, religion, or sex; or

(x) Deny a person the opportunity to participate as a member of planning or advisory boards.

(2) In determining the site or location of housing, accommodations, or facilities, a Recipient may not make selections that have the effect of excluding persons from, denying them the benefits of, or subjecting them to discrimination on the ground of race, color, national origin, religion, or sex. The Recipient may not make selections that have the purpose or effect of defeating or substantially impairing the accomplishment of the objectives of section 109 and of this part 6.

(3)(i) In administering a program or activity in which the Recipient has discriminated on the grounds of race, color, national origin, religion or sex, the Recipient must take any necessary steps to overcome the effects of prior discrimination.

(ii) In the absence of discrimination, a Recipient, in administering a program or activity, may take any steps necessary to overcome the effects of conditions that resulted in limiting participation by persons of a particular race, color, national origin, religion, or sex.

(iii) After a finding of noncompliance, or after a Recipient has reason-

24 CFR Subtitle A (4-1-07 Edition)

able cause to believe that discrimination has occurred, a Recipient shall not be prohibited by this section from taking any action eligible under subpart C of 24 CFR part 570 to ameliorate an imbalance in benefits, services or facilities provided to any geographic area or specific group of persons within its jurisdiction, where the purpose of such action is to remedy discriminatory practices or usage.

(iv)(A) Notwithstanding anything to the contrary in this part, nothing contained in this section shall be construed to prohibit any Recipient from maintaining or constructing separate living facilities or restroom facilities for the different sexes in order to protect personal privacy or modesty concerns. Furthermore, selectivity on the basis of sex is not prohibited when institutional or custodial services can, in the interest of personal privacy or modesty, only be performed by a member of the same sex as those receiving the services.

(B) Section 109 of the Act does not directly prohibit discrimination on the basis of age or disability, but directs that the prohibitions against discrimination on the basis of age under the Age Discrimination Act and the prohibitions against discrimination on the basis of disability under Section 504 apply to Title I programs and activities. Accordingly, for programs or activities receiving Federal financial assistance, the regulations in this part 6 apply to discrimination on the bases of race, color, national origin, religion, or sex; the regulations at 24 CFR part 8 apply to discrimination on the basis of disability; and the regulations at 24 CFR part 146 apply to discrimination on the basis of age.

(b) [Reserved]

§6.5 Discrimination prohibited—employment.

(Approved by the Office of Management and Budget under control numbers 2506-0117 and 2506-0077)

Subpart B—Enforcement

§ 6.10 Compliance information.

(a) *Cooperation and assistance.* The Responsible Official and the Award Official will provide assistance and guidance to Recipients to help them comply voluntarily with this part.

(b) *Access to data and other sources of information.* Each Recipient shall permit access by authorized representatives of HUD to its facilities, books, records, accounts, minutes and audio tapes of meetings, personnel, computer disks and tapes, and other sources of information as may be pertinent to a determination of whether the Recipient is complying with this part. Where information required of a Recipient is in the exclusive possession of any other agency, institution, or person, and that agency, institution, or person fails or refuses to furnish this information, the

Recipient shall so certify in any requested report and shall set forth what efforts it has made to obtain the information. Failure or refusal to furnish pertinent information (whether maintained by the Recipient or some other agency, institution, or person) without a credible reason for the failure or refusal will be considered to be non-compliance under this part.

(c) *Compliance data.* Each Recipient shall keep records and submit to the Responsible Official, timely, complete, and accurate data at such times and in such form as the Responsible Official may determine to be necessary to ascertain whether the Recipient has complied or is complying with this part.

(d) *Notification to employees, beneficiaries, and participants.* Each Recipient shall make available to employees, participants, beneficiaries, and other interested persons information regarding the provisions of this part and its applicability to the program or activity under which the Recipient receives Federal financial assistance and make such information available to them in such manner as the Responsible Official finds necessary to apprise such persons of the protections against discrimination assured them by Section 109 and this part.

§ 6.11 Conduct of investigations.

(a) *Filing a complaint—(1) Who may file.* Any person who believes that he or she has been subjected to discrimination prohibited by this part may file, or may have an authorized representative file on his or her behalf, a complaint with the Responsible Official. Any person who believes that any specific class of persons has been subjected to discrimination prohibited by this part and who is a member of that class or who is the authorized representative of a member of that class may file a complaint with the Responsible Official.

(2) *Confidentiality.* Generally, the Responsible Official shall hold in confidence the identity of any person submitting a complaint, unless the person submits written authorization otherwise. However, an exception to maintaining confidentiality of the identity of the person may be required to carry out the purposes of this part, including

§ 6.11

24 CFR Subtitle A (4-1-07 Edition)

the conduct of any investigation, hearing, or proceeding under this part.

(3) *When to file.* Complaints shall be filed within 180 days of the alleged act of discrimination, unless the Responsible Official waives this time limit for good cause. For purposes of determining when a complaint is filed under this part, a complaint mailed to the Responsible Official via the U.S. Postal Service will be deemed filed on the date it is postmarked. A complaint delivered to the Responsible Official in any other manner will be deemed filed on the date it is received by the Responsible Official.

(4) *Where to file complaints.* Complaints must be in writing, signed, addressed to the Responsible Official, and filed with (mailed to or otherwise delivered to) the Office of Fair Housing and Equal Opportunity at any HUD Office.

(5) *Content of complaints.* Each complaint should contain the complainant's name, address, and phone number; a description or name, if available, of the Recipient alleged to have violated this part; an address where the violation occurred; and a description of the Recipient's alleged discriminatory action in sufficient detail to inform the Responsible Official of the nature and date of the alleged violation of this part.

(6) *Amendments to complaints.* Amendments to complaints, such as clarification and amplification of allegations in a complaint or the addition of other Recipients, may be made by the complainant or the complainant's authorized representative at any time while the complaint is being considered, and any amendment shall be deemed to be made as of the original filing date.

(7) *Notification.* To the extent practicable, the Responsible Official will notify the complainant and the Recipient of the Responsible Official's receipt of a complaint within 10 calendar days of receipt of a complete complaint. If the Responsible Official receives a complaint that is not complete, the Responsible Official will notify the complainant and specify the additional information that is needed to make the complaint complete. If the complainant fails to complete the complaint, the Responsible Official will close the

complaint without prejudice and notify the complainant. When a complete complaint has been received, the Responsible Official, or his or her designee, will assess the complaint for acceptance, rejection, or referral to an appropriate Federal agency within 20 calendar days.

(8) *Resolution of complaints.* After the acceptance of a complete complaint, the Responsible Official will investigate the complaint, attempt informal resolution, and, if resolution is not achieved, the Responsible Official will notify the Recipient and complainant, to the extent practicable within 180 days of the receipt of the complete complaint, of the results of the investigation in a letter of findings sent by certified mail, return receipt requested, containing the following:

(i) Findings of fact and a finding of compliance or noncompliance;

(ii) A description of an appropriate remedy for each violation believed to exist; and

(iii) A notice of the right of the Recipient and the complainant to request a review of the letter of findings by the Responsible Official. A copy of the final investigative report will be made available upon request.

(b) *Compliance reviews—(1) Periodic compliance reviews.* The Responsible Official may periodically review the practices of Recipients to determine whether they are complying with this part and may conduct on-site reviews. The Responsible Official will initiate an on-site review by sending to the Recipient a letter advising the Recipient of the practices to be reviewed; the programs affected by the review; and the opportunity, at any time before a final determination, to submit information that explains, validates, or otherwise addresses the practices under review. In addition, the Award Official will include, in normal program compliance reviews and monitoring procedures, appropriate actions to review and monitor compliance with general or specific program requirements designed to implement the requirements of this part.

(2) *Time period of the review.* (i) For the Entitlement program, compliance reviews will cover the three years before the date of the review.

(ii) For the Urban Development Action Grant (UDAG) program, the compliance review is applicable only to UDAG loan repayments or other payments or revenues classified as program income. UDAG repayments or other payments or revenues classified as miscellaneous revenue are not subject to compliance review under this part. (See 24 CFR 570.500(a).) The compliance review will cover the time period that program income is being repaid.

(iii) For the State and HUD-Administered Small Cities programs, the compliance review will cover the four years before the date of the review.

(iv) For all other programs, the time period covered by the review will be four years before the date of the review.

(v) On a case-by-case basis, at the discretion of the Responsible Official, the above time frames for review can be expanded where facts or allegations warrant further investigation.

(3) *Early compliance resolution.* On the last day of the on-site visit, after the compliance review, the Recipient will be given an opportunity to supplement the record. Additionally, a prefinding conference may be held and a summary of the proposed findings may be presented to the Recipient. In those instances where the issue(s) cannot be resolved at a prefinding conference or with the supplemental information, a meeting will be scheduled to attempt a voluntary settlement.

(4) *Notification of findings.* (i) The Assistant Secretary will notify the Recipient of Federal financial assistance of the results of the compliance review in a letter of findings sent by certified mail, return receipt requested.

(ii) *Letter of findings.* The letter of findings will include the findings of fact and the conclusions of law; a description of a remedy for each violation found; and a notice that a copy of HUD's final report concerning its compliance review will be made available, upon request, to the Recipient.

(c) *Right to a review of the letter of findings.* (1) Within 30 days of receipt of the letter of findings, any party may request that a review be made of the letter of findings, by mailing or delivering to the Responsible Official, Room

5100, Office of Fair Housing and Equal Opportunity, HUD, Washington, DC 20410, a written statement of the reasons why the letter of findings should be modified.

(2) The Responsible Official will send by certified mail, return receipt requested, a copy of the request for review to all parties. Parties other than the party requesting review and HUD shall have 20 days from receipt to respond to the request for review.

(3) The Responsible Official will either sustain or modify the letter of findings or require that further investigation be conducted, within 60 days of the request for review. The Responsible Official's decision shall constitute the formal determination of compliance or noncompliance.

(4) If no party requests that the letter of findings be reviewed, the Responsible Official, within 14 calendar days of the expiration of the time period in paragraph (a)(9)(i) of this section, will send a formal written determination of compliance or noncompliance to all parties.

(d) *Voluntary compliance time limits.* The Recipient will have 10 calendar days from receipt of the letter of findings of noncompliance, or such other reasonable time as specified in the letter, within which to agree, in writing, to come into voluntary compliance or to contact the Responsible Official for settlement discussions. If the Recipient fails to meet this deadline, HUD will proceed in accordance with §§ 6.12 and 6.13.

(e) *Informal resolution/voluntary compliance—*(1) *General.* It is the policy of HUD to encourage the informal resolution of matters. A complaint or a compliance review may be resolved by informal means at any time. If a letter of findings is issued, and the letter makes a finding of noncompliance, the Responsible Official will attempt to resolve the matter through a voluntary compliance agreement.

(2) *Objectives of informal resolution/voluntary compliance.* In attempting informal resolution, the Responsible Official will attempt to achieve a just resolution of the matter and to obtain assurances, where appropriate, that the Recipient will satisfactorily remedy any violations of the rights of any

§ 6.12

complainant, and will take such action as will assure the elimination of any violation of this part or the prevention of the occurrence of such violation in the future. If a finding of noncompliance has been made, the terms of such an informal resolution shall be reduced to a written voluntary compliance agreement, signed by the Recipient and the Responsible Official, and be made part of the file. Such voluntary compliance agreements shall seek to protect the interests of the complainant (if any), other persons similarly situated, and the public.

(3) *Right to file a private civil action.* At any time in the process, the complainant has the right to file a private civil action. If the complainant does so, the Responsible Official has the discretion to administratively close the investigation or continue the investigation, if he or she decides that it is in the best interests of the Department to do so. If the Responsible Official makes a finding of noncompliance and an agreement to voluntarily comply is not obtained from the Recipient, the procedures at §§ 6.12 and 6.13 for effecting compliance shall be followed.

(f) *Intimidatory or retaliatory acts prohibited.* No Recipient or other person shall intimidate, threaten, coerce, or discriminate against any person for the purpose of interfering with any right or privilege secured by this part, or because he or she has made a complaint, testified, assisted, or participated in any manner in an investigation, compliance review, proceeding, or hearing under this part.

§ 6.12 Procedure for effecting compliance.

(a) Whenever the Assistant Secretary determines that a Recipient of Federal financial assistance has failed to comply with Section 109(a) or this part and voluntary compliance efforts have failed, the Secretary will notify the Governor of the State or the Chief Executive Officer of the unit of general local government of the findings of noncompliance and will request that the Governor or the Chief Executive Officer secure compliance. If within a reasonable period of time, not to exceed 60 days, the Governor or the Chief

24 CFR Subtitle A (4-1-07 Edition)

Executive Officer fails or refuses to secure compliance, the Secretary will:

(1) Refer the matter to the Attorney General with a recommendation that an appropriate civil action be instituted;

(2) Exercise the powers and functions provided by Title VI;

(3) Terminate or reduce payments under Title I, or limit the availability of payments under Title I to programs or activities not affected by the failure to comply; or

(4) Take such other actions as may be provided by law, including but not limited to, the initiation of proceedings under 24 CFR part 24 or any applicable proceeding under State or local law.

(b) *Termination, reduction, or limitation of the availability of Title I payments.* No order terminating, reducing, or limiting the availability of Title I payments under this part shall become effective until:

(1) The Secretary has notified the Governor of the State or the Chief Executive Officer of the unit of general local government of the Recipient's failure to comply in accordance with paragraph (a) of this section and of the termination, reduction or limitation of the availability of Title I payments to be taken;

(2) The Secretary has determined that compliance cannot be secured by voluntary means;

(3) The Recipient has been extended an opportunity for a hearing in accordance with § 6.13(a); and

(4) A final agency notice or decision has been rendered in accordance with paragraph (c) of this section or 24 CFR part 180.

(c) If a Recipient does not respond to the notice of opportunity for a hearing or does not elect to proceed with a hearing within 20 days of the issuance of the Secretary's actions listed in paragraphs (b)(1), (2) and (3) of this section, then the Secretary's approval of the termination, reduction or limitation of the availability of Title I payments is considered a final agency notice and the Recipient may seek judicial review in accordance with section 111(c) of the Act.

Office of the Secretary, HUD

§ 7.1

§ 6.13 Hearings and appeals.

(a) When a Recipient requests an opportunity for a hearing, in accordance with § 6.12(b)(3), the General Counsel will follow the notification procedures set forth in 24 CFR 180.415. The hearing, and any petition for review, will be conducted in accordance with the procedures set forth in 24 CFR part 180.

(b) After a hearing is held and a final agency decision is rendered under 24 CFR part 180, the Recipient may seek judicial review in accordance with section 111(c) of the Act.

Procedures for filing EEO claims are found in the EEOC regulations at 29 CFR part 1614. HUD is committed to promoting equal employment opportunity through the removal of barriers and by positive actions at every level, including the early resolution of EEO disputes.

Diversity Program Manager means the designee appointed by the Assistant Secretary (EEO Officer) or the Assistant Secretary’s comparable who assists the EEO Officer in promoting appreciation of the contributions of women, minorities, and persons with disabilities, and in promoting the value of all Department employees.

Office of the Secretary, HUD

§ 7.5

decision or order of an EEOC Administrative Judge, or both.

Neutral means an individual who mediates or otherwise functions to specifically aid the parties in resolving the issues, and has no official, financial, or personal conflict of interest with respect to the issues being disputed, unless such interest is fully disclosed in writing to all parties and all parties agree that the neutral may serve.

Record means all documents related to the EEO complaint as outlined in EEOC Management Directive 110.

[66 FR 20564, Apr. 23, 2001, as amended at 69 FR 62173, Oct. 22, 2004]

§ 7.3 Designations.

(a) *Director of Equal Employment Opportunity.* The Director of the Office of Departmental Equal Employment Opportunity (ODEEO) is designated as the Director of EEO, except for complaints naming the Director or Deputy Director of Departmental EEO, or both, as the responsible management official(s) in complaints arising in the ODEEO which present a conflict-of-interest. In such cases, the Director of EEO may:

(1) Transfer the case to the Chief of Staff for processing; or

(2) On behalf of the Department, enter into an agreement with one or more federal agencies for processing of the Department's conflict-of-interest cases by the designated federal official chosen to serve as the EEO Officer Pro Tem.

(b) *Deputy Director of Equal Employment Opportunity.* The Deputy Director of the ODEEO is designated as the Deputy Director of EEO and acts in the absence of the Director of EEO.

(c) *Equal Employment Opportunity Officer.* The Director of EEO shall des-

ignate the Assistant Secretary or the Assistant Secretary's comparable as EEO Officer for the Department's respective organizational units for complaints arising in the respective Assistant Secretary's or Assistant Secretary's comparable organizational unit.

(d) *Equal Employment Opportunity Discrimination Complaint Manager (DCM).* Each Assistant Secretary (EEO Officer) shall designate a DCM to represent the organizational unit in EEO matters and assist the EEO Officer in carrying out EEO responsibilities. The DCM shall be the Administrative Officer (AO) for the organizational unit or another designee of the EEO Officer.

§ 7.4 Equal employment opportunity programs.

The Secretary, each Assistant Secretary, the General Counsel, the Inspector General, the President of the Government National Mortgage Association, the Chief Financial Officer, the Director of Healthy Homes and Lead Hazard Control, the Director of the Office of Departmental Operations and Coordination, and other HUD officials who may be determined by the Secretary for purposes of this part to be comparable to an Assistant Secretary, shall establish, maintain, and carry out a plan of equal employment opportunity to promote equal opportunity in every aspect of employment policy and practice. Each plan must be consistent with 29 CFR part 1614 and EEOC Management Directive 715. A copy of the EEOC Management Directive 715 is available at <http://www.eeoc.gov>.

[69 FR 62173, Oct. 22, 2004]

§ 7.5 EEO Alternative Dispute Resolution Program.

In accordance with the Secretary's Policy Statement regarding Alternative Dispute Resolution (ADR) located on the Department's website and 29 CFR 1614.102(b)(2), the Department shall establish and maintain an ADR program that addresses, at a minimum, EEO matters at the pre-complaint and formal complaint stages of the EEO process. ADR is a non-adversarial process that does not render a judgment with respect to the dispute. With the assistance of an impartial and neutral

§ 7.5

24 CFR Subtitle A (4-1-07 Edition)

third party, ADR offers parties involved the opportunity to reach early and informal resolution of EEO matters in a mutually satisfactory fashion.

(a) *Program availability.* In appropriate cases, the EEO ADR Program is made available to an aggrieved person or Complainant during the pre-complaint and the formal complaint processing periods. Participation in the program by the parties is knowing and voluntary. Agency managers have a duty to cooperate in an ADR proceeding once the agency has determined that a matter is appropriate for ADR and the aggrieved person/complainant has elected to participate in ADR. At the formal stage, the complainant may request participation in the ADR Program. However, a determination of the appropriateness of ADR at the time of the request will be made on a case-by-case basis by the appropriate ODEEO official designated by the Director of EEO and does not affect the processing of the formal complaint, including the investigation.

(b) *EEO ADR program procedures.* The ODEEO shall establish and maintain all EEO ADR Program procedures which include appropriate consultations.

(c) *ADR training.* Training and education on the EEO ADR Program will be provided to all Department employees, managers and supervisors, and other persons protected under the applicable laws.

(d) *Pre-complaint ADR election process.* The appropriateness of a particular EEO matter or EEO complaint for the Department's ADR Program shall be determined on a case-by-case basis by the ODEEO official designated by the Director of EEO. The EEO Counselor shall advise the aggrieved person that the aggrieved person may choose between participation in the EEO ADR Program or the EEO traditional counseling activities provided for at 29 CFR 1614.105(c). The aggrieved person's election to proceed through ADR instead of EEO counseling is final.

(e) *ADR counseling requirements.* (1) The minimum information to be provided by the EEO Counselor about the Department's ADR Program includes the following:

(i) Definition of the term ADR;

(ii) An explanation of the stages in the EEO process at which ADR may be available;

(iii) A description of the ADR technique(s) used by the Department;

(iv) A description of how the program is consistent with the EEO ADR core principles that ensure fairness and require voluntariness, neutrality, confidentiality, and enforceability;

(v) An explanation of procedural and substantive alternatives; and

(vi) All time frames for the EEO administrative process including ADR.

(2) The EEO Counselor shall have no further involvement in resolving the EEO matter after the referral to the EEO ADR program.

(f) *Extension of pre-complaint processing period for ADR.* Where the aggrieved person chooses to participate in ADR, the pre-complaint processing period shall not exceed 90 days from the date of initial contact with the EEO Office.

(1) The aggrieved person shall be informed in writing by the EEO Counselor, no later than the thirtieth day after contacting the EEO Counselor, of the right to file a discrimination complaint, if the matter presented by the aggrieved person has not been resolved.

(2) Prior to the end of the 30-day period from the date of initial contact with the EEO Office, the aggrieved person may agree, in writing, with the Department to postpone the final interview and extend the pre-complaint period for an additional period of no more than 60 days if the matter is not resolved. If the matter has not been resolved before the conclusion of the agreed extension, the notice of right to file a discrimination complaint shall be issued no later than the 90th day of initial contact with the EEO Office. The notice shall inform the aggrieved person of the right to file a discrimination complaint within 15 days of receipt of the notice, of the appropriate official with whom to file a complaint and of the aggrieved person's duty to assure that the Department is informed immediately if the aggrieved person retains counsel or a representative and if the aggrieved person changes address.

(g) *EEO ADR Program's relationship to negotiated grievance, MSPB appeal and*

administrative grievance procedures. Participation in the EEO ADR program does not preclude the aggrieved person or Complainant from exercising rights under any of the Department's other complaint or appeal procedures, when no resolution is reached. When participation in ADR results in a settlement agreement and the aggrieved person or Complainant believes the Department has failed to comply with its terms, the aggrieved person or Complainant may exercise the right of appeal pursuant to 29 CFR 1614.504.

PRE-COMPLAINT PROCESSING

§ 7.25 Pre-complaint processing.

(a) An "aggrieved person" must request counseling in accordance with 29 CFR 1614.105(a). The aggrieved person must initiate contact with an EEO Counselor within 45 days of the date of

§ 7.26

the matter alleged to be discriminatory or, in the case of a personnel action, within 45 days of the effective date of the action. EEOC's regulation at 29 CFR 1614.105 shall govern the Department's pre-complaint processing.

(b) The Department or the EEOC shall extend the 45-day time limit in paragraph (a) of this section when the individual shows that the individual was not notified of the time limits and was not otherwise aware of them, that the individual did not know and reasonably should not have known that the discriminatory matter or personnel action occurred, that despite due diligence the individual was prevented by circumstances beyond the individual's control from contacting the EEO Counselor within the time limits, or for other reasons considered sufficient by the ODEEO or the EEOC.

(c) At the initial counseling session, EEO Counselors must advise individuals, in writing, of their rights and responsibilities, including:

(1) The right to request a hearing and decision from an Administrative Judge of the EEOC or an immediate final decision from the Department following an investigation in accordance with 29 CFR 1614.108(f);

(2) Election rights pursuant to 29 CFR 1614.301 and 29 CFR 1614.302;

(3) The right to file a notice of intent to sue pursuant to 29 CFR 1614.201(a) and a lawsuit under the ADEA instead of an administrative complaint of age discrimination under this subpart;

§ 7.26 EEO Alternative Dispute Resolution Program.

(a) The aggrieved person may elect to participate in the EEO ADR Program or the traditional EEO counseling procedures. When ADR is chosen, the EEO Counselor shall advise the aggrieved person that if the dispute is resolved during the ADR process, the terms of the agreement must be in writing and signed by both the aggrieved person

24 CFR Subtitle A (4-1-07 Edition)

and the appropriate Department representative. The Director of EEO may execute ADR settlement agreements that are initiated in the EEO process. The EEO Counselor shall advise the aggrieved person that if no resolution is reached under the EEO ADR Program, or if the matter has not been resolved 90 days from the initial contact with the EEO Office, the aggrieved person will receive a final interview and the notice of right to file a formal complaint shall be issued by the EEO Counselor. Nothing said or done during attempts to resolve the complaint through ADR may be included in any EEO complaint (should ADR be unsuccessful) nor can the ADR proceedings be disclosed.

(b) In appropriate cases (as determined by the Director of EEO on a case-by-case basis), ADR is available during the formal complaint process. Participation in ADR at the formal complaint stage does not affect the normal processing of the formal complaint, including the investigation. Should ADR be initiated at the formal complaint stage, the time period for processing the complaint may be extended by agreement for not more than 90 days. If ADR does not resolve the issue(s), the complaint must be processed within the extended time period agreed upon by the parties, but no later than the 90th day.

COMPLAINTS

§ 7.30 Presentation of complaint.

At any stage in the presentation of a complaint, including the counseling stage, the Complainant shall be free from restraint, interference, coercion, discrimination, or reprisal and shall have the right to be accompanied, represented, and advised by a representative of the Complainant's own choosing, except as limited by 29 CFR part 1614.

§ 7.31 Who may file a complaint, with whom filed, and time limits.

(a) *Who may file a complaint.* Any aggrieved person (referred to elsewhere in this part as the Complainant in the formal complaint stage) who has satisfied the requirements of § 7.25, may file a complaint, unless there is an executed

settlement agreement or amended complaint of like or similar issues. The complaint must be filed with the Director of EEO within 15 days of receipt of the notice of right to file a complaint issued by the EEO Counselor. The Department may accept a complaint only if the Complainant has met the appropriate requirements of 29 CFR part 1614.

(b) *Filing and computation of time.* (1) All time periods in this subpart stated in terms of days are calendar days unless otherwise stated.

(2) A document shall be deemed timely if the document is received or postmarked before the expiration of the applicable filing period, or, in the absence of a legible postmark, if the document is received by mail within five days of the expiration of the applicable filing period.

(3) The time limits in this part are subject to waiver, estoppel and equitable tolling.

(4) The first day counted shall be the day after the event from which the time period begins to run and the last day of the period shall be included, unless the last day falls on a Saturday, Sunday or Federal holiday, in which case the period shall be extended to include the next business day.

§ 7.32 Representation and official time.

(a) At any stage in the processing of an EEO complaint, including the counseling stage under 29 CFR 1614.105 and during participation in the EEO ADR Program, the Complainant shall have the right to be accompanied, represented, and advised by a representative of Complainant's choice, except as limited by 29 CFR part 1614.

(b) If the Complainant is an employee of the Department, the Complainant shall have a reasonable amount of official time, if otherwise on duty, to prepare the complaint and to respond to Department and EEOC requests for information if the Complainant is otherwise in active duty status. If the Complainant is an employee of the Department and the Complainant designates another employee of the Department as the Complainant's representative, the representative shall have a reasonable amount of official time, if otherwise on duty, to prepare the complaint and re-

spond to Department and EEOC requests for information.

(c) The Department is not obligated to change work schedules, incur overtime wages, or pay travel expenses to facilitate the choice of a specific representative or to allow the Complainant and representative to confer. The Complainant and the Complainant's representative, if employed by the Department and otherwise in a pay status, shall be on official time, regardless of their tour of duty, when their presence is authorized or required by the Department or the EEOC during the investigation, informal adjustment, or hearing on the complaint.

(d) In cases where the representation of a Complainant or the Department would conflict with the official or collateral duties of the representative, the EEOC or the Department may, after giving the representative an opportunity to respond, disqualify the representative.

(e) Unless the Complainant states otherwise in writing, after the Department has received written notice of the name, address and telephone number of a representative for the Complainant, all official correspondence shall be with the representative with copies to the Complainant. When the Complainant designates an attorney as representative, service of all official correspondence shall be made on the attorney and the Complainant, but time frames for receipt of materials shall be computed from the time of receipt by the attorney. The Complainant must serve all official correspondence on the designated representative of the Department and shall notify the Department of any changes of the representative and Complainant's address.

(f) The Complainant shall at all times be responsible for proceeding with the complaint and cooperating in the entire EEO complaint process, whether or not the Complainant has designated a representative.

(g) Witnesses who are Federal employees, regardless of their tour of duty and regardless of whether they are employed by the Department or some other Federal agency, shall be in a

§ 7.33

duty status when their presence is authorized or required by EEOC or Department officials in connection with an EEO complaint.

§ 7.33 Contents of the complaint.

(a) *Information to be included in complaint.* (1) The complaint filed should include the following information:

- (i) The specific claim or personnel matter which is alleged to be discriminatory;
- (ii) The date the act or matter occurred;
- (iii) The protected basis or bases on which the alleged discrimination occurred;
- (iv) Facts and other pertinent information to support the claim(s) of discrimination; and
- (v) The relief desired.

(2) To expedite the processing of complaints of discrimination, the Complainant may use the HUD EEO-1 Complaint Form to file the complaint.

(b) *Amendments.* (1) A Complainant may amend a complaint at any time prior to the conclusion of the investigation to include issues or claims like or related to those raised in the complaint. After requesting a hearing, a Complainant may file a motion with the EEOC Administrative Judge to amend a complaint to include issues or claims like or related to those raised in the complaint.

(2) The Department shall acknowledge receipt of a complaint or an amendment to a complaint in writing and inform the Complainant of the date on which the complaint or amendment was filed. The Department shall advise the Complainant in the acknowledgment of the EEOC office and its address where a request for a hearing shall be sent. Such acknowledgment shall also advise the Complainant that:

(i) The Complainant has the right to appeal the dismissal of or final action on a complaint; and

(ii) The Department is required to conduct an impartial and appropriate investigation of the complaint within 180 days of the filing of the complaint unless the parties agree in writing to extend the time period. When a complaint has been amended, the Department shall complete its investigation

24 CFR Subtitle A (4-1-07 Edition)

within the earlier of 180 days after the last amendment to the complaint or 360 days after the filing of the original complaint, except that the Complainant may request a hearing from an EEOC Administrative Judge on the consolidated complaints any time after 180 days from the date of the first filed complaint.

(c) *Joint processing and consolidation.* (1) Complaints of discrimination filed by two or more Complainants consisting of substantially similar allegations of discrimination or relating to the same matter may be consolidated by the Department or the EEOC for joint processing after appropriate notification to the parties.

(2) Two or more complaints of discrimination filed by the same Complainant shall be consolidated by the Department for joint processing after appropriate notification to the Complainant. When a complaint has been consolidated with one or more earlier filed complaints, the Department shall complete its investigation within the earlier of 180 days after the filing of the last complaint or 360 days after the filing of the original complaint, except that the Complainant may request a hearing from an EEOC Administrative Judge on the consolidated complaints any time after 180 days from the date of the first filed complaint.

(3) EEOC Administrative Judges or the EEOC may, in their discretion, consolidate two or more complaints of discrimination filed by the same Complainant.

(d) *Class complaints—(1) Definitions.* (i) A class is a group of employees, former employees or applicants for employment who, it is alleged, have been or are being adversely affected by the Department's personnel management policy or practice that discriminates against the group on the basis of their common race, color, religion, sex, national origin, age, disability, or in reprisal for participating in protected EEO activity or for opposing a practice made illegal under the EEO statutes.

(ii) A class complaint is a written complaint of discrimination filed on behalf of a class by the agent of the class that satisfies the requirements of 29 CFR 1614.204.

(2) *Pre-complaint processing.* A current or former employee or applicant who wishes to file a class complaint must be counseled in accordance with 29 CFR 1614.105. A Complainant may move for class certification at any reasonable point in the process when it becomes apparent that there are class implications to the claim raised in an individual complaint. If a Complainant moves for class certification after completing the counseling process in 29 CFR 1614.105, no additional counseling is required. Class certification shall be denied by the EEOC Administrative Judge, when the Complainant has unduly delayed in moving for certification.

(3) *Certification.* Class complaints are certified by an EEOC Administrative Judge in accordance with the provisions of 29 CFR 1614.204.

(e) *Mixed case complaints—(1) Definitions.* A mixed case complaint is a complaint of employment discrimination filed with a Federal agency based on race, color, religion, sex, national origin, age, disability, or in reprisal for participating in protected EEO activity or for opposing a policy or practice made illegal by the EEO statutes, related to or stemming from an action that can be appealed to the Merit Systems Protection Board (MSPB). The complaint may contain only a claim of employment discrimination or the complaint may contain additional claims that the MSPB has jurisdiction to address.

(2) *Election.* An aggrieved person may initially file a mixed case complaint with the Department pursuant to this section or an appeal on the same matter with the MSPB pursuant to 5 CFR 1201.151, but not both. The Department shall inform every employee who is the subject of an action that is appealable to the MSPB and who has either orally or in writing raised the issue of discrimination during the processing of the action of the right to file either a mixed case complaint with the Department or to file a mixed case appeal with the MSPB. If a person files a mixed case appeal with the MSPB instead of a mixed case complaint and the MSPB dismisses the appeal for jurisdictional reasons, the Department shall promptly notify the individual in

writing of the right to contact an EEO counselor within 45 days of receipt of this notice and to file an EEO complaint, subject to 29 CFR 1614.107.

(3) *Procedures for agency processing of mixed case complaints.* When a complainant elects to proceed initially under 29 CFR part 1614, subpart C, rather than with the MSPB, the procedures in 29 CFR part 1614, subpart A, shall govern the processing of the mixed case complaint with the following exceptions:

(i) At the time the Department advises a Complainant of the acceptance of a mixed case complaint, the Department shall also advise the Complainant that:

(A) If a final decision is not issued within 120 days of the date of filing of the mixed case complaint, the Complainant may appeal the matter to the MSPB at any time thereafter as specified at 5 CFR 1201.154(b)(2) or may file a civil action as specified at 29 CFR 1614.310(g), but not both; and

(B) If the Complainant is dissatisfied with the Department's final decision on the mixed case complaint, the Complainant may appeal the matter to MSPB (not EEOC) within 30 days of receipt of the Department's final decision;

(ii) Upon completion of the investigation, the notice provided the Complainant in accordance with 29 CFR 1614.108(f) will advise the Complainant that a final decision will be issued within 45 days without a hearing; and

(iii) At the time that the Department issues its final decision on a mixed case complaint, the Department shall advise the Complainant of the right to appeal the matter to the MSPB (not EEOC) within 30 days of receipt and of the right to file a civil action as provided at 29 CFR 1614.310(a).

(4) *Dismissal.* The Department may dismiss a mixed case complaint for the reasons provided in, and under the conditions prescribed in 29 CFR 1614.107. If MSPB's Administrative Judge finds that MSPB does not have jurisdiction over the matter, the Department shall resume processing of the complaint as a non-mixed case EEO complaint.

§ 7.34

§ 7.34 Acceptability.

(a) The Director of EEO shall determine whether a complaint comes within the purview of 29 CFR part 1614 and shall advise the Complainant and Complainant's representative, if applicable, in writing of the acceptance or dismissal of the claim(s) of the complaint. The Notice of Receipt is provided to the Complainant, Complainant's representative, if applicable, and to the organizational unit through the appropriate EEO Officer and DCM.

(b) Dismissals of complaints are governed by the notice requirements and procedures in 29 CFR 1614.106(e)(1) and 29 CFR 1614.107.

(c) Prior to a request for a hearing in a case, the Department shall dismiss an entire complaint for any of the reasons provided in 29 CFR 1614.107(a)(1) through (9), including a complaint that alleges dissatisfaction with the processing of a previously filed complaint; or where the Department, strictly applying the criteria in EEOC decisions, finds that the complaint is part of a clear pattern of misuse of the EEO process for a purpose other than the prevention and elimination of employment discrimination. A clear pattern of misuse of the EEO process requires:

(1) Evidence of multiple complaint filings; and

(2) Claims that are similar or identical, lack specificity or involve matters previously resolved; or

(3) Evidence of circumventing other administrative processes, retaliating against the Department's in-house administrative processes or overburdening the EEO complaint system.

(d) Where the Director of EEO believes that some, but not all, of the claims in a complaint should be dismissed for the reasons provided in this section and 29 CFR 1614.107(a)(1) through (9), the Department shall notify the Complainant in writing of its determination, the rationale for that determination and that those claims will not be investigated, and shall place a copy of the notice in the investigative file. A determination under 29 CFR 1614.107(b)(1) that some claims should be dismissed is reviewable by an EEOC Administrative Judge if a hearing is requested on the remainder of the complaint, but is not appealable

24 CFR Subtitle A (4-1-07 Edition)

until final action is taken on the remainder of the complaint.

§ 7.35 Processing.

(a) The Director of EEO will process complaints filed under 29 CFR part 1614 for the Department with the assistance of the EEO Officer, DCM, the EEO Counselor and the full cooperation of all other Department managers, supervisors and other employees.

(b) The Director of EEO shall, in accordance with 29 CFR part 1614, provide for the development of an impartial and appropriate factual record upon which to make findings on the claims raised by the written complaint. An appropriate factual record is one that allows a reasonable fact finder to draw conclusions as to whether discrimination occurred. The person assigned to develop the factual record may use an exchange of letters or memoranda, interrogatories, investigations, fact-finding conferences or any other fact-finding methods that efficiently and thoroughly address the matters at issue and is encouraged, in accordance with 29 CFR 1614.108(b), to incorporate ADR techniques into the investigative efforts in order to promote early resolution of complaints.

(c) The Director of EEO will provide the Complainant and Complainant's representative, if applicable, and the EEO Officer a copy of the record developed. Within 180 days from the filing of the complaint, or where a complaint was amended, within the earlier of 180 days after the last amendment to the complaint or 360 days after the filing of the original complaint, within the time period contained in an order from the Office of Federal Operations on an appeal from a dismissal, or within any period of extension provided for in 29 CFR 1614.108(f), the Department shall provide the Complainant with a copy of the investigative file, and shall notify the Complainant that, within 30 days of receipt of the investigative file, the Complainant has the right to request a hearing and decision from an EEOC Administrative Judge or may request an immediate final decision pursuant to 29 CFR 1614.110 from the Department.

§ 7.36 Hearing.

(a) *Notification of right to request a hearing.* The Director of EEO will notify the Complainant, the General Counsel, EEO Officer, DCM and Complainant's representative, where applicable, of the Complainant's right to request an administrative hearing and decision before the EEOC or the Department's final decision and the time frames for executing the right to request an administrative hearing. Note: Where a mixed case complaint is filed, the Complainant has no right to a hearing before an EEOC Administrative Judge unless the MSPB has dismissed the mixed case complaint or appeal for jurisdictional reasons. (See 29 CFR 1614.302(2)(b).)

(b) *Requesting a hearing.* Where the Complainant has received the notice required in § 7.35(c) and 29 CFR 1614.108(f) or at any time after 180 days have elapsed from the filing of the complaint, the Complainant may request a hearing by submitting a written request for a hearing directly to the EEOC office indicated in the Department's acknowledgment letter. The Complainant shall send a copy of the request for a hearing to the Department's EEO office. Within 15 days of receipt of a copy of complainant's request for a hearing, or the docketing notice from the EEOC, whichever is earlier, the Director of EEO shall provide a copy of the complaint file to EEOC and, if not previously provided, to the Complainant, Complainant's representative, if applicable, and the appropriate Office of General Counsel.

(c) *EEOC appointment of EEOC Administrative Judge.* When a Complainant requests a hearing, the EEOC shall appoint an EEOC Administrative Judge to conduct a hearing in accordance with this section. Upon appointment, the EEOC Administrative Judge shall assume full responsibility for the adjudication of the complaint, including overseeing the development of the record. Any hearing will be conducted by an EEOC Administrative Judge or hearing examiner with appropriate security clearances.

(d) *Dismissals.* EEOC Administrative Judges may dismiss complaints pursuant to 29 CFR 1614.107, on their own initiative, after notice to the parties, or

upon the Department's motion to dismiss a complaint.

(e) *Offer of resolution.* Any time after the filing of the written complaint but not later than the date an EEOC Administrative Judge is appointed to conduct a hearing, the Department may make an offer of resolution to a Complainant who is represented by an attorney.

(1) Any time after the parties have received notice that an EEOC Administrative Judge has been appointed to conduct a hearing, but not later than 30 days prior to the hearing, the Department may make an offer of resolution to the Complainant, whether represented by an attorney or not.

(2) The offer of resolution shall be in writing and shall include a notice explaining the possible consequences of failing to accept the offer. The Department's offer, to be effective, must include attorney's fees and costs and must specify any non-monetary relief.

(3) With regard to monetary relief, the Department may make a lump sum offer covering all forms of monetary liability, or the Department may itemize the amounts and types of monetary relief being offered.

(4) The Complainant shall have 30 days from receipt of the offer of resolution to accept the offer of resolution. If the Complainant fails to accept an offer of resolution and the relief awarded in the EEOC Administrative Judge's decision, the Department's final decision, or the EEOC decision on appeal is not more favorable than the offer, then, except where the interest of justice would not be served, the Complainant shall not receive payment from the Department of attorney's fees or costs incurred after the expiration of the 30-day acceptance period.

(5) An acceptance of an offer must be in writing and will be timely if postmarked or received within the 30-day period. Where a Complainant fails to accept an offer of resolution, the Department may make other offers of resolution and either party may seek to negotiate a settlement of the complaint at any time.

(f) *Orders to produce evidence and failure to comply.* (1) The Complainant, the Department, and any employee of the

§7.37

Department shall produce such documentary and testimonial evidence as the EEOC Administrative Judge deems necessary. The EEOC Administrative Judge shall serve all orders to produce evidence on both parties.

(2) When the Complainant, or the agency against which a complaint is filed, or its employees fail without good cause shown to respond fully and in timely fashion to an order of an EEOC Administrative Judge, or requests for the investigative file, for documents, records, comparative data, statistics, affidavits, or the attendance of witness(es), the EEOC Administrative Judge shall, in appropriate circumstances:

(i) Draw an adverse inference that the requested information, or the testimony of the requested witness, would have reflected unfavorably on the party refusing to provide the requested information;

(ii) Consider the matters to which the requested information or testimony pertains to be established in favor of the opposing party;

(iii) Exclude other evidence offered by the party failing to produce the requested information or witness;

(iv) Issue a decision fully or partially in favor of the opposing party; or

(v) Take such other actions as appropriate.

(g) *Discovery, conduct and record of hearing*—(1) *Discovery*. The EEOC Administrative Judge shall notify the parties of the right to seek discovery prior to the hearing and may issue such discovery orders as are appropriate. Unless the parties agree in writing concerning the methods and scope of discovery, the party seeking discovery shall request authorization from the EEOC Administrative Judge prior to commencing discovery. Both parties are entitled to reasonable development of evidence on matters relevant to the issues raised in the complaint, but the EEOC Administrative Judge may limit the quantity and timing of discovery. Evidence may be developed through interrogatories, depositions, and requests for admissions, stipulations or production of documents. Grounds for objection to producing evidence shall be that the information sought by either party is irrele-

vant, overburdensome, repetitious, or privileged.

(2) *Conduct of hearing*. The Department shall provide for the attendance at a hearing of all employees approved as witnesses by an EEOC Administrative Judge. Attendance at hearings will be limited to persons determined by the EEOC Administrative Judge to have direct knowledge relating to the complaint. Hearings are part of the investigative process and are thus closed to the public. The EEOC Administrative Judge shall have the power to regulate the conduct of a hearing, limit the number of witnesses where testimony would be repetitious, and exclude any person from the hearing for contumacious conduct or misbehavior that obstructs the hearing. The EEOC Administrative Judge shall receive into evidence information or documents relevant to the complaint. Rules of evidence shall not be applied strictly, but the EEOC Administrative Judge shall exclude irrelevant or repetitious evidence. The EEOC Administrative Judge or the Commission may refer to the Disciplinary Committee of the appropriate Bar Association any attorney or, upon reasonable notice and an opportunity to be heard, suspend or disqualify from representing Complainants or agencies in EEOC hearings any representative who refuses to follow the orders of an EEOC Administrative Judge, or who otherwise engages in improper conduct.

(3) *Record of hearing*. The hearing shall be recorded and the Department shall arrange and pay for verbatim transcripts. All documents submitted to, and accepted by, the EEOC Administrative Judge at the hearing shall be made part of the record of the hearing. If the Department submits a document that is accepted, the Department shall furnish a copy of the document to the Complainant. If the Complainant submits a document that is accepted, the EEOC Administrative Judge shall make the document available to the Department representative for reproduction.

§7.37 Final action.

(a) *Department final decision without a hearing*. The Director of EEO shall

make the final decision for the Department based on the record developed through the processing of the complaint. The Director of EEO may consult with the General Counsel, the Assistant Secretary of Administration, the Office of Human Resources, the EEO Officer, the DCM, the EEO Counselor, other managers and supervisors, all designees and comparables, and all other persons the Director of EEO deems necessary. The decision, where appropriate, shall include the remedial and corrective action necessary to ensure that the Department is in compliance with the EEO statutes and to promote the Department's policy of equal employment opportunity. When the Department dismisses an entire complaint under 29 CFR 1614.107, receives a request for an immediate final decision or does not receive a reply to the notice issued under 29 CFR 1614.108(f), the Department shall take final action by issuing a final decision. The final decision shall consist of findings by the Department on the merits of each issue in the complaint, or, as appropriate, the rationale for dismissing any claims in the complaint and, when discrimination is found, appropriate remedies and relief in accordance with 29 CFR part 1614, subpart E. The Department shall issue the final decision within 60 days of receiving notification that a Complainant has requested an immediate decision from the Department, or within 60 days of the end of the 30-day period for the Complainant to request a hearing or an immediate final decision where the Complainant has not requested either a hearing or a decision. The final action shall contain notice of the right to appeal the final action to the EEOC, the right to file a civil action in federal district court, the name of the proper defendant in any such lawsuit and the applicable time limits for appeals and lawsuits. A copy of the Notice of Appeal Petition (EEOC Form 573) shall be attached to the final action.

(b) *Department final order after decision by EEOC Administrative Judge.* When an EEOC Administrative Judge has issued a decision under 29 CFR 1614.109 (b), (g) or (i), the Department shall take final action on the complaint by issuing a final order within 40

days of receipt of the hearing file and the EEOC Administrative Judge's decision. The final order shall notify the Complainant whether or not the Department will fully implement the decision of the EEOC Administrative Judge and shall contain notice of the Complainant's right to appeal to the EEOC, the right to file a civil action in federal district court, the name of the proper defendant in any such lawsuit and the applicable time limits for appeals and lawsuits. If the final order does not fully implement the decision of the EEOC Administrative Judge, then the Department shall simultaneously file an appeal in accordance with 29 CFR 1614.403 and append a copy of the appeal to the final order. A copy of EEOC Form 573 shall be attached to the final order.

(c) *Decision and final order by EEOC Administrative Judge after hearing.* Unless the EEOC Administrative Judge makes a written determination that good cause exists for extending the time for issuing a decision, an EEOC Administrative Judge shall issue a decision on the complaint, and shall order appropriate remedies and relief where discrimination is found, within 180 days of receipt by the EEOC Administrative Judge of the complaint file from the Department. The EEOC Administrative Judge shall send copies of the hearing record, including the transcript, and the decision to the parties. If the Department does not issue a final order within 40 days of receipt of the EEOC Administrative Judge's decision in accordance with 29 CFR 1614.110, then the decision of the EEOC Administrative Judge shall become the final action of the Department.

(d) *Decision and final order by EEOC Administrative Judge without hearing.* (1) If a party believes that some or all material facts are not in genuine dispute and there is no genuine issue as to credibility, the party may, at least 15 days prior to the date of the hearing or at such earlier time as required by the EEOC Administrative Judge, file a statement with the EEOC Administrative Judge prior to the hearing setting forth the fact or facts and referring to the parts of the record relied on to support the statement. The statement

§ 7.38

must demonstrate that there is no genuine issue as to any such material fact. The party shall serve the statement on the opposing party.

(2) The opposing party may file an opposition within 15 days of receipt of the statement in 29 CFR 1614.109(g)(1). The opposition may refer to the record in the case to rebut the statement that a fact is not in dispute or may file an affidavit stating that the party cannot, for reasons stated, present facts to oppose the request. After considering the submissions, the EEOC Administrative Judge may order that discovery be permitted on the fact or facts involved, limit the hearing to the issues remaining in dispute, issue a decision without a hearing or make such other ruling as is appropriate.

(3) If the EEOC Administrative Judge determines that some or all facts are not in genuine dispute, the EEOC Administrative Judge may, after giving notice to the parties and providing them an opportunity to respond in writing within 15 days, issue an order limiting the scope of the hearing or issue a decision without holding a hearing.

§ 7.38 Appeals.

(a) *Appeals to the EEOC.* (1) A Complainant may appeal the Department's final action or dismissal of a complaint. The regulations at 29 CFR part 1614, subpart D, govern a Complainant's right of appeal.

(2) The Department may appeal as provided in 29 CFR 1614.110(a).

(3) A class agent or the Department may appeal an EEOC Administrative Judge's decision accepting or dismissing all or part of a class complaint; a class agent may appeal a final decision on a class complaint; a class member may appeal a final decision on a claim for individual relief under a class complaint; and a class member, a class agent or the Department may appeal a final decision on a petition pursuant to 29 CFR 1614.204(g)(4).

(b) *Time limits for appeals to the EEOC.* Appeals described in 29 CFR 1614.401 (a) and (c) must be filed within 30 days of Complainant's receipt of the dismissal, final action or decision, or within 30 days of receipt by the attorney of record, if represented. Appeals de-

24 CFR Subtitle A (4-1-07 Edition)

scribed in 29 CFR 1614.401(b) must be filed within 40 days of receipt of the hearing file and decision. Where a Complainant has notified the Director of EEO of alleged noncompliance with a settlement agreement in accordance with 29 CFR 1614.504, the Complainant may file an appeal 35 days after service of the allegations of noncompliance, but no later than 30 days after receipt of the Department's determination.

(c) *How to appeal.* (1) The Complainant, the Department, a class agent, grievant or individual class claimant (referred to elsewhere in this part as the appellant) must file an appeal with the Director, Office of Federal Operations, Equal Employment Opportunity Commission, at P.O. Box 19848, Washington, DC 20036, or by personal delivery or facsimile. The appellant should use EEOC Form 573, Notice of Appeal/Petition, and should indicate what is being appealed.

(2) The appellant shall furnish a copy of the appeal to the opposing party at the same time the appeal is filed with the EEOC. In or attached to the appeal to the EEOC, the appellant must certify the date and method by which service was made on the opposing party.

(3) If an appellant does not file an appeal within the time limits of this section, the appeal shall be dismissed by the EEOC as untimely.

(4) Any statement or brief on behalf of a Complainant in support of the appeal must be submitted to the Office of Federal Operations within 30 days of filing the notice of appeal. Any statement or brief on behalf of the Department in support of its appeal must be submitted to the Office of Federal Operations within 20 days of filing the notice of appeal. The Office of Federal Operations will accept statements or briefs in support of an appeal by facsimile transmittal, provided they are no more than 10 pages long.

(5) The Department must submit the complaint file to the Office of Federal Operations within 30 days of initial notification that the Complainant has filed an appeal or within 30 days of submission of an appeal by the Department.

(6) The Department may be represented by the Office of General Counsel in appeals before the Office of Federal Operations.

(7) Any statement or brief in opposition to an appeal must be submitted to the EEOC and served on the opposing party within 30 days of receipt of the statement or brief supporting the appeal, or, if no statement or brief supporting the appeal is filed, within 60 days of receipt of the appeal. The Office of Federal Operations will accept statements or briefs in opposition to an appeal by facsimile provided they are no more than 10 pages long.

(d) *Request for reconsideration.* A decision issued under paragraph (a) of § 1614.405 is final within the meaning of 29 CFR 1614.407 unless the EEOC reconsiders the case. A party may request reconsideration within 30 days of receipt of a decision of the EEOC, which the EEOC in its discretion may grant, if the party demonstrates that:

(1) The appellate decision involved a clearly erroneous interpretation of material fact or law; or

(2) The decision will have a substantial impact on the policies, practices or operations of the Department.

OTHER COMPLAINT AND APPEAL PROCEDURES

§ 7.39 Negotiated grievance, MSPB appeal and administrative grievance procedures.

(a) *Negotiated grievance procedure.* An aggrieved person covered by a collective bargaining agreement that permits allegations of discrimination to be raised in a negotiated grievance procedure can file a complaint under these procedures or a negotiated grievance, but not both. An election to proceed under this section is indicated only by the filing of a written complaint. An election to proceed under a negotiated grievance procedure is indicated by the filing of a timely grievance. (See 29 CFR 1614.301.)

(b) *MSPB appeal procedure—(1) Who can file appeal and when.* An aggrieved person alleging discrimination on basis of race, color, religion, sex, national origin, age or reprisal because of participation in related to or stemming from an action that can be appealed to the MSPB can file a complaint under

these procedures, or an appeal with the MSPB, but not both. Whichever is filed first, the complaint or the appeal, is considered an election to proceed in that forum. (See 29 CFR 1614.302 through 29 CFR 1614.309.)

(2) *Right to file civil action about MSPB appeal or decision.* The procedures of this section are governed by 29 CFR § 1614.310.

(3) *MSPB appeal rights.* The provisions of 29 CFR part 1614, subpart C, shall govern MSPB appeal rights.

(c) *Administrative grievance procedure—(1) Grievance.* A request by an employee, or by a group of employees acting as individuals, for personal relief in a matter of concern or dissatisfaction related to employment with the Department and over which the Department has control, including an allegation of coercion, reprisal or retaliation. The range of matters is limited to those for which no other means of administrative review is provided.

(2) *Covered employee.* Any non-bargaining unit employee, including a former employee or applicant for whom a remedy can be provided.

(3) *Responsibilities of participants in the grievance procedure.* Each employee has the responsibility for making a maximum effort to achieve informal settlement of a personal grievance.

(4) *Grievance requirements.* The procedures, responsibilities and processes to be followed by an employee wishing to file an administrative grievance are found in HUD Handbook 771.2 REV-2, Administrative Grievances.

REMEDIES, ENFORCEMENT AND COMPLIANCE

§ 7.40 Remedies and enforcement.

(a) *Remedies and relief.* When the Department, or the EEOC, in an individual case of discrimination, finds that a current or former employee or applicant has been discriminated against, the Department shall provide full relief in accordance with 29 CFR 1614.501.

(b) *Attorney's fees and costs.* In a decision or final action, the Department, EEOC Administrative Judge or the

§ 7.41

EEOC may award the applicant or current or former employee reasonable attorney's fees (including expert witness fees) and other costs incurred in the processing of the complaint.

(1) Full relief in Title VII and Rehabilitation Act cases may include compensatory damages, an award of attorney's fees (including expert witness fees) and costs when requested and verified, in accordance with the requirements of 29 CFR 1614.501(e).

(2) Time period and persons covered. Attorney's fees shall be paid for services performed by an attorney after the filing of a written complaint, provided that the attorney provides reasonable notice of representation to the Department, EEOC Administrative Judge or EEOC, except that fees are allowable for a reasonable period of time prior to the notification of representation for any services performed in reaching a determination to represent the Complainant. The Department is not required to pay attorney's fees for services performed during the pre-complaint process, except that fees are allowable when the EEOC affirms on appeal an EEOC Administrative Judge's decision finding discrimination after the Department takes final action by not implementing an EEOC Administrative Judge's decision or when the parties agree the Department will pay for attorney's fees for pre-complaint representation.

(c) *Notice of representation.* Written submissions to the Department that are signed by the representative shall be deemed to constitute notice of representation.

(d) *Nonattorney fees and costs.* Reporter, witness, printing and other related fees and costs may be awarded, in accordance with 29 CFR 1614.501(e)(1)(iii) and 1614.501(e)(2)(ii)(C).

§ 7.41 Compliance with EEOC final decisions.

(a) Relief ordered in a final EEOC decision is mandatory and binding on the Department except as provided in this section. The Department's failure to implement ordered relief shall be subject to judicial enforcement, as specified in 29 CFR 1614.503(g).

(b) Notwithstanding paragraph (a) of this section, when the Department re-

24 CFR Subtitle A (4-1-07 Edition)

quests reconsideration and the case involves removal, separation, or suspension continuing beyond the date of the request for reconsideration, and when the decision orders retroactive restoration, the Department shall comply with the decision to the extent of the temporary or conditional restoration of the employee to duty status in the position specified by the EEOC, pending the outcome of the Department's request for reconsideration.

(1) Service under the temporary or conditional restoration provisions of paragraph (b) of this section shall be credited toward the completion of a probationary or trial period, eligibility for a within-grade increase, or the completion of the service requirement for career tenure, if the EEOC upholds its decision after reconsideration.

(2) When the Department requests reconsideration, the Department may delay the payment of any amounts ordered to be paid to the Complainant until after the request for reconsideration is resolved. If the Department delays payment of any amount pending the outcome of the request to reconsider and the resolution of the request requires the Department to make the payment, then the Department shall pay interest from the date of the original appellate decision until payment is made.

(3) The Department shall notify the EEOC and the employee in writing at the same time the Department requests reconsideration that the relief the Department provides is temporary or conditional and, if applicable, that the Department will delay the payment of any amounts owed but will pay interest as specified in paragraph (b)(2) of this section. Failure of the Department to provide notification will result in the dismissal of the Department's request.

(4) When no request for reconsideration is filed or when a request for reconsideration is denied, the Department shall provide the relief ordered and there is no further right to delay implementation of the ordered relief. The relief shall be provided in full not later than 60 days after receipt of the final decision, unless otherwise ordered in the decision.

§ 7.42 Enforcement of EEOC final decisions.

(a) *Petition for enforcement.* A Complainant may petition the EEOC for enforcement of a decision issued under the EEOC's appellate jurisdiction. The petition shall be submitted to the Office of Federal Operations. The petition shall specifically provide the reasons that led the Complainant to believe that the Department is not complying with the decision.

(b) *Referral to the EEOC.* Where the Director, Office of Federal Operations, is unable to obtain satisfactory compliance with the final decision, the Director shall submit appropriate findings and recommendations for enforcement to the EEOC, or, as directed by the EEOC, refer the matter to another appropriate Department.

(c) *EEOC notice to show cause.* The EEOC may issue a notice to the Secretary that the Department has failed to comply with a decision and to show cause why there is noncompliance. Such notice may request the head of the Department or a representative to appear before the EEOC or to respond to the notice in writing with adequate evidence of compliance or with compelling reasons for non-compliance.

(d) *Notification to complainant of completion of administrative efforts.* Where the EEOC has determined that the Department is not complying with a prior decision, or where the Department has failed or refused to submit any required report of compliance, the EEOC shall notify the Complainant of the right to file a civil action for enforcement of the decision pursuant to title VII, the ADEA, the Equal Pay Act or the Rehabilitation Act and to seek judicial review of the Department's refusal to implement the ordered relief in accordance with the Administrative Procedure Act (5 U.S.C. 701 *et seq.*), and the mandamus statute (28 U.S.C. 1361), or to commence new proceedings in accordance with the appropriate statutes.

§ 7.43 Settlement agreements.

(a) The Department shall make reasonable efforts to voluntarily settle complaints of discrimination as early as possible in, and throughout, the administrative processing of complaints, including the pre-complaint counseling

stage. These efforts shall include ADR. Any settlement reached shall:

- (1) Be in writing;
- (2) Identify the claims resolved;
- (3) Be signed by both parties and/or their designees; and
- (4) Otherwise comply with 29 CFR part 1614.

(b) Any settlement agreement knowingly and voluntarily agreed to by the parties, reached at any stage of the complaint process, shall be binding on both parties. Final action that has not been the subject of an appeal or civil action shall be binding on the Department. If the Complainant believes that the Department has failed to comply with the terms of a settlement agreement or decision, the Complainant shall notify the Director of EEO, in writing, of the alleged noncompliance within 30 days of when the Complainant knew or should have known of the alleged noncompliance. The Complainant may request that the terms of the settlement agreement be specifically implemented or, alternatively, that the complaint be reinstated for further processing from the point processing ceased.

(c) The Department shall resolve the matter and respond to the Complainant, in writing. If the Department has not responded to the Complainant, in writing, or if the Complainant is not satisfied with the Department's attempt to resolve the matter, the Complainant may appeal to the EEOC for a determination as to whether the Department has complied with the terms of the settlement agreement or final decision. The Complainant may file such an appeal 35 days after the Complainant has served the Department with the allegations of noncompliance, but must file an appeal within 30 days of the Complainant's receipt of the Department's determination. The Complainant must serve a copy of the appeal on the Department and the Department may submit a response to the EEOC within 30 days of receiving notice of the appeal.

§ 7.44 Interim relief.

(a) When the Department appeals and the case involves removal, separation, or suspension continuing beyond the date of the appeal, and when the EEOC

§ 7.45

Administrative Judge's decision orders retroactive restoration, the Department shall comply with the decision to the extent of the temporary or conditional restoration of the employee to duty status in the position specified in the decision, pending the outcome of the Department appeal. The employee may decline the offer of interim relief.

(b) Service under the temporary or conditional restoration provisions of paragraph (a) of this section shall be credited toward the completion of a probationary or trial period, eligibility for a within-grade increase, or the completion of the service requirement for career tenure, if the EEOC upholds the decision on appeal. Such service shall not be credited toward the completion of any applicable probationary or trial period or the completion of the service requirement for career tenure, if the EEOC reverses the decision on appeal.

(c) When the Department appeals, the Department may delay the payment of any amount, other than prospective pay and benefits, ordered to be paid to the Complainant until after the appeal is resolved. If the Department delays payment of any amount pending the outcome of the appeal and the resolution of the appeal requires the Department to make the payment, then the Department shall pay interest from the date of the original decision until payment is made.

(d) The Department shall notify the EEOC and the employee in writing at the same time the Department appeals that the relief the Department provides is temporary or conditional and, if applicable, that the Department will delay the payment of any amounts owed but will pay interest as specified in paragraph (c) of this section. Failure of the Department to provide notification will result in the dismissal of the Department's appeal.

(e) The Department may, by notice to the Complainant, decline to return the Complainant to the Complainant's place of employment if the Department determines that the return or presence of the Complainant will be unduly disruptive to the work environment. However, prospective pay and benefits must be provided. The determination not to return the Complainant to the Complainant's place of employment is not

24 CFR Subtitle A (4-1-07 Edition)

reviewable. A grant of interim relief does not insulate a Complainant from subsequent disciplinary or adverse action.

(f) If the Department files an appeal and has not provided required interim relief, the Complainant may request dismissal of the Department's appeal. Any such request must be filed with the Office of Federal Operations within 25 days of the date of service of the Department's appeal. A copy of the request must be served on the Department at the same time the request is filed with EEOC. The Department may respond with evidence and argument to the Complainant's request to dismiss within 15 days of the date of service of the request.

STATISTICS AND REPORTING REQUIREMENTS

§ 7.45 EEO group statistics and reports.

(a) The Department shall establish a system to collect and maintain accurate employment information on the race, national origin, sex, and disability of all its employees and applicants in accordance with 29 CFR 1614.601 through 29 CFR 1614.602, and the Department shall report to the EEOC on employment by race, national origin, sex, and disability, in the form and at such times as the EEOC may require.

(b) The Department shall report to the EEOC information concerning pre-complaint counseling and the status, processing and disposition of complaints under this part, at such times and in such manner as the EEOC prescribes.

(c) The Department shall advise the EEOC whenever the Department is served with a Federal court complaint based upon a complaint that is pending on appeal at the EEOC.

(d) The Department shall submit annual written national equal employment opportunity plans of action for the review and approval of the EEOC. Plans shall be submitted in a format prescribed by the EEOC and in accordance with 29 CFR 1614.602.

Subpart A—General Provisions**§ 8.1 Purpose.**

(a) The purpose of this part is to effectuate section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. 794), to the end that no otherwise qualified individual with handicaps in the United States shall, solely by reason of his or her handicap, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance from the Department of Housing and Urban Development. This part also implements section 109 of the Housing and Community Development Act of 1974, as amended (42 U.S.C. 5309). This part does not effectuate section 504 as it applies to any program or activity conducted by the Department. Compliance with this part does not assure compliance with requirements for accessibility by physically-handicapped persons imposed under the Architectural Barriers Act of 1968 (42 U.S.C. 4151–4157; 24 CFR part 40).

(b) The policies and standards for compliance established by this part are established in contemplation of, and with a view to enforcement through, the Department's administration of programs or activities receiving Federal financial assistance and the administrative procedures described in subparts D and E (including, without limitation, judicial enforcement under § 8.57(a)).

§ 8.2 Applicability.

This part applies to all applicants for, and recipients of, HUD assistance in the operation of programs or activities receiving such assistance. Such assistance includes, but is not limited to, that which is listed in appendix A of this part.

§ 8.3 Definitions.

As used in this part:

Accessible, when used with respect to the design, construction, or alteration of a facility or a portion of a facility other than an individual dwelling unit, means that the facility or portion of

§ 8.3

24 CFR Subtitle A (4-1-07 Edition)

the facility when designed, constructed or altered, can be approached, entered, and used by individuals with physical handicaps. The phrase *accessible to and usable by* is synonymous with accessible.

Accessible, when used with respect to the design, construction, or alteration of an individual dwelling unit, means that the unit is located on an accessible route and when designed, constructed, altered or adapted can be approached, entered, and used by individuals with physical handicaps. A unit that is on an accessible route and is adaptable and otherwise in compliance with the standards set forth in § 8.32 is *accessible* within the meaning of this paragraph. When a unit in an existing facility which is being made accessible as a result of alterations is intended for use by a specific qualified individual with handicaps (e.g., a current occupant of such unit or of another unit under the control of the same recipient, or an applicant on a waiting list), the unit will be deemed accessible if it meets the requirements of applicable standards that address the particular disability or impairment of such person.

Accessible route means a continuous unobstructed path connecting accessible elements and spaces in a building or facility that complies with the space and reach requirements of applicable standards prescribed by § 8.32. An accessible route that serves only accessible units occupied by persons with hearing or vision impairments need not comply with those requirements intended to effect accessibility for persons with mobility impairments.

Adaptability means the ability of certain elements of a dwelling unit, such as kitchen counters, sinks, and grab bars, to be added to, raised, lowered, or otherwise altered, to accommodate the needs of persons with or without handicaps, or to accommodate the needs of persons with different types or degrees of disability. For example, in a unit adaptable for a hearing-impaired person, the wiring for visible emergency alarms may be installed but the alarms need not be installed until such time as the unit is made ready for occupancy by a hearing-impaired person.

Alteration means any change in a facility or its permanent fixtures or equipment. It includes, but is not limited to, remodeling, renovation, rehabilitation, reconstruction, changes or rearrangements in structural parts and extraordinary repairs. It does not include normal maintenance or repairs, reroofing, interior decoration, or changes to mechanical systems.

Applicant for assistance means one who submits an application, request, plan, or statement required to be approved by a Department official or by a primary recipient as a condition of eligibility for Federal financial assistance. An application means such a request, plan or statement.

Auxiliary aids means services or devices that enable persons with impaired sensory, manual, or speaking skills to have an equal opportunity to participate in, and enjoy the benefits of, programs or activities receiving Federal financial assistance. For example, auxiliary aids for persons with impaired vision may include readers, Brailled materials, audio recordings, and other similar services and devices. Auxiliary aids for persons with impaired hearing may include telephone handset amplifiers, telephones compatible with hearing aids, telecommunication devices for deaf persons (TDD's), interpreters, notetakers, written materials, and other similar services and devices.

Department or *HUD* means the Department of Housing and Urban Development.

Facility means all or any portion of buildings, structures, equipment, roads, walks, parking lots, rolling stock or other real or personal property or interest in the property.

Federal financial assistance means any assistance provided or otherwise made available by the Department through any grant, loan, contract or any other arrangement, in the form of:

- (a) Funds;
- (b) Services of Federal personnel; or
- (c) Real or personal property or any interest in or use of such property, including:
 - (1) Transfers or leases of the property for less than fair market value or for reduced consideration; and

(2) Proceeds from a subsequent transfer or lease of the property if the Federal share of its fair market value is not returned to the Federal Government.

Federal financial assistance includes community development funds in the form of proceeds from loans guaranteed under section 108 of the Housing and Community Development Act of 1974, as amended, but does not include assistance made available through direct Federal procurement contracts or payments made under these contracts or any other contract of insurance or guaranty.

Handicap means any condition or characteristic that renders a person an individual with handicaps.

Historic preservation programs or activities means programs or activities receiving Federal financial assistance that have preservation of historic properties as a primary purpose.

Historic properties means those properties that are listed or are eligible for listing in the National Register of Historic Places, or such properties designated as historic under a statute of the appropriate State or local government body.

Individual with handicaps means any person who has a physical or mental impairment that substantially limits one or more major life activities; has a record of such an impairment; or is regarded as having such an impairment. For purposes of employment, this term does not include: Any individual who is an alcoholic or drug abuser whose current use of alcohol or drugs prevents the individual from performing the duties of the job in question, or whose employment, by reason of current alcohol or drug abuse, would constitute a direct threat to property or the safety of others; or any individual who has a currently contagious disease or infection and who, by reason of such disease or infection, would constitute a direct threat to the health or safety of other individuals or who, by reason of the currently contagious disease or infection, is unable to perform the duties of the job. For purposes of other programs and activities, the term does not include any individual who is an alcoholic or drug abuser whose current use of alcohol or drugs prevents the indi-

vidual from participating in the program or activity in question, or whose participation, by reason of such current alcohol or drug abuse, would constitute a direct threat to property or the safety of others. As used in this definition, the phrase:

(a) *Physical or mental impairment* includes:

(1) Any physiological disorder or condition, cosmetic disfigurement, or anatomical loss affecting one or more of the following body systems: Neurological; musculoskeletal; special sense organs; respiratory, including speech organs; cardiovascular; reproductive; digestive; genito-urinary; hemic and lymphatic; skin; and endocrine; or

(2) Any mental or psychological disorder, such as mental retardation, organic brain syndrome, emotional or mental illness, and specific learning disabilities. The term *physical or mental impairment* includes, but is not limited to, such diseases and conditions as orthopedic, visual, speech and hearing impairments, cerebral palsy, autism, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, mental retardation, emotional illness, drug addiction and alcoholism.

(b) *Major life activities* means functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning and working.

(c) *Has a record of such an impairment* means has a history of, or has been misclassified as having, a mental or physical impairment that substantially limits one or more major life activities.

(d) *Is regarded as having an impairment* means:

(1) Has a physical or mental impairment that does not substantially limit one or more major life activities but that is treated by a recipient as constituting such a limitation;

(2) Has a physical or mental impairment that substantially limits one or more major life activities only as a result of the attitudes of others toward such impairment; or

(3) Has none of the impairments defined in paragraph (a) of this section but is treated by a recipient as having such an impairment.

§ 8.3

Multifamily housing project means a project containing five or more dwelling units.

Primary recipient means a person, group, organization, State or local unit of government that is authorized or required to extend Federal financial assistance to another recipient for the purpose of carrying out a program or activity.

Program or activity means all of the operations of:

(a)(1) A department, agency, special purpose district, or other instrumentality of a State or of a local government; or

(2) The entity of such State or local government that distributes such assistance and each such department or agency (and each other State or local government entity) to which the assistance is extended, in the case of assistance to a State or local government;

(b)(1) A college, university, or other post-secondary institution, or a public system of higher education; or

(2) A local educational agency (as defined in section 198(a)(10) of the Elementary and Secondary Education Act of 1965), system of vocational education, or other school system;

(c)(1) An entire corporation, partnership, or other private organization, or an entire sole proprietorship—

(i) If assistance is extended to such corporation, partnership, private organization, or sole proprietorship as a whole; or

(ii) Which is principally engaged in the business of providing education, health care, housing, social services, or parks and recreation; or

(2) The entire plant or other comparable, geographically separate facility to which Federal financial assistance is extended, in the case of any other corporation, partnership, private organization, or sole proprietorship; or

(d) Any other entity which is established by two or more of the entities described in paragraphs (a), (b), or (c) of this section;

any part of which is extended Federal financial assistance.

Project means the whole of one or more residential structures and appurtenant structures, equipment, roads, walks, and parking lots which are cov-

24 CFR Subtitle A (4-1-07 Edition)

ered by a single contract for Federal financial assistance or application for assistance, or are treated as a whole for processing purposes, whether or not located on a common site.

Qualified individual with handicaps means:

(a) With respect to employment, an individual with handicaps who, with reasonable accommodation, can perform the essential functions of the job in question; and

(b) With respect to any non-employment program or activity which requires a person to perform services or to achieve a level of accomplishment, an individual with handicaps who meets the essential eligibility requirements and who can achieve the purpose of the program or activity without modifications in the program or activity that the recipient can demonstrate would result in a fundamental alteration in its nature; or

(c) With respect to any other non-employment program or activity, an individual with handicaps who meets the essential eligibility requirements for participation in, or receipt of benefits from, that program or activity. *Essential eligibility requirements* include stated eligibility requirements such as income as well as other explicit or implicit requirements inherent in the nature of the program or activity, such as requirements that an occupant of multifamily housing be capable of meeting the recipient's selection criteria and be capable of complying with all obligations of occupancy with or without supportive services provided by persons other than the recipient. For example, a chronically mentally ill person whose particular condition poses a significant risk of substantial interference with the safety or enjoyment of others or with his or her own health or safety in the absence of necessary supportive services may be *qualified* for occupancy in a project where such supportive services are provided by the recipient as part of the assisted program. The person may not be *qualified* for a project lacking such services.

Recipient means any State or its political subdivision, any instrumentality of a State or its political subdivision, any public or private agency,

institution, organization, or other entity, or any person to which Federal financial assistance is extended for any program or activity directly or through another recipient, including any successor, assignee, or transferee of a recipient, but excluding the ultimate beneficiary of the assistance. An entity or person receiving housing assistance payments from a recipient on behalf of eligible families under a housing assistance payments program or a voucher program is not a recipient or subrecipient merely by virtue of receipt of such payments.

Replacement cost of the completed facility means the current cost of construction and equipment for a newly constructed housing facility of the size and type being altered. Construction and equipment costs do not include the cost of land, demolition, site improvements, non-dwelling facilities and administrative costs for project development activities.

Secretary means the Secretary of Housing and Urban Development.

Section 504 means section 504 of the Rehabilitation Act of 1973, as amended, 29 U.S.C. 794, as it applies to programs or activities receiving Federal financial assistance.

Substantial impairment means a significant loss of the integrity of finished materials, design quality, or special character resulting from a permanent alteration.

§ 8.4 Discrimination prohibited.

(a) No qualified individual with handicaps shall, solely on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity that receives Federal financial assistance from the Department.

(b)(1) A recipient, in providing any housing, aid, benefit, or service in a program or activity that receives Federal financial assistance from the Department may not, directly or through contractual, licensing, or other arrangements, solely on the basis of handicap:

(i) Deny a qualified individual with handicaps the opportunity to partici-

pate in, or benefit from, the housing, aid, benefit, or service;

(ii) Afford a qualified individual with handicaps an opportunity to participate in, or benefit from, the housing, aid, benefit, or service that is not equal to that afforded to others;

(iii) Provide a qualified individual with handicaps with any housing, aid, benefit, or service that is not as effective in affording the individual an equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as that provided to others;

(iv) Provide different or separate housing, aid, benefits, or services to individuals with handicaps or to any class of individuals with handicaps from that provided to others unless such action is necessary to provide qualified individuals with handicaps with housing, aid, benefits, or services that are as effective as those provided to others.

(v) Aid or perpetuate discrimination against a qualified individual with handicaps by providing significant assistance to an agency, organization, or person that discriminates on the basis of handicap in providing any housing, aid, benefit, or service to beneficiaries in the recipient's federally assisted program or activity;

(vi) Deny a qualified individual with handicaps the opportunity to participate as a member of planning or advisory boards;

(vii) Deny a dwelling to an otherwise qualified buyer or renter because of a handicap of that buyer or renter or a person residing in or intending and eligible to reside in that dwelling after it is sold, rented or made available; or

(viii) Otherwise limit a qualified individual with handicaps in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by other qualified individuals receiving the housing, aid, benefit, or service.

(2) For purposes of this part, housing, aids, benefits, and services, to be equally effective, are not required to produce the identical result or level of achievement for individuals with handicaps and non-handicapped persons, but must afford individuals with handicaps equal opportunity to obtain

§ 8.5

the same result, to gain the same benefit, or to reach the same level of achievement.

(3) A recipient may not deny a qualified individual with handicaps the opportunity to participate in any federally assisted program or activity that is not separate or different despite the existence of permissibly separate or different programs or activities.

(4) In any program or activity receiving Federal financial assistance from the Department, a recipient may not, directly or through contractual or other arrangements, utilize criteria or methods of administration the purpose or effect of which would:

(i) Subject qualified individuals with handicaps to discrimination solely on the basis of handicap;

(ii) Defeat or substantially impair the accomplishment of the objectives of the recipient's federally assisted program or activity for qualified individuals with a particular handicap involved in the program or activity, unless the recipient can demonstrate that the criteria or methods of administration are manifestly related to the accomplishment of an objective of a program or activity; or

(iii) Perpetuate the discrimination of another recipient if both recipients are subject to common administrative control or are agencies of the same State.

(5) In determining the site or location of a federally assisted facility, an applicant for assistance or a recipient may not make selections the purpose or effect of which would:

(i) Exclude qualified individuals with handicaps from, deny them the benefits of, or otherwise subject them to discrimination under, any program or activity that receives Federal financial assistance from the Department, or

(ii) Defeat or substantially impair the accomplishment of the objectives of the program or activity with respect to qualified individuals with handicaps.

(6) As used in this section, the housing, aid, benefit, or service provided under a program or activity receiving Federal financial assistance includes any housing, aid, benefit, or service provided in or through a facility that has been constructed, altered, leased or rented, or otherwise acquired, in whole

24 CFR Subtitle A (4-1-07 Edition)

or in part, with Federal financial assistance.

(c)(1) Non-handicapped persons may be excluded from the benefits of a program if the program is limited by Federal statute or executive order to individuals with handicaps. A specific class of individuals with handicaps may be excluded from a program if the program is limited by Federal statute or Executive order to a different class of individuals.

(2) Certain Department programs operate under statutory definitions of *handicapped person* that are more restrictive than the definition of *individual with handicaps* contained in § 8.3 (see appendix B). Those definitions are not superseded or otherwise affected by this regulation.

(d) Recipients shall administer programs and activities receiving Federal financial assistance in the most integrated setting appropriate to the needs of qualified individuals with handicaps.

(e) The obligation to comply with this part is not obviated or alleviated by any State or local law or other requirement that, based on handicap, imposes inconsistent or contradictory prohibitions or limits upon the eligibility of qualified individuals with handicaps to receive services or to practice any occupation or profession.

(f) The enumeration of specific forms of prohibited discrimination in paragraphs (b) through (e) of this section does not limit the general prohibition in paragraph (a) of this section.

[53 FR 20233, June 2, 1988; 53 FR 28115, July 26, 1988]

§ 8.5 [Reserved]

§ 8.6 Communications.

(a) The recipient shall take appropriate steps to ensure effective communication with applicants, beneficiaries, and members of the public.

(1) The recipient shall furnish appropriate auxiliary aids where necessary to afford an individual with handicaps an equal opportunity to participate in, and enjoy the benefits of, a program or activity receiving Federal financial assistance.

(i) In determining what auxiliary aids are necessary, the recipient shall

give primary consideration to the requests of the individual with handicaps.

(ii) The recipient is not required to provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature.

(2) Where a recipient communicates with applicants and beneficiaries by telephone, telecommunication devices for deaf persons (TDD's) or equally effective communication systems shall be used.

(b) The recipient shall adopt and implement procedures to ensure that interested persons (including persons with impaired vision or hearing) can obtain information concerning the existence and location of accessible services, activities, and facilities.

(c) This section does not require a recipient to take any action that the recipient can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. If an action would result in such an alteration or burdens, the recipient shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, individuals with handicaps receive the benefits and services of the program or activity receiving HUD assistance.

Subpart B—Employment

§ 8.10 General prohibitions against employment discrimination.

(a) No qualified individual with handicaps shall, solely on the basis of handicap, be subjected to discrimination in employment under any program or activity that receives Federal financial assistance from the Department.

(b) A recipient may not limit, segregate, or classify applicants or employees in any way that adversely affects their opportunities or status because of handicap.

(c) The prohibition against discrimination in employment applies to the following activities:

(1) Recruitment, advertising, and the processing of applications for employment;

(2) Hiring, upgrading, promotion, award of tenure, demotion, transfer, layoff, termination, right of return from layoff, injury or illness, and rehiring;

(3) Rates of pay or any other form of compensation and changes in compensation;

(4) Job assignments, job classifications, organizational structures, position descriptions, lines of progression, and seniority lists;

(5) Leaves of absence, sick leave, or any other leave;

(6) Fringe benefits available by virtue of employment, whether or not administered by the recipient;

(7) Selection and financial support for training, including apprenticeship, professional meetings, conferences, and other related activities, and selection for leaves of absence for training;

(8) Employer sponsored activities, including social or recreational programs; and

(9) Any other term, condition, or privilege of employment.

(d) A recipient may not participate in a contractual or other relationship that has the effect of subjecting qualified applicants with handicaps or employees with handicaps to discrimination prohibited by this subpart. The relationships referred to in this paragraph (d) include relationships with employment and referral agencies, labor unions, organizations providing or administering fringe benefits to employees of the recipient, and organizations providing training and apprenticeship programs.

§ 8.11 Reasonable accommodation.

(a) A recipient shall make reasonable accommodation to the known physical or mental limitations of an otherwise qualified applicant with handicaps or employee with handicaps, unless the recipient can demonstrate that the accommodation would impose an undue hardship on the operation of its program.

(b) Reasonable accommodation may include:

(1) Making facilities used by employees accessible to and usable by individuals with handicaps and

(2) Job restructuring, job relocation, part-time or modified work schedules,

§ 8.12

acquisitions or modification of equipment or devices, the provision of readers or interpreters, and other similar actions.

(c) In determining, under paragraph (a) of this section, whether an accommodation would impose an undue hardship on the operation of a recipient's program, factors to be considered include:

(1) The overall size of the recipient's program with respect to number of employees, number and type of facilities, and size of budget;

(2) The type of the recipient's operation, including the composition and structure of the recipient's workforce; and

(3) The nature and cost of the accommodation needed.

(d) A recipient may not deny any employment opportunity to a qualified handicapped employee or applicant if the basis for the denial is the need to make reasonable accommodation to the physical or mental limitations of the employee or applicant.

§ 8.12 Employment criteria.

(a) A recipient may not use any employment test or other selection criterion that screens out or tends to screen out individuals with handicaps or any class of individuals with handicaps unless:

(1) The recipient demonstrates that the test score or other selection criterion, as used by the recipient, is job-related for the position in question; and

(2) The appropriate HUD official demonstrates that alternative job-related tests or criteria that tend to screen out fewer individuals with handicaps are unavailable.

(b) A recipient shall select and administer tests concerning employment to ensure that, when administered to an applicant or employee who has a handicap that impairs sensory, manual, or speaking skills, the test results accurately reflect the applicant's or employee's job skills, aptitude, or whatever other factor the test purports to measure, rather than the applicant's or employee's impaired sensory, manual, or speaking skills (except where those skills are the factors that the test purports to measure).

24 CFR Subtitle A (4-1-07 Edition)

§ 8.13 Preemployment inquiries.

(a) Except as provided in paragraphs (b) and (c) of this section, a recipient may not make a preemployment inquiry or conduct a preemployment medical examination of an applicant to determine whether the applicant is an individual with handicaps or the nature or severity of a handicap. A recipient may, however, make preemployment inquiry into an applicant's ability to perform job-related functions.

(b) When a recipient is undertaking affirmative action efforts, voluntary or otherwise, the recipient may invite applicants for employment to indicate whether and to what extent they are handicapped, if the following conditions are met:

(1) The recipient states clearly on any written questionnaire used for this purpose, or makes clear orally if no written questionnaire is used, that the information requested is intended for use solely in connection with its remedial action obligations, or its voluntary or affirmative action efforts; and

(2) The recipient states clearly that the information is being requested on a voluntary basis, that it will be kept confidential (as provided in paragraph (d) of this section), that refusal to provide the information will not subject the applicant or employee to any adverse treatment, and that the information will be used only in accordance with this part.

(c) Nothing in this section shall prohibit a recipient from conditioning an offer of employment on the results of a medical examination conducted before the employee's entrance on duty if all entering employees in that category of job classification must take such an examination regardless of handicap, and the results of such examination are used only in accordance with the requirements of this part.

(d) Information obtained under this section concerning the medical condition or history of the applicant is to be collected and maintained on separate forms that are accorded confidentiality as medical records, except that:

(1) Supervisors and managers may be informed of restrictions on the work or duties of individuals with handicaps

and informed of necessary accommodations;

(2) First aid and safety personnel may be informed if the condition might require emergency treatment; and

(3) Government officials investigating compliance with section 504 shall be provided relevant information upon request.

Subpart C—Program Accessibility

§ 8.20 General requirement concerning program accessibility.

Except as otherwise provided in §§ 8.21(c)(1), 8.24(a), 8.25, and 8.31, no qualified individual with handicaps shall, because a recipient's facilities are inaccessible to or unusable by individuals with handicaps, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity that receives Federal financial assistance.

§ 8.21 Non-housing facilities.

(a) *New construction.* New non-housing facilities shall be designed and constructed to be readily accessible to and usable by individuals with handicaps.

(b) *Alterations to facilities.* Alterations to existing non-housing facilities shall, to the maximum extent feasible, be made to be readily accessible to and usable by individuals with handicaps. For purposes of this paragraph, the phrase *to the maximum extent feasible* shall not be interpreted as requiring that a recipient make a non-housing facility, or element thereof, accessible if doing so would impose undue financial and administrative burdens on the operation of the recipient's program or activity.

(c) *Existing non-housing facilities—(1) General.* A recipient shall operate each non-housing program or activity receiving Federal financial assistance so that the program or activity, when viewed in its entirety, is readily accessible to and usable by individuals with handicaps. This paragraph does not—

(i) Necessarily require a recipient to make each of its existing non-housing facilities accessible to and usable by individuals with handicaps;

(ii) In the case of historic preservation programs or activities, require the recipient to take any action that would

result in a substantial impairment of significant historic features of an historic property; or

(iii) Require a recipient to take any action that it can demonstrate would result in a fundamental alteration in the nature of its program or activity or in undue financial and administrative burdens. If an action would result in such an alteration or such burdens, the recipient shall take any action that would not result in such an alteration or such burdens but would nevertheless ensure that individuals with handicaps receive the benefits and services of the program or activity.

(2) *Methods—(i) General.* A recipient may comply with the requirements of this section in its programs and activities receiving Federal financial assistance through such means as location of programs or services to accessible facilities or accessible portions of facilities, assignment of aides to beneficiaries, home visits, the addition or redesign of equipment (e.g., appliances or furnishings) changes in management policies or procedures, acquisition or construction of additional facilities, or alterations to existing facilities on a selective basis, or any other methods that result in making its program or activity accessible to individuals with handicaps. A recipient is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section. In choosing among available methods for meeting the requirements of this section, the recipient shall give priority to those methods that offer programs and activities to qualified individuals with handicaps in the most integrated setting appropriate.

(ii) *Historic preservation programs or activities.* In meeting the requirements of § 8.21(c) in historic preservation programs or activities, a recipient shall give priority to methods that provide physical access to individuals with handicaps. In cases where a physical alteration to an historic property is not required because of § 8.21(c)(1)(ii) or (iii), alternative methods of achieving program accessibility include using audio-visual materials and devices to depict those portions of an historic property that cannot otherwise be

§ 8.22

made accessible; assigning persons to guide individuals with handicaps into or through portions of historic properties that cannot otherwise be made accessible; or adopting other innovative methods.

(3) *Time period for compliance.* The recipient shall comply with the obligations established under this section within sixty days of July 11, 1988, except that where structural changes in facilities are undertaken, such changes shall be made within three years of July 11, 1988, but in any event as expeditiously as possible.

(4) *Transition plan.* If structural changes to non-housing facilities will be undertaken to achieve program accessibility, a recipient shall develop, within six months of July 11, 1988, a transition plan setting forth the steps necessary to complete such changes. The plan shall be developed with the assistance of interested persons, including individuals with handicaps or organizations representing individuals with handicaps. A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum—

(i) Identify physical obstacles in the recipient's facilities that limit the accessibility of its programs or activities to individuals with handicaps;

(ii) Describe in details the methods that will be used to make the facilities accessible;

(iii) Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period;

(iv) Indicate the official responsible for implementation of the plan; and

(v) Identify the persons or groups with whose assistance the plan was prepared.

§ 8.22 New construction—housing facilities.

(a) New multifamily housing projects (including public housing and Indian

24 CFR Subtitle A (4-1-07 Edition)

housing projects as required by § 8.25) shall be designed and constructed to be readily accessible to and usable by individuals with handicaps.

(b) Subject to paragraph (c) of this section, a minimum of five percent of the total dwelling units or at least one unit in a multifamily housing project, whichever is greater, shall be made accessible for persons with mobility impairments. A unit that is on an accessible route and is adaptable and otherwise in compliance with the standards set forth in § 8.32 is accessible for purposes of this section. An additional two percent of the units (but not less than one unit) in such a project shall be accessible for persons with hearing or vision impairments.

(c) HUD may prescribe a higher percentage or number than that prescribed in paragraph (b) of this section for any area upon request therefor by any affected recipient or by any State or local government or agency thereof based upon demonstration to the reasonable satisfaction of HUD of a need for a higher percentage or number, based on census data or other available current data (including a currently effective Housing Assistance Plan or Comprehensive Homeless Assistance Plan), or in response to evidence of a need for a higher percentage or number received in any other manner. In reviewing such request or otherwise assessing the existence of such needs, HUD shall take into account the expected needs of eligible persons with and without handicaps.

[53 FR 20233, June 2, 1988, as amended at 56 FR 920, Jan. 9, 1991]

§ 8.23 Alterations of existing housing facilities.

(a) *Substantial alteration.* If alterations are undertaken to a project (including a public housing project as required by § 8.25(a)(2)) that has 15 or more units and the cost of the alterations is 75 percent or more of the replacement cost of the completed facility, then the provisions of § 8.22 shall apply.

(b) *Other alterations.* (1) Subject to paragraph (b)(2) of this section, alterations to dwelling units in a multifamily housing project (including public housing) shall, to the maximum extent feasible, be made to be readily accessible to and usable by individuals with handicaps. If alterations of single elements or spaces of a dwelling unit, when considered together, amount to an alteration of a dwelling unit, the entire dwelling unit shall be made accessible. Once five percent of the dwelling units in a project are readily accessible to and usable by individuals with mobility impairments, then no additional elements of dwelling units, or entire dwelling units, are required to be accessible under this paragraph. Alterations to common areas or parts of facilities that affect accessibility of existing housing facilities shall, to the maximum extent feasible, be made to be accessible to and usable by individuals with handicaps. For purposes of this paragraph, the phrase *to the maximum extent feasible* shall not be interpreted as requiring that a recipient (including a PHA) make a dwelling unit, common area, facility or element thereof accessible if doing so would impose undue financial and administrative burdens on the operation of the multifamily housing project.

(2) HUD may prescribe a higher percentage or number than that prescribed in paragraph (b)(1) of this section for any area upon request therefor by any affected recipient or by any State or local government or agency thereof based upon demonstration to the reasonable satisfaction of HUD of a need for a higher percentage or number, based on census data or other available current data (including a currently effective Housing Assistance Plan or Comprehensive Homeless Assistance Plan), or in response to evidence of a need for a higher percentage or number received in any other manner. In reviewing such request or otherwise assessing the existence of such needs, HUD shall take into account the expected needs of eligible persons with and without handicaps.

§ 8.24 Existing housing programs.

(a) *General.* A recipient shall operate each existing housing program or ac-

tivity receiving Federal financial assistance so that the program or activity, when viewed in its entirety, is readily accessible to and usable by individuals with handicaps. This paragraph does not—

(1) Necessarily require a recipient to make each of its existing facilities accessible to and usable by individuals with handicaps;

(2) Require a recipient to take any action that it can demonstrate would result in a fundamental alteration in the nature of its program or activity or in undue financial and administrative burdens. If an action would result in such an alteration or such burdens, the recipient shall take any action that would not result in such an alteration or such burdens but would nevertheless ensure that individuals with handicaps receive the benefits and services of the program or activity.

(b) *Methods.* A recipient may comply with the requirements of this section through such means as reassignment of services to accessible buildings, assignment of aides to beneficiaries, provision of housing or related services at alternate accessible sites, alteration of existing facilities and construction of new facilities, or any other methods that result in making its programs or activities readily accessible to and usable by individuals with handicaps. A recipient is not required to make structural changes in existing housing facilities where other methods are effective in achieving compliance with this section or to provide supportive services that are not part of the program. In choosing among available methods for meeting the requirements of this section, the recipient shall give priority to those methods that offer programs and activities to qualified individuals with handicaps in the most integrated setting appropriate.

(c) *Time period for compliance.* The recipient shall comply with the obligations established under this section within sixty days of July 11, 1988 except that—

(1) In a public housing program where structural changes in facilities are undertaken, such changes shall be made within the timeframes established in § 8.25(c).

§ 8.25

24 CFR Subtitle A (4-1-07 Edition)

(2) In other housing programs, where structural changes in facilities are undertaken, such changes shall be made within three years of July 11, 1988, but in any event as expeditiously as possible.

(d) *Transition plan and time period for structural changes.* Except as provided in § 8.25(c), in the event that structural changes to facilities will be undertaken to achieve program accessibility, a recipient shall develop, within six months of July 11, 1988, a transition plan setting forth the steps necessary to complete such changes. The plan shall be developed with the assistance of interested persons, including individuals with handicaps or organizations representing individuals with handicaps. A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum—

(1) Identify physical obstacles in the recipient's facilities that limit the accessibility of its programs or activities to individuals with handicaps;

(2) Describe in detail the methods that will be used to make the facilities accessible;

(3) Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period;

(4) Indicate the official responsible for implementation of the plan; and

(5) Identify the persons or groups with whose assistance the plan was prepared.

§ 8.25 Public housing and multi-family Indian housing.

(a) *Development and alteration of public housing and multi-family Indian housing.* (1) The requirements of § 8.22 shall apply to all newly constructed public housing and multi-family Indian housing.

(2) The requirements of § 8.23 shall apply to public housing and multi-family Indian housing developed through

rehabilitation and to the alteration of public housing and multi-family Indian housing.

(3) In developing public housing and multi-family Indian housing through the purchase of existing properties PHAs and IHAs shall give priority to facilities which are readily accessible to and usable by individuals with handicaps.

(b) *Existing public housing and multi-family Indian housing—general.* The requirements of § 8.24(a) shall apply to public housing and multi-family Indian housing programs.

(c) *Existing public housing and multi-family Indian housing—needs assessment and transition plan.* As soon as possible, each PHA (for the purpose of this paragraph, this includes an Indian Housing Authority) shall assess, on a PHA-wide basis, the needs of current tenants and applicants on its waiting list for accessible units and the extent to which such needs have not been met or cannot reasonably be met within four years through development, alterations otherwise contemplated, or other programs administered by the PHA (e.g., Section 8 Moderate Rehabilitation or Section 8 Existing Housing or Housing Vouchers). If the PHA currently has no accessible units or if the PHA or HUD determines that information regarding the availability of accessible units has not been communicated sufficiently so that, as a result, the number of eligible qualified individuals with handicaps on the waiting list is not fairly representative of the number of such persons in the area, the PHA's assessment shall include the needs of eligible qualified individuals with handicaps in the area. If the PHA determines, on the basis of such assessment, that there is no need for additional accessible dwelling units or that the need is being or will be met within four years through other means, such as new construction, Section 8 or alterations otherwise contemplated, no further action is required by the PHA under this paragraph. If the PHA determines, on the basis of its needs assessment, that alterations to make additional units accessible must be made so that the needs of eligible qualified individuals with handicaps may be accommodated proportionally to the needs of non-handicapped individuals in the

Office of the Secretary, HUD

§ 8.27

same categories, then the PHA shall develop a transition plan to achieve program accessibility. The PHA shall complete the needs assessment and transition plan, if one is necessary, as expeditiously as possible, but in any event no later than two years after July 11, 1988. The PHA shall complete structural changes necessary to achieve program accessibility as soon as possible but in any event no later than four years after July 11, 1988. The Assistant Secretary for Fair Housing and Equal Opportunity and the Assistant Secretary for Public and Indian Housing may extend the four year period for a period not to exceed two years, on a case-by-case determination that compliance within that period would impose undue financial and administrative burdens on the operation of the recipient's public housing and multi-family Indian housing program. The Secretary or the Undersecretary may further extend this time period in extraordinary circumstances, for a period not to exceed one year. The plan shall be developed with the assistance of interested persons including individuals with handicaps or organizations representing individuals with handicaps. A copy of the needs assessment and transition plan shall be made available for public inspection. The transition plan shall, at a minimum—

(1) Identify physical obstacles in the PHA's facilities (e.g., dwelling units and common areas) that limit the accessibility of its programs or activities to individuals with handicaps;

(2) Describe in detail the methods that will be used to make the PHA's facilities accessible. A PHA may, if necessary, provide in its plan that it will seek HUD approval, under 24 CFR part 968, of a comprehensive modernization program to meet the needs of eligible individuals with handicaps;

(3) Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period;

(4) Indicate the official responsible for implementation of the plan; and

(5) Identify the persons or groups with whose assistance the plan was prepared.

§ 8.26 Distribution of accessible dwelling units.

Accessible dwelling units required by § 8.22, 8.23, 8.24 or 8.25 shall, to the maximum extent feasible and subject to reasonable health and safety requirements, be distributed throughout projects and sites and shall be available in a sufficient range of sizes and amenities so that a qualified individual with handicaps' choice of living arrangements is, as a whole, comparable to that of other persons eligible for housing assistance under the same program. This provision shall not be construed to require provision of an elevator in any multifamily housing project solely for the purpose of permitting location of accessible units above or below the accessible grade level.

§ 8.27 Occupancy of accessible dwelling units.

(a) Owners and managers of multifamily housing projects having accessible units shall adopt suitable means to assure that information regarding the availability of accessible units reaches eligible individuals with handicaps, and shall take reasonable non-discriminatory steps to maximize the utilization of such units by eligible individuals whose disability requires the accessibility features of the particular unit. To this end, when an accessible unit becomes vacant, the owner or manager before offering such units to a non-handicapped applicant shall offer such unit:

(1) First, to a current occupant of another unit of the same project, or comparable projects under common control, having handicaps requiring the accessibility features of the vacant unit and occupying a unit not having such features, or, if no such occupant exists, then

(2) Second, to an eligible qualified applicant on the waiting list having a

§ 8.28

handicap requiring the accessibility features of the vacant unit.

(b) When offering an accessible unit to an applicant not having handicaps requiring the accessibility features of the unit, the owner or manager may require the applicant to agree (and may incorporate this agreement in the lease) to move to a non-accessible unit when available.

§ 8.28 Housing certificate and housing voucher programs.

(a) In carrying out the requirements of this subpart, a recipient administering a Section 8 Existing Housing Certificate program or a housing voucher program shall:

(1) In providing notice of the availability and nature of housing assistance for low-income families under program requirements, adopt suitable means to assure that the notice reaches eligible individuals with handicaps;

(2) In its activities to encourage participation by owners, include encouragement of participation by owners having accessible units;

(3) When issuing a Housing Certificate or Housing Voucher to a family which includes an individual with handicaps include a current listing of available accessible units known to the PHA and, if necessary, otherwise assist the family in locating an available accessible dwelling unit;

(4) Take into account the special problem of ability to locate an accessible unit when considering requests by eligible individuals with handicaps for extensions of Housing Certificates or Housing Vouchers; and

(5) If necessary as a reasonable accommodation for a person with disabilities, approve a family request for an exception rent under § 982.504(b)(2) for a regular tenancy under the Section 8 certificate program so that the program is readily accessible to and usable by persons with disabilities.

(b) In order to ensure that participating owners do not discriminate in the recipient's federally assisted program, a recipient shall enter into a HUD-approved contract with participating owners, which contract shall in-

24 CFR Subtitle A (4-1-07 Edition)

clude necessary assurances of non-discrimination.

§ 8.29 Homeownership programs (sections 235(i) and 235(j), Turnkey III and Indian housing mutual self-help programs).

Any housing units newly constructed or rehabilitated for purchase or single family (including semi-attached and attached) units to be constructed or rehabilitated in a program or activity receiving Federal financial assistance shall be made accessible upon request of the prospective buyer if the nature of the handicap of an expected occupant so requires. In such case, the buyer shall consult with the seller or builder/sponsor regarding the specific design features to be provided. If accessibility features selected at the option of the homebuyer are ones covered by the standards prescribed by § 8.32, those features shall comply with the standards prescribed in § 8.32. The buyer shall be permitted to depart from particular specifications of these standards in order to accommodate his or her specific handicap. The cost of making a facility accessible under this paragraph may be included in the mortgage amount within the allowable mortgage limits, where applicable. To the extent such costs exceed allowable mortgage limits, they may be passed on to the prospective homebuyer, subject to maximum sales price limitations (see 24 CFR 235.320.)

§ 8.30 Rental rehabilitation program.

Each grantee or state recipient in the rental rehabilitation program shall, subject to the priority in 24 CFR 511.10(l) and in accordance with other requirements in 24 CFR part 511, give priority to the selection of projects that will result in dwelling units being made readily accessible to and usable by individuals with handicaps.

[53 FR 20233, June 2, 1988; 53 FR 28115, July 26, 1988]

§ 8.31 Historic properties.

If historic properties become subject to alterations to which this part applies the requirements of § 4.1.7 of the standards of § 8.32 of this part shall

apply, except in the case of the Urban Development Action Grant (UDAG) program. In the UDAG program the requirements of 36 CFR part 801 shall apply. Accessibility to historic properties subject to alterations need not be provided if such accessibility would substantially impair the significant historic features of the property or result in undue financial and administrative burdens.

§ 8.32 Accessibility standards.

(a) Effective as of July 11, 1988, design, construction, or alteration of buildings in conformance with sections 3-8 of the Uniform Federal Accessibility Standards (UFAS) shall be deemed to comply with the requirements of §§ 8.21, 8.22, 8.23, and 8.25 with respect to those buildings. Departures from particular technical and scoping requirements of the UFAS by the use of other methods are permitted where substantially equivalent or greater access to and usability of the building is provided. The alteration of housing facilities shall also be in conformance with additional scoping requirements contained in this part. Persons interested in obtaining a copy of the UFAS are directed to § 40.7 of this title.

(b) For purposes of this section, section 4.1.6(1)(g) of UFAS shall be interpreted to exempt from the requirements of UFAS only mechanical rooms and other spaces that, because of their intended use, will not require accessibility to the public or beneficiaries or result in the employment or residence therein of individuals with physical handicaps.

(c) This section does not require recipients to make building alterations that have little likelihood of being accomplished without removing or altering a load-bearing structural member.

(d) For purposes of this section, section 4.1.4(11) of UFAS may not be used to waive or lower the minimum of five percent accessible units required by § 8.22(b) or to apply the minimum only to projects of 15 or more dwelling units.

(e) Except as otherwise provided in this paragraph, the provisions of §§ 8.21 (a) and (b), 8.22 (a) and (b), 8.23, 8.25(a) (1) and (2), and 8.29 shall apply to facilities that are designed, constructed or

altered after July 11, 1988. If the design of a facility was commenced before July 11, 1988, the provisions shall be followed to the maximum extent practicable, as determined by the Department. For purposes of this paragraph, the date a facility is constructed or altered shall be deemed to be the date bids for the construction or alteration of the facility are solicited. For purposes of the Urban Development Action Grant (UDAG) program, the provisions shall apply to the construction or alteration of facilities that are funded under applications submitted after July 11, 1988. If the UDAG application was submitted before July 11, 1988, the provisions shall apply, to the maximum extent practicable, as determined by the Department.

[53 FR 20233, June 2, 1988, as amended at 61 FR 5203, Feb. 9, 1996]

§ 8.33 Housing adjustments.

A recipient shall modify its housing policies and practices to ensure that these policies and practices do not discriminate, on the basis of handicap, against a qualified individual with handicaps. The recipient may not impose upon individuals with handicaps other policies, such as the prohibition of assistive devices, auxiliary alarms, or guides in housing facilities, that have the effect of limiting the participation of tenants with handicaps in the recipient's federally assisted housing program or activity in violation of this part. Housing policies that the recipient can demonstrate are essential to the housing program or activity will not be regarded as discriminatory within the meaning of this section if modifications to them would result in a fundamental alteration in the nature of the program or activity or undue financial and administrative burdens.

Subpart D—Enforcement

§ 8.50 Assurances required.

(a) *Assurances.* An applicant for Federal financial assistance for a program or activity to which this part applies shall submit an assurance to HUD, or in the case of a subrecipient to a primary recipient, on a form specified by the responsible civil rights official,

§ 8.51

that the program or activity will be operated in compliance with this part. An applicant may incorporate these assurances by reference in subsequent applications to the Department.

(b) *Duration of obligation.* (1) In the case of Federal financial assistance extended in the form of real property or to provide real property or structures on the property, the assurance will obligate the recipient or, in the case of a subsequent transfer, the transferee, for the period during which the real property or structures are used for the purpose for which Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits.

(2) In the case of Federal financial assistance extended to provide personal property, the assurance will obligate the recipient for the period during which it retains ownership or possession of the property.

(3) In all other cases the assurance will obligate the recipient for the period during which Federal financial assistance is extended.

(c) *Covenants.* (1) Where Federal financial assistance is provided in the form of real property or interest in the property from the Department, the instrument effecting or recording this transfer shall contain a covenant running with the land to assure non-discrimination for the period during which the real property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits.

(2) Where no transfer of property is involved but property is purchased or improved with Federal financial assistance, the recipient shall agree to include the covenant described in paragraph (b)(2) of this section in the instrument effecting or recording any subsequent transfer of the property.

(3) Where Federal financial assistance is provided in the form of real property or interest in the property from the Department, the covenant shall also include a condition coupled with a right to be reserved by the Department to revert title to the property in the event of a breach of the covenant. If a transferee of real property proposes to mortgage or otherwise en-

24 CFR Subtitle A (4-1-07 Edition)

cumber the real property as security for financing construction of new, or improvement of existing, facilities on the property for the purposes for which the property was transferred, the Secretary may, upon request of the transferee and if necessary to accomplish such financing and upon such conditions as he or she deems appropriate, agree to forbear the exercise of such right to revert title for so long as the lien of such mortgage or other encumbrance remains effective.

§ 8.51 Self-evaluation.

(a) Each recipient shall, within one year of July 11, 1988, and after consultation with interested persons, including individuals with handicaps or organizations representing individuals with handicaps:

(1) Evaluate its current policies and practices to determine whether, in whole or in part, they do not or may not meet the requirements of this part;

(2) Modify any policies and practices that do not meet the requirements of this part; and

(3) Take appropriate corrective steps to remedy the discrimination revealed by the self-evaluation.

(b) A recipient that employs fifteen or more persons shall, for at least three years following completion of the evaluation required under paragraph (a)(1) of this section, maintain on file, make available for public inspection, and provide to the responsible civil rights official, upon request: (1) A list of the interested persons consulted; (2) a description of areas examined and any problems identified; and (3) a description of any modifications made and of any remedial steps taken.

§ 8.52 Remedial and affirmative action.

(a) *Remedial action.* (1) If the responsible civil rights official finds that a recipient has discriminated against persons on the basis of handicap in violation of section 504 or this part, the

Office of the Secretary, HUD

§ 8.55

recipient shall take such remedial action as the responsible civil rights official deems necessary to overcome the effects of the discrimination.

(2) The responsible civil rights official may, where necessary to overcome the effects of discrimination in violation of section 504 or this part, require a recipient to take remedial action—

(i) With respect to individuals with handicaps who are no longer participants in the program but who were participants in the program when such discrimination occurred or

(ii) With respect to individuals with handicaps who would have been participants in the program had the discrimination not occurred.

(b) *Voluntary action.* A recipient may take nondiscriminatory steps, in addition to any action that is required by this part, to overcome the effects of conditions that resulted in limited participation in the recipient's program or activity by qualified individuals with handicaps.

§ 8.53 Designation of responsible employee and adoption of grievance procedures.

(a) *Designation of responsible employee.* A recipient that employs fifteen or more persons shall designate at least one person to coordinate its efforts to comply with this part.

(b) *Adoption of grievance procedures.* A recipient that employs fifteen or more persons shall adopt grievance procedures that incorporate appropriate due process standards and that provide for the prompt and equitable resolution of complaints alleging any action prohibited by this part. Such procedures need not be established with respect to complaints from applicants for employment or from applicants for admission to housing covered by this part.

§ 8.54 Notice.

(a) A recipient that employs fifteen or more persons shall take appropriate initial and continuing steps to notify participants, beneficiaries, applicants, and employees, including those with impaired vision or hearing, and unions or professional organizations holding collective bargaining or professional agreements with the recipient that it

does not discriminate on the basis of handicap in violation of this part. The notification shall state, where appropriate, that the recipient does not discriminate in admission or access to, or treatment or employment in, its federally assisted programs and activities. The notification shall also include an identification of the responsible employee designated pursuant to § 8.53. A recipient shall make the initial notification required by this paragraph within 90 days of July 11, 1988. Methods of initial and continuing notification may include the posting of notices, publication in newspapers and magazines, placement of notices in recipients' publications, and distribution of memoranda or other written communications.

(b) If a recipient publishes or uses recruitment materials or publications containing general information that it makes available to participants, beneficiaries, applicants, or employees, it shall include in those materials or publications a statement of the policy described in paragraph (a) of this section. A recipient may meet the requirement of this paragraph either by including appropriate inserts in existing materials and publications or by revising and reprinting the materials and publications.

(c) The recipient shall ensure that members of the population eligible to be served or likely to be affected directly by a federally assisted program who have visual or hearing impairments are provided with the information necessary to understand and participate in the program. Methods for ensuring participation include, but are not limited to, qualified sign language and oral interpreters, readers, or the use of taped and Braille materials.

§ 8.55 Compliance information.

(a) *Cooperation and assistance.* The responsible civil rights official and the award official shall, to the fullest extent practicable, seek the cooperation of recipients in obtaining compliance with this part and shall provide assistance and guidance to recipients to help them comply voluntarily with this part.

(b) *Compliance reports.* Each recipient shall keep such records and submit to

§ 8.56

24 CFR Subtitle A (4-1-07 Edition)

the responsible civil rights official or his or her designee timely, complete, and accurate compliance reports at such times, and in such form and containing such information, as the responsible civil rights official or his or her designee may determine to be necessary to enable him or her to ascertain whether the recipient has complied or is complying with this part. In general, recipients should have available for the Department data showing the extent to which individuals with handicaps are beneficiaries of federally assisted programs.

(c) *Access to sources of information.* Each recipient shall permit access by the responsible civil rights official during normal business hours to such of its books, records, accounts, and other sources of information, and its facilities, as may be pertinent to ascertain compliance with this part. Where any information required of a recipient is in the exclusive possession of any other agency, institution, or person and this agency, institution, or person shall fail or refuse to furnish this information, the recipient shall so certify in its report and shall set forth what efforts it has made to obtain the information.

(d) *Information to beneficiaries and participants.* Each recipient shall make available to participants, beneficiaries, and other interested persons such information regarding the provisions of this part and its applicability to the program or activity under which the recipient receives Federal financial assistance, and make such information available to them in such manner as the responsible civil rights official finds necessary to apprise such persons of the protections against discrimination assured them by this part.

§ 8.56 Conduct of investigations.

(a) *Periodic compliance reviews.* The responsible civil rights official or designee may periodically review the practices of recipients to determine whether they are complying with this part and where he or she has a reasonable basis to do so may conduct on-site reviews. Such basis may include any evi-

dence that a problem exists or that programmatic matters exist that justify on-site investigation in selected circumstances. The responsible civil rights official shall initiate an on-site review by sending to the recipient a letter advising the recipient of the practices to be reviewed; the programs affected by the review; and the opportunity, at any time prior to receipt of a final determination, to make a documentary or other submission that explains, validates, or otherwise addresses the practices under review. In addition, each award official shall include in normal program compliance reviews and monitoring procedures appropriate actions to review and monitor compliance with general or specific program requirements designed to effectuate the requirements of this part.

(b) *Investigations.* The responsible civil rights official shall make a prompt investigation whenever a compliance review, report, complaint or any other information indicates a possible failure to comply with this part.

(c) *Filing a complaint—(1) Who may file.* Any person who believes that he or she has been subjected to discrimination prohibited by this part may by himself or herself or by his or her authorized representative file a complaint with the responsible civil rights official. Any person who believes that any specific class of persons has been subjected to discrimination prohibited by this part and who is a member of that class or who is the authorized representative of a member of that class may file a complaint with the responsible civil rights official.

(2) *Confidentiality.* The responsible civil rights official shall hold in confidence the identity of any person submitting a complaint, unless the person submits written authorization otherwise, and except to the extent necessary to carry out the purposes of this part, including the conduct of any investigation, hearing, or proceeding under this part.

(3) *When to file.* Complaints shall be filed within 180 days of the alleged act of discrimination, unless the responsible civil rights official waives this time limit for good cause shown. For purposes of determining when a complaint is filed under this paragraph, a

complaint mailed to the Department shall be deemed filed on the date it is postmarked. Any other complaint shall be deemed filed on the date it is received by the Department.

(4) *Where to file complaints.* Complaints may be filed by mail with the Office of Fair Housing and Equal Opportunity, Department of Housing and Urban Development, Washington, DC 20410, or any Regional or Field Office of the Department.

(5) *Contents of complaints.* Each complaint should contain the complainant's name and address, the name and address of the recipient alleged to have violated this part, and a description of the recipient's alleged discriminatory action in sufficient detail to inform the Department of the nature and date of the alleged violation of this part.

(6) *Amendments of complaints.* Complaints may be reasonably and fairly amended at any time. Amendments to complaints such as clarification and amplification of allegations in a complaint or the addition of other recipients may be made at any time during the pendency of the complaint and any amendment shall be deemed to be made as of the original filing date.

(d) *Notification.* The responsible civil rights official will notify the complainant and the recipient of the agency's receipt of the complaint within ten (10) calendar days.

(e) *Complaint processing procedures.* After acknowledging receipt of a complaint, the responsible civil rights official will immediately initiate complaint processing procedures.

(1) Preliminary investigation.

(i) Within twenty (20) calendar days of acknowledgement of the complaint, the responsible civil rights official will review the complaint for acceptance, rejection, or referral to the appropriate Federal agency.

(ii) If the complaint is accepted, the responsible civil rights official will notify the complainant and the award official. The responsible civil rights official will also notify the applicant or recipient complained against of the allegations and give the applicant or recipient an opportunity to make a written submission responding to, rebutting, or denying the allegations raised in the complaint.

(iii) The party complained against may send the responsible civil rights official a response to the notice of complaint within thirty (30) calendar days of receiving it. With leave of the responsible civil rights official, an answer may be amended at any time. The responsible civil rights official will permit answers to be amended for good cause shown.

(2) Informal resolution. In accordance with paragraph (j) of this section, the responsible civil rights official shall attempt to resolve complaints informally whenever possible.

(f) *Dismissal of complaint.* If the investigation reveals no violation of this part, the responsible civil rights official will dismiss the complaint and notify the complainant and recipient.

(g) *Letter of findings.* If an informal resolution of the complaint is not reached the responsible civil rights official or his or her designee shall, within 180 days of receipt of the complaint, notify the recipient and the complainant (if any) of the results of the investigation in a letter sent by certified mail, return receipt requested, containing the following:

(1) Preliminary findings of fact and a preliminary finding of compliance or noncompliance;

(2) A description of an appropriate remedy for each violation believed to exist;

(3) A notice that a copy of the Final Investigative Report of the Department will be made available, upon request, to the recipient and the complainant (if any); and

(4) A notice of the right of the recipient and the complainant (if any) to request a review of the letter of findings by the reviewing civil rights official.

(h) *Right to review of the letter of findings.* (1) A complainant or recipient may request that a complete review be made of the letter of findings within 30 days of receipt, by mailing or delivering to the reviewing civil rights official, Office of Fair Housing and Equal Opportunity, Washington, DC 20410, a written statement of the reasons why the letter of findings should be modified in light of supplementary information.

§ 8.57

(2) The reviewing civil rights official shall send by certified mail, return receipt requested, a copy of the request for review to the other party, if any. Such other party shall have 20 days to respond to the request for review.

(3) The reviewing civil rights official shall either sustain or modify the letter of findings within 60 days of the request for review. The reviewing civil rights official's decision shall constitute the formal determination.

(4) If neither party requests that the letter of findings be reviewed, the responsible civil rights official shall, within fourteen (14) calendar days of the expiration of the time period in paragraph (h)(1) of this section, send a formal written determination of compliance or noncompliance to the recipient and copies to the award official.

(i) *Voluntary compliance time limits.* The recipient will have ten (10) calendar days from receipt of the formal determination of noncompliance within which to come into voluntary compliance. If the recipient fails to meet this deadline, HUD shall proceed under § 8.57.

(j) *Informal resolution/voluntary compliance—(1) General.* It is the policy of the Department to encourage the informal resolution of matters. The responsible civil rights official may attempt to resolve a matter through informal means at any stage of processing. A matter may be resolved by informal means at any time. If a letter of findings making a preliminary finding of noncompliance is issued, the responsible civil rights official shall attempt to resolve the matter by informal means.

(2) *Objectives of informal resolution/voluntary compliance.* In attempting informal resolution, the responsible civil rights official shall attempt to achieve a just resolution of the matter and to obtain assurances where appropriate, that the recipient will satisfactorily remedy any violations of the rights of any complainant and will take such action as will assure the elimination of any violation of this part or the prevention of the occurrence of such violation in the future. The terms of such an informal resolution shall be reduced to a written voluntary compliance agreement, signed by the recipient and

24 CFR Subtitle A (4–1–07 Edition)

the responsible civil rights official, and be made part of the file for the matter. Such voluntary compliance agreements shall seek to protect the interests of the complainant (if any), other persons similarly situated, and the public interest.

(k) *Intimidatory or retaliatory acts prohibited.* No recipient or other person shall intimidate, threaten, coerce, or discriminate against any person for the purpose of interfering with any right or privilege secured by this part, or because he or she has made a complaint, testified, assisted, or participated in any manner in an investigation, proceeding, or hearing under this part. The identity of complainants shall be kept confidential except to the extent necessary to carry out the purposes of this part, including the conduct of investigation, hearing or judicial proceeding arising thereunder.

§ 8.57 Procedure for effecting compliance.

(a) *General.* If there appears to be a failure or threatened failure to comply with this part and if the noncompliance or threatened noncompliance cannot be corrected by informal means, compliance with this part may be effected by the suspension or termination of or refusal to grant or to continue Federal financial assistance, or by other means authorized by law. Such other means may include, but are not limited to:

(1) A referral to the Department of Justice with a recommendation that appropriate proceedings be brought to enforce any rights of the United States under any law of the United States, or any assurance or other contractual undertaking;

(2) The initiation of debarment proceedings pursuant to part 24 of this title; and

(3) Any applicable proceeding under State or local law.

(b) *Noncompliance with § 8.50.* If an applicant or a recipient of assistance under a contract which is extended or amended on or after July 11, 1988, fails or refuses to furnish an assurance required under § 8.50 or otherwise fails or

refuses to comply with the requirements imposed by that section, Federal financial assistance may be refused under paragraph (c) of this section. The Department is not required to provide assistance during the pendency of the administrative proceeding under such paragraph (c), except where the assistance is due and payable under a contract approved before July 11, 1988.

(c) *Termination of or refusal to grant or to continue Federal financial assistance.* No order suspending, terminating, or refusing to grant or continue Federal financial assistance shall become effective until:

(1) The responsible civil rights official has advised the applicant or recipient of its failure to comply and has determined that compliance cannot be secured by voluntary means;

(2) There has been an express finding on the record, after opportunity for hearing, of a failure by the applicant or recipient to comply with a requirement imposed under this part;

(3) The action has been approved by the Secretary; and

(4) The expiration of 30 days after the Secretary has filed with the committees of the House and Senate having legislative jurisdiction over the program or activity involved a full written report of the circumstances and the grounds for such action. Any action to suspend or terminate, or to refuse to grant or to continue Federal financial assistance shall be limited to the particular political entity, or part thereof, or other applicant or recipient as to whom such a finding has been made and shall be limited in its effect to the particular program, or part thereof, in which such noncompliance has been so found.

(d) *Notice to State or local government.* Whenever the Secretary determines that a State or unit of general local government which is a recipient of Federal financial assistance under title I of the Housing and Community Development Act of 1974, as amended (42 U.S.C. 5301-5318) has failed to comply with a requirement of this part with respect to a program or activity funded in whole or in part with such assistance, the Secretary shall notify the Governor of the State or the chief executive officer of the unit of general local

government of the noncompliance and shall request the Governor or the chief executive officer to secure compliance. The notice shall be given at least sixty days before:

(1) An order suspending, terminating, or refusing to grant or continue Federal financial assistance becomes effective under paragraph (c) of this section; or

(2) Any action to effect compliance by any other means authorized by law is taken under paragraph (a) of this section.

(e) *Other means authorized by law.* No action to effect compliance by any other means authorized by law shall be taken until:

(1) The responsible civil rights official has determined that compliance cannot be secured by voluntary means;

(2) The recipient or other person has been notified of its failure to comply and of the action to be taken to effect compliance; and

(3) At least 10 days have elapsed since the mailing of such notice to the applicant or recipient. During this period, additional efforts shall be made to persuade the applicant or recipient to comply with this part and to take such corrective action as may be appropriate.

However, this paragraph shall not be construed to prevent an award official from utilizing appropriate procedures and sanctions established under the program to assure or secure compliance with a specific requirement of the program designed to effectuate the objectives of this part.

§ 8.58 Hearings.

(a) *Opportunity for hearing.* Whenever an opportunity for a hearing is required by § 8.57(c), reasonable notice shall be given by registered or certified mail, return receipt requested, to the affected applicant or recipient. The notice shall:

Pt. 9

24 CFR Subtitle A (4-1-07 Edition)

(1) Fix a date not less than 20 days after the date of the notice for the applicant or recipient to request the administrative law judge to schedule a hearing, or

(2) Advise the applicant or recipient that the matter has been scheduled for hearing at a stated time and place. The time and place so fixed shall be reasonable and shall be subject to change for cause. The complainant, if any, shall be advised of the time and place of the hearing. An applicant or recipient may waive a hearing and submit written information and argument for the record. The failure of an applicant or recipient to request a hearing under this paragraph or to appear at a hearing for which a date has been set is a waiver of the right to a hearing under §8.57(c) and consent to the making of a decision on the basis of available information.

(b) *Hearing procedures.* Hearings shall be conducted in accordance with 24 CFR part 180.

§9.101 Purpose.

The purpose of this part is to effectuate section 119 of the Rehabilitation, Comprehensive Services, and Developmental Disabilities Amendments of 1978, which amended section 504 of the Rehabilitation Act of 1973 to prohibit discrimination on the basis of disability in programs or activities conducted by Executive agencies or the United States Postal Service.

§9.102 Applicability.

This part applies to all programs or activities conducted by the agency, except for programs or activities conducted outside the United States that do not involve individuals with disabilities in the United States.

§9.103 Definitions.

For purposes of this part:

Accessible: (1) When used with respect to the design, construction, or alteration of a facility or a portion of a facility other than an individual dwelling unit, means that the facility or portion of the facility when designed, constructed or altered, complies with applicable accessibility standards and can be approached, entered, and used by individuals with physical disabilities. The phrase “accessible to and usable by” is synonymous with accessible.

(2) When used with respect to the design, construction, or alteration of an individual dwelling unit, means that the unit is located on an accessible route and, when designed, constructed, altered or adapted, complies with applicable accessibility standards, and can be approached, entered, and used by individuals with physical disabilities. A unit that is on an accessible route and is adaptable and otherwise in compliance with the standards set forth in §9.151 is “accessible” within the meaning of this definition. When a unit in an existing facility which is

being made accessible as a result of alterations is intended for use by a specific qualified individual with disabilities (e.g., a current occupant of such unit or of another unit under the control of the same agency, or an applicant on a waiting list), the unit will be deemed accessible if it meets the requirements of applicable standards that address the particular disability or impairment of such person.

Accessible route means a continuous unobstructed path connecting accessible elements and spaces of a building or facility. Interior accessible routes may include corridors, floors, ramps, elevators, lifts, and clear floor space at fixtures. Exterior accessible routes may include parking access aisles, curb ramps, crosswalks at vehicular ways, walks, ramps and lifts.

ADA means the Americans with Disabilities Act of 1990 (42 U.S.C. 12101 through 12213)

ADA Accessibility Guidelines (ADAAG) means the Accessibility Guidelines issued under the ADA, and which are codified in the Appendix to 39 CFR part 1191.

Adaptability means the ability of certain building, spaces and elements, such as kitchen counters, sinks, and grab bars, to be added or altered, to accommodate the needs of persons with or without disabilities, or to accommodate the needs of persons with different types or degrees of disability. For example, in a unit adaptable for a person with impaired hearing, the wiring for visible emergency alarms may be installed but the alarms need not be installed until such time as the unit is made ready for occupancy by a person with impaired hearing.

Agency means the Department of Housing and Urban Development.

Alteration means a change to a building or facility or its permanent fixtures or equipment that affects or could affect the usability of the building or facility or part thereof. Alterations include, but are not limited to, remodeling, renovation, rehabilitation, reconstruction, historic restoration, changes or rearrangements of the structural parts and changes or rearrangements in the plan configuration of walls and full-height partitions. Normal maintenance, re-roofing, painting,

or wallpapering or changes to mechanical and electrical systems are not alterations unless they affect the usability of the building or facility.

Assistant Attorney General means the Assistant Attorney General, Civil Rights Division, United States Department of Justice.

Assistant Secretary means the Assistant Secretary of Housing and Urban Development for Fair Housing and Equal Opportunity.

Auxiliary aids means services or devices that enable persons with impaired sensory, manual, or communication skills to have an equal opportunity to participate in, and enjoy the benefits of, programs or activities conducted by the agency. For example, auxiliary aids useful for persons with impaired vision include readers, Brailled materials, audio recordings, and other similar services and devices. Auxiliary aids useful for persons with impaired hearing include telephone handset amplifiers, telephones compatible with hearing aids, telecommunication devices for deaf persons (TDD's), interpreters, note takers, written materials, and other similar services and devices.

Complete complaint means a written statement that contains the complainant's name and address and describes the agency's alleged discriminatory action in sufficient detail to inform the agency of the nature and date of the alleged violation of section 504. It shall be signed by the complainant or by someone authorized to do so on his or her behalf. Complaints filed on behalf of classes or third parties shall describe or identify (by name, if possible) the alleged victims of discrimination.

Current illegal use of drugs means illegal use of drugs that occurred recently enough to justify a reasonable belief that a person's drug use is current or that continuing use is a real and ongoing problem.

Drug means a controlled substance, as defined in schedules I through V of section 202 of the Controlled Substances Act (21 U.S.C. 812).

Facility means all or any portion of buildings, structures, site improvements, complexes, equipment, roads, walks, passageways, parking lots, rolling stock or other conveyances, or

§9.103

24 CFR Subtitle A (4-1-07 Edition)

other real or personal property located on a site.

Historic properties means those properties that are listed or are eligible for listing in the National Register of Historic Places, or such properties designated as historic under a statute of the appropriate State or local government body.

Illegal use of drugs means the use of one or more drugs, the possession or distribution of which is unlawful under the Controlled Substances Act (21 U.S.C. 812). The term “illegal use of drugs” does not include the use of a drug taken under supervision by a licensed health care professional, or other uses authorized by the Controlled Substances Act or other provisions of Federal law.

Individual with disabilities means any person who has a physical or mental impairment that substantially limits one or more major life activities, has a record of such an impairment, or is regarded as having such an impairment. As used in this definition, the phrase:

The term “physical or mental impairment” includes, but is not limited to, such diseases and conditions as orthopedic, visual, speech, and hearing impairments, cerebral palsy, autism, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, Human Immunodeficiency Virus disease (symptomatic or asymptomatic), mental retardation, emotional illness, drug addiction and alcoholism.

(2) The term “individual with disabilities” does not include:

(i) An individual who is currently engaging in the illegal use of drugs, when the agency acts on the basis of such

use. This exclusion, however, does not exclude an individual with disabilities who—

(A) Has successfully completed a supervised drug rehabilitation program, and is no longer engaging in the illegal use of drugs, or has otherwise been rehabilitated successfully, and is no longer engaging in such use;

(B) Is participating in a supervised rehabilitation program, and is no longer engaging in such use; or

(C) Is erroneously regarded as engaging in such use, but is not engaging in such use.

(ii) Except that it shall not violate this part for the agency to adopt or administer reasonable policies and procedures, including but not limited to drug testing, designed to ensure that an individual described in paragraphs (2)(i) (A) and (B) of this definition is no longer engaging in the illegal use of drugs.

(iii) Nothing in paragraph (2) of this definition shall be construed to encourage, prohibit, restrict or authorize the conduct of testing for illegal use of drugs.

(iv) The agency shall not deny health services provided under titles I, II and III of the Rehabilitation Act of 1973 (29 U.S.C. 701 through 777f) to an individual with disabilities on the basis of that individual's current illegal use of drugs, if the individual is otherwise entitled to such services.

(3) For purposes of employment, the term “individual with disabilities” does not include:

(i) An individual who has a currently contagious disease or infection and who, by reason of such disease or infection—

(A) Has been determined, in accordance with the provisions of §9.131, to pose a direct threat to the health or safety of other individuals, which threat cannot be eliminated or reduced by reasonable accommodation, or

(B) Is unable to perform the essential duties of the job, with or without reasonable accommodation; or

(ii) An individual who is an alcoholic and whose current use of alcohol prevents him or her from performing the duties of the job in question or whose employment would constitute a direct threat to the property or the safety of

others by reason of his or her current alcohol abuse.

(4) "Major life activities" means functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning, and working.

(5) "Has a record of such an impairment" means has a history of, or has been misclassified as having, a mental or physical impairment that substantially limits one or more major life activities.

(6) "Is regarded as having an impairment" means—

(i) Has a physical or mental impairment that does not substantially limit major life activities but is treated by the agency as constituting such a limitation;

(ii) Has a physical or mental impairment that substantially limits major life activities only as a result of the attitudes of others toward such impairment; or

(iii) Has none of the impairments defined in paragraph (1) of this definition but is treated by the agency as having such an impairment.

Project means the whole of one or more residential structures and appurtenant structures, equipment, roads, walks, and parking lots which are covered by a single mortgage or contract or otherwise treated as a whole by the agency for processing purposes, whether or not located on a common site.

Property Disposition Program (PDP) means the HUD program which administers the housing facilities that are either owned by the Secretary or where, even though the Secretary has not obtained title, the Secretary is mortgagee-in-possession. Such properties are deemed to be in the possession or control of the agency.

Qualified individual with disabilities means:

(1) With respect to any agency non-employment program or activity under

which a person is required to perform services or to achieve a level of accomplishment, an individual with disabilities who meets the essential eligibility requirements and who can achieve the purpose of the program or activity without modifications in the program or activity that the agency can demonstrate would result in a fundamental alteration in its nature; or

(2) With respect to any other agency non-employment program or activity, an individual with disabilities who meets the essential eligibility requirements for participation in, or receipt of benefits from, that program or activity.

(3) "Essential eligibility requirements" include stated eligibility requirements such as income, as well as other explicit or implicit requirements inherent in the nature of the program or activity, such as requirements that an occupant of a PDP multifamily housing facility be capable of meeting selection criteria and be capable of complying with all obligations of occupancy with or without supportive services provided by persons other than the agency.

(4) "Qualified person with disabilities" as that term is defined for purposes of employment in 29 CFR 1613.702(f), which is made applicable to this part by § 9.140.

Replacement cost of the completed facility means the current cost of construction and equipment for a newly constructed housing facility of the size and type being altered. Construction and equipment costs do not include the cost of land, demolition, site improvements, non-dwelling facilities and administrative costs for project development activities.

Secretary means the Secretary of Housing and Urban Development.

Section 504 means section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. 794). As used in this part, section 504 applies only to programs or activities conducted by the agency and not to federally assisted programs.

§ 9.110 Self-evaluation.

(a) The agency shall, within one year of the effective date of this part, evaluate its current policies and practices, and the effects of those policies and practices, including regulations, handbooks, notices and other written guidance, that do not or may not meet the requirements of this part. To the extent modification of any such policies is required, the agency shall take the necessary corrective actions.

(b) The agency shall provide an opportunity to interested persons, including individuals with disabilities or organizations representing individuals with disabilities, to participate in the self-evaluation process by submitting comments (both oral and written).

(c) The agency shall, for at least three years following the completion of the self-evaluation, maintain on file and make available for public inspection:

- (1) A list of interested persons;
- (2) A description of the areas examined and any problems identified; and
- (3) A description of any modifications made or to be made.

§ 9.111 Notice.

The agency shall make available to employees, applicants, participants, beneficiaries, and other interested persons information regarding the provisions of this part and its applicability to the programs or activities conducted by the agency. The agency shall make such information available to such persons in such manner as the Secretary finds necessary to apprise them of the protections against discrimination assured them by section 504 and this part. All publications and recruitment materials distributed to participants, beneficiaries, applicants or employees shall include a statement that the agency does not discriminate on the basis of

24 CFR Subtitle A (4-1-07 Edition)

disability. The notice shall include the name of the person or office responsible for the implementation of section 504.

§§ 9.112-9.129 [Reserved]

§ 9.130 General prohibitions against discrimination.

(a) No qualified individual with disabilities shall, on the basis of disability, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

(b)(1) The agency, in providing any housing, aid, benefit, or service, may not, directly or through contractual, licensing, or other arrangements, on the basis of disability—

(i) Deny a qualified individual with disabilities the opportunity to participate in or benefit from the housing, aid, benefit, or service;

(ii) Afford a qualified individual with disabilities an opportunity to participate in or benefit from the housing, aid, benefit, or service that is not equal to that afforded others;

(iii) Provide a qualified individual with disabilities with any housing, aid, benefit, or service that is not as effective in affording equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as that provided to others;

(iv) Provide different or separate housing, aid, benefits, or services to individuals with disabilities or to any class of individuals with disabilities than is provided to others unless such action is necessary to provide qualified individuals with disabilities with housing, aid, benefits, or services that are as effective as those provided to others;

(v) Deny a qualified individual with disabilities the opportunity to participate as a member of planning or advisory boards;

(vi) Deny a dwelling to an otherwise qualified buyer or renter because of a disability of that buyer or renter or a person residing in or intending to reside in that dwelling after it is sold, rented or made available; or

(vii) Otherwise limit a qualified individual with disabilities in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving the housing, aid, benefit, or service.

(2) For purposes of this part, housing, aids, benefits, and services, to be equally effective, are not required to produce the identical result or level of achievement for individuals with disabilities and for persons without disabilities, but must afford individuals with disabilities equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement.

(3) The agency may not deny a qualified individual with disabilities the opportunity to participate in programs or activities that are not separate or different, despite the existence of programs or activities that are permissibly separate or different for persons with disabilities.

(4) The agency may not, directly or through contractual or other arrangements, utilize criteria or methods of administration the purpose or effect of which would:

(i) Subject qualified individuals with disabilities to discrimination on the basis of disability; or

(ii) Defeat or substantially impair accomplishment of the objectives of a program or activity with respect to individuals with disabilities.

(5) The agency may not, in determining the site or location of a facility, make selections the purpose or effect of which would:

(i) Exclude individuals with disabilities from, deny them the benefits of, or otherwise subject them to discrimination under any program or activity conducted by the agency; or

(ii) Defeat or substantially impair the accomplishment of the objectives of a program or activity with respect to individuals with disabilities.

(6) The agency, in the selection of procurement contractors, may not use criteria that subject qualified individuals with disabilities to discrimination on the basis of disability.

(7) The agency may not administer a licensing or certification program in a manner that subjects qualified individuals with disabilities to discrimination

on the basis of disability, nor may the agency establish requirements for the programs or activities of licensees or certified entities that subject qualified individuals with disabilities to discrimination on the basis of disability. However, the programs or activities of entities that are licensed or certified by the agency are not, themselves, covered by this part.

(c)(1) Notwithstanding any other provision of this part, persons without disabilities may be excluded from the benefits of a program if the program is limited by Federal statute or Executive order to individuals with disabilities. A specific class of individuals with disabilities may be excluded from a program if the program is limited by Federal statute or Executive order to a different class of individuals.

(2) Certain agency programs operate under statutory definitions of "persons with disabilities" that are more restrictive than the definition of "individual with disabilities" contained in §9.103. Those definitions are not superseded or otherwise affected by this regulation.

(d) The agency shall administer programs and activities in the most integrated setting appropriate to the needs of qualified individuals with disabilities.

(e) The obligation to comply with this part is not obviated or alleviated by any State or local law or other requirement that, based on disability, imposes inconsistent or contradictory prohibitions or limits upon the eligibility of qualified individuals with disabilities to receive services or to practice any occupation or profession.

(f) The enumeration of specific forms of prohibited discrimination in paragraphs (b) and (d) of this section does not limit the general prohibition in paragraph (a) of this section.

§9.131 Direct threat.

(a) This part does not require the agency to permit an individual to participate in, or benefit from the goods, services, facilities, privileges, advantages and accommodations of that agency when that individual poses a direct threat to the health or safety of others.

§§ 9.132–9.139

(b) “Direct threat” means a significant risk to the health or safety of others that cannot be eliminated by a modification of policies, practices, or procedures, or by the provision of auxiliary aids or services.

(c) In determining whether an individual poses a direct threat to the health or safety of others, the agency must make an individualized assessment, based on reasonable judgment that relies on current medical knowledge or on the best available objective evidence to ascertain: the nature, duration, and severity of the risk; the probability that the potential injury will actually occur; and whether reasonable modifications of policies, practices, or procedures will mitigate the risk.

§§ 9.132–9.139 [Reserved]

§ 9.140 Employment.

No qualified individual with disabilities shall, on the basis of disability, be subjected to discrimination in employment under any program or activity conducted by the agency. The definitions, requirements, and procedures of section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791), as established by the Equal Employment Opportunity Commission in 29 CFR part 1613 (subpart G), shall apply to employment in federally conducted programs or activities.

§§ 9.141–9.148 [Reserved]

§ 9.149 Program accessibility: discrimination prohibited.

Except as otherwise provided in § 9.150, no qualified individual with disabilities shall, because the agency’s facilities are inaccessible to or unusable by individuals with disabilities, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

§ 9.150 Program accessibility: existing facilities.

(a) *General.* Except as otherwise provided in paragraph (e) of this section, the agency shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by in-

24 CFR Subtitle A (4–1–07 Edition)

dividuals with disabilities. This section does not—

(1) Necessarily require the agency to make each of its existing facilities accessible to and usable by individuals with disabilities;

(2) In the case of historic properties, require the agency to take any action that would result in a substantial impairment of significant historic features of an historic property; or

(3) Require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with § 9.150(a) would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the Secretary or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that individuals with disabilities receive the benefits and services of the program or activity.

(b) *Methods.* The agency may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock, or any other methods that result in making its programs or activities readily accessible to and usable by individuals with disabilities. The agency is not required to make structural changes in existing facilities where other methods are effective in achieving compliance

with this section. The agency, in making alterations to existing buildings, also shall meet accessibility requirements to the extent compelled by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151 through 4157), and any regulations implementing it. In choosing among available methods for meeting the requirements of this section, the agency shall give priority to those methods that offer programs and activities to qualified individuals with disabilities in the most integrated setting appropriate.

(c) *Time period for compliance.* The agency shall comply with the obligations established under this section within sixty days of July 18, 1994 except that where structural changes in facilities are undertaken, such changes shall be made within three years of July 18, 1994, but in any event as expeditiously as possible.

(d) *Transition plan.* In the event that structural changes to facilities will be undertaken to achieve program accessibility, the agency shall develop, within six months of July 18, 1994, a transition plan setting forth the steps necessary to complete such changes. The agency shall provide an opportunity to interested persons, including individuals with disabilities or organizations representing individuals with disabilities, to participate in the development of the transition plan by submitting comments (both oral and written). A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum—

(1) Identify physical obstacles in the agency's facilities that limit the accessibility of its programs or activities to individuals with disabilities;

(2) Describe in detail the methods that will be used to make the facilities accessible;

(3) Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period; and

(4) Indicate the official responsible for implementation of the plan.

(e) The requirements of paragraphs (a), (b), and (c) of this section shall apply to the Property Disposition Pro-

grams. However, this section does not require HUD to make alterations to existing facilities that are part of the Property Disposition Programs unless such alterations are necessary to meet the needs of a current or prospective tenant during the time when HUD expects to retain legal possession of the facilities, and there is no alternative method to meet the needs of that current or prospective tenant. Nothing in this section shall be construed to require alterations to make facilities accessible to persons with disabilities who are expected to occupy the facilities only after HUD relinquishes legal possession.

§9.151 Program accessibility: new construction and alterations.

Each building or part of a building that is constructed or altered by, on behalf of, or for the use of the agency shall be designed, constructed, or altered and provide emergency egress so as to be readily accessible to and usable by individuals with disabilities. The definitions, requirements, and accessibility standards that apply to buildings covered by this section are those contained in the UFAS, except where the ADAAG provides for greater accessibility for the type of construction or alteration being undertaken, and in this case, the definitions, requirements and standards of the ADAAG shall apply.

§9.152 Program accessibility: alterations of Property Disposition Program multifamily housing facilities.

(a) *Substantial alteration.* If the agency undertakes alterations to a PDP multifamily housing project that has 15 or more units and the cost of the alterations is 75 percent or more of the replacement cost of the completed facility, then the project shall be designed and altered to be readily accessible to and usable by individuals with disabilities. Subject to paragraph (c) of this section, a minimum of five percent of the total dwelling units, or at least one unit, whichever is greater, shall be made accessible for persons with mobility impairments. A unit that is on an accessible route and is adaptable and otherwise in compliance with the standards set forth in paragraph (d) of

§ 9.153

this section is accessible for purposes of this section. An additional two percent of the units (but not less than one unit) in such a project shall be accessible for persons with hearing or vision impairments. If state or local requirements for alterations require greater action than this paragraph, those requirements shall prevail.

(b) *Other alteration.* (1) Subject to paragraph (c) of this section, alterations to dwelling units in a PDP multifamily housing project shall, to the maximum extent feasible, be made to be readily accessible to and usable by individuals with disabilities. If alterations of single elements or spaces of a dwelling unit, when considered together, amount to an alteration of a dwelling unit, the entire dwelling unit shall be made accessible. Once five percent of the dwelling units in a project are readily accessible to and usable by individuals with mobility impairments, then no additional elements of dwelling units, or entire dwelling units, are required to be accessible under this paragraph. Once two percent of the dwelling units in a project are readily accessible to or usable by individuals with hearing or vision impairments, then no additional elements of dwelling units, or entire dwelling units, are required to be accessible under this paragraph.

(2) Alterations to common areas or parts of facilities that affect accessibility of existing housing facilities, shall, to the maximum extent feasible, be made to be accessible to and usable by individuals with disabilities.

(c) The agency may establish a higher percentage or number of accessible units than that prescribed in paragraphs (a) or (b) of this section if the agency determines that there is a need for a higher percentage or number, based on census data or other available current data. In making such a determination, HUD shall take into account the expected needs of eligible persons with and without disabilities.

(d) The definitions, requirements, and accessibility standards that apply to PDP multifamily housing projects covered by this section are those contained in the UFAS, except where the ADAAG provides for greater accessibility for the type of alteration being

24 CFR Subtitle A (4-1-07 Edition)

undertaken, and, in this case, the definitions, requirements and standards of the ADAAG shall apply.

(e) With respect to multifamily housing projects operated by HUD, but in which HUD does not have an ownership interest, alterations under this section need not be made if doing so would impose undue financial and administrative burdens on the operation of the multifamily housing project.

§ 9.153 Distribution of accessible dwelling units.

Accessible dwelling units required by § 9.152 shall, to the maximum extent feasible, be distributed throughout projects and sites and shall be available in a sufficient range of sizes and amenities so that a qualified individual with disabilities' choice of living arrangements is, as a whole, comparable to that of other persons eligible for housing assistance under the same agency conducted program. This provision shall not be construed to require (but does allow) the provision of an elevator in any multifamily housing project solely for the purpose of permitting location of accessible units above or below the accessible grade level.

§ 9.154 Occupancy of accessible dwelling units.

(a) The agency shall adopt suitable means to assure that information regarding the availability of accessible units in PDP housing facilities reaches eligible individuals with disabilities, and shall take reasonable nondiscriminatory steps to maximize the utilization of such units by eligible individuals whose disability requires the accessibility features of the particular unit. To this end, when an accessible unit becomes vacant, the agency (or its management agent) before offering such units to an applicant without disabilities shall offer such unit:

(1) First, to a current occupant of another unit of the same project, or comparable projects under common control, having disabilities requiring the accessibility features of the vacant unit and occupying a unit not having such features, or, if no such occupant exists, then

(2) Second, to an eligible qualified applicant on the waiting list having a disability requiring the accessibility features of the vacant unit.

(b) When offering an accessible unit to an applicant not having disabilities requiring the accessibility features of the unit, the agency may require the applicant to agree (and may incorporate this agreement in the lease) to move to a non-accessible unit when available.

§ 9.155 Housing adjustments.

(a) The agency shall modify its housing policies and practices as they relate to PDP housing facilities to ensure that these policies and practices do not discriminate, on the basis of disability, against a qualified individual with disabilities. The agency may not impose upon individuals with disabilities other policies, such as the prohibition of assistive devices, auxiliary aids, alarms, or guides in housing facilities, that have the effect of limiting the participation of tenants with disabilities in any agency conducted housing program or activity in violation of this part. Housing policies that the agency can demonstrate are essential to the housing program or activity will not be regarded as discriminatory within the meaning of this section if modifications would result in a fundamental alteration in the nature of the program or activity or undue financial and administrative burdens.

(b) The decision that compliance would result in such alteration or burdens must be made by the Secretary or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, individuals with disabilities receive the benefits and services of the program or activity.

§ 9.160 Communications.

(a) The agency shall take appropriate steps to ensure effective communication with applicants, participants, personnel of other Federal entities, and members of the public.

(1) The agency shall furnish appropriate auxiliary aids where necessary to afford an individual with disabilities an equal opportunity to participate in, and enjoy the benefits of, a program or activity conducted by the agency.

(i) In determining what type of auxiliary aid is necessary, the agency shall give primary consideration to the requests of the individual with disabilities.

(ii) The agency need not provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature.

(2) Where the agency communicates with applicants and beneficiaries or members of the public by telephone, telecommunication devices for deaf persons (TDD's) or equally effective telecommunication systems shall be used to communicate with persons with impaired hearing.

(b) The agency shall ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities, and facilities.

(c) The agency shall provide signage at a primary entrance to each of its inaccessible facilities, directing users to a location at which they can obtain information about accessible facilities. The international symbol for accessibility shall be used at each primary entrance of an accessible facility.

(d) This section does not require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with this section would result in such alteration or burdens. The decision that compliance

§9.170

would result in such alteration or burdens must be made by the Secretary or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with §9.160 would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, individuals with disabilities receive the benefits and services of the program or activity.

§9.170 Compliance procedures.

(a) Except as provided in paragraph (b) of this section, this section applies to all allegations of discrimination on the basis of disability in programs or activities conducted by the agency.

(b) The agency shall process complaints alleging violations of section 504 with respect to employment according to the procedures established by the Equal Employment Opportunity Commission in 29 CFR part 1613 under section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791).

(c) The Responsible Official shall coordinate implementation of this section.

(d) Persons may submit complete complaints to the Assistant Secretary for Fair Housing and Equal Opportunity, 451 Seventh St., SW., Washington, DC 20410, or to any HUD Area Office. The agency shall accept and investigate all complete complaints for which the agency has jurisdiction. All complete complaints shall be filed within 180 days of the alleged act of discrimination. The agency may extend this time period for good cause. For purposes of determining when a complaint is filed, a complaint mailed to the agency shall be deemed filed on the date it is postmarked. Any other complaint shall be deemed filed on the date it is received by the agency. The agency shall acknowledge all complaints, in writing, within ten (10) working days of receipt of the complaint.

(e) If the agency receives a complaint over which it does not have jurisdic-

24 CFR Subtitle A (4-1-07 Edition)

tion, it shall promptly notify the complainant and shall make reasonable efforts to refer the complaint to the appropriate Government entity.

(f) The agency shall notify the Architectural and Transportation Barriers Compliance Board upon receipt of any complaint alleging that a building or facility that is subject to the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151 through 4157), is not readily accessible to and usable by individuals with disabilities. The agency shall delete the identity of the complainant from the copy of the complaint.

(g)(1) Within 180 days of the receipt of a complete complaint for which it has jurisdiction, the Office of Fair Housing and Equal Opportunity shall complete the investigation of the complaint, attempt informal resolution, and if no informal resolution is achieved, issue a letter of findings. If a complaint is filed against the Office of Fair Housing and Equal Opportunity, the Secretary or a designee of the Secretary shall investigate and resolve the complaint through informal agreement or letter of findings.

(2) If a complaint is resolved informally, the terms of the agreement shall be reduced to writing and made part of the complaint file, with a copy of the agreement provided to the complainant and the agency. The written agreement may include a finding on the issue of discrimination and shall describe any corrective action to which the complainant and the respondent have agreed.

(3) If a complaint is not resolved informally, the Office of Fair Housing and Equal Opportunity or a person designated under this paragraph shall notify the complainant of the results of the investigation in a letter containing—

(i) Findings of fact and conclusions of law;

(ii) A description of a remedy for each violation found;

(iii) A notice of the right to appeal to the Secretary;

(h)(1) Appeals of the findings of fact and conclusions of law or remedies must be filed by the complainant within 90 days of receipt from the agency of

Office of the Secretary, HUD

§ 10.1

the letter required by § 9.170(g). The Assistant Secretary or the person designated by the Secretary to decide an appeal of a complaint filed against the Office of Fair Housing and Equal Opportunity may extend this time for good cause.

(2) Timely appeals shall be accepted and processed by the Assistant Secretary. Decisions on an appeal shall not be issued by the person who made the initial determination.

(i) The Assistant Secretary or the person designated by the Secretary to decide an appeal of a complaint filed against the Office of Fair Housing and Equal Opportunity shall notify the complainant of the results of the appeal within 60 days of the receipt of the request. If the agency determines that it needs additional information from the complainant, it shall have 60 days from the date it receives the additional information to make its determination on the appeal.

(j) The time limits cited in paragraphs (g) and (i) of this section may be extended with the permission of the Assistant Attorney General.

(k) The agency may delegate its authority for conducting complaint investigations to other Federal agencies, except that the authority for making the final determination may not be delegated to another agency.

Subpart A—General

§ 10.1 Policy.

It is the policy of the Department of Housing and Urban Development to provide for public participation in rulemaking with respect to all HUD programs and functions, including matters that relate to public property, loans, grants, benefits, or contracts even though such matters would not otherwise be subject to rulemaking by law or Executive policy. The Department therefore publishes notices of proposed rulemaking in the FEDERAL REGISTER and gives interested persons an opportunity to participate in the rulemaking through submission of written data, views, and arguments with or without opportunity for oral presentation. It is the policy of the Department that its notices of proposed rulemaking are to afford the public not less than sixty days for submission of comments. For some rules the Secretary will employ additional methods of inviting public participation. These methods include, but are not limited to, publishing Advance Notices of Proposed Rulemaking (ANPR), conducting public surveys, and convening public forums or panels. An ANPR will be used to solicit public comment early in the rulemaking process for significant rules unless the Secretary grants an exception based upon legitimate and pressing time constraints. Unless required by statute, notice and public procedure will be omitted if the Department determines in a particular case or class of cases that notice and public procedure are impracticable, unnecessary or contrary to the public interest. In a particular case, the reasons for the determination shall be stated in the rulemaking document. Notice and public procedure may also be omitted with respect to statements of policy, interpretative rules, rules governing the Department's organization or its own internal practices or procedures, or if a statute expressly so authorizes. A final substantive rule will be published not less than 30 days before its effective date, unless it grants or recognizes an exemption or relieves a restriction or unless the rule

§ 10.2

itself states good cause for taking effect upon publication or less than 30 days thereafter. Statements of policy and interpretative rules will usually be made effective on the date of publication.

[44 FR 1606, Jan. 5, 1979, as amended at 47 FR 56625, Dec. 20, 1982]

§ 10.2 Definitions.

(a) *Rule or Regulation* means all or part of any Departmental statement of general or particular applicability and future effect designed to: (1) Implement, interpret, or prescribe law or policy, or (2) describe the Department's organization, or its procedure or practice requirements. The term *regulation* is sometimes applied to a rule which has been published in the *Code of Federal Regulations*.

(b) *Rulemaking* means the Departmental process for considering and formulating the issuance, modification, or repeal of a rule.

(c) *Secretary* means the Secretary or the Under Secretary of Housing and Urban Development, or an official to whom the Secretary has expressly delegated authority to issue rules.

§ 10.3 Applicability.

(a) This part prescribes general rulemaking procedures for the issuance, amendment, or repeal of rules in which participation by interested persons is required by 5 U.S.C. or by Department policy.

(b) The authority to issue rules, delegated by the Secretary, may not be re-delegated unless expressly permitted.

(c) This part is not applicable to a termination by HUD under 24 CFR part 966 (public housing) or 24 CFR part 950 (Indian housing) that the law of a jurisdiction requires that, prior to eviction, a tenant be given a hearing in court which provides the basic elements of due process ("due process determination").

§ 10.4 Rules docket.

(a) All documents relating to rulemaking procedures including but not limited to advance notices of proposed rulemaking, notices of proposed rule-

making, written comments received in response to notices, withdrawals or terminations of proposed rulemaking, petitions for rulemaking, requests for oral argument in public participation cases, requests for extension of time, grants or denials of petitions or requests, transcripts or minutes of informal hearings, final rules and general notices are maintained in the Rules Docket Room (Room 5218), Department of Housing and Urban Development, 451 7th Street, SW., Washington, DC 20410. All public rulemaking comments should refer to the docket number which appears in the heading of the rule and should be addressed to the Rules Docket Clerk, Room 5218, Department of Housing and Urban Development, 451 7th Street, SW., Washington, DC 20410.

(b) Documents relating to rulemaking proceedings are public records. After a docket is established, any person may examine docketed material at any time during regular business hours, and may obtain a copy of any docketed material upon payment of the prescribed fee. (See part 15 of this title).

Subpart B—Procedures

§ 10.6 Initiation of rulemaking.

Rulemaking proceedings may be initiated on the Secretary's motion, or on the recommendation of a Federal, State, or local government or government agency, or on the petition of any interested person.

§ 10.7 Advance Notice of Proposed Rulemaking.

An Advance Notice of Proposed Rulemaking issued in accordance with § 10.1 of this part is published in the FEDERAL REGISTER and briefly outlines:

(a) The proposed new program or program changes, and why they are needed;

(b) The major policy issues involved;

(c) A request for comments, both specific and general, as to the need for the proposed rule and the provisions that the rule might include;

(d) If appropriate, a list of questions about the proposal that will elicit detailed comments;

(e) If known, an estimate of the reporting or recordkeeping requirements, if any, that the rule would impose; and

(f) Where comments should be addressed and the time within which they must be submitted.

§ 10.8 Notice of proposed rulemaking.

Each notice of proposed rulemaking required by statute or by § 10.1 is published in the FEDERAL REGISTER and includes:

(a) The substance or terms of the proposed rule or a description of the subject matter and issues involved;

(b) A statement of how and to what extent interested persons may participate in the proceeding;

(c) Where participation is limited to written comments, a statement of the time within which such comments must be submitted;

(d) A reference to the legal authority under which the proposal is issued; and

(e) In a proceeding which has provided Advance Notice of Proposed Rulemaking, an analysis of the principal issues and recommendations raised by the comments, and the manner in which they have been addressed in the proposed rulemaking.

§ 10.10 Participation by interested persons.

(a) Unless the notice otherwise provides, any interested person may participate in rulemaking proceedings by submitting written data, views or arguments within the comment time stated in the notice. In addition, the Secretary may permit the filing of comments in response to original comments.

(b) In appropriate cases, the Secretary may provide for oral presentation of views in additional proceedings described in § 10.12.

§ 10.12 Additional rulemaking proceedings.

The Secretary may invite interested persons to present oral arguments, appear at informal hearings, or participate in any other procedure affording opportunity for oral presentation of views. The transcript or minutes of such meetings, as appropriate, will be kept and filed in the Rules Docket.

§ 10.14 Hearings.

(a) The provisions of 5 U.S.C. 556 and 557, which govern formal hearings in adjudicatory proceedings, do not apply to informal rule making proceedings described in this part. When opportunity is afforded for oral presentation, such informal *hearing* is a non-adversary, fact-finding proceeding. Any rule issued in a proceeding under this part in which a hearing is held is not based exclusively on the record of such hearing.

(b) When a hearing is provided, the Secretary will designate a representative to conduct the hearing, and if the presence of a legal officer is desirable, the General Counsel will designate a staff attorney to serve as the officer.

§ 10.16 Adoption of a final rule.

All timely comments are considered in taking final action on a proposed rule. Each preamble to a final rule will contain a short analysis and evaluation of the relevant significant issues set forth in the comments submitted, and a clear concise statement of the basis and purpose of the rule.

§ 10.18 Petitions for reconsideration.

Petitions for reconsideration of a final rule will not be considered. Such petitions, if filed, will be treated as petitions for rulemaking in accordance with § 10.20.

§ 10.20 Petition for rulemaking.

(a) Any interested person may petition the Secretary for the issuance, amendment, or repeal of a rule. Each petition shall:

(1) Be submitted to the Rules Docket Clerk, Room 5218, Department of Housing and Urban Development, Washington, DC 20410;

(2) Set forth the text of substance of the rule or amendment proposed or specify the rule sought to be repealed;

(3) Explain the interest of the petitioner in the action sought; and

(4) Set forth all data and arguments available to the petitioner in support of the action sought.

(b) No public procedures will be held directly on the petition before its disposition. If the Secretary finds that the

Pt. 13

petition contains adequate justification, a rulemaking proceeding will be initiated or a final rule will be issued as appropriate. If the Secretary finds that the petition does not contain adequate justification, the petition will be denied by letter or other notice, with a brief statement of the ground for denial. The Secretary may consider new evidence at any time; however, repetitious petitions for rulemaking will not be considered.

(b) Appeals of decisions of contracting officers made pursuant to section 6 of the Contract Disputes Act of 1978 (41 U.S.C. 605) before agency boards

of contract appeals as provided in section 8 of that Act (41 U.S.C. 607).

Agency counsel (a) When the position of the Department is being represented, the attorney or attorneys designated by the Department's General Counsel to represent the Department in a proceeding covered by this part, and

(b) When the position of another agency of the United States is being represented, the representative as designated by that agency.

Department. The Department of Housing and Urban Development, or the organizational unit within the Department responsible for conducting an adversary adjudication subject to this part.

Proceeding. An adversary adjudication as defined above.

Secretary. The Secretary of Housing and Urban Development.

§ 14.100 Time computation.

Time periods stated in this part shall be computed in accordance with the Department's rules with respect to computation of time which apply to the underlying proceeding.

§ 14.105 Purpose of these rules.

The Act provides for the award of attorney fees and other expenses to eligible individuals and entities who are parties to certain administrative proceedings (*adversary adjudications*) before the Department. An eligible party may receive an award when it prevails over an agency, unless the agency's position was substantially justified or special circumstances make an award unjust. The rules in this part described the parties eligible for awards and the proceedings that are covered. They also explain how to apply for awards and the procedures and standards that the Department will use to make them.

§ 14.110 When the Act applies.

The Act applies to any adversary adjudication pending or commenced before this Department on or after August 5, 1985. It also applies to any adversary adjudication commenced on or after October 1, 1984, and finally disposed of before August 5, 1985, provided that an application for fees and expenses, as described in subpart B of

§ 14.115

these rules, has been filed with the Department no later than 30 days after August 5, 1985, and to any adversary adjudication pending on or commenced on or after October 1, 1981, in which an application for fees and other expenses was timely filed and was dismissed for lack of jurisdiction.

§ 14.115 Proceedings covered.

(a) The proceedings to which this part applies are adversary adjudications conducted by the Department under:

(1) The Interstate Land Sales Full Disclosure Act, as amended, 15 U.S.C. 1701 *et seq.*, pursuant to 15 U.S.C. 1715 and 24 CFR part 1720;

(2) Section 602 of the Civil Rights Act of 1964, 42 U.S.C. 2000d-1, and 24 CFR parts 1 and 2;

(3) Section 505(a) of the Rehabilitation Act of 1973, as amended, 29 U.S.C. 794a, 28 CFR part 41, and any applicable HUD regulations;

(4) Section 305(a) of the Age Discrimination Act of 1975, 42 U.S.C. 6104(a), 45 CFR part 90 and any applicable HUD regulations;

(5) Section 3 of the HUD Act of 1968, 12 U.S.C. 1701u (Employment Opportunities for Business and Lower Income Persons in Connection with Assisted Persons Projected), and 24 CFR part 135;

(6) Debt Collection Act of 1982 (Salary Offset), 5 U.S.C. 5514, and 24 CFR 17.125-.140;

(7) Manufactured Home Construction and Safety Standards Act of 1974, 42 U.S.C. 5401 *et seq.*, and 24 CFR part 3280;

(8) Section 111 of title I of the Housing and Community Development Act of 1974, 42 U.S.C. 5311, and 24 CFR 570.913;

(9) Appeals of decisions of contracting officers made pursuant to section 6 of the Contract Disputes Act of 1978 (41 U.S.C. 605) before the HUD Board of Contract Appeals as provided in section 8 of that Act (41 U.S.C. 607); or

(10) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. 3600-3620) and 24 CFR part 104.

(b) The Department's failure to identify a type of proceeding as an adversary adjudication shall not preclude the filing of an application by a party who believes the proceeding is covered

24 CFR Subtitle A (4-1-07 Edition)

by the Act; whether the proceeding is covered will then be an issue for resolution in proceedings on the application.

(c) If a proceeding includes both matters covered by the Act and matters specifically excluded from coverage, any award made will include only fees and expenses related to covered issues.

[52 FR 27126, July 17, 1987, as amended at 54 FR 3283, Jan. 23, 1989]

§ 14.120 Eligibility of applicants.

(a) To be eligible for an award of attorney fees and other expenses under the Act, the applicant must be a party to the adversary adjudication for which it seeks an award. The term *party* is defined in 5 U.S.C. 551(3). The applicant must show that it meets all conditions of eligibility set out in this subpart and in subpart B.

(b) The types of eligible applicants are as follows:

(1) An individual with a net worth of not more than \$2 million;

(2) The sole owner of an unincorporated business who has a net worth of not more than \$7 million, including both personal and business interests, and not more than 500 employees;

(3) A charitable or other tax-exempt organization described in section 501(c)(3) of the Internal Revenue Code, 26 U.S.C. 501(c)(3), with not more than 500 employees;

(4) A cooperative association as defined in section 15(a) of the Agricultural Marketing Act, 12 U.S.C. 1141j(a), with not more than 500 employees; or

(5) Any other partnership, corporation, association, unit of local government, or organization with a net worth of not more than \$7 million and not more than 500 employees.

(c) For the purpose of eligibility, the net worth and number of employees of an applicant shall be determined as of the date the proceeding was initiated. For the purpose of eligibility of applicants before the HUD Board of Contract Appeals, the net worth and number of employees of an applicant shall be determined as of the date the applicant filed its appeal under 41 U.S.C. 606.

(d) An applicant who owns an unincorporated business will be considered as an *individual* rather than a *sole owner of an unincorporated business* if the issues on which the application

prevails are related primarily to personal interests rather than to business interests.

(e) The employees of an applicant include all persons who regularly perform services for remuneration for the applicant, under the applicant's direction and control. Part-time employees shall be included on a proportional basis.

(f) The net worth and number of employees of the applicant and all of its affiliates shall be aggregated to determine eligibility. Any individual, corporation or other entity that directly or indirectly controls or owns a majority of the voting shares or other interests of the applicant, or any corporation or other entity of which the applicant directly or indirectly owns or controls a majority of the voting shares or other interest, will be considered an affiliate for purposes of this part, unless the adjudicative officer determines that such treatment would be unjust and contrary to the purposes of the Act in light of the actual relationship between the affiliated entities. In addition, the adjudicative officer may determine that financial relationships of the applicant other than those described in this paragraph constitute special circumstances that would make an award unjust.

(g) An applicant that participates in a proceeding primarily on behalf of one or more other persons or entities that would be ineligible is not itself eligible for an award.

§ 14.125 Standards for awards.

(a) A prevailing applicant may receive an award for fees and expenses incurred in connection with a proceeding, or in a significant and discrete substantive portion of the proceeding, unless the position of the agency over which the applicant has prevailed was substantially justified. The position of the agency includes, in addition to the position taken by the agency in the adversary adjudication, the action or failure to act by the agency upon which the adversary adjudication is based. The burden of proof that an award should not be made to an ineligible prevailing applicant because the agency's position was substantially justified is on the agency counsel, who may avoid

an award by showing that its position was reasonable in law and fact.

(b) An award will be reduced or denied if the applicant has unduly or unreasonably protracted the proceeding, if the applicant has falsified the application (including documentation) or net worth exhibit or if special circumstances make the award sought unjust.

§ 14.130 Allowable fees and expenses.

(a) No award for the fee of an attorney or agent under these rules may exceed \$75.00 per hour. However, an award may also include the reasonable expenses of the attorney, agent or witness as a separate item, if the attorney, agent or witness ordinarily charges clients separately for such expenses.

(b) In determining the reasonableness of the fee sought for an attorney, agent or expert witness, the adjudicative officer shall consider the following:

(1) If the attorney, agent or witness is in private practice, his or her customary fee for similar services, or, if an employee of the applicant, the fully allocated cost of the services;

(2) The prevailing rate for the kind and quality of services furnished in the community in which the attorney, agent or witness ordinarily performs services;

(3) The time actually spent in the representation of the applicant;

(4) The time reasonably spent in the light of the difficulty or complexity of the issues in the proceeding; and

(5) Such other factors as may bear on the value of the services provided.

(c) The reasonable cost of any study, analysis, engineering report, test, project, or similar matter prepared on behalf of a party may be awarded, to the extent that the charge for the services does not exceed the prevailing rate for similar services, and the study or other matter was necessary for preparation of the applicant's case.

§ 14.135 Rulemaking on maximum rates for attorney fees.

Any person may file with the Department a petition for rulemaking to increase the maximum rate for attorney fees as provided in 5 U.S.C. 504(b)(1)(A)(ii), in accordance with 24

§ 14.140

CFR part 10. The petition should identify the rate the petitioner believes the Department should establish and the types of proceedings in which the rate should be used. It should also explain fully the reasons why the higher rate is warranted. The Department will respond to the petition in accordance with 24 CFR 10.20(b).

§ 14.140 Awards against other agencies.

If an applicant is entitled to an award because it prevails over another agency of the United States that participates in a proceeding before the Department and takes a position that is not substantially justified, the award or an appropriate portion of the award shall be made against that agency.

Subpart B—Information Required From Applicants

§ 14.200 Contents of application.

(a) An application for an award of fees and expenses under the Act shall identify the applicant and the proceeding for which an award is sought. The application shall show that the applicant has prevailed and identify the position of the Department or other agencies that the applicant alleges was not substantially justified. Unless the applicant is an individual, the application shall also state the number of employees of the applicant and describe briefly the type and purpose of its organization or business.

(b) The application shall also include a statement that the applicant's net worth does not exceed \$2 million (if an individual) or \$7 million (for all other applicants, including their affiliates). However, an applicant may omit this statement if:

(1) It attaches a copy of a ruling by the Internal Revenue Service that it qualifies as an organization described in section 501(c)(3) of the Internal Revenue Code, 26 U.S.C. 501(c)(3), or, in the case of a tax-exempt organization not required to obtain a ruling from the Internal Revenue Service on its exempt status, a statement that describes the basis for the applicant's belief that it qualifies under such section; or

(2) It states that it is a cooperative association as defined in section 15(a)

24 CFR Subtitle A (4–1–07 Edition)

of the Agricultural Marketing Act, 12 U.S.C. 1141j(a).

(c) If the applicant is a partnership, corporation, association, or organization, or a sole owner of an unincorporated business, the applicant shall state that it did not have more than 500 employees at the time the proceeding was initiated, giving the number of its employees and describing briefly the type and purpose of its organization or business.

(d) The application shall also itemize the amount of fees and expenses for which an award is sought.

(e) The application also may include any other matters that the applicant wishes the Department to consider in determining whether and in what amount an award should be made.

(f) The application shall be signed by the applicant or an authorized officer with respect to the eligibility of the applicant and by the attorney of the applicant with respect to fees and expenses sought. The application shall contain or be accompanied by a written verification under oath or affirmation under penalty of perjury that the information provided in the application and all accompanying material is true and complete to the best of the applicant's or authorized officer's information and belief.

(Approved by the Office of Management and Budget under control number 2510-0001)

§ 14.205 Net worth exhibit.

(a) Each applicant except a qualified tax-exempt organization or a qualified cooperative association must submit with its application a detailed exhibit showing the net worth of the applicant and any affiliates (as defined in § 14.120(f) of this part) when the proceeding was initiated. The exhibit may be in any form convenient to the applicant that provides full disclosure of the applicant's and its affiliates' assets and liabilities, and is sufficient to determine whether the applicant qualifies under the standards of the Act and this part. The adjudicative officer may require an applicant to file additional information to determine its eligibility for an award.

(b) The net worth exhibit shall describe any transfers of assets from, or obligations incurred by, the applicant

or any affiliate, occurring in the one-year period before the date on which the proceeding was initiated, that reduced the net worth of the applicant and its affiliates below the applicable net worth ceiling. If there were no such transactions, the applicant shall so state.

(c) Ordinarily, the net worth exhibit will be included in the public record of the proceeding. However, an applicant that objects to public disclosure of information in any portion of the exhibit and believes there are legal grounds for withholding it from disclosure may submit that portion of the exhibit directly to the adjudicative officer in a sealed envelope labeled "Confidential Financial Information," accompanied by a motion to withhold the information from public disclosure. The motion shall describe the information sought to be withheld and explain, in detail, why it falls within one or more of the specific exemptions from mandatory disclosure under the Freedom of Information Act (5 U.S.C. 552(b) (1)-(9)), why public disclosure of the information would adversely affect the applicant, and why disclosure is not required in the public interest. The material in question shall be served on counsel representing the agency against which the applicant seeks an award, but need not be served on any other party to the proceeding. If the adjudicative officer finds that the information should not be withheld from disclosure, it shall be placed in the public record of the proceeding. Otherwise, any request to inspect or copy the exhibit shall be disposed of in accordance with the Department's established procedures under the Freedom of Information Act, 24 CFR part 15. In either case, disclosure shall be subject to the provisions of the Privacy Act of 1974, 5 U.S.C. 552a, and the Department's procedures implementing the Privacy Act of 1974 at 24 CFR part 16.

(Approved by the Office of Management and Budget under control number 2510-0001)

§ 14.210 Documentation of fees and expenses.

(a) The application shall be accompanied by full and itemized documentation of the fees and expenses, including the cost of any study, analysis, engi-

neering report, test, project or similar matter, for which an award is sought.

(b) The documentation shall include an affidavit from any attorney, agent or expert witness representing or appearing in behalf of the party, stating the actual time expended and the rate at which fees and other expenses were computed and describing the specific services performed.

(c) The documentation shall also include a description of any expenses for which reimbursement is sought and a statement of the amounts paid and payable by the applicant or by any other person or entity for the services provided. Vouchers, receipts, logs, or other substantiation for any expenses paid or payable shall be provided.

(d) The adjudicative officer may require the applicant to provide additional substantiation for any expenses claimed.

(Approved by the Office of Management and Budget under control number 2510-0001)

§ 14.215 When an application may be filed.

(a) An application may be filed whenever the applicant has prevailed in the proceeding or in a significant and discrete substantive portion of the proceeding, but in no case later than 30 days after the Department's final disposition of the proceeding.

(b) For purposes of this rule, final disposition means the date on which a decision or order disposing of the merits of the proceeding or any other complete resolution of the proceeding, such as a settlement of voluntary dismissal, become final and unappealable, both within the Department and to the courts.

(c) If review or reconsideration (under HUD Board of Contract Appeals Rule 29, 24 CFR 20.10) is sought or taken of a decision as to which an applicant believes it has prevailed, proceedings for the award of fees shall be stayed pending final disposition of the underlying controversy. When the United States appeals the underlying merits of an adversary adjudication to a court, no decision on an application for fees and other expenses in connection with that adversary adjudication shall be made until a final and unreviewable decision is rendered by

§ 14.300

the court on the appeal or until the underlying merits of the case have been finally determined pursuant to the appeal.

Subpart C—Procedures for Considering Applications

§ 14.300 Jurisdiction of adjudicative officer.

Any provision in the Department's rules and regulations other than this part which limits or terminates the jurisdiction of an adjudicative officer upon the effective date of his or her decision in the underlying proceeding shall not in any way affect his or her jurisdiction to render a decision under this part.

§ 14.305 Filing and service of documents.

Any application for an award or other pleading or document related to an application shall be filed and served on all parties to the proceeding in the same manner as other pleadings in the proceeding, except as provided in § 14.205(c) for confidential financial information.

§ 14.310 Answer to application.

(a) Within 30 days after service of an application, agency counsel may file an answer to the application. Agency counsel may request an extension of time for filing. If agency counsel fails to answer or otherwise fails to contest or settle the application, the adjudicative officer, upon a satisfactory showing of entitlement by the applicant, may make an award for the applicant's fees and other expenses under the Act.

(b) If agency counsel and the applicant believe that the issues in the fee application can be settled, they may jointly file a statement of their intent to negotiate a settlement. The filing of this statement shall extend the time for filing an answer for an additional 30 days, and further extensions may be granted by the adjudicative officer upon request by agency counsel and the applicant.

(c) The answer shall explain in detail any objections to the award requested and identify the facts relied on in support of agency counsel's position. If the answer is based on any alleged facts

24 CFR Subtitle A (4-1-07 Edition)

not already in the record of the proceeding, agency counsel shall include with the answer either supporting affidavits or a request for further proceedings under § 14.325.

§ 14.315 Comments by other parties.

Any party to a proceeding other than the applicant and agency counsel may file comments on an application within 30 days after it is served, or on an answer within 15 days after it is served. A commenting party may not participate further in proceedings on the application unless the adjudicative officer determines that the public interest requires such participation in order to permit full exploration of matters raised in the comments.

§ 14.320 Settlement.

The applicant and agency counsel may agree on a proposed settlement of the award before final action on the application, either in connection with a settlement of the underlying proceeding, or after the underlying proceeding has been concluded, in accordance with the settlement procedure applicable to the underlying proceeding. If a prevailing party and agency counsel agree on a proposed settlement of an award before an application has been filed, the application shall be filed with the proposed settlement.

§ 14.325 Extensions of time and further proceedings.

(a) The adjudicative officer on motion and for good cause shown may grant extensions of time other than for filing an application for fees and expenses after final disposition in the adversary adjudication.

(b) Ordinarily, the determination of an award will be made on the basis of the written record. However, on request of either the applicant or agency counsel, or on his or her own initiative, the adjudicative officer may order further proceedings, such as an informal conference, oral argument, additional written submissions, or as to issues other than substantial justification (such as the applicant's eligibility or substantiation of fees and expenses), pertinent discovery or an evidentiary hearing. Such further proceedings shall be held only when necessary for full

Office of the Secretary, HUD

§ 14.345

and fair resolution of the issues arising from the application, and shall be conducted as promptly as possible. Whether or not the position of the agency was substantially justified shall be determined on the basis of the administrative record, as a whole, which is made in the adversary adjudication for which fees and other expenses are sought.

(c) A request that the adjudicative officer order further proceedings under this section shall specifically identify the information sought or the disputed issues and shall explain why the additional proceedings are necessary to resolve the issues.

§ 14.330 Decision.

The adjudicative officer shall issue an initial decision on the application within 30 days after completion of proceedings on the application. The decision shall include written findings and conclusions on such of the following as are relevant to the decision:

- (a) The applicant's status as a prevailing party;
- (b) The applicant's qualification as a party under 5 U.S.C. 504(b)(1)(B);
- (c) Whether the agency's position was substantially justified;
- (d) Whether special circumstances make an award unjust;
- (e) Whether the applicant during the course of the proceedings engaged in conduct that unduly and unreasonably protracted the final resolution of the matter in controversy; and
- (f) The amounts, if any, awarded for fees and other expenses, with reasons for any difference between the amount requested and the amount awarded.

If the applicant has sought an award against more than one agency, the decision shall allocate responsibility for payment of any award made among the agencies, and shall explain the reasons for the allocation made.

§ 14.335 Departmental review.

(a) Either the applicant or agency counsel may seek review of the initial decision on the fee application, or the Secretary (or his or her delegate, if any) may decide to review the decision on his or her own initiative, in accordance with the Department's review or appeals procedures applicable to the

underlying proceeding. If neither the applicant nor agency counsel seeks review and the Secretary (or his or her delegate, if any) does not take review on his or her own initiative, the initial decision on the application shall become a final decision of the Department in the same manner as a decision in the underlying proceeding becomes final. Whether to review a decision is a matter within the discretion of the Secretary (or his or her delegate, if any). If review is taken, the Department will issue a final decision on the application or remand the application to the adjudicative officer for further proceedings.

(b) Either party may seek reconsideration of the decision on the fee application in accordance with Rule 29, 24 CFR 20.10.

§ 14.340 Judicial review.

Judicial review of final departmental decisions on awards may be sought as provided in 5 U.S.C. 504(c)(2).

§ 14.345 Payment of award.

An applicant seeking payment of an award shall submit a copy of the final decision granting the award to: Director, Office of Finance and Accounting, Room 2202, Department of Housing and Urban Development, Washington, DC 20410, with a copy to: Associate General Counsel for Equal Opportunity and Administrative Law, Room 10244, Department of Housing and Urban Development, Washington, DC 20410. A statement that review of the underlying decision is not being sought in the United States courts, or that the process for seeking review of the award, if initiated, has been completed, must also be included. The agency will pay the amount awarded to the applicant within 60 days, unless judicial review of the award or of the underlying decision of the adversary adjudication has been sought by the applicant or any other party to the proceeding.

§ 15.3 What exemptions are authorized by 5 U.S.C. 552?

(a) The classes of records authorized to be exempted from disclosure by 5 U.S.C. 552 are those which concern matters that are:

(1) Specifically authorized under criteria established by an Executive order to be kept secret in the interest of national defense or foreign policy and are in fact properly classified pursuant to such Executive order;

(2) Related solely to the internal personnel rules and practices of the Department;

(3) Specifically exempted from disclosure by statute;

(4) Trade secrets and commercial or financial information obtained from a person and privileged or confidential;

(5) Interagency or intra-agency memorandums or letters which would not be available by law to a party other than an agency in litigation with the Department;

(6) Personnel and medical files and similar files the disclosure of which would constitute a clearly unwarranted invasion of personal privacy;

(7) Records or information compiled for law enforcement purposes, but only to the extent that the production of such law enforcement records or information:

(i) Could reasonably be expected to interfere with enforcement proceedings;

(ii) Would deprive a person of a right to a fair trial or an impartial adjudication;

24 CFR Subtitle A (4-1-07 Edition)

(iii) Could reasonably be expected to constitute an unwarranted invasion of personal privacy;

(iv) Could reasonably be expected to disclose the identity of a confidential source, including a state, local or foreign agency or authority or any private institution which furnished information on a confidential basis, and, in the case of a record or information compiled by a criminal law enforcement authority in the course of a criminal investigation or by an agency conducting a lawful national security intelligence investigation, information furnished by a confidential source;

(v) Would disclose techniques and procedures for law enforcement investigations or prosecutions, or would disclose guidelines for law enforcement investigations or prosecutions if such disclosure could reasonably be expected to risk circumvention of the law; or

(vi) Could reasonably be expected to endanger the life or physical safety of any individual;

(8) Contained in or related to examination, operating, or condition reports prepared by, on behalf of, or for the use of the Department in connection with its responsibility for the regulation or supervision of financial institutions; or

(9) Geological and geophysical information and data, including maps, concerning wells.

(b) Any reasonably segregable portion of a record shall be provided to any person requesting such record after deletion of the portions which are exempt under this section.

Subpart B—FOIA Disclosure of Information

SOURCE: 66 FR 6968, Jan. 22, 2001, unless otherwise noted.

§ 15.101 What is HUD's overall policy concerning disclosing identifiable records?

HUD will fully and responsibly disclose its identifiable records and information consistent with competing public interests concerning the national security, personal privacy, agency deliberative process, and obligations of confidentiality as are recognized by

Office of the Secretary, HUD

§ 15.103

FOIA. HUD will make a record available in the form or format requested, if the record is readily reproducible in that format.

§ 15.102 Where and when may I inspect and copy records that FOIA requires HUD to make regularly available to the public?

(a) You may inspect and copy hardcopy records, including indices of the records, that section 552(a)(2) of FOIA requires HUD make available to the public at HUD's reading rooms. HUD has reading rooms in Headquarters in Washington, DC and in each of the Secretary's Representative's offices. These reading rooms are open during the business hours for the HUD office in which they are located.

(b) For records created on or after November 1, 1996, this information is also available to you through HUD's Internet web site at <http://www.hud.gov/ogc/bshelf2a.html>.

§ 15.103 How can I get other records from HUD?

(a) *Generally.* You may submit a written request for copies of records in person or by mail.

(b) *Records located in a HUD field office.* If you are submitting a request for records located in a HUD field office, you should deliver or mail your request to the FOIA Liaison in the appropriate HUD Field Office.

(c) *Records located in HUD headquarters.* If you are submitting a request for records located in HUD Headquarters, you should deliver or mail your request to the FOIA Division, Office of the General Counsel. You may also use the FOIA electronic request form on HUD's Internet web site at <http://www.hud.gov/ogc/foiafree.html>.

(d) *What should I include in my FOIA request?* In your FOIA request you should:

(1) Clearly state that you are making a FOIA request. Although Federal agencies are required to process all requests for documents as Freedom of Information Act requests, whether or not specifically designated as FOIA requests, failure to clearly state that you are making a FOIA request could unduly delay the initial handling of your

correspondence through HUD's FOIA processing;

(2) Reasonably describe the records you seek. Include information that you may know about the documents you are requesting;

(3) Indicate the form or format in which you would like the record made available;

(4) State your agreement to pay the fee. You may specify a dollar amount above which you want HUD to consult with you before you will agree to pay the fee;

(5) Indicate the fee category that you believe applies to you (see § 15.110);

(6) If you are making a request on behalf of another person for information about that person, include a document signed by that person authorizing you to request the information on his or her behalf; and

(7) If you are requesting expedited processing, your request should set out the facts you believe show that there is a compelling need (see § 15.104(d)) to expedite processing of your request.

EFFECTIVE DATE NOTE: At 72 FR 12541, Mar. 15, 2007, § 15.103 was amended by revising the first sentence of paragraph (c) and paragraph (d)(4), effective Apr. 16, 2007. For the convenience of the user, the revised text is set forth as follows:

§ 15.103 How can I get other records from HUD?

* * * * *

(c) *Records located in HUD headquarters.* If you are submitting a request for records located in HUD Headquarters, you should deliver or mail your request to the FOIA Office, Office of the Executive Secretariat in the Office of Administration. * * *

(d) * * *

(4) *State your agreement to pay the fee.* You may specify a dollar amount above which you want HUD to consult with you before you will agree to pay the fee. If you are seeking a waiver or reduction of fees, you must include such a request at the same time as your request for disclosure, and you must describe how the disclosure of the requested information is in the public interest and not primarily in the commercial interest of the requester (see § 15.110(h));

§ 15.104

24 CFR Subtitle A (4-1-07 Edition)

§ 15.104 What are the time periods for HUD to respond to my request for records?

(a) *What time limits generally apply?* If you have met the fee requirements of § 15.110, HUD, in general, will respond within 20 working days after the correct office receives your request. If you have sent your request to the wrong office, that office will send it to the correct office within 10 working days and will send you an acknowledgment letter.

(b) *What time limits apply to requests made on behalf of another person?* The time limits described in paragraph (a) of this section also apply to requests you make on behalf of another person for information about that person. However, the time limits will not commence to run until HUD's receipt of the document signed by that person authorizing you to request information on his or her behalf. If you make your request on behalf of another person without including such signed authorization, HUD will inform you of the authorization needed.

(c) *What time limits apply in unusual circumstances?* If you have requested an especially large number of records, the records are not located in the office handling the request, or HUD needs to consult with another government office, HUD will notify you that extra time is required and provide an estimate of that time. If the extra time needed is more than 10 working days beyond the general time limit set out in paragraph (a) of this section, HUD will offer you any opportunity to limit the scope of your request so that HUD may process it within the extra 10 working day period.

(d) *What time limits apply to my request for expedited processing?* If you requested expedited processing, HUD will notify you within 10 working days after it receives your request whether it will grant expediting processing.

§ 15.105 How will HUD process my request?

(a) *Multitracking.* (1) HUD places each request in one of two tracks. HUD places requests in its simple or complex track based on the amount of work and time involved in processing the request. Factors HUD will consider

in assigning a request in the simple or complex track will include whether the request involves the processing of voluminous documents and/or whether the request involves responsive documents from three or more organizational units. Within each track, HUD processes requests in the order in which they are received.

(2) For requests that have been sent to the wrong office, HUD will assign the request within each track using the earlier of either:

(i) The date on which the request was referred to the appropriate office; or,

(ii) The end of the 10 working day period in which the request should have been referred to the appropriate office under § 15.104(a).

(b) *Expedited processing.* HUD may take your request or appeal out of normal order if HUD determines that you have a compelling need for the records or in other cases as determined by the agency. If HUD grants your request for expedited processing, HUD will give your request priority and will process it as soon as practicable. HUD will consider a compelling need to exist if:

(1) Your failure to obtain the requested records on an expedited basis could reasonably be expected to pose an imminent threat to the life or physical safety of an individual or a threatened loss of substantial due process rights; or,

(2) You are primarily engaged in disseminating information and there is an urgency to inform the public concerning actual or alleged Federal Government activity.

§ 15.106 How will HUD respond to my request?

(a) *Who will respond to my request?* (1) The FOIA Division of the Office of General Counsel in HUD Headquarters and the FOIA liaisons in each HUD Field Office are authorized to release copies of any HUD records unless disclosure is clearly not appropriate under FOIA.

(2) The FOIA Division in HUD Headquarters and the FOIA liaisons in each HUD Field Office may deny a request for a record in accordance with the provisions of FOIA and this part.

(b) *What type of a response will I receive?* Within the time limit described in § 15.103, HUD will either:

Office of the Secretary, HUD

§ 15.108

(1) Agree to give you all the records you requested;

(2) Advise you that HUD will not give you some or all of the records you requested. Any denial or partial denial of a requested record must be concurred in by the FOIA Division in Headquarters, by counsel in the Field Offices, or by counsel in HUD's Departmental Enforcement Center Satellite Offices. In this case, HUD will:

(i) Explain why it has decided not to comply fully with your request, citing specific exemptions where applicable;

(ii) Describe the records denied or, if there are fewer than 21 records denied, list them specifically;

(iii) Estimate the volume of the records denied unless doing so would harm a protected interest; and

(iv) Explain how to appeal that decision, and provide the name and address of the HUD official to whom you should submit your appeal.

(3) Tell you that HUD's estimate of the fee is more than you have agreed to pay and ask to confer within 10 days to see if you can reformulate your request so that HUD can meet your request at a fee that is acceptable to you; or

(4) Tell you that you will not receive a response until you have either paid your fee or committed to the amount of fee you will pay, as applicable, and will provide you 10 days to pay, or commit to pay, the fee.

(5) If you requested expedited processing, advise you whether your request is granted or denied and, if your request is denied, advise you of your right to appeal.

(c) *What action may HUD take if I fail to respond?* If you fail to respond within a period specified in this subpart, HUD may consider your request for records withdrawn and may terminate processing of your request.

EFFECTIVE DATE NOTE: At 72 FR 12541, Mar. 15, 2007, §15.106 was amended by revising paragraphs (a), paragraph (b) introductory text, and the second sentence of paragraph (b)(2), effective Apr. 16, 2007. For the convenience of the user, the revised text is set forth as follows:

§ 15.106 How will HUD respond to my request?

(a) *Who will respond to my request?* (1) The FOIA Office of the Office of the Executive Secretariat in the Office of Administration

in HUD Headquarters and the FOIA liaisons in each HUD Field Office are authorized to release copies of any HUD records unless disclosure is clearly not appropriate under FOIA.

(2) The FOIA Office of the Office of the Executive Secretariat in the Office of Administration in HUD Headquarters and the FOIA liaisons in each HUD Field Office may deny a request for a record in accordance with the provisions of FOIA and this part.

(b) *What type of response will I receive?* Within the time limit described in §15.104, HUD will either:

* * * * *

(2) * * * Any denial or partial denial of a requested record must be concurred in by the FOIA Office of the Office of the Executive Secretariat in the Office of Administration in HUD Headquarters, by counsel in the Field Offices, or by counsel in HUD's Departmental Enforcement Center Satellite Offices.

§ 15.107 How does HUD handle requests that involve classified records?

If your request involves the release of documents that are classified under Executive Order 12958, HUD will refer your request and the pertinent documents to the originating agency for processing according to the requirements of §15.104(a). HUD may refuse to confirm or deny the existence of the requested information if the originating agency determines that the fact of its existence is itself classified.

§ 15.108 What are HUD's policies concerning designating confidential commercial or financial information under Exemption 4 of the FOIA and responding to requests for business information?

(a) *HUD's general policy concerning business information which may be considered as confidential commercial or financial information.* Except as provided in this section or otherwise required by law, HUD officers and employees may not disclose business information which is considered as confidential commercial or financial information to anyone other than to HUD officers or employees who are properly entitled to the information to perform their official duties.

(b) *How does a submitter make a claim that business information is confidential commercial or financial information?* (1) If you are a submitter, you may request confidential treatment of business information at the time the information is submitted to HUD or within a reasonable time after it is submitted.

(2) To obtain a designation of confidentiality, you must:

(i) Support your request with an authorized statement or a certification giving the facts and the legal justification for your request and stating that the information has not been made public; and

(ii) Clearly designate the information that you consider confidential.

(3) Your designation of confidentiality will expire 10 years after the date the information was submitted to HUD, unless you have provided a reasonable explanation for a later expiration date.

(c) *How will HUD respond to a request for business information?* If the information requested has been designated in good faith by the submitter as information to be protected under 5 U.S.C. 552(b)(4) ("Exemption 4") or if HUD has reason to believe that the information may be protected by Exemption 4, HUD shall:

(1) Unless an exception in paragraph (c)(2) of this section applies, promptly notify the submitter about the request or the administrative appeal and give the submitter 10 working days to submit a written objection to disclosure. HUD will describe the requested business information or will provide copies of all or a portion of the records;

(2) If any of the following circumstances apply, HUD will not notify the submitter:

(i) HUD determines that the information should not be disclosed;

(ii) The information has been published lawfully or has been made available officially to the public;

(3) A law other than FOIA requires HUD to disclose the information;

(4) A HUD regulation requires HUD to disclose the information. The regulation must:

(i) Have been adopted pursuant to notice and public comment; and

(ii) Specify narrow classes of records submitted to HUD that are to be released under the FOIA.

(d) *Notice to requester.* At the same time HUD notifies the submitter, HUD will also notify the requester that the request is subject to the provisions of this section and that the submitter is being afforded an opportunity to object to disclosure of the information.

(e) *Opportunity to object to disclosure.* If the submitter timely objects to disclosure, HUD will consider the submitter's objections, but will not be bound by them. HUD generally will not consider conclusory statements that particular information would be useful to competitors or would impair sales, or other similar statements, sufficient to justify confidential treatment. Information provided by a submitter or its designee may itself be subject to disclosure under the FOIA.

(f) *Notice of intent to disclose.* If after considering the submitter's objections, HUD decides to disclose business information over the objection of a submitter, HUD will send a written notice of intent to disclose to both the submitter and the requester. HUD will send these notices at least 10 working days before the specified disclosure date. The notices will include:

(1) A statement of the reasons why HUD rejected the submitter's disclosure objections;

(2) A description of the business information to be disclosed; and

(3) A disclosure date.

(g) *What other policies apply to a submitter?*—(1) *HUD notice of FOIA lawsuit.* HUD will promptly notify the submitter of any suit to compel HUD to disclose business information.

(2) *Determination of confidentiality.* HUD will not determine the validity of any request for confidentiality until HUD receives a request for disclosure of the information.

(3) *Current mailing address for the submitter.* Each submitter must give HUD a mailing address for receipt of any notices under this section, and must notify HUD of any change of address.

§ 15.109 How will HUD respond to a request for information from Form HUD-92410 (Statement of Profit and Loss)?

(a) *To whom will HUD disclose the information?* HUD will release information from Form HUD-92410 (or a HUD approved substitute form that the mortgagor may have submitted) only to eligible potential purchasers and only during the period specified by HUD for the mortgage sale.

(b) *Under what conditions will HUD release such information?* HUD will release the information only if all of the following three conditions are met:

(1) The information concerns a project that is subject to a HUD-held mortgage which HUD is selling under the authority of sections 207 (k) and (l) of the National Housing Act (12 U.S.C. 1713 (k) and (l)) or section 7(i)(3) of the Department of Housing and Urban Development Act (42 U.S.C. 3535(i)(3)).

(2) The eligible potential purchasers have agreed to:

- (i) Keep the information confidential;
- (ii) Disclose the information only to potential investors in the mortgage and only for the period specified by HUD for the mortgage sale and to notify those potential purchasers of their obligations under this section;
- (iii) Use the information only to evaluate the mortgage in connection with the mortgage sale; and
- (iv) To follow disclosure procedures for that sale that have been established by the Secretary.

(3) The potential investors in the mortgage have agreed to keep the information confidential and to use the information only to evaluate the mortgage in connection with their investment decision.

(c) *To whom may potential investors disclose such information?* Potential investors in the mortgage may disclose the information to other entities only if the disclosure is:

- (1) Necessary for the investor's evaluation of the mortgage;
- (2) Made in accordance with disclosure procedures for the specific sale that have been established by HUD; and
- (3) Limited to the period specified by HUD for the mortgage sale.

(d) *What sanctions are available for improper disclosure of such information?* An eligible potential purchaser or a potential investor (who has received the information from a potential purchaser and has been notified by that entity of its obligations under paragraph (b) of this section), who discloses information from Form HUD-92410 in violation of this section, may be subject to sanctions under part 24 of this title.

§ 15.110 What fees will HUD charge?

(a) *How will HUD determine your fee?* HUD will determine your fee based on which category of requester you are in and on the other provisions of this section. With your request, you should submit information to help HUD determine the proper category. If HUD cannot tell from your request, or if HUD has reason to doubt the use to which the records will be put, HUD will ask you to provide additional information before assigning the request to a specific category.

(b) *What are the categories of requesters?*—(1) *Commercial use requester.* You are a commercial use requester if you request information for a use or purpose that furthers your commercial, trade, or profit interests or those interests of the person on whose behalf you have made the request. In determining whether your request properly belongs in this category, HUD determines the use to which you will put the documents requested.

(2) *Educational requester.* You are an educational requester if your request is on behalf of an educational institution and you do not seek the records for a commercial use, but to further scholarly research.

(3) *Non-commercial scientific requester.* You are a non-commercial scientific requester if you are not a commercial use requester and your request is on behalf of an organization that is operated solely for the purpose of conducting scientific research the results of which are not intended to promote any particular product or industry.

(4) *Representative of the news media requester.* (i) You are a representative of the news media requester if you actively gather news for an entity that is primarily organized and operated to

§ 15.110

24 CFR Subtitle A (4-1-07 Edition)

publish or broadcast news to the public.

(ii) Examples of news media entities include television or radio stations broadcasting to the public at large, and publishers of periodicals (but only in those instances when they can qualify as disseminators of news) who make their products available for purchase or subscription by the general public.

(iii) Freelance journalists may be regarded as working for a news organization if they can demonstrate a solid basis for expecting publication through that organization, even though not actually employed by it. A publication contract would be the clearest proof, but HUD may also look to the past publication record of a requester in making this determination.

(iv) If you are a representative of the news media requester, HUD will not consider you to be a commercial use requester.

(5) *Other requester.* You are considered an "other" requester if you do not fall within the categories of requesters described in this paragraph (b).

(c) *FOIA Fee Schedule.* The following table sets out the Fee Schedule that HUD uses to determine your fee. The rates for professional and clerical search and review includes the salary of the employee performing the work. The duplication cost includes the cost of operating duplicating machinery. The computer run time includes the cost of operating a central processing unit for that portion of the operating time attributable to searching for responsive records, as well as the costs of operator/programmer salary apportionable to the search. HUD's fee schedule does not include overhead expenses such as costs of space and heating or lighting the facility in which the records are stored.

(8) Duplication costs—tape, CD ROM or diskette.	Actual Cost	Applies	Applies	Applies.

(d) *How does HUD assess review charges?* HUD will assess review charges only for the first time it analyzes the applicability of a specific exemption to a particular record or portion of a record. HUD will not charge for its review at the administrative appeal level of an exemption already applied. If HUD has withheld in full a record or portions of a record under an exemption which is subsequently determined not to apply, HUD will assess

charges for its review to determine the applicability of other exemptions not previously considered.

(e) *How does HUD handle multiple requests?* If you, or others acting with you, make multiple requests at or about the same time for the purpose of dividing one request into a series of requests for the purpose of evading the assessment of fees, HUD will aggregate your requests for records. In no case will HUD give you more than the first

Office of the Secretary, HUD

§ 15.110, Nt.

two hours of search time, or more than the first 100 pages of duplication without charge.

(f) *Unsuccessful searches.* If HUD's search for records is unsuccessful, HUD will still bill you for the search.

(g) *No charge for costs under \$25.* HUD will not charge you a fee if the total amount calculated under this section is less than \$25.00.

(h) *Reducing fees in the public interest.* If HUD determines that disclosure of the information you seek is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government, and that you are not seeking the information for your own commercial interests, HUD may waive or reduce the fee.

(i) *When do I pay the fee?* HUD will bill you when it responds to your request. You must pay within thirty-one calendar days. If the fee is more than \$250.00 or you have a history of failing to pay FOIA fees in a timely manner, HUD will ask you to remit the estimated amount and any past due charges before sending you the records.

(j) *What happens if I do not pay the fees?* (1) If you do not pay by the thirty-first day after the billing date, HUD will charge interest at the maximum rate allowed under 31 U.S.C. 3717.

(2) If you do not pay the amount due within ninety calendar days of the due date, HUD may notify consumer credit reporting agencies of your delinquency.

(3) If you owe fees for previous FOIA responses, HUD will not respond to further requests unless you pay the amount due.

(k) *Contract services.* HUD will contract with private sector sources to locate, reproduce and disseminate records in response to FOIA requests when that is the most efficient method.

When doing so HUD will charge the cost to the requester that the private sector source has charged HUD for performing these tasks. In some instances, these costs may be higher than the charges HUD would ordinarily charge if the processing tasks had been done by the agency itself. In no case will HUD contract out responsibilities which the FOIA provides that HUD alone may discharge, such as determining the applicability of an exemption, or determining whether to waive or reduce fees. HUD will ensure that, when documents that would be responsive to a request are maintained for distribution by agencies operating statutory-based fee schedule programs such as the National Technical Information Service, HUD will inform requesters of the steps necessary to obtain records from those sources. Information provided routinely in the normal course of business will be provided at no charge.

EFFECTIVE DATE NOTE: At 72 FR 12541, Mar. 15, 2007, §15.110 was amended by revising paragraph (b)(4)(i), the chart captioned "FOIA Fee Schedule" in paragraph (c), paragraphs (h) and (i), and in paragraph (k), remove the first three sentences and add two new sentences in their place, effective Apr. 16, 2007. (h) *Waiver or reduction of fees in the public interest.* If HUD determines that disclosure of the information you seek is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the Federal Government, and that you are not seeking the information primarily for your own commercial interests, HUD may waive or reduce the fee.

(i) In order to qualify for a waiver or a reduction of fees, a requester must make the following demonstrations in the FOIA request:

(i) Disclosure of the requested information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the Federal Government.

(A) *The subject of the request pertains to the operations or activities of the Federal Government.* Requesters must be seeking documents and records that contain information regarding identifiable operations or activities of the Federal Government. The connection between the content of the records and Federal governmental operations or activities must be direct and clear.

(B) *The informative value of the information to be disclosed is consequential.* The disclosable portions of the requested records must be meaningfully informative about Federal Governmental operations or activities in order to be “likely to contribute” to an increased public understanding of those operations or activities. The disclosure of information that is already in the public domain, in either a duplicative or substantially identical form, would not be as likely to con-

tribute to the public’s understanding of Federal governmental operations or activities.

(C) *The disclosure is likely to contribute to an understanding of the subject by the public.* The disclosure must contribute to the understanding of a reasonably broad audience of persons interested in the subject, as opposed to the individual understanding of the requester, in order to provide a great benefit to the public at large. A requester’s expertise in the subject area and ability and intention to effectively convey the information will be considered.

(D) *The contribution to public understanding is significant.* The public’s understanding of the subject in question, as compared to the level of public understanding existing prior to the disclosure, must be enhanced by the disclosure to a substantial degree. HUD will not make value judgments about whether the information to be disclosed is worthy or important enough to be made public, but rather whether it would contribute substantially to public understanding of the operations or activities of the government.

(ii) Disclosure of the information is not primarily in the commercial interest of the requester.

(A) *The existence and magnitude of a commercial interest.* The requester must describe and explain any commercial interest that would be furthered by the requested disclosure, whether personally benefiting the requester or any person on whose behalf the requester may be acting. See the definition of a “commercial use requester” in paragraph (b)(1) of this section for further explanation.

(B) *Primary interest in disclosure.* A fee waiver or reduction in fees is justified where the requester has demonstrated that the public interest in disclosure is greater in magnitude

than that of any identified commercial interest in disclosure. However, disclosure to data brokers or others who merely compile and market government information for direct economic return will not be presumed to primarily serve the public interest.

(2) Requests for waivers must address the elements listed in paragraph (h)(1) of this section, insofar as they apply to each request. HUD will exercise its discretion in considering the cost-effectiveness of its investment of administrative resources in deciding whether to grant waivers or reductions of fees, in consultation with appropriate offices as needed. Requests for the waiver or reduction of fees must be submitted with the request.

(3) When only some of the requested records satisfy the requirements for a waiver of fees, a waiver will be granted for only those records.

(4) When a fee waiver request is denied, HUD will do no further work on the request until it receives an assurance of payment, or an appeal of the fee waiver adverse determination is filed and HUD has made a final appeal determination pursuant to § 15.112.

(i) *When do I pay the fee?* HUD will bill you when it responds to your request. You must pay within 31 calendar days. If the estimated fee is more than \$250.00 or you have a history of failing to pay FOIA fees to HUD in a timely manner, HUD will ask you to remit the estimated amount and any past due charges before processing and sending you the records.

* * * * *

(k) *Contract services.* HUD will contract with private sector sources to locate, reproduce, and disseminate records in response to FOIA requests when that is the most efficient and least costly method. HUD will ensure that the ultimate cost to the requester is no greater than it would be if the agency itself had performed these tasks.

* * * * *

§ 15.111 How do I appeal a denial of my request for records or a fee determination?

(a) *To what address do I submit my appeals?* You must submit your appeal, in writing, to the address specified in HUD's notice responding to your FOIA request (see § 15.106(a)(2)(iv)). If you send your appeal to the wrong HUD office, that office will forward it to the correct office. That office will also notify you that it has so forwarded your appeal and advise you that, for processing purposes, the time of receipt

will be when the appropriate office receives your appeal.

(b) *How much time do I have to submit an appeal?* Your written appeal must be postmarked within 30 calendar days of the date of the HUD determination from which you are appealing. If your appeal is transmitted by other than the United States Postal Service (i.e., facsimile, messenger or delivery service) it must be received in the appropriate office by close of business on the 30th calendar day after the date of the HUD determination.

(c) *What information must I provide if I am appealing a denial of request for information?* If you are appealing a denial of your request for information, the appeal must contain the following information:

- (1) A copy of your original request;
- (2) A copy of the written denial of your request; and
- (3) Your statement of the facts and legal arguments supporting disclosure.

(d) *What information must I provide if I am appealing a fee determination?* If you are appealing a fee determination, including a denial of your request for HUD to waive the fee, the appeal must contain the following information:

- (1) The address of the office which made the fee determination from which you are appealing;
- (2) The fee that office charged;
- (3) The fee, if any, you believe should have been charged;
- (4) The reasons you believe that your fee should be lower than the fee which the Agency charged or should have been waived; and
- (5) A copy of the initial fee determination and copies of any correspondence concerning the fee.

(e) *What information must I provide if I am appealing a denial of expedited processing?* If you are appealing a denial of your request for expedited processing, your appeal must contain the following information:

- (1) A copy of your original request;
- (2) A copy of the written denial of your request; and
- (3) Your statement of the facts and legal arguments supporting expedited processing.

§ 15.112

§ 15.112 How will HUD respond to my appeal?

(a) *How much time does HUD have to decide my appeal?* HUD will decide your appeal of a denial of expedited processing within 10 working days after its receipt. For any other type of appeal, HUD will decide your appeal within 20 working days after its receipt. HUD may have an additional 10 working days if unusual circumstances require.

(b) *What action will HUD take if it grants my appeal?*—(1) *Appeal of a denial of request for information.* If you are appealing a decision to deny your request for records, HUD will either:

(i) Give you the records you requested or advise you that the records will be provided by the originating office;

(ii) Give you some of the records you requested while declining to give you other records you requested, tell you why HUD has concluded that the documents were exempt from disclosure under FOIA, and tell you how to obtain judicial review of HUD's decision; or

(iii) Decline to give you the records you requested, tell you why HUD has concluded that the records were exempt from disclosure under FOIA, and tell you how to obtain judicial review of HUD's decision.

(2) *Appeal of a fee determination.* If you are appealing a fee determination, HUD will either:

(i) Waive the fee or charge the fee that you have requested;

(ii) Modify the original fee charged, and explain why it has determined that the modified fee is appropriate; or

(iii) Advise you that the original fee charged was appropriate, and explain why it has determined that the fee is appropriate.

(3) *Appeal of a denial of expedited processing.* If you are appealing a denial of your request for expedited processing, HUD will either:

(i) Agree to expedited processing of your request; or

(ii) Advise you that the decision to deny expedited processing has been affirmed, and tell you how to obtain judicial review of HUD's decision.

Subpart C—Production of Material or Provision of Testimony in Response to Demands in Legal Proceedings Among Private Litigants

SOURCE: 72 FR 8582, Feb. 26, 2007, unless otherwise noted.

§ 15.201 Purpose and scope.

(a) This subpart contains the regulations of the Department concerning the procedures to be followed and standards to be applied when demand is issued in a legal proceeding among private litigants for the production or disclosure of any material, whether provided through production of material or provision of testimony.

(b) This subpart does not apply to demands, which are covered by part 2004 of this title, for production of material in the files of the Office of Inspector General or provision of testimony by employees within the Office of Inspector General.

§ 15.202 Production of material or provision of testimony prohibited unless approved by the Secretary or General Counsel.

Neither the Department nor any employee of the Department shall comply with any demand for production of material or provision of testimony in a legal proceeding among private litigants, unless the prior approval of the Secretary or General Counsel has been obtained in accordance with this subpart. This rule does not apply to any legal proceeding in which an employee may be called to participate, either through the production of documents or the provision of testimony, not on official time, as to facts or opinions that are in no way related to material described in § 15.201.

§ 15.203 Making a demand for production of material or provision of testimony.

(a) Any demand made to the Department or an employee of the Department to produce any material or provide any testimony in a legal proceeding among private litigants must:

(1) Be submitted in writing to the Department or employee of the Department, with a copy to the Associate

Office of the Secretary, HUD

§ 15.204

General Counsel for Litigation, no later than 30 days before the date the material or testimony is required;

(2) State, with particularity, the material or testimony sought;

(3) State whether expert or opinion testimony will be sought from the employee;

(4) State whether the production of such material or provision of such testimony could reveal classified, confidential, or privileged material;

(5) Summarize the need for and relevance of the material or testimony sought in the legal proceeding;

(6) State whether the material or testimony is available from any other source and, if so, state all such other sources;

(7) State why no document[s], or declaration or affidavit, could be used in lieu of oral testimony that is being sought;

(8) Estimate the amount of time the employee will need in order to prepare for, travel to, and attend the legal proceeding, as appropriate;

(9) State why the production of the material or provision of the testimony is appropriate under the rules of procedure governing the legal proceeding for which it is sought (e.g., not unduly burdensome or otherwise inappropriate under the relevant rules governing discovery);

(10) Describe how producing such material or providing such testimony would affect the interests of the United States; and

(11) Include any other factors that the agency determines to be significant.

(b) Whenever a demand is made upon the Department or an employee of the Department for the production of material or provision of testimony, the Associate General Counsel for Litigation or designee shall be notified immediately. The Associate General Counsel for Litigation or designee shall maintain a record of all demands served upon the Department and refer the demand to the appropriate designee for processing and determination.

§ 15.204 Consideration of demands for production of material or provision of testimony.

(a) The Secretary or General Counsel shall determine what material is to be produced or what testimony is to be provided, based upon the following standards:

(1) *Expert or opinion material or testimony.* In any legal proceeding among private litigants, no employee of the Department may produce material or provide testimony as described in § 15.201 that is of an expert or opinion nature, unless specifically authorized by the Secretary or the General Counsel for good cause shown.

(2) *Factual material or testimony.* In any legal proceeding among private litigants, no employee of the Department may produce material or provide testimony as described in § 15.201 unless specifically authorized by the Secretary or General Counsel. Such authorization may be granted if the Secretary or General Counsel determines that it is warranted based upon an assessment of whether:

(i) Producing such material or providing such testimony would violate a statute or regulation;

(ii) Producing such material or providing such testimony would reveal classified, confidential, or privileged material;

(iii) Such material or testimony is relevant to the legal proceeding;

(iv) Such material or testimony can be obtained from any other source;

(v) One or more documents, or a declaration or affidavit, could reasonably be provided in lieu of oral testimony;

(vi) The amount of employees' time necessary to comply with the demand is reasonable;

(vii) Production of the material or provision of the testimony is appropriate under the rules of procedure governing the legal proceeding for which it is sought (e.g., unduly burdensome or otherwise inappropriate under the relevant rules governing discovery); and

(viii) Producing such material or providing such testimony would impede a significant interest of the United States.

(b) Once a determination has been made, the requester will be notified of the determination, the reasons for the

§ 15.205

grant or denial of the demand, and any conditions that have been imposed upon the production of the material or provision of the testimony demanded.

(c) The Secretary or General Counsel may impose conditions or restrictions on the production of any material or provision of any testimony. Such conditions or restrictions may include the following:

(1) A requirement that the parties to the legal proceeding obtain a protective order or execute a confidentiality agreement, the terms of which must be acceptable to the Secretary or General Counsel, to limit access to, and limit any further disclosure of, material or testimony;

(2) A requirement that the requester accept examination of documentary material on HUD premises in lieu of production of copies;

(3) A limitation on the subject areas of testimony permitted;

(4) A requirement that testimony of a HUD employee be provided by deposition at a location prescribed by HUD or by written declaration or affidavit;

(5) A requirement that the parties to the legal proceeding agree that a transcript of the permitted testimony be kept under seal or will only be used or made available in the particular legal proceeding for which testimony was demanded;

(6) A requirement that the requester provide the Department with a copy of a transcript of the employee's testimony free of charge; or

(7) Any other condition or restriction deemed to be in the best interests of the United States.

(d) The determination made with respect to the production of material or provision of testimony is within the sole discretion of the Secretary or General Counsel and shall constitute final agency action from which no administrative appeal is available.

§ 15.205 Method of production of material or provision of testimony.

(a) Where the Secretary or General Counsel has authorized the production of material or provision of testimony, the Department shall produce such material or provide such testimony in accordance with this section and any conditions imposed upon production of

24 CFR Subtitle A (4-1-07 Edition)

material or provision of testimony pursuant to § 15.204.

(b) In any legal proceeding where the Secretary or General Counsel has authorized the production of documents, the Department shall respond by producing authenticated copies of the documents, to which the seal of the Department has been affixed, in accordance with its authentication procedures. That authentication shall be evidence that the documents are true copies of documents in the Department's files and be sufficient for the purposes of Rule 902 of the Federal Rules of Evidence.

(c) If response to the demand is required before the determination from the Secretary or General Counsel is received, the U.S. Attorney, or such other attorney as may be designated for the purpose, will appear or make such filings as are necessary to furnish the court or other authority with a copy of the regulations contained in this subpart and inform the court or other authority that the demand has been, or is being, as the case may be, referred for prompt consideration. The court or other authority shall be requested respectfully to stay the demand pending receipt of the requested determination from the Secretary or General Counsel.

§ 15.206 Procedure in the event of an adverse ruling regarding production of material or provision of testimony.

If the court or other authority declines to stay the demand made in accordance with § 15.205 pending receipt of the determination from the Secretary or General Counsel, or if the court or other authority rules that the demand must be complied with irrespective of the determination by the Secretary or General Counsel not to produce the material or provide the testimony demanded or to produce subject to conditions or restrictions, the employee upon whom the demand has been made shall, if so directed by an attorney representing the Department, respectfully decline to comply with the demand. (*United States ex rel. Touhy v. Ragen*, 340 U.S. 462 (1951)).

SOURCE: 40 FR 39729, Aug. 28, 1975, unless otherwise noted.

§ 16.1 Purpose and statement of policy.

(a) The purpose of this part is to establish policies and procedures for implementing the Privacy Act of 1974 (Pub. L. 93-579), 5 U.S.C. 552(a). The main objectives are to facilitate full exercise of rights conferred on individuals under the Act and to insure the protection of privacy as to individuals about whom the Department maintains records in systems of records under the Act. The Department accepts the responsibility to act promptly and in accordance with the Act upon receipt of any inquiry, request or appeal from a citizen of the United States or an alien lawfully admitted for permanent residence into the United States, regardless of the age of the individual.

(b) Further, the Department accepts the obligations to maintain only such information on individuals as is relevant and necessary to the performance of its lawful functions, to maintain that information with such accuracy, relevancy, timeliness and completeness as is reasonably necessary to assure fairness in determinations made by the Department about the individual, to obtain information from the individual to the extent practicable, and to take every reasonable step to protect that information from unwarranted disclosure. The Department will maintain no record describing how an individual exercises rights guaranteed by the First Amendment unless expressly authorized by statute or by the individual about whom the record is maintained or unless pertinent to and within the scope of an authorized law enforcement activity.

(c) This part applies to all organizational components in the Department in order to assure the maximum amount of uniformity and consistency within the Department in its implementation of the Act.

(d) The Assistant Secretary for Administration shall be responsible for carrying out the requirements of this part, for issuing such orders and directives internal to the Department as are necessary for full compliance with the Act, and for effecting publication of all required notices concerning systems of records.

(e) Requests involving information pertaining to an individual which is in a record or file but not within the scope of a System of Records Notice published in the FEDERAL REGISTER are outside the scope of this part. Requests for departmental records will be considered to determine whether processing under this part, part 15, or both is most appropriate, notwithstanding the requester's characterization of the request, as follows:

(1) *A Privacy Act request from an individual for records about that individual and not contained in a Privacy Act Records System* shall be considered a Freedom of Information Act request and processed under HUD Freedom of Information Act regulations (24 CFR part 15) to the extent that the requester has provided the Department a reasonable description of the documents requested. When a request for records is so considered as a Freedom of Information Act request, the Privacy Act Officer shall promptly refer it to the head of the appropriate organizational unit in accordance with HUD FOIA Regulations and shall advise the requester that time of receipt for processing purposes will be the time when it is received by the appropriate official.

(2) *A Freedom of Information Act request from an individual for records about that individual contained in a Privacy Act Records System* shall be processed as follows:

(i) If the request in whole or in part contains a reasonable description of any HUD document, processing shall be carried out pursuant to HUD FOIA Regulations.

(ii) If the request in whole or in part does not contain a reasonable description of any HUD document, but does provide sufficient information under HUD Privacy Act Regulations to undertake a Privacy Act Records System search, the Department will provide

full access under HUD Privacy Act Regulations. In this situation, the Department will comply with the deadlines for response set forth in the Privacy Act and HUD implementing regulations. In that event, an explanation will be provided to the requester advising that the request did not contain a reasonable description of a particular document as required under the FOIA and offering to process the request under FOIA procedures upon receipt of additional information sufficient to constitute a *reasonable description*.

(3) *A Freedom of Information Act request from an individual for records about another individual contained in a Privacy Act Records System* shall be processed as follows: When an exemption under subsection (b) of FOIA is available, the Privacy Act governs the public interest determination under HUD FOIA Regulations (24 CFR 15.21) and compels the withholding of such documents unless: (i) The subject of those records consents to their release or (ii) disclosure comes within one of the subsections of 5 U.S.C. § 552a(b).

(4) *A Privacy Act request from an individual for records about another individual* shall be processed as follows: Except as expressly permitted in this part, requests by persons who are not the subject of a record contained in a Privacy Act Records System shall be outside the scope of this part. If the request satisfies the Freedom of Information Act requirement that requested records be reasonably described, the Privacy Act Officer shall consider the requests as a Freedom of Information Act request and shall proceed as in § 16.1(e)(1) of this section.

[40 FR 39729, Aug. 28, 1975, as amended at 41 FR 13917, Apr. 1, 1976]

(6) *Request for correction or amendment* means the request by an individual or guardian that the Department change (either by correction, addition or deletion) a particular record in a system of records which pertains to that individual.

[40 FR 39729, Aug. 28, 1975, as amended at 41 FR 13917, Apr. 1, 1976; 61 FR 5204, Feb. 9, 1996]

§ 16.3 Procedures for inquiries.

(a) Any individual, regardless of age, may submit an inquiry to the Department. The inquiry should be made either in person at the office of, or by mail addressed to, the appropriate Privacy Act Officer. Although oral requests may be honored, a requester may be asked to submit his request in writing. The envelope containing the request and the letter itself should both clearly indicate that the subject is a "PRIVACY ACT INQUIRY". If an individual believes the Department maintains a record pertaining to that individual but does not know which system of records might contain such a record and/or which organizational component of the Department maintains the system of records, assistance in person or by mail will be provided at the first address listed in Appendix A to this part.

(b)(1) An inquiry should contain the following information:

(i) Name, address and telephone number of the individual making the request;

(ii) Name, address and telephone number of the individual to whom the record pertains, if the requesting indi-

vidual is either the parent of a minor or the legal guardian of the individual to whom the record pertains;

(iii) A certified or authenticated copy of documents establishing parentage or guardianship;

(iv) Whether the individual to whom the record pertains is a citizen of the United States or an alien lawfully admitted for permanent residence in to the United States;

(v) Name of the system of records, as published in the FEDERAL REGISTER;

(vi) Location of the system of records, as published in the FEDERAL REGISTER;

(vii) Such additional information as the individual knows will or believes might assist the Department in responding to the inquiry (for example, the individual's past or present relationship with the Department, e.g. mortgagor, contractor, employee, including relevant dates) and in verifying the individual's identity (for example, date of birth, place of birth, names of parents, place of work, dates of employment, position title, etc.);

(viii) Date of inquiry; and,

(ix) Individual's signature.

The Department reserves the right to require compliance with the identification procedures appearing at §16.4(d) where circumstances warrant.

(2) In compliance with 5 U.S.C. 552a (e)(3) each individual supplying the information in accordance with paragraph (b)(1) of this section hereby is informed that:

(i) The authority authorizing solicitation of the information is 5 U.S.C. 552a, disclosure is voluntary, and no penalty is attached for failure to respond;

(ii) The principal purpose for which the information is intended to be used is processing the inquiry under the Act;

(iii) The routine uses which may be made of the information are the routine uses appearing as a prefatory statement to the Department's notice of systems of records published in the FEDERAL REGISTER; and,

(iv) The effects of not providing all or any part of the information may delay, or in some cases make impossible, the Department's processing of the action on the request under the Act.

(3) If, having been made aware of the contents of paragraph (b)(2) of this section, an individual submits the information listed in paragraph (b)(1) of this section, he or she will be deemed to have made the submission on a purely voluntary and consensual basis.

(c) When an inquiry is misdirected by the requester, or not addressed as specified in paragraph (a) of this section, the Department official receiving same shall make reasonable effort to identify, and promptly refer it to, the appropriate Privacy Act Officer and the time of receipt for processing purposes will be the time when it is received by the Privacy Act Officer.

(d) When an inquiry fails to provide necessary information as set forth in paragraph (b) of this section, the requester shall be advised that the time of receipt for processing purposes will be the time when the additional necessary information is received by the Privacy Act Officer.

(e) Each inquiry received shall be acted upon promptly by the responsible Privacy Act Officer. Every effort will be made to respond within ten days (excluding Saturdays, Sundays and holidays) of the date of receipt. If a response cannot be made within ten days, the Privacy Act Officer shall send an acknowledgement during that period providing information on the status of the inquiry. The Privacy Act Officer may indicate that additional information would facilitate processing or that further information is necessary to process the inquiry.

§ 16.4 Requests for access; requirements.

(a) Any individual, regardless of age, may submit to the Department a request for access to records of the Department. The request should be made either in person at the Office of, or by mail addressed to, the responsible Privacy Act Officer identified in Appendix A to this part. Although oral requests may be honored, a requester may be asked to submit his request in writing. The envelope containing the request and the letter itself should both clearly indicate that the subject is a PRIVACY ACT REQUEST FOR ACCESS TO RECORDS.

(b) When a request for access to records is misdirected by the requester, or not addressed as specified in paragraph (a) of this section, the Department official receiving same shall promptly refer it to the appropriate Privacy Act Officer and the time of receipt for processing purposes will be the time when it is received by that official.

(c) When a request for access to records fails to provide necessary information as set forth in paragraph (b) of this section the requester shall be advised that the time of receipt for processing purposes will be the time when the additional necessary information is received by the appropriate official.

(d) The requirements for identification of individuals seeking access to records are as follows:

(1) *In person.* Each individual making a request in person shall be required to present satisfactory proof of identity. The means of proof, in the order of preference and priority, are:

(i) A document bearing the individual's photograph (for example, passport or military or civilian identification card);

(ii) A document bearing the individual's signature (for example, driver's license, social security card, unemployment insurance book, employer's identification card, national credit card and professional, craft or union membership card); and

(iii) A document bearing neither the photograph nor the signature of the individual (for example, a Medicaid card). In the event the individual can provide no suitable documentation of identity, the Department will require a signed statement asserting the individual's identity and stipulating that the individual understands the penalty provision of 5 U.S.C. 552a(i)(3). That penalty provision also appears at § 16.13(a). In order to avoid any unwarranted disclosure of an individual's records, the Department reserves the right to determine to its satisfaction whether proof of identity offered by any individual is adequate.

(2) *Not in person.* If the individual making a request does not appear in person before a Privacy Act Officer, the information set forth in § 16.3(b)(1) and a certificate of a notary public or

§ 16.5

equivalent officer empowered to administer oaths must accompany the request. The certificate within or attached to the letter must be substantially in accord with the following text:

City of _____
County of _____:

presence, came before me, a _____

If the request follows inquiry under § 16.3, this should be indicated in the request for access in order to facilitate processing.

(3) *Parents of minors and legal guardians.* An individual acting as the parent of a minor or the legal guardian of the individual to whom a record pertains shall establish his or her personal identity in the same manner prescribed in either paragraph (d) (1) or (2) of this section. In addition, such other individual shall establish his or her representative capacity of parent or legal guardian. In the case of the parent of a minor, the proof of identity shall be a certified or authenticated copy of the minor's birth certificate. In the case of a legal guardian of an individual who has been declared incompetent due to physical or mental incapacity or age by a court of competent jurisdiction, the proof of identity shall be a certified or authenticated copy of the court's order. A parent or legal guardian may act only for a living individual, not for a decedent. A parent or legal guardian may be accompanied during personal access to a record by another individual, provided the provisions of § 16.5(e) are satisfied.

(e) When the provisions of this part are alleged to have the effect of impeding an individual in exercising his or her right to access, the Department will consider alternative suggestions from an individual making a request, regarding proof of identity and access to records.

24 CFR Subtitle A (4-1-07 Edition)

(f) An individual shall not be required to state a reason or otherwise justify his or her request for access to a record.

§ 16.5 Disclosure of requested information to individuals.

(a) Each request received shall be acted upon promptly by the responsible Privacy Act Officer. Every effort will be made to respond within ten days (excluding Saturdays, Sundays and holidays) of the date of receipt. If a response cannot be made within ten days due to unusual circumstances, the Privacy Act Officer shall send an acknowledgement during that period providing information on the status of the request and asking for such further information as may be necessary to process the request. *Unusual circumstances* shall include circumstances where a search for and collection of requested records from inactive storage, field facilities or other establishments are required, cases where a voluminous amount of data is involved, instances where information on other individuals must be separated or expunged from the particular record, and cases where consultations with other agencies having a substantial interest in the determination of the request are necessary.

(b) *Grant of access—(1) Notification.* An individual shall be granted access to a record pertaining to him or her, except where the provisions of § 16.6 apply. The Privacy Act Officer shall notify the individual of such determination and provide the following information:

(i) The methods of access, as set forth in paragraph (b)(2) of this section;

(ii) The place at which the record may be inspected;

(iii) The earliest date on which the record may be inspected and the period of time that the records will remain available for inspection and/or the estimated date by which a copy of the record could be mailed and the estimate of fees pursuant to § 16.12;

(iv) The fact that the individual, if he or she wishes, may be accompanied by another individual during personal access, subject to procedures set forth in paragraph (e) of this section; and

(v) Any additional requirements needed to grant access to a specific record.

(2) *Methods of access.* The following methods of access to records by an individual may be available depending on the circumstances of a given situation:

(i) Inspection in person may be had in the office specified by the Privacy Act Officer granting access during hours indicated by the Privacy Act Officer;

(ii) Transfer of records to a Federal facility more convenient to the individual may be arranged, but only if the Privacy Act Officer determines that a suitable facility is available, that the individual's access can be properly supervised at the facility, and that transmittal of the records to that facility will not unduly interfere with operations of the Department or involve unreasonable costs, in terms of both money and manpower; and

(iii) Copies may be mailed at the request of the individual, subject to payment of the fees prescribed in §16.12. The Department, at its own initiative, may elect to provide a copy by mail, in which case no fee will be charged the individual.

(c) The Department shall supply such other information and assistance at the time of access as to make the record intelligible to the individual.

(d) The Department reserves the right to limit access to copies and abstracts of original records, rather than the original records. This election would be appropriate, for example, when the record is in an automated data media such as tape or disc, when the record contains information on other individuals, and when deletion of information is permissible under exemptions (for example, 5 U.S.C. 552a(k)(2)). In no event shall original records of the Department be made available to the individual except under the immediate supervision of the Privacy Act Officer or his designee. It is a crime to conceal, mutilate, obliterate, or destroy any record filed in a public office, or to attempt to do any of the foregoing, Title 18, United States Code, 2701(a).

(e) Any individual who requests access to a record pertaining to that individual may be accompanied by another individual of his or her choice. *Accompanied* includes discussion of the record in the presence of the other individual. The individual to whom the record per-

tains shall authorize the presence of the other individual by a signed and dated document which includes the name of the other individual and specifically describes the record to which access is sought. The other individual shall sign the authorization in the presence of the Privacy Act Officer. An individual shall not be required to state a reason or otherwise justify his or her decision to be accompanied by another individual during personal access to a record.

§ 16.6 Initial denial of access.

(a) *Grounds.* Access by an individual to a record which pertains to that individual will be denied only upon a determination by the Privacy Act Officer that:

(1) The record is subject to an exemption under §16.14, §16.15 or to an exemption determined by another agency noticing the system of records;

(2) The record is information compiled in reasonable anticipation of a civil action or proceeding; or

(3) The individual unreasonably has failed to comply with the procedural requirements of this part.

(b) *Notification.* The Privacy Act Officer shall give notice of denial of access to records to the individual in writing and shall include the following information:

(1) The Privacy Act Officer's name and title or position;

(2) The date of the denial;

(3) The reasons for the denial, including citation to the appropriate section of the Act and/or this part;

(4) The individual's opportunities, if any, for further administrative consideration, including the identity and address of the appropriate Privacy Appeals Officer. If no further administrative consideration within the Department is available, the notice shall state that the denial is administratively final; and,

(5) If stated to be administratively final; and, within the Department, the individual's right to judicial review under 5 U.S.C. 552a(g)(1), as amended by 5 U.S.C. 552a(g)(5).

[40 FR 39729, Aug. 28, 1975, as amended at 42 FR 20297, Apr. 19, 1977]

§ 16.7

§ 16.7 Administrative review of initial denial of access.

(a) Review shall be available only from a written denial of a request for access issued under § 16.6(a) (2) or (3) and only if a written request for review is filed within thirty calendar days after the issuance of the written denial.

(b) A request for review shall be addressed to the Privacy Appeals Officer identified in the initial denial, which official is authorized to make final determinations. The envelope containing the request for review and the letter itself should both clearly indicate that the subject is a PRIVACY ACT REQUEST FOR REVIEW.

(c) When a request for review is misdirected by the requester, or not addressed as specified in paragraph (b) of this section, the Department official receiving same shall promptly refer it to the Privacy Appeals Officer and the time of receipt for processing purposes will be the time when it is received by the appropriate official.

(d) When a request for review fails to provide necessary information as set forth in paragraph (e) of this section, the requester shall be given reasonable opportunity to amend the request and shall be advised that the time of receipt for processing purposes will be the time when the additional necessary information is received by the appropriate official.

(e) The filing of a request for review may be accomplished by mailing to the Privacy Appeals Officer a copy of the request for access, if in writing; a copy of the written denial issued under § 16.6; and a statement of the reasons why the initial denial is believed to be in error. The appeal shall be signed by the individual.

(f) No hearing will be allowed in connection with administrative review of an initial denial of access.

(g) The Privacy Appeals Officer shall act upon the appeal and issue a final determination in writing not later than thirty days (excluding Saturdays, Sundays and holidays) from the date on which the appeal is received; provided, that the Privacy Appeals officer may extend the thirty days upon deciding that a fair and equitable review cannot be made within that period, but

24 CFR Subtitle A (4-1-07 Edition)

only if the individual is advised in writing of the reason for the extension and the estimated date by which a final determination will issue, which estimated date should not be later than the sixtieth day (excluding Saturdays, Sundays and holidays) after receipt of the appeal unless there exist unusual circumstances, as described in § 16.5(a).

(h) The decision after review will be in writing, will constitute final action of the Department on a request for access, and, if the denial of the request is in whole or part upheld, the Department shall notify the person making the request of his right to judicial review under 5 U.S.C. 552a(g)(1), as amended by 5 U.S.C. 552a(g)(5).

§ 16.8 Request for correction or amendment to record.

(a) Any individual, regardless of age, may submit to the Department a request for correction or amendment of a record pertaining to that individual. The request should be made either in person at the office of, or by mail addressed to, the Privacy Act Officer who processed the individual's request for access to the record. Although an oral request may be honored, a requester may be asked to submit his or her request in writing. The envelope containing the request and the letter itself should both clearly indicate that the subject is a PRIVACY ACT REQUEST FOR CORRECTION OR AMENDMENT.

(b) When a request for correction or amendment is misdirected by the requester, or not addressed as specified in paragraph (a) of this section, the Department official receiving same shall make reasonable effort to identify, and promptly refer it to, the appropriate Privacy Act Officer and the time of receipt for processing purposes will be the time when it is received by the appropriate official.

(c) When a request for correction or amendment fails to provide necessary information as set forth in paragraph (e) of this section, the requester shall be given reasonable opportunity to answer the request and shall be advised that the time of receipt for processing purposes will be the time when the additional necessary information is received by the appropriate official.

Office of the Secretary, HUD

§ 16.9

(d) Since the request, in all cases, will follow a request for access under § 16.4, the individual's identity will be established by his or her signature on the request.

(e) A request for correction or amendment should include the following:

(1) A specific identification of the record sought to be corrected or amended (for example, description, title, date, paragraph, sentence, line and words);

(2) The specific wording to be deleted, if any;

(3) The specific wording to be inserted or added, if any, and the exact place at which it is to be inserted or added; and

(4) A statement of the basis for the requested correction or amendment, with all available supporting documents and materials which substantiate the statement.

(f) The provisions of § 16.3(b) (2) and (3) apply to the information obtained under paragraph (e) of this section.

§ 16.9 Agency procedures upon request for correction or amendment of record.

(a)(1) Not later than ten days (excluding Saturdays, Sundays and holidays) after receipt of a request to correct or amend a record, the Privacy Act Officer shall send an acknowledgment providing an estimate of time within which action will be taken on the request and asking for such further information as may be necessary to process the request. The estimate of time may take into account unusual circumstances as described in § 16.5(a). No acknowledgment will be sent if the request can be reviewed, processed, and the individual notified of the results of review (either compliance or denial) within the ten days. Requests filed in person will be acknowledged at the time submitted.

(2) Promptly after acknowledging receipt of a request, or after receiving such further information as might have been requested, or after arriving at a decision within the time prescribed in § 16.9(a)(1), the Privacy Act Officer shall either:

(i) Make the requested correction or amendment and advise the individual

in writing of such action, providing either a copy of the corrected or amended record or a statement as to the means whereby the correction or amendment was effected in cases where a copy cannot be provided; or,

(ii) Inform the individual in writing that his or her request is denied and provide the following information:

(A) The Privacy Act Officer's name and title and position;

(B) The date of the denial;

(C) The reasons for the denial, including citation to the appropriate sections of the Act and this part; and,

(D) The procedures for appeal of the denial as set forth in § 16.10, including the name and address of the Privacy Appeals Officer. The term *promptly* in this § 16.9 means within thirty days (excluding Saturdays, Sundays and holidays). If the Privacy Act Officer cannot make the determination within thirty days, the individual will be advised in writing of the reason therefor and of the estimated date by which the determination will be made.

(b) Whenever an individual's record is corrected or amended pursuant to a request by that individual, the Privacy Act Officer shall see to the notification of all persons and agencies to which the corrected or amended portion of the record had been disclosed prior to its correction or amendment, if an accounting of such disclosure was made as required by the Act. The notification shall require a recipient agency maintaining the record to acknowledge receipt of the notification, to correct or amend the record and to appraise any agency or person to which it had disclosed the record of the substance of the correction or amendment.

(c) The following criteria will be considered by the Privacy Act Officer in reviewing a request for correction or amendment:

(1) The sufficiency of the evidence submitted by the individual;

(2) The factual accuracy of the information;

(3) The relevance and necessity of the information in terms of the purpose for which it was collected;

(4) The timeliness and currency of the information in terms of the purpose for which it was collected;

§ 16.10

24 CFR Subtitle A (4-1-07 Edition)

(5) The completeness of the information in terms of the purpose for which it was collected;

(6) The possibility that denial of the request could unfairly result in determinations adverse to the individual;

(7) The character of the record sought to be corrected or amended; and

(8) The propriety and feasibility of complying with the specific means of correction or amendment requested by the individual.

(d) The Department will not undertake to gather evidence for the individual, but does reserve the right to verify the evidence which the individual submits.

(e) Correction or amendment of a record requested by an individual will be denied only upon a determination by the Privacy Act Officer that:

(1) There has been a failure to establish, by the evidence presented, the propriety of the correction or amendment in light of the criteria set forth in paragraph (c) of this section;

(2) The record sought to be corrected or amended was compiled in a terminated judicial, quasi-judicial, legislative or quasi-legislative proceeding to which the individual was a party or participant;

(3) The information in the record sought to be corrected or amended, or the record sought to be corrected or amended, is the subject of a pending judicial, quasi-judicial or quasi-legislative proceeding to which the individual is a party or participant;

(4) The correction or amendment would violate a duly enacted statute or promulgated regulation; or,

(5) The individual unreasonably has failed to comply with the procedural requirements of this part.

(f) If a request is partially granted and partially denied, the Privacy Act Officer shall follow the appropriate procedures of this section as to the records within the grant and the records within the denial.

§ 16.10 Appeal of initial adverse agency determination on correction or amendment.

(a) Appeal shall be available only from a written denial of a request for correction or amendment of a record issued under § 16.9, and only if a written

appeal is filed within thirty calendar days after the issuance of the written denial.

(b) Each appeal shall be addressed to the Privacy Appeals Officer identified in the written denial. The envelope containing the appeal and the letter itself should both clearly indicate that the subject is PRIVACY ACT APPEAL.

(c) When an appeal is misdirected by the requester, or not addressed as specified in paragraph (b) of this section, the Department official receiving same shall promptly refer it to the appropriate Privacy Appeals Officer and the time of receipt for processing purposes will be the time when it is received by the appropriate official.

(d) When an appeal fails to provide the necessary information as set forth in paragraph (e) of this section, the requester shall be advised that the time for receipt for processing purposes will be the time when the additional necessary information is received by the appropriate official.

(e) The individual's appeal papers shall include the following: A copy of the original request for correction or amendment; a copy of the initial denial; and a statement of the reasons why the initial denial is believed to be in error. The appeal shall be signed by the individual. The record which the individual requests be corrected or amended will be supplied by the Privacy Act Officer who issued the initial denial. While the foregoing normally will comprise the entire record on appeal, the Privacy Appeals Officer may seek additional information necessary to assure that the final determination is fair and equitable and, in such instances, the additional information will be disclosed to the individual to the greatest extent possible and an opportunity provided for comment thereon.

(f) No hearing on appeal will be allowed.

(g) The Privacy Appeals Officer shall act upon the appeal and issue a final Department determination in writing not later than thirty days (excluding Saturdays, Sundays and holidays) from the date on which the appeal is received; provided, that the Privacy Appeals Officer may extend the thirty

days upon deciding that a fair and equitable review cannot be made within that period, but only if the individual is advised in writing of the reason for the extension and the estimated date by which a final determination will issue (which estimated date should not be later than the sixtieth day (excluding Saturdays, Sundays and holidays) after receipt of the appeal unless unusual circumstances, as described in § 16.5(a), are met).

(h) If the appeal is determined in favor of the individual, the final determination shall include the specific corrections or amendments to be made and a copy thereof shall be transmitted promptly both to the individual and to the Privacy Act Officer who issued the initial denial. Upon receipt of such final determination, the Privacy Act Officer promptly shall take the actions set forth in § 16.9(a)(2)(i) and § 16.9(b).

(i) If the appeal is denied, the final determination shall be transmitted promptly to the individual and shall state the reasons for the denial. The notice of final determination also shall inform the individual of the following information:

(1) The right of the individual to file a concise statement of reasons for disagreeing with the final determination. The statement ordinarily should not exceed one page and the Department reserves the right to reject a statement of excessive length. Such a statement shall be filed with the Privacy Appeals Officer. It should identify the date of the final determination and be signed by the individual. The Privacy Appeals Officer shall acknowledge receipt of such statement and inform the individual of the date on which it was received;

(2) The fact that any such disagreement statement filed by the individual will be noted in the disputed record and that a copy of the statement will be provided to persons and agencies to which the record is disclosed subsequent to the date of receipt of such statement;

(3) The fact that prior recipients of the disputed record will be provided a copy of any statement of the dispute to the extent that an accounting of disclosures, as required by the Act, was made;

(4) The fact that the Department will append to any such disagreement statement filed by the individual, a copy of the final determination or summary thereof which also will be provided to persons and agencies to which the disagreement statement is disclosed; and,

(5) The right of the individual to judicial review of the final determination under 5 U.S.C. 552a(g)(1)(A), as limited by 5 U.S.C. 552a(g)(5).

(j) In making the final determination, the Privacy Appeals Officer shall employ the criteria set forth in paragraph 16.9(c) and shall deny an appeal only on the grounds set forth in § 16.9(e).

(k) If an appeal is partially granted and partially denied, the Privacy Appeals Officer shall follow the appropriate procedures of this section as to the records within the grant and the records within the denial.

(l) Although a copy of the final determination or a summary thereof will be treated as part of the individual's record for purposes of disclosure in instances where the individual has filed a disagreement statement, it will not be subject to correction or amendment by the individual.

(m) The provisions of § 16.3(b) (2) and (3) apply to the information obtained under paragraphs (e) and (i)(1) of this section.

§ 16.11 Disclosure of record to person other than the individual to whom it pertains.

(a) The Department may disclose a record pertaining to an individual to a person other than the individual only in the following instances:

(1) Upon written request by the individual, including authorization under § 16.5(e);

(2) With the prior written consent of the individual;

(3) To a parent or legal guardian under 5 U.S.C. 552a(h); and,

(4) When required by the Act and not covered explicitly by the provisions of 5 U.S.C. 552a(b); and,

(5) When permitted under 5 U.S.C. 552a(b) (1) through (11), which read as follows:

(1) To those officers and employees of the agency which maintains the record who have

§ 16.12

a need for the record in the performance of their duties;

(2) Required under section 552 of this title;

(3) For a routine use as defined in subsection (a)(7) of this section and described under subsection (e)(4)(D) of this section;

(4) To the Bureau of the Census for purposes of planning or carrying out a census or survey or related activity pursuant to the provisions of title 13;

(5) To a recipient who has provided the agency with advance adequate written assurance that the record will be used solely as a statistical research or reporting record, and the record is to be transferred in a form that is not individually identifiable;

(6) To the National Archives of the United States as a record which has sufficient historical or other value to warrant its continued preservation by the United States Government, or for evaluation by the Administrator of General Services or his designee to determine whether the record has such value;

(7) To another agency or to an instrumentality of any governmental jurisdiction within or under the control of the United States for a civil or criminal law enforcement activity if the activity is authorized by law, and if the head of the agency or instrumentality has made a written request to the agency which maintains the record specifying the particular portion desired and the law enforcement activity for which the record is sought;

(8) To a person pursuant to a showing of compelling circumstances affecting the health or safety of an individual if upon such disclosure notification is transmitted to the last known address of such individual;

(9) To either House of Congress, or, to the extent of matter within its jurisdiction, any committee or subcommittee thereof, any joint committee of Congress or subcommittee of any such joint committee;

(10) To the Comptroller General, or any of his authorized representatives, in the course of the performance of the duties of the General Accounting Office; or

(11) Pursuant to the order of a court of competent jurisdiction.

(b) The situations referred to in paragraph (a)(4) of this section include the following:

(1) 5 U.S.C. 552a(c)(4) requires dissemination of a corrected or amended record or notation of a disagreement statement by the Department in certain circumstances;

(2) 5 U.S.C. 552(a)(g) authorizes civil action by an individual and requires disclosure by the Department or the court;

(3) Section 5(e)(2) of the Act authorizes release of any records or informa-

24 CFR Subtitle A (4-1-07 Edition)

tion by the Department to the Privacy Protection Study Commission upon request of the Chairman; and

(4) Section 6 of the Act authorizes the Office of Management and Budget to provide the Department with continuing oversight and assistance in implementation of the Act.

(c) The Department shall make an accounting of each disclosure of any record contained in a system of records in accordance with 5 U.S.C. 552a(c) (1) and (2). Except for a disclosure made under 5 U.S.C. 552a(b)(7), the Privacy Act Officer shall make such accounting available to any individual, insofar as it pertains to that individual, on request submitted in accordance with §16.4. The Privacy Act Officer shall make reasonable efforts to notify any individual when any record in a system of records is disclosed to any person under compulsory legal process, promptly upon being informed that such process has become a matter of public record.

§ 16.12 Fees.

(a) The only fees to be charged to or collected from an individual under the provisions of this part are for copying records at the request of the individual.

(1) No fees shall be charged or collected for the following: Search for and retrieval of the records; review of the records; copying at the initiative of the Department without a request from the individual; transportation of records and personnel; and first class postage.

(2) It is the policy of the Department to provide an individual with one copy of each record corrected or amended pursuant to his or her request without charge as evidence of the correction or amendment.

(3) As requested by the United States Civil Service Commission in its published regulations implementing the Act, the Department will charge no fee to an individual who requests copies of a personnel record covered by that Commission's Government-wide published notice of systems of records. However, when such records are voluminous and the cost of copying would be in excess of five dollars (\$5) the Department may, in its discretion, charge a fee.

Office of the Secretary, HUD

§ 16.15

(b) The copying fees prescribed by paragraph (a) of this section are:

\$0.10 Each copy of each page, up to 8½"×14" made by photocopy or similar process.

\$0.20 Each page of computer printout without regard to the number of carbon copies concurrently printed.

(c) Payment of fees under this section shall be made in cash, or preferably by check or money order payable to the "Treasurer of the United States." Payment shall be delivered or sent to the office stated in the billing notice or, if none is stated, to the Privacy Act Officer processing the request. Payment may be required in the form of a certified check in appropriate circumstances. Postage stamps will not be accepted.

(d) A copying fee totaling \$1 or less shall be waived, but the copying fees for contemporaneous requests by the same individual shall be aggregated to determine the total fee. A copying fee shall not be charged or collected, or alternatively, it may be reduced when such action is determined by the Privacy Act Officer to be in the public interest.

(e) Special and additional services provided at the request of the individual, such as certification or authentication, postal insurance and special mailing arrangement costs, will be charged to the individual in accordance with other published regulations of the Department pursuant to statute (for example, 31 U.S.C. 433a).

(f) This section applies only to individuals making requests under this part. All other persons shall remain subject to fees and charges prescribed by other and appropriate authorities.

[40 FR 39729, Aug. 28, 1975, as amended at 42 FR 29479, June 9, 1977]

§ 16.13 Penalties.

(a) The Act provides, in pertinent part:

Any person who knowingly and willfully requests or obtains any record concerning an individual from an agency under false pretenses shall be guilty of a misdemeanor and fined not more than \$5,000. (5 U.S.C. 552a(i)(3))

(b) A person who falsely or fraudulently attempts to obtain records under the Act may also be subject to

prosecution under such other criminal statutes as 18 U.S.C. 494, 495 and 1001.

§ 16.14 General exemptions.

(a) Individuals may not have access to records maintained by the Department but which were provided by another agency which has determined by regulation that such information is subject to general exemption under 5 U.S.C. 552a(j). If such exempt records are within a request for access, the Department will advise the individual of their existence and of the name and address of the source agency. For any further information concerning the record and the exemption, the individual must contact that source agency.

(b) The Secretary of Housing and Urban Development has determined that the Office of the Assistant Inspector General for Investigation performs, as its principal function, activities pertaining to the enforcement of criminal laws. The records maintained by that office in a system identified as "HUD/DEPT-24, Investigation Files," primarily consist of information compiled for the purpose of criminal investigations and are associated with identifiable individuals. Therefore, the Secretary has determined that this system of records shall be exempt, consistent with 5 U.S.C. 552a(j)(2), from all requirements of the Privacy Act except 5 U.S.C. 552a (b), (c) (1) and (2), (e)(4) (A) through (F), (e) (6), (7), (9), (10), and (11), and (i) unless elsewhere exempted.

[40 FR 39729, Aug. 28, 1975, as amended at 49 FR 20486, May 15, 1984]

§ 16.15 Specific exemptions.

Whenever the Secretary of Housing and Urban Development determines it to be necessary and proper, with respect to any system of records maintained by the Department, to exercise the right to promulgate rules to exempt such systems in accordance with the provisions of 5 U.S.C. 552a(k), each specific exemption, including the parts of each system to be exempted, the provisions of the Act from which they are exempted, and the justification for each exemption shall be published in the FEDERAL REGISTER as part of the Department's Notice of Systems of Records.

§ 16.15

24 CFR Subtitle A (4-1-07 Edition)

(a) Exempt under 5 U.S.C. 552a(k)(2) from the requirements of 5 U.S.C. 552a (c)(3), (d), (e)(1), (e)(4) (G), (H), (I), and (f). This exemption allows the Department to withhold records compiled for law enforcement purposes. The reasons for adopting this exemption are to prevent individuals, who are the subjects of investigation, from frustrating the investigatory process, to ensure the integrity of the investigatory process, to ensure the integrity of law enforcement activities, to prevent disclosure of investigative techniques, and to protect the confidentiality of sources of information. The names of systems correspond to those published in the FEDERAL REGISTER as part of the Department's Notice of Systems of Records.

(1) HUD/DEPT-15. Equal Opportunity Housing Complaints.

(2) HUD/DEPT-24. Investigation Files in the Office of the Inspector General.

(3) HUD/DEPT-25. Legal Action Files.

(b) Exempt under 5 U.S.C. 552(k)(5) from the requirements of 5 U.S.C. 552a (c)(3), (d), (e)(1), (e)(4), (G), (H), and (I), and (f). This exemption allows the Department to withhold records compiled solely for the purpose of determining suitability, eligibility, or qualifications for Federal contracts, or access to classified material. The reasons for adopting this exemption are to insure the proper functioning of the investigatory process, to insure effective determination of suitability, eligibility and qualification for employment and to protect the confidentiality of sources of information. The names of systems correspond to those published in the FEDERAL REGISTER as part of the Department's Notice of Systems of Records.

(1) HUD/DEPT-24. Investigation Files in the Office of the Inspector General.

(2) HUD/DEPT-25. Legal Action Files.

(c) The system of records entitled "HUD/PIH-1. Tenant Eligibility Verification Files" consists in part of investigatory material compiled for law enforcement purposes. Relevant records will be used by appropriate Federal, state or local agencies charged with the responsibility for investigating or prosecuting violations of law. Therefore, to the extent that information in the system falls within

the coverage of subsection (k)(2) of the Privacy Act, 5 U.S.C. 552a(k)(2), the system is exempt from the requirements of the following subsections of the Privacy Act, for the reasons stated below.

(1) From subsection (c)(3) because release of an accounting of disclosures to an individual who may be the subject of an investigation could reveal the nature and scope of the investigation and could result in the altering or destruction of evidence, improper influencing of witnesses, and other evasive actions that could impede or compromise the investigation.

(2) From subsection (d)(1) because release of the records to an individual who may become or has become the subject of an investigation could interfere with pending or prospective law enforcement proceedings, constitute an unwarranted invasion of the personal privacy of third parties, reveal the identity of confidential sources, or reveal sensitive investigative techniques and procedures.

(3) From subsection (d)(2) because amendment or correction of the records could interfere with pending or prospective law enforcement proceedings, or could impose an impossible administrative and investigative burden by requiring the office that maintains the records to continuously retrograde its verifications of tenant eligibility attempting to resolve questions of accuracy, relevance, timeliness and completeness.

(4) From subsection (e)(1) because it is often impossible to determine relevance or necessity of information in pre-investigative early stages. The value of such information is a question of judgment and timing; what appears relevant and necessary when collected may ultimately be evaluated and viewed as irrelevant and unnecessary to an investigation. In addition, the Assistant Secretary for Public and Indian Housing, or investigators, may obtain information concerning the violation of laws other than those within the scope of its jurisdiction. In the interest of effective law enforcement, the Assistant Secretary for Public and Indian Housing, or investigators, should retain this information because it may aid in establishing patterns of unlawful

activity and provide leads for other law enforcement agencies. Further, in obtaining the evidence, information may be provided which relates to matters incidental to the main purpose of the inquiry or investigation but which may be pertinent to the investigative jurisdiction of another agency. Such information cannot readily be identified.

(d) The system of records entitled “HUD/PIH-1. Tenant Eligibility Verification Files” consists in part of material that may be used for the purpose of determining suitability, eligibility, or qualifications for Federal civilian employment or Federal contracts, the release of which would reveal the identity of a source who furnished information to the Government under an express promise that the identity of the source would be held in confidence. Therefore, to the extent that information in this system falls within the coverage of subsection (k)(5) of the Privacy Act, 5 U.S.C. 552a(k)(5), the system is exempt from the requirements of the following subsection of the Privacy Act, for the reasons stated below.

(1) From subsection (d)(1) because release would reveal the identity of a source who furnished information to the Government under an express promise of confidentiality. Revealing the identity of a confidential source could impede future cooperation by sources, and could result in harassment or harm to such sources.

[36 FR 24427, Dec. 22, 1971, as amended at 61 FR 5204, Feb. 9, 1996]

PROCEDURES

§ 17.2 Administrative claim; when presented; appropriate HUD office.

(a) For purposes of this subpart, a claim shall be deemed to have been

presented when the Department receives, at a place designated in paragraph (b) of this section, an executed *Claim for Damages or Injury*, Standard Form 95, or other written notification of an incident, accompanied by a claim for money damages in a sum certain for injury to or loss of property, for personal injury, or for death alleged to have occurred by reason of the incident. A claim which should have been presented to the Department, but which was mistakenly addressed to or filed with another Federal agency, is deemed to be presented to the Department as of the date that the claim is received by the Department. If a claim is mistakenly addressed to or filed with the Department, the Department shall forthwith transfer it to the appropriate Federal agency, if ascertainable, or return it to the claimant.

(b) A claimant shall mail or deliver his claim to the office of employment of the Department employee or employees whose negligent or wrongful act or omission is alleged to have caused the loss or injury complained of. Where such office of employment is the Department Central Office in Washington, or is not reasonably known and not reasonably ascertainable, claimant shall file his claim with the Assistant Secretary for Administration, Department of Housing and Urban Development, 451 Seventh Street SW., Washington, DC 20410. In all other cases, claimant shall address his claim to the head of the appropriate office, the address of which will generally be found listed in the local telephone directory.

§ 17.3 Administrative claim; who may file.

(a) A claim for injury to or loss of property may be presented by the owner of the property, his duly authorized agent, or his legal representative.

(b) A claim for personal injury may be presented by the injured person, his duly authorized agent, or his legal representative.

(c) A claim based on death may be presented by the executor or administrator of the decedent's estate, or by any other person legally entitled to assert such a claim in accordance with applicable State law.

(d) A claim for loss wholly compensated by an insurer with the rights of a subrogee may be presented by the insurer. A claim for loss partially compensated by an insurer with the rights of a subrogee may be presented by the insurer or the insured individually, as their respective interests appear, or jointly. Whenever an insurer presents a claim asserting the rights of a subrogee, he shall present with his claim appropriate evidence that he has the rights of a subrogee.

(e) A claim presented by an agent or legal representative shall be presented in the name of the claimant, be signed by the agent or legal representative, show the title or legal capacity of the person signing, and be accompanied by evidence of his authority to present a claim on behalf of the claimant as agent, executor, administrator, parent, guardian, or other representative.

§ 17.4 Administrative claim; evidence and information to be submitted.

(a) *Personal injury.* In support of a claim for personal injury, including pain and suffering, the claimant may be required to submit the following evidence or information:

In addition, the claimant may be required to submit to a physical or mental examination by a physician employed or designated by the Department or another Federal agency. A copy of the report of the examining physician shall be made available to the claimant upon the claimant's written request provided that he has, upon request, furnished the report referred to in the first sentence of this subparagraph and has made or agrees to make available to the Department any other physician's report previously or thereafter made of the physical or mental condition which is the subject matter of his claim;

(2) Itemized bills for medical, dental, and hospital expenses incurred, or itemized receipts of payment for such expenses;

§ 17.5

(3) If the prognosis reveals the necessity for future treatment, a statement of expected expenses for such treatment;

(4) If a claim is made for loss of time from employment, a written statement from his employer showing actual time lost from employment, whether he is a full- or part-time employee, and wages or salary actually lost;

(5) If a claim is made for loss of income and the claimant is self-employed, documentary evidence showing the amount of earnings actually lost;

(6) Any other evidence or information which may have a bearing on either the responsibility of the United States for the personal injury or the damages claimed.

(b) *Death.* In support of a claim based on death, the claimant may be required to submit the following evidence or information:

(1) An authenticated death certificate or other competent evidence showing cause of death, date of death, and age of the decedent;

(c) *Property damage.* In support of a claim for injury to or loss of property, real or personal, the claimant may be required to submit the following evidence or information:

(1) Proof of ownership;

(2) A detailed statement of the amount claimed with respect to each item of property;

(3) An itemized receipt of payment for necessary repairs or itemized written estimates of the cost of such repairs;

(4) A statement listing date of purchase, purchase price, and salvage value where repair is not economical;

(5) Any other evidence or information which may have a bearing on either the responsibility of the United States for the injury to or loss of property or the damages claimed.

§ 17.5 Investigations.

The Department may investigate, or may request any other Federal agency to investigate, a claim filed under this subpart.

§ 17.6 Claims investigation.

(a) When a claim has been filed with the Department, the head of the organizational unit concerned or his designee shall designate one employee in that unit who shall act as, and who shall be referred to herein as, the Claims Investigating Officer for that particular claim. When a claim is received by the head of an organizational unit to which this subpart applies, it shall be forwarded with or without comment to the designated Claims Investigating Officer, who shall:

(1) Investigate as completely as is practicable the nature and circumstances of the occurrence causing the loss or damage of the claimant's property;

(2) Ascertain the extent of loss or damage to the claimant's property;

(3) Assemble the necessary forms with required data contained therein;

(4) Prepare a brief statement setting forth the facts relative to the claim, a statement whether the claim satisfies the requirements of this subpart, and a recommendation as to the amount to be paid in settlement of the claim;

Office of the Secretary, HUD

§ 17.12

(5) Submit such forms, statements, and all necessary supporting papers to the head of the organizational unit having jurisdiction over the employee involved, who will be responsible for assuring that all necessary data has been obtained for the file. The head of the organizational unit will transmit the entire file to the General Counsel.

§ 17.7 Authority to adjust, determine, compromise, and settle claims.

The General Counsel, the Deputy General Counsel, and such employees of the Office of the General Counsel as may be designated by the General Counsel, are authorized to consider, ascertain, adjust, determine, compromise, and settle claims pursuant to the Federal Tort Claims Act, 28 U.S.C. 2671, and the regulations contained in 28 CFR part 14 and in this subpart.

§ 17.8 Limitations on authority.

(a) An award, compromise, or settlement of a claim under section 2672 of Title 28, United States Code, and this subpart in excess of \$25,000 may be effected only with the prior written approval of the Attorney General or his designee. For the purpose of this paragraph, a principal claim and any derivative or subrogated claim shall be treated as a single claim.

(b) An administrative claim may be adjusted, determined, compromised, or settled only after consultation with the Department of Justice when, in the opinion of the General Counsel or his designee:

(1) A new precedent or a new point of law is involved; or

(2) A question of policy is or may be involved; or

(3) The United States is or may be entitled to indemnity or contribution from a third party, and the Department is unable to adjust the third party claim; or

(4) The compromise of a particular claim, as a practical matter, will or may control the disposition of a related claim in which the amount to be paid may exceed \$25,000.

(c) An administrative claim may be adjusted, determined, compromised, or settled only after consultation with the Department of Justice when the Department is informed or is otherwise

aware that the United States or an officer, employee, agent, or cost-type contractor of the United States is involved in litigation based on a claim arising out of the same incident or transaction.

§ 17.9 Referral to Department of Justice.

When Department of Justice approval or consultation is required under § 17.8, the referral or request shall be transmitted to the Department of Justice by the General Counsel of the Department or his designee.

§ 17.11 Final denial of claim.

Final denial of an administrative claim shall be in writing, and notification of denial shall be sent to the claimant, his attorney, or legal representative by certified or registered mail. The notification of final denial may include a statement of the reasons for the denial and shall include a statement that, if the claimant is dissatisfied with the Department action, he may file suit in an appropriate U.S. District Court not later than 6 months after the date of mailing of the notification.

§ 17.12 Action on approved claim.

(a) Payment of a claim approved under this subpart is contingent on claimant's execution of: (1) A *Claim for Damage or Injury*, Standard Form 95; (2) a claims settlement agreement; and (3) a *Voucher for Payment*, Standard Form 1145, as appropriate. When a claimant is represented by an attorney, the voucher for payment shall designate both the claimant and his attorney as payees, and the check shall be delivered to the attorney, whose address shall appear on the voucher.

(b) Acceptance by the claimant, his agent, or legal representative of an award, compromise, or settlement made under section 2672 or 2677 of Title 28, United States Code, is final and conclusive on the claimant, his agent or legal representative, and any other person on whose behalf or for whose benefit the claim has been presented, and constitutes a complete release of any claim against the United States and against any officer or employee of the Government whose act or omission

§ 17.40

gave rise to the claim, by reason of the same subject matter.

Subpart B—Claims Under the Military Personnel and Civilian Employees Claims Act of 1964

AUTHORITY: Sec. 3, 78 Stat. 767 (31 U.S.C. 3721).

SOURCE: 36 FR 24427, Dec. 22, 1971, unless otherwise noted.

§ 17.40 Scope and purpose.

(a) This subpart applies to all claims filed by or on behalf of employees of the Department of Housing and Urban Development for loss of or damage to personal property which occurs incident to their service with HUD under the Military Personnel and Civilian Employees' Claims Act of 1964. A claim must be substantiated and the possession of the property determined to be reasonable, useful, or proper. The maximum amount that can be paid under any claim under the Act is \$25,000 and property may be replaced in kind at the option of the Government. Nothing in this subpart shall be construed to bar claims payable under statutory authority.

(b) HUD is not an insurer and does not underwrite all personal property losses that an employee may sustain. Employees are encouraged to carry private insurance to the maximum extent practicable to avoid large losses or losses which may not be recoverable from HUD. The procedures set forth in this section are designed to enable the claimant to obtain the maximum amount of compensation for his loss or damage. Failure of the claimant to comply with these procedures may reduce or preclude payment of his claim under this subpart.

[36 FR 24427, Dec. 22, 1971, as amended at 48 FR 6536, Feb. 14, 1983]

§ 17.41 Claimants.

(a) A claim pursuant to this subpart may only be made by:

(1) An employee of HUD.

(2) A former employee of HUD whose claim arises out of an incident occurring before his separation from HUD.

24 CFR Subtitle A (4-1-07 Edition)

(3) Survivors of a person named in paragraph (a) (1) or (2) of this section, in the following order of precedence:

(i) Spouse.

(ii) Children.

(iii) Father or mother, or both.

(iv) Brothers or sisters, or both.

(4) The authorized agent or legal representative of a person named in paragraphs (a) (1), (2), and (3) of this section.

(b) A claim may not be presented by or for the benefit of a subrogee, assignee, conditional vendor, or other third party.

§ 17.42 Time limitations.

A claim under this part may be allowed only if:

(a) Except as provided in paragraph (b) of this section, it is filed in writing within 2 years after accrual. For purposes of this part, a claim accrues at the time of the accident or incident causing the loss or damage, or at such time as the loss or damage should have been discovered by the claimant by the exercise of due diligence.

(b) It cannot be filed within the time limits of paragraph (a) of this section, because it accrues in time of war or in time of armed conflict in which any armed force of the United States is engaged or if such a war or armed conflict intervenes within 2 years after it accrues, and if good cause is shown, and if it is filed not later than 2 years after that cause ceases to exist, or 2 years after the war or armed conflict is terminated, whichever is earlier.

§ 17.43 Allowable claims.

(a) A claim may be allowed only if:

(1) The damage or loss was not caused wholly or partly by the negligent or wrongful act of the claimant, his agent, the members of his family, or his private employee (the standard to be applied is that of reasonable care under the circumstances); and

(2) The possession of the property lost or damaged and the quantity possessed is determined to have been reasonable, useful, or proper under the circumstances; and

(3) The claim is substantiated by proper and convincing evidence.

(b) Claims which are otherwise allowable under this part shall not be disallowed solely because the property was not in the possession of the claimant at the time of the damage or loss, or solely because the claimant was not the legal owner of the property for which the claim is made. For example, borrowed property may be the subject of a claim.

(c) Subject to the conditions in paragraph (a) of this section, and the other provisions of this subpart, any claim for damage to, or loss of, personal property incident to service with HUD may be considered and allowed. The following are examples of the principal types of claims which may be allowed, but these examples are not exclusive and other types of claims may be allowed, unless excluded by §§17.44 and 17.45:

(1) *Property loss or damage in quarters or other authorized places.* Claims may be allowed for damage to, or loss of, property arising from fire, flood, hurricane, other natural disaster, theft, or other unusual occurrence, while such property is located at:

(i) Quarters within the 50 States or the District of Columbia that were assigned to the claimant or otherwise provided in kind by the United States;

(ii) Quarters outside the 50 States and the District of Columbia that were occupied by the claimant, whether or not they were assigned or otherwise provided in kind by the United States, except when the claimant is a civilian employee who is a local inhabitant; or

(iii) Any warehouse, office, working area, or other place (except quarters) authorized or apparently authorized for the reception or storage of property.

(2) *Transportation or travel losses.* Claims may be allowed for damage to, or loss of, property incident to transportation or storage pursuant to orders, or in connection with travel under orders, including property in the custody of a carrier, an agent or agency of the Government, or the claimant.

(3) *Manufactured homes.* Claims may be allowed for damage to, or loss of, manufactured homes and their contents under the provisions of paragraph (c)(2) of this section. Claims for structural damage to manufactured homes, other than that caused by collision,

and damage to contents of manufactured homes resulting from such structural damage, must contain conclusive evidence that the damage was not caused by structural deficiency of the manufactured home and that it was not overloaded. Claims for damage to, or loss of, tires mounted on manufactured homes will not be allowed, except in cases of collision, theft, or vandalism.

(4) *Enemy action or public service.* Claims may be allowed for damage to, or loss of, property as a direct consequence of:

(i) Enemy action or threat thereof, or combat, guerrilla, brigandage, or other belligerent activity, or unjust confiscation by a foreign power or its nationals;

(ii) Action by the claimant to quiet a civil disturbance or to alleviate a public disaster; or

(iii) Efforts by the claimant to save human life or Government property.

(5) *Property used for benefit of the Government.* Claims may be allowed for damage to, or loss of, property when used for the benefit of the Government at the request of, or with the knowledge and consent of, superior authority.

(6) *Clothing and accessories.* Claims may be allowed for damage to, or loss of, clothing or accessories customarily worn on the person, such as eyeglasses, hearing aids, or dentures.

[36 FR 24427, Dec. 22, 1971, as amended at 50 FR 9268, Mar. 7, 1985]

§ 17.44 Restrictions on certain claims.

Claims of the type described in this section are only allowable subject to the restrictions noted:

(a) *Money or currency.* Claims may be allowed for loss of money or currency only when lost incident to fire, flood, hurricane, other natural disaster, or by theft from quarters (as limited by paragraph (a) of §17.45). In instances of theft from quarters, it must be conclusively shown that the quarters were locked at the time of the theft. Reimbursement for loss of money or currency is limited to an amount which is determined to have been reasonable for the claimant to have had in his possession at the time of the loss.

§ 17.45

(b) *Government property.* Claims may only be allowed for property owned by the United States for which the claimant is financially responsible to any agency of the Government other than HUD.

(c) *Estimate fees.* Claims may include fees paid to obtain estimates of repair only when it is clear that an estimate could not have been obtained without paying a fee. In that case, the fee may be allowed only in an amount determined to be reasonable in relation to the value of the property or the cost of the repairs.

(d) *Automobiles and other motor vehicles.* Claims may only be allowed for damage to, or loss of, automobiles and other motor vehicles if:

(1) Such motor vehicles were required to be used for official Government business (official Government business, as used here, does not include travel, or parking incident thereto, between quarters and office, or use of vehicles for the convenience of the owner. However, it does include travel, and parking incident thereto, between quarters and assigned place of duty specifically authorized by the employee's supervisor as being more advantageous to the Government); or

(2) Shipment of such motor vehicles was being furnished or provided by the Government, subject to the provisions of § 17.46.

§ 17.45 Unallowable claims.

Claims are not allowable for the following:

(a) *Unassigned quarters in United States.* Property loss or damage in quarters occupied by the claimant within the 50 States or the District of Columbia that were not assigned to him or otherwise provided in kind by the United States.

(b) *Business property.* Property used for business or profit.

(c) *Unserviceable property.* Wornout or unserviceable property.

(d) *Illegal possession.* Property acquired, possessed, or transported in violation of law or in violation of applicable regulations or directives.

(e) *Articles of extraordinary value.* Valuable articles, such as cameras, watches, jewelry, furs, or other articles of extraordinary value, when shipped with

24 CFR Subtitle A (4-1-07 Edition)

household goods or as unaccompanied baggage (shipment includes storage). This prohibition does not apply to articles in the personal custody of the claimant or articles properly checked, provided that reasonable protection or security measures have been taken by claimant.

(f) *Minimum amount.* Loss or damage amounting to less than \$10.

§ 17.46 Claims involving carriers or insurers.

In the event the property which is the subject of a claim was lost or damaged while in the possession of a carrier or was insured, the following procedures will apply:

(a) Whenever property is damaged, lost, or destroyed while being shipped pursuant to authorized travel orders, the owner must file a written claim for reimbursement with the last commercial carrier known or believed to have handled the goods, or the carrier known to be in possession of the property when the damage or loss occurred, according to the terms of its bill of lading or contract, before submitting a claim against the Government under this subpart.

(1) If more than one bill of lading or contract was issued, a separate demand should be made against the last carrier on each such document.

(2) The demand should be made within 9 months of the date that delivery was made, or within 9 months of the date that delivery should ordinarily have been made.

(3) If it is apparent that the damage or loss is attributable to packing, storage, or unpacking while in the custody of the Government, no demand need be made against the carrier.

(b) Whenever property which is damaged, lost, or destroyed incident to the claimant's service is insured in whole or in part, the claimant must make demand in writing against the insurer for reimbursement under the terms and conditions of the insurance coverage, prior to the filing of the concurrent claim against the Government.

(c) Failure to make a demand on a carrier or insurer or to make all reasonable efforts to protect and prosecute rights available against a carrier or insurer and to collect the amount

recoverable from the carrier or insurer may result in reducing the amount recoverable from the Government by the maximum amount which would have been recoverable from the carrier or insurer, had the claim been timely or diligently prosecuted. However, no deduction will be made where the circumstances of the claimant's service preclude reasonable filing of such a claim or diligent prosecution, or the evidence indicates a demand was impracticable or would have been unavailing.

(d) Following the submission of the claim against the carrier or insurer, the claimant may immediately submit his claim against the Government in accordance with the provisions of this subpart, without waiting until either final approval or denial of his claim is made by the carrier or insurer.

(1) Upon submitting his claim, he will certify in his claim that he has or has not gained any recovery from a carrier or insurer, and enclose all correspondence pertinent thereto.

(2) If final action has not been taken by the carrier or insurer on his claim, he will immediately notify them to address all correspondence in regard to his claim to him, in care of the General Counsel of HUD.

(3) The claimant shall advise the General Counsel of any action taken by the carrier or insurer on his claim and upon request shall furnish all correspondence documents, and other evidence pertinent to the matter.

(e) The claimant will assign to the United States to the extent of any payment on his claim accepted by him, all his right, title and interest in any claim he may have against any carrier, insurer, or other party arising out of the incident on which the claim against the United States is based. After payment of his claim by the United States, the claimant will, upon receipt of any payment from a carrier or insurer, pay the proceeds to the United States to the extent of the payment received by him from the United States.

(f) Where a claimant recovers for the loss from the carrier or insurer before his claim under this subpart is settled, the amount or recovery shall be applied to his claim as follows:

(1) When the amount recovered from a carrier, insurer, or other third party is greater than or equal to the claimant's total loss as determined under this part, no compensation is allowable under this part.

(2) When the amount recovered is less than such total loss, the allowable amount is determined by deducting the recovery from the amount of such total loss.

(3) For the purpose of this paragraph (f) the claimant's total loss is to be determined without regard to the \$6,500 maximum set forth above. However, if the resulting amount, after making this deduction, exceeds \$6,500, the claimant will be allowed only \$6,500.

§ 17.47 Settlement of claims.

(a) The General Counsel, HUD, is authorized to settle (consider, ascertain, adjust, determine, and dispose of, whether by full or partial allowance or disallowance) any claim under this subpart.

(b) The General Counsel may formulate such procedures and make such re-delegations as may be required to fulfill the objectives of this subpart.

(c) The General Counsel shall conduct such investigation as may be appropriate in order to determine the validity of a claim.

(d) The General Counsel shall notify a claimant in writing of action taken on his claim, and if partial or full disallowance is made, the reasons therefor.

(e) In the event a claim submitted against a carrier under § 17.46 has not been settled before settlement of the claim against the Government pursuant to this subpart, the General Counsel shall notify such carrier or insurer to pay the proceeds of the claim to HUD to the extent HUD has paid such to claimant in settlement.

§ 17.48 Computation of amount of award.

(a) The amount allowed for damage to or loss of any item of property may not exceed the cost of the item (either the price paid in cash or property, or the value at the time of acquisition if not acquired by purchase or exchange); and there will be no allowance for replacement cost or for appreciation in

§ 17.49

the value of the property. Subject to these limitations, the amount allowable is either:

(1) The depreciated value, immediately prior to the loss or damage, of property lost or damaged beyond economical repair, less any salvage value; or

(2) The reasonable cost of repairs, when property is economically repairable, provided that the cost of repairs does not exceed the amount allowable under paragraph (a)(1) of this section.

(b) Depreciation in value is determined by considering the type of article involved, its cost, its condition when damaged or lost, and the time elapsed between the date of acquisition and the date of damage or loss.

(c) Replacement of lost or damaged property may be made in kind whenever appropriate.

§ 17.49 Attorney's fees.

No more than 10 per centum of the amount paid in settlement of each individual claim submitted and settled under this subpart shall be paid or delivered to or received by any agent or attorney on account of services rendered in connection with that claim.

§ 17.50 Claims procedures.

(a) Claims by, or on behalf of, employees of field offices shall be filed in writing with the appropriate Regional Counsel. Claims by, or on behalf of, employees of Department Headquarters shall be filed in writing with the General Counsel, Department of Housing and Urban Development, 451 7th Street, SW., Washington, DC 20410.

(b) Each written claim shall contain, as a minimum:

(1) Name, address, place of employment of claimant.

(2) Place and date of loss or damage.

(3) A brief statement of the facts and circumstances surrounding loss or damage.

(4) Cost, date, and place of acquisition of each piece of property lost or damaged.

(5) Two itemized repair estimates, or value estimates, whichever is applicable.

(6) Copies of police reports, if applicable.

24 CFR Subtitle A (4-1-07 Edition)

(7) With respect to claims involving thefts or losses in quarters or other places where the property was reasonably kept, a statement as to what security precautions were taken to protect the property involved.

(8) With respect to claims involving property being used for the benefit of the Government, a statement by the employee's supervisor evidencing that the claimant was required to provide such property or that his providing it was in the interest of the Government.

(9) Other evidence as may be required by the General Counsel.

§ 17.61 Incorporation of joint standards by reference.

§ 17.62 Subdivision and joining of claims.

(a) A debtor's liability arising from a particular transaction or contract shall be considered as a single claim in determining whether the claim is one not exceeding \$100,000 exclusive of interest for the purpose of compromise or termination of collection action. Such a claim may not be subdivided to avoid the monetary ceiling established by the Act.

(b) Joining of two or more single claims in a demand upon a particular debtor for payment totaling more than \$100,000 does not preclude compromise or termination of collection action with respect to any one of such claims that does not exceed \$100,000 exclusive of interest.

§ 17.63 Authority of offices to attempt collection of claims.

§ 17.64 Referral of claims to the Assistant Secretary for Administration.

(a) *Authority of the Assistant Secretary for Administration.* The Assistant Secretary for Administration shall exercise the powers and perform the duties of the Secretary to compromise, or to suspend or terminate collection action on all Department claims not exceeding \$100,000 exclusive of interest, except as provided in § 17.65 and paragraph (b) of this section. When initial attempts at collection by the office having responsibility for such claims have not been fully successful, the claim file shall be forwarded to the Assistant Secretary for Administration for further administrative collection procedures. Claims shall be referred to the Assistant Secretary for Administration well within the applicable statute of limitations (28 U.S.C. 2415 and 2416), but in no event more than 2 years after the claims accrued.

(b) *Exclusions.* There shall be no compromised or terminated collection action with respect to any claim: (1) As to which there is an indication of fraud, the presentation of a false claim, or misrepresentation on the part of the debtor or any other party having an interest in the claim; (2) based in whole or in part on conduct in violation of the anti-trust laws; (3) based on tax statutes; or (4) arising from an exception made by the General Accounting Office in the account of an accountable officer. Such claims shall be promptly referred to the Justice Department or GAO, as appropriate.

[36 FR 24427, Dec. 22, 1971. Redesignated at 49 FR 32349, Aug. 14, 1984 (interim), as amended at 59 FR 34580, July 6, 1994]

§ 17.65 Authority of offices to compromise claims or suspend or terminate collection action.

(a) *Small claims.* The Assistant Secretary for Administration periodically shall establish and disseminate to claims collection officers a maximum dollar amount up to which claims collection officers are authorized to compromise a claim or suspend or terminate collection action on a claim.

(b) *Claims arising under certain programs.* (1) The office primarily responsible for the following programs of the Department is authorized, in those

cases where initial collection attempts are not wholly successful, to compromise or to suspend or terminate collection action on claims not exceeding \$100,000 with respect to:

(i) A claim under title I of the National Housing Act;

(ii) A claim on a rehabilitation loan account under section 312 of the Housing Act of 1964;

[36 FR 24427, Dec. 22, 1971. Redesignated at 49 FR 32349, Aug. 14, 1984, and amended at 52 FR 35414, Sept. 21, 1987; 59 FR 34580, July 6, 1994]

§ 17.66 Department claims officer.

The Assistant Secretary for Administration shall designate a subordinate official as Department Claims Officer, who shall be responsible for the establishment and maintenance of procedures within the Department relating to the collection of claims and the coordination of all collection activities in all Department offices.

[40 FR 28599, July 7, 1975. Redesignated at 49 FR 32349, Aug. 14, 1984]

§ 17.67 Claims files.

Each claims collection officer is responsible for obtaining current credit data about each person against whom a claim is pending in his office. The file shall be kept reasonably up to date by the Department Claims Officer for claims referred to the Assistant Secretary for Administration for collection. Such credit data may take the form of: (a) A commercial credit report, (b) an agency investigative report showing the debtor's assets and liabilities and his income and expenses, (c) the individual debtor's own financial statement executed under penalty of perjury reflecting his assets and liabilities and his income and expenses, or

§ 17.68

(d) an audited balance sheet of a corporate debtor. The file should also contain a checklist or brief summary of actions taken to collect or comprise a claim.

§ 17.68 Monthly report of collection action.

The Department Claims Officer shall make a monthly report to the Assistant Secretary for Administration and all offices that have referred claims for collection. The report should contain the following information as a minimum:

(a) All outstanding claims referred to the Assistant Secretary for Administration for administrative collection, including the name and address of the debtor, the amount of the claim, the date the claim accrued, the basis of the claim, the office referring the claim, and the current progress of collection activities.

(b) All claims compromised or on which collection has been suspended or terminated or referred to GAO or Justice for further collection action during the month. The collection action taken and the basis for the action should be indicated.

(c) All claims referred to the Department of Justice under § 17.64(a).

(d) Claims returned to this Department by the Justice Department for further collection action because Justice's handling was not warranted.

§ 17.69 Accounting control.

Each office and the Department Claims Officer shall process all claims collections through the appropriate accounting office and report the collection, compromise, suspension and termination of all claims to the appropriate accounting office for recording.

§ 17.70 Record retention.

The file of each claim on which administrative collection action has been completed shall be retained by the appropriate office or the Assistant Secretary for Administration not less than 1 year after the applicable statute of limitations has run.

§ 17.71 Suspension or revocation of eligibility.

(a) Where a contractor, grantee, or other participant in programs sponsored by the Department fails to pay his debts to the Department within a reasonable time after demand, the fact shall be reported by the Assistant Secretary for Administration to the Inspector General, who shall place such defaulting participant's name on the Department's list of debarred, suspended and ineligible contractors and grantees and the participant will be so advised.

(b) The failure of any surety to honor its obligations in accordance with 6 U.S.C. 11 is to be reported at once to the Assistant Secretary for Administration who shall so advise the Treasury Department. The Treasury Department will notify this Department when a surety's certificate of authority to do business with the Government has been revoked or forfeited.

§ 17.72 Methods of collection and imposition of late charges.

(a) *Demand for payment.* Appropriate written demands shall be made upon the debtor which shall include information relating to the consequences of his failure to cooperate.

(b) *Methods of collection: Administrative and salary offset.* The Department may use administrative offset and salary offset procedures as alternative methods for the collection of money owed the Department from those set out in this section. For specific procedures on administrative offset see §§ 17.100 through 17.118. For specific procedures on salary offset see §§ 17.125 through 17.140.

(c) *Method of collection: Liquidation of collateral.* Where the Department holds security or collateral that may be liquidated and the proceeds applied on debts due it through the exercise of a power of sale in the security instrument, such procedures will be followed if the debtor fails to pay his or her debt within a reasonable time after demand, unless the cost of disposing of the collateral will be disproportionate to its value, or unless special circumstances require judicial foreclosure.

(d) *Collection in installments.* Claims with accrued interest should be collected in full in one lump sum whenever this is possible. However, if the debtor is financially unable to pay the indebtedness in one lump sum, payment may be accepted in regular installments.

(e) *Interest.* Where prejudgment interest is not mandated by statute, contract or regulation, the minimum rate of interest to be charged on delinquent debts is the Tax and Loan Account Rate for the U.S. Treasury (also known as the Current Value of Funds rate) as prescribed and published semiannually by the Secretary of the Treasury in the FEDERAL REGISTER, in accordance with 31 U.S.C. 3717. Prejudgment interest may be waived as an inducement to voluntary payment. In such cases demand letters should inform the debtor that prejudgment interest will be collected if suit becomes necessary. When a debt is paid in installments and interest is collected, installment payments will first be applied to the payment of accrued interest and then to principal unless a different rule is prescribed by statute, contract or regulation. Prejudgment interest shall not be demanded or collected on civil penalty and forfeiture claim unless the statute under which the claim arises authorizes the collection of such interest.

(f) *Omission not a defense.* Failure of HUD to comply with any standard prescribed in 4 CFR parts 101 through 105 or in this subpart shall not be available as a defense to any debtor.

[36 FR 24427, Dec. 22, 1971. Redesignated and amended at 49 FR 32349, 32350, Aug. 14, 1984; 59 FR 34580, July 6, 1994]

§ 17.73 Standards for compromise of claims.

(a) *Compromise offer.* An offer to compromise may be accepted: (1) If there is real doubt concerning the Department's ability to prove its case in court for the full amount claimed; (2) if the cost of collecting the claim does not justify the enforced collection of the full amount; (3) if in connection with statutory penalties of forfeitures established as an aid to enforcement and to compel compliance, the Department's enforcement policy will be adequately served by acceptance of the

sum to be agreed upon, or (4) for other reasons deemed valid by the Assistant Secretary for Administration (or other designee) and made a part of the claim record.

(b) *Documentary evidence of compromise.* No compromise of a claim shall be final or binding on the Department unless it is in writing and signed by the appropriate officer who has authority to compromise the claim pursuant to this subpart.

§ 17.74 Standards for suspension or termination of collection action.

(a) *Suspension of collection action.* Collection action shall be suspended temporarily on a claim when the debtor cannot be located after diligent effort but there is reason to believe that future collection action may be sufficiently productive to justify periodic review and action on the claim, having consideration for its size and the amount which may be realized. Collection action may be suspended temporarily on a claim when the debtor owns no substantial equity in realty and is presently unable to make payment on the Department's claim or effect a compromise, but his future prospects justify retention of the claim for periodic review and action and (1) the applicable statute of limitations has been tolled or started anew or (2) future collection can be effected by offset notwithstanding the statute of limitations. Suspension as to a particular debtor should not defer the early liquidation of security for the debt.

(b) *Termination of collection action.* Collection action may be terminated and the Department file closed for the following reasons: (1) No substantial amount can be collected; (2) the debtor cannot be located; (3) the cost will exceed recovery; (4) the claim is legally without merit; or (5) the claim cannot be substantiated by evidence.

§ 17.75 Referral to GAO or Justice Department.

(a) *Claims referred.* Claims which cannot be collected, compromised, or terminated in accordance with 4 CFR parts 101 to 105 will be referred to the General Accounting Office in accordance with 31 U.S.C. 71 or to the Department of Justice if this Department has

§ 17.76

been granted an exception from referrals to the General Accounting Office. Also, if there is doubt as to whether collection action should be suspended or terminated on a claim, the claim may be referred to the General Accounting Office for advice. When recovery of a judgment is prerequisite to imposition of administrative sanctions, the claim may be referred to the Justice Department for litigation even though termination of collection activity might otherwise be considered.

(b) *Prompt referral.* Such referrals shall be made as early as possible consistent with aggressive collection action, and in any event, well within the statute of limitations for bringing suit against the debtor.

§ 17.76 Disclosure to a consumer reporting agency.

(a) *Definition.* For purposes of this section, individual means a natural person.

(b) *Conditions for disclosure.* The Secretary may disclose to a Consumer Reporting Agency information from a system of records to the effect that an individual is responsible for a debt. Before doing so, the Secretary will ensure that:

(1) The notice for the system of records required by the Privacy Act of 1974 (5 U.S.C. 552a(e)(4)) indicates that the information in the system may be disclosed to a Consumer Reporting Agency;

(2) There has been Departmental review of the debt and a determination that the debt is valid and overdue;

(3) There has been written notice sent to the individual informing the individual:

(i) That payment of the debt is overdue;

(ii) That the Department intends to disclose to a Consumer Reporting Agency, within not less than 60 days after sending the notice, that the individual is responsible for the debt;

(iii) Of the specific information intended to be disclosed to the Consumer Reporting Agency; and

(iv) Of the rights of the individual to a full explanation of the debt, to dispute any information in the records of the Department concerning the debt, as determined by the Secretary, and to

24 CFR Subtitle A (4-1-07 Edition)

administrative appeal or review with respect to the debt; and

(4) The individual has neither repaid or agreed to repay the debt under a written repayment plan signed by the individual and agreed to by the Secretary nor has filed for review of the claim under paragraph (c) of this section.

(c) *Limitations on disclosure.* The Secretary may not disclose information to a Consumer Reporting Agency unless the Department has:

(1) Obtained satisfactory assurances from each Consumer Reporting Agency that the agency is complying with the Fair Credit Reporting Act (15 U.S.C. 1681) and any other Federal laws governing the provision of consumer credit information;

(2) Provided, upon request by the individual alleged to be responsible for the claim, the opportunity to review the claim, including an opportunity for reconsideration of the initial decision on the claim; and

(3) Taken reasonable action to locate an individual for whom the Secretary does not have a current address to send a notice under paragraph (b)(3) of this section.

(d) *Additional responsibilities of the Department.* In providing information to a Consumer Reporting Agency, the Department will only disclose:

(1) Information necessary to establish the identity of the individual, including name, address and taxpayer identification number;

(2) The amount, status, and history of the claim; and

(3) The program under which the claim arose.

In all cases, the Department will notify each Consumer Reporting Agency to which the original disclosure was made of any substantial change in the condition or amount of the claim. This includes promptly correcting or verifying information about the claim requested by the Consumer Reporting Agency.

Office of the Secretary, HUD

Department. Any such contract will include the following provisions:

(a) The Secretary retains the authority to resolve a dispute, compromise a claim, end collection action or refer a matter to the Attorney General to bring civil action;

(b) The person contracted with by the Secretary is subject to the Privacy Act of 1974 to the extent provided for in 5 U.S.C. 552a(m), the section on government contractors;

(c) The person contracted with by the Secretary is subject to State and Federal laws governing debt collection practices, such as the Debt Collection Practices Act, 15 U.S.C. 1692; and

(d) The person contracted with agrees to provide to the Secretary, if asked to return the file to the Department so that the Secretary may refer the account to the Department of Justice for litigation, any data contained in the files relating to actions previously taken to collect the debt, the current address of the debtor, as well as the current credit data of the debtor or any current other information requested and available.

ADMINISTRATIVE OFFSET PROVISIONS

SOURCE: Sections 17.100 through 17.118, 49 FR 32351, appear at Aug. 14, 1984, unless otherwise noted.

§ 17.100 Scope.

(a) The standards set forth in §§ 17.100 through 17.118 are the Department's procedures for the collection of money owed to the government by means of administrative offset. These procedures apply to the collection of debts as authorized by common law, by 31 U.S.C. 3716, or under other statutory authority. These procedures will not be used when a statute provides its own collection procedure, for procedures for grant reduction as a remedial action in grant programs (including the CDBG program), when explicitly prohibited by a statute, or when the United States has a judgment against the debtor. Unless otherwise provided for by statute, these procedures do not apply to an agency of the United States, a State government, or unit of general local government. In addition, these proce-

dures do not apply to debts arising under the Internal Revenue Code of 1954 (26 U.S.C. 1-9602), the Social Security Act (42 U.S.C. 301-1397f), or the tariff laws of the United States.

(b) The Secretary will use administrative offset to collect claims which are certain in amount in every instance in which collection is determined to be feasible and not prohibited by law. The Secretary will determine feasibility on a case-by-case basis, exercising sound discretion. In determining feasibility the Secretary will consider:

(1) The debtor's financial condition;

(2) Whether offset would substantially interfere with or defeat the purposes of the program authorizing the payments against which offset is contemplated; and

(3) Whether offset best serves to further and protect all of the interests of the United States.

§ 17.101 Coordinating administrative offset with another Federal agency.

(a) *When HUD is owed the debt.* When the Department is owed a debt, but another Federal agency is responsible for making the payment to the debtor against which administrative offset is sought, the other agency shall not initiate the requested administrative offset until the Department provides the agency with a written certification that the debtor owes the Department a debt (including the amount and basis of the debt and the due date of the payment) and that the Department has complied with these regulations.

(b) *When another agency is owed the debt.* The Department may administratively offset money it owes to a person who is indebted to another agency if requested to do so by that agency. Such a request must be accompanied by a certification by the requesting agency that the person owes the debt (including the amount) and that the person has been given the procedural rights required by 31 U.S.C. 3716 and 4 CFR part 102.

§ 17.102 Notice requirements before offset.

Except as provided in § 17.103, deductions will be made only after the Secretary makes a determination that an

§ 17.103

amount is owed and past due and provides the debtor with a minimum of 30 calendar days written notice. This Notice of Intent to Collect by Administrative Offset (Notice of Intent) will state:

(a) The nature and amount of the debt;

(b) That the Secretary intends to collect the debt by administrative offset until the debt and all accumulated interest and other charges are paid in full;

(c) That the debtor has a right to obtain review within the Department of the Secretary's initial determination of indebtedness (see § 17.104);

(d) That the debtor has a right to inspect and copy Department records related to the debt, as determined by the Secretary, and will be informed as to where and when the inspection and copying can be done after the Department receives notice from the debtor that inspection and copying are requested. (see § 17.105); and

(e) That the debtor may enter into a written agreement with the Secretary to repay the debt, so long as the terms of the repayment agreement proposed by the debtor are agreeable to the Secretary (see § 17.106).

§ 17.103 Exceptions to notice requirements.

(a) In cases where the notice requirements specified in § 17.102 already have been provided to the debtor in connection with the same debt under some other proceeding, the Secretary is not required to duplicate those requirements before effecting administrative offset.

(b) The Secretary may effect administrative offset against a payment to be made to a debtor before completion of the procedures required by § 17.102 if (1) failure to make the offset would substantially prejudice the Government's ability to collect the debt, and (2) the time before the payment is to be made does not reasonably permit the completion of those procedures. Such prior offset must be followed promptly by the completion of those procedures. Amounts recovered by offset but later found not to be owed to the Secretary will be refunded promptly.

24 CFR Subtitle A (4-1-07 Edition)

§ 17.104 Review within the Department of a determination of indebtedness.

(a) *Notification by debtor.* A debtor who receives a Notice of Intent has the right to request Departmental review of the determination of indebtedness. To exercise this right, the debtor must send a letter requesting review to the Secretary. The letter must explain why the debtor seeks review and must be received by the Secretary within 20 calendar days of the date of the Department's Notice of Intent.

(b) *Secretary's response.* In response to a timely request for review of the initial determination of indebtedness, the Secretary will notify the debtor whether review will be by review of the record or by hearing. The notice to the debtor will include the procedures used for reviewing the record or will include information on the date, location and procedures to be used if review is by a hearing.

§ 17.105 Review of departmental records related to the debt.

(a) *Notification by debtor.* A debtor who intends to inspect or copy Departmental records related to the debt as determined by the Secretary must send a letter to the Secretary stating his or her intention. The letter must be received by the Secretary within 20 calendar days of the date of the Department's Notice of Intent.

(b) *Secretary's response.* In response to timely notification by the debtor as described in paragraph (a) of this section, the Secretary will notify the debtor of the location and time when the debtor may inspect or copy Department records related to the debt.

§ 17.106 Written agreement to repay debt as alternative to administrative offset.

(a) *Notification by debtor.* The debtor may, in response to a Notice of Intent, propose a written agreement to repay the debt as an alternative to administrative offset. Any debtor who wishes to do this must submit a proposed written agreement to repay the debt. This proposed written agreement must be received by the Secretary within 20 calendar days of the date of the Department's Notice of Intent.

(b) *Secretary's response.* In response to timely notification by the debtor as described in paragraph (a) of this section, the Secretary will notify the debtor whether the debtor's proposed written agreement for repayment is acceptable. It is within the Secretary's discretion to accept a repayment agreement instead of proceeding by offset. In making this determination the Secretary will balance the Department's interest in collecting the debt against hardship to the debtor. If the debt is delinquent and the debtor has not disputed its existence or amount, the Secretary will accept a repayment agreement instead of offset only if the debtor is able to establish that offset would result in undue financial hardship or would be against equity and good conscience.

§ 17.107 Stay of offset.

If the debtor timely notifies the Secretary that he or she is exercising a right described in § 17.104 or § 17.106, the offset will be stayed until the Secretary either makes a determination concerning the debtor's proposal to repay the debt or issues a written decision following review of the record or, where appropriate, a hearing. However, interest continues to run during any stay.

§ 17.108 Types of review.

(a) *Hearing.* The Secretary will provide the debtor with a reasonable opportunity for hearing if:

(1) An applicable statute authorizes or requires the Secretary to consider waiver of the indebtedness and the waiver determination turns on credibility or veracity; or

(2) The debtor requests reconsideration of the debt and the Secretary determines that the question of the indebtedness cannot be resolved by review of the documentary evidence.

(b) *Review of the record.* Unless the Secretary determines that a hearing is required (see paragraph (a) of this section), the Secretary will provide for a review of the record (a review of the documentary evidence).

§ 17.109 Review procedures.

(a) *Hearings.* (1) The appropriate Deputy Assistant Secretary (DAS) or designee conducts the hearing. The DAS

or designee will take steps necessary to ensure that the hearing is conducted in a fair and expeditious manner. If necessary, the DAS or designee may administer oaths of affirmations.

(2) The DAS or designee does not use the formal rules of evidence with regard to admissibility of evidence or the use of evidence once admitted. However, parties may object to clearly irrelevant material.

(3) The DAS or designee records all significant matters discussed at the hearing. There is no "official" record or transcript provided for these hearings.

(4) A debtor may represent himself or herself or may be represented by an attorney or other person. The Secretary is represented by the General Counsel or his or her designee.

(5) The Secretary proceeds first by presenting evidence on the relevant issues. The debtor then presents his or her evidence regarding these issues. The Secretary then may offer evidence to rebut or clarify the evidence introduced by the debtor.

(b) *Review of the record.* The appropriate DAS or designee will review all material related to the debt which is in the possession of the Department. The DAS or designee makes a determination based upon a review of this written record, which may include a request for reconsideration of the determination of indebtedness, or such other relevant material submitted by the debtor.

§ 17.110 Determination of indebtedness and appeal from determination.

(a) Following the hearing or the review of the record, the DAS or designee will issue a written decision which includes the supporting rationale for the decision. The decision of the DAS or designee is the final agency action with regard to the particular administrative offset.

(b) Copies of the DAS decision will be distributed to the debtor and the debtor's attorney or other representative, if applicable.

[36 FR 24427, Dec. 22, 1971. Redesignated at 49 FR 32349, Aug. 14, 1984 (interim), as amended at 59 FR 34580, July 6, 1994]

§ 17.111

§ 17.111 Procedures for administrative offset: single debt.

(a) Offset will commence 31 days after the debtor receives the Notice of Intent, unless the debtor has requested a hearing (see § 17.104) or has entered into a repayment agreement (see § 17.106).

(b) When there is review of the debt within the Department, offset will begin after the DAS determination has been issued under § 17.110 and a copy of the determination is received by the Department's Office of Finance and Accounting.

§ 17.112 Procedures for administrative offset: multiple debts.

The Secretary will use the procedures identified in § 17.111 for the offset of multiple debts. However, when collecting multiple debts the Secretary will apply the recovered amounts to those debts in accordance with the best interests of the United States, as determined by the facts and circumstances of the particular case, paying special attention to applicable statutes of limitations.

§ 17.113 Procedures for administrative offset: interagency cooperation.

The Department will make use of all possible methods of cooperating with other Federal agencies in effecting collections by offset.

§ 17.114 Procedures for administrative offset: time limitation.

(a) The Secretary may not initiate administrative offset to collect a debt under 31 U.S.C. 3716 more than 10 years after the Secretary's right to collect the debt first accrued, unless facts material to the Secretary's right to collect the debt were not known and could not reasonably have been known by the officials of the Department who were responsible for discovering and collecting such debts.

(b) When the debt first accrued is determined according to existing law regarding the accrual of debts. (See, for example, 28 U.S.C. 2415.)

24 CFR Subtitle A (4-1-07 Edition)

§ 17.115 Procedures for administrative offset: offset against amounts payable from Civil Service Retirement and Disability Fund.

(a) Unless otherwise prohibited by law, the Secretary may request that moneys which are due and payable to a debtor from the Civil Service Retirement and Disability Fund be administratively offset in one or more payments to collect debts owed to the Secretary by the debtor. The Secretary submits the request to the appropriate officials of the Office of Personnel Management (OPM) in accordance with OPM regulations and procedures.

(b) To request administrative offset under paragraph (a) of this section, the Secretary will provide a written certification that:

(1) The debtor owes the Secretary a debt, including the amount of the debt;

(2) The Secretary has complied with the applicable statutes, regulations, and procedures of the Office of Personnel Management; and

(3) The Secretary has complied with the Department's regulations contained in these regulations.

(c) Once the decision is made to request administrative offset under paragraph (a) of this section, the Secretary will make the request as soon as practical after completion of the applicable procedures necessary for the Office of Personnel Management to identify the debtor's account and to add a notation in the debtor's file in anticipation of the time when the debtor requests or becomes eligible to receive payments from the Fund. (This notation will satisfy any requirement that offset be initiated before the applicable statute of limitations expires.)

(d) If, at the time the debtor makes a claim for payments from the Fund, at least one year has elapsed since the offset was originally made, the debtor may offer a satisfactory repayment plan instead of offset upon establishing that changed financial circumstances would render the offset unjust.

(e) If the Department collects part or all of the debt by other means before deductions are made or completed under paragraph (a) of this section, the Secretary will act promptly to modify or terminate the Department's request

Office of the Secretary, HUD

§ 17.128

for offset under paragraph (a) of this section.

§ 17.116 Procedures for administrative offset: offset of debtor's judgment against the United States.

Collection by offset against a judgment obtained by a debtor against the United States will be accomplished in accordance with 31 U.S.C. 3728.

§ 17.117 Procedures for administrative offset: imposition of interest.

Interest will be charged in accordance with § 17.72.

§ 17.118 Miscellaneous provisions: correspondence with the Department.

(a) All correspondence from the debtor to the Secretary shall be addressed to the Department Claims Officer, Office of Finance and Accounting, Department of HUD, Washington, DC 20410.

(b) The Department Claims Officer will deliver any correspondence to the appropriate Deputy Assistant Secretary within four working days.

SALARY OFFSET PROVISIONS

SOURCE: Sections 17.125 through 17.140, appear at 49 FR 32353, Aug. 14, 1984, unless otherwise noted.

§ 17.125 Scope.

(a) The provisions set forth in §§ 17.125 through 17.140 are the Department's procedures for the collection by salary offset of a Federal employee's pay to satisfy certain debts owed the government.

(b) These regulations apply to collections by the Secretary from:

(1) Current employees of the Department and other agencies who owe debts to the Department; and

(2) Current employees of the Department who owe debts to other agencies.

(c) These regulations do not apply to debts or claims arising under the Internal Revenue Code of 1954 (26 U.S.C. 1-9602); the Social Security Act (42 U.S.C. 301-1397f); the tariff laws of the United States; or to any case where collection of a debt by salary offset is explicitly provided for or prohibited by another statute.

(d) These regulations identify the types of salary offset available to the

Department, as well as certain rights provided to the employee, which include a written notice before deductions begin, the opportunity to petition for a hearing and to receive a written decision if a hearing is granted. These employee rights do not apply to any adjustment to pay arising out of an employee's election of coverage or a change in coverage under a Federal benefits program requiring periodic deductions from pay, if the amount to be recovered was accumulated over four pay periods or less.

(e) Nothing in these regulations precludes the compromise, suspension or termination of collection actions where appropriate under the Department's regulations contained elsewhere in this subpart (see 24 CFR 17.60 through 17.77).

§ 17.126 Coordinating offset with another Federal agency.

(a) *When HUD is owed the debt.* When the Department is owed a debt by an employee of another agency, the other agency shall not initiate the requested offset until the Department provides the agency with a written certification that the debtor owes the Department a debt (including the amount and basis of the debt and the due date of the payment) and that the Department has complied with these regulations.

(b) *When another agency is owed the debt.* The Department may use salary offset against one of its employees who is indebted to another agency if requested to do so by that agency. Such a request must be accompanied by a certification by the requesting agency that the person owes the debt (including the amount) and that the employee has been given the procedural rights required by 5 U.S.C. 5514 and 5 CFR part 550, subpart K.

§ 17.127 Determination of indebtedness.

In determining that an employee is indebted, the Secretary will review the debt to make sure that it is valid and past due.

§ 17.128 Notice requirements before offset.

Except as provided in § 17.125(d), deductions will not be made unless the

§ 17.129

Secretary first provides the employee with a minimum of 30 calendar days written notice. This Notice of Intent to Offset Salary (Notice of Intent) will state:

(a) That the Secretary has reviewed the records relating to the claim and has determined that a debt is owed, the amount of the debt, and the facts giving rise to the debt;

(b) The Secretary's intention to collect the debt by means of deduction from the employee's current disposable pay account until the debt and all accumulated interest are paid in full;

(c) The amount, frequency, approximate beginning date, and duration of the intended deductions;

(d) An explanation of the Department's requirements concerning interest, unless such payments are excused in accordance with § 17.72;

(e) The employee's right to inspect and copy Department records relating to the debt;

(f) The employee's right to enter into a written agreement with the Secretary for a repayment schedule differing from that proposed by the Secretary, so long as the terms of the repayment schedule proposed by the employee are agreeable to the Secretary;

(g) The right to a hearing, conducted by an administrative law judge of the Department or a hearing official of another agency, on the Secretary's determination of the debt, the amount of the debt, or percentage of disposable pay to be deducted each pay period, so long as a petition is filed by the employee as prescribed by the Secretary;

(h) That the timely filing of a petition for hearing will stay the collection proceedings; (See § 17.129).

(i) That a final decision on the hearing will be issued at the earliest practical date, but not later than 60 calendar days after the filing of the petition requesting the hearing, unless the employee requests and the hearing officer grants a delay in the proceedings;

(j) That any knowingly false or frivolous statements, representations, or evidence may subject the employee to:

(1) Disciplinary procedures appropriate under 5 U.S.C. Ch. 75, 5 CFR part 752, or any other applicable statutes or regulations;

24 CFR Subtitle A (4-1-07 Edition)

(2) Penalties under the False Claims Act, 31 U.S.C. 3729-3731, or any other applicable statutory authority; or

(3) Criminal penalties under 18 U.S.C. 286, 287, 1001, and 1002 or any other applicable statutory authority.

(k) Any other rights and remedies available to the employee under statutes or regulations governing the program for which the collection is being made;

(l) Unless there are applicable contractual or statutory provisions to the contrary, that amounts paid on or deducted for the debt which are later waived or found not owed to the United States will be promptly refunded to the employee; and

(m) The method and time period for requesting a hearing.

§ 17.129 Request for a hearing.

(a) Except as provided in paragraph (d) of this section, an employee must file a petition for a hearing, that is received by the Secretary not later than 20 calendar days from the date of the Department's notice described in § 17.128 if an employee wants a hearing concerning—

(1) The existence or amount of the debt; or

(2) The Secretary's proposed offset schedule.

(b) The petition must be signed by the employee and should admit or deny the existence of or the amount of the debt, or any part of the debt, briefly setting forth any basis for a denial. If the employee objects to the percentage of disposable pay to be deducted from each check, the petition should state the objection and the reasons for it. The petition should identify and explain with reasonable specificity and brevity the facts, evidence and witnesses which the employee believes support his or her position.

(c) Upon receipt of the petition, the Department will send the employee a copy of the Salary Offset Hearing Procedures Manual of the Department of Housing and Urban Development.

(d) If the employee files a petition for hearing later than the 20 calendar days as described in paragraph (a) of this section, the hearing officer may accept the request if the employee can show

Office of the Secretary, HUD

§ 17.135

that the delay was because of circumstances beyond his or her control or because of failure to receive notice of the filing deadline (unless the employee has actual notice of the filing deadline).

§ 17.130 Result if employee fails to meet deadlines.

An employee waives the right to a hearing, and will have his or her disposable pay offset in accordance with the Secretary's offset schedule, if the employee:

- (a) Fails to file a petition for a hearing as prescribed in § 17.129; or
- (b) Is scheduled to appear and fails to appear at the hearing.

§ 17.131 Written decision following a hearing.

Written decisions provided after a request for a hearing will include:

- (a) A statement of the facts presented to support the nature and origin of the alleged debt;
- (b) The hearing officer's analysis, findings and conclusions, in light of the hearing, concerning the employee's or the Department's grounds;
- (c) The amount and validity of the alleged debt; and
- (d) The repayment schedule, if applicable.

§ 17.132 Review of departmental records related to the debt.

(a) *Notification by employee.* An employee who intends to inspect or copy departmental records related to the debt must send a letter to the Secretary stating his or her intention. The letter must be received by the Secretary within 20 calendar days of the date of the Notice of Intent.

(b) *Secretary's response.* In response to timely notice submitted by the debtor as described in paragraph (a) of this section, the Secretary will notify the employee of the location and time when the employee may inspect and copy Department records related to the debt.

§ 17.133 Written agreement to repay debt as alternative to salary offset.

(a) *Notification by employee.* The employee may propose, in response to a Notice of Intent, a written agreement

to repay the debt as an alternative to salary offset. Any employee who wishes to do this must submit a proposed written agreement to repay the debt which is received by the Secretary within 20 calendar days of the date of the Notice of Intent.

(b) *Secretary's response.* In response to timely notice by the debtor as described in paragraph (a) of this section, the Secretary will notify the employee whether the employee's proposed written agreement for repayment is acceptable. It is within the Secretary's discretion to accept a repayment agreement instead of proceeding by offset. In making this determination, the Secretary will balance the Department's interest in collecting the debt against hardship to the employee. If the debt is delinquent and the employee has not disputed its existence or amount, the Secretary will accept a repayment agreement instead of offset only if the employee is able to establish that offset would result in undue financial hardship or would be against equity and good conscience.

§ 17.134 Procedures for salary offset: when deductions may begin.

(a) Deductions to liquidate an employee's debt will be by the method and in the amount stated in the Secretary's Notice of Intent to collect from the employee's current pay.

(b) If the employee filed a petition for hearing with the Secretary before the expiration of the period provided for in § 17.129, then deductions will begin after the hearing officer has provided the employee with a hearing, and the final written decision is in favor of the Secretary.

(c) If an employee retires or resigns before collection of the amount of the indebtedness is completed, the remaining indebtedness will be collected according to the procedures for administrative offset (see §§ 17.100 through 17.118).

§ 17.135 Procedures for salary offset: types of collection.

A debt will be collected in a lump-sum or in installments. Collection will be by lump-sum collection unless the employee is financially unable to pay in one lump-sum, or if the amount of

§ 17.136

the debt exceeds 15 percent of disposable pay. In these cases, deduction will be by installments.

§ 17.136 Procedures for salary offset: methods of collection.

(a) *General.* A debt will be collected by deductions at officially-established pay intervals from an employee's current pay account, unless the employee and the Secretary agree to alternative arrangements for repayment. The alternative arrangement must be in writing, signed by both the employee and the Secretary.

(b) *Installment deductions.* Installment deductions will be made over a period not greater than the anticipated period of employment. The size and frequency of installment deductions will bear a reasonable relation to the size of the debt and the employee's ability to pay. However, the amount deducted for any period will not exceed 15 percent of the disposable pay from which the deduction is made, unless the employee has agreed in writing to the deduction of a greater amount. If possible, the installment payment will be sufficient in size and frequency to liquidate the debt in three years. Installment payments of less than \$25 per pay period or \$50 a month will be accepted only in the most unusual circumstances.

(c) *Sources of deductions.* The Department will make deductions only from basic pay, special pay, incentive pay, retired pay, retainer pay, or in the case of an employee not entitled to basic pay, other authorized pay.

§ 17.137 Procedures for salary offset: imposition of interest.

Interest will be charged in accordance with § 17.72.

§ 17.138 Non-waiver of rights.

So long as there are no statutory or contractual provisions to the contrary, no employee involuntary payment (of all or a portion of a debt) collected under these regulations will be interpreted as a waiver of any rights that the employee may have under 5 U.S.C. 5514.

§ 17.139 Refunds.

The Department will refund promptly to the appropriate individual

24 CFR Subtitle A (4-1-07 Edition)

amounts offset under these regulations when:

(a) A debt is waived or otherwise found not owing the United States (unless expressly prohibited by statute or regulation); or

(b) The Department is directed by an administrative or judicial order to refund amounts deducted from the employee's current pay.

§ 17.140 Miscellaneous provisions: correspondence with the Department.

The employee shall file an original and two copies of a request for a hearing with the Clerk, Office of the Chief Administrative Law Judge, Room 2158, Department of HUD, Washington, DC 20410, on official work days between the hours of 8:45 a.m. and 5:15 p.m. All other correspondence shall be submitted to the Department Claims Officer, Department of Housing and Urban Development, Washington, DC 20410. Documents may be filed by personal delivery or mail. All documents shall be printed, typewritten, or otherwise processed in clear, legible form and on letter-size paper.

IRS TAX REFUND AND FEDERAL PAYMENT OFFSET PROVISIONS AND ADMINISTRATIVE WAGE GARNISHMENT

SOURCE: Sections 17.150 through 17.161 appear at 51 FR 39750, Oct. 31, 1986, unless otherwise noted.

§ 17.150 Scope.

(a) The standards set forth in §§ 17.150 through 17.161 are the Department's procedures for requesting the Department of the Treasury to offset Federal payments due debtors who have a past-due debt obligation to the Department. These procedures apply to the collection of debts under common law, 31 U.S.C. 3716 or other statutory authority.

(b) The Secretary will use the Department of the Treasury's Federal payment offset to collect claims which are certain in amount, past due and legally enforceable, and which are eligible for tax refund or Federal payment offset under regulations issued by the Secretary of the Treasury.

(c) The Secretary will report debts to the Department of the Treasury for the purpose of using the offset procedures

Office of the Secretary, HUD

§ 17.152

described in §§ 17.150 through 17.161. Debts of less than \$100.00, exclusive of interest and other charges, will not be reported.

(d) If not legally enforceable because of lapse of statute of limitations but otherwise valid, the debt will be reported to the IRS as a cancelled debt on Form 1099C. (Form 1099C is an information return which Government agencies file with the IRS and the Department of the Treasury to report forgiven debt, and the forgiven amount is considered income to the taxpayer.) (See § 17.159.)

[67 FR 47435, July 18, 2002]

§ 17.151 Notice requirements before offset.

A request for deduction from a Federal payment will be made only after the Secretary makes a determination that an amount is owed and past due and provides the debtor with 65 calendar days written notice. This Notice of Intent will state:

(a) The nature and amount of the debt;

(b) That unless the debt is repaid within 65 days from the date of the Notice, the Secretary intends to collect the debt by requesting the Department of Treasury to reduce any amounts payable to the debtor by an amount equal to the amount of the debt and all accumulated interest and other charges;

(c) That the debtor has a right to obtain review within the Department of the Secretary's initial determination that the debt is past due and legally enforceable (see § 17.152);

(d) That the debtor has a right to inspect and copy departmental records related to the debt as determined by the Secretary and will be informed as to where and when the inspection and copying can be done after the Department receives notice from the debtor that inspection and copying are requested. (See § 17.155.)

[51 FR 39750, Oct. 31, 1986, as amended at 67 FR 47435, July 18, 2002]

§ 17.152 Review within the Department of a determination that an amount is past-due and legally enforceable.

(a) *Notification by debtor.* A debtor who receives a Notice of Intent has the right to present evidence that all or part of the debt is not past-due or not legally enforceable. The debtor should send a copy of the Notice of Intent with a letter notifying the HUD Board of Contract Appeals within 25 calendar days from the date of the Department's Notice of Intent that he or she intends to present evidence. (See § 17.161(a) for address of the Board.) Failure to give this advance notice will not jeopardize the debtor's right to present evidence within the 65 days provided for in paragraph (b) of this section. If the HUD Board of Contract Appeals has additional procedures governing the review process, a copy of the procedures will be mailed to the debtor after his request for review is received and docketed by the Board.

(b) *Submission of evidence.* The debtor may submit evidence showing that all or part of the debt is not past-due or not legally enforceable along with the notification requested by paragraph (a) of this section, but in any event the evidence must be submitted to the Board of Contract Appeals within 65 calendar days from the date of the Department's Notice of Intent. Failure to submit evidence within 65 calendar days will result in a dismissal of the request for review by the HUD Board of Contract Appeals.

(c) *Review of the record.* After a timely submission of evidence by the debtor, an Administrative Judge from the HUD Board of Contract Appeals will review the evidence submitted by the Department which shows that all or part of the debt is past-due and legally enforceable. (Administrative Judges are appointed in accordance with 41 U.S.C. 607(b)(1)). The Administrative Judge shall make a determination based upon a review of the written record, except that the Administrative Judge may order an oral hearing if he or she finds that:

(1) An applicable statute authorizes or requires the Secretary to consider waiver of the indebtedness and the

§ 17.153

waiver determination turns on credibility or veracity; or

(2) The question of indebtedness cannot be resolved by review of the documentary evidence.

(d) *Previous decision by Board of Contract Appeals.* The debtor is not entitled to a review of the Department's intent to offset it, in a previous year the HUD Board of Contract Appeals has issued a decision on the merits that the debt is past-due and legally enforceable, *except* when the debt has become legally unenforceable since the issuance of that decision, or the debtor can submit newly discovered material evidence that the debt is presently not legally enforceable.

§ 17.153 Determination of the Administrative Judge.

(a) Following the hearing or the review of the record, the Administrative Judge shall issue a written decision which includes the supporting rationale for the decision. The decision of the Administrative Judge concerning whether a debt or part of a debt is past-due and legally enforceable is the final agency decision with respect to the past-due status and enforceability of the debt.

(b) Copies of the Administrative Judge's decision will be distributed to the General Counsel of the Department, the Department's Office of Finance and Accounting, the debtor, and the debtor's attorney or other representative, if any.

(c) If the Administrative Judge's decision affirms that all or part of the debt is past due and legally enforceable, the Secretary will notify the Department of the Treasury after the Administrative Judge's determination has been issued under paragraph (a) of this section and a copy of the determination is received by the Department's Chief Financial Officer. No referral will be made to the IRS or the Department of the Treasury if review of the debt by the Administrative Judge reverses the initial decision that the debt is past due and legally enforceable.

[51 FR 39750, Oct. 31, 1986, as amended at 67 FR 47435, July 18, 2002]

24 CFR Subtitle A (4-1-07 Edition)

§ 17.154 Postponements, withdrawals and extensions of time.

(a) *Postponements and withdrawals.* The Secretary may, for good cause, postpone or withdraw referral of the debt to the Department of Treasury. (For example, a delay in the mail between the debtor and the Secretary could normally warrant a postponement; a mathematical error or computer malfunction could be the reason for a withdrawal.)

(b) *Extensions of time.* At the discretion of the Administrative Judge, time limitations required in these procedures may be extended in appropriate circumstances for good cause shown.

§ 17.155 Review of departmental records related to the debt.

(a) *Notification by debtor.* A debtor who intends to inspect or copy departmental records related to the debt as determined by the Secretary must send a letter to the Title I Representative stating his or her intention. The letter must be received by the Title I Representative within 25 calendar days from the date of the Department's Notice of Intent.

(b) *Department's response.* In response to timely notification by the debtor as described in paragraph (a) of this section, the Title I Representative will notify the debtor of the location and time when the debtor may inspect or copy departmental records related to the debt.

§ 17.156 Stay of offset.

If the debtor timely notifies the Secretary that he or she is exercising a right described in § 17.152(a) and timely submits evidence in accordance with § 17.152(b), any notice to the IRS or the Department of the Treasury will be stayed until the issuance of a written decision by the Administrative Judge which determines that a debt or part of a debt is past-due and legally enforceable.

Office of the Secretary, HUD

§ 17.170

§ 17.157 Application of offset funds: Single debt.

If the debtor does not timely notify the Secretary that he or she is exercising a right described in § 17.152, the Secretary will notify the Department of the Treasury of the debt no earlier than 65 calendar days from the date of the Department's Notice of Intent, and will request that the amount of the debt be offset against any amount payable by the Department of the Treasury as a Federal payment. Normally, recovered funds will be applied first to costs of collection, then to any special charges provided for in HUD regulations or contracts, then to interest and finally, to the principal owed by the debtor.

[67 FR 47435, July 18, 2002]

§ 17.158 Application of offset funds: Multiple debts.

The Secretary will use the procedures set out in § 17.157 for the offset of multiple debts. However, when collecting on multiple debts the Secretary will apply the recovered amounts against the debts in the order in which the debts accrued.

§ 17.159 Application of offset funds: Federal payment is insufficient to cover amount of debt.

If an offset of a Federal payment is insufficient to satisfy a debt, the Secretary will continue the certification to the Department of the Treasury to collect further on the debt. If, in the following year, the debt has become legally unenforceable because of the lapse of the statute of limitations, the debt will be reported to the IRS as a cancelled debt in accordance with § 17.150(d).

[67 FR 47435, July 18, 2002]

§ 17.160 Time limitation for notifying the Department of the Treasury to request offset of Federal payments due.

(a) The Secretary may not initiate offset of Federal payments due to collect a debt for which authority to collect arises under 31 U.S.C. 3716 more than 10 years after the Secretary's right to collect the debt first accrued, unless facts material to the Secretary's

right to collect the debt were not known and could not reasonably have been known by the officials of the Department who were responsible for discovering and collecting such debts.

(b) When the debt first accrued is determined according to existing law regarding the accrual of debts. (See, for example, 28 U.S.C. 2415.)

(c) All other correspondence shall be addressed to the Department Claims Officer, Office of the Chief Financial Officer, Department of Housing and Urban Development, 451 Seventh Street, SW, Washington, DC 20410.

ADMINISTRATIVE WAGE GARNISHMENT

§ 17.170 Administrative wage garnishment.

(a) *General.* The Secretary may collect a debt by using administrative wage garnishment. Regulations in 31 CFR 285.11 governs collection through administrative wage garnishment. To the extent situations arise that are not covered by 31 CFR 285.11, those situations shall be governed by part 26, subpart A of this title.

(b) *Hearing official.* Any hearing required to establish the Secretary's right to collect a debt through administrative wage garnishment shall be conducted by an Administrative Judge of the HUD Board of Contract Appeals.

PART 18—INDEMNIFICATION OF HUD EMPLOYEES

AUTHORITY: 5 U.S.C. 301; 42 U.S.C. 3535(d).

SOURCE: 62 FR 6096, Feb. 10, 1997, unless otherwise noted.

§ 18.1 Policy.

(a) The Department of Housing and Urban Development may indemnify, in whole or in part, a Department employee (which for the purpose of this part includes a former Department employee) for any verdict, judgment or other monetary award which is rendered against any such employee, provided the Secretary or his or her designee determines that:

(1) The conduct giving rise to the verdict, judgment or award was taken within the scope of his or her employment with the Department; and

(2) Such indemnification is in the interest of the United States.

(b) The Department of Housing and Urban Development may settle or compromise a personal damage claim against a Department employee by the payment of available funds, at any time, provided the Secretary or his or her designee determines that:

(1) The alleged conduct giving rise to the personal damage claim was taken within the scope of employment; and

(2) That such settlement or compromise is in the interest of the United States.

(c) Absent exceptional circumstances, as determined by the Secretary or his or her designee, the Department will not entertain a request either to agree to indemnify or to settle a personal damage claim before entry of an adverse verdict, judgment or monetary award.

(d) When an employee of the Department becomes aware that an action has been filed against the employee in his or her individual capacity as a result of conduct taken within the scope of his or her employment, the employee should immediately notify his or her supervisor that such an action is pending. The supervisor shall promptly notify the head of his or her operating component and the Associate General Counsel for Litigation and Fair Housing Enforcement, if the supervisor is

located at headquarters, or Field Assistant General Counsel—who shall promptly notify the Associate General Counsel for Litigation and Fair Housing Enforcement—if the supervisor is located in the field. As used in this section, the term “principal operating component” means an office in the Department headed by an Assistant Secretary, the General Counsel, the Inspector General, or an equivalent departmental officer who reports directly to the Secretary. Questions regarding representation of the employee will be determined by the Department of Justice pursuant to 28 CFR 50.15 (Representation of Federal officials and employees by Department of Justice attorneys or by private counsel furnished by the Department in civil, criminal, and congressional proceedings in which Federal employees are sued, subpoenaed, or charged in their individual capacities).

(e) The employee may, thereafter, request indemnification to satisfy a verdict, judgment or monetary award entered against the employee or to compromise a claim pending against the employee. The employee shall submit a written request, with appropriate documentation including a copy of the verdict, judgment, award or other order or settlement proposal, in a timely manner to the head of the employee's principal operating component. The head of the employee's principal operating component shall submit the written request and accompanying documentation, together with a recommended disposition of the request, in a timely manner to the General Counsel.

(f) The General Counsel shall seek the views of the Department of Justice on the request. Where the Department of Justice has rendered a decision denying representation of the employee pursuant to 28 CFR 50.15, the General Counsel shall seek the concurrence of the Department of Justice on the request. If the Department of Justice does not concur in the request, the General Counsel shall so advise the employee and no further action on the employee's request shall be taken.

(g) In all instances except those where the Department of Justice has non-concurred in the request, the General Counsel shall forward for decision

Office of the Secretary, HUD

§ 20.1

to the Secretary or his or her designee the employee's request, the recommendation of the head of the employee's principal operating component, the views of the Department of Justice, and the General Counsel's recommendation.

(h) Any payment under this part, either to indemnify a Department employee or to settle a personal damage claim, is contingent upon the availability of appropriated funds of the Department that are permitted by law to be utilized for this purpose.

SOURCE: 50 FR 45911, Nov. 5, 1985, unless otherwise noted.

§ 20.1 Scope of part.

This part establishes a Board of Contract Appeals, sets forth its function, policies and procedures regarding matters to be considered by the Board, and prescribes the rules of the Board.

§ 20.2

§ 20.2 Establishment of Board.

There is established in the Office of the Secretary, the Housing and Urban Development Board of Contract Appeals ("the Board").

§ 20.3 Organization and location of the Board.

(a) *Location.* The Board is located at 1707 H Street, NW., Eleventh Floor, Washington, DC 20006. Mail and non-postal delivery may be sent to the Board at this address. Mail also may be addressed to: Board of Contract Appeals, U.S. Department of Housing and Urban Development, Room 2131, 451 Seventh Street, SW., Washington, DC 20410-0001. The telephone number of the Board is (202) 254-0000. (This is not a toll-free number.) For learning or speech-impaired persons, this number may be accessed via TTY by contacting the Federal Information Relay Service at 1-800-877-8339. The facsimile number is (202) 254-0011.

(b) *Organization.* The Board shall be comprised of a Chief Administrative Judge, who shall be the Chair, an Administrative Judge, who shall be the Vice-Chair, and such other Administrative Judges as may be appointed by the Secretary. All members of the Board shall be attorneys at law duly licensed by any State, commonwealth, territory, or the District of Columbia. All members shall be selected and appointed to serve in accordance with section 8(b)(1) of the Contract Disputes Act of 1978 (41 U.S.C. 608(b)(1)). Except as otherwise provided, appeals are assigned to a panel of at least three members who decide the case by a majority vote. The Chair shall assign one member of the panel to preside over the appeal and to conduct necessary conferences and hearings, supervise discovery and the development of the record for the Board, and to make such procedural determinations as are necessary to the proper disposition of the appeal.

[50 FR 45911, Nov. 5, 1985, as amended at 61 FR 13280, Mar. 26, 1996; 67 FR 15112, Mar. 29, 2002]

§ 20.4 Jurisdiction of the Board.

(a) *Contract appeals.* The Board shall consider and determine appeals from

24 CFR Subtitle A (4-1-07 Edition)

decisions of contracting officers under the Contract Disputes Act of 1978 (41 U.S.C. 601-613) relating to contracts entered into by (1) the Department of Housing and Urban Development or (2) any other executive agency when that agency or the Administrator for Federal Procurement Policy has designated the Board to decide the appeal.

(b) *Other matters.* The Board or its individual members shall have jurisdiction over other matters assigned to it by the Secretary or designee. Determinations in other matters shall have the finality provided by the applicable statute, regulation or agreement.

§ 20.5 Board powers.

(a) *Board powers.* The Board shall employ support personnel, as needed, and shall have all powers necessary and incident to the proper performance of the duties assigned to it.

(b) *Disqualification.* No Administrative Judge may act for the Board or participate in a decision if, prior to the time the appeal was filed, he or she had participated in the matter in any manner on behalf of an interested party.

Subpart B—Rules of the Department of Housing and Urban Development Board of Contract Appeals

SOURCE: 50 FR 45912, Nov. 5, 1985, unless otherwise noted.

§ 20.10 Rules.

(a) These rules govern the procedure in all matters before the Department of Housing and Urban Development Board of Contract Appeals, unless otherwise provided by applicable law or regulation. The Federal Rules of Civil Procedure may be applied where procedures are not otherwise provided in these rules. For applications and proceedings involving award of attorney fees and other expenses, the rules set forth in 24 CFR part 14 shall apply.

(b) *Filing Requirements.* A party shall file with the Board one original of any pleading or motion. That party shall simultaneously serve upon the other party of record one copy of that pleading or motion filed with the Board. Filings may be transmitted to the Board

via facsimile. However, the original of any document transmitted to the Board by facsimile shall simultaneously be mailed to the Board.

(c) *Alternative Disputes Resolution.* The Administrative Dispute Resolution Act authorizes and encourages Federal agencies to use mediation, conciliation, arbitration, and other techniques for the prompt and informal resolution of disputes. With the mutual consent of the parties, the Board may assist in the resolution of disputes by Alternative Dispute Resolution (ADR) procedures. The utilization of ADR procedures shall not relieve the parties from the filing requirements or other orders of the Board relating to a contract appeal duly docketed before the Board.

(d) *Equal Access to Justice Act.* The Equal Access to Justice Act provides that agencies which conduct adversary adjudications "shall award, to a prevailing party other than the United States, fees and other expenses incurred by that party in connection with that proceeding, unless the adjudicative officer of the agency finds that the position of the agency was substantially justified or that special circumstances make an award unjust." 5 U.S.C. § 504. Prevailing parties in proceedings before the Board may apply for an award under the Act following the issuance by the Board of its final decision in the appeal.

PRELIMINARY PROCEDURES

Rule 1. Appeals, how taken.

(a) *General.* Notice of an appeal shall be in writing and mailed or otherwise furnished to the Board within 90 days from the date of receipt of a final written decision of the contracting officer.

(b) *Contracting officer's failure to act-claim of \$100,000 or less.* Where the contractor has submitted a claim of \$100,000 or less to the contracting officer and has requested a written decision within 60 days from receipt of the request, and the contracting officer has not issued the decision, the contractor may file a notice of appeal as provided in paragraph (a) of this section, citing the failure of the contracting officer to issue a decision.

(c) *Contracting officer's failure to act-claim in excess of \$100,000.* Where the contractor has submitted a claim in excess of \$100,000 to the contracting officer and the contracting officer has failed, within 60 days of submission of the claim, to issue a final written decision, or to advise the contractor of a date

when the final written decision will be issued, the contractor may file a notice of appeal as provided in paragraph (a) of this section, citing the failure to issue a decision.

(d) *Unreasonable delay by contracting officer.* A contractor may request the Board to direct a contracting officer to issue a final written decision within a specified period of time, as determined by the Board, in the event of an unreasonable delay on the part of the contracting officer.

(e) *Stay of proceedings.* Upon docketing of appeals filed under paragraph (b) or (c) of this section, the Board may stay further proceedings pending issuance of a final decision by the contracting officer within the period of time determined by the Board.

Rule 2. Notice of appeal, contents of.

A notice of appeal shall indicate that an appeal is being taken and shall identify the contract (by number), the department and agency involved in the dispute, the final written decision from which the appeal is taken, and the amount in dispute, if known. The notice of appeal shall be signed by the appellant (the contractor making the appeal), or by the appellant's duly authorized representative or attorney. The complaint referred to in Rule 6 may be filed with the notice of appeal, or the appellant may designate the notice of appeal as a complaint, if it otherwise fulfills the requirements of a complaint. A notice of appeal from a final written decision of a contracting officer involving a claim in excess of \$100,000 shall state that certification has been made as required under section 6(c)(1) of the Contract Disputes Act of 1978 [41 U.S.C. 606(c)(1)].

Rule 3. Docketing of appeals.

When a notice of appeal in any form has been received by the Board, it shall be docketed promptly. A written notice of docketing shall be transmitted to the appellant with a copy of these rules, to the contracting officer, and to HUD's Office of General Counsel.

Rule 4. Preparation, content, organization, forwarding, and status of appeal file.

(a) *Duties of contracting officer.* Within 30 days of receipt of notice from the Board that an appeal has been docketed, the contracting officer shall assemble and transmit to the Board (through HUD's Office of General Counsel) three copies of an appeal file consisting of all documents relevant to the appeal, including:

- (1) The decision from which the appeal is taken;
- (2) The contract including specifications and relevant amendments, plans, and drawings;
- (3) All correspondence between the parties relevant to the appeal, including the appellant's letter or letters of claim;

§ 20.10

(4) Transcripts of any testimony and affidavits or statements of any witnesses on the matter in dispute made prior to the filing of the notice of appeal with the Board; and

(5) Any additional information considered relevant to the appeal.

Upon receipt of the appeals file, the Board shall furnish the appellant and HUD's Office of General Counsel with true and exact copies of the appeal file.

(b) *Duties of appellant.* Within 30 days after receipt of a copy of the appeal file assembled by the contracting officer, the appellant shall transmit to the Board any documents not contained in the appeal file which are relevant to the appeal, and furnish two copies of these documents to the government trial attorney.

(c) *Organization of appeal file.* Documents in the appeal file may be originals, legible facsimiles, or authenticated copies, and shall be arranged in chronological order where practicable, numbered sequentially, tabbed, and indexed to identify the contents of the file.

(d) *Unusual documents.* Upon request by either party, the Board may waive the requirement to furnish to the other party copies of bulky, lengthy, or out-of-size documents in the appeal file when inclusion would be burdensome. At the time a party files with the Board a document for which waiver has been granted, he or she shall notify the other party that the document or a copy is available for inspection at the offices of the Board or of the party filing the document.

(e) *Status of documents in appeal file.* Documents contained in the appeal file are, without further action by the parties, part of the record upon which the Board will render its decision. However, a party may object, for reasons stated, to consideration of a particular document or documents within 30 days of receipt, unless good cause is shown for later objection. If an objection is made, the Board shall remove the document or documents from the appeal file and permit the party offering the document to move its admission as evidence in accordance with Rules 13 and 20.

(f) *Waiver of filing of documents.* Notwithstanding the foregoing, the filing of the Rule 4 (a) and (b) documents may be dispensed with by the Board either upon request of the appellant in the notice of appeal or thereafter upon stipulation of the parties.

Rule 5. Dismissal for lack of jurisdiction.

Any motion addressed to the jurisdiction of the Board shall be promptly filed. Hearing on the motion shall be afforded on application of either party. However, the Board may defer its decision on the motion pending hearing on both the merits and the motion. The Board may at any time raise the issue of its jurisdiction to proceed with a particular case by an appropriate order, affording the

24 CFR Subtitle A (4-1-07 Edition)

parties an opportunity to be heard on the issue.

Rule 6. Pleadings.

(a) *Appellant.* Within 30 days after receipt of notice of docketing of the appeal, the appellant shall file a complaint with the Board. The complaint shall set forth simple, concise and direct statements of each of the appellant's claims. Appellant shall also set forth the basis, with appropriate reference to contract provisions, of each claim and the dollar amount claimed, to the extent known. This pleading shall fulfill the generally recognized requirements of a complaint, although no particular form is required. Should the complaint not be received within 30 days, appellant's notice of appeal may, if in the opinion of the Board the issues before the Board are sufficiently defined, be deemed its complaint and the Government shall be so notified.

(b) *Government.* Within 30 days from receipt of the complaint, the Government shall file an answer with the Board. The answer shall set forth simple, concise and direct statements of Government's defenses to each claim asserted by appellant, including any affirmative defenses available.

Rule 7. Amendments of pleadings or record.

The Board, upon its own initiative or upon application by a party, may order a party to make a more definite statement of the complaint or answer, or to reply to an answer. The Board may, within the proper scope of the appeal, permit either party to amend its pleading upon conditions fair to both parties. When issues within the proper scope of the appeal, but not raised by the pleadings, are tried by express or implied consent of the parties, with the permission of the Board, they shall be treated in all respects as if they have been raised in the pleadings. In such instances, motions to amend the pleadings to conform to the proof may be entered, but are not required. If evidence is objected to at a hearing on the ground that it is not within the issues raised by the pleadings, it may be admitted within the proper scope of the appeal, provided, however, that the objecting party may be granted a continuance if necessary to enable it to meet this evidence.

Rule 8. Hearing election and motions.

(a) *Hearing election.* After the filing of the Government's answer or notice from the Board that it has entered a general denial on behalf of the Government, each party shall advise whether it desires a hearing as prescribed in Rules 17 through 25, or whether it elects to submit its case on the record without a hearing, as prescribed in Rule 11.

(b) *Motions.* (1) The Board may entertain any timely motion for an appropriate order.

Application to the Board for an order shall be by motion which, unless made during a hearing, shall be made in writing, shall state with particularity the grounds for the motion and shall set forth the relief or order sought.

(2) The Board may, on its own motion, initiate any action by notice to the parties.

(3) Unless otherwise specified by the Board, a party who receives a motion shall file any answering material within 20 days after the date of receipt of the motion. The Board may require the presentation of briefs or arguments. The Board shall issue a decision on each motion that is appropriate and just to the parties.

(4) Affidavits in support of motions shall set forth such facts as would be admissible in evidence and shall show affirmatively that the affiant is competent to testify to the matters stated in the affidavit. When a motion is made and supported as provided in this rule, a party opposing the motion who is represented by counsel may not rest upon the mere allegations or denials of his pleading; his response, by affidavits or as otherwise provided in this rule, must show that there is a genuine issue of fact or of law for decision. Should it appear from the affidavits of a party opposing the motion that for reasons stated he cannot present by affidavit facts essential to justify his opposition, the Board may deny the motion or may order a continuance to permit affidavits to be obtained or discovery to be had or may make such order as is just.

Rule 9. Prehearing briefs.

Based on an examination of the pleadings, and its determination of whether the arguments and authorities addressed to the issues are adequately set forth in the pleadings, the Board may require the parties to submit prehearing briefs. If the Board does not require prehearing briefs, either party may upon appropriate and sufficient notice to the other party, furnish a prehearing brief to the Board. In any case where a prehearing brief is submitted, it shall be furnished so as to be received by the Board at least 15 days prior to the date set for hearing, and a copy shall simultaneously be furnished to the other party.

Rule 10. Prehearing or presubmission conference.

(a) *Conference.* Whether the case is to be submitted under Rule 11, or heard under Rules 17 through 25, the Board may upon its own initiative, or upon the application of either party, arrange a telephone conference or call upon the parties to appear before an Administrative Judge for a conference to consider:

(1) Simplification, clarification, or severing of the issues;

(2) The possibility of obtaining stipulations, admissions, agreements and rulings on admissibility of documents, understandings on matters already on record, or similar agreements that will avoid unnecessary proof;

(3) Agreements and rulings to facilitate discovery;

(4) Limitation of the number of expert witnesses or avoidance of cumulative evidence;

(5) The possibility of agreement disposing of any or all of the issues in dispute; and

(6) Such other matters as may aid in the disposition of the appeal.

(b) *Results of conference.* The Administrative Judge shall make such rulings and orders as may be appropriate to achieve settlement by agreement of the parties or to aid in the disposition of the appeal. The results of the conference, including any rulings and orders, shall be reduced to writing by the Administrative Judge or the conference shall be transcribed. The writing or the transcript shall constitute a part of the record.

Rule 11. Submission without a hearing.

Either party may elect to waive its right to appear at a hearing and to submit its case upon the record before the Board, as settled under Rule 13. Submission of a case without hearing does not relieve the parties from the necessity of proving the facts supporting their allegations or defenses. Affidavits, depositions, admissions, answers to interrogatories, and stipulations may be employed to supplement other documentary evidence in the record. The Board may permit submissions to be supplemented by oral argument, which may be transcribed if requested, and by briefs in accordance with Rule 9 or Rule 23.

Rule 12. Optional small claims (expedited) and accelerated procedures. (These procedures are available solely at the election of the appellant.)

Rule 12.1 Elections to utilize small claims (expedited) and accelerated procedure.

(a) *Election-dispute involving \$50,000 or less.* In appeals where the amount in dispute is \$50,000 or less, the appellant may elect to have the appeal processed under a Small Claims (Expedited) procedure requiring decision of the appeal, whenever possible, within 120 days after the Board receives written notice of the appellant's election. The details of this procedure appear in section 12.2 of this Rule.

(b) *Election-dispute involving \$100,000 or less.* In appeals where the amount in dispute is \$100,000 or less, the appellant may elect to have the appeal processed under an Accelerated procedure requiring decision of the appeal, whenever possible, within 180 days after

§ 20.10

the Board receives written notice of the appellant's election. The details of this procedure appear in section 12.3 of this Rule.

(c) *Notice of election.* The appellant's election of either the Small Claims (Expedited) procedure or the Accelerated procedure may be made by written notice within 60 days after receipt of notice of docketing the appeal unless this period is extended by the Board for good cause. The election may not be withdrawn except with permission of the Board and for good cause.

(d) *Determination of amount in dispute.* In deciding whether the Small Claims (Expedited) procedure or the Accelerated procedure is applicable to a given appeal, the Board shall determine the amount in dispute.

Rule 12.2 The small claims (expedited) procedure.

(a) *Document submission and prehearing conference.* In cases proceeding under the Small Claims (Expedited) procedure, the following time periods shall apply: (1) Within ten days from the Government's first receipt from either the appellant or the Board of a copy of the appellant's notice of election of the Small Claims (Expedited) procedure, the Government shall send the Board a copy of the contract, the contracting officer's final decision, and the appellant's letter or letters of claim, if any; remaining documents required under Rule 4 shall be submitted in accordance with times specified in that rule unless the Board otherwise directs;

(2) Within 15 days after the Board has acknowledged receipt of appellant's notice of election, the assigned Administrative Judge shall take the following actions, if feasible, in an informal meeting or a telephone conference with both parties: (i) Identify and simplify the issues; (ii) establish a simplified procedure appropriate to the particular appeal; (iii) determine whether the appellant wants a hearing, and if so, fix a time and place for the hearing; (iv) require the Government to furnish all the additional documents relevant to the appeal, and (v) establish an expedited schedule for resolution of the appeal.

(b) *Pleadings, discovery and other prehearing activity.* Pleadings, discovery and other prehearing activity will be allowed only as consistent with the requirement to conduct the hearing on the date scheduled, or if no hearing is scheduled, to close the record on a date that will allow decisions within the 120-day limit. The Board may impose shortened time periods for any actions prescribed or allowed under these rules, as necessary to enable the Board to decide the appeal within the 120-day limit, allowing whatever time, up to 30 days, that the Board considers necessary for the preparation of the decision after closing the record and the filing of briefs, if any.

24 CFR Subtitle A (4-1-07 Edition)

(c) *Decision.* The written decision by the Board in cases processed under the Small Claims (Expedited) procedure will be short and contain only summary findings of fact and conclusions. Decisions will be rendered for the Board by a single Administrative Judge. If there has been a hearing, the Administrative Judge presiding at the hearing may at the conclusion of the hearing and after entertaining oral arguments as deemed appropriate, render on the record oral summary findings of fact, conclusions, and a decision of the Appeal. Whenever an oral decision is rendered, the Board will subsequently furnish the parties a typed copy of the oral decision (or a copy of the transcript of the hearing) for record and payment purposes and to establish the starting date for the period for filing a motion for reconsideration under Rule 29.

(d) *Effect of decision.* A decision issued under the Small Claims (Expedited) procedure shall have no value as precedent and, in the absence of fraud shall be final and conclusive and may not be appealed or set aside.

Rule 12.3 The accelerated procedure.

(a) *Waiver of pleadings, discovery and briefs.* In cases proceeding under the Accelerated procedure, the parties are encouraged, to the extent possible consistent with adequate presentation of their factual and legal positions, to waive pleadings, discovery, and briefs.

(b) *Pleadings, discovery, and other prehearing activity.* Pleadings, discovery and other prehearing activity will be allowed only as consistent with the requirement to conduct the hearing on the dates scheduled or, if no hearing is scheduled, to close the record on a date that will allow decision within the 180-day limit. The Board may shorten time periods for any actions prescribed or allowed under these rules, as necessary to enable the Board to decide the appeal within the 180-day limit, and may reserve up to 30 days for preparation of the decision.

(c) *Decision.* Written decisions by the Board in cases processed under the Accelerated procedure will normally be short and contain only summary findings of fact and conclusions. In cases where the amount in dispute is \$50,000 or less where the Accelerated procedure has been elected and where there has been a hearing, the single Administrative Judge presiding at the hearing may, with the concurrence of both parties, at the conclusion of the hearing and after entertaining such oral arguments as deemed appropriate, render on the record oral summary findings of fact, conclusions, and a decision of the appeal. Whenever an oral decision is rendered, the Board will subsequently furnish the parties a typed copy of the oral decision (or a copy of the transcript of the hearing) for

Office of the Secretary, HUD

§ 20.10

record and payment purposes, and to establish the starting date for the period for filing a motion for reconsideration under Rule 29.

Rule 12.4 Motions for reconsideration in Rule 12 cases.

Motions for Reconsideration of cases decided under either the Small Claims (Expedited) procedure or the Accelerated procedure need not be decided within the original 120-day or 180-day limit, but all such motions shall be processed and decided rapidly to fulfill the intent of this Rule.

Rule 13. Settling the record.

(a) *Contents of record.* The record upon which the Board's decision will be rendered consists of the documents in the appeal file furnished under Rule 4 or 12 (unless removed by the Board) and the following items, if any: Pleadings, prehearing conference memoranda or orders, prehearing briefs, depositions or interrogatories admitted into evidence, admissions, stipulations, transcripts of conferences and hearings, exhibits admitted into evidence, posthearing briefs, orders of the Board, and documents which the Board has specifically designated to be made a part of the record. The record will, at all reasonable times, be available for inspection by the parties at the office of the Board.

(b) *Closing of record.* Except as the Board may otherwise order, no proof shall be received in evidence after completion of an oral hearing or, in cases submitted on the record, after notification by the Board that the case is ready for decision.

(c) *Weight of evidence.* The weight to be attached to any evidence of record will rest within the sound discretion of the Board. The Board may in any case require either party, with appropriate notice to the other party, to submit additional evidence on any matter relevant to the appeal.

Rule 14. Discovery—depositions.

(a) *General policy and protective orders.* The parties are encouraged to engage in voluntary discovery procedures. In connection with any discovery procedure under this rule or rule 15, the Board may make any order required to protect a party or person from annoyance, embarrassment, or undue burden or expense. Those orders may include limitations on the scope, method, time and place for discovery, and provisions for protecting the secrecy of confidential information or documents.

(b) *When depositions permitted.* After an appeal has been docketed and complaint filed, the parties may mutually agree to, or the Board may, upon application of either party, order the taking of testimony of any person by deposition upon oral examination or written interrogatories before any officer au-

thorized to administer oaths at the place of examination.

(c) *Orders on depositions.* The time, place, and manner of taking depositions shall be as mutually agreed by the parties, or failing such agreement, governed by order of the Board.

(d) *Use as evidence.* No testimony taken by depositions shall be considered as part of the evidence in the hearing of an appeal until the testimony is offered and received in evidence at the hearing. It will not ordinarily be received in evidence if the deponent is present and can testify at the hearing. In these instances, however, the deposition may be used to contradict or impeach the testimony of the deponent given at the hearing. In cases submitted on the record, the Board may receive depositions to supplement the record.

(e) *Expenses.* Each party shall bear its own expenses associated with the taking of any depositions.

Rule 15. Interrogatories to parties, admission of facts, and production and inspection of documents.

After an appeal has been docketed and complaint filed with the Board, a party may serve on the other party: (a) Written interrogatories to be answered separately in writing, signed under oath and answered or objected to within 30 days; (b) a request for the admission of specified facts or the authenticity of any documents, to be answered or objected to within 30 days after service; the factual statements and the authenticity of the documents to be deemed admitted upon failure of a party to respond to the request; and (c) a request for the production, inspection and copying of any documents or objects not privileged, which reasonably may lead to the discovery of admissible evidence.

Rule 16. Filing and service of papers other than subpoenas.

Papers shall be considered filed with the Board when mailed or otherwise furnished to the Board. Papers shall be served upon parties personally or by mail, addressed to the party upon whom service is to be made. Timely filing and service by facsimile transmission (telecopier) is permissible provided that the original telecopied document is promptly mailed or served thereafter in the manner specified by this rule. Except as provided in rule 4(a), the party filing any paper with the Board shall simultaneously serve a copy of the paper upon the opposing party, and shall file a certificate of service with the Board indicating that a copy has been so served. Subpoenas shall be served as provided in rule 21.

HEARINGS

Rule 17. Where and when held.

Hearings will be held at places determined by the Board to best serve the interest of the parties and the Board. Hearings will be scheduled at the discretion of the Board with due consideration to the regular order of appeals, Rule 12 requirements, the convenience of the parties, the requirement for just and inexpensive determination of appeals without necessary delay, and other pertinent factors. On request or motion by either party and for good cause, the Board may adjust the date of a hearing.

Rule 18. Notice of hearings.

Parties shall be given not less than 20 days notice of the time and place for hearing, unless otherwise agreed. The notice of hearing shall be sent by certified mail (return receipt requested).

Rule 19. Unexcused absence of a party.

The unexcused absence of a party at the time and place set for hearing will not be occasion for delay. Notwithstanding the provisions of Rule 31, in the event of an unexcused absence: (a) The appeal will be dismissed with prejudice for want of prosecution; or (b) the hearing will proceed and the case will be regarded as submitted on the record by the absent party.

Rule 20. Hearings: conduct; examination of witnesses.

(a) *Conduct of hearings.* Hearings shall be as informal as may be reasonable and appropriate under the circumstances. Appellant and the Government may offer such evidence as would be admissible under the Federal Rules of Evidence or as otherwise determined to be reliable and relevant by the presiding Administrative Judge. Stipulations of fact agreed upon by the parties may be regarded and used as evidence at the hearing. The parties may stipulate the testimony that would be given by a witness if the witness were present. The Board may require evidence in addition to that offered by the parties.

(b) *Examination of witnesses.* Oral testimony before the Board shall generally be given under oath or affirmation. However, if the testimony of a witness is not given under oath or affirmation, the Board shall advise the witness that his statements may be subject to the provisions of title 18 U.S.C., sections 287 and 1001, and any other provision of law imposing penalties for knowingly making false representations in connection with claims against the United States or in any matter within the jurisdiction of any department or agency.

Rule 21. Subpoenas.

(a) *General.* Upon written request of either party filed with the Board or on the Administrative Judge's initiative, the Administrative Judge to whom a case is assigned or who is otherwise designated by the Chairman may issue a subpoena requiring:

(1) Testimony at a deposition—the deposing of a witness in the city or county where he or she resides, is employed or transacts business in person, or at another location convenient for the witness that is specifically determined by the Board;

(2) Testimony at a hearing—the attendance of a witness for the purpose of taking testimony at a hearing; and

(3) Production of books and papers—the production by the witness at the deposition or hearing of books and papers designated in the subpoena.

(b) *Voluntary cooperation.* Each party is expected (1) to cooperate and make available witnesses and evidence under its control as requested by the other party, without issuance of a subpoena, and (2) to secure voluntary attendance of desired third-party witnesses and production of desired third-party books, papers, documents, or tangible things whenever possible.

(c) *Requests for subpoenas.* (1) A request for a subpoena shall normally be filed at least:

(i) 15 days before a scheduled deposition where the attendance of a witness at a deposition is sought;

(ii) 30 days before a scheduled hearing where the attendance of a witness at a hearing is sought.

In its discretion the Board may honor requests for subpoenas not made within these time limitations.

(2) A request for a subpoena shall state the reasonable scope and general relevance to the case of the testimony and of any books and papers sought.

(d) *Requests to quash or modify.* Upon written request by the person subpoenaed or by a party, made within 10 days after service but in any event not later than the time specified in the subpoena for compliance, the Board may (1) quash or modify the subpoena if it is unreasonable and oppressive or for other good cause shown, or (2) require the person in whose behalf the subpoena was issued to advance the reasonable cost of producing subpoenaed books and papers. Where circumstances require, the Board may act upon such a request at any time after a copy of the request has been served upon the opposing party.

(e) *Form; issuance.* (1) Every subpoena shall state the name of the Board and the title of the appeal, and shall command each person to whom it is directed to attend and give testimony, and if appropriate, to produce specified books and papers at the time and place

specified in the subpoena. In issuing a subpoena to a requesting party, the Administrative Judge shall sign the subpoena and may, in his discretion, enter the name of the witness and otherwise leave it blank. The party to whom the subpoena is issued shall complete the subpoena before service.

(2) Where the witness is located in a foreign county, a letter rogatory or subpoena may be issued and served under the circumstances and in the manner provided in 28 U.S.C. 1781-1784.

(f) *Service.* (1) The party requesting issuance of a subpoena shall be responsible for service.

(2) A subpoena requiring the attendance of a witness at a deposition or hearing may be served (i) by sending a copy of the subpoena by certified mail (return receipt requested) to the last known address of the party named in the subpoena, or (ii) by personal delivery of a copy of the subpoena to the party named in the subpoena, by a United States marshal or deputy marshal, or by any other person who is not a party and not less than 18 years of age. Service shall include the tender of the fees for one day's attendance and the mileage provided by 28 U.S.C. 1821 or other applicable law; however, where the subpoena is issued on behalf of the Government, money payments need not be tendered in advance of attendance.

(3) The party at whose instance a subpoena is issued shall be responsible for the payment of fees and mileage of the witness and for the costs of service of the subpoena.

(g) *Contumacy or refusal to obey subpoena.* In case of contumacy or refusal to obey a subpoena by a person who resides, is found, or transacts business within the jurisdiction of a United States District Court, the Board will apply to the Court through the Attorney General of the United States for an order requiring the person to appear before the Board or a member of the Board to give testimony or produce evidence or both.

Rule 22. Copies of papers.

When books, records, papers, or documents have been received in evidence, a true copy of this evidence or a copy of any material or relevant part of this evidence may be substituted during or at the conclusion of the hearing.

Rule 23. Posthearing briefs.

The presiding Administrative Judge may order the parties to submit post hearing briefs to the Board.

Rule 24. Transcript of proceedings.

Testimony and argument at hearings shall be reported *verbatim*, unless the Board otherwise orders. Extra transcripts or copies of the proceedings in the possession of the board may be supplied to the parties. Other-

wise, the parties may obtain transcripts or copies of the proceedings from the hearing reporter.

Rule 25. Withdrawal of exhibits.

After a decision has become final the Board may, upon request and after notice to the other party, permit the withdrawal of original exhibits, or any part of original exhibits by the party entitled to the exhibits. The substitution of true copies of exhibits or any part of exhibits may be required by the Board as a condition of granting permission for the withdrawal.

REPRESENTATION

Rule 26. Appellant.

An individual appellant may appear before the Board in person; a corporation by one of its duly authorized officers; and a partnership or joint venture by one of its duly authorized members; or any of these by an attorney at law duly licensed in any State, commonwealth, territory, the District of Columbia, or in a foreign country. An attorney representing an appellant shall file a written notice of appearance with the Board.

Rule 27. Government.

Government counsel may, in accordance with their authority, represent the interests of the Government before the Board. They shall file notices of appearance with the Board. This notice of appearance will be given appellant or appellant's attorney in the form specified by the Board from time to time. Whenever an appellant and the Government are in agreement as to disposition of the controversy, the Board may suspend further processing of the appeal. However, if the Board is advised by either party that the controversy has not been disposed of by agreement, the case shall be restored to the Board's calendar without loss of position.

DECISIONS

Rule 28. Decisions.

Decisions of the Board shall be made in writing. Copies of the decision shall be forwarded simultaneously to both parties. The rules of the Board and all final orders and decisions (except those required for good cause to be held confidential and not cited as precedents) shall be open for public inspection at the offices of the Board in Washington, DC. Decisions of the Board shall be made solely upon the record, as described in Rule 13. Oral decisions shall be rendered in accordance with Rules 12.2(c) and 12.3(c).

§ 20.10

MOTION FOR RECONSIDERATION

Rule 29. Motion for reconsideration.

A motion for reconsideration may be filed by either party. It shall set forth specifically the grounds relied upon to sustain the motion. The motion shall be filed within 30 days from the date of the receipt of a copy of the decision of the Board by the party filing the motion.

DISMISSALS AND DEFAULTS

Rule 30. Dismissal without prejudice.

In certain cases, appeals docketed before the Board are required to be placed in a suspended status and the Board is unable to proceed with disposition for reasons not within the control of the Board. Where the suspension has continued, or may continue, for an inordinate length of time, the Board may dismiss such appeals from its docket without prejudice to their restoration to the docket when the cause of suspension has been removed. Unless either party or the Board acts within three years to reinstate any appeal dismissed without prejudice, the dismissal shall be considered to be with prejudice.

Rule 31. Dismissal or default for failure to prosecute or defend.

Whenever a record discloses the failure of either party to file documents required by these rules, respond to notices or correspondence from the Board, comply with orders of the Board, or otherwise indicates an intention not to continue the prosecution or defense of an appeal, the Board may, in the case of such a default by the appellant, issue an order to show cause why the appeal should not be dismissed with prejudice or, in the case of a default by the Government, issue an order to show cause why the Board should not act under Rule 33. If good cause is not shown, the Board may take appropriate action.

REMAND

Rule 32. Remand from court.

Whenever any court remands a case to the Board for further proceedings, each of the parties shall, within 20 days of the remand, submit a report to the Board recommending procedures to be followed to comply with the court's order. The Board shall consider any timely filed reports and enter special orders governing the handling of the remanded case. To the extent the court's directive and time limitations permit, these orders shall conform to these rules.

24 CFR Subtitle A (4-1-07 Edition)

SANCTIONS

Rule 33. Sanctions.

If any party fails or refuses to obey an order issued by the Board, the Board may then make such order as it considers necessary to the just and expeditious conduct or dismissal of the appeal.

MISCELLANEOUS PROCEDURES

Rule 34. Applicability.

These rules shall apply to all appeals relating to contracts entered into on or after March 1, 1979, and, to appeals relating to earlier contracts, with respect to claims pending before the contracting officer on March 1, 1979 or initiated thereafter, if the contractor elects to proceed under the Act.

Rule 35. Time, computation, and extensions.

(a) *General.* Where possible, procedural actions should be taken in less time than the maximum time allowed. Where appropriate and justified, extensions of time shall be granted. All requests for extensions of time shall be in writing and shall be filed before the due date, unless excused.

(b) *Computation.* In computing any period of time, the day of the event from which the designated period of time begins to run shall not be included, but the last day of the period shall be included unless it is a Saturday, Sunday, or a legal holiday, in which event the period shall run to the end of the next business day.

Rule 36. Ex parte communications.

(a) *Definition.* An ex parte communication is any communication with a member of the Board, direct or indirect, oral or written, concerning the merits of matters in issue of any pending proceeding which is made by a party in the absence of any other party. Ex parte communications do not include communications where:

(1) The purpose and content of the communication have been disclosed in advance or simultaneously to all parties;

(2) The communication is a request for information concerning the status of the case; or

(3) The communication involves the Board's administrative functions or procedures.

(b) *Prohibition of ex parte communications.* Ex parte communications are prohibited.

(c) *Procedure after receipt of ex parte communications.* Any member of the Board who receives an ex parte communication that the member of the Board knows or has reason to believe is unauthorized shall promptly place the communication, or its substance, in all files and shall furnish copies to all parties. Unauthorized ex parte communications shall

SOURCE: 68 FR 66557, 66594, Nov. 26, 2003, unless otherwise noted.

Subpart A—Purpose and Coverage

§ 21.100 What does this part do?

This part carries out the portion of the Drug-Free Workplace Act of 1988 (41 U.S.C. 701 *et seq.*, as amended) that applies to grants. It also applies the provisions of the Act to cooperative agreements and other financial assistance awards, as a matter of Federal Government policy.

§ 21.105 Does this part apply to me?

(a) Portions of this part apply to you if you are either—

(1) A recipient of an assistance award from the Department of Housing and Urban Development; or

(2) A(n) HUD awarding official. (See definitions of award and recipient in §§ 21.605 and 21.660, respectively.)

(b) The following table shows the subparts that apply to you:

If you are . . .	see subparts . . .
(1) A recipient who is not an individual	A, B and E.
(2) A recipient who is an individual	A, C and E.
(3) A(n) HUD awarding official	A, D and E.

§ 21.110 Are any of my Federal assistance awards exempt from this part?

This part does not apply to any award that the Secretary or designee determines that the application of this part would be inconsistent with the international obligations of the United States or the laws or regulations of a foreign government.

§ 21.115

§ 21.115 Does this part affect the Federal contracts that I receive?

It will affect future contract awards indirectly if you are debarred or suspended for a violation of the requirements of this part, as described in § 21.510(c). However, this part does not apply directly to procurement contracts. The portion of the Drug-Free Workplace Act of 1988 that applies to Federal procurement contracts is carried out through the Federal Acquisition Regulation in chapter 1 of Title 48 of the Code of Federal Regulations (the drug-free workplace coverage currently is in 48 CFR part 23, subpart 23.5).

Subpart B—Requirements for Recipients Other Than Individuals

§ 21.200 What must I do to comply with this part?

There are two general requirements if you are a recipient other than an individual.

(a) First, you must make a good faith effort, on a continuing basis, to maintain a drug-free workplace. You must agree to do so as a condition for receiving any award covered by this part. The specific measures that you must take in this regard are described in more detail in subsequent sections of this subpart. Briefly, those measures are to—

(1) Publish a drug-free workplace statement and establish a drug-free awareness program for your employees (see §§ 21.205 through 21.220); and

(2) Take actions concerning employees who are convicted of violating drug statutes in the workplace (see § 21.225).

(b) Second, you must identify all known workplaces under your Federal awards (see § 21.230).

§ 21.205 What must I include in my drug-free workplace statement?

You must publish a statement that—

(a) Tells your employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in your workplace;

(b) Specifies the actions that you will take against employees for violating that prohibition; and

(c) Lets each employee know that, as a condition of employment under any award, he or she:

(1) Will abide by the terms of the statement; and

(2) Must notify you in writing if he or she is convicted for a violation of a criminal drug statute occurring in the workplace and must do so no more than five calendar days after the conviction.

§ 21.210 To whom must I distribute my drug-free workplace statement?

You must require that a copy of the statement described in § 21.205 be given to each employee who will be engaged in the performance of any Federal award.

§ 21.215 What must I include in my drug-free awareness program?

You must establish an ongoing drug-free awareness program to inform employees about—

(a) The dangers of drug abuse in the workplace;

(b) Your policy of maintaining a drug-free workplace;

(c) Any available drug counseling, rehabilitation, and employee assistance programs; and

(d) The penalties that you may impose upon them for drug abuse violations occurring in the workplace.

§ 21.220 By when must I publish my drug-free workplace statement and establish my drug-free awareness program?

If you are a new recipient that does not already have a policy statement as described in § 21.205 and an ongoing awareness program as described in § 21.215, you must publish the statement and establish the program by the time given in the following table:

If . . .	then you . . .
(a) The performance period of the award is less than 30 days.	must have the policy statement and program in place as soon as possible, but before the date on which performance is expected to be completed.
(b) The performance period of the award is 30 days or more.	must have the policy statement and program in place within 30 days after award.

Office of the Secretary, HUD

§ 21.300

If . . .	then you . . .
(c) You believe there are extraordinary circumstances that will require more than 30 days for you to publish the policy statement and establish the awareness program.	may ask the HUD awarding official to give you more time to do so. The amount of additional time, if any, to be given is at the discretion of the awarding official.

§ 21.225 What actions must I take concerning employees who are convicted of drug violations in the workplace?

There are two actions you must take if an employee is convicted of a drug violation in the workplace:

(a) First, you must notify Federal agencies if an employee who is engaged in the performance of an award informs you about a conviction, as required by § 21.205(c)(2), or you otherwise learn of the conviction. Your notification to the Federal agencies must—

- (1) Be in writing;
- (2) Include the employee's position title;
- (3) Include the identification number(s) of each affected award;
- (4) Be sent within ten calendar days after you learn of the conviction; and
- (5) Be sent to every Federal agency on whose award the convicted employee was working. It must be sent to every awarding official or his or her official designee, unless the Federal agency has specified a central point for the receipt of the notices.

(b) Second, within 30 calendar days of learning about an employee's conviction, you must either—

- (1) Take appropriate personnel action against the employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973 (29 U.S.C. 794), as amended; or
- (2) Require the employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for these purposes by a Federal, State or local health, law enforcement, or other appropriate agency.

§ 21.230 How and when must I identify workplaces?

(a) You must identify all known workplaces under each HUD award. A failure to do so is a violation of your drug-free workplace requirements. You may identify the workplaces—

(1) To the HUD official that is making the award, either at the time of application or upon award; or

(2) In documents that you keep on file in your offices during the performance of the award, in which case you must make the information available for inspection upon request by HUD officials or their designated representatives.

(b) Your workplace identification for an award must include the actual address of buildings (or parts of buildings) or other sites where work under the award takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).

(c) If you identified workplaces to the HUD awarding official at the time of application or award, as described in paragraph (a)(1) of this section, and any workplace that you identified changes during the performance of the award, you must inform the HUD awarding official.

Subpart C—Requirements for Recipients Who Are Individuals

§ 21.300 What must I do to comply with this part if I am an individual recipient?

As a condition of receiving a(n) HUD award, if you are an individual recipient, you must agree that—

(a) You will not engage in the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance in conducting any activity related to the award; and

(b) If you are convicted of a criminal drug offense resulting from a violation occurring during the conduct of any award activity, you will report the conviction:

- (1) In writing.
- (2) Within 10 calendar days of the conviction.

(3) To the HUD awarding official or other designee for each award that you currently have, unless § 21.301 or the award document designates a central point for the receipt of the notices. When notice is made to a central point,

§ 21.301

it must include the identification number(s) of each affected award.

§ 21.301 [Reserved]

Subpart D—Responsibilities of HUD Awarding Officials

§ 21.400 What are my responsibilities as a(n) HUD awarding official?

As a(n) HUD awarding official, you must obtain each recipient's agreement, as a condition of the award, to comply with the requirements in—

- (a) Subpart B of this part, if the recipient is not an individual; or
- (b) Subpart C of this part, if the recipient is an individual.

Subpart E—Violations of this Part and Consequences

§ 21.500 How are violations of this part determined for recipients other than individuals?

A recipient other than an individual is in violation of the requirements of this part if the Secretary or designee determines, in writing, that—

- (a) The recipient has violated the requirements of subpart B of this part; or
- (b) The number of convictions of the recipient's employees for violating criminal drug statutes in the workplace is large enough to indicate that the recipient has failed to make a good faith effort to provide a drug-free workplace.

§ 21.505 How are violations of this part determined for recipients who are individuals?

An individual recipient is in violation of the requirements of this part if the Secretary or designee determines, in writing, that—

- (a) The recipient has violated the requirements of subpart C of this part; or
- (b) The recipient is convicted of a criminal drug offense resulting from a violation occurring during the conduct of any award activity.

§ 21.510 What actions will the Federal Government take against a recipient determined to have violated this part?

If a recipient is determined to have violated this part, as described in

24 CFR Subtitle A (4–1–07 Edition)

§ 21.500 or § 21.505, the Department of Housing and Urban Development may take one or more of the following actions—

- (a) Suspension of payments under the award;
- (b) Suspension or termination of the award; and
- (c) Suspension or debarment of the recipient under 24 CFR part 24, for a period not to exceed five years.

[68 FR 66557, 66594, Nov. 26, 2003; 69 FR 11314, Mar. 10, 2004]

§ 21.515 Are there any exceptions to those actions?

The Secretary may waive with respect to a particular award, in writing, a suspension of payments under an award, suspension or termination of an award, or suspension or debarment of a recipient if the Secretary determines that such a waiver would be in the public interest. This exception authority cannot be delegated to any other official.

A recipient so prohibited is debarred, in accordance with the Federal Acquisition Regulation for procurement contracts (48 CFR part 9, subpart 9.4) and the common rule, Government-wide

(b) This definition does not include workers not on the payroll of the recipient (*e.g.*, volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the payroll; or employees of subrecipients or subcontractors in covered workplaces).

§ 21.645 Federal agency or agency.

Federal agency or agency means any United States executive department, military department, government corporation, government controlled corporation, any other establishment in the executive branch (including the Executive Office of the President), or any independent regulatory agency.

§ 21.650 Grant.

§ 21.670 Suspension.

Suspension means an action taken by a Federal agency that immediately prohibits a recipient from participating in Federal Government procurement contracts and covered nonprocurement transactions for a temporary period, pending completion of an investigation and any judicial or administrative proceedings that may ensue. A recipient so prohibited is suspended, in accordance with the Federal Acquisition Regulation for procurement contracts (48 CFR part 9, subpart 9.4) and the common rule, Governmentwide Debarment and Suspension (Nonprocurement), that implements Executive Order 12549 and Executive Order 12689. Suspension of a recipient is a distinct and separate action from suspension of an award or suspension of payments under an award.

§ 24.50 How is this part written?

(a) This part uses a “plain language” format to make it easier for the general public and business community to use. The section headings and text, often in the form of questions and answers, must be read together.

(b) Pronouns used within this part, such as “I” and “you,” change from subpart to subpart depending on the audience being addressed. The pronoun “we” always is the Department of Housing and Urban Development.

(c) The “Covered Transactions” diagram in the appendix to this part shows the levels or “tiers” at which the Department of Housing and Urban Development enforces an exclusion under this part.

§ 24.75 Do terms in this part have special meanings?

This part uses terms throughout the text that have special meaning. Those terms are defined in Subpart I of this part. For example, three important terms are—

(a) *Exclusion or excluded*, which refers only to discretionary actions taken by a suspending or debarring official under this part or the Federal Acquisition Regulation (48 CFR part 9, subpart 9.4);

(b) *Disqualification or disqualified*, which refers to prohibitions under specific statutes, executive orders (other than Executive Order 12549 and Executive Order 12689), or other authorities. Disqualifications frequently are not subject to the discretion of an agency official, may have a different scope than exclusions, or have special conditions that apply to the disqualification; and

(c) *Ineligibility or ineligible*, which generally refers to a person who is either excluded or disqualified.

Subpart A—General

§ 24.100 What does this part do?

This part adopts a governmentwide system of debarment and suspension for HUD nonprocurement activities. It also provides for reciprocal exclusion of persons who have been excluded under the Federal Acquisition Regulation, and provides for the consolidated listing of all persons who are excluded, or disqualified by statute, executive order, or other legal authority. This part satisfies the requirements in section 3 of Executive Order 12549, “Debarment and Suspension” (3 CFR 1986 Comp., p. 189), Executive Order 12689, “Debarment and Suspension” (3 CFR 1989 Comp., p. 235) and 31 U.S.C. 6101 note (Section 2455, Public Law 103–355, 108 Stat. 3327).

§ 24.105 Does this part apply to me?

Portions of this part (see table at § 24.25(b)) apply to you if you are a(n)—

(a) Person who has been, is, or may reasonably be expected to be, a participant or principal in a covered transaction;

§ 24.110

(b) Respondent (a person against whom the Department of Housing and Urban Development has initiated a debarment or suspension action);

(c) HUD debarment or suspending official; or

(d) HUD official who is authorized to enter into covered transactions with non-Federal parties.

§ 24.110 What is the purpose of the nonprocurement debarment and suspension system?

(a) To protect the public interest, the Federal Government ensures the integrity of Federal programs by conducting business only with responsible persons.

(b) A Federal agency uses the nonprocurement debarment and suspension system to exclude from Federal programs persons who are not presently responsible.

(c) An exclusion is a serious action that a Federal agency may take only to protect the public interest. A Federal agency may not exclude a person or commodity for the purposes of punishment.

§ 24.115 How does an exclusion restrict a person's involvement in covered transactions?

With the exceptions stated in §§ 24.120, 24.315, and 24.420, a person who is excluded by the Department of Housing and Urban Development or any other Federal agency may not:

(a) Be a participant in a(n) HUD transaction that is a covered transaction under subpart B of this part;

(b) Be a participant in a transaction of any other Federal agency that is a covered transaction under that agency's regulation for debarment and suspension; or

(c) Act as a principal of a person participating in one of those covered transactions.

§ 24.120 May we grant an exception to let an excluded person participate in a covered transaction?

(a) The Secretary or designee may grant an exception permitting an excluded person to participate in a particular covered transaction. If the Secretary or designee grants an exception, the exception must be in writing and state the reason(s) for deviating from

24 CFR Subtitle A (4-1-07 Edition)

the governmentwide policy in Executive Order 12549.

(b) An exception granted by one agency for an excluded person does not extend to the covered transactions of another agency.

§ 24.125 Does an exclusion under the nonprocurement system affect a person's eligibility for Federal procurement contracts?

If any Federal agency excludes a person under its nonprocurement common rule on or after August 25, 1995, the excluded person is also ineligible to participate in Federal procurement transactions under the FAR. Therefore, an exclusion under this part has reciprocal effect in Federal procurement transactions.

§ 24.130 Does exclusion under the Federal procurement system affect a person's eligibility to participate in nonprocurement transactions?

If any Federal agency excludes a person under the FAR on or after August 25, 1995, the excluded person is also ineligible to participate in nonprocurement covered transactions under this part. Therefore, an exclusion under the FAR has reciprocal effect in Federal nonprocurement transactions.

§ 24.135 May the Department of Housing and Urban Development exclude a person who is not currently participating in a nonprocurement transaction?

Given a cause that justifies an exclusion under this part, we may exclude any person who has been involved, is currently involved, or may reasonably be expected to be involved in a covered transaction.

§ 24.140 How do I know if a person is excluded?

Check the *Excluded Parties List System (EPLS)* to determine whether a person is excluded. The General Services Administration (GSA) maintains the *EPLS* and makes it available, as detailed in subpart E of this part. When a Federal agency takes an action to exclude a person under the nonprocurement or procurement debarment and suspension system, the agency enters the information about the excluded person into the *EPLS*.

§ 24.145 Does this part address persons who are disqualified, as well as those who are excluded from non-procurement transactions?

Except if provided for in Subpart J of this part, this part—

(a) Addresses disqualified persons only to—

(1) Provide for their inclusion in the *EPLS*; and

(2) State responsibilities of Federal agencies and participants to check for disqualified persons before entering into covered transactions.

(b) Does not specify the—

(1) HUD transactions for which a disqualified person is ineligible. Those transactions vary on a case-by-case basis, because they depend on the language of the specific statute, Executive order, or regulation that caused the disqualification;

(2) Entities to which the disqualification applies; or

(3) Process that the agency uses to disqualify a person. Unlike exclusion, disqualification is frequently not a discretionary action that a Federal agency takes.

Subpart B—Covered Transactions

§ 24.200 What is a covered transaction?

A covered transaction is a non-procurement or procurement transaction that is subject to the prohibitions of this part. It may be a transaction at—

(a) The primary tier, between a Federal agency and a person (see appendix to this part); or

(b) A lower tier, between a participant in a covered transaction and another person.

(c) In the case of employment contracts that are covered transactions, each salary payment under the contract is a separate covered transaction.

[68 FR 66544, 66594, 66596, Nov. 26, 2003]

§ 24.205 Why is it important if a particular transaction is a covered transaction?

The importance of a covered transaction depends upon who you are.

(a) As a participant in the transaction, you have the responsibilities laid out in Subpart C of this part. Those include responsibilities to the

person or Federal agency at the next higher tier from whom you received the transaction, if any. They also include responsibilities if you subsequently enter into other covered transactions with persons at the next lower tier.

(b) As a Federal official who enters into a primary tier transaction, you have the responsibilities laid out in subpart D of this part.

(c) As an excluded person, you may not be a participant or principal in the transaction unless—

(1) The person who entered into the transaction with you allows you to continue your involvement in a transaction that predates your exclusion, as permitted under § 24.310 or § 24.415; or

(2) A(n) HUD official obtains an exception from the Secretary or designee to allow you to be involved in the transaction, as permitted under § 24.120.

§ 24.210 Which nonprocurement transactions are covered transactions?

All nonprocurement transactions, as defined in § 24.970, are covered transactions unless listed in § 24.215. (See appendix to this part.)

§ 24.215 Which nonprocurement transactions are not covered transactions?

The following types of nonprocurement transactions are not covered transactions:

(a) A direct award to—

(1) A foreign government or foreign governmental entity;

(2) A public international organization;

(3) An entity owned (in whole or in part) or controlled by a foreign government; or

(4) Any other entity consisting wholly or partially of one or more foreign governments or foreign governmental entities.

(b) A benefit to an individual as a personal entitlement without regard to the individual's present responsibility (but benefits received in an individual's business capacity are not excepted). For example, if a person receives social security benefits under the Supplemental Security Income provisions of the Social Security Act, 42 U.S.C. 1301 et seq., those benefits are not covered

§ 24.220

transactions and, therefore, are not affected if the person is excluded.

(c) Federal employment.

(d) A transaction that the Department of Housing and Urban Development needs to respond to a national or agency-recognized emergency or disaster.

(e) A permit, license, certificate, or similar instrument issued as a means to regulate public health, safety, or the environment, unless the Department of Housing and Urban Development specifically designates it to be a covered transaction.

(f) An incidental benefit that results from ordinary governmental operations.

(g) Any other transaction if the application of an exclusion to the transaction is prohibited by law.

§ 24.220 Are any procurement contracts included as covered transactions?

(a) Covered transactions under this part—

(1) Do not include any procurement contracts awarded directly by a Federal agency; but

(2) Do include some procurement contracts awarded by non-Federal participants in nonprocurement covered transactions (see appendix to this part).

(b) Specifically, a contract for goods or services is a covered transaction if any of the following applies:

(1) The contract is awarded by a participant in a nonprocurement transaction that is covered under § 24.210, and the amount of the contract is expected to equal or exceed \$25,000.

(2) The contract requires the consent of a(n) HUD official. In that case, the contract, regardless of the amount, always is a covered transaction, and it does not matter who awarded it. For example, it could be a subcontract awarded by a contractor at a tier below a nonprocurement transaction, as shown in the appendix to this part.

(3) The contract is for federally-required audit services.

§ 24.225 How do I know if a transaction in which I may participate is a covered transaction?

As a participant in a transaction, you will know that it is a covered

24 CFR Subtitle A (4–1–07 Edition)

transaction because the agency regulations governing the transaction, the appropriate agency official, or participant at the next higher tier who enters into the transaction with you, will tell you that you must comply with applicable portions of this part.

Subpart C—Responsibilities of Participants Regarding Transactions

DOING BUSINESS WITH OTHER PERSONS

§ 24.300 What must I do before I enter into a covered transaction with another person at the next lower tier?

When you enter into a covered transaction with another person at the next lower tier, you must verify that the person with whom you intend to do business is not excluded or disqualified. You do this by:

(a) Checking the *EPLS*; or

(b) Collecting a certification from that person if allowed by this rule; or

(c) Adding a clause or condition to the covered transaction with that person.

(d) You, as a participant, are responsible for determining whether you are entering into a covered transaction with an excluded or disqualified person. You may decide the method by which you do so. You may, but are not required to, check the *EPLS*.

(e) In the case of an employment contract, HUD does not require employers to check the *EPLS* prior to making salary payments pursuant to that contract.

[68 FR 66544, 66594, 66596, Nov. 26, 2003]

§ 24.305 May I enter into a covered transaction with an excluded or disqualified person?

(a) You as a participant may not enter into a covered transaction with an excluded person, unless the Department of Housing and Urban Development grants an exception under § 24.120.

(b) You may not enter into any transaction with a person who is disqualified from that transaction, unless you have obtained an exception under the disqualifying statute, Executive order, or regulation.

§ 24.310 What must I do if a Federal agency excludes a person with whom I am already doing business in a covered transaction?

(a) You as a participant may continue covered transactions with an excluded person if the transactions were in existence when the agency excluded the person. However, you are not required to continue the transactions, and you may consider termination. You should make a decision about whether to terminate and the type of termination action, if any, only after a thorough review to ensure that the action is proper and appropriate.

(b) You may not renew or extend covered transactions (other than no-cost time extensions) with any excluded person, unless the Department of Housing and Urban Development grants an exception under § 24.120.

§ 24.315 May I use the services of an excluded person as a principal under a covered transaction?

(a) You as a participant may continue to use the services of an excluded person as a principal under a covered transaction if you were using the services of that person in the transaction before the person was excluded. However, you are not required to continue using that person's services as a principal. You should make a decision about whether to discontinue that person's services only after a thorough review to ensure that the action is proper and appropriate.

(b) You may not begin to use the services of an excluded person as a principal under a covered transaction unless the Department of Housing and Urban Development grants an exception under § 24.120.

§ 24.320 Must I verify that principals of my covered transactions are eligible to participate?

Yes, you as a participant are responsible for determining whether any of your principals of your covered transactions is excluded or disqualified from participating in the transaction. You may decide the method and frequency by which you do so. You may, but you are not required to, check the *EPLS*.

§ 24.325 What happens if I do business with an excluded person in a covered transaction?

If as a participant you knowingly do business with an excluded person, we may disallow costs, annul or terminate the transaction, issue a stop work order, debar or suspend you, or take other remedies as appropriate.

§ 24.330 What requirements must I pass down to persons at lower tiers with whom I intend to do business?

Before entering into a covered transaction with a participant at the next lower tier, you must require that participant to—

(a) Comply with this subpart as a condition of participation in the transaction. You may do so using any method(s), unless § 24.440 requires you to use specific methods.

(b) Pass the requirement to comply with this subpart to each person with whom the participant enters into a covered transaction at the next lower tier.

DISCLOSING INFORMATION—PRIMARY TIER PARTICIPANTS

§ 24.335 What information must I provide before entering into a covered transaction with the Department of Housing and Urban Development?

Before you enter into a covered transaction at the primary tier, you as the participant must notify the HUD office that is entering into the transaction with you, if you know that you or any of the principals for that covered transaction:

(a) Are presently excluded or disqualified;

(b) Have been convicted within the preceding three years of any of the offenses listed in § 24.800(a) or had a civil judgment rendered against you for one of those offenses within that time period;

(c) Are presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses listed in § 24.800(a); or

(d) Have had one or more public transactions (Federal, State, or local) terminated within the preceding three years for cause or default.

§ 24.340

§ 24.340 If I disclose unfavorable information required under § 24.335, will I be prevented from participating in the transaction?

As a primary tier participant, your disclosure of unfavorable information about yourself or a principal under § 24.335 will not necessarily cause us to deny your participation in the covered transaction. We will consider the information when we determine whether to enter into the covered transaction. We also will consider any additional information or explanation that you elect to submit with the disclosed information.

§ 24.345 What happens if I fail to disclose information required under § 24.335?

If we later determine that you failed to disclose information under § 24.335 that you knew at the time you entered into the covered transaction, we may—

- (a) Terminate the transaction for material failure to comply with the terms and conditions of the transaction; or
- (b) Pursue any other available remedies, including suspension and debarment.

§ 24.350 What must I do if I learn of information required under § 24.335 after entering into a covered transaction with the Department of Housing and Urban Development?

At any time after you enter into a covered transaction, you must give immediate written notice to the HUD office with which you entered into the transaction if you learn either that—

- (a) You failed to disclose information earlier, as required by § 24.335; or
- (b) Due to changed circumstances, you or any of the principals for the transaction now meet any of the criteria in § 24.335.

DISCLOSING INFORMATION—LOWER TIER PARTICIPANTS

§ 24.355 What information must I provide to a higher tier participant before entering into a covered transaction with that participant?

Before you enter into a covered transaction with a person at the next higher tier, you as a lower tier participant must notify that person if you

24 CFR Subtitle A (4–1–07 Edition)

know that you or any of the principals are presently excluded or disqualified.

§ 24.360 What happens if I fail to disclose the information required under § 24.355?

If we later determine that you failed to tell the person at the higher tier that you were excluded or disqualified at the time you entered into the covered transaction with that person, we may pursue any available remedies, including suspension and debarment.

§ 24.365 What must I do if I learn of information required under § 24.355 after entering into a covered transaction with a higher tier participant?

At any time after you enter into a lower tier covered transaction with a person at a higher tier, you must provide immediate written notice to that person if you learn either that—

- (a) You failed to disclose information earlier, as required by § 24.355; or
- (b) Due to changed circumstances, you or any of the principals for the transaction now meet any of the criteria in § 24.355.

Subpart D—Responsibilities of HUD Officials Regarding Transactions

§ 24.400 May I enter into a transaction with an excluded or disqualified person?

(a) You as an agency official may not enter into a covered transaction with an excluded person unless you obtain an exception under § 24.120.

(b) You may not enter into any transaction with a person who is disqualified from that transaction, unless you obtain a waiver or exception under the statute, Executive order, or regulation that is the basis for the person's disqualification.

§ 24.405 May I enter into a covered transaction with a participant if a principal of the transaction is excluded?

As an agency official, you may not enter into a covered transaction with a participant if you know that a principal of the transaction is excluded, unless you obtain an exception under § 24.120.

§ 24.410 May I approve a participant's use of the services of an excluded person?

After entering into a covered transaction with a participant, you as an agency official may not approve a participant's use of an excluded person as a principal under that transaction, unless you obtain an exception under § 24.120.

§ 24.415 What must I do if a Federal agency excludes the participant or a principal after I enter into a covered transaction?

(a) You as an agency official may continue covered transactions with an excluded person, or under which an excluded person is a principal, if the transactions were in existence when the person was excluded. You are not required to continue the transactions, however, and you may consider termination. You should make a decision about whether to terminate and the type of termination action, if any, only after a thorough review to ensure that the action is proper.

(b) You may not renew or extend covered transactions (other than no-cost time extensions) with any excluded person, or under which an excluded person is a principal, unless you obtain an exception under § 24.120.

§ 24.420 May I approve a transaction with an excluded or disqualified person at a lower tier?

If a transaction at a lower tier is subject to your approval, you as an agency official may not approve—

(a) A covered transaction with a person who is currently excluded, unless you obtain an exception under § 24.120; or

(b) A transaction with a person who is disqualified from that transaction, unless you obtain a waiver or exception under the statute, Executive order, or regulation that is the basis for the person's disqualification.

§ 24.425 When do I check to see if a person is excluded or disqualified?

As an agency official, you must check to see if a person is excluded or disqualified before you—

(a) Enter into a primary tier covered transaction;

(b) Approve a principal in a primary tier covered transaction;

(c) Approve a lower tier participant if agency approval of the lower tier participant is required; or

(d) Approve a principal in connection with a lower tier transaction if agency approval of the principal is required.

§ 24.430 How do I check to see if a person is excluded or disqualified?

You check to see if a person is excluded or disqualified in two ways:

(a) You as an agency official must check the *EPLS* when you take any action listed in § 24.425.

(b) You must review information that a participant gives you, as required by § 24.335, about its status or the status of the principals of a transaction.

§ 24.435 What must I require of a primary tier participant?

You as an agency official must require each participant in a primary tier covered transaction to—

(a) Comply with subpart C of this part as a condition of participation in the transaction; and

(b) Communicate the requirement to comply with Subpart C of this part to persons at the next lower tier with whom the primary tier participant enters into covered transactions.

§ 24.440 What method do I use to communicate those requirements to participants?

To communicate the requirements to participants, you must include a term or condition in the transaction requiring the participants' compliance with subpart C of this part and requiring them to include a similar term or condition in lower tier covered transactions.

[68 FR 66596, Nov. 26, 2003]

§ 24.445 What action may I take if a primary tier participant knowingly does business with an excluded or disqualified person?

If a participant knowingly does business with an excluded or disqualified person, you as an agency official may refer the matter for suspension and debarment consideration. You may also disallow costs, annul or terminate the

§ 24.450

transaction, issue a stop work order, or take any other appropriate remedy.

§ 24.450 What action may I take if a primary tier participant fails to disclose the information required under § 24.335?

If you as an agency official determine that a participant failed to disclose information, as required by § 24.335, at the time it entered into a covered transaction with you, you may—

(a) Terminate the transaction for material failure to comply with the terms and conditions of the transaction; or

(b) Pursue any other available remedies, including suspension and debarment.

§ 24.455 What may I do if a lower tier participant fails to disclose the information required under § 24.355 to the next higher tier?

If you as an agency official determine that a lower tier participant failed to disclose information, as required by § 24.355, at the time it entered into a covered transaction with a participant at the next higher tier, you may pursue any remedies available to you, including the initiation of a suspension or debarment action.

Subpart E—Excluded Parties List System

§ 24.500 What is the purpose of the Excluded Parties List System (EPLS)?

The *EPLS* is a widely available source of the most current information about persons who are excluded or disqualified from covered transactions.

§ 24.505 Who uses the EPLS?

(a) Federal agency officials use the *EPLS* to determine whether to enter into a transaction with a person, as required under § 24.430.

(b) Participants also may, but are not required to, use the *EPLS* to determine if—

(1) Principals of their transactions are excluded or disqualified, as required under § 24.320; or

(2) Persons with whom they are entering into covered transactions at the

24 CFR Subtitle A (4–1–07 Edition)

next lower tier are excluded or disqualified.

(c) The *EPLS* is available to the general public.

§ 24.510 Who maintains the EPLS?

In accordance with the OMB guidelines, the General Services Administration (GSA) maintains the *EPLS*. When a Federal agency takes an action to exclude a person under the nonprocurement or procurement debarment and suspension system, the agency enters the information about the excluded person into the *EPLS*.

§ 24.515 What specific information is in the EPLS?

(a) At a minimum, the *EPLS* indicates—

(1) The full name (where available) and address of each excluded or disqualified person, in alphabetical order, with cross references if more than one name is involved in a single action;

(2) The type of action;

(3) The cause for the action;

(4) The scope of the action;

(5) Any termination date for the action;

(6) The agency and name and telephone number of the agency point of contact for the action; and

(7) The Dun and Bradstreet Number (DUNS), or other similar code approved by the GSA, of the excluded or disqualified person, if available.

(b)(1) The database for the *EPLS* includes a field for the Taxpayer Identification Number (TIN) (the social security number (SSN) for an individual) of an excluded or disqualified person.

(2) Agencies disclose the SSN of an individual to verify the identity of an individual, only if permitted under the Privacy Act of 1974 and, if appropriate, the Computer Matching and Privacy Protection Act of 1988, as codified in 5 U.S.C. 552(a).

§ 24.520 Who places the information into the EPLS?

Federal officials who take actions to exclude persons under this part or officials who are responsible for identifying disqualified persons must enter the following information about those persons into the *EPLS*:

Office of the Secretary, HUD

§ 24.610

(a) Information required by § 24.515(a);

(b) The Taxpayer Identification Number (TIN) of the excluded or disqualified person, including the social security number (SSN) for an individual, if the number is available and may be disclosed under law;

(c) Information about an excluded or disqualified person, generally within five working days, after—

(1) Taking an exclusion action;

(2) Modifying or rescinding an exclusion action;

(3) Finding that a person is disqualified; or

(4) Finding that there has been a change in the status of a person who is listed as disqualified.

§ 24.525 Whom do I ask if I have questions about a person in the EPLS?

If you have questions about a person in the *EPLS*, ask the point of contact for the Federal agency that placed the person's name into the *EPLS*. You may find the agency point of contact from the *EPLS*.

§ 24.530 Where can I find the EPLS?

(a) You may access the *EPLS* through the Internet, currently at <http://epls.arnet.gov>.

(b) As of November 26, 2003, you may also subscribe to a printed version. However, we anticipate discontinuing the printed version. Until it is discontinued, you may obtain the printed version by purchasing a yearly subscription from the Superintendent of Documents, U.S. Government Printing Office, Washington, DC 20402, or by calling the Government Printing Office Inquiry and Order Desk at (202) 783-3238.

Subpart F—General Principles Relating to Suspension and Debarment Actions

§ 24.600 How do suspension and debarment actions start?

When we receive information from any source concerning a cause for suspension or debarment, we will promptly report and investigate it. We refer the question of whether to suspend or debar you to our suspending or debarring official for consideration, if appropriate.

§ 24.605 How does suspension differ from debarment?

Suspension differs from debarment in that—

A suspending official . . .	A debarring official . . .
(a) Imposes suspension as a temporary status of ineligibility for procurement and nonprocurement transactions, pending completion of an investigation or legal proceedings.	Imposes debarment for a specified period as a final determination that a person is not presently responsible.
(b) Must— (1) Have <i>adequate evidence</i> that there may be a cause for debarment of a person; and (2) Conclude that <i>immediate action</i> is necessary to protect the Federal interest.	Must conclude, based on a <i>preponderance of the evidence</i> , that the person has engaged in conduct that warrants debarment.
(c) Usually imposes the suspension <i>first</i> , and then promptly notifies the suspended person, giving the person an opportunity to contest the suspension and have it lifted.	Imposes debarment <i>after</i> giving the respondent notice of the action and an opportunity to contest the proposed debarment.

§ 24.610 What procedures does the Department of Housing and Urban Development use in suspension and debarment actions?

In deciding whether to suspend or debar you, we handle the actions as informally as practicable, consistent with principles of fundamental fairness.

(a) For suspension actions, we use the procedures in this subpart and subpart G of this part.

(b) For debarment actions, we use the procedures in this subpart and subpart H of this part.

§ 24.615

§ 24.615 How does the Department of Housing and Urban Development notify a person of a suspension or debarment action?

(a) The suspending or debarring official sends a written notice to the last known street address, facsimile number, or e-mail address of—

- (1) You or your identified counsel; or
- (2) Your agent for service of process, or any of your partners, officers, directors, owners, or joint venturers.

(b) The notice is effective if sent to any of these persons.

§ 24.620 Do Federal agencies coordinate suspension and debarment actions?

Yes, when more than one Federal agency has an interest in a suspension or debarment, the agencies may consider designating one agency as the lead agency for making the decision. Agencies are encouraged to establish methods and procedures for coordinating their suspension and debarment actions.

§ 24.625 What is the scope of a suspension or debarment?

If you are suspended or debarred, the suspension or debarment is effective as follows:

(a) Your suspension or debarment constitutes suspension or debarment of all of your divisions and other organizational elements from all covered transactions, unless the suspension or debarment decision is limited—

(1) By its terms to one or more specifically identified individuals, divisions, or other organizational elements; or

(2) To specific types of transactions.

(b) Any affiliate of a participant may be included in a suspension or debarment action if the suspending or debarring official—

(1) Officially names the affiliate in the notice; and

(2) Gives the affiliate an opportunity to contest the action.

§ 24.630 May the Department of Housing and Urban Development impute conduct of one person to another?

For purposes of actions taken under this rule, we may impute conduct as follows:

24 CFR Subtitle A (4–1–07 Edition)

(a) *Conduct imputed from an individual to an organization.* We may impute the fraudulent, criminal, or other improper conduct of any officer, director, shareholder, partner, employee, or other individual associated with an organization, to that organization when the improper conduct occurred in connection with the individual's performance of duties for or on behalf of that organization, or with the organization's knowledge, approval or acquiescence. The organization's acceptance of the benefits derived from the conduct is evidence of knowledge, approval or acquiescence.

(b) *Conduct imputed from an organization to an individual, or between individuals.* We may impute the fraudulent, criminal, or other improper conduct of any organization to an individual, or from one individual to another individual, if the individual to whom the improper conduct is imputed either participated in, had knowledge of, or reason to know of the improper conduct.

(c) *Conduct imputed from one organization to another organization.* We may impute the fraudulent, criminal, or other improper conduct of one organization to another organization when the improper conduct occurred in connection with a partnership, joint venture, joint application, association or similar arrangement, or when the organization to whom the improper conduct is imputed has the power to direct, manage, control or influence the activities of the organization responsible for the improper conduct. Acceptance of the benefits derived from the conduct is evidence of knowledge, approval or acquiescence.

§ 24.635 May the Department of Housing and Urban Development settle a debarment or suspension action?

Yes, we may settle a debarment or suspension action at any time if it is in the best interest of the Federal Government.

§ 24.640 May a settlement include a voluntary exclusion?

Yes, if we enter into a settlement with you in which you agree to be excluded, it is called a voluntary exclusion and has governmentwide effect.

§ 24.645 Do other Federal agencies know if the Department of Housing and Urban Development agrees to a voluntary exclusion?

(a) Yes, we enter information regarding a voluntary exclusion into the *EPLS*.

(b) Also, any agency or person may contact us to find out the details of a voluntary exclusion.

Subpart G—Suspension

§ 24.700 When may the suspending official issue a suspension?

Suspension is a serious action. Using the procedures of this subpart and subpart F of this part, the suspending official may impose suspension only when that official determines that—

(a) There exists an indictment for, or other adequate evidence to suspect, an offense listed under § 24.800(a), or

(b) There exists adequate evidence to suspect any other cause for debarment listed under § 24.800(b) through (d); and

(c) Immediate action is necessary to protect the public interest.

§ 24.705 What does the suspending official consider in issuing a suspension?

(a) In determining the adequacy of the evidence to support the suspension, the suspending official considers how much information is available, how credible it is given the circumstances, whether or not important allegations are corroborated, and what inferences can reasonably be drawn as a result. During this assessment, the suspending official may examine the basic documents, including grants, cooperative agreements, loan authorizations, contracts, and other relevant documents.

(b) An indictment, conviction, civil judgment, or other official findings by Federal, State, or local bodies that determine factual and/or legal matters, constitutes adequate evidence for purposes of suspension actions.

(c) In deciding whether immediate action is needed to protect the public interest, the suspending official has wide discretion. For example, the suspending official may infer the necessity for immediate action to protect the public interest either from the nature of the circumstances giving rise to

a cause for suspension or from potential business relationships or involvement with a program of the Federal Government.

§ 24.710 When does a suspension take effect?

A suspension is effective when the suspending official signs the decision to suspend.

§ 24.715 What notice does the suspending official give me if I am suspended?

After deciding to suspend you, the suspending official promptly sends you a Notice of Suspension advising you—

(a) That you have been suspended;

(b) That your suspension is based on—

(1) An indictment;

(2) A conviction;

(3) Other adequate evidence that you have committed irregularities which seriously reflect on the propriety of further Federal Government dealings with you; or

(4) Conduct of another person that has been imputed to you, or your affiliation with a suspended or debarred person;

(c) Of any other irregularities in terms sufficient to put you on notice without disclosing the Federal Government's evidence;

(d) Of the cause(s) upon which we relied under § 24.700 for imposing suspension;

(e) That your suspension is for a temporary period pending the completion of an investigation or resulting legal or debarment proceedings;

(f) Of the applicable provisions of this subpart, Subpart F of this part, and any other HUD procedures governing suspension decision making; and

(g) Of the governmentwide effect of your suspension from procurement and nonprocurement programs and activities.

§ 24.720 How may I contest a suspension?

If you as a respondent wish to contest a suspension, you or your representative must provide the suspending official with information in opposition to the suspension. You may

§ 24.725

do this orally or in writing, but any information provided orally that you consider important must also be submitted in writing for the official record.

§ 24.725 How much time do I have to contest a suspension?

(a) As a respondent you or your representative must either send, or make arrangements to appear and present, the information and argument to the suspending official within 30 days after you receive the Notice of Suspension.

(b) We consider the notice to be received by you—

(1) When delivered, if we mail the notice to the last known street address, or five days after we send it if the letter is undeliverable;

(2) When sent, if we send the notice by facsimile or five days after we send it if the facsimile is undeliverable; or

(3) When delivered, if we send the notice by e-mail or five days after we send it if the e-mail is undeliverable.

§ 24.730 What information must I provide to the suspending official if I contest a suspension?

(a) In addition to any information and argument in opposition, as a respondent your submission to the suspending official must identify—

(1) Specific facts that contradict the statements contained in the Notice of Suspension. A general denial is insufficient to raise a genuine dispute over facts material to the suspension;

(2) All existing, proposed, or prior exclusions under regulations implementing E.O. 12549 and all similar actions taken by Federal, state, or local agencies, including administrative agreements that affect only those agencies;

(3) All criminal and civil proceedings not included in the Notice of Suspension that grew out of facts relevant to the cause(s) stated in the notice; and

(4) All of your affiliates.

(b) If you fail to disclose this information, or provide false information, the Department of Housing and Urban Development may seek further criminal, civil or administrative action against you, as appropriate.

24 CFR Subtitle A (4–1–07 Edition)

§ 24.735 Under what conditions do I get an additional opportunity to challenge the facts on which the suspension is based?

(a) You as a respondent will not have an additional opportunity to challenge the facts if the suspending official determines that—

(1) Your suspension is based upon an indictment, conviction, civil judgment, or other finding by a Federal, State, or local body for which an opportunity to contest the facts was provided;

(2) Your presentation in opposition contains only general denials to information contained in the Notice of Suspension;

(3) The issues raised in your presentation in opposition to the suspension are not factual in nature, or are not material to the suspending official's initial decision to suspend, or the official's decision whether to continue the suspension; or

(4) On the basis of advice from the Department of Justice, an office of the United States Attorney, a State attorney general's office, or a State or local prosecutor's office, that substantial interests of the government in pending or contemplated legal proceedings based on the same facts as the suspension would be prejudiced by conducting fact-finding.

(b) You will have an opportunity to challenge the facts if the suspending official determines that—

(1) The conditions in paragraph (a) of this section do not exist; and

(2) Your presentation in opposition raises a genuine dispute over facts material to the suspension.

(c) If you have an opportunity to challenge disputed material facts under this section, the suspending official or designee must conduct additional proceedings to resolve those facts.

§ 24.740 Are suspension proceedings formal?

(a) Suspension proceedings are conducted in a fair and informal manner. The suspending official may use flexible procedures to allow you to present matters in opposition. In so doing, the suspending official is not required to follow formal rules of evidence or procedure in creating an official record

Office of the Secretary, HUD

§ 24.800

upon which the official will base a final suspension decision.

(b) You as a respondent or your representative must submit any documentary evidence you want the suspending official to consider.

§ 24.745 How is fact-finding conducted?

(a) If fact-finding is conducted—

(1) You may present witnesses and other evidence, and confront any witness presented; and

(2) The fact-finder must prepare written findings of fact for the record.

(b) A transcribed record of fact-finding proceedings must be made, unless you as a respondent and the Department of Housing and Urban Development agree to waive it in advance. If you want a copy of the transcribed record, you may purchase it.

§ 24.750 What does the suspending official consider in deciding whether to continue or terminate my suspension?

(a) The suspending official bases the decision on all information contained in the official record. The record includes—

(1) All information in support of the suspending official's initial decision to suspend you;

(2) Any further information and argument presented in support of, or opposition to, the suspension; and

(3) Any transcribed record of fact-finding proceedings.

(b) The suspending official may refer disputed material facts to another official for findings of fact. The suspending official may reject any resulting findings, in whole or in part, only after specifically determining them to be arbitrary, capricious, or clearly erroneous.

(c) The official receiving the referral for findings of fact regarding disputed material facts must be a hearing officer in all HUD suspensions.

[68 FR 66544, 66594, 66596, Nov. 26, 2003]

§ 24.755 When will I know whether the suspension is continued or terminated?

The suspending official must make a written decision whether to continue, modify, or terminate your suspension

within 45 days of closing the official record. The official record closes upon the suspending official's receipt of final submissions, information and findings of fact, if any. The suspending official may extend that period for good cause.

§ 24.760 How long may my suspension last?

(a) If legal or debarment proceedings are initiated at the time of, or during your suspension, the suspension may continue until the conclusion of those proceedings. However, if proceedings are not initiated, a suspension may not exceed 12 months.

(b) The suspending official may extend the 12 month limit under paragraph (a) of this section for an additional 6 months if an office of a U.S. Assistant Attorney General, U.S. Attorney, or other responsible prosecuting official requests an extension in writing. In no event may a suspension exceed 18 months without initiating proceedings under paragraph (a) of this section.

(c) The suspending official must notify the appropriate officials under paragraph (b) of this section of an impending termination of a suspension at least 30 days before the 12 month period expires to allow the officials an opportunity to request an extension.

Subpart H—Debarment

§ 24.800 What are the causes for debarment?

We may debar a person for—

(a) Conviction of or civil judgment for—

(1) Commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public or private agreement or transaction;

(2) Violation of Federal or State anti-trust statutes, including those proscribing price fixing between competitors, allocation of customers between competitors, and bid rigging;

§ 24.805

(4) Commission of any other offense indicating a lack of business integrity or business honesty that seriously and directly affects your present responsibility;

(b) Violation of the terms of a public agreement or transaction so serious as to affect the integrity of an agency program, such as—

(3) A willful violation of a statutory or regulatory provision or requirement applicable to a public agreement or transaction;

(c) Any of the following causes:

(1) A nonprocurement debarment by any Federal agency taken before October 1, 1988, or a procurement debarment by any Federal agency taken pursuant to 48 CFR part 9, subpart 9.4, before August 25, 1995;

(2) Knowingly doing business with an ineligible person, except as permitted under § 24.120;

(3) Failure to pay a single substantial debt, or a number of outstanding debts (including disallowed costs and overpayments, but not including sums owed the Federal Government under the Internal Revenue Code) owed to any Federal agency or instrumentality, provided the debt is uncontested by the debtor or, if contested, provided that the debtor's legal and administrative remedies have been exhausted;

(4) Violation of a material provision of a voluntary exclusion agreement entered into under § 24.640 or of any settlement of a debarment or suspension action; or

(5) Violation of the provisions of the Drug-Free Workplace Act of 1988 (41 U.S.C. 701); or

(d) Any other cause of so serious or compelling a nature that it affects your present responsibility.

§ 24.805 What notice does the debarring official give me if I am proposed for debarment?

After consideration of the causes in § 24.800 of this subpart, if the debarring official proposes to debar you, the offi-

24 CFR Subtitle A (4-1-07 Edition)

cial sends you a Notice of Proposed Debarment, pursuant to § 24.615, advising you—

(a) That the debarring official is considering debarring you;

(b) Of the reasons for proposing to debar you in terms sufficient to put you on notice of the conduct or transactions upon which the proposed debarment is based;

(c) Of the cause(s) under § 24.800 upon which the debarring official relied for proposing your debarment;

(d) Of the applicable provisions of this subpart, Subpart F of this part, and any other HUD procedures governing debarment; and

(e) Of the governmentwide effect of a debarment from procurement and non-procurement programs and activities.

§ 24.810 When does a debarment take effect?

A debarment is not effective until the debarring official issues a decision. The debarring official does not issue a decision until the respondent has had an opportunity to contest the proposed debarment.

§ 24.815 How may I contest a proposed debarment?

If you as a respondent wish to contest a proposed debarment, you or your representative must provide the debarring official with information in opposition to the proposed debarment. You may do this orally or in writing, but any information provided orally that you consider important must also be submitted in writing for the official record.

§ 24.820 How much time do I have to contest a proposed debarment?

(a) As a respondent you or your representative must either send, or make arrangements to appear and present, the information and argument to the debarring official within 30 days after you receive the Notice of Proposed Debarment.

(b) We consider the Notice of Proposed Debarment to be received by you—

(1) When delivered, if we mail the notice to the last known street address, or five days after we send it if the letter is undeliverable;

Office of the Secretary, HUD

§ 24.845

(2) When sent, if we send the notice by facsimile or five days after we send it if the facsimile is undeliverable; or

(3) When delivered, if we send the notice by e-mail or five days after we send it if the e-mail is undeliverable.

§ 24.825 What information must I provide to the debarring official if I contest a proposed debarment?

(a) In addition to any information and argument in opposition, as a respondent your submission to the debarring official must identify—

(1) Specific facts that contradict the statements contained in the Notice of Proposed Debarment. Include any information about any of the factors listed in § 24.860. A general denial is insufficient to raise a genuine dispute over facts material to the debarment;

(2) All existing, proposed, or prior exclusions under regulations implementing E.O. 12549 and all similar actions taken by Federal, State, or local agencies, including administrative agreements that affect only those agencies;

(3) All criminal and civil proceedings not included in the Notice of Proposed Debarment that grew out of facts relevant to the cause(s) stated in the notice; and

(4) All of your affiliates.

(b) If you fail to disclose this information, or provide false information, the Department of Housing and Urban Development may seek further criminal, civil or administrative action against you, as appropriate.

§ 24.830 Under what conditions do I get an additional opportunity to challenge the facts on which a proposed debarment is based?

(a) You as a respondent will not have an additional opportunity to challenge the facts if the debarring official determines that—

(1) Your debarment is based upon a conviction or civil judgment;

(2) Your presentation in opposition contains only general denials to information contained in the Notice of Proposed Debarment; or

(3) The issues raised in your presentation in opposition to the proposed debarment are not factual in nature, or are not material to the debarring official's decision whether to debar.

(b) You will have an additional opportunity to challenge the facts if the debarring official determines that—

(1) The conditions in paragraph (a) of this section do not exist; and

(2) Your presentation in opposition raises a genuine dispute over facts material to the proposed debarment.

(c) If you have an opportunity to challenge disputed material facts under this section, the debarring official or designee must conduct additional proceedings to resolve those facts.

§ 24.835 Are debarment proceedings formal?

(a) Debarment proceedings are conducted in a fair and informal manner. The debarring official may use flexible procedures to allow you as a respondent to present matters in opposition. In so doing, the debarring official is not required to follow formal rules of evidence or procedure in creating an official record upon which the official will base the decision whether to debar.

(b) You or your representative must submit any documentary evidence you want the debarring official to consider.

§ 24.840 How is fact-finding conducted?

(a) If fact-finding is conducted—

(1) You may present witnesses and other evidence, and confront any witness presented; and

(2) The fact-finder must prepare written findings of fact for the record.

(b) A transcribed record of fact-finding proceedings must be made, unless you as a respondent and the Department of Housing and Urban Development agree to waive it in advance. If you want a copy of the transcribed record, you may purchase it.

§ 24.845 What does the debarring official consider in deciding whether to debar me?

(a) The debarring official may debar you for any of the causes in § 24.800. However, the official need not debar you even if a cause for debarment exists. The official may consider the seriousness of your acts or omissions and the mitigating or aggravating factors set forth at § 24.860.

§ 24.850

(b) The debarring official bases the decision on all information contained in the official record. The record includes—

(1) All information in support of the debarring official's proposed debarment;

(2) Any further information and argument presented in support of, or in opposition to, the proposed debarment; and

(3) Any transcribed record of fact-finding proceedings.

(c) The debarring official may refer disputed material facts to another official for findings of fact. The debarring official may reject any resultant findings, in whole or in part, only after specifically determining them to be arbitrary, capricious, or clearly erroneous.

(d) The official receiving the referral for findings of fact regarding disputed material facts must be a hearing officer in all HUD debarments.

[68 FR 66544, 66594, 66596, Nov. 26, 2003]

§ 24.850 What is the standard of proof in a debarment action?

(a) In any debarment action, we must establish the cause for debarment by a preponderance of the evidence.

(b) If the proposed debarment is based upon a conviction or civil judgment, the standard of proof is met.

§ 24.855 Who has the burden of proof in a debarment action?

(a) We have the burden to prove that a cause for debarment exists.

(b) Once a cause for debarment is established, you as a respondent have the burden of demonstrating to the satisfaction of the debarring official that you are presently responsible and that debarment is not necessary.

§ 24.860 What factors may influence the debarring official's decision?

This section lists the mitigating and aggravating factors that the debarring official may consider in determining whether to debar you and the length of your debarment period. The debarring official may consider other factors if appropriate in light of the circumstances of a particular case. The existence or nonexistence of any factor, such as one of those set forth in

24 CFR Subtitle A (4–1–07 Edition)

this section, is not necessarily determinative of your present responsibility. In making a debarment decision, the debarring official may consider the following factors:

(a) The actual or potential harm or impact that results or may result from the wrongdoing.

(b) The frequency of incidents and/or duration of the wrongdoing.

(c) Whether there is a pattern or prior history of wrongdoing. For example, if you have been found by another Federal agency or a State agency to have engaged in wrongdoing similar to that found in the debarment action, the existence of this fact may be used by the debarring official in determining that you have a pattern or prior history of wrongdoing.

(d) Whether you are or have been excluded or disqualified by an agency of the Federal Government or have not been allowed to participate in State or local contracts or assistance agreements on a basis of conduct similar to one or more of the causes for debarment specified in this part.

(e) Whether you have entered into an administrative agreement with a Federal agency or a State or local government that is not governmentwide but is based on conduct similar to one or more of the causes for debarment specified in this part.

(f) Whether and to what extent you planned, initiated, or carried out the wrongdoing.

(g) Whether you have accepted responsibility for the wrongdoing and recognize the seriousness of the misconduct that led to the cause for debarment.

(h) Whether you have paid or agreed to pay all criminal, civil and administrative liabilities for the improper activity, including any investigative or administrative costs incurred by the government, and have made or agreed to make full restitution.

(i) Whether you have cooperated fully with the government agencies during the investigation and any court or administrative action. In determining the extent of cooperation, the debarring official may consider when the cooperation began and whether you disclosed all pertinent information known to you.

(j) Whether the wrongdoing was pervasive within your organization.

(k) The kind of positions held by the individuals involved in the wrongdoing.

(l) Whether your organization took appropriate corrective action or remedial measures, such as establishing ethics training and implementing programs to prevent recurrence.

(m) Whether your principals tolerated the offense.

(n) Whether you brought the activity cited as a basis for the debarment to the attention of the appropriate government agency in a timely manner.

(o) Whether you have fully investigated the circumstances surrounding the cause for debarment and, if so, made the result of the investigation available to the debarring official.

(p) Whether you had effective standards of conduct and internal control systems in place at the time the questioned conduct occurred.

(q) Whether you have taken appropriate disciplinary action against the individuals responsible for the activity which constitutes the cause for debarment.

(r) Whether you have had adequate time to eliminate the circumstances within your organization that led to the cause for the debarment.

(s) Other factors that are appropriate to the circumstances of a particular case.

§ 24.865 How long may my debarment last?

(a) If the debarring official decides to debar you, your period of debarment will be based on the seriousness of the cause(s) upon which your debarment is based. Generally, debarment should not exceed three years. However, if circumstances warrant, the debarring official may impose a longer period of debarment.

(b) In determining the period of debarment, the debarring official may consider the factors in § 24.860. If a suspension has preceded your debarment, the debarring official must consider the time you were suspended.

(c) If the debarment is for a violation of the provisions of the Drug-Free Workplace Act of 1988, your period of debarment may not exceed five years.

§ 24.870 When do I know if the debarring official debars me?

(a) The debarring official must make a written decision whether to debar within 45 days of closing the official record. The official record closes upon the debarring official's receipt of final submissions, information and findings of fact, if any. The debarring official may extend that period for good cause.

(b) The debarring official sends you written notice, pursuant to § 24.615 that the official decided, either—

(1) Not to debar you; or

(2) To debar you. In this event, the notice:

(i) Refers to the Notice of Proposed Debarment;

(ii) Specifies the reasons for your debarment;

(iii) States the period of your debarment, including the effective dates; and

(iv) Advises you that your debarment is effective for covered transactions and contracts that are subject to the Federal Acquisition Regulation (48 CFR chapter 1), throughout the executive branch of the Federal Government unless an agency head or an authorized designee grants an exception.

§ 24.875 May I ask the debarring official to reconsider a decision to debar me?

Yes, as a debarred person you may ask the debarring official to reconsider the debarment decision or to reduce the time period or scope of the debarment. However, you must put your request in writing and support it with documentation.

§ 24.880 What factors may influence the debarring official during reconsideration?

The debarring official may reduce or terminate your debarment based on—

(a) Newly discovered material evidence;

(b) A reversal of the conviction or civil judgment upon which your debarment was based;

(c) A bona fide change in ownership or management;

(d) Elimination of other causes for which the debarment was imposed; or

(e) Other reasons the debarring official finds appropriate.

§ 24.885

§ 24.885 May the debarring official extend a debarment?

(a) Yes, the debarring official may extend a debarment for an additional period, if that official determines that an extension is necessary to protect the public interest.

(b) However, the debarring official may not extend a debarment solely on the basis of the facts and circumstances upon which the initial debarment action was based.

(c) If the debarring official decides that a debarment for an additional period is necessary, the debarring official must follow the applicable procedures in this subpart, and subpart F of this part, to extend the debarment.

Subpart J—Limited Denial of Participation

SOURCE: 68 FR 66597, Nov. 26, 2003, unless otherwise noted.

§ 24.1100 What is a limited denial of participation?

A limited denial of participation excludes a specific person from participating in a specific program, or programs, within a HUD field office's geographic jurisdiction, for a specific period of time. A limited denial of participation is normally issued by a HUD field office, but may be issued by a Headquarters office. The decision to impose a limited denial of participation is discretionary and in the best interests of the government.

§ 24.1105 Who may issue a limited denial of participation?

The Secretary designates HUD officials who are authorized to impose a limited denial of participation, affecting any participant and/or their affiliates, except FHA-approved mortgagees.

§ 24.1110 When may a HUD official issue a limited denial of participation?

(a) An authorized HUD official may issue a limited denial of participation against a person based upon adequate evidence of any of the following causes:

(1) Approval of an applicant for insurance would constitute an unsatisfactory risk;

(2) Irregularities in a person's past performance in a HUD program;

(3) Failure of a person to maintain the prerequisites of eligibility to participate in a HUD program;

(4) Failure to honor contractual obligations or to proceed in accordance with contract specifications or HUD regulations;

(5) Failure to satisfy, upon completion, the requirements of an assistance agreement or contract;

(6) Deficiencies in ongoing construction projects;

(7) Falsely certifying in connection with any HUD program, whether or not the certification was made directly to HUD;

(8) Commission of an offense listed in § 24.800;

(9) Violation of any law, regulation, or procedure relating to the application for financial assistance, insurance, or guarantee, or to the performance of obligations incurred pursuant to a grant of financial assistance or pursuant to a conditional or final commitment to insure or guarantee;

(10) Making or procuring to be made any false statement for the purpose of influencing in any way an action of the Department;

(11) Imposition of a limited denial of participation by any other HUD office; or

(12) Debarment or suspension by another federal agency for any cause substantially the same as provided in § 24.800.

(b) Filing of a criminal Indictment or Information shall constitute adequate evidence for the purpose of limited denial of participation actions. The Indictment or Information need not be based on offenses against HUD.

(c) Imposition of a limited denial of participation by any other HUD office shall constitute adequate evidence for

§ 24.1115

a concurrent limited denial of participation. Where such a concurrent limited denial of participation is imposed, participation may be restricted on the same basis without the need for additional conference or further hearing.

(d) An affiliate or organizational element may be included in a limited denial of participation solely on the basis of its affiliation, and regardless of its knowledge of or participation in the acts providing cause for the sanction. The burden of proving that a particular affiliate or organizational element is currently responsible and not controlled by the primary sanctioned party (or by an entity that itself is controlled by the primary sanctioned party) is on the affiliate or organizational element.

§ 24.1115 When does a limited denial of participation take effect?

A limited denial of participation is effective immediately upon issuance of the notice.

§ 24.1120 How long may a limited denial of participation last?

A limited denial of participation may remain effective up to 12 months.

§ 24.1125 How does a limited denial of participation start?

A limited denial of participation is made effective by providing the person, and any specifically named affiliate, with notice:

(a) That the limited denial of participation is being imposed;

(b) Of the cause(s) under § 24.1110 for the sanction;

(c) Of the potential effect of the sanction, including the length of the sanction and the HUD program(s) and geographic area affected by the sanction;

(d) Of the right to request, in writing, within 30 days of receipt of the notice, a conference under § 24.1130; and

(e) Of the right to contest the limited denial of participation under § 24.1130.

§ 24.1130 How may I contest my limited denial of participation?

(a) Within 30 days after receiving a notice of limited denial of participation, you may request a conference with the official who issued such notice. The conference shall be held with-

24 CFR Subtitle A (4-1-07 Edition)

in 15 days after the Department's receipt of the request for a conference, unless you waive this time limit. The official or designee who imposed the sanction shall preside. At the conference, you may appear with a representative and may present all relevant information and materials to the official or designee. Within 20 days after the conference, or within 20 days after any agreed upon extension of time for submission of additional materials, the official or designee shall, in writing, advise you of the decision to terminate, modify, or affirm the limited denial of participation. If all or a portion of the remaining period of exclusion is affirmed, the notice of affirmation shall advise you of the opportunity to contest the notice and request a hearing before a Departmental Hearing Officer. You have 30 days after receipt of the notice of affirmation to request this hearing. If the official or designee does not issue a decision within the 20-day period, you may contest the sanction before a Departmental Hearing Officer. Again, you have 30 days from the expiration of the 20-day period to request this hearing. If you request a hearing before the Departmental Hearing Officer, you must submit your request to the Debarment Docket Clerk, Department of Housing and Urban Development, 451 Seventh Street, SW, B-133 Portals 200, Washington DC 20410-0500.

(b) You may skip the conference with the official and you may request a hearing before a Departmental Hearing Officer. This must also be done within 30 days after receiving a notice of limited denial of participation. If you opt to have a hearing before a Departmental Hearing Officer, you must submit your request to the Debarment Docket Clerk, Department of Housing and Urban Development, 451 Seventh Street, SW, B-133 Portals 200, Washington DC 20410-0500. The hearing before the Departmental Hearing Officer is more formal than the conference before the sanctioning official described above. The hearing before the Departmental Hearing Officer will be conducted in accordance with 24 CFR part 26, subpart A. The Departmental Hearing Officer will issue findings of fact and make a recommended decision.

The sanctioning official will then make a final decision as promptly as possible after the Departmental Hearing Officer recommended decision is issued. The sanctioning official may reject the recommended decision or any findings of fact, only after specifically determining the decision or any of the facts to be arbitrary or capricious or clearly erroneous.

§ 24.1135 Do federal agencies coordinate limited denial of participation actions?

Federal agencies do not coordinate limited denial of participation actions. As stated in § 24.1100, a limited denial of participation is a HUD-specific action and applies only to HUD activities.

§ 24.1140 What is the scope of a limited denial of participation?

The scope of a limited denial of participation is as follows:

(a) A limited denial of participation generally extends only to participation in the program under which the cause arose. A limited denial of participation may, at the discretion of the authorized official, extend to other programs, initiatives, or functions within the jurisdiction of an Assistant Secretary. The authorized official, however, may determine that the sanction shall apply to all programs throughout HUD where the sanction is based on an indictment or conviction.

(b) For purposes of this subpart, participation includes receipt of any benefit or financial assistance through grants or contractual arrangements; benefits or assistance in the form of loan guarantees or insurance; and awards of procurement contracts.

(c) The sanction may be imposed for a period not to exceed 12 months, and shall be effective within the geographic jurisdiction of the office imposing it, unless the sanction is imposed by an Assistant Secretary or Deputy Assistant Secretary in which case the sanction may be imposed on either a nationwide or a more restricted basis.

§ 24.1145 May HUD impute the conduct of one person to another in a limited denial of participation?

For purposes of determining a limited denial of participation, HUD may impute conduct as follows:

(a) *Conduct imputed from an individual to an organization.* HUD may impute the fraudulent, criminal, or other improper conduct of any officer, director, shareholder, partner, employee, or other individual associated with an organization, to that organization when the improper conduct occurred in connection with the individual's performance of duties for or on behalf of that organization, or with the organization's knowledge, approval, or acquiescence. The organization's acceptance of the benefits derived from the conduct is evidence of knowledge, approval, or acquiescence.

(b) *Conduct imputed from an organization to an individual or between individuals.* HUD may impute the fraudulent, criminal, or other improper conduct of any organization to an individual, or from one individual to another individual, if the individual to whom the improper conduct is imputed either participated in, had knowledge of, or reason to know of the improper conduct.

(c) *Conduct imputed from one organization to another organization.* HUD may impute the fraudulent, criminal, or other improper conduct of one organization to another organization when the improper conduct occurred in connection with a partnership, joint venture, joint application, association, or similar arrangement, or when the organization to whom the improper conduct is imputed has the power to direct, manage, control, or influence the activities of the organization responsible for the improper conduct. Acceptance of the benefits derived from the conduct is evidence of knowledge, approval, or acquiescence.

§ 24.1150 What is the effect of a suspension or debarment on a limited denial of participation?

If you have submitted a request for a hearing pursuant to § 24.1130 of this section, and you also receive, pursuant to subpart G or H of this part, a notice of proposed debarment or suspension that

§ 24.1155

is based on the same transaction(s) or conduct as the limited denial of participation, as determined by the debarring or suspending official, the following rules shall apply:

(a) During the 30-day period after you receive a proposed debarment or suspension, during which you may elect to contest the debarment under § 24.815, or the suspension pursuant to § 24.720, all proceedings in the limited denial of participation, including discovery, are automatically stayed.

(b) If you do not contest the proposed debarment pursuant to § 24.815, or the suspension pursuant to § 24.720, the final imposition of the debarment or suspension shall also constitute a final decision with respect to the limited denial of participation to the extent that the debarment or suspension is based on the same transaction(s) or conduct as the limited denial of participation.

(c) If you contest the proposed debarment pursuant to § 24.815, or the suspension pursuant to § 24.720, then:

(1) Those parts of the limited denial of participation and the debarment or suspension based on the same transaction(s) or conduct, as determined by the debarring or suspending official, shall be immediately consolidated before the debarring or suspending official;

(2) Proceedings under the consolidated portions of the limited denial of participation shall be stayed before the hearing officer until the suspending or debarring official makes a determination as to whether the consolidated matters should be referred to a hearing officer. Such a determination must be made within 90 days of the date of the issuance of the suspension or proposed debarment, unless the suspending/debarring official extends the period for good cause.

(i) If the suspending or debarring official determines that there is a genuine dispute as to material facts regarding the consolidated matter, the entire consolidated matter will be referred to the hearing officer hearing the limited denial of participation, for additional proceedings pursuant to 24 CFR 24.750 or § 24.845.

(ii) If the suspending or debarring official determines that there is no dispute as to material facts regarding the consolidated matter, jurisdiction of the hearing officer under 24 CFR part 24, subpart J, to hear those parts of the limited denial of participation based on the same transaction[s] or conduct as the debarment or suspension, as determined by the debarring or suspending official, will be transferred to the debarring or suspending official, and the hearing officer responsible for hearing the limited denial of participation shall transfer the administrative record to the debarring or suspending official.

(3) The suspending or debarring official shall hear the entire consolidated case under the procedures governing suspensions and debarments, and shall issue a final decision as to both the limited denial of participation and the suspension or debarment.

§ 24.1155 What is the effect of a limited denial of participation on a suspension or a debarment?

The imposition of a limited denial of participation does not affect the right of the Department to suspend or debar any person under this part.

§ 24.1160 May a limited denial of participation be terminated before the term of the limited denial of participation expires?

If the cause for the limited denial of participation is resolved before the expiration of the 12-month period, the official who imposed the sanction may terminate it.

§ 24.1165 How is a limited denial of participation reported?

When a limited denial of participation has been made final, or the period for requesting a conference pursuant to § 24.1130 has expired without receipt of such a request, the official imposing the limited denial of participation shall notify the Director of the Compliance Division in the Departmental Enforcement Center of the scope of the limited denial of participation.

L. 101-235, approved December 15, 1989). Except as limited by this part, the Board shall exercise all of the functions of the Secretary with respect to administrative actions against mortgagees and lenders and such other functions as are provided in this part. The Board may, in its discretion, approve the initiation of a suspension or debarment action against a mortgagee or lender by any Suspending or Debarment Official under part 24 of this subtitle A. The Board shall have all powers necessary and incident to the performance of these functions. The Board may redelegate its authority to review submissions and conduct hearings under § 25.8. The Board may also redelegate its authority to impose administrative sanctions on the grounds specified in §§ 25.9 (e), (h), and (u), and to take all other nondiscretionary acts. With respect to actions taken against Title I lenders and loan correspondents, the Board may redelegate its authority to take administrative actions for failure to remain in compliance with the requirements for approval in 24 CFR 202.5(i), 202.5(n), 202.7(b)(4), 202.8(b)(1) and 202.8(b)(3).

§ 25.5 Administrative actions.

(a) *General.* The Board is authorized to take the following administrative actions: letter of reprimand, probation, suspension, withdrawal, or settlement agreement. These actions are described at 12 U.S.C. 1708(c)(3), and as further set out in this section.

(b) *Letter of reprimand.* A letter of reprimand shall be effective upon receipt of the letter by the mortgagee. Failure to comply with a directive in the letter of reprimand may result in any other administrative action under this part that the Board finds appropriate.

(c) *Probation.* Probation shall be effective upon receipt of the notice of probation by the mortgagee. Failure to comply with the terms of probation may result in any other administrative action under this part that the Board finds appropriate.

(d) *Suspension—(1) Cause for suspension.* The Board may issue a suspension if there is adequate evidence of violation(s) under § 25.9, and if continuation of the mortgagee's HUD/FHA approval pending the completion of any audit, investigation, or other review, or other administrative or legal proceedings as may ensue, would not be in the public interest or in the best interests of HUD.

(2) *Effect of suspension.* (i) During the period of suspension, HUD will not endorse any mortgage originated by the suspended mortgagee under the Title II program unless prior to the date of suspension:

(A) A firm commitment has been issued relating to any such mortgage; or

(B) A Direct Endorsement underwriter has approved the mortgagor for any such mortgage.

(ii) During the period of suspension, a lender or loan correspondent may not originate new Title I loans under its

Title I Contract of Insurance or apply for a new Contract of Insurance.

(3) *Effective date of suspension.* A suspension issued pursuant to § 25.6(c) is effective upon issuance. Any other suspension is effective upon receipt of the notice of suspension by the mortgagee.

(e) *Withdrawal—(1) Effect of withdrawal.* (i) During the period of withdrawal, HUD will not endorse any mortgage originated by the withdrawn mortgagee under the Title II program unless prior to the date of withdrawal:

(A) A firm commitment has been issued relating to any such mortgage; or

(B) A Direct Endorsement underwriter has approved the mortgagor for any such mortgage.

(ii) During the period of withdrawal, a lender or loan correspondent may not originate new Title I loans under its Title I Contract of insurance or apply for a new Contract of Insurance. The Board may limit the geographical extent of the withdrawal, or limit its scope (e.g., to either the single family or multifamily activities of a withdrawn mortgagee). Upon the expiration of the period of withdrawal, the mortgagee may file a new application for approval under 24 CFR part 202.

(a) *General.* The Chairperson of the Board, or the Chairperson's designee, shall issue a written notice to the mortgagee at least thirty days prior to taking any probation, suspension or

withdrawal action against a mortgagee. The notice shall state the specific violations that have been alleged, and shall direct the mortgagee to reply in writing to the Board within thirty days after receipt of the notice by the mortgagee. The notice shall also provide the address to which the response shall be sent. If the mortgagee fails to reply during such time period, the Board may make a determination without considering any comments of the mortgagee.

(b) *Mortgagee's response.* The mortgagee's response to the Board shall be in a format prescribed by the Secretary and shall not exceed 15 double-spaced typewritten pages. The response shall include an executive summary, a statement of the facts surrounding the matter, an argument and a conclusion. A more lengthy submission, including documents and other exhibits, may be simultaneously submitted to Board staff for review.

(c) *Exception for immediate suspension.* If the Board determines that there exists adequate evidence that immediate action is required to protect the financial interests of the Department or the public, the Board may take a suspension action without having previously issued a notice of violation.

(Approved by the Office of Management and Budget under Control Number 2502-0450)

[57 FR 31051, July 13, 1992, as amended at 65 FR 9087, Feb. 23, 2000]

Except for a letter of reprimand, the notice shall describe the nature and duration of the administrative action, shall specifically state the violations, and shall set forth the findings of the Board. The notice shall inform the mortgagee of its right to a hearing, pursuant to § 25.8, regarding the administrative action (except for a letter of reprimand) and of the manner and time in which to request a hearing. A supplemental notice may be issued in

the discretion of the Board to add or modify the reasons for the action.

[60 FR 39237, Aug. 1, 1995]

§ 25.8 Hearings and hearing request.

(a) *Hearing request.* A mortgagee that is issued a probation, suspension, or withdrawal action is entitled to a hearing on the record. The mortgagee shall submit its request for a hearing within 30 days of receiving the Board's notice of administrative action. The request shall be addressed to the Board Docket Clerk, Department of Housing and Urban Development, 451 7th Street SW., Washington, DC 20410. The request shall specifically respond to the violations set forth in the notice of administrative action. If the mortgagee fails to request a hearing within 30 days after receiving the notice of administrative action, the Board's action shall become final.

(b) *Procedural rules.* The hearing official shall hold a de novo hearing within 30 days of HUD's receipt of the mortgagee's request, unless the mortgagee requests a later hearing date. The mortgagee or its representative shall be afforded an opportunity to appear, submit documentary evidence, present witnesses, and confront any witness the agency presents. The parties shall not be allowed to present members of the Board as witnesses. At the mortgagee's request, a transcribed record of the hearing shall be made available at cost to the mortgagee.

(c) *Hearing location.* The hearing shall generally be held in Washington, DC. However, upon a showing of undue hardship or other cause, the hearing official may, in his or her discretion, order the hearing to be held in a location other than Washington, DC.

(d) *Hearing official's recommendation.*

(1) The hearing official shall issue written findings and a recommended decision to the Board within 45 days after the conclusion of the hearing, unless the hearing official extends this period for good cause or refers a matter for findings of fact or other appropriate findings pursuant to paragraph (d)(2)(i) of this section. The findings and recommendation shall be based upon the facts as found, together with any information and argument submitted by the

parties and any other information in the administrative record.

(2) *Referral to a hearing officer or other independent official.* (i) The hearing official may, at his or her discretion, refer disputed material facts to a hearing officer or other independent official for findings of fact. The hearing official may also, at his or her discretion, refer other issues to a hearing officer or other independent official for appropriate findings. The hearing official shall provide the parties with notice of the referral. The hearing official may reject the findings, in whole or in part, only after specifically determining them to be arbitrary and capricious or clearly erroneous.

(ii) The provisions of part 26 of this subtitle A shall be applicable to proceedings before a hearing officer, with the following limitations:

(A) No appeal to the Secretary may be taken under §§ 26.24 through 26.26 of this subtitle A with respect to any order or decision by the hearing officer.

(B) Discovery shall be limited to exclude requests for answers to interrogatories, requests for admissions, and production of documents that either do not pertain to the appealing mortgagee, or pertain to reviews or audits by the Department or administrative actions by the Board against mortgagees other than the appealing mortgagee. Members of the Board shall not be subject to deposition, nor shall they be required to testify at any hearing.

(iii) Proceedings before a hearing officer or other independent official shall commence within 45 days after referral by the hearing official, unless the parties agree to an extension of time. The hearing officer or other independent official shall issue the requested findings of fact or other appropriate findings to the hearing official within 30 days after the conclusion of such proceedings. The time limitations of this paragraph may be extended upon issuance of a written notice describing good cause for such extension.

(iv) The hearing official shall provide a recommended decision to the Board within 15 days after the findings are issued.

(v) [Reserved]

(e) *Decision by the Board.* The Board shall issue its decision within 15 days

after the hearing official issues the recommended decision. The Board's decision shall be mailed to the mortgagee, and shall serve as the final agency action concerning the mortgagee.

[60 FR 39238, Aug. 1, 1995]

§ 25.9 Grounds for an administrative action.

One or more of the following violations by a mortgagee may result in an administrative action by the Board under § 25.5. Any administrative action imposed under § 25.5 shall be based upon one or more of the following grounds:

Subpart A—Hearings Before Hearing Officers

§ 26.1 Purpose.

This part sets forth rules of procedure in certain proceedings of the Department of Housing and Urban Development presided over by a hearing officer. These rules of procedure apply to hearings with respect to determinations by the Multifamily Participation Review Committee pursuant to 24 CFR part 200, subpart H, to hearings conducted pursuant to referrals by debarring or suspending officials under 24 CFR part 24, and to hearings conducted pursuant to referrals by a hearing official under 24 CFR part 25, unless such regulations at 24 CFR parts 24, 25, or 200, provide otherwise. They also apply in any other case where a hearing is required by statute or regulation, to the extent that rules adopted under such

statute or regulation are not inconsistent.

[48 FR 43304, Sept. 23, 1983, as amended at 60 FR 39239, Aug. 1, 1995]

HEARING OFFICER

§ 26.2 Hearing officer, powers and duties.

(a) *Hearing officer.* Proceedings conducted under these rules shall be presided over by a hearing officer who shall be an Administrative Law Judge or Board of Contract Appeals Judge authorized by the Secretary or designee to conduct proceedings under this part.

(b) *Time and place of hearing.* The hearing officer shall set the time and place of any hearing and shall give reasonable notice to the parties.

(c) *Powers of hearing officers.* The hearing officer shall conduct a fair and impartial hearing and take all action necessary to avoid delay in the disposition of proceeding and to maintain order. The hearing officer shall have all powers necessary to those ends, including but not limited to the power:

(1) To administer oaths and affirmations;

(2) To cause subpoenas to be issued as authorized by law;

(3) To rule upon offers of proof and receive evidence;

(4) To order or limit discovery as the interests of justice may require;

(5) To regulate the course of the hearing and the conduct of the parties and their counsel;

(6) To hold conferences for the settlement or simplification of the issues by consent of the parties;

(7) To consider and rule upon all procedural and other motions appropriate in adjudicative proceedings;

(8) To take notice of any material fact not appearing in evidence in the record which is properly a matter of judicial notice; and

(9) To make and file determinations.

§ 26.3 Failure to comply with an order of the hearing officer.

If a party refuses or fails to comply with an order of the hearing officer,

§ 26.4

the hearing officer may enter any appropriate order necessary to the disposition of the hearing including a determination against the noncomplying party.

§ 26.4 Ex parte communications.

(a) *Definition.* An ex parte communication is any communication with a hearing officer, direct or indirect, oral or written, concerning the merits of procedures of any pending proceeding which is made by a party in the absence of any other party.

(b) *Prohibition of ex parte communications.* Ex parte communications are prohibited except where:

(1) The purpose and content of the communication have been disclosed in advance or simultaneously to all parties; or

(2) The communication is a request for information concerning the status of the case.

(c) *Procedure after receipt of ex parte communication.* Any hearing officer who receives an ex parte communication which the hearing officer knows or has reason to believe is unauthorized shall promptly place the communication, or its substance, in all files and shall furnish copies to all parties. Unauthorized ex parte communications shall not be taken into consideration in deciding any matter in issue.

[48 FR 43304, Sept. 23, 1983; 48 FR 46980, Oct. 17, 1983]

§ 26.5 Disqualification of hearing officer.

When a hearing officer believes there is a basis for disqualification in a particular proceeding, the hearing officer shall withdraw by notice on the record and shall notify the Secretary and the official initiating the action under appeal. Whenever any party believes that the hearing officer should be disqualified from presiding in a particular proceeding, the party may file a motion with the hearing officer requesting the hearing officer to withdraw from presiding over the proceedings. This motion shall be supported by affidavits setting forth the alleged grounds for disqualification. If the hearing officer does not withdraw, a written statement of his or her reasons shall be in-

24 CFR Subtitle A (4-1-07 Edition)

corporated in the record and the hearing shall proceed.

REPRESENTATION OF THE PARTIES

§ 26.6 Department representative.

In each case heard before a hearing officer under this part, the Department shall be represented by the General Counsel or designee.

§ 26.7 Respondent's representative.

The party against whom the administrative action is taken may be represented at hearing as follows:

(a) Individuals may appear on their own behalf;

(b) A member of a partnership or joint venture may appear on behalf of the partnership or joint venture;

(c) A bona fide officer may appear on behalf of a corporation or association upon a showing of adequate authorization;

(d) An attorney who files a notice of appearance with the hearing officer may represent any party. For purposes of this paragraph, an attorney is defined as a member of the bar of a Federal court or of the highest court of any State; or

(e) An individual not included within paragraphs (a) through (d) of this section may represent the respondent upon an adequate showing, as determined by the hearing officer, that the individual possesses the legal, technical or other qualifications necessary to advise and assist in the presentation of the case.

§ 26.8 Standards of practice.

Attorneys shall conform to the standards of professional and ethical conduct required of practitioners in the courts of the United States and by the bars of which the attorneys are members. Any attorney may be prohibited by the Hearing Officer from representing a party if the attorney is not qualified under § 26.7 or if such action is necessary to maintain order in or the integrity of the pending proceeding.

PLEADINGS AND MOTIONS

§ 26.9 Notice of administrative action.

In every case, there shall be a notice of administrative action. The notice

shall be in writing and inform the party of the determination. The notice shall state the reasons for the proposed or imposed action except where general terms are permitted by 24 CFR part 24. The notice shall inform the party of any right to a hearing to challenge the determination, and the manner and time in which to request such hearing. A supplemental notice may be issued in the discretion of the initiating official to add to or modify the reasons for the action.

§ 26.10 Complaint.

(a) *Respondent.* A complaint shall be served upon the party against whom an administrative action is taken, who shall be called the respondent.

(b) *Grounds.* The complaint shall state the grounds upon which the administrative action is based. The grounds set forth in the complaint may not contain allegations beyond the scope of the notice of administrative action or any amendment thereto.

(c) *Notice of administrative action as complaint.* A notice of administrative action may serve as a complaint provided the notice states it is also a complaint and complies with paragraph (b) of this section.

(d) *Timing.* When the notice does not serve as a complaint, the complaint shall be served on or before the thirtieth day after a request for hearing is made.

§ 26.11 Answer.

Respondent shall file an answer within thirty days of receipt of the complaint. The answer shall respond specifically to each factual allegation. A general denial shall not be permitted. Where a respondent intends to rely on an affirmative defense it shall be pleaded specifically. Allegations are admitted when not specifically denied in respondent's answer.

§ 26.12 Amendments and supplemental pleadings.

(a) *Amendments.* (1) By right: The Department may amend its complaint without leave at any time within thirty days of the date the complaint is filed or at any time before respondent's responsive pleading is filed, whichever is later. Respondent may amend its an-

swer at any time within thirty days of filing of its answer. A party shall plead in response to an amended pleading within fifteen days of receipt of the amended pleading.

(2) By leave: Upon conditions as are necessary to avoid prejudicing the public interest and the rights of the parties, the hearing officer may allow amendments to pleadings upon motion of any party.

(3) Conformance to evidence: When issues not raised by the pleadings but reasonably within the scope of the proceeding initiated by the complaint are tried by express or implied consent to the parties, they shall be treated in all respects as if they had been raised in the pleadings, and amendments of the pleadings necessary to make them conform to the evidence shall be allowed at any time.

(b) *Supplemental pleadings.* The hearing officer may, upon reasonable notice, permit service of a supplemental pleading concerning transactions, occurrences, or events which have happened or been discovered since the date of prior pleadings.

§ 26.13 Motions.

(a) *Motions.* All motions after the commencement of the action until decision shall be addressed to the hearing officer.

(b) *Content.* All written motions shall state the particular order, ruling, or action desired and the grounds for granting the motion.

(c) *Answers.* Within seven (7) days after receipt of any written motion, or within any other period as may be designated by the hearing officer, the opposing party shall answer the motion. Failure to make a timely answer shall constitute a party's consent to the granting of the motion. The moving party shall have no right to reply, except as permitted by the hearing officer.

(d) *Oral argument.* The hearing officer may order oral argument on any motion.

(e) *Motions for extensions.* The hearing officer may waive the requirements of this section as to motions for extensions of time.

§ 26.14

(f) *Rulings on motions for dismissal.* When a motion to dismiss the proceeding is granted, the hearing officer shall make and file a determination and order in accordance with the provisions of § 26.24.

§ 26.14 Form and filing requirements.

(a) *Filing.* An original and two copies of a request for a hearing shall be filed with the Docket Clerk, Department of Housing and Urban Development, 451 Seventh Street, SW., Washington, DC 20410, on official business days between 8:45 a.m. and 5:15 p.m. The Clerk shall assign the docket number and designate a hearing officer. An original and two copies of all other pleadings, submissions and documents should be filed directly with the appropriate hearing officer. A document is considered timely filed if postmarked on or before the date due or delivered to the appropriate person by close of business on the date due.

(b) *Title.* Documents shall show clearly the title of the action and the docket number.

(c) *Form.* Except as otherwise permitted, all documents shall be printed or typewritten in clear, legible form.

§ 26.15 Service.

(a) *Method of service.* Pleadings, motions, and other documents required or permitted under these rules shall be served upon all parties. Whenever these rules require or permit service to be made upon a party represented by an attorney, the service shall be made upon the attorney unless service upon the party is ordered by the hearing officer. Service shall be made by delivering a copy to the person to be served or by mailing it to that person at the last known address. Delivery of a copy within this rule means: handing it to the person to be served; or leaving it at that person's office with a clerk or other person in charge; or, if there is no one in charge, leaving it in a conspicuous place in the office; or, if the office is closed or the person to be served has no office, leaving it at that person's residence of usual place of abode with some person of suitable age and discretion who resides there. Service by mail is complete upon deposit in a mail box or upon posting.

24 CFR Subtitle A (4-1-07 Edition)

(b) *Proof of service.* Proof of service shall not be required unless the fact of service is put in issue by appropriate motion or objection on the part of the person allegedly served. In these cases, service may be established by written receipt signed by or on behalf of the person to be served, or may be established prima facie by affidavit or certificate of service of mailing.

§ 26.16 Time computation.

(a) *Generally.* Computation of any period of time prescribed or allowed by this part shall begin with the first business day following the day on which the act, event, development or default initiating the period of time occurred. When the last day of the period computed is a Saturday, Sunday, or national holiday, or other day on which the Department of Housing and Urban Development is closed, the period shall run until the end of the next following business day. Except when any prescribed or allowed period of time is seven days or less, each of the Saturdays, Sundays, and national holidays shall be included in the computation of the prescribed or allowed period.

(b) *Extensions of time periods.* The hearing officer (or in the case of a review under § 26.25, the Secretary or designee) may upon motion enlarge the time within which any act required by these rules must be performed where necessary to avoid prejudicing the public interest or the rights of the parties.

DISCOVERY

§ 26.17 Discovery.

The parties are encouraged to engage in voluntary discovery procedures. Parties may seek an order compelling discovery only upon good cause shown. Discovery shall not be permitted where it will unduly delay the hearing, thereby resulting in prejudice to the public interest or the rights of the parties. Every request for discovery, objection to request for discovery, and request for admissions shall be in the form of a motion addressed to the hearing officer. In connection with any discovery procedure, the hearing officer may make any order required to protect a party or other person from annoyance, embarrassment, oppression, or undue

burden or expense. Those orders may include limitations on the scope, methods, time and place for discovery, and provisions for protecting privileged information or documents. Where a party refuses to honor an order for discovery, the hearing officer may issue such orders in regard to the refusal as justice shall require. Each party shall bear its own expenses associated with discovery.

§ 26.18 Depositions.

(a) *General.* A party may take the oral deposition of any person. Upon refusal and, after a showing of good cause, a hearing officer may issue an order compelling a party or its agents to appear for deposition.

(b) *Procedure.* Reasonable written notice of deposition shall be served upon the opposing party and the deponent. The attendance of a deponent may be compelled by subpoena where authorized by law.

(c) *Objections.* Each person testifying on oral deposition shall be placed under oath by the person before whom the deposition is taken. The deponent may be examined and cross-examined. Objection may be made at hearing to receiving in evidence any deposition or part of it for any reason which would require the exclusion if the witness were then present and testifying. The questions and the answers, together with all objections made, shall be recorded by the person before whom the deposition is to be taken, or under that person's direction.

(d) *Submission to deponent.* A transcript of the deposition shall be submitted to the deponent for examination and signature, unless submission is waived. Any changes in form or substance which the deponent desires to make shall be entered upon the transcript by the person before whom the deposition was taken, with a statement of reasons given by the deponent for making them. The transcript shall then be signed by the deponent, unless the parties by stipulation waive the signing or the deponent is ill, cannot be found, or refuses to sign. If the transcript is not signed, the person before whom the deposition was taken shall sign it and state on the record the reason that it is not signed.

(e) *Certification and filing.* The person before whom the deposition was taken shall certify on the transcript as to its accuracy. The original transcript and exhibits shall be sent by mail to the hearing officer unless otherwise directed in the order authorizing the taking of the deposition. Interested parties shall make their own arrangements with the person recording the testimony for copies of the testimony and the exhibits.

(f) *Deposition as evidence.* Subject to appropriate rulings by the hearing officer on objections, the deposition or any part may be introduced into evidence for any purpose if the deponent is unavailable. Only that part of a deposition which is received in evidence at a hearing shall constitute a part of the record in the proceeding upon which a decision may be based. Nothing in this rule is intended to limit the use of a deposition for impeachment purposes.

(g) *Payment of fees.* Fees shall be paid by the person upon whose application the deposition is taken.

§ 26.19 Request for production of documents.

(a) *Request to produce.* At any time after a request for hearing has been filed, any party may serve upon any other party a written request to produce, and permit the party making the request to inspect and copy, any relevant designated documents (including writings, drawings, graphs, charts, and other data compilations). The request shall set forth the items to be inspected either by individual item or by category with reasonable particularity. The request shall specify a reasonable time, place, and manner of making the inspection and performing the related acts.

(b) *Response to request to produce.* The party upon whom the request is served shall serve a written response within twenty days after service of the request unless the Hearing Officer determines that a shorter or longer period is appropriate under the circumstances. The response shall state, with respect to each item or category, that inspection and related activities will be permitted as requested, unless the request is objected to, in which case the reasons for the objection shall be stated. If

§ 26.20

objection is made to part of an item or category, the part shall be specified. The party submitting the request may move for an order under § 26.17 with respect to any objection to or other failure to respond to the request or any part thereof, or any failure to permit inspection as requested.

§ 26.20 Admissions as to facts and documents.

(a) *Request for admissions.* At any time after an answer has been filed, any party may serve upon any other party a written request for the admission of the genuineness of any relevant documents described in the request or of the truth of any relevant matters of fact. Copies of documents shall be delivered with the request unless copies have already been furnished. No order of the hearing officer is necessary.

(b) *Objection.* Each requested admission shall be considered admitted unless, within fifteen days after service of the request, the party from whom the admission is sought serves upon the party making the request either (1) a statement denying specifically the relevant matters of which an admission is requested or setting forth in detail the reasons why the party can neither truthfully admit nor deny them, or (2) written objections on the ground that some or all of the matters involved are privileged or irrelevant. Answers on matters to which objections are made may be deferred until the objections are ruled upon, but if written objections are made only to a part of a request, the remainder of the request shall be answered.

(c) *Limitation.* Admissions obtained pursuant to this procedure may be used in evidence only for the purposes of the pending action to the same extent and subject to the same objections as other evidence.

§ 26.21 Prehearing conference.

(a) *Prehearing conference.* The hearing officer may, on the hearing officer's own motion or at the request of any party, direct counsel for all parties to confer with the hearing officer before the hearing for the purpose of considering:

(1) Simplification and clarification of the issues;

(2) Stipulations and admissions of fact and of the contents and authenticity of documents;

(3) The disclosure of the names of witnesses;

(4) Matters of which official notice will be taken;

(5) Other matters as may aid in the orderly disposition of the proceeding, including disclosure of the documents or other physical exhibits which will be introduced in evidence in the course of the proceeding.

(b) *Recordation of prehearing conference.* The prehearing conference shall, at the request of any party, be recorded or transcribed.

(c) *Order on prehearing conference.* The hearing officer shall enter in the record an order which states the rulings upon matters considered during the conference, together with appropriate directions to the parties. The order shall control the subsequent course of the proceeding, subject to modifications upon good cause shown.

HEARINGS

§ 26.22 Public nature and timing of hearings, transcripts.

(a) *Public hearings.* All hearings in adjudicative proceedings shall be public.

(b) *Conduct of hearing.* Hearings shall proceed with all reasonable speed. The hearing officer may order recesses for good cause, stated on the record. The hearing officer may, for convenience of the parties or in the interests of justice, order that hearings be conducted outside Washington, DC, and, if necessary, at more than one place.

(c) *Transcripts.* Hearings shall be recorded and transcribed only by a reporter designated by the Department under the supervision of the hearing officer. The original transcript shall be a part of the record and shall constitute the sole official transcript. Respondents and the public, at their own expense, may obtain copies of transcripts from the reporter.

§ 26.23 Rules of evidence.

(a) *Evidence.* Every party shall have the right to present its case or defense by oral and documentary evidence, unless otherwise limited by law or regulation, to submit rebuttal evidence and

to conduct such cross-examination as may be required for a full and true disclosure of the facts. Irrelevant, immaterial, privileged, or unduly repetitious evidence shall be excluded.

Unless otherwise provided for in this part, the Federal Rules of Evidence shall provide guidance for the conduct of proceedings under this part. Parties may object to clearly irrelevant material, but technical objections to testimony as used in a court of law will not be sustained.

(b) *Testimony under oath or affirmation.* All witnesses shall testify under oath or affirmation.

(c) *Objections.* Objections to the admission or exclusion of evidence shall be in short form, stating the grounds of objections. Rulings on objections shall be a part of the transcript. Failure to object to admission or exclusion of evidence or to any evidentiary ruling shall be considered a waiver of objection, but no exception to a ruling on an objection is necessary in order to preserve it for appeal.

(d) *Authenticity of documents.* Unless specifically challenged, it shall be presumed that all relevant documents are authentic. An objection to the authenticity of a document shall not be sustained merely on the basis that it is not the original.

(e) *Stipulations.* The parties may stipulate as to any relevant matters of fact. Stipulations may be received in evidence at a hearing, and when received shall be binding on the parties with respect to the matters stipulated.

(f) *Official notice.* All matters officially noticed by the hearing officer shall appear on the record.

(g) *Burden of proof.* The burden of proof shall be upon the proponent of an action or affirmative defense unless otherwise provided by law or regulation.

§ 26.24 Hearing officer's determination and order.

(a) *Scope of review.* The hearing officer shall conduct a *de novo* review of the administrative action to determine whether it is supported by a preponderance of the evidence unless a different standard of proof is required by law or regulation. Each and every charge alleged by the Department need not be

proven to support the administrative action. The hearing officer may modify or vacate the administrative action under review only upon a particularized finding of facts which justifies a deviation from the administrative action.

(b) *Closing of hearing.* At the discretion of the hearing officer, the closing of the record may be postponed in order to permit the admission of other evidence into the record. In the event further evidence is admitted, each party shall be given an opportunity to respond to such evidence.

(c) *Briefs.* Upon conclusion of the hearing, the hearing officer may request the parties to file proposed findings of fact and legal briefs. The hearing officer shall make a written determination and order based upon evidence and arguments presented by the parties. The determination shall be founded upon reliable and probative evidence. This determination and order shall be served upon all parties.

(d) *Bench decisions.* Where the parties agree and where appropriate in the judgment of the hearing officer, a bench decision will be issued.

(e) *Time period for issuance of decision.* The hearing officer shall endeavor to issue a determination within sixty days from the date of the closing of the record.

(f) *Finality of decision.* The determination and order shall be final unless a party timely appeals the decision and within forty days the Secretary decides to review the determination in accordance with § 26.25, or to have the determination reviewed by a designee.

SECRETARIAL REVIEW

§ 26.25 Review of determination of hearing officers.

(a) *Petition for review.* Any party may request review of the hearing officer's determination or order by filing a written petition for review with the Secretary within fifteen days of receipt of the hearing officer's determination or order. A petition for review may be granted or denied in the discretion of the Secretary or designee. This petition shall not exceed ten pages and shall specifically state the issues and

§ 26.26

basis upon which the party seeks review. This petition shall be served on all parties and the Secretary simultaneously, in accordance with § 26.15.

(b) *Briefs by opposing parties.* Opposing parties may submit briefs, not to exceed ten pages, opposing review. These briefs must be filed within fifteen days of the party's receipt of a petition for review.

(c) *Secretarial action.* Upon granting any petition for review, the Secretary or designee, may require further briefs. Secretarial review shall be limited to the factual record produced before the hearing officer. The Secretary, or designee, shall issue a written determination and shall serve it upon the parties and the hearing officer.

§ 26.26 Interlocutory rulings.

(a) *Interlocutory rulings by the hearing officer.* A party seeking review of an interlocutory ruling shall file a motion with the hearing officer within ten days of the ruling requesting certification of the ruling for review by the Secretary. Certification may be granted if the hearing officer believes that (1) it involves an important issue of law or policy as to which there is substantial ground for difference of opinion and (2) an immediate appeal from the order may materially advance the ultimate termination of the litigation.

(b) *Petition for review.* Any party may file a petition for review of an interlocutory ruling within ten days of the hearing officer's determination regarding certification.

(c) *Secretarial review.* The Secretary, or designee, shall review a certified ruling. The Secretary, or designee, has the discretion to grant or deny a petition for review from an uncertified ruling.

(d) *Continuation of hearing.* Unless otherwise ordered by the hearing officer or the Secretary, or designee, the hearing shall proceed pending the determination of any interlocutory appeal and the order or ruling of the hearing officer shall be effective pending review.

Subpart B—Hearings Pursuant to the Administrative Procedure Act

SOURCE: 61 FR 50210, Sept. 24, 1996, unless otherwise noted.

GENERAL

§ 26.27 Purpose and scope.

Unless otherwise specified in this title, the rules in this subpart B of this part apply to hearings that HUD is required by statute to conduct pursuant to the Administrative Procedure Act (5 U.S.C. 554 *et seq.*).

§ 26.28 Definitions.

The following definitions apply to subpart B of this part:

Chief Docket Clerk means the Chief Docket Clerk of the Office of Administrative Law Judges at the following address: 409 3rd Street, S.W., Suite 320, Washington, DC 20024.

Complaint means the notice from HUD alleging violations of a HUD statute and/or regulation, citing the legal authority upon which it is issued, stating the relief HUD seeks, and informing a respondent of his or her right to submit a response to a designated office and to request an opportunity for a hearing before an administrative law judge.

Response means the written response to a complaint, admitting or denying the allegations in the complaint and setting forth any affirmative defense and/or any mitigating factors or extenuating circumstances. The response shall be submitted to the Office of General Counsel that initiates the complaint or to such other office as may be designated in the complaint. A response is deemed a request for a hearing.

§ 26.29 Powers and duties of the Administrative Law Judge (ALJ).

The ALJ shall conduct a fair and impartial hearing, avoid delay, maintain order, and ensure that a record of the proceeding is made. The ALJ is authorized to:

(a) Set and change the date, time, and place of the hearing upon reasonable notice to the parties;

(b) Continue or recess the hearing in whole or in part for a reasonable period of time;

(c) Hold conferences to identify or simplify the issues, or to consider other matters that may aid in the expeditious disposition of the proceeding;

(d) Administer oaths and affirmations;

(e) Issue subpoenas requiring the attendance of witnesses and the production of documents at depositions or at hearings;

(f) Rule on motions and other procedural matters;

(g) Regulate the scope and timing of discovery;

(h) Regulate the course of the hearing and the conduct of representatives and parties;

(i) Examine witnesses;

(j) Receive, rule on, exclude, or limit evidence;

(k) Upon motion of a party, take official notice of facts;

(l) Upon motion of a party, decide cases, in whole or in part, by summary judgment where there is no disputed issue of material fact;

(m) Conduct any conference, argument, or hearing on motions in person or by telephone; and

(n) Exercise such other authority as is necessary to carry out the responsibilities of the ALJ under subpart B of this part.

§ 26.30 *Ex parte* contacts.

No party or person (except employees of the ALJ's office) shall communicate in any way with the ALJ on any matter at issue in a case, unless on notice and opportunity for all parties to participate. This provision does not prohibit a person or party from inquiring about the status of a case or asking routine questions concerning administrative functions or procedures.

§ 26.31 Disqualification of ALJ.

(a) An ALJ in a particular case may disqualify himself or herself.

(b) A party may file with the ALJ a motion for the ALJ's disqualification. The motion shall be accompanied by an affidavit alleging the grounds for disqualification.

(c) Upon the filing of a motion and affidavit, the ALJ shall proceed no fur-

ther in the case until the matter of disqualification is resolved.

§ 26.32 Parties to the hearing.

(a) *General.* The parties to the hearing shall be the respondent and HUD.

(b) *Rights of parties.* Except as otherwise limited by subpart B of this part, all parties may:

(1) Be accompanied, represented, and advised by a representative;

(2) Participate in any conference held by the ALJ;

(3) Conduct discovery;

(4) Agree to stipulations of fact or law, which shall be made part of the record;

(5) Present evidence relevant to the issues at the hearing;

(6) Present and cross-examine witnesses;

(7) Present oral arguments at the hearing as permitted by the ALJ; and

(8) Submit written briefs and proposed findings of fact and conclusions of law after the hearing, as permitted by the ALJ.

§ 26.33 Separation of functions.

No officer, employee, or agent of the Federal Government engaged in the performance of investigative, conciliatory, or prosecutorial functions in connection with the proceeding shall, in that proceeding or any factually related proceeding under subpart B of this part, participate or advise in the decision of the administrative law judge, except as a witness or counsel during the proceeding, or in its appellate review.

§ 26.34 Time computations.

(a) In computing any period of time under subpart B of this part, the time period begins the day following the act, event, or default, and includes the last day of the period, unless the last day is a Saturday, Sunday, or legal holiday observed by the Federal Government, in which case the time period includes the next business day. When the prescribed time period is seven days or less, intermediate Saturdays, Sundays, and legal holidays shall be excluded from the computation.

(b) *Entry of orders.* In computing any time period involving the date of the issuance of an order or decision by an

§ 26.35

administrative law judge, the date of issuance is the date the order or decision is served by the Chief Docket Clerk.

(c) *Service by mail.* If a document is served by mail, 3 days shall be added to the time permitted for a response.

§ 26.35 Service and filing.

(a) *Filing.* All documents shall be filed with the Chief Docket Clerk, at the address listed in § 26.28. Filing may be by first class mail, delivery, facsimile transmission, or electronic means; however, the ALJ may place appropriate limits on filing by facsimile transmission or electronic means. All documents shall clearly designate the docket number and title of the proceeding.

(b) *Service.* One copy of all documents filed with the Chief Docket Clerk shall be served upon each party by the persons filing them and shall be accompanied by a certificate of service stating how and when such service has been made. Service may be made by delivery, first class mail, facsimile transmission, or electronic means; however, the ALJ may place appropriate limits on service by facsimile transmission or electronic means. Documents shall be served upon a party's address of residence or principal place of business, or, if the party is represented by counsel, upon counsel of record at the address of counsel. Service is complete when handed to the person or delivered to the person's office or residence and deposited in a conspicuous place. If service is by first-class mail, facsimile transmission, or electronic means, service is complete upon deposit in the mail or upon electronic transmission.

§ 26.36 Sanctions.

(a) The ALJ may sanction a person, including any party or representative, for failing to comply with an order, rule, or procedure governing the proceeding; failing to prosecute or defend an action; or engaging in other misconduct that interferes with the speedy, orderly, or fair conduct of the hearing.

(b) Any sanction, including but not limited to those listed in paragraphs (c), (d), and (e) of this section, shall

24 CFR Subtitle A (4-1-07 Edition)

reasonably relate to the severity and nature of the failure or misconduct.

(c) *Failure to comply with an order.* When a party fails to comply with an order, including an order compelling discovery, the ALJ may:

(1) Draw an inference in favor of the requesting party with regard to the information sought;

(2) In the case of requests for admission, regard each matter about which an admission is requested to be admitted;

(3) Prohibit the party failing to comply with the order from introducing evidence concerning, or otherwise relying upon, testimony relating to the information sought; or

(4) Strike any part of the pleadings or other submissions of the party failing to comply with the order.

(d) If a party fails to prosecute or defend an action brought under subpart B of this part, the ALJ may dismiss the action or may issue an initial decision against the respondent.

(e) The ALJ may refuse to consider any motion, request, response, brief, or other document that is not filed in a timely fashion.

PREHEARING PROCEDURES

§ 26.37 Commencement of action.

An action under subpart B of this part shall commence with the Government's filing of a complaint, together with the response thereto, as those terms are defined in § 26.28, with the Chief Docket Clerk. If the respondent fails to submit a response to the Office of General Counsel or such other office as designated in the complaint, then the Government may file a motion for a default judgment, together with a copy of the complaint, in accordance with § 26.39.

§ 26.38 Motions.

(a) *General.* All motions shall state the specific relief requested and the basis therefor and, except during a conference or the hearing, shall be in writing. Written motions shall be filed and served in accordance with § 26.35.

(b) *Response to motions.* Unless otherwise ordered by the ALJ, a response to a written motion may be filed within 7 days after service of the motion. A

party failing to respond timely to a motion shall be deemed to have waived any objection to the granting of the motion.

§ 26.39 Default.

(a) *General.* The respondent may be found in default, upon motion, for failure to file a timely response to the Government's complaint. The motion shall include a copy of the complaint and a proposed default order, and shall be served upon all parties. The respondent shall have 7 days from such service to respond to the motion.

(b) *Default order.* The ALJ shall issue a decision on the motion within 15 days after the expiration of the time for filing a response to the default motion. If a default order is issued, it shall constitute the final agency action.

(c) *Effect of default.* A default shall constitute an admission of all facts alleged in the Government's complaint and a waiver of respondent's right to a hearing on such allegations. The penalty proposed in the complaint shall be set forth in the default order and shall be immediately due and payable by respondent without further proceedings.

§ 26.40 Prehearing conferences.

(a) The ALJ may schedule prehearing conferences as appropriate.

(b) Upon the motion of any party, the ALJ shall schedule at least one prehearing conference at a reasonable time in advance of the hearing.

(c) The ALJ may consider the following at a prehearing conference:

- (1) Simplification of the issues;
- (2) Stipulations of fact and of the authenticity, accuracy, and admissibility of documents;
- (3) Submission of the case on briefs in lieu of an oral hearing;
- (4) Limitation of the number of witnesses;
- (5) The exchange of witness lists and of proposed exhibits;
- (6) Discovery;
- (7) The time and place for the hearing; and
- (8) Such other matters as may tend to expedite the fair and just disposition of the proceedings.

§ 26.41 Discovery.

(a) Parties may obtain discovery regarding any matter, not privileged, that is relevant to the subject matter involved in the adjudication, whether it relates to the case or defense of the party seeking discovery or to the case or defense of any other party. It is not grounds for objection that the information sought will be inadmissible at the hearing, if such information appears reasonably calculated to lead to the discovery of admissible evidence.

(b) Discovery in Program Fraud Civil Remedies actions (24 CFR part 28), unless agreed to by the parties, shall be available only as ordered by the ALJ. The party opposing discovery shall have 10 days to respond to a motion for discovery. The ALJ shall grant a motion for discovery only if he or she finds that discovery is necessary for the expeditious, fair, and reasonable consideration of the issues, is not unduly costly or burdensome, will not unduly delay the proceeding, and does not seek privileged information. The ALJ may grant discovery subject to a protective order under § 26.43. The request for approval sent to the Attorney General from the General Counsel or designee, as described in § 28.20 of this title, is not discoverable under any circumstances.

(c) The following types of discovery are authorized:

(1) Requests for production of documents for inspection and copying. Nothing contained herein shall be interpreted to require the creation of a document.

(2) Requests for admissions.

(3) Written interrogatories. Such interrogatories shall be limited in number to 25, unless otherwise ordered by the ALJ.

(4) Depositions.

(d) *Motions to compel.* A party may file a motion to compel discovery. The motion shall describe the information sought, cite the opposing party's objection, and provide arguments supporting the motion. The opposing party may file a response to the motion, including a request for a protective order. The ALJ may issue an order compelling a response, issue sanctions pursuant to § 26.36, or issue a protective order. For

§ 26.42

purposes of paragraph (d) of this section, an evasive or incomplete answer to a request for discovery is treated as a failure to answer.

(e) Each party shall bear its own costs of discovery.

§ 26.42 Subpoenas.

(a) *General.* Upon written request of a party, the ALJ may issue a subpoena requiring the attendance of a witness at a deposition or hearing, and/or the production of documents. The request shall specify any documents to be produced and shall list the names and addresses of the witnesses.

(b) *Time of request.* A request for a subpoena in aid of discovery shall be filed in time to permit the conclusion of discovery 15 days before the date fixed for the hearing. A request for a subpoena to testify at the hearing shall be filed at least 3 days prior to the hearing, unless otherwise allowed by the ALJ for good cause shown.

(c) *Content.* The subpoena shall specify the time and place at which the witness is to appear and any documents the witness is to produce.

(d) *Service and fees.* Subpoenas shall be served, and fees and costs paid to subpoenaed witnesses, in accordance with Rule 45(b)(1) of the Federal Rules of Civil Procedure.

(e) *Motion to quash.* The individual to whom the subpoena is directed or a party may file a motion to quash the subpoena within 10 days after service, or on or before the time specified in the subpoena for compliance if it is less than 10 days after service.

§ 26.43 Protective order.

(a) A party, a prospective witness, or a deponent may file a motion for a protective order with respect to discovery sought by an opposing party or with respect to the hearing, seeking to limit the availability or disclosure of evidence.

(b) In issuing a protective order, the ALJ may issue any order that justice requires to protect a party or person from annoyance, embarrassment, oppression, or undue burden or expense, as provided in Rule 26(c) of the Federal Rules of Civil Procedure.

24 CFR Subtitle A (4-1-07 Edition)

HEARINGS

§ 26.44 General.

(a) *Time of hearing.* The hearing shall commence not later than 90 days following the Government's filing of the complaint and response under § 26.37, unless the time is extended for good cause. The ALJ shall provide written notice to all parties of the reasons for any extension of time.

(b) *Location of hearing.* The hearing shall be held where the respondent resides or transacts business, or in such other place as may be agreed upon by the parties and the ALJ. Hearings for Program Fraud Civil Remedies Act cases shall be located in accordance with 31 U.S.C. 3803(g)(4).

(c) *Notice of hearing.* The ALJ shall issue a notice of hearing to all parties specifying the time and location of the hearing, the matters of fact and law to be heard, the legal authority under which the hearing is to be held, a description of the procedures for the conduct of the hearing, and such other matters as the ALJ determines to be appropriate.

(d) *Limitations for Program Fraud Civil Remedies Act cases.* The notice of hearing must be served upon the respondent within 6 years after the date on which the claim or statement is made. If the respondent fails to file a timely response to the Government's complaint, service of a default judgment under § 26.39 shall be regarded as a notice of hearing for purposes of this section. The statute of limitations may be waived by agreement of the parties.

(e) *Burden and standard of proof.* HUD shall prove the respondent's liability and any aggravating factors by a preponderance of the evidence. Respondent shall prove any affirmative defenses and any mitigating factors by a preponderance of the evidence.

(f) *Public hearings.* Unless otherwise ordered by the ALJ for good cause shown, the hearing shall be open to the public.

§ 26.45 Witnesses.

(a) Except as provided in paragraph (b) of this section, testimony at the hearing shall be given orally by witnesses under oath or affirmation.

(b) At the discretion of the ALJ, testimony may be admitted in the form of a written statement or deposition. In order to be admissible, any written statement must be provided to all other parties along with the last known address of the witness, in a manner that allows sufficient time for other parties to subpoena the witness for cross-examination at the hearing.

§ 26.46 Evidence.

The ALJ shall admit any relevant oral or documentary evidence that is not privileged. The ALJ may, however, exclude evidence if its probative value is substantially outweighed by confusion of the issues, or by considerations of undue delay, waste of time, or needless presentation of cumulative evidence.

§ 26.47 The record.

The hearing will be recorded and transcribed. The transcript of testimony, exhibits, and other evidence admitted at the hearing and all papers and requests filed in the proceeding constitute the record for the decision by the ALJ and the Secretary or designee.

§ 26.48 Posthearing briefs.

Posthearing briefs shall be filed only upon order by the ALJ.

§ 26.49 Initial decision.

(a) The ALJ shall issue an initial decision based only on the record, which shall contain findings of fact, conclusions of law, and the relief granted.

(b) The ALJ shall serve the initial decision on all parties within 60 days after either the close of the record or the expiration of time permitted for submission of posthearing briefs, whichever is later. The initial decision shall include a statement of each party's right to file a request for Secretarial review. The ALJ may extend the 60-day period for serving the initial decision in writing for good cause.

(c) If no appeal is timely filed with the Secretary or designee, the initial decision shall become the final agency action.

§ 26.50 Appeal to the Secretary.

(a) Except as otherwise set forth in paragraph (b) of this section, either party may file with the Secretary a petition for review within 30 days after the ALJ issues an initial decision. The Secretary or designee may extend the 30-day period for good cause. If the Secretary or designee does not act upon the petition for review within 90 days of its service, then the initial decision shall become final.

(b) Appeals of Program Fraud Civil Remedies Act decisions (24 CFR part 28). Only the respondent may file a petition for Secretarial review. The petition must be filed within 30 days after the ALJ issues the initial decision. The Secretary or designee may extend the 30-day period for good cause. If the Secretary or designee does not act upon the petition for review within 30 days of its service, then the initial decision shall become final.

(c) *Brief in support of petition.* The petition for review shall be accompanied by a written brief, not to exceed 10 pages, specifying exceptions to the initial decision and reasons supporting the exceptions.

(d) *Service.* The party submitting the petition for review shall serve a copy of the petition and brief in support of the petition on the other parties and on the Chief Docket Clerk.

(e) *Forwarding of the record.* Upon request by the Office of the Secretary, the ALJ shall forward the record of the proceeding to the Secretary or designee.

(f) *Brief in opposition.* Any opposing party may file a brief opposing review, not to exceed 10 pages, within 20 days of receiving the petition for review and accompanying brief. The brief in opposition shall be served on all parties.

(g) *Additional briefs.* If the petition is granted, then the Secretary or designee may order the filing of additional briefs.

(h) There is no right to appear personally before the Secretary or designee.

(i) There is no right to appeal any interlocutory ruling by the ALJ.

(j) In reviewing the initial decision, the Secretary or designee shall not consider any objection that was not

§ 26.51

raised before the ALJ unless a demonstration is made of extraordinary circumstances causing the failure to raise the objection.

(k) The Secretary or designee shall consider only evidence contained in the record forwarded by the ALJ. However, if any party demonstrates to the satisfaction of the Secretary or designee that additional evidence not presented at the hearing is material and that there were reasonable grounds for the failure to present such evidence at such hearing, the Secretary or designee shall remand the matter to the ALJ for consideration of such additional evidence.

(l) The prohibitions of ex parte contacts in § 26.30 shall apply to contacts with the Secretary or designee.

(m) The Secretary or designee may affirm, reduce, reverse, compromise, remand, or settle any relief granted in the initial decision. The Secretary or designee shall consider, and include in any final determination, such factors as may be set forth in applicable statutes or regulations.

(n) The Secretary or designee shall promptly serve each party to the appeal with a copy of his or her decision and a statement describing the right to seek judicial review.

(o) *Judicial review.* A party must generally file a petition for judicial review within 20 days of service of the Secretary's determination, or the Secretary's determination shall become final and not subject to judicial review. In Program Fraud Civil Remedies Act matters (24 CFR part 28), the respondent shall have 60 days from the date that the determination is sent to the respondent in which to file a petition. See also § 26.52.

§ 26.51 Exhaustion of administrative remedies.

In order to fulfill the requirement of exhausting administrative remedies, a party must seek Secretarial review under § 26.50 prior to seeking judicial review of any initial decision issued under subpart B of this part.

§ 26.52 Judicial review.

Judicial review shall be in accordance with applicable statutory procedures and the procedures of the appro-

24 CFR Subtitle A (4-1-07 Edition)

priate Federal court. The Government may not seek judicial review of an adverse determination of a Program Fraud Civil Remedies Act matter.

§ 26.53 Collection of civil penalties and assessments.

Collection of civil penalties and assessments shall be in accordance with applicable statutory provisions.

§ 26.54 Right to administrative offset.

The amount of any penalty or assessment that has become final under § 26.49, or for which a judgment has been entered after action under §§ 26.52 or 26.53, or agreed upon in a compromise or settlement among the parties, may be collected by administrative offset under 31 U.S.C. 3716 or other applicable law. In Program Fraud Civil Remedies Act matters, an administrative offset may not be collected against a refund of an overpayment of Federal taxes then or later owing by the United States to the respondent.

Subpart A—Nonjudicial Foreclosure of Multifamily Mortgages

§ 27.1 Purpose.

The purpose of this subpart is to implement requirements for the administration of the Multifamily Mortgage Foreclosure Act of 1981 (the Act) (12 U.S.C. 3701–3717), that clarify, or are in addition to, the requirements contained in the Act, which are not republished here and must be consulted in conjunction with the requirements of this subpart. The Act creates a uniform Federal remedy for foreclosure of multifamily mortgages. Under a delegation of authority published on February 5, 1982 (47 FR 5468), the Secretary has delegated to the HUD General Counsel his powers under the Act to appoint a foreclosure commissioner or commissioners and to substitute therefor, to fix the compensation of commissioners, and to promulgate implementing regulations.

§ 27.2 Scope and applicability.

(a) Under the Act and this subpart, the Secretary may foreclose on any defaulted Secretary-held multifamily mortgage encumbering real estate in any State. The Secretary may use the provisions of these regulations to foreclose on any multifamily mortgage regardless of when the mortgage was executed.

(b) The Secretary may, at the Secretary's option, use other procedures to foreclose defaulted multifamily mortgages, including judicial foreclosure in Federal court and nonjudicial foreclosure under State law. This subpart applies only to foreclosure procedures authorized by the Act and not to any

other foreclosure procedures the Secretary may use.

§ 27.3 Definitions.

The definitions contained in the Act (at 12 U.S.C. 3702) shall apply to this subpart, in addition to and as further clarified by the following definitions. As used in this subpart:

General Counsel means the General Counsel of the Department of Housing and Urban Development;

Multifamily mortgage does not include a mortgage covering a property on which there is located a one- to four-family residence, except when the one- to four-family residence is subject to a mortgage pursuant to section 202 of the Housing Act of 1959 (12 U.S.C. 1701q), or section 811 (42 U.S.C. 8013) of the National Affordable Housing Act. The definition of multifamily mortgage also includes a mortgage taken by the Secretary in connection with the previous sale of the project by the Secretary (purchase money mortgage).

§ 27.5 Prerequisites to foreclosure.

Before commencement of a foreclosure under the Act and this subpart, HUD will provide to the mortgagor an opportunity informally to present reasons why the mortgage should not be foreclosed. Such opportunity may be provided before or after the designation of the foreclosure commissioner but before service of the notice of default and foreclosure.

§ 27.10 Designation of a foreclosure commissioner.

(a) When the Secretary determines that a multifamily mortgage should be foreclosed under the Act and this subpart, the General Counsel will select and designate one or more foreclosure commissioners to conduct the foreclosure and sale. The method of selection and determination of the qualifications of the foreclosure commissioner shall be at the discretion of the General Counsel, and the execution of a designation pursuant to paragraph (b) of this section shall be conclusive evidence that the commissioner selected has been determined to be qualified by the General Counsel.

(b) After selection of a foreclosure commissioner, the General Counsel

§ 27.15

shall designate the commissioner in writing to conduct the foreclosure and sale of the particular multifamily mortgage. The written designation shall be duly acknowledged and shall state the name and business or residential address of the commissioner and any other information the General Counsel deems necessary. The designation shall be effective upon execution by the General Counsel or his designate. Upon receipt of the designation, the commissioner shall demonstrate acceptance by signing the designation and returning a signed copy to the General Counsel.

(c) The General Counsel may at any time, with or without cause, designate a substitute commissioner to replace a previously designated commissioner. Designation of a substitute commissioner shall be in writing and shall contain the same information and be made effective in the same manner as the designation of the original commissioner. Upon designation of a substitute commissioner, the substitute commissioner shall serve a copy of the written notice of designation upon the persons listed at sections 369(1) (A) through (C) of the Act (12 U.S.C. 3708(1) (A) through (C)) either by mail, in accordance with section 369(1) of the Act (12 U.S.C. 3708(1)), except that the time limitations in that section will not apply, or by any other manner which in the substitute commissioner's discretion is conducive to giving timely notice of substitution.

§ 27.15 Notice of default and foreclosure sale.

(a) Within 45 days after accepting his or her designation to act as commissioner, the commissioner shall commence the foreclosure by serving a Notice of Default and Foreclosure Sale.

(b) The Notice of Default and Foreclosure Sale shall contain the following information:

(1) The Notice shall state that all deposits and the balance of the purchase price shall be paid by certified or cashier's check. The Notice shall state that no deposit will be required of the Secretary when the Secretary bids at the foreclosure sale.

(2) Any terms and conditions to which the purchaser at the foreclosure

24 CFR Subtitle A (4-1-07 Edition)

sale must agree under § 27.20. The Notice need not describe at length each and every pertinent term and condition, including any required use agreements and deed covenants, if it describes these terms and conditions in a general way and if it states that the precise terms will be available from the commissioner upon request.

(c) The Notice need not be mailed to mortgagors who have been released from all obligations under the mortgage.

(d) In deciding which newspaper or newspapers to select as general circulation newspapers for purposes of publication of the required notice, the commissioner need not select the newspaper with the largest circulation.

(e) In addition to Notice posting requirements included in the Act, the Notice shall also be posted in the project office and in such other appropriate conspicuous places as the commissioner deems appropriate for providing notice to all tenants. Posting shall not be required if the commissioner in his or her discretion finds that the act of posting is likely to lead to a breach of the peace or may result in the increased risk of vandalism or damage to the property. Any such finding will be made in writing. Entry on the premises by the commissioner for the purpose of posting shall be privileged as against all other persons.

(f) When service of the Notice of Default and Foreclosure Sale is made by mail, the commissioner shall at the same time and in the same manner serve a copy of the instrument by which the General Counsel, under § 27.10(b), has designated him or her to act as commissioner.

(g) At least 7 days before the foreclosure sale, the commissioner will record both the instrument designating him or her to act as commissioner and the Notice of Default and Foreclosure Sale in the same office or offices in which the mortgage was recorded.

§ 27.20 Conditions of foreclosure sale.

(a) The requirements of section 367(b)(2)(A) of the Act (12 U.S.C. 3706(b)(2)(A)) apply if a majority of the residential units in a property subject to foreclosure sale pursuant to the Act

and this subpart are occupied by residential tenants either on the date of the foreclosure sale or on the date on which the General Counsel designates the foreclosure commissioner.

(b) Terms which the Secretary may find appropriate to require pursuant to section 367(b) of the Act (12 U.S.C. 3706(b)), and such other provisions of law as may be applicable, may include provisions relating to use and ownership of the project property, tenant admission standards and procedures, rent schedules and increases, and project operation and maintenance. In determining terms which may be appropriate to require, the Secretary shall consider:

(1) The history of the project, including the purposes of the program under which the mortgage insurance or assistance was provided, and any other program of HUD under which the project was developed or otherwise assisted and the probable causes of project failure resulting in its default;

(2) A financial analysis of the project, including an appraisal of the fair market value of the property for its highest and best use;

(3) A physical analysis of the project, including the condition of the structure and grounds, the need for rehabilitation or repairs, and the estimated costs of any such rehabilitation or repairs;

(4) The income levels of the occupants of the project;

(5) Characteristics, including rental levels, of comparable housing in the area, with particular reference to whether current conditions and discernible trends in the area fairly indicate a likelihood that, for the foreseeable future after foreclosure and sale, the project will continue to provide rental or cooperative housing and market rentals obtainable in the project will be affordable by low- or moderate-income persons;

(6) The availability of or need for rental housing for low- and moderate-income persons in the area, including actions being taken or projected to be taken to address such needs and the impact of such actions on the project;

(7) An assessment of the number of occupants who might be displaced as a result of the manner of disposition;

(8) The eligibility of the occupants of the property for rental assistance under any program administered by HUD and the availability of funding for such assistance if necessary in order that the units occupied by such occupants will remain available to and affordable by such persons, or if necessary in order to assure the financial feasibility of the project after foreclosure and sale subject to the terms to be required by the Secretary; and

(9) Such other factors relating to the project as the Secretary shall consider appropriate.

(c) Terms which the Secretary may require to be agreed to by the purchaser pursuant to section 367(b) of the Act (12 U.S.C. 3706(b)) shall generally not be more restrictive, or binding for a longer duration, than the terms by which the mortgagor was bound prior to the foreclosure. For example: If the mortgage being foreclosed was held by the Secretary under section 312 of the Housing Act of 1964 (42 U.S.C. 1452b), any terms required by the Secretary pursuant to this section shall be in effect no longer than five years after the completion of the rehabilitation work funded by the section 312 loan. No terms shall be required pursuant to this section if the foreclosure sale occurs more than five years after the completion of such rehabilitation work (signified by the due date for commencement of amortization payments in the section 312 loan note).

(d) The limitation contained in paragraph (c) of this section applies only to such terms as the Secretary may require the purchaser to agree to, as a condition and term of the sale, under paragraph (a) of this section. Nothing contained in paragraph (c) of this section shall prevent the Secretary and the purchaser from entering into a subsidy agreement under any program administered by the Secretary containing terms binding upon either party which are longer in duration than would be permitted to be required by paragraph (c) of this section.

(e) Any terms required by the Secretary to be agreed to by the purchaser as a condition and term of sale under this section and section 367(b) of the

§ 27.25

Act (12 U.S.C. 3706(b)) shall be embodied in a use agreement to be executed by the Secretary and the purchaser. Such terms also may be included, or referred to, in appropriate covenants contained in the deed to be delivered by the foreclosure commissioner under § 27.45. Terms required by the Secretary pursuant to this section shall be stated or described in the Notice of Default and Foreclosure Sale under § 27.15.

(f) The defaulting mortgagor, or any principal, successor, affiliate, or assignee thereof, on the multifamily mortgage being foreclosed, shall not be eligible to bid on, or otherwise acquire, the property being foreclosed by the Department under this subpart or any other provision of law. A "principal" and an "affiliate" are defined as provided at 24 CFR 24.105.

[61 FR 48548, Sept. 13, 1996, as amended at 66 FR 35847, July 9, 2001]

§ 27.25 Termination or adjournment of foreclosure sale.

(a) Before withdrawing the security property from foreclosure under section 369A(a) of the Act (12 U.S.C. 3709(a)), the commissioner shall notify the Secretary of the proposed withdrawal by telephone or telegram and shall provide the Secretary with a written statement of the reasons for the proposed withdrawal along with all documents submitted by the mortgagor in support of the proposed withdrawal. Upon receipt of this statement, the Secretary shall have 10 days within which to demonstrate orally or in writing why the security property should not be withdrawn from foreclosure. The Secretary shall provide the mortgagor with a copy of any statement prepared by the Secretary in opposition to the proposed withdrawal at the same time the statement is submitted to the commissioner. If the Secretary receives the commissioner's written statement less than 10 days before the scheduled foreclosure sale, the sale shall automatically be postponed for 14 days. Under these circumstances, notice of the rescheduled sale shall be served as described in section 369B(c) of the Act (12 U.S.C. 3710(c)).

(b) The commissioner may not withdraw the security property from fore-

24 CFR Subtitle A (4-1-07 Edition)

closure under section 369A(a) of the Act (12 U.S.C. 3709(a)) more than once unless the Secretary consents in writing to such withdrawal.

(c) The commissioner shall, in the case of a sale adjourned to a later date, mail a copy of the revised Notice of Default and Foreclosure Sale to the Secretary at least seven days before the date to which the sale has been adjourned.

(d) If upon application by the mortgagor, the commissioner refuses to withdraw the property from foreclosure under section 369A(a) of the Act (12 U.S.C. 3709(a)), the commissioner shall provide the mortgagor and the Secretary with a written statement of the reasons for the refusal.

§ 27.30 Conduct of the sale.

(a) The commissioner shall accept written one-price sealed bids from any party including the Secretary so long as those bids conform to the requirements described in the Notice of Default and Foreclosure Sale. The commissioner shall announce the name of each such bidder and the amount of the bid. The commissioner shall accept oral bids from any party, including parties who submitted one-price sealed bids, if those oral bids conform to the requirements described in the Notice of Default and Foreclosure Sale. The commissioner will announce the amount of the high bid and the name of the successful bidder before the close of the sale.

(b) Relatives of the commissioner who may not bid at the foreclosure sale include parents, siblings, spouses and children. Related business entities which may not bid include entities or concerns whose relationship with the commissioner at the time the commissioner is designated is such that, directly or indirectly, one concern or individual formulates, directs, or controls the other concern; or has the power to formulate, direct, or control the other concern; or has the responsibility and authority either to prevent in the first instance, or promptly to correct, the offensive conduct of the other concern. Business concerns are also affiliates of each other when a third party is similarly situated with respect to both concerns.

(c) If the commissioner employs an auctioneer to conduct the foreclosure sale, the auctioneer must be a licensed auctioneer, an officer of State or local government, or any other person who commonly conducts foreclosure sales in the area in which the security property is located.

§ 27.35 Foreclosure costs.

Pursuant to section 369C(5) of the Act (12 U.S.C. 3711(5)), a commission to the foreclosure commissioner for the conduct of the foreclosure will be paid in an amount to be determined by the General Counsel. A commission may be allowed to the commissioner notwithstanding termination of the sale or appointment of a substitute commissioner before the sale takes place.

§ 27.40 Disposition of sale proceeds.

(a) The priority of the Secretary's lien shall be determined by the Federal first-in-time first-in-right rule. State laws affording priority to liens recorded after the mortgage are preempted.

(b) If there is more than one party holding a lien or assessment payable from sales proceeds, the claim of each party holding the same kind of lien or assessment will be given the relative priority to which it would be entitled under the law of the State in which the security property is located.

(c) The commissioner will keep such records as will permit the Secretary to verify the costs claimed under section 369C of the Act (12 U.S.C. 3711), and otherwise to audit the commissioner's disposition of the sale proceeds.

§ 27.45 Transfer of title and possession.

(a) If the Secretary is the successful bidder, the foreclosure commissioner shall issue a deed to the Secretary upon receipt of the amount needed to pay the costs listed in sections 369D (1) through (3) of the Act (12 U.S.C. 3712(1) through (3)). If the Secretary is not the successful bidder, the foreclosure commissioner shall issue a deed to the purchaser upon receipt of the entire purchase price and execution by the Secretary and the purchaser of any use agreement referred to in § 27.20(e). Any covenants reflecting terms required by

§ 27.20 shall be contained in the commissioner's deed.

(b) Subject to any terms required to be agreed to by § 27.20, any commercial tenant and any residential tenant remaining in possession after the expiration of his or her lease or after the passage of one year, whichever event occurs first, shall be deemed a tenant at sufferance and may be evicted in accordance with applicable State or local law.

§ 27.50 Management and disposition by the Secretary.

When the Secretary is the purchaser of the security property, the Secretary shall manage and dispose of it in accordance with section 203 of the Housing and Community Development Amendments of 1978, as amended, 12 U.S.C. 1701z-11, and in accordance with 24 CFR part 290.

Subpart B—Nonjudicial Foreclosure of Single Family Mortgages

§ 27.100 Purpose, scope and applicability.

(a) *Purpose.* The purpose of this subpart is to implement requirements for the administration of the Single Family Mortgage Foreclosure Act of 1994 (the Statute), 12 U.S.C. 3751-3768, that clarify, or are in addition to, the requirements contained in the Statute, which are not republished here and must be consulted in conjunction with the requirements of this subpart.

(b) *Scope.* The Secretary may foreclose on any defaulted single family mortgage described in the Statute regardless of when the mortgage was executed.

(c) *Applicability.* The Secretary may, at the Secretary's option, use other procedures to foreclose defaulted single family mortgages, including judicial foreclosure in State or Federal Court, and nonjudicial foreclosures under State law or any other Federal law. This subpart applies only to foreclosure procedures authorized by the Statute and not to any other foreclosure procedures the Secretary may use.

§ 27.101

§ 27.101 Definitions.

The definitions contained in the Statute (at 12 U.S.C. 3752) shall apply to this subpart, in addition to and as further clarified by the following definitions. As used in this subpart:

County means a political subdivision of a State or Territory of the United States, created to aid in the administration of State law for the purpose of local self government, and includes a parish or any other equivalent subdivision.

Mortgage is as defined in the Statute except that the reference to property as “(real, personal or mixed)” means “any property (real or mixed real and personal).”

Mortgage agreement is as defined in the Statute, and also means any other similar instrument or instruments creating the security interest in the real estate for the repayment of the note or debt instrument.

Mortgagor is as defined in the Statute, except that the reference to “trustee” means “trustor.”

Record; Recorded means to enter or entered in public land record systems established under State statutes for the purpose of imparting constructive notice to purchasers of real property for value and without knowledge, and includes “register” and “registered” in the instance of registered land, and “file” and its variants in the context of entering documents in public land records.

Secretary means the Secretary of Housing and Urban Development, acting by and through any authorized designee exclusive of the foreclosure commissioner.

Security Property is as defined in the statute except that the reference to property as “(real, personal or mixed)” means “any property (real or mixed real and personal).”

§ 27.102 Designation of foreclosure commissioner and substitute commissioner.

(a) The Secretary may designate foreclosure commissioners, including substitute commissioners, as set forth in the Statute.

(b) The method of selection and determination of the qualifications of the foreclosure commissioner shall be at

24 CFR Subtitle A (4–1–07 Edition)

the discretion of the Secretary. The execution of a designation pursuant to this section shall be conclusive evidence that the commissioner selected has been determined to be qualified by the Secretary. The designation is effective upon execution.

§ 27.103 Notice of default and foreclosure sale.

(a) The foreclosure commissioner shall commence the foreclosure under the procedures set forth in the Statute.

(b) The Notice of Default and Foreclosure Sale (Notice) shall include, in addition to the provisions as required by the Statute:

(1) The foreclosure commissioner’s telephone number;

(2) A description of the security property sufficient to identify the property to be sold;

(3) The date the mortgage was recorded;

(4) Identification of the failure to make payment, including the entire amount delinquent as of a date specified, a statement generally describing the other costs that must be paid if the mortgage is to be reinstated, the due date of the earliest principal installment payment remaining wholly unpaid as of the date on which the notice is issued upon which the foreclosure is based, or a description of any other default or defaults upon which foreclosure is based, and the acceleration of the secured indebtedness; and

(5) The bidding and payment requirements for the foreclosure sale, including the time and method of payment of the balance of the foreclosure purchase price, that all deposits and the balance of the purchase price shall be paid by certified or cashier’s check, and that no deposit will be required of the Secretary when the Secretary bids at the foreclosure sale.

§ 27.105 Service of Notice of Default and Foreclosure Sale.

(a) The Notice of Default and Foreclosure Sale shall be served in accordance with the provisions of the Statute. When notice is sent by mail, multiple mailings are not required to be sent to any party with multiple capacities, e.g., an original mortgagor who is the security property owner and lives

in one of the units. The date of the receipt for the postage paid for the mailing may serve as proof of the date of mailing of the notice.

(b) Notice need not be mailed to any mortgagors who have been released from all obligations under the mortgage.

§ 27.107 Presale reinstatement.

(a) The foreclosure commissioner shall withdraw the security property from foreclosure and cancel the foreclosure sale only in accordance with the provisions of the Statute and as more fully provided in paragraphs (b) and (c) of this section in regard to presale reinstatements.

(b) To obtain a presale reinstatement in cases involving a monetary default, there must be tendered to the foreclosure commissioner before public auction is completed all amounts which would be due under the mortgage agreement if payments under the mortgage had not been accelerated and all costs of foreclosure incurred for which payment from the proceeds of foreclosure is provided in the Statute, and the foreclosure commissioner must find that there are no nonmonetary defaults; provided, however, that the Secretary may refuse to cancel a foreclosure sale pursuant to this subparagraph if the current mortgagor or owner of record has, on one or more previous occasions, caused a foreclosure of the mortgage, commenced pursuant to the Statute and this subpart or otherwise, to be canceled by curing a default.

(c) To obtain a presale reinstatement in cases involving a nonmonetary default:

(1) The foreclosure commissioner, upon application of the mortgagor before the date of foreclosure sale, must find that all nonmonetary defaults are cured and that there are no monetary defaults; and

(2) There must be tendered to the foreclosure commissioner before public auction is completed all amounts due under the mortgage agreement (excluding all amounts which would be due under the mortgage agreement if the mortgage payments had been accelerated), including all amounts of expenditures secured by the mortgage and all

costs of foreclosure incurred for which payment would be made from the proceeds of foreclosure as provided in the Statute.

(d) Before withdrawing the security property from foreclosure, the foreclosure commissioner shall notify the Secretary of the proposed withdrawal by telephone or other telecommunication device and shall also provide the Secretary with a written statement of the reasons for the proposed withdrawal along with all documents submitted by the mortgagor in support of the proposed withdrawal. Upon receipt of this statement, the Secretary shall have ten (10) days in which to demonstrate why the security property should not be withdrawn from foreclosure, and if the Secretary makes this demonstration, the property shall not be withdrawn from foreclosure. The Secretary shall provide the mortgagor with a copy of any statement prepared by the Secretary in opposition to the proposed withdrawal at the same time the statement is submitted to the foreclosure commissioner. If the Secretary receives the foreclosure commissioner's written statement less than 10 days before the scheduled foreclosure sale, the sale shall automatically be adjourned for 14 days, during which time it may be cancelled. Notice of the re-scheduled sale, if any, shall be served as described in § 27.111.

§ 27.109 Conduct of sale.

(a) The foreclosure sale shall be conducted in a manner and at a time and place as identified in the Notice of Default and Foreclosure Sale and in accordance with the provisions of the Statute.

(b) In addition to bids made in person at the sale, the foreclosure commissioner shall accept written one-price sealed bids from any party, including the Secretary, for entry by announcement at the sale so long as those bids conform to the requirements described in the Notice of Default and Foreclosure Sale. The foreclosure commissioner shall announce the name of each such bidder and the amount of the bid. The commissioner shall accept oral bids from any party, including parties who submitted one-price sealed bids, if

§ 27.111

those oral bids conform to the requirements in the Notice of Default and Foreclosure Sale. Before the close of the sale the commissioner shall announce the amount of the high bid and the name of the successful bidder. If the successful bidder fails to comply with the terms of the sale, the HUD Field Office representative will provide instructions to the commissioner about offering the property to the second highest bidder, or having a new sale, or other instruction at the discretion of the HUD representative.

(c) *Prohibited participants.* Relatives of the foreclosure commissioner who may not bid include parents, siblings, spouses and children. A related business entity that may not bid or whose employees may not bid is one whose relationship (at the time the foreclosure commissioner is designated and during the term of service as foreclosure commissioner) with the entity of the foreclosure commissioner is such that, directly or indirectly, one entity formulates, directs, or controls the other entity; or has the power to formulate, direct, or control the other entity; or has the responsibility and authority to prevent, or promptly to correct, the offensive conduct of the other entity.

(d) *Auctioneers.* If the commissioner employs an auctioneer to conduct the foreclosure sale, the auctioneer must be a licensed auctioneer, an officer of State or local government, or any other person who commonly conducts foreclosure sales in the area in which the security property is located.

§ 27.111 Adjournment or cancellation of sale.

(a) The foreclosure commissioner may, before or at the time of the foreclosure sale, adjourn or cancel the foreclosure sale in accordance with the provisions of the Statute. The publication of the Notice of Default and Foreclosure Sale, revised pursuant to the Statute, may be made on any of three separate days before the revised date of foreclosure sale. If there is no newspaper of general circulation that would permit publication on any of three separate days before the revised date of foreclosure sale, the Notice of Default and Foreclosure Sale must be posted, not less than nine days before the date

24 CFR Subtitle A (4-1-07 Edition)

to which the sale has been adjourned, at the courthouse of any county or counties in which the property is located, and at the place where the sale is to be held. The commissioner must also, in the case of a sale adjourned to a later date, mail a copy of the revised Notice of Default and Foreclosure Sale to the Secretary at least seven days before the date to which the sale has been adjourned.

(b) When a substitute commissioner is designated by the Secretary to replace a previously designated foreclosure commissioner, the sale shall continue without prejudice unless the substitute commissioner finds, in that commissioner's sole discretion, that continuation of the foreclosure sale will unfairly affect the interests of the mortgagor. Any such finding shall be in writing. If the substitute commissioner makes such a finding, the substitute commissioner shall cancel or adjourn the sale.

§ 27.113 Foreclosure costs.

A commission may be allowed to the foreclosure commissioner notwithstanding termination of the sale or appointment of a substitute commissioner before the sale takes place.

§ 27.115 Disposition of sales proceeds.

The foreclosure commissioner will keep such records as will permit the Secretary to verify the costs claimed, and otherwise to enable the Secretary to audit the foreclosure commissioner's disposition of the sale proceeds.

§ 27.117 Transfer of title and possession.

(a) If the Secretary is the successful bidder, the foreclosure commissioner shall issue a deed to the Secretary upon receipt of the amount needed to pay the costs of tax liens and prior liens, as set forth in 12 U.S.C. 3762(a)(2) and (a)(3). If the Secretary is not the successful bidder, the foreclosure commissioner shall issue a deed to the purchaser or purchasers upon receipt of the entire purchase price in accordance with the terms of the sale as provided in the Notice of Default and Foreclosure Sale.

(b) The register of deeds or other appropriate official in the county where the property is located shall, upon tendering of the customary recording fees, accept all instruments pertaining to the foreclosure which are submitted by the foreclosure commissioner for recordation. The instruments to be accepted shall include, but not be limited to, the foreclosure commissioner's deed. If the foreclosure commissioner elects to include the recitations required under the Statute (12 U.S.C. 3764) in an affidavit or an addendum to the deed, the affidavit or addendum shall be accepted along with the deed for recordation. The Clerk of the Court or other appropriate official shall cancel all liens as requested by the foreclosure commissioner.

§ 27.119 Redemption rights.

Only for purposes of redemption rights under the Statute, a foreclosure shall be considered completed upon the date and at the time of the foreclosure sale.

§ 27.121 Record of foreclosure and sale.

The statements regarding the foreclosed mortgage required to establish a sufficient record shall include the date the mortgage was recorded. The statements regarding the service of the Notice of Default and Foreclosure Sale shall include the names and addresses of the persons to whom the Notice was mailed and the date on which the Notice was mailed, the name of the newspaper in which the Notice was published and the dates of publication, and the date on which service by posting, if required, was accomplished.

§ 27.123 Deficiency judgment.

If the price at which the security property is sold at the foreclosure sale is less than the unpaid balance of the debt secured by such property after disposition of sale proceeds in accordance with the order of priority provided under the Statute, the Secretary may refer the matter to the Attorney General who may commence an action or actions against any and all debtors to recover the deficiency, unless such an action is specifically prohibited by the mortgage.

§ 28.10 Basis for civil penalties and assessments.

(a) *Claims.* (1) A civil penalty of not more than \$7,500 may be imposed upon a person who makes a claim that the person knows or has reason to know:

(i) Is false, fictitious, or fraudulent;

(ii) Includes or is supported by a written statement that either contains a material fact that is false, fictitious, or fraudulent; or omits a material fact that the person has a duty to include

(c) *Investigation report.* If the Inspector General or designee concludes that an action under the Program Fraud Civil Remedies Act may be warranted, her or she shall submit a report con-

taining the findings and conclusions of the investigation to the General Counsel or his or her designee.

(d) The Inspector General may refer allegations directly to the Department of Justice for suit under the False Claims Act (31 U.S.C. 3730) or for other civil relief, or may postpone submitting a report to the General Counsel to avoid interference with a criminal investigation or prosecution. The Inspector General shall report violations of criminal law to the Attorney General.

§ 28.20 Request for approval by the Department of Justice.

(a) If the General Counsel or designee determines that the investigation report supports an action under this part, he or she must submit a written request to the Department of Justice for approval to issue a notice under § 28.25.

(c) A copy of this part 28 and of 24 CFR part 26, subpart B shall be included with the complaint.

§ 28.30 Response.

(a) The respondent may submit a written response to HUD within 30 days of service of the complaint. The response shall be deemed to be a request for hearing. The response should include the admission or denial of each allegation of liability made in the complaint; any defense on which the respondent intends to rely; any reasons why the penalties and assessments should be less than the amount set forth in the complaint; and the name, address, and telephone number of the person who will act as the respondent's representative, if any.

(b) *Filing with the administrative law judges.* HUD shall file the complaint and response with the Chief Docket Clerk, Office of Administrative Law Judges, in accordance with §26.37 of this title. § 28.35 Disclosure of documents.

Upon receipt of a complaint, the respondent may, upon written request to the General Counsel or designee, review any relevant and material non-privileged documents, including any exculpatory documents, that relate to the allegations set out in the complaint. Exculpatory information that is contained in a privileged document must be disclosed.

§ 28.40 Hearings.

(a) *General.* Hearings under this part shall be conducted in accordance with the procedures in 24 CFR part 26, subpart B.

appeal, the Secretary shall consider and state in their opinions any mitigating or aggravating circumstances. Because of the intangible costs of fraud, the expense of investigating fraudulent conduct, and the need for deterrence, ordinarily double damages and a significant civil penalty should be imposed. The ALJ and the Secretary shall consider the following factors in determining the amount of penalties and assessments to be imposed:

(1) The number of false, fictitious, or fraudulent claims or statements;

(2) The time period over which such claims or statements were made;

(3) The degree of the respondent's culpability with respect to the misconduct;

(4) The amount of money or the value of the property, services, or benefit falsely claimed;

(5) The value of the Government's actual loss as a result of the misconduct, including foreseeable consequential damages and the cost of investigation;

(6) The relationship of the civil penalties to the amount of the Government's loss;

(7) The potential or actual impact of the misconduct upon national defense, public health or safety, or public confidence in the management of Government programs and operations, including particularly the impact on the intended beneficiaries of such programs;

(8) Whether the respondent has engaged in a pattern of the same or similar misconduct;

(9) Whether the respondent attempted to conceal the misconduct;

(10) The degree to which the respondent has involved others in the misconduct or in concealing it;

(11) If the misconduct of employees or agents is imputed to the respondent, the extent to which the respondent's practices fostered or attempted to preclude the misconduct;

(12) Whether the respondent cooperated in or obstructed an investigation of the misconduct;

(13) Whether the respondent assisted in identifying and prosecuting other wrongdoers;

(14) The complexity of the program or transaction, and the degree of the respondent's sophistication with respect to it, including the extent of the

Office of the Secretary, HUD

§ 30.5

respondent's prior participation in the program or in similar transactions;

(15) Whether the respondent has been found, in any criminal, civil, or administrative proceeding, to have engaged in similar misconduct or to have dealt dishonestly with the Government of the United States or of a State, directly or indirectly;

(16) The need to deter the respondent and others from engaging in the same or similar misconduct; and

(17) Any other factors that in any given case may mitigate or aggravate the offense for which penalties and assessments are imposed.

(c) *Stays ordered by the Department of Justice.* If at any time the Attorney General of the United States or an Assistant Attorney General designated by the Attorney General notifies the Secretary in writing that continuation of HUD's case may adversely affect any pending or potential criminal or civil action related to the claim or statement at issue, the ALJ or the Secretary shall stay the process immediately. The case may be resumed only upon receipt of the written authorization of the Attorney General.

§ 28.45 Settlements.

(a) HUD and the respondent may enter into a settlement agreement at any time prior to the issuing of a notice of final determination under § 26.50 of this title.

(b) Failure of the respondent to comply with a settlement agreement shall be sufficient cause for resuming an action under this part, or for any other judicial or administrative action.

[61 FR 50215, Sept. 24, 1996, as amended at 66 FR 63442, Dec. 6, 2001; 70 FR 21578, Apr. 26, 2005]

§ 30.85 Complaint.

(a) *General.* Upon the expiration of the period for the respondent to submit a response to the prepenalty notice, the official designated in subpart B of this part, or his or her designee (or the Mortgagee Review Board in actions under § 30.35) shall determine whether to seek a civil money penalty. Such determination shall be based upon a review of the prepenalty notice, the response, if any, and the factors listed at § 30.80. - (c) A copy of this part and of 24 CFR part 26, subpart B shall be included with the complaint.
- (d) *Service of the complaint.* The complaint shall be served on the respondent by first class mail, personal delivery, or other means. In cases of violations by mortgagees and lenders of 12 U.S.C. 1735f-14(b) (1)(D) or (1)(F), or by

GNMA issuers or custodians of 12 U.S.C. 1723i(b) (1)(G) or (1)(I), a copy of the complaint shall be provided to the Attorney General.

§ 30.90 Response to the complaint.

(a) *General.* The respondent may submit to HUD a written response to the complaint within 15 days of its receipt. The response shall be considered a request for a hearing. The response should include the admission or denial of each allegation of liability made in the complaint; any defense on which the respondent intends to rely; any reasons why the civil money penalty is not warranted or should be less than the amount sought in the complaint; and the name, address, and telephone number of the person who will act as the respondent's representative, if any.

(b) *Filing with the administrative law judges.* HUD shall file the complaint and response with the Chief Docket Clerk, Office of Administrative Law Judges, in accordance with § 26.37 of this title. SOURCE: 61 FR 9082, Mar. 6, 1996, unless otherwise noted. Redesignated at 64 FR 50201, Sept. 15, 1999.

§ 35.80 Purpose.

This subpart implements the provisions of 42 U.S.C. 4852d, which impose certain requirements on the sale or lease of target housing. Under this subpart, a seller or lessor of target housing shall disclose to the purchaser or lessee the presence of any known lead-based paint and/or lead-based paint hazards; provide available records and reports; provide the purchaser or lessee with a lead hazard information pamphlet; give purchasers a 10-day opportunity to conduct a risk assessment or inspection; and attach specific disclosure and warning language to the sales or leasing contract before the purchaser or lessee is obligated under a contract to purchase or lease target housing.

§ 35.82 Scope and applicability.

This subpart applies to all transactions to sell or lease target housing, including subleases, with the exception of the following:

- (a) Sales of target housing at foreclosure.
- (b) Leases of target housing that have been found to be lead-based paint free by an inspector certified under the Federal certification program or under a federally accredited State or tribal certification program. Until a Federal certification program or federally ac-

credited State certification program is in place within the State, inspectors shall be considered qualified to conduct an inspection for this purpose if they have received certification under any existing State or tribal inspector certification program. The lessor has the option of using the results of additional test(s) by a certified inspector to confirm or refute a prior finding.

(c) Short-term leases of 100 days or less, where no lease renewal or extension can occur.

(d) Renewals of existing leases in target housing in which the lessor has previously disclosed all information required under § 35.88 and where no new information described in § 35.88 has come into the possession of the lessor. For the purposes of this paragraph, renewal shall include both renegotiation of existing lease terms and/or ratification of a new lease.

§ 35.84 Effective dates.

(4) A statement by the lessee affirming receipt of the information set out in paragraphs (b)(2) and (b)(3) of this section and the lead hazard information pamphlet required under 15 U.S.C. 2696.

(5) When any agent is involved in the transaction to lease target housing on behalf of the lessor, a statement that:

(i) The agent has informed the lessor of the lessor's obligations under 42 U.S.C. 4852d; and

(ii) The agent is aware of his/her duty to ensure compliance with the requirements of this subpart.

(6) The signatures of the lessors, agents, and lessees certifying to the accuracy of their statements to the best of their knowledge, along with the dates of signature.

(c) *Retention of certification and acknowledgment information.* (1) The seller, and any agent, shall retain a copy of the completed attachment required under paragraph (a) of this section for

24 CFR Subtitle A (4-1-07 Edition)

Subpart B—General Lead-Based Paint Requirements and Definitions for All Programs.

SOURCE: 64 FR 50202, Sept. 15, 1999, unless otherwise noted.

§ 35.100 Purpose and applicability.

(a) *Purpose.* The requirements of subparts B through R of this part are promulgated to implement the Lead-Based Paint Poisoning Prevention Act, as amended (42 U.S.C. 4821 *et seq.*), and the Residential Lead-Based Paint Hazard Reduction Act of 1992 (42 U.S.C. 4851 *et seq.*).

(b) *Applicability*—(1) *This subpart.* This subpart applies to all target housing that is federally owned and target housing receiving Federal assistance to which subparts C, D, F through M, and R of this part apply, except where indicated.

(2) *Other subparts*—(i) *General.* Subparts C, D, and F through M of this part each set forth requirements for a specific type of Federal housing activity or assistance, such as multifamily mortgage insurance, project-based rental assistance, rehabilitation, or tenant-based rental assistance. Subpart R of this part provides standards and methods for activities required in subparts B, C, D, and F through M of this part.

(ii) *Application to programs.* Most HUD housing programs are covered by only one subpart of this part, but some programs can be used for more than one type of assistance and therefore are covered by more than one subpart of this part. A current list of programs covered by each subpart of this part is available on the internet at www.hud.gov, or by mail from the National Lead Information Center at 1-800-424-LEAD. Examples of flexible programs that can provide more than one type of assistance are the HOME Investment Partnerships program, the Community Development Block Grant program, and the Indian Housing Block Grant Program. Grantees, participating jurisdictions, Indian tribes and other entities administering such flexible programs must decide which subpart applies to the type of assistance being provided to a particular dwelling unit or residential property.

(iii) *Application to dwelling units.* In some cases, more than one type of assistance may be provided to the same dwelling unit. In such cases, the subpart or section with the most protective initial hazard reduction requirements applies. Paragraph (c) of this section provides a table that lists the subparts and sections of this part in order from the most protective to the least protective. (This list is based only on the requirements for initial hazard reduction. The summary of requirements on this list is not a complete list of requirements. It is necessary to refer to the applicable subparts and sections to determine all applicable requirements.)

(iv) *Example.* A multifamily building has 100 dwelling units and was built in 1965. The property is financed with HUD multifamily mortgage insurance. This building is covered by subpart G of this part (see § 35.625—Multifamily mortgage insurance for properties constructed after 1959), which is at protectiveness level 5 in the table set forth in paragraph (c) of this section. In the same building, however, 50 of the 100

dwelling units are receiving project-based assistance, and the average annual assistance per assisted unit is \$5,500. Those 50 units, and common areas servicing those units, are covered by the requirements of subpart H of this part (see § 35.715—Project-based assistance for multifamily properties receiving more than \$5,000 per unit), which are at protectiveness level 3. Therefore, because level 3 is a higher level of protectiveness than level 5, the units receiving project-based assistance, and common areas servicing those units, must comply at level 3, while the rest of the building can be operated at level 5. The owner may choose to operate the entire building at level 3 for simplicity.

(c) *Table One.* The following table lists the subparts and sections of this part applying to HUD programs in order from most protective to least protective hazard reduction requirements. The summary of hazard reduction requirements in this table is not complete. Readers must refer to relevant subpart for complete requirements.

Level of protection	Subpart, section, and type of assistance	Hazard reduction requirements
1	Subpart L, Public housing. Subpart G, § 35.630, Multifamily mortgage insurance for conversions and major rehabilitations.	Full abatement of lead-based paint.
2	Subpart J, § 35.930(d), Properties receiving more than \$25,000 per unit in rehabilitation assistance.	Abatement of lead-based paint hazards.
3	Subpart G, § 35.620, Multifamily mortgage insurance for properties constructed before 1960, other than conversions and major rehabilitations. Subpart H, § 35.715, Project-based assistance for multifamily properties receiving more than \$5,000 per unit. Subpart I, HUD-owned multifamily property. Subpart J, § 35.930(c), Properties receiving more than \$5,000 and up to \$25,000 per unit in rehabilitation assistance.	Interim controls.
4	Subpart F, HUD-owned single family properties. Subpart H, § 35.720, Project-based rental assistance for multifamily properties receiving up to \$5,000 per unit and single family properties. Subpart K, Acquisition, leasing, support services, or operation. Subpart M, Tenant-based rental assistance.	Paint stabilization.
5	Subpart G, § 35.625, Multifamily mortgage insurance for properties constructed after 1959.	Ongoing lead-based paint maintenance.
6	Subpart J, § 35.930(b), Properties receiving up to and including \$5,000 in rehabilitation assistance.	Safe work practices during rehabilitation.

§ 35.105 Effective dates.

The effective date for subparts B through R of this part is September 15, 2000, except that the effective date for prohibited methods of paint removal, described in § 35.140, is November 15, 1999. Subparts F through M of this part

provide further information on the application of the effective date to specific programs. Before September 15, 2000, a designated party has the option of following the procedures in subparts B through R of this part, or complying with current HUD lead-based paint regulations.

§ 35.106 Information collection requirements.

The information collection requirements contained in this part have been approved by the Office of Management and Budget (OMB) in accordance with the requirements of the Paperwork Reduction Act of 1995 (44 U.S.C. 2501-3520), and have been assigned OMB control number 2539-0009. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection displays a valid control number.

§ 35.115 Exemptions.

(a) Subparts B through R of this part do not apply to the following:

(1) A residential property for which construction was completed on or after January 1, 1978, or, in the case of jurisdictions which banned the sale or residential use of lead-containing paint prior to 1978, an earlier date as HUD may designate (see § 35.160).

(2) A zero-bedroom dwelling unit, including a single room occupancy (SRO) dwelling unit.

(3) Housing for the elderly, or a residential property designated exclusively for persons with disabilities; except this exemption shall not apply if a child less than age 6 resides or is expected to reside in the dwelling unit (see definitions of "housing for the elderly" and "expected to reside" in § 35.110).

(4) Residential property found not to have lead-based paint by a lead-based paint inspection conducted in accordance with § 35.1320(a) (for more information regarding inspection procedures consult the 1997 edition of Chapter 7 of the HUD Guidelines). Results of additional test(s) by a certified lead-based paint inspector may be used to confirm or refute a prior finding.

(5) Residential property in which all lead-based paint has been identified, removed, and clearance has been achieved in accordance with 40 CFR 745.227(b)(e) before September 15, 2000, or in accordance with §§ 35.1320, 35.1325 and 35.1340 on or after September 15, 2000. This exemption does not apply to residential property where enclosure or encapsulation has been used as a method of abatement.

(6) An unoccupied dwelling unit or residential property that is to be demolished, provided the dwelling unit or property will remain unoccupied until demolition.

(7) A property or part of a property that is not used and will not be used for human residential habitation, except that spaces such as entryways, hallways, corridors, passageways or stairways serving both residential and non-residential uses in a mixed-use property shall not be exempt.

(8) Any rehabilitation that does not disturb a painted surface.

(9) For emergency actions immediately necessary to safeguard against imminent danger to human life, health or safety, or to protect property from further structural damage (such as when a property has been damaged by a natural disaster, fire, or structural collapse), occupants shall be protected from exposure to lead in dust and debris generated by such emergency actions to the extent practicable, and the requirements of subparts B through R of this part shall not apply. This exemption applies only to repairs necessary to respond to the emergency. The requirements of subparts B through R of this part shall apply to any work undertaken subsequent to, or above and beyond, such emergency actions.

(10) If a Federal law enforcement agency has seized a residential property and owns the property for less

than 270 days, §§ 35.210 and 35.215 shall not apply to the property.

(11) The requirements of subpart K of this part do not apply if the assistance being provided is emergency rental assistance or foreclosure prevention assistance, provided that this exemption shall expire for a dwelling unit no later than 100 days after the initial payment or assistance.

(12) Performance of an evaluation or lead-based paint hazard reduction or lead-based paint abatement on an exterior painted surface as required under this part may be delayed for a reasonable time during a period when weather conditions are unsuitable for conventional construction activities.

(13) Where abatement of lead-based paint hazards or lead-based paint is required by this part and the property is listed or has been determined to be eligible for listing in the National Register of Historic Places or contributing to a National Register Historic District, the designated party may, if requested by the State Historic Preservation Office, conduct interim controls in accordance with § 35.1330 instead of abatement. If interim controls are conducted, ongoing lead-based paint maintenance and reevaluation shall be conducted as required by the applicable subpart of this part in accordance with § 35.1355.

(b) For the purposes of subpart C of this part, each Federal agency other than HUD will determine whether appropriations are sufficient to implement this rule. If appropriations are not sufficient, subpart C of this part shall not apply to that Federal agency. If appropriations are sufficient, subpart C of this part shall apply.

§ 35.120 Options.

(a) *Standard treatments.* Where interim controls are required by this part, the designated party has the option to presume that lead-based paint or lead-based paint hazards or both are present throughout the residential property. In such a case, evaluation is not required. Standard treatments shall then be conducted in accordance with § 35.1335 on all applicable surfaces, including soil. Standard treatments are completed only when clearance is achieved in accordance with § 35.1340.

§ 35.125

24 CFR Subtitle A (4-1-07 Edition)

(b) *Abatement.* Where abatement is required by this part, the designated party may presume that lead-based paint or lead-based paint hazards or both are present throughout the residential property. In such a case, evaluation is not required. Abatement shall then be conducted on all applicable surfaces, including soil, in accordance with § 35.1325, and completed when clearance is achieved in accordance with § 35.1340. This option is not available in public housing, where inspection is required.

(c) *Lead hazard screen.* Where a risk assessment is required, the designated party may choose first to conduct a lead hazard screen in accordance with § 35.1320(b). If the results of the lead hazard screen indicate the need for a full risk assessment (e.g., if the environmental measurements exceed levels established for lead hazard screens in § 35.1320(b)(2)), a complete risk assessment shall be conducted. Environmental samples collected for the lead hazard screen may be used in the risk assessment. If the results of the lead hazard screen do not indicate the need for a follow-up risk assessment, a risk assessment is not required.

(d) *Paint testing.* Where paint stabilization or interim controls of deteriorated paint surfaces are required by this rule, the designated party has the option to conduct paint testing of all surfaces with non-intact paint. If paint testing indicates the absence of lead-based paint on a specific surface, paint stabilization or interim controls are not required on that surface.

§ 35.125 Notice of evaluation and hazard reduction activities.

The following activities shall be conducted if notice is required by subparts D and F through M of this part.

(a) *Notice of evaluation or presumption.* When evaluation is undertaken and lead-based paint or lead-based paint hazards are found to be present, or if a presumption is made that lead-based paint or lead-based paint hazards are present in accordance with the options described in § 35.120, the designated party shall provide a notice to occupants within 15 calendar days of the date when the designated party receives the report or makes the pre-

sumption. A visual assessment alone is not considered an evaluation for the purposes of this part. If only a visual assessment alone is required by this part, and no evaluation is performed, a notice of evaluation or presumption is not required.

(1) The notice of the evaluation shall include:

(i) A summary of the nature, dates, scope, and results of the evaluation;

(ii) A contact name, address and telephone number for more information, and to obtain access to the actual evaluation report; and

(iii) The date of the notice.

(2) The notice of presumption shall include:

§ 35.130 Lead hazard information pamphlet.

If provision of a lead hazard information pamphlet is required in subparts D and F through M of this part, the designated party shall provide to each occupied dwelling unit to which subparts D and F through M of this part apply, the lead hazard information pamphlet developed by EPA, HUD and the Consumer Product Safety Commission pursuant to section 406 of the Toxic Substances Control Act (15 U.S.C. 2686), or an EPA-approved alternative; except that the designated party need not provide a lead hazard information pamphlet if the designated party can demonstrate that the pamphlet has already been provided in accordance with the lead-based paint notification and disclosure requirements at § 35.88(a)(1), or 40 CFR 745.107(a)(1) or in accordance with the requirements for hazard education before renovation at 40 CFR part 745, subpart E.

§ 35.135 Use of paint containing lead.

(a) *New use prohibition.* The use of paint containing more than 0.06 percent dry weight of lead on any interior or exterior surface in federally owned housing or housing receiving Federal

assistance is prohibited. As appropriate, each Federal agency shall include the prohibition in contracts, grants, cooperative agreements, insurance agreements, guaranty agreements, trust agreements, or other similar documents.

(b) *Pre-1978 prohibition.* In the case of a jurisdiction which banned the sale or residential use of lead-containing paint before 1978, HUD may designate an earlier date for certain provisions of subparts D and F through M of this part.

§ 35.140 Prohibited methods of paint removal.

The following methods shall not be used to remove paint that is, or may be, lead-based paint:

(a) Open flame burning or torching.

(b) Machine sanding or grinding without a high-efficiency particulate air (HEPA) local exhaust control.

(c) Abrasive blasting or sandblasting without HEPA local exhaust control.

(d) Heat guns operating above 1100 degrees Fahrenheit or charring the paint.

(e) Dry sanding or dry scraping, except dry scraping in conjunction with heat guns or within 1.0 ft. (0.30 m.) of electrical outlets, or when treating defective paint spots totaling no more than 2 sq. ft. (0.2 sq. m.) in any one interior room or space, or totaling no more than 20 sq. ft. (2.0 sq. m.) on exterior surfaces.

(f) Paint stripping in a poorly ventilated space using a volatile stripper that is a hazardous substance in accordance with regulations of the Consumer Product Safety Commission at 16 CFR 1500.3, and/or a hazardous chemical in accordance with the Occupational Safety and Health Administration regulations at 29 CFR 1910.1200 or 1926.59, as applicable to the work.

§ 35.145 Compliance with Federal laws and authorities.

All lead-based paint activities, including waste disposal, performed under this part shall be performed in accordance with applicable Federal laws and authorities. For example, such activities are subject to the applicable environmental review requirements of the National Environmental Policy Act of 1969 (42 U.S.C. 4321 *et*

§ 35.150

seq.), the Toxic Substances Control Act, Title IV (15 U.S.C. 2860 *et seq.*), and other environmental laws and authorities (see, e.g., laws and authorities listed in § 50.4 of this title).

§ 35.150 Compliance with other State, tribal, and local laws.

(a) *HUD responsibility.* If HUD determines that a State, tribal or local law, ordinance, code or regulation provides for evaluation or hazard reduction in a manner that provides a comparable level of protection from the hazards of lead-based paint poisoning to that provided by the requirements of subparts B, C, D, F through M and R of this part and that adherence to the requirements of subparts B, C, D, F through M, and R of this part, would be duplicative or otherwise cause inefficiencies, HUD may modify or waive some or all of the requirements of the subparts in a manner that will promote efficiency while ensuring a comparable level of protection.

(b) *Participant responsibility.* Nothing in this part is intended to relieve any participant in a program covered by this subpart of any responsibility for compliance with State, tribal or local laws, ordinances, codes or regulations governing evaluation and hazard reduction. If a State, tribal or local law, ordinance, code or regulation defines lead-based paint differently than the Federal definition, the more protective definition (i.e., the lower level) shall be followed in that State, tribal or local jurisdiction.

§ 35.155 Minimum requirements.

(a) Nothing in subparts B, C, D, F through M, and R of this part is intended to preclude a designated party or occupant from conducting additional evaluation or hazard reduction measures beyond the minimum requirements established for each program in this regulation. For example, if the applicable subpart requires visual assessment, the designated party may choose to perform a risk assessment in accordance with § 35.1320. Similarly, if the applicable subpart requires interim controls, a designated party or occupant may choose to implement abatement in accordance with § 35.1325.

24 CFR Subtitle A (4-1-07 Edition)

(b) To the extent that assistance from any of the programs covered by subparts B, C, D, and F through M of this part is used in conjunction with other HUD program assistance, the most protective requirements prevail.

§ 35.160 Waivers.

In accordance with § 5.110 of this title, on a case-by-case basis and upon determination of good cause, HUD may, subject to statutory limitations, waive any provision of subparts B, C, D, F through M, and R of this part.

§ 35.165 Prior evaluation or hazard reduction.

If an evaluation or hazard reduction was conducted at a residential property or dwelling unit before the property or dwelling unit became subject to the requirements of subparts B, C, D, F through M, and R of this part, such an evaluation, hazard reduction or abatement meets the requirements of subparts B, C, D, F through M, and R of this part and need not be repeated under the following conditions:

(a) *Lead-based paint inspection.* (1) A lead-based paint inspection conducted before March 1, 2000, meets the requirements of this part if:

(i) At the time of the inspection the lead-based paint inspector was approved by a State or Indian tribe to perform lead-based paint inspections. It is not necessary that the State or tribal approval program had EPA authorization at the time of the inspection.

(ii) Notwithstanding paragraph (a)(1)(i) of this section, the inspection was conducted and accepted as valid by a housing agency in fulfillment of the lead-based paint inspection requirement of the public and Indian housing program.

(2) A lead-based paint inspection conducted on or after March 1, 2000, must have been conducted by a certified lead-based paint inspector.

(b) *Risk assessment.* (1) A risk assessment must be no more than 12 months old to be considered current.

(2) A risk assessment conducted before March 1, 2000, meets the requirements of this part if, at the time of the risk assessment, the risk assessor was approved by a state or Indian Tribe to

perform risk assessments. It is not necessary that the state or tribal approval program had EPA authorization at the time of the risk assessment.

(3) A risk assessment conducted on or after March 1, 2000, must have been conducted by a certified risk assessor.

(4) Paragraph (b) of this section does not apply in a case where a risk assessment is required in response to the identification of a child with an environmental intervention blood lead level. In such a case, the requirements in the applicable subpart for responding to a child with an environmental intervention blood lead level shall apply.

(c) *Interim controls.* If a residential property is under a program of interim controls and ongoing lead-based paint maintenance and reevaluation activities established pursuant to a risk assessment conducted in accordance with paragraph (b) of this section, the interim controls that have been conducted meet the requirements of this part if clearance was achieved after such controls were implemented. In such a case, the program of interim controls and ongoing activities shall be continued in accordance with the requirements of this part.

(d) *Abatement.* (1) An abatement conducted before March 1, 2000, meets the requirements of this part if:

(i) At the time of the abatement the abatement supervisor was approved by a State or Indian tribe to perform lead-based paint abatement. It is not necessary that the State or tribal approval program had EPA authorization at the time of the abatement.

(ii) Notwithstanding paragraph (d)(1)(i) of this section, it was conducted and accepted by a housing agency in fulfillment of the lead-based paint abatement requirement of the public housing program or by an Indian housing authority (as formerly defined under the U.S. Housing Act of 1937) in fulfillment of the lead-based paint requirement of the Indian housing program formerly funded under the U.S. Housing Act of 1937.

(2) An abatement conducted on or after March 1, 2000, must have been conducted under the supervision of a

certified lead-based paint abatement supervisor.

§ 35.170 Noncompliance with the requirements of subparts B through R of this part.

(a) *Monitoring and enforcement.* A designated party who fails to comply with any requirement of subparts B, C, D, F through M, and R of this part shall be subject to the sanctions available under the relevant Federal housing assistance or ownership program and may be subject to other penalties authorized by law.

(b) A property owner who informs a potential purchaser or occupant of lead-based paint or possible lead-based paint hazards in a residential property or dwelling unit, in accordance with subpart A of this part, is not relieved of the requirements to evaluate and reduce lead-based paint hazards in accordance with subparts B through R of this part as applicable.

§ 35.175 Records.

The designated party, as specified in subparts C, D, and F through M of this part, shall keep a copy of each notice, evaluation, and clearance or abatement report required by subparts C, D, and F through M of this part for at least three years. Those records applicable to a portion of a residential property for which ongoing lead-based paint maintenance and/or reevaluation activities are required shall be kept and made available for the Department's review, until at least three years after such activities are no longer required.

(a) *Activities at initial and periodic inspection—(1) Visual assessment.* During the initial and periodic inspections, an inspector trained in visual assessment for deteriorated paint surfaces in accordance with procedures established by HUD shall conduct a visual assessment of all painted surfaces in order to identify any deteriorated paint.

(2) *Paint stabilization.* The owner shall stabilize each deteriorated paint surface in accordance with § 35.1330(a) and § 35.1330(b) before occupancy of a vacant dwelling unit or, where a unit is occupied, within 30 days of notification of the results of the visual assessment. Paint stabilization is considered complete when clearance is achieved in accordance with § 35.1340.

(3) *Notice.* The owner shall provide a notice to occupants in accordance with §§ 35.125(b) (1) and (c) describing the results of the clearance examination.

(b) *Ongoing lead-based paint maintenance activities.* The owner shall incorporate ongoing lead-based paint maintenance activities into regular building operations in accordance with § 35.1355(a), unless all lead-based paint has been removed.

24 CFR Subtitle A (4–1–07 Edition)

the Residential Lead-Based Paint Hazard Reduction Act of 1992.

§ 35.730 Child with an environmental intervention blood lead level.

(a) *Risk assessment.* Within 15 days after being notified by a public health department or other medical health care provider that a child of less than 6 years of age living in a dwelling unit to which this subpart applies has been identified as having an environmental intervention blood lead level, the owner shall complete a risk assessment of the dwelling unit in which the child lived at the time the blood was last sampled and of common areas servicing the dwelling unit. The risk assessment shall be conducted in accordance with § 35.1320(b) and is considered complete when the owner receives the risk assessment report. The requirements of this paragraph apply regardless of whether the child is or is not still living in the unit when the owner receives the notification of the environmental intervention blood lead level. The requirements of this paragraph (a) shall not apply if the owner conducted a risk assessment of the unit and common areas servicing the unit between the date the child's blood was last sampled and the date when the owner received the notification of the environmental intervention blood lead level. If a public health department has already conducted an evaluation of the dwelling unit, the requirements of this paragraph shall not apply.

(b) *Verification.* After receiving information from a person who is not a medical health care provider that a child of less than 6 years of age living in a dwelling unit covered by this subpart may have an environmental intervention blood lead level, the owner shall immediately verify the information with the public health department or other medical health care provider. If that department or provider verifies that the child has an environmental intervention blood lead level, such verification shall constitute notification, and the owner shall take the action required in paragraphs (a) and (c) of this section.

(c) *Hazard reduction.* Within 30 days after receiving the report of the risk assessment conducted pursuant to

paragraph (a) of this section or the evaluation from the public health department, the owner shall complete the reduction of identified lead-based paint hazards in accordance with § 35.1325 or § 35.1330. Hazard reduction is considered complete when clearance is achieved in accordance with § 35.1340 and the clearance report states that all lead-based paint hazards identified in the risk assessment have been treated with interim controls or abatement or the public health department certifies that the lead-based paint hazard reduction is complete. The requirements of this paragraph do not apply if the owner, between the date the child's blood was last sampled and the date the owner received the notification of the environmental intervention blood lead level, already conducted a risk assessment of the unit and common areas servicing the unit and completed reduction of identified lead-based paint hazards.

(d) *Notice.* If evaluation or hazard reduction is undertaken, each owner shall provide a notice to occupants in accordance with § 35.125.

(e) *Reporting requirement.* The owner shall report the name and address of a child identified as having an environmental intervention blood lead level to the public health department within 5 working days of being so notified by any other medical health care professional.

The purpose of this subpart I is to establish procedures to eliminate as far as practicable lead-based paint hazards in a HUD-owned multifamily residential property or a multifamily residential property for which HUD is identified as mortgagee-in-possession. The requirements of this subpart apply to any such property that is offered for sale or held or managed on or after September 15, 2000.

§ 35.805 Definitions and other general requirements.

Definitions and other general requirements that apply to this subpart are found in subpart B of this part.

§ 35.810 Notices and pamphlet.

(a) *Notices.* When evaluation or hazard reduction is undertaken, the Department shall provide a notice to occupants in accordance with § 35.125. A visual assessment alone is not considered an evaluation for the purposes of this part.

(b) *Lead hazard information pamphlet.* HUD shall provide the lead hazard information pamphlet in accordance with § 35.130.

[64 FR 50211, Sept. 15, 1999, as amended at 69 FR 34272, June 21, 2004]

§ 35.815 Evaluation.

HUD shall conduct a risk assessment and a lead-based paint inspection in accordance with § 35.1320(a) and (b). For properties to which this subpart applies on September 15, 2000, the lead-based paint inspection and risk assessment shall be conducted no later than December 15, 2000, or before publicly advertising the property for sale, whichever is sooner. For properties to which this subpart becomes applicable after September 15, 2000, the lead-based paint inspection and risk assessment shall be conducted no later than 90 days after this subpart becomes applicable or before publicly advertising the property for sale, whichever is sooner.

§ 35.820 Interim controls.

HUD shall conduct interim controls in accordance with § 35.1330 to treat the lead-based paint hazards identified in the evaluation conducted in accordance with § 35.815. Interim controls are considered completed when clearance is achieved in accordance with § 35.1340. Interim controls of all lead-based paint hazards shall be completed no later than the following schedule:

(a) In units occupied by families with children of less than 6 years of age and in common areas servicing those units, interim controls shall be completed no later than 90 days after the completion of the risk assessment. In units in which a child of less than 6 years of age

§ 35.825

moves in after the completion of the risk assessment, interim controls shall be completed no later than 90 days after the move-in.

(b) In all other dwelling units, common areas, and the remaining portions of the residential property, interim controls shall be completed no later than 12 months after completion of the risk assessment for those units.

(c) If conveyance of the title by HUD at a sale of a HUD-owned property or a foreclosure sale caused by HUD when HUD is mortgagee-in-possession occurs before the schedule in paragraphs (a) and (b) of this section, HUD shall complete interim controls before conveyance or foreclosure, or HUD shall be responsible for assuring that interim controls are carried out by the purchaser. If interim controls are made a condition of sale, such controls shall be completed according to the following schedule:

(1) In units occupied by families with children of less than 6 years of age and in common areas servicing those units, interim controls shall be completed no later than 90 days after the date of the closing of the sale. In units in which a child of less than 6 years of age moves in after the closing of the sale, interim controls shall be completed no later than 90 days after the move-in.

(2) In all other dwelling units, in common areas servicing those units, and in the remaining portions of the residential property, interim controls shall be completed no later than 180 days after the closing of the sale.

§ 35.825 Ongoing lead-based paint maintenance and reevaluation.

HUD shall incorporate ongoing lead-based paint maintenance and reevaluation, in accordance with § 35.1355, into regular building operations if HUD retains ownership of the residential property for more than 12 months.

§ 35.830 Child with an environmental intervention blood lead level.

(a) *Risk assessment.* Within 15 days after being notified by a public health department or other medical health care provider that a child of less than 6 years of age living in a multifamily dwelling unit owned by HUD (or where HUD is mortgagee-in-possession) has

24 CFR Subtitle A (4–1–07 Edition)

been identified as having an environmental intervention blood lead level, HUD shall complete a risk assessment of the dwelling unit in which the child lived at the time the blood was last sampled and of common areas servicing the dwelling unit. The risk assessment shall be conducted in accordance with § 35.1320(b) and is considered complete when HUD receives the risk assessment report. The requirements of this paragraph apply regardless of whether the child is or is not still living in the unit when HUD receives the notification of the environmental intervention blood lead level. The requirements of this paragraph do not apply if HUD conducted a risk assessment of the unit and common areas servicing the unit between the date the child's blood was last sampled and the date when HUD received the notification of the environmental intervention blood lead level. If a public health department has already conducted an evaluation of the dwelling unit, the requirements of this paragraph shall not apply.

(b) *Verification.* After receiving information from a person who is not a medical health care provider that a child of less than 6 years of age living in a multifamily dwelling unit owned by HUD (or where HUD is mortgagee-in-possession) may have an environmental intervention blood lead level, HUD shall immediately verify the information with the public health department or other medical health care provider. If that department or provider verifies that the child has an environmental intervention blood lead level, such verification shall constitute notification, and HUD shall take the action required in paragraphs (a) and (c) of this section.

(c) *Hazard reduction.* Within 30 days after receiving the report of the risk assessment conducted pursuant to paragraph (a) of this section or the evaluation from the public health department, HUD shall complete the reduction of lead-based paint hazards identified in the risk assessment in accordance with § 35.1325 or § 35.1330. Hazard reduction is considered complete when clearance is achieved in accordance with § 35.1340 and the clearance report states that all lead-based paint

hazards identified in the risk assessment have been treated with interim controls or abatement or the public health department certifies that the lead-based paint hazard reduction is complete. The requirements of this paragraph do not apply if HUD, between the date the child's blood was last sampled and the date HUD received the notification of the environmental intervention blood lead level, conducted a risk assessment of the unit and common areas servicing the unit and completed reduction of identified lead-based paint hazards.

(d) *Reporting requirement.* HUD shall report the name and address of a child identified as having an environmental intervention blood lead level to the public health department within 5 working days of being so notified by any other health professional.

(e) *Closing.* If the closing of a sale is scheduled during the period when HUD is responding to a case of a child with an environmental intervention blood lead level, HUD may arrange for the completion of the procedures required by § 35.830(a)-(d) by the purchaser within a reasonable period of time.

(f) *Extensions.* The Assistant Secretary for Housing-Federal Housing Commissioner or designee may consider and approve a request for an extension of deadlines established by this section for a lead-based paint inspection, risk assessment, hazard reduction, and reporting. Such a request may be considered, however, only during the first six months during which HUD is owner or mortgagee-in-possession of a multifamily property.

Subpart J—Rehabilitation

SOURCE: 64 FR 50212, Sept. 15, 1999, unless otherwise noted.

§ 35.900 Purpose and applicability.

(a) *Purpose and applicability.* (1) The purpose of this subpart J is to establish procedures to eliminate as far as practicable lead-based paint hazards in a residential property that receives Federal rehabilitation assistance under a program administered by HUD. Rehabilitation assistance does not include project-based rental assistance, reha-

bilitation mortgage insurance or assistance to public housing.

(2) The requirements of this subpart shall not apply to HOME funds which are committed to a specific project in accordance with § 92.2 of this title before September 15, 2000. Such projects shall be subject to the requirements of § 92.355 of this title that were in effect at the time of project commitment or the requirements of this subpart.

(3) For the purposes of the Indian Housing Block Grant program and the CDBG Entitlement program, the requirements of this subpart shall apply to all residential rehabilitation activities (except those otherwise exempted) for which funds are first obligated on or after September 15, 2000. For the purposes of the State, HUD-Administered Small Cities, and Insular Areas CDBG programs, the requirements of this subpart shall apply to all covered activities (except those otherwise exempted) for which grant funding is awarded to the unit of local government by the State or HUD, as applicable, on or after September 15, 2000. For the purposes of the Emergency Shelter Grant Program (42 U.S.C. 11371-11378) and the formula grants awarded under the Housing Opportunities for Persons with AIDS Program (HOPWA) (42 U.S.C. 12901 et. seq.), the requirements of this subpart shall apply to activities for which program funds are first obligated on or after September 15, 2000.

(4) For the purposes of competitively awarded grants under the HOPWA Program and the Supportive Housing Program (42 U.S.C. 11481-11389), the requirements of this subpart shall apply to grants awarded under Notices of Funding Availability published on or after September 15, 2000.

(5) For the purposes of the Indian CDBG program (§ 1003.607 of this title), the requirements of this subpart shall not apply to funds whose notice of funding availability is announced or funding letter is sent before September 15, 2000. Such project grantees shall be subject to the regulations in effect at the time of announcement or funding letter.

(b) The grantee or participating jurisdiction may assign to a subrecipient or other entity the responsibilities set forth in this subpart.

§ 35.905

§ 35.905 Definitions and other general requirements.

Definitions and other general requirements that apply to this subpart are found in subpart B of this part.

§ 35.910 Notices and pamphlet.

(a) *Notices.* In cases where evaluation or hazard reduction or both are undertaken as part of federally funded rehabilitation, the grantee or participating jurisdiction shall provide a notice to occupants in accordance with § 35.125. A visual assessment alone is not considered an evaluation for the purposes of this part.

(b) *Lead hazard information pamphlet.* The grantee or participating jurisdiction shall provide the lead hazard information pamphlet in accordance with § 35.130.

§ 35.915 Calculating Federal rehabilitation assistance.

(a) *Applicability.* This section applies to recipients of Federal rehabilitation assistance.

(b) *Rehabilitation assistance.* (1) Lead-based paint requirements for rehabilitation fall into three categories that depend on the amount of Federal rehabilitation assistance provided. The three categories are:

(i) Assistance of up to and including \$5,000 per unit;

(ii) Assistance of more than \$5,000 per unit up to and including \$25,000 per unit; and

(iii) Assistance of more than \$25,000 per unit.

(2) For purposes of implementing §§ 35.930 and 35.935, the amount of rehabilitation assistance is the lesser of two amounts: the average Federal assistance per assisted dwelling unit and the average per unit hard costs of rehabilitation. Federal assistance includes all Federal funds assisting the project, regardless of the use of the funds. Federal funds being used for acquisition of the property are to be included as well as funds for construction, permits, fees, and other project costs. The hard costs of rehabilitation include all hard costs, regardless of source, except that the costs of lead-based paint hazard evaluation and hazard reduction activities

24 CFR Subtitle A (4–1–07 Edition)

are not to be included. Costs of site preparation, occupant protection, relocation, interim controls, abatement, clearance, and waste handling attributable to compliance with the requirements of this part are not to be included in the hard costs of rehabilitation. All other hard costs are to be included, regardless of whether the source of funds is Federal or non-Federal, public or private.

(c) *Calculating rehabilitation assistance in properties with both assisted and unassisted dwelling units.* For a residential property that includes both federally assisted and non-assisted units, the rehabilitation costs and Federal assistance associated with non-assisted units are not included in the calculations of the average per unit hard costs of rehabilitation and the average Federal assistance per unit.

(1) The average per unit hard costs of rehabilitation for the assisted units is calculated using the following formula:

Per Unit Hard Costs of Rehabilitation \$
= (a/c) + (b/d)

Where:

a = Rehabilitation hard costs for all assisted units (not including common areas and exterior surfaces)

b = Rehabilitation hard costs for common areas and exterior painted surfaces

c = Number of federally assisted units

d = Total number of units

(2) The average Federal assistance per assisted dwelling unit is calculated using the following formula:

Per unit Federal assistance = e/c

Where:

e = Total Federal assistance for the project

c = Number of federally assisted units

§ 35.920 [Reserved]

§ 35.925 Examples of determining applicable requirements.

The following examples illustrate how to determine whether the requirements of §§ 35.930(b), (c), or (d) apply to a dwelling unit receiving Federal rehabilitation assistance (dollar amounts are on a per unit basis):

(a) If the total amount of Federal assistance for a dwelling is \$2,000, and the hard costs of rehabilitation are \$10,000, the lead-based paint requirements

would be those described in § 35.930(b), because Federal rehabilitation assistance is up to and including \$5,000.

(b) If the total amount of Federal assistance for a dwelling unit is \$6,000, and the hard costs of rehabilitation are \$2,000, the lead-based paint requirements would be those described in § 35.930(b). Although the total amount of Federal dollars is more than \$5,000, only the \$2,000 of that total can be applied to rehabilitation. Therefore, the Federal rehabilitation assistance is \$2,000 which is not more than \$5,000.

(c) If the total amount of Federal assistance for a unit is \$6,000, and the hard costs of rehabilitation are \$6,000, the lead-based paint requirements are those described in § 35.930(c), because the amount of Federal rehabilitation assistance is more than \$5,000 but not more than \$25,000.

(d) If eight dwelling units in a residential property receive Federal rehabilitation assistance [symbol c in § 35.915(c)(2)] out of a total of 10 dwelling units [d], the total Federal assistance for the rehabilitation project is \$300,000 [e], the total hard costs of rehabilitation for the dwelling units are \$160,000 [a], and the total hard costs of rehabilitation for the common areas and exterior surfaces are \$20,000 [b], then the lead-based paint requirements would be those described in § 35.930(c), because the level of Federal rehabilitation assistance is \$22,000, which is not greater than \$25,000. This is calculated as follows: The total Federal assistance per assisted unit is \$37,500 ($e/c = \$300,000/8$), the per unit hard costs of rehabilitation is \$22,000 ($a/c + b/d = \$160,000/8 + \$20,000/10$), and the level of Federal rehabilitation assistance is the lesser of \$37,500 and \$22,000.

§ 35.930 Evaluation and hazard reduction requirements.

(a) *Paint testing.* The grantee or participating jurisdiction shall either perform paint testing on the painted surfaces to be disturbed or replaced during rehabilitation activities, or presume that all these painted surfaces are coated with lead-based paint.

(b) *Residential property receiving an average of up to and including \$5,000 per*

unit in Federal rehabilitation assistance. Each grantee or participating jurisdiction shall:

(1) Conduct paint testing or presume the presence of lead-based paint, in accordance with paragraph (a) of this section. If paint testing indicates that the painted surfaces are not coated with lead-based paint, safe work practices and clearance are not required.

(2) Implement safe work practices during rehabilitation work in accordance with § 35.1350 and repair any paint that is disturbed.

(3) After completion of any rehabilitation disturbing painted surfaces, perform a clearance examination of the worksite(s) in accordance with § 35.1340. Clearance is not required if rehabilitation did not disturb painted surfaces of a total area more than that set forth in § 35.1350(d).

(c) *Residential property receiving an average of more than \$5,000 and up to and including \$25,000 per unit in Federal rehabilitation assistance.* Each grantee or participating jurisdiction shall:

(1) Conduct paint testing or presume the presence of lead-based paint, in accordance with paragraph (a) of this section.

(2) Perform a risk assessment in the dwelling units receiving Federal assistance, in common areas servicing those units, and exterior painted surfaces, in accordance with § 35.1320(b), before rehabilitation begins.

(3) Perform interim controls in accordance with § 35.1330 of all lead-based paint hazards identified pursuant to paragraphs (c)(1) and (c)(2) of this section.

(4) Implement safe work practices during rehabilitation work in accordance with § 35.1350 and repair any paint that is disturbed and is known or presumed to be lead-based paint.

(d) *Residential property receiving an average of more than \$25,000 per unit in Federal rehabilitation assistance.* Each grantee or participating jurisdiction shall:

(1) Conduct paint testing or presume the presence of lead-based paint in accordance with paragraph (a) of this section.

(2) Perform a risk assessment in the dwelling units receiving Federal assistance and in associated common areas

§ 35.935

and exterior painted surfaces in accordance with § 35.1320(b) before rehabilitation begins.

(3) Abate all lead-based paint hazards identified by the paint testing or risk assessment conducted pursuant to paragraphs (d)(1) and (d)(2) of this section, in accordance with § 35.1325, except that interim controls are acceptable on exterior surfaces that are not disturbed by rehabilitation and on paint-lead hazards that have an area smaller than the *de minimis* limits of § 35.1350(d). If abatement of a paint-lead hazard is required, it is necessary to abate only the surface area with hazardous conditions.

(4) Implement safe work practices during rehabilitation work in accordance with § 35.1350 and repair any paint that is disturbed and is known or presumed to be lead-based paint.

[64 FR 50214, Sept. 15, 1999; 65 FR 3387, Jan. 21, 2000, as amended at 69 FR 34273, June 21, 2004]

§ 35.935 Ongoing lead-based paint maintenance activities.

In the case of a rental property receiving Federal rehabilitation assistance under the HOME program, the grantee or participating jurisdiction shall require the property owner to incorporate ongoing lead-based paint maintenance activities in regular building operations, in accordance with § 35.1355(a).

[69 FR 34273, June 21, 2004]

§ 35.940 Special requirements for insular areas.

If a dwelling unit receiving Federal assistance under a program covered by this subpart is located in an insular area, the requirements of this section shall apply and the requirements of § 35.930 shall not apply. All other sections of this subpart J shall apply. The insular area shall conduct the following activities for the dwelling unit, common areas servicing the dwelling unit, and the exterior surfaces of the building in which the dwelling unit is located:

(a) *Residential property receiving an average of up to and including \$5,000 per unit in Federal rehabilitation assistance.* (1) Implement safe work practices during rehabilitation work in accordance

24 CFR Subtitle A (4–1–07 Edition)

with § 35.1350 and repair any paint that is disturbed by rehabilitation.

(2) After completion of any rehabilitation disturbing painted surfaces, perform a clearance examination of the worksite(s) in accordance with § 35.1340. Clearance shall be achieved before residents are allowed to occupy the worksite(s). Clearance is not required if rehabilitation did not disturb painted surfaces of a total area more than that set forth in § 35.1350(b).

(b) *Residential property receiving an average of more than \$5,000 per unit in Federal rehabilitation assistance.* (1) Before beginning rehabilitation, perform a visual assessment of all painted surfaces in order to identify deteriorated paint.

(2) Perform paint stabilization of each deteriorated paint surface and each painted surface being disturbed by rehabilitation, in accordance with §§ 35.1330(a) and (b).

(3) After completion of all paint stabilization, perform a clearance examination of the affected dwelling units and common areas in accordance with § 35.1340. Clearance shall be achieved before residents are allowed to occupy rooms or spaces in which paint stabilization has been performed.

Subpart L—Public Housing Programs

SOURCE: 64 FR 50215, Sept. 15, 1999, unless otherwise noted.

§ 35.1100 Purpose and applicability.

The purpose of this subpart L is to establish procedures to eliminate as far as practicable lead-based paint hazards in residential property assisted under the U.S. Housing Act of 1937 (42 U.S.C. 1437 *et seq.*) but not including housing assisted under section 8 of the 1937 Act.

§ 35.1105 Definitions and other general requirements.

Definitions and other general requirements that apply to this subpart are found in subpart B of this part.

§ 35.1110 Notices and pamphlet.

(a) *Notice.* In cases where evaluation or hazard reduction is undertaken, each public housing agency (PHA) shall provide a notice to residents in accordance with § 35.125. A visual assessment alone is not considered an evaluation for purposes of this part.

(b) *Lead hazard information pamphlet.* The PHA shall provide the lead hazard information pamphlet in accordance with § 35.130.

[64 FR 50215, Sept. 15, 1999, as amended at 69 FR 34273, June 21, 2004]

§ 35.1115 Evaluation.

(a) A lead-based paint inspection shall be conducted in all public housing unless a lead-based paint inspection that meets the conditions of § 35.165(a) has already been completed. If a lead-

24 CFR Subtitle A (4–1–07 Edition)

based paint inspection was conducted by a lead-based paint inspector who was not certified, the PHA shall review the quality of the inspection, in accordance with quality control procedures established by HUD, to determine whether the lead-based paint inspection has been properly performed and the results are reliable. Lead-based paint inspections of all housing to which this subpart applies shall be completed no later than September 15, 2000. Revisions or augmentations of prior inspections found to be of insufficient quality shall be completed no later than September 17, 2001.

(b) If a lead-based paint inspection has found the presence of lead-based paint, or if no lead-based paint inspection has been conducted, the PHA shall conduct a risk assessment according to the following schedule, unless a risk assessment that meets the conditions of § 35.165(b) has already been completed:

(1) Risk assessments shall be completed on or before March 15, 2001, in a multifamily residential property constructed before 1960.

(2) Risk assessments shall be completed on or before March 15, 2002, in a multifamily residential property constructed after 1959 and before 1978.

(c) A PHA that advertises a construction contract (including architecture/engineering contracts) for bid or award or plans to start force account work shall not execute such contract until a lead-based paint inspection and, if required, a risk assessment, has taken place and any necessary abatement is included in the modernization budget, except for contracts solely for emergency work in accordance with § 35.115(a)(9).

(d) The five-year funding request plan for CIAP and CGP shall be amended to include the schedule and funding for lead-based paint activities.

§ 35.1120 Hazard reduction.

(a) Each PHA shall, in accordance with § 35.1325, abate all lead-based paint and lead-based paint hazards identified in the evaluations conducted pursuant to § 35.1115. The PHA shall abate lead-based paint and lead-based paint hazards in accordance with § 35.1325 during

the course of physical improvements conducted under the modernization.

(b) In all housing where abatement of all lead-based paint and lead-based paint hazards required in paragraph (a) of this section has not yet occurred, each PHA shall conduct interim controls, in accordance with § 35.1330, of the lead-based paint hazards identified in the most recent risk assessment.

(1) Interim controls of dwelling units in which any child who is less than 6 years of age resides and common areas servicing those dwelling units shall be completed within 90 days of the evaluation under § 35.1330. If a unit becomes newly occupied by a family with a child of less than 6 years of age or such child moves into a unit, interim controls shall be completed within 90 days after the new occupancy or move-in if they have not already been completed.

(2) Interim controls in dwelling units not occupied by families with one or more children of less than 6 years of age, common areas servicing those units, and the remaining portions of the residential property shall be completed no later than 12 months after completion of the evaluation conducted under § 35.1115.

(c) The PHA shall incorporate ongoing lead-based paint maintenance and reevaluation activities into regular building operations in accordance with § 35.1355. In accordance with § 35.115(a) (6) and (7), this requirement does not apply to a development or part thereof if it is to be demolished or disposed of in accordance with disposition requirements in part 970 of this title, provided the dwelling unit will remain unoccupied until demolition, or if it is not used and will not be used for human habitation.

§ 35.1125 Evaluation and hazard reduction before acquisition and development.

(a) For each residential property constructed before 1978 and proposed to be acquired for a family project (whether or not it will need rehabilitation) a lead-based paint inspection and risk assessment for lead-based paint hazards shall be conducted in accordance with § 35.1320.

(b) If lead-based paint is found in a residential property to be acquired, the

cost of evaluation and abatement shall be considered when making the cost comparison to justify new construction, as well as when meeting maximum total development cost limitations.

(c) If lead-based paint is found, compliance with this subpart is required, and abatement of lead-based paint and lead-based paint hazards shall be completed in accordance with § 35.1325 before occupancy.

§ 35.1130 Child with an environmental intervention blood lead level.

(a) *Risk assessment.* Within 15 days after being notified by a public health department or other medical health care provider that a child of less than 6 years of age living in a public housing development has been identified as having an environmental intervention blood lead level, the PHA shall complete a risk assessment of the dwelling unit in which the child lived at the time the blood was last sampled and of common areas servicing the dwelling unit, the provisions of § 35.1115(b) notwithstanding. The risk assessment shall be conducted in accordance with § 35.1320(b) and is considered complete when the PHA receives the risk assessment report. The requirements of this paragraph apply regardless of whether the child is or is not still living in the unit when the PHA receives the notification of the environmental intervention blood lead level. The requirements of this paragraph shall not apply if the PHA conducted a risk assessment of the unit and common areas servicing the unit between the date the child's blood was last sampled and the date when the PHA received the notification of the environmental intervention blood lead level. If the public health department has already conducted an evaluation of the dwelling unit, the requirements of this paragraph shall not apply.

(b) *Verification.* After receiving information from a person who is not a medical health care provider that a child of less than 6 years of age living in a public housing development may have an environmental intervention blood lead level, the PHA shall immediately verify the information with the

§ 35.1135

public health department or other medical health care provider. If that department or provider verifies that the child has an environmental intervention blood lead level, such verification shall constitute notification, and the housing agency shall take the action required in paragraphs (a) and (c) of this section.

(c) *Hazard reduction.* Within 30 days after receiving the report of the risk assessment conducted pursuant to paragraph (a) of this section or the evaluation from the public health department, the PHA shall complete the reduction of lead-based paint hazards identified in the risk assessment in accordance with § 35.1325 or § 35.1330. Hazard reduction is considered complete when clearance is achieved in accordance with § 35.1340 and the clearance report states that all lead-based paint hazards identified in the risk assessment have been treated with interim controls or abatement or the local or State health department certifies that lead-based paint hazard reduction is complete. The requirements of this paragraph do not apply if the PHA, between the date the child's blood was last sampled and the date the owner received the notification of the environmental intervention blood lead level, already conducted a risk assessment of the unit and common areas servicing the unit and completed reduction of identified lead-based paint hazards.

(d) *Notice of evaluation and hazard reduction.* The PHA shall notify building residents of any evaluation or hazard reduction activities in accordance with § 35.125.

(e) *Reporting requirement.* The PHA shall report the name and address of a child identified as having an environmental intervention blood lead level to the public health department within 5 working days of being so notified by any other medical health care professional. The PHA shall also report each known case of a child with an environmental intervention blood lead level to the HUD field office.

(f) *Other units in building.* If the risk assessment conducted pursuant to paragraph (a) of this section identifies lead-based paint hazards and previous evaluations of the building conducted pursuant to § 35.1320 did not identify

24 CFR Subtitle A (4-1-07 Edition)

lead-based paint or lead-based paint hazards, the PHA shall conduct a risk assessment of other units of the building in accordance with § 35.1320(b) and shall conduct interim controls of identified hazards in accordance with the schedule provided in § 35.1120(c).

§ 35.1135 Eligible costs.

A PHA may use financial assistance received under the modernization program (CIAP or CGP) for the notice, evaluation and reduction of lead-based paint hazards in accordance with § 968.112 of this title. Eligible costs include:

(a) *Evaluation and insurance costs.* Evaluation and hazard reduction activities, and costs for insurance coverage associated with these activities.

(b) *Planning costs.* Planning costs are costs that are incurred before HUD approval of the CGP or CIAP application and that are related to developing the CIAP application or carrying out eligible modernization planning, such as planning for abatement, detailed design work, preparation of solicitations, and evaluation. Planning costs may be funded as a single work item. Planning costs shall not exceed 5 percent of the CIAP funds available to a HUD Field Office in a particular fiscal year.

(c) *Architectural/engineering and consultant fees.* Eligible costs include fees for planning, identification of needs, detailed design work, preparation of construction and bid documents and other required documents, evaluation, planning and design for abatement, and inspection of work in progress.

(d) *Environmental intervention blood lead level response costs.* The PHA may use its operating reserves and, when necessary, may request reimbursement from the current fiscal year CIAP funds, or request the reprogramming of previously approved CIAP funds to cover the costs of evaluation and hazard reduction.

§ 35.1140 Insurance coverage.

For the requirements concerning the obligation of a PHA to obtain reasonable insurance coverage with respect to the hazards associated with evaluation and hazard reduction activities, see § 965.215 of this title.

Subpart M—Tenant-Based Rental Assistance

SOURCE: 64 FR 50216, Sept. 15, 1999, unless otherwise noted.

§ 35.1200 Purpose and applicability.

(a) *Purpose.* The purpose of this subpart M is to establish procedures to eliminate as far as practicable lead-based paint hazards in housing occupied by families receiving tenant-based rental assistance. Such assistance includes tenant-based rental assistance under the Section 8 certificate program, the Section 8 voucher program, the HOME program, the Shelter Plus Care program, the Housing Opportunities for Persons With AIDS (HOPWA) program, and the Indian Housing Block Grant program. *Tenant-based rental assistance* means rental assistance that is not attached to the structure.

(b) *Applicability.* (1) This subpart applies only to dwelling units occupied or to be occupied by families or households that have one or more children of less than 6 years of age, common areas servicing such dwelling units, and exterior painted surfaces associated with such dwelling units or common areas. Common areas servicing a dwelling unit include those areas through which residents pass to gain access to the unit and other areas frequented by resident children of less than 6 years of age, including on-site play areas and child care facilities.

(2) For the purposes of the Section 8 tenant-based certificate program and the Section 8 voucher program:

(i) The requirements of this subpart are applicable where an initial or periodic inspection occurs on or after September 15, 2000; and

(ii) The PHA shall be the designated party.

(3) For the purposes of formula grants awarded under the Housing Opportunities for Persons with AIDS Program (HOPWA) (42 U.S.C. 12901 *et seq.*):

(i) The requirements of this subpart shall apply to activities for which program funds are first obligated on or after September 15, 2000; and

(ii) The grantee shall be the designated party.

(4) For the purposes of competitively awarded grants under the HOPWA Pro-

gram and the Shelter Plus Care program (42 U.S.C. 11402-11407) tenant-based rental assistance component:

(i) The requirements of this subpart shall apply to grants awarded pursuant to Notices of Funding Availability published on or after September 15, 2000; and

(ii) The grantee shall be the designated party.

(5) For the purposes of the HOME program:

§ 35.1210 Notices and pamphlet.

(a) *Notice.* In cases where evaluation or paint stabilization is undertaken, the owner shall provide a notice to residents in accordance with § 35.125. A visual assessment alone is not considered an evaluation for purposes of this part.

(b) *Lead hazard information pamphlet.* The owner shall provide the lead hazard information pamphlet in accordance with § 35.130.

§ 35.1215

§ 35.1215 Activities at initial and periodic inspection.

(a) (1) During the initial and periodic inspections, an inspector acting on behalf of the designated party and trained in visual assessment for deteriorated paint surfaces in accordance with procedures established by HUD shall conduct a visual assessment of all painted surfaces in order to identify any deteriorated paint.

(2) For tenant-based rental assistance provided under the HOME program, visual assessment shall be conducted as part of the initial and periodic inspections required under § 92.209(i) of this title.

(b) The owner shall stabilize each deteriorated paint surface in accordance with §§ 35.1330(a) and (b) before commencement of assisted occupancy. If assisted occupancy has commenced prior to a periodic inspection, such paint stabilization must be completed within 30 days of notification of the owner of the results of the visual assessment. Paint stabilization is considered complete when clearance is achieved in accordance with § 35.1340. If the owner does not complete the hazard reduction required by this section, the dwelling unit is in violation of Housing Quality Standards (HQS) until the hazard reduction is completed or the unit is no longer covered by this subpart because the unit is no longer under a housing assistance payment (HAP) contract with the housing agency.

(c) The owner shall provide a notice to occupants in accordance with § 35.125(b)(1) and (c) describing the results of the clearance examination.

(d) The designated party may grant the owner an extension of time to complete paint stabilization and clearance for reasonable cause, but such an extension shall not extend beyond 90 days after the date of notification to the owner of the results of the visual assessment.

§ 35.1225 Child with an environmental intervention blood lead level.

(a) Within 15 days after being notified by a public health department or other medical health care provider that a child of less than 6 years of age living in an assisted dwelling unit has been identified as having an environmental intervention blood lead level, the designated party shall complete a risk assessment of the dwelling unit in which the child lived at the time the blood was last sampled and of the common areas servicing the dwelling unit. The risk assessment shall be conducted in accordance with § 35.1320(b). When the risk assessment is complete, the designated party shall immediately provide the report of the risk assessment to the owner of the dwelling unit. If the child identified as having an environmental intervention blood lead level is no longer living in the unit when the designated party receives notification from the public health department or other medical health care provider, but another household receiving tenant-based rental assistance is living in the unit or is planning to live there, the requirements of this section apply just as they do if the child still lives in the unit. If a public health department has already conducted an evaluation of the dwelling unit, or the designated party conducted a risk assessment of the unit and common areas servicing the unit between the date the child's blood was last sampled and the date when the designated party received the notification of the environmental intervention blood lead level, the requirements of this paragraph shall not apply.

(b) *Verification.* After receiving information from a source other than a public health department or other medical health care provider that a child of less than 6 years of age living in an assisted dwelling unit may have an environmental intervention blood lead level, the designated party shall immediately

verify the information with a public health department or other medical health care provider. If that department or provider verifies that the child has an environmental intervention blood lead level, such verification shall constitute notification to the designated party as provided in paragraph (a) of this section, and the designated party shall take the action required in paragraphs (a) and (c) of this section.

(c) *Hazard reduction.* Within 30 days after receiving the risk assessment report from the designated party or the evaluation from the public health department, the owner shall complete the reduction of identified lead-based paint hazards in accordance with § 35.1325 or § 35.1330. Hazard reduction is considered complete when clearance is achieved in accordance with § 35.1340 and the clearance report states that all lead-based paint hazards identified in the risk assessment have been treated with interim controls or abatement or when the public health department certifies that the lead-based paint hazard reduction is complete. If the owner does not complete the hazard reduction required by this section, the dwelling unit is in violation of Housing Quality Standards (HQS).

(d) *Notice of evaluation and hazard reduction.* The owner shall notify building residents of any evaluation or hazard reduction activities in accordance with § 35.125.

(e) *Reporting requirement.* The designated party shall report the name and address of a child identified as having an environmental intervention blood lead level to the public health department within 5 working days of being so notified by any other medical health care professional.

(f) *Data collection and record keeping responsibilities.* At least quarterly, the designated party shall attempt to obtain from the public health department(s) with area(s) of jurisdiction similar to that of the designated party the names and/or addresses of children of less than 6 years of age with an identified environmental intervention blood lead level. At least quarterly, the designated party shall also report an updated list of the addresses of units receiving assistance under a tenant-based rental assistance program to the

same public health department(s), except that the report(s) to the public health department(s) is not required if the health department states that it does not wish to receive such report. If it obtains names and addresses of environmental intervention blood lead level children from the public health department(s), the designated party shall match information on cases of environmental intervention blood lead levels with the names and addresses of families receiving tenant-based rental assistance, unless the public health department performs such a matching procedure. If a match occurs, the designated party shall carry out the requirements of this section.

Subparts N–Q [Reserved]

Subpart R—Methods and Standards for Lead-Paint Hazard Evaluation and Hazard Reduction Activities

SOURCE: 64 FR 50218, Sept. 15, 1999, unless otherwise noted.

§ 35.1300 Purpose and applicability.

The purpose of this subpart R is to provide standards and methods for evaluation and hazard reduction activities required in subparts B, C, D, and F through M of this part.

§ 35.1305 Definitions and other general requirements.

Definitions and other general requirements that apply to this subpart are found in subpart B of this part.

§ 35.1310 References.

Further guidance information regarding evaluation and hazard reduction activities described in this subpart is found in the following:

- (a) The HUD Guidelines for the Evaluation and Control of Lead-Based Paint Hazards in Housing (Guidelines);
- (b) The EPA Guidance on Residential Lead-Based Paint, Lead-Contaminated Dust, and Lead Contaminated Soil;
- (c) Guidance, methods or protocols issued by States and Indian tribes that have been authorized by EPA under 40 CFR 745.324 to administer and enforce lead-based paint programs.

§ 35.1315

§ 35.1315 Collection and laboratory analysis of samples.

All paint chip, dust, or soil samples shall be collected and analyzed in accordance with standards established either by a State or Indian tribe under a program authorized by EPA in accordance with 40 CFR part 745, subpart Q, or by the EPA in accordance with 40 CFR 745.227, and as further provided in this subpart.

§ 35.1320 Lead-based paint inspections, paint testing, risk assessments, lead-hazard screens, and reevaluations.

(a) *Lead-based paint inspections and paint testing.* Lead-based paint inspections shall be performed in accordance with methods and standards established either by a State or Tribal program authorized by the EPA under 40 CFR 745.324, or by the EPA at 40 CFR 745.227(b) and (h). Paint testing to determine the presence or absence of lead-based paint on deteriorated paint surfaces or surfaces to be disturbed or replaced shall be performed by a certified lead-based paint inspector or risk assessor.

(b) Risk assessments, lead-hazard screens and reevaluations. (1) Risk assessments and lead-hazard screens shall be performed in accordance with methods and standards established either by a state or tribal program authorized by the EPA, or by the EPA at 40 CFR 745.227(c), (d), and (h) and paragraph (b)(2) of this section. Reevaluations shall be performed by a certified risk assessor in accordance with § 35.1355(b) and paragraph (b)(2) of this section.

(2) Risk assessors shall use standards for determining dust-lead hazards and soil-lead hazards that are at least as protective as those promulgated by the EPA at 40 CFR 745.227(h) or, if such standards are not in effect, the following levels for dust or soil:

(i) *Dust.* A dust-lead hazard is surface dust that contains a mass-per-area concentration (loading) of lead, based on wipe samples, equal to or exceeding the applicable level in the following table:

24 CFR Subtitle A (4–1–07 Edition)

DUST LEAD STANDARDS

Evaluation method	Surface		
	Floors, $\mu\text{g}/\text{ft}^2$ (mg/m^2)	Interior window sills, $\mu\text{g}/\text{ft}^2$ (mg/m^2)	Window troughs, $\mu\text{g}/\text{ft}^2$ (mg/m^2)
Risk Assessment.	40 (0.43)	250 (2.7)	Not Applicable.
Lead Hazard Screen.	25 (0.27)	125 (1.4)	Not Applicable.
Reevaluation	40 (0.43)	250 (2.7)	Not Applicable.
Clearance	40 (0.43)	250 (2.7)	400 (4.3).

Note 1: "Floors" includes carpeted and uncarpeted interior floors.

Note 2: A dust-lead hazard is present or clearance fails when the weighted arithmetic mean lead loading for all single-surface or composite samples is equal to or greater than the applicable standard. For composite samples of two to four subsamples, the standard is determined by dividing the standard in the table by one half the number of subsamples. See EPA regulations at 40 CFR 745.63 and 745.227(h)(3)(i).

(ii) *Soil.* (A) A soil-lead hazard for play areas frequented by children under six years of age is bare soil with lead equal to or exceeding 400 parts per million (micrograms per gram).

(B) For the rest of the yard, a soil-lead hazard is bare soil that totals more than 9 square feet (0.8 square meters) per property with lead equal to or exceeding an average of 1,200 parts per million (micrograms per gram).

(3) Lead-hazard screens shall be performed in accordance with the methods and standards established either by a state or Tribal program authorized by the EPA, or by the EPA at 40 CFR 745.227(c), and paragraphs (b)(1) and (b)(2) of this section. If the lead-hazard screen indicates the need for a follow-up risk assessment (e.g., if dust-lead measurements exceed the levels established for lead-hazard screens in paragraph (b)(2)(i) of this section), a risk assessment shall be conducted in accordance with paragraphs (b)(1) and (b)(2) of this section. Dust, soil, and paint samples collected for the lead-hazard screen may be used in the risk assessment. If the lead hazard screen does not indicate the need for a follow-up risk assessment, no further risk assessment is required.

(c) It is strongly recommended, but not required, that lead-based paint inspectors, risk assessors, and sampling technicians provide a plain-language summary of the results suitable for posting or distribution to occupants in compliance with § 35.125.

[69 FR 34273, June 21, 2004]

§ 35.1325 Abatement.

Abatement shall be performed in accordance with methods and standards established either by a State or Indian tribe under a program authorized by EPA, or by EPA at 40 CFR 745.227(e), and shall be completed by achieving clearance in accordance with § 35.1340. If encapsulation or enclosure is used as a method of abatement, ongoing lead-based paint maintenance activities shall be performed as required by the applicable subpart of this part in accordance with § 35.1355. Abatement of an intact, factory-applied prime coating on metal surfaces is not required unless the surface is a friction surface.

§ 35.1330 Interim controls.

Interim controls of lead-based paint hazards identified in a risk assessment shall be conducted in accordance with the provisions of this section. Interim control measures include paint stabilization of deteriorated paint, treatments for friction and impact surfaces where levels of lead dust are above the levels specified in § 35.1320, dust control, and lead-contaminated soil control. As provided by § 35.155, interim controls may be performed in combination with, or be replaced by, abatement methods.

(a) *General requirements.* (1) Only those interim control methods identified as acceptable methods in a current risk assessment report shall be used to control identified hazards, except that, if only paint stabilization is required in accordance with subparts F, H, K or M of this part, it shall not be necessary to have conducted a risk assessment.

(2) Occupants of dwelling units where interim controls are being performed shall be protected during the course of the work in accordance with § 35.1345.

(3) Clearance testing shall be performed at the conclusion of interim control activities in accordance with § 35.1340.

(4) A person performing interim controls must be trained in accordance with the hazard communication standard for the construction industry issued by the Occupational Safety and Health Administration of the U.S. Department of Labor at 29 CFR 1926.59, and either be supervised by an individual certified as a lead-based paint

abatement supervisor or have completed successfully one of the following lead-safe work practices courses, except that this supervision or lead-safe work practices training requirement does not apply to work that disturbs painted surfaces less than the *de minimis* limits of § 35.1350(d):

(i) A lead-based paint abatement supervisor course accredited in accordance with 40 CFR 745.225;

(ii) A lead-based paint abatement worker course accredited in accordance with 40 CFR 745.225; or

(iii) Another course approved by HUD for this purpose after consultation with the EPA. A current list of approved courses is available on the Internet at <http://www.hud.gov/offices/lead>, or by mail or fax from the HUD Office of Healthy Homes and Lead Hazard Control at (202) 755-1785, extension 104 (this is not a toll-free number). Persons with hearing or speech impediments may access the above telephone number via phone or TTY by calling the toll-free Federal Information Relay Service at (800) 877-8339.

(iv) "The Remodeler's and Renovator's Lead-Based Paint Training Program," prepared by HUD and the National Association of the Remodeling Industry; or

(v) Another course approved by HUD for this purpose after consultation with EPA.

(b) *Paint stabilization.* (1) Interim control treatments used to stabilize deteriorated lead-based paint shall be performed in accordance with the requirements of this section. Interim control treatments of intact, factory applied prime coatings on metal surfaces are not required. Finish coatings on such surfaces shall be treated by interim controls if those coatings contain lead-based paint.

(2) Any physical defect in the substrate of a painted surface or component that is causing deterioration of the surface or component shall be repaired before treating the surface or component. Examples of defective substrate conditions include dry-rot, rust, moisture-related defects, crumbling plaster, and missing siding or other components that are not securely fastened.

§ 35.1330

24 CFR Subtitle A (4-1-07 Edition)

(3) Before applying new paint, all loose paint and other loose material shall be removed from the surface to be treated. Acceptable methods for preparing the surface to be treated include wet scraping, wet sanding, and power sanding performed in conjunction with a HEPA filtered local exhaust attachment operated according to the manufacturer's instructions.

(4) Dry sanding or dry scraping is permitted only in accordance with § 35.140(e) (i.e., for electrical safety reasons or for specified minor amounts of work).

(5) Paint stabilization shall include the application of a new protective coating or paint. The surface substrate shall be dry and protected from future moisture damage before applying a new protective coating or paint. All protective coatings and paints shall be applied in accordance with the manufacturer's recommendations.

(6) Paint stabilization shall incorporate the use of safe work practices in accordance with § 35.1350.

(c) *Friction and impact surfaces.* (1) Friction surfaces are required to be treated only if:

(i) Lead dust levels on the nearest horizontal surface underneath the friction surface (e.g., the window sill, window trough, or floor) are equal to or greater than the standards specified in 35.1320(b);

(ii) There is evidence that the paint surface is subject to abrasion; and

(iii) Lead-based paint is known or presumed to be present on the friction surface.

(2) Impact surfaces are required to be treated only if:

(i) Paint on an impact surface is damaged or otherwise deteriorated;

(ii) The damaged paint is caused by impact from a related building component (such as a door knob that knocks into a wall, or a door that knocks against its door frame); and

(iii) Lead-based paint is known or presumed to be present on the impact surface.

(3) Examples of building components that may contain friction or impact surfaces include the following:

(i) Window systems;

(ii) Doors;

(iii) Stair treads and risers;

(iv) Baseboards;

(v) Drawers and cabinets; and

(vi) Porches, decks, interior floors, and any other painted surfaces that are abraded, rubbed, or impacted.

(4) Interim control treatments for friction surfaces shall eliminate friction points or treat the friction surface so that paint is not subject to abrasion. Examples of acceptable treatments include rehanging and/or planing doors so that the door does not rub against the door frame, and installing window channel guides that reduce or eliminate abrasion of painted surfaces. Paint on stair treads and floors shall be protected with a durable cover or coating that will prevent abrasion of the painted surfaces. Examples of acceptable materials include carpeting, tile, and sheet flooring.

(5) Interim control treatments for impact surfaces shall protect the paint from impact. Examples of acceptable treatments include treatments that eliminate impact with the paint surface, such as a door stop to prevent a door from striking a wall or baseboard.

(6) Interim control for impact or friction surfaces does not include covering such a surface with a coating or other treatment, such as painting over the surface, that does not protect lead-based paint from impact or abrasion.

(d) *Chewable surfaces.* (1) Chewable surfaces are required to be treated only if there is evidence of teeth marks, indicating that a child of less than six years of age has chewed on the painted surface, and lead-based paint is known or presumed to be present on the surface.

(2) Interim control treatments for chewable surfaces shall make the lead-based paint inaccessible for chewing by children of less than 6 years of age. Examples include enclosures or coatings that cannot be penetrated by the teeth of such children.

(e) *Dust-lead hazard control.* (1) Interim control treatments used to control dust-lead hazards shall be performed in accordance with the requirements of this section. Additional information on dust removal is found in the HUD Guidelines, particularly Chapter 11 (see § 35.1310).

(2) Dust control shall involve a thorough cleaning of all horizontal surfaces, such as interior window sills, window troughs, floors, and stairs, but excluding ceilings. All horizontal surfaces, such as floors, stairs, window sills and window troughs, that are rough, pitted, or porous shall be covered with a smooth, cleanable covering or coating, such as metal coil stock, plastic, polyurethane, or linoleum.

(3) Surfaces covered by a rug or carpeting shall be cleaned as follows:

(i) The floor surface under a rug or carpeting shall be cleaned where feasible, including upon removal of the rug or carpeting, with a HEPA vacuum or other method of equivalent efficacy.

(ii) An unattached rug or an attached carpet that is to be removed, and padding associated with such rug or carpet, located in an area of the dwelling unit with dust-lead hazards on the floor, shall be thoroughly vacuumed with a HEPA vacuum or other method of equivalent efficacy. Protective measures shall be used to prevent the spread of dust during removal of a rug, carpet or padding from the dwelling. For example, it shall be misted to reduce dust generation during removal. The item(s) being removed shall be wrapped or otherwise sealed before removal from the worksite.

(iii) An attached carpet located in an area of the dwelling unit with dust-lead hazards on the floor shall be thoroughly vacuumed with a HEPA vacuum or other method of equivalent efficacy if it is not to be removed.

(f) *Soil-lead hazards.* (1) Interim control treatments used to control soil-lead hazards shall be performed in accordance with this section.

(2) Soil with a lead concentration equal to or greater than 5,000 µg/g of lead shall be abated in accordance with 40 CFR 745.227(e).

(3) Acceptable interim control methods for soil lead are impermanent surface coverings and land use controls.

(i) Impermanent surface coverings may be used to treat lead-contaminated soil if applied in accordance with the following requirements. Examples of acceptable impermanent coverings include gravel, bark, sod, and artificial turf.

(A) Impermanent surface coverings selected shall be designed to withstand the reasonably-expected traffic. For example, if the area to be treated is heavily traveled, neither grass or sod shall be used.

(B) When loose impermanent surface coverings such as bark or gravel are used, they shall be applied in a thickness not less than six inches deep.

(C) The impermanent surface covering material shall not contain more than 400 µg/g of lead.

(D) Adequate controls to prevent erosion shall be used in conjunction with impermanent surface coverings.

(ii) Land use controls may be used to reduce exposure to soil-lead hazards only if they effectively control access to areas with soil-lead hazards. Examples of land use controls include: fencing, warning signs, and landscaping.

(A) Land use controls shall be implemented only if residents have reasonable alternatives to using the area to be controlled.

(B) If land use controls are used for a soil area that is subject to erosion, measures shall be taken to contain the soil and control dispersion of lead.

[64 FR 50218, Sept. 15, 1999, as amended at 69 FR 34274, June 21, 2004]

§ 35.1335 Standard treatments.

Standard treatments shall be conducted in accordance with this section.

(a) *Paint stabilization.* All deteriorated paint on exterior and interior surfaces located on the residential property shall be stabilized in accordance with § 35.1330(a)(b), or abated in accordance with § 35.1325.

(b) *Smooth and cleanable horizontal surfaces.* All horizontal surfaces, such as uncarpeted floors, stairs, interior window sills and window troughs, that are rough, pitted, or porous, shall be covered with a smooth, cleanable covering or coating, such as metal coil stock, plastic, polyurethane, or linoleum.

(c) *Correcting dust-generating conditions.* Conditions causing friction or impact of painted surfaces shall be corrected in accordance with § 35.1330(c)(4)–(6).

(d) *Bare residential soil.* Bare soil shall be treated in accordance with the requirements of § 35.1330, unless it is

§ 35.1340

found not to be a soil-lead hazard in accordance with § 35.1320(b).

(e) *Safe work practices.* All standard treatments described in paragraphs (a) through (d) of this section shall incorporate the use of safe work practices in accordance with § 35.1350.

(f) *Clearance.* A clearance examination shall be performed in accordance with § 35.1340 at the conclusion of any lead hazard reduction activities.

(g) *Qualifications.* An individual performing standard treatments must meet the training and/or supervision requirements of § 35.1330(a)(4).

§ 35.1340 Clearance.

Clearance examinations required under subparts B, C, D, F through M, and R, of this part shall be performed in accordance with the provisions of this section.

(a) *Clearance following abatement.* Clearance examinations performed following abatement of lead-based paint or lead-based paint hazards shall be performed in accordance with 40 CFR 745.227(e) and paragraphs (c)–(f) of this section. Such clearances shall be performed by a person certified to perform risk assessments or lead-based paint inspections.

(b) *Clearance following activities other than abatement.* Clearance examinations performed following interim controls, paint stabilization, standard treatments, ongoing lead-based paint maintenance, or rehabilitation shall be performed in accordance with the requirements of this paragraph (b) and paragraphs (c) through (g) of this section. Clearance is not required if the work being cleared does not disturb painted surfaces of a total area more than that set forth in § 35.1350(d).

(1) *Qualified personnel.* Clearance examinations shall be performed by:

- (i) A certified risk assessor;
- (ii) A certified lead-based paint inspector;
- (iii) A person who has successfully completed a training course for sampling technicians (or a discipline of similar purpose and title) that is developed or accepted by EPA or a State or tribal program authorized by EPA pursuant to 40 CFR part 745, subpart Q, and that is given by a training provider accredited by EPA or a State or Indian

24 CFR Subtitle A (4–1–07 Edition)

Tribe for training in lead-based paint inspection or risk assessment, provided a certified risk assessor or a certified lead-based paint inspector approves the work of the sampling technician and signs the report of the clearance examination; or

(iv) A technician licensed or certified by EPA or a State or Indian Tribe to perform clearance examinations without the approval of a certified risk assessor or certified lead-based paint inspector, provided that a clearance examination by such a licensed or certified technician shall be performed only for a single-family property or individual dwelling units and associated common areas in a multi-unit property, and provided further that a clearance examination by such a licensed or certified sampling technician shall not be performed using random sampling of dwelling units or common areas in multifamily properties, except that a clearance examination performed by such a licensed or certified sampling technician is acceptable for any residential property if the clearance examination is approved and the report signed by a certified risk assessor or a certified lead-based paint inspector.

(2) *Required activities.* (i) Clearance examinations shall include a visual assessment, dust sampling, submission of samples for analysis for lead in dust, interpretation of sampling results, and preparation of a report. Soil sampling is not required. Clearance examinations shall be performed in dwelling units, common areas, and exterior areas in accordance with this section and the steps set forth at 40 CFR 745.227(e)(8). If clearance is being performed after lead-based paint hazard reduction, paint stabilization, maintenance, or rehabilitation that affected exterior surfaces but did not disturb interior painted surfaces or involve elimination of an interior dust-lead hazard, interior clearance is not required if window, door, ventilation, and other openings are sealed during the exterior work. If clearance is being performed for more than 10 dwelling units of similar construction and maintenance, as in a multifamily property, random sampling for the purpose of clearance may be conducted in accordance with 40 CFR 745.227(e)(9).

(ii) The visual assessment shall be performed to determine if deteriorated paint surfaces and/or visible amounts of dust, debris, paint chips or other residue are still present. Both exterior and interior painted surfaces shall be examined for the presence of deteriorated paint. If deteriorated paint or visible dust, debris or residue are present in areas subject to dust sampling, they must be eliminated prior to the continuation of the clearance examination, except elimination of deteriorated paint is not required if it has been determined, through paint testing or a lead-based paint inspection, that the deteriorated paint is not lead-based paint. If exterior painted surfaces have been disturbed by the hazard reduction, maintenance or rehabilitation activity, the visual assessment shall include an assessment of the ground and any outdoor living areas close to the affected exterior painted surfaces. Visible dust or debris in living areas shall be cleaned up and visible paint chips on the ground shall be removed.

(iii) Dust samples shall be wipe samples and shall be taken on floors and, where practicable, interior window sills and window troughs. Dust samples shall be collected and analyzed in accordance with § 35.1315 of this part.

(iv) Clearance reports shall be prepared in accordance with paragraph (c) of this section.

(c) *Clearance report.* When clearance is required, the designated party shall ensure that a clearance report is prepared that provides documentation of the hazard reduction or maintenance activity as well as the clearance examination. When abatement is performed, the report shall be an abatement report in accordance with 40 CFR 745.227(e)(10). When another hazard reduction or maintenance activity requiring a clearance report is performed, the report shall include the following information:

(1) The address of the residential property and, if only part of a multifamily property is affected, the specific dwelling units and common areas affected.

(2) The following information on the clearance examination:

(i) The date(s) of the clearance examination;

(ii) The name, address, and signature of each person performing the clearance examination, including certification number;

(iii) The results of the visual assessment for the presence of deteriorated paint and visible dust, debris, residue or paint chips;

(iv) The results of the analysis of dust samples, in $\mu\text{g}/\text{sq. ft.}$, by location of sample; and

(v) The name and address of each laboratory that conducted the analysis of the dust samples, including the identification number for each such laboratory recognized by EPA under section 405(b) of the Toxic Substances Control Act (15 U.S.C. 2685(b)).

(3) The following information on the hazard reduction or maintenance activity for which clearance was performed:

(i) The start and completion dates of the hazard reduction or maintenance activity;

(ii) The name and address of each firm or organization conducting the hazard reduction or maintenance activity and the name of each supervisor assigned;

(iii) A detailed written description of the hazard reduction or maintenance activity, including the methods used, locations of exterior surfaces, interior rooms, common areas, and/or components where the hazard reduction activity occurred, and any suggested monitoring of encapsulants or enclosures; and

(iv) If soil hazards were reduced, a detailed description of the location(s) of the hazard reduction activity and the method(s) used.

(d) *Standards.* The clearance standards in § 35.1320(b)(2) shall apply. If test results equal or exceed the standards, the dwelling unit, worksite, or common area represented by the sample fails the clearance examination.

(e) *Clearance failure.* All surfaces represented by a failed clearance sample shall be recleaned or treated by hazard reduction, and retested, until the applicable clearance level in § 35.1320(b)(2) is met.

(f) *Independence.* Clearance examinations shall be performed by persons or entities independent of those performing hazard reduction or maintenance activities, unless the designated

§ 35.1345

party uses qualified in-house employees to conduct clearance. An in-house employee shall not conduct both a hazard reduction or maintenance activity and its clearance examination.

(g) *Worksite clearance.* Clearance of only the worksite is permitted after work covered by §§ 35.930, 35.1330, 35.1335, or 35.1355, when containment is used to ensure that dust and debris generated by the work is kept within the worksite. Otherwise, clearance must be of the entire dwelling unit, common area, or outbuilding, as applicable. When clearance is of an interior worksite that is not an entire dwelling unit, common area, or outbuilding, dust samples shall be taken for paragraph (b) of this section as follows:

(1) Sample, from each of at least four rooms, hallways, stairwells, or common areas within the dust containment area:

(i) The floor (one sample); and

(ii) Windows (one interior sill sample and one trough sample, if present); and

(2) Sample the floor in a room, hallway, stairwell, or common area connected to the dust containment area, within five feet outside the area (one sample).

§ 35.1345 Occupant protection and worksite preparation.

This section establishes procedures for protecting dwelling unit occupants and the environment from contamination from lead-contaminated or lead-containing materials during hazard reduction activities.

(a) *Occupant protection.* (1) Occupants shall not be permitted to enter the worksite during hazard reduction activities (unless they are employed in the conduct of these activities at the worksite), until after hazard reduction work has been completed and clearance, if required, has been achieved.

(2) Occupants shall be temporarily relocated before and during hazard reduction activities to a suitable, decent, safe, and similarly accessible dwelling unit that does not have lead-based paint hazards, except if:

(i) Treatment will not disturb lead-based paint, dust-lead hazards or soil-lead hazards;

(ii) Only the exterior of the dwelling unit is treated, and windows, doors, ventilation intakes and other openings in or near the worksite are sealed during hazard control work and cleaned afterward, and entry free of dust-lead hazards, soil-lead hazards, and debris is provided;

(iii) Treatment of the interior will be completed within one period of 8-day-time hours, the worksite is contained so as to prevent the release of leaded dust and debris into other areas, and treatment does not create other safety, health or environmental hazards (e.g., exposed live electrical wiring, release of toxic fumes, or on-site disposal of hazardous waste); or

(iv) Treatment of the interior will be completed within 5 calendar days, the worksite is contained so as to prevent the release of leaded dust and debris into other areas, treatment does not create other safety, health or environmental hazards; and, at the end of work on each day, the worksite and the area within at least 10 feet (3 meters) of the containment area is cleaned to remove any visible dust or debris, and occupants have safe access to sleeping areas, and bathroom and kitchen facilities.

(3) The dwelling unit and the worksite shall be secured against unauthorized entry, and occupants' belongings protected from contamination by dust-lead hazards and debris during hazard reduction activities. Occupants' belongings in the containment area shall be relocated to a safe and secure area outside the containment area, or covered with an impermeable covering with all seams and edges taped or otherwise sealed.

(b) *Worksite preparation.* (1) The worksite shall be prepared to prevent the release of leaded dust, and contain lead-based paint chips and other debris from hazard reduction activities within the worksite until they can be safely removed. Practices that minimize the spread of leaded dust, paint chips, soil and debris shall be used during worksite preparation.

(2) A warning sign shall be posted at each entry to a room where hazard reduction activities are conducted when occupants are present; or at each main and secondary entryway to a building

24 CFR Subtitle A (4-1-07 Edition)

from which occupants have been relocated; or, for an exterior hazard reduction activity, where it is easily read 20 feet (6 meters) from the edge of the hazard reduction activity worksite. Each warning sign shall be as described in 29 CFR 1926.62(m), except that it shall be posted irrespective of employees' lead exposure and, to the extent practicable, provided in the occupants' primary language.

§ 35.1350 Safe work practices.

(a) *Prohibited methods.* Methods of paint removal listed in § 35.140 shall not be used.

(b) *Occupant protection and worksite preparation.* Occupants and their belongings shall be protected, and the worksite prepared, in accordance with § 35.1345. A person performing this work shall be trained on hazards and either be supervised or have completed successfully one of the specified courses, in accordance with § 35.1330(a)(4).

(c) *Specialized cleaning.* After hazard reduction activities have been completed, the worksite shall be cleaned using cleaning methods, products, and devices that are successful in cleaning up dust-lead hazards, such as a HEPA vacuum or other method of equivalent efficacy, and lead-specific detergents or equivalent.

(d) *De minimis levels.* Safe work practices are not required when maintenance or hazard reduction activities do not disturb painted surfaces that total more than:

(1) 20 square feet (2 square meters) on exterior surfaces;

(2) 2 square feet (0.2 square meters) in any one interior room or space; or

(3) 10 percent of the total surface area on an interior or exterior type of component with a small surface area. Examples include window sills, baseboards, and trim.

§ 35.1355 Ongoing lead-based paint maintenance and reevaluation activities.

(a) *Maintenance.* Maintenance activities shall be conducted in accordance with paragraphs (a)(2)–(6) of this section, except as provided in paragraph (a)(1) of this section.

(1) Maintenance activities need not be conducted in accordance with this section if a lead-based paint inspection indicates that no lead-based paint is present in the dwelling units, common areas, and on exterior surfaces, or a clearance report prepared in accordance with § 35.1340(a) indicates that all lead-based paint has been removed.

(2) A visual assessment for deteriorated paint, bare soil, and the failure of any hazard reduction measures shall be performed at unit turnover and every twelve months.

(3) (i) *Deteriorated paint.* All deteriorated paint on interior and exterior surfaces located on the residential property shall be stabilized in accordance with § 35.1330(a)(b), except for any paint that an evaluation has found is not lead-based paint.

(ii) *Bare soil.* All bare soil shall be treated with standard treatments in accordance with § 35.1335(d) through (g), or interim controls in accordance with § 35.1330(a) and (f); except for any bare soil that a current evaluation has found is not a soil-lead hazard.

(4) Safe work practices, in accordance with sec. 35.1350, shall be used when performing any maintenance or renovation work that disturbs paint that may be lead-based paint.

(5) Any encapsulation or enclosure of lead-based paint or lead-based paint hazards which has failed to maintain its effectiveness shall be repaired, or abatement or interim controls shall be performed in accordance with §§ 35.1325 or 35.1330, respectively.

(6) Clearance testing of the worksite shall be performed at the conclusion of repair, abatement or interim controls in accordance with § 35.1340.

(7) Each dwelling unit shall be provided with written notice asking occupants to report deteriorated paint and, if applicable, failure of encapsulation or enclosure, along with the name, address and telephone number of the person whom occupants should contact. The language of the notice shall be in accordance with § 35.125(c)(3). The designated party shall respond to such report and stabilize the deteriorated paint or repair the encapsulation or enclosure within 30 days.

(b) *Reevaluation.* Reevaluation shall be conducted in accordance with this

§ 35.1355

paragraph (b), and the designated party shall conduct interim controls of lead-based paint hazards found in the reevaluation.

(1) Reevaluation shall be conducted if hazard reduction has been conducted to reduce lead-based paint hazards found in a risk assessment or if standard treatments have been conducted, except that reevaluation is not required if any of the following cases are met:

- (i) An initial risk assessment found no lead-based paint hazards;
- (ii) A lead-based paint inspection found no lead-based paint; or
- (iii) All lead-based paint was abated in accordance with § 35.1325, provided that no failures of encapsulations or enclosures have been found during visual assessments conducted in accordance with § 35.1355(a)(2) or during other observations by maintenance and repair workers in accordance with § 35.1355(a)(5) since the encapsulations or enclosures were performed.

(2) Reevaluation shall be conducted to identify:

- (i) Deteriorated paint surfaces with known or suspected lead-based paint;
- (ii) Deteriorated or failed interim controls of lead-based paint hazards or encapsulation or enclosure treatments;
- (iii) Dust-lead hazards; and
- (iv) Soil that is newly bare with lead levels equal to or above the standards in § 35.1320(b)(2).

(3) Each reevaluation shall be performed by a certified risk assessor.

(4) Each reevaluation shall be conducted in accordance with the following schedule if a risk assessment or other evaluation has found deteriorated lead-based paint in the residential property, a soil-lead hazard, or a dust-lead hazard on a floor or interior window sill. (Window troughs are not sampled during reevaluation). The first reevaluation shall be conducted no later than two years from completion of hazard reduction. Subsequent reevaluation shall be conducted at intervals of two years, plus or minus 60 days. To be exempt from additional reevaluation, at least two consecutive reevaluations conducted at such two-year intervals must be conducted without finding lead-based paint hazards or a failure of an encapsulation or enclosure. If, however, a reevaluation finds

24 CFR Subtitle A (4-1-07 Edition)

lead-based paint hazards or a failure, at least two more consecutive reevaluations conducted at such two year intervals must be conducted without finding lead-based paint hazards or a failure.

(5) Each reevaluation shall be performed as follows:

(i) Dwelling units and common areas shall be selected and reevaluated in accordance with § 35.1320(b).

(ii) The worksites of previous hazard reduction activities that are similar on the basis of their original lead-based paint hazard and type of treatment shall be grouped. Worksites within such groups shall be selected and reevaluated in accordance with § 35.1320(b).

(6) Each reevaluation shall include reviewing available information, conducting selected visual assessment, recommending responses to hazard reduction omissions or failures, performing selected evaluation of paint, soil and dust, and recommending response to newly-found lead-based paint hazards.

(i) *Review of available information.* The risk assessor shall review any available past evaluation, hazard reduction and clearance reports, and any other available information describing hazard reduction measures, ongoing maintenance activities, and relevant building operations.

(ii) *Visual assessment.* The risk assessor shall:

(A) Visually evaluate all lead-based paint hazard reduction treatments, any known or suspected lead-based paint, any deteriorated paint, and each exterior site, and shall identify any new areas of bare soil;

(B) Determine acceptable options for controlling the hazard; and

(C) Await the correction of any hazard reduction omission or failure and the reduction of any lead-based paint hazard before sampling any dust or soil the risk assessor determines may reasonably be associated with such hazard.

(iii) *Reaction to hazard reduction omission or failure.* If any hazard reduction control has not been implemented or is failing (e.g., an encapsulant is peeling away from the wall, a paint-stabilized surface is no longer intact, or gravel covering an area of bare soil has worn

away), or deteriorated lead-based paint is present, the risk assessor shall:

(A) Determine acceptable options for controlling the hazard; and

(B) Await the correction of any hazard reduction omission or failure and the reduction of any lead-based paint hazard before sampling any dust or soil the risk assessor determines may reasonably be associated with such hazard.

(iv) *Selected paint, soil and dust evaluation.* (A) The risk assessor shall sample deteriorated paint surfaces identified during the visual assessment and have the samples analyzed, in accordance with 40 CFR 745.227(b)(3)(4), but only if reliable information about lead content is unavailable.

(B) The risk assessor shall evaluate new areas of bare soil identified during the visual assessment. Soil samples shall be collected and analyzed in accordance with 40 CFR 745.227(d)(8)–(11), but only if the soil lead levels have not been previously measured.

(C) The risk assessor shall take selected dust samples and have them analyzed. Dust samples shall be collected and analyzed in accordance with § 35.1320(b). At least two composite samples, one from floors and the other from interior window sills, shall be taken in each dwelling unit and common area selected. Each composite sample shall consist of four individual samples, each collected from a different room or area. If the dwelling unit contains both carpeted and uncarpeted living areas, separate floor samples are required from the carpeted and uncarpeted areas. Equivalent single-surface sampling may be used instead of composite sampling.

(7) The risk assessor shall provide the designated party with a written report documenting the presence or absence of lead-based paint hazards, the current status of any hazard reduction and standard treatment measures used previously and any newly-conducted evaluation and hazard reduction activities. The report shall include the information in 40 CFR 745.227(d)(11), and shall:

(i) Identify any lead-based paint hazards previously detected and discuss the effectiveness of any hazard reduction or standard treatment measures

used, and list those for which no measures have been used.

(ii) Describe any new hazards found and present the owner with acceptable control options and their accompanying reevaluation schedules.

(iii) Identify when the next reevaluation, if any, must occur, in accordance with the requirements of paragraph (b)(4) of this section.

(c) *Response to the reevaluation*—(1) *Hazard reduction omission or failure found by a reevaluation.* The designated party shall respond in accordance with paragraph (b)(6)(iii)(A) of this section to a report by the risk assessor of a hazard reduction control that has not been implemented or is failing, or that deteriorated lead-based paint is present.

(2) *Newly-identified lead-based paint hazard found by a reevaluation.* The designated party shall treat each:

(i) Dust-lead hazard or paint lead hazard by cleaning or hazard reduction measures, which are considered completed when clearance is achieved in accordance with § 35.1340.

(ii) Soil-lead hazard by hazard reduction measures, which are considered completed when clearance is achieved in accordance with § 35.1340.

§ 40.2

persons will have ready access to, and use of, such structures.

§ 40.2 Definition of “residential structure”.

(a) As used in this part, the term *residential structure* means a residential structure (other than a privately owned residential structure and a residential structure on a military reservation):

(1) Constructed or altered by or on behalf of the United States;

(3) Financed in whole or in part by a grant or loan made by the United States after August 12, 1968, if such residential structure is subject to standards for design, construction, or alteration issued under authority of the law authorizing such grant or loan.

(b) As used in this part, *residential structure* includes the following:

(1) Any residential structure which, in whole or in part, is intended for occupancy by the physically handicapped or designed for occupancy by the elderly;

(2) All elevator residential structures;

§ 40.3 Applicability.

(a) The standards prescribed in § 40.4 are applicable to residential structures designed after the effective date of this part. If the design of a structure commenced prior to that date, the standards shall be made applicable to the maximum extent practicable, as determined by the head of the department, agency, or instrumentality of the United States concerned. If no design stage is involved in the construction or alteration of a residential structure,

24 CFR Subtitle A (4–1–07 Edition)

the standards of § 40.4 shall be applicable to construction or alteration for which bids are solicited after the effective date of this part.

(b) The standards prescribed in § 40.4 are not applicable to:

(1) Any portion of a residential structure or its grounds which need not, because of its intended use, be made accessible to, or usable by, the public or by physically handicapped persons;

(2) The alteration of an existing residential structure to the extent that the alteration does not involve work which is related to the standards of this part; or

(3) The alteration of an existing building, or of such portions thereof, to which application of the standards is not structurally feasible.

§ 40.4 Standards.

Residential structures subject to this part shall be designed, constructed or altered to ensure that physically handicapped persons have access to, and use of, these structures. This requirement is satisfied by using the specifications contained in appendix A to this part, the Uniform Federal Accessibility Standards (UFAS).

41.2 Definitions.

41.3 Assurance and declaration required.

41.4 Waiver or modification of standards.

41.5 Achieving compliance.

41.6 Matters involving the Architectural and Transportation Barriers Compliance Board.

AUTHORITY: Architectural Barriers Act of 1968, as amended by Pub. L. 90-480, 42 U.S.C. 4151 *et seq.*

SOURCE: 44 FR 62806, Oct. 31, 1979, unless otherwise noted.

§41.1 Applicability.

This part sets forth policies and procedures for the enforcement of standards and requirements for accessibility by the physically handicapped imposed:

(a) For nonresidential buildings or facilities by regulations issued by the General Services Administration at subchapter D of the Federal Property Management Regulations, subpart 101-19.6—Accommodations for the Physically Handicapped, or

(b) By regulation or contract under any other program of the Department, except a program subject only to standards or requirements at 24 CFR part 8 imposed pursuant to section 504 of the Rehabilitation Act of 1973.

The policies and procedures of this part shall apply after the effective date of these regulations to all complaints received, and/or findings of noncompliance made, regarding buildings or fa-

cilities subject to such regulatory or contractual requirements.

§41.2 Definitions.

As used in this part, the term Secretary means the Secretary of Housing and Urban Development, or to the extent of any delegation of authority by the Secretary to act under this part, any other Department Official to whom authority has been delegated.

§41.3 Assurance and declaration required.

(a) Each Assistant Secretary shall, as a condition for approval of any contract or application for assistance under a program imposing standards and/or requirements for accessibility which are subject to this part, require an assurance of compliance with those standards and requirements. Such assurance shall be in a form acceptable to the Secretary.

(b) For each project covered under this part, except a project subject to Departmental examinations and inspections as set forth in §41.5(a), the responsible Assistant Secretary shall require a declaration as to project drawings, specifications, and other construction documents. The declaration shall be signed by the licensed, or registered, architect or engineer, or by such other responsible official as designated by HUD, who has prepared such construction documents. The declaration shall affirm that the proposed project, to the best knowledge and belief of the declarer, conforms to applicable accessibility design standards and requirements. The declaration statement shall be in a form acceptable to the Secretary.

§41.4 Waiver or modification of standards.

(a) The applicability of standards and requirements for accessibility by the physically handicapped may be waived or modified on a case-by-case basis upon a written request from a recipient of a Departmental grant or loan or from a Departmental agency leasing a building or facility.

(b) For residential buildings or facilities, a waiver or modification may be granted only by the Secretary.

§41.5

(c) Upon the recommendation of an Assistant Secretary, a waiver or modification for nonresidential buildings or facilities may be granted only by the Administrator, General Services Administration.

(d) No request for a waiver or modification shall be recommended for approval by an Assistant Secretary or approved by the Secretary unless the following criteria obtain:

(1) The granting of the waiver or modification is based upon findings of fact, and is not inconsistent with the provisions of the Architectural Barriers Act, and

(2) Application of the requirement or standard would adversely affect the purposes of the Departmental program under which the loan or grant is being provided or for which the building or facility is being leased.

(e) Requests for a waiver or modification shall be submitted to the appropriate Assistant Secretary for review. Each request shall include:

(1) The name and address of the requestor.

(2) The name and location of the involved building or facility.

(3) Any applicable plans, drawings, specifications or other descriptions of the building or facility.

(4) The standard provision or requirement from which the requestor seeks a waiver or modification.

(5) A description of the building or facility as to its accessibility for the physically handicapped and how the waiving or modification of a standard or requirement would affect that accessibility.

(6) A statement of the facts which establish that the criteria of paragraph (d) of this section would be satisfied.

(7) A description of the steps taken, or to be taken, to comply with standards and requirements for which a waiver or modification is not being requested.

(8) Such other information as the requestor or the responsible Assistant Secretary deems appropriate or necessary.

(f) If the responsible Assistant Secretary finds that the criteria of paragraph (d) of this section are satisfied, then he or she shall submit the request along with his or her recommendations

24 CFR Subtitle A (4-1-07 Edition)

to the Secretary for action or for referral to the Administrator, General Services Administration for action. In reviewing request for waiver and modifications, the Secretary shall assure consistent Department policy regarding the removal of architectural barriers and accessibility by physically handicapped persons.

(g) All waivers and modifications granted pursuant to this part shall have only future effect on; and are limited to cases for which the request is made.

§41.5 Achieving compliance.

(a) *Examinations and inspections.* If, for any project, an Assistant Secretary requires Departmental architectural and engineering examinations of drawings and specifications or other construction documents or requires Departmental architectural and engineering inspections during or upon completion of construction, those examinations and inspections shall include a determination of compliance with standards and requirements for accessibility referenced in this part.

(b) *Periodic compliance reviews.* The Secretary, in consultation with the appropriate Assistant Secretary, shall conduct surveys and investigations as deemed appropriate to achieve compliance with standards or requirements subject to this part.

(c) *Complaints.* Any interested person who has reason to believe that there has been noncompliance with standards or requirements subject to this part, may, by himself or herself, or by a representative, file a written complaint with the responsible Department Official or with the Architectural and Transportation Barriers Compliance Board, Washington, DC 20201.

(d) *Investigations.* The Secretary shall, after consultation with the appropriate Assistant Secretary, make a prompt investigation whenever a compliance review, report, complaint, or any other information indicates a possible failure to comply with standards or requirements subject to this part. The investigation should include a determination of the authority under which the standards or requirements were imposed and, where appropriate, a review of the records kept pursuant to

Office of the Secretary, HUD

§ 42.1

24 CFR 40.6; the circumstances under which the building of facility was designed, constructed or altered; and other factors relevant to a determination as to whether there has been non-compliance with this part.

(e) *Resolution of matters.* (1) If any examination, inspection, periodic compliance review, complaint, or investigation pursuant to this section indicates a failure to comply with the applicable standards or requirements, the Secretary shall attempt to gain voluntary compliance whenever possible.

(2) If it has been determined that voluntary compliance cannot be achieved, the Secretary shall refer the matter to the appropriate Assistant Secretary for action pursuant to his or her program authority regarding the residential structure or other building or facility under investigation, to achieve compliance with the requirements subject to this part. § 41.6 Matters involving the Architectural and Transportation Barriers Compliance Board.

(a) *Complaints.* With respect to any complaint referred to the responsible Department Official by the Architectural and Transportation Barriers Compliance Board (A&TBCB), the pro-

In such a case, the Secretary shall coordinate all investigations and/or other compliance actions to assure that the Department resolves any architectural barriers deficiencies so as to respond to the A&TBCB within its required 60-day period set forth at 36 CFR 1150.41 for the informal resolution of complaints.

(b) *Citations.* The Office of General Counsel shall, with the assistance of the appropriate Assistant Secretary, respond to any citation issued by the A&TBCB to the Department alleging noncompliance with the standards issued pursuant to the Architectural Barriers Act of 1968, as amended. Subpart A—General

§ 42.1 Applicable rules.

(a) *URA.* HUD-assisted programs and projects are subject to the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, 42

§ 42.301

24 CFR Subtitle A (4-1-07 Edition)

U.S.C. 4601 (URA) (42 U.S.C. 4601), and implementing regulations issued by the Department of Transportation at 49 CFR part 24.

(b) *Section 104(d)*. In addition to the URA, the Community Development Block Grant (CDBG), Urban Development Action Grant (UDAG), and HOME Investment Partnerships (HOME) programs are also subject to section 104(d) of the Housing and Community Development Act of 1974 (42 U.S.C. 5304(d)). The provisions applicable to these programs are set out in subpart C of this part.

(c) *Additional requirements*. Applicable program regulations may contain additional relocation provisions.

Subpart B [Reserved]

Subpart C—Requirements Under Section 104(d) of Housing and Community Development Act of 1974

§ 42.301 Applicability.

This subpart applies only to CDBG grants under 24 CFR part 570, subparts D, F, and I (Entitlement grants, HUD-Administered Small Cities, and State programs); grants under 24 CFR part 570, subpart G (Urban Development Action Grants), and Loan Guarantees under 24 CFR part 570, subpart M; and assistance to State and local governments under 24 CFR part 92 (HOME program).

§ 42.305 Definitions.

The terms *Fair Market Rent (FMR)*, *HUD*, *Section 8*, and *Uniform Relocation Act (URA)* are defined in part 5 of this title. Otherwise, as used in this subpart:

Comparable replacement dwelling unit means a dwelling unit that:

(1) Meets the criteria of 49 CFR 24.2(d)(1) through (6); and

(2) Is available at a monthly cost for rent plus estimated average monthly utility costs that does not exceed the “Total Tenant Payment” determined under § 813.107 of this title, after taking into account any rental assistance the household would receive.

Conversion. (1) This term means altering a housing unit so that it is:

- (i) Used for nonhousing purposes;
- (ii) Used for housing purposes, but no longer meets the definition of lower-income dwelling unit; or
- (iii) Used as an emergency shelter.

(2) A housing unit that continues to be used for housing after completion of the project is not considered a “conversion” if, upon completion of the project, the unit is owned and occupied by a person who owned and occupied the unit before the project.

Displaced person means a lower-income person who, in connection with an activity assisted under any program subject to this subpart, permanently moves from real property or permanently moves personal property from real property as a direct result of the demolition or conversion of a lower-income dwelling. For purposes of this definition, a permanent move includes a move made permanently and:

(1) After notice by the grantee to move from the property following initial submission to HUD of the consolidated plan required of entitlement grantees pursuant to § 570.302; of an application for assistance pursuant to §§ 570.426, 570.430, or 570.465 that is thereafter approved; or an application for loan assistance under § 570.701 that is thereafter approved;

(2) After notice by the property owner to move from the property, following the submission of a request for financial assistance by the property owner (or other person in control of the site) that is thereafter approved; or

(3) Before the dates described in this definition, if HUD or the grantee determine that the displacement was a direct result of conversion or demolition in connection with an activity subject to this subpart for which financial assistance has been requested and is thereafter approved.

HCD Act of 1974 means the Housing and Community Development Act of 1974 (42 U.S.C. 5301 et seq.).

Lower-income dwelling unit means a dwelling unit with a market rent (including utility costs) that does not exceed the applicable Fair Market Rent (FMR) for existing housing established under 24 CFR part 888.

Lower-income person means, as appropriate, a “low and moderate income person” as that term is defined in

§ 570.3 of this title, or a “low-income family” as that term is defined in § 92.2 of this title.

Recipient means CDBG grantee, UDAG grantee, or the HOME participating jurisdiction.

Standard condition and substandard condition suitable for rehabilitation have the meaning the recipient has established for those terms in its HUD-approved consolidated plan pursuant to 24 CFR part 91. In the case of a unit of general local government funded by a State, either the State's definitions for those terms or the definitions adopted by the unit of general local government for this purpose shall apply.

Vacant occupiable dwelling unit means a vacant dwelling unit that is in a standard condition; a vacant dwelling unit that is in a substandard condition, but is suitable for rehabilitation; or a dwelling unit in any condition that has been occupied (except by a squatter) at any time within the period beginning 3 months before the date of execution of the agreement by the recipient covering the rehabilitation or demolition.

§ 42.325 Residential antidisplacement and relocation assistance plan.

(a) *Certification.* (1) As part of its consolidated plan under 24 CFR part 91, the recipient must certify that it has in effect and is following a residential antidisplacement and relocation assistance plan.

(2) A unit of general local government receiving funds from the State must certify to the State that it has in effect and is following a residential antidisplacement and relocation assistance plan, and that it will minimize displacement of persons as a result of assisted activities. The State may require the unit of general local government to follow the State's plan or permit it to develop its own plan. A unit of general local government that develops its own plan must adopt the plan and make it public.

(b) *Plan contents.* (1) The plan shall indicate the steps that will be taken consistent with other goals and objectives of the program, as provided in parts 92 and 570 of this title, to minimize the displacement of families and individuals from their homes and

neighborhoods as a result of any assisted activities.

(2) The plan shall provide for relocation assistance in accordance with § 42.350.

(3) The plan shall provide one-for-one replacement units to the extent required by § 42.375.

§ 42.350 Relocation assistance for displaced persons.

A displaced person may choose to receive either assistance under the URA and implementing regulations at 49 CFR part 24 or assistance under section 104(d) of the HCD Act of 1974, including:

(a) *Advisory services.* Advisory services at the levels described in 49 CFR part 24. A displaced person must be advised of his or her rights under the Fair Housing Act (42 U.S.C. 3601-19). If the comparable replacement dwelling to be provided to a minority person is located in an area of minority concentration, as defined in the recipient's consolidated plan, if applicable, the minority person must also be given, if possible, referrals to comparable and suitable decent, safe, and sanitary replacement dwellings not located in such areas.

(b) *Moving expenses.* Payment for moving expenses at the levels described in 49 CFR part 24.

(c) *Security deposits and credit checks.* The reasonable and necessary cost of any security deposit required to rent the replacement dwelling unit, and for credit checks required to rent or purchase the replacement dwelling unit.

(d) *Interim living costs.* The recipient shall reimburse a person for actual reasonable out-of-pocket costs incurred in connection with a displacement, including moving expenses and increased housing costs, if:

(1) The person must relocate temporarily because continued occupancy of the dwelling unit constitutes a substantial danger to the health or safety of the person or the public; or

(2) The person is displaced from a “lower-income dwelling unit,” none of the comparable replacement dwelling units to which the person has been referred qualifies as a lower-income

§ 42.375

dwelling unit, and a suitable lower-income dwelling unit is scheduled to become available in accordance with § 42.375.

(e) *Replacement housing assistance.* Persons are eligible to receive one of the following two forms of replacement housing assistance:

(1) Each person must be offered rental assistance equal to 60 times the amount necessary to reduce the monthly rent and estimated average monthly cost of utilities for a replacement dwelling (comparable replacement dwelling or decent, safe, and sanitary replacement dwelling to which the person relocates, whichever costs less) to the "Total Tenant Payment," as determined under part 813 of this title. All or a portion of this assistance may be offered through a certificate or voucher for rental assistance (if available) provided under Section 8. If a Section 8 certificate or voucher is provided to a person, the recipient must provide referrals to comparable replacement dwelling units where the owner is willing to participate in the Section 8 Tenant-Based Assistance Existing Housing Program (see part 982 of this title). When provided, cash assistance will generally be in installments, in accordance with 42 U.S.C. 3537c; or

(2) If the person purchases an interest in a housing cooperative or mutual housing association and occupies a decent, safe, and sanitary dwelling in the cooperative or association, the person may elect to receive a payment equal to the capitalized value of 60 times the amount that is obtained by subtracting the "Total Tenant Payment," as determined under part 813 of this title, from the monthly rent and estimated average monthly cost of utilities at a comparable replacement dwelling unit. To compute the capitalized value, the installments shall be discounted at the rate of interest paid on passbook savings deposits by a federally insured financial institution conducting business within the recipient's jurisdiction. To the extent necessary to minimize hardship to the household, the recipient shall, subject to appropriate safeguards, issue a payment in advance of the purchase of the interest in the housing cooperative or mutual housing association.

24 CFR Subtitle A (4-1-07 Edition)

§ 42.375 One-for-one replacement of lower-income dwelling units.

(a) *Units that must be replaced.* All occupied and vacant occupiable lower-income dwelling units that are demolished or converted to a use other than as lower-income dwelling units in connection with an assisted activity must be replaced with comparable lower-income dwelling units.

(b) *Acceptable replacement units.* Replacement lower-income dwelling units may be provided by any government agency or private developer and must meet the following requirements:

(1) The units must be located within the recipient's jurisdiction. To the extent feasible and consistent with other statutory priorities, the units shall be located within the same neighborhood as the units replaced.

(2) The units must be sufficient in number and size to house no fewer than the number of occupants who could have been housed in the units that are demolished or converted. The number of occupants who could have been housed in units shall be determined in accordance with applicable local housing occupancy codes. The recipient may not replace those units with smaller units (e.g., a 2-bedroom unit with two 1-bedroom units), unless the recipient has provided the information required under paragraph (c)(7) of this section.

(3) The units must be provided in standard condition. Replacement lower-income dwelling units may include units that have been raised to standard from substandard condition if:

(i) No person was displaced from the unit (see definition of "displaced person" in § 42.305); and

(ii) The unit was vacant for at least 3 months before execution of the agreement between the recipient and the property owner.

(4) The units must initially be made available for occupancy at any time during the period beginning 1 year before the recipient makes public the information required under paragraph (d) of this section and ending 3 years after the commencement of the demolition or rehabilitation related to the conversion.

(5) The units must be designed to remain lower-income dwelling units for at least 10 years from the date of initial occupancy. Replacement lower-income dwelling units may include, but are not limited to, public housing or existing housing receiving Section 8 project-based assistance.

(c) *Preliminary information to be made public.* Before the recipient enters into a contract committing it to provide funds under programs covered by this subpart for any activity that will directly result in the demolition of lower-income dwelling units or the conversion of lower-income dwelling units to another use, the recipient must make public, and submit in writing to the HUD field office (or State, in the case of a unit of general local government funded by the State), the following information:

(1) A description of the proposed assisted activity;

(2) The location on a map and number of dwelling units by size (number of bedrooms) that will be demolished or converted to a use other than for lower-income dwelling units as a direct result of the assisted activity;

(3) A time schedule for the commencement and completion of the demolition or conversion;

(4) The location on a map and the number of dwelling units by size (number of bedrooms) that will be provided as replacement dwelling units. If such data are not available at the time of the general submission, the submission shall identify the general location on an area map and the approximate number of dwelling units by size, and information identifying the specific location and number of dwelling units by size shall be submitted and disclosed to the public as soon as it is available;

(5) The source of funding and a time schedule for the provision of replacement dwelling units;

(6) The basis for concluding that each replacement dwelling unit will remain a lower-income dwelling unit for at least 10 years from the date of initial occupancy; and

(7) Information demonstrating that any proposed replacement of dwelling units with smaller dwelling units (e.g., a 2-bedroom unit with two 1-bedroom units) is consistent with the needs as-

essment contained in its HUD-approved consolidated plan. A unit of general local government funded by the State that is not required to submit a consolidated plan to HUD must make public information demonstrating that the proposed replacement is consistent with the housing needs of lower-income households in the jurisdiction.

(d) *Replacement not required.* (1) In accordance with 42 U.S.C. 5304(d)(3), the one-for-one replacement requirement of this section does not apply to the extent the HUD field office determines, based upon objective data, that there is an adequate supply of vacant lower-income dwelling units in standard condition available on a nondiscriminatory basis within the area.

(2) The recipient must submit directly to the HUD field office the request for determination that the one-for-one replacement requirement does not apply. Simultaneously with the submission of the request, the recipient must make the submission public and inform interested persons that they have 30 days from the date of submission to provide to HUD additional information supporting or opposing the request.

(3) A unit of general local government funded by the State must submit the request for determination under this paragraph to the State. Simultaneously with the submission of the request, the unit of general local government must make the submission public and inform interested persons that they have 30 days from the date of submission to provide to the State additional information supporting or opposing the request. If the State, after considering the submission and the additional data, agrees with the request, the State must provide its recommendation with supporting information to the field office.

§ 42.390 Appeals.

A person who disagrees with the recipient's determination concerning whether the person qualifies as a "displaced person," or with the amount of relocation assistance for which the person is eligible, may file a written appeal of that determination with the recipient. A person who is dissatisfied with the recipient's determination on

Pt. 50

his or her appeal may submit a written request for review of that determination to the HUD field office (or to the State in the case of a unit of general local government funded by the State). If the full relief is not granted, the recipient shall advise the person of his or her right to seek judicial review.

SOURCE: 61 FR 50916, Sept. 27, 1996, unless otherwise noted.

Subpart A—General: Federal Laws and Authorities

§ 50.1 Purpose, authority, and applicability.

(a) This part implements the policies of the National Environmental Policy Act (NEPA) and other environmental requirements (as specified in §50.4).

(b) NEPA (42 U.S.C. 4321 *et seq.*), establishes national policy, goals and procedures for protecting, restoring and enhancing environmental quality. NEPA is implemented by Executive Order 11514 of March 5, 1970, (3 CFR, 1966–1970 Comp., p. 902) as amended by Executive Order 11991 of May 24, 1977, (3 CFR, 1977 Comp., p. 123) and by the Council on Environmental Quality (CEQ) Regulations, 40 CFR parts 1500–1508.

(c) The regulations issued by CEQ at 40 CFR parts 1500–1508 establish the basic procedural requirements for compliance with NEPA. These procedures are to be followed by all Federal agencies and are incorporated by reference into this part. This part, therefore, provides supplemental instructions to reflect the particular nature of HUD programs, and is to be used in tandem with 40 CFR parts 1500–1508 and regulations that implement authorities cited at §50.4.

(d) These regulations apply to all HUD policy actions (as defined in §50.16), and to all HUD project actions (see §50.2(a)(2)). Also, they apply to projects and activities carried out by recipients subject to environmental policy and procedures of 24 CFR part 58, when the recipient that is regulated under 24 CFR part 58 claims the lack of legal capacity to assume the Secretary's environmental review responsibilities and the claim is approved by

HUD or when HUD determines to conduct an environmental review itself in place of a nonrecipient responsible entity. For programs, activities or actions not specifically identified or when there are questions regarding the applicability of this part, the Assistant Secretary for Community Planning and Development shall be consulted.

Policy actions include all proposed FEDERAL REGISTER policy documents and other policy-related Federal actions (40 CFR 1508.18). The decision as to whether a proposed policy action is categorically excluded from an EA shall be made by the Program Environmental Clearance Officer (PECO) in Headquarters as early as possible. Where the PECO has any doubt as to whether a proposed action qualifies for exclusion, the PECO shall request a determination by the AS/CPD. The EA and FONSI may be combined into a single document.

§ 50.17 Decision points for projects.

Either an EA and FONSI or an EIS for individual projects shall be completed before the applicable program decision points below for projects not meeting the criteria of § 50.20. Compliance with applicable authorities cited in § 50.4 shall be completed before the applicable program decision points below unless the project meets the criteria for exclusion under § 50.19.

(a) *New Construction.* (1) Project mortgage insurance or other financial assistance for multifamily housing projects (including sections 202 and 811), nursing homes, hospitals, group practice facilities and manufactured home parks: Issuance of Site Appraisal and Market Analysis (SAMA) Letter or initial equivalent indication of HUD approval of a specific site;

(2) *Public Housing: HUD approval of the proposal.*

(3) *Loan Guarantee Recovery Fund Program (24 CFR part 573).* HUD issuance of a letter of commitment or initial equivalent indication of HUD approval.

(b) *Rehabilitation projects.* Use the decision points under "new construction" for HUD programs cited in paragraph (a) of this section; otherwise the decision point is the HUD project approval.

(c) *Public housing modernization programs.* HUD approval of the modernization grants.

(d) *Property Disposition.* Multifamily structures, college housing, nursing homes, manufactured homes and parks, group practice facilities, vacant land and one to four family structures: HUD approval of the Disposition Program.

(e) *HUD programs subject to 24 CFR part 58.* For cases in which HUD exercises environmental responsibility under this part where a recipient lacks legal capacity to do so or HUD determines to do so in place of a non-recipient responsible entity under 24 CFR part 58 (see § 50.1(d)), the decision point is: HUD's execution of an agreement or contract, whichever comes first, or in the case of Section 8 Project-Based Certificate Assistance and Moderate Rehabilitation, HUD notification to the Public Housing Agency to proceed with execution of an Agreement to Enter into Housing Assistance Payments (HAP) Contract.

§ 50.18

24 CFR Subtitle A (4-1-07 Edition)

(f) *Section 50.3(h)*. Notwithstanding the other paragraphs of this section, the decision point for grant programs in which HUD approval of funding for an applicant's program must occur before the applicant's selection of properties for use in its program is: HUD approval of specific properties.

(g) *Stewart B. McKinney Homeless Assistance Act Programs*. Where the recipients are nonprofit organizations or governmental entities with special or limited purpose powers, the decision point is: HUD project approval.

(h) *Programs not specifically covered in this section*. Consult with the AS/CPD for decision points.

Subpart D—General Policy: Environmental Review Procedures

§ 50.18 General.

HUD may, from time to time, complete programmatic reviews that further avoid the necessity of complying with the laws and authorities in § 50.4 on a property-by-property basis.

§ 50.19 Categorical exclusions not subject to the Federal laws and authorities cited in § 50.4.

(a) *General*. The activities and related approvals of policy documents listed in paragraphs (b) and (c) of this section are not subject to the individual compliance requirements of the Federal laws and authorities cited in § 50.4, unless otherwise indicated below. These activities and approvals of policy documents are also categorically excluded from the EA required by NEPA except in extraordinary circumstances (§ 50.20(b)). HUD approval or implementation of these categories of activities and policy documents does not require environmental review, because they do not alter physical conditions in a manner or to an extent that would require review under NEPA or the other laws and authorities cited at § 50.4.

(b) *Activities*. (1) Environmental and other studies, resource identification and the development of plans and strategies.

(2) Information and financial advisory services.

(3) Administrative and management expenses.

(4) Public services that will not have a physical impact or result in any physical changes, including but not limited to services concerned with employment, crime prevention, child care, health, drug abuse, education, counseling, energy conservation and welfare or recreational needs.

(5) Inspections and testing of properties for hazards or defects.

(6) Purchase of insurance.

(7) Purchase of tools.

(8) Engineering or design costs.

(9) Technical assistance and training.

(10) Assistance for temporary or permanent improvements that do not alter environmental conditions and are limited to protection, repair or restoration activities necessary only to control or arrest the effects from disasters or imminent threats to public safety including those resulting from physical deterioration.

(11) Tenant-based rental assistance.

(12) Supportive services including, but not limited to, health care, housing services, permanent housing placement, day care, nutritional services, short-term payments for rent/mortgage/utility costs, and assistance in gaining access to local, State, and Federal government benefits and services.

(13) Operating costs including maintenance, security, operation, utilities, furnishings, equipment, supplies, staff training and recruitment and other incidental costs; however, in the case of equipment, compliance with § 50.4(b)(1) is required.

(14) Economic development activities, including but not limited to, equipment purchase, inventory financing, interest subsidy, operating expenses and similar costs not associated with construction or physical expansion of existing facilities; however, in the case of equipment purchase, compliance with § 50.4(b)(1) is required.

(15) Activities to assist homebuyers to purchase existing dwelling units or dwelling units under construction, including closing costs and downpayment assistance, interest buydowns, and similar activities that result in the transfer of title.

(16) Housing pre-development costs including legal, consulting, developer and other costs related to site options, project financing, administrative costs

and fees for loan commitments, zoning approvals, and other related activities which do not have a physical impact.

(17) HUD's insurance of one-to-four family mortgages under the Direct Endorsement program, the insurance of one-to-four family mortgages under the Lender Insurance program, and HUD's guarantee of loans for one-to-four family dwellings under the Direct Guarantee procedure for the Indian Housing loan guarantee program, without any HUD review or approval before the completion of construction or rehabilitation and the loan closing; and HUD's acceptance for insurance of loans insured under Title I of the National Housing Act; however, compliance with §§ 50.4(b)(1) and (c)(1) and 24 CFR 51.303(a)(3) is required.

(18) HUD's endorsement of one-to-four family mortgage insurance for proposed construction under Improved Area processing; however, the Appraiser/Review Appraiser Checklist (Form HUD-54891) must be completed.

(19) Activities of the Government National Mortgage Association under Title III of the National Housing Act (12 U.S.C. 1716 *et seq.*).

(20) Activities under the Interstate Land Sales Full Disclosure Act (15 U.S.C. 1701 *et seq.*).

(21) Refinancing of HUD-insured mortgages that will not allow new construction or rehabilitation, nor result in any physical impacts or changes except for routine maintenance; however, compliance with § 50.4(b)(1) is required.

(22) Approval of the sale of a HUD-held mortgage.

(23) Approval of the foreclosure sale of a property with a HUD-held mortgage; however, appropriate restrictions will be imposed to protect historic properties.

(24) HUD guarantees under the Loan Guarantee Recovery Fund Program (24 CFR part 573) of loans that refinance existing loans and mortgages, where any new construction or rehabilitation financed by the existing loan or mortgage has been completed prior to the filing of an application under the program, and the refinancing will not allow further construction or rehabilitation, nor result in any physical impacts or changes except for routine maintenance; however, compliance

with §§ 50.4 (b)(1) and (c)(1) and 51.303(a) is required.

(c) *Approval of policy documents.* (1) Approval of rules and notices proposed for publication in the FEDERAL REGISTER or other policy documents that do not:

(i) Direct, provide for assistance or loan and mortgage insurance for, or otherwise govern or regulate, real property acquisition, disposition, leasing (other than tenant-based rental assistance), rehabilitation, alteration, demolition, or new construction; or

(ii) Establish, revise, or provide for standards for construction or construction materials, manufactured housing, or occupancy.

(2) Approval of policy documents that amend an existing document where the existing document as a whole would not fall within an exclusion in this paragraph (c) but the amendment by itself would do so;

(3) Approval of policy documents that set out fair housing or nondiscrimination standards or enforcement procedures or provide for assistance in promoting or enforcing fair housing or nondiscrimination;

(4) Approval of handbooks, notices and other documents that provide operating instructions and procedures in connection with activities under a FEDERAL REGISTER document that has previously been subject to a required environmental review.

(5) Approval of a Notice of Funding Availability (NOFA) that provides funding under, and does not alter any environmental requirements of, a regulation or program guideline that was previously published in the FEDERAL REGISTER, provided that

(i) The NOFA specifically refers to the environmental review provisions of the regulation or guideline; or

(ii) The regulation or guideline contains no environmental review provisions because it concerns only activities listed in paragraph (b) of this section.

(6) Statutorily required and/or discretionary establishment and review of interest rates, loan limits, building cost limits, prototype costs, fair market rent schedules, HUD-determined prevailing wage rates, income limits and exclusions with regard to eligibility for

§ 50.20

or calculation of HUD housing assistance or rental assistance, and similar rate and cost determinations and related external administrative or fiscal requirements or procedures which do not constitute a development decision that affects the physical condition of specific project areas or building sites.

[61 FR 50916, Sept. 27, 1996, as amended at 62 FR 15802, Apr. 2, 1997; 63 FR 48990, Sept. 11, 1998; 68 FR 56127, Sept. 29, 2003]

§ 50.20 Categorical exclusions subject to the Federal laws and authorities cited in § 50.4.

(a) The following actions, activities and programs are categorically excluded from the NEPA requirements of this part. They are not excluded from individual compliance requirements of other environmental statutes, Executive orders and HUD standards cited in § 50.4, where appropriate. Form HUD-4128 shall be used to document compliance. Where the responsible official determines that any item identified below may have an environmental effect because of extraordinary circumstances (40 CFR 1508.4), the requirements of NEPA shall apply (see paragraph (b) of this section).

(1) Special projects directed to the removal of material and architectural barriers that restrict the mobility of and accessibility to elderly and persons with disabilities.

(2) Rehabilitation of buildings and improvements when the following conditions are met:

(i) In the case of a building for residential use (with one to four units), the density is not increased beyond four units, the land use is not changed, and the footprint of the building is not increased in a floodplain or in a wetland;

(ii) In the case of multifamily residential buildings:

(A) Unit density is not changed more than 20 percent;

(B) The project does not involve changes in land use from residential to non-residential; and

(C) The estimated cost of rehabilitation is less than 75 percent of the total estimated cost of replacement after rehabilitation.

(iii) In the case of non-residential structures, including commercial, industrial, and public buildings:

24 CFR Subtitle A (4-1-07 Edition)

(A) The facilities and improvements are in place and will not be changed in size nor capacity by more than 20 percent; and

(B) The activity does not involve a change in land use, such as from non-residential to residential, commercial to industrial, or from one industrial use to another.

(3)(i) An individual action on up to four dwelling units where there is a maximum of four units on any one site. The units can be four one-unit buildings or one four-unit building or any combination in between; or

(ii) An individual action on a project of five or more housing units developed on scattered sites when the sites are more than 2,000 feet apart and there are not more than four housing units on any one site.

(iii) Paragraphs (a)(3)(i) and (ii) of this section do not apply to rehabilitation of a building for residential use (with one to four units) (see paragraph (a)(2)(i) of this section).

(4) Acquisition (including leasing) or disposition of, or equity loans on an existing structure, or acquisition (including leasing) of vacant land provided that the structure or land acquired, financed, or disposed of will be retained for the same use.

(5) Purchased or refinanced housing and medical facilities under section 223(f) of the National Housing Act (12 U.S.C. 1715n).

(6) Mortgage prepayments or plans of action (including incentives) under 24 CFR part 248.

(b) For categorical exclusions having the potential for significant impact because of extraordinary circumstances, HUD must prepare an EA in accordance with subpart E. If it is evident without preparing an EA that an EIS is required pursuant to § 50.42, HUD should proceed directly to the preparation of an EIS in accordance with subpart F.

[61 FR 50916, Sept. 27, 1996, as amended at 68 FR 56127, Sept. 29, 2003]

§ 50.21 Aggregation.

Activities which are geographically related and are logical parts of a composite of contemplated HUD projects shall be evaluated together.

Office of the Secretary, HUD

§ 50.32

§ 50.22 Environmental management and monitoring.

An Environmental Management and Monitoring Program shall be established prior to project approval when it is deemed necessary by the HUD approving official. The program shall be part of the approval document and must:

(a) Be concurred in by the Field Environmental Clearance Officer (FECO) (in the absence of a FECO, by the Program Environmental Clearance Officer in Headquarters) and any cooperating agencies;

(b) Contain specific standards, safeguards and commitments to be completed during project implementation;

(c) Identify the staff who will be responsible for the post-approval inspection; and

(d) Specify the time periods for conducting the evaluation and monitoring the applicant's compliance with the project agreements.

§ 50.23 Public participation.

HUD shall inform the affected public about NEPA-related hearings, public meetings, and the availability of environmental documents (see 40 CFR 1506.6(b)) in accordance with this section. Where project actions result in a FONSI, the FONSI will be available in the project file. The local HUD field office may be contacted by persons who wish to review the FONSI. In all cases, HUD shall mail notices to those who have requested them. Additional efforts for involving the public in specific notice or compliance requirements shall be made in accord with the implementing procedures of the laws and authorities cited in § 50.4. Notices pertaining to an EIS or an amendment to an EIS or a FONSI subject to § 50.34 shall be given to the public in accordance with paragraphs (a) through (d) of this section.

(a) A NOI/EIS shall be forwarded to the AS/CPD to the attention of the Departmental Environmental Clearance Officer for publication in the FEDERAL REGISTER.

(b) Notices will be bilingual if the affected public includes a significant portion of non-English speaking persons and will identify a date when the official public involvement element of the

proposed action is to be completed and HUD internal processing is to continue.

(c) All required notices shall be published in an appropriate local printed news medium, and sent to individuals and groups known to be interested in the proposed action.

(d) All notices shall inform the public where additional information may be obtained.

§ 50.24 HUD review of another agency's EIS.

Where another agency's EIS is referred to the HUD Field Office in whose jurisdiction the project is located, the Field Environmental Clearance Officer shall determine whether HUD has an interest in the EIS and, if so, will review and comment. Any EIS received from another Federal agency requesting comment on legislative proposals, regulations, or other policy documents shall be sent to the AS/CPD for comment, and the AS/CPD shall provide the General Counsel the opportunity for comment.

Subpart E—Environmental Assessments and Related Reviews

§ 50.31 The EA.

(a) Form HUD-4128—Environmental Assessment and Compliance Findings for the Related Laws—is the EA form to be used for analysis and documentation by HUD for projects and activities under subpart E. The Departmental Environmental Clearance Officer shall approve the issuance of equivalent formats, if Form HUD-4128 does not meet specific program needs.

(b) The program representative shall obtain interdisciplinary assistance from professional experts and other HUD staff as needed. Additional information may also be requested of the sponsor/applicant. HUD is responsible for assessing and documenting the extent of the environmental impact.

§ 50.32 Responsibility for environmental processing.

The program staff in the HUD office responsible for processing the project application or recommending a policy action is responsible for conducting the compliance finding, EA, or EIS. The collection of data and studies as part of

§ 50.33

the information contained in the environmental review may be done by an applicant or the applicant's contractor. The HUD program staff may use any information supplied by the applicant or contractor, provided HUD independently evaluates the information, will be responsible for its accuracy, supplements the information, if necessary, to conform to the requirements of this part, and prepares the environmental finding. Assessments for projects over 200 lots/dwelling units or beds shall be sent to the Field Environmental Clearance Officer (FECO) or, in the absence of a FECO, to the Program Environmental Clearance Officer in Headquarters for review and comment.

§ 50.33 Action resulting from the assessment.

(a) A proposal may be accepted without modifications if the EA indicates that the proposal will not significantly (see 40 CFR 1508.27) affect the quality of the human environment and a FONSI is prepared.

(b) A proposal may be accepted with modifications provided that:

(1) Changes have been made that would reduce adverse environmental impact to acceptable and insignificant levels; and

(2) An Environmental Management and Monitoring Program is developed in accordance with § 50.22 when it is deemed necessary by the HUD approving official.

(c) A proposal should be rejected if significant and unavoidable adverse environmental impacts would still exist after modifications have been made to the proposal and an EIS is not prepared.

(d) A proposal (if not rejected) shall require an EIS if the EA indicates that significant environmental impacts would result.

§ 50.34 Time delays for exceptional circumstances.

(a) Under the circumstances described in this section, the FONSI must be made available for public review for 30 calendar days before a final decision is made whether to prepare an EIS and before the HUD action is taken. The circumstances are:

24 CFR Subtitle A (4–1–07 Edition)

(1) When the proposed action is, or is closely similar to, one which normally requires the preparation of an EIS pursuant to § 50.42(b) but it is determined, as a result of an EA or in the course of preparation of a draft EIS, that the proposed action will not have a significant impact on the human environment; or

(2) When the nature of the proposed action is without precedent and does not appear to require more than an assessment.

(b) In such cases, the FONSI must be concurred in by the AS/CPD and the Program Environmental Clearance Officer. Notice of the availability of the FONSI shall be given to the public in accordance with paragraphs (a) through (d) of § 50.23.

§ 50.35 Use of prior environmental assessments.

When other Federal, State, or local agencies have prepared an EA or other environmental analysis for a proposed HUD project, these documents should be requested and used to the extent possible. HUD must, however, conduct the environmental analysis and prepare the EA and be responsible for the required environmental finding.

§ 50.36 Updating of environmental reviews.

The environmental review must be re-evaluated and updated when the basis for the original environmental or compliance findings is affected by a major change requiring HUD approval in the nature, magnitude or extent of a project and the project is not yet complete. A change only in the amount of financing or mortgage insurance involved does not normally require the environmental review to be re-evaluated or updated.

Subpart F—Environmental Impact Statements

§ 50.41 EIS policy.

EIS's will be prepared and considered in program determinations pursuant to the general environmental policy stated in § 50.3 and 40 CFR 1505.2 (b) and (c).

Office of the Secretary, HUD

§ 51.2

§ 50.42 Cases when an EIS is required.

(a) An EIS is required if the proposal is determined to have a significant impact on the human environment pursuant to subpart E.

(b) An EIS will normally be required if the proposal:

(1) Would provide a site or sites for hospitals or nursing homes containing a total of 2,500 or more beds; or

(2) Would remove, demolish, convert, or substantially rehabilitate 2,500 or more existing housing units (but not including rehabilitation projects categorically excluded under § 50.20), or which would result in the construction or installation of 2,500 or more housing units, or which would provide sites for 2,500 or more housing units.

(c) When the environmental concerns of one or more Federal authorities cited in § 50.4 will be affected by the proposal, the cumulative impact of all such effects should be assessed to determine whether an EIS is required. Where all of the affected authorities provide alternative procedures for resolution, those procedures should be used in lieu of an EIS.

§ 50.43 Emergencies.

In cases of national emergency and disasters or cases of imminent threat to health and safety or other emergency which require the taking of an action with significant environmental impact, the provisions of 40 CFR 1506.11 and of any applicable § 50.4 authorities which provide for emergencies shall apply.

Subpart A—General Provisions

§ 51.1 Purpose.

The Department of Housing and Urban Development is providing program Assistant Secretaries and administrators and field offices with environmental standards, criteria and guidelines for determining project acceptability and necessary mitigating measures to insure that activities assisted by the Department achieve the goal of a suitable living environment.

§ 51.2 Authority.

This part implements the Department's responsibilities under: The National Housing Act (12 U.S.C. 1701 *et seq.*); sec. 2 of the Housing Act of 1949 (42 U.S.C. 1441); secs. 2 and 7(d) of the Department of Housing and Urban Development Act (42 U.S.C. 3531 and

§51.3

3535(d)); the National Environmental Policy Act of 1969 (42 U.S.C. 4321); and the other statutes that are referred to in this part.

[61 FR 13333, Mar. 26, 1996]

§51.3 Responsibilities.

The Assistant Secretary for Community Planning and Development is responsible for administering HUD's environmental criteria and standards as set forth in this part. The Assistant Secretary for Community Planning and Development may be assisted by HUD officials in implementing the responsibilities established by this part. HUD will identify these HUD officials and their specific responsibilities through FEDERAL REGISTER notice.

[61 FR 13333, Mar. 26, 1996]

§51.4 Program coverage.

Environmental standards shall apply to all HUD actions except where special provisions and exemptions are contained in each subpart.

Subpart B—Noise Abatement and Control

§51.100 Purpose and authority.

(a) It is the purpose of this subpart B to:

(1) Call attention to the threat of noise pollution;

(2) Encourage the control of noise at its source in cooperation with other Federal departments and agencies;

(3) Encourage land use patterns for housing and other noise sensitive urban needs that will provide a suitable separation between them and major noise sources;

(4) Generally prohibit HUD support for new construction of noise sensitive uses on sites having unacceptable noise exposure;

(5) Provide policy on the use of structural and other noise attenuation measures where needed; and

(6) Provide policy to guide implementation of various HUD programs.

(b) *Authority.* Specific authorities for noise abatement and control are contained in the Noise Control Act of 1972, as amended (42 U.S.C. 4901 *et seq.*); and the General Services Administration, Federal Management Circular 75-2;

24 CFR Subtitle A (4-1-07 Edition)

Compatible Land Uses at Federal Airfields.

[44 FR 40861, July 12, 1979, as amended at 61 FR 13333, Mar. 26, 1996]

§51.101 General policy.

(a) It is HUD's general policy to provide minimum national standards applicable to HUD programs to protect citizens against excessive noise in their communities and places of residence.

(1) *Planning assistance.* HUD requires that grantees give adequate consideration to noise exposures and sources of noise as an integral part of the urban environment when HUD assistance is provided for planning purposes, as follows:

(i) Particular emphasis shall be placed on the importance of compatible land use planning in relation to airports, highways and other sources of high noise.

(ii) Applicants shall take into consideration HUD environmental standards impacting the use of land.

(2) *Activities subject to 24 CFR part 58.*

(i) Responsible entities under 24 CFR part 58 must take into consideration the noise criteria and standards in the environmental review process and consider ameliorative actions when noise sensitive land development is proposed in noise exposed areas. Responsible entities shall address deviations from the standards in their environmental reviews as required in 24 CFR part 58.

(ii) Where activities are planned in a noisy area, and HUD assistance is contemplated later for housing and/or other noise sensitive activities, the responsible entity risks denial of the HUD assistance unless the HUD standards are met.

(3) *HUD support for new construction.*

HUD assistance for the construction of new noise sensitive uses is prohibited generally for projects with unacceptable noise exposures and is discouraged for projects with normally unacceptable noise exposure. (Standards of acceptability are contained in §51.103(c).) This policy applies to all HUD programs providing assistance, subsidy or insurance for housing, manufactured home parks, nursing homes, hospitals, and all programs providing assistance or insurance for land development, redevelopment or any other provision of

facilities and services which are directed to making land available for housing or noise sensitive development. The policy does not apply to research demonstration projects which do not result in new construction or reconstruction, flood insurance, interstate land sales egistration, or any action or emergency assistance under disaster assistance provisions or appropriations which are provided to save lives, protect property, protect public health and safety, remove debris and wreckage, or assistance that has the effect of restoring facilities substantially as they existed prior to the disaster.

(4) *HUD support for existing construction.* Noise exposure by itself will not result in the denial of HUD support for the resale and purchase of otherwise acceptable existing buildings. However, environmental noise is a marketability factor which HUD will consider in determining the amount of insurance or other assistance that may be given.

(5) *HUD support of modernization and rehabilitation.* For modernization projects located in all noise exposed areas, HUD shall encourage noise attenuation features in alterations. For major or substantial rehabilitation projects in the Normally Unacceptable and Unacceptable noise zones, HUD actively shall seek to have project sponsors incorporate noise attenuation features, given the extent and nature of the rehabilitation being undertaken and the level or exterior noise exposure. In Unacceptable noise zones, HUD shall strongly encourage conversion of noise-exposed sites to land uses compatible with the high noise levels.

(6) *Research, guidance and publications.* HUD shall maintain a continuing program designed to provide new knowledge of noise abatement and control to public and private bodies, to develop improved methods for anticipating noise encroachment, to develop noise abatement measures through land use and building construction practices, and to foster better understanding of the consequences of noise. It shall be HUD's policy to issue guidance documents periodically to assist HUD personnel in assigning an acceptability category to projects in accordance with noise exposure standards, in evaluating noise attenuation measures,

and in advising local agencies about noise abatement strategies. The guidance documents shall be updated periodically in accordance with advances in the state-of-the-art.

(7) *Construction equipment, building equipment and appliances.* HUD shall encourage the use of quieter construction equipment and methods in population centers, the use of quieter equipment and appliances in buildings, and the use of appropriate noise abatement techniques in the design of residential structures with potential noise problems.

(8) *Exterior noise goals.* It is a HUD goal that exterior noise levels do not exceed a day-night average sound level of 55 decibels. This level is recommended by the Environmental Protection Agency as a goal for outdoors in residential areas. The levels recommended by EPA are not standards and do not take into account cost or feasibility. For the purposes of this regulation and to meet other program objectives, sites with a day-night average sound level of 65 and below are acceptable and are allowable (see Standards in § 51.103(c)).

(9) *Interior noise goals.* It is a HUD goal that the interior auditory environment shall not exceed a day-night average sound level of 45 decibels. Attenuation measures to meet these interior goals shall be employed where feasible. Emphasis shall be given to noise sensitive interior spaces such as bedrooms. Minimum attenuation requirements are prescribed in § 51.104(a).

(10) *Acoustical privacy in multifamily buildings.* HUD shall require the use of building design and acoustical treatment to afford acoustical privacy in multifamily buildings pursuant to requirements of the Minimum Property Standards.

[44 FR 40861, July 12, 1979, as amended at 50 FR 9268, Mar. 7, 1985; 61 FR 13333, Mar. 26, 1996]

§ 51.102 Responsibilities.

(a) *Surveillance of noise problem areas.* Appropriate field staff shall maintain surveillance of potential noise problem areas and advise local officials, developers, and planning groups of the unacceptability of sites because of noise exposure at the earliest possible

§ 51.103

24 CFR Subtitle A (4-1-07 Edition)

time in the decision process. Every attempt shall be made to insure that applicants' site choices are consistent with the policy and standards contained herein.

(b) *Notice to applicants.* At the earliest possible stage, HUD program staff shall:

(1) Determine the suitability of the acoustical environment of proposed projects;

(2) Notify applicants of any adverse or questionable situations; and

(3) Assure that prospective applicants are apprised of the standards contained herein so that future site choices will be consistent with these standards.

(c) *Interdepartmental coordination.* HUD shall foster appropriate coordination between field offices and other departments and agencies, particularly the Environmental Protection Agency, the Department of Transportation, Department of Defense representatives, and the Department of Veterans Affairs. HUD staff shall utilize the acceptability standards in commenting on the prospective impacts of transportation facilities and other noise generators in the Environmental Impact Statement review process.

§ 51.103 Criteria and standards.

These standards apply to all programs as indicated in § 51.101.

(a) *Measure of external noise environments.* The magnitude of the external noise environment at a site is determined by the value of the day-night average sound level produced as the result of the accumulation of noise from all sources contributing to the external noise environment at the site. Day-night average sound level, abbreviated as DNL and symbolized as L_{dn} , is the 24-hour average sound level, in decibels, obtained after addition of 10 decibels to sound levels in the night from 10 p.m. to 7 a.m. Mathematical expressions for

average sound level and day-night average sound level are stated in the Appendix I to this subpart.

(b) *Loud impulsive sounds.* On an interim basis, when loud impulsive sounds, such as explosions or sonic booms, are experienced at a site, the day-night average sound level produced by the loud impulsive sounds alone shall have 8 decibels added to it in assessing the acceptability of the site (see Appendix I to this subpart). Alternatively, the C-weighted day-night average sound level (L_{Cdn}) may be used without the 8 decibel addition, as indicated in § 51.106(a)(3). Methods for assessing the contribution of loud impulsive sounds to day-night average sound level at a site and mathematical expressions for determining whether a sound is classed as "loud impulsive" are provided in the Appendix I to this subpart.

(c) *Exterior standards.* (1) The degree of acceptability of the noise environment at a site is determined by the sound levels external to buildings or other facilities containing noise sensitive uses. The standards shall usually apply at a location 2 meters (6.5 feet) from the building housing noise sensitive activities in the direction of the predominant noise source. Where the building location is undetermined, the standards shall apply 2 meters (6.5 feet) from the building setback line nearest to the predominant noise source. The standards shall also apply at other locations where it is determined that quiet outdoor space is required in an area ancillary to the principal use on the site.

(2) The noise environment inside a building is considered acceptable if: (i) The noise environment external to the building complies with these standards, and (ii) the building is constructed in a manner common to the area or, if of uncommon construction, has at least the equivalent noise attenuation characteristics.

Acceptable	Not exceeding 65 dB(1)	None.
Normally Unacceptable	Above 65 dB but not exceeding 75 dB	Special Approvals (2) Environmental Review (3).

 (2) See § 51.104(b) for requirements.
 (3) See § 51.104(b) for requirements.
 (4) 5 dB additional attenuation required for sites above 65 dB but not exceeding 70 dB and 10 dB additional attenuation required for sites above 70 dB but not exceeding 75 dB. (See § 51.104(a).)

§ 51.104 Special requirements.

(a)(1) *Noise attenuation.* Noise attenuation measures are those required in addition to attenuation provided by buildings as commonly constructed in the area, and requiring open windows for ventilation. Measures that reduce external noise at a site shall be used wherever practicable in preference to the incorporation of additional noise attenuation in buildings. Building designs and construction techniques that provide more noise attenuation than typical construction may be employed also to meet the noise attenuation requirements.

(2) *Normally unacceptable noise zones and unacceptable noise zones.* Approvals in Normally Unacceptable Noise Zones require a minimum of 5 decibels additional sound attenuation for buildings having noise-sensitive uses if the day-night average sound level is greater than 65 decibels but does not exceed 70 decibels, or a minimum of 10 decibels of additional sound attenuation if the day-night average sound level is greater than 70 decibels but does not exceed 75 decibels. Noise attenuation measures in Unacceptable Noise Zones require the approval of the Assistant Secretary for Community Planning and Development, or the Certifying Officer for activities subject to 24 CFR part 58. (See § 51.104(b)(2).)

(b) *Environmental review requirements.* Environmental reviews shall be conducted pursuant to the requirements of 24 CFR parts 50 and 58, as applicable, or other environmental regulations issued by the Department. These requirements are hereby modified for all projects proposed in the Normally Un-

acceptable and Unacceptable noise exposure zones as follows:

(1) *Normally unacceptable noise zone.*

(i) All projects located in the Normally Unacceptable Noise Zone require a Special Environmental Clearance except an EIS is required for a proposed project located in a largely undeveloped area, or where the HUD action is likely to encourage the establishment of incompatible land use in this noise zone.

(ii) When an EIS is required, the concurrence of the Program Assistant Secretary is also required before a project can be approved. For the purposes of this paragraph, an area will be considered as largely undeveloped unless the area within a 2-mile radius of the project boundary is more than 50 percent developed for urban uses and infrastructure (particularly water and sewers) is available and has capacity to serve the project.

(iii) All other projects in the Normally Unacceptable zone require a Special Environmental Clearance, except where an EIS is required for other reasons pursuant to HUD environmental policies.

(2) *Unacceptable noise zone.* An EIS is required prior to the approval of projects with unacceptable noise exposure. Projects in or partially in an Unacceptable Noise Zone shall be submitted to the Assistant Secretary for Community Planning and Development, or the Certifying Officer for activities subject to 24 CFR part 58, for approval. The Assistant Secretary or the Certifying Officer may waive the EIS requirement in cases where noise is the only environmental issue and no outdoor noise sensitive activity will

§ 51.105

take place on the site. In such cases, an environmental review shall be made pursuant to the requirements of 24 CFR parts 50 or 58, as appropriate.

[44 FR 40861, July 12, 1979, as amended at 61 FR 13333, Mar. 26, 1996]

§ 51.105 Exceptions.

(a) *Flexibility for non-acoustic benefits.* Where it is determined that program objectives cannot be achieved on sites meeting the acceptability standard of 65 decibels, the Acceptable Zone may be shifted to L_{dn} 70 on a case-by-case basis if all the following conditions are satisfied:

(1) The project does not require an Environmental Impact Statement under provisions of § 51.104(b)(1) and noise is the only environmental issue.

(2) The project has received a Special Environmental Clearance and has received the concurrence of the Environmental Clearance Officer.

(3) The project meets other program goals to provide housing in proximity to employment, public facilities and transportation.

(4) The project is in conformance with local goals and maintains the character of the neighborhood.

(5) The project sponsor has set forth reasons, acceptable to HUD, as to why the noise attenuation measures that would normally be required for new construction in the L_{dn} 65 to L_{dn} 70 zone cannot be met.

(6) Other sites which are not exposed to noise above L_{dn} 65 and which meet program objectives are generally not available.

The above factors shall be documented and made part of the project file.

[44 FR 40861, July 12, 1979, as amended at 61 FR 13334, Mar. 26, 1996]

§ 51.106 Implementation.

(a) *Use of available data.* HUD field staff shall make maximum use of noise data prepared by others when such data are determined to be current and adequately projected into the future and are in terms of the following:

(1) *Sites in the vicinity of airports.* The noise environment around airports is described sometimes in terms of Noise Exposure Forecasts, abbreviated as NEF or, in the State of California, as

24 CFR Subtitle A (4-1-07 Edition)

Community Noise Equivalent Level, abbreviated as CNEL. The noise environment for sites in the vicinity of airports for which day-night average sound level data are not available may be evaluated from NEF or CNEL analyses using the following conversions to DNL:

$DNL = NEF + 35$

$DNL = CNEL$

(2) *Sites in the vicinity of highways.* Highway projects receiving Federal aid are subject to noise analyses under the procedures of the Federal Highway Administration. Where such analyses are available they may be used to assess sites subject to the requirements of this standard. The Federal Highway Administration employs two alternate sound level descriptors: (i) The A-weighted sound level not exceeded more than 10 percent of the time for the highway design hour traffic flow, symbolized as L_{10} ; or (ii) the equivalent sound level for the design hour, symbolized as L_{eq} . The day-night average sound level may be estimated from the design hour L_{10} or L_{eq} values by the following relationships, provided heavy trucks do not exceed 10 percent of the total traffic flow in vehicles per 24 hours and the traffic flow between 10 p.m. and 7 a.m. does not exceed 15 percent of the average daily traffic flow in vehicles per 24 hours:

$DNL = L_{10} \text{ (design hour)} - 3 \text{ decibels}$

$DNL = L_{eq} \text{ (design hour) decibels}$

Where the auto/truck mix and time of day relationships as stated in this section do not exist, the HUD Noise Assessment Guidelines or other noise analysis shall be used.

(3) *Sites in the vicinity of installations producing loud impulsive sounds.* Certain Department of Defense installations produce loud impulsive sounds from artillery firing and bombing practice ranges. Noise analyses for these facilities sometimes encompass sites that may be subject to the requirements of this standard. Where such analyses are available they may be used on an interim basis to establish the acceptability of sites under this standard. The Department of Defense uses day-night average sound level based on C-weighted sound level, symbolized L_{Cdn} ,

for the analysis of loud impulsive sounds. Where such analyses are provided, the 8 decibel addition specified in § 51.103(b), is not required, and the same numerical values of day-night average sound level used on an interim basis to determine site suitability for non-impulsive sounds apply to the L_{Cdn} .

(4) *Use of areawide acoustical data.* HUD encourages the preparation and use of areawide acoustical information, such as noise contours for airports. Where such new or revised contours become available for airports (civil or military) and military installations they shall first be referred to the HUD State Office (Environmental Officer) for review, evaluation and decision on appropriateness for use by HUD. The HUD State Office shall submit revised contours to the Assistant Secretary for Community Planning and Development for review, evaluation and decision whenever the area affected is changed by 20 percent or more, or whenever it is determined that the new contours will have a significant effect on HUD programs, or whenever the contours are not provided in a methodology acceptable under § 51.106(a)(1) or in other cases where the HUD State Office determines that Headquarters review is warranted. For other areawide acoustical data, review is required only where existing areawide data are being utilized and where such data have been changed to reflect changes in the measurement methodology or underlying noise source assumptions. Requests for determination on usage of new or revised areawide data shall include the following:

- (i) Maps showing old, if applicable, and new noise contours, along with brief description of data source and methodology.
- (ii) Impact on existing and prospective urbanized areas and on development activity.
- (iii) Impact on HUD-assisted projects currently in processing.
- (iv) Impact on future HUD program activity. Where a field office has determined that immediate approval of new areawide data is necessary and warranted in limited geographic areas, the request for approval should state the circumstances warranting such approval. Actions on proposed projects

shall not be undertaken while new areawide noise data are being considered for HUD use except where the proposed location is affected in the same manner under both the old and new noise data.

(b) *Site assessments.* Compliance with the standards contained in § 51.103(c) shall, where necessary, be determined using noise assessment guidelines, handbooks, technical documents and procedures issued by the Department.

(c) *Variations in site noise levels.* In many instances the noise environment will vary across a site, with portions of the site being in an Acceptable noise environment and other portions in a Normally Unacceptable noise environment. The standards in § 51.103(c) shall apply to the portions of a building or buildings used for residential purposes and for ancillary noise sensitive open spaces.

(d) *Noise measurements.* Where noise assessments result in a finding that the site is borderline or questionable, or is controversial, noise measurements may be performed. Where it is determined that noise measurements are required, such measurements will be conducted in accordance with methods and measurement criteria established by the Department. Locations for noise measurements will depend on the location of noise sensitive uses that are nearest to the predominant noise source (see § 51.103(c)).

(e) *Projections of noise exposure.* In addition to assessing existing exposure, future conditions should be projected. To the extent possible, noise exposure shall be projected to be representative of conditions that are expected to exist at a time at least 10 years beyond the date of the project or action under review.

(f) *Reduction of site noise by use of berms and/or barriers.* If it is determined by adequate analysis that a berm and/or barrier will reduce noise at a housing site, and if the barrier is existing or there are assurances that it will be in place prior to occupancy, the environmental noise analysis for the site may reflect the benefits afforded by the berm and/or barrier. In the environmental review process under § 51.104(b), the location height and design of the berm and/or barrier shall be evaluated

Pt. 51, Subpt. B, App. I

24 CFR Subtitle A (4-1-07 Edition)

to determine its effectiveness, and impact on design and aesthetic quality, circulation and other environmental factors.

**APPENDIX I TO SUBPART B OF PART 51—
DEFINITION OF ACOUSTICAL QUANTITIES**

1. *Sound Level.* The quantity in decibels measured with an instrument satisfying requirements of American National Standard Specification for Type 1 Sound Level Meters S1.4-1971. Fast time-averaging and A-frequency weighting are to be used, unless oth-

ers are specified. The sound level meter with the A-weighting is progressively less sensitive to sounds of frequency below 1,000 hertz (cycles per second), somewhat as is the ear. With fast time averaging the sound level meter responds particularly to recent sounds almost as quickly as does the ear in judging the loudness of a sound.

2. *Average Sound Level.* Average sound level, in decibels, is the level of the mean-square A-weighted sound pressure during the stated time period, with reference to the square of the standard reference sound pressure of 20 micropascals.

Day-night average sound level, abbreviated as DNL, and symbolized mathematically as L_{dn} is defined as:

$$L_{dn} = 10 \log_{10} \left[\frac{1}{86400} \left(\int_{0000}^{0700} 10^{[L_A(t)+10]/10} dt + \int_{0700}^{2200} 10^{L_A(t)/10} dt + \int_{2200}^{2400} 10^{[L_A(t)+10]/10} dt \right) \right]$$

Time t is in seconds, so the limits shown in hours and minutes are actually interpreted in seconds. $L_A(t)$ is the time varying value of A-weighted sound level, the quantity in decibels measured by an instrument satisfying requirements of American National Standard Specification for Type 1 Sound Level Meters S1.4-1971.

3. *Loud Impulsive Sounds.* When loud impulsive sounds such as sonic booms or explosions are anticipated contributors to the noise environment at a site, the contribution to day-night average sound level produced by the loud impulsive sounds shall have 8 decibels added to it in assessing the acceptability of a site.

A loud impulsive sound is defined for the purpose of this regulation as one for which:

- (i) The sound is definable as a discrete event wherein the sound level increases to a maximum and then decreases in a total time interval of approximately one second or less to the ambient background level that exists without the sound; and
- (ii) The maximum sound level (obtained with slow averaging time and A-weighting of a Type 1 sound level meter whose characteristics comply with ANSI S1.4-1971) exceeds the sound level prior to the onset of the event by at least 6 decibels; and
- (iii) The maximum sound level obtained with fast averaging time of a sound level meter exceeds the maximum value obtained

with slow averaging time by at least 4 decibels.

Subpart C—Siting of HUD-Assisted Projects Near Hazardous Operations Handling Conventional Fuels or Chemicals of an Explosive or Flammable Nature

AUTHORITY: 42 U.S.C. 3535(d).

SOURCE: 49 FR 5103, Feb. 10, 1984, unless otherwise noted.

§ 51.200 Purpose.

The purpose of this subpart C is to:

- (a) Establish safety standards which can be used as a basis for calculating acceptable separation distances (ASD) for HUD-assisted projects from specific, stationary, hazardous operations which store, handle, or process hazardous substances;
- (b) Alert those responsible for the siting of HUD-assisted projects to the inherent potential dangers when such projects are located in the vicinity of such hazardous operations;

(c) Provide guidance for identifying those hazardous operations which are most prevalent;

(d) Provide the technical guidance required to evaluate the degree of danger anticipated from explosion and thermal radiation (fire); and

(e) Provide technical guidance required to determine acceptable separation distances from such hazards.

[49 FR 5103, Feb. 10, 1984, as amended at 61 FR 13334, Mar. 26, 1996]

§ 51.201 Definitions.

The terms *Department* and *Secretary* are defined in 24 CFR part 5.

Acceptable separation distance (ASD)—means the distance beyond which the explosion or combustion of a hazard is not likely to cause structures or individuals to be subjected to blast overpressure or thermal radiation flux levels in excess of the safety standards in § 51.203. The ASD is determined by applying the safety standards established by this subpart C to the guidance set forth in HUD Guidebook, "Siting of HUD-Assisted Projects Near Hazardous Facilities."

Blast overpressure—means the pressure, in pounds per square inch, in excess of normal atmospheric pressure on the surrounding medium caused by an explosion.

Danger zone—means the land area circumscribed by the radius which delineates the ASD of a given hazard.

Hazard—means any stationary container which stores, handles or processes hazardous substances of an explosive or fire prone nature. The term "hazard" does not include pipelines for the transmission of hazardous substances, if such pipelines are located underground or comply with applicable Federal, State and local safety standards. Also excepted are: (1) Containers with a capacity of 100 gallons or less when they contain common liquid industrial fuels, such as gasoline, fuel oil, kerosene and crude oil since they generally would pose no danger in terms of thermal radiation of blast overpressure to a project; and (2) facilities which are shielded from a proposed HUD-assisted project by the topography, because these topographic features effectively provide a mitigating measure already in place.

Hazardous substances—means petroleum products (petrochemicals) and chemicals that can produce blast overpressure or thermal radiation levels in excess of the standards set forth in § 51.203. A specific list of hazardous substance is found in appendix I to this subpart.

HUD-assisted project—the development, construction, rehabilitation, modernization or conversion with HUD subsidy, grant assistance, loan, loan guarantee, or mortgage insurance, of any project which is intended for residential, institutional, recreational, commercial or industrial use. For purposes of this subpart the terms "rehabilitation" and "modernization" refer only to such repairs and renovation of a building or buildings as will result in an increased number of people being exposed to hazardous operations by increasing residential densities, converting the type of use of a building to habitation, or making a vacant building habitable.

Thermal radiation level—means the emission and propagation of heat energy through space or a material medium, expressed in BTU per square foot per hour (BTU/ft.² hr.).

[49 FR 5103, Feb. 10, 1984, as amended at 61 FR 5204, Feb. 9, 1996; 61 FR 13334, Mar. 26, 1996]

§ 51.202 Approval of HUD-assisted projects.

(a) The Department will not approve an application for assistance for a proposed project located at less than the acceptable separation distance from a hazard, as defined in § 51.201, unless appropriate mitigating measures, as defined in § 51.205, are implemented, or unless mitigating measures are already in place.

(b) In the case of all applications for proposed HUD-assisted projects, the Department shall evaluate projected development plans in the vicinity of these projects to determine whether there are plans to install a hazardous operation in close proximity to the proposed project. If the evaluation shows that such a plan exists, the Department shall not approve assistance for the project unless the Department obtains satisfactory assurances that adequate mitigating measures will be

§ 51.203

taken when the hazardous operation is installed.

[49 FR 5103, Feb. 10, 1984, as amended at 61 FR 13334, Mar. 26, 1996]

§ 51.203 Safety standards.

The following standards shall be used in determining the acceptable separation distance of a proposed HUD-assisted project from a hazard:

(a) *Thermal Radiation Safety Standard.* Projects shall be located so that:

(1) The allowable thermal radiation flux level at the building shall not exceed 10,000 BTU/sq. ft. per hr.;

(2) The allowable thermal radiation flux level for outdoor, unprotected facilities or areas of congregation shall not exceed 450 BTU/sq. ft. per hour.

(b) *Blast Overpressure Safety Standard.* Projects shall be located so that the maximum allowable blast overpressure at both buildings and outdoor, unprotected facilities or areas shall not exceed 0.5 psi.

(c) If a hazardous substance constitutes both a thermal radiation and blast overpressure hazard, the ASD for each hazard shall be calculated, and the larger of the two ASDs shall be used to determine compliance with this subpart.

(d) Background information on the standards and the logarithmic thermal radiation and blast overpressure charts that provide assistance in determining acceptable separation distances are contained in appendix II to this subpart C.

[49 FR 5103, Feb. 10, 1984, as amended at 61 FR 13334, Mar. 26, 1996]

§ 51.204 HUD-assisted hazardous facilities.

In reviewing applications for proposed HUD-assisted projects involving the installation of hazardous facilities, the Department shall ensure that such hazardous facilities are located at an acceptable separation distance from residences and from any other facility or area where people may congregate or be present. The mitigating measures listed in § 51.205 may be taken into account in determining compliance with this section.

24 CFR Subtitle A (4–1–07 Edition)

§ 51.205 Mitigating measures.

Application of the standards for determining an Acceptable Separation Distance (ASD) for a HUD-assisted project from a potential hazard of an explosion or fire prone nature is predicated on level topography with no intervening object(s) between the hazard and the project. Application of the standards can be eliminated or modified if:

(a) The nature of the topography shields the proposed project from the hazard.

(b) An existing permanent fire resistant structure of adequate size and strength will shield the proposed project from the hazard.

(c) A barrier is constructed surrounding the hazard, at the site of the project, or in between the potential hazard and the proposed project.

(d) The structure and outdoor areas used by people are designed to withstand blast overpressure and thermal radiation anticipated from the potential hazard (e.g., the project is of masonry and steel or reinforced concrete and steel construction).

§ 51.206 Implementation.

This subpart C shall be implemented for each proposed HUD-assisted project by the HUD approving official or responsible entity responsible for review of the project. The implementation procedure will be part of the environmental review process in accordance with the procedures set forth in 24 CFR parts 50 and 58.

[61 FR 13334, Mar. 26, 1996]

§ 51.207 Special circumstances.

The Secretary or the Secretary's designee may, on a case-by-case basis, when circumstances warrant, require the application of this subpart C with respect to a substance not listed in appendix I to this subpart C that would create thermal or overpressure effect in excess of that listed in § 51.203.

[61 FR 13334, Mar. 26, 1996]

§ 51.208 Reservation of administrative and legal rights.

Publication of these standards does not constitute a waiver of any right:

(a) Of HUD to disapprove a project proposal if the siting is too close to a potential hazard not covered by this subpart, and (b) of HUD or any person or other entity to seek to abate or to collect damages occasioned by a nuisance, whether or not covered by the subpart.

APPENDIX II TO SUBPART C OF PART 51— DEVELOPMENT OF STANDARDS; CALCULATION METHODS

I. Background Information Concerning the Standards

(a) Thermal Radiation:

(1) *Introduction.* Flammable products stored in above ground containers represent a definite, potential threat to human life and

structures in the event of fire. The resulting fireball emits thermal radiation which is absorbed by the surroundings. Combustible structures, such as wooden houses, may be ignited by the thermal radiation being emitted. The radiation can cause severe burn, injuries and even death to exposed persons some distance away from the site of the fire.

(2) *Criteria for Acceptable Separation Distance (ASD).* Wooden buildings, window drapes and trees generally ignite spontaneously when exposed for a relatively long period of time to thermal radiation levels of approximately 10,000 Btu/hr. sq. ft. It will take 15 to 20 minutes for a building to ignite at that degree of thermal intensity. Since the reasonable response time for fire fighting units in urbanized areas is approximately five to ten minutes, a standard of 10,000 BTU/hr. sq. ft. is considered an acceptable level of thermal radiation for buildings.

People in outdoor areas exposed to a thermal radiation flux level of approximately 1,500 Btu/ft² hr will suffer intolerable pain after 15 seconds. Longer exposure causes blistering, permanent skin damage, and even death. Since it is assumed that children and the elderly could not take refuge behind walls or run away from the thermal effect of the fire within the 15 seconds before skin blistering occurs, unprotected (outdoor) areas, such as playgrounds, parks, yards, school grounds, etc., must be placed at such a distance from potential fire locations so that the radiation flux level is well below 1500 Btu/ft² hr. An acceptable flux level, particularly for elderly people and children, is 450 Btu/ft² hr. The skin can be exposed to this degree of thermal radiation for 3 minutes or longer with no serious detrimental effect. The result would be the same as a bad sunburn. Therefore, the standard for areas in which there will be exposed people, e.g. outdoor recreation areas such as playgrounds and parks, is set at 450 Btu/hr. sq. ft. Areas covered also include open space ancillary to residential structures, such as yard areas and vehicle parking areas.

(3) *Acceptable Separation Distance From a Potential Fire Hazard.* This is the actual setback required for the safety of occupied buildings and their inhabitants, and people in open spaces (exposed areas) from a potential fire hazard. The specific distance required for safety from such a hazard depends upon the nature and the volume of the substance. The Technical Guidebook entitled "Urban Development Siting With Respect to Hazardous/Commercial Industrial Facilities," which supplements this regulation, contains the technical guidance required to compute Acceptable Separation Distances (ASD) for those flammable substances most often encountered.

(b) *Blast Overpressure:*

The Acceptable Separation Distance (ASD) for people and structures from materials

Pt. 51, Subpt. C, App. II

prone to explosion is dependent upon the resultant blast measured in pounds per square inch (psi) overpressure. It has been determined by the military and corroborated by two independent studies conducted for the Department of Housing and Urban Development that 0.5 psi is the acceptable level of blast overpressure for both buildings and occupants, because a frame structure can normally withstand that level of external exertion with no serious structural damage, and it is unlikely that human beings inside the building would normally suffer any serious injury. Using this as the safety standard for blast overpressure, nomographs have been developed from which an ASD can be determined for a given quantify of hazardous substance. These nomographs are contained in the handbook with detailed instructions on their use.

(c) Hazard evaluation:

The Acceptable Separation Distances for buildings, which are determined for thermal radiation and blast overpressure, delineate separate identifiable danger zones for each potential accident source. For some materials the fire danger zone will have the greatest radius and cover the largest area, while for others the explosion danger zone will be the greatest. For example, conventional petroleum fuel products stored in unpresurized tanks do not emit blast overpressure of dangerous levels when ignited. In most cases, hazardous substances will be stored in pressurized containers. The resulting blast overpressure will be experienced at a greater distance than the resulting thermal radiation for the standards set in Section 51.203. In any event the hazard requiring the greatest separation distance will prevail in determining the location of HUD-assisted projects.

The standards developed for the protection of people and property are given in the following table.

	Thermal radiation	Blast overpressure
Amount of acceptable exposure allowed for building structures.	10,000 BTU/ft ² hr.	0.5 psi.

24 CFR Subtitle A (4-1-07 Edition)

	Thermal radiation	Blast overpressure
Amount of acceptable exposure allowed for people in open areas.	450 BTU/ft ² hr ...	0.5 psi.

Problem Example

The following example is given as a guide to assist in understanding how the procedures are used to determine an acceptable separation distance. The technical data are found in the HUD Guidebook. Liquid propane is used in the example since it is both an explosion and a fire hazard.

In this hypothetical case a proposed housing project is to be located 850 feet from a 30,000 gallon liquid propane (LPG) tank. The objective is to determine the acceptable separation distance from the LPG tank. Since propane is both explosive and fire prone it will be necessary to determine the ASD for both explosion and for fire. The greatest of the two will govern. There is no dike around the tank in this example.

Nomographs from the technical Guidebook have been reproduced to facilitate the solving of the problem.

ASD For Explosion

Use Figure 1 to determine the acceptable separation distance for explosion.

The graph depicted on Figure 1 is predicated on a blast overpressure of 0.5 psi.

The ASD in feet can be determined by applying the quantity of the hazard (in gallons) to the graph.

In this case locate the 30,000 gallon point on the horizontal axis and draw a vertical line from that point to the intersection with the straight line curve. Then draw a horizontal line from the point where the lines cross to the left vertical axis where the ACCEPTABLE SEPARATION DISTANCE of 660 feet is found.

Therefore the ASD for explosion is 660 feet

Since the proposed project site is located 850 feet from the tank it is located at a safe distance with regards to blast overpressure.

Figure 1

ASD For Fire

To determine the ASD for fire it will be necessary to first find the fire width (diameter of the fireball) on Figure 2. Then apply this to Figure 3 to determine the ASD.

Since there are two safety standards for fire: (a) 10,000 BTU/ft² hr. for buildings; and (b) 450 BTU/ft² hr. for people in exposed areas,

it will be necessary to determine an ASD for each.

To determine the fire width locate the 30,000 gallon point on the horizontal axis on Figure 2 and draw a vertical line to the straight line curve. Then draw a horizontal line from the point where the lines cross to the left vertical axis where the FIRE WIDTH is found to be 350 feet.

Pt. 51, Subpt. C, App. II

24 CFR Subtitle A (4-1-07 Edition)

Now locate the 350 ft. point on the horizontal axis of *Figure 3* and draw a vertical line from that point to curves 1 and 2. Then draw horizontal lines from the points where the lines cross to the left vertical axis where the ACCEPTABLE SEPARATION DISTANCES of 240 feet for buildings and 1,150 feet for exposure to people is found.

Based on this the proposed project site is located at a safe distance from a potential fireball. However, exposed playgrounds or other exposed areas of congregation must be at least 1,150 feet from the tank, or be appropriately shielded from a potential fireball.

§ 51.300

Subpart D—Siting of HUD Assisted Projects in Runway Clear Zones at Civil Airports and Clear Zones and Accident Potential Zones at Military Airfields

AUTHORITY: Sec. 2, Housing Act of 1949, as amended, 42 U.S.C. 1441, affirmed by sec. 2, HUD Act of 1969, Pub. L. 90-448; sec. 7(d), HUD Act of 1965, 42 U.S.C. 3535(d); OMB, Fed'l Mgmt. Cir. 75-2: Compatible Land Uses At Federal Airfields.

SOURCE: 49 FR 880, Jan. 6, 1984, unless otherwise noted.

§ 51.300 Purpose.

It is the purpose of this subpart to promote compatible land uses around civil airports and military airfields by identifying suitable land uses for Runway Clear Zones at civil airports and Clear Zones and Accident Potential Zones at military airfields and by establishing them as standards for providing HUD assistance, subsidy or insurance.

[49 FR 880, Jan. 6, 1984, as amended at 61 FR 13334, Mar. 26, 1996]

§ 51.301 Definitions.

For the purposes of this regulation, the following definitions apply:

(a) *Accident Potential Zone.* An area at military airfields which is beyond the Clear Zone. The standards for the Accident Potential Zones are set out in Department of Defense Instruction 4165.57, "Air Installations Compatible Use Zones," November 8, 1977, 32 CFR part 256. There are no Accident Potential Zones at civil airports.

(b) *Airport Operator.* The civilian or military agency, group or individual which exercises control over the operations of the civil airport or military airfield.

(c) *Civil Airport.* An existing commercial service airport as designated in the National Plan of Integrated Airport Systems prepared by the Federal Aviation Administration in accordance with section 504 of the Airport and Airway Improvement Act of 1982.

(d) *Runway Clear Zones and Clear Zones.* Areas immediately beyond the ends of a runway. The standards for Runway Clear Zones for civil airports

24 CFR Subtitle A (4-1-07 Edition)

are established by FAA regulation 14 CFR part 152. The standards for Clear Zones for military airfields are established by DOD Instruction 4165.57, 32 CFR part 256.

§ 51.302 Coverage.

(a) These policies apply to HUD programs which provide assistance, subsidy or insurance for construction, land development, community development or redevelopment or any other provision of facilities and services which are designed to make land available for construction. When the HUD assistance, subsidy or insurance is used to make land available for construction rather than for the actual construction, the provision of the HUD assistance, subsidy or insurance shall be dependent upon whether the facility to be built is itself acceptable in accordance with the standards in § 51.303.

(b) These policies apply not only to new construction but also to substantial or major modernization and rehabilitation and to any other program which significantly prolongs the physical or economic life of existing facilities or which, in the case of Accident Potential Zones:

(1) Changes the use of the facility so that it becomes one which is no longer acceptable in accordance with the standards contained in § 51.303(b);

(2) Significantly increases the density or number of people at the site; or

(3) Introduces explosive, flammable or toxic materials to the area.

(c) Except as noted in § 51.303(a)(3), these policies do not apply to HUD programs where the action only involves the purchase, sale or rental of an existing property without significantly prolonging the physical or economic life of the property.

(d) The policies do not apply to research or demonstration projects which do not result in new construction or reconstruction, to interstate land sales registration, or to any action or emergency assistance which is provided to save lives, protect property, protect public health and safety, or remove debris and wreckage.

[49 FR 880, Jan. 6, 1984, as amended at 61 FR 13334, Mar. 26, 1996]

§ 51.303 General policy.

It is HUD's general policy to apply standards to prevent incompatible development around civil airports and military airfields.

(a) HUD policy for actions in Runway Clear Zones and Clear Zones.

(1) HUD policy is not to provide any assistance, subsidy or insurance for projects and actions covered by this part except as stated in § 51.303(a)(2) below.

(2) If a project proposed for HUD assistance, subsidy or insurance is one which will not be frequently used or occupied by people, HUD policy is to provide assistance, subsidy or insurance only when written assurances are provided to HUD by the airport operator to the effect that there are no plans to purchase the land involved with such facilities as part of a Runway Clear Zone or Clear Zone acquisition program.

(3) Special notification requirements for Runway Clear Zones and Clear Zones. In all cases involving HUD assistance, subsidy, or insurance for the purchase or sale of an existing property in a Runway Clear Zone or Clear Zone, HUD (or the responsible entity or recipient under 24 CFR part 58) shall advise the buyer that the property is in a Runway Clear Zone or Clear Zone, what the implications of such a location are, and that there is a possibility that the property may, at a later date, be acquired by the airport operator. The buyer must sign a statement acknowledging receipt of this information.

(b) HUD policy for actions in Accident Potential Zones at Military Airfields. HUD policy is to discourage the provision of any assistance, subsidy or insurance for projects and actions in the Accident Potential Zones. To be approved, projects must be generally consistent with the recommendations in the *Land Use Compatibility Guidelines For Accident Potential Zones* chart contained in DOD Instruction 4165.57, 32 CFR part 256.

[49 FR 880, Jan. 6, 1984, as amended at 61 FR 13334, Mar. 26, 1996]

§ 51.304 Responsibilities.

(a) The following persons have the authority to approve actions in Accident Potential Zones:

(1) For programs subject to environmental review under 24 CFR part 58: the Certifying Officer of the responsible entity as defined in 24 CFR part 58.

(2) For all other HUD programs: the HUD approving official having approval authority for the project.

(b) The following persons have the authority to approve actions in Runway Clear Zones and Clear Zones:

(1) For programs subject to environmental review under 24 CFR part 58: The Certifying Officer of the responsible entity as defined in 24 CFR part 58.

(2) For all other HUD programs: the Program Assistant Secretary.

[61 FR 13335, Mar. 26, 1996]

§ 51.305 Implementation.

(a) Projects already approved for assistance. This regulation does not apply to any project approved for assistance prior to the effective date of the regulation whether the project was actually under construction at that date or not.

(b) Acceptable data on Runway Clear Zones, Clear Zones and Accident Potential Zones. The only Runway Clear Zones, Clear Zones and Accident Potential Zones which will be recognized in applying this part are those provided by the airport operators and which for civil airports are defined in accordance with FAA regulations 14 CFR part 152 or for military airfields, DOD Instruction 4165.57, 32 CFR part 256. All data, including changes, related to the dimensions of Runway Clear Zones for civil airports shall be verified with the nearest FAA Airports District Office before use by HUD.

(c) Changes in Runway Clear Zones, Clear Zones, and Accident Potential Zones. If changes in the Runway Clear Zones, Clear Zones or Accident Potential Zones are made, the field offices shall immediately adopt these revised zones for use in reviewing proposed projects.

(d) The decision to approve projects in the Runway Clear Zones, Clear

Zones and Accident Potential Zones must be documented as part of the environmental assessment or, when no assessment is required, as part of the project file.

SOURCE: 48 FR 29216, June 24, 1983, unless otherwise noted.

§ 52.1 What is the purpose of these regulations?

(a) The regulations in this part implement Executive Order 12372, "Intergovernmental Review of Federal Programs," issued July 14, 1982 and amended on April 8, 1983. These regulations also implement applicable provisions of section 401 of the Intergovernmental Cooperation Act of 1968 and section 204 of the Demonstration Cities and Metropolitan Development Act of 1966.

(b) These regulations are intended to foster an intergovernmental partnership and a strengthened Federalism by relying on state processes and on state, areawide, regional and local coordination for review of proposed Federal financial assistance and direct Federal development.

(c) These regulations are intended to aid the internal management of the Department, and are not intended to create any right or benefit enforceable at law by a party against the Department or its officers.

§ 52.2 What definitions apply to these regulations?

Order means Executive Order 12372, issued July 14, 1982, and amended April 8, 1983 and titled "Intergovernmental Review of Federal Programs."

Secretary means the Secretary of the U.S. Department of Housing and Urban Development or an official or employee of the Department acting for the Secretary under a delegation of authority.

State means any of the 50 states, the District of Columbia, the Commonwealth of Puerto Rico, the Commonwealth of the Northern Mariana Islands, Guam, American Samoa, the U.S. Virgin Islands, or the Trust Territory of the Pacific Islands.

[48 FR 29216, June 24, 1983, as amended at 61 FR 5205, Feb. 9, 1996]

§ 52.3 What programs and activities of the Department are subject to these regulations?

The Secretary publishes in the FEDERAL REGISTER a list of the Department's programs and activities that are subject to these regulations and identifies which of these are subject to the requirements of section 204 of the Demonstration Cities and Metropolitan Development Act.

§ 52.4 What are the Secretary's general responsibilities under the Order?

(a) The Secretary provides opportunities for consultation by elected officials of those state and local governments that would provide the non-federal funds for, or that would be directly affected by, proposed Federal financial assistance from, or direct Federal development by, the Department.

(b) If a state adopts a process under the Order to review and coordinate proposed Federal financial assistance and direct Federal development, the Secretary, to the extent permitted by law:

(1) Uses the state process to determine official views of state and local elected officials;

(2) Communicates with state and local elected officials as early in a program planning cycle as is reasonably feasible to explain specific plans and actions;

(3) Makes efforts to accommodate state and local elected officials' concerns with proposed Federal financial assistance and direct Federal development that are communicated through the state process;

(4) Allows the states to simplify and consolidate existing federally required state plan submissions;

(5) Where state planning and budgeting systems are sufficient and where permitted by law, encourages the substitution of state plans for federally required state plans;

(6) Seeks the coordination of views of affected state and local elected officials in one state with those of another state when proposed Federal financial assistance or direct Federal development has an impact on interstate metropolitan urban centers or other interstate areas; and

(7) Supports state and local governments by discouraging the reauthorization or creation of any planning organization which is federally-funded, which has a limited purpose, and which is not adequately representative of, or accountable to, state or local elected officials.

§ 52.5 What is the Secretary's obligation with respect to Federal inter-agency coordination?

The Secretary, to the extent practicable, consults with and seeks advice from all other substantially affected Federal departments and agencies in an effort to assure full coordination between such agencies and the Department regarding programs and activities covered under these regulations.

§ 52.6 What procedures apply to the selection of programs and activities under these regulations?

(a) A state may select any program or activity published in the FEDERAL REGISTER in accordance with § 52.3 of this part for intergovernmental review under these regulations. Each state, before selecting programs and activities shall consult with local elected officials.

(b) Each state that adopts a process shall notify the Secretary of the Department's programs and activities selected for that process.

(c) A state may notify the Secretary of changes in its selections at any time. For each change, the state shall submit to the Secretary an assurance that the state has consulted with local elected officials regarding the change. The Department may establish deadlines by which states are required to inform the Secretary of changes in their program selections.

(d) The Secretary uses a state's process as soon as feasible, depending on individual programs and activities, after the Secretary is notified of its selections.

§ 52.7 How does the Secretary communicate with state and local officials concerning the Department's programs and activities?

(a) For those programs and activities covered by a state process under § 52.6, the Secretary, to the extent permitted by law—

(1) Uses the state process to determine views of state and local elected officials; and,

(2) Communicates with state and local elected officials, through the state process, as early in a program planning cycle as is reasonably feasible to explain specific plans and actions.

(b) The Secretary provides notice to directly affected state, areawide, regional, and local entities in a state of proposed Federal financial assistance or direct Federal development if—

(1) The state has not adopted a process under the Order; or

(2) The assistance or development involves a program or activity not selected for the state process.

This notice may be made by publication in the FEDERAL REGISTER or other

§ 52.8

appropriate means, which the Department in its discretion deems appropriate.

§ 52.8 How does the Secretary provide states an opportunity to comment on proposed Federal financial assistance and direct Federal development?

(a) Except in unusual circumstances, the Secretary gives state processes or directly affected state, areawide, regional and local officials and entities—

(1) At least 30 days from the date established by the Secretary to comment on proposed Federal financial assistance under: (i) A covered mortgage insurance program, (ii) the Urban Development Action Grant Program, or (iii) the Housing Development Grant Program.

(2) At least 60 days from the date established by the Secretary to comment on proposed Federal financial assistance other than under a program covered by paragraph (a)(1).

(b) This section also applies to comments in cases in which the review, coordination, and communication with the Department have been delegated.

(c) Applicants for programs and activities subject to section 204 of the Demonstration Cities and Metropolitan Act shall allow areawide agencies a 60-day opportunity for review and comment.

[48 FR 29216, June 24, 1983, as amended at 49 FR 24653, June 14, 1984]

§ 52.9 How does the Secretary receive and respond to comments?

(a) The Secretary follows the procedures in § 52.10 if—

(1) A state office or official is designated to act as a single point of contact between a state process and all Federal agencies, and

(2) That office or official transmits a state process recommendation for a program selected under § 52.6.

(b)(1) The single point of contact is not obligated to transmit comments from state, areawide, regional or local officials and entities where there is no state process recommendation.

(2) If a state process recommendation is transmitted by a single point of contact, all comments from state, areawide, regional, and local officials

24 CFR Subtitle A (4–1–07 Edition)

and entities that differ from it must also be transmitted.

(c) If a state has not established a process, or is unable to submit a state process recommendation, state, areawide, regional and local officials and entities may submit comments either to the applicant or to the Department.

(d) If a program or activity is not selected for a state process, state, areawide, regional and local officials and entities may submit comments either to the applicant or to the Department. In addition, if a state process recommendation for a nonselected program or activity is transmitted to the Department by the single point of contact, the Secretary follows the procedures of § 52.10 of this part.

(e) The Secretary considers comments which do not constitute a state process recommendation submitted under these regulations and for which the Secretary is not required to apply the procedures of § 52.10 of this part, when such comments are provided by a single point of contact, by the applicant, or directly to the Department by a commenting party.

§ 52.10 How does the Secretary make efforts to accommodate intergovernmental concerns?

(a) If a state process provides a state process recommendation to the Department through its single point of contact, the Secretary either—

(1) Accepts the recommendation;

(2) Reaches a mutually agreeable solution with the state process; or

(3) Provides the single point of contact with such written explanation of its decision, as the Secretary in his or her discretion deems appropriate. The Secretary may also supplement the written explanation by providing the explanation to the single point of contact by telephone, other telecommunication, or other means.

(b) In any explanation under paragraph (a)(3) of this section, the Secretary informs the single point of contact that—

(1) The Department will not implement its decision for at least ten days after the single point of contact receives the explanation; or

Office of the Secretary, HUD

§ 55.1

(2) The Secretary has reviewed the decision and determined that, because of unusual circumstances, the waiting period of at least ten days is not feasible.

(c) For purposes of computing the waiting period under paragraph (b)(1) of this section, a single point of contact is presumed to have received written notification 5 days after the date of mailing of such notification.

§ 52.11 What are the Secretary's obligations in interstate situations?

(a) The Secretary is responsible for—

(1) Identifying proposed Federal financial assistance and direct Federal development that have an impact on interstate areas;

(2) Notifying appropriate officials and entities in states which have adopted a process and which select the Department's program or activity.

(3) Making efforts to identify and notify the affected state, areawide, regional, and local officials and entities in those states that have not adopted a process under the Order or do not select the Department's program or activity;

(4) Responding pursuant to § 52.10 of this part if the Secretary receives a recommendation from a designated areawide agency transmitted by a single point of contact, in cases in which review, coordination, and communication with the Department have been delegated.

(b) The Secretary uses the procedures in § 52.10 if a state process provides a state process recommendation to the Department through a single point of contact.

SOURCE: 59 FR 19107, Apr. 21, 1994, unless otherwise noted.

Subpart A—General

§ 55.1 Purpose and basic responsibility.

(a) This part implements the requirements of Executive Order 11988, Floodplain Management, and employs the principles of the Unified National Program for Floodplain Management. It covers the proposed acquisition, construction, improvement, disposition, financing and use of properties located in a floodplain for which approval is required either from HUD under any applicable HUD program or from a grant recipient subject to 24 CFR part 58. This part does not prohibit approval of such actions (except for certain actions in high hazard areas), but provides a consistent means for implementing the Department's interpretation of the executive order in the project approval decision making processes of HUD and of grant recipients subject to 24 CFR part 58. The implementation of Executive Order 11988 under this part shall be conducted by HUD, for Department-administered programs subject to environmental review under 24 CFR part 50, and by authorized recipients of HUD financial assistance subject to environmental review under 24 CFR part 58.

(b) Under section 202(a) of the Flood Disaster Protection Act of 1973, 42 U.S.C. 4106(a), proposed HUD financial assistance (including mortgage insurance) for acquisition or construction

§ 55.2

purposes in any “area having special flood hazards” (a flood zone designated by the Federal Emergency Management Agency (FEMA)) shall not be approved in communities identified by FEMA as eligible for flood insurance but which are not participating in the National Flood Insurance Program. This prohibition only applies to proposed HUD financial assistance in a FEMA-designated area of special flood hazard one year after the community has been formally notified by FEMA of the designation of the affected area. This prohibition is not applicable to HUD financial assistance in the form of formula grants to states, including financial assistance under the State-administered CDBG Program (24 CFR part 570, subpart I) and the State-administered Rental Rehabilitation Program (24 CFR 511.51), Emergency Shelter Grant amounts allocated to States (24 CFR parts 575 and 576), and HOME funds provided to a state under Title II of the Cranston-Gonzalez National Affordable Housing Act (42 U.S.C. 12701–12839).

(c) Except with respect to actions listed in § 55.12(c), no HUD financial assistance (including mortgage insurance) may be approved after May 23, 1994 with respect to:

(1) Any action, other than a functionally dependent use, located in a floodway;

(2) Any critical action located in a coastal high hazard area; or

(3) Any non-critical action located in a coastal high hazard area, unless the action is designed for location in a coastal high hazard area or is a functionally dependent use. An action will be considered to be designed for location in a coastal high hazard area if:

(i) In the case of new construction or substantial improvement, the work meets the current standards for V zones in FEMA regulations (44 CFR 60.3(e)) and, if applicable, the Minimum Property Standards for such construction in 24 CFR 200.926d(c)(4)(iii); or

(ii) In the case of existing construction (including any minor improvements):

(A) The work met FEMA elevation and construction standards for a coastal high hazard area (or if such a zone or such standards were not designated,

24 CFR Subtitle A (4–1–07 Edition)

the 100-year floodplain) applicable at the time the original improvements were constructed; or

(B) If the original improvements were constructed before FEMA standards for the 100-year floodplain became effective or before FEMA designated the location of the action as within the 100-year floodplain, the work would meet at least the earliest FEMA standards for construction in the 100-year floodplain.

§ 55.2 Terminology.

(a) With the exception of those terms defined in paragraph (b) of this section, the terms used in this part shall follow the definitions contained in section 6 of Executive Order 11988 and in the Floodplain Management Guidelines for Implementing Executive Order 11988 (43 FR 6030, February 10, 1978) issued by the Water Resources Council; and the terms “criteria” and “Regular Program”, shall follow the definitions contained in FEMA regulations at 44 CFR 59.1.

(b) The definitions of the following terms in Executive Order 11988 and related documents affecting this part are modified for purposes of this part:

(1) *Coastal high hazard area* means the area subject to high velocity waters, including but not limited to hurricane wave wash or tsunamis. The area is designated on a Flood Insurance Rate Map (FIRM) under FEMA regulations as Zone VI-30, VE, or V. (FIRMs as well as Flood Hazard Boundary Maps (FHBM) shall also be relied on for the delineation of “100-year floodplains” (§ 55.2(b)(8)), “500-year floodplains” (§ 55.2(b)(3)), and “floodways” (§ 55.2(b)(4)).

(2)(i) *Critical action* means any activity for which even a slight chance of flooding would be too great, because such flooding might result in loss of life, injury to persons, or damage to property. Critical actions include activities that create, maintain or extend the useful life of those structures or facilities that:

(A) Produce, use or store highly volatile, flammable, explosive, toxic or water-reactive materials;

(B) Provide essential and irreplaceable records or utility or emergency

services that may become lost or inoperative during flood and storm events (e.g., data storage centers, generating plants, principal utility lines, emergency operations centers including fire and police stations, and roadways providing sole egress from flood-prone areas); or

(C) Are likely to contain occupants who may not be sufficiently mobile to avoid loss of life or injury during flood or storm events, e.g., persons who reside in hospitals, nursing homes, convalescent homes, intermediate care facilities, board and care facilities, and retirement service centers. Housing for independent living for the elderly is not considered a critical action.

(ii) Critical actions shall not be approved in floodways or coastal high hazard areas.

(3) *500-year floodplain* means the minimum floodplain of concern for Critical Actions and is the area subject to inundation from a flood having a 0.2 percent chance of occurring in any given year. (See § 55.2(b)(1) for appropriate data sources.)

(4) *Floodway* means that portion of the floodplain which is effective in carrying flow, where the flood hazard is generally the greatest, and where water depths and velocities are the highest. The term "floodway" as used here is consistent with "regulatory floodways" as identified by FEMA. (See § 55.2(b)(1) for appropriate data sources.)

(5) *Functionally dependent use* means a land use that must necessarily be conducted in close proximity to water (e.g., a dam, marina, port facility, water-front park, and many types of bridges).

(6) *High hazard area* means a floodway or a coastal high hazard area.

(7) *100-year floodplain* means the floodplain of concern for this part and is the area subject to a one percent or greater chance of flooding in any given year. (See § 55.2(b)(1) for appropriate data sources.)

(8)(i) *Substantial improvement* means either:

(A) Any repair, reconstruction, modernization or improvement of a structure, the cost of which equals or exceeds 50 percent of the market value of the structure either:

(1) Before the improvement or repair is started; or

(2) If the structure has been damaged, and is being restored, before the damage occurred; or

(B) Any repair, reconstruction, modernization or improvement of a structure that results in an increase of more than twenty percent in the number of dwelling units in a residential project or in the average peak number of customers and employees likely to be on-site at any one time for a commercial or industrial project.

(ii) *Substantial improvement* may not be defined to include either:

(A) Any project for improvement of a structure to comply with existing state or local health, sanitary or safety code specifications that is solely necessary to assure safe living conditions, or

(B) Any alteration of a structure listed on the National Register of Historical Places or on a State Inventory of Historic Places.

(iii) Structural repairs, reconstruction, or improvements not meeting this definition are considered "minor improvements".

§ 55.3 Assignment of responsibilities.

(a)(1) *The Assistant Secretary for Community Planning and Development (CPD)* shall oversee: (i) The Department's implementation of the order and this part in all HUD programs, and

(ii) The implementation activities of HUD program managers and grant recipients for HUD financial assistance subject to 24 CFR part 58.

(2) In performing these responsibilities, the Assistant Secretary for CPD shall make pertinent policy determinations in cooperation with appropriate program offices and provide necessary assistance, training, publications, and procedural guidance.

(b) *Other HUD Assistant Secretaries, the General Counsel, and the President of the Government National Mortgage Association (GNMA)* shall: (1) Ensure compliance with this part for all actions under their jurisdiction that are proposed to be conducted, supported, or permitted in a floodplain;

(2) Ensure that actions approved by HUD or grant recipients are monitored and that any prescribed mitigation is implemented;

§ 55.10

24 CFR Subtitle A (4–1–07 Edition)

(3) Ensure that the offices under their jurisdiction have the technical resources to implement the requirements of this part; and

(4) Incorporate in departmental regulations, handbooks, and project and site standards those criteria, standards, and procedures necessary to comply with the requirements of this part.

(c) *Recipient Certifying Officer.* In accordance with section 9 of Executive Order 11988, Certifying Officers of grant recipients administering activities subject to 24 CFR part 58 shall: (1) Comply with this part in carrying out HUD-assisted programs, and

(2) Monitor approved actions and ensure that any prescribed mitigation is implemented.

Subpart B—Application of Executive Order on Floodplain Management

§ 55.10 Environmental review procedures under 24 CFR parts 50 and 58.

(a) Where an environmental review is required under the National Environmental Policy Act of 1969 (NEPA), 42 U.S.C. 4332, and 24 CFR part 50 or part 58, compliance with this part shall be completed before the completion of an environmental assessment (EA) including a finding of no significant environmental impact (FONSI), or an environmental impact statement (EIS), in accordance with the decision points listed in 24 CFR 50.17 (a) through (h), or before the preparation of an EA under 24 CFR 58.40 or an EIS under 24 CFR 58.36.

For types of proposed actions that are categorically excluded from National Environmental Policy Act (NEPA) requirements under 24 CFR part 50 (or part 58), compliance with this part shall be completed before the Department's initial (SAMA, conditional, etc.) approval (or the conditional commitment or approval by a grant recipient subject to 24 CFR part 58) of proposed actions in a floodplain.

(b) The categorical exclusion of certain proposed actions from environmental review requirements under NEPA and 24 CFR parts 50 and 58 (see 24 CFR 50.20 and 58.35) does not exclude those actions from compliance with this part.

§ 55.11 Applicability of subpart C decision making process.

(a) Before reaching the decision points described in § 55.10(a), HUD (for Department-administered programs) or the grant recipient (for HUD financial assistance subject to 24 CFR part 58) shall determine whether Executive Order 11988 and this part apply to the proposed action.

(b) If Executive Order 11988 applies, the approval of a proposed action or initial commitment shall be made in accordance with this part. The primary purpose of Executive Order 11988 is to "avoid direct or indirect support of floodplain development."

(c) The following table indicates the applicability, by location and type of action, of the decision making process for implementing Executive Order 11988 under subpart C of this part.

TABLE 1

Type of proposed action (new reviewable action or an amendment)	Type of proposed location			
	Floodways	Coastal high hazard areas	100-year floodplain outside high hazard area	Area between 100- and 500-year floodplain

Non-critical actions not excluded under § 55.12 (b) or (c).	Allowed only if the proposed action is a functionally dependent use and processed under § 55.20 ¹ .	Allowed only if the proposed action: (1) Is either (a) designed for location in a coastal high hazard area or (b) a functionally dependent use; and (2) is processed under § 55.20 ¹ .	Allowed if the proposed action is processed under § 55.20 ¹ .	Any non-critical action is allowed without processing under this part.

¹ Or those paragraphs of § 55.20 that are applicable to an action listed in § 55.12(a).

§ 55.12 Inapplicability of 24 CFR part 55 to certain categories of proposed actions.

(a) The decision making steps in § 55.20 (b), (c) and (g) (steps 2, 3 and 7) shall not apply to the following categories of proposed actions: (1) HUD actions involving the disposition of HUD-acquired multifamily housing projects or "bulk sales" of HUD-acquired one- to four-family properties in communities that are in the Regular Program of the National Flood Insurance Program (NFIP) and in good standing (*i.e.*, not suspended from program eligibility or placed on probation under 44 CFR 59.24).

(2) HUD's actions under section 223(f) of the National Housing Act (12 U.S.C. 1715n(f)) for the purchase or refinancing of existing multifamily housing projects (including hospitals, nursing homes, board and care facilities, and intermediate care facilities) in communities that are in good standing under the NFIP.

(3) HUD mortgage insurance actions for the repair, rehabilitation, modernization or improvement of existing multifamily housing projects (including nursing homes, board and care facilities and intermediate care facilities) and existing one- to four-family properties, in communities that are in the Regular Program of the NFIP and are in good standing, provided that the number of units is not increased more than 20 percent, the action does not involve a conversion from nonresidential to residential land use, and the footprint of the structure and paved areas is not significantly increased.

(b) The decision making process in § 55.20 shall not apply to the following categories of proposed actions: (1) HUD's mortgage insurance actions and other financial assistance for the purchasing, mortgaging or refinancing of existing one- to four-family properties in communities that are in the Regular Program of the National Flood Insurance Program (NFIP) and in good standing (*i.e.*, not suspended from program eligibility or placed on probation under 44 CFR 59.24), where the action is not a critical action and the property is not located in a floodway or coastal high hazard area;

(2) Financial assistance for minor repairs or improvements on one- to four-family properties that do not meet the thresholds for "substantial improvement" under § 55.2(b)(8);

(3) HUD actions involving the disposition of individual HUD-acquired, one- to four-family properties; and

(4) HUD guarantees under the Loan Guarantee Recovery Fund Program (24 CFR part 573) of loans that refinance existing loans and mortgages, where any new construction or rehabilitation financed by the existing loan or mortgage has been completed prior to the filing of an application under the program, and the refinancing will not allow further construction or rehabilitation, nor result in any physical impacts or changes except for routine maintenance.

(c) This part shall not apply to the following categories of proposed HUD actions:

(1) HUD-assisted exempt activities described in 24 CFR 58.34;

(2) Policy level actions described at 24 CFR 50.16 that do not involve site-based decisions;

(5) A minor amendment to a previously approved action with no additional adverse impact on or from a floodplain;

(6) HUD's approval of a project site, an incidental portion of which is situated in an adjacent floodplain, but only if: (i) The proposed construction and landscaping activities (except for minor grubbing, clearing of debris, pruning, sodding, seeding, etc.) do not occupy or modify the 100-year floodplain or the 500-year floodplain (for Critical Actions);

(ii) Appropriate provision is made for site drainage; and

(iii) A covenant or comparable restriction is placed on the property's

§ 55.20

continued use to preserve the floodplain;

(8) HUD's approval of financial assistance for a project on any site in a floodplain for which FEMA has issued:

(i) A final Letter of Map Amendment (LOMA) or final Letter of Map Revision (LOMR) that removed the property from a FEMA-designated floodplain location; or

(ii) A conditional LOMA or conditional LOMR if the HUD approval is subject to the requirements and conditions of the conditional LOMA or conditional LOMR;

(9) HUD's acceptance of a housing subdivision approval action by the Department of Veterans Affairs or Farmers Home Administration in accordance with section 535 of the Housing Act of 1949 (42 U.S.C. 1490o);

(10) An action that was, on May 23, 1994, already approved by HUD (or a grant recipient subject to 24 CFR part 58) and is being implemented (unless approval is requested for a new reviewable action), provided that §§ 55.21 and 55.22 apply where the covered transactions under those sections have not yet occurred, and that any hazard minimization measures required by HUD (or a grant recipient subject to 24 CFR part 58) under its implementation of Executive Order 11988 before May 23, 1994 shall be completed;

(11) Issuance or use of Housing Vouchers, Certificates under the Section 8 Existing Housing Program, or other forms of rental subsidy where HUD, the awarding community, or the public housing agency that administers the contract awards rental subsidies that are not project-based (*i.e.*, do not involve site-specific subsidies); and

(12) Secondary mortgage operations of the Government National Mortgage Association (GNMA).

24 CFR Subtitle A (4-1-07 Edition)

Subpart C—Procedures for Making Determinations on Floodplain Management

§ 55.20 Decision making process.

The decision making process for compliance with this part contains eight steps, including public notices and an examination of practicable alternatives. The steps to be followed in the decision making process are:

(a) *Step 1.* Determine whether the proposed action is located in a 100-year floodplain (or a 500-year floodplain for a Critical Action). If the proposed action would not be conducted in one of those locations, then no further compliance with this part is required.

(b) *Step 2.* Notify the public at the earliest possible time of a proposal to consider an action in a floodplain (or in the 500-year floodplain for a Critical Action), and involve the affected and interested public in the decision making process.

(1) The public notices required by paragraphs (b) and (g) of this section may be combined with other project notices wherever appropriate. Notices required under this part must be bilingual if the affected public is largely non-English speaking. In addition, all notices must be published in an appropriate local printed news medium, and must be sent to federal, state, and local public agencies, organizations, and, where not otherwise covered, individuals known to be interested in the proposed action.

(2) A minimum of 15 calendar days shall be allowed for comment on the public notice.

(3) A notice under this paragraph shall state: the name, proposed location and description of the activity; the total number of acres of floodplain involved; and the HUD official and phone number to contact for information. The notice shall indicate the hours and the HUD office at which a full description of the proposed action may be reviewed.

(c) *Step 3.* Identify and evaluate practicable alternatives to locating the proposed action in a floodplain (or the 500-year floodplain for a Critical Action).

(1) The consideration of practicable alternatives to the proposed site or method may include:

- (i) Locations outside the floodplain (or 500-year floodplain for a Critical Action);
- (ii) Alternative methods to serve the identical project objective; and
- (iii) A determination not to approve any action.

(2) In reviewing practicable alternatives, the Department or a grant recipient subject to 24 CFR part 58 shall consider feasible technological alternatives, hazard reduction methods and related mitigation costs, and environmental impacts.

(d) *Step 4.* Identify the potential direct and indirect impacts associated with the occupancy or modification of the floodplain (or 500-year floodplain for a Critical Action).

(e) *Step 5.* Where practicable, design or modify the proposed action to minimize the potential adverse impacts within the floodplain (including the 500-year floodplain for a Critical Action) and to restore and preserve its natural and beneficial values. All critical actions in the 500-year floodplain shall be designed and built at or above the 100-year floodplain (in the case of new construction) and modified to include:

- (1) Preparation of and participation in an early warning system;
- (2) An emergency evacuation and relocation plan;
- (3) Identification of evacuation route(s) out of the 500-year floodplain; and
- (4) Identification marks of past or estimated flood levels on all structures.

(f) *Step 6.* Reevaluate the proposed action to determine:

(1) Whether it is still practicable in light of its exposure to flood hazards in the floodplain, the extent to which it will aggravate the current hazards to other floodplains, and its potential to disrupt floodplain values; and

(2) Whether alternatives preliminarily rejected at Step 3 (paragraph (c)) of this section are practicable in light of the information gained in Steps 4 and 5 (paragraphs (d) and (e)) of this section.

(g) *Step 7.* (1) If the reevaluation results in a determination that there is

no practicable alternative to locating the proposal in the floodplain (or the 500-year floodplain for a Critical Action), publish a final notice that includes:

- (i) The reasons why the proposal must be located in the floodplain;
- (ii) A list of the alternatives considered; and
- (iii) All mitigation measures to be taken to minimize adverse impacts and to restore and preserve natural and beneficial values.

(2) In addition, the public notice procedures of § 55.20(b)(1) shall be followed, and a minimum of 7 calendar days for public comment before approval of the proposed action shall be provided.

(h) *Step 8.* Upon completion of the decision making process in Steps 1 through 7, implement the proposed action. There is a continuing responsibility to ensure that the mitigating measures identified in Step 7 are implemented.

§ 55.21 Notification of floodplain hazard.

For HUD programs under which a financial transaction for a property located in a floodplain (a 500-year floodplain for a Critical Action) is guaranteed, approved, regulated or insured, any private party participating in the transaction and any current or prospective tenant shall be informed by HUD (or by HUD's designee, e.g., a mortgagor) or a grant recipient subject to 24 CFR part 58 of the hazards of the floodplain location before the execution of documents completing the transaction.

§ 55.22 Conveyance restrictions for the disposition of multifamily real property.

(a) In the disposition (including leasing) of multifamily properties acquired by HUD that are located in a floodplain (a 500-year floodplain for a Critical Action), the documents used for the conveyance must: (1) Refer to those uses that are restricted under identified federal, state, or local floodplain regulations; and

(2) Include any land use restrictions limiting the use of the property by a grantee or purchaser and any successors under state or local laws.

§ 55.23

(b)(1) For disposition of multifamily properties acquired by HUD that are located in a 500-year floodplain and contain Critical Actions, HUD shall, as a condition of approval of the disposition, require by covenant or comparable restriction on the property's use that the property owner and successive owners provide written notification to each current and prospective tenant concerning: (i) The hazards to life and to property for those persons who reside or work in a structure located within the 500-year floodplain, and

(ii) The availability of flood insurance on the contents of their dwelling unit or business.

(2) The notice shall also be posted in the building so that it will be legible at all times and easily visible to all persons entering or using the building.

[59 FR 19107, Apr. 21, 1994, as amended at 59 FR 33199, June 28, 1994]

§ 55.23 [Reserved]

§ 55.24 Aggregation.

Where two or more actions have been proposed, require compliance with subpart C of this part, affect the same floodplain, and are currently under review by the Department (or by a grant recipient subject to 24 CFR part 58), individual or aggregated approvals may be issued. A single compliance review and approval under this section is subject to compliance with the decision making process in § 55.20.

§ 55.25 Areawide compliance.

(a) A HUD-approved areawide compliance process may be substituted for individual compliance or aggregated compliance under § 55.24 where a series of individual actions is proposed or contemplated in a pertinent area for HUD's examination of floodplain hazards. In areawide compliances, the area for examination may include a sector of, or the entire, floodplain—as relevant to the proposed or anticipated actions. The areawide compliance process shall be in accord with the decision making process under § 55.20.

(b) The areawide compliance process shall address the relevant executive orders and shall consider local land use planning and development controls

24 CFR Subtitle A (4–1–07 Edition)

(e.g., those enforced by the community for purposes of floodplain management under the National Flood Insurance Program (NFIP)) and applicable state programs for floodplain management. The process shall include the development and publication of a strategy that identifies the range of development and mitigation measures under which the proposed HUD assistance may be approved and that indicates the types of actions that will not be approved in the floodplain.

(c) Individual actions that fit within the types of proposed HUD actions specifically addressed under the areawide compliance do not require further compliance with § 55.20 except that a determination by the Department or a grant recipient subject to 24 CFR part 58 shall be made concerning whether the individual action accords with the areawide strategy. Where the individual action does not accord with the areawide strategy, specific development and mitigation measures shall be prescribed as a condition of HUD's approval of the individual action.

(d) Areawide compliance under the procedures of this section is subject to the following provisions: (1) It shall be initiated by HUD through a formal agreement of understanding with affected local governments concerning mutual responsibilities governing the preparation, issuance, implementation, and enforcement of the areawide strategy;

(2) It may be performed jointly with one or more Federal departments or agencies, or grant recipients subject to 24 CFR part 58 that serve as the responsible Federal official;

(3) It shall establish mechanisms to ensure that: (i) The terms of approval of individual actions (e.g., concerning structures and facilities) will be consistent with the areawide strategy;

(ii) The controls set forth in the areawide strategy are implemented and enforced in a timely manner; and

(iii) Where necessary, mitigation for individual actions will be established as a condition of approval.

(4) An open scoping process (in accordance with 40 CFR 1501.7) shall be used for determining the scope of

issues to be addressed and for identifying significant issues related to housing and community development for the floodplain;

(5) Federal, state and local agencies with expertise in floodplain management, flood evacuation preparedness, land use planning and building regulation, or soil and natural resource conservation shall be invited to participate in the scoping process and to provide advice and comments; and

(6) Eligibility for participation in and the use of the areawide compliance must be limited to communities that are in the Regular Program of the National Flood Insurance Program and in good standing (*i.e.*, not suspended from program eligibility or placed on probation under 44 CFR 59.24), thereby demonstrating a capacity for and commitment to floodplain management standards sufficient to perform responsibilities under this part.

(7) An expiration date (not to exceed ten years from the date of the formal adoption by the local governments) for HUD approval of areawide compliance under this part must be stated in the agreement between the local governments and HUD. In conjunction with the setting of an expiration date, a mechanism for HUD's reevaluation of the appropriateness of areawide compliance must be provided in the agreement.

§ 55.26 Adoption of another agency's review under the executive orders.

If a proposed action covered under this part is already covered in a prior review performed under the executive order by another agency, that review may be adopted by HUD or by a grant recipient authorized under 24 CFR part 58, provided that:

(a) There is no pending litigation relating to the other agency's review for floodplain management;

(b) The adopting agency makes a finding that:

(1) The type of action currently proposed is comparable to the type of action previously reviewed by the other agency; and

(2) There has been no material change in circumstances since the previous review was conducted; and

(c) As a condition of approval, mitigation measures similar to those prescribed in the previous review shall be required of the current proposed action.

§ 55.27 Documentation.

(a) For purposes of compliance with § 55.20, the responsible HUD official who would approve the proposed action (or the Certifying Officer for a grant recipient subject to 24 CFR part 58) shall require that the following actions be documented: (1) Under § 55.20(c), practicable alternative sites have been considered outside the floodplain, but within the local housing market area, the local public utility service area, or the jurisdictional boundaries of a recipient unit of general local government (as defined in 24 CFR 570.3), whichever geographic area is more appropriate to the proposed HUD action. Actual sites under review must be identified and the reasons for the non-selection of those sites as practicable alternatives must be described; and

(2) Under § 55.20(e), measures to minimize the potential adverse impacts of the proposed action on the affected floodplain as identified in § 55.20(d) have been applied to the design for the proposed action.

(b) For purposes of compliance with § 55.24, § 55.25, or § 55.26 (as appropriate), the responsible HUD official (or the Certifying Officer for a grant recipient subject to 24 CFR part 58) who would approve the proposed action shall require documentation of compliance with the required conditions.

(c) Documentation of compliance with this part (including copies of public notices) must be attached to the environmental assessment, the environmental impact statement or the compliance record and be maintained as a part of the project file. In addition, for environmental impact statements, documentation of compliance with this part must be included as a part of the record of decision (or environmental review record for grant recipients subject to 24 CFR part 58).

Future activities receiving assistance from the revolving loan fund, after the fund has received loan repayments, are subject to the environmental review requirements if the rules of the HUD program that initially provided assistance to the fund continue to treat the activities as subject to the Federal requirements. If the HUD program treats the activities as not being subject to any Federal requirements, then the activities cease to become Federally-funded activities and the provisions of this part do not apply.

(1) *Activity* means an action that a grantee or recipient puts forth as part of an assisted project, regardless of whether its cost is to be borne by the HUD assistance or is an eligible expense under the HUD assistance program.

(2) *Certifying Officer* means the official who is authorized to execute the Request for Release of Funds and Cer-

24 CFR Subtitle A (4-1-07 Edition)

tification and has the legal capacity to carry out the responsibilities of § 58.13.

(3) *Extraordinary Circumstances* means a situation in which an environmental assessment (EA) or environmental impact statement (EIS) is not normally required, but due to unusual conditions, an EA or EIS is appropriate. Indicators of unusual conditions are:

(i) Actions that are unique or without precedent;

(ii) Actions that are substantially similar to those that normally require an EIS;

(iii) Actions that are likely to alter existing HUD policy or HUD mandates; or

(iv) Actions that, due to unusual physical conditions on the site or in the vicinity, have the potential for a significant impact on the environment or in which the environment could have a significant impact on users of the facility.

(4) *Project* means an activity, or a group of integrally related activities, designed by the recipient to accomplish, in whole or in part, a specific objective.

(5) *Recipient* means any of the following entities, when they are eligible recipients or grantees under a program listed in § 58.1(b):

(i) A State that does not distribute HUD assistance under the program to a unit of general local government;

(ii) Guam, the Northern Mariana Islands, the Virgin Islands, American Samoa, and Palau;

(iii) A unit of general local government;

(iv) An Indian tribe;

(v) With respect to Public Housing Programs under § 58.1(b)(6)(i), fiscal year 1999 and prior HOPE VI grants under § 58.1(b)(6)(ii) or Section 8 assistance under § 58.1(b)(6)(iii), a public housing agency;

Office of the Secretary, HUD

§ 58.2

(ix)(A) With respect to NAHASDA assistance under § 58.1(b)(10), the Indian tribe or the Department of Hawaiian Home Lands; and

(B) With respect to the Section 184 Indian Housing Loan Guarantee program under § 58.1(b)(11), the Indian tribe.

(x) With respect to the Shelter Plus Care and Supportive Housing Programs under § 58.1(b)(3)(ii), nonprofit organizations and other entities.

(6) *Release of funds.* In the case of the FHA Multifamily Housing Finance Agency Program under § 58.1(b)(8), Release of Funds, as used in this part, refers to HUD issuance of a firm approval letter, and Request for Release of Funds refers to a recipient's request for a firm approval letter. In the case of the Section 184 Indian Housing Loan Guarantee program under § 58.1(b)(11), Release of Funds refers to HUD's issuance of a commitment to guarantee a loan, or if there is no commitment, HUD's issuance of a certificate of guarantee.

(7) *Responsible Entity.* Responsible Entity means:

(i) With respect to environmental responsibilities under programs listed in § 58.1(b)(1), (2), (3)(i), (4), and (5), a recipient under the program.

(ii) With respect to environmental responsibilities under the programs listed in § 58.1(b)(3)(ii) and (6) through (12), a state, unit of general local government, Indian tribe or Alaska Native Village, or the Department of Hawaiian Home Lands, when it is the recipient under the program. Under the Native American Housing Assistance and Self-Determination Act of 1996 (25 U.S.C. 4101 *et seq.*) listed in § 58.1(b)(10)(i), the Indian tribe is the responsible entity whether or not a Tribally Designated Housing Entity is authorized to receive grant amounts on behalf of the tribe. The Indian tribe is also the responsible entity under the Section 184 Indian Housing Loan Guarantee program listed in § 58.1(b)(11). Regional Corporations in Alaska are considered Indian tribes in this part. Non-recipient responsible entities are designated as follows:

(A) For qualified housing finance agencies, the State or a unit of general local government, Indian tribe or Alaska

native village whose jurisdiction contains the project site;

(B) For public housing agencies, the unit of general local government within which the project is located that exercises land use responsibility, or if HUD determines this infeasible, the county, or if HUD determines this infeasible, the State;

(C) For non-profit organizations and other entities, the unit of general local government, Indian tribe or Alaska native village within which the project is located that exercises land use responsibility, or if HUD determines this infeasible, the county, or if HUD determines this infeasible, the State;

(8) *Unit Density* refers to a change in the number of dwelling units. Where a threshold is identified as a percentage change in density that triggers review requirements, no distinction is made between an increase or a decrease in density.

(9) *Tiering* means the evaluation of an action or an activity at various points in the development process as a proposal or event becomes ripe for an Environment Assessment or Review.

(10) *Vacant Building* means a habitable structure that has been vacant for more than one year.

§ 58.4 Assumption authority.

(a) *Assumption authority for responsible entities: General.* Responsible entities shall assume the responsibility for environmental review, decision-making, and action that would otherwise apply to HUD under NEPA and other provisions of law that further the purposes of NEPA, as specified in § 58.5. Responsible entities that receive assistance directly from HUD assume these responsibilities by execution of a grant agreement with HUD and/or a legally binding document such as the certification contained on HUD Form 7015.15, certifying to the assumption of environmental responsibilities. When a State distributes funds to a responsible entity, the State must provide for appropriate procedures by which these responsible entities will evidence their assumption of environmental responsibilities.

(b) *Particular responsibilities of the States.* (1) States are recipients for purposes of directly undertaking a State project and must assume the environmental review responsibilities for the State's activities and those of any non-governmental entity that may participate in the project. In this case, the State must submit the certification and RROF to HUD for approval.

(2) States must exercise HUD's responsibilities in accordance with § 58.18, with respect to approval of a unit of local government's environmental certification and RROF for a HUD assisted project funded through the state. Approval by the state of a unit of local government's certification and RROF satisfies the Secretary's responsibilities under NEPA and the related laws cited in § 58.5.

(c) *Particular responsibilities of Indian tribes.* An Indian tribe may, but is not required to, assume responsibilities for environmental review, decision-making and action for programs authorized by the Native American Housing Assistance and Self-Determination Act of 1996 (25 U.S.C. 4101 *et seq.*) (other than title VIII) or section 184 of the Housing and Community Development Act of

24 CFR Subtitle A (4–1–07 Edition)

1992 (12 U.S.C. 1715z–13a). The tribe must make a separate decision regarding assumption of responsibilities for each of these Acts and communicate that decision in writing to HUD. If the tribe assumes these responsibilities, the requirements of this part shall apply. If a tribe formally declines assumption of these responsibilities, they are retained by HUD and the provisions of part 50 of this title apply.

§ 58.6 Other requirements.

In addition to the duties under the laws and authorities specified in § 58.5 for assumption by the responsible entity under the laws cited in § 58.1(b), the responsible entity must comply with the following requirements. Applicability of the following requirements does not trigger the certification and release of funds procedure under this part or preclude exemption of an activity under § 58.34(a)(12) and/or the applicability of § 58.35(b). However, the responsible entity remains responsible for addressing the following requirements in its ERR and meeting these requirements, where applicable, regardless of whether the activity is exempt under § 58.34 or categorically excluded under § 58.35(a) or (b).

(a)(1) Under the Flood Disaster Protection Act of 1973, as amended (42 U.S.C. 4001-4128), Federal financial assistance for acquisition and construction purposes (including rehabilitation) may not be used in an area identified by the Federal Emergency Management Agency (FEMA) as having special flood hazards, unless:

§ 58.10

(i) The community in which the area is situated is participating in the National Flood Insurance Program (see 44 CFR parts 59 through 79), or less than one year has passed since the FEMA notification regarding such hazards; and

(ii) Where the community is participating in the National Flood Insurance Program, flood insurance protection is to be obtained as a condition of the approval of financial assistance to the property owner.

(2) Where the community is participating in the National Flood Insurance Program and the recipient provides financial assistance for acquisition or construction purposes (including rehabilitation) for property located in an area identified by FEMA as having special flood hazards, the responsible entity is responsible for assuring that flood insurance under the National Flood Insurance Program is obtained and maintained.

(3) Paragraph (a) of this section does not apply to Federal formula grants made to a State.

(b) Under section 582 of the National Flood Insurance Reform Act of 1994, 42 U.S.C. 5154a, HUD disaster assistance that is made available in a special flood hazard area may not be used to make a payment (including any loan assistance payment) to a person for repair, replacement or restoration for flood damage to any personal, residential or commercial property if:

(1) The person had previously received Federal flood disaster assistance conditioned on obtaining and maintaining flood insurance; and

(2) The person failed to obtain and maintain flood insurance.

(c) Pursuant to the Coastal Barrier Resources Act, as amended by the Coastal Barrier Improvement Act of 1990 (16 U.S.C. 3501), HUD assistance may not be used for most activities proposed in the Coastal Barrier Resources System.

(d) In all cases involving HUD assistance, subsidy, or insurance for the purchase or sale of an existing property in a Runway Clear Zone or Clear Zone, as defined in 24 CFR part 51, the responsible entity shall advise the buyer that the property is in a runway clear zone or clear zone, what the implications of

24 CFR Subtitle A (4–1–07 Edition)

such a location are, and that there is a possibility that the property may, at a later date, be acquired by the airport operator. The buyer must sign a statement acknowledging receipt of this information.

Subpart B—General Policy: Responsibilities of Responsible Entities

§ 58.10 Basic environmental responsibility.

In accordance with the provisions of law cited in § 58.1(b), except as otherwise provided in § 58.4(c), the responsible entity must assume the environmental responsibilities for projects under programs cited in § 58.1(b). In doing so, the responsible entity must comply with the provisions of NEPA and the CEQ regulations contained in 40 CFR parts 1500 through 1508, including the requirements set forth in this part.

[68 FR 56128, Sept. 29, 2003]

§ 58.11 Legal capacity and performance.

(a) A responsible entity which believes that it does not have the legal capacity to carry out the environmental responsibilities required by this part must contact the appropriate local HUD Office or the State for further instructions. Determinations of legal capacity will be made on a case-by-case basis.

(b) If a public housing, special project, HOPWA, Supportive Housing, Shelter Plus Care, or Self-Help Homeownership Opportunity recipient that is not a responsible entity objects to the non-recipient responsible entity conducting the environmental review on the basis of performance, timing, or compatibility of objectives, HUD will review the facts to determine who will perform the environmental review.

(c) At any time, HUD may reject the use of a responsible entity to conduct the environmental review in a particular case on the basis of performance, timing or compatibility of objectives, or in accordance with § 58.77(d)(1).

Office of the Secretary, HUD

§ 58.15

(d) If a responsible entity, other than a recipient, objects to performing an environmental review, or if HUD determines that the responsible entity should not perform the environmental review, HUD may designate another responsible entity to conduct the review in accordance with this part or may itself conduct the environmental review in accordance with the provisions of 24 CFR part 50.

[61 FR 19122, Apr. 30, 1996, as amended at 68 FR 56129, Sept. 29, 2003]

§ 58.12 Technical and administrative capacity.

The responsible entity must develop the technical and administrative capability necessary to comply with 40 CFR parts 1500 through 1508 and the requirements of this part.

§ 58.13 Responsibilities of the certifying officer.

Under the terms of the certification required by § 58.71, a responsible entity's certifying officer is the "responsible Federal official" as that term is used in section 102 of NEPA and in statutory provisions cited in § 58.1(b). The Certifying Officer is therefore responsible for all the requirements of section 102 of NEPA and the related provisions in 40 CFR parts 1500 through 1508, and 24 CFR part 58, including the related Federal authorities listed in § 58.5. The Certifying Officer must also:

(a) Represent the responsible entity and be subject to the jurisdiction of the Federal courts. The Certifying Officer will not be represented by the Department of Justice in court; and

(b) Ensure that the responsible entity reviews and comments on all EISs prepared for Federal projects that may have an impact on the recipient's program.

§ 58.14 Interaction with State, Federal and non-Federal entities.

A responsible entity shall consult with appropriate environmental agencies, State, Federal and non-Federal entities and the public in the preparation of an EIS, EA or other environmental reviews undertaken under the related laws and authorities cited in § 58.5 and § 58.6. The responsible entity must also cooperate with other agen-

cies to reduce duplication between NEPA and comparable environmental review requirements of the State (see 40 CFR 1506.2 (b) and (c)). The responsible entity must prepare its EAs and EISs so that they comply with the environmental review requirements of both Federal and State laws unless otherwise specified or provided by law. State, Federal and local agencies may participate or act in a joint lead or co-operating agency capacity in the preparation of joint EISs or joint environmental assessments (see 40 CFR 1501.5(b) and 1501.6). A single EIS or EA may be prepared and adopted by multiple users to the extent that the review addresses the relevant environmental issues and there is a written agreement between the cooperating agencies which sets forth the coordinated and overall responsibilities.

[63 FR 15271, Mar 30, 1998]

§ 58.15 Tiering.

Responsible entities may tier their environmental reviews and assessments to eliminate repetitive discussions of the same issues at subsequent levels of review. Tiering is appropriate when there is a requirement to evaluate a policy or proposal in the early stages of development or when site-specific analysis or mitigation is not currently feasible and a more narrow or focused analysis is better done at a later date. The site specific review need only reference or summarize the issues addressed in the broader review. The broader review should identify and evaluate those issues ripe for decision and exclude those issues not relevant to the policy, program or project under consideration. The broader review should also establish the policy, standard or process to be followed in the site specific review. The Finding of No Significant Impact (FONSI) with respect to the broader assessment shall include a summary of the assessment and identify the significant issues to be considered in site specific reviews. Subsequent site-specific reviews will not require notices or a Request for Release of Funds unless the Certifying Officer determines that there are unanticipated impacts or impacts not adequately addressed in the prior review. A tiering approach can be used for

§ 58.17

meeting environmental review requirements in areas designated for special focus in local Consolidated Plans. Local and State Governments are encouraged to use the Consolidated Plan process to facilitate environmental reviews.

§ 58.17 [Reserved]

§ 58.18 Responsibilities of States assuming HUD environmental responsibilities.

States that elect to administer a HUD program shall ensure that the program complies with the provisions of this part. The state must:

(a) Designate the state agency or agencies that will be responsible for carrying out the requirements and administrative responsibilities set forth in subpart H of this part and which will:

(1) Develop a monitoring and enforcement program for post-review actions on environmental reviews and monitor compliance with any environmental conditions included in the award.

(2) Receive public notices, RROFs, and certifications from recipients pursuant to §§ 58.70 and 58.71; accept objections from the public and from other agencies (§ 58.73); and perform other related responsibilities regarding releases of funds.

(b) Fulfill the state role in subpart H relative to the time period set for the receipt and disposition of comments, objections and appeals (if any) on particular projects.

[68 FR 56129, Sept. 29, 2003]

Subpart C—General Policy: Environmental Review Procedures

§ 58.21 Time periods.

All time periods in this part shall be counted in calendar days. The first day of a time period begins at 12:01 a.m. local time on the day following the publication or the mailing and posting date of the notice which initiates the time period.

§ 58.22 Limitations on activities pending clearance.

(a) Neither a recipient nor any participant in the development process, including public or private nonprofit or

24 CFR Subtitle A (4–1–07 Edition)

for-profit entities, or any of their contractors, may commit HUD assistance under a program listed in § 58.1(b) on an activity or project until HUD or the state has approved the recipient's RROF and the related certification from the responsible entity. In addition, until the RROF and the related certification have been approved, neither a recipient nor any participant in the development process may commit non-HUD funds on or undertake an activity or project under a program listed in § 58.1(b) if the activity or project would have an adverse environmental impact or limit the choice of reasonable alternatives.

(b) If a project or activity is exempt under § 58.34, or is categorically excluded (except in extraordinary circumstances) under § 58.35(b), no RROF is required and the recipient may undertake the activity immediately after the responsible entity has documented its determination as required in § 58.34(b) and § 58.35(d), but the recipient must comply with applicable requirements under § 58.6.

(c) If a recipient is considering an application from a prospective subrecipient or beneficiary and is aware that the prospective subrecipient or beneficiary is about to take an action within the jurisdiction of the recipient that is prohibited by paragraph (a) of this section, then the recipient will take appropriate action to ensure that the objectives and procedures of NEPA are achieved.

(d) An option agreement on a proposed site or property is allowable prior to the completion of the environmental review if the option agreement is subject to a determination by the recipient on the desirability of the property for the project as a result of the completion of the environmental review in accordance with this part and the cost of the option is a nominal portion of the purchase price. There is no constraint on the purchase of an option by third parties that have not been selected for HUD funding, have no responsibility for the environmental review and have no say in the approval or disapproval of the project.

(e) *Self-Help Homeownership Opportunity Program (SHOP)*. In accordance with section 11(d)(2)(A) of the Housing

Opportunity Program Extension Act of 1996 (42 U.S.C. 12805 note), an organization, consortium, or affiliate receiving assistance under the SHOP program may advance nongrant funds to acquire land prior to completion of an environmental review and approval of a Request for Release of Funds (RROF) and certification, notwithstanding paragraph (a) of this section. Any advances to acquire land prior to approval of the RROF and certification are made at the risk of the organization, consortium, or affiliate and reimbursement for such advances may depend on the result of the environmental review. This authorization is limited to the SHOP program only and all other forms of HUD assistance are subject to the limitations in paragraph (a) of this section.

(f) *Relocation.* Funds may be committed for relocation assistance before the approval of the RROF and related certification for the project provided that the relocation assistance is required by 24 CFR part 42.

[68 FR 56129, Sept. 29, 2003]

§ 58.23 Financial assistance for environmental review.

The costs of environmental reviews, including costs incurred in complying with any of the related laws and authorities cited in § 58.5 and § 58.6, are eligible costs to the extent allowable under the HUD assistance program regulations.

Subpart D—Environmental Review Process: Documentation, Range of Activities, Project Aggregation and Classification

§ 58.30 Environmental review process.

(a) The environmental review process consists of all the actions that a responsible entity must take to determine compliance with this part. The environmental review process includes all the compliance actions needed for other activities and projects that are not assisted by HUD but are aggregated by the responsible entity in accordance with § 58.32.

(b) The environmental review process should begin as soon as a recipient de-

termines the projected use of HUD assistance.

§ 58.32 Project aggregation.

(a) A responsible entity must group together and evaluate as a single project all individual activities which are related either on a geographical or functional basis, or are logical parts of a composite of contemplated actions.

(b) In deciding the most appropriate basis for aggregation when evaluating activities under more than one program, the responsible entity may choose: *functional aggregation* when a specific type of activity (e.g., water improvements) is to take place in several separate locales or jurisdictions; *geographic aggregation* when a mix of dissimilar but related activities is to be concentrated in a fairly specific project area (e.g., a combination of water, sewer and street improvements and economic development activities); or *a combination of aggregation approaches*, which, for various project locations, considers the impacts arising from each functional activity and its interrelationship with other activities.

(c) The purpose of project aggregation is to group together related activities so that the responsible entity can:

(1) Address adequately and analyze, in a single environmental review, the separate and combined impacts of activities that are similar, connected and closely related, or that are dependent upon other activities and actions. (See 40 CFR 1508.25(a)).

(2) Consider reasonable alternative courses of action.

(3) Schedule the activities to resolve conflicts or mitigate the individual, combined and/or cumulative effects.

(4) Prescribe mitigation measures and safeguards including project alternatives and modifications to individual activities.

(d) *Multi-year project aggregation*—(1) *Release of funds.* When a recipient's planning and program development provide for activities to be implemented over two or more years, the responsible entity's environmental review should consider the relationship among all component activities of the multi-year project regardless of the

§ 58.33

source of funds and address and evaluate their cumulative environmental effects. The estimated range of the aggregated activities and the estimated cost of the total project must be listed and described by the responsible entity in the environmental review and included in the RROF. The release of funds will cover the entire project period.

(2) When one or more of the conditions described in § 58.47 exists, the recipient or other responsible entity must re-evaluate the environmental review.

§ 58.33 Emergencies.

(a) In the cases of emergency, disaster or imminent threat to health and safety which warrant the taking of an action with significant environmental impact, the provisions of 40 CFR 1506.11 shall apply.

(b) If funds are needed on an emergency basis and adherence to separate comment periods would prevent the giving of assistance during a Presidentially declared disaster, or during a local emergency that has been declared by the chief elected official of the responsible entity who has proclaimed that there is an immediate need for public action to protect the public safety, the combined Notice of FONSI and Notice of Intent to Request Release of Funds (NOI/RROF) may be disseminated and/or published simultaneously with the submission of the RROF. The combined Notice of FONSI and NOI/RROF shall state that the funds are needed on an emergency basis due to a declared disaster and that the comment periods have been combined. The Notice shall also invite commenters to submit their comments to both HUD and the responsible entity issuing the notice to ensure that these comments will receive full consideration.

[61 FR 19122, Apr. 30, 1996, as amended at 68 FR 56129, Sept. 29, 2003]

§ 58.34 Exempt activities.

(a) Except for the applicable requirements of § 58.6, the responsible entity does not have to comply with the requirements of this part or undertake any environmental review, consultation or other action under NEPA and

24 CFR Subtitle A (4-1-07 Edition)

the other provisions of law or authorities cited in § 58.5 for the activities exempt by this section or projects consisting solely of the following exempt activities:

(1) Environmental and other studies, resource identification and the development of plans and strategies;

(2) Information and financial services;

(3) Administrative and management activities;

(4) Public services that will not have a physical impact or result in any physical changes, including but not limited to services concerned with employment, crime prevention, child care, health, drug abuse, education, counseling, energy conservation and welfare or recreational needs;

(5) Inspections and testing of properties for hazards or defects;

(6) Purchase of insurance;

(7) Purchase of tools;

(8) Engineering or design costs;

(9) Technical assistance and training;

(10) Assistance for temporary or permanent improvements that do not alter environmental conditions and are limited to protection, repair, or restoration activities necessary only to control or arrest the effects from disasters or imminent threats to public safety including those resulting from physical deterioration;

(11) Payment of principal and interest on loans made or obligations guaranteed by HUD;

(12) Any of the categorical exclusions listed in § 58.35(a) provided that there are no circumstances which require compliance with any other Federal laws and authorities cited in § 58.5.

(b) A recipient does not have to submit an RROF and certification, and no further approval from HUD or the State will be needed by the recipient for the drawdown of funds to carry out exempt activities and projects. However, the responsible entity must document in writing its determination that each activity or project is exempt and meets the conditions specified for such exemption under this section.

[61 FR 19122, Apr. 30, 1996, as amended at 63 FR 15271, Mar. 30, 1998]

§ 58.35 Categorical exclusions.

Categorical exclusion refers to a category of activities for which no environmental impact statement or environmental assessment and finding of no significant impact under NEPA is required, except in extraordinary circumstances (see § 58.2(a)(3)) in which a normally excluded activity may have a significant impact. Compliance with the other applicable Federal environmental laws and authorities listed in § 58.5 is required for any categorical exclusion listed in paragraph (a) of this section.

(a) *Categorical exclusions subject to § 58.5.* The following activities are categorically excluded under NEPA, but may be subject to review under authorities listed in § 58.5:

(1) Acquisition, repair, improvement, reconstruction, or rehabilitation of public facilities and improvements (other than buildings) when the facilities and improvements are in place and will be retained in the same use without change in size or capacity of more than 20 percent (e.g., replacement of water or sewer lines, reconstruction of curbs and sidewalks, repaving of streets).

(2) Special projects directed to the removal of material and architectural barriers that restrict the mobility of and accessibility to elderly and handicapped persons.

(3) Rehabilitation of buildings and improvements when the following conditions are met:

(i) In the case of a building for residential use (with one to four units), the density is not increased beyond four units, the land use is not changed, and the footprint of the building is not increased in a floodplain or in a wetland;

(ii) In the case of multifamily residential buildings:

(A) Unit density is not changed more than 20 percent;

(B) The project does not involve changes in land use from residential to non-residential; and

(C) The estimated cost of rehabilitation is less than 75 percent of the total estimated cost of replacement after rehabilitation.

(iii) In the case of non-residential structures, including commercial, industrial, and public buildings:

(A) The facilities and improvements are in place and will not be changed in size or capacity by more than 20 percent; and

(B) The activity does not involve a change in land use, such as from non-residential to residential, commercial to industrial, or from one industrial use to another.

(4)(i) An individual action on up to four dwelling units where there is a maximum of four units on any one site. The units can be four one-unit buildings or one four-unit building or any combination in between; or

(ii) An individual action on a project of five or more housing units developed on scattered sites when the sites are more than 2,000 feet apart and there are not more than four housing units on any one site.

(iii) Paragraphs (a)(4)(i) and (ii) of this section do not apply to rehabilitation of a building for residential use (with one to four units) (see paragraph (a)(3)(i) of this section).

(5) Acquisition (including leasing) or disposition of, or equity loans on an existing structure, or acquisition (including leasing) of vacant land provided that the structure or land acquired, financed, or disposed of will be retained for the same use.

(6) Combinations of the above activities.

(b) *Categorical exclusions not subject to § 58.5.* The Department has determined that the following categorically excluded activities would not alter any conditions that would require a review or compliance determination under the Federal laws and authorities cited in § 58.5. When the following kinds of activities are undertaken, the responsible entity does not have to publish a NOI/RROF or execute a certification and the recipient does not have to submit a RROF to HUD (or the State) except in the circumstances described in paragraph (c) of this section. Following the award of the assistance, no further approval from HUD or the State will be needed with respect to environmental requirements, except where paragraph (c) of this section applies. The recipient remains responsible for carrying out any applicable requirements under § 58.6.

(1) Tenant-based rental assistance;

§ 58.36

(2) Supportive services including, but not limited to, health care, housing services, permanent housing placement, day care, nutritional services, short-term payments for rent/mortgage/utility costs, and assistance in gaining access to local, State, and Federal government benefits and services;

(3) Operating costs including maintenance, security, operation, utilities, furnishings, equipment, supplies, staff training and recruitment and other incidental costs;

(4) Economic development activities, including but not limited to, equipment purchase, inventory financing, interest subsidy, operating expenses and similar costs not associated with construction or expansion of existing operations;

(5) Activities to assist homebuyers to purchase existing dwelling units or dwelling units under construction, including closing costs and down payment assistance, interest buydowns, and similar activities that result in the transfer of title.

(6) Affordable housing pre-development costs including legal, consulting, developer and other costs related to obtaining site options, project financing, administrative costs and fees for loan commitments, zoning approvals, and other related activities which do not have a physical impact.

(7) Approval of supplemental assistance (including insurance or guarantee) to a project previously approved under this part, if the approval is made by the same responsible entity that conducted the environmental review on the original project and re-evaluation of the environmental findings is not required under § 58.47.

(c) *Circumstances requiring NEPA review.* If a responsible entity determines that an activity or project identified in paragraph (a) or (b) of this section, because of extraordinary circumstances and conditions at or affecting the location of the activity or project, may have a significant environmental effect, it shall comply with all the requirements of this part.

(d) The Environmental Review Record (ERR) must contain a well organized written record of the process

24 CFR Subtitle A (4-1-07 Edition)

and determinations made under this section.

[61 FR 19122, Apr. 30, 1996, as amended at 63 FR 15272, Mar. 30, 1998; 68 FR 56129, Sept. 29, 2003]

§ 58.36 Environmental assessments.

If a project is not exempt or categorically excluded under §§ 58.34 and 58.35, the responsible entity must prepare an EA in accordance with subpart E of this part. If it is evident without preparing an EA that an EIS is required under § 58.37, the responsible entity should proceed directly to an EIS.

§ 58.37 Environmental impact statement determinations.

(a) An EIS is required when the project is determined to have a potentially significant impact on the human environment.

(b) An EIS is required under any of the following circumstances, except as provided in paragraph (c) of this section:

(1) The project would provide a site or sites for, or result in the construction of, hospitals or nursing homes containing a total of 2,500 or more beds.

(2) The project would remove, demolish, convert or substantially rehabilitate 2,500 or more existing housing units (but not including rehabilitation projects categorically excluded under § 58.35), or would result in the construction or installation of 2,500 or more housing units, or would provide sites for 2,500 or more housing units.

(3) The project would provide enough additional water and sewer capacity to support 2,500 or more additional housing units. The project does not have to be specifically intended for residential use nor does it have to be totally new construction. If the project is designed to provide upgraded service to existing development as well as to serve new development, only that portion of the increased capacity which is intended to serve new development should be counted.

(c) If, on the basis of an EA, a responsible entity determines that the thresholds in paragraph (b) of this section are the sole reason for the EIS, the responsible entity may prepare a FONSI pursuant to 40 CFR 1501.4. In

such cases, the FONSI must be made available for public review for at least 30 days before the responsible entity makes the final determination whether to prepare an EIS.

(d) Notwithstanding paragraphs (a) through (c) of this section, an EIS is not required where § 58.53 is applicable.

(e) *Recommended EIS Format.* The responsible entity must use the EIS format recommended by the CEQ regulations (40 CFR 1502.10) unless a determination is made on a particular project that there is a compelling reason to do otherwise. In such a case, the EIS format must meet the minimum requirements prescribed in 40 CFR 1502.10.

§ 58.38 Environmental review record.

The responsible entity must maintain a written record of the environmental review undertaken under this part for each project. This document will be designated the "Environmental Review Record" (ERR), and shall be available for public review. The responsible entity must use the current HUD-recommended formats or develop equivalent formats.

(a) *ERR Documents.* The ERR shall contain all the environmental review documents, public notices and written determinations or environmental findings required by this part as evidence of review, decisionmaking and actions pertaining to a particular project of a recipient. The document shall:

(1) Describe the project and the activities that the recipient has determined to be part of the project;

(2) Evaluate the effects of the project or the activities on the human environment;

(3) Document compliance with applicable statutes and authorities, in particular those cited in § 58.5 and 58.6; and

(4) Record the written determinations and other review findings required by this part (e.g., exempt and categorically excluded projects determinations, findings of no significant impact).

(b) *Other documents and information.* The ERR shall also contain verifiable source documents and relevant base data used or cited in EAs, EISs or other project review documents. These documents may be incorporated by ref-

erence into the ERR provided that each source document is identified and available for inspection by interested parties. Proprietary material and special studies prepared for the recipient that are not otherwise generally available for public review shall not be incorporated by reference but shall be included in the ERR.

Subpart E—Environmental Review Process: Environmental Assessments (EA's)

§ 58.40 Preparing the environmental assessment.

The responsible entity may prepare the EA using the HUD recommended format. In preparing an EA for a particular project, the responsible entity must:

(a) Determine existing conditions and describe the character, features and resources of the project area and its surroundings; identify the trends that are likely to continue in the absence of the project.

(b) Identify all potential environmental impacts, whether beneficial or adverse, and the conditions that would change as a result of the project.

(c) Identify, analyze and evaluate all impacts to determine the significance of their effects on the human environment and whether the project will require further compliance under related laws and authorities cited in § 58.5 and § 58.6.

(d) Examine and recommend feasible ways in which the project or external factors relating to the project could be modified in order to eliminate or minimize adverse environmental impacts.

(e) Examine alternatives to the project itself, if appropriate, including the alternative of no action.

(f) Complete all environmental review requirements necessary for the project's compliance with applicable authorities cited in §§ 58.5 and 58.6.

(g) Based on steps set forth in paragraph (a) through (f) of this section, make one of the following findings:

(1) A Finding of No Significant Impact (FONSI), in which the responsible entity determines that the project is not an action that will result in a significant impact on the quality of the

§ 58.43

human environment. The responsible entity may then proceed to § 58.43.

(2) A finding of significant impact, in which the project is deemed to be an action which may significantly affect the quality of the human environment. The responsible entity must then proceed with its environmental review under subpart F or G of this part.

§ 58.43 Dissemination and/or publication of the findings of no significant impact.

(a) If the responsible entity makes a finding of no significant impact, it must prepare a FONSI notice, using the current HUD-recommended format or an equivalent format. As a minimum, the responsible entity must send the FONSI notice to individuals and groups known to be interested in the activities, to the local news media, to the appropriate tribal, local, State and Federal agencies; to the Regional Offices of the Environmental Protection Agency having jurisdiction and to the HUD Field Office (or the State where applicable). The responsible entity may also publish the FONSI notice in a newspaper of general circulation in the affected community. If the notice

24 CFR Subtitle A (4–1–07 Edition)

is not published, it must also be prominently displayed in public buildings, such as the local Post Office and within the project area or in accordance with procedures established as part of the citizen participation process.

(b) The responsible entity may disseminate or publish a FONSI notice at the same time it disseminates or publishes the NOI/RROF required by § 58.70. If the notices are released as a combined notice, the combined notice shall:

(1) Clearly indicate that it is intended to meet two separate procedural requirements; and

(2) Advise the public to specify in their comments which “notice” their comments address.

(c) The responsible entity must consider the comments and make modifications, if appropriate, in response to the comments, before it completes its environmental certification and before the recipient submits its RROF. If funds will be used in Presidentially declared disaster areas, modifications resulting from public comment, if appropriate, must be made before proceeding with the expenditure of funds.

§ 58.45 Public comment periods.

Required notices must afford the public the following minimum comment periods, counted in accordance with § 58.21:

(a) Notice of Finding of No Significant Impact (FONSI)	15 days when published or, if no publication, 18 days when mailing and posting
(b) Notice of Intent to Request Release of Funds (NOI-RROF)	7 days when published or, if no publication, 10 days when mailing and posting
(c) Concurrent or combined notices	15 days when published or, if no publication, 18 days when mailing and posting

[68 FR 56130, Sept. 29, 2003]

§ 58.46 Time delays for exceptional circumstances.

The responsible entity must make the FONSI available for public comments for 30 days before the recipient files the RROF when:

(a) There is a considerable interest or controversy concerning the project;

(b) The proposed project is similar to other projects that normally require the preparation of an EIS; or

(c) The project is unique and without precedent.

§ 58.47 Re-evaluation of environmental assessments and other environmental findings.

(a) A responsible entity must re-evaluate its environmental findings to determine if the original findings are still valid, when:

(1) The recipient proposes substantial changes in the nature, magnitude or extent of the project, including adding new activities not anticipated in the original scope of the project;

(2) There are new circumstances and environmental conditions which may affect the project or have a bearing on its impact, such as concealed or unexpected conditions discovered during the implementation of the project or activity which is proposed to be continued; or

(3) The recipient proposes the selection of an alternative not in the original finding.

(b)(1) If the original findings are still valid but the data or conditions upon which they were based have changed, the responsible entity must affirm the original findings and update its ERR by including this re-evaluation and its determination based on its findings. Under these circumstances, if a FONSI notice has already been published, no further publication of a FONSI notice is required.

(2) If the responsible entity determines that the original findings are no longer valid, it must prepare an EA or an EIS if its evaluation indicates potentially significant impacts.

(3) Where the recipient is not the responsible entity, the recipient must inform the responsible entity promptly of any proposed substantial changes under paragraph (a)(1) of this section, new circumstances or environmental conditions under paragraph (a)(2) of this section, or any proposals to select a different alternative under paragraph (a)(3) of this section, and must then permit the responsible entity to re-evaluate the findings before proceeding.

Subpart F—Environmental Review Process: Environmental Impact Statement Determinations

§ 58.52 Adoption of other agencies' EISs.

The responsible entity may adopt a draft or final EIS prepared by another agency provided that the EIS was prepared in accordance with 40 CFR parts 1500 through 1508. If the responsible entity adopts an EIS prepared by another agency, the procedure in 40 CFR 1506.3 shall be followed. An adopted EIS may

have to be revised and modified to adapt it to the particular environmental conditions and circumstances of the project if these are different from the project reviewed in the EIS. In such cases the responsible entity must prepare, circulate, and file a supplemental draft EIS in the manner prescribed in § 58.60(d) and otherwise comply with the clearance and time requirements of the EIS process, except that scoping requirements under 40 CFR 1501.7 shall not apply. The agency that prepared the original EIS should be informed that the responsible entity intends to amend and adopt the EIS. The responsible entity may adopt an EIS when it acts as a cooperating agency in its preparation under 40 CFR 1506.3. The responsible entity is not required to re-circulate or file the EIS, but must complete the clearance process for the RROF. The decision to adopt an EIS shall be made a part of the project ERR.

§ 58.53 Use of prior environmental impact statements.

Where any final EIS has been listed in the FEDERAL REGISTER for a project pursuant to this part, or where an areawide or similar broad scale final EIS has been issued and the EIS anticipated a subsequent project requiring an environmental clearance, then no new EIS is required for the subsequent project if all the following conditions are met:

(a) The ERR contains a decision based on a finding pursuant to § 58.40 that the proposed project is not a new major Federal action significantly affecting the quality of the human environment. The decision shall include:

(1) References to the prior EIS and its evaluation of the environmental factors affecting the proposed subsequent action subject to NEPA;

(2) An evaluation of any environmental factors which may not have been previously assessed, or which may have significantly changed;

(3) An analysis showing that the proposed project is consistent with the location, use, and density assumptions for the site and with the timing and capacity of the circulation, utility, and other supporting infrastructure assumptions in the prior EIS;

§ 58.55

(4) Documentation showing that where the previous EIS called for mitigating measures or other corrective action, these are completed to the extent reasonable given the current state of development.

(b) The prior final EIS has been filed within five (5) years, and updated as follows:

(1) The EIS has been updated to reflect any significant revisions made to the assumptions under which the original EIS was prepared;

(2) The EIS has been updated to reflect new environmental issues and data or legislation and implementing regulations which may have significant environmental impact on the project area covered by the prior EIS.

(c) There is no litigation pending in connection with the prior EIS, and no final judicial finding of inadequacy of the prior EIS has been made.

Subpart G—Environmental Review Process: Procedures for Draft, Final and Supplemental Environmental Impact Statements

§ 58.55 Notice of intent to prepare an EIS.

As soon as practicable after the responsible entity decides to prepare an EIS, it must publish a NOI/EIS, using the HUD recommended format and disseminate it in the same manner as required by 40 CFR parts 1500 through 1508.

§ 58.56 Scoping process.

The determination on whether or not to hold a scoping meeting will depend on the same circumstances and factors as for the holding of public hearings under § 58.59. The responsible entity must wait at least 15 days after disseminating or publishing the NOI/EIS before holding a scoping meeting.

§ 58.57 Lead agency designation.

If there are several agencies ready to assume the lead role, the responsible entity must make its decision based on the criteria in 40 CFR 1501.5(c). If the responsible entity and a Federal agency are unable to reach agreement, then the responsible entity must notify HUD (or the State, where applicable).

24 CFR Subtitle A (4–1–07 Edition)

HUD (or the State) will assist in obtaining a determination based on the procedure set forth in 40 CFR 1501.5(e).

§ 58.59 Public hearings and meetings.

(a) *Factors to consider.* In determining whether or not to hold public hearings in accordance with 40 CFR 1506.6, the responsible entity must consider the following factors:

(1) The magnitude of the project in terms of economic costs, the geographic area involved, and the uniqueness or size of commitment of resources involved.

(2) The degree of interest in or controversy concerning the project.

(3) The complexity of the issues and the likelihood that information will be presented at the hearing which will be of assistance to the responsible entity.

(4) The extent to which public involvement has been achieved through other means.

(b) *Procedure.* All public hearings must be preceded by a notice of public hearing, which must be published in the local news media 15 days before the hearing date. The Notice must:

(1) State the date, time, place, and purpose of the hearing or meeting.

(2) Describe the project, its estimated costs, and the project area.

(3) State that persons desiring to be heard on environmental issues will be afforded the opportunity to be heard.

(4) State the responsible entity's name and address and the name and address of its Certifying Officer.

(5) State what documents are available, where they can be obtained, and any charges that may apply.

§ 58.60 Preparation and filing of environmental impact statements.

(a) The responsible entity must prepare the draft environmental impact statement (DEIS) and the final environmental impact statements (FEIS) using the current HUD recommended format or its equivalent.

(b) The responsible entity must file and distribute the (DEIS) and the (FEIS) in the following manner:

(1) Five copies to EPA Headquarters;

(2) Five copies to EPA Regional Office;

(3) Copies made available in the responsible entity's and the recipient's office;

(4) Copies or summaries made available to persons who request them; and

(5) FEIS only—one copy to State, HUD Field Office, and HUD Headquarters library.

(c) The responsible entity may request waivers from the time requirements specified for the draft and final EIS as prescribed in 40 CFR 1506.6.

(d) When substantial changes are proposed in a project or when significant new circumstances or information becomes available during an environmental review, the recipient may prepare a supplemental EIS as prescribed in 40 CFR 1502.9.

(e) The responsible entity must prepare a Record of Decision (ROD) as prescribed in 40 CFR 1505.2.

[61 FR 19122, Apr. 30, 1996, as amended at 63 FR 15272, Mar. 30, 1998]

Subpart H—Release of Funds for Particular Projects

§ 58.70 Notice of intent to request release of funds.

The NOI/RROF must be disseminated and/or published in the manner prescribed by § 58.43 and § 58.45 before the certification is signed by the responsible entity.

§ 58.71 Request for release of funds and certification.

(a) The RROF and certification shall be sent to the appropriate HUD Field Office (or the State, if applicable), except as provided in paragraph (b) of this section. This request shall be executed by the Certifying Officer. The request shall describe the specific project and activities covered by the request and contain the certification required under the applicable statute cited in § 58.1(b). The RROF and certification must be in a form specified by HUD.

(b) When the responsible entity is conducting an environmental review on behalf of a recipient, as provided for in § 58.10, the recipient must provide the responsible entity with all available project and environmental information and refrain from undertaking any physical activities or choice limiting actions until HUD (or the State, if ap-

plicable) has approved its request for release of funds. The certification form executed by the responsible entity's certifying officer shall be sent to the recipient that is to receive the assistance along with a description of any special environmental conditions that must be adhered to in carrying out the project. The recipient is to submit the RROF and the certification of the responsible entity to HUD (or the State, if applicable) requesting the release of funds. The recipient must agree to abide by the special conditions, procedures and requirements of the environmental review, and to advise the responsible entity of any proposed change in the scope of the project or any change in environmental conditions.

(c) If the responsible entity determines that some of the activities are exempt under applicable provisions of this part, the responsible entity shall advise the recipient that it may commit funds for these activities as soon as programmatic authorization is received. This finding shall be documented in the ERR maintained by the responsible entity and in the recipient's project files.

§ 58.72 HUD or State actions on RROFs and certifications.

The actions which HUD (or a State) may take with respect to a recipient's environmental certification and RROF are as follows:

(a) In the absence of any receipt of objection to the contrary, except as provided in paragraph (b) of this section, HUD (or the State) will assume the validity of the certification and RROF and will approve these documents after expiration of the 15-day period prescribed by statute.

(b) HUD (or the state) may disapprove a certification and RROF if it has knowledge that the responsible entity or other participants in the development process have not complied with the items in § 58.75, or that the RROF and certification are inaccurate.

(c) In cases in which HUD has approved a certification and RROF but subsequently learns (e.g., through monitoring) that the recipient violated § 58.22 or the recipient or responsible entity otherwise failed to comply with

§ 58.73

a clearly applicable environmental authority, HUD shall impose appropriate remedies and sanctions in accord with the law and regulations for the program under which the violation was found.

[61 FR 19122, Apr. 30, 1996, as amended at 68 FR 56130, Sept. 29, 2003]

§ 58.73 Objections to release of funds.

HUD (or the State) will not approve the ROF for any project before 15 calendar days have elapsed from the time of receipt of the RROF and the certification or from the time specified in the notice published pursuant to § 58.70, whichever is later. Any person or agency may object to a recipient's RROF and the related certification. However, the objections must meet the conditions and procedures set forth in subpart H of this part. HUD (or the State) can refuse the RROF and certification on any grounds set forth in § 58.75. All decisions by HUD (or the State) regarding the RROF and the certification shall be final.

§ 58.74 Time for objecting.

All objections must be received by HUD (or the State) within 15 days from the time HUD (or the State) receives the recipient's RROF and the related certification, or within the time period specified in the notice, whichever is later.

§ 58.75 Permissible bases for objections.

HUD (or the State), will consider objections claiming a responsible entity's noncompliance with this part based only on any of the following grounds:

(a) The certification was not in fact executed by the responsible entity's Certifying Officer.

(b) The responsible entity has failed to make one of the two findings pursuant to § 58.40 or to make the written determination required by §§ 58.35, 58.47 or 58.53 for the project, as applicable.

(c) The responsible entity has omitted one or more of the steps set forth at subpart E of this part for the preparation, publication and completion of an EA.

(d) The responsible entity has omitted one or more of the steps set forth at subparts F and G of this part for the

24 CFR Subtitle A (4-1-07 Edition)

conduct, preparation, publication and completion of an EIS.

(e) The recipient or other participants in the development process have committed funds, incurred costs or undertaken activities not authorized by this part before release of funds and approval of the environmental certification by HUD (or the state).

(f) Another Federal agency acting pursuant to 40 CFR part 1504 has submitted a written finding that the project is unsatisfactory from the standpoint of environmental quality.

[61 FR 19122, Apr. 30, 1996, as amended at 68 FR 56130, Sept. 29, 2003]

§ 58.76 Procedure for objections.

A person or agency objecting to a responsible entity's RROF and certification shall submit objections in writing to HUD (or the State). The objections shall:

(a) Include the name, address and telephone number of the person or agency submitting the objection, and be signed by the person or authorized official of an agency.

(b) Be dated when signed.

(c) Describe the basis for objection and the facts or legal authority supporting the objection.

(d) State when a copy of the objection was mailed or delivered to the responsible entity's Certifying Officer.

§ 58.77 Effect of approval of certification.

(a) *Responsibilities of HUD and States.* HUD's (or, where applicable, the State's) approval of the certification shall be deemed to satisfy the responsibilities of the Secretary under NEPA and related provisions of law cited at § 58.5 insofar as those responsibilities relate to the release of funds as authorized by the applicable provisions of law cited in § 58.1(b).

(b) *Public and agency redress.* Persons and agencies seeking redress in relation to environmental reviews covered by an approved certification shall deal with the responsible entity and not with HUD. It is HUD's policy to refer all inquiries and complaints to the responsible entity and its Certifying Officer. Similarly, the State (where applicable) may direct persons and agencies

Office of the Secretary, HUD

§ 70.1

seeking redress in relation to environmental reviews covered by an approved certification to deal with the responsible entity, and not the State, and may refer inquiries and complaints to the responsible entity and its Certifying Officer. Remedies for noncompliance are set forth in program regulations.

(c) *Implementation of environmental review decisions.* Projects of a recipient will require post-review monitoring and other inspection and enforcement actions by the recipient and the State or HUD (using procedures provided for in program regulations) to assure that decisions adopted through the environmental review process are carried out during project development and implementation.

(d) *Responsibility for monitoring and training.* (1) At least once every three years, HUD intends to conduct in-depth monitoring and exercise quality control (through training and consultation) over the environmental activities performed by responsible entities under this part. Limited monitoring of these environmental activities will be conducted during each program monitoring site visit. If through limited or in-depth monitoring of these environmental activities or by other means, HUD becomes aware of any environmental deficiencies, HUD may take one or more of the following actions:

(i) In the case of problems found during limited monitoring, HUD may schedule in-depth monitoring at an earlier date or may schedule in-depth monitoring more frequently;

(ii) HUD may require attendance by staff of the responsible entity at HUD-sponsored or approved training, which will be provided periodically at various locations around the country;

(iii) HUD may refuse to accept the certifications of environmental compliance on subsequent grants;

(iv) HUD may suspend or terminate the responsible entity's assumption of the environmental review responsibility;

(v) HUD may initiate sanctions, corrective actions, or other remedies specified in program regulations or agreements or contracts with the recipient.

(2) HUD's responsibilities and action under paragraph (d)(1) of this section

shall not be construed to limit or reduce any responsibility assumed by a responsible entity with respect to any particular release of funds under this part. Whether or not HUD takes action under paragraph (d)(1) of this section, the Certifying Officer remains the responsible Federal official under § 58.13 with respect to projects and activities for which the Certifying Officer has submitted a certification under this part.

§ 70.1 Purpose and authority.

(a) This part implements section 955 of the National Affordable Housing Act (NAHA), which provides an exemption from the requirement to pay prevailing wage rates determined under the Davis-Bacon Act or (in the case of laborers and mechanics employed in the

§ 70.2

operation of public housing projects, and architects, technical engineers, draftsmen and technicians employed in the development of public housing projects) determined or adopted by HUD, for volunteers employed on projects that are subject to prevailing wage rates under Title I of the Housing and Community Development Act of 1974 (including Community Development Block Grants, section 108 loan guarantees, and Urban Development Action Grants), under section 12 of the United States Housing Act of 1937 (public housing development and operation and section 8 projects), and under section 202 of the Housing Act of 1959 for elderly and handicapped housing projects prior to the effective date of the amendment of section 202 by section 801 of NAHA. This part also implements other provisions that provide an exemption for volunteers, including section 286 of NAHA (the HOME program), section 202 of the House Act of 1959, as amended by NAHA (supportive housing for the elderly), and any later-enacted exemptions.

(b) This part is also applicable to all HUD programs for which there is a statutory provision allowing HUD to waive Davis-Bacon wage rates for volunteers that are not otherwise employed at any time on the work for which the individual volunteers. These programs include section 811 of NAHA (supportive housing for persons with disabilities), FHA mortgage insurance programs under sections 221(d)(3) and (d)(4) (each with respect to cooperative housing projects only), 221(h)(1) (but only where a nonprofit organization undertakes the construction), 235(j)(1) (but only where a nonprofit organization undertakes the construction), 231, 232, 236 and 242 of the National Housing Act, rehabilitation under section 312 of the Housing Act of 1964 and college housing under section 402 of the Housing Act of 1950.

(c) This part provides definitions and procedures for determining allowable payments to volunteers, determining who is a bona fide volunteer, and otherwise implementing exemptions from and waivers of prevailing wage requirements where volunteers are employed.

24 CFR Subtitle A (4-1-07 Edition)

§ 70.2 Applicability.

This part applies to all HUD programs for which there is a statutory exemption from Davis-Bacon or HUD-determined prevailing wage rates for volunteers or a statutory provision allowing HUD waiver of Davis-Bacon prevailing wage rates for volunteers. The programs to which this part applies include the programs listed in section 70.1(a) and (b) and any other program for which a statutory exemption or HUD waiver provision for volunteers is enacted. This part does not, however, apply to HUD waivers of prevailing wage requirements under section 20 of the United States Housing Act of 1937 for public housing residents who volunteer a portion of their labor (see 24 CFR 964.41). This part also does not apply to the contribution of labor by an eligible family under the Mutual Help Homeownership Opportunity Program for Indian families under section 202 of the United States Housing Act of 1937.

§ 70.3 Definitions.

(a) A *volunteer*, for purposes of this part, is an individual who performs service for a public or private entity for civic, charitable, or humanitarian reasons, without promise, expectation or receipt of compensation for services rendered, on a HUD-assisted or insured project which is subject to a requirement to pay prevailing wage rates.

(1) Individuals shall be considered volunteers only where their services are offered freely and without pressure and coercion, direct or implied, from an employer.

(2) An individual shall not be considered a volunteer if the individual is otherwise employed at any time in the construction or maintenance work for which the individual volunteers.

(b) *Expenses, reasonable benefits, or nominal fees* may be provided to volunteers without the status of the volunteer being lost but only after a determination is made by HUD on a case-by-case basis by examining the total amount of payments made (expenses, benefits, fees) in the context of the economic realities of the particular situation. Subject to this determination:

(1) A payment for an *expense* may be received by a volunteer for items such

Office of the Secretary, HUD

§ 70.4

as uniform allowances or reimbursement for reasonable cleaning expenses or wear and tear on personal clothing worn while performing the volunteer work. Additionally, reimbursement for approximate out-of-pocket expenses for the cost of meals and transportation expenses may be made.

(2) *Reasonable benefits* may constitute inclusion of individual volunteers in group insurance plans (such as liability, health, life, disability, workers' compensation) or pension plan or length of service awards.

(3) A *nominal fee* is not a substitute for compensation and must not be tied to productivity. The decision as to what constitutes "nominal" must be made on a case-by-case basis and in the context of the economic realities of the situation.

(4) The phrase *economic realities* means that in determining whether the fee described in paragraph (b)(3) of this section may be deemed "nominal", the amount of the fee must be judged in the context of what paid workers doing the same work would earn in the particular locality involved. For example, a "payment" made to a "homeless" volunteer in an amount which covers basic necessities but nonetheless represents an insignificant amount when compared with local cost of living and real wages may be determined to be nominal for purposes of qualifying as a volunteer, provided the payment is not in fact a substitute for compensation and is not tied in any way to productivity.

(c) *Prevailing wage rates*, for purposes of this part, means:

(1) Wage rates required to be paid to laborers and mechanics employed in the construction (including rehabilitation) of a project (or in the case of public housing, the development of the project), as determined by the Secretary of Labor under the Davis-Bacon Act;

(2) Wage rates required to be paid to laborers and mechanics employed in the operation of a public housing project, as determined or adopted by the Secretary of HUD; and

(3) Wage rates required to be paid to architects, technical engineers, draftsmen and technicians employed in the development of a public housing

project, as determined or adopted by the Secretary of HUD.

§ 70.4 Procedure for implementing prevailing wage exemptions for volunteers.

(a) This section applies to those HUD programs for which there is a statutory *exemption* for volunteers, as referenced in § 70.1(a).

(b) Local or State agencies or private parties whose employees are otherwise subject to Davis-Bacon or HUD-determined prevailing wage rates which propose to use volunteers and wish to pay the volunteers' expenses, reasonable benefits, or nominal fees shall request a determination from HUD that these payments meet the criteria in § 70.3(b). A written determination shall be provided to the requester by the Department within ten days of receipt by the Department of sufficient information to allow for the determination.

(c) A determination under paragraph (b) shall not be construed in any way as limiting the use of bona fide volunteers on HUD-assisted construction, but rather is required to ensure that the Department performs its appropriate responsibilities under Reorganization Plan No. 14 of 1950 and related Department of Labor Regulations in title 29 CFR part 5, regarding the administration and enforcement of the Davis-Bacon and Related Acts, and its responsibility for the administration and enforcement of HUD-determined or adopted wage rates in the operation of public housing assisted under the United States Housing Act of 1937.

(d) For a project covered by prevailing wage rate requirements in which all the work is to be done by volunteers and there are no paid construction employees, the local or State funding agency (or, if none, the entity that employs the volunteers) shall record in the pertinent project file the name and address of the agency sponsoring the project, a description of the project (location, cost, nature of the work), and the number of volunteers and the hours of work they performed. The entity responsible for recording this information shall also provide a copy of this information to HUD.

(e) For a project covered by prevailing wage rate requirements in

§ 70.5

which there is to be a mix of paid workers and volunteers, the local or State funding agency (or, if none, the entity responsible for generating certified payrolls) shall provide HUD the information in paragraph (d) of this section, along with the names of the volunteers.

(f) Volunteers who receive no expenses, benefits or fees described in (c) and are otherwise bona fide shall be recorded as in (d) or (e).

§ 70.5 Procedure for obtaining HUD waiver of prevailing wage rates for volunteers.

(a) This section applies to those HUD programs under which HUD is statutorily authorized to *waive* prevailing wage requirements for volunteers, as referenced in § 70.1(b).

(b) Local or State agencies or private parties whose employees are otherwise subject to prevailing wage rates and which wish to use volunteers shall request a waiver of prevailing wage requirements from HUD for the volunteers. A request for waiver shall indicate that the proposed volunteers are volunteering their services for the purposes of lowering the costs of construction. The request shall include information sufficient for HUD to make a determination, as required by statute, that any amounts saved through the use of volunteers are fully credited to the corporation, cooperative, or public body or agency undertaking the construction and a determination that any payments to volunteers meet the criteria in section 70.3(b). Information regarding the crediting of amounts saved is required in order to insure that the statutorily prescribed purpose of lowering the costs of construction is fulfilled by passing savings from the use of volunteers on to the sponsor or other body or agency undertaking the construction, rather than permitting the retention of any savings as a windfall by a contractor or subcontractor. A written waiver shall be provided to the requestor by the Department within ten days of receipt by the Department of sufficient information to meet the requirements for a waiver.

(c) For a project covered by prevailing wage rate requirements in which all the work is to be done by vol-

unteers and there are no paid construction employees, the local or State funding agency (or, if none, the entity that employs the volunteers) shall record in the pertinent project file the name and address of the agency sponsoring the project, the name, location, and HUD project number (if any) of the project, the number of volunteers, and type of work and hours of work they performed. The entity responsible for recording this information shall provide a copy of the information to HUD.

(d) For a project covered by prevailing wage rate requirements in which there is to be a mix of paid workers and volunteers, the local or State funding agency (or, if none, the entity responsible for generating certified payrolls) shall provide HUD the information in (c) of this section, along with the names of the proposed volunteers.

(2) Offer mortgage applicants products for which they qualify, but rather steer applicants to high cost products that are designed for less credit worthy borrowers. Subpart B—Housing Goals

§ 81.11 General.

This subpart establishes: three housing goals, as required by FHEFSSA; requirements for measuring performance under the goals; and procedures for monitoring and enforcing the goals.

§ 81.12 Low- and Moderate-Income Housing Goal.

(a) *Purpose of goal.* This annual goal for the purchase by each GSE of mortgages on housing for low- and moderate-income families ("the Low- and Moderate-Income Housing Goal") is intended to achieve increased purchases by the GSEs of such mortgages.

(b) *Factors.* In establishing the Low- and Moderate-Income Housing Goals, the Secretary considered the factors in 12 U.S.C. 4562(b). A statement documenting HUD's considerations and findings with respect to these factors, entitled "Departmental Considerations to Establish the Low- and Moderate-Income Housing Goal," was published in the FEDERAL REGISTER on November 2, 2004.

(c) *Goals.* The annual goals for each GSE's purchases of mortgages on housing for low- and moderate-income families are:

(1) For the year 2005, 52 percent of the total number of dwelling units financed by that GSE's mortgage purchases unless otherwise adjusted by HUD in accordance with FHEFSSA. In addition, as a Low- and Moderate-Income Housing Home Purchase Subgoal, 45 percent of the total number of home purchase mortgages in metropolitan areas financed by that GSE's mortgage purchases shall be home purchase mortgages in metropolitan areas which count toward the Low- and Moderate-Income Housing Goal in the year 2005 unless otherwise adjusted by HUD in accordance with FHEFSSA;

(2) For the year 2006, 53 percent of the total number of dwelling units financed by that GSE's mortgage purchases unless otherwise adjusted by HUD in accordance with FHEFSSA. In addition, as a Low- and Moderate-Income Housing Home Purchase Subgoal, 46 percent of the total number of home purchase

In addition, as a Low- and Moderate-Income Housing Home Purchase Subgoal, 47 percent of the total number of home purchase mortgages in metropolitan areas financed by that GSE's mortgage purchases shall be home purchase mortgages in metropolitan areas which count toward the Low- and Moderate-Income Housing Goal in the year 2008 unless otherwise adjusted by HUD in accordance with FHEFSSA; and

(5) For the year 2009 and thereafter HUD shall establish annual goals. Pending establishment of goals for the year 2009 and thereafter, the annual goal for each of those years shall be 56 percent of the total number of dwelling units financed by that GSE's mortgage purchases in each of those years. In addition, as a Low and Moderate Income Housing Home Purchase Subgoal, 47 percent of the total number of home purchase mortgages in metropolitan areas financed by that GSE's mortgage purchases shall be home purchase mortgages in metropolitan areas which count toward the Low- and Moderate-Income Housing Goal in each of those

years unless otherwise adjusted by HUD in accordance with FHEFSSA.

§81.13 Central Cities, Rural Areas, and Other Underserved Areas Housing Goal.

(a) *Purpose of the goal.* This annual goal for the purchase by each GSE of mortgages on housing located in central cities, rural areas, and other underserved areas is intended to achieve increased purchases by the GSEs of mortgages financing housing in areas that are underserved in terms of mortgage credit.

(b) *Factors.* In establishing the Central Cities, Rural Areas, and Other Underserved Areas Goals, the Secretary considered the factors in 12 U.S.C. 4564(b). A statement documenting HUD's considerations and findings with respect to these factors, entitled "Departmental Considerations to Establish the Central Cities, Rural Areas, and Other Underserved Areas Housing Goal," was published in the FEDERAL REGISTER on November 2, 2004.

In addition, as a Central Cities, Rural Areas, and Other Underserved Areas Home Purchase Subgoal, 32 percent of the total number of home purchase mortgages in metropolitan areas financed by that GSE's mortgage purchases shall be home purchase mortgages in metropolitan areas which count toward the Central Cities, Rural Areas, and Other Underserved Areas Housing Goal in the year 2005 unless otherwise adjusted by HUD in accordance with FHEFSSA;

(2) For the year 2006, 38 percent of the total number of dwelling units financed by that GSE's mortgage purchases unless otherwise adjusted by HUD in accordance with FHEFSSA. In addition, as a Central Cities, Rural Areas, and Other Underserved Areas Home Purchase Subgoal, 33 percent of the total

number of home purchase mortgages in metropolitan areas financed by that GSE's mortgage purchases shall be home purchase mortgages in metropolitan areas which count toward the Central Cities, Rural Areas, and Other Underserved Areas Housing Goal in the year 2006 unless otherwise adjusted by HUD in accordance with FHEFSSA;

(3) For the year 2007, 38 percent of the total number of dwelling units financed by that GSE's mortgage purchases unless otherwise adjusted by HUD in accordance with FHEFSSA. In addition, as a Central Cities, Rural Areas, and Other Underserved Areas Home Purchase Subgoal, 33 percent of the total number of home purchase mortgages in metropolitan areas financed by that GSE's mortgage purchases shall be home purchase mortgages in metropolitan areas which count toward the Central Cities, Rural Areas, and Other Underserved Areas Housing Goal in the year 2007 unless otherwise adjusted by HUD in accordance with FHEFSSA;

(4) For the year 2008, 39 percent of the total number of dwelling units financed by that GSE's mortgage purchases unless otherwise adjusted by HUD in accordance with FHEFSSA. In addition, as a Central Cities, Rural Areas, and Other Underserved Areas Home Purchase Subgoal, 34 percent of the total number of home purchase mortgages in metropolitan areas financed by that GSE's mortgage purchases shall be home purchase mortgages in metropolitan areas which count toward the Central Cities, Rural Areas, and Other Underserved Areas Housing Goal in the year 2008 unless otherwise adjusted by HUD in accordance with FHEFSSA; and

(5) For the year 2009 and thereafter HUD shall establish annual goals. Pending establishment of goals for the year 2009 and thereafter, the annual goal for each of those years shall be 39 percent of the total number of dwelling units financed by that GSE's mortgage purchases in each of those years. In addition, as a Central Cities, Rural Areas, and Other Underserved Areas Home Purchase Subgoal, 34 percent of the total number of home purchase mortgages in metropolitan areas financed by that GSE's mortgage purchases shall be home purchase mortgages in

metropolitan areas which count toward the Central Cities, Rural Areas, and Other Underserved Areas Housing Goal in each of those years unless otherwise adjusted by HUD in accordance with FHEFSSA.

(d) *Measuring performance.* The GSEs shall determine on a mortgage-by-mortgage basis, through geocoding or any similarly accurate and reliable method, whether a mortgage finances one or more dwelling units located in a central city, rural area, or other underserved area.

§ 81.14 Special Affordable Housing Goal.

(a) *Purpose of the goal.* This goal is intended to achieve increased purchases by the GSEs of mortgages on rental and owner-occupied housing meeting the then-existing unaddressed needs of, and affordable to, low-income families in low-income areas and very-low-income families.

(b) *Factors.* In establishing the Special Affordable Housing Goals, the Secretary considered the factors in 12 U.S.C. 4563(a)(2). A statement documenting HUD's considerations and findings with respect to these factors, entitled "Departmental Considerations to Establish the Special Affordable Housing Goal," was published in the FEDERAL REGISTER on November 2, 2004.

(c) *Goals.* The annual goals for each GSE's purchases of mortgages on rental and owner-occupied housing meeting the then-existing, unaddressed needs of and affordable to low-income families in low-income areas and very low-income families are:

(1) For the year 2005, 22 percent of the total number of dwelling units financed by each GSE's mortgage purchases unless otherwise adjusted by HUD in accordance with FHEFSSA. The goal for the year 2005 shall include mortgage purchases financing dwelling units in multifamily housing totaling not less than 1.0 percent of the average annual dollar volume of combined (single-family and multifamily) mortgages purchased by the respective GSE in 2000,

§ 81.14

2001, and 2002, unless otherwise adjusted by HUD in accordance with FHEFSSA. In addition, as a Special Affordable Housing Home Purchase Subgoal, 17 percent of the total number of home purchase mortgages in metropolitan areas financed by each GSE's mortgage purchases shall be home purchase mortgages in metropolitan areas which count toward the Special Affordable Housing Goal in the year 2005 unless otherwise adjusted by HUD in accordance with FHEFSSA;

(2) For the year 2006, 23 percent of the total number of dwelling units financed by each GSE's mortgage purchases unless otherwise adjusted by HUD in accordance with FHEFSSA. The goal for the year 2006 shall include mortgage purchases financing dwelling units in multifamily housing totaling not less than 1.0 percent of the average annual dollar volume of combined (single-family and multifamily) mortgages purchased by the respective GSE in 2000, 2001, and 2002, unless otherwise adjusted by HUD in accordance with FHEFSSA. In addition, as a Special Affordable Housing Home Purchase Subgoal, 17 percent of the total number of home purchase mortgages in metropolitan areas financed by each GSE's mortgage purchases shall be home purchase mortgages in metropolitan areas which count toward the Special Affordable Housing Goal in the year 2006 unless otherwise adjusted by HUD in accordance with FHEFSSA;

(3) For the year 2007, 25 percent of the total number of dwelling units financed by each GSE's mortgage purchases unless otherwise adjusted by HUD in accordance with FHEFSSA. The goal for the year 2007 shall include mortgage purchases financing dwelling units in multifamily housing totaling not less than 1.0 percent of the average annual dollar volume of combined (single-family and multifamily) mortgages purchased by the respective GSE in 2000, 2001, and 2002, unless otherwise adjusted by HUD in accordance with FHEFSSA. In addition, as a Special Affordable Housing Home Purchase Subgoal, 18 percent of the total number of home purchase mortgages in metropolitan areas financed by each GSE's mortgage purchases shall be home purchase mortgages in metropolitan areas

24 CFR Subtitle A (4-1-07 Edition)

which count toward the Special Affordable Housing Goal in the year 2007 unless otherwise adjusted by HUD in accordance with FHEFSSA;

(4) For the year 2008, 27 percent of the total number of dwelling units financed by each GSE's mortgage purchases unless otherwise adjusted by HUD in accordance with FHEFSSA. The goal for the year 2008 shall include mortgage purchases financing dwelling units in multifamily housing totaling not less than 1.0 percent of the average annual dollar volume of combined (single-family and multifamily) mortgages purchased by the respective GSE in 2000, 2001, and 2002, unless otherwise adjusted by HUD in accordance with FHEFSSA. In addition, as a Special Affordable Housing Home Purchase Subgoal, 18 percent of the total number of home purchase mortgages in metropolitan areas financed by each GSE's mortgage purchases shall be home purchase mortgages in metropolitan areas which count toward the Special Affordable Housing Goal in the year 2008 unless otherwise adjusted by HUD in accordance with FHEFSSA; and

(5) For the year 2009 and thereafter HUD shall establish annual goals. Pending establishment of goals for the year 2009 and thereafter, the annual goal for each of those years shall be 27 percent of the total number of dwelling units financed by each GSE's mortgage purchases in each of those years. The goal for each such year shall include mortgage purchases financing dwelling units in multifamily housing totaling not less than 1.0 percent of the annual average dollar volume of combined (single-family and multifamily) mortgages purchased by the respective GSE in the years 2000, 2001, and 2002. In addition, as a Special Affordable Housing Home Purchase Subgoal, 18 percent of the total number of home purchase mortgages in metropolitan areas financed by each GSE's mortgage purchases shall be home purchase mortgages in metropolitan areas which count toward the Special Affordable Housing Goal in each of those years unless otherwise adjusted by HUD in accordance with FHEFSSA.

(d) *Counting of multifamily units.* (1) Dwelling units affordable to low-income families and financed by a particular purchase of a mortgage on multifamily housing shall count toward achievement of the Special Affordable Housing Goal where at least:

(i) 20 percent of the dwelling units in the particular multifamily property are affordable to especially low-income families; or

(ii) 40 percent of the dwelling units in the particular multifamily property are affordable to very-low-income families.

(2) Where only some of the units financed by a purchase of a mortgage on multifamily housing count under the multifamily component of the goal, only a portion of the unpaid principal balance of the mortgage attributable to such units shall count toward the multifamily component. The portion of the mortgage counted under the multifamily requirement shall be equal to the ratio of the total units that count to the total number of units in the mortgaged property.

(e) *Full Credit Activities.* (1) For purposes of 12 U.S.C. 4563(b)(1) and this paragraph (e), full credit means that each unit financed by a mortgage purchased by a GSE and meeting the requirements of this section shall count toward achievement of the Special Affordable Housing Goal for that GSE.

(2) Mortgages insured under HUD's Home Equity Conversion Mortgage ("HECM") Insurance Program, 12 U.S.C. 1715 z-20; mortgages guaranteed under the Rural Housing Service's Single Family Housing Guaranteed Loan Program, 42 U.S.C. 1472; mortgages on properties on tribal lands insured under FHA's Section 248 program, 12 U.S.C. 1715 z-13, HUD's Section 184 program, 12 U.S.C. 1515 z-13a, or Title VI of the Native American Housing Assistance and Self-Determination Act of 1996, 25 U.S.C. 4191-4195; meet the requirements of 12 U.S.C. 4563(b)(1)(A)(i) and (ii).

(3) HUD will give full credit toward achievement of the Special Affordable Housing Goal for the activities in 12 U.S.C. 4563(b)(1)(A), provided the GSE submits documentation to HUD that supports eligibility under 12 U.S.C. 4563(b)(1)(A) for HUD's approval.

(4)(i) For purposes of determining whether a seller meets the requirement in 12 U.S.C. 4563(b)(1)(B), a seller must currently operate on its own or actively participate in an on-going, discernible, active, and verifiable program directly targeted at the origination of new mortgage loans that qualify under the Special Affordable Housing Goal.

(ii) A seller's activities must evidence a current intention or plan to reinvest the proceeds of the sale into mortgages qualifying under the Special Affordable Housing Goal, with a current commitment of resources on the part of the seller for this purpose.

(iii) A seller's actions must evidence willingness to buy qualifying loans when these loans become available in the market as part of active, on-going, sustainable efforts to ensure that additional loans that meet the goal are originated.

(iv) Actively participating in such a program includes purchasing qualifying loans from a correspondent originator, including a lender or qualified housing group, that operates an on-going program resulting in the origination of loans that meet the requirements of the goal, has a history of delivering, and currently delivers qualifying loans to the seller.

(v) The GSE must verify and monitor that the seller meets the requirements in paragraphs (e)(4)(i) through (e)(4)(iv) of this section and develop any necessary mechanisms to ensure compliance with the requirements, except as provided in paragraph (e)(4)(vi) and (vii) of this section.

(vi) Where a seller's primary business is originating mortgages on housing that qualifies under this Special Affordable Housing Goal such seller is presumed to meet the requirements in paragraphs (e)(4)(i) through (e)(4)(iv) of this section. Sellers that are institutions that are:

(A) Regularly in the business of mortgage lending;

(B) A BIF-insured or SAIF-insured depository institution; and

(C) Subject to, and has received at least a satisfactory performance evaluation rating for

§81.15

(1) At least the two most recent consecutive examinations under, the Community Reinvestment Act, if the lending institution has total assets in excess of \$250 million; or

(2) The most recent examination under the Community Reinvestment Act if the lending institutions which have total assets no more than \$250 million are identified as sellers that are presumed to have a primary business of originating mortgages on housing that qualifies under this Special Affordable Housing Goal and, therefore, are presumed to meet the requirements in paragraphs (e)(4)(i) through (e)(4)(iv) of this section.

(vii) Classes of institutions or organizations that are presumed have as their primary business originating mortgages on housing that qualifies under this Special Affordable Housing Goal and, therefore, are presumed in paragraphs (e)(4)(i) through (e)(4)(iv) of this section to meet the requirements are as follows: State housing finance agencies; affordable housing loan consortia; Federally insured credit unions that are:

(A) Members of the Federal Home Loan Bank System and meet the first-time homebuyer standard of the Community Support Program; or

(B) Community development credit unions; community development financial institutions; public loan funds; or non-profit mortgage lenders. HUD may determine that additional classes of institutions or organizations are primarily engaged in the business of financing affordable housing mortgages for purposes of this presumption, and if, so will notify the GSEs in writing.

(viii) For purposes of paragraph (e)(4) of this section, if the seller did not originate the mortgage loans, but the originator of the mortgage loans fulfills the requirements of either paragraphs (e)(4)(i) through (e)(4)(iv), paragraph (e)(4)(vi) or paragraph (e)(4)(vii) of this section; and the seller has held the loans for six months or less prior to selling the loans to the GSE, HUD will consider that the seller has met the requirements of this paragraph (e)(4) and of 12 U.S.C. 4563(b)(1)(B).

(f) *Partial credit activities.* Mortgages insured under HUD's Title I program, which includes property improvement

24 CFR Subtitle A (4-1-07 Edition)

and manufactured home loans, shall receive one-half credit toward the Special Affordable Housing Goal until such time as the Government National Mortgage Association fully implements a program to purchase and securitize Title I loans.

(g) *No credit activities.* Neither the purchase nor the securitization of mortgages associated with the refinancing of a GSE's existing mortgage or mortgage-backed securities portfolios shall receive credit toward the achievement of the Special Affordable Housing Goal. Refinancings that result from the wholesale exchange of mortgages between the two GSEs shall not count toward the achievement of this goal. Refinancings of individual mortgages shall count toward achievement of this goal when the refinancing is an arms-length transaction that is borrower-driven and the mortgage otherwise counts toward achievement of this goal. For purposes of this paragraph (g), "mortgages or mortgage-backed securities portfolios" includes mortgages retained by Fannie Mae or Freddie Mac and mortgages utilized to back mortgage-backed securities.

[60 FR 61888, Dec. 1, 1995, as amended at 65 FR 65086, Oct. 31, 2000; 69 FR 63640, Nov. 2, 2004]

§81.15 General requirements.

(a) *Calculating the numerator and denominator.* Performance under each of the housing goals shall be measured using a fraction that is converted into a percentage.

(1) *The numerator.* The numerator of each fraction is the number of dwelling units financed by a GSE's mortgage purchases in a particular year that count toward achievement of the housing goal.

(2) *The denominator.* The denominator of each fraction is, for all mortgages purchased, the number of dwelling units that could count toward achievement of the goal under appropriate circumstances. The denominator shall not include GSE transactions or activities that are not mortgages or mortgage purchases as defined by HUD or transactions that are specifically excluded as ineligible under §81.16(b).

(3) *Missing data or information.* When a GSE lacks sufficient data or information to determine whether the purchase of a mortgage originated after 1992 counts toward achievement of a particular housing goal, that mortgage purchase shall be included in the denominator for that housing goal, except under the circumstances described in paragraphs (d) and (e)(6) of this section.

(b) *Properties with multiple dwelling units.* For the purposes of counting toward the achievement of the goals, whenever the property securing a mortgage contains more than one dwelling unit, each such dwelling unit shall be counted as a separate dwelling unit financed by a mortgage purchase.

(c) *Credit toward multiple goals.* A mortgage purchase (or dwelling unit financed by such purchase) by a GSE in a particular year shall count toward the achievement of each housing goal for which such purchase (or dwelling unit) qualifies in that year.

(d) *Counting owner-occupied units.* (1) For purposes of counting owner-occupied units toward achievement of the Low- and Moderate-Income Housing Goal or the Special Affordable Housing Goal, mortgage purchases financing such units shall be evaluated based on the income of the mortgagors and the area median income at the time of origination of the mortgage. To determine whether mortgages may be counted under a particular family income level, i.e., especially low, very low, low or moderate income, the income of the mortgagors is compared to the median income for the area at the time of the mortgage application, using the appropriate percentage factor provided under §81.17.

(2)(i) When the income of the mortgagor(s) is not available to determine whether an owner-occupied unit in a property securing a single-family mortgage originated after 1992 and purchased by a GSE counts toward achievement of the Low- and Moderate-Income Housing Goal or the Special Affordable Housing Goal, a GSE's performance with respect to such unit may be evaluated using estimated affordability information in accordance with one of the following methods:

(A) Excluding from the denominator and the numerator single-family owner-occupied units located in census tracts with median incomes less than, or equal to, area median income based on the most recent decennial census, up to a maximum of one percent of the total number of single-family owner-occupied dwelling units eligible to be counted toward the respective housing goal in the current year. Mortgage purchases with missing data in excess of the maximum will be included in the denominator and excluded from the numerator;

(B) For home purchase mortgages and for refinance mortgages separately, multiplying the number of owner-occupied units with missing borrower income information in properties securing mortgages purchased by the GSE in each census tract by the percentage of all single-family owner-occupied mortgage originations in the respective tracts that would count toward achievement of each goal, as determined by HUD based on the most recent HMDA data available; or

(C) Such other data source and methodology as may be approved by HUD.

(ii) In any calendar year, a GSE may use only one of the methods specified in paragraph (d)(2)(i) of this section to estimate affordability information for single-family owner-occupied units.

(iii) If a GSE chooses to use an estimation methodology under paragraph (d)(2)(i)(B) or (d)(2)(i)(C) of this section to determine affordability for owner-occupied units in properties securing single-family mortgage purchases eligible to be counted toward the respective housing goal, then that methodology may be used up to nationwide maximums for home purchase mortgages and for refinance mortgages that shall be calculated by multiplying, for each census tract, the percentage of all single-family owner-occupied mortgage originations with missing borrower incomes (as determined by HUD based on the most recent HMDA data available for home purchase and refinance mortgages, respectively) by the number of single-family owner-occupied units in properties securing mortgages purchased by the GSE for each census tract, summed up over all census tracts. If this nationwide maximum is

§81.15

exceeded, then the estimated number of goal-qualifying units will be adjusted by the ratio of the applicable nationwide maximum number of units for which income information may be estimated to the total number of single-family owner-occupied units with missing income information in properties securing mortgages purchased by the GSE. Owner-occupied units in excess of the nationwide maximum, and any units for which estimation information is not available, shall remain in the denominator of the respective goal calculation.

(e) *Counting rental units*—(1) *Use of income, rent*—(i) *Generally*. For purposes of counting rental units toward achievement of the Low- and Moderate-Income Housing Goal or the Special Affordable Housing Goal, mortgage purchases financing such units shall be evaluated based on the income of actual or prospective tenants where such data is available, *i.e.*, known to a lender.

(ii) *Availability of income information*. (A) Each GSE shall require lenders to provide to the GSE tenant income information under paragraphs (e)(3) and (4) of this section, but only when such information is known to the lender.

(B) When such tenant income information is available for all occupied units, the GSE's performance shall be based on the income of the tenants in the occupied units. For unoccupied units that are vacant and available for rent and for unoccupied units that are under repair or renovation and not available for rent, the GSE shall use the income of prospective tenants, if paragraph (e)(4) of this section is applicable. If paragraph (e)(4) of this section is not applicable, the GSE shall use rent levels for comparable units in the property to determine affordability.

(2) *Model units and rental offices*. A model unit or rental office in a multifamily property may count toward achievement of the housing goals only if a GSE determines that:

(i) It is reasonably expected that the units will be occupied by a family within one year;

(ii) The number of such units is reasonable and minimal considering the size of the multifamily property; and

(iii) Such unit otherwise meets the requirements for the goal.

(3) *Income of actual tenants*. When the income of actual tenants is available, to determine whether a tenant is very-low-, low-, or moderate-income, the income of the tenant shall be compared to the median income for the area, adjusted for family size as provided in §81.17.

(4) *Income of prospective tenants*. When income for tenants is available to a lender because a project is subject to a Federal housing program that establishes the maximum income for a tenant or a prospective tenant in rental units, the income of prospective tenants may be counted at the maximum income level established under such housing program for that unit. In determining the income of prospective tenants, the income shall be projected based on the types of units and market area involved. Where the income of prospective tenants is projected, each GSE must determine that the income figures are reasonable considering the rents (if any) on the same units in the past and considering current rents on comparable units in the same market area.

(5) *Use of rent*. When the income of the prospective or actual tenants of a dwelling unit is not available, performance under these goals will be evaluated based on rent and whether the rent is affordable to the income group targeted by the housing goal. A rent is affordable if the rent does not exceed 30 percent of the maximum income level of very-low-, low-, or moderate-income families as provided in §81.19. In determining contract rent for a dwelling unit, the actual rent or average rent by unit type shall be used.

(6) *Affordability data unavailable*. (i) *Multifamily*. (A) When a GSE lacks sufficient information to determine whether a rental unit in a property securing a multifamily mortgage purchased by a GSE counts toward achievement of the Low- and Moderate-Income Housing Goal or the Special Affordable Housing Goal because neither the income of prospective or actual tenants, nor the actual or average rental data, are available, a GSE's performance with respect to such unit

24 CFR Subtitle A (4-1-07 Edition)

may be evaluated using estimated affordability information in accordance with one of the following methods:

(1) Multiplying the number of rental units with missing affordability information in properties securing multifamily mortgages purchased by the GSE in each census tract by the percentage of all rental dwelling units in the respective tracts that would count toward achievement of each goal, as determined by HUD based on the most recent decennial census. For units with missing affordability information in tracts for which such methodology is not possible, such units will be excluded from the denominator as well as the numerator in calculating performance under the respective housing goal(s); or

(2) Such other data source and methodology as may be approved by HUD.

(B) In any calendar year, a GSE may use only one of the methods specified in paragraph (e)(6)(i)(A) of this section to estimate affordability information for multifamily rental units.

(C) If a GSE chooses to use an estimation methodology under paragraph (e)(6)(i)(A) of this section to determine affordability for rental units in properties securing multifamily mortgage purchases eligible to be counted toward the respective housing goal, then that methodology may be used up to a nationwide maximum of ten percent of the total number of rental units in properties securing multifamily mortgages purchased by the GSE in the current year. If this maximum is exceeded, the estimated number of goal-qualifying units will be adjusted by the ratio of the nationwide maximum number of units for which affordability information may be estimated to the total number of multifamily rental units with missing affordability information in properties securing mortgages purchased by the GSE. Multifamily rental units in excess of the maximum set forth in this paragraph (e)(6)(i)(C), and any units for which estimation information is not available, shall be removed from the denominator of the respective goal calculation.

(ii) *Rental units in 1-4 unit single-family properties.* (A) When a GSE lacks sufficient information to determine whether a rental unit in a property se-

curing a single-family mortgage purchased by a GSE counts toward achievement of the Low- and Moderate-Income Housing Goal or the Special Affordable Housing Goal because neither the income of prospective or actual tenants, nor the actual or average rental data, are available, a GSE's performance with respect to such unit may be evaluated using estimated affordability information in accordance with one of the following methods:

(1) Excluding rental units in 1-to 4-unit properties with missing affordability information from the denominator as well as the numerator in calculating performance under those goals;

(2) Multiplying the number of rental units with missing affordability information in properties securing single family mortgages purchased by the GSE in each census tract by the percentage of all rental dwelling units in the respective tracts that would count toward achievement of each goal, as determined by HUD based on the most recent decennial census. For units with missing affordability information in tracts for which such methodology is not possible, such units will be excluded from the denominator as well as the numerator in calculating performance under the respective housing goal(s); or

(3) Such other data source and methodology as may be approved by HUD.

(B) In any calendar year, a GSE may use only one of the methods specified in paragraph (e)(6)(ii)(A) of this section to estimate affordability information for single-family rental units.

(C) If a GSE chooses to use an estimation methodology under paragraph (e)(6)(ii)(A)(2) or (e)(6)(ii)(A)(3) of this section to determine affordability for rental units in properties securing single-family mortgage purchases eligible to be counted toward the respective housing goal, then that methodology may be used up to nationwide maximums of five percent of the total number of rental units in properties securing non-seasoned single-family mortgage purchases by the GSE in the current year and 20 percent of the total

§81.15

number of rental units in properties securing seasoned single-family mortgage purchases by the GSE in the current year. If either or both of these maximums are exceeded, the estimated number of goal-qualifying units will be adjusted by the ratio of the applicable nationwide maximum number of units for which affordability information may be estimated to the total number of single-family rental units with missing affordability information in properties securing seasoned or unseasoned mortgages purchased by the GSE, as applicable. Single-family rental units in excess of the maximums set forth in this paragraph (e)(6)(ii)(C), and any units for which estimation information is not available, shall be removed from the denominator of the respective goal calculation.

(7) *Timeliness of information.* In determining performance under the housing goals, each GSE shall use tenant and rental information as of the time of mortgage:

(i) Acquisition for mortgages on multifamily housing; and

(ii) Origination for mortgages on single-family housing.

(f) *Application of Median income.* (1) For purposes of determining an area's median income under §§81.17 through 81.19 and for the definition of "low-income area," the area is:

(i) The metropolitan area, if the property which is the subject of the mortgage is in a metropolitan area; and

(ii) In all other areas, the county in which the property is located, except that where the State nonmetropolitan median income is higher than the county's median income, the area is the State nonmetropolitan area.

(2) When a GSE cannot precisely determine whether a mortgage is on dwelling unit(s) located in one area, the GSE shall determine the median income for the split area in the manner prescribed by the Federal Financial Institutions Examination Council for reporting under the Home Mortgage Disclosure Act, if the GSE can determine that the mortgage is on dwelling unit(s) located in:

(i) A census tract;

(ii) A census place code;

24 CFR Subtitle A (4-1-07 Edition)

(iii) A block-group enumeration district;

(iv) A nine-digit zip code; or

(v) Another appropriate geographic segment that is partially located in more than one area ("split area").

(g) *Sampling not permitted.* Performance under the housing goals for each year shall be based on a complete tabulation of mortgage purchases for that year; a sampling of such purchases is not acceptable.

(h) *Newly available data.* When a GSE uses data to determine whether a mortgage purchase counts toward achievement of any goal and new data is released after the start of a calendar quarter, the GSE need not use the new data until the start of the following quarter.

(i) *Counting mortgages toward the Home Purchase Subgoals—(1) General.* The requirements of this section, except for paragraphs (b) and (e) of this section, shall apply to counting mortgages toward the Home Purchase Subgoals at §§81.12 through 81.14. However, performance under the subgoals shall be counted using a fraction that is converted into a percentage for each subgoal and the numerator of the fraction for each subgoal shall be the number of home purchase mortgages in metropolitan areas financed by each GSE's mortgage purchases in a particular year that count towards achievement of the applicable housing goal. The denominator of each fraction shall be the total number of home purchase mortgages in metropolitan areas financed by each GSE's mortgage purchases in a particular year. For purposes of each subgoal, the procedure for addressing missing data or information, as set forth in paragraph (d) of this section, shall be implemented using numbers of home purchase mortgages in metropolitan areas and not single-family owner-occupied dwelling units.

(2) *Special counting rule for mortgages with more than one owner-occupied unit.* For purposes of counting mortgages toward the Home Purchase Subgoals, where a single home purchase mortgage finances the purchase of two or more owner-occupied units in a metropolitan area, the mortgage shall count

Office of the Secretary, HUD

§81.16

once toward each subgoal that applies to the GSE's mortgage purchase.

[60 FR 61888, Dec. 1, 1995, as amended at 65 FR 65087, Oct. 31, 2000; 69 FR 63641, Nov. 2, 2004]

§81.16 Special counting requirements.

(a) *General.* HUD shall determine whether a GSE shall receive full, partial, or no credit for a transaction toward achievement of any of the housing goals. In this determination, HUD will consider whether a transaction or activity of the GSE is substantially equivalent to a mortgage purchase and either creates a new market or adds liquidity to an existing market, provided however that such mortgage purchase actually fulfills the GSE's purposes and is in accordance with its Charter Act.

(b) *Not counted.* The following transactions or activities shall not count toward achievement of any of the housing goals and shall not be included in the denominator in calculating either GSE's performance under the housing goals:

(1) Equity investments in housing development projects;

(2) Purchases of State and local government housing bonds except as provided in §81.16(c)(8);

(3) Purchases of non-conventional mortgages except:

(i) Where such mortgages are acquired under a risk-sharing arrangement with a Federal agency;

(ii) Mortgages insured under HUD's Home Equity Conversion Mortgage ("HECM") insurance program, 12 U.S.C. 1715z-20; mortgages guaranteed under the Rural Housing Service's Single Family Housing Guaranteed Loan Program, 42 U.S.C. 1472; mortgages on properties on lands insured under FHA's Section 248 program, 12 U.S.C. 1715z-13, or HUD's Section 184 program, 12 U.S.C. 1515z-13a, or Title VI of the Native American Housing Assistance and Self-Determination Act of 1996, 25 U.S.C. 4191-4195; and mortgages with expiring assistance contracts as defined at 42 U.S.C. 1737f;

(iii) Mortgages under other mortgage programs involving Federal guarantees, insurance or other Federal obligation where the Department determines in writing that the financing needs addressed by the particular mortgage

program are not well served and that the mortgage purchases under such program should count under the housing goals, provided the GSE submits documentation to HUD that supports eligibility and that HUD makes such a determination, or

(iv) As provided in §81.14(e)(3)

(4) Commitments to buy mortgages at a later date or time;

(5) Options to acquire mortgages;

(6) Rights of first refusal to acquire mortgages;

(7) Any interests in mortgages that the Secretary determines, in writing, shall not be treated as interests in mortgages;

(8) Mortgage purchases to the extent they finance any dwelling units that are secondary residences; and

(9) Single family mortgage refinancings that result from conversion of balloon notes to fully amortizing notes, if the GSE already owns or has an interest in the balloon note at the time conversion occurs.

(10) Any combination of factors in paragraphs (b)(1) through (9) of this section.

(c) *Other special rules.* Subject to HUD's primary determination of whether a GSE shall receive full, partial, or no credit for a transaction toward achievement of any of the housing goals as provided in paragraph (a) of this section, the following supplemental rules apply:

(1) *Credit enhancements.* (i) Dwelling units financed under a credit enhancement entered into by a GSE shall be treated as mortgage purchases and count toward achievement of the housing goals when:

(A) The GSE provides a specific contractual obligation to ensure timely payment of amounts due under a mortgage or mortgages financed by the issuance of housing bonds (such bonds may be issued by any entity, including a State or local housing finance agency);

(B) The GSE assumes a credit risk in the transaction substantially equivalent to the risk that would have been assumed by the GSE if it had securitized the mortgages financed by such bonds; and

(C) Such dwelling units otherwise qualify under this part.

(ii) When a GSE provides a specific contractual obligation to ensure timely payment of amounts due under any mortgage originally insured by a public purpose mortgage insurance entity or fund, the GSE may, on a case-by-case basis, seek approval from the Secretary for such activities to count toward achievement of the housing goals.

(2) *Real estate mortgage investment conduits ("REMICs")*. (i) A GSE's purchase or guarantee of all or a portion of a REMIC shall be treated as a mortgage purchase and receive credit toward the achievement of the housing goals provided:

(A) The underlying mortgages or mortgage-backed securities for the REMIC were not:

(1) Guaranteed by the Government National Mortgage Association; or

(2) Previously counted toward any housing goal by the GSE; and

(B) The GSE has the information necessary to support counting the dwelling units financed by the REMIC, or that part of the REMIC purchased or guaranteed by the GSE, toward the achievement of a particular housing goal.

(ii) For REMICs that meet the requirements in paragraph (c)(2)(i) of this section and for which the GSE purchased or guaranteed:

(A) The whole REMIC, all of the units financed by the REMIC shall be treated as a mortgage purchase and count toward achievement of the housing goals; or

(B) A portion of the REMIC, the GSE shall receive partial credit toward achievement of the housing goals. This credit shall be equal to the percentage of the REMIC purchased or guaranteed by the GSE (the dollar amount of the purchase or guarantee divided by the total dollar amount of the REMIC) multiplied by the number of dwelling units that would have counted toward the goal(s) if the GSE had purchased or guaranteed the whole REMIC. In calculating performance under the housing goals, the denominator shall include the number of dwelling units included in the whole REMIC multiplied by the percentage of the REMIC purchased or guaranteed by the GSE.

(3) *Risk-sharing*. Mortgage purchases under risk-sharing arrangements be-

tween the GSEs and any Federal agency where the units would otherwise count toward achievement of the housing goal under which the GSE is responsible for a substantial amount (50 percent or more) of the risk shall be treated as mortgage purchases and count toward achievement of the housing goal or goals.

(4) *Participations*. Participations purchased by a GSE shall be treated as mortgage purchases and count toward the achievement of the housing goals, if the GSE's participation in the mortgage is 50 percent or more.

(5) *Cooperative housing and condominium projects*. (i) The purchase of a mortgage on a cooperative housing unit ("a share loan") or a condominium unit is a mortgage purchase. Such a purchase is counted toward achievement of a housing goal in the same manner as a mortgage purchase of single-family owner-occupied units, *i.e.*, affordability is based on the income of the owner(s).

(ii) The purchase of a mortgage on a cooperative building ("a blanket loan") or a condominium project is a mortgage purchase and shall count toward achievement of the housing goals. Where a GSE purchases both "a blanket loan" and mortgages for units in the same building ("share loans"), both the blanket loan and the share loan(s) are mortgage purchases and shall count toward achievement of the housing goals. Where a GSE purchases both a condominium project mortgage and mortgages on condominium dwelling units in the same project, both the condominium project mortgages and the mortgages on condominium dwelling units are mortgage purchases and shall count toward achievement of the housing goals.

(6) *Seasoned mortgages*. A GSE's purchase of a seasoned mortgage shall be treated as a mortgage purchase for purposes of these goals and shall be included in the numerator, as appropriate, and the denominator in calculating the GSE's performance under the housing goals, except where:

(i) The GSE has already counted the mortgage under a housing goal applicable to 1993 or any subsequent year; or

(ii) HUD determines, based upon a written request by a GSE, that a seasoned mortgage or class of such mortgages should be excluded from the numerator and the denominator in order to further the purposes of the Special Affordable Housing Goal.

(7) *Purchase of refinanced mortgages.* Except as otherwise provided in this part, the purchase of a refinanced mortgage by a GSE is a mortgage purchase and shall count toward achievement of the housing goals to the extent the mortgage qualifies.

(8) *Mortgage revenue bonds.* (i) The purchase of a state or local mortgage revenue bond shall be treated as a mortgage purchase and units financed under such MRB shall count toward achievement of the goals where:

(A) The MRB is to be repaid only from the principal and interest of the underlying mortgages originated with funds made available by the MRB; and

(B) The MRB is not a general obligation of a state or local government or agency or is not credit enhanced by any government or agency, third party guarantor or surety.

(ii) Dwelling units financed by a mortgage revenue bond meeting the requirements of paragraph (c)(8)(i) of this section shall count toward a housing goal to the extent such dwelling units otherwise qualify under this part.

(9) *Expiring assistance contracts.* In accordance with 12 U.S.C. 4565(a)(5), actions that assist in maintaining the affordability of assisted units in eligible multifamily housing projects with expiring contracts shall receive credit under the housing goals as provided in paragraph (b)(3)(ii) and in accordance with paragraphs (b) and (c)(1) through (c)(9) of this section.

(i) For restructured (modified) multifamily mortgage loans with an expiring assistance contract where a GSE holds the loan in portfolio and facilitates modification of loan terms that results in lower debt service to the project's owner, the GSE shall receive full credit under any of the housing goals for which the units covered by the mortgage otherwise qualify.

(ii) Where a GSE undertakes more than one action to assist a single project or where a GSE engages in an activity that it believes assists in

maintaining the affordability of assisted units in eligible multifamily housing projects but which is not otherwise covered in paragraph (c)(9)(i) of this section, the GSE must submit the transaction to HUD for a determination on appropriate goals counting treatment.

(10)–(11) [Reserved]

(12) *HOEPA mortgages and mortgages with unacceptable terms and conditions.* HOEPA mortgages and mortgages with unacceptable terms or conditions as defined in §81.2 will not receive credit toward any of the three housing goals.

(13) *Mortgages contrary to good lending practices.* The Secretary will monitor the practices and processes of the GSEs to ensure that they are not purchasing loans that are contrary to good lending practices as defined in §81.2. Based on the results of such monitoring, the Secretary may determine in accordance with paragraph (d) of this section that mortgages or categories of mortgages where a lender has not engaged in good lending practices will not receive credit toward the three housing goals.

(14) *Seller dissolution option.* (i) Mortgages acquired through transactions involving seller dissolution options shall be treated as mortgage purchases, and receive credit toward the achievement of the housing goals, only when:

(A) The terms of the transaction provide for a lockout period that prohibits the exercise of the dissolution option for at least one year from the date on which the transaction was entered into by the GSE and the seller of the mortgages; and

(B) The transaction is not dissolved during the one-year minimum lockout period.

(ii) The Secretary may grant an exception to the one-year minimum lockout period described in paragraph (c)(14)(i)(A) and (B) of this section, in response to a written request from an enterprise, if the Secretary determines that the transaction furthers the purposes of FHEFSSA and the GSE's charter act;

(iii) For purposes of this paragraph (c)(14), "seller dissolution option"

§ 81.17

means an option for a seller of mortgages to the GSEs to dissolve or otherwise cancel a mortgage purchase agreement or loan sale.

(d) *HUD review of transactions.* HUD will determine whether a class of transactions counts as a mortgage purchase under the housing goals. If a GSE seeks to have a class of transactions counted under the housing goals that does not otherwise count under the rules in this part, the GSE may provide HUD detailed information regarding the transactions for evaluation and determination by HUD in accordance with this section. In making its determination, HUD may also request and evaluate additional information from a GSE with regard to how the GSE believes the transactions should be counted. HUD will notify the GSE of its determination regarding the extent to which the class of transactions may count under the goals.

§ 81.19 Affordability—Rent level definitions—tenant income is not known.

For purposes of determining whether a rental unit is affordable to very-low-, low-, or moderate-income families where the income of the family in the dwelling unit is not known to the GSE, the affordability of the unit is determined based on unit size as follows:

(a) *For moderate-income*, maximum affordable rents to count as housing for moderate-income families shall not exceed the following percentages of area median income with adjustments, depending on unit size:

Unit size	Percentage of area median income
Efficiency	21

*15.6% plus (1.8% multiplied by the number of bedrooms in excess of 3).

(e) *Missing Information*. Each GSE shall make every effort to obtain the information necessary to make the calculations in this section. § 81.20 Actions to be taken to meet the goals.

To meet the goals under this rule, each GSE shall operate in accordance with 12 U.S.C. 4565.

§ 81.21 Notice and determination of failure to meet goals.

If the Secretary determines that a GSE has failed or there is a substantial

probability that a GSE will fail to meet any housing goal, the Secretary shall follow the procedures at 12 U.S.C. 4566(b).

§ 81.22 Housing plans.

(a) If the Secretary determines, under § 81.21, that a GSE has failed or there is a substantial probability that a GSE will fail to meet any housing goal and that the achievement of the housing goal was or is feasible, the Secretary shall require the GSE to submit a housing plan for approval by the Secretary.

(b) *Nature of plan*. Each housing plan shall:

(1) Be feasible;

(2) Be sufficiently specific to enable the Secretary to monitor compliance periodically;

(3) Describe the specific actions that the GSE will take:

(i) To achieve the goal for the next calendar year; or

(ii) If the Secretary determines that there is substantial probability that the GSE will fail to meet a housing goal in the current year, to make such improvements as are reasonable in the remainder of the year; and

(4) Address any additional matters relevant to the plan as required, in writing, by the Secretary.

(c) *Deadline for submission*. The GSE shall submit a housing plan to the Secretary within 30 days after issuance of a notice under § 81.21 requiring the GSE to submit a housing plan. The Secretary may extend the deadline for submission of a plan, in writing and for a time certain, to the extent the Secretary determines an extension is necessary.

(d) *Review of housing plans*. The Secretary shall review and approve or disapprove housing plans in accordance with 12 U.S.C. 4566(c)(4) and (5).

(e) *Resubmission*. If the Secretary disapproves an initial housing plan submitted by a GSE, the GSE shall submit an amended plan acceptable to the Secretary within 30 days of the Secretary disapproving the initial plan; the Secretary may extend the deadline if the Secretary determines an extension is in the public interest. If the amended plan is not acceptable to the Secretary,

the Secretary may afford the GSE 15 days to submit a new plan.

Subpart C—Fair Housing

§ 81.41 General.

In this subpart, the Secretary: prohibits discrimination by the GSEs in their mortgage purchases because of race, color, religion, sex, handicap, familial status, age, or national origin, including any consideration of the age or location of a dwelling or age of the neighborhood or census tract where the dwelling is located in a manner that has a discriminatory effect; requires that the GSEs submit information to the Secretary to assist Fair Housing Act and ECOA investigations; provides for advising the GSEs of Fair Housing Act and ECOA violations; provides for reviewing the GSEs' underwriting and appraisal guidelines to ensure compliance with the Fair Housing Act; and requires that the GSEs take actions as directed by the Secretary following Fair Housing Act and ECOA adjudications. Because FHEFSSA provides, generally, that the Director of OFHEO shall enforce violations by the GSEs of FHEFSSA and regulations in this subpart, this subpart also provides for referral of such cases to the Director.

§ 81.42 Prohibitions against discrimination.

Neither GSE shall discriminate in any manner in making any mortgage purchases because of race, color, religion, sex, handicap, familial status, age, or national origin, including any consideration of the age or location of the dwelling or the age of the neighborhood or census tract where the dwelling is located in a manner that has a discriminatory effect.

§ 81.43 Reports; underwriting and appraisal guideline review.

(a) *Reports.* Each GSE, in the AHAR required under § 81.63, shall assess underwriting standards, business practices, repurchase requirements, pricing, fees, and procedures that affect the purchase of mortgages for low- and moderate-income families, or that may yield disparate results based on the race, color, religion, sex, handicap, familial status, age, or national origin of

the borrower, including revisions thereto to promote affordable housing or fair lending.

(b) *Review of Underwriting and Appraisal Guidelines.* The Secretary shall periodically review and comment on the underwriting and appraisal guidelines of each enterprise to ensure that such guidelines are consistent with the Fair Housing Act and 12 U.S.C. 4545.

§ 81.44 Submission of information to the Secretary.

(a) *General.* Upon request from the Secretary, the GSEs shall submit information and data to the Secretary to assist in investigating whether any mortgage lender with which the GSE does business has failed to comply with the Fair Housing Act or ECOA.

(b) *Information requests and submissions—*(1) *Information requests by the Secretary.* The Secretary may require the GSEs to submit information to assist in Fair Housing Act or ECOA investigations of lenders. Under FHEFSSA, other Federal agencies responsible for the enforcement of ECOA must submit requests for information from the GSEs through the Secretary. For matters involving only ECOA, the Secretary will only issue requests for information upon request from the appropriate Federal agency responsible for ECOA.

(2) *Information from established data systems.* The Secretary may request that a GSE generate information or reports from its data system(s) to assist a Fair Housing Act or ECOA investigation.

(3) *GSE replies.* A GSE receiving any request(s) for information under this section shall reply in a complete and timely manner with any and all information that it is privy to and collects that is responsive to the request.

(c) *Submission to ECOA enforcers.* The Secretary shall submit any information received under paragraph (b) of this section concerning compliance with ECOA to appropriate Federal agencies responsible for ECOA enforcement, as provided in section 704 of ECOA.

§ 81.45

24 CFR Subtitle A (4-1-07 Edition)

§ 81.45 Obtaining and disseminating information.

(a) The Secretary shall obtain information from other regulatory and enforcement agencies of the Federal Government and State and local governments regarding violations by lenders of the Fair Housing Act, ECOA, and/or State or local fair housing/lending laws, and shall make such information available to the GSEs as the Secretary deems appropriate in accordance with applicable law regarding the confidentiality of supervisory information and the right to financial privacy, and subject to the terms of memoranda of understanding and other arrangements between the Secretary and Federal financial regulators and other agencies. In addition, the Secretary shall make information that the Secretary possesses regarding violations of the Fair Housing Act available to the GSEs.

(b) As contemplated in paragraph (a) of this section, the Secretary shall obtain information regarding violations by lenders of the Fair Housing Act or ECOA involving discrimination with respect to the availability of credit in a residential real-estate-related transaction from other Federal regulatory or enforcement agencies. The Secretary will obtain information from regulators regarding violations of ECOA by lenders only in circumstances in which there is either more than a single ECOA violation, or the ECOA violation could also be a violation of the Fair Housing Act.

§ 81.46 Remedial actions.

(a) *General.* The Secretary shall direct the GSEs to take one or more remedial actions, including suspension, probation, reprimand or settlement, against lenders found to have engaged in discriminatory lending practices in violation of the Fair Housing Act or ECOA, pursuant to a final adjudication on the record and an opportunity for a hearing under subchapter II of chapter 5 of title 5, United States Code.

(b) *Definitions.* For purposes of this subpart, the following definitions apply:

Indefinite suspension means that, until directed to do otherwise by the Secretary, the GSEs will refrain from purchasing mortgages from a lender.

Probation means that, for a fixed period of time specified by the Secretary, a lender that has been found to have violated the Fair Housing Act or ECOA will be subject automatically to more severe sanctions than probation, *e.g.*, suspension, if further violations are found.

Remedial action includes a reprimand, probation, temporary suspension, indefinite suspension, or settlement.

Reprimand means a written letter to a lender from a GSE, which has been directed to be sent by the Secretary, stating that the lender has violated the Fair Housing Act or ECOA and warning of the possibility that the Secretary may impose more severe remedial actions than reprimand if any further violation occurs.

Temporary Suspension means that, for a fixed period of time specified by the Secretary, the GSEs will not purchase mortgages from a lender.

(c) *Institution of remedial actions.* (1) The Secretary shall direct the GSE to take remedial action(s) against a lender charged with violating ECOA only after a final determination on the charge has been made by an appropriate United States District Court or any other court of competent jurisdiction. The Secretary shall direct the GSE to take remedial action(s) against a lender charged with violating the Fair Housing Act only after a final determination on the matter has been made by a United States Court, a HUD Administrative Law Judge, or the Secretary.

(2) Following a final determination sustaining a charge against a lender for violating the Fair Housing Act or ECOA, in accordance with paragraph (c)(1) of this section, the Secretary shall determine the remedial action(s) that the GSE is to be directed to take for such violation.

(3) In determining the appropriate remedial action(s), the Secretary shall solicit and fully consider the views of the Federal financial regulator responsible for the subject lender concerning the action(s) that are contemplated to be directed against such lender, prior to directing any such action(s). If such responsible Federal financial regulator makes a written determination that a particular remedial action would

threaten the financial safety and soundness of a Federally-insured lender, the Secretary shall consider other remedial actions. Where warranted, the Secretary also shall solicit and fully consider the views of the Director regarding the effect of the action(s) that are contemplated on the safety and soundness of the GSE. In determining what action(s) to direct, the Secretary will also, without limitation, consider the following:

- (i) The gravity of the violation;
- (ii) The extent to which other action has been taken against the lender for discriminatory activities;
- (iii) Whether the lender's actions demonstrate a discriminatory pattern or practice or an individual instance of discrimination;
- (iv) The impact or seriousness of the harm;
- (v) The number of people affected by the discriminatory act(s);
- (vi) Whether the lender operates an effective program of self assessment and correction;
- (vii) The extent of any actions or programs by the lender designed to compensate victims and prevent future fair lending violations;
- (viii) The extent that a finding of liability against a lender is based on a lender's use of a facially-neutral underwriting guideline of a secondary mortgage market entity applied appropriately by the lender in order to sell loans to that secondary mortgage market entity; and
- (ix) Any other information deemed relevant by the Secretary.

(d) *Notice of remedial action(s).* (1) Following the Secretary's decision concerning the appropriate remedial action(s) that the GSE is to be directed to take, the Secretary shall prepare and issue to the GSE and the lender a written notice setting forth the remedial action(s) to be taken and the date such remedial action(s) are to commence. The Notice shall inform the lender of its right to request a hearing on the appropriateness of the proposed remedial action(s), within 20 days of service of the Notice, by filing a request with the Docket Clerk, HUD Office of Administrative Law Judges.

(2) Where a lender does not timely request a hearing on a remedial action,

the GSE shall take the action in accordance with the Notice.

(e) *Review and decision on remedial action(s).* (1) Where a lender timely requests a hearing on a remedial action, a hearing shall be conducted before a HUD administrative law judge (ALJ) and a final decision rendered in accordance with the procedures set forth in 24 CFR part 26, subpart B, to the extent such provisions are not inconsistent with subpart C of this part or FHEFSSA. The lender and the Secretary, but not the GSE, shall be parties to the action. At such hearing, the appropriateness of the remedial action for the violation(s) will be the sole matter for review. The validity or appropriateness of the underlying determination on the violation(s) shall not be subject to review at such hearing.

(2) The Secretary shall transmit to the GSEs each final decision by HUD on a remedial action and any dispositive settlement of a proceeding on such action.

(3) The GSE shall take the action(s) set forth in a final decision by HUD on remedial action(s) or any dispositive settlement of such a proceeding setting forth remedial action(s) in accordance with such decision or settlement.

[60 FR 61888, Dec. 1, 1995, as amended by 61 FR 50218, Sept. 24, 1996]

§ 81.47 Violations of provisions by the GSEs.

(a) FHEFSSA empowers the Director of OFHEO to initiate enforcement actions for GSE violations of the provisions of section 1325 of FHEFSSA and these regulations. The Secretary shall refer violations and potential violations of 12 U.S.C. 4545 and this subpart C to the Director.

(b) Where a private complainant or the Secretary is also proceeding against a GSE under the Fair Housing Act, the Assistant Secretary for Fair Housing and Equal Opportunity shall conduct the investigation of the complaint and make the reasonable cause/no reasonable cause determination required by section 810(g) of the Fair Housing Act. Where reasonable cause is found, a charge shall be issued and the matter will proceed to enforcement pursuant to sections 812(b) and (c) of the Fair Housing Act.

Subpart D—New Program Approval

§ 81.51 General.

This subpart details the requirements and procedures for review of requests for new program approval by the Secretary.

§ 81.52 Requirement for program requests.

(a) Before implementing a new program, a GSE shall submit a request for new program approval ("program request") to the Secretary for the Secretary's review. Submission of a program request is not required where the program that the GSE proposes to implement is not significantly different from:

(1) A program that has already been approved in writing by the Secretary; or

(2) A program that was engaged in by the GSE prior to October 28, 1992.

(b) If a GSE does not submit a program request for a program, the Secretary may request information about the program and require that the GSE submit a program request. The GSE shall comply with the request and may indicate in such response its views respecting whether the program is subject to the Secretary's review.

§ 81.53 Processing of program requests.

(a) Each program request submitted to the Secretary by a GSE shall be in writing and shall be submitted to the Secretary and the Director, Office of Government-Sponsored Enterprises, Department of Housing and Urban Development, Washington, DC. For those requests submitted before 1 year after the effective date of the regulations issued by the Director of OFHEO under 12 U.S.C. 4611(e), the GSE shall simultaneously submit the program request to the Director.

(b) Each program request shall include:

(1) An opinion from counsel stating the statutory authority for the new program (Freddie Mac Act section 305(a) (1), (4), or (5), or Fannie Mae Charter Act section 302(b)(2)–(5) or 304);

(2) A good-faith estimate of the anticipated dollar volume of the program over the short- and long-term;

(3) A full description of: (i) The purpose and operation of the proposed program;

(ii) The market targeted by the program;

(iii) The delivery system for the program;

(iv) The effect of the program on the mortgage market; and

(v) Material relevant to the public interest.

(c) Following receipt of a program request, the Secretary and, where a program request is submitted to the Director pursuant to paragraph (a) of this section, the Director shall review the program request.

(d) *Transition standard for approval.* Program requests submitted by the GSEs before the date occurring 1 year after the effective date of the regulations issued by the Director under 12 U.S.C. 4611(e) shall be approved or disapproved by the Secretary as provided in 12 U.S.C. 4542(b)(2).

(e) *Permanent standard for approval by the Secretary.* Program requests submitted after the date occurring one year after the effective date of the regulations issued by the Director under 12 U.S.C. 4611(e) establishing the risk-based capital test shall be approved by the Secretary in accordance with 12 U.S.C. 4542(b)(1).

(f) *Time for review.* Unless the Secretary and, where appropriate, the Director of OFHEO, need additional information, a program request shall be approved or disapproved within 45 days from the date it is received by the Director, Office of Government-Sponsored Enterprises, and, where applicable, the Director of OFHEO. If within 45 days after receiving a request, the Secretary or the Director of OFHEO determine that additional information is necessary to review the matter and request such information from the GSE, the Secretary may extend the time period for consideration for an additional 15 days.

(1) Where additional information is requested, the GSE must provide the requested information to the Secretary and, where appropriate, the Director,

within 10 days after the request for additional information.

(2) If the GSE fails to furnish requested information within 10 days after the request for information, the Secretary may deny the GSE's request for approval based on such failure and so report to the Committees of Congress in accordance with paragraph (g) of this section.

(g) *Approval or report.* Within 45 days or, if the period is extended, 60 days following receipt of a program request, the Secretary shall approve the request, in writing, or submit a report to the Committee on Banking and Financial Services of the House of Representatives and the Committee on Banking, Housing, and Urban Affairs of the Senate, explaining the reasons for not approving the request. If the Secretary does not act within this time period, the GSE's program request will be deemed approved.

§ 81.54 Review of disapproval.

(a) *Programs disapproved as unauthorized.* (1) Where the Secretary disapproves a program request on the grounds that the new program is not authorized, as defined in § 81.53(d) or (e), the GSE may, within 30 days of the date of receipt of the decision on disapproval, request an opportunity to review and supplement the administrative record for the decision, in accordance with paragraphs (a) (2) and (3) of this section.

(2) *Supplementing in writing.* A GSE supplementing the record in writing must submit written materials within 30 days after the date of receipt of the decision on disapproval, but no later than the date of a meeting, if requested, under paragraph (a)(3) of this section.

(3) *Meeting.* Within 10 days of the date of receipt of the decision of disapproval, the GSE may request a meeting. If the request for the meeting is timely, the Secretary shall arrange such a meeting, which shall be conducted by the Secretary or the Secretary's designee within 10 working days after receipt of the request. The GSE may be represented by counsel and may submit relevant written materials to supplement the record.

(4) *Determination.* The Secretary shall:

(i) In writing and within 10 days after submission of any materials under paragraph (a)(2) of this section or the conclusion of any meeting under paragraph (a)(3) of this section, whichever is later, withdraw, modify, or affirm the program disapproval; and

(ii) Provide the GSE with that decision.

(b) *Programs disapproved under public interest determination.* When a program request is disapproved because the Secretary determines that the program is not in the public interest or the Director makes the determination in 12 U.S.C. 4542(b)(2)(B), the Secretary shall provide the GSE with notice of, and opportunity for, a hearing on the record regarding such disapproval. A request for a hearing must be submitted by a GSE within 30 days of the Secretary's submission of a report under § 81.53(g) disapproving a program request or the provision of the notice under this paragraph (b), whichever is later. The procedures for such hearings are provided in subpart G of this part.

Subpart E—Reporting Requirements

(a) Provides for the establishment of a public-use database to make available to the public mortgage data that the GSEs submit to the Secretary under subsection 309(m) of the Fannie Mae Charter Act and subsection 307(e) of the Freddie Mac Act, and AHAR information that the GSEs submit to the Secretary in the AHAR under subsection 309(n) of the Fannie Mae Charter Act and subsection 307(f) of the Freddie Mac Act;

(b) Establishes mechanisms for the GSEs to designate mortgage data or AHAR information as proprietary information and for the Secretary to determine whether such mortgage data or AHAR information is proprietary information which should be withheld from disclosure;

(c) Addresses the availability of HUD procedures to protect from public disclosure proprietary information and other types of confidential business information submitted by or relating to the GSEs;

(d) Addresses protections from disclosure when there is a request from Congress for information and sets forth protections for treatment of data or information submitted by or relating to the GSEs by HUD officers, employees, and contractors; and

(e) Provides that data or information submitted by or relating to the GSEs that would constitute a clearly unwarranted invasion of personal privacy shall not be disclosed to the public.

§ 81.72 Public-use database and public information.

(a) *General.* Except as provided in paragraph (c) of this section, the Secretary shall establish and make available for public use, a public-use database containing public data as defined in § 81.2.

(b) *Examination of submissions.* Following receipt of mortgage data and AHAR information from the GSEs, the Secretary shall, as expeditiously as possible, examine the submissions for mortgage data and AHAR information that:

(1) Has been deemed to be proprietary information under this part by a temporary order, final order, or regulation in effect at the time of submission;

(2) Has been designated as proprietary information by the GSE in accordance with § 81.73;

(3) Would constitute a clearly unwarranted invasion of personal privacy if such data or information were released to the public; or

(4) Is required to be withheld or, in the determination of the Secretary, is not appropriate for public disclosure under other applicable laws and regulations, including the Trade Secrets Act (18 U.S.C. 1905) and Executive Order 12600.

(c) *Public data and proprietary data.* The Secretary shall place public data in the public-use database. The Secretary shall exclude from the public-use database and from public disclosure:

(1) All mortgage data and AHAR information within the scope of paragraphs (b)(1), (b)(3), and (b)(4) of this section;

(3) Mortgage data that is not year-end data.

(d) *Access.* The Secretary shall provide such means as the Secretary determines are reasonable for the public to gain access to the public-use database. To obtain access to the public-use database, the public should contact the Director, Office of Government-Sponsored Enterprises, Department of Housing and Urban Development, 451 Seventh Street, S.W., Washington, DC 20410, telephone (202) 708-2224 (this is not a toll-free number).

(e) *Fees.* The Secretary may charge reasonable fees to cover the cost of providing access to the public-use database. These fees will include the costs

§ 81.73

of system access, computer use, copying fees, and other costs.

§ 81.73 GSE request for proprietary treatment.

(a) *General.* A GSE may request proprietary treatment of any mortgage data or AHAR information that the GSE submits to the Secretary. Such a request does not affect the GSE's responsibility to provide data or information required by the Secretary. Where the Secretary grants a request for proprietary treatment, HUD will not include the data or information in the public-use database or publicly disclose the data or information, except as otherwise provided in accordance with this subpart.

(b) *Request for proprietary treatment of mortgage data and AHAR information.* Except as provided in paragraph (c) of this section, a GSE requesting proprietary treatment of mortgage data or AHAR information shall:

(1) Clearly designate those portions of the mortgage data or AHAR information to be treated as proprietary, with a prominent stamp, typed legend, or other suitable form of notice, stating "Proprietary Information—Confidential Treatment Requested by [name of GSE]" on each page or portion of page to which the request applies. If such marking is impractical, the GSE shall attach to the mortgage data or information for which confidential treatment is requested a cover sheet prominently marked "Proprietary Information—Confidential Treatment Requested by [name of GSE];"

(2) Accompany its request with a certification by an officer or authorized representative of the GSE that the mortgage data or information is proprietary; and

(3) Submit any additional statements in support of proprietary designation that the GSE chooses to provide.

(c) *Alternative procedure available for mortgage data or AHAR information subject to a temporary order, final order, or regulation in effect.* When the request for proprietary treatment pertains to mortgage data or AHAR information that has been deemed proprietary by the Secretary under a temporary order, final order, or regulation in effect, the GSE may reference such temporary

24 CFR Subtitle A (4–1–07 Edition)

order, final order, or regulation in lieu of complying with paragraphs (b)(2) and (3) of this section.

(d) *Nondisclosure during pendency.* Except as may otherwise be required by law, during the time any Request for Proprietary Treatment under § 81.73 is pending determination by the Secretary, the data or information submitted by the GSE that is the subject of the request shall not be disclosed to, or be subject to examination by, the public or any person or representative of any person or agency outside of HUD.

§ 81.74 Secretarial determination on GSE request.

(a) *General.* The Secretary shall review all Requests for Proprietary Treatment from the GSEs, along with any other information that the Secretary may elicit from other sources regarding the Request.

(b) *Factors for proprietary treatment.* Except as provided in paragraph (c) of this section, in making the determination of whether to accord proprietary treatment to mortgage data or AHAR information, the Secretary's considerations shall include, but are not limited to:

(1) The type of data or information involved and the nature of the adverse consequences to the GSE, financial or otherwise, that would result from disclosure, including any adverse effect on the GSE's competitive position;

(2) The existence and applicability of any prior determinations by HUD, any other Federal agency, or a court, concerning similar data or information;

(3) The measures taken by the GSE to protect the confidentiality of the mortgage data or AHAR information in question, and similar data or information, before and after its submission to the Secretary;

(4) The extent to which the mortgage data or AHAR information is publicly available including whether the data or information is available from other entities, from local government offices or records, including deeds, recorded mortgages, and similar documents, or from publicly available data bases;

(5) The difficulty that a competitor, including a seller/servicer, would face

in obtaining or compiling the mortgage data or AHAR information; and

(6) Such additional facts and legal and other authorities as the Secretary may consider appropriate, including the age of the mortgage data (see 24 CFR 81.75(b)(3)), or the extent to which particular mortgage data or AHAR information, when considered together with other information, could reveal proprietary information.

(c) *Alternative criterion for mortgage data or AHAR information subject to a temporary order, final order, or regulation in effect.* Where the request for proprietary treatment pertains to mortgage data or AHAR information that has been deemed proprietary by the Secretary under a temporary order, final order, or regulation in effect, the Secretary shall grant the request with respect to any mortgage data or AHAR information which comes within the order or regulation.

(d) *Determination of proprietary treatment.* The Secretary shall determine, as expeditiously as possible, whether mortgage data or AHAR information designated as proprietary by a GSE is proprietary information, or whether it is not proprietary and subject to inclusion in the public-use database and public release notwithstanding the GSE's request.

(e) *Action when according proprietary treatment to mortgage data and AHAR information.* (1) When the Secretary determines that mortgage data or AHAR information designated as proprietary by a GSE is proprietary, and the mortgage data or AHAR information is not subject to a temporary order, a final order, or a regulation in effect providing that the mortgage data or AHAR information is not subject to public disclosure, the Secretary shall notify the GSE that the request has been granted. In such cases, the Secretary shall issue either a temporary order, a final order, or a regulation providing that the mortgage data or information is not subject to public disclosure. Such a temporary order, final order, or regulation shall:

(i) Document the reasons for the determination; and

(ii) Be provided to the GSE, made available to members of the public, and published in the FEDERAL REGISTER,

except that any portions of such order or regulation that would reveal the proprietary information shall be withheld from public disclosure. Publications of temporary orders shall invite public comments when feasible.

(2) Where the Secretary determines that such mortgage data or information is proprietary, the Secretary shall not make it publicly available, except as otherwise provided in accordance with this subpart.

(f) *Determination not to accord proprietary treatment to mortgage data and AHAR information or to seek further information.* When the Secretary determines that such mortgage data or AHAR information designated as proprietary by a GSE may not be proprietary, that the request may be granted only in part, or that questions exist concerning the request, the following procedure shall apply:

(1) The Secretary shall provide the GSE with an opportunity for a meeting with HUD to discuss the matter, for the purpose of gaining additional information concerning the request.

(2) Following the meeting, based on the Secretary's review of the mortgage data or AHAR information that is the subject of a request and the GSE's objections, if any, to disclosure of such mortgage data or AHAR information, the Secretary shall make a determination:

(i) If the Secretary determines to withhold from the public-use database as proprietary the mortgage data or AHAR information that is the subject of a request, the procedures in paragraph (e) of this section shall apply; or

(ii) If the Secretary determines that any mortgage data or AHAR information that is the subject of a request is not proprietary, the Secretary shall provide notice in writing to the GSE of the reasons for this determination, and such notice shall provide that the Secretary shall not release the mortgage data or AHAR information to the public for 10 working days.

[60 FR 61888, Dec. 1, 1995, as amended at 70 FR 69031, Nov. 10, 2005]

§ 81.75 Proprietary information withheld by order or regulation.

(a) *Secretarial determination of proprietary classification.* Following a determination by the Secretary that mortgage data or AHAR information are proprietary information under FHEFSSA, the Secretary shall expeditiously issue a temporary order, final order, or regulation withholding the mortgage data or AHAR information from the public-use database and from public disclosure by HUD in accordance with 12 U.S.C. 4546. The Secretary may, from time to time, by regulation or order, issue a list providing that certain mortgage data or AHAR information shall be treated as proprietary information.

(b) *Modification of proprietary classification—(1) General.* The Secretary may, based upon a consideration of the factors in § 81.74(b), modify a previous determination that mortgage data or AHAR information are proprietary information (and may also make conforming changes to the list designating certain mortgage data or AHAR information as proprietary information) by regulation, or by order using the procedures described in paragraph (d) of this section, as applicable.

(2) *Release of data following a modification of proprietary classification.* Following the Secretary's determination under paragraph (b)(1) of this section to modify a previous proprietary determination by reclassifying certain mortgage data as non-proprietary, the Secretary shall release the reclassified, non-proprietary mortgage data to the public both prospectively and for all prior years' public use databases, unless otherwise provided by the Secretary.

(3) *Release of aged data.* The Secretary may determine, through case-by-case consideration of individual data elements under paragraph (b)(1) of this section, that certain mortgage data previously determined to be proprietary may lose their proprietary status if they are at least five years old (as measured from the end of the calendar year to which the mortgage data pertain). The Secretary will evaluate the age of the data as one of the relevant factors that may be considered under 24 CFR 81.74(b)(6). If the Secretary de-

termines that such aged mortgage data have lost their proprietary status, these data shall be released publicly.

(c) *Release of aggregated data derived from proprietary loan-level data.* The Secretary may, based upon a consideration of the factors in § 81.74(b) and using the procedures in paragraph (d) of this section, determine that certain aggregated data derived from proprietary loan-level mortgage data are not proprietary. If the Secretary makes such a determination, then the aggregated data shall be released to the public both prospectively and for all prior years, unless otherwise provided by the Secretary.

(d) *Procedures.* The following procedures apply to the Secretary's issuance of an order in connection with a determination under paragraph (b)(1) or (c) of this section:

(1) The Secretary shall provide each GSE with written notice of the mortgage data, AHAR information or aggregated data proposed to be released, and an opportunity to submit written comments. The Secretary may also provide each GSE with an opportunity for a meeting with HUD to discuss the proposed release of mortgage data, AHAR information, or aggregated data;

(2) The Secretary shall make a determination regarding the proposed release of the GSE mortgage data, AHAR information, or aggregated data based upon a consideration of the data or information under the standards set forth in 24 CFR 81.74(b) and the GSEs' written and oral objections, if any, to the proposed release of such mortgage data, AHAR information, or aggregated data;

(3) The Secretary shall provide notice in writing to each GSE of the Secretary's determination and the reasons under § 81.74(b) for his or her determination. If the Secretary determines that the mortgage data, AHAR information, or aggregated data may be released, the notice will also provide that the Secretary shall not release the mortgage data, AHAR information, or aggregated data to the public for 10 working days;

(4) The Secretary shall, no earlier than the end of the ten-working-day period referred to in paragraph (d)(3) of this section, publish an order in the

FEDERAL REGISTER notifying the public of the Secretary's determination to release the mortgage data or AHAR information that has been reclassified as non-proprietary and/or to release certain non-proprietary aggregations of data derived from proprietary loan-level mortgage data. The order will also modify the list described in paragraph (a) of this section to reflect the Secretary's reclassification of the mortgage data or AHAR information. The Secretary shall omit from the published order any information that would reveal proprietary information.

§ 81.76 FOIA requests and protection of GSE information.

(a) *General.* HUD shall process FOIA requests for information submitted to the Secretary by the GSEs in accordance with:

(1) HUD's FOIA and Privacy Act regulations, 24 CFR parts 15 and 16;

(2) 12 U.S.C. 4525, 4543, and 4546 and this subpart; and

(3) Other applicable statutes, regulations, and guidelines, including the Trade Secrets Act, 18 U.S.C. 1905, and Executive Order 12600. In responding to requests for data or information submitted by or relating to the GSEs, the Secretary may invoke provisions of these authorities to protect data or information from disclosure.

(b) *Protection of confidential business information other than mortgage data and AHAR information.* When a GSE seeks to protect from disclosure confidential business information, the GSE may seek protection of such confidential business information pursuant to the provisions of HUD's FOIA regulations at 24 CFR part 15, without regard to whether or not it is mortgage data or AHAR information.

(c) *Processing of FOIA requests—(1) FOIA Exemption (b)(4).* HUD will process FOIA requests for confidential business information of the GSEs to which FOIA exemption 4 may apply in accordance with 24 CFR part 15, and the predisclosure notification procedures of Executive Order 12,600.

(2) *FOIA Exemption (b)(8).* Under section 1319F of FHEFSSA, the Secretary may invoke FOIA exemption (b)(8) to withhold from the public any GSE data

or information contained in or related to examination, operating, or condition reports prepared by, on behalf of, or for the use of HUD. HUD may make data or information available for the confidential use of other government agencies in their official duties or functions, but all data or information remains the property of HUD and any unauthorized use or disclosure of such data or information may be subject to the penalties of 18 U.S.C. 641.

(3) *Other FOIA exemptions.* Under 24 CFR part 15, the Secretary may invoke other exemptions including, without limitation, exemption (b)(6) (5 U.S.C. 552(b)(6)), to protect data and information that would constitute a clearly unwarranted invasion of personal privacy.

(d) *Protection of information by HUD officers and employees.* The Secretary will institute all reasonable safeguards to protect data or information submitted by or relating to either GSE, including, but not limited to, advising all HUD officers and employees having access to data or information submitted by or relating to either GSE of the legal restrictions against unauthorized disclosure of such data or information under the executive branch-wide standards of ethical conduct, 5 CFR part 2635, and the Trade Secrets Act, 18 U.S.C. 1905. Officers and employees shall be advised of the penalties for unauthorized disclosure, ranging from disciplinary action under 5 CFR part 2635 to criminal prosecution.

(e) *Protection of information by contractors.* (1) In contracts and agreements entered into by HUD where contractors have access to data or information submitted by or relating to either GSE, HUD shall include detailed provisions specifying that:

(i) Neither the contractor nor any of its officers, employees, agents, or subcontractors may release data submitted by or relating to either GSE without HUD's authorization; and

(ii) Unauthorized disclosure may be a basis for:

(A) Terminating the contract for default;

(B) Suspending or debarring the contractor; and

(C) Criminal prosecution of the contractor, its officers, employees, agents,

§81.77

or subcontractors under the Federal Criminal Code.

(2) Contract provisions shall require safeguards against unauthorized disclosure, including training of contractor and subcontractor agents and employees, and provide that the contractor will indemnify and hold HUD harmless against unauthorized disclosure of data or information belonging to the GSEs or HUD.

[60 FR 61888, Dec. 1, 1995, as amended at 65 FR 65089, Oct. 31, 2000]

§81.77 Requests for GSE information on behalf of Congress, the Comptroller General, a subpoena, or other legal process.

(a) *General.* With respect to information submitted by or relating to the GSEs, nothing in this subpart F may be construed to grant authority to the Secretary under FHEFSSA to withhold any information from or to prohibit the disclosure of any information to the following persons or entities:

(1) Either House of Congress or, to the extent of matters within its jurisdiction, any committee or subcommittee thereof, or any joint committee of Congress or subcommittee of any such joint committee;

(2) The Comptroller General, or any of the Comptroller General's authorized representatives, in the course of the performance of the duties of the General Accounting Office;

(3) A court of competent jurisdiction pursuant to a subpoena; or

(4) As otherwise compelled by law.

(b) *Notice of proprietary or confidential nature of GSE information.* (1) In releasing data or information in response to a request as set out in paragraph (a) of this section, the Secretary will, where applicable, include a statement with the data or information to the effect that:

(i) The GSE regards the data or information as proprietary information and/or confidential business information;

(ii) Public disclosure of the data or information may cause competitive harm to the GSE; and

(iii) The Secretary has determined that the data or information is proprietary information and/or confidential business information.

24 CFR Subtitle A (4-1-07 Edition)

(2) To the extent practicable, the Secretary will provide notice to the GSE after a request from the persons or entities described in paragraphs (a)(1)-(4) of this section for proprietary information or confidential business information is received and before the data or information is provided in response to the request.

(c) *Procedures for requests pursuant to subpoena or other legal process.* The procedures in 24 CFR 15.71-15.74 shall be followed when a subpoena, order, or other demand of a court or other authority is issued for the production or disclosure of any GSE data or information that:

(1) Is contained in HUD's files;

(2) Relates to material contained in HUD's files; or

(3) Was acquired by any person while such person was an employee of HUD, as a part of the performance of the employee's official duties or because of the employee's official status.

(d) *Requests pursuant to subpoena or other legal process not served on HUD.* If an individual who is not a HUD employee or an entity other than HUD is served with a subpoena, order, or other demand of a court or authority for the production or disclosure of HUD data or information relating to a GSE and such data or information may not be disclosed to the public under this subpart or 24 CFR part 15, such individual or entity shall comply with 24 CFR 15.71-15.74 as if the individual or entity is a HUD employee, including immediately notifying HUD in accordance with the procedures set forth in 24 CFR 15.73(a).

(e) *Reservation of additional actions.* Nothing in this section precludes further action by the Secretary, in his or her discretion, to protect data or information submitted by a GSE from unwarranted disclosure in appropriate circumstances.

Subpart G—Procedures for Actions and Review of Actions

(v) The effective date of the order if the GSE does not contest the matter.

(2) *Administrative Law Judge.* A HUD Administrative Law Judge (ALJ) shall preside over any hearing conducted under this section. The hearing shall be conducted in accordance with § 81.84 and, to the extent the provisions are not inconsistent with any of the procedures in this part or FHEFSSA, with 24 CFR part 26, subpart B.

(3) *Issuance of order.* If the GSE consents to the issuance of the order or the ALJ finds, based on the hearing record, that a preponderance of the evi-

dence established the conduct specified in the notice of charges, the ALJ may issue and serve upon the GSE an order requiring the GSE to:

(i) Submit a housing plan that substantially complies with 12 U.S.C. 4566(c), as implemented by § 81.22;

(ii) Comply with a housing plan; or

§ 81.83 Civil money penalties.

(a) *Imposition.* The Secretary may impose a civil money penalty on a GSE that has failed:

§ 81.84

24 CFR Subtitle A (4-1-07 Edition)

(4) *Issuance of order.* If the GSE consents to the issuance of the order or the ALJ finds, on the hearing record, that a preponderance of the evidence establishes the conduct specified in the notice of charges, the ALJ may issue an order imposing a civil money penalty.

(5) *Consultation with the Director.* In the Secretary's discretion, the Director of OFHEO may be requested to review any Notice of Intent, determination, order, or interlocutory ruling arising from a hearing.

(e) *Action to collect penalty.* The Secretary may request the Attorney General of the United States to bring an action to collect the penalty, in accordance with 12 U.S.C. 4585(d). Interest on, and other charges for, any unpaid penalty may be assessed in accordance with 31 U.S.C. 3717.

[60 FR 61888, Dec. 1, 1995, as amended at 61 FR 50218, Sept. 24, 1996; 68 FR 12788, Mar. 17, 2003; 72 FR 5588, Feb. 6, 2007]

§ 81.84 Hearings.

(a) *Applicability.* The hearing procedures in this section apply to hearings

on the record to review cease-and-desist orders, civil money penalties, and new programs disapproved based upon a determination by the Secretary that such programs are not in the public interest, in accordance with 12 U.S.C. 4542(c)(4)(B).

(b) *Hearing requirements.* (1) Hearings shall be held in the District of Columbia.

(2) Hearings shall be conducted by a HUD ALJ authorized to conduct proceedings under 24 CFR part 26, subpart B.

(c) *Timing.* Unless an earlier or later date is requested by a GSE and the request is granted by the ALJ, a hearing shall be fixed for a date not earlier than 30 days, nor later than 60 days, after:

(1) Service of the notice of charges under § 81.82;

(2) Service of the Notice of Intent to Impose Civil Money Penalty(ies) under § 81.83; or

(3) Filing of a request for a hearing under § 81.54(b).

(d) *Procedure.* Hearings shall be conducted in accordance with the procedures set forth in 24 CFR part 26, subpart B to the extent that such provisions are not inconsistent with any of the procedures in this part or FHEFSSA.

(e) *Service*—(1) *To GSE.* Any service required or authorized to be made by the Secretary under this subpart G may be made to the Chief Executive Officer of a GSE or any other representative as the GSE may designate in writing to the Secretary.

(2) *How service may be made.* A serving party shall use one or more of the following methods of service:

(i) Personal service;

(ii) Delivering the papers to a reliable commercial courier service, overnight delivery service, or the U.S. Post Office for Express Mail Delivery; or

(iii) Issue subpoenas and subpoenas duces tecum; and

(iv) Revoke, quash, or modify subpoenas and subpoenas duces tecum issued under this paragraph (f).

(2) *Witnesses and documents.* The attendance of witnesses and the production of documents provided for in this section may be required from any place in any State. A witness may be required to appear, and a document may be required to be produced, at:

(i) The hearing; and

(ii) Any place that is designated for attendance at a deposition or production of a document under this section.

(3) *Enforcement.* In accordance with 12 U.S.C. 4588(c), the Secretary may request the Attorney General of the United States to enforce any subpoena or subpoena duces tecum issued pursuant to this section. If a subpoenaed person fails to comply with all or any portion of a subpoena issued pursuant to this paragraph (f), the subpoenaing party or any other aggrieved person may petition the Secretary to seek enforcement of the subpoena. A party's petition to the Secretary for enforcement of a subpoena in no way limits the sanctions that may be imposed by the ALJ on a party who fails to comply with a subpoena issued under this paragraph (f).

(4) *Fees and expenses.* Witnesses subpoenaed under this section shall be paid the same fees and mileage that are paid witnesses in the district courts of the United States and may seek reasonable expenses and attorneys fees in any court having jurisdiction of any proceeding instituted under this section. Such expenses and fees shall be paid by the GSE or from its assets.

(g) *Failure to appear.* If a GSE fails to appear at a hearing through a duly authorized representative, the GSE shall be deemed to have consented to the issuance of the cease-and-desist order, the imposition of the penalty, or the disapproval of the new program, whichever is applicable.

(h) *Public hearings.* (1) All hearings shall be open to the public, unless the ALJ determines that an open hearing

would be contrary to the public interest. Where a party makes a timely motion to close a hearing and the ALJ denies the motion, such party may file with the Secretary within 5 working days a request for a closed hearing, and any party may file a reply to such a request within 5 working days of service of such a motion. Such motions, requests, and replies are governed by § 26.38 of this title. When a request for a closed hearing has been filed with the Secretary under this paragraph (h)(1), the hearing shall be stayed until the Secretary has advised the parties and the ALJ, in writing, of the Secretary's decision on whether the hearing should be closed.

(2) Failure to file a timely motion, request or reply is deemed a waiver of any objection regarding whether the hearing will be public or closed. A party must file any motion for a closed hearing within 10 days after:

(i) Service of the notice of charges under § 81.82;

(ii) Service of the Notice of Intent to Impose Civil Money Penalties under § 81.83; or

(iii) Filing of a request for a hearing under § 81.54(b).

(i) *Decision of ALJ.* After each hearing, the ALJ shall issue an initial decision and serve the initial decision on the GSE, the Secretary, any other parties, and the HUD General Counsel. This service will constitute notification that the case has been submitted to the Secretary.

(j) *Review of initial decision*—(1) *Secretary's discretion.* The Secretary, in the Secretary's discretion, may review any initial decision.

(2) *Requested by a party.* Any party may file a notice of appeal of an initial decision to the Secretary in accordance with § 26.51(c) of this title. Any waiver of the limitations contained in § 26.51(f) of this title on the number of pages for notices of appeal and responses, of the time limitation in § 26.51(c) of this title for filing a notice of appeal of the initial decision, or any other waivers under this subpart shall not be subject to the publication requirements in 42 U.S.C. 3535(q).

§81.85

24 CFR Subtitle A (4-1-07 Edition)

(k) *Final decision.* (1) The initial decision will become the final decision unless the Secretary issues a final decision within 90 days after the initial decision is served on the Secretary.

(2) *Issuance of final decision by Secretary.* The Secretary may review any finding of fact, conclusion of law, or order contained in the initial decision of the ALJ and may issue a final decision in the proceeding. Any decision shall include findings of fact upon which the decision is predicated. The Secretary may affirm, modify, or set aside, in whole or in part, the initial decision or may remand the initial decision for further proceedings. The final decision shall be served on all parties and the ALJ.

(l) *Decisions on remand.* If the initial decision is remanded for further proceedings, the ALJ shall issue an initial decision on remand within 60 days of the date of issuance of the decision to remand, unless it is impractical to do so.

(m) *Modification.* The Secretary may modify, terminate, or set aside any order in accordance with 12 U.S.C. 4582(b)(2).

[60 FR 61888, Dec. 1, 1995, as amended at 61 FR 50219 Sept. 24, 1996]

§81.85 Public disclosure of final orders and agreements.

(a) *Disclosure.* Except as provided in paragraph (b) of this section, the Secretary shall make available to the public final orders; written agreements and statements; and modifications and terminations of those orders, agreements, and statements, as set forth in 12 U.S.C. 4586(a) and the implementing regulations in this subpart G. The retention of records of these orders, agreements, and statements, and their modifications and terminations, are governed by 12 U.S.C. 4586(e).

(b) *Exceptions to disclosure.* Exceptions to disclosure will be determined in accordance with 12 U.S.C. 4586 (c), (d), and (f) and paragraph (c) of this section.

(c) *Filing documents under seal—(1) Request by party.* Upon the denial by the ALJ of a motion for a protective order, any party may request the Secretary to file any document or part of a document under seal if the party believes

that disclosure of the document would be contrary to the public interest. Any other party may file with the Secretary a reply to such a request within 5 working days after a request is made or some other time to be determined by the Secretary. Such requests and replies are governed by §26.38 of this title.

(2) *Effect of request.* A document or part of a document that is the subject of a timely request to the Secretary to file under seal will not be disclosed under this section until the Secretary has advised the parties and the ALJ, in writing, of the Secretary's decision on whether the document or part of a document should be filed under seal. The ALJ shall take all appropriate steps to preserve the confidentiality of such documents or parts of documents, including closing portions of the hearing to the public.

(3) *Time of request.* Failure to file with the Secretary a timely request or a reply is deemed a waiver of any objection regarding the decision on whether a document is to be disclosed. A party must make its request to file a document under seal at least 10 days before the commencement of the hearing. A request may be filed at any other time before or during the course of the hearing, but the requesting party's obligation to produce the document or parts of the document will not be affected by the party's pending request to the Secretary, unless the Secretary expressly directs the ALJ to treat the document as protected from disclosure until the Secretary makes a final written decision on whether the document should be filed under seal. If the Secretary's direction to the ALJ is made orally, that direction must be reduced to writing and filed with the ALJ within 3 working days of the making of the oral order or the document will then be subject to disclosure pending the Secretary's final written decision on disclosure.

[60 FR 61888, Dec. 1, 1995, as amended at 61 FR 50219 Sept. 24, 1996]

§81.86 Enforcement and jurisdiction.

If a GSE fails to comply with a final decision, the Secretary may request the Attorney General of the United States to bring an action in the United

States District Court for the District of Columbia for the enforcement of the notice or order. Such request may be made:

(a) *For a cease-and-desist order:*

(1) Upon expiration of the 30-day period beginning on the service of the order on the GSE; or

(2) Upon the effective time specified in an order issued upon consent; and

(b) *For a civil money penalty*, when the order imposing the penalty is no longer subject to review under 12 U.S.C. 4582 and 4583 and the implementing regulations at §§ 81.84 and 81.87.

§ 81.87 Judicial review.

(a) *Commencement.* In a proceeding under 12 U.S.C. 4581 or 4585, as implemented by §§ 81.82 or 81.83, a GSE that is a party to the proceeding may obtain review of any final order issued under § 81.84 by filing in the United States Court of Appeals for the District of Columbia Circuit, within 30 days after the date of service of such order, a written petition praying that the order of the Secretary be modified, terminated, or set aside.

(b) *Filing of record.* Upon receiving a copy of a petition, the Chief Docket Clerk, Office of Administrative Law Judges, shall file in the court the record in the proceeding, as provided in 28 U.S.C. 2112.

(c) *No automatic stay.* The commencement of proceedings for judicial review under this section shall not, unless specifically ordered by the court, operate as a stay of any order issued by the Secretary.

Subpart H—Book-Entry Procedures

SOURCE: 61 FR 63948, Dec. 2, 1996, unless otherwise noted.

§ 81.91 Maintenance of GSE Securities.

A GSE Security may be maintained in the form of a Definitive GSE Security or a Book-entry GSE Security. A Book-entry GSE Security shall be maintained in the Book-entry System.

§ 81.92 Law governing rights and obligations of United States, Federal Reserve Banks, and GSEs; rights of any Person against United States, Federal Reserve Banks, and GSEs; Law governing other interests.

(a) Except as provided in paragraph (b) of this section, the following rights and obligations are governed solely by the book-entry regulations contained in this subpart H, the Securities Documentation, and Federal Reserve Bank Operating Circulars (but not including any choice of law provisions in the Security Documentation to the extent such provisions conflict with the Book-entry regulations contained in this subpart H):

(1) The rights and obligations of a GSE and the Federal Reserve Banks with respect to:

(i) A Book-entry GSE Security or Security Entitlement; and

(ii) The operation of the Book-entry System as it applies to GSE Securities; and

(2) The rights of any Person, including a Participant, against a GSE and the Federal Reserve Banks with respect to:

(i) A Book-entry GSE Security or Security Entitlement; and

(ii) The operation of the Book-entry System as it applies to GSE Securities;

(b) A security interest in a Security Entitlement that is in favor of a Federal Reserve Bank from a Participant and that is not recorded on the books of a Federal Reserve Bank pursuant to § 81.93(c)(1), is governed by the law (not including the conflict-of-law rules) of the jurisdiction where the head office of the Federal Reserve Bank maintaining the Participant's Securities Account is located. A security interest in a Security Entitlement that is in favor of a Federal Reserve Bank from a Person that is not a Participant, and that is not recorded on the books of a Federal Reserve Bank pursuant to § 81.93(c)(1), is governed by the law determined in the manner specified in paragraph (d) of this section.

(c) If the jurisdiction specified in the first sentence of paragraph (b) of this section is a State that has not adopted Revised Article 8, then the law specified in paragraph (b) of this section shall be the law of that State as

§ 81.93

though Revised Article 8 had been adopted by that State.

(d) To the extent not otherwise inconsistent with this subpart H, and notwithstanding any provision in the Security Documentation setting forth a choice of law, the provisions set forth in 31 CFR 357.11 regarding law governing other interests apply and shall be read as though modified to effectuate the application of 31 CFR 357.11 to the GSEs.

[61 FR 63948, Dec. 2, 1996, as amended at 62 FR 28977, May 29, 1997]

§ 81.93 Creation of Participant's Security Entitlement; security interests.

(a) A Participant's Security Entitlement is created when a Federal Reserve Bank indicates by book-entry that a Book-entry GSE Security has been credited to a Participant's Securities Account.

(b) A security interest in a Security Entitlement of a Participant in favor of the United States to secure deposits of public money, including without limitation deposits to the Treasury tax and loan accounts, or other security interest in favor of the United States that is required by Federal statute, regulation, or agreement, and that is marked on the books of a Federal Reserve Bank is thereby effected and perfected, and has priority over any other interest in the securities. Where a security interest in favor of the United States in a Security Entitlement of a Participant is marked on the books of a Federal Reserve Bank, such Reserve Bank may rely, and is protected in relying, exclusively on the order of an authorized representative of the United States directing the transfer of the security. For purposes of this paragraph, an "authorized representative of the United States" is the official designated in the applicable regulations or agreement to which a Federal Reserve Bank is a party, governing the security interest.

(c)(1) A GSE and the Federal Reserve Banks have no obligation to agree to act on behalf of any Person or to recognize the interest of any transferee of a security interest or other limited interest in favor of any Person except to the extent of any specific requirement of Federal law or regulation or to the

24 CFR Subtitle A (4-1-07 Edition)

extent set forth in any specific agreement with the Federal Reserve Bank on whose books the interest of the Participant is recorded. To the extent required by such law or regulation or set forth in an agreement with a Federal Reserve Bank, or the Federal Reserve Bank Operating Circular, a security interest in a Security Entitlement that is in favor of a Federal Reserve Bank, a GSE, or a Person may be created and perfected by a Federal Reserve Bank marking its books to record the security interest. Except as provided in paragraph (b) of this section, a security interest in a Security Entitlement marked on the books of a Federal Reserve Bank shall have priority over any other interest in the securities.

(2) In addition to the method provided in paragraph (c)(1) of this section, a security interest, including a security interest in favor of a Federal Reserve Bank, may be perfected by any method by which a security interest may be perfected under applicable law as described in § 81.92(b) or (d). The perfection, effect of perfection or non-perfection and priority of a security interest are governed by such applicable law. A security interest in favor of a Federal Reserve Bank shall be treated as a security interest in favor of a clearing corporation in all respects under such law, including with respect to the effect of perfection and priority of such security interest. A Federal Reserve Bank Operating Circular shall be treated as a rule adopted by a clearing corporation for such purposes.

[61 FR 63948, Dec. 2, 1996, as amended at 62 FR 28977, May 29, 1997]

§ 81.94 Obligations of GSEs; no adverse claims.

(a) Except in the case of a security interest in favor of the United States or a Federal Reserve Bank or otherwise as provided in § 81.93(c)(1), for the purposes of this subpart H, the GSE and the Federal Reserve Banks shall treat the Participant to whose Securities Account an interest in a Book-entry GSE Security has been credited as the person exclusively entitled to issue a Transfer Message, to receive interest and other payments with respect thereof and otherwise to exercise all the rights and powers with respect to such

Security, notwithstanding any information or notice to the contrary. Neither the Federal Reserve Banks nor a GSE is liable to a Person asserting or having an adverse claim to a Security Entitlement or to a Book-entry GSE Security in a Participant's Securities Account, including any such claim arising as a result of the transfer or disposition of a Book-entry GSE Security by a Federal Reserve Bank pursuant to a Transfer Message that the Federal Reserve Bank reasonably believes to be genuine.

(b) The obligation of the GSE to make payments (including payments of interest and principal) with respect to Book-entry GSE Securities is discharged at the time payment in the appropriate amount is made as follows:

(1) Interest or other payments on Book-entry GSE Securities is either credited by a Federal Reserve Bank to a Funds Account maintained at such Bank or otherwise paid as directed by the Participant.

(2) Book-entry GSE Securities are redeemed in accordance with their terms by a Federal Reserve Bank withdrawing the securities from the Participant's Securities Account in which they are maintained and by either crediting the amount of the redemption proceeds, including both redemption proceeds, where applicable, to a Funds Account at such Bank or otherwise paying such redemption proceeds as directed by the Participant. No action by the Participant ordinarily is required in connection with the redemption of a Book-entry GSE Security.

[61 FR 63948, Dec. 2, 1996, as amended at 62 FR 28977, May 28, 1997]

§ 81.95 Authority of Federal Reserve Banks.

(a) Each Federal Reserve Bank is hereby authorized as fiscal agent of the GSEs to perform the following functions with respect to the issuance of Book-entry GSE Securities offered and sold by a GSE to which this subpart H applies, in accordance with the Securities Documentation, Federal Reserve Bank Operating Circulars, this subpart H, and procedures established by the Secretary consistent with these authorities:

(1) To service and maintain Book-entry GSE Securities in accounts established for such purposes;

(2) To make payments with respect to such securities, as directed by the GSE;

(3) To effect transfer of Book-entry GSE Securities between Participants' Securities Accounts as directed by the Participants;

(4) To effect conversions between Book-entry GSE Securities and Definitive GSE Securities with respect to those securities as to which conversion rights are available pursuant to the applicable Securities Documentation; and

(5) To perform such other duties as fiscal agent as may be requested by the GSE.

(b) Each Federal Reserve Bank may issue Operating Circulars not inconsistent with this subpart H, governing the details of its handling of Book-entry GSE Securities, Security Entitlements, and the operation of the book-entry system under this subpart H.

§ 81.96 Withdrawal of Eligible Book-entry GSE Securities for conversion to definitive form.

(a) Eligible Book-entry GSE Securities may be withdrawn from the Book-entry System by requesting delivery of like Definitive GSE Securities.

(b) A Reserve bank shall, upon receipt of appropriate instructions to withdraw Eligible Book-entry GSE Securities from book-entry in the Book-entry System, convert such securities into Definitive GSE Securities and deliver them in accordance with such instructions. No such conversion shall affect existing interests in such GSE Securities.

(c) All requests for withdrawal of Eligible Book-entry GSE Securities must be made prior to the maturity or date of call of the securities.

(d) GSE Securities which are to be delivered upon withdrawal may be issued in either registered or bearer form, to the extent permitted by the applicable Securities Documentation.

§ 81.97

§ 81.97 Waiver of regulations.

The Secretary reserves the right in the Secretary's discretion, to waive any provision(s) of these regulations in any case or class of cases for the convenience of a GSE, the United States, or in order to relieve any person(s) of unnecessary hardship, if such action is not inconsistent with law, does not adversely affect any substantial existing rights, and the Secretary is satisfied that such action will not subject a GSE or the United States to any substantial expense or liability.

§ 81.98 Liability of GSEs and Federal Reserve Banks.

A GSE and the Federal Reserve Banks may rely on the information provided in a Transfer Message, and are not required to verify the information. A GSE and the Federal Reserve Banks shall not be liable for any action taken in accordance with the information set out in a Transfer Message, or evidence submitted in support thereof.

§ 81.99 Additional provisions.

(a) *Additional requirements.* In any case or any class of cases arising under these regulations, a GSE may require such additional evidence and a bond of indemnity, with or without surety, as may in the judgment of the GSE be necessary for the protection of the interests of the GSE.

(b) *Notice of attachment for GSE Securities in Book-entry system.* The interest of a debtor in a Security Entitlement may be reached by a creditor only by legal process upon the Securities Intermediary with whom the debtor's securities account is maintained, except where a Security Entitlement is maintained in the name of a secured party, in which case the debtor's interest may be reached by legal process upon the secured party. These regulations do not purport to establish whether a Federal Reserve Bank is required to honor an order or other notice of attachment in any particular case or class of cases.

24 CFR Subtitle A (4-1-07 Edition)

Subpart I—Other Provisions

§ 81.101 Equal employment opportunity.

Fannie Mae and Freddie Mac shall comply with sections 1 and 2 of Executive Order 11478 (3 CFR, 1966-1970 Compilation, p. 803), as amended by Executive Order 12106, (3 CFR, 1978, Compilation, p. 263), providing for the adoption and implementation of equal employment opportunity, as required by section 1216 of the Financial Institutions Reform, Recovery, and Enforcement Act of 1989 (12 U.S.C. 1833e).

§ 81.102 Verification and enforcement to ensure GSE data integrity.

(a) *Independent verification authority.* The Secretary may independently verify the accuracy and completeness of the data, information, and reports provided by each GSE, including conducting on-site verification, when such steps are reasonably related to determining whether a GSE is complying with 12 U.S.C. 4541-4589 and the GSE's Charter Act.

(b) *Certification.* (1) The senior officer of each GSE who is responsible for submitting to HUD the fourth quarter Annual Mortgage Report and the AHAR under sections 309(m) and (n) of the Fannie Mae Charter Act or sections 307(e) and (f) of the Freddie Mac Act, as applicable, or for submitting to the Secretary such other report(s), data, or information for which certification is requested in writing by the Secretary, shall certify such report(s), data or information.

(2) The certification shall state as follows: "To the best of my knowledge and belief, the information provided herein is true, correct and complete."

(3) If the Secretary determines that a GSE has failed to provide the certification required by paragraphs (b)(1) and (b)(2) of this section, or that a GSE has provided the certification required by paragraph (b) in connection with data, information or report(s) that the Secretary later determines are not true, correct and complete, the Secretary may pursue the enforcement remedies under paragraph (e) of this section. For data, information or report(s) subject to paragraphs (c) or (d)

of this section, the Secretary may pursue the enforcement remedies described in paragraph (e) only in connection with material errors, omissions or discrepancies as those terms are defined in § 81.102(c) or (d).

(c) *Verification procedure and adjustment to correct errors, omissions or discrepancies in AHAR data for the immediately preceding year.* (1) This paragraph (c) pertains to the GSEs' submission of year-end data. For purposes of this paragraph, "year-end data" means data that HUD receives from the GSEs related to housing goals performance in the immediately preceding year and covering data reported in the fourth quarter Annual Mortgage Report and the GSE's AHAR. An "error" means a technical mistake, such as a mistake in coding or calculating data. An "omission" means a GSE's failure to count units in the denominator. A "discrepancy" means any difference between HUD's analysis of data and the analysis contained in a GSE's submission of data, including a discrepancy in goal or Special Affordable subgoal performance.

(2) If HUD finds errors, omissions or discrepancies in a GSE's year-end data submissions relative to HUD's regulations, HUD will first notify the GSE by telephone or e-mail transmission of each such error, omission or discrepancy. The GSE must respond within five working days of each such notification. HUD may, in its discretion or upon a request by a GSE within the five working day period, extend the response period for up to an additional 20 working days. Information exchanges during the five working day period following initial notification, and any subsequent extensions of time that may be granted, may be by electronic mail. Any person with delegated authority from the Secretary, or the Director of HUD's Financial Institution Regulation Division, or his or her designee, shall be responsible for issuing initial notifications regarding errors, omissions, or discrepancies; making determinations on the adequacy of responses received; approving any extensions of time permitted under this provision; and managing the data verification process.

(3) If each error, omission or discrepancy is not resolved to HUD's satisfaction during the initial five working day period from notification, and any extension period, the Secretary will notify the GSE in writing and seek clarification or additional information to correct the error, omission or discrepancy. The GSE shall have 10 working days (or such longer period as the Secretary may establish, not to exceed 30 working days) from the date of the Secretary's written notice to respond in writing to the notice. If the GSE fails to submit a written response to the Secretary within this period, or if the Secretary determines that the GSE's written response fails to correct or otherwise resolve each error, omission or discrepancy in its reported year-end data to the Secretary's satisfaction, the Secretary will determine the appropriate adjustments to the numerator and the denominator of the applicable housing goal(s) and Special Affordable subgoal(s) due to the GSE's failure to provide the Secretary with accurate submissions of data.

(4) The Secretary, or his or her designee, shall inform a GSE in writing, at least five working days prior to HUD's release of its official performance figures to the public, of HUD's determination of official goals performance figures, including any adjustments. During the five working days prior to such public release, a GSE may request, in writing, a reconsideration of HUD's final determination of its performance and must provide the basis for requesting the reconsideration. If the request is granted, the Secretary will consider the GSE's request for reconsideration of its determination of goals performance and make a final determination regarding the GSE's performance, within 10 working days of the Secretary's granting of the GSE's written request for reconsideration.

(5) Should the Secretary determine that additional enforcement action against the GSE is warranted for material errors, omissions or discrepancies with regard to a housing goal or Special Affordable subgoal, it may pursue additional remedies under paragraph (e) of this section. An error, omission or discrepancy is material if it results in an overstatement of credit for a

housing goal or Special Affordable subgoal, and, without such overstatement, the GSE would have failed to meet such housing goal or Special Affordable subgoal for the immediately preceding year.

(d) *Adjustment to correct prior year reporting errors, omissions or discrepancies*—(1) *General*. The Secretary may require a GSE to correct a material error, omission or discrepancy in a GSE's prior year's data reported in the fourth quarter Annual Mortgage Report and the GSE's AHAR under sections 309(m) and (n) of the Fannie Mae Charter Act or sections 307(e) and (f) of the Freddie Mac Act, as applicable. An error, omission or discrepancy is material if it results in an overstatement of credit for a housing goal or Special Affordable subgoal and, without such overstatement, the GSE would have failed to meet such housing goal or Special Affordable subgoal for the prior year. A "prior year" for purposes of this section is any one of the two years immediately preceding the latest year for which data on housing goals performance was reported to HUD.

(2) *Procedural requirements*. In the event the Secretary determines that a GSE's prior year's fourth quarter Annual Mortgage Report or AHAR contain a material error, omission or discrepancy, the Secretary will provide the GSE with an initial letter containing written findings and determinations within 24 months of the end of the relevant GSE reporting year. The GSE shall have an opportunity, not to exceed 30 days from the date of receipt of the Secretary's initial letter, to respond in writing with supporting documentation, to contest the Secretary's initial determination that there was a material error, omission or discrepancy in a prior year's data. The Secretary shall then issue a final determination letter within 60 days of the date of HUD's receipt of the GSE's written response or, if no response is received, within 90 days of the date of the GSE's receipt of the Secretary's initial letter. The Secretary may extend the period for issuing a final determination letter by an additional 30 days and may grant the GSE an opportunity, for a period not to exceed 10 working days from the date of the

GSE's receipt of the determination letter to request that the determination be reconsidered.

(3) If the Secretary determines that a GSE's prior year's fourth quarter Annual Mortgage Report or AHAR contained a material error, omission or discrepancy, the Secretary may direct the GSE to correct the overstatement by purchasing mortgages to finance the number of units that HUD has determined were overstated in the prior year's goal performance (or, for the Special Affordable subgoal, the number or dollar amount, as applicable, of mortgage purchases that HUD has determined were overstated), or that equal the percentage of the overstatement in the prior year's goal or Special Affordable subgoal performance as applied to the most current year-end performance, whichever is less. Units or mortgages purchased to remedy an overstatement in the housing goals or the Special Affordable subgoal must be eligible to qualify under the same goal or Special Affordable subgoal that HUD has determined were overstated in the prior year.

(4) If a GSE does not purchase a sufficient amount or type of mortgages to meet the requirements set forth in paragraph (d)(3) of this section as directed by the Secretary by no later than the end of the calendar year immediately following the year in which the Secretary notifies the GSE of such overstatement (unless, upon written request from the GSE, the Secretary, in his or her discretion, determines that a grant of additional time is appropriate to correct or compensate for the overstatement) the Department may pursue any or all of the following remedies:

(i) Issue a notice that the GSE has failed a housing goal or Special Affordable subgoal in the prior year;

(ii) Seek additional enforcement remedies under paragraph (e) of this section;

(iii) Pursue any other civil or administrative remedies as are available to it.

(e) *Additional enforcement options*—(1) *General*. In the event the Secretary determines, either as a result of his or her independent verification authority

described in paragraph (a) of this section, or by the authority set forth in paragraphs (b), (c) or (d) of this section, that any of the following circumstances has occurred with respect to data, information or report(s) required by sections 309(m) or (n) of the Fannie Mae Charter Act, sections 307(e) or (f) of the Freddie Mac Act, or subpart E of this part, the Secretary may regard this as a GSE's failure to submit such data, information or report(s) and, accordingly, the Secretary may take the additional enforcement actions authorized by paragraph (e)(2) of this section:

(i) A GSE fails to submit the certification required by paragraphs (b)(1) and (b)(2) of this section in connection with such data, information or report(s); or

(ii) A GSE submits the certification required by paragraph (b) of this section, but the Secretary later determines that the data, information or report(s) are not true, correct and complete. For data, information or report(s) subject to paragraphs (c) or (d) of this section, the Secretary may pursue the additional enforcement remedies under paragraph (e)(2) only in connection with material errors, omissions or discrepancies, as those terms are defined in §81.102(c) or (d). In addition, the Secretary may only pursue such remedies in connection with material errors, omissions or discrepancies arising under paragraph (d) of this section if the GSE has failed to purchase a sufficient amount or type of mortgages, as provided in paragraphs (d)(3) and (d)(4) of this section.

(2) *Remedies.* (i) *Submissions required under the GSE's charter acts.* After the Secretary makes a determination under paragraph (e)(1) of this section that any of the circumstances described in paragraphs (e)(1)(i) or (ii) has occurred with respect to data, information, or report(s) required by sections 309(m) or (n) of the Fannie Mae Charter Act, or by sections 307(e) or (f) of the Freddie Mac Act, the Secretary may pursue any or all of the following remedies in accordance with paragraph (e)(3), or applicable law, as appropriate:

(A) A cease-and-desist order against the GSE for failing to submit the re-

quired data, information or report(s) in accordance with this section;

(B) Civil money penalties against the GSE for failing to submit the required data, information or report(s) in accordance with this section;

(C) Any other civil or administrative remedies or penalties against the GSE that may be available to the Secretary by virtue of the GSE's failing to submit or certify the required data, information or report(s) in accordance with this section.

(ii) *Submissions required under subpart E of this part.* After the Secretary makes a determination under paragraph (e)(1) of this section that any of the circumstances described in paragraphs (e)(1)(i) or (ii) has occurred with respect to data, information or report(s) required under subpart E of this part (but that are not required by sections 309(m) or (n) of the Fannie Mae Charter Act or by sections 307(e) or (f) of the Freddie Mac Act), the Secretary may pursue any civil or administrative remedies or penalties against the GSE that may be available to the Secretary. The Secretary shall pursue such remedies under applicable law.

(3) *Procedures.* The Secretary shall comply with the procedures set forth in subpart G of this part in connection with any enforcement action that he or she may initiate against a GSE under paragraph (e) of this section.

APPENDIX A TO PART 84—CONTRACT PROVISIONS

AUTHORITY: 42 U.S.C. 3535(d).

SOURCE: 59 FR 47011, Sept. 13, 1994, unless otherwise noted.

Subpart A—General

§ 84.1 Purpose.

This part establishes uniform administrative requirements for Federal grants and agreements awarded to institutions of higher education, hospitals, and other non-profit organizations. Additional or inconsistent requirements shall not be imposed, except as provided in §§84.4, and 84.14 or unless specifically required by Federal statute or executive order. Non-profit organizations that implement Federal programs for the States are also subject to State requirements.

§ 84.2 Definitions.

Accrued expenditures means the charges incurred by the recipient during a given period requiring the provision of funds for:

(1) Goods and other tangible property received;

(2) Services performed by employees, contractors, subrecipients, and other payees; and

(3) Other amounts becoming owed under programs for which no current services or performance is required.

Accrued income means the sum of:

(1) Earnings during a given period from:

(i) Services performed by the recipient; and

(ii) Goods and other tangible property delivered to purchasers; and

(2) Amounts becoming owed to the recipient for which no current services

or performance is required by the recipient.

Acquisition cost of equipment means the net invoice price of the equipment, including the cost of modifications, attachments, accessories, or auxiliary apparatus necessary to make the property usable for the purpose for which it was acquired. Other charges, such as the cost of installation, transportation, taxes, duty or protective in-transit insurance, shall be included or excluded from the unit acquisition cost in accordance with the recipient's regular accounting practices.

Advance means a payment made by Treasury check or other appropriate payment mechanism to a recipient upon its request either before outlays are made by the recipient or through the use of predetermined payment schedules.

Award means financial assistance that provides support or stimulation to accomplish a public purpose. Awards include grants and other agreements in the form of money or property in lieu of money, by HUD to an eligible recipient. The term does not include: technical assistance, which provides services instead of money; other assistance in the form of loans, loan guarantees, capital advances under the Sections 202 and 811 programs, interest subsidies, or insurance; direct payments of any kind to individuals; and, contracts which are required to be entered into and administered under procurement laws and regulations.

Cash contributions means the recipient's cash outlay, including the outlay of money contributed to the recipient by third parties.

Closeout means the process by which HUD determines that all applicable administrative actions and all required work of the award have been completed by the recipient and HUD.

Contract means a procurement contract under an award or subaward, and a procurement subcontract under a recipient's or subrecipient's contract.

Cost sharing or matching means that portion of project or program costs not borne by HUD.

Date of completion means the date on which all work under an award is completed or the date on the award document, or any supplement or amend-

ment thereto, on which HUD sponsorship ends.

Disallowed costs means those charges to an award that HUD determines to be unallowable, in accordance with the applicable Federal cost principles or other terms and conditions contained in the award.

Equipment means tangible nonexpendable personal property including exempt property charged directly to the award having a useful life of more than one year and an acquisition cost of \$5000 or more per unit. However, consistent with recipient policy, lower limits may be established.

Excess property means property under the control of HUD that, as determined by the Secretary, is no longer required for its needs or the discharge of its responsibilities.

Exempt property means tangible personal property acquired in whole or in part with Federal funds, where HUD has statutory authority to vest title in the recipient without further obligation to the Federal Government. An example of exempt property authority is contained in the Federal Grant and Cooperative Agreement Act (31 U.S.C. 6306), for property acquired under an award to conduct basic or applied research by a non-profit institution of higher education or non-profit organization whose principal purpose is conducting scientific research.

Federal awarding agency means the Federal agency that provides an award to the recipient.

Federal funds authorized means the total amount of Federal funds obligated by HUD for use by the recipient. This amount may include any authorized carryover of unobligated funds from prior funding periods when permitted by HUD regulations or implementing instructions.

Federal share of real property, equipment, or supplies means that percentage of the property's acquisition costs and any improvement expenditures paid with Federal funds.

Funding period means the period of time when Federal funding is available for obligation by the recipient.

Intangible property and debt instruments means, but is not limited to, trademarks, copyrights, patents and patent applications and such property

§ 84.2

24 CFR Subtitle A (4-1-07 Edition)

as loans, notes and other debt instruments, lease agreements, stock and other instruments of property ownership, whether considered tangible or intangible.

Obligations means the amounts of orders placed, contracts and grants awarded, services received and similar transactions during a given period that require payment by the recipient during the same or a future period.

Outlays or expenditures means charges made to the project or program. They may be reported on a cash or accrual basis. For reports prepared on a cash basis, outlays are the sum of cash disbursements for direct charges for goods and services, the amount of indirect expense charged, the value of third party in-kind contributions applied and the amount of cash advances and payments made to subrecipients. For reports prepared on an accrual basis, outlays are the sum of cash disbursements for direct charges for goods and services, the amount of indirect expense incurred, the value of in-kind contributions applied, and the net increase (or decrease) in the amounts owed by the recipient for goods and other property received, for services performed by employees, contractors, subrecipients and other payees and other amounts becoming owed under programs for which no current services or performance are required.

Personal property means property of any kind except real property. It may be tangible, having physical existence, or intangible, having no physical existence, such as copyrights, patents, or securities.

Prior approval means written approval by an authorized official evidencing prior consent.

Program income means gross income earned by the recipient that is directly generated by a supported activity or earned as a result of the award (see exclusions in §§ 84.24 (e) and (h)). Program income includes, but is not limited to, income from fees for services performed, the use or rental of real or personal property acquired under federally-funded projects, the sale of commodities or items fabricated under an award, license fees and royalties on patents and copyrights, and interest on loans made with award funds. Interest

earned on advances of Federal funds is not program income. Except as otherwise provided in HUD regulations or the terms and conditions of the award, program income does not include the receipt of principal on loans, rebates, credits, discounts, etc., or interest earned on any of them.

Project costs means all allowable costs, as set forth in the applicable Federal cost principles, incurred by a recipient and the value of the contributions made by third parties in accomplishing the objectives of the award during the project period.

Project period means the period established in the award document during which HUD sponsorship begins and ends.

Property means, unless otherwise stated, real property, equipment, intangible property and debt instruments.

Real property means land, including land improvements, structures and appurtenances thereto, but excludes movable machinery and equipment.

Recipient means an organization receiving financial assistance directly from HUD to carry out a project or program. The term includes public and private institutions of higher education, public and private hospitals, and other quasi-public and private non-profit organizations such as, but not limited to, community action agencies, research institutes, educational associations, and health centers. The term includes commercial organizations, international organizations when operating domestically (such as agencies of the United Nations) which are recipients, subrecipients, or contractors or subcontractors of recipients or subrecipients. The term does not include government-owned contractor-operated facilities or research centers providing continued support for mission-oriented, large-scale programs that are government-owned or controlled, or are designated as federally-funded research and development centers. The term does not include mortgagors that receive mortgages insured or held by HUD or mortgagors or project owners that receive capital advances from HUD under the Section 202 and 811 programs.

Research and development means all research activities, both basic and applied, and all development activities that are supported at universities, colleges, and other non-profit institutions. "Research" is defined as a systematic study directed toward fuller scientific knowledge or understanding of the subject studied. "Development" is the systematic use of knowledge and understanding gained from research directed toward the production of useful materials, devices, systems, or methods, including design and development of prototypes and processes. The term research also includes activities involving the training of individuals in research techniques where such activities utilize the same facilities as other research and development activities and where such activities are not included in the instruction function.

Small awards means a grant or cooperative agreement not exceeding \$100,000 or the small purchase threshold fixed at 41 U.S.C. 403(11), whichever is greater.

Subaward means:

(1) An award of financial assistance in the form of money, or property in lieu of money, made under an award by a recipient to an eligible subrecipient or by a subrecipient to a lower tier subrecipient. The term includes financial assistance when provided by any legal agreement, even if the agreement is called a contract, but does not include procurement of goods and services nor does it include any form of assistance which is excluded from the definition of "award".

(2) For Community Development Block Grants, the term "subaward" does not include the arrangement whereby the prime recipient transfers funds to another entity and that entity is the project. A distinction is made between such a transfer for the furtherance of the prime recipient's goals and the transfer of funds to a subrecipient who carries out activities and is accountable to the prime recipient. For example, in a CDBG award where a prime recipient has as its program goal the revitalization of a downtown area, the funds transferred to a business in the downtown area to remodel its store would not be considered a subaward subject to this part 84.

Subrecipient means the legal entity to which a subaward is made and which is accountable to the recipient for the use of the funds provided. The term includes commercial organizations and international organizations operating domestically (such as agencies of the United Nations).

Supplies means all personal property excluding equipment, intangible property, and debt instruments as defined in this section, and inventions of a contractor conceived or first actually reduced to practice in the performance of work under a funding agreement ("subject inventions"), as defined in 37 CFR part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts, and Cooperative Agreements."

Suspension means an action by HUD that temporarily withdraws HUD sponsorship under an award, pending corrective action by the recipient or pending a decision to terminate the award by HUD. Suspension of an award is a separate action from suspension under HUD regulations implementing E.O. 12549 and E.O. 12689, "Debarment and Suspension," at 24 CFR part 24.

Termination means the cancellation of HUD sponsorship, in whole or in part, under an agreement at any time prior to the date of completion.

Third party in-kind contributions means the value of non-cash contributions provided by non-Federal third parties. Third party in-kind contributions may be in the form of real property, equipment, supplies and other expendable property, and the value of goods and services directly benefiting and specifically identifiable to the project or program.

Unliquidated obligations, for financial reports prepared on a cash basis, means the amount of obligations incurred by the recipient that have not been paid. For reports prepared on an accrued expenditure basis, they represent the amount of obligations incurred by the recipient for which an outlay has not been recorded.

Unobligated balance means the portion of the funds authorized by HUD that has not been obligated by the recipient and is determined by deducting

§ 84.3

the cumulative obligations from the cumulative funds authorized.

Unrecovered indirect cost means the difference between the amount awarded and the amount which could have been awarded under the recipient's approved negotiated indirect cost rate.

Working capital advance means a procedure whereby funds are advanced to the recipient to cover its estimated disbursement needs for a given initial period.

§ 84.3 Effect on other issuances.

For awards subject to this part, all administrative requirements of codified program regulations, program manuals, handbooks and other non-regulatory materials which are inconsistent with the requirements of this part shall be superseded, except to the extent they are required by statute, or authorized in accordance with the deviations provision in § 84.4.

§ 84.4 Deviations.

The Office of Management and Budget (OMB) may grant exceptions for classes of grants or recipients subject to the requirements of this rule when exceptions are not prohibited by statute. However, in the interest of maximum uniformity, exceptions from the requirements of this rule shall be permitted only in unusual circumstances. HUD may apply more restrictive requirements to a class of recipients when approved by OMB. HUD may apply less restrictive requirements when awarding small awards and when approved by OMB, except for those requirements which are statutory. Exceptions on a case-by-case basis may also be made by HUD.

§ 84.5 Subawards.

Unless sections of this part specifically exclude subrecipients from coverage, the provisions of this part shall be applied to subrecipients performing work under awards if such subrecipients are institutions of higher education, hospitals, commercial organizations and international organizations operating domestically, or other non-profit organizations. State, local and Federally recognized Indian tribal government subrecipients are subject to the provisions of regulations imple-

24 CFR Subtitle A (4-1-07 Edition)

menting the grants management common rule, "Administrative Requirements for Grants and Cooperative Agreements to State, Local and Federally Recognized Indian Tribal Governments," (24 CFR part 85).

Subpart B—Pre-Award Requirements

§ 84.10 Purpose.

Sections 84.11 through 84.17 prescribe forms and instructions and other pre-award matters to be used in applying for HUD awards.

§ 84.11 Pre-award policies.

(a) *Use of Grants and Cooperative Agreements, and Contracts.* In each instance, HUD shall decide on the appropriate award instrument (i.e., grant, cooperative agreement, or contract). The Federal Grant and Cooperative Agreement Act (31 U.S.C. 6301-08) governs the use of grants, cooperative agreements and contracts. A grant or cooperative agreement shall be used only when the principal purpose of a transaction is to accomplish a public purpose of support or stimulation authorized by Federal statute. The statutory criterion for choosing between grants and cooperative agreements is that for the latter, "substantial involvement is expected between the executive agency and the State, local government, or other recipient when carrying out the activity contemplated in the agreement." Contracts shall be used when the principal purpose is acquisition of property or services for the direct benefit or use of the Federal Government.

(b) *Public Notice and Priority Setting.* HUD shall notify the public of its intended funding priorities for discretionary grant programs, unless funding priorities are established by Federal statute.

§ 84.12 Forms for applying for Federal assistance.

(a) HUD shall comply with the applicable report clearance requirements of 5 CFR part 1320, "Controlling Paperwork Burdens on the Public," with regard to all forms used by HUD in place of or as a supplement to the Standard Form 424 (SF-424) series.

Office of the Secretary, HUD

§ 84.17

(b) Applicants shall use the SF-424 series or those forms and instructions prescribed by HUD.

(c) For Federal programs covered by E.O. 12372, "Intergovernmental Review of Federal Programs," the applicant shall complete the appropriate sections of the SF-424 (Application for Federal Assistance) indicating whether the application was subject to review by the State Single Point of Contact (SPOC). The name and address of the SPOC for a particular State can be obtained from the *Catalog of Federal Domestic Assistance*. The SPOC shall advise the applicant whether the program for which application is made has been selected by that State for review.

§ 84.13 Debarment and suspension; Drug-Free Workplace.

(a) HUD and its recipients and sub-recipients shall comply with the non-procurement debarment and suspension common rule implementing E.O.s 12549 and 12689, "Debarment and Suspension," at 24 CFR part 24. This common rule restricts subawards and contracts with certain parties that are debarred, suspended or otherwise excluded from or ineligible for participation in Federal assistance programs or activities.

(b) HUD and its recipients and sub-recipients shall comply with the certification requirements of the Drug-Free Workplace Act of 1988 (42 U.S.C. 701), as set forth at 24 CFR part 24, subpart F.

§ 84.14 Special award conditions.

If an applicant or recipient:

(a) Has a history of poor performance;

(b) Is not financially stable;

(c) Has a management system that does not meet the standards prescribed in this part;

(d) Has not conformed to the terms and conditions of a previous award; or

(e) Is not otherwise responsible, HUD may impose additional requirements as needed, provided that such applicant or recipient is notified in writing as to: the nature of the additional requirements, the reason why the additional requirements are being imposed, the nature of the corrective action needed, the time allowed for completing the corrective actions, and the method for

requesting reconsideration of the additional requirements imposed. Any special conditions shall be promptly removed once the conditions that prompted them have been corrected.

§ 84.15 Metric system of measurement.

The Metric Conversion Act, as amended by the Omnibus Trade and Competitiveness Act (15 U.S.C. 205) declares that the metric system is the preferred measurement system for U.S. trade and commerce. The Act requires each Federal agency to establish a date or dates in consultation with the Secretary of Commerce, when the metric system of measurement will be used in the agency's procurements, grants, and other business-related activities. Metric implementation may take longer where the use of the system is initially impractical or likely to cause significant inefficiencies in the accomplishment of federally-funded activities. HUD shall follow the provisions of E.O. 12770, "Metric Usage in Federal Government Programs."

§ 84.16 Resource Conservation and Recovery Act.

Under the Resource Conservation and Recovery Act (RCRA) (Pub. L. 94-580, 42 U.S.C. 6962), any State agency or agency of a political subdivision of a State which is using appropriated Federal funds must comply with Section 6002. Section 6002 requires that preference be given in procurement programs to the purchase of specific products containing recycled materials identified in guidelines developed by the Environmental Protection Agency (EPA) (40 CFR parts 247 through 254). Accordingly, State and local institutions of higher education, hospitals, commercial organizations and international organizations when operating domestically, and non-profit organizations that receive direct Federal awards or other Federal funds shall give preference in their procurement programs funded with Federal funds to the purchase of recycled products pursuant to the EPA guidelines.

§ 84.17 Certifications and representations.

Unless prohibited by statute or codified regulation, HUD is authorized and

§ 84.20

encouraged to allow recipients to submit certifications and representations required by statute, executive order, or regulation on an annual basis, if the recipients have ongoing and continuing relationships with the agency. Annual certifications and representations shall be signed by responsible officials with the authority to ensure recipients' compliance with the pertinent requirements.

Subpart C—Post-Award Requirements

FINANCIAL AND PROGRAM MANAGEMENT

§ 84.20 Purpose of financial and program management.

Sections 84.21 through 84.28 prescribe standards for financial management systems, methods for making payments and rules for: satisfying cost sharing and matching requirements, accounting for program income, budget revision approvals, making audits, determining allowability of cost, and establishing fund availability.

§ 84.21 Standards for financial management systems.

(a) HUD shall require recipients to relate financial data to performance data and develop unit cost information whenever practical.

(b) Recipients' financial management systems shall provide for the following:

(1) Accurate, current and complete disclosure of the financial results of each federally-sponsored project or program in accordance with the reporting requirements set forth in § 84.52. If a recipient maintains its records on other than an accrual basis, the recipient shall not be required to establish an accrual accounting system. These recipients may develop such accrual data for their reports on the basis of an analysis of the documentation on hand.

(2) Records that identify adequately the source and application of funds for federally-sponsored activities. These records shall contain information pertaining to Federal awards, authorizations, obligations, unobligated balances, assets, outlays, income and interest.

(3) Effective control over and accountability for all funds, property and

24 CFR Subtitle A (4-1-07 Edition)

other assets. Recipients shall adequately safeguard all such assets and assure they are used solely for authorized purposes.

(4) Comparison of outlays with budget amounts for each award. Whenever appropriate, financial information should be related to performance and unit cost data.

(5) Written procedures to minimize the time elapsing between the transfer of funds to the recipient from the U.S. Treasury and the issuance or redemption of checks, warrants or payments by other means for program purposes by the recipient. To the extent that the provisions of the Cash Management Improvement Act (CMIA) (Pub. L. 101-453) govern, payment methods of State agencies, instrumentalities, and fiscal agents shall be consistent with CMIA Treasury-State Agreements or the CMIA default procedures codified at 31 CFR part 205, "Withdrawal of Cash from the Treasury for Advances under Federal Grant and Other Programs."

(6) Written procedures for determining the reasonableness, allocability and allowability of costs in accordance with the provisions of the applicable Federal cost principles and the terms and conditions of the award.

(7) Accounting records including cost accounting records that are supported by source documentation.

(c) Where the Federal Government guarantees or insures the repayment of money borrowed by the recipient, HUD, at its discretion, may require adequate bonding and insurance if the bonding and insurance requirements of the recipient are not deemed adequate to protect the interest of the Federal Government.

(d) HUD may require adequate fidelity bond coverage where the recipient lacks sufficient coverage to protect the Federal Government's interest.

(e) Where bonds are required in the situations described above, the bonds shall be obtained from companies holding certificates of authority as acceptable sureties, as prescribed in 31 CFR part 223, "Surety Companies Doing Business with the United States."

§ 84.22 Payment.

(a) Payment methods shall minimize the time elapsing between the transfer

of funds from the United States Treasury and the issuance or redemption of checks, warrants, or payment by other means by the recipients. Payment methods of State agencies or instrumentalities shall be consistent with Treasury-State CMIA agreements or default procedures codified at 31 CFR part 205.

(b) Recipients are to be paid in advance, provided they maintain or demonstrate the willingness to maintain:

(1) Written procedures that minimize the time elapsing between the transfer of funds and disbursement by the recipient; and

(2) Financial management systems that meet the standards for fund control and accountability as established in § 84.21. Cash advances to a recipient organization shall be limited to the minimum amounts needed and be timed to be in accordance with the actual, immediate cash requirements of the recipient organization in carrying out the purpose of the approved program or project. The timing and amount of cash advances shall be as close as is administratively feasible to the actual disbursements by the recipient organization for direct program or project costs and the proportionate share of any allowable indirect costs.

(c) Whenever possible, advances shall be consolidated to cover anticipated cash needs for all awards made by HUD to the recipient.

(1) Advance payment mechanisms include, but are not limited to, Treasury check and electronic funds transfer.

(2) Advance payment mechanisms are subject to 31 CFR part 205.

(3) Recipients shall be authorized to submit requests for advances and reimbursements at least monthly when electronic fund transfers are not used.

(d) Requests for Treasury check advance payment shall be submitted on SF-270, "Request for Advance or Reimbursement," or other forms as may be authorized by OMB. This form is not to be used when Treasury check advance payments are made to the recipient automatically through the use of a predetermined payment schedule or if precluded by special HUD instructions for electronic funds transfer.

(e) Reimbursement is the preferred method when the requirements in para-

graph (b) of this section cannot be met. HUD may also use this method on any construction agreement, or if the major portion of the construction project is accomplished through private market financing or Federal loans, and the Federal assistance constitutes a minor portion of the project.

(1) When the reimbursement method is used, HUD shall make payment within 30 days after receipt of the billing, unless the billing is improper.

(2) Recipients shall be authorized to submit request for reimbursement at least monthly when electronic funds transfers are not used.

(f) If a recipient cannot meet the criteria for advance payments and HUD has determined that reimbursement is not feasible because the recipient lacks sufficient working capital, HUD may provide cash on a working capital advance basis. Under this procedure, HUD shall advance cash to the recipient to cover its estimated disbursement needs for an initial period generally geared to the awardee's disbursing cycle. Thereafter, HUD shall reimburse the recipient for its actual cash disbursements. The working capital advance method of payment shall not be used for recipients unwilling or unable to provide timely advances to their subrecipient to meet the subrecipient's actual cash disbursements.

(g) To the extent available, recipients shall disburse funds available from repayments to and interest earned on a revolving fund, program income, rebates, refunds, contract settlements, audit recoveries and interest earned on such funds before requesting additional cash payments.

(h) Unless otherwise required by statute, HUD shall not withhold payments for proper charges made by recipients at any time during the project period unless paragraphs (h)(1) or (h)(2) of this section apply.

(1) A recipient has failed to comply with the project objectives, the terms and conditions of the award, or Federal reporting requirements.

(2) The recipient or subrecipient is delinquent in a debt to the United States as defined in OMB Circular A-129, "Managing Federal Credit Programs." Under such conditions, HUD may, upon reasonable notice, inform

§ 84.23

the recipient that payments shall not be made for obligations incurred after a specified date until the conditions are corrected or the indebtedness to the Federal Government is liquidated.

(i) Standards governing the use of banks and other institutions as depositories of funds advanced under awards are as follows.

(1) Except for situations described in paragraph (i)(2) of this section, HUD shall not require separate depository accounts for funds provided to a recipient or establish any eligibility requirements for depositories for funds provided to a recipient. However, recipients must be able to account for the receipt, obligation and expenditure of funds.

(2) Advances of Federal funds shall be deposited and maintained in insured accounts whenever possible.

(j) Consistent with the national goal of expanding the opportunities for women-owned and minority-owned business enterprises, recipients shall be encouraged to use women-owned and minority-owned banks (a bank which is owned at least 50 percent by women or minority group members).

(k) Recipients shall maintain advances of Federal funds in interest bearing accounts, unless paragraphs (k)(1), (k)(2), or (k)(3) of this section apply.

(1) The recipient receives less than \$120,000 in Federal awards per year.

(2) The best reasonably available interest bearing account would not be expected to earn interest in excess of \$250 per year on Federal cash balances.

(3) The depository would require an average or minimum balance so high that it would not be feasible within the expected Federal and non-Federal cash resources.

(l) For those entities where CMIA and its implementing regulations do not apply, interest earned on Federal advances deposited in interest bearing accounts shall be remitted annually to Department of Health and Human Services, Payment Management System, P.O. Box 6021, Rockville, MD 20852. In keeping with Electronic Funds Transfer rules (31 CFR part 206), interest should be remitted to the HHS Payment Management System through an electronic medium such as the

24 CFR Subtitle A (4-1-07 Edition)

FEDWIRE Deposit system. Recipients which do not have this capability should use a check. Interest amounts up to \$250 per year may be retained by the recipient for administrative expense. State universities and hospitals shall comply with CMIA, as it pertains to interest. If an entity subject to CMIA uses its own funds to pay pre-award costs for discretionary awards without prior written approval from the Federal awarding agency, it waives its right to recover the interest under CMIA.

(m) Except as noted elsewhere in this rule, only the following forms shall be authorized for the recipients in requesting advances and reimbursements. Federal agencies shall not require more than an original and two copies of these forms.

(1) *SF-270, Request for Advance or Reimbursement.* HUD has adopted the SF-270 as a standard form for all non-construction programs when electronic funds transfer or predetermined advance methods are not used. HUD has the option of using this form for construction programs in lieu of the SF-271, "Outlay Report and Request for Reimbursement for Construction Programs."

(2) *SF-271, Outlay Report and Request for Reimbursement for Construction Programs.* HUD has adopted the SF-271 as the standard form to be used for requesting reimbursement for construction programs. However, HUD may substitute the SF-270 when HUD determines that it provides adequate information to meet Federal needs.

§ 84.23 Cost sharing or matching.

(a) All contributions, including cash and third party in-kind, shall be accepted as part of the recipient's cost sharing or matching when such contributions meet all of the following criteria.

(1) Are verifiable from the recipient's records.

(2) Are not included as contributions for any other federally-assisted project or program.

(3) Are necessary and reasonable for proper and efficient accomplishment of project or program objectives.

(4) Are allowable under the applicable cost principles.

(5) Are not paid by the Federal Government under another award, except where authorized by Federal statute to be used for cost sharing or matching.

(6) Are provided for in the approved budget when required by HUD.

(7) Conform to other provisions of this part, as applicable.

(b) Unrecovered indirect costs may be included as part of cost sharing or matching only with the prior approval of HUD.

(c) Values for recipient contributions of services and property shall be established in accordance with the applicable cost principles. If HUD authorizes recipients to donate buildings or land for construction/facilities acquisition projects or long-term use, the value of the donated property for cost sharing or matching shall be the lesser of paragraphs (c)(1) or (c)(2) of this section.

(1) The certified value of the remaining life of the property recorded in the recipient's accounting records at the time of donation.

(2) *The current fair market value.* However, when there is sufficient justification, HUD may approve the use of the current fair market value of the donated property, even if it exceeds the certified value at the time of donation to the project.

(d) Volunteer services furnished by professional and technical personnel, consultants, and other skilled and unskilled labor may be counted as cost sharing or matching if the service is an integral and necessary part of an approved project or program. Rates for volunteer services shall be consistent with those paid for similar work in the recipient's organization. In those instances in which the required skills are not found in the recipient organization, rates shall be consistent with those paid for similar work in the labor market in which the recipient competes for the kind of services involved. In either case, paid fringe benefits that are reasonable, allowable, and allocable may be included in the valuation.

(e) When an employer other than the recipient furnishes the services of an employee, these services shall be valued at the employee's regular rate of pay (plus an amount of fringe benefits that are reasonable, allowable, and allocable, but exclusive of overhead

costs), provided these services are in the same skill for which the employee is normally paid.

(f) Donated supplies may include such items as expendable equipment, office supplies, laboratory supplies or workshop and classroom supplies. Value assessed to donated supplies included in the cost sharing or matching share shall be reasonable and shall not exceed the fair market value of the property at the time of the donation.

(g) The method used for determining cost sharing or matching for donated equipment, buildings and land for which title passes to the recipient may differ according to the purpose of the award, if paragraphs (g)(1) or (g)(2) of this section apply.

(1) If the purpose of the award is to assist the recipient in the acquisition of equipment, buildings or land, the total value of the donated property may be claimed as cost sharing or matching.

(2) If the purpose of the award is to support activities that require the use of equipment, buildings or land, normally only depreciation or use charges for equipment and buildings may be made. However, the full value of equipment or other capital assets and fair rental charges for land may be allowed, provided that HUD has approved the charges.

(h) The value of donated property shall be determined in accordance with the usual accounting policies of the recipient, with the following qualifications.

(1) The value of donated land and buildings shall not exceed its fair market value at the time of donation to the recipient as established by an independent appraiser (e.g., certified real property appraiser or General Services Administration representative) and certified by a responsible official of the recipient.

(2) The value of donated equipment shall not exceed the fair market value of equipment of the same age and condition at the time of donation.

(3) The value of donated space shall not exceed the fair rental value of comparable space as established by an independent appraisal of comparable space and facilities in a privately-owned building in the same locality.

§ 84.24

(4) The value of loaned equipment shall not exceed its fair rental value.

(5) The following requirements pertain to the recipient's supporting records for in-kind contributions from third parties.

(i) Volunteer services shall be documented and, to the extent feasible, supported by the same methods used by the recipient for its own employees.

(ii) The basis for determining the valuation for personal service, material, equipment, buildings and land shall be documented.

§ 84.24 Program income.

(a) HUD shall apply the standards set forth in this section in requiring recipient organizations to account for program income related to projects financed in whole or in part with Federal funds.

(b) Except as provided in paragraph (h) of this section, program income earned during the project period shall be retained by the recipient and, in accordance with HUD regulations or the terms and conditions of the award, shall be used in one or more of the ways listed in the following.

(1) Added to funds committed to the project by HUD and recipient and used to further eligible project or program objectives.

(2) Used to finance the non-Federal share of the project or program.

(3) Deducted from the total project or program allowable cost in determining the net allowable costs on which the Federal share of costs is based.

(c) When HUD authorizes the disposition of program income as described in paragraphs (b)(1) or (b)(2) of this section, program income in excess of any limits stipulated shall be used in accordance with paragraph (b)(3) of this section.

(d) In the event that HUD does not specify in its regulations or the terms and conditions of the award how program income is to be used, paragraph (b)(3) of this section shall apply automatically to all projects or programs except research. For awards that support research, paragraph (b)(1) of this section shall apply automatically unless HUD indicates in the terms and conditions another alternative on the award or the recipient is subject to spe-

24 CFR Subtitle A (4-1-07 Edition)

cial award conditions, as indicated in § 84.14.

(e) Unless HUD regulations or the terms and conditions of the award provide otherwise, recipients shall have no obligation to the Federal Government regarding program income earned after the end of the project period.

(f) If authorized by HUD regulations or the terms and conditions of the award, costs incident to the generation of program income may be deducted from gross income to determine program income, provided these costs have not been charged to the award.

(g) Proceeds from the sale of property shall be handled in accordance with the requirements of the Property Standards (See §§ 84.30 through 84.37).

(h) Unless HUD regulations or the terms and condition of the award provide otherwise, recipients shall have no obligation to the Federal Government with respect to program income earned from license fees and royalties for copyrighted material, patents, patent applications, trademarks, and inventions produced under an award. However, Patent and Trademark Amendments (35 U.S.C. 18) apply to inventions made under an experimental, developmental, or research award.

§ 84.25 Revision of budget and program plans.

(a) The budget plan is the financial expression of the project or program as approved during the award process. It may include either the Federal and non-Federal share, or only the Federal share, depending upon HUD requirements. It shall be related to performance for program evaluation purposes whenever appropriate.

(b) Recipients are required to report deviations from budget and program plans, and request prior approvals for budget and program plan revisions, in accordance with this section.

(c) For nonconstruction awards, recipients shall request prior approvals from HUD for one or more of the following program or budget related reasons.

(1) Change in the scope or the objective of the project or program (even if there is no associated budget revision requiring prior written approval).

(2) Change in a key person specified in the application or award document.

(3) The absence for more than three months, or a 25 percent reduction in time devoted to the project, by the approved project director or principal investigator.

(4) The need for additional Federal funding.

(5) The transfer of amounts budgeted for indirect costs to absorb increases in direct costs, or vice versa, if approval is required by HUD.

(6) The inclusion, unless waived by HUD, of costs that require prior approval in accordance with OMB Circular A-21, "Cost Principles for Institutions of Higher Education," OMB Circular A-122, "Cost Principles for Non-Profit Organizations," or 45 CFR part 74 Appendix E, "Principles for Determining Costs Applicable to Research and Development under Grants and Contracts with Hospitals," or 48 CFR part 31, "Contract Cost Principles and Procedures," as applicable.

(7) The transfer of funds allotted for training allowances (direct payment to trainees) to other categories of expense.

(8) Unless described in the application and funded in the approved awards, the subaward, transfer or contracting out of any work under an award. This provision does not apply to the purchase of supplies, material, equipment or general support services.

(d) No other prior approval requirements for specific items may be imposed unless a deviation has been approved by OMB.

(e) Except for requirements listed in paragraphs (c)(1) and (c)(4) of this section, HUD is authorized, at its option, to waive cost-related and administrative prior written approvals required by Circular A-110 and OMB Circulars A-21 and A-122. Such waivers may include authorizing recipients to do any one or more of the following.

(1) Incur pre-award costs 90 calendar days prior to award or more than 90 calendar days with the prior approval of HUD. All pre-award costs are incurred at the recipient's risk (i.e., HUD is under no obligation to reimburse such costs if for any reason the recipient does not receive an award or if the

award is less than anticipated and inadequate to cover such costs).

(2) Initiate a one-time extension of the expiration date of the award of up to 12 months unless one or more of the following conditions apply. For one-time extensions, the recipient must notify HUD in writing with the supporting reasons and revised expiration date at least 10 days before the expiration date specified in the award. This one-time extension may not be exercised merely for the purpose of using unobligated balances.

(i) The terms and conditions of award prohibit the extension.

(ii) The extension requires additional Federal funds.

(iii) The extension involves any change in the approved objectives or scope of the project.

(3) Carry forward unobligated balances to subsequent funding periods.

(4) For awards that support research, unless HUD provides otherwise in HUD's regulations, the prior approval requirements described in paragraph (e) of this section are automatically waived (i.e., recipients need not obtain such prior approvals) unless one of the conditions included in paragraph (e)(2) of this section applies.

(f) HUD may, at its option, restrict the transfer of funds among direct cost categories or programs, functions and activities for awards in which the Federal share of the project exceeds \$100,000 and the cumulative amount of such transfers exceeds or is expected to exceed 10 percent of the total budget as last approved by HUD. HUD shall not permit a transfer that would cause any Federal appropriation or part thereof to be used for purposes other than those consistent with the original intent of the appropriation.

(g) All other changes to nonconstruction budgets, except for the changes described in paragraph (j) of this section, do not require prior approval.

(h) For construction awards, recipients shall request prior written approval promptly from HUD for budget revisions whenever paragraphs (h)(1), (h)(2) or (h)(3) of this section apply.

(1) The revision results from changes in the scope or the objective of the project or program.

§ 84.26

(2) The need arises for additional Federal funds to complete the project.

(3) A revision is desired which involves specific costs for which prior written approval requirements may be imposed consistent with applicable OMB cost principles listed in § 84.27.

(i) No other prior approval requirements for specific items may be imposed unless a deviation has been approved by OMB.

(j) When HUD makes an award that provides support for both construction and nonconstruction work, HUD may require the recipient to request prior approval from HUD before making any fund or budget transfers between the two types of work supported.

(k) For both construction and nonconstruction awards, HUD shall require recipients to notify HUD in writing promptly whenever the amount of Federal authorized funds is expected to exceed the needs of the recipient for the project period by more than \$5000 or five percent of the Federal award, whichever is greater. This notification shall not be required if an application for additional funding is submitted for a continuation award.

(l) When requesting approval for budget revisions, recipients shall use the budget forms that were used in the application unless HUD indicates a letter of request suffices.

(m) Within 30 calendar days from the date of receipt of the request for budget revisions, HUD shall review the request and notify the recipient whether the budget revisions have been approved. If the revision is still under consideration at the end of 30 calendar days, HUD shall inform the recipient in writing of the date when the recipient may expect the decision.

§ 84.26 Non-Federal audits.

(a) Recipients and subrecipients that are institutions of higher education or other non-profit organization (including hospitals) shall be subject to the audit requirements contained in the Single Audit Act Amendments of 1996 (31 U.S.C. 7501-7507) and revised OMB Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations."

(1) Non-profit organizations subject to regulations in the part 200 and part

24 CFR Subtitle A (4-1-07 Edition)

800 series of this title which receive awards subject to part 84 shall comply with the audit requirements of revised OMB Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations." For HUD programs, a non-profit organization is the mortgagor or owner (as these terms are defined in the regulations in the part 200 and part 800 series) and not a related or affiliated organization or entity.

(2) [Reserved]

(b) State and local governments shall be subject to the audit requirements contained in the Single Audit Act Amendments of 1996 (31 U.S.C. 7501-7507) and revised OMB Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations."

(c) For-profit hospitals not covered by the audit provisions of revised OMB Circular A-133 shall be subject to the audit requirements of the Federal awarding agencies.

(d) Commercial organizations shall be subject to the audit requirements of HUD or the prime recipient as incorporated into the award document.

[59 FR 47011, Sept. 13, 1994, as amended at 62 FR 61617, Nov. 18, 1997]

§ 84.27 Allowable costs.

For each kind of recipient, there is a set of Federal principles for determining allowable costs. Allowability of costs shall be determined in accordance with the cost principles applicable to the entity incurring the costs. Thus, allowability of costs incurred by State, local or federally-recognized Indian tribal governments is determined in accordance with the provisions of OMB Circular A-87, "Cost Principles for State and Local Governments." The allowability of costs incurred by non-profit organizations is determined in accordance with the provisions of OMB Circular A-122, "Cost Principles for Non-Profit Organizations." The allowability of costs incurred by institutions of higher education is determined in accordance with the provisions of OMB Circular A-21, "Cost Principles for Educational Institutions." The allowability of costs incurred by hospitals is determined in accordance with the provisions of Appendix E of 45 CFR part 74, "Principles for Determining Costs Applicable to Research and Development

Under Grants and Contracts with Hospitals.” The allowability of costs incurred by commercial organizations and those non-profit organizations listed in Attachment C to Circular A-122 is determined in accordance with the provisions of the Federal Acquisition Regulation (FAR) at 48 CFR part 31.

§ 84.28 Period of availability of funds.

Where a funding period is specified, a recipient may charge to the grant only allowable costs resulting from obligations incurred during the funding period and any pre-award costs authorized by HUD.

PROPERTY STANDARDS

§ 84.30 Purpose of property standards.

Sections 84.31 through 84.37 set forth uniform standards governing management and disposition of property furnished by the Federal Government whose cost was charged to a project supported by a Federal award. HUD shall require recipients to observe these standards under awards and shall not impose additional requirements, unless specifically required by Federal statute. The recipient may use its own property management standards and procedures provided it observes the provisions of §§ 84.31 through 84.37.

§ 84.31 Insurance coverage.

Recipients shall, at a minimum, provide the equivalent insurance coverage for real property and equipment acquired with Federal funds as provided to property owned by the recipient. Federally-owned property need not be insured unless required by the terms and conditions of the award.

§ 84.32 Real property.

HUD prescribes the following requirements for recipients concerning the use and disposition of real property acquired in whole or in part under awards:

(a) Title to real property shall vest in the recipient subject to the condition that the recipient shall use the real property for the authorized purpose of the project as long as it is needed and shall not encumber the property without approval of HUD.

(b) The recipient shall obtain written approval by HUD for the use of real property in other federally-sponsored projects when the recipient determines that the property is no longer needed for the purpose of the original project. Use in other projects shall be limited to those under federally-sponsored projects (i.e., awards) or programs that have purposes consistent with those authorized for support by HUD.

(c) When the real property is no longer needed as provided in paragraphs (a) and (b) of this section, the recipient shall request disposition instructions from HUD or its successor Federal awarding agency. HUD shall observe one or more of the following disposition instructions.

(1) The recipient may be permitted to retain title without further obligation to the Federal Government after it compensates the Federal Government for that percentage of the current fair market value of the property attributable to the Federal participation in the project.

(2) The recipient may be directed to sell the property under guidelines provided by HUD and pay the Federal Government for that percentage of the current fair market value of the property attributable to the Federal participation in the project (after deducting actual and reasonable selling and fix-up expenses, if any, from the sales proceeds). When the recipient is authorized or required to sell the property, proper sales procedures shall be established that provide for competition to the extent practicable and result in the highest possible return.

(3) The recipient may be directed to transfer title to the property to the Federal Government or to an eligible third party provided that, in such cases, the recipient shall be entitled to compensation for its attributable percentage of the current fair market value of the property.

§ 84.33 Federally-owned and exempt property.

(a) *Federally-owned property.* (1) Title to federally-owned property remains vested in the Federal Government. Recipients shall submit annually an inventory listing of federally-owned property in their custody to HUD.

§ 84.34

Upon completion of the award or when the property is no longer needed, the recipient shall report the property to HUD for further HUD utilization.

(2) If HUD has no further need for the property, it shall be declared excess and reported to the General Services Administration, unless HUD has statutory authority to dispose of the property by alternative methods (e.g., the authority provided by the Federal Technology Transfer Act (15 U.S.C. 3710 (I)) to donate research equipment to educational and non-profit organizations in accordance with E.O. 12821, "Improving Mathematics and Science Education in Support of the National Education Goals.") Appropriate instructions shall be issued to the recipient by HUD.

(b) *Exempt property.* When statutory authority exists, HUD has the option to vest title to property acquired with Federal funds in the recipient without further obligation to the Federal Government and under conditions HUD considers appropriate. Such property is "exempt property." Should HUD not establish conditions, title to exempt property upon acquisition shall vest in the recipient without further obligation to the Federal Government.

§ 84.34 Equipment.

(a) Title to equipment acquired by a recipient with Federal funds shall vest in the recipient, subject to conditions of this section.

(b) The recipient shall not use equipment acquired with Federal funds to provide services to non-Federal outside organizations for a fee that is less than private companies charge for equivalent services, unless specifically authorized by Federal statute, for as long as the Federal Government retains an interest in the equipment.

(c) The recipient shall use the equipment in the project or program for which it was acquired as long as needed, whether or not the project or program continues to be supported by Federal funds and shall not encumber the equipment without approval of HUD. When the equipment is no longer needed for the original project or program, the recipient shall use the equipment in connection with its other federally-

24 CFR Subtitle A (4-1-07 Edition)

sponsored activities, in the following order of priority:

(1) Activities sponsored by HUD which funded the original project; then

(2) Activities sponsored by other Federal awarding agencies.

(d) During the time that equipment is used on the project or program for which it was acquired, the recipient shall make it available for use on other projects or programs if such other use will not interfere with the work on the project or program for which the equipment was originally acquired. First preference for such other use shall be given to other projects or programs sponsored by HUD that financed the equipment; second preference shall be given to projects or programs sponsored by other Federal awarding agencies. If the equipment is owned by the Federal Government, use on other activities not sponsored by the Federal Government shall be permissible if authorized by HUD. User charges shall be treated as program income.

(e) When acquiring replacement equipment, the recipient may use the equipment to be replaced as trade-in or sell the equipment and use the proceeds to offset the costs of the replacement equipment subject to the approval of HUD.

(f) The recipient's property management standards for equipment acquired with Federal funds and federally-owned equipment shall include all of the following.

(1) Equipment records shall be maintained accurately and shall include the following information.

(i) A description of the equipment.

(ii) Manufacturer's serial number, model number, Federal stock number, national stock number, or other identification number.

(iii) Source of the equipment, including the award number.

(iv) Whether title vests in the recipient or the Federal Government.

(v) Acquisition date (or date received, if the equipment was furnished by the Federal Government) and cost.

(vi) Information from which one can calculate the percentage of Federal participation in the cost of the equipment (not applicable to equipment furnished by the Federal Government).

(vii) Location and condition of the equipment and the date the information was reported.

(viii) Unit acquisition cost.

(ix) Ultimate disposition data, including date of disposal and sales price or the method used to determine current fair market value where a recipient compensates HUD for its share.

(2) Equipment owned by the Federal Government shall be identified to indicate Federal ownership.

(3) A physical inventory of equipment shall be taken and the results reconciled with the equipment records at least once every two years. Any differences between quantities determined by the physical inspection and those shown in the accounting records shall be investigated to determine the causes of the difference. The recipient shall, in connection with the inventory, verify the existence, current utilization, and continued need for the equipment.

(4) A control system shall be in effect to insure adequate safeguards to prevent loss, damage, or theft of the equipment. Any loss, damage, or theft of equipment shall be investigated and fully documented; if the equipment was owned by the Federal Government, the recipient shall promptly notify HUD.

(5) Adequate maintenance procedures shall be implemented to keep the equipment in good condition.

(6) Where the recipient is authorized or required to sell the equipment, proper sales procedures shall be established which provide for competition to the extent practicable and result in the highest possible return.

(g) When the recipient no longer needs the equipment, the equipment may be used for other activities in accordance with the following standards. For equipment with a current per unit fair market value of \$5000 or more, the recipient may retain the equipment for other uses provided that compensation is made to HUD or its successor. The amount of compensation shall be computed by applying the percentage of Federal participation in the cost of the original project or program to the current fair market value of the equipment. If the recipient has no need for the equipment, the recipient shall request disposition instructions from

HUD. HUD shall determine whether the equipment can be used to meet HUD's requirements. If no requirement exists within HUD, the availability of the equipment shall be reported to the General Services Administration by HUD to determine whether a requirement for the equipment exists in other Federal agencies. HUD shall issue instructions to the recipient no later than 120 calendar days after the recipient's request and the following procedures shall govern.

(1) If so instructed or if disposition instructions are not issued within 120 calendar days after the recipient's request, the recipient shall sell the equipment and reimburse HUD an amount computed by applying to the sales proceeds the percentage of Federal participation in the cost of the original project or program. However, the recipient shall be permitted to deduct and retain from the Federal share \$500 or ten percent of the proceeds, whichever is less, for the recipient's selling and handling expenses.

(2) If the recipient is instructed to ship the equipment elsewhere, the recipient shall be reimbursed by the Federal Government by an amount which is computed by applying the percentage of the recipient's participation in the cost of the original project or program to the current fair market value of the equipment, plus any reasonable shipping or interim storage costs incurred.

(3) If the recipient is instructed to otherwise dispose of the equipment, the recipient shall be reimbursed by HUD for such costs incurred in its disposition.

(4) HUD may reserve the right to transfer the title to the Federal Government or to a third party named by the Federal Government when such third party is otherwise eligible under existing statutes. Such transfer shall be subject to the following standards.

(i) The equipment shall be appropriately identified in the award or otherwise made known to the recipient in writing.

(ii) HUD shall issue disposition instructions within 120 calendar days after receipt of a final inventory. The final inventory shall list all equipment

§ 84.35

acquired with grant funds and federally-owned equipment. If HUD fails to issue disposition instructions within the 120 calendar day period, the recipient shall apply the standards of this section, as appropriate.

(iii) When HUD exercises its right to take title, the equipment shall be subject to the provisions for federally-owned equipment.

§ 84.35 Supplies and other expendable property.

(a) Title to supplies and other expendable property shall vest in the recipient upon acquisition. If there is a residual inventory of unused supplies exceeding \$5000 in total aggregate value upon termination or completion of the project or program and the supplies are not needed for any other federally-sponsored project or program, the recipient shall retain the supplies for use on non-Federal sponsored activities or sell them, but shall, in either case, compensate the Federal Government for its share. The amount of compensation shall be computed in the same manner as for equipment.

(b) The recipient shall not use supplies acquired with Federal funds to provide services to non-Federal outside organizations for a fee that is less than private companies charge for equivalent services, unless specifically authorized by Federal statute, as long as the Federal Government retains an interest in the supplies.

§ 84.36 Intangible property.

(a) The recipient may copyright any work that is subject to copyright and was developed, or for which ownership was purchased, under an award. HUD reserves a royalty-free, nonexclusive and irrevocable right to reproduce, publish, or otherwise use the work for Federal purposes, and to authorize others to do so.

(b) Recipients are subject to applicable regulations governing patents and inventions, including government-wide regulations issued by the Department of Commerce at 37 CFR part 401, "Rights to Inventions Made by Non-profit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements."

24 CFR Subtitle A (4-1-07 Edition)

(c) HUD has the right to:

(1) Obtain, reproduce, publish or otherwise use the data first produced under an award; and

(2) Authorize others to receive, reproduce, publish, or otherwise use such data for HUD purposes.

(d)(1) In addition, in response to a Freedom of Information Act (FOIA) request for research data relating to published research findings produced under an award that were used by HUD in developing an agency action that has the force and effect of law, HUD shall request, and the recipient shall provide, within a reasonable time, the research data so that they can be made available to the public through the procedures established under the FOIA. If HUD obtains the research data solely in response to a FOIA request, HUD may charge the requester a reasonable fee equaling the full incremental cost of obtaining the research data. This fee should reflect costs incurred by HUD, the recipient, and applicable subrecipients. This fee is in addition to any fees HUD may assess under the FOIA (5 U.S.C. 552(a)(4)(A)).

(2) The following definitions apply for purposes of this paragraph (d):

(i) *Research data* is defined as the recorded factual material commonly accepted in the scientific community as necessary to validate research findings, but not any of the following: preliminary analyses, drafts of scientific papers, plans for future research, peer reviews, or communications with colleagues. This "recorded" material excludes physical objects (e.g., laboratory samples). *Research data* also do not include:

(A) Trade secrets, commercial information, materials necessary to be held confidential by a researcher until they are published, or similar information which is protected under law; and

(B) Personnel and medical information and similar information the disclosure of which would constitute a clearly unwarranted invasion of personal privacy, such as information that could be used to identify a particular person in a research study.

(ii) *Published* is defined as either when:

(A) Research findings are published in a peer-reviewed scientific or technical journal; or

(B) HUD publicly and officially cites the research findings in support of an agency action that has the force and effect of law.

(iii) *Used by HUD in developing an agency action that has the force and effect of law* is defined as when HUD publicly and officially cites the research findings in support of an agency action that has the force and effect of law.

(e) Title to intangible property and debt instruments acquired under an award or subaward vests upon acquisition in the recipient. The recipient shall use that property for the originally-authorized purpose, and the recipient shall not encumber the property without approval of HUD. When no longer needed for the originally authorized purpose, disposition of the intangible property shall occur in accordance with the provisions of § 84.34(g).

[59 FR 47011, Sept. 13, 1994, as amended at 65 FR 30499, May 11, 2000]

§ 84.37 Property trust relationship.

Real property, equipment, intangible property and debt instruments that are acquired or improved with Federal funds shall be held in trust by the recipient as trustee for the beneficiaries of the project or program under which the property was acquired or improved. HUD may require recipients to record liens or other appropriate notices of record to indicate that personal or real property has been acquired or improved with Federal funds and that use and disposition conditions apply to the property.

PROCUREMENT STANDARDS

§ 84.40 Purpose of procurement standards.

Sections 84.41 through 84.48 set forth standards for use by recipients in establishing procedures for the procurement of supplies and other expendable property, equipment, real property and other services with Federal funds. These standards are furnished to ensure that such materials and services are obtained in an effective manner and in compliance with the provisions of applicable Federal statutes and ex-

ecutive orders. No additional procurement standards or requirements shall be imposed by HUD upon recipients, unless specifically required by Federal statute or executive order or approved by OMB.

§ 84.41 Recipient responsibilities.

The standards contained in this section do not relieve the recipient of the contractual responsibilities arising under its contract(s). The recipient is the responsible authority, without recourse to HUD, regarding the settlement and satisfaction of all contractual and administrative issues arising out of procurements entered into in support of an award or other agreement. This includes disputes, claims, protests of award, source evaluation or other matters of a contractual nature. Matters concerning violation of statute are to be referred to such Federal, State or local authority as may have proper jurisdiction.

§ 84.42 Codes of conduct.

The recipient shall maintain written standards of conduct governing the performance of its employees engaged in the award and administration of contracts. No employee, officer, or agent shall participate in the selection, award, or administration of a contract supported by Federal funds if a real or apparent conflict of interest would be involved. Such a conflict would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in the firm selected for an award. The officers, employees, and agents of the recipient shall neither solicit nor accept gratuities, favors, or anything of monetary value from contractors, or parties to subagreements. However, recipients may set standards for situations in which the financial interest is not substantial or the gift is an unsolicited item of nominal value. The standards of conduct shall provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the recipient.

§ 84.43

§ 84.43 Competition.

All procurement transactions shall be conducted in a manner to provide, to the maximum extent practical, open and free competition. The recipient shall be alert to organizational conflicts of interest as well as noncompetitive practices among contractors that may restrict or eliminate competition or otherwise restrain trade. In order to ensure objective contractor performance and eliminate unfair competitive advantage, contractors that develop or draft specifications, requirements, statements of work, invitations for bids and/or requests for proposals shall be excluded from competing for such procurements. Awards shall be made to the bidder or offeror whose bid or offer is responsive to the solicitation and is most advantageous to the recipient, price, quality and other factors considered. The other factors shall include the bidder's or offeror's compliance with Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u), hereafter referred to as "Section 3." Section 3 provides that, to the greatest extent feasible, and consistent with existing Federal, State, and local laws, and regulations, economic opportunities generated by certain HUD financial assistance shall be directed to low- and very low-income persons. Solicitations shall clearly set forth all requirements that the bidder or offeror shall fulfill in order for the bid or offer to be evaluated by the recipient. Any and all bids or offers may be rejected when it is in the recipient's interest to do so.

§ 84.44 Procurement procedures.

(a) All recipients shall establish written procurement procedures. These procedures shall provide for, at a minimum, that paragraphs (a)(1), (a)(2) and (a)(3) of this section apply.

(1) Recipients avoid purchasing unnecessary items.

(2) Where appropriate, an analysis is made of lease and purchase alternatives to determine which would be the most economical and practical procurement for the Federal Government.

(3) Solicitations for goods and services provide for all of the following.

(i) A clear and accurate description of the technical requirements for the

24 CFR Subtitle A (4-1-07 Edition)

material, product or service to be procured. In competitive procurements, such a description shall not contain features which unduly restrict competition.

(ii) Requirements which the bidder/offeror must fulfill and all other factors to be used in evaluating bids or proposals.

(iii) A description, whenever practicable, of technical requirements in terms of functions to be performed or performance required, including the range of acceptable characteristics or minimum acceptable standards.

(iv) The specific features of "brand name or equal" descriptions that bidders are required to meet when such items are included in the solicitation.

(v) The acceptance, to the extent practicable and economically feasible, of products and services dimensioned in the metric system of measurement.

(vi) Preference, to the extent practicable and economically feasible, for products and services that conserve natural resources and protect the environment and are energy efficient.

(b) Positive efforts shall be made by recipients to utilize small businesses, minority-owned firms, and women's business enterprises, whenever possible. Recipients of Federal awards shall take all of the following steps to further this goal.

(1) Ensure that small businesses, minority-owned firms, and women's business enterprises are used to the fullest extent practicable.

(2) Make information on forthcoming opportunities available and arrange time frames for purchases and contracts to encourage and facilitate participation by small businesses, minority-owned firms, and women's business enterprises.

(3) Consider in the contract process whether firms competing for larger contracts intend to subcontract with small businesses, minority-owned firms, and women's business enterprises.

(4) Encourage contracting with consortiums of small businesses, minority-owned firms and women's business enterprises when a contract is too large for one of these firms to handle individually.

(5) Use the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Department of Commerce's Minority Business Development Agency in the solicitation and utilization of small businesses, minority-owned firms and women's business enterprises.

(c) The type of procuring instruments used (e.g., fixed price contracts, cost reimbursable contracts, purchase orders, and incentive contracts) shall be determined by the recipient but shall be appropriate for the particular procurement and for promoting the best interest of the program or project involved. The "cost-plus-a-percentage-of-cost" or "percentage of construction cost" methods of contracting shall not be used.

(d) Contracts shall be made only with responsible contractors who possess the potential ability to perform successfully under the terms and conditions of the proposed procurement. Consideration shall be given to such matters as contractor integrity; compliance with public policy, including, where applicable, Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u); record of past performance; financial and technical resources or accessibility to other necessary resources. In certain circumstances, contracts with certain parties are restricted by implementation of E.O.s 12549 and 12689, "Debarment and Suspension," at 24 CFR part 24.

(e) Recipients shall, on request, make available for the Federal awarding agency, pre-award review and procurement documents, such as requests for proposals or invitations for bids, independent cost estimates, etc., when any of the following conditions apply.

(1) A recipient's procurement procedures or operation fails to comply with the procurement standards in HUD's implementation of Circular A-110.

(2) The procurement is expected to exceed \$100,000 or the small purchase threshold fixed at 41 U.S.C. 403 (11), whichever is greater, and is to be awarded without competition or only one bid or offer is received in response to a solicitation.

(3) The procurement, which is expected to exceed the small purchase

threshold, specifies a "brand name" product.

(4) The proposed award over the small purchase threshold is to be awarded to other than the apparent low bidder under a sealed bid procurement.

(5) A proposed contract modification changes the scope of a contract or increases the contract amount by more than the amount of the small purchase threshold.

§ 84.45 Cost and price analysis.

Some form of cost or price analysis shall be made and documented in the procurement files in connection with every procurement action. Price analysis may be accomplished in various ways, including the comparison of price quotations submitted, market prices and similar indicia, together with discounts. Cost analysis is the review and evaluation of each element of cost to determine reasonableness, allocability and allowability.

§ 84.46 Procurement records.

Procurement records and files for purchases in excess of the small purchase threshold shall include the following at a minimum:

- (a) Basis for contractor selection;
- (b) Justification for lack of competition when competitive bids or offers are not obtained; and
- (c) Basis for award cost or price.

§ 84.47 Contract administration.

A system for contract administration shall be maintained to ensure contractor conformance with the terms, conditions and specifications of the contract and to ensure adequate and timely follow up of all purchases. Recipients shall evaluate contractor performance and document, as appropriate, whether contractors have met the terms, conditions and specifications of the contract.

§ 84.48 Contract provisions.

The recipient shall include, in addition to provisions to define a sound and complete agreement, the following provisions in all contracts. The following provisions shall also be applied to subcontracts.

§ 84.50

(a) Contracts in excess of the small purchase threshold shall contain contractual provisions or conditions that allow for administrative, contractual, or legal remedies in instances in which a contractor violates or breaches the contract terms, and provide for such remedial actions as may be appropriate.

(b) All contracts in excess of the small purchase threshold shall contain suitable provisions for termination by the recipient, including the manner by which termination shall be effected and the basis for settlement. In addition, such contracts shall describe conditions under which the contract may be terminated for default as well as conditions where the contract may be terminated because of circumstances beyond the control of the contractor.

(c) Except as otherwise required by statute, an award that requires the contracting (or subcontracting) for construction or facility improvements shall provide for the recipient to follow its own requirements relating to bid guarantees, performance bonds, and payment bonds unless the construction contract or subcontract exceeds \$100,000. For those contracts or subcontracts exceeding \$100,000, HUD may accept the bonding policy and requirements of the recipient, provided HUD has made a determination that the Federal Government's interest is adequately protected. If such a determination has not been made, the minimum requirements shall be as follows:

(1) A bid guarantee from each bidder equivalent to five percent of the bid price. The "bid guarantee" shall consist of a firm commitment such as a bid bond, certified check, or other negotiable instrument accompanying a bid as assurance that the bidder shall, upon acceptance of his bid, execute such contractual documents as may be required within the time specified.

(2) A performance bond on the part of the contractor for 100 percent of the contract price. A "performance bond" is one executed in connection with a contract to secure fulfillment of all the contractor's obligations under such contract.

(3) A payment bond on the part of the contractor for 100 percent of the contract price. A "payment bond" is one

24 CFR Subtitle A (4-1-07 Edition)

executed in connection with a contract to assure payment as required by statute of all persons supplying labor and material in the execution of the work provided for in the contract.

(4) Where bonds are required in the situations described herein, the bonds shall be obtained from companies holding certificates of authority as acceptable sureties pursuant to 31 CFR part 223, "Surety Companies Doing Business with the United States."

(d) All negotiated contracts (except those for less than the small purchase threshold) awarded by recipients shall include a provision to the effect that the recipient, HUD, the Comptroller General of the United States, or any of their duly authorized representatives, shall have access to any books, documents, papers and records of the contractor which are directly pertinent to a specific program for the purpose of making audits, examinations, excerpts and transcriptions.

(e) All contracts, including small purchases, awarded by recipients and their contractors shall contain the procurement provisions of Appendix A to this rule, as applicable.

REPORTS AND RECORDS

§ 84.50 Purpose of reports and records.

Sections 84.51 through 84.53 set forth the procedures for monitoring and reporting on the recipient's financial and program performance and the necessary standard reporting forms. They also set forth record retention requirements.

§ 84.51 Monitoring and reporting program performance.

(a) Recipients are responsible for managing and monitoring each project, program, subaward, function or activity supported by the award. Recipients shall monitor subawards to ensure subrecipients have met the audit requirements as delineated in § 84.26.

(b) HUD shall prescribe the frequency with which the performance reports shall be submitted. Except as provided in § 84.51(f), performance reports shall not be required more frequently than

quarterly or less frequently than annually. Annual reports shall be due 90 calendar days after the grant year; quarterly or semi-annual reports shall be due 30 days after the reporting period. HUD may require annual reports before the anniversary dates of multiple year awards in lieu of these requirements. The final performance reports are due 90 calendar days after the expiration or termination of the award.

(c) If inappropriate, a final technical or performance report shall not be required after completion of the project.

(d) When required, performance reports shall generally contain, for each award, brief information on each of the following:

(1) A comparison of actual accomplishments with the goals and objectives established for the period, the findings of the investigator, or both. Whenever appropriate and the output of programs or projects can be readily quantified, such quantitative data should be related to cost data for computation of unit costs.

(2) Reasons why established goals were not met, if appropriate.

(3) Other pertinent information including, when appropriate, analysis and explanation of cost overruns or high unit costs.

(e) Recipients shall not be required to submit more than the original and two copies of performance reports.

(f) Recipients shall immediately notify HUD of developments that have a significant impact on the award-supported activities. Also, notification shall be given in the case of problems, delays, or adverse conditions which materially impair the ability to meet the objectives of the award. This notification shall include a statement of the action taken or contemplated, and any assistance needed to resolve the situation.

(g) HUD may make site visits, as needed.

(h) HUD shall comply with clearance requirements of 5 CFR part 1320 when requesting performance data from recipients.

§ 84.52 Financial reporting.

(a) The following forms or such other forms as may be approved by OMB are

authorized for obtaining financial information from recipients.

(1) SF-269 or SF-269A, Financial Status Report.

(i) HUD requires recipients to use the SF-269 or SF-269A to report the status of funds for all nonconstruction projects or programs. HUD has the option of not requiring the SF-269 or SF-269A when the SF-270, Request for Advance or Reimbursement, or SF-272, Report of Federal Cash Transactions, is determined to provide adequate information to meet its needs, except that a final SF-269 or SF-269A shall be required at the completion of the project when the SF-270 is used only for advances.

(ii) HUD shall prescribe whether the report shall be on a cash or accrual basis. If HUD requires accrual information and the recipient's accounting records are not normally kept on the accrual basis, the recipient shall not be required to convert its accounting system, but shall develop such accrual information through best estimates based on an analysis of the documentation on hand.

(iii) HUD shall determine the frequency of the Financial Status Report for each project or program, considering the size and complexity of the particular project or program. However, the report shall not be required more frequently than quarterly or less frequently than annually. A final report shall be required at the completion of the agreement.

(iv) HUD requires recipients to submit the SF-269 or SF-269A (an original and no more than two copies) no later than 30 days after the end of each specified reporting period for quarterly and semi-annual reports, and 90 calendar days for annual and final reports. Extensions of reporting due dates may be approved by HUD upon request of the recipient.

(2) SF-272, Report of Federal Cash Transactions.

(i) When funds are advanced to recipients HUD shall require each recipient to submit the SF-272 and, when necessary, its continuation sheet, SF-272a. HUD shall use this report to monitor cash advanced to recipients and to obtain disbursement information for each agreement with the recipients.

§ 84.53

24 CFR Subtitle A (4-1-07 Edition)

(ii) HUD may require forecasts of Federal cash requirements in the "Remarks" section of the report.

(iii) When practical and deemed necessary, HUD may require recipients to report in the "Remarks" section the amount of cash advances received and retained in excess of three days. Recipients shall provide short narrative explanations of actions taken to reduce the excess balances.

(iv) Recipients shall be required to submit not more than the original and two copies of the SF-272 15 calendar days following the end of each quarter. HUD may require a monthly report from those recipients receiving advances totaling \$1 million or more per year.

(v) HUD may waive the requirement for submission of the SF-272 for any one of the following reasons:

(A) When monthly advances do not exceed \$25,000 per recipient, provided that such advances are monitored through other forms contained in this section;

(B) If, in HUD's opinion, the recipient's accounting controls are adequate to minimize excessive Federal advances; or

(C) When the electronic payment mechanisms provide adequate data.

(b) When HUD needs additional information or more frequent reports, the following shall be observed.

(1) When additional information is needed to comply with legislative requirements, HUD shall issue instructions to require recipients to submit such information under the "Remarks" section of the reports.

(2) When HUD determines that a recipient's accounting system does not meet the standards in § 84.21, additional pertinent information to further monitor awards may be obtained upon written notice to the recipient until such time as the system is brought up to standard. HUD, in obtaining this information, shall comply with report clearance requirements of 5 CFR part 1320.

(3) HUD will shade out any line item on any report if not necessary.

(4) HUD may accept the identical information from the recipients in machine readable format or computer printouts or electronic outputs in lieu of prescribed formats.

(5) HUD may provide computer or electronic outputs to recipients when such expedites or contributes to the accuracy of reporting.

§ 84.53 Retention and access requirements for records.

(a) This section sets forth requirements for record retention and access to records for awards to recipients. HUD shall not impose any other record retention or access requirements upon recipients.

(b) Financial records, supporting documents, statistical records, and all other records pertinent to an award shall be retained for a period of three years from the date of submission of the final expenditure report or, for awards that are renewed quarterly or annually, from the date of the submission of the quarterly or annual financial report, as authorized by HUD. The only exceptions are the following.

(1) If any litigation, claim, or audit is started before the expiration of the 3-year period, the records shall be retained until all litigation, claims or audit findings involving the records have been resolved and final action taken.

(2) Records for real property and equipment acquired with Federal funds shall be retained for 3 years after final disposition.

(3) When records are transferred to or maintained by HUD, the 3-year retention requirement is not applicable to the recipient.

(4) Indirect cost rate proposals, cost allocation plans, etc. as specified in § 84.53(g).

(c) Copies of original records may be substituted for the original records if authorized by HUD.

(d) HUD shall request transfer of certain records to its custody from recipients when it determines that the records possess long term retention value. However, in order to avoid duplicate recordkeeping, HUD may make arrangements for recipients to retain any records that are continuously needed for joint use.

(e) HUD, the Inspector General, Comptroller General of the United States, or any of their duly authorized representatives, have the right of timely and unrestricted access to any

books, documents, papers, or other records of recipients that are pertinent to the awards, in order to make audits, examinations, excerpts, transcripts and copies of such documents. This right also includes timely and reasonable access to a recipient's personnel for the purpose of interview and discussion related to such documents. The rights of access in this paragraph (e) are not limited to the required retention period, but shall last as long as records are retained.

(f) Unless required by statute, HUD shall not place restrictions on recipients that limit public access to the records of recipients that are pertinent to an award, except when HUD can demonstrate that such records shall be kept confidential and would have been exempted from disclosure pursuant to the Freedom of Information Act (5 U.S.C. 552) if the records had belonged to HUD.

(g) *Indirect cost rate proposals, cost allocation plans, etc.* Paragraphs (g)(1) and (g)(2) of this section apply to the following types of documents, and their supporting records—indirect cost rate computations or proposals, cost allocation plans, and any similar accounting computations of the rate at which a particular group of costs is chargeable (such as computer usage chargeback rates or composite fringe benefit rates).

(1) *If submitted for negotiation.* If the recipient submits to HUD or the subrecipient submits to the recipient the proposal, plan, or other computation to form the basis for negotiation of the rate, then the 3-year retention period for its supporting records starts on the date of such submission.

(2) *If not submitted for negotiation.* If the recipient is not required to submit to HUD or the subrecipient is not required to submit to the recipient the proposal, plan, or other computation for negotiation purposes, then the 3-year retention period for the proposal, plan, or other computation and its supporting records starts at the end of the fiscal year (or other accounting period) covered by the proposal, plan, or other computation.

TERMINATION AND ENFORCEMENT

§ 84.60 Purpose of termination and enforcement.

Sections 84.61 and 84.62 set forth uniform suspension, termination and enforcement procedures.

§ 84.61 Termination.

(a) Awards may be terminated in whole or in part only if paragraphs (a)(1), (a)(2) or (a)(3) of this section apply.

(1) By HUD, if a recipient materially fails to comply with the terms and conditions of an award.

(2) By HUD with the consent of the recipient, in which case the two parties shall agree upon the termination conditions, including the effective date and, in the case of partial termination, the portion to be terminated.

(3) By the recipient upon sending to HUD written notification setting forth the reasons for such termination, the effective date, and, in the case of partial termination, the portion to be terminated. However, if HUD determines in the case of partial termination that the reduced or modified portion of the grant will not accomplish the purposes for which the grant was made, it may terminate the grant in its entirety under either paragraphs (a)(1) or (a)(2) of this section.

(b) If costs are allowed under an award, the responsibilities of the recipient referred to in § 84.71(a), including those for property management as applicable, shall be considered in the termination of the award, and provision shall be made for continuing responsibilities of the recipient after termination, as appropriate.

§ 84.62 Enforcement.

(a) *Remedies for noncompliance.* If a recipient materially fails to comply with the terms and conditions of an award, whether stated in a Federal statute, regulation, assurance, application, or notice of award, HUD may, in addition to imposing any of the special conditions outlined in § 84.14, take one or more of the following actions, as appropriate in the circumstances.

§ 84.70

(1) Temporarily withhold cash payments pending correction of the deficiency by the recipient or more severe enforcement action by HUD.

(2) Disallow (that is, deny both use of funds and any applicable matching credit for) all or part of the cost of the activity or action not in compliance.

(3) Wholly or partly suspend or terminate the current award.

(4) Withhold further awards for the project or program.

(5) Take other remedies that may be legally available.

(b) *Hearings and appeals.* In taking an enforcement action, HUD shall provide the recipient an opportunity for hearing, appeal, or other administrative proceeding to which the recipient is entitled under any statute or regulation applicable to the action involved.

(c) *Effects of suspension and termination.* Costs of a recipient resulting from obligations incurred by the recipient during a suspension or after termination of an award are not allowable unless HUD expressly authorizes them in the notice of suspension or termination or subsequently. Other recipient costs during suspension or after termination which are necessary and not reasonably avoidable are allowable if paragraphs (c)(1) and (c)(2) of this section apply.

(1) The costs result from obligations which were properly incurred by the recipient before the effective date of suspension or termination, are not in anticipation of it, and in the case of a termination, are noncancellable.

(2) The costs would be allowable if the award were not suspended or expired normally at the end of the funding period in which the termination takes effect.

(d) *Relationship to debarment and suspension.* The enforcement remedies identified in this section, including suspension and termination, do not preclude a recipient from being subject to debarment and suspension under E.O.s 12549 and 12689 and HUD's implementing regulations at 24 CFR part 24 (see § 84.13).

24 CFR Subtitle A (4–1–07 Edition)

Subpart D—After-the-Award Requirements

§ 84.70 Purpose.

Sections 84.71 through 84.73 contain closeout procedures and other procedures for subsequent disallowances and adjustments.

§ 84.71 Closeout procedures.

(a) Recipients shall submit, within 90 calendar days after the date of completion of the award, all financial, performance, and other reports as required by the terms and conditions of the award. HUD may approve extensions when requested by the recipient.

(b) Unless HUD authorizes an extension, a recipient shall liquidate all obligations incurred under the award not later than 90 calendar days after the funding period or the date of completion as specified in the terms and conditions of the award or in HUD instructions.

(c) HUD shall make prompt payments to a recipient for allowable reimbursable costs under the award being closed out.

(d) The recipient shall promptly refund any balances of unobligated cash that HUD has advanced or paid and that is not authorized to be retained by the recipient for use in other projects. OMB Circular A-129 governs unreturned amounts that become delinquent debts.

(e) When authorized by the terms and conditions of the award, HUD shall make a settlement for any upward or downward adjustments to the Federal share of costs after closeout reports are received.

(f) The recipient shall account for any real and personal property acquired with Federal funds or received from the Federal Government in accordance with §§ 84.31 through 84.37.

(g) In the event a final audit has not been performed prior to the closeout of an award, HUD shall retain the right to recover an appropriate amount after fully considering the recommendations on disallowed costs resulting from the final audit.

§ 84.72 Subsequent adjustments and continuing responsibilities.

(a) The closeout of an award does not affect any of the following.

(1) The right of HUD to disallow costs and recover funds on the basis of a later audit or other review.

(2) The obligation of the recipient to return any funds due as a result of later refunds, corrections, or other transactions.

(3) Audit requirements in § 84.26.

(4) Property management requirements in §§ 84.31 through 84.37.

(5) Records retention as required in § 84.53.

(b) After closeout of an award, a relationship created under an award may be modified or ended in whole or in part with the consent of HUD and the recipient, provided the responsibilities of the recipient referred to in § 84.73(a), including those for property management as applicable, are considered and provisions made for continuing responsibilities of the recipient, as appropriate.

§ 84.73 Collection of amounts due.

(a) Any funds paid to a recipient in excess of the amount to which the recipient is finally determined to be entitled under the terms and conditions of the award constitute a debt to the Federal Government. If not paid within a reasonable period after the demand for payment, HUD may reduce the debt by paragraphs (a)(1), (a)(2) or (a)(3) of this section.

(1) Making an administrative offset against other requests for reimbursements.

(2) Withholding advance payments otherwise due to the recipient.

(3) Taking other action permitted by statute.

(b) Except as otherwise provided by law, HUD shall charge interest on an overdue debt in accordance with 4 CFR Chapter II, "Federal Claims Collection Standards."

Subpart E—Use of Lump Sum Grants

§ 84.80 Conditions for use of Lump Sum (fixed price or fixed amount) grants.

(a) Heads of awarding activities (HAAs) shall determine and publish the funding arrangement for award programs having a published program regulation or Notice of Funding Avail-

ability. For other awards, discretion may be provided to Grant Officers to determine the funding arrangement on a transaction basis. In such cases, Grant Officers shall document the basis for selection of the funding arrangement in the negotiation record. Appropriate consideration to fixed amount (lump sum) awards shall be made if one or more of the following conditions are present:

(1) The HUD funding amount is definitely less than the total actual cost of the project.

(2) The HUD funding amount does not exceed \$100,000 or the small purchase threshold fixed at 41 U.S.C. 403 (11), whichever is greater.

(3) The project scope is very specific and adequate cost, historical, or unit pricing data is available to establish a fixed amount award with assurance that the recipient will realize no increment above actual cost.

(b) [Reserved]

§ 84.81 Definition.

(a) A lump sum award is an award for a predetermined amount, as set forth in the grant agreement, which amount does not vary with the amount of the recipient's actual incurred costs. Under this type of award, HUD does not pay the recipient for its incurred costs but rather for completing certain defined events in the work or achievement of some other well-defined milestone. Some of the ways in which the grant amount may be paid are, but are not limited to:

(1) In several partial payments, the amount of each agreed upon in advance, and the "milestone" or event triggering the payment also agreed upon in advance, and set forth in the grant;

(2) On a unit price basis, for a defined unit or units (such as a housing counseling unit), at a defined price or prices, agreed to in advance of performance of the grant and set forth in the grant; or,

(3) In one payment at grant completion.

(b) The key distinction between a lump sum and a cost reimbursement grant is the lack of a direct relationship between the costs incurred by the

§ 84.82

recipient and the amount paid by HUD in the lump sum arrangement.

§ 84.82 Provisions applicable only to lump sum grants.

In addition to the provisions of this subpart E, subparts A and B of this part apply to lump sum grants.

(a) *Financial and program management.* Paragraphs (b) through (e) of this section prescribe standards for financial management systems, methods for making payments, budget revision approvals, and making audits.

(b) *Standards for financial management systems.* (1) Records that identify adequately the source and application of funds for federally-sponsored activities are required. These records shall contain information pertaining to Federal awards, authorizations, obligations, unobligated balances, assets, outlays, income and interest.

(2) Effective control over and accountability for all funds, property and other assets are required. Recipients shall adequately safeguard all such assets and assure they are used solely for authorized purposes.

(3) Comparison of outlays with budget amounts for each award is required. Whenever appropriate, financial information should be related to performance and unit cost data.

(4) Where HUD guarantees or insures the repayment of money borrowed by the recipient, HUD, at its discretion, may require adequate bonding and insurance if the bonding and insurance requirements of the recipient are not deemed adequate to protect the interest of the Federal Government.

(5) HUD may require adequate fidelity bond coverage where the recipient lacks sufficient coverage to protect the Federal Government's interest.

(6) Where bonds are required in the situations described above, the bonds shall be obtained from companies holding certificates of authority as acceptable sureties, as prescribed in 31 CFR part 223, "Surety Companies Doing Business with the United States."

(c) *Payment.* (1) The standard governing the use of banks and other institutions as depositories of funds advanced under awards is, HUD shall not require separate depository accounts for funds provided to a recipient or es-

24 CFR Subtitle A (4-1-07 Edition)

tablish any eligibility requirements for depositories for funds provided to a recipient. However, recipients must be able to account for the receipt, obligation and expenditure of funds.

(2) Consistent with the national goal of expanding the opportunities for women-owned and minority-owned business enterprises, recipients shall be encouraged to use women-owned and minority-owned banks (a bank which is owned at least 50 percent by women or minority group members).

(3) Except as noted elsewhere in this part, only the following forms shall be authorized for the recipients in requesting payments. HUD shall not require more than an original and two copies of these forms.

(i) *SF-270, Request for Advance or Reimbursement.* HUD has adopted the SF-270 as a standard form for all non-construction programs when electronic funds transfer or predetermined advance methods are not used. The SF-270 shall also be used for lump sum payment requests. HUD, however, has the option of using this form for construction programs in lieu of the SF-271, "Outlay Report and Request for Reimbursement for Construction Programs."

(ii) *SF-271, Outlay Report and Request for Reimbursement for Construction Programs.* HUD has adopted the SF-271 as the standard form to be used for requesting reimbursement for construction programs. However, HUD may substitute the SF-270 when HUD determines that it provides adequate information to meet HUD's needs.

(d) *Revision of budget and program plans.* (1) The budget plan is the financial expression of the project or program as approved during the award process. It may include either the Federal and non-Federal share, or only the Federal share, depending upon HUD requirements. It shall be related to performance for program evaluation purposes whenever appropriate.

(2) Recipients are required to report deviations from program plans, and request prior approvals for budget and program plan revisions, in accordance with this section.

(3) For nonconstruction awards, recipients shall request prior approvals

from HUD for one or more of the following program or budget related reasons.

(i) Change in the scope or the objective of the project or program (even if there is no associated budget revision requiring prior written approval).

(ii) The need for additional Federal funding.

(iii) Unless described in the application and funded in the approved awards, the subaward, transfer or contracting out of any work under an award. This provision does not apply to the purchase of supplies, material, equipment or general support services.

(4) No other prior approval requirements for specific items may be imposed unless a deviation has been approved by OMB.

(5) Except for requirements listed in paragraphs (d)(3)(i) and (d)(3)(ii) of this section, HUD is authorized, at its option, to waive cost-related and administrative prior written approvals required by Circular A-110 and OMB Circulars A-21 and A-122. Such waivers may include authorizing recipients to do any one or more of the following.

(i) Initiate a one-time extension of the expiration date of the award of up to 12 months unless one or more of the following conditions apply. For one-time extensions, the recipient must notify HUD in writing with the supporting reasons and revised expiration date at least 10 days before the expiration date specified in the award. This action may be taken unless:

(A) The terms and conditions of award prohibit the extension.

(B) The extension requires additional Federal funds.

(C) The extension involves any change in the approved objectives or scope of the project.

(6) For construction awards, recipients shall request prior written approval promptly from HUD for budget revisions whenever paragraphs (d)(6)(i) or (d)(6)(ii) of this section apply.

(i) The revision results from changes in the scope or the objective of the project or program.

(ii) The need arises for additional Federal funds to complete the project.

(7) No other prior approval requirements for specific items may be im-

posed unless a deviation has been approved by OMB.

(8) When HUD makes an award that provides support for both construction and nonconstruction work, HUD may require the recipient to request prior approval from HUD before making any fund or budget transfers between the two types of work supported.

(e) *Non-Federal audits.* (1) Recipients and subrecipients that are institutions of higher education or other non-profit organizations (including hospitals) shall be subject to the audit requirements contained in the Single Audit Act Amendments of 1996 (31 U.S.C. 7501-7507) and revised OMB Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations."

(i) Non-profit organizations subject to regulations in the part 200 and part 800 series of this title which receive awards subject to part 84 shall comply with the audit requirements of revised OMB Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations." For HUD programs, a non-profit organization is the mortgagor or owner (as these terms are defined in the regulations in the part 200 and part 800 series) and not a related or affiliated organization or entity.

(ii) [Reserved]

(2) State and local governments shall be subject to the audit requirements contained in the Single Audit Act Amendments of 1996 (31 U.S.C. 7501-7507) and revised OMB Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations."

(3) For-profit hospitals not covered by the audit provisions of revised OMB Circular A-133 shall be subject to the audit requirements of the Federal awarding agencies.

(4) Commercial organizations shall be subject to the audit requirements of HUD or the prime recipient as incorporated into the award document.

[59 FR 47011, Sept. 13, 1994, as amended at 62 FR 61617, Nov. 18, 1997]

§ 84.83 Property standards.

(a) *Purpose of property standards.* Paragraphs (b) through (g) of this section set forth uniform standards governing management and disposition of property furnished by the Federal Government whose cost was charged to a

project supported by a Federal award. HUD shall require recipients to observe these standards under awards and shall not impose additional requirements, unless specifically required by Federal statute. The recipient may use its own property management standards and procedures provided it observes the provisions of paragraphs (b) through (g) of this section.

(b) *Insurance coverage.* Recipients shall, at a minimum, provide the equivalent insurance coverage for real property and equipment acquired with Federal funds as provided to property owned by the recipient. Federally-owned property need not be insured unless required by the terms and conditions of the award.

(c) *Real property.* HUD prescribes the following requirements for recipients concerning the use and disposition of real property acquired in whole or in part under awards:

(1) Title to real property shall vest in the recipient subject to the condition that the recipient shall use the real property for the authorized purpose of the project as long as it is needed and shall not encumber the property without approval of HUD.

(2) The recipient shall obtain written approval by HUD for the use of real property in other federally-sponsored projects when the recipient determines that the property is no longer needed for the purpose of the original project. Use in other projects shall be limited to those under federally-sponsored projects (i.e., awards) or programs that have purposes consistent with those authorized for support by HUD.

(d) *Federally-owned and exempt property—(1) Federally-owned property—(i) Title to federally-owned property remains vested in the Federal Government.* Recipients shall submit annually an inventory listing of federally-owned property in their custody to HUD. Upon completion of the award or when the property is no longer needed, the recipient shall report the property to HUD for further HUD utilization.

(ii) If HUD has no further need for the property, it shall be declared excess and reported to the General Services Administration, unless HUD has statutory authority to dispose of the property by alternative methods (e.g., the

authority provided by the Federal Technology Transfer Act (15 U.S.C. 3710 (I)) to donate research equipment to educational and non-profit organizations in accordance with E.O. 12821, "Improving Mathematics and Science Education in Support of the National Education Goals.") Appropriate instructions shall be issued to the recipient by HUD.

(2) *Exempt property.* When statutory authority exists, HUD has the option to vest title to property acquired with Federal funds in the recipient without further obligation to the Federal Government and under conditions HUD considers appropriate. Such property is "exempt property." Should HUD not establish conditions, title to exempt property upon acquisition shall vest in the recipient without further obligation to the Federal Government.

(e) *Equipment.* (1) Title to equipment acquired by a recipient with Federal funds shall vest in the recipient, subject to conditions of this section.

(2) The recipient shall use the equipment in the project or program for which it was acquired as long as needed, whether or not the project or program continues to be supported by Federal funds and shall not encumber the equipment without approval of HUD. When the equipment is no longer needed for the original project or program, the recipient shall use the equipment in connection with its other federally-sponsored activities, in the following order of priority:

(i) Activities sponsored by HUD which funded the original project; then

(ii) Activities sponsored by other Federal awarding agencies.

(3) During the time that equipment is used on the project or program for which it was acquired, the recipient shall make it available for use on other projects or programs if such other use will not interfere with the work on the project or program for which the equipment was originally acquired. First preference for such other use shall be given to other projects or programs sponsored by HUD that financed the equipment; second preference shall be given to projects or programs sponsored by other Federal awarding agencies. If the equipment is owned by the

Federal Government, use on other activities not sponsored by the Federal Government shall be permissible if authorized by HUD.

(4) The recipient's property management standards for equipment acquired with Federal funds and federally-owned equipment shall include all of the following.

(i) Equipment records shall be maintained accurately and shall include the following information.

(A) A description of the equipment.

(B) Manufacturer's serial number, model number, Federal stock number, national stock number, or other identification number.

(C) Source of the equipment, including the award number.

(D) Whether title vests in the recipient or the Federal Government.

(E) Acquisition date (or date received, if the equipment was furnished by the Federal Government) and cost.

(F) Location and condition of the equipment and the date the information was reported.

(ii) Equipment owned by the Federal Government shall be identified to indicate Federal ownership.

(iii) A physical inventory of equipment shall be taken and the results reconciled with the equipment records at least once every two years. Any differences between quantities determined by the physical inspection and those shown in the accounting records shall be investigated to determine the causes of the difference. The recipient shall, in connection with the inventory, verify the existence, current utilization, and continued need for the equipment.

(iv) A control system shall be in effect to insure adequate safeguards to prevent loss, damage, or theft of the equipment. Any loss, damage, or theft of equipment shall be investigated and fully documented; if the equipment was owned by the Federal Government, the recipient shall promptly notify HUD.

(v) Adequate maintenance procedures shall be implemented to keep the equipment in good condition.

(5) HUD may reserve the right to transfer the title to the Federal Government or to a third party named by the Federal Government when such third party is otherwise eligible under

existing statutes. Such transfer shall be subject to the following standards.

(i) The equipment shall be appropriately identified in the award or otherwise made known to the recipient in writing.

(ii) HUD shall issue disposition instructions within 120 calendar days after receipt of a final inventory. The final inventory shall list all equipment acquired with grant funds and federally-owned equipment. If HUD fails to issue disposition instructions within the 120 calendar day period, the recipient shall apply the standards of this section, as appropriate.

(iii) When HUD exercises its right to take title, the equipment shall be subject to the provisions for federally-owned equipment.

(f) *Intangible property.* (1) The recipient may copyright any work that is subject to copyright and was developed, or for which ownership was purchased, under an award. HUD reserves a royalty-free, nonexclusive and irrevocable right to reproduce, publish, or otherwise use the work for Federal purposes, and to authorize others to do so.

(2) Recipients are subject to applicable regulations governing patents and inventions, including government-wide regulations issued by the Department of Commerce at 37 CFR part 401, "Rights to Inventions Made by Non-profit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements."

(3) Unless waived by HUD, the Federal Government has the right to paragraphs (f)(3)(i) and (f)(3)(ii) of this section.

(i) Obtain, reproduce, publish or otherwise use the data first produced under an award.

(ii) Authorize others to receive, reproduce, publish, or otherwise use such data for Federal purposes.

(4) Title to intangible property and debt instruments acquired under an award or subaward vests upon acquisition in the recipient. The recipient shall use that property for the originally-authorized purpose.

(g) *Property trust relationship.* Real property, equipment, intangible property and debt instruments that are acquired or improved with Federal funds

shall be held in trust by the recipient as trustee for the beneficiaries of the project or program under which the property was acquired or improved. HUD may require recipients to record liens or other appropriate notices of record to indicate that personal or real property has been acquired or improved with Federal funds and that use and disposition conditions apply to the property.

§ 84.84 Procurement standards.

(a) *Purpose of procurement standards.* Paragraphs (b) through (i) of this section set forth standards for use by recipients in establishing procedures for the procurement of supplies and other expendable property, equipment, real property and other services with Federal funds. These standards are furnished to ensure that such materials and services are obtained in an effective manner and in compliance with the provisions of applicable Federal statutes and executive orders. No additional procurement standards or requirements shall be imposed by HUD upon recipients, unless specifically required by Federal statute or executive order or approved by OMB.

(b) *Recipient responsibilities.* The standards contained in this section do not relieve the recipient of the contractual responsibilities arising under its contract(s). The recipient is the responsible authority, without recourse to HUD, regarding the settlement and satisfaction of all contractual and administrative issues arising out of procurements entered into in support of an award or other agreement. This includes disputes, claims, protests of award, source evaluation or other matters of a contractual nature. Matters concerning violation of statute are to be referred to such Federal, State or local authority as may have proper jurisdiction.

(c) *Codes of conduct.* The recipient shall maintain written standards of conduct governing the performance of its employees engaged in the award and administration of contracts. No employee, officer, or agent shall participate in the selection, award, or administration of a contract supported by Federal funds if a real or apparent conflict of interest would be involved.

Such a conflict would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in the firm selected for an award. The officers, employees, and agents of the recipient shall neither solicit nor accept gratuities, favors, or anything of monetary value from contractors, or parties to subagreements. However, recipients may set standards for situations in which the financial interest is not substantial or the gift is an unsolicited item of nominal value. The standards of conduct shall provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the recipient.

(d) *Competition.* All procurement transactions shall be conducted in a manner to provide, to the maximum extent practical, open and free competition. The recipient shall be alert to organizational conflicts of interest as well as noncompetitive practices among contractors that may restrict or eliminate competition or otherwise restrain trade. In order to ensure objective contractor performance and eliminate unfair competitive advantage, contractors that develop or draft specifications, requirements, statements of work, invitations for bids and/or requests for proposals shall be excluded from competing for such procurements. Awards shall be made to the bidder or offeror whose bid or offer is responsive to the solicitation and is most advantageous to the recipient, price, quality and other factors considered. The other factors shall include the bidder's or offeror's compliance with Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u), hereafter referred to as "Section 3." Section 3 provides that, to the greatest extent feasible, and consistent with existing Federal, State, and local laws, and regulations, economic opportunities generated by certain HUD financial assistance shall be directed to low- and very low-income persons. Solicitations shall clearly set forth all requirements that the bidder or offeror shall fulfill in order for the bid or offer to be evaluated by the recipient. Any and all bids

or offers may be rejected when it is in the recipient's interest to do so.

(e) *Procurement procedures.* (1) All recipients shall establish written procurement procedures. These procedures shall provide for, at a minimum, that paragraphs (e)(1)(i), (e)(1)(ii) and (e)(1)(iii) of this section apply.

(i) Recipients avoid purchasing unnecessary items.

(ii) Where appropriate, an analysis is made of lease and purchase alternatives to determine which would be the most economical and practical procurement for the recipient.

(iii) Solicitations for goods and services provide for all of the following.

(A) A clear and accurate description of the technical requirements for the material, product or service to be procured. In competitive procurements, such a description shall not contain features which unduly restrict competition.

(B) Requirements which the bidder/offeror must fulfill and all other factors to be used in evaluating bids or proposals.

(C) A description, whenever practicable, of technical requirements in terms of functions to be performed or performance required, including the range of acceptable characteristics or minimum acceptable standards.

(D) The specific features of "brand name or equal" descriptions that bidders are required to meet when such items are included in the solicitation.

(E) The acceptance, to the extent practicable and economically feasible, of products and services dimensioned in the metric system of measurement.

(F) Preference, to the extent practicable and economically feasible, for products and services that conserve natural resources and protect the environment and are energy efficient.

(2) Positive efforts shall be made by recipients to utilize small businesses, minority-owned firms, and women's business enterprises, whenever possible. Recipients of Federal awards shall take all of the following steps to further this goal.

(i) Ensure that small businesses, minority-owned firms, and women's business enterprises are used to the fullest extent practicable.

(ii) Make information on forthcoming opportunities available and arrange time frames for purchases and contracts to encourage and facilitate participation by small businesses, minority-owned firms, and women's business enterprises.

(iii) Consider in the contract process whether firms competing for larger contracts intend to subcontract with small businesses, minority-owned firms, and women's business enterprises.

(iv) Encourage contracting with consortiums of small businesses, minority-owned firms and women's business enterprises when a contract is too large for one of these firms to handle individually.

(v) Use the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Department of Commerce's Minority Business Development Agency in the solicitation and utilization of small businesses, minority-owned firms and women's business enterprises.

(3) The type of procuring instruments used (e.g., fixed price contracts, cost reimbursable contracts, purchase orders, and incentive contracts) shall be determined by the recipient but shall be appropriate for the particular procurement and for promoting the best interest of the program or project involved. The "cost-plus-a-percentage-of-cost" or "percentage of construction cost" methods of contracting shall not be used.

(4) Contracts shall be made only with responsible contractors who possess the potential ability to perform successfully under the terms and conditions of the proposed procurement. Consideration shall be given to such matters as contractor integrity; compliance with public policy, including, where applicable, Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u); record of past performance; financial and technical resources or accessibility to other necessary resources. In certain circumstances, contracts with certain parties are restricted by agencies' implementation of E.O.'s 12549 and 12689, "Debarment and Suspension," as set forth at 24 CFR part 24.

(5) Recipients shall, on request, make available for the Federal awarding agency, pre-award review and procurement documents, such as requests for proposals or invitations for bids, independent cost estimates, etc., when any of the following conditions apply.

(i) A recipient's procurement procedures or operation fails to comply with the procurement standards in HUD's implementation of Circular A-110.

(ii) The procurement is expected to exceed \$100,000 or the small purchase threshold fixed at 41 U.S.C. 403 (11), whichever is greater, and is to be awarded without competition or only one bid or offer is received in response to a solicitation.

(iii) The procurement, which is expected to exceed the small purchase threshold, specifies a "brand name" product.

(iv) The proposed award over the small purchase threshold is to be awarded to other than the apparent low bidder under a sealed bid procurement.

(v) A proposed contract modification changes the scope of a contract or increases the contract amount by more than the amount of the small purchase threshold.

(f) *Cost and price analysis.* Some form of cost or price analysis shall be made and documented in the procurement files in connection with every procurement action. Price analysis may be accomplished in various ways, including the comparison of price quotations submitted, market prices and similar indicia, together with discounts. Cost analysis is the review and evaluation of each element of cost to determine reasonableness, allocability and allowability.

(g) *Procurement records.* Procurement records and files for purchases in excess of the small purchase threshold shall include the following at a minimum:

- (1) Basis for contractor selection;
- (2) Justification for lack of competition when competitive bids or offers are not obtained; and
- (3) Basis for award cost or price.

(h) *Contract administration.* A system for contract administration shall be maintained to ensure contractor conformance with the terms, conditions

and specifications of the contract and to ensure adequate and timely follow up of all purchases. Recipients shall evaluate contractor performance and document, as appropriate, whether contractors have met the terms, conditions and specifications of the contract.

(i) *Contract provisions.* The recipient shall include, in addition to provisions to define a sound and complete agreement, the following provisions in all contracts. The following provisions shall also be applied to subcontracts.

(1) Contracts in excess of the small purchase threshold shall contain contractual provisions or conditions that allow for administrative, contractual, or legal remedies in instances in which a contractor violates or breaches the contract terms, and provide for such remedial actions as may be appropriate.

(2) All contracts in excess of the small purchase threshold shall contain suitable provisions for termination by the recipient, including the manner by which termination shall be effected and the basis for settlement. In addition, such contracts shall describe conditions under which the contract may be terminated for default as well as conditions where the contract may be terminated because of circumstances beyond the control of the contractor.

(3) Except as otherwise required by statute, an award that requires the contracting (or subcontracting) for construction or facility improvements shall provide for the recipient to follow its own requirements relating to bid guarantees, performance bonds, and payment bonds unless the construction contract or subcontract exceeds \$100,000. For those contracts or subcontracts exceeding \$100,000, HUD may accept the bonding policy and requirements of the recipient, provided HUD has made a determination that the Federal Government's interest is adequately protected. If such a determination has not been made, the minimum requirements shall be as follows:

(i) A bid guarantee from each bidder equivalent to five percent of the bid price. The "bid guarantee" shall consist of a firm commitment such as a bid bond, certified check, or other negotiable instrument accompanying a

bid as assurance that the bidder shall, upon acceptance of his bid, execute such contractual documents as may be required within the time specified.

(ii) A performance bond on the part of the contractor for 100 percent of the contract price. A "performance bond" is one executed in connection with a contract to secure fulfillment of all the contractor's obligations under such contract.

(iii) A payment bond on the part of the contractor for 100 percent of the contract price. A "payment bond" is one executed in connection with a contract to assure payment as required by statute of all persons supplying labor and material in the execution of the work provided for in the contract.

(iv) Where bonds are required in the situations described herein, the bonds shall be obtained from companies holding certificates of authority as acceptable sureties pursuant to 31 CFR part 223, "Surety Companies Doing Business with the United States."

(4) All negotiated contracts (except those for less than the small purchase threshold) awarded by recipients shall include a provision to the effect that the recipient, HUD, the Comptroller General of the United States, or any of their duly authorized representatives, shall have access to any books, documents, papers and records of the contractor which are directly pertinent to a specific program for the purpose of making audits, examinations, excerpts and transcriptions.

(5) All contracts, including small purchases, awarded by recipients and their contractors shall contain the procurement provisions of Appendix A to this rule, as applicable.

§ 84.85 Reports and records.

(a) *Purpose of reports and records.* Paragraphs (b) and (c) of this section set forth the procedures for monitoring and reporting on the recipient's financial and program performance and the necessary standard reporting forms. They also set forth record retention requirements.

(b) *Monitoring and reporting program performance.* (1) Recipients are responsible for managing and monitoring each project, program, subaward, function or activity supported by the

award. Recipients shall monitor sub-awards to ensure subrecipients have met the audit requirements as delineated in § 84.82(e).

(2) The Federal awarding agency shall prescribe the frequency with which the performance reports shall be submitted. Except as provided in paragraph (b)(6) of this section, performance reports shall not be required more frequently than quarterly or less frequently than annually. Annual reports shall be due 90 calendar days after the grant year; quarterly or semi-annual reports shall be due 30 days after the reporting period. The Federal awarding agency may require annual reports before the anniversary dates of multiple year awards in lieu of these requirements. The final performance reports are due 90 calendar days after the expiration or termination of the award.

(3) If inappropriate, a final technical or performance report shall not be required after completion of the project.

(4) When required, performance reports shall generally contain, for each award, brief information on each of the following:

(i) A comparison of actual accomplishments with the goals and objectives established for the period, the findings of the investigator, or both. Whenever appropriate and the output of programs or projects can be readily quantified, such quantitative data should be related to cost data for computation of unit costs.

(ii) Reasons why established goals were not met, if appropriate.

(5) Recipients shall not be required to submit more than the original and two copies of performance reports.

(6) Recipients shall immediately notify HUD of developments that have a significant impact on the award-supported activities. Also, notification shall be given in the case of problems, delays, or adverse conditions which materially impair the ability to meet the objectives of the award. This notification shall include a statement of the action taken or contemplated, and any assistance needed to resolve the situation.

(7) HUD may make site visits, as needed.

(8) HUD shall comply with clearance requirements of 5 CFR part 1320 when

§ 84.86

requesting performance data from recipients.

(c) *Retention and access requirements for records.* (1) This paragraph (c) sets forth requirements for record retention and access to records for awards to recipients. Federal awarding agencies shall not impose any other record retention or access requirements upon recipients.

(2) Financial records, supporting documents, statistical records, and all other records pertinent to an award shall be retained for a period of three years from the date of submission of the final expenditure report or, for awards that are renewed quarterly or annually, from the date of the submission of the quarterly or annual financial report, as authorized by HUD. The only exceptions are the following.

(i) If any litigation, claim, or audit is started before the expiration of the 3-year period, the records shall be retained until all litigation, claims or audit findings involving the records have been resolved and final action taken.

(ii) Records for real property and equipment acquired with Federal funds shall be retained for 3 years after final disposition.

(iii) When records are transferred to or maintained by the Federal awarding agency, the 3-year retention requirement is not applicable to the recipient.

(3) Copies of original records may be substituted for the original records if authorized by HUD.

(4) HUD shall request transfer of certain records to its custody from recipients when it determines that the records possess long term retention value. However, in order to avoid duplicate recordkeeping, HUD may make arrangements for recipients to retain any records that are continuously needed for joint use.

(5) HUD, the Inspector General, Comptroller General of the United States, or any of their duly authorized representatives, have the right of timely and unrestricted access to any books, documents, papers, or other records of recipients that are pertinent to the awards, in order to make audits, examinations, excerpts, transcripts and copies of such documents. This right also includes timely and reasonable ac-

24 CFR Subtitle A (4-1-07 Edition)

cess to a recipient's personnel for the purpose of interview and discussion related to such documents. The rights of access in this paragraph (c)(5) are not limited to the required retention period, but shall last as long as records are retained.

(6) Unless required by statute, HUD shall not place restrictions on recipients that limit public access to the records of recipients that are pertinent to an award, except when HUD can demonstrate that such records shall be kept confidential and would have been exempted from disclosure pursuant to the Freedom of Information Act (5 U.S.C. 552) if the records had belonged to HUD.

§ 84.86 Termination and enforcement.

(a) *Termination.* (1) Awards may be terminated in whole or in part only if paragraphs (a)(1)(i), (a)(1)(ii), or (a)(1)(iii) of this section apply.

(i) By HUD, if a recipient materially fails to comply with the terms and conditions of an award.

(ii) By HUD with the consent of the recipient, in which case the two parties shall agree upon the termination conditions, including the effective date and, in the case of partial termination, the portion to be terminated.

(iii) By the recipient upon sending to HUD written notification setting forth the reasons for such termination, the effective date, and, in the case of partial termination, the portion to be terminated. However, if HUD determines in the case of partial termination that the reduced or modified portion of the grant will not accomplish the purposes for which the grant was made, it may terminate the grant in its entirety under either paragraphs (a)(1)(i) or (a)(1)(ii) of this section.

(2) If costs are allowed under an award, the responsibilities of the recipient referred to in § 84.87(a)(1), including those for property management as applicable, shall be considered in the termination of the award, and provision shall be made for continuing responsibilities of the recipient after termination, as appropriate.

(3) If costs are allowed, the cost principles in § 84.27 apply, even though the award was made on a lump-sum basis.

Alternatively, a termination settlement may be reached by prorating the grant amount against the percentage of completion or by some other method as determined by the Grant Officer, as long as the method used results in an equitable settlement to both parties.

(b) *Enforcement*—(1) *Remedies for non-compliance*. If a recipient materially fails to comply with the terms and conditions of an award, whether stated in a Federal statute, regulation, assurance, application, or notice of award, HUD may, in addition to imposing any of the special conditions outlined in §84.14, take one or more of the following actions, as appropriate in the circumstances.

(i) Temporarily withhold cash payments pending correction of the deficiency by the recipient or more severe enforcement action by HUD.

(ii) Wholly or partly suspend or terminate the current award.

(iii) Withhold further awards for the project or program.

(iv) Take other remedies that may be legally available.

(2) *Hearings and appeals*. In taking an enforcement action, HUD shall provide the recipient an opportunity for hearing, appeal, or other administrative proceeding to which the recipient is entitled under any statute or regulation applicable to the action involved.

(3) *Effects of suspension and termination*. Costs of a recipient resulting from obligations incurred by the recipient during a suspension or after termination of an award are not allowable unless HUD expressly authorizes them in the notice of suspension or termination or subsequently. Other recipient costs during suspension or after termination which are necessary and not reasonably avoidable are allowable if paragraphs (b)(3)(i) and (b)(3)(ii) of this section apply.

(i) The costs result from obligations which were properly incurred by the recipient before the effective date of suspension or termination, are not in anticipation of it, and in the case of a termination, are noncancellable.

(ii) The costs would be allowable if the award were not suspended or expired normally at the end of the funding period in which the termination takes effect.

(4) *Relationship to debarment and suspension*. The enforcement remedies identified in this section, including suspension and termination, do not preclude a recipient from being subject to debarment and suspension under E.O.s 12549 and 12689 and HUD's implementing regulations at 24 CFR part 24 (see §84.13).

§84.87 Closeout procedures, subsequent adjustments and continuing responsibilities.

(a) *Closeout procedures*. (1) Recipients shall submit, within 90 calendar days after the date of completion of the award, all financial, performance, and other reports as required by the terms and conditions of the award. HUD may approve extensions when requested by the recipient.

(2) The recipient shall account for any real and personal property acquired with Federal funds or received from the Federal Government in accordance with §§84.83(b) through (g).

(b) *Subsequent adjustments and continuing responsibilities*. (1) The closeout of an award does not affect any of the following:

(i) Audit requirements in §84.26.

(ii) Property management requirements in §§84.83(b) through (g).

(iii) Records retention as required in §84.53.

(2) After closeout of an award, a relationship created under an award may be modified or ended in whole or in part with the consent of HUD and the recipient, provided the responsibilities of the recipient are considered and provisions made for continuing responsibilities of the recipient, as appropriate.

APPENDIX A TO PART 84—CONTRACT PROVISIONS

All contracts, awarded by a recipient including small purchases, shall contain the following provisions as applicable:

1. *Equal Employment Opportunity*—All contracts shall contain a provision requiring compliance with E.O. 11246, "Equal Employment Opportunity," as amended by E.O. 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and as supplemented by regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

2. *Copeland "Anti-Kickback" Act (18 U.S.C. 874 and 40 U.S.C. 276c)*—All contracts and subgrants in excess of \$2000 for construction or repair awarded by recipients and subrecipients shall include a provision for compliance with the Copeland "Anti-Kickback" Act (18 U.S.C. 874), as supplemented by Department of Labor regulations (29 CFR part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient shall be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he is otherwise entitled. The recipient shall report all suspected or reported violations to HUD.

3. *Davis-Bacon Act, as amended (40 U.S.C. 276a to a-7)*—When required by Federal program legislation, all construction contracts awarded by the recipients and subrecipients of more than \$2000 shall include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 276a to a-7) and as supplemented by Department of Labor regulations (29 CFR part 5, "Labor Standards Provisions Applicable to Contracts Governing Federally Financed and Assisted Construction"). Under this Act, contractors shall be required to pay wages to laborers and mechanics at a rate not less than the minimum wages specified in a wage determination made by the Secretary of Labor. In addition, contractors shall be required to pay wages not less than once a week. The recipient shall place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation and the award of a contract shall be conditioned upon the acceptance of the wage determination. The recipient shall report all suspected or reported violations to HUD.

4. *Contract Work Hours and Safety Standards Act (40 U.S.C. 327 through 333)*—Where applicable, all contracts awarded by recipients in excess of \$2000 for construction contracts and in excess of \$2500 for other contracts that involve the employment of mechanics or laborers shall include a provision for compliance with Sections 102 and 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C. 327-333), as supplemented by Department of Labor regulations (29 CFR part 5). Under Section 102 of the Act, each contractor shall be required to compute the wages of every mechanic and laborer on the basis of a standard workweek of 40 hours. Work in excess of the standard workweek is permissible provided that the worker is compensated at a rate of not less than 1½ times the basic rate of pay for all hours worked in excess of 40 hours in the workweek. Section 107 of the Act is applicable to construction work and provides that no laborer or mechanic shall be required to work in sur-

roundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

5. *Rights to Inventions Made Under a Contract or Agreement*—Contracts or agreements for the performance of experimental, developmental, or research work shall provide for the rights of the Federal Government and the recipient in any resulting invention in accordance with 37 CFR part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by HUD.

6. *Clean Air Act (42 U.S.C. 7401 et seq.) and the Federal Water Pollution Control Act (33 U.S.C. 1251 et seq.)*, as amended—Contracts and subgrants of amounts in excess of \$100,000 shall contain a provision that requires the recipient to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401 et seq.) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251 et seq.). Violations shall be reported to HUD and the Regional Office of the Environmental Protection Agency (EPA).

7. *Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)*—Contractors who apply or bid for an award of \$100,000 or more shall file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient.

8. *Debarment and Suspension (E.O.s 12549 and 12689)*—No contract shall be made to parties listed on the General Services Administration's List of Parties Excluded from Federal Procurement or Nonprocurement Programs in accordance with E.O.s 12549 and 12689, "Debarment and Suspension," as set forth at 24 CFR part 24. This list contains the names of parties debarred, suspended, or otherwise excluded by agencies, and contractors declared ineligible under statutory or regulatory authority other than E.O. 12549. Contractors with awards that exceed the small purchase threshold shall provide the required certification regarding its exclusion status and that of its principal employees.

Office of the Secretary, HUD

§ 85.3

9. *Drug-Free Workplace Requirements*—The Drug-Free Workplace Act of 1988 (42 U.S.C. 701) requires grantees (including individuals) of federal agencies, as a prior condition of being awarded a grant, to certify that they will provide drug-free workplaces. Each potential recipient must certify that it will comply with drug-free workplace requirements in accordance with the Act and with HUD's rules at 24 CFR part 24, subpart F.

Subpart A—General

§ 85.1 Purpose and scope of this part.

This part establishes uniform administrative rules for Federal grants and cooperative agreements and subawards to State, local and Indian tribal governments.

§ 85.2 Scope of subpart.

This subpart contains general rules pertaining to this part and procedures for control of exceptions from this part.

§ 85.3 Definitions.

As used in this part:

Accrued expenditures mean the charges incurred by the grantee during a given period requiring the provision of funds for: (1) Goods and other tangible property received; (2) services performed by employees, contractors, subgrantees, subcontractors, and other payees; and (3) other amounts becoming owed under programs for which no current services or performance is required, such as annuities, insurance claims, and other benefit payments.

Accrued income means the sum of: (1) Earnings during a given period from services performed by the grantee and goods and other tangible property delivered to purchasers, and (2) amounts becoming owed to the grantee for which no current services or performance is required by the grantee.

Acquisition cost of an item of purchased equipment means the net invoice unit price of the property including the cost of modifications, attachments, accessories, or auxiliary apparatus necessary to make the property usable for the purpose for which it was acquired. Other charges such as the

§ 85.3

24 CFR Subtitle A (4-1-07 Edition)

cost of installation, transportation, taxes, duty or protective in-transit insurance, shall be included or excluded from the unit acquisition cost in accordance with the grantee's regular accounting practices.

Administrative requirements mean those matters common to grants in general, such as financial management, kinds and frequency of reports, and retention of records. These are distinguished from *programmatic* requirements, which concern matters that can be treated only on a program-by-program or grant-by-grant basis, such as kinds of activities that can be supported by grants under a particular program.

Awarding agency means (1) with respect to a grant, the Federal agency, and (2) with respect to a subgrant, the party that awarded the subgrant.

Cash contributions means the grantee's cash outlay, including the outlay of money contributed to the grantee or subgrantee by other public agencies and institutions, and private organizations and individuals. When authorized by Federal legislation, Federal funds received from other assistance agreements may be considered as grantee or subgrantee cash contributions.

Contract means (except as used in the definitions for *grant* and *subgrant* in this section and except where qualified by *Federal*) a procurement contract under a grant or subgrant, and means a procurement subcontract under a contract.

Cost sharing or matching means the value of the third party in-kind contributions and the portion of the costs of a federally assisted project or program not borne by the Federal Government.

Cost-type contract means a contract or subcontract under a grant in which the contractor or subcontractor is paid on the basis of the costs it incurs, with or without a fee.

Equipment means tangible, non-expendable, personal property having a useful life of more than one year and an acquisition cost of \$5,000 or more per unit. A grantee may use its own definition of equipment provided that such definition would at least include all equipment defined above.

Expenditure report means: (1) For non-construction grants, the SF-269 "Financial Status Report" (or other equivalent report); (2) for construction grants, the SF-271 "Outlay Report and Request for Reimbursement" (or other equivalent report).

Federally recognized Indian tribal government means the governing body or a governmental agency of any Indian tribe, band, nation, or other organized group or community (including any Native village as defined in section 3 of the Alaska Native Claims Settlement Act, 85 Stat 688) certified by the Secretary of the Interior as eligible for the special programs and services provided by him through the Bureau of Indian Affairs.

Government means a State or local government or a federally recognized Indian tribal government.

Grant means an award of financial assistance, including cooperative agreements, in the form of money, or property in lieu of money, by the Federal Government to an eligible grantee. The term does not include technical assistance which provides services instead of money, or other assistance in the form of revenue sharing, loans, loan guarantees, interest subsidies, insurance, or direct appropriations. Also, the term does not include assistance, such as a fellowship or other lump sum award, which the grantee is not required to account for.

Grantee means the government to which a grant is awarded and which is accountable for the use of the funds provided. The grantee is the entire legal entity even if only a particular component of the entity is designated in the grant award document.

Local government means a county, municipality, city, town, township, local public authority (including any public and Indian housing agency under the United States Housing Act of 1937) school district, special district, intrastate district, council of governments (whether or not incorporated as a nonprofit corporation under state law), any other regional or interstate government entity, or any agency or instrumentality of a local government.

Obligations means the amounts of orders placed, contracts and subgrants awarded, goods and services received,

and similar transactions during a given period that will require payment by the grantee during the same or a future period.

OMB means the United States Office of Management and Budget.

Outlays (expenditures) mean charges made to the project or program. They may be reported on a cash or accrual basis. For reports prepared on a cash basis, outlays are the sum of actual cash disbursement for direct charges for goods and services, the amount of indirect expense incurred, the value of in-kind contributions applied, and the amount of cash advances and payments made to contractors and subgrantees. For reports prepared on an accrued expenditure basis, outlays are the sum of actual cash disbursements, the amount of indirect expense incurred, the value of in-kind contributions applied, and the new increase (or decrease) in the amounts owed by the grantee for goods and other property received, for services performed by employees, contractors, subgrantees, subcontractors, and other payees, and other amounts becoming owed under programs for which no current services or performance are required, such as annuities, insurance claims, and other benefit payments.

Percentage of completion method refers to a system under which payments are made for construction work according to the percentage of completion of the work, rather than to the grantee's cost incurred.

Prior approval means documentation evidencing consent prior to incurring specific cost.

Real property means land, including land improvements, structures and appurtenances thereto, excluding movable machinery and equipment.

Share, when referring to the awarding agency's portion of real property, equipment or supplies, means the same percentage as the awarding agency's portion of the acquiring party's total costs under the grant to which the acquisition costs under the grant to which the acquisition cost of the property was charged. Only costs are to be counted—not the value of third-party in-kind contributions.

State means any of the several States of the United States, the District of Columbia, the Commonwealth of Puer-

to Rico, any territory or possession of the United States, or any agency or instrumentality of a State exclusive of local governments. The term does not include any public and Indian housing agency under United States Housing Act of 1937.

Subgrant means an award of financial assistance in the form of money, or property in lieu of money, made under a grant by a grantee to an eligible subgrantee. The term includes financial assistance when provided by contractual legal agreement, but does not include procurement purchases, nor does it include any form of assistance which is excluded from the definition of *grant* in this part.

Subgrantee means the government or other legal entity to which a subgrant is awarded and which is accountable to the grantee for the use of the funds provided.

Supplies means all tangible personal property other than *equipment* as defined in this part.

Suspension means depending on the context, either (1) temporary withdrawal of the authority to obligate grant funds pending corrective action by the grantee or subgrantee or a decision to terminate the grant, or (2) an action taken by a suspending official in accordance with agency regulations implementing E.O. 12549 to immediately exclude a person from participating in grant transactions for a period, pending completion of an investigation and such legal or debarment proceedings as may ensue.

Termination means permanent withdrawal of the authority to obligate previously-awarded grant funds before that authority would otherwise expire. It also means the voluntary relinquishment of that authority by the grantee or subgrantee. *Termination* does not include: (1) Withdrawal of funds awarded on the basis of the grantee's underestimate of the unobligated balance in a prior period; (2) Withdrawal of the unobligated balance as of the expiration of a grant; (3) Refusal to extend a grant or award additional funds, to make a competing or noncompeting continuation, renewal, extension, or supplemental award; or (4) voiding of a grant upon determination that the award was

§ 85.4

obtained fraudulently, or was otherwise illegal or invalid from inception.

Terms of a grant or subgrant mean all requirements of the grant or subgrant, whether in statute, regulations, or the award document.

Third party in-kind contributions mean property or services which benefit a federally assisted project or program and which are contributed by non-Federal third parties without charge to the grantee, or a cost-type contractor under the grant agreement.

Unliquidated obligations for reports prepared on a cash basis mean the amount of obligations incurred by the grantee that has not been paid. For reports prepared on an accrued expenditure basis, they represent the amount of obligations incurred by the grantee for which an outlay has not been recorded.

Unobligated balance means the portion of the funds authorized by the Federal agency that has not been obligated by the grantee and is determined by deducting the cumulative obligations from the cumulative funds authorized.

§ 85.4 Applicability.

(a) *General.* Subparts A–D of this part apply to all grants and subgrants to governments, except where inconsistent with Federal statutes or with regulations authorized in accordance with the exception provision of § 85.6, or:

(1) Grants and subgrants to State and local institutions of higher education or State and local hospitals.

(2) The block grants authorized by the Omnibus Budget Reconciliation Act of 1981 (Community Services; Preventive Health and Health Services; Alcohol, Drug Abuse, and Mental Health Services; Maternal and Child Health Services; Social Services; Low-Income Home Energy Assistance; States' Program of Community Development Block Grants for Small Cities; and Elementary and Secondary Education other than programs administered by the Secretary of Education under title V, subtitle D, chapter 2, section 583—the Secretary's discretionary grant program) and titles I–III of the Job Training Partnership Act of 1982 and under the Public Health Services Act

(c) Exceptions on a case-by-case basis and for subgrantees may be authorized by the affected Federal agencies.

Subpart B—Pre-Award Requirements

§ 85.10 Forms for applying for grants.

(a) *Scope.* (1) This section prescribes forms and instructions to be used by governmental organizations (except hospitals and institutions of higher education operated by a government) in applying for grants. This section is not applicable, however, to formula grant programs which do not require applicants to apply for funds on a project basis.

(2) This section applies only to applications to Federal agencies for grants, and is not required to be applied by grantees in dealing with applicants for subgrants. However, grantees are encouraged to avoid more detailed or burdensome application requirements for subgrants.

(b) *Authorized forms and instructions for governmental organizations.* (1) In applying for grants, applicants shall only use standard application forms or those prescribed by the granting agency with the approval of OMB under the Paperwork Reduction Act of 1980.

(2) Applicants are not required to submit more than the original and two copies of preapplications or applications.

(3) Applicants must follow all applicable instructions that bear OMB clearance numbers. Federal agencies may specify and describe the programs, functions, or activities that will be used to plan, budget, and evaluate the work under a grant. Other supplementary instructions may be issued only with the approval of OMB to the extent required under the Paperwork Reduction Act of 1980. For any standard form, except the SF-424 facesheet, Federal agencies may shade out or instruct the applicant to disregard any line item that is not needed.

(4) When a grantee applies for additional funding (such as a continuation or supplemental award) or amends a previously submitted application, only the affected pages need be submitted. Previously submitted pages with information that is still current need not be resubmitted.

§ 85.11 State plans.

(a) *Scope.* The statutes for some programs require States to submit plans before receiving grants. Under regulations implementing Executive Order 12372, "Intergovernmental Review of Federal Programs," States are allowed to simplify, consolidate and substitute plans. This section contains additional provisions for plans that are subject to regulations implementing the Executive order.

(b) *Requirements.* A State need meet only Federal administrative or programmatic requirements for a plan

§ 85.12

that are in statutes or codified regulations.

(c) *Assurances.* In each plan the State will include an assurance that the State shall comply with all applicable Federal statutes and regulations in effect with respect to the periods for which it receives grant funding. For this assurance and other assurances required in the plan, the State may:

(1) Cite by number the statutory or regulatory provisions requiring the assurances and affirm that it gives the assurances required by those provisions,

(2) Repeat the assurance language in the statutes or regulations, or

(3) Develop its own language to the extent permitted by law.

(d) *Amendments.* A State will amend a plan whenever necessary to reflect:

(1) New or revised Federal statutes or regulations or;

(2) A material change in any State law, organization, policy, or State agency operation. The State will obtain approval for the amendment and its effective date but need submit for approval only the amended portions of the plan.

§ 85.12 Special grant or subgrant conditions for “high-risk” grantees.

(a) A grantee or subgrantee may be considered *high risk* if an awarding agency determines that a grantee or subgrantee:

(1) Has a history of unsatisfactory performance, or

(2) Is not financially stable, or

(3) Has a management system which does not meet the management standards set forth in this part, or

(4) Has not conformed to terms and conditions of previous awards, or

(5) Is otherwise not responsible; and if the awarding agency determines that an award will be made, special conditions and/or restrictions shall correspond to the high risk condition and shall be included in the award.

(b) Special conditions or restrictions may include:

(1) Payment on a reimbursement basis;

(2) Withholding authority to proceed to the next phase until receipt of evidence of acceptable performance within a given funding period;

24 CFR Subtitle A (4–1–07 Edition)

(3) Requiring additional, more detailed financial reports;

(4) Additional project monitoring;

(5) Requiring the grantee or subgrantee to obtain technical or management assistance; or

(6) Establishing additional prior approvals.

(c) If an awarding agency decides to impose such conditions, the awarding official will notify the grantee or subgrantee as early as possible, in writing, of:

(1) The nature of the special conditions/restrictions;

(2) The reason(s) for imposing them;

(3) The corrective actions which must be taken before they will be removed and the time allowed for completing the corrective actions and

(4) The method of requesting reconsideration of the conditions/restrictions imposed.

Subpart C—Post-Award Requirements

FINANCIAL ADMINISTRATION

§ 85.20 Standards for financial management systems.

(a) A State must expand and account for grant funds in accordance with State laws and procedures for expending and accounting for its own funds. Fiscal control and accounting procedures of the State, as well as its subgrantees and cost-type contractors, must be sufficient to—

(1) Permit preparation of reports required by this part and the statutes authorizing the grant, and

(2) Permit the tracing of funds to a level of expenditures adequate to establish that such funds have not been used in violation of the restrictions and prohibitions of applicable statutes.

(b) The financial management systems of other grantees and subgrantees must meet the following standards:

(1) *Financial reporting.* Accurate, current, and complete disclosure of the financial results of financially assisted activities must be made in accordance with the financial reporting requirements of the grant or subgrant.

(2) *Accounting records.* Grantees and subgrantees must maintain records which adequately identify the source

and application of funds provided for financially-assisted activities. These records must contain information pertaining to grant or subgrant awards and authorizations, obligations, unobligated balances, assets, liabilities, outlays or expenditures, and income.

(3) *Internal control.* Effective control and accountability must be maintained for all grant and subgrant cash, real and personal property, and other assets. Grantees and subgrantees must adequately safeguard all such property and must assure that it is used solely for authorized purposes.

(4) *Budget control.* Actual expenditures or outlays must be compared with budgeted amounts for each grant or subgrant. Financial information must be related to performance or productivity data, including the development of unit cost information whenever appropriate or specifically required in the grant or subgrant agreement. If unit cost data are required, estimates based on available documentation will be accepted whenever possible.

(5) *Allowable cost.* Applicable OMB cost principles, agency program regulations, and the terms of grant and subgrant agreements will be followed in determining the reasonableness, allowability, and allocability of costs.

(6) *Source documentation.* Accounting records must be supported by such source documentation as cancelled checks, paid bills, payrolls, time and attendance records, contract and subgrant award documents, etc.

(7) *Cash management.* Procedures for minimizing the time elapsing between the transfer of funds from the U.S. Treasury and disbursement by grantees and subgrantees must be followed whenever advance payment procedures are used. Grantees must establish reasonable procedures to ensure the receipt of reports on subgrantees' cash balances and cash disbursements in sufficient time to enable them to prepare complete and accurate cash transactions reports to the awarding agency. When advances are made by letter-of-credit or electronic transfer of funds methods, the grantee must make drawdowns as close as possible to the time of making disbursements. Grantees must monitor cash drawdowns by

their subgrantees to assure that they conform substantially to the same standards of timing and amount as apply to advances to the grantees.

(c) An awarding agency may review the adequacy of the financial management system of any applicant for financial assistance as part of a preaward review or at any time subsequent to award.

§ 85.21 Payment.

(a) *Scope.* This section prescribes the basic standard and the methods under which a Federal agency will make payments to grantees, and grantees will make payments to subgrantees and contractors.

(b) *Basic standard.* Methods and procedures for payment shall minimize the time elapsing between the transfer of funds and disbursement by the grantee or subgrantee, in accordance with Treasury regulations at 31 CFR part 205.

(c) *Advances.* Grantees and subgrantees shall be paid in advance, provided they maintain or demonstrate the willingness and ability to maintain procedures to minimize the time elapsing between the transfer of the funds and their disbursement by the grantee or subgrantee.

(d) *Reimbursement.* Reimbursement shall be the preferred method when the requirements in paragraph (c) of this section are not met. Grantees and subgrantees may also be paid by reimbursement for any construction grant. Except as otherwise specified in regulation, Federal agencies shall not use the percentage of completion method to pay construction grants. The grantee or subgrantee may use that method to pay its construction contractor, and if it does, the awarding agency's payments to the grantee or subgrantee will be based on the grantee's or subgrantee's actual rate of disbursement.

(e) *Working capital advances.* If a grantee cannot meet the criteria for advance payments described in paragraph (c) of this section, and the Federal agency has determined that reimbursement is not feasible because the grantee lacks sufficient working capital, the awarding agency may provide cash or a working capital advance

§ 85.22

basis. Under this procedure the awarding agency shall advance cash to the grantee to cover its estimated disbursement needs for an initial period generally geared to the grantee's disbursing cycle. Thereafter, the awarding agency shall reimburse the grantee for its actual cash disbursements. The working capital advance method of payment shall not be used by grantees or subgrantees if the reason for using such method is the unwillingness or inability of the grantee to provide timely advances to the subgrantee to meet the subgrantee's actual cash disbursements.

(f) *Effect of program income, refunds, and audit recoveries on payment.* (1) Grantees and subgrantees shall disburse repayments to and interest earned on a revolving fund before requesting additional cash payments for the same activity.

(2) Except as provided in paragraph (f)(1) of this section, grantees and subgrantees shall disburse program income, rebates, refunds, contract settlements, audit recoveries and interest earned on such funds before requesting additional cash payments.

(g) *Withholding payments.* (1) Unless otherwise required by Federal statute, awarding agencies shall not withhold payments for proper charges incurred by grantees or subgrantees unless—

(i) The grantee or subgrantee has failed to comply with grant award conditions or

(ii) The grantee or subgrantee is indebted to the United States.

(2) Cash withheld for failure to comply with grant award condition, but without suspension of the grant, shall be released to the grantee upon subsequent compliance. When a grant is suspended, payment adjustments will be made in accordance with § 85.43(c).

(3) A Federal agency shall not make payment to grantees for amounts that are withheld by grantees or subgrantees from payment to contractors to assure satisfactory completion of work. Payments shall be made by the Federal agency when the grantees or subgrantees actually disburse the withheld funds to the contractors or to escrow accounts established to assure satisfactory completion of work.

24 CFR Subtitle A (4–1–07 Edition)

(h) *Cash depositories.* (1) Consistent with the national goal of expanding the opportunities for minority business enterprises, grantees and subgrantees are encouraged to use minority banks (a bank which is owned at least 50 percent by minority group members). A list of minority owned banks can be obtained from the Minority Business Development Agency, Department of Commerce, Washington, DC 20230.

(2) A grantee or subgrantee shall maintain a separate bank account only when required by Federal-State agreement.

(i) *Interest earned on advances.* Except for interest earned on advances of funds exempt under the Intergovernmental Cooperation Act (31 U.S.C. 6501 *et seq.*) and the Indian Self-Determination Act (23 U.S.C. 450), grantees and subgrantees shall promptly, but at least quarterly, remit interest earned on advances to the Federal agency. The grantee or subgrantee may keep interest amounts up to \$100 per year for administrative expenses.

§ 85.22 Allowable costs.

(a) *Limitation on use of funds.* Grant funds may be used only for:

(1) The allowable costs of the grantees, subgrantees and cost-type contractors, including allowable costs in the form of payments to fixed-price contractors; and

(2) Reasonable fees or profit to cost-type contractors but not any fee or profit (or other increment above allowable costs) to the grantee or subgrantee.

(b) *Applicable cost principles.* For each kind of organization, there is a set of Federal principles for determining allowable costs. Allowable costs will be determined in accordance with the cost principles applicable to the organization incurring the costs. The following chart lists the kinds of organizations and the applicable cost principles.

§ 85.23 Period of availability of funds.

(a) *General.* Where a funding period is specified, a grantee may charge to the award only costs resulting from obligations of the funding period unless carryover of unobligated balances is permitted, in which case the carryover balances may be charged for costs resulting from obligations of the subsequent funding period.

(b) *Liquidation of obligations.* A grantee must liquidate all obligations incurred under the award not later than 90 days after the end of the funding period (or as specified in a program regulation) to coincide with the submission of the annual Financial Status Report (SF-269). The Federal agency may extend this deadline at the request of the grantee.

§ 85.24 Matching or cost sharing.

(a) *Basic rule: Costs and contributions acceptable.* With the qualifications and exceptions listed in paragraph (b) of this section, a matching or cost sharing requirement may be satisfied by either or both of the following:

(1) Allowable costs incurred by the grantee, subgrantee or a cost-type contractor under the assistance agreement. This includes allowable costs borne by non-Federal grants or by others cash donations from non-Federal third parties.

(2) The value of third party in-kind contributions applicable to the period to which the cost sharing or matching requirements applies.

(b) *Qualifications and exceptions—(1) Costs borne by other Federal grant agreements.* Except as provided by Federal statute, a cost sharing or matching requirement may not be met by costs borne by another Federal grant. This prohibition does not apply to income earned by a grantee or subgrantee from a contract awarded under another Federal grant.

(2) *General revenue sharing.* For the purpose of this section, general revenue sharing funds distributed under 31 U.S.C. 6702 are not considered Federal grant funds.

(3) *Cost or contributions counted towards other Federal costs-sharing requirements.* Neither costs nor the values of third party in-kind contributions may count towards satisfying a cost sharing or matching requirement of a grant agreement if they have been or will be counted towards satisfying a cost sharing or matching requirement of another Federal grant agreement, a Federal procurement contract, or any other award of Federal funds.

(4) *Costs financed by program income.* Costs financed by program income, as defined in § 85.25, shall not count towards satisfying a cost sharing or matching requirement unless they are expressly permitted in the terms of the assistance agreement. (This use of general program income is described in § 85.25(g).)

(5) *Services or property financed by income earned by contractors.* Contractors under a grant may earn income from the activities carried out under the contract in addition to the amounts earned from the party awarding the contract. No costs of services or property supported by this income may count toward satisfying a cost sharing or matching requirement unless other provisions of the grant agreement expressly permit this kind of income to be used to meet the requirement.

(6) *Records.* Costs and third party in-kind contributions counting towards satisfying a cost sharing or matching requirement must be verifiable from the records of grantees and subgrantee or cost-type contractors. These records must show how the value placed on third party in-kind contributions was derived. To the extent feasible, volunteer services will be supported by the same methods that the organization uses to support the allocability of regular personnel costs.

(7) *Special standards for third party in-kind contributions.* (i) Third party in-kind contributions count towards satisfying a cost sharing or matching requirement only where, if the party receiving the contributions were to pay

§ 85.24

for them, the payments would be allowable costs.

(ii) Some third party in-kind contributions are goods and services that, if the grantee, subgrantee, or contractor receiving the contribution had to pay for them, the payments would have been an indirect costs. Costs sharing or matching credit for such contributions shall be given only if the grantee, subgrantee, or contractor has established, along with its regular indirect cost rate, a special rate for allocating to individual projects or programs the value of the contributions.

(iii) A third party in-kind contribution to a fixed-price contract may count towards satisfying a cost sharing or matching requirement only if it results in:

(A) An increase in the services or property provided under the contract (without additional cost to the grantee or subgrantee) or

(B) A cost savings to the grantee or subgrantee.

(iv) The values placed on third party in-kind contributions for cost sharing or matching purposes will conform to the rules in the succeeding sections of this part. If a third party in-kind contribution is a type not treated in those sections, the value placed upon it shall be fair and reasonable.

(c) *Valuation of donated services*—(1) *Volunteer services.* Unpaid services provided to a grantee or subgrantee by individuals will be valued at rates consistent with those ordinarily paid for similar work in the grantee's or subgrantee's organization. If the grantee or subgrantee does not have employees performing similar work, the rates will be consistent with those ordinarily paid by other employers for similar work in the same labor market. In either case, a reasonable amount for fringe benefits may be included in the valuation.

(2) *Employees of other organizations.* When an employer other than a grantee, subgrantee, or cost-type contractor furnishes free of charge the services of an employee in the employee's normal line of work, the services will be valued at the employee's regular rate of pay exclusive of the employee's fringe benefits and overhead costs. If the services

24 CFR Subtitle A (4-1-07 Edition)

are in a different line of work, paragraph (c)(1) of this section applies.

(d) *Valuation of third party donated supplies and loaned equipment or space.*

(1) If a third party donates supplies, the contribution will be valued at the market value of the supplies at the time of donation.

(2) If a third party donates the use of equipment or space in a building but retains title, the contribution will be valued at the fair rental rate of the equipment or space.

(e) *Valuation of third party donated equipment, buildings, and land.* If a third party donates equipment, buildings, or land, and title passes to a grantee or subgrantee, the treatment of the donated property will depend upon the purpose of the grant or subgrant, as follows:

(1) *Awards for capital expenditures.* If the purpose of the grant or subgrant is to assist the grantee or subgrantee in the acquisition of property, the market value of that property at the time of donation may be counted as cost sharing or matching.

(2) *Other awards.* If assisting in the acquisition of property is not the purpose of the grant or subgrant, paragraphs (e)(2) (i) and (ii) of this section apply:

(i) If approval is obtained from the awarding agency, the market value at the time of donation of the donated equipment or buildings and the fair rental rate of the donated land may be counted as cost sharing or matching. In the case of a subgrant, the terms of the grant agreement may require that the approval be obtained from the Federal agency as well as the grantee. In all cases, the approval may be given only if a purchase of the equipment or rental of the land would be approved as an allowable direct cost. If any part of the donated property was acquired with Federal funds, only the non-federal share of the property may be counted as cost-sharing or matching.

(ii) If approval is not obtained under paragraph (e)(2)(i) of this section, no amount may be counted for donated land, and only depreciation or use allowances may be counted for donated equipment and buildings. The depreciation or use allowances for this property are not treated as third party in-kind

contributions. Instead, they are treated as costs incurred by the grantee or subgrantee. They are computed and allocated (usually as indirect costs) in accordance with the cost principles specified in §85.22, in the same way as depreciation or use allowances for purchased equipment and buildings. The amount of depreciation or use allowances for donated equipment and buildings is based on the property's market value at the time it was donated.

(f) *Valuation of grantee or subgrantee donated real property for construction/acquisition.* If a grantee or subgrantee donates real property for a construction or facilities acquisition project, the current market value of that property may be counted as cost sharing or matching. If any part of the donated property was acquired with Federal funds, only the non-federal share of the property may be counted as cost sharing or matching.

(g) *Appraisal of real property.* In some cases under paragraphs (d), (e) and (f) of this section, it will be necessary to establish the market value of land or a building or the fair rental rate of land or of space in a building. In these cases, the Federal agency may require the market value or fair rental value be set by an independent appraiser, and that the value or rate be certified by the grantee. This requirement will also be imposed by the grantee on subgrantees.

§85.25 Program income.

(a) *General.* Grantees are encouraged to earn income to defray program costs. Program income includes income from fees for services performed, from the use or rental of real or personal property acquired with grant funds, from the sale of commodities or items fabricated under a grant agreement, and from payments of principal and interest on loans made with grant funds. Except as otherwise provided in regulations of the Federal agency, program income does not include interest on grant funds, rebates, credits, discounts, refunds, etc. and interest earned on any of them.

(b) *Definition of program income.* Program income means gross income received by the grantee or subgrantee directly generated by a grant supported activity, or earned only as a result of

the grant agreement during the grant period. *During the grant period* is the time between the effective date of the award and the ending date of the award reflected in the final financial report.

(c) *Cost of generating program income.* If authorized by Federal regulations or the grant agreement, costs incident to the generation of program income may be deducted from gross income to determine program income.

(d) *Governmental revenues.* Taxes, special assessments, levies, fines, and other such revenues raised by a grantee or subgrantee are not program income unless the revenues are specifically identified in the grant agreement or Federal agency regulations as program income.

(e) *Royalties.* Income from royalties and license fees for copyrighted material, patents, and inventions developed by a grantee or subgrantee is program income only if the revenues are specifically identified in the grant agreement or Federal agency regulations as program income. (See §85.34.)

(f) *Property.* Proceeds from the sale of real property or equipment will be handled in accordance with the requirements of §§85.31 and 85.32.

(g) *Use of program income.* Program income shall be deducted from outlays which may be both Federal and non-Federal as described below, unless the Federal agency regulations or the grant agreement specify another alternative (or a combination of the alternatives). In specifying alternatives, the Federal agency may distinguish between income earned by the grantee and income earned by subgrantees and between the sources, kinds, or amounts of income. When Federal agencies authorize the alternatives in paragraphs (g) (2) and (3) of this section, program income in excess of any limits stipulated shall also be deducted from outlays.

(1) *Deduction.* Ordinarily program income shall be deducted from total allowable costs to determine the net allowable costs. Program income shall be used for current costs unless the Federal agency authorizes otherwise. Program income which the grantee did not anticipate at the time of the award shall be used to reduce the Federal

§ 85.26

agency and grantee contributions rather than to increase the funds committed to the project.

(2) *Addition.* When authorized, program income may be added to the funds committed to the grant agreement by the Federal agency and the grantee. The program income shall be used for the purposes and under the conditions of the grant agreement.

(3) *Cost sharing or matching.* When authorized, program income may be used to meet the cost sharing or matching requirement of the grant agreement. The amount of the Federal grant award remains the same.

(h) *Income after the award period.* There are no Federal requirements governing the disposition of program income earned after the end of the award period (i.e., until the ending date of the final financial report, see paragraph (a) of this section), unless the terms of the agreement or the Federal agency regulations provide otherwise.

§ 85.26 Non-Federal audit.

(a) *Basic rule.* Grantees and subgrantees are responsible for obtaining audits in accordance with the Single Audit Act Amendments of 1996 (31 U.S.C. 7501-7507) and revised OMB Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations." The audits shall be made by an independent auditor in accordance with generally accepted government auditing standards covering financial audits.

(b) *Subgrantees.* State or local governments, as those terms are defined for purposes of the Single Audit Act Amendments of 1996, that provide Federal awards to a subgrantee which expends \$300,000 or more (or other amount as specified by OMB) in Federal awards in a fiscal year, shall:

(1) Determine whether State or local subgrantees have met the audit requirements of the Act and whether subgrantees covered by OMB Circular A-110, "Uniform Administrative Requirements for Grants and Agreements with Institutions of Higher Education, Hospitals, and Other Non-Profit Organizations," have met the audit requirements of the Act. Commercial contractors (private for-profit and private and governmental organizations) providing

24 CFR Subtitle A (4-1-07 Edition)

goods and services to State and local governments are not required to have a single audit performed. State and local governments should use their own procedures to ensure that the contractor has complied with laws and regulations affecting the expenditure of Federal funds;

(2) Determine whether the subgrantee spent Federal assistance funds provided in accordance with applicable laws and regulations. This may be accomplished by reviewing an audit of the subgrantee made in accordance with the Act, Circular A-133 (as set forth in 24 CFR part 45), or through other means (e.g., program reviews) if the subgrantee has not had such an audit;

(3) Ensure that appropriate corrective action is taken within six months after receipt of the audit report in instance of noncompliance with Federal laws and regulations;

(4) Consider whether subgrantee audits necessitate adjustment of the grantee's own records; and

(5) Require each subgrantee to permit independent auditors to have access to the records and financial statements.

(c) *Auditor selection.* In arranging for audit services, § 85.36 shall be followed.

[53 FR 8068, 8087, Mar. 11, 1988, as amended at 57 FR 33255, July 27, 1992; 62 FR 61617, Nov. 18, 1997]

CHANGES, PROPERTY, AND SUBAWARDS

§ 85.30 Changes.

(a) *General.* Grantees and subgrantees are permitted to rebudget within the approved direct cost budget to meet unanticipated requirements and may make limited program changes to the approved project. However, unless waived by the awarding agency, certain types of post-award changes in budgets and projects shall require the prior written approval of the awarding agency.

(b) *Relation to cost principles.* The applicable cost principles (see § 85.22) contain requirements for prior approval of certain types of costs. Except where waived, those requirements apply to all grants and subgrants even if paragraphs (c) through (f) of this section do not.

(c) *Budget changes*—(1) *Nonconstruction projects*. Except as stated in other regulations or an award document, grantees or subgrantees shall obtain the prior approval of the awarding agency whenever any of the following changes is anticipated under a non-construction award:

(i) Any revision which would result in the need for additional funding.

(ii) Unless waived by the awarding agency, cumulative transfers among direct cost categories, or, if applicable, among separately budgeted programs, projects, functions, or activities which exceed or are expected to exceed ten percent of the current total approved budget, whenever the awarding agency's share exceeds \$100,000.

(iii) Transfer of funds allotted for training allowances (i.e., from direct payments to trainees to other expense categories).

(2) *Construction projects*. Grantees and subgrantees shall obtain prior written approval for any budget revision which would result in the need for additional funds.

(3) *Combined construction and non-construction projects*. When a grant or subgrant provides funding for both construction and nonconstruction activities, the grantee or subgrantee must obtain prior written approval from the awarding agency before making any fund or budget transfer from non-construction to construction or vice versa.

(d) *Programmatic changes*. Grantees or subgrantees must obtain the prior approval of the awarding agency whenever any of the following actions is anticipated:

(1) Any revision of the scope or objectives of the project (regardless of whether there is an associated budget revision requiring prior approval).

(2) Need to extend the period of availability of funds.

(3) Changes in key persons in cases where specified in an application or a grant award. In research projects, a change in the project director or principal investigator shall always require approval unless waived by the awarding agency.

(4) Under nonconstruction projects, contracting out, subgranting (if authorized by law) or otherwise obtaining

the services of a third party to perform activities which are central to the purposes of the award. This approval requirement is in addition to the approval requirements of § 85.36 but does not apply to the procurement of equipment, supplies, and general support services.

(e) *Additional prior approval requirements*. The awarding agency may not require prior approval for any budget revision which is not described in paragraph (c) of this section.

(f) *Requesting prior approval*. (1) A request for prior approval of any budget revision will be in the same budget format the grantee used in its application and shall be accompanied by a narrative justification for the proposed revision.

(2) A request for a prior approval under the applicable Federal cost principles (see § 85.22) may be made by letter.

(3) A request by a subgrantee for prior approval will be addressed in writing to the grantee. The grantee will promptly review such request and shall approve or disapprove the request in writing. A grantee will not approve any budget or project revision which is inconsistent with the purpose or terms and conditions of the Federal grant to the grantee. If the revision, requested by the subgrantee would result in a change to the grantee's approved project which requires Federal prior approval, the grantee will obtain the Federal agency's approval before approving the subgrantee's request.

§ 85.31 Real property.

(a) *Title*. Subject to the obligations and conditions set forth in this section, title to real property acquired under a grant or subgrant will vest upon acquisition in the grantee or subgrantee respectively.

(b) *Use*. Except as otherwise provided by Federal statutes, real property will be used for the originally authorized purposes as long as needed for that purposes, and the grantee or subgrantee shall not dispose of or encumber its title or other interests.

§ 85.32

24 CFR Subtitle A (4-1-07 Edition)

(c) *Disposition.* When real property is no longer needed for the originally authorized purpose, the grantee or subgrantee will request disposition instructions from the awarding agency. The instructions will provide for one of the following alternatives:

(1) *Retention of title.* Retain title after compensating the awarding agency. The amount paid to the awarding agency will be computed by applying the awarding agency's percentage of participation in the cost of the original purchase to the fair market value of the property. However, in those situations where a grantee or subgrantee is disposing of real property acquired with grant funds and acquiring replacement real property under the same program, the net proceeds from the disposition may be used as an offset to the cost of the replacement property.

(2) *Sale of property.* Sell the property and compensate the awarding agency. The amount due to the awarding agency will be calculated by applying the awarding agency's percentage of participation in the cost of the original purchase to the proceeds of the sale after deduction of any actual and reasonable selling and fixing-up expenses. If the grant is still active, the net proceeds from sale may be offset against the original cost of the property. When a grantee or subgrantee is directed to sell property, sales procedures shall be followed that provide for competition to the extent practicable and result in the highest possible return.

(3) *Transfer of title.* Transfer title to the awarding agency or to a third-party designated/approved by the awarding agency. The grantee or subgrantee shall be paid an amount calculated by applying the grantee or subgrantee's percentage of participation in the purchase of the real property to the current fair market value of the property.

§ 85.32 Equipment.

(a) *Title.* Subject to the obligations and conditions set forth in this section, title to equipment acquired under a grant or subgrant will vest upon acquisition in the grantee or subgrantee respectively.

(b) *States.* A State will use, manage, and dispose of equipment acquired

under a grant by the State in accordance with State laws and procedures. Other grantees and subgrantees will follow paragraphs (c) through (e) of this section.

(c) *Use.* (1) Equipment shall be used by the grantee or subgrantee in the program or project for which it was acquired as long as needed, whether or not the project or program continues to be supported by Federal funds. When no longer needed for the original program or project, the equipment may be used in other activities currently or previously supported by a Federal agency.

(2) The grantee or subgrantee shall also make equipment available for use on other projects or programs currently or previously supported by the Federal Government, providing such use will not interfere with the work on the projects or program for which it was originally acquired. First preference for other use shall be given to other programs or projects supported by the awarding agency. User fees should be considered if appropriate.

(3) Notwithstanding the encouragement in § 85.25(a) to earn program income, the grantee or subgrantee must not use equipment acquired with grant funds to provide services for a fee to compete unfairly with private companies that provide equivalent services, unless specifically permitted or contemplated by Federal statute.

(4) When acquiring replacement equipment, the grantee or subgrantee may use the equipment to be replaced as a trade-in or sell the property and use the proceeds to offset the cost of the replacement property, subject to the approval of the awarding agency.

(d) *Management requirements.* Procedures for managing equipment (including replacement equipment), whether acquired in whole or in part with grant funds, until disposition takes place will, as a minimum, meet the following requirements:

(1) Property records must be maintained that include a description of the property, a serial number or other identification number, the source of property, who holds title, the acquisition date, and cost of the property, percentage of Federal participation in the cost of the property, the location, use

and condition of the property, and any ultimate disposition data including the date of disposal and sale price of the property.

(2) A physical inventory of the property must be taken and the results reconciled with the property records at least once every two years.

(3) A control system must be developed to ensure adequate safeguards to prevent loss, damage, or theft of the property. Any loss, damage, or theft shall be investigated.

(4) Adequate maintenance procedures must be developed to keep the property in good condition.

(5) If the grantee or subgrantee is authorized or required to sell the property, proper sales procedures must be established to ensure the highest possible return.

(e) *Disposition.* When original or replacement equipment acquired under a grant or subgrant is no longer needed for the original project or program or for other activities currently or previously supported by a Federal agency, disposition of the equipment will be made as follows:

(1) Items of equipment with a current per-unit fair market value of less than \$5,000 may be retained, sold or otherwise disposed of with no further obligation to the awarding agency.

(2) Items of equipment with a current per unit fair market value in excess of \$5,000 may be retained or sold and the awarding agency shall have a right to an amount calculated by multiplying the current market value or proceeds from sale by the awarding agency's share of the equipment.

(3) In cases where a grantee or subgrantee fails to take appropriate disposition actions, the awarding agency may direct the grantee or subgrantee to take excess and disposition actions.

(f) *Federal equipment.* In the event a grantee or subgrantee is provided federally-owned equipment:

(1) Title will remain vested in the Federal Government.

(2) Grantees or subgrantees will manage the equipment in accordance with Federal agency rules and procedures, and submit an annual inventory listing.

(3) When the equipment is no longer needed, the grantee or subgrantee will

request disposition instructions from the Federal agency.

(g) *Right to transfer title.* The Federal awarding agency may reserve the right to transfer title to the Federal Government or a third part named by the awarding agency when such a third party is otherwise eligible under existing statutes. Such transfers shall be subject to the following standards:

(1) The property shall be identified in the grant or otherwise made known to the grantee in writing.

(2) The Federal awarding agency shall issue disposition instruction within 120 calendar days after the end of the Federal support of the project for which it was acquired. If the Federal awarding agency fails to issue disposition instructions within the 120 calendar-day period the grantee shall follow § 85.32(e).

(3) When title to equipment is transferred, the grantee shall be paid an amount calculated by applying the percentage of participation in the purchase to the current fair market value of the property.

§ 85.33 Supplies.

(a) *Title.* Title to supplies acquired under a grant or subgrant will vest, upon acquisition, in the grantee or subgrantee respectively.

(b) *Disposition.* If there is a residual inventory of unused supplies exceeding \$5,000 in total aggregate fair market value upon termination or completion of the award, and if the supplies are not needed for any other federally sponsored programs or projects, the grantee or subgrantee shall compensate the awarding agency for its share.

§ 85.34 Copyrights.

The Federal awarding agency reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use, for Federal Government purposes:

(a) The copyright in any work developed under a grant, subgrant, or contract under a grant or subgrant; and

(b) Any rights of copyright to which a grantee, subgrantee or a contractor purchases ownership with grant support.

§ 85.35 Subawards to debarred and suspended parties.

Grantees and subgrantees must not make any award or permit any award (subgrant or contract) at any tier to any party which is debarred or suspended or is otherwise excluded from or ineligible for participation in Federal assistance programs under Executive Order 12549, "Debarment and Suspension."

§ 85.36 Procurement.

(a) *States.* When procuring property and services under a grant, a State will follow the same policies and procedures it uses for procurements from its non-Federal funds. The State will ensure that every purchase order or other contract includes any clauses required by Federal statutes and executive orders and their implementing regulations. Other grantees and subgrantees will follow paragraphs (b) through (i) in this section.

(b) *Procurement standards.* (1) Grantees and subgrantees will use their own procurement procedures which reflect applicable State and local laws and regulations, provided that the procurements conform to applicable Federal law and the standards identified in this section.

(2) Grantees and subgrantees will maintain a contract administration system which ensures that contractors perform in accordance with the terms, conditions, and specifications of their contracts or purchase orders.

(3) Grantees and subgrantees will maintain a written code of standards of conduct governing the performance of their employees engaged in the award and administration of contracts. No employee, officer or agent of the grantee or subgrantee shall participate in selection, or in the award or administration of a contract supported by Federal funds if a conflict of interest, real or apparent, would be involved. Such a conflict would arise when:

- (i) The employee, officer or agent,
- (ii) Any member of his immediate family,
- (iii) His or her partner, or
- (iv) An organization which employs, or is about to employ, any of the above, has a financial or other interest in the firm selected for award. The

grantee's or subgrantee's officers, employees or agents will neither solicit nor accept gratuities, favors or anything of monetary value from contractors, potential contractors, or parties to subagreements. Grantee and subgrantees may set minimum rules where the financial interest is not substantial or the gift is an unsolicited item of nominal intrinsic value. To the extent permitted by State or local law or regulations, such standards or conduct will provide for penalties, sanctions, or other disciplinary actions for violations of such standards by the grantee's and subgrantee's officers, employees, or agents, or by contractors or their agents. The awarding agency may in regulation provide additional prohibitions relative to real, apparent, or potential conflicts of interest.

(4) Grantee and subgrantee procedures will provide for a review of proposed procurements to avoid purchase of unnecessary or duplicative items. Consideration should be given to consolidating or breaking out procurements to obtain a more economical purchase. Where appropriate, an analysis will be made of lease versus purchase alternatives, and any other appropriate analysis to determine the most economical approach.

(5) To foster greater economy and efficiency, grantees and subgrantees are encouraged to enter into State and local intergovernmental agreements for procurement or use of common goods and services.

(6) Grantees and subgrantees are encouraged to use Federal excess and surplus property in lieu of purchasing new equipment and property whenever such use is feasible and reduces project costs.

(7) Grantees and subgrantees are encouraged to use value engineering clauses in contracts for construction projects of sufficient size to offer reasonable opportunities for cost reductions. Value engineering is a systematic and creative analysis of each contract item or task to ensure that its essential function is provided at the overall lower cost.

(8) Grantees and subgrantees will make awards only to responsible contractors possessing the ability to perform successfully under the terms and

conditions of a proposed procurement. Consideration will be given to such matters as contractor integrity, compliance with public policy, record of past performance, and financial and technical resources.

(9) Grantees and subgrantees will maintain records sufficient to detail the significant history of a procurement. These records will include, but are not necessarily limited to the following: rationale for the method of procurement, selection of contract type, contractor selection or rejection, and the basis for the contract price.

(10) Grantees and subgrantees will use time and material type contracts only—

(i) After a determination that no other contract is suitable, and

(ii) If the contract includes a ceiling price that the contractor exceeds at its own risk.

(11) Grantees and subgrantees alone will be responsible, in accordance with good administrative practice and sound business judgment, for the settlement of all contractual and administrative issues arising out of procurements. These issues include, but are not limited to source evaluation, protests, disputes, and claims. These standards do not relieve the grantee or subgrantee of any contractual responsibilities under its contracts. Federal agencies will not substitute their judgment for that of the grantee or subgrantee unless the matter is primarily a Federal concern. Violations of law will be referred to the local, State, or Federal authority having proper jurisdiction.

(12) Grantees and subgrantees will have protest procedures to handle and resolve disputes relating to their procurements and shall in all instances disclose information regarding the protest to the awarding agency. A protestor must exhaust all administrative remedies with the grantee and subgrantee before pursuing a protest with the Federal agency. Reviews of protests by the Federal agency will be limited to:

(i) Violations of Federal law or regulations and the standards of this section (violations of State or local law will be under the jurisdiction of State or local authorities) and

(ii) Violations of the grantee's or subgrantee's protest procedures for failure to review a complaint or protest. Protests received by the Federal agency other than those specified above will be referred to the grantee or subgrantee.

(c) *Competition.* (1) All procurement transactions will be conducted in a manner providing full and open competition consistent with the standards of § 85.36. Some of the situations considered to be restrictive of competition include but are not limited to:

(i) Placing unreasonable requirements on firms in order for them to qualify to do business,

(ii) Requiring unnecessary experience and excessive bonding,

(iii) Noncompetitive pricing practices between firms or between affiliated companies,

(iv) Noncompetitive awards to consultants that are on retainer contracts,

(v) Organizational conflicts of interest,

(vi) Specifying only a *brand name* product instead of allowing an *equal* product to be offered and describing the performance of other relevant requirements of the procurement, and

(vii) Any arbitrary action in the procurement process.

(2) Grantees and subgrantees will conduct procurements in a manner that prohibits the use of statutorily or administratively imposed in-State or local geographical preferences in the evaluation of bids or proposals, except in those cases where applicable Federal statutes expressly mandate or encourage geographic preference. Nothing in this section preempts State licensing laws. When contracting for architectural and engineering (A/E) services, geographic location may be a selection criteria provided its application leaves an appropriate number of qualified firms, given the nature and size of the project, to compete for the contract.

(3) Grantees will have written selection procedures for procurement transactions. These procedures will ensure that all solicitations:

(i) Incorporate a clear and accurate description of the technical requirements for the material, product, or service to be procured. Such description shall not, in competitive procurements, contain features which unduly

§ 85.36

restrict competition. The description may include a statement of the qualitative nature of the material, product or service to be procured, and when necessary, shall set forth those minimum essential characteristics and standards to which it must conform if it is to satisfy its intended use. Detailed product specifications should be avoided if at all possible. When it is impractical or uneconomical to make a clear and accurate description of the technical requirements, a *brand name or equal* description may be used as a means to define the performance or other salient requirements of a procurement. The specific features of the named brand which must be met by offerors shall be clearly stated; and

(ii) Identify all requirements which the offerors must fulfill and all other factors to be used in evaluating bids or proposals.

(4) Grantees and subgrantees will ensure that all prequalified lists of persons, firms, or products which are used in acquiring goods and services are current and include enough qualified sources to ensure maximum open and free competition. Also, grantees and subgrantees will not preclude potential bidders from qualifying during the solicitation period.

(d) *Methods of procurement to be followed.* (1) Procurement by *small purchase procedures*. Small purchase procedures are those relatively simple and informal procurement methods for securing services, supplies, or other property that do not cost more than the simplified acquisition threshold fixed at 41 U.S.C. 403(11) (currently set at \$100,000). If small purchase procedures are used, price or rate quotations shall be obtained from an adequate number of qualified sources.

(2) Procurement by *sealed bids* (formal advertising). Bids are publicly solicited and a firm-fixed-price contract (lump sum or unit price) is awarded to the responsible bidder whose bid, conforming with all the material terms and conditions of the invitation for bids, is the lowest in price. The sealed bid method is the preferred method for procuring construction, if the conditions in § 85.36(d)(2)(i) apply.

24 CFR Subtitle A (4-1-07 Edition)

(i) In order for sealed bidding to be feasible, the following conditions should be present:

(A) A complete, adequate, and realistic specification or purchase description is available;

(B) Two or more responsible bidders are willing and able to compete effectively and for the business; and

(C) The procurement lends itself to a firm fixed price contract and the selection of the successful bidder can be made principally on the basis of price.

(ii) If sealed bids are used, the following requirements apply:

(A) The invitation for bids will be publicly advertised and bids shall be solicited from an adequate number of known suppliers, providing them sufficient time prior to the date set for opening the bids;

(B) The invitation for bids, which will include any specifications and pertinent attachments, shall define the items or services in order for the bidder to properly respond;

(C) All bids will be publicly opened at the time and place prescribed in the invitation for bids;

(D) A firm fixed-price contract award will be made in writing to the lowest responsive and responsible bidder. Where specified in bidding documents, factors such as discounts, transportation cost, and life cycle costs shall be considered in determining which bid is lowest. Payment discounts will only be used to determine the low bid when prior experience indicates that such discounts are usually taken advantage of; and

(E) Any or all bids may be rejected if there is a sound documented reason.

(3) Procurement by *competitive proposals*. The technique of competitive proposals is normally conducted with more than one source submitting an offer, and either a fixed-price or cost-reimbursement type contract is awarded. It is generally used when conditions are not appropriate for the use of sealed bids. If this method is used, the following requirements apply:

(i) Requests for proposals will be publicized and identify all evaluation factors and their relative importance. Any response to publicized requests for proposals shall be honored to the maximum extent practical;

(ii) Proposals will be solicited from an adequate number of qualified sources;

(iii) Grantees and subgrantees will have a method for conducting technical evaluations of the proposals received and for selecting awardees;

(iv) Awards will be made to the responsible firm whose proposal is most advantageous to the program, with price and other factors considered; and

(v) Grantees and subgrantees may use competitive proposal procedures for qualifications-based procurement of architectural/engineering (A/E) professional services whereby competitors' qualifications are evaluated and the most qualified competitor is selected, subject to negotiation of fair and reasonable compensation. The method, where price is not used as a selection factor, can only be used in procurement of A/E professional services. It cannot be used to purchase other types of services though A/E firms are a potential source to perform the proposed effort.

(4) Procurement by *noncompetitive proposals* is procurement through solicitation of a proposal from only one source, or after solicitation of a number of sources, competition is determined inadequate.

(i) Procurement by noncompetitive proposals may be used only when the award of a contract is infeasible under small purchase procedures, sealed bids or competitive proposals and one of the following circumstances applies:

(A) The item is available only from a single source;

(B) The public exigency or emergency for the requirement will not permit a delay resulting from competitive solicitation;

(C) The awarding agency authorizes noncompetitive proposals; or

(D) After solicitation of a number of sources, competition is determined inadequate.

(ii) Cost analysis, i.e., verifying the proposed cost data, the projections of the data, and the evaluation of the specific elements of costs and profits, is required.

(iii) Grantees and subgrantees may be required to submit the proposed procurement to the awarding agency for

pre-award review in accordance with paragraph (g) of this section.

(e) *Contracting with small and minority firms, women's business enterprise and labor surplus area firms.* (1) The grantee and subgrantee will take all necessary affirmative steps to assure that minority firms, women's business enterprises, and labor surplus area firms are used when possible.

(2) Affirmative steps shall include:

(i) Placing qualified small and minority businesses and women's business enterprises on solicitation lists;

(ii) Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;

(iii) Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority business, and women's business enterprises;

(iv) Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority business, and women's business enterprises;

(v) Using the services and assistance of the Small Business Administration, and the Minority Business Development Agency of the Department of Commerce; and

(vi) Requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed in paragraphs (e)(2) (i) through (v) of this section.

(f) *Contract cost and price.* (1) Grantees and subgrantees must perform a cost or price analysis in connection with every procurement action including contract modifications. The method and degree of analysis is dependent on the facts surrounding the particular procurement situation, but as a starting point, grantees must make independent estimates before receiving bids or proposals. A cost analysis must be performed when the offeror is required to submit the elements of his estimated cost, e.g., under professional, consulting, and architectural engineering services contracts. A cost analysis will be necessary when adequate price competition is lacking, and for sole source procurements, including contract modifications or change orders,

§ 85.36

unless price reasonableness can be established on the basis of a catalog or market price of a commercial product sold in substantial quantities to the general public or based on prices set by law or regulation. A price analysis will be used in all other instances to determine the reasonableness of the proposed contract price.

(2) Grantees and subgrantees will negotiate profit as a separate element of the price for each contract in which there is no price competition and in all cases where cost analysis is performed. To establish a fair and reasonable profit, consideration will be given to the complexity of the work to be performed, the risk borne by the contractor, the contractor's investment, the amount of subcontracting, the quality of its record of past performance, and industry profit rates in the surrounding geographical area for similar work.

(3) Costs or prices based on estimated costs for contracts under grants will be allowable only to the extent that costs incurred or cost estimates included in negotiated prices are consistent with Federal cost principles (see §85.22). Grantees may reference their own cost principles that comply with the applicable Federal cost principles.

(4) The cost plus a percentage of cost and percentage of construction cost methods of contracting shall not be used.

(g) *Awarding agency review.* (1) Grantees and subgrantees must make available, upon request of the awarding agency, technical specifications on proposed procurements where the awarding agency believes such review is needed to ensure that the item and/or service specified is the one being proposed for purchase. This review generally will take place prior to the time the specification is incorporated into a solicitation document. However, if the grantee or subgrantee desires to have the review accomplished after a solicitation has been developed, the awarding agency may still review the specifications, with such review usually limited to the technical aspects of the proposed purchase.

(2) Grantees and subgrantees must on request make available for awarding agency pre-award review procurement

24 CFR Subtitle A (4-1-07 Edition)

documents, such as requests for proposals or invitations for bids, independent cost estimates, etc. when:

(i) A grantee's or subgrantee's procurement procedures or operation fails to comply with the procurement standards in this section; or

(ii) The procurement is expected to exceed the simplified acquisition threshold and is to be awarded without competition or only one bid or offer is received in response to a solicitation; or

(iii) The procurement, which is expected to exceed the simplified acquisition threshold, specifies a "brand name" product; or

(iv) The proposed award is more than the simplified acquisition threshold and is to be awarded to other than the apparent low bidder under a sealed bid procurement; or

(v) A proposed contract modification changes the scope of a contract or increases the contract amount by more than the simplified acquisition threshold.

(3) A grantee or subgrantee will be exempt from the pre-award review in paragraph (g)(2) of this section if the awarding agency determines that its procurement systems comply with the standards of this section.

(i) A grantee or subgrantee may request that its procurement system be reviewed by the awarding agency to determine whether its system meets these standards in order for its system to be certified. Generally, these reviews shall occur where there is a continuous high-dollar funding, and third-party contracts are awarded on a regular basis.

(ii) A grantee or subgrantee may self-certify its procurement system. Such self-certification shall not limit the awarding agency's right to survey the system. Under a self-certification procedure, awarding agencies may wish to rely on written assurances from the grantee or subgrantee that it is complying with these standards. A grantee or subgrantee will cite specific procedures, regulations, standards, etc., as being in compliance with these requirements and have its system available for review.

(h) *Bonding requirements.* For construction or facility improvement contracts or subcontracts exceeding the simplified acquisition threshold, the awarding agency may accept the bonding policy and requirements of the grantee or subgrantee provided the awarding agency has made a determination that the awarding agency's interest is adequately protected. If such a determination has not been made, the minimum requirements shall be as follows:

(1) *A bid guarantee from each bidder equivalent to five percent of the bid price.* The "bid guarantee" shall consist of a firm commitment such as a bid bond, certified check, or other negotiable instrument accompanying a bid as assurance that the bidder will, upon acceptance of his bid, execute such contractual documents as may be required within the time specified.

(2) *A performance bond on the part of the contractor for 100 percent of the contract price.* A "performance bond" is one executed in connection with a contract to secure fulfillment of all the contractor's obligations under such contract.

(3) *A payment bond on the part of the contractor for 100 percent of the contract price.* A "payment bond" is one executed in connection with a contract to assure payment as required by law of all persons supplying labor and material in the execution of the work provided for in the contract.

(i) *Contract provisions.* A grantee's and subgrantee's contracts must contain provisions in paragraph (i) of this section. Federal agencies are permitted to require changes, remedies, changed conditions, access and records retention, suspension of work, and other clauses approved by the Office of Federal Procurement Policy.

(1) Administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as may be appropriate. (Contracts more than the simplified acquisition threshold)

(2) Termination for cause and for convenience by the grantee or subgrantee including the manner by which it will be effected and the basis for set-

tlement. (All contracts in excess of \$10,000)

(3) Compliance with Executive Order 11246 of September 24, 1965, entitled "Equal Employment Opportunity," as amended by Executive Order 11375 of October 13, 1967, and as supplemented in Department of Labor regulations (41 CFR chapter 60). (All construction contracts awarded in excess of \$10,000 by grantees and their contractors or subgrantees)

(4) Compliance with the Copeland "Anti-Kickback" Act (18 U.S.C. 874) as supplemented in Department of Labor regulations (29 CFR part 3). (All contracts and subgrants for construction or repair)

(5) Compliance with the Davis-Bacon Act (40 U.S.C. 276a to 276a-7) as supplemented by Department of Labor regulations (29 CFR part 5). (Construction contracts in excess of \$2000 awarded by grantees and subgrantees when required by Federal grant program legislation)

(6) Compliance with Sections 103 and 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C. 327-330) as supplemented by Department of Labor regulations (29 CFR part 5). (Construction contracts awarded by grantees and subgrantees in excess of \$2000, and in excess of \$2500 for other contracts which involve the employment of mechanics or laborers)

(7) Notice of awarding agency requirements and regulations pertaining to reporting.

(8) Notice of awarding agency requirements and regulations pertaining to patent rights with respect to any discovery or invention which arises or is developed in the course of or under such contract.

(9) Awarding agency requirements and regulations pertaining to copyrights and rights in data.

(10) Access by the grantee, the subgrantee, the Federal grantor agency, the Comptroller General of the United States, or any of their duly authorized representatives to any books, documents, papers, and records of the contractor which are directly pertinent to that specific contract for the purpose of making audit, examination, excerpts, and transcriptions.

§ 85.37

(11) Retention of all required records for three years after grantees or subgrantees make final payments and all other pending matters are closed.

(12) Compliance with all applicable standards, orders, or requirements issued under section 306 of the Clean Air Act (42 U.S.C. 1857(h)), section 508 of the Clean Water Act (33 U.S.C. 1368), Executive Order 11738, and Environmental Protection Agency regulations (40 CFR part 15). (Contracts, subcontracts, and subgrants of amounts in excess of \$100,000).

(13) Mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (Pub. L. 94-163, 89 Stat. 871).

§ 85.37 Subgrants.

(a) *States.* States shall follow state law and procedures when awarding and administering subgrants (whether on a cost reimbursement or fixed amount basis) of financial assistance to local and Indian tribal governments. States shall:

(1) Ensure that every subgrant includes any clauses required by Federal statute and executive orders and their implementing regulations;

(2) Ensure that subgrantees are aware of requirements imposed upon them by Federal statute and regulation;

(3) Ensure that a provision for compliance with § 85.42 is placed in every cost reimbursement subgrant; and

(4) Conform any advances of grant funds to subgrantees substantially to the same standards of timing and amount that apply to cash advances by Federal agencies.

(b) *All other grantees.* All other grantees shall follow the provisions of this part which are applicable to awarding agencies when awarding and administering subgrants (whether on a cost reimbursement or fixed amount basis) of financial assistance to local and Indian tribal governments. Grantees shall:

(1) Ensure that every subgrant includes a provision for compliance with this part;

24 CFR Subtitle A (4-1-07 Edition)

(2) Ensure that every subgrant includes any clauses required by Federal statute and executive orders and their implementing regulations; and

(3) Ensure that subgrantees are aware of requirements imposed upon them by Federal statutes and regulations.

(c) *Exceptions.* By their own terms, certain provisions of this part do not apply to the award and administration of subgrants:

(1) Section 85.10;

(2) Section 85.11;

(3) The letter-of-credit procedures specified in Treasury Regulations at 31 CFR part 205, cited in § 85.21; and

(4) Section 85.50.

REPORTS, RECORDS, RETENTION, AND ENFORCEMENT

§ 85.40 Monitoring and reporting program performance.

(a) *Monitoring by grantees.* Grantees are responsible for managing the day-to-day operations of grant and subgrant supported activities. Grantees must monitor grant and subgrant supported activities to assure compliance with applicable Federal requirements and that performance goals are being achieved. Grantee monitoring must cover each program, function or activity.

(b) *Nonconstruction performance reports.* The Federal agency may, if it decides that performance information available from subsequent applications contains sufficient information to meet its programmatic needs, require the grantee to submit a performance report only upon expiration or termination of grant support. Unless waived by the Federal agency this report will be due on the same date as the final Financial Status Report.

(1) Grantees shall submit annual performance reports unless the awarding agency requires quarterly or semi-annual reports. However, performance reports will not be required more frequently than quarterly. Annual reports shall be due 90 days after the grant year, quarterly or semi-annual reports shall be due 30 days after the reporting period. The final performance report will be due 90 days after the expiration or termination of grant support. If a

Office of the Secretary, HUD

§ 85.41

justified request is submitted by a grantee, the Federal agency may extend the due date for any performance report. Additionally, requirements for unnecessary performance reports may be waived by the Federal agency.

(2) Performance reports will contain, for each grant, brief information on the following:

(i) A comparison of actual accomplishments to the objectives established for the period. Where the output of the project can be quantified, a computation of the cost per unit of output may be required if that information will be useful.

(ii) The reasons for slippage if established objectives were not met.

(iii) Additional pertinent information including, when appropriate, analysis and explanation of cost overruns or high unit costs.

(3) Grantees will not be required to submit more than the original and two copies of performance reports.

(4) Grantees will adhere to the standards in this section in prescribing performance reporting requirements for subgrantees.

(c) *Construction performance reports.* For the most part, on-site technical inspections and certified percentage-of-completion data are relied on heavily by Federal agencies to monitor progress under construction grants and subgrants. The Federal agency will require additional formal performance reports only when considered necessary, and never more frequently than quarterly.

(d) *Significant developments.* Events may occur between the scheduled performance reporting dates which have significant impact upon the grant or subgrant supported activity. In such cases, the grantee must inform the Federal agency as soon as the following types of conditions become known:

(1) Problems, delays, or adverse conditions which will materially impair the ability to meet the objective of the award. This disclosure must include a statement of the action taken, or contemplated, and any assistance needed to resolve the situation.

(2) Favorable developments which enable meeting time schedules and objectives sooner or at less cost than antici-

pated or producing more beneficial results than originally planned.

(e) Federal agencies may make site visits as warranted by program needs.

(f) *Waivers, extensions.* (1) Federal agencies may waive any performance report required by this part if not needed.

(2) The grantee may waive any performance report from a subgrantee when not needed. The grantee may extend the due date for any performance report from a subgrantee if the grantee will still be able to meet its performance reporting obligations to the Federal agency.

§ 85.41 Financial reporting.

(a) *General.* (1) Except as provided in paragraphs (a) (2) and (5) of this section, grantees will use only the forms specified in paragraphs (a) through (e) of this section, and such supplementary or other forms as may from time to time be authorized by OMB, for:

(i) Submitting financial reports to Federal agencies, or

(ii) Requesting advances or reimbursements when letters of credit are not used.

(2) Grantees need not apply the forms prescribed in this section in dealing with their subgrantees. However, grantees shall not impose more burdensome requirements on subgrantees.

(3) Grantees shall follow all applicable standard and supplemental Federal agency instructions approved by OMB to the extent required under the Paperwork Reduction Act of 1980 for use in connection with forms specified in paragraphs (b) through (e) of this section. Federal agencies may issue substantive supplementary instructions only with the approval of OMB. Federal agencies may shade out or instruct the grantee to disregard any line item that the Federal agency finds unnecessary for its decisionmaking purposes.

(4) Grantees will not be required to submit more than the original and two copies of forms required under this part.

(5) Federal agencies may provide computer outputs to grantees to expedite or contribute to the accuracy of reporting. Federal agencies may accept the required information from grantees

§ 85.41

24 CFR Subtitle A (4-1-07 Edition)

in machine usable format or computer printouts instead of prescribed forms.

(6) Federal agencies may waive any report required by this section if not needed.

(7) Federal agencies may extend the due date of any financial report upon receiving a justified request from a grantee.

(b) *Financial Status Report*—(1) *Form*. Grantees will use Standard Form 269 or 269A, Financial Status Report, to report the status of funds for all non-construction grants and for construction grants when required in accordance with § 85.41(e)(2)(iii) of this section.

(2) *Accounting basis*. Each grantee will report program outlays and program income on a cash or accrual basis as prescribed by the awarding agency. If the Federal agency requires accrual information and the grantee's accounting records are not normally kept on the accrual basis, the grantee shall not be required to convert its accounting system but shall develop such accrual information through and analysis of the documentation on hand.

(3) *Frequency*. The Federal agency may prescribe the frequency of the report for each project or program. However, the report will not be required more frequently than quarterly. If the Federal agency does not specify the frequency of the report, it will be submitted annually. A final report will be required upon expiration or termination of grant support.

(4) *Due date*. When reports are required on a quarterly or semiannual basis, they will be due 30 days after the reporting period. When required on an annual basis, they will be due 90 days after the grant year. Final reports will be due 90 days after the expiration or termination of grant support.

(c) *Federal Cash Transactions Report*—(1) *Form*. (i) For grants paid by letter of credit, Treasury check advances or electronic transfer of funds, the grantee will submit the Standard Form 272, Federal Cash Transactions Report, and when necessary, its continuation sheet, Standard Form 272a, unless the terms of the award exempt the grantee from this requirement.

(ii) These reports will be used by the Federal agency to monitor cash ad-

vanced to grantees and to obtain disbursement or outlay information for each grant from grantees. The format of the report may be adapted as appropriate when reporting is to be accomplished with the assistance of automatic data processing equipment provided that the information to be submitted is not changed in substance.

(2) *Forecasts of Federal cash requirements*. Forecasts of Federal cash requirements may be required in the "Remarks" section of the report.

(3) *Cash in hands of subgrantees*. When considered necessary and feasible by the Federal agency, grantees may be required to report the amount of cash advances in excess of three days' needs in the hands of their subgrantees or contractors and to provide short narrative explanations of actions taken by the grantee to reduce the excess balances.

(4) *Frequency and due date*. Grantees must submit the report no later than 15 working days following the end of each quarter. However, where an advance either by letter of credit or electronic transfer of funds is authorized at an annualized rate of one million dollars or more, the Federal agency may require the report to be submitted within 15 working days following the end of each month.

(d) *Request for advance or reimbursement*—(1) *Advance payments*. Requests for Treasury check advance payments will be submitted on Standard Form 270, Request for Advance or Reimbursement. (This form will not be used for drawdowns under a letter of credit, electronic funds transfer or when Treasury check advance payments are made to the grantee automatically on a predetermined basis.)

(2) *Reimbursements*. Requests for reimbursement under nonconstruction grants will also be submitted on Standard Form 270. (For reimbursement requests under construction grants, see paragraph (e)(1) of this section.)

(3) The frequency for submitting payment requests is treated in § 85.41(b)(3).

(e) *Outlay report and request for reimbursement for construction programs*—(1) *Grants that support construction activities paid by reimbursement method*. (i) Requesters for reimbursement under construction grants will be submitted

on Standard Form 271, Outlay Report and Request for Reimbursement for Construction Programs. Federal agencies may, however, prescribe the Request for Advance or Reimbursement form, specified in § 85.41(d), instead of this form.

(ii) The frequency for submitting reimbursement requests is treated in § 85.41(b)(3).

(2) *Grants that support construction activities paid by letter of credit, electronic funds transfer or Treasury check advance.* (i) When a construction grant is paid by letter of credit, electronic funds transfer or Treasury check advances, the grantee will report its outlays to the Federal agency using Standard Form 271, Outlay Report and Request for Reimbursement for Construction Programs. The Federal agency will provide any necessary special instruction. However, frequency and due date shall be governed by § 85.41(b)(3) and (4).

(ii) When a construction grant is paid by Treasury check advances based on periodic requests from the grantee, the advances will be requested on the form specified in § 85.41(d).

(iii) The Federal agency may substitute the Financial Status Report specified in § 85.41(b) for the Outlay Report and Request for Reimbursement for Construction Programs.

(3) *Accounting basis.* The accounting basis for the Outlay Report and Request for Reimbursement for Construction Programs shall be governed by § 85.41(b)(2).

§ 85.42 Retention and access requirements for records.

(a) *Applicability.* (1) This section applies to all financial and programmatic records, supporting documents, statistical records, and other records of grantees or subgrantees which are:

(i) Required to be maintained by the terms of this part, program regulations or the grant agreement, or

(ii) Otherwise reasonably considered as pertinent to program regulations or the grant agreement.

(2) This section does not apply to records maintained by contractors or subcontractors. For a requirement to place a provision concerning records in

certain kinds of contracts, see § 85.36(i)(10).

(b) *Length of retention period.* (1) Except as otherwise provided, records must be retained for three years from the starting date specified in paragraph (c) of this section.

(2) If any litigation, claim, negotiation, audit or other action involving the records has been started before the expiration of the 3-year period, the records must be retained until completion of the action and resolution of all issues which arise from it, or until the end of the regular 3-year period, whichever is later.

(3) To avoid duplicate recordkeeping, awarding agencies may make special arrangements with grantees and subgrantees to retain any records which are continuously needed for joint use. The awarding agency will request transfer of records to its custody when it determines that the records possess long-term retention value. When the records are transferred to or maintained by the Federal agency, the 3-year retention requirement is not applicable to the grantee or subgrantee.

(c) *Starting date of retention period—*(1) *General.* When grant support is continued or renewed at annual or other intervals, the retention period for the records of each funding period starts on the day the grantee or subgrantee submits to the awarding agency its single or last expenditure report for that period. However, if grant support is continued or renewed quarterly, the retention period for each year's records starts on the day the grantee submits its expenditure report for the last quarter of the Federal fiscal year. In all other cases, the retention period starts on the day the grantee submits its final expenditure report. If an expenditure report has been waived, the retention period starts on the day the report would have been due.

(2) *Real property and equipment records.* The retention period for real property and equipment records starts from the date of the disposition or replacement or transfer at the direction of the awarding agency.

(3) *Records for income transactions after grant or subgrant support.* In some cases grantees must report income after the period of grant support.

§ 85.43

Where there is such a requirement, the retention period for the records pertaining to the earning of the income starts from the end of the grantee's fiscal year in which the income is earned.

(4) *Indirect cost rate proposals, cost allocations plans, etc.* This paragraph applies to the following types of documents, and their supporting records: Indirect cost rate computations or proposals, cost allocation plans, and any similar accounting computations of the rate at which a particular group of costs is chargeable (such as computer usage chargeback rates or composite fringe benefit rates).

(i) *If submitted for negotiation.* If the proposal, plan, or other computation is required to be submitted to the Federal Government (or to the grantee) to form the basis for negotiation of the rate, then the 3-year retention period for its supporting records starts from the date of such submission.

(ii) *If not submitted for negotiation.* If the proposal, plan, or other computation is not required to be submitted to the Federal Government (or to the grantee) for negotiation purposes, then the 3-year retention period for the proposal plan, or computation and its supporting records starts from end of the fiscal year (or other accounting period) covered by the proposal, plan, or other computation.

(d) *Substitution of microfilm.* Copies made by microfilming, photocopying, or similar methods may be substituted for the original records.

(e) *Access to records—(1) Records of grantees and subgrantees.* The awarding agency and the Comptroller General of the United States, or any of their authorized representatives, shall have the right of access to any pertinent books, documents, papers, or other records of grantees and subgrantees which are pertinent to the grant, in order to make audits, examinations, excerpts, and transcripts.

(2) *Expiration of right of access.* The rights of access in this section must not be limited to the required retention period but shall last as long as the records are retained.

(f) *Restrictions on public access.* The Federal Freedom of Information Act (5 U.S.C. 552) does not apply to records Unless required by Federal, State, or

24 CFR Subtitle A (4-1-07 Edition)

local law, grantees and subgrantees are not required to permit public access to their records.

§ 85.43 Enforcement.

(a) *Remedies for noncompliance.* If a grantee or subgrantee materially fails to comply with any term of an award, whether stated in a Federal statute or regulation, an assurance, in a State plan or application, a notice of award, or elsewhere, the awarding agency may take one or more of the following actions, as appropriate in the circumstances:

(1) Temporarily withhold cash payments pending correction of the deficiency by the grantee or subgrantee or more severe enforcement action by the awarding agency,

(2) Disallow (that is, deny both use of funds and matching credit for) all or part of the cost of the activity or action not in compliance,

(3) Wholly or partly suspend or terminate the current award for the grantee's or subgrantee's program,

(4) Withhold further awards for the program, or

(5) Take other remedies that may be legally available.

(b) *Hearings, appeals.* In taking an enforcement action, the awarding agency will provide the grantee or subgrantee an opportunity for such hearing, appeal, or other administrative proceeding to which the grantee or subgrantee is entitled under any statute or regulation applicable to the action involved.

(c) *Effects of suspension and termination.* Costs of grantee or subgrantee resulting from obligations incurred by the grantee or subgrantee during a suspension or after termination of an award are not allowable unless the awarding agency expressly authorizes them in the notice of suspension or termination or subsequently. Other grantee or subgrantee costs during suspension or after termination which are necessary and not reasonably avoidable are allowable if:

(1) The costs result from obligations which were properly incurred by the grantee or subgrantee before the effective date of suspension or termination, are not in anticipation of it, and, in the

case of a termination, are noncancellable, and,

(2) The costs would be allowable if the award were not suspended or expired normally at the end of the funding period in which the termination takes effect.

(d) *Relationship to debarment and suspension.* The enforcement remedies identified in this section, including suspension and termination, do not preclude grantee or subgrantee from being subject to "Debarment and Suspension" under E.O. 12549 (see § 85.35).

§ 85.44 Termination for convenience.

Except as provided in § 85.43 awards may be terminated in whole or in part only as follows:

(a) By the awarding agency with the consent of the grantee or subgrantee in which case the two parties shall agree upon the termination conditions, including the effective date and in the case of partial termination, the portion to be terminated, or

(b) By the grantee or subgrantee upon written notification to the awarding agency, setting forth the reasons for such termination, the effective date, and in the case of partial termination, the portion to be terminated. However, if, in the case of a partial termination, the awarding agency determines that the remaining portion of the award will not accomplish the purposes for which the award was made, the awarding agency may terminate the award in its entirety under either § 85.43 or paragraph (a) of this section.

Subpart D—After-the-Grant Requirements

§ 85.50 Closeout.

(a) *General.* The Federal agency will close out the award when it determines that all applicable administrative actions and all required work of the grant has been completed.

(b) *Reports.* Within 90 days after the expiration or termination of the grant, the grantee must submit all financial, performance, and other reports required as a condition of the grant. Upon request by the grantee, Federal agencies may extend this timeframe. These may include but are not limited to:

(1) *Final performance or progress report.*

(2) *Financial Status Report (SF 269) or Outlay Report and Request for Reimbursement for Construction Programs (SF-271) (as applicable).*

(3) *Final request for payment (SF-270) (if applicable).*

(4) *Invention disclosure (if applicable).*

(5) *Federally-owned property report:*

In accordance with § 85.32(f), a grantee must submit an inventory of all federally owned property (as distinct from property acquired with grant funds) for which it is accountable and request disposition instructions from the Federal agency of property no longer needed.

(c) *Cost adjustment.* The Federal agency will, within 90 days after receipt of reports in paragraph (b) of this section, make upward or downward adjustments to the allowable costs.

(d) *Cash adjustments.* (1) The Federal agency will make prompt payment to the grantee for allowable reimbursable costs.

(2) The grantee must immediately refund to the Federal agency any balance of unobligated (unencumbered) cash advanced that is not authorized to be retained for use on other grants.

§ 85.51 Later disallowances and adjustments.

The closeout of a grant does not affect:

(a) The Federal agency's right to disallow costs and recover funds on the basis of a later audit or other review;

(b) The grantee's obligation to return any funds due as a result of later refunds, corrections, or other transactions;

(c) Records retention as required in § 85.42;

(d) Property management requirements in §§ 85.31 and 85.32; and

(e) Audit requirements in § 85.26.

§ 85.52 Collection of amounts due.

(a) Any funds paid to a grantee in excess of the amount to which the grantee is finally determined to be entitled under the terms of the award constitute a debt to the Federal Government. If not paid within a reasonable period after demand, the Federal agency may reduce the debt by:

(1) Making an administrative offset against other requests for reimbursements,

(2) Withholding advance payments otherwise due to the grantee, or

(3) Other action permitted by law.

(b) Except where otherwise provided by statutes or regulations, the Federal agency will charge interest on an overdue debt in accordance with the Federal Claims Collection Standards (4 CFR Ch. II). The date from which interest is computed is not extended by litigation or the filing of any form of appeal.

All liability arising from an erroneous representation shall be borne solely by the tier filing that representation and shall not be shared by any tier to which the erroneous representation is forwarded. Submitting an erroneous certification or disclosure constitutes a failure to file the required certification or disclosure, respectively. If a person fails to file a required certification or disclosure, the United States may pursue all available remedies, including those authorized by section 1352, title 31, U.S. Code.

(g) For awards and commitments in process prior to December 23, 1989, but not made before that date, certifications shall be required at award or commitment, covering activities occurring between December 23, 1989, and the date of award or commitment. Subpart B—Activities by Own Employees

§ 87.200 Agency and legislative liaison.

(a) The prohibition on the use of appropriated funds, in § 87.100 (a), does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement if the payment is for agency and legislative liaison activities not directly related to a covered Federal action.

(b) For purposes of paragraph (a) of this section, providing any information specifically requested by an agency or Congress is allowable at any time.

(c) For purposes of paragraph (a) of this section, the following agency and legislative liaison activities are allowable at any time only where they are not related to a specific solicitation for any covered Federal action:

(1) Discussing with an agency (including individual demonstrations) the qualities and characteristics of the person's products or services, conditions or terms of sale, and service capabilities; and,

(2) Technical discussions and other activities regarding the application or adaptation of the person's products or services for an agency's use.

(d) For purposes of paragraph (a) of this section, the following agencies and legislative liaison activities are allowable only where they are prior to formal solicitation of any covered Federal action:

(1) Providing any information not specifically requested but necessary for an agency to make an informed decision about initiation of a covered Federal action;

(2) Technical discussions regarding the preparation of an unsolicited proposal prior to its official submission; and,

(3) Capability presentations by persons seeking awards from an agency pursuant to the provisions of the Small Business Act, as amended by Pub. L.

§ 87.205

95-507 and other subsequent amendments.

(e) Only those activities expressly authorized by this section are allowable under this section.

§ 87.205 Professional and technical services.

(a) The prohibition on the use of appropriated funds, in § 87.100 (a), does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement or an extension, continuation, renewal, amendment, or modification of a Federal contract, grant, loan, or cooperative agreement if payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal contract, grant, loan, or cooperative agreement or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal contract, grant, loan, or cooperative agreement.

(b) For purposes of paragraph (a) of this section, *professional and technical services* shall be limited to advice and analysis directly applying any professional or technical discipline. For example, drafting of a legal document accompanying a bid or proposal by a lawyer is allowable. Similarly, technical advice provided by an engineer on the performance or operational capability of a piece of equipment rendered directly in the negotiation of a contract is allowable. However, communications with the intent to influence made by a professional (such as a licensed lawyer) or a technical person (such as a licensed accountant) are not allowable under this section unless they provide advice and analysis directly applying their professional or technical expertise and unless the advice or analysis is rendered directly and solely in the preparation, submission or negotiation of a covered Federal action. Thus, for example, communications with the intent to influence made by a lawyer that do not provide legal advice or analysis directly and solely related to the legal aspects of his or her client's proposal, but generally advocate one

24 CFR Subtitle A (4-1-07 Edition)

proposal over another are not allowable under this section because the lawyer is not providing professional legal services. Similarly, communications with the intent to influence made by an engineer providing an engineering analysis prior to the preparation or submission of a bid or proposal are not allowable under this section since the engineer is providing technical services but not directly in the preparation, submission or negotiation of a covered Federal action.

(c) Requirements imposed by or pursuant to law as a condition for receiving a covered Federal award include those required by law or regulation, or reasonably expected to be required by law or regulation, and any other requirements in the actual award documents.

(d) Only those services expressly authorized by this section are allowable under this section.

§ 87.210 Reporting.

No reporting is required with respect to payments of reasonable compensation made to regularly employed officers or employees of a person.

Subpart C—Activities by Other Than Own Employees

§ 87.300 Professional and technical services.

(a) The prohibition on the use of appropriated funds, in § 87.100 (a), does not apply in the case of any reasonable payment to a person, other than an officer or employee of a person requesting or receiving a covered Federal action, if the payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal contract, grant, loan, or cooperative agreement or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal contract, grant, loan, or cooperative agreement.

(b) The reporting requirements in § 87.110 (a) and (b) regarding filing a disclosure form by each person, if required, shall not apply with respect to

professional or technical services rendered directly in the preparation, submission, or negotiation of any commitment providing for the United States to insure or guarantee a loan.

(c) For purposes of paragraph (a) of this section, *professional and technical services* shall be limited to advice and analysis directly applying any professional or technical discipline. For example, drafting or a legal document accompanying a bid or proposal by a lawyer is allowable. Similarly, technical advice provided by an engineer on the performance or operational capability of a piece of equipment rendered directly in the negotiation of a contract is allowable. However, communications with the intent to influence made by a professional (such as a licensed lawyer) or a technical person (such as a licensed accountant) are not allowable under this section unless they provide advice and analysis directly applying their professional or technical expertise and unless the advice or analysis is rendered directly and solely in the preparation, submission or negotiation of a covered Federal action. Thus, for example, communications with the intent to influence made by a lawyer that do not provide legal advice or analysis directly and solely related to the legal aspects of his or her client's proposal, but generally advocate one proposal over another are not allowable under this section because the lawyer is not providing professional legal services. Similarly, communications with the intent to influence made by an engineer providing an engineering analysis prior to the preparation or submission of a bid or proposal are not allowable under this section since the engineer is providing technical services but not directly in the preparation, submission or negotiation of a covered Federal action.

(d) Requirements imposed by or pursuant to law as a condition for receiving a covered Federal award include those required by law or regulation, or reasonably expected to be required by law or regulation, and any other requirements in the actual award documents.

(e) Persons other than officers or employees of a person requesting or receiving a covered Federal action in-

clude consultants and trade associations.

(f) Only those services expressly authorized by this section are allowable under this section.

Subpart D—Penalties and Enforcement

§ 87.400 Penalties.

(a) Any person who makes an expenditure prohibited herein shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such expenditure.

(b) Any person who fails to file or amend the disclosure form (see appendix B) to be filed or amended if required herein, shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

(c) A filing or amended filing on or after the date on which an administrative action for the imposition of a civil penalty is commenced does not prevent the imposition of such civil penalty for a failure occurring before that date. An administrative action is commenced with respect to a failure when an investigating official determines in writing to commence an investigation of an allegation of such failure.

(d) In determining whether to impose a civil penalty, and the amount of any such penalty, by reason of a violation by any person, the agency shall consider the nature, circumstances, extent, and gravity of the violation, the effect on the ability of such person to continue in business, any prior violations by such person, the degree of culpability of such person, the ability of the person to pay the penalty, and such other matters as may be appropriate.

(e) First offenders under paragraphs (a) or (b) of this section shall be subject to a civil penalty of \$10,000, absent aggravating circumstances. Second and subsequent offenses by persons shall be subject to an appropriate civil penalty between \$10,000 and \$100,000, as determined by the agency head or his or her designee.

(f) An imposition of a civil penalty under this section does not prevent the United States from seeking any other remedy that may apply to the same

§ 87.405

conduct that is the basis for the imposition of such civil penalty.

§ 87.405 Penalty procedures.

Agencies shall impose and collect civil penalties pursuant to the provisions of the Program Fraud and Civil Remedies Act, 31 U.S.C. sections 3803 (except subsection (c)), 3804, 3805, 3806, 3807, 3808, and 3812, insofar as these provisions are not inconsistent with the requirements herein.

§ 87.410 Enforcement.

The head of each agency shall take such actions as are necessary to ensure that the provisions herein are vigorously implemented and enforced in that agency.

Subpart E—Exemptions

§ 87.500 Secretary of Defense.

(a) The Secretary of Defense may exempt, on a case-by-case basis, a covered Federal action from the prohibition whenever the Secretary determines, in writing, that such an exemption is in the national interest. The Secretary shall transmit a copy of each such written exemption to Congress immediately after making such a determination.

(b) The Department of Defense may issue supplemental regulations to implement paragraph (a) of this section.

Subpart F—Agency Reports

§ 87.600 Semi-annual compilation.

(a) The head of each agency shall collect and compile the disclosure reports (see appendix B) and, on May 31 and November 30 of each year, submit to the Secretary of the Senate and the Clerk of the House of Representatives a report containing a compilation of the information contained in the disclosure reports received during the six-month period ending on March 31 or September 30, respectively, of that year.

(b) The report, including the compilation, shall be available for public inspection 30 days after receipt of the report by the Secretary and the Clerk.

(c) Information that involves intelligence matters shall be reported only

24 CFR Subtitle A (4–1–07 Edition)

to the Select Committee on Intelligence of the Senate, the Permanent Select Committee on Intelligence of the House of Representatives, and the Committees on Appropriations of the Senate and the House of Representatives in accordance with procedures agreed to by such committees. Such information shall not be available for public inspection.

(d) Information that is classified under Executive Order 12356 or any successor order shall be reported only to the Committee on Foreign Relations of the Senate and the Committee on Foreign Affairs of the House of Representatives or the Committees on Armed Services of the Senate and the House of Representatives (whichever such committees have jurisdiction of matters involving such information) and to the Committees on Appropriations of the Senate and the House of Representatives in accordance with procedures agreed to by such committees. Such information shall not be available for public inspection.

(e) The first semi-annual compilation shall be submitted on May 31, 1990, and shall contain a compilation of the disclosure reports received from December 23, 1989 to March 31, 1990.

(f) Major agencies, designated by the Office of Management and Budget (OMB), are required to provide machine-readable compilations to the Secretary of the Senate and the Clerk of the House of Representatives no later than with the compilations due on May 31, 1991. OMB shall provide detailed specifications in a memorandum to these agencies.

(g) Non-major agencies are requested to provide machine-readable compilations to the Secretary of the Senate and the Clerk of the House of Representatives.

(h) Agencies shall keep the originals of all disclosure reports in the official files of the agency.

§ 87.605 Inspector General report.

(a) The Inspector General, or other official as specified in paragraph (b) of this section, of each agency shall prepare and submit to Congress each year, commencing with submission of the President's Budget in 1991, an evaluation of the compliance of that agency

with, and the effectiveness of, the requirements herein. The evaluation may include any recommended changes that may be necessary to strengthen or improve the requirements.

(b) In the case of an agency that does not have an Inspector General, the agency official comparable to an Inspector General shall prepare and submit the annual report, or, if there is no such comparable official, the head of the agency shall prepare and submit the annual report.

(c) The annual report shall be submitted at the same time the agency submits its annual budget justifications to Congress.

(d) The annual report shall include the following: All alleged violations relating to the agency's covered Federal actions during the year covered by the report, the actions taken by the head of the agency in the year covered by the report with respect to those alleged violations and alleged violations in previous years, and the amounts of civil penalties imposed by the agency in the year covered by the report.

Subpart A—General

§ 91.1 Purpose.

(a) *Overall goals.* (1) The overall goal of the community planning and development programs covered by this part is to develop viable urban communities by providing decent housing and a suitable living environment and expanding economic opportunities principally for low- and moderate-income persons. The primary means towards this end is to extend and strengthen partnerships among all levels of government and the private sector, including for-profit and non-profit organizations, in the production and operation of affordable housing.

(i) Decent housing includes assisting homeless persons to obtain appropriate housing and assisting persons at risk of becoming homeless; retention of the affordable housing stock; and increasing the availability of permanent housing in standard condition and affordable cost to low-income and moderate-income families, particularly to members of disadvantaged minorities, without discrimination on the basis of race, color, religion, sex, national origin, familial status, or disability. Decent housing also includes increasing the supply of supportive housing, which combines structural features and services needed to enable persons with special needs, including persons with HIV/AIDS and their families, to live with dignity and independence; and providing housing affordable to low-income persons accessible to job opportunities.

§91.2

(ii) A suitable living environment includes improving the safety and livability of neighborhoods; increasing access to quality public and private facilities and services; reducing the isolation of income groups within a community or geographical area through the spatial deconcentration of housing opportunities for persons of lower income and the revitalization of deteriorating or deteriorated neighborhoods; restoring and preserving properties of special historic, architectural, or aesthetic value; and conservation of energy resources.

(iii) Expanded economic opportunities includes job creation and retention; establishment, stabilization and expansion of small businesses (including microbusinesses); the provision of public services concerned with employment; the provision of jobs involved in carrying out activities under programs covered by this plan to low-income persons living in areas affected by those programs and activities; availability of mortgage financing for low-income persons at reasonable rates using non-discriminatory lending practices; access to capital and credit for development activities that promote the long-term economic and social viability of the community; and empowerment and self-sufficiency opportunities for low-income persons to reduce generational poverty in federally assisted and public housing.

(2) The consolidated submission described in this part 91 requires the jurisdiction to state in one document its plan to pursue these goals for all the community planning and development programs, as well as for housing programs. It is these goals against which the plan and the jurisdiction's performance under the plan will be evaluated by HUD.

(b) *Functions of plan.* The consolidated plan serves the following functions:

(1) A planning document for the jurisdiction, which builds on a participatory process among citizens, organizations, businesses, and other stakeholders;

(2) A submission for federal funds under HUD's formula grant programs for jurisdictions;

(3) A strategy to be followed in carrying out HUD programs; and

(4) A management tool for assessing performance and tracking results.

[60 FR 1896, Jan. 5, 1995, as amended at 71 FR 6961, Feb. 9, 2006]

(3) The HOME Investment Partnerships (HOME) program (see 24 CFR part 92); and

(4) The Housing Opportunities for Persons With AIDS (HOPWA) program (see 24 CFR part 574).

(b) The following programs require either that the jurisdiction receiving funds directly from HUD have a consolidated plan that is approved by HUD or that the application for HUD funds contain a certification that the application is consistent with a HUD-approved consolidated plan:

(1) The HOPE I Public Housing Homeownership (HOPE I) program (see 24 CFR Subtitle A, Appendix A);

24 CFR Subtitle A (4–1–07 Edition)

- (11) HOME program reallocations;
- (12) Revitalization of Severely Distressed Public Housing (section 24 of the United States Housing Act of 1937, (42 U.S.C. 1437 *et seq.*));

- (17) Competitive grants under the Housing Opportunities for Persons With AIDS (HOPWA) program (see 24 CFR part 574).

(c) Other programs do not require consistency with an approved consolidated plan. However, HUD funding allocations for the Section 8 Certificate and Voucher Programs are to be made in a way that enables participating jurisdictions to carry out their consolidated plans.

(d) The Public Housing Agency Plan submission (PHA Plan) (see 24 CFR part 903) includes a certification by the appropriate state or local official that the PHA Plan is consistent with the applicable consolidated plan for the jurisdiction in which the public housing agency is located and must describe the manner in which the applicable contents of the PHA Plan are consistent with the consolidated plan.

§91.5 Definitions.

The terms *Elderly person* and *HUD* are defined in 24 CFR part 5.

The assertion shall be deemed to be accurate unless HUD determines otherwise, after inspecting the evidence and providing due notice and opportunity for comment.

Chronically homeless person. An unaccompanied homeless individual with a disabling condition who has been continuously homeless for a year or more, or has had at least four episodes of homelessness in the past three years. To be considered chronically homeless, a person must have been sleeping in a place not meant for human habitation (e.g., living on the streets) and/or in an emergency shelter during that time.

Consolidated plan or ("the plan"). The document that is submitted to HUD that serves as the comprehensive housing affordability strategy, community development plan, and submissions for funding under any of the Community Planning and Development formula grant programs (e.g., CDBG, ESG, HOME, and HOPWA), that is prepared in accordance with the process described in this part.

Consortium. An organization of geographically contiguous units of general local government that are acting as a single unit of general local government for purposes of the HOME program (see 24 CFR part 92).

Cost burden. The extent to which gross housing costs, including utility costs, exceed 30 percent of gross income, based on data available from the U.S. Census Bureau.

Disabling condition. For the purposes of chronic homelessness, a disabling condition is a diagnosable substance use disorder, serious mental illness, developmental disability, or chronic physical illness or disability, including the co-occurrence of two or more of these conditions. Emergency shelter. Any facility with overnight sleeping accommodations, the primary purpose of which is to provide temporary shelter for the homeless in general or for specific populations of the homeless.

Extremely low-income family. Family whose income is between 0 and 30 percent of the median income for the area, as determined by HUD with adjustments for smaller and larger families, except that HUD may establish income ceilings higher or lower than 30 percent of the median for the area on the basis of HUD's findings that such variations

are necessary because of prevailing levels of construction costs or fair market rents, or unusually high or low family incomes.

Homeless family with children. A family composed of the following types of homeless persons: at least one parent or guardian and one child under the age of 18; a pregnant woman; or a person in the process of securing legal custody of a person under the age of 18.

Homeless person. A youth (17 years or younger) not accompanied by an adult (18 years or older) or an adult without children, who is homeless (not imprisoned or otherwise detained pursuant to an Act of Congress or a State law), including the following:

(1) An individual who lacks a fixed, regular, and adequate nighttime residence; and

(2) An individual who has a primary nighttime residence that is:

(i) A supervised publicly or privately operated shelter designed to provide temporary living accommodations (including welfare hotels, congregate shelters, and transitional housing for the mentally ill);

(ii) An institution that provides a temporary residence for individuals intended to be institutionalized; or

(iii) A public or private place not designed for, or ordinarily used as, a regular sleeping accommodation for human beings.

Homeless subpopulations. Include but are not limited to the following categories of homeless persons: severely mentally ill only, alcohol/drug addicted only, severely mentally ill and alcohol/drug addicted, fleeing domestic violence, youth, and persons with HIV/AIDS.

Jurisdiction. A State or unit of general local government.

Large family. Family of five or more persons.

Lead-based paint hazards means lead-based paint hazards as defined in part 35, subpart B of this title.

Low-income families. Low-income families whose incomes do not exceed 50 percent of the median family income for the area, as determined by HUD with adjustments for smaller and larger families, except that HUD may establish income ceilings higher or lower than 50 percent of the median for the

area on the basis of HUD's findings that such variations are necessary because of prevailing levels of construction costs or fair market rents, or unusually high or low family incomes.

Middle-income family. Family whose income is between 80 percent and 95 percent of the median income for the area, as determined by HUD, with adjustments for smaller and larger families, except that HUD may establish income ceilings higher or lower than 95 percent of the median for the area on the basis of HUD's findings that such variations are necessary because of prevailing levels of construction costs or fair market rents, or unusually high or low family incomes. (This corresponds to the term "moderate income family" under the CHAS statute, 42 U.S.C. 12705.)

Moderate-income family. Family whose income does not exceed 80 percent of the median income for the area, as determined by HUD with adjustments for smaller and larger families, except that HUD may establish income ceilings higher or lower than 80 percent of the median for the area on the basis of HUD's findings that such variations are necessary because of prevailing levels of construction costs or fair market rents, or unusually high or low family incomes.

Overcrowding. For purposes of describing relative housing needs, a housing unit containing more than one person per room, as defined by the U.S. Census Bureau, for which data are made available by the Census Bureau. (See 24 CFR 791.402(b).)

Person with a disability. A person who is determined to:

(1) Have a physical, mental or emotional impairment that:

(i) Is expected to be of long-continued and indefinite duration;

(ii) Substantially impedes his or her ability to live independently; and

(iii) Is of such a nature that the ability could be improved by more suitable housing conditions; or

(2) Have a developmental disability, as defined in section 102(7) of the Developmental Disabilities Assistance and Bill of Rights Act (42 U.S.C. 6001-6007); or

(3) Be the surviving member or members of any family that had been living

Office of the Secretary, HUD

Poverty level family. Family with an income below the poverty line, as defined by the Office of Management and Budget and revised annually.

Severe cost burden. The extent to which gross housing costs, including utility costs, exceed 50 percent of gross income, based on data available from the U.S. Census Bureau.

State. Any State of the United States and the Commonwealth of Puerto Rico.

Transitional housing. A project that is designed to provide housing and appropriate supportive services to homeless persons to facilitate movement to independent living within 24 months, or a longer period approved by HUD. For purposes of the HOME program, there is no HUD-approved time period for moving to independent living.

Unit of general local government. A city, town, township, county, parish, village, or other general purpose political subdivision of a State; an urban county; and a consortium of such political subdivisions recognized by HUD in accordance with the HOME program (24 CFR part 92) or the CDBG program (24 CFR part 570).

§91.10 Consolidated program year.

(a) Each of the following programs shall be administered by a jurisdiction on a single consolidated program year, established by the jurisdiction: CDBG, ESG, HOME, and HOPWA. Except as provided in paragraph (b) of this section, the program year shall run for a twelve month period and begin on the first calendar day of a month.

(b) Once a program year is established, the jurisdiction may either shorten or lengthen its program year to change the beginning date of the following program year, provided that it notifies HUD in writing at least two months before the date the program year would have ended if it had not been lengthened or at least two months

before the end of a proposed shortened program year.

(c) See subpart E of this part for requirements concerning program year for units of general local government that are part of a consortium.

§91.15 Submission date.

(a) *General.* (1) In order to facilitate continuity in its program and to provide accountability to citizens, each jurisdiction should submit its consolidated plan to HUD at least 45 days before the start of its program year. (But see §92.104 of this subtitle with respect to newly eligible jurisdictions under the HOME program.) With the exception of the August 16 date noted in paragraph (a)(2) of this section, HUD may grant a jurisdiction an extension of the submission deadline for good cause.

(2) In no event will HUD accept a submission earlier than November 15 or later than August 16 of the federal fiscal year for which the grant funds are appropriated. Failure to receive the plan by August 16 will automatically result in a loss of the CDBG funds to which the jurisdiction would otherwise be entitled.

(3) A jurisdiction may have a program year that coincides with the federal fiscal year (e.g., October 1, 2005 through September 30, 2006, for federal fiscal year 2006 funds). However, the consolidated plan may not be submitted earlier than November 15 of the federal fiscal year and HUD has the period specified in §91.500 to review the consolidated plan.

(4) See §91.20 for HUD field office authorization to grant exceptions to these provisions.

(b) *Frequency of submission.* (1) The summary of the citizen participation and consultation process, the action plan, and the certifications must be submitted on an annual basis.

(2) The housing, and homeless needs assessment, market analysis, and strategic plan must be submitted at least once every five years, or as such time agreed upon by HUD and the jurisdiction in order to facilitate orderly program management, coordinate consolidated plans with time periods used for cooperation agreements, other plans, or the availability of data.

§ 91.20

(3) A jurisdiction may make amendments that extend the time period covered by their plan if agreed upon by HUD.

[71 FR 6961, Feb. 9, 2006]

§ 91.20 Exceptions.

The HUD Field Office may grant a jurisdiction an exception from the submission deadline for plans and reports and from a requirement in the implementation guidelines for good cause, as determined by the field office and reported in writing to HUD Headquarters, unless the requirement is required by statute or regulation.

[71 FR 6962, Feb. 9, 2006]

Subpart B—Citizen Participation and Consultation

§ 91.100 Consultation; local governments.

(a) *General.* (1) When preparing the consolidated plan, the jurisdiction shall consult with other public and private agencies that provide assisted housing, health services, and social and fair housing services (including those focusing on services to children, elderly persons, persons with disabilities, persons with HIV/AIDS and their families, homeless persons) during preparation of the consolidated plan.

(2) When preparing the portion of the consolidated plan describing the jurisdiction's homeless strategy, the jurisdiction shall consult with public and private agencies that provide assisted housing, health services, and social services to determine what resources are available to address the needs of any persons that are chronically homeless.

(3) When preparing the portion of its consolidated plan concerning lead-based paint hazards, the jurisdiction shall consult with state or local health and child welfare agencies and examine existing data related to lead-based paint hazards and poisonings, including health department data on the addresses of housing units in which children have been identified as lead poisoned.

(4) When preparing the description of priority nonhousing community development needs, a unit of general local government must notify adjacent units

24 CFR Subtitle A (4–1–07 Edition)

of general local government, to the extent practicable. The nonhousing community development plan must be submitted to the state, and, if the jurisdiction is a CDBG entitlement grantee other than an urban county, to the county.

(5) The jurisdiction also should consult with adjacent units of general local government, including local government agencies with metropolitan-wide planning responsibilities, particularly for problems and solutions that go beyond a single jurisdiction.

(b) *HOPWA.* The largest city in each eligible metropolitan statistical area (EMSA) that is eligible to receive a HOPWA formula allocation must consult broadly to develop a metropolitan-wide strategy for addressing the needs of persons with HIV/AIDS and their families living throughout the EMSA. All jurisdictions within the EMSA must assist the jurisdiction that is applying for a HOPWA allocation in the preparation of the HOPWA submission.

(c) *Public housing.* The jurisdiction shall consult with the local public housing agency (PHA) concerning consideration of public housing needs and planned programs and activities. This consultation will help provide a better basis for the certification by the authorized official that the PHA Plan is consistent with the consolidated plan and the local government's description of the manner in which it will address the needs of public housing and, where necessary, the manner in which it will provide financial or other assistance to a troubled PHA to improve its operations and remove such designation. It will also help ensure that activities with regard to local drug elimination, neighborhood improvement programs, and resident programs and services, funded under a PHA's program and those funded under a program covered by the consolidated plan, are fully coordinated to achieve comprehensive community development goals. If a PHA is required to implement remedies under a Section 504 Voluntary Compliance Agreement to provide accessible units for persons with disabilities, the local jurisdiction should consult with the PHA and identify actions it may take, if any, to assist the PHA in implementing the required remedies. A

local jurisdiction may use CDBG funds for eligible activities or other funds to implement remedies required under a Section 504 Voluntary Compliance Agreement.

[60 FR 1896, Jan. 5, 1995, as amended at 71 FR 6962, Feb. 9, 2006]

§ 91.105 Citizen participation plan; local governments.

(a) *Applicability and adoption of the citizen participation plan.* (1) The jurisdiction is required to adopt a citizen participation plan that sets forth the jurisdiction's policies and procedures for citizen participation. (Where a jurisdiction, before February 6, 1995, adopted a citizen participation plan that complies with section 104(a)(3) of the Housing and Community Development Act of 1974 (42 U.S.C. 5304(A)(3)) but will need to amend the citizen participation plan to comply with provisions of this section, the citizen participation plan shall be amended by the first day of the jurisdiction's program year that begins on or after 180 days following February 6, 1995.)

(2) *Encouragement of citizen participation.* (i) The citizen participation plan must provide for and encourage citizens to participate in the development of the consolidated plan, any substantial amendments to the consolidated plan, and the performance report.

(ii) These requirements are designed especially to encourage participation by low- and moderate-income persons, particularly those living in slum and blighted areas and in areas where CDBG funds are proposed to be used, and by residents of predominantly low- and moderate-income neighborhoods, as defined by the jurisdiction. A jurisdiction also is expected to take whatever actions are appropriate to encourage the participation of all its citizens, including minorities and non-English speaking persons, as well as persons with disabilities. The jurisdiction shall encourage the participation of local and regional institutions and other organizations (including businesses, developers, and community and faith-based organizations) in the process of developing and implementing the consolidated plan. The jurisdiction should also explore alternative public involvement techniques and quantitative ways

to measure efforts that encourage citizen participation in a shared vision for change in communities and neighborhoods, and the review of program performance, e.g., use of focus groups, and use of the Internet.

(iii) The jurisdiction shall encourage, in conjunction with consultation with public housing agencies, the participation of residents of public and assisted housing developments, in the process of developing and implementing the consolidated plan, along with other low-income residents of targeted revitalization areas in which the developments are located. The jurisdiction shall make an effort to provide information to the public housing agency about consolidated plan activities related to its developments and surrounding communities so that the public housing agency can make this information available at the annual public hearing required for the PHA Plan.

(3) *Citizen comment on the citizen participation plan and amendments.* The jurisdiction must provide citizens with a reasonable opportunity to comment on the original citizen participation plan and on substantial amendments to the citizen participation plan, and must make the citizen participation plan public. The citizen participation plan must be in a format accessible to persons with disabilities, upon request.

(b) *Development of the consolidated plan.* The citizen participation plan must include the following minimum requirements for the development of the consolidated plan.

(1) The citizen participation plan must require that, before the jurisdiction adopts a consolidated plan, the jurisdiction will make available to citizens, public agencies, and other interested parties information that includes the amount of assistance the jurisdiction expects to receive (including grant funds and program income) and the range of activities that may be undertaken, including the estimated amount that will benefit persons of low- and moderate-income. The citizen participation plan also must set forth the jurisdiction's plans to minimize displacement of persons and to assist any persons displaced, specifying the types and levels of assistance the jurisdiction will make available (or require others

to make available) to persons displaced, even if the jurisdiction expects no displacement to occur. The citizen participation plan must state when and how the jurisdiction will make this information available.

(2) The citizen participation plan must require the jurisdiction to publish the proposed consolidated plan in a manner that affords citizens, public agencies, and other interested parties a reasonable opportunity to examine its contents and to submit comments. The citizen participation plan must set forth how the jurisdiction will publish the proposed consolidated plan and give reasonable opportunity to examine the contents of the proposed consolidated plan. The requirement for publishing may be met by publishing a summary of the proposed consolidated plan in one or more newspapers of general circulation, and by making copies of the proposed consolidated plan available at libraries, government offices, and public places. The summary must describe the contents and purpose of the consolidated plan, and must include a list of the locations where copies of the entire proposed consolidated plan may be examined. In addition, the jurisdiction must provide a reasonable number of free copies of the plan to citizens and groups that request it.

(3) The citizen participation plan must provide for at least one public hearing during the development of the consolidated plan. See paragraph (e) of this section for public hearing requirements, generally.

(4) The citizen participation plan must provide a period, not less than 30 days, to receive comments from citizens on the consolidated plan.

(5) The citizen participation plan shall require the jurisdiction to consider any comments or views of citizens received in writing, or orally at the public hearings, in preparing the final consolidated plan. A summary of these comments or views, and a summary of any comments or views not accepted and the reasons therefor, shall be attached to the final consolidated plan.

(c) *Amendments*—(1) *Criteria for amendment to consolidated plan.* The citizen participation plan must specify the criteria the jurisdiction will use for

determining what changes in the jurisdiction's planned or actual activities constitute a substantial amendment to the consolidated plan. (See §91.505.) It must include among the criteria for a substantial amendment changes in the use of CDBG funds from one eligible activity to another.

(2) The citizen participation plan must provide citizens with reasonable notice and an opportunity to comment on substantial amendments. The citizen participation plan must state how reasonable notice and an opportunity to comment will be given. The citizen participation plan must provide a period, not less than 30 days, to receive comments on the substantial amendment before the amendment is implemented.

(3) The citizen participation plan shall require the jurisdiction to consider any comments or views of citizens received in writing, or orally at public hearings, if any, in preparing the substantial amendment of the consolidated plan. A summary of these comments or views, and a summary of any comments or views not accepted and the reasons therefor, shall be attached to the substantial amendment of the consolidated plan.

(d) *Performance reports.* (1) The citizen participation plan must provide citizens with reasonable notice and an opportunity to comment on performance reports. The citizen participation plan must state how reasonable notice and an opportunity to comment will be given. The citizen participation plan must provide a period, not less than 15 days, to receive comments on the performance report that is to be submitted to HUD before its submission.

(2) The citizen participation plan shall require the jurisdiction to consider any comments or views of citizens received in writing, or orally at public hearings in preparing the performance report. A summary of these comments or views shall be attached to the performance report.

(e) *Public hearings.* (1) The citizen participation plan must provide for at least two public hearings per year to obtain citizens' views and to respond to proposals and questions, to be conducted at a minimum of two different stages of the program year. Together,

the hearings must address housing and community development needs, development of proposed activities, and review of program performance. To obtain the views of citizens on housing and community development needs, including priority nonhousing community development needs, the citizen participation plan must provide that at least one of these hearings is held before the proposed consolidated plan is published for comment.

(2) The citizen participation plan must state how and when adequate advance notice will be given to citizens of each hearing, with sufficient information published about the subject of the hearing to permit informed comment. (Publishing small print notices in the newspaper a few days before the hearing does not constitute adequate notice. Although HUD is not specifying the length of notice required, it would consider two weeks adequate.)

(3) The citizen participation plan must provide that hearings be held at times and locations convenient to potential and actual beneficiaries, and with accommodation for persons with disabilities. The citizen participation plan must specify how it will meet these requirements.

(4) The citizen participation plan must identify how the needs of non-English speaking residents will be met in the case of public hearings where a significant number of non-English speaking residents can be reasonably expected to participate.

(f) *Meetings.* The citizen participation plan must provide citizens with reasonable and timely access to local meetings.

(g) *Availability to the public.* The citizen participation plan must provide that the consolidated plan as adopted, substantial amendments, and the performance report will be available to the public, including the availability of materials in a form accessible to persons with disabilities, upon request. The citizen participation plan must state how these documents will be available to the public.

(h) *Access to records.* The citizen participation plan must require the jurisdiction to provide citizens, public agencies, and other interested parties with reasonable and timely access to infor-

mation and records relating to the jurisdiction's consolidated plan and the jurisdiction's use of assistance under the programs covered by this part during the preceding five years.

(i) *Technical assistance.* The citizen participation plan must provide for technical assistance to groups representative of persons of low- and moderate-income that request such assistance in developing proposals for funding assistance under any of the programs covered by the consolidated plan, with the level and type of assistance determined by the jurisdiction. The assistance need not include the provision of funds to the groups.

(j) *Complaints.* The citizen participation plan shall describe the jurisdiction's appropriate and practicable procedures to handle complaints from citizens related to the consolidated plan, amendments, and performance report. At a minimum, the citizen participation plan shall require that the jurisdiction must provide a timely, substantive written response to every written citizen complaint, within an established period of time (within 15 working days, where practicable, if the jurisdiction is a CDBG grant recipient).

(k) *Use of citizen participation plan.* The jurisdiction must follow its citizen participation plan.

(l) *Jurisdiction responsibility.* The requirements for citizen participation do not restrict the responsibility or authority of the jurisdiction for the development and execution of its consolidated plan.

§91.110 Consultation; states.

When preparing the consolidated plan, the state shall consult with other public and private agencies that provide assisted housing (including any state housing agency administering public housing), health services, and social and fair housing services (including those focusing on services to children, elderly persons, persons with disabilities, persons with HIV/AIDS and their families, and homeless persons) during preparation of the consolidated plan. When preparing the portion of its consolidated plan concerning lead-based paint hazards, the state shall consult with state or local health and child welfare agencies and examine existing data related to lead-based paint hazards and poisonings, including health department data on the addresses of housing units in which children have been identified as lead poisoned. When preparing its method of distribution of assistance under the CDBG program, a state must consult with local governments in non-entitlement areas of the state.

§91.115 Citizen participation plan; States.

(a) *Applicability and adoption of the citizen participation plan.* (1) The State is required to adopt a citizen participation plan that sets forth the State's policies and procedures for citizen participation. (a) A complete consolidated plan consists of the information required in § 91.200 through § 91.230, submitted in accordance with instructions prescribed by HUD (including tables and narratives), or in such other format as jointly agreed upon by HUD and the jurisdiction. A comprehensive housing affordability strategy consists of the information required in § 91.200 through § 91.215(e), § 91.215(h) through § 91.215(l), § 91.220(c), § 91.220(g), § 91.225 and § 91.230.

(b) The jurisdiction shall describe the lead agency or entity responsible for overseeing the development of the plan and the significant aspects of the process by which the consolidated plan was developed, the identity of the agencies, groups, organizations, and others who participated in the process, and a description of the jurisdiction's consultations with social service, health, and child service agencies and other entities.

(c) In order to facilitate citizen review and comment each year, the plan shall contain a concise executive summary that includes the objectives and outcomes identified in the plan as well as an evaluation of past performance. The plan shall also include a concise summary of the citizen participation process, public comments, and efforts made to broaden public participation in the development of the consolidated plan.

§ 91.205 Housing and homeless needs assessment.

(a) *General.* The consolidated plan must provide a concise summary of the jurisdiction's estimated housing needs projected for the ensuing five-year period. Housing data included in this portion of the plan shall be based on U.S.

Census data, as provided by HUD, as updated by any properly conducted local study, or any other reliable source that the jurisdiction clearly identifies, and should reflect the consultation with social service agencies and other entities conducted in accordance with § 91.100 and the citizen participation process conducted in accordance with § 91.105. For a jurisdiction seeking funding on behalf of an eligible metropolitan statistical area under the HOPWA program, the needs described for housing and supportive services must address the unmet needs of low-income persons with HIV/AIDS and their families throughout the eligible metropolitan statistical area.

(b) *Categories of persons affected.* (1) The plan shall estimate the number and type of families in need of housing assistance for extremely low-income, low-income, moderate-income, and middle-income families, for renters and owners, for elderly persons, for single persons, for large families, for public housing residents, for families on the public housing and section 8 tenant-based waiting list, for persons with HIV/AIDS and their families, and for persons with disabilities. The description of housing needs shall include a concise summary of the cost burden and severe cost burden, overcrowding (especially for large families), and substandard housing conditions being experienced by extremely low-income, low-income, moderate-income, and middle-income renters and owners compared to the jurisdiction as a whole. (The jurisdiction must define in its consolidated plan the terms "standard condition" and "substandard condition but suitable for rehabilitation.")

(2) For any of the income categories enumerated in paragraph (b)(1) of this section, to the extent that any racial or ethnic group has disproportionately greater need in comparison to the needs of that category as a whole, assessment of that specific need shall be included. For this purpose, disproportionately greater need exists when the percentage of persons in a category of need who are members of a particular racial or ethnic group in a category of need is at least 10 percentage points

higher than the percentage of persons in the category as a whole.

(c) *Homeless needs.* The plan must provide a concise summary of the nature and extent of homelessness (including rural homelessness and chronically homeless persons), addressing separately the need for facilities and services for homeless individuals and homeless families with children, both sheltered and unsheltered, and homeless subpopulations, in accordance with a table prescribed by HUD. This description must include the characteristics and needs of low-income individuals and families with children (especially extremely low-income) who are currently housed but threatened with homelessness. The plan also must contain a brief narrative description of the nature and extent of homelessness by racial and ethnic group, to the extent information is available.

(d) *Other special needs.* (1) The jurisdiction shall estimate, to the extent practicable, the number of persons who are not homeless but require supportive housing, including the elderly, frail elderly, persons with disabilities (mental, physical, developmental), persons with alcohol or other drug addiction, persons with HIV/AIDS and their families, public housing residents, and any other categories the jurisdiction may specify, and describe their supportive housing needs.

(2) With respect to a jurisdiction seeking funding on behalf of an eligible metropolitan statistical area under the HOPWA program, the plan must identify the size and characteristics of the population with HIV/AIDS and their families within the eligible metropolitan statistical area it will serve.

(e) *Lead-based paint hazards.* The plan must estimate the number of housing units within the jurisdiction that are occupied by low-income families or moderate-income families that contain lead-based paint hazards, as defined in this part.

§91.210 Housing market analysis.

(a) *General characteristics.* Based on information available to the jurisdiction, the plan must describe the significant characteristics of the jurisdiction's housing market, including the supply, demand, and condition and cost of housing and the housing stock available to serve persons with disabilities, and to serve other low-income persons with special needs, including persons with HIV/AIDS and their families. Data on the housing market should include, to the extent information is available, an estimate of the number of vacant or abandoned buildings and whether units in these buildings are suitable for rehabilitation. The jurisdiction must also identify and describe any areas within the jurisdiction with concentrations of racial/ethnic minorities and/or low-income families, stating how it defines the terms "area of low-income concentration" and "area of minority concentration" for this purpose. The locations and degree of these concentrations must be identified, either in a narrative or on one or more maps.

(b) *Public and assisted housing.* (1) The plan must describe and identify the public housing developments and the number of public housing units in the jurisdiction, the physical condition of such units, the restoration and revitalization needs, results from the Section 504 needs assessment (i.e., assessment of needs of tenants and applicants on waiting list for accessible units, as required by 24 CFR 8.25), and the public housing agency's strategy for improving the management and operation of such public housing and for improving the living environment of low- and moderate-income families residing in public housing. The consolidated plan must identify the public housing developments in the jurisdictions that are participating in an approved PHA Plan.

(2) The jurisdiction shall include a description of the number and targeting (income level and type of family served) of units currently assisted by local, state, or federally funded programs, and an assessment of whether any such units are expected to be lost from the assisted housing inventory for any reason, such as expiration of Section 8 contracts.

(c) *Homeless facilities.* The plan must include a brief inventory of facilities and services that meet the emergency shelter, transitional housing, permanent supportive housing, and permanent housing needs of homeless persons within the jurisdiction, including any persons that are chronically homeless. The inventory should also include (to the extent the information is available to the jurisdiction) an estimate of the percentage or number of beds and supportive services programs that are serving people that are chronically homeless.

(d) *Special need facilities and services.* The plan must describe, to the extent information is available, the facilities and services that assist persons who are not homeless but who require supportive housing, and programs for ensuring that persons returning from mental and physical health institutions receive appropriate supportive housing.

(e) *Barriers to affordable housing.* The plan must explain whether the cost of housing or the incentives to develop, maintain, or improve affordable housing in the jurisdiction are affected by public policies, particularly by policies of the jurisdiction, including tax policies affecting land and other property, land use controls, zoning ordinances, building codes, fees and charges, growth limits, and policies that affect the return on residential investment.

§91.215 Strategic plan.

(a) *General.* For the categories described in paragraphs (b), (c), (d), (e), and (f) of this section, the consolidated plan must do the following:

(1) Indicate the general priorities for allocating investment geographically within the jurisdiction (or within the EMSA for the HOPWA program) and among different activities and needs, as identified in tables prescribed by HUD.

(2) Describe the rationale for establishing the allocation priorities given to each category of priority needs, particularly among extremely low-income,

low-income, and moderate-income households;

(3) Identify any obstacles to meeting underserved needs;

(4) Summarize the priorities and specific objectives the jurisdiction intends to initiate and/or complete during the time period covered by the strategic plan and how funds that are reasonably expected to be available will be used to address identified needs. For each specific objective statement, identify proposed accomplishments and outcomes the jurisdiction hopes to achieve in quantitative terms over a specified time period (e.g., one, two, three or more years), or in other measurable terms as identified and defined by the jurisdiction. This information is to be provided in accordance with guidance to be issued by HUD.

(b) *Affordable housing.* With respect to affordable housing, the consolidated plan must include the priority housing needs table prescribed by HUD and must do the following:

(1) The affordable housing section shall describe how the characteristics of the housing market and the severity of housing problems and needs of extremely low-income, low-income, and moderate-income renters and owners identified in accordance with §91.205 provided the rationale for establishing allocation priorities and use of funds made available for rental assistance, production of new units, rehabilitation of existing units, or acquisition of existing units (including preserving affordable housing units that may be lost from the assisted housing inventory for any reason). Household and income types may be grouped together for discussion where the analysis would apply to more than one of them. If the jurisdiction intends to use HOME funds for tenant-based assistance, it must specify local market conditions that led to the choice of that option.

(2) The affordable housing section shall include specific objectives that describe proposed accomplishments the jurisdiction hopes to achieve and must specify the number of extremely low-income, low-income, and moderate-income families to whom the jurisdiction will provide affordable housing as defined in 24 CFR 92.252 for rental hous-

ing and 24 CFR 92.254 for homeownership over a specific time period.

(c) *Public housing.* The consolidated plan must describe the manner in which the plan of the jurisdiction will address the needs of public housing, including the need to increase the number of accessible units where required by a Section 504 Voluntarily Compliance Agreement. The consolidated plan must also describe the jurisdiction's activities to encourage public housing residents to become more involved in management and participate in homeownership. If the public housing agency is designated as "troubled" by HUD under 24 CFR part 902, the jurisdiction must describe the manner in which it will provide financial or other assistance to improve its operations and remove the "troubled" designation.

(d) *Homelessness.* With respect to homelessness, the consolidated plan must include the priority homeless needs table prescribed by HUD and must describe the jurisdiction's strategy for the following:

(1) Helping low-income families avoid becoming homeless;

(2) Reaching out to homeless persons and assessing their individual needs;

(3) Addressing the emergency shelter and transitional housing needs of homeless persons; and

(4) Helping homeless persons (especially any persons that are chronically homeless) make the transition to permanent housing and independent living.

(e) *Other special needs.* With respect to special needs of the non-homeless, the consolidated plan must provide a concise summary of the priority housing and supportive service needs of persons who are not homeless but who may or may not require supportive housing (i.e., elderly, frail elderly, persons with disabilities (mental, physical, developmental), persons with alcohol or other drug addiction, persons with HIV/AIDS and their families, and public housing residents). If the jurisdiction intends to use HOME funds for tenant-based assistance to assist one or more of these subpopulations, it must specify local market conditions that led to the choice of this option.

(f) *Nonhousing community development plan.* If the jurisdiction seeks assistance under the Community Development Block Grant (CDBG) program, the consolidated plan must provide a concise summary of the jurisdiction's priority non-housing community development needs eligible for assistance under HUD's community development programs by CDBG eligibility category, in accordance with a table prescribed by HUD. This community development component of the plan must state the jurisdiction's specific long-term and short-term community development objectives (including economic development activities that create jobs), which must be developed in accordance with the primary objective of the CDBG program to develop viable urban communities by providing decent housing and a suitable living environment and expanding economic opportunities, principally for low-income and moderate-income persons.

(g) *Neighborhood Revitalization.* Jurisdictions are encouraged to identify locally designated areas where geographically targeted revitalization efforts are carried out through multiple activities in a concentrated and coordinated manner. In addition, a jurisdiction may elect to carry out a HUD-approved neighborhood revitalization strategy that includes the economic empowerment of low-income residents with respect to one or more of its areas. If HUD approves such a strategy, the jurisdiction can obtain greater flexibility in the use of the CDBG funds in the revitalization area(s) as described in 24 CFR part 570, subpart C. This strategy must identify long-term and short-term objectives (e.g., physical improvements, social initiatives and economic empowerment), expressing them in terms of measures of outputs and outcomes the jurisdiction expects to achieve in the neighborhood through the use of HUD programs.

(h) *Barriers to affordable housing.* The consolidated plan must describe the jurisdiction's strategy to remove or ameliorate negative effects of public policies that serve as barriers to affordable housing, as identified in accordance with §91.210(e), except that, if a State requires a unit of general local government to submit a regulatory barrier as-

essment that is substantially equivalent to the information required under this paragraph (h), as determined by HUD, the unit of general local government may submit its assessment submitted to the State to HUD and shall be considered to have complied with this requirement.

(i) *Lead-based paint hazards.* The consolidated plan must outline actions proposed or being taken to evaluate and reduce lead-based paint hazards and increase access to housing without such health hazards, how the plan for the reduction of lead-based hazards is related to the extent of lead poisoning and hazards, and how the plan for the reduction of lead-based hazards will be integrated into housing policies and programs.

(j) *Anti-poverty strategy.* The consolidated plan must provide a concise summary of the jurisdiction's goals, programs, and policies for reducing the number of poverty-level families and how the jurisdiction's goals, programs, and policies for producing and preserving affordable housing, set forth in the housing component of the consolidated plan, will be coordinated with other programs and services for which the jurisdiction is responsible and the extent to which they will reduce (or assist in reducing) the number of poverty-level families, taking into consideration factors over which the jurisdiction has control. These policies may include the jurisdiction's policies for providing employment and training opportunities to section 3 residents pursuant to 24 CFR part 135.

(k) *Institutional structure.* (1) The consolidated plan must provide a concise summary of the institutional structure, including private industry, non-profit organizations, community and faith-based organizations, and public institutions, through which the jurisdiction will carry out its housing, homeless, and community development plan, and which assesses the strengths and gaps in that delivery system.

(2) The plan must provide a concise summary of what the jurisdiction will do to overcome gaps in the institutional structure for carrying out its strategy for addressing its priority needs.

(l) *Coordination.* The consolidated plan must provide a concise summary of the jurisdiction's activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health, and service agencies. With respect to the preparation of its homeless strategy, the jurisdiction must describe efforts in addressing the needs of persons that are chronically homeless. With respect to the public entities involved, the plan must describe the means of cooperation and coordination among the state and any units of general local government in the metropolitan area in the implementation of its consolidated plan. With respect to economic development, the jurisdiction should describe efforts to enhance coordination with private industry, businesses, developers, and social service agencies.

§ 91.220 Action plan.

The action plan must include the following:

- (a) Standard Form 424;
- (b) A concise executive summary that includes the objectives and outcomes identified in the plan as well as an evaluation of past performance, a summary of the citizen participation and consultation process (including efforts to broaden public participation) (24 CFR 91.200 (b)), a summary of comments or views, and a summary of comments or views not accepted and the reasons therefore (24 CFR 91.105 (b)(5)).
- (c) *Resources and objectives*—(1) *Federal resources.* The consolidated plan must provide a concise summary of the federal resources (including grant funds and program income) expected to be made available. Federal resources should include Section 8 funds made available to jurisdictions, Low-Income Housing Tax Credits, and competitive McKinney-Vento Homeless Assistance Act funds, expected to be available to address priority needs and specific objectives identified in the strategic plan.
- (2) *Other resources.* The consolidated plan must indicate resources from private and state and local sources that are reasonably expected to be made available to address the needs identi-

fied in the plan. The plan must explain how federal funds will leverage those additional resources, including a description of how matching requirements of the HUD programs will be satisfied. Where the jurisdiction deems it appropriate, the jurisdiction may indicate publicly owned land or property located within the jurisdiction that may be used to address the needs identified in the plan;

(3) *Annual objectives.* The consolidated plan must contain a summary of the annual objectives the jurisdiction expects to achieve during the forthcoming program year.

(d) *Activities to be undertaken.* The action plan must provide a description of the activities the jurisdiction will undertake during the next year to address priority needs and objectives. This description of activities shall estimate the number and type of families that will benefit from the proposed activities, the specific local objectives and priority needs (identified in accordance with § 91.215) that will be addressed by the activities using formula grant funds and program income the jurisdiction expects to receive during the program year, proposed accomplishments, and a target date for completion of the activity. This information is to be presented in the form of a table prescribed by HUD. The plan must also describe the reasons for the allocation priorities and identify any obstacles to addressing underserved needs;

(e) *Outcome measures.* Each jurisdiction must provide outcome measures for activities included in its action plan in accordance with guidance to be issued by HUD.

(f) *Geographic distribution.* A description of the geographic areas of the jurisdiction (including areas of low-income and minority concentration) in which it will direct assistance during the ensuing program year, giving the rationale for the priorities for allocating investment geographically. When appropriate, jurisdictions should estimate the percentage of funds they plan to dedicate to target areas.

(g) *Affordable housing.* The jurisdiction must specify one-year goals for the number of homeless, non-homeless, and special-needs households to be provided affordable housing using funds

§ 91.220

made available to the jurisdiction and one-year goals for the number of households to be provided affordable housing through activities that provide rental assistance, production of new units, rehabilitation of existing units, or acquisition of existing units using funds made available to the jurisdiction. The term affordable housing shall be as defined in 24 CFR 92.252 for rental housing and 24 CFR 92.254 for homeownership.

(h) *Public housing.* Actions it plans to take during the next year to address the needs of public housing and actions to encourage public housing residents to become more involved in management and participate in homeownership. If the public housing agency is designated as “troubled” by HUD under part 902 of this title, the jurisdiction must describe the manner in which it will provide financial or other assistance to improve its operations and remove the “troubled” designation.

(i) *Homeless and other special needs activities.* Activities it plans to undertake during the next year to address emergency shelter and transitional housing needs of homeless individuals and families (including subpopulations), to prevent low-income individuals and families with children (especially those with incomes below 30 percent of median) from becoming homeless, to help homeless persons make the transition to permanent housing and independent living, specific action steps to end chronic homelessness, and to address the special needs of persons who are not homeless identified in accordance with § 91.215(e);

(j) *Barriers to affordable housing.* Actions it plans to take during the next year to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing. Such policies, procedures and processes include, but are not limited to, land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment.

(k) *Other actions.* Actions it plans to take during the next year to address obstacles to meeting underserved needs, foster and maintain affordable

housing, evaluate and reduce lead-based paint hazards, reduce the number of poverty-level families, develop institutional structure, and enhance coordination between public and private housing and social service agencies (see § 91.215 (a), (b), (i), (j), (k), and (l)).

(l) *Program-specific requirements—(1) CDBG.* (i) A jurisdiction must describe activities planned with respect to all CDBG funds expected to be available during the program year (including program income that will have been received before the start of the next program year), except that an amount generally not to exceed ten percent of such total available CDBG funds may be excluded from the funds for which eligible activities are described if it has been identified for the contingency of cost overruns.

(ii) CDBG funds expected to be available during the program year includes the following:

(A) Any program income that will have been received before the start of the next program year and that has not yet been programmed;

(B) Proceeds from Section 108 loan guarantees that will be used during the year to address the priority needs and specific objectives identified in its strategic plan;

(C) Surplus from urban renewal settlements;

(D) Grant funds returned to the line of credit for which the planned use has not been included in a prior statement or plan; and

(E) *Income from float-funded activities.* The full amount of income expected to be generated by a float-funded activity must be shown, whether or not some or all of the income is expected to be received in a future program year. To assure that citizens understand the risks inherent in undertaking float-funded activities, the recipient must specify the total amount of program income expected to be received and the month(s) and year(s) that it expects the float-funded activity to generate such program income.

(iii) An “urgent needs” activity (one that is expected to qualify under § 570.208(c) of this title) may be included only if the jurisdiction identifies the activity in the action plan and certifies that the activity is designed

to meet other community development needs having a particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community and because other financial resources are not available.

(iv) The plan shall identify the estimated amount of CDBG funds that will be used for activities that benefit persons of low- and moderate-income. The information about activities shall be in sufficient detail, including location, to allow citizens to determine the degree to which they are affected.

(2) *HOME*. (i) For HOME funds, a participating jurisdiction shall describe other forms of investment that are not described in § 92.205(b).

(ii) If the participating jurisdiction intends to use HOME funds for homebuyers, it must state the guidelines for resale or recapture, as required in § 92.254.

(iii) If the participating jurisdiction intends to use HOME funds to refinance existing debt secured by multifamily housing that is being rehabilitated with HOME funds, it must state its refinancing guidelines required under 24 CFR 92.206(b). The guidelines shall describe the conditions under which the participating jurisdictions will refinance existing debt. At minimum, the guidelines must:

(A) Demonstrate that rehabilitation is the primary eligible activity and ensure that this requirement is met by establishing a minimum level of rehabilitation per unit or a required ratio between rehabilitation and refinancing.

(B) Require a review of management practices to demonstrate that disinvestment in the property has not occurred; that the long-term needs of the project can be met; and that the feasibility of serving the targeted population over an extended affordability period can be demonstrated.

(C) State whether the new investment is being made to maintain current affordable units, create additional affordable units, or both.

(D) Specify the required period of affordability, whether it is the minimum 15 years or longer.

(E) Specify whether the investment of HOME funds may be jurisdiction-

wide or limited to a specific geographic area, such as a neighborhood identified in a neighborhood revitalization strategy under 24 CFR 91.215(g) or a federally designated Empowerment Zone or Enterprise Community.

(F) State that HOME funds cannot be used to refinance multifamily loans made or insured by any federal program, including CDBG.

(iv) If the participating jurisdiction will receive funding under the American Dream Downpayment Initiative (ADDI) (see 24 CFR part 92, subpart M), it must include:

(A) A description of the planned use of the ADDI funds;

(B) A plan for conducting targeted outreach to residents and tenants of public and manufactured housing and to other families assisted by public housing agencies, for the purposes of ensuring that the ADDI funds are used to provide downpayment assistance for such residents, tenants, and families; and

(C) A description of the actions to be taken to ensure the suitability of families receiving ADDI funds to undertake and maintain homeownership.

(3) *HOPWA*. For HOPWA funds, the jurisdiction must specify one-year goals for the number of households to be provided housing through the use of HOPWA activities for: short-term rent, mortgage, and utility assistance payments to prevent homelessness of the individual or family; tenant-based rental assistance; and units provided in housing facilities that are being developed, leased, or operated with HOPWA funds and shall identify the method of selecting project sponsors (including providing full access to grassroots faith-based and other community organizations).

(a) *General*. The following certifications, satisfactory to HUD, must be included in the annual submission to HUD. (See definition of "certification" in § 91.5.)

(1) *Affirmatively furthering fair housing*. Each jurisdiction is required to submit a certification that it will affirmatively further fair housing, which means that it will conduct an analysis

§91.225

to identify impediments to fair housing choice within the jurisdiction, take appropriate actions to overcome the effects of any impediments identified through that analysis, and maintain records reflecting the analysis and actions in this regard.

(2) *Anti-displacement and relocation plan.* Each jurisdiction is required to submit a certification that it has in effect and is following a residential antidisplacement and relocation assistance plan in connection with any activity assisted with funding under the CDBG or HOME programs.

(3) *Drug-free workplace.* The jurisdiction must submit a certification with regard to drug-free workplace required by 24 CFR part 24, subpart F.

(4) *Anti-lobbying.* The jurisdiction must submit a certification with regard to compliance with restrictions on lobbying required by 24 CFR part 87, together with disclosure forms, if required by that part.

(5) *Authority of jurisdiction.* The jurisdiction must submit a certification that the consolidated plan is authorized under State and local law (as applicable) and that the jurisdiction possesses the legal authority to carry out the programs for which it is seeking funding, in accordance with applicable HUD regulations.

(6) *Consistency with plan.* The jurisdiction must submit a certification that the housing activities to be undertaken with CDBG, HOME, ESG, and HOPWA funds are consistent with the strategic plan. Where the HOPWA funds are to be received by a city that is the most populous unit of general local government in an EMSA, it must obtain and keep on file certifications of consistency from the authorized public officials for each other locality in the EMSA in which housing assistance is provided.

(7) *Acquisition and relocation.* The jurisdiction must submit a certification that it will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (42 U.S.C. 4601), and implementing regulations at 49 CFR part 24.

(8) *Section 3.* The jurisdiction must submit a certification that it will com-

24 CFR Subtitle A (4-1-07 Edition)

ply with section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u), and implementing regulations at 24 CFR part 135.

(b) *Community Development Block Grant program.* For jurisdictions that seek funding under CDBG, the following certifications are required:

(1) *Citizen participation.* Each jurisdiction must certify that it is in full compliance and following a detailed citizen participation plan that satisfies the requirements of §91.105.

(2) *Community development plan.* A certification that this consolidated housing and community development plan identifies community development and housing needs and specifies both short-term and long-term community development objectives that have been developed in accordance with the primary objective of the statute authorizing the CDBG program, as described in 24 CFR 570.2, and requirements of this part and 24 CFR part 570.

(3) *Following a plan.* A certification that the jurisdiction is following a current consolidated plan (or Comprehensive Housing Affordability Strategy) that has been approved by HUD.

(4) *Use of funds.* A certification that the jurisdiction has complied with the following criteria:

(i) With respect to activities expected to be assisted with CDBG funds, the Action Plan has been developed so as to give the maximum feasible priority to activities that will benefit low- and moderate-income families or aid in the prevention or elimination of slums or blight. The plan may also include CDBG-assisted activities that are certified to be designed to meet other community development needs having particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community where other financial resources are not available to meet such needs;

(ii) The aggregate use of CDBG funds, including section 108 guaranteed loans, during a period specified by the jurisdiction, consisting of one, two, or three specific consecutive program years, shall principally benefit low- and moderate-income families in a manner that ensures that at least 70 percent of the amount is expended for activities that

benefit such persons during the designated period (see 24 CFR 570.3 for definition of “CDBG funds”); and

(iii) The jurisdiction will not attempt to recover any capital costs of public improvements assisted with CDBG funds, including Section 108 loan guaranteed funds, by assessing any amount against properties owned and occupied by persons of low- and moderate-income, including any fee charged or assessment made as a condition of obtaining access to such public improvements. However, if CDBG funds are used to pay the proportion of a fee or assessment attributable to the capital costs of public improvements (assisted in part with CDBG funds) financed from other revenue sources, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds. In addition, with respect to properties owned and occupied by moderate-income (but not low-income) families, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds if the jurisdiction certifies that it lacks CDBG funds to cover the assessment.

(5) *Excessive force.* A certification that the jurisdiction has adopted and is enforcing:

(i) A policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in non-violent civil rights demonstrations; and

(ii) A policy of enforcing applicable State and local laws against physically barring entrance to or exit from, a facility or location that is the subject of such non-violent civil rights demonstrations within its jurisdiction.

(6) *Compliance with anti-discrimination laws.* The jurisdiction must submit a certification that the grant will be conducted and administered in conformity with title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d), the Fair Housing Act (42 U.S.C. 3601–3619), and implementing regulations.

(7) *Compliance with lead-based paint procedures.* The jurisdiction must submit a certification that its activities concerning lead-based paint will com-

ply with the requirements of part 35, subparts A, B, J, K, and R of this title.

(8) *Compliance with laws.* A certification that the jurisdiction will comply with applicable laws.

(c) *Emergency Shelter Grant program.* For jurisdictions that seek funding under the Emergency Shelter Grant program, the following certifications are required:

(1) In the case of assistance involving major rehabilitation or conversion, the applicant will maintain any building for which assistance is used under the ESG program as a shelter for homeless individuals and families for not less than a 10-year period;

(2) In the case of assistance involving rehabilitation less than that covered under paragraph (d)(1) of this section, the applicant will maintain any building for which assistance is used under the ESG program as a shelter for homeless individuals and families for not less than a three-year period;

(3) In the case of assistance involving essential services (including but not limited to employment, health, drug abuse, or education) or maintenance, operation, insurance, utilities and furnishings, the applicant will provide services or shelter to homeless individuals and families for the period during which the ESG assistance is provided, without regard to a particular site or structure as long as the same general population is served;

(4) Any renovation carried out with ESG assistance shall be sufficient to ensure that the building involved is safe and sanitary;

(5) It will assist homeless individuals in obtaining appropriate supportive services, including permanent housing, medical and mental health treatment, counseling, supervision, and other services essential for achieving independent living, and other Federal, State, local, and private assistance available for such individuals;

(6) It will obtain matching amounts required under § 576.71 of this title;

(10) A certification that the jurisdiction has established a policy for the discharge of persons from publicly funded institutions or systems of care (such as health care facilities, foster care or other youth facilities, or correction programs and institutions) in order to prevent such discharge from immediately resulting in homelessness for such persons.

(d) *HOME program.* Each participating jurisdiction must provide the following certifications:

(1) If it plans to use HOME funds for tenant-based rental assistance, a certification that rental-based assistance is an essential element of its consolidated plan;

(2) A certification that it is using and will use HOME funds for eligible activities and costs, as described in §§ 92.205 through 92.209 of this subtitle and that it is not using and will not use HOME funds for prohibited activities, as described in § 92.214 of this subtitle; and

(3) A certification that before committing funds to a project, the participating jurisdiction will evaluate the project in accordance with guidelines that it adopts for this purpose and will not invest any more HOME funds in combination with other federal assistance than is necessary to provide affordable housing.

(e) *Housing Opportunities for Persons With AIDS.* For jurisdictions that seek funding under the Housing Opportunities for Persons With AIDS program, a certification is required by the jurisdiction that:

(1) Activities funded under the program will meet urgent needs that are

not being met by available public and private sources; and

§ 91.235 Special case; abbreviated consolidated plan.

(a) *Who may submit an abbreviated plan?* A jurisdiction that is not a CDBG entitlement community under 24 CFR part 570, subpart D, and is not expected to be a participating jurisdiction in the HOME program under 24 CFR part 92, may submit an abbreviated consolidated plan that is appropriate to the types and amounts of assistance sought from HUD instead of a full consolidated plan.

(b) *When is an abbreviated plan necessary?—(1) Jurisdiction.* When a jurisdiction that is permitted to use an abbreviated plan applies to HUD for funds under a program that requires an approved consolidated plan (see § 91.2(b)), it must obtain approval of an abbreviated plan (or full consolidated plan) and submit a certification that the

24 CFR Subtitle A (4-1-07 Edition)

housing activities are consistent with the plan.

(2) *Other applicants.* When an eligible applicant other than a jurisdiction (e.g., a public housing agency or non-profit organization) seeks to apply for funding under a program requiring certification of consistency with an approved consolidated plan, the jurisdiction—if it is permitted to use an abbreviated plan—may prepare an abbreviated plan appropriate to the project. See § 91.510.

(3) *Limitation.* For the HOME program, an abbreviated consolidated plan is only permitted with respect to re-allocations to other than participating jurisdictions (see 24 CFR part 92, subpart J). For the CDBG program, an abbreviated plan may be submitted for the HUD-administered Small Cities program, except an abbreviated plan may not be submitted for the HUD-administered Small Cities program in the State of Hawaii.

(c) *What is an abbreviated plan?—(1) Assessment of needs, resources, planned activities.* An abbreviated plan must contain sufficient information about needs, resources, and planned activities to address the needs to cover the type and amount of assistance anticipated to be funded by HUD.

(2) *Nonhousing community development plan.* If the jurisdiction seeks assistance under the Community Development Block Grant program, it must describe the jurisdiction's priority nonhousing community development needs eligible for assistance under HUD's community development programs by CDBG eligibility category, reflecting the needs of families for each type of activity, as appropriate, in terms of dollar amounts estimated to meet the priority need for the type of activity, in accordance with a table prescribed by HUD. This community development component of the plan must state the jurisdiction's specific long-term and short-term community development objectives (including economic development activities that create jobs), which must be developed in accordance with the statutory goals described in § 91.1 and the primary objective of the Housing and Community Development Act of 1974, 42 U.S.C. 5301(c), of the development of viable urban commu-

nities by providing decent housing and a suitable living environment and expanding economic opportunities, principally for low-income and moderate-income persons.

(3) *Separate application for funding.* In addition to submission of the abbreviated consolidated plan, an application must be submitted for funding is sought under a competitive program. The applicable program requirements are found in the regulations for the program and in the Notice of Funding Availability published for the applicable fiscal year. For the CDBG Small Cities program, the applicable regulations are found at 24 CFR part 570, subpart F.

(d) *What consultation is applicable?* The jurisdiction must make reasonable efforts to consult with appropriate public and private social service agencies regarding the needs to be served with the funding sought from HUD. The jurisdiction must attempt some consultation with the State. (Section 91.100 does not apply.)

(e) *What citizen participation process is applicable?* If the jurisdiction is seeking CDBG funds under the CDBG Small Cities program, before submitting the abbreviated consolidated plan and application to HUD for funding, the jurisdiction must comply with the citizen participation requirements of 24 CFR 570.431. If it is not seeking such funding, the jurisdiction must conduct a citizen participation process as provided in section 107 of the Cranston-Gonzalez National Affordable Housing Act (42 U.S.C. 12707). (Section 91.105 does not apply.)

§ 91.235 Special case; abbreviated consolidated plan.

(a) *Who may submit an abbreviated plan?* A jurisdiction that is not a CDBG entitlement community under 24 CFR part 570, subpart D, and is not expected to be a participating jurisdiction in the HOME program under 24

§ 91.236

CFR part 92, as well as an Insular Area that is a HOME or CDBG grantee, may submit an abbreviated consolidated plan that is appropriate to the types and amounts of assistance sought from HUD, instead of a full consolidated plan.

(b) * * *

(3) *Limitation.* For the HOME program, an abbreviated consolidated plan is permitted only with respect to reallocations to other than participating jurisdictions (see 24 CFR part 92, subpart J), and for Insular Area grantees that submit an abbreviated consolidated plan pursuant to 24 CFR 570.440. For the CDBG program, an abbreviated plan may be submitted for the HUD-administered Small Cities program (except that an abbreviated plan may not be submitted for the HUD-administered Small Cities program in the state of Hawaii), and for Insular Area grantees pursuant to 24 CFR 570.440.

(c) * * *

(4) *Submissions, Certifications, Amendments, and Performance Reports.* An Insular Area grantee that submits an abbreviated consolidated plan under this section must comply with the submission, certification, amendment, and performance report requirements of 24 CFR 570.440. This includes certification that the grantee will affirmatively further fair housing, which means it will conduct an analysis of impediments to fair housing choice and undertake other activities required for fair housing planning, in accordance with 24 CFR 91.225(a)(1) and 570.601(a)(2).

(a) A complete consolidated plan consists of the information required in § 91.300 through § 91.330, submitted in accordance with instructions prescribed by HUD (including tables and narratives), or in such other format as jointly agreed upon by HUD and the state. A comprehensive housing affordability strategy consists of the information required in § 91.300 through § 91.315(e), § 91.315(h) through § 91.315(m), § 91.320(c), § 91.320 (g), § 91.225 and § 91.330.

(c) The plan shall contain a concise executive summary that includes the objectives and outcomes identified in the plan as well as an evaluation of past performance. [71 FR 6967, Feb. 9, 2006]

§ 91.305 Housing and homeless needs assessment.

(a) *General.* The consolidated plan must provide a concise summary of the state's estimated housing needs projected for the ensuing five-year period. Housing data included in this portion of the plan shall be based on U.S. Census data, as provided by HUD, as updated by any properly conducted local study, or any other reliable source that the state clearly identifies and should reflect the consultation with social service agencies and other entities conducted in accordance with § 91.110 and the citizen participation process conducted in accordance with § 91.115. For a state seeking funding under the

HOPWA program, the needs described for housing and supportive services must address the unmet needs of low-income persons with HIV/AIDS and their families in areas outside of eligible metropolitan statistical areas.

(b) *Categories of persons affected.* (1) The plan shall estimate the number and type of families in need of housing assistance for extremely low-income, low-income, moderate-income, and middle-income families, for renters and owners, for elderly persons, for single persons, for large families, for persons with HIV/AIDS and their families, and for persons with disabilities. The description of housing needs shall include a concise summary of the cost burden and severe cost burden, overcrowding (especially for large families), and substandard housing conditions being experienced by extremely low-income, low-income, moderate-income, and middle-income renters and owners compared to the state as a whole. (The state must define in its consolidated plan the terms "standard condition" and "substandard condition but suitable for rehabilitation.")

(2) For any of the income categories enumerated in paragraph (b)(1) of this section, to the extent that any racial or ethnic group has disproportionately greater need in comparison to the needs of that category as a whole, assessment of that specific need shall be included. For this purpose, disproportionately greater need exists when the percentage of persons in a category of need who are members of a particular racial or ethnic group in a category of need is at least 10 percentage points higher than the percentage of persons in the category as a whole.

(c) *Homeless needs.* The plan must provide a concise summary of the nature and extent of homelessness (including rural homelessness and chronically homeless persons) within the state, addressing separately the need for facilities and services for homeless individuals and homeless families with children, both sheltered and unsheltered, and homeless subpopulations, in accordance with a table prescribed by HUD. This description must include the characteristics and needs of low-income individuals and families with children (especially extremely low-in-

come) who are currently housed but threatened with homelessness. The plan also must contain a brief narrative description of the nature and extent of homelessness by racial and ethnic group, to the extent information is available.

(d) *Other special needs.* (1) The State shall estimate, to the extent practicable, the number of persons who are not homeless but require supportive housing, including the elderly, frail elderly, persons with disabilities (mental, physical, developmental), persons with alcohol or other drug addiction, persons with HIV/AIDS and their families, and any other categories the State may specify, and describe their supportive housing needs.

(2) With respect to a State seeking assistance under the HOPWA program, the plan must identify the size and characteristics of the population with HIV/AIDS and their families within the area it will serve.

(e) *Lead-based paint hazards.* The plan must estimate the number of housing units within the State that are occupied by low-income families or moderate-income families that contain lead-based paint hazards, as defined in this part.

§91.310 Housing market analysis.

(a) *General characteristics.* Based on data available to the State, the plan must describe the significant characteristics of the State's housing markets (including such aspects as the supply, demand, and condition and cost of housing).

(b) *Homeless facilities.* The plan must include a brief inventory of facilities and services that meet the emergency shelter, transitional housing, permanent supportive housing, and permanent housing needs of homeless persons within the state. The inventory should also include (to the extent the information is available to the state) an estimate of the percentage or number of beds and supportive services programs that are serving people that are chronically homeless.

§91.315

24 CFR Subtitle A (4-1-07 Edition)

(c) *Special need facilities and services.* The plan must describe, to the extent information is available, the facilities and services that assist persons who are not homeless but who require supportive housing, and programs for ensuring that persons returning from mental and physical health institutions receive appropriate supportive housing.

(d) *Barriers to affordable housing.* The plan must explain whether the cost of housing or the incentives to develop, maintain, or improve affordable housing in the State are affected by its policies, including tax policies affecting land and other property, land use controls, zoning ordinances, building codes, fees and charges, growth limits, and policies that affect the return on residential investment.

§91.315 Strategic plan.

(a) *General.* For the categories described in paragraphs (b), (c), (d), (e), and (f) of this section, the consolidated plan must do the following:

(1) Indicate the general priorities for allocating investment geographically within the state and among different activities and needs.

(2) Describe the rationale for establishing the allocation priorities given to each category of priority needs, particularly among extremely low-income, low-income, and moderate-income households.

(3) Identify any obstacles to meeting underserved needs.

(4) Summarize the priorities and specific objectives the state intends to initiate and/or complete during the time period covered by the strategic plan describing how the proposed distribution of funds will address identified needs. For each specific objective statement, identify proposed accomplishments and outcomes the state hopes to achieve in quantitative terms over a specified time period (e.g., one, two, three or more years), or in other measurable terms as identified and defined by the state. This information shall be provided in accordance with guidance to be issued by HUD.

(b) *Affordable housing.* With respect to affordable housing, the consolidated plan must include the priority housing needs table prescribed by HUD and must do the following:

(1) The affordable housing section shall describe how the characteristics of the housing market and the severity of housing problems and needs of extremely low-income, low-income, and moderate-income renters and owners identified in accordance with §91.305 provided the rationale for establishing allocation priorities and use of funds made available for rental assistance, production of new units, rehabilitation of existing units, or acquisition of existing units (including preserving affordable housing units that may be lost from the assisted housing inventory for any reason). Household and income types may be grouped together for discussion where the analysis would apply to more than one of them. If the state intends to use HOME funds for tenant-based assistance, it must specify local market conditions that led to the choice of that option.

(2) The affordable housing section shall include specific objectives that describe proposed accomplishments the state hopes to achieve and must specify the number of extremely low-income, low-income, and moderate-income families to whom the state will provide affordable housing as defined in 24 CFR 92.252 for rental housing and 24 CFR 92.254 for homeownership over a specific time period.

(c) *Public housing.* With respect to public housing, the consolidated plan must do the following:

(1) *Resident initiatives.* For a state that has a state housing agency administering public housing funds, the consolidated plan must describe the state's activities to encourage public housing residents to become more involved in management and participate in homeownership;

(2) *Public housing needs.* The consolidated plan must describe the manner in which the plan of the state will address the needs of public housing; and

(3) *Troubled public housing agencies.* If a public housing agency located within a state is designated as "troubled" by HUD under part 902 of this title, the strategy for the state or unit of local

government in which any troubled public housing agency is located must describe the manner in which the state or unit of general local government will provide financial or other assistance to improve the public housing agency's operations and remove the "troubled" designation. A state is not required to describe the manner in which financial or other assistance is provided if the troubled public housing agency is located entirely within the boundaries of a unit of general local government that must submit a consolidated plan to HUD.

(d) *Homelessness.* With respect to homelessness, the consolidated plan must include the priority homeless needs table prescribed by HUD and must describe the state's strategy for the following:

(1) Helping low-income families avoid becoming homeless;

(2) Reaching out to homeless persons and assessing their individual needs;

(3) Addressing the emergency shelter and transitional housing needs of homeless persons; and

(4) Helping homeless persons (especially any persons that are chronically homeless) make the transition to permanent housing and independent living.

(e) *Other special needs.* With respect to supportive needs of the non-homeless, the consolidated plan must provide a concise summary of the priority housing and supportive service needs of persons who are not homeless but require supportive housing, i.e., elderly, frail elderly, persons with disabilities (mental, physical, developmental), persons with alcohol or other drug addiction, persons with HIV/AIDS and their families, and public housing residents. If the state intends to use HOME funds for tenant-based assistance to assist one or more of these subpopulations, it must specify local market conditions that led to the choice of this option.

(f) *Nonhousing community development plan.* If the state seeks assistance under the CDBG program, the consolidated plan must concisely describe the state's priority nonhousing community development needs that affect more than one unit of general local government. These priority needs must be described by CDBG eligibility category,

reflecting the needs of persons or families for each type of activity. This community development component of the plan must identify the state's specific long-term and short-term community development objectives (including economic development activities that create jobs), which must be developed in accordance with the primary objective of the CDBG program to develop viable urban communities by providing decent housing and a suitable living environment and expanding economic opportunities, principally for low-income and moderate-income persons.

(g) *Community Revitalization.* States are encouraged to identify areas where geographically targeted revitalization efforts are carried out through multiple activities in a concentrated and coordinated manner. In addition, a state may elect to allow units of general local government to carry out a community revitalization strategy that includes the economic empowerment of low-income residents, in order to obtain the additional flexibility available as provided in 24 CFR part 570, subpart I. A state must approve a local government's revitalization strategy before it may be implemented. If a state elects to allow revitalization strategies in its program, the method of distribution contained in a state's action plan pursuant to §91.320(k)(1) must reflect the state's process and criteria for approving local government's revitalization strategies. The strategy must identify the long-term and short-term objectives (e.g., physical improvements, social initiatives, and economic empowerment), expressing them in terms of measures of outputs and outcomes that are expected through the use of HUD programs. The state's process and criteria are subject to HUD approval.

(h) *Barriers to affordable housing.* The consolidated plan must describe the state's strategy to remove or ameliorate negative effects of its policies that serve as barriers to affordable housing, as identified in accordance with §91.310.

(i) *Lead based paint.* The consolidated plan must outline the actions proposed or being taken to evaluate and reduce lead-based paint hazards, and describe

§ 91.320

how the lead-based paint hazard reduction will be integrated into housing policies and programs.

(j) *Anti-poverty strategy.* The consolidated plan must provide a concise summary of the state's goals, programs, and policies for reducing the number of poverty-level families and how the state's goals, programs, and policies for producing and preserving affordable housing, set forth in the housing component of the consolidated plan, will be coordinated with other programs such as Temporary Assistance for Needy Families as well as employment and training programs and services for which the state is responsible and the extent to which they will reduce (or assist in reducing) the number of poverty-level families, taking into consideration factors over which the state has control.

(k) *Institutional structure.* (1) The consolidated plan must provide a concise summary of the institutional structure, including private industry, non-profit organizations, and public institutions, through which the state will carry out its housing, homeless, and community development plan, assessing the strengths and gaps in that delivery system.

(2) The plan must provide a concise summary of what the state will do to overcome gaps in the institutional structure for carrying out its strategy for addressing its priority needs.

(l) *Coordination.* The consolidated plan must provide a concise summary of the state's activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health, and service agencies. With respect to the preparation of its homeless strategy, the state must describe efforts in addressing the needs of persons that are chronically homeless. With respect to the public entities involved, the plan must describe the means of cooperation and coordination among the state and any units of general local government in the implementation of its consolidated plan. With respect to economic development, the state should describe efforts to enhance coordination with private industry, businesses, developers, and social service agencies.

24 CFR Subtitle A (4-1-07 Edition)

(m) *Low-income housing tax credit.* The consolidated plan must describe the strategy to coordinate the Low-Income Housing Tax Credit with the development of housing that is affordable to low-income and moderate-income families.

[71 FR 6968, Feb. 9, 2006]

§ 91.320 Action plan.

The action plan must include the following:

(a) Standard Form 424;

(b) A concise executive summary that includes the objectives and outcomes identified in the plan as well as an evaluation of past performance, a summary of the citizen participation and consultation process (including efforts to broaden public participation) (24 CFR 91.300 (b)), a summary of comments or views, and a summary of comments or views not accepted and the reasons therefore (24 CFR 91.115 (b)(5)).

(c) *Resources and objectives*—(1) *Federal resources.* The consolidated plan must provide a concise summary of the federal resources expected to be made available. These resources include grant funds and program income.

(2) *Other resources.* The consolidated plan must indicate resources from private and non-federal public sources that are reasonably expected to be made available to address the needs identified in the plan. The plan must explain how federal funds will leverage those additional resources, including a description of how matching requirements of the HUD programs will be satisfied. Where the state deems it appropriate, it may indicate publicly owned land or property located within the state that may be used to carry out the purposes identified in the plan;

(3) *Annual objectives.* The consolidated plan must contain a summary of the annual objectives the state expects to achieve during the forthcoming program year.

(d) *Activities.* A description of the state's method for distributing funds to local governments and nonprofit organizations to carry out activities, or the activities to be undertaken by the state, using funds that are expected to be received under formula allocations (and related program income) and

other HUD assistance during the program year, the reasons for the allocation priorities, how the proposed distribution of funds will address the priority needs and specific objectives described in the consolidated plan, and any obstacles to addressing underserved needs.

(e) *Outcome measures.* Each state must provide outcome measures for activities included in its action plan in accordance with guidance issued by HUD. For the CDBG program, this would include activities that are likely to be funded as a result of the implementation of the state's method of distribution.

(f) *Geographic distribution.* A description of the geographic areas of the State (including areas of low-income and minority concentration) in which it will direct assistance during the ensuing program year, giving the rationale for the priorities for allocating investment geographically. When appropriate, the state should estimate the percentage of funds they plan to dedicate to target area(s).

(g) *Affordable housing goals.* The state must specify one-year goals for the number of households to be provided affordable housing through activities that provide rental assistance, production of new units, rehabilitation of existing units, or acquisition of existing units using funds made available to the state, and one-year goals for the number of homeless, non-homeless, and special-needs households to be provided affordable housing using funds made available to the state. The term affordable housing shall be as defined in 24 CFR 92.252 for rental housing and 24 CFR 92.254 for homeownership.

(h) *Homeless and other special needs activities.* Activities it plans to undertake during the next year to address emergency shelter and transitional housing needs of homeless individuals and families (including subpopulations), to prevent low-income individuals and families with children (especially those with incomes below 30 percent of median) from becoming homeless, to help homeless persons make the transition to permanent housing and independent living, specific action steps to end chronic homelessness, and to address the special needs of persons who are

not homeless identified in accordance with § 91.315(e);

(i) *Barriers to affordable housing.* Actions it plans to take during the next year to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing. Such policies, procedures, and processes include but are not limited to: land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment.

(j) *Other actions.* Actions it plans to take during the next year to implement its strategic plan and address obstacles to meeting underserved needs, foster and maintain affordable housing (including the coordination of Low-Income Housing Tax Credits with the development of affordable housing), evaluate and reduce lead-based paint hazards, reduce the number of poverty level families, develop institutional structure, enhance coordination between public and private housing and social service agencies, address the needs of public housing (including providing financial or other assistance to troubled public housing agencies), and encourage public housing residents to become more involved in management and participate in homeownership.

(k) *Program-specific requirements.* In addition, the plan must include the following specific information:

(1) *CDBG.* The action plan must set forth the state's method of distribution.

(i) The method of distribution shall contain a description of all criteria used to select applications from local governments for funding, including the relative importance of the criteria, where applicable. The action plan must include a description of how all CDBG resources will be allocated among funding categories and the threshold factors and grant size limits that are to be applied. The method of distribution must provide sufficient information so that units of general local government will be able to understand and comment on it, understand what criteria and information their application will be judged, and be able to prepare responsive applications. The method of distribution may provide a summary of

§ 91.320

the selection criteria, provided that all criteria are summarized and the details are set forth in application manuals or other official state publications that are widely distributed to eligible applicants. HUD may monitor the method of distribution as part of its audit and review responsibilities, as provided in § 570.493(a)(1), in order to determine compliance with program requirements.

(ii) If the state intends to help non-entitlement units of general local government apply for guaranteed loan funds under 24 CFR part 570, subpart M, it must describe available guarantee amounts and how applications will be selected for assistance. If a state elects to allow units of general local government to carry out community revitalization strategies, the method of distribution shall reflect the state's process and criteria for approving local government's revitalization strategies.

(2) *HOME*. (i) The state shall describe other forms of investment that are not described in 24 CFR 92.205(b).

(ii) If the state intends to use HOME funds for homebuyers, it must state the guidelines for resale or recapture, as required in 24 CFR 92.254.

(iii) If the state intends to use HOME funds to refinance existing debt secured by multifamily housing that is being rehabilitated with HOME funds, it must state its refinancing guidelines required under 24 CFR 92.206(b). The guidelines shall describe the conditions under which the state will refinance existing debt. At minimum, the guidelines must:

(A) Demonstrate that rehabilitation is the primary eligible activity and ensure that this requirement is met by establishing a minimum level of rehabilitation per unit or a required ratio between rehabilitation and refinancing.

(B) Require a review of management practices to demonstrate that disinvestment in the property has not occurred; that the long-term needs of the project can be met; and that the feasibility of serving the targeted population over an extended affordability period can be demonstrated.

(C) State whether the new investment is being made to maintain cur-

rent affordable units, create additional affordable units, or both.

(D) Specify the required period of affordability, whether it is the minimum 15 years or longer.

(E) Specify whether the investment of HOME funds may be state-wide or limited to a specific geographic area, such as a community identified in a neighborhood revitalization strategy under 24 CFR 91.315(g), or a federally designated Empowerment Zone or Enterprise Community.

(F) State that HOME funds cannot be used to refinance multifamily loans made or insured by any federal program, including the CDBG program.

(iv) If the state will receive funding under the American Dream Downpayment Initiative (ADDI) (see 24 CFR part 92, subpart M), it must include:

(A) A description of the planned use of the ADDI funds;

(B) A plan for conducting targeted outreach to residents and tenants of public and manufactured housing and to other families assisted by public housing agencies, for the purposes of ensuring that the ADDI funds are used to provide downpayment assistance for such residents, tenants, and families; and

(C) A description of the actions to be taken to ensure the suitability of families receiving ADDI funds to undertake and maintain homeownership, such as provision of housing counseling to homebuyers.

(b) *Community Development Block Grant program.* For States that seek funding under CDBG, the following certifications are required:

(1) *Citizen participation.* A certification that the State is following a detailed citizen participation plan that satisfies the requirements of § 91.115, and that each unit of general local government that is receiving assistance from the State is following a detailed citizen participation plan that satisfies the requirements of § 570.486 of this title.

(v) Each unit of general local government to be distributed funds will be required to identify its community development and housing needs, including the needs of the low-income and moderate-income families, and the activities to be undertaken to meet these needs.

(3) *Community development plan.* A certification that this consolidated plan identifies community development and housing needs and specifies both short-term and long-term community development objectives that have been developed in accordance with the

primary objective of the statute authorizing the CDBG program, as described in 24 CFR 570.2, and requirements of this part and 24 CFR part 570.

(4) *Use of funds.* A certification that the State has complied with the following criteria:

(ii) The aggregate use of CDBG funds, including section 108 guaranteed loans, during a period specified by the State, consisting of one, two, or three specific consecutive program years, shall principally benefit low- and moderate-income families in a manner that ensures that at least 70 percent of the amount is expended for activities that benefit such persons during the designated period (see 24 CFR 570.481 for definition of "CDBG funds"); and

However, if CDBG funds are used to pay the proportion of a fee or assessment attributable to the capital costs of public improvements (assisted in part with CDBG funds) financed from other revenue sources, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than with CDBG funds. In addition, with respect to properties owned and occupied by moderate-income (but not low-income) families, an assessment or charge may

(9) It is following a current HUD-approved consolidated plan.

(10) A certification that the state has established a policy for the discharge of persons from publicly funded institutions or systems of care (such as health care facilities, foster care, or other youth facilities, or correction programs and institutions) in order to prevent such discharge from immediately resulting in homelessness for such persons.

Subpart E—Consortia; Contents of Consolidated Plan

§ 91.400 Applicability.

This subpart applies to HOME program consortia, as defined in § 91.5 (see 24 CFR part 92). Units of local government that participate in a consortium must participate in submission of a consolidated plan for the consortium, prepared in accordance with this subpart. CDBG entitlement communities that are members of a consortium must provide additional information for the consolidated plan, as described in this subpart.

§ 91.401 Citizen participation plan.

The consortium must have a citizen participation plan that complies with the requirements of § 91.105. If the consortium contains one or more CDBG entitlement communities, the consortium's citizen participation plan must provide for citizen participation within each CDBG entitlement community, either by the consortium or by the CDBG entitlement community, in a manner sufficient for the CDBG entitlement community to certify that it is following a citizen participation plan.

§ 91.402 Consolidated program year.

(a) *Same program year for consortia members.* All units of general local government that are members of a consortium must be on the same program year for CDBG, HOME, ESG, and HOPWA. The program year shall run for a twelve month period and begin on the first calendar day of a month.

(b) *Transition period.* (1) A consortium in existence on February 6, 1995, with all members having aligned program years must comply with paragraph (a) of this section. A consortium in existence on February 6, 1995, in which all members do not have aligned program years will be allowed a transition period during the balance of its current consortium agreement to bring the program year for all members into alignment.

(2) During any such transition period, the lead agency (if it is a CDBG entitlement community) must submit, as its consolidated plan, a plan that complies with this subpart for the consortium,

plus its nonhousing Community Development Plan (in accordance with § 91.215). All other CDBG entitlement communities in the consortium may submit their respective nonhousing Community Development Plans (§ 91.215(e)), an Action Plan (§ 91.220) and the certifications (§ 91.425(a) and (b)) in accordance with their individual program years.

The consortium is not required to submit a nonhousing Community Development Plan; however, if the consortium includes CDBG entitlement communities, the consolidated plan must include the nonhousing Community Development Plans of the CDBG entitlement community members of the consortium. The consortium must set forth its priorities for allocating housing (including CDBG and ESG, where

applicable) resources geographically within the consortium, describing how the consolidated plan will address the needs identified (in accordance with § 91.405), describing the reasons for the consortium's allocation priorities, and identifying any obstacles there are to addressing underserved needs.

(Approved by the Office of Management and Budget under control number 2506-0117)

(b) *Description of resources and activities.* The action plan must describe the resources to be used and activities to be undertaken to pursue its strategic plan. The consolidated plan must provide this description for all resources and activities within the entire consortium as a whole, as well as a description for each individual community that is a member of the consortium.

Subpart F—Other General Requirements

§ 91.500 HUD approval action.

(a) *General.* HUD will review the plan upon receipt. The plan will be deemed approved 45 days after HUD receives the plan, unless before that date HUD has notified the jurisdiction that the plan is disapproved.

(b) *Standard of review.* HUD may disapprove a plan or a portion of a plan if it is inconsistent with the purposes of the Cranston-Gonzalez National Affordable Housing Act (42 U.S.C. 12703), if it is substantially incomplete, or, in the case of certifications applicable to the CDBG program under §§ 91.225 (a) and (b) or 91.325 (a) and (b), if it is not satisfactory to the Secretary in accordance with §§ 570.304, 570.429(g), or 570.485(c) of this title, as applicable. The following are examples of consolidated plans that are substantially incomplete:

(1) A plan that was developed without the required citizen participation or the required consultation;

(2) A plan that fails to satisfy all the required elements in this part; and

(3) A plan for which a certification is rejected by HUD as inaccurate, after HUD has inspected the evidence and provided due notice and opportunity to the jurisdiction for comment; and

24 CFR Subtitle A (4-1-07 Edition)

(4) A plan that does not include a description of the manner in which the unit of general local government or state will provide financial or other assistance to a public housing agency if the public housing agency is designated as “troubled” by HUD.

(c) *Written notice of disapproval.* Within 15 days after HUD notifies a jurisdiction that it is disapproving its plan, it must inform the jurisdiction in writing of the reasons for disapproval and actions that the jurisdiction could take to meet the criteria for approval. Disapproval of a plan with respect to one program does not affect assistance distributed on the basis of a formula under other programs.

(d) *Revisions and resubmission.* The jurisdiction may revise or resubmit a plan within 45 days after the first notification of disapproval. HUD must respond to approve or disapprove the plan within 30 days of receiving the revisions or resubmission.

(Approved by the Office of Management and Budget under control number 2506-0117)

[60 FR 1896, Jan. 5, 1995, as amended at 60 FR 56909, Nov. 9, 1995; 61 FR 54920, Oct. 22, 1996; 71 FR 6970, Feb. 9, 2006]

§ 91.505 Amendments to the consolidated plan.

(a) *Amendments to the plan.* The jurisdiction shall amend its approved plan whenever it makes one of the following decisions:

(1) To make a change in its allocation priorities or a change in the method of distribution of funds;

(2) To carry out an activity, using funds from any program covered by the consolidated plan (including program income), not previously described in the action plan; or

(3) To change the purpose, scope, location, or beneficiaries of an activity.

(b) *Criteria for substantial amendment.* The jurisdiction shall identify in its citizen participation plan the criteria it will use for determining what constitutes a substantial amendment. It is these substantial amendments that are subject to a citizen participation process, in accordance with the jurisdiction's citizen participation plan. (See §§ 91.105 and 91.115.)

(c) *Submission to HUD.* (1) Upon completion, the jurisdiction must make the

Office of the Secretary, HUD

§ 91.520

amendment public and must notify HUD that an amendment has been made. The jurisdiction may submit a copy of each amendment to HUD as it occurs, or at the end of the program year. Letters transmitting copies of amendments must be signed by the official representative of the jurisdiction authorized to take such action.

(2) See subpart B of this part for the public notice procedures applicable to substantial amendments. For any amendment affecting the HOPWA program that would involve acquisition, rehabilitation, conversion, lease, repair or construction of properties to provide housing, an environmental review of the revised proposed use of funds must be completed by HUD in accordance with 24 CFR 574.510.

(Approved by the Office of Management and Budget under control number 2506-0117)

§ 91.510 Consistency determinations.

(a) *Applicability.* For competitive programs, a certification of consistency of the application with the approved consolidated plan for the jurisdiction may be required, whether the applicant is the jurisdiction or another applicant.

(b) *Certifying authority.* (1) The certification must be obtained from the unit of general local government if the project will be located in a unit of general local government that: is required to have a consolidated plan, is authorized to use an abbreviated consolidated plan but elects to prepare and has submitted a full consolidated plan, or is authorized to use an abbreviated consolidated plan and is applying for the same program as the applicant pursuant to the same Notice of Funding Availability (and therefore has or will have an abbreviated consolidated plan for the fiscal year for that program).

(2) If the project will not be located in a unit of general local government, the certification may be obtained from the State or, if the project will be located in a unit of general local government authorized to use an abbreviated consolidated plan, from the unit of general local government if it is willing to prepare such a plan.

(3) Where the recipient of a HOPWA grant is a city that is the most populous unit of general local government in an EMSA, it also must obtain and

keep on file certifications of consistency from such public officials for each other locality in the EMSA in which housing assistance is provided.

(c) *Meaning.* A jurisdiction's certification that an application is consistent with its consolidated plan means the jurisdiction's plan shows need, the proposed activities are consistent with the jurisdiction's strategic plan, and the location of the proposed activities is consistent with the geographic areas specified in the plan. The jurisdiction shall provide the reasons for the denial when it fails to provide a certification of consistency.

(Approved by the Office of Management and Budget under control number 2506-0117)

§ 91.515 Funding determinations by HUD.

(a) *Formula funding.* The action plan submitted by the jurisdiction will be considered as the application for the CDBG, HOME, ESG, and HOPWA formula grant programs. The Department will make its funding award determination after reviewing the plan submission in accordance with § 91.500.

(b) *Other funding.* For other funding, the jurisdiction must still respond to Notices of Funding Availability for the individual programs in order to receive funding.

(Approved by the Office of Management and Budget under control number 2506-0117)

§ 91.520 Performance reports.

(a) *General.* Each jurisdiction that has an approved consolidated plan shall annually review and report, in a form prescribed by HUD, on the progress it has made in carrying out its strategic plan and its action plan. The performance report must include a description of the resources made available, the investment of available resources, the geographic distribution and location of investments, the families and persons assisted (including the racial and ethnic status of persons assisted), actions taken to affirmatively further fair housing, and other actions indicated in the strategic plan and the action plan. This performance report shall be submitted to HUD within 90 days after the close of the jurisdiction's program year.

§91.525

(b) *Affordable housing.* The report shall include an evaluation of the jurisdiction's progress in meeting its specific objective of providing affordable housing, including the number and types of families served. This element of the report must include the number of extremely low-income, low-income, moderate-income, and middle-income persons served.

(c) *CDBG.* For CDBG recipients, the report shall include a description of the use of CDBG funds during the program year and an assessment by the jurisdiction of the relationship of that use to the priorities and specific objectives identified in the plan, giving special attention to the highest priority activities that were identified. This element of the report must specify the nature of and reasons for any changes in its program objectives and indications of how the jurisdiction would change its programs as a result of its experiences. This element of the report also must include the number of extremely low-income, low-income, and moderate-income persons served by each activity where information on income by family size is required to determine the eligibility of the activity.

(d) *HOME.* For HOME participating jurisdictions, the report shall include the results of on-site inspections of affordable rental housing assisted under the program to determine compliance with housing codes and other applicable regulations, an assessment of the jurisdiction's affirmative marketing actions and outreach to minority-owned and women-owned businesses, and data on the amount and use of program income for projects, including the number of projects and owner and tenant characteristics.

(e) *HOPWA.* For jurisdictions receiving funding under the Housing Opportunities for Persons With AIDS program, the report must include the number of individuals assisted and the types of assistance provided.

(f) *Evaluation by HUD.* HUD shall review the performance report and determine whether it is satisfactory. If a satisfactory report is not submitted in a timely manner, HUD may suspend funding until a satisfactory report is submitted, or may withdraw and re-allocate funding if HUD determines,

24 CFR Subtitle A (4-1-07 Edition)

after notice and opportunity for a hearing, that the jurisdiction will not submit a satisfactory report.

(g) The report will include a comparison of the proposed versus actual outcomes for each outcome measure submitted with the consolidated plan and explain, if applicable, why progress was not made toward meeting goals and objectives.

(Approved by the Office of Management and Budget under control number 2506-0117)

§91.525 Performance review by HUD.

(a) *General.* HUD shall review the performance of each jurisdiction covered by this part at least annually, including site visits by employees—insofar as practicable, assessing the following:

(1) Management of funds made available under programs administered by HUD;

(2) Compliance with the consolidated plan;

(3) Accuracy of performance reports;

(4) Extent to which the jurisdiction made progress towards the statutory goals identified in §91.1; and

(5) Efforts to ensure that housing assisted under programs administered by HUD is in compliance with contractual agreements and the requirements of law.

(b) *Report by HUD.* HUD shall report on the performance review in writing, stating the length of time the jurisdiction has to review and comment on the report, which will be at least 30 days. HUD may revise the report after considering the jurisdiction's views, and shall make the report, the jurisdiction's comments, and any revisions available to the public within 30 days after receipt of the jurisdiction's comments.

§91.600 Waiver authority.

Upon determination of good cause, HUD may, subject to statutory limitations, waive any provision of this part. Each such waiver must be in writing and must be supported by documentation of the pertinent facts and grounds.

Subpart A—General

§ 92.1 Overview.

This part implements the HOME Investment Partnerships Act (the HOME Investment Partnerships Program). In general, under the HOME Investment Partnerships Program, HUD allocates

funds by formula among eligible State and local governments to strengthen public-private partnerships and to expand the supply of decent, safe, sanitary, and affordable housing, with primary attention to rental housing, for very low-income and low-income families. Generally, HOME funds must be matched by nonfederal resources. State and local governments that become participating jurisdictions may use HOME funds to carry out multi-year housing strategies through acquisition, rehabilitation, and new construction of housing, and tenant-based rental assistance. Participating jurisdictions may provide assistance in a number of eligible forms, including loans, advances, equity investments, interest subsidies and other forms of investment that HUD approves.

§ 92.2 Definitions.

The terms “1937 Act”, “ALJ”, “Fair Housing Act”, “HUD”, “Indian Housing Authority (IHA)”, “Public Housing Agency (PHA)”, and “Secretary” are defined in 24 CFR 5.100.

Act means the HOME Investment Partnerships Act at title II of the Cranston-Gonzalez National Affordable Housing Act, as amended, 42 U.S.C. 12701 *et seq.*

ADDI funds means funds made available under subpart M through allocations and reallocations.

Adjusted income. See § 92.203.

Annual income. See § 92.203.

Certification shall have the meaning provided in section 104(21) of the Cranston-Gonzalez National Affordable Housing Act, as amended, 42 U.S.C. 12704.

Commitment means:

(1) The participating jurisdiction has executed a legally binding agreement with a State recipient, a subrecipient or a contractor to use a specific amount of HOME funds to produce affordable housing or provide tenant-based rental assistance; or has executed a written agreement reserving a specific amount of funds to a community housing development organization; or has met the requirements to commit to a specific local project, as defined in paragraph (2), of this definition.

(2) Commit to a specific local project means:

(i) If the project consists of rehabilitation or new construction (with or without acquisition) the participating jurisdiction (or State recipient or subrecipient) and project owner have executed a written legally binding agreement under which HOME assistance will be provided to the owner for an identifiable project under which construction can reasonably be expected to start within twelve months of the agreement date. If the project is owned by the participating jurisdiction or State recipient, the project has been set up in the disbursement and information system established by HUD, and construction can reasonably be expected to start within twelve months of the project set-up date.

(ii)(A) If the project consists of acquisition of standard housing and the participating jurisdiction (or State recipient or subrecipient) is acquiring the property with HOME funds, the participating jurisdiction (or State recipient or subrecipient) and the property owner have executed a legally binding contract for sale of an identifiable property and the property title will be transferred to the participating jurisdiction (or State recipient or subrecipient) within six months of the date of the contract.

(B) If the project consists of acquisition of standard housing and the participating jurisdiction (or State recipient or subrecipient) is providing HOME funds to a family to acquire single family housing for homeownership or to a purchaser to acquire rental housing, the participating jurisdiction (or State recipient or subrecipient) and the family or purchaser have executed a written agreement under which HOME assistance will be provided for the purchase of the single family housing or rental housing and the property title will be transferred to the family or purchaser within six months of the agreement date.

(iii) If the project consists of tenant-based rental assistance, the participating jurisdiction (or State recipient, or subrecipient) has entered into a rental assistance contract with the owner or the tenant in accordance with the provisions of § 92.209.

Community housing development organization means a private nonprofit organization that:

(1) Is organized under State or local laws;

(2) Has no part of its net earnings inuring to the benefit of any member, founder, contributor, or individual;

(3) Is neither controlled by, nor under the direction of, individuals or entities seeking to derive profit or gain from the organization. A community housing development organization may be sponsored or created by a for-profit entity, but:

(i) The for-profit entity may not be an entity whose primary purpose is the development or management of housing, such as a builder, developer, or real estate management firm.

(ii) The for-profit entity may not have the right to appoint more than one-third of the membership of the organization's governing body. Board members appointed by the for-profit entity may not appoint the remaining two-thirds of the board members; and

(iii) The community housing development organization must be free to contract for goods and services from vendors of its own choosing;

(4) Has a tax exemption ruling from the Internal Revenue Service under section 501(c) (3) or (4) of the Internal Revenue Code of 1986 (26 CFR 1.501(c)(3)-1);

(5) Does not include a public body (including the participating jurisdiction). An organization that is State or locally chartered may qualify as a community housing development organization; however, the State or local government may not have the right to appoint more than one-third of the membership of the organization's governing body and no more than one-third of the board members may be public officials or employees of the participating jurisdiction or State recipient. Board members appointed by the State or local government may not appoint the remaining two-thirds of the board members;

(6) Has standards of financial accountability that conform to 24 CFR 84.21, "Standards for Financial Management Systems;"

§ 92.2

24 CFR Subtitle A (4-1-07 Edition)

(7) Has among its purposes the provision of decent housing that is affordable to low-income and moderate-income persons, as evidenced in its charter, articles of incorporation, resolutions or by-laws;

(8) Maintains accountability to low-income community residents by:

(i) Maintaining at least one-third of its governing board's membership for residents of low-income neighborhoods, other low-income community residents, or elected representative of low-income neighborhood organizations. For urban areas, "community" may be a neighborhood or neighborhoods, city, county or metropolitan area; for rural areas, it may be a neighborhood or neighborhoods, town, village, county, or multi-county area (but not the entire State); and

(ii) Providing a formal process for low-income program beneficiaries to advise the organization in its decisions regarding the design, siting, development, and management of affordable housing;

(9) Has a demonstrated capacity for carrying out activities assisted with HOME funds. An organization may satisfy this requirement by hiring experienced key staff members who have successfully completed similar projects, or a consultant with the same type of experience and a plan to train appropriate key staff members of the organization; and

(10) Has a history of serving the community within which housing to be assisted with HOME funds is to be located. In general, an organization must be able to show one year of serving the community before HOME funds are reserved for the organization. However, a newly created organization formed by local churches, service organizations or neighborhood organizations may meet this requirement by demonstrating that its parent organization has at least a year of serving the community.

Displaced homemaker means an individual who:

(1) Is an adult;

(2) Has not worked full-time full-year in the labor force for a number of years but has, during such years, worked primarily without remuneration to care for the home and family; and

(3) Is unemployed or underemployed and is experiencing difficulty in obtaining or upgrading employment.

Family has the same meaning given that term in 24 CFR 5.403.

First-time homebuyer means an individual and his or her spouse who have not owned a home during the three-year period prior to purchase of a home with assistance under the American Dream Downpayment Initiative (ADDI) described in subpart M of this part. The term first-time homebuyer also includes an individual who is a displaced homemaker or single parent, as those terms are defined in this section.

HOME funds means funds made available under this part through allocations and reallocations, plus program income.

Homeownership means ownership in fee simple title or a 99 year leasehold interest in a one- to four-unit dwelling or in a condominium unit, or equivalent form of ownership approved by HUD. The ownership interest may be subject only to the restrictions on resale required under § 92.254(a); mortgages, deeds of trust, or other liens or instruments securing debt on the property as approved by the participating jurisdiction; or any other restrictions or encumbrances that do not impair the good and marketable nature of title to the ownership interest. For purposes of the insular areas, homeownership includes leases of 40 years or more. For purposes of housing located on trust or restricted Indian lands, homeownership includes leases of 50 years. The participating jurisdiction must determine whether or not ownership or membership in a cooperative or mutual housing project constitutes homeownership under State law.

Household means one or more persons occupying a housing unit.

Housing includes manufactured housing and manufactured housing lots, permanent housing for disabled homeless persons, transitional housing, single-room occupancy housing, and group homes. Housing also includes elder cottage housing opportunity (ECHO) units that are small, free-standing, barrier-free, energy-efficient, removable, and designed to be installed adjacent to existing single-family dwellings. Housing does not include emergency shelters

(including shelters for disaster victims) or facilities such as nursing homes, convalescent homes, hospitals, residential treatment facilities, correctional facilities and student dormitories.

Insular areas means Guam, the Northern Mariana Islands, the United States Virgin Islands, and American Samoa.

Jurisdiction means a State or unit of general local government.

Low-income families means families whose annual incomes do not exceed 80 percent of the median income for the area, as determined by HUD with adjustments for smaller and larger families, except that HUD may establish income ceilings higher or lower than 80 percent of the median for the area on the basis of HUD findings that such variations are necessary because of prevailing levels of construction costs or fair market rents, or unusually high or low family incomes.

Metropolitan city has the meaning given the term in 24 CFR 570.3.

Neighborhood means a geographic location designated in comprehensive plans, ordinances, or other local documents as a neighborhood, village, or similar geographical designation that is within the boundary but does not encompass the entire area of a unit of general local government; except that if the unit of general local government has a population under 25,000, the neighborhood may, but need not, encompass the entire area of a unit of general local government.

Participating jurisdiction means a jurisdiction (as defined in this section) that has been so designated by HUD in accordance with § 92.105.

Person with disabilities means a household composed of one or more persons, at least one of whom is an adult, who has a disability.

(1) A person is considered to have a disability if the person has a physical, mental, or emotional impairment that:

(i) Is expected to be of long-continued and indefinite duration;

(ii) Substantially impedes his or her ability to live independently; and

(iii) Is of such a nature that such ability could be improved by more suitable housing conditions.

(2) A person will also be considered to have a disability if he or she has a de-

velopmental disability, which is a severe, chronic disability that:

(i) Is attributable to a mental or physical impairment or combination of mental and physical impairments;

(ii) Is manifested before the person attains age 22;

(iii) Is likely to continue indefinitely;

(v) Reflects the person's need for a combination and sequence of special, interdisciplinary, or generic care, treatment, or other services that are of lifelong or extended duration and are individually planned and coordinated. Notwithstanding the preceding provisions of this definition, the term "person with disabilities" includes two or more persons with disabilities living together, one or more such persons living with another person who is determined to be important to their care or well-being, and the surviving member or members of any household described in the first sentence of this definition who were living, in a unit assisted with HOME funds, with the deceased member of the household at the time of his or her death.

Program income means gross income received by the participating jurisdiction, State recipient, or a subrecipient directly generated from the use of HOME funds or matching contributions. When program income is generated by housing that is only partially assisted with HOME funds or matching funds, the income shall be prorated to reflect the percentage of HOME funds used. Program income includes, but is not limited to, the following:

(1) Proceeds from the disposition by sale or long-term lease of real property acquired, rehabilitated, or constructed with HOME funds or matching contributions;

(2) Gross income from the use or rental of real property, owned by the participating jurisdiction, State recipient, or a subrecipient, that was acquired, rehabilitated, or constructed,

§ 92.2

with HOME funds or matching contributions, less costs incidental to generation of the income;

(3) Payments of principal and interest on loans made using HOME funds or matching contributions;

(4) Proceeds from the sale of loans made with HOME funds or matching contributions;

(5) Proceeds from the sale of obligations secured by loans made with HOME funds or matching contributions;

Project means a site or sites together with any building (including a manufactured housing unit) or buildings located on the site(s) that are under common ownership, management, and financing and are to be assisted with HOME funds as a single undertaking under this part. The project includes all the activities associated with the site and building. For tenant-based rental assistance, project means assistance to one or more families.

Project completion means that all necessary title transfer requirements and construction work have been performed; the project complies with the requirements of this part (including the property standards under § 92.251); the final drawdown has been disbursed for the project; and the project completion information has been entered in the disbursement and information system established by HUD. For tenant-based rental assistance, project completion means the final drawdown has been disbursed for the project.

Reconstruction means the rebuilding, on the same lot, of housing standing on a site at the time of project commitment. The number of housing units on the lot may not be decreased or increased as part of a reconstruction project, but the number of rooms per unit may be increased or decreased. Reconstruction also includes replacing an existing substandard unit of manufactured housing with a new or standard unit of manufactured housing. Reconstruction is rehabilitation for purposes of this part.

24 CFR Subtitle A (4-1-07 Edition)

Single family housing means a one-to-four-family residence, condominium unit, cooperative unit, combination of manufactured housing and lot, or manufactured housing lot.

Single parent means an individual who:

(1) Is unmarried or legally separated from a spouse; and

(2) Has one or more minor children of whom the individual has custody or joint custody, or is pregnant.

Single room occupancy (SRO) housing means housing (consisting of single room dwelling units) that is the primary residence of its occupant or occupants. The unit must contain either food preparation or sanitary facilities (and may contain both) if the project consists of new construction, conversion of non-residential space, or reconstruction. For acquisition or rehabilitation of an existing residential structure or hotel, neither food preparation nor sanitary facilities are required to be in the unit. If the units do not contain sanitary facilities, the building must contain sanitary facilities that are shared by tenants.

State means any state of the United States, the District of Columbia, the Commonwealth of Puerto Rico, or any agency or instrumentality thereof that is established pursuant to legislation and designated by the chief executive officer to act on behalf of the state with regard to the provisions of this part; however, for purposes of the American Dream Downpayment Initiative (ADDI) described in subpart M of this part, the term "state" does not include the Commonwealth of Puerto Rico (except for FY2003 ADDI funds).

State recipient. See § 92.201(b)(2).

Subrecipient means a public agency or nonprofit organization selected by the participating jurisdiction to administer all or a portion of the participating jurisdiction's HOME program. A public agency or nonprofit organization that receives HOME funds solely as a developer or owner of housing is not a subrecipient. The participating jurisdiction's selection of a subrecipient is not subject to the procurement procedures and requirements.

Tenant-based rental assistance is a form of rental assistance in which the assisted tenant may move from a

dwelling unit with a right to continued assistance. Tenant-based rental assistance under this part also includes security deposits for rental of dwelling units.

Transitional housing means housing that:

(1) Is designed to provide housing and appropriate supportive services to persons, including (but not limited to) de-institutionalized individuals with disabilities, homeless individuals with disabilities, and homeless families with children; and

(2) Has as its purpose facilitating the movement of individuals and families to independent living within a time period that is set by the participating jurisdiction or project owner before occupancy.

Unit of general local government means a city, town, township, county, parish, village, or other general purpose political subdivision of a State; a consortium of such political subdivisions recognized by HUD in accordance with § 92.101; and any agency or instrumentality thereof that is established pursuant to legislation and designated by the chief executive to act on behalf of the jurisdiction with regard to provisions of this part. When a county is an urban county, the urban county is the unit of general local government for purposes of the HOME Investment Partnerships Program.

Urban county has the meaning given the term in 24 CFR 570.3.

Very low-income families means low-income families whose annual incomes do not exceed 50 percent of the median family income for the area, as determined by HUD with adjustments for smaller and larger families, except that HUD may establish income ceilings higher or lower than 50 percent of the median for the area on the basis of HUD findings that such variations are necessary because of prevailing levels of construction costs or fair market rents, or unusually high or low family incomes.

[61 FR 48750, Sept. 16, 1996, as amended at 67 FR 61755, Oct. 1, 2002; 69 FR 16765, Mar. 30, 2004]

§ 92.4 Waivers and suspension of requirements for disaster areas.

HUD's authority for waiver of regulations and for the suspension of requirements to address damage in a Presidentially declared disaster area is described in 24 CFR 5.110 and in section 290 of the Act, respectively.

Subpart B—Allocation Formula

§ 92.50 Formula allocation.

(a) *Jurisdictions eligible for a formula allocation.* HUD will provide allocations of funds in amounts determined by the formula described in this section to units of general local governments that, as of the end of the previous fiscal year, are metropolitan cities, urban counties, or consortia approved under § 92.101; and States.

(b) *Amounts available for allocation; State and local share.* The amount of funds that are available for allocation by the formula under this section is equal to the balance of funds remaining after reserving amounts for insular areas, housing education and organizational support, other support for State and local housing strategies, and other purposes authorized by Congress, in accordance with the Act and appropriations.

(c) *Formula factors.* The formula for determining allocations uses the following factors. The first and sixth factors are weighted 0.1; the other four factors are weighted 0.2.

(1) *Vacancy-adjusted rental units* where the household head is at or below the poverty level. These rental units are multiplied by the ratio of the national rental vacancy rate over a jurisdiction's rental vacancy rate.

(2) *Occupied rental units* with at least one of four problems (overcrowding, incomplete kitchen facilities, incomplete plumbing, or high rent costs). *Overcrowding* is a condition that exists if there is more than one person per room occupying the unit. *Incomplete kitchen facilities* means the unit lacks a sink with running water, a range, or a refrigerator. *Incomplete plumbing* means the unit lacks hot and cold piped water, a flush toilet, or a bathtub or shower inside the unit for the exclusive use of the occupants of the unit. *High rent costs* occur when

more than 30 percent of household income is used for rent.

(3) Rental units built before 1950 occupied by poor households.

(4) Rental units described in paragraph (c)(2) of this section multiplied by the ratio of the cost of producing housing for a jurisdiction divided by the national cost.

(5) Number of families at or below the poverty level.

(6) Population of a jurisdiction multiplied by a net per capita income (pci). To compute net pci for a jurisdiction or for the nation, the pci of a three person family at the poverty threshold is subtracted from the pci of the jurisdiction or of the nation. The index is constructed by dividing the national net pci by the net pci of a jurisdiction.

(d) *Calculating formula allocations for units of general local government.* (1) Initial allocation amounts for units of general local government described in paragraph (a) of this section are determined by multiplying the sum of the shares of the six factors in paragraph (c) of this section by 60 percent of the amount available under paragraph (b) of this section for formula allocation. The shares are the ratio of the weighted factor for each jurisdiction over the corresponding factor for the total for all of these units of general local government.

(2) If any of the initial amounts for such units of general local government in Puerto Rico exceeds twice the national average, on a per rental unit basis, that amount is capped at twice the national average.

(3) To determine the maximum number of units of general local government that receive a formula allocation, only one jurisdiction (the unit of general local government with the smallest allocation of HOME funds) is dropped from the pool of eligible jurisdictions on each successive recalculation, except that jurisdictions that are participating jurisdictions (other than consortia that fail to renew the membership of all of their member jurisdictions) are not dropped. Then the amount of funds available for units of general local government is redistributed to all others. This recalculation/redistribution continues until all remaining units of general local govern-

ment receive an allocation of \$500,000 or more or are participating jurisdictions. Only units of general local government which receive an allocation of \$500,000 or more under the formula or which are participating jurisdictions will be awarded an allocation. In fiscal years in which Congress appropriates less than \$1.5 billion of HOME funds, \$335,000 is substituted for \$500,000.

(4) The allocation amounts determined under paragraph (d)(3) of this section are reduced by any amounts that are necessary to provide increased allocations to States that have no unit of general local government receiving a formula allocation (see paragraph (e)(4) of this section). These reductions are made on a *pro rata* basis, except that no unit of general local government allocation is reduced below \$500,000 (or \$335,000 in fiscal years in which Congress appropriates less than \$1.5 billion of HOME funds) and no participating jurisdiction allocation which is below this amount is reduced.

(e) *Calculating formula allocations for States.* (1) Forty percent of the funds available for allocation under paragraph (b) of this section are allocated to States. The allocation amounts for States are calculated by determining initial amounts for each State, based on the sum of the shares of the six factors. For 20 percent of the funds to be allocated to States, the shares are the ratio of the weighted factor for the entire State over the corresponding factor for the total for all States. For 80 percent of the funds to be allocated to States, the shares are the ratio of the weighted factor for all units of general local government within the State that do not receive a formula allocation over the corresponding factor for the total for all States.

(2) If the initial amounts for Puerto Rico (based on either or both the 80 percent of funds or 20 percent of funds calculation) exceed twice the national average, on a per rental unit basis, each amount that exceeds the national average is capped at twice the national average, and the resultant funds are re-allocated to other States on a prorata basis.

(3) If the initial amounts when combined for any State are less than the \$3,000,000, the allocation to that State

Office of the Secretary, HUD

§ 92.61

is increased to the \$3,000,000 and all other State allocations are reduced by an equal amount on a prorata basis, except that no State allocation is reduced below \$3,000,000.

(4) The allocation amount for each State that has no unit of general local government within the State receiving an allocation under paragraph (d) of this section is increased by \$500,000. Funds for this increase are derived from the funds available for units of general local government, in accordance with paragraph (d)(4) of this section.

[61 FR 48750, Sept. 16, 1996, as amended at 62 FR 28928, May 28, 1997; 67 FR 61755, Oct. 1, 2002]

INSULAR AREAS PROGRAM

§ 92.60 Allocation amounts for insular areas.

(a) *Initial allocation amount for each insular area.* The initial allocation amount for each insular area is determined based upon the insular area's population and occupied rental units compared to all insular areas.

(b) *Threshold requirements.* The HUD Field Office shall review each insular area's progress on outstanding allocations made under this section, based on the insular area's performance report, the timeliness of close-outs, and compliance with fund management requirements and regulations, taking into consideration the size of the allocation and the degree and complexity of the program. If HUD determines from this review that the insular area does not have the capacity to administer effectively a new allocation, or a portion of a new allocation, in addition to allocations currently under administration, HUD may reduce the insular area's initial allocation amount.

(c) *Previous audit findings and outstanding monetary obligations.* HUD shall not make an allocation to an insular area that has either an outstanding audit finding for any HUD program, or an outstanding monetary obligation to HUD that is in arrears, or for which a repayment schedule has not been established. This restriction does not apply if the HUD Field Office finds that the insular area has made a good faith effort to clear the audit and,

when there is an outstanding monetary obligation to HUD, the insular area has made a satisfactory arrangement for repayment of the funds due HUD and payments are current.

(d) *Increases to the initial allocation amount.* If funds reserved for the insular areas are available because HUD has decreased the amount for one or more insular areas in accordance with paragraphs (b) or (c) of this section, or for any other reason, HUD may increase the allocation amount for one or more of the remaining insular areas based upon the insular area's performance in committing HOME funds within the 24 month deadline, producing housing units described in its program description, and meeting HOME program requirements. Funds that become available but which are not used to increase the allocation amount for one or more of the remaining insular areas will be reallocated in accordance with § 92.66.

(e) *Notice of allocation amounts.* HUD will notify each insular area, in writing, as to the amount of its HOME allocation.

§ 92.61 Program description.

(a) *Submission requirement.* Not later than 90 days after HUD notifies the insular area of the amount of its allocation, the insular area must submit a program description and certifications to HUD.

(b) *Content of program description.* The program description must contain the following:

- (1) An executed Standard Form 424;
- (2) The estimated use of HOME funds and a description of projects and eligible activities, including number of units to be assisted, estimated costs, and tenure type (rental or owner occupied) and, for tenant assistance, number of households to be assisted;
- (3) A timetable for the implementation of the projects or eligible activities;
- (4) If the insular area intends to use HOME funds for homebuyers, the guidelines for resale or recapture as required in § 92.254(a)(5);
- (5) If the insular area intends to use HOME funds for tenant-based rental assistance, a description of how the program will be administered consistent

§ 92.62

with the minimum guidelines described in § 92.209;

(6) If an insular area intends to use other forms of investment not described in § 92.205(b), a description of the other forms of investment;

(7) A statement of the policy and procedures to be followed by the insular area to meet the requirements for affirmative marketing, and establishing and overseeing a minority and women business outreach program under § 92.351;

(8) If the insular intends to use HOME funds for refinancing along with rehabilitation, the insular area's guidelines described in § 92.206(b).

(c) *Certifications.* The following certifications must accompany the program description:

(1) A certification that, before committing funds to a project, the insular area will evaluate the project in accordance with guidelines that it adopts for this purpose and will not invest any more HOME funds in combination with other governmental assistance than is necessary to provide affordable housing;

(2) If the insular area intends to provide tenant-based rental assistance, the certification required by § 92.209;

(3) A certification that the submission of the program description is authorized under applicable law and the insular area possesses the legal authority to carry out the HOME Investment Partnerships Program, in accordance with the HOME regulations;

(4) A certification that it will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, implementing regulations at 49 CFR part 24 and the requirements of § 92.353;

(5) A certification that the insular area will use HOME funds in compliance with all requirements of this part;

(6) The certification with regard to the drug-free workplace required by 24 CFR part 24, subpart F; and

(7) The certification required with regard to lobbying required by 24 CFR part 87, together with disclosure forms, if required by 24 CFR part 87.

24 CFR Subtitle A (4-1-07 Edition)

§ 92.62 Review of program description and certifications.

(a) *Review of program description.* The responsible HUD Field Office will review an insular area's program description and will approve the description unless the insular area has failed to submit information sufficient to allow HUD to make the necessary determinations required for § 92.61 (b)(4), (b)(6), and (b)(7), or the guidelines under (b)(8) are not satisfactory to HUD, if applicable; or if the level of proposed projects or eligible activities is not within the management capability demonstrated by past performance in housing and community development programs. If the insular area has not submitted information on § 92.61 (b)(4), (b)(6), and (b)(7), or the guidelines under (b)(8) are not satisfactory to HUD, if applicable; or if the level of proposed projects or eligible activities is not within the management capability demonstrated by past performance in housing and community development programs, the insular area may be required to furnish such further information or assurances as HUD may consider necessary to find the program description and certifications satisfactory. The HUD Field Office shall work with the insular area to achieve a complete and satisfactory program description.

(b) *Review period.* Within thirty days of receipt of the program description, the HUD Field Office will notify the insular area if determinations cannot be made under § 92.61 (b)(4), (b)(6), (b)(7), or (b)(8) with the supporting information submitted, or if the proposed projects or activities are beyond currently demonstrated capability. The insular area will have a reasonable period of time, agreed upon mutually, to submit the necessary supporting information or to revise the proposed projects or activities in its program description.

(c) *HOME Investment Partnership Agreement.* After HUD Field Office approval under this section, a HOME funds allocation is made by HUD execution of the agreement, subject to execution by the insular area. The funds are obligated on the date HUD notifies the insular area of HUD's execution of the agreement.

§ 92.63 Amendments to program description.

An insular area must submit to HUD for approval any substantial change in its HUD-approved program description that it makes and must document any other changes in its file. A substantial change involves a change in the guidelines for resale or recapture (§ 92.61(b)(4)), other forms of investment (§ 92.61(b)(6)), minority and women business outreach program (§ 92.61(b)(7)) or refinancing (§ 92.61(b)(8)); or a change in the tenure type of the project or activities; or a funding increase to a project or activity of \$100,000 or 50% (whichever is greater). The HUD Field Office will notify the insular area if its program description, as amended, does not permit determinations to be made under § 92.61 (b)(4), (b)(6), (b)(7), or (b)(8), or if the level of proposed projects or eligible activities is not within the management capability demonstrated by past performance in housing and community development programs, within 30 days of receipt. The insular area will have a reasonable period of time, agreed upon mutually, to submit the necessary supporting information to revise the proposed projects or activities in its program description.

§ 92.64 Applicability of requirements to insular areas.

(a) Insular areas are subject to the same requirements in subpart E (Program Requirements), subpart F (Project Requirements), subpart K (Program Administration), and subpart L (Performance Reviews and Sanctions) of this part as participating jurisdictions, except for the following:

(1) Subpart E (Program Requirements): Administrative costs, as described in § 92.207, are eligible costs for insular areas in an amount not to exceed 15 percent of the HOME funds provided to the insular area. The matching contribution requirements in this part do not apply.

(2) Subpart K (Program Administration):

(i) Section 92.500 (The HOME Investment Trust Fund) does not apply. HUD will establish a HOME account in the United States Treasury for each insular area and the HOME funds must be

used for approved activities. A local account must be established for program income. Each insular area may use either a separate local HOME account or a subsidiary account within its general fund (or other appropriate fund) as the local HOME account. HUD will recapture HOME funds in the HOME Treasury account by the amount of:

(A) Any funds that are not committed within 24 months after the last day of the month in which HUD notifies the insular area of HUD's execution of the HOME Investment Partnership Agreement;

(B) Any funds that are not expended within five years after the last day of the month in which HUD notifies the insular area of HUD's execution of the HOME Investment Partnership Agreement; and

(C) Any penalties assessed by HUD under § 92.552.

(ii) Section 92.502 (Program disbursement and information system) applies, except that references to the HOME Investment Trust Fund mean HOME account. In addition, § 92.502(c) does not apply, and instead compliance with Treasury Circular No. 1075 (31 CFR part 205) and 24 CFR 85.21 is required.

(iii) Section 92.503 (Program income, repayments, and recaptured funds) applies, except that the funds may be retained provided the funds are used for eligible activities in accordance with the requirements of this section.

(3) Section 92.504 (Participating jurisdiction responsibilities; written agreements; on-site inspections) applies, except that the written agreement must ensure compliance with the requirements in this section.

(4) Section 92.508 (Recordkeeping) applies with respect to the records that relate to the requirements of this section.

(5) Section 92.509 (Performance reports) applies, except that a performance report is required for the fiscal year allocation only after completion of the approved projects funded by the allocation.

(6) Subpart L (Performance Reviews and Sanctions): Section 92.552 does not apply. Instead, § 92.65 applies.

(b) The requirements of subpart H (Other Federal Requirements) of this part apply as follows: § 92.357 Executive

§ 92.65

Order 12372 applies as written, and the requirements of the remaining sections which apply to participating jurisdictions are applicable to the insular areas.

(c) Subpart B (Allocation Formula), subpart C (Consortia; Designation and Revocation as a Participating Jurisdiction), subpart D (Submission Requirements), and subpart G (Community Housing Development Organizations) of this part do not apply.

(d) Subpart A (General) applies, except that for the definitions of “commitment”, “program income”, and “subrecipient”, “participating jurisdiction” means “insular area.”

§ 92.65 Funding sanctions.

Following notice and opportunity for informal consultation, HUD may withhold, reduce or terminate the assistance where any corrective or remedial actions taken under § 92.551 fail to remedy an insular area’s performance deficiencies, and the deficiencies are sufficiently substantial, in the judgment of HUD, to warrant sanctions.

§ 92.66 Reallocation.

Any HOME funds which are reduced or recaptured from an insular area’s allocation and which are not used to increase the allocation amount for one or more of the remaining insular areas as provided in § 92.60 of this part, will be reallocated by HUD to the States in accordance with the requirements in subpart J for reallocating funds initially allocated to a State.

Subpart C—Consortia; Designation and Revocation of Designation as a Participating Jurisdiction

§ 92.100 [Reserved]

§ 92.101 Consortia.

(a) A consortium of geographically contiguous units of general local government is a unit of general local government for purposes of this part if the requirements of this section are met.

(1) One or more members of a proposed consortium or an existing consortium whose consortium qualification terminates at the end of the fiscal year, must provide written notification

24 CFR Subtitle A (4–1–07 Edition)

to the HUD Field Office of its intent to participate as a consortium in the HOME Program for the following fiscal year. HUD shall establish the deadline for this submission.

(2) The proposed consortium must provide, at such time and in a manner and form prescribed by HUD, the qualification documents, which will include submission of:

(i) A written certification by the State that the consortium will direct its activities to alleviation of housing problems within the State; and

(ii) Documentation which demonstrates that the consortium has executed one legally binding cooperation agreement among its members authorizing one member unit of general local government to act in a representative capacity for all member units of general local government for the purposes of this part and providing that the representative member assumes overall responsibility for ensuring that the consortium’s HOME Program is carried out in compliance with the requirements of this part.

(3) Before the end of the fiscal year in which the notice of intent and documentation are submitted, HUD must determine that a proposed consortium has sufficient authority and administrative capability to carry out the purposes of this part on behalf of its member jurisdictions. HUD will endeavor to make its determination as quickly as practicable after receiving the consortium’s documentation in order to provide the consortium an opportunity to correct its submission, if necessary. If the submission is deficient, HUD will work with the consortium to resolve the issue, but will not delay the formula allocations. HUD, at its discretion, may review the performance of an existing consortium that wishes to requalify to determine whether it continues to have sufficient authority and administrative capacity to successfully administer the program.

(b) A metropolitan city or an urban county may be a member of a consortium. A unit of general local government that is included in an urban county may be part of a consortium,

only if the urban county joins the consortium. The included local government cannot join the consortium except through participation in the urban county.

(c) A non-urban county may be a member of a consortium. However, the county cannot on its own include the whole county in the consortium. A unit of local government located within the non-urban county that wishes to participate as a member of the consortium must sign the HOME consortium agreement.

(d) If the representative unit of general local government distributes HOME funds to member units of general local government, the representative unit is responsible for applying to the member units of general local government the same requirements as are applicable to subrecipients.

(e) The consortium's qualification as a unit of general local government continues for a period of three successive Federal fiscal years, or until HUD revokes its designation as a participating jurisdiction, or until an urban county member fails to requalify under the CDBG program as an urban county for a fiscal year included in the consortium's qualification period, or the consortium fails to receive a HOME allocation for the first Federal fiscal year of the consortium's qualification period and does not request to be considered to receive a HOME allocation in each of the subsequent two years. However, if a member urban county's three year CDBG qualification cycle is not the same as the consortium, the consortium may elect a shorter qualification period than three years to synchronize with the urban county's qualification period. During the period of qualification, additional units of general local government may join the consortium, but no included unit of general local government may withdraw from the consortium. See 24 CFR part 91, subpart E, for consolidated plan requirements for consortia, including the requirement that all members of the consortia must be on the same program year.

(f) The consortium agreement may, at the option of its member units of general local government, contain a provision that authorizes automatic re-

newals for the successive qualification period of three Federal fiscal years. The provision authorizing automatic renewal must require the lead consortium member to give the consortium members written notice of their right to elect not to continue participation for the new qualification period.

[61 FR 48750, Sept. 16, 1996, as amended at 67 FR 61756, Oct. 1, 2002]

§ 92.102 Participation threshold amount.

(a) To be eligible to become a participating jurisdiction, a unit of general local government must have a formula allocation under § 92.50 that is equal to or greater than \$750,000; or

(b) If a unit of general local government's formula allocation is less than \$750,000, HUD must find:

(1) The unit of general local government has a local PHA and has demonstrated a capacity to carry out the provisions of this part, as evidenced by satisfactory performance under one or more HUD-administered programs that provide assistance for activities comparable to the eligible activities under this part; and

(2) The State has authorized HUD to transfer to the unit of general local government a portion of the State's allocation or the State, the unit of general local government, or both, has made available its own resources such that the sum of the amounts transferred or made available are equal to or greater than the difference between the unit of general local government's formula allocation and \$750,000.

(c) In fiscal years in which Congress appropriates less than \$1.5 billion for this part, \$500,000 is substituted for \$750,000 each time it appears in this section.

§ 92.103 Notification of intent to participate.

(a) Not later than 30 days after receiving notice of its formula allocation amount, a jurisdiction must notify HUD in writing of its intention to become a participating jurisdiction.

(b) A unit of general local government that has a formula allocation of less than \$750,000, or less than \$500,000 in fiscal years in which Congress appropriates less than \$1.5 billion for this

§ 92.104

part, must submit, with its notice, one or more of the following, as appropriate, as evidence that it has met the threshold allocation requirements in § 92.102(b):

(1) Authorization from the State to transfer a portion of its allocation to the unit of general local government;

(2) A letter from the governor or designee indicating that the required funds have been approved and budgeted for the unit of general local government;

(3) A letter from the chief executive officer of the unit of general local government indicating that the required funds have been approved and budgeted.

§ 92.104 Submission of a consolidated plan.

A jurisdiction that has not submitted a consolidated plan to HUD must submit to HUD, not later than 90 days after providing notification under § 92.103, a consolidated plan in accordance with 24 CFR part 91.

§ 92.105 Designation as a participating jurisdiction.

When a jurisdiction has complied with the requirements of §§ 92.102 through 92.104 and HUD has approved the jurisdiction's consolidated plan in accordance with 24 CFR part 91, HUD will designate the jurisdiction as a participating jurisdiction.

§ 92.106 Continuous designation as a participating jurisdiction.

Once a State or unit of general local government is designated a participating jurisdiction, it remains a participating jurisdiction for subsequent fiscal years and the requirements of §§ 92.102 through 92.105 do not apply, unless HUD revokes the designation in accordance with § 92.107.

§ 92.107 Revocation of designation as a participating jurisdiction.

HUD may revoke a jurisdiction's designation as a participating jurisdiction if:

(a) HUD finds, after reasonable notice and opportunity for hearing as provided in § 92.552(b) that the jurisdiction is unwilling or unable to carry out the provisions of this part, including fail-

24 CFR Subtitle A (4-1-07 Edition)

ure to meet matching contribution requirements; or

(b) The jurisdiction's formula allocation falls below \$750,000 (or below \$500,000 in fiscal years in which Congress appropriates less than \$1.5 billion for this part) for three consecutive years, below \$625,000 (or below \$410,000 in fiscal years in which Congress appropriates less than \$1.5 billion for this part) for two consecutive years, or the jurisdiction does not receive a formula allocation in any one year.

(c) When HUD revokes a participating jurisdiction's designation as a participating jurisdiction, HUD will re-allocate any remaining funds in the jurisdiction's HOME Investment Trust Fund established under § 92.500 in accordance with § 92.451.

Subpart D—Submission Requirements

§ 92.150 Submission requirements.

In order to receive its HOME allocation, a participating jurisdiction must submit a consolidated plan in accordance with 24 CFR part 91. That part includes requirements for the content of the consolidated plan, the process of developing the consolidated plan, including citizen participation, the submission date, HUD approval, and amendments.

Subpart E—Program Requirements

§ 92.200 Private-public partnership.

Each participating jurisdiction must make all reasonable efforts to maximize participation by the private sector in accordance with section 221 of the Act.

§ 92.201 Distribution of assistance.

(a) *Local.* (1) Each local participating jurisdiction must, insofar as is feasible, distribute HOME funds geographically within its boundaries and among different categories of housing need, according to the priorities of housing need identified in its approved consolidated plan.

(2) The participating jurisdiction may only invest its HOME funds in eligible projects within its boundaries, or in joint projects within the boundaries

of contiguous local jurisdictions which serve residents from both jurisdictions.

(b) *State.* (1) Each State participating jurisdiction is responsible for distributing HOME funds throughout the State according to the State's assessment of the geographical distribution of the housing needs within the State, as identified in the State's approved consolidated plan. The State must distribute HOME funds to rural areas in amounts that take into account the non-metropolitan share of the State's total population and objective measures of rural housing need, such as poverty and substandard housing, as set forth in the State's approved consolidated plan. To the extent the need is within the boundaries of a participating unit of general local government, the State and the unit of general local government shall coordinate activities to address that need.

(2) A State may carry out its own HOME program without active participation of units of general local government or may distribute HOME funds to units of general local government to carry out HOME programs in which both the State and all or some of the units of general local government perform specified program functions. A unit of general local government designated by a State to receive HOME funds from a State is a State recipient.

(3)(i) A State that uses State recipients to perform program functions shall ensure that the State recipients use HOME funds in accordance with the requirements of this part and other applicable laws. The State may require the State recipient to comply with requirements established by the State or may permit the State recipient to establish its own requirements to comply with this part.

(ii) The State shall conduct such reviews and audit of its State recipients as may be necessary or appropriate to determine whether the State recipient has committed and expended the HOME funds in the United States Treasury account as required by § 92.500, and has met the requirements of this part, particularly eligible activities, income targeting, affordability, and matching contribution requirements.

(4) A State and local participating jurisdiction may jointly fund a project within the boundaries of the local participating jurisdiction. The State may provide the HOME funds to the project or it may provide the HOME funds to the local participating jurisdiction to fund the project.

(5) A State may fund projects on Indian reservations located within the State provided that the State includes Indian reservations in its consolidated plan.

§ 92.202 Site and neighborhood standards.

(a) *General.* A participating jurisdiction must administer its HOME program in a manner that provides housing that is suitable from the standpoint of facilitating and furthering full compliance with the applicable provisions of title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d–2000d–4), the Fair Housing Act (42 U.S.C. 3601 *et seq.*, E.O. 11063 (3 CFR, 1959–1963 Comp., p. 652), and HUD regulations issued pursuant thereto; and promotes greater choice of housing opportunities.

(b) *New rental housing.* In carrying out the site and neighborhood requirements with respect to new construction of rental housing, a participating jurisdiction is responsible for making the determination that proposed sites for new construction meet the requirements in 24 CFR 983.6(b).

[61 FR 48750, Sept. 16, 1996, as amended at 62 FR 28928, May 28, 1997]

§ 92.203 Income determinations.

(a) The HOME program has income targeting requirements for the HOME program and for HOME projects. Therefore, the participating jurisdiction must determine each family is income eligible by determining the family's annual income.

(1) For families who are tenants in HOME-assisted housing and not receiving HOME tenant-based rental assistance, the participating jurisdiction must initially determine annual income using the method in paragraph (a)(1)(i) of this section. For subsequent income determinations during the period of affordability, the participating

§ 92.203

jurisdiction may use any one of the following methods in accordance with § 92.252(h):

(i) Examine the source documents evidencing annual income (e.g., wage statement, interest statement, unemployment compensation statement) for the family.

(ii) Obtain from the family a written statement of the amount of the family's annual income and family size, along with a certification that the information is complete and accurate. The certification must state that the family will provide source documents upon request.

(iii) Obtain a written statement from the administrator of a government program under which the family receives benefits and which examines each year the annual income of the family. The statement must indicate the tenant's family size and state the amount of the family's annual income; or alternatively, the statement must indicate the current dollar limit for very low- or low-income families for the family size of the tenant and state that the tenant's annual income does not exceed this limit.

(2) For all other families, the participating jurisdiction must determine annual income by examining the source documents evidencing annual income (e.g., wage statement, interest statement, unemployment compensation statement) for the family.

(b) When determining whether a family is income eligible, the participating jurisdiction must use one of the following three definitions of "annual income":

(1) "Annual income" as defined at 24 CFR 5.609 (except when determining the income of a homeowner for an owner-occupied rehabilitation project, the value of the homeowner's principal residence may be excluded from the calculation of Net Family Assets); or

(2) Annual Income as reported under the Census long-form for the most recent available decennial Census. This definition includes:

(i) Wages, salaries, tips, commissions, etc.;

(ii) Self-employment income from owned non-farm business, including proprietorships and partnerships;

(iii) Farm self-employment income;

24 CFR Subtitle A (4-1-07 Edition)

(iv) Interest, dividends, net rental income, or income from estates or trusts;

(v) Social Security or railroad retirement;

(vi) Supplemental Security Income, Aid to Families with Dependent Children, or other public assistance or public welfare programs;

(vii) Retirement, survivor, or disability pensions; and

(viii) Any other sources of income received regularly, including Veterans' (VA) payments, unemployment compensation, and alimony; or

(3) Adjusted gross income as defined for purposes of reporting under Internal Revenue Service (IRS) Form 1040 series for individual Federal annual income tax purposes.

(c) Although the participating jurisdiction may use any of the three definitions of "annual income" permitted in paragraph (b) of this section, to calculate adjusted income it must apply exclusions from income established at 24 CFR 5.611. The HOME rents for very low-income families established under § 92.252(b)(2) are based on adjusted income. In addition, the participating jurisdiction may base the amount of tenant-based rental assistance on the adjusted income of the family.

(d) (1) The participating jurisdiction must calculate the annual income of the family by projecting the prevailing rate of income of the family at the time the participating jurisdiction determines that the family is income eligible. Annual income shall include income from all family members. Income or asset enhancement derived from the HOME-assisted project shall not be considered in calculating annual income.

(2) The participating jurisdiction is not required to re-examine the family's income at the time the HOME assistance is provided, unless more than six months has elapsed since the participating jurisdiction determined that the family qualified as income eligible.

(3) The participating jurisdiction must follow the requirements in § 5.617 when making subsequent income determinations of persons with disabilities who are tenants in HOME-assisted

Office of the Secretary, HUD

rental housing or who receive tenant-based rental assistance.

[61 FR 48750, Sept. 16, 1996, as amended at 62 FR 28928, May 28, 1997; 66 FR 6224, Jan. 19, 2001]

§ 92.204 Applicability of requirements to entities that receive a reallocation of HOME funds, other than participating jurisdictions.

(a) Jurisdictions other than participating jurisdictions and community housing development organizations receiving competitive reallocations from HUD are subject to the same requirements in subpart E (Program Requirements), subpart F (Project Requirements), subpart K (Program Administration), and subpart L (Performance Reviews and Sanctions) of this part as participating jurisdictions, except for the following:

(1) Subpart E (Program Requirements): the matching contribution requirements in § 92.218 through § 92.221 do not apply.

(2) Subpart K (Program Administration):

(i) Section 92.500 (The HOME Investment Trust Fund) does not apply. HUD will establish a HOME account in the United States Treasury and the HOME funds must be used for approved activities. A local account must be established for program income. HUD will recapture HOME funds in the HOME Treasury account by the amount of:

(A) Any funds that are not committed within 24 months after the last day of the month in which HUD notifies the entity of HUD's execution of the HOME Investment Partnership Agreement;

(B) Any funds that are not expended within five years after the last day of the month in which HUD notifies the entity of HUD's execution of the HOME Investment Partnership Agreement; and

(C) Any penalties assessed by HUD under § 92.552.

(ii) Section 92.502 (Program disbursement and information system) applies, except that references to the HOME Investment Trust Fund mean HOME account and the reference to 24 CFR part 58 does not apply. In addition, § 92.502(c) does not apply, and instead, compliance with Treasury Circular No. 1075

(31 CFR part 205) and 24 CFR 85.21 is required.

(iii) Section 92.503 (Program income, repayments, and recaptured funds) applies, except that program income may be retained provided the funds are used for eligible activities in accordance with the requirements of this section.

(3) Section 92.504 (Participating jurisdiction responsibilities; written agreements; on-site inspections) applies, except that the written agreement must ensure compliance with the requirements in this section.

(4) Section 92.508 (Recordkeeping) applies with respect to the records that relate to the requirements of this section.

(5) Section 92.509 (Performance reports) applies, except that a performance report is required only after completion of the approved projects.

(b) The requirements in subpart H (Other Federal Requirements) of this part apply as written, except that jurisdictions and community housing development organizations receiving reallocations from HUD must comply with affirmative marketing requirements, labor requirements, and lead-based paint requirements, applicable to participating jurisdictions.

(c) Subpart B (Allocation Formula), subpart C (Consortia; Designation and Revocation of Designation as a Participating Jurisdiction), and subpart G (Community Housing Development Organizations) of this part do not apply.

(d) Subpart A (General) applies, except that for the definitions of *commitment*, *program income*, and *subrecipient*, "participating jurisdiction" means jurisdiction or community housing development organization receiving the competitive reallocation.

ELIGIBLE AND PROHIBITED ACTIVITIES

§ 92.205 Eligible activities: General.

(a) *Eligible activities.* (1) HOME funds may be used by a participating jurisdiction to provide incentives to develop and support affordable rental housing and homeownership affordability through the acquisition (including assistance to homebuyers), new construction, reconstruction, or rehabilitation of non-luxury housing with suitable

§ 92.205

amenities, including real property acquisition, site improvements, conversion, demolition, and other expenses, including financing costs, relocation expenses of any displaced persons, families, businesses, or organizations; to provide tenant-based rental assistance, including security deposits; to provide payment of reasonable administrative and planning costs; and to provide for the payment of operating expenses of community housing development organizations. The housing must be permanent or transitional housing. The specific eligible costs for these activities are set forth in §§ 92.206 through 92.209.

(2) Acquisition of vacant land or demolition must be undertaken only with respect to a particular housing project intended to provide affordable housing.

(3) Conversion of an existing structure to affordable housing is rehabilitation, unless the conversion entails adding one or more units beyond the existing walls, in which case, the project is new construction for purposes of this part.

(4) *Manufactured housing.* HOME funds may be used to purchase and/or rehabilitate a manufactured housing unit, or purchase the land upon which a manufactured housing unit is located. Except for existing, owner-occupied manufactured housing that is rehabilitated with HOME funds, the manufactured housing unit must, at the time of project completion, be connected to permanent utility hook-ups and be located on land that is owned by the manufactured housing unit owner or land for which the manufactured housing owner has a lease for a period at least equal to the applicable period of affordability.

(b) *Forms of assistance.* (1) A participating jurisdiction may invest HOME funds as equity investments, interest-bearing loans or advances, non-interest-bearing loans or advances, interest subsidies consistent with the purposes of this part, deferred payment loans, grants, or other forms of assistance that HUD determines to be consistent with the purposes of this part. Each participating jurisdiction has the right to establish the terms of assistance, subject to the requirements of this part.

24 CFR Subtitle A (4-1-07 Edition)

(2) A participating jurisdiction may invest HOME funds to guarantee loans made by lenders and, if required, the participating jurisdiction may establish a loan guarantee account with HOME funds. The HOME funds may be used to guarantee the timely payment of principal and interest or payment of the outstanding principal and interest upon foreclosure of the loan. The amount of the loan guarantee account must be based on a reasonable estimate of the default rate on the guaranteed loans, but under no circumstances may the amount on deposit exceed 20 percent of the total outstanding principal amount guaranteed; except that the account may include a reasonable minimum balance. While loan funds guaranteed with HOME funds are subject to all HOME requirements, funds which are used to repay the guaranteed loans are not.

(c) *Minimum amount of assistance.* The minimum amount of HOME funds that must be invested in a project involving rental housing or homeownership is \$1,000 times the number of HOME-assisted units in the project.

(d) *Multi-unit projects.* HOME funds may be used to assist one or more housing units in a multi-unit project. Only the actual HOME eligible development costs of the assisted units may be charged to the HOME program. If the assisted and non-assisted units are not comparable, the actual costs may be determined based on a method of cost allocation. If the assisted and non-assisted units are comparable in terms of size, features and number of bedrooms, the actual cost of the HOME-assisted units can be determined by pro-rating the total HOME eligible development costs of the project so that the proportion of the total development costs charged to the HOME program does not exceed the proportion of the HOME-assisted units in the project.

(e) *Terminated projects.* A HOME assisted project that is terminated before completion, either voluntarily or otherwise, constitutes an ineligible activity and any HOME funds invested in the project must be repaid to the participating jurisdiction's HOME Investment Trust Fund in accordance with § 92.503(b) (except for project-specific

assistance to community housing development organizations as provided in § 92.301(a)(3) and § 92.301(b)(3)).

[61 FR 48750, Sept. 16, 1996, as amended at 62 FR 28928, May 28, 1997]

§ 92.206 Eligible project costs.

HOME funds may be used to pay the following eligible costs:

(a) *Development hard costs.* The actual cost of constructing or rehabilitating housing. These costs include the following:

(1) For new construction, costs to meet the applicable new construction standards of the participating jurisdiction and the Model Energy Code referred to in § 92.251;

(2) For rehabilitation, costs:

(i) To meet the property standards in § 92.251;

(ii) To make essential improvements, including energy-related repairs or improvements, improvements necessary to permit use by persons with disabilities, and lead-based paint activities, as required by part 35 of this title.

(3) For both new construction and rehabilitation, costs:

(i) To demolish existing structures;

(ii) To make utility connections including off-site connections from the property line to the adjacent street; and

(iii) To make improvements to the project site that are in keeping with improvements of surrounding, standard projects. Site improvements may include on-site roads and sewer and water lines necessary to the development of the project. The project site is the property, owned by the project owner, upon which the project is located.

(4) For both new construction and rehabilitation of multifamily rental housing, costs to construct or rehabilitate laundry and community facilities which are located within the same building as the housing and which are for the use of the project residents and their guests.

(5) Costs to make utility connections to make improvements to the project site, in accordance with the provisions of § 92.206(a)(3) (ii) and (iii) are also eligible in connection with acquisition of standard housing.

(b) *Refinancing costs.* The cost to refinance existing debt secured by housing that is being rehabilitated with HOME funds:

(1) For single-family (1- to 4-family) owner-occupied housing when loaning HOME funds to rehabilitate the housing, if the refinancing is necessary to reduce the overall housing costs to the borrower and make the housing more affordable.

(2) For multifamily projects, when loaning HOME funds to rehabilitate the units if refinancing is necessary to permit or continue affordability under § 92.252. The participating jurisdiction must establish refinancing guidelines and state them in its consolidated plan described in 24 CFR part 91. Regardless of the amount of HOME funds invested, the minimum affordability period shall be 15 years. The guidelines shall describe the conditions under which the participating jurisdictions will refinance existing debt. At minimum, the guidelines must:

(i) Demonstrate that rehabilitation is the primary eligible activity and ensure that this requirement is met by establishing a minimum level of rehabilitation per unit or a required ratio between rehabilitation and refinancing;

(ii) Require a review of management practices to demonstrate that disinvestment in the property has not occurred, that the long term needs of the project can be met and that the feasibility of serving the targeted population over an extended affordability period can be demonstrated;

(iii) State whether the new investment is being made to maintain current affordable units, create additional affordable units, or both;

(iv) Specify the required period of affordability, whether it is the minimum 15 years or longer;

(v) Specify whether the investment of HOME funds may be jurisdiction-wide or limited to a specific geographic area, such as a neighborhood identified in a neighborhood revitalization strategy under 24 CFR 91.215(e)(2) or a Federally designated Empowerment Zone or Enterprise Community; and

(vi) State that HOME funds cannot be used to refinance multifamily loans

These costs include, but are not limited to:

(2) Costs to process and settle the financing for a project, such as private lender origination fees, credit reports, fees for title evidence, fees for recordation and filing of legal documents, building permits, attorneys fees, private appraisal fees and fees for an independent cost estimate, builders or developers fees.

(3) Costs of a project audit that the participating jurisdiction may require with respect to the development of the project.

(4) Costs to provide information services such as affirmative marketing and fair housing information to prospective homeowners and tenants as required by § 92.351.

(5) For new construction or rehabilitation, the cost of funding an initial operating deficit reserve, which is a reserve to meet any shortfall in project income during the period of project rent-up (not to exceed 18 months) and which may only be used to pay project operating expenses, scheduled payments to a replacement reserve, and debt service. Any HOME funds placed in an operating deficit reserve that remain unexpended after the period of project rent-up may be retained for project reserves if permitted by the participating jurisdiction.

(6) Staff and overhead costs directly related to carrying out the project, such as work specifications preparation, loan processing inspections, and other services related to assisting potential owners, tenants, and homebuyers, e.g., housing counseling, may be charged to project costs only if the

project is funded and the individual becomes the owner or tenant of the HOME-assisted project. For multi-unit projects, such costs must be allocated among HOME-assisted units in a reasonable manner and documented.

(7) For both new construction and rehabilitation, costs for the payment of impact fees that are charged for all projects within a jurisdiction.

(8) Costs of environmental review and release of funds in accordance with 24 CFR part 58 which are directly related to the project.

(e) *Community housing development organization costs.* Eligible costs of project-specific assistance are set forth in § 92.301.

(f) *Relocation costs.* The cost of relocation payments and other relocation assistance to persons displaced by the project are eligible costs.

(1) Relocation payments include replacement housing payments, payments for moving expenses, and payments for reasonable out-of-pocket costs incurred in the temporary relocation of persons.

(2) Other relocation assistance means staff and overhead costs directly related to providing advisory and other relocation services to persons displaced by the project, including timely written notices to occupants, referrals to comparable and suitable replacement property, property inspections, counseling, and other assistance necessary to minimize hardship.

(g) *Costs relating to payment of loans.* If the HOME funds are not used to directly pay a cost specified in this section, but are used to pay off a construction loan, bridge financing loan, or guaranteed loan, the payment of principal and interest for such loan is an eligible cost only if:

(1) The loan was used for eligible costs specified in this section, and

(2) The HOME assistance is part of the original financing for the project and the project meets the requirements of this part.

§ 92.207 Eligible administrative and planning costs.

A participating jurisdiction may expend, for payment of reasonable administrative and planning costs of the HOME program and ADDI, an amount of HOME funds that is not more than ten percent of the sum of the Fiscal Year HOME basic formula allocation plus any funds received in accordance with § 92.102(b) to meet or exceed participation threshold requirements that Fiscal Year. A state that transfers any HOME funds in accordance with § 92.102(b) must exclude these funds in calculating the amount it may expend for administrative and planning costs. A participating jurisdiction may also expend, for payment of reasonable administrative and planning costs of the HOME program and the ADDI described in subpart M of this part, a sum up to ten percent of the program income deposited into its local account or received and reported by its state recipients or subrecipients during the program year. A participating jurisdiction may expend such funds directly or may authorize its state recipients or subrecipients, if any, to expend all or a portion of such funds, provided total expenditures for planning and administrative costs do not exceed the maximum allowable amount. Reasonable administrative and planning costs include:

(a) *General management, oversight and coordination.* Reasonable costs of overall program management, coordination, monitoring, and evaluation. Such costs include, but are not limited to, necessary expenditures for the following:

The participating jurisdiction may use only one of these methods. Program admin-

istration includes the following types of assignments:

(i) Developing systems and schedules for ensuring compliance with program requirements;

(ii) Developing interagency agreements and agreements with entities receiving HOME funds;

(iii) Monitoring HOME-assisted housing for progress and compliance with program requirements;

(d) *Fair housing.* Activities to affirmatively further fair housing in accordance with the participating jurisdiction's certification under 24 CFR part 91.

(e) *Indirect Costs.* Indirect costs may be charged to the HOME program under a cost allocation plan prepared in accordance with OMB Circulars A-87 or A-122 as applicable.

(f) *Preparation of the consolidated plan.* Preparation of the consolidated plan required under 24 CFR part 91. Preparation includes the costs of public hearings, consultations, and publication.

(g) *Other Federal requirements.* Costs of complying with the Federal requirements in subpart H of this part. § 92.208 Eligible community housing development organization (CHDO) operating expense and capacity building costs.

(a) Up to 5 percent of a participating jurisdiction's fiscal year HOME allocation may be used for the operating expenses of community housing development organizations (CHDOs). These funds may not be used to pay operating expenses incurred by a CHDO acting as a subrecipient or contractor under the HOME Program. Operating expenses means reasonable and necessary costs for the operation of the community housing development organization. Such costs include salaries, wages, and other employee compensation and ben-

efits; employee education, training, and travel; rent; utilities; communication costs; taxes; insurance; equipment; materials and supplies. The requirements and limitations on the receipt of these funds by CHDOs are set forth in § 92.300 (e) and (f).

(b) HOME funds may be used for capacity building costs under § 92.300(b).

§ 92.209 Tenant-based rental assistance: Eligible costs and requirements.

(a) *Eligible costs.* Eligible costs are the rental assistance and security deposit payments made to provide tenant-based rental assistance for a family pursuant to this section. Administration of tenant-based rental assistance is eligible only under general management oversight and coordination at § 92.207(a).

(b) *General requirement.* A participating jurisdiction may use HOME funds for tenant-based rental assistance only if the participating jurisdiction makes the certification about inclusion of this type of assistance in its consolidated plan in accordance with 24 CFR 91.225(d)(1), 91.325(d)(1), or 91.425(a)(2)(i), and specifies local market conditions that lead to the choice of this option.

(c) *Tenant selection.* The participating jurisdiction must select families in accordance with written tenant selection policies and criteria that are consistent with the following:

(1) *Low-income families.* Tenant-based rental assistance may only be provided to very low- and low-income families. The participating jurisdiction must determine that the family is very low- or low-income before the assistance is provided. During the period of assistance, the participating jurisdiction must annually determine that the family continues to be low-income.

(2) *Preferences for Individuals with Special Needs.* (i) The participating jurisdiction may establish a preference for individuals with special needs. The participating jurisdiction may offer, in conjunction with a tenant-based rental assistance program, particular types of non-mandatory services that may be most appropriate for persons with a special need or a particular disability.

Generally, tenant-based rental assistance and the related services should be made available to all persons with special needs or disabilities who can benefit from such services.

(ii) The participating jurisdiction may also provide a preference for a specific category of individuals with disabilities (e.g., persons with HIV/AIDS or chronic mental illness) if the specific category is identified in the participating jurisdiction's consolidated plan as having unmet need and the preference is needed to narrow the gap in benefits and services received by such persons.

(iii) Preferences cannot be administered in a manner that limits the opportunities of persons on any basis prohibited by the laws listed under 24 CFR 5.105(a). For example, a participating jurisdiction may not determine that persons given a preference under the program are therefore prohibited from applying for or participating in other programs or forms of assistance.

(3) *Existing tenants in the HOME-assisted projects.* A participating jurisdiction may select low-income families currently residing in housing units that are designated for rehabilitation or acquisition under the participating jurisdiction's HOME program. Participating jurisdictions using HOME funds for tenant-based rental assistance programs may establish local preferences for the provision of this assistance. Families so selected may use the tenant-based assistance in the rehabilitated or acquired housing unit or in other qualified housing.

(d) *Portability of assistance.* A participating jurisdiction may require the family to use the tenant-based assistance within the participating jurisdiction's boundaries or may permit the family to use the assistance outside its boundaries.

(e) *Term of rental assistance contract.* The term of the rental assistance contract providing assistance with HOME funds may not exceed 24 months, but may be renewed, subject to the availability of HOME funds. The term of the rental assistance contract must begin on the first day of the term of the lease. For a rental assistance contract between a participating jurisdiction and an owner, the term of the contract

must terminate on termination of the lease. For a rental assistance contract between a participating jurisdiction and a family, the term of the contract need not end on termination of the lease, but no payments may be made after termination of the lease until a family enters into a new lease.

(f) *Rent reasonableness.* The participating jurisdiction must disapprove a lease if the rent is not reasonable, based on rents that are charged for comparable unassisted rental units.

(g) *Tenant protections.* The lease must comply with the requirements in §92.253 (a) and (b).

(h) *Maximum subsidy.* (1) The amount of the monthly assistance that a participating jurisdiction may pay to, or on behalf of, a family may not exceed the difference between a rent standard for the unit size established by the participating jurisdiction and 30 percent of the family's monthly adjusted income.

(2) The participating jurisdiction must establish a minimum tenant contribution to rent.

(3) The participating jurisdiction's rent standard for a unit size must be based on:

(i) Local market conditions; or

(ii) For each unit size, may not be less than 80 percent of the published Section 8 Existing Housing fair market rent (in effect when the payment standard amount is adopted) nor more than the fair market rent or HUD-approved community-wide exception rent (in effect when the participating jurisdiction adopts its rent standard amount). (Community-wide exception rents are maximum gross rents approved by HUD for the Rental Certificate Program under 24 CFR 882.106(a)(3) for a designated municipality, county, or similar locality, which apply to the whole PHA jurisdiction.) A participating jurisdiction may approve on a unit-by-unit basis a subsidy based on a rent standard that exceeds the applicable fair market rent by up to 10 percent for 20 percent of units assisted.

(i) *Housing quality standards.* Housing occupied by a family receiving tenant-based assistance under this section must meet the requirements set forth in 24 CFR 982.401. The participating jurisdiction must inspect the housing initially and re-inspect it annually.

§ 92.212

(j) *Security deposits.* (1) A participating jurisdiction may use HOME funds provided for tenant-based rental assistance to provide loans or grants to very low- and low-income families for security deposits for rental of dwelling units whether or not the participating jurisdiction provides any other tenant-based rental assistance under this section.

(2) The relevant State or local definition of "security deposit" in the jurisdiction where the unit is located is applicable for the purposes of this part, except that the amount of HOME funds that may be provided for a security deposit may not exceed the equivalent of two month's rent for the unit.

(3) Only the prospective tenant may apply for HOME security deposit assistance, although the participating jurisdiction may pay the funds directly to the tenant or to the landlord.

(4) HOME funds for security deposits may be provided as a grant or as a loan. If they are provided as a loan, the loan repayments are program income to be used in accordance with § 92.503.

(5) Paragraphs (b), (c), (d), (f), (g), and (i) of this section are applicable to HOME security deposit assistance, except that income determinations pursuant to paragraph (c)(1) of this section and Housing Quality Standard inspections pursuant to paragraph (i) of this section are required only at the time the security deposit assistance is provided.

(k) *Program operation.* A tenant-based rental assistance program must be operated consistent with the requirements of this section. The participating jurisdiction may operate the program itself, or may contract with a PHA or other entity with the capacity to operate a rental assistance program. The tenant-based rental assistance may be provided through an assistance contract to an owner that leases a unit to an assisted family or directly to the family. In either case, the participating jurisdiction (or entity operating the program) must approve the lease.

(l) *Use of Section 8 assistance.* In any case where assistance under section 8 of the 1937 Act becomes available to a participating jurisdiction, recipients of tenant-based rental assistance under this part will qualify for tenant selec-

tion preferences to the same extent as when they received the tenant-based rental assistance under this part.

[61 FR 48750, Sept. 16, 1996, as amended at 62 FR 28928, May 28, 1997; 67 FR 61756, Oct. 1, 2002]

§ 92.212 Pre-award costs.

(a) *General.* Before the effective date of the HOME Investment Partnership Agreement, the participating jurisdiction may incur costs which may be charged to the HOME allocation after the award of the HOME allocation, provided the costs are in compliance with the requirements of this part (including environmental review requirements) and with the statutory and regulatory requirements in effect at the time the costs are charged to the HOME allocation.

(b) *Administrative and planning costs.* Eligible administrative and planning costs may be incurred as of the beginning of the participating jurisdiction's consolidated program year (see 24 CFR 91.10) or the date the consolidated plan describing the HOME allocation to which the costs will be charged is received by HUD, whichever is later.

(c) *Project costs.* Eligible project costs may be incurred during the current program year in an amount not to exceed 25% of the current HOME allocation amount, to be charged to the following year's HOME allocation. Before incurring the pre-award costs, the participating jurisdiction must comply with its citizen participation plan requirements addressing 24 CFR 91.105(b)(2), (4), (5) and (g) (local governments) or 24 CFR 91.115(b)(2), (4), (5) and (f) (States). In lieu of a full action plan, the participating jurisdiction may develop a mini-action plan which describes the proposed pre-award projects and costs in accordance with 24 CFR 91.220(c) and includes, if applicable, 24 CFR 91.220(g)(2) (local governments) or 24 CFR 91.320(c) and, if applicable, 24 CFR 91.320(g)(2) (States). The mini-action plan must state that HOME funding for the project(s) is subject to the future availability of HOME funds. The subsequent action plan (i.e., action plan for the HOME allocation to which the costs will be charged) must also include the use of HOME funds contained in the mini-action plan.

Office of the Secretary, HUD

§ 92.216

(d) *Subrecipient or State recipient costs.* The participating jurisdiction may authorize its subrecipient or State recipient to incur pre-award costs in accordance with the requirements of this section. The authorization must be in writing.

(e) *Other pre-agreement costs.* Pre-agreement costs in excess of the amount set forth in paragraph (c) of this section must be approved, in writing, by the HUD Field Office before the costs are incurred.

§ 92.213 [Reserved]

§ 92.214 Prohibited activities.

(a) HOME funds may not be used to:

(1) Provide project reserve accounts, except as provided in § 92.206(d)(5), or operating subsidies;

(2) Provide tenant-based rental assistance for the special purposes of the existing section 8 program, in accordance with section 212(d) of the Act;

(3) Provide non-federal matching contributions required under any other Federal program;

(4) Provide assistance authorized under section 9 of the 1937 Act (Public Housing Capital and Operating Funds);

(5) Provide assistance to eligible low-income housing under 24 CFR part 248 (Prepayment of Low Income Housing Mortgages), except that assistance may be provided to priority purchasers as defined in 24 CFR 248.101;

(6) Provide assistance (other than tenant-based rental assistance or assistance to a homebuyer to acquire housing previously assisted with HOME funds) to a project previously assisted with HOME funds during the period of affordability established by the participating jurisdiction in the written agreement under § 92.504. However, additional HOME funds may be committed to a project up to one year after project completion (see § 92.502), but the amount of HOME funds in the project may not exceed the maximum per-unit subsidy amount established under § 92.250.

(7) Pay for the acquisition of property owned by the participating jurisdiction, except for property acquired by the participating jurisdiction with HOME funds, or property acquired in

anticipation of carrying out a HOME project; or

(8) Pay delinquent taxes, fees or charges on properties to be assisted with HOME funds.

(9) Pay for any cost that is not eligible under §§ 92.206 through 92.209.

(b) Participating jurisdictions may not charge monitoring, servicing and origination fees in HOME-assisted projects. However, participating jurisdictions may charge nominal application fees (although these fees are not an eligible HOME cost) to project owners to discourage frivolous applications. Such fees are applicable credits under OMB Circular A-87.

[61 FR 48750, Sept. 16, 1996, as amended at 62 FR 28929, May 28, 1997; 67 FR 61756, Oct. 1, 2002]

Limitations on the use of HOME funds in connection with litigation involving discrimination or fair housing are set forth in section 224 of the Act.

INCOME TARGETING

§ 92.216 Income targeting: Tenant-based rental assistance and rental units.

Each participating jurisdiction must invest HOME funds made available during a fiscal year so that, with respect to tenant-based rental assistance and rental units:

(a) Not less than 90 percent of:

(1) The families receiving such rental assistance are families whose annual incomes do not exceed 60 percent of the median family income for the area, as determined and made available by HUD with adjustments for smaller and larger families (except that HUD may establish income ceilings higher or lower than 60 percent of the median for the area on the basis of HUD's findings that such variations are necessary because of prevailing levels of construction cost or fair market rent, or unusually high or low family income) at the time of occupancy or at the time funds are invested, whichever is later; or

(2) The dwelling units assisted with such funds are occupied by families having such incomes; and

(b) The remainder of:

§ 92.217

(1) The families receiving such rental assistance are households that qualify as low-income families (other than families described in paragraph (a)(1) of this section) at the time of occupancy or at the time funds are invested, whichever is later; or

(2) The dwelling units assisted with such funds are occupied by such households.

§ 92.217 Income targeting: Homeownership.

Each participating jurisdiction must invest HOME funds made available during a fiscal year so that with respect to homeownership assistance, 100 percent of these funds are invested in dwelling units that are occupied by households that qualify as low-income families.

[67 FR 61756, Oct. 1, 2002]

MATCHING CONTRIBUTION REQUIREMENT

§ 92.218 Amount of matching contribution.

(a) *General.* Each participating jurisdiction must make contributions to housing that qualifies as affordable housing under the HOME program, throughout a fiscal year. The contributions must total not less than 25 percent of the funds drawn from the jurisdiction's HOME Investment Trust Fund Treasury account in that fiscal year, excluding funds drawn for purposes identified in paragraph (c) of this section.

(b) *Shortfall amount from State or local resources.* Amounts made available under § 92.102(b)(2) from the resources of a State (other than a transfer of the State's formula allocation), the local participating jurisdiction, or both, to enable the local participating jurisdiction to meet the participation threshold amount are not required to be matched and do not constitute matching contributions.

(c) *HOME funds not required to be matched.* HOME funds used for administrative and planning costs (pursuant to § 92.207); community housing development organization operating expenses (pursuant to § 92.208); capacity building (pursuant to § 92.300(b)) of community housing development organizations; and project specific assistance to community housing development organiza-

tions (pursuant to § 92.301) when the participating jurisdiction waives repayment under the provisions of § 92.301(a)(3) or § 92.301(b)(3) are not required to be matched.

(d) *Match contribution for other programs.* Contributions that have been or will be counted as satisfying a matching requirement of another Federal grant or award may not count as satisfying the matching contribution requirement for the HOME program.

§ 92.219 Recognition of matching contribution.

(a) *Match contribution to HOME-assisted housing.* A contribution is recognized as a matching contribution if it is made with respect to:

(1) A tenant who is assisted with HOME funds;

(2) A HOME-assisted unit;

(3) The portion of a project that is not HOME-assisted provided that at least 50 percent of the housing units in the project are HOME-assisted. If the match contribution to the portion of the project that is not HOME-assisted meets the affordable housing requirements of § 92.219(b)(2), the percentage requirement for HOME-assisted units does not apply; or

(4) The commercial space in a mixed-use project in which at least 51 percent of the floor space is residential provided that at least 50 percent of the dwelling units are HOME-assisted.

(b) *Match contribution to affordable housing that is not HOME-assisted.* The following requirements apply for recognition of matching contributions made to affordable housing that is not HOME-assisted:

(1) For tenant-based rental assistance that is not HOME-assisted:

(i) The contribution must be made with respect to a tenant who is assisted with tenant-based rental assistance that meets the requirements of § 92.203 (Income determinations) and paragraphs (a), (c), (f), and (i) of § 92.209 (Tenant-based rental assistance); and

(ii) The participating jurisdiction must demonstrate in writing that such assistance meets the provisions of §§ 92.203 and 92.209 (except § 92.209(e)).

(2) For affordable housing that is not HOME-assisted:

(i) The contribution must be made with respect to housing that qualifies as affordable housing under § 92.252 or § 92.254.

(ii) The participating jurisdiction or its instrumentality must execute, with the owner of the housing (or, if the participating jurisdiction is the owner, with the manager or developer), a written agreement that imposes and enumerates all of the affordability requirements from § 92.252 and § 92.253(a) and (b) (Tenant protections), or § 92.254, whichever are applicable; the property standards requirements of § 92.251; and income determinations made in accordance with § 92.203. This written agreement must be executed before any match contributions may be made.

(iii) A participating jurisdiction must establish a procedure to monitor HOME match-eligible housing to ensure continued compliance with the requirements of §§ 92.203 (Income determinations), 92.252 (Qualification as affordable housing: Rental housing), 92.253(a) and (b) (Tenant protections) and 92.254 (Qualification as affordable housing: Homeownership). No other HOME requirements apply.

(iv) The match may be in any eligible form of match except those in § 92.220(a)(2) (forbearance of fees), (a)(4) (on-site and off-site infrastructure), (a)(10) (direct cost of supportive services) and (a)(11) (direct costs of homebuyer counseling services).

(v) Match contributions to mixed-use or mixed-income projects that contain affordable housing units will be recognized only if the contribution is made to the project's affordable housing units.

[61 FR 48750, Sept. 16, 1996, as amended at 62 FR 28929, May 28, 1997]

§ 92.220 Form of matching contribution.

(a) *Eligible forms.* Matching contributions must be made from nonfederal resources and may be in the form of one or more of the following:

(1) *Cash contributions from nonfederal sources.* To be recognized as a cash contribution, funds must be contributed permanently to the HOME program (or to affordable housing not assisted with HOME funds), regardless of the form of investment provided to the project.

Therefore, to receive match credit for the full amount of a loan to a HOME project, all repayment, interest, or other return on investment of the contribution must be deposited in the local account of the participating jurisdiction's HOME Investment Trust Fund to be used for eligible HOME activities in accordance with the requirements of this part. A cash contribution to affordable housing that is not assisted with HOME funds must be contributed permanently to the project. Repayments of matching contributions in affordable housing projects, as defined in § 92.219(b), that are not HOME-assisted, must be made to the local account of the participating jurisdiction's HOME Investment Trust Fund to get match credit for the full loan amount.

(i) A cash contribution may be made by the participating jurisdiction, non-Federal public entities, private entities, or individuals, except as prohibited under paragraph (b)(4) of this section. A cash contribution made to a nonprofit organization for use in a HOME project may be counted as a matching contribution.

(ii) A cash contribution may be made from program income (as defined by 24 CFR 85.25(b)) from a Federal grant earned after the end of the award period if no Federal requirements govern the disposition of the program income. Included in this category are repayments from closed out grants under the Urban Development Action Grant Program (24 CFR part 570, subpart G) and the Housing Development Grant Program (24 CFR part 850), and from the Rental Rehabilitation Grant Program (24 CFR part 511) after all fiscal year Rental Rehabilitation grants have been closed out.

(iii) The grant equivalent of a below-market interest rate loan to the project that is not repayable to the participating jurisdiction's HOME Investment Trust Fund may be counted as a cash contribution, as follows:

(A) If the loan is made from funds borrowed by a jurisdiction or public agency or corporation the contribution is the present discounted cash value of the difference between the payments to be made on the borrowed funds and payments to be received from the loan

§ 92.220

to the project based on a discount rate equal to the interest rate on the borrowed funds.

(B) If the loan is made from funds other than funds borrowed by a jurisdiction or public agency or corporation, the contribution is the present discounted cash value of the yield foregone. In determining the yield foregone, the participating jurisdiction must use as a measure of a market rate yield one of the following, as appropriate:

(1) With respect to one- to four-unit housing financed with a fixed interest rate mortgage, a rate equal to the 10-year Treasury note rate plus 200 basis points;

(2) With respect to one- to four-unit housing financed with an adjustable interest rate mortgage, a rate equal to the one-year Treasury bill rate plus 250 basis points;

(3) With respect to a multifamily project, a rate equal to the 10-year Treasury note rate plus 300 basis points; or

(4) With respect to housing receiving financing for rehabilitation, a rate equal to the 10-year Treasury note rate plus 400 basis points.

(iv) Proceeds of bonds that are not repaid with revenue from an affordable housing project (e.g., general obligation bonds) and that are loaned to a HOME-assisted or other qualified affordable housing project constitute a cash contribution under this paragraph.

(v) A cash contribution may be counted as a matching contribution only if it is used for costs eligible under §§ 92.206 or 92.209, or for the following (which are not HOME eligible costs): the cost of removing and relocating an ECHO housing unit during the period of affordability in accordance with § 92.258(d)(3)(ii), payments to a project reserve account beyond payments permitted by § 92.206(d)(5), operating subsidies, or costs relating to the portion of a mixed-income or mixed-use HOME-assisted project not related to the affordable housing units.

(2) *Forbearance of fees*—(i) *State and local taxes, charges or fees.* The value (based on customary and reasonable means for establishing value) of State or local taxes, fees, or other charges

24 CFR Subtitle A (4–1–07 Edition)

that are normally and customarily imposed or charged by a State or local government on all transactions or projects in the conduct of its operations, which are waived, foregone, or deferred (including State low-income housing tax credits) in a manner that achieves affordability of HOME-assisted projects, may be counted as match. The amount of any real estate taxes may be based on post-improvement property value. For taxes, fees, or charges that are forgiven for future years, the value is the present discounted cash value, based on a rate equal to the rate for the Treasury security with a maturity closest to the number of years for which the taxes, fees, or charges are waived, foregone, or deferred.

(ii) *Other charges or fees.* The value of fees or charges associated with the transfer or development of real estate that are normally and customarily imposed or charged by public or private entities, which are waived or foregone, in whole or in part, in a manner that achieves affordability of HOME-assisted projects, may be counted as match. Fees and charges under this paragraph do not include fees or charges for legal or other professional services; professional services which are donated, in whole or in part, are an eligible matching contribution in accordance with paragraph (a)(7) of this section.

(iii) Fees or charges that are associated with the HOME Program only (rather than normally and customarily imposed or charged on all transactions or projects) are not eligible forms of matching contributions.

(3) *Donated Real Property.* The value, before the HOME assistance is provided and minus any debt burden, lien, or other encumbrance, of donated land or other real property may be counted as match. The donation may be made by the participating jurisdiction, non-Federal public entities, private entities, or individuals, except as prohibited under paragraph (b)(4) of this section.

(i) Donated property not acquired with Federal resources is a contribution in the amount of 100% of the value.

(ii) Donated property acquired with Federal assistance may provide a partial contribution as follows. The property must be acquired with Federal assistance specifically for a HOME project (or for affordable housing that will be counted as match pursuant to § 92.219(b)(2)). The property must be acquired with the Federal assistance at demonstrably below the appraised value and must be acknowledged by the seller as a donation to affordable housing at the time of the acquisition with the Federal assistance. The amount of the contribution is the difference between the acquisition price and the appraised value at the time of acquisition with the Federal assistance. If the property is acquired with the Federal assistance by someone other than the HOME project (or affordable housing) owner, to continue to qualify as a contribution, the property must be given to the HOME project (or affordable housing) owner at a price that does not exceed the amount of the Federal assistance used to acquire the property.

(iii) Property must be appraised in conformance with established and generally recognized appraisal practice and procedures in common use by professional appraisers. Opinions of value must be based on the best available data properly analyzed and interpreted. The appraisal of land and structures must be performed by an independent, certified appraiser.

(4) The cost, not paid with Federal resources, of on-site and off-site infrastructure that the participating jurisdiction documents are directly required for HOME-assisted projects. The infrastructure must have been completed no earlier than 12 months before HOME funds are committed to the project.

(5) Proceeds from multifamily and single family affordable housing project bond financing validly issued by a State or local government, or an agency or instrumentality of a State or local government or a political subdivision of a State and repayable with revenues from the affordable housing project financed as follows:

(i) Fifty percent of the loan amount made from bond proceeds to a multifamily affordable housing project owner may qualify as match.

(ii) Twenty-five percent of the loan amount from bond proceeds made to a single-family affordable housing project owner may qualify as match.

(iii) Loans made from bond proceeds may not constitute more than 25 percent of a participating jurisdiction's total annual match contribution.

(6) The reasonable value of donated site-preparation and construction materials, not acquired with Federal resources. The value of site-preparation and construction materials is to be determined in accordance with the participating jurisdiction's cost estimate procedures.

(7) The reasonable rental value of the donated use of site preparation or construction equipment.

(8) The value of donated or voluntary labor or professional services (see § 92.354(b)) in connection with the provision of affordable housing. A single rate established by HUD shall be applicable for determining the value of unskilled labor. The value of skilled labor or professional services shall be determined by the rate that the individual or entity performing the labor or service normally charges.

(9) The value of sweat equity (see § 92.354(c)) provided to a homeownership project, under an established component of a participating jurisdiction's program, up until the time of project completion (i.e., submission of a project completion form). Such labor shall be valued at the rate established for unskilled labor at paragraph (a)(8) of this section.

(10) The direct cost of supportive services provided to families residing in HOME-assisted units during the period of affordability or receiving HOME tenant-based rental assistance during the term of the tenant-based rental assistance contract. The supportive services must be necessary to facilitate independent living or be required as part of a self-sufficiency program. Examples of supportive services include: case management, mental health services, assistance with the tasks of daily living, substance abuse treatment and counseling, day care, and job training and counseling.

(11) The direct cost of homebuyer counseling services provided to families that acquire properties with HOME

§ 92.221

24 CFR Subtitle A (4-1-07 Edition)

funds under the provisions of § 92.254(a), including ongoing counseling services provided during the period of affordability. These services may be provided as part of a homebuyer counseling program that is not specific to the HOME Program, but only the cost of services to families that complete purchases with HOME assistance may be counted as match.

(b) *Ineligible forms.* The following are examples that do not meet the requirements of paragraph (a) of this section and do not count toward meeting a participating jurisdiction's matching contribution requirement:

(1) Contributions made with or derived from Federal resources or funds, regardless of when the Federal resources or funds were received or expended. CDBG funds (defined in 24 CFR 570.3) are Federal funds for this purpose;

(2) The interest rate subsidy attributable to the Federal tax-exemption on financing or the value attributable to Federal tax credits;

(3) Owner equity or investment in a project; and

(4) Cash or other forms of contributions from applicants for or recipients of HOME assistance or contracts, or investors who own, are working on, or are proposing to apply for assistance for a HOME-assisted project. The prohibition in this paragraph (b)(4) does not apply to contractors (who do not own any HOME project) contributing professional services in accordance with paragraph (a)(8) of this section or to persons contributing sweat equity in accordance with paragraph (a)(9) of this section.

[61 FR 48750, Sept. 16, 1996, as amended at 62 FR 28929, May 28, 1997; 62 FR 44840, Aug. 22, 1997]

§ 92.221 Match credit.

(a) *When credit is given.* Contributions are credited on a fiscal year basis at the time the contribution is made, as follows:

(1) A cash contribution is credited when the funds are expended.

(2) The grant equivalent of a below-market interest rate loan is credited at the time of the loan closing.

(3) The value of state or local taxes, fees, or other charges that are nor-

mally and customarily imposed but are waived, foregone, or deferred is credited at the time the state or local government or other public or private entity officially waives, forgoes, or defers the taxes, fees, or other charges and notifies the project owner.

(4) The value of donated land or other real property is credited at the time ownership of the property is transferred to the HOME project (or affordable housing) owner.

(5) The cost of investment in infrastructure directly required for HOME-assisted projects is credited at the time funds are expended for the infrastructure or at the time the HOME funds are committed to the project if the infrastructure was completed before the commitment of HOME funds.

(6) The value of donated material is credited as match at the time it is used for affordable housing.

(7) The value of the donated use of site preparation or construction equipment is credited as match at the time the equipment is used for affordable housing.

(8) The value of donated or voluntary labor or professional services is credited at the time the work is performed.

(9) A loan made from bond proceeds under § 92.220(a)(5) is credited at the time of the loan closing.

(10) The direct cost of social services provided to residents of HOME-assisted units is credited at the time that the social services are provided during the period of affordability.

(11) The direct cost of homebuyer counseling services provided to families that purchase HOME-assisted units is credited at the time that the homebuyer purchases the unit or for post-purchase counseling services, at the time the counseling services are provided.

(b) *Excess match.* Contributions made in a fiscal year that exceed the participating jurisdiction's match liability for the fiscal year in which they were made may be carried over and applied to future fiscal years' match liability.

Loans made from bond proceeds in excess of 25 percent of a participating jurisdiction's total annual match contribution may be carried over to subsequent fiscal years as excess match, subject to the annual 25 percent limitation.

(c) Credit for match contributions shall be assigned as follows:

(1) For HOME-assisted projects involving more than one participating jurisdiction, the participating jurisdiction that makes the match contribution may decide to retain the match credit or permit the other participating jurisdiction to claim the credit.

(2) For HOME match contributions to affordable housing that is not HOME-assisted (match pursuant to § 92.219(b)) involving more than one participating jurisdiction, the participating jurisdiction that makes the match contribution receives the match credit.

(3) A State that provides non-Federal funds to a local participating jurisdiction to be used for a contribution to affordable housing, whether or not HOME-assisted, may take the match credit for itself or may permit the local participating jurisdiction to receive the match credit.

§ 92.222 Reduction of matching contribution requirement.

(a) *Reduction for fiscal distress.* HUD will determine match reductions annually.

(1) *Distress criteria for local government participating jurisdictions.* If a local government participating jurisdiction satisfies both of the distress factors in paragraphs (a)(1)(i) and (ii) of this section, it is in severe fiscal distress and its match requirement will be reduced by 100% for the period specified in paragraph (a)(3) of this section. If a local government participating jurisdiction satisfies either distress factor in paragraphs (a)(1)(i) or (ii) of this section, it is in fiscal distress and its match requirement will be reduced by 50 percent, for the period specified in paragraph (a)(4) of this section.

(i) *Poverty rate.* The average poverty rate in the participating jurisdiction was equal to or greater than 125 percent of the average national poverty rate during the calendar year for which the most recent data are available, as

determined according to information of the Bureau of the Census.

(ii) *Per capita income.* The average per capita income in the participating jurisdiction was less than 75 percent of the average national per capita income, during the calendar year for which the most recent data are available, as determined according to information from the Bureau of the Census.

(2) *Distress criteria for participating jurisdictions that are States.* If a State satisfies at least 2 of the 3 distress factors in paragraphs (a)(2)(i) through (iii) of this section, it is in severe fiscal distress and its match requirement will be reduced by 100% for the period specified in paragraph (a)(3) of this section. If a State satisfies any 1 of the 3 distress factors in paragraphs (a)(2)(i) through (iii) of this section, it is in fiscal distress and its match requirement will be reduced by 50 percent, for the period specified in paragraph (a)(4) of this section.

(i) *Poverty rate.* The average poverty rate in the State was equal to or greater than 125 percent of the average national poverty rate during the calendar year for which the most recent data are available, as determined according to information from the Bureau of the Census.

(ii) *Per capita income.* The average per capita income in the State was less than 75 percent of the average national per capita income, during the calendar year for which the most recent data are available, as determined according to information from the Bureau of the Census.

(iii) *Personal income growth.* The average personal income growth rate in the State over the most recent four quarters for which the data are available was less than 75 percent of the average national personal income growth rate during that period, as determined according to information from the Bureau of Economic Analysis.

(3) *Period of match reduction for severe fiscal distress.* A 100% match reduction is effective for the fiscal year in which the severe fiscal distress determination is made and for the following fiscal year.

§ 92.250

(4) *Period of match reduction for fiscal distress.* A 50% match reduction is effective for the fiscal year in which the fiscal distress determination is made and for the following fiscal year, except that if a severe fiscal distress determination is published in that following fiscal year, the participating jurisdiction starts a new two-year match reduction period in accordance with the provisions of paragraph (a)(3) of this section.

(b) *Reduction of match for participating jurisdictions in disaster areas.* If a participating jurisdiction is located in an area in which a declaration of major disaster pursuant to the Robert T. Stafford Disaster Relief and Emergency Assistance Act is made, it may request a reduction of its matching requirement. For a local participating jurisdiction, the HUD Field office may reduce the matching requirement specified in § 92.218 by up to 100 percent for the fiscal year in which the declaration of major disaster is made and the following fiscal year. For a State participating jurisdiction, the HUD Field office may reduce the matching requirement specified in § 92.218, by up to 100 percent for the fiscal year in which the declaration of major disaster is made and the following fiscal year with respect to any HOME funds expended in an area to which the declaration of a major disaster applies. At its discretion and upon request of the participating jurisdiction, the HUD Field Office may extend the reduction for an additional year.

Subpart F—Project Requirements

§ 92.250 Maximum per-unit subsidy amount and subsidy layering.

(a) *Maximum per-unit subsidy amount.* The total amount of HOME funds and ADDI funds that a participating jurisdiction may invest on a per-unit basis in affordable housing may not exceed the per-unit dollar limitations established under section 221(d)(3)(ii) of the National Housing Act (12 U.S.C. 17151(d)(3)(ii)) for elevator-type projects that apply to the area in which the housing is located. These limits are available from the Multifamily Division in the HUD Field Office. If the participating jurisdiction's

24 CFR Subtitle A (4–1–07 Edition)

per-unit subsidy amount has already been increased to 210% as permitted under section 221(d)(3)(ii) of the National Housing Act, upon request of the Field Office, HUD will allow the per-unit subsidy amount to be increased on a program-wide basis to an amount, up to 240% of the original per unit limits.

(b) *Subsidy layering.* Before committing funds to a project, the participating jurisdiction must evaluate the project in accordance with guidelines that it has adopted for this purpose and will not invest any more HOME funds, in combination with other governmental assistance, than is necessary to provide affordable housing.

[61 FR 48750, Sept. 16, 1997, as amended at 62 FR 28929, May 28, 1997; 69 FR 16766, Mar. 30, 2004]

§ 92.251 Property standards.

(a) (1) Housing that is constructed or rehabilitated with HOME funds must meet all applicable local codes, rehabilitation standards, ordinances, and zoning ordinances at the time of project completion, except as provided in paragraph (b) of this section. The participating jurisdiction must have written standards for rehabilitation that ensure that HOME-assisted housing is decent, safe, and sanitary. In the absence of a local code for new construction or rehabilitation, HOME-assisted new construction or rehabilitation must meet, as applicable, one of three model codes: Uniform Building Code (ICBO), National Building Code (BOCA), Standard (Southern) Building Code (SBCCI); or the Council of American Building Officials (CABO) one or two family code; or the Minimum Property Standards (MPS) in 24 CFR 200.925 or 200.926. To avoid duplicative inspections when FHA financing is involved in a HOME-assisted property, a participating jurisdiction may rely on a Minimum Property Standards (MPS) inspection performed by a qualified person. Newly constructed housing must meet the current edition of the Model Energy Code published by the Council of American Building Officials.

(2) All other HOME-assisted housing (e.g., acquisition) must meet all applicable State and local housing quality standards and code requirements and if

there are no such standards or code requirements, the housing must meet the housing quality standards in 24 CFR 982.401.

(3) The housing must meet the accessibility requirements at 24 CFR part 8, which implements Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794) and covered multifamily dwellings, as defined at 24 CFR 100.201, must also meet the design and construction requirements at 24 CFR 100.205, which implement the Fair Housing Act (42 U.S.C. 3601-3619).

(4) Construction of all manufactured housing must meet the Manufactured Home Construction and Safety Standards established in 24 CFR part 3280. These standards pre-empt State and local codes covering the same aspects of performance for such housing. Participating jurisdictions providing HOME assistance to install manufactured housing units must comply with applicable State and local laws or codes. In the absence of such laws or codes, the participating jurisdiction must comply with the manufacturer's written instructions for installation of manufactured housing units. Manufactured housing that is rehabilitated using HOME funds must meet the requirements set out in paragraph (a)(1) of this section.

(b) The following requirements apply to housing for homeownership that is to be rehabilitated after transfer of the ownership interest:

(1) Before the transfer of the homeownership interest, the participating jurisdiction must:

- (i) Inspect the housing for any defects that pose a danger to health; and
- (ii) Notify the prospective purchaser of the work needed to cure the defects and the time by which defects must be cured and applicable property standards met.

(2) The housing must be free from all noted health and safety defects before occupancy and not later than 6 months after the transfer.

(3) The housing must meet the property standards in paragraph (a)(1) of this section not later than 2 years after transfer of the ownership interest.

(c) An owner of rental housing assisted with HOME funds must maintain the housing in compliance with all ap-

plicable State and local housing quality standards and code requirements and if there are no such standards or code requirements, the housing must meet the housing quality standards in 24 CFR 982.401.

(d) All housing occupied by tenants receiving HOME tenant-based rental assistance must meet the housing quality standards in 24 CFR 982.401.

[61 FR 48750, Sept. 16, 1996, as amended at 62 FR 28929, May 28, 1997]

§ 92.252 Qualification as affordable housing: Rental housing.

The HOME-assisted units in a rental housing project must be occupied only by households that are eligible as low-income families and must meet the following requirements to qualify as affordable housing. The affordability requirements also apply to the HOME-assisted non-owner-occupied units in single-family housing purchased with HOME funds in accordance with § 92.254.

(a) *Rent limitation.* HUD provides the following maximum HOME rent limits. The maximum HOME rents are the lesser of:

(1) The fair market rent for existing housing for comparable units in the area as established by HUD under 24 CFR 888.111; or

(2) A rent that does not exceed 30 percent of the adjusted income of a family whose annual income equals 65 percent of the median income for the area, as determined by HUD, with adjustments for number of bedrooms in the unit. The HOME rent limits provided by HUD will include average occupancy per unit and adjusted income assumptions.

(b) *Additional Rent limitations.* In rental projects with five or more HOME-assisted rental units, twenty (20) percent of the HOME-assisted units must be occupied by very low-income families and meet one of following rent requirements:

(1) The rent does not exceed 30 percent of the annual income of a family whose income equals 50 percent of the median income for the area, as determined by HUD, with adjustments for smaller and larger families. HUD provides the HOME rent limits which include average occupancy per unit and

adjusted income assumptions. However, if the rent determined under this paragraph is higher than the applicable rent under paragraph (a) of this section, then the maximum rent for units under this paragraph is that calculated under paragraph (a) of this section.

(2) The rent does not exceed 30 percent of the family's adjusted income. If the unit receives Federal or State project-based rental subsidy and the very low-income family pays as a contribution toward rent not more than 30 percent of the family's adjusted income, then the maximum rent (i.e., tenant contribution plus project-based rental subsidy) is the rent allowable under the Federal or State project-based rental subsidy program.

(c) *Initial rent schedule and utility allowances.* The participating jurisdiction must establish maximum monthly allowances for utilities and services (excluding telephone). The participating jurisdiction must review and approve rents proposed by the owner for units subject to the maximum rent limitations in paragraphs (a) or (b) of this section. For all units subject to the maximum rent limitations in paragraphs (a) or (b) of this section for which the tenant is paying utilities and services, the participating jurisdiction must ensure that the rents do not exceed the maximum rent minus the monthly allowances for utilities and services.

(d) *Nondiscrimination against rental assistance subsidy holders.* The owner cannot refuse to lease HOME-assisted units to a certificate or voucher holder under 24 CFR part 982—Section 8 Tenant-Based Assistance: Unified Rule for Tenant-Based Assistance under the Section 8 Rental Certificate Program and the Section 8 Rental Voucher Program or to the holder of a comparable document evidencing participation in a HOME tenant-based rental assistance program because of the status of the prospective tenant as a holder of such certificate, voucher, or comparable HOME tenant-based assistance document.

(e) *Periods of Affordability.* The HOME-assisted units must meet the affordability requirements for not less than the applicable period specified in the following table, beginning after

project completion. The affordability requirements apply without regard to the term of any loan or mortgage or the transfer of ownership. They must be imposed by deed restrictions, covenants running with the land, or other mechanisms approved by HUD, except that the affordability restrictions may terminate upon foreclosure or transfer in lieu of foreclosure. The participating jurisdiction may use purchase options, rights of first refusal or other preemptive rights to purchase the housing before foreclosure or deed in lieu of foreclosure to preserve affordability. The affordability restrictions shall be revived according to the original terms if, during the original affordability period, the owner of record before the foreclosure, or deed in lieu of foreclosure, or any entity that includes the former owner or those with whom the former owner has or had family or business ties, obtains an ownership interest in the project or property.

Rental housing activity	Minimum period of affordability in years
Rehabilitation or acquisition of existing housing per unit amount of HOME funds: Under \$15,000	5
\$15,000 to \$40,000	10
Over \$40,000 or rehabilitation involving refinancing	15
New construction or acquisition of newly constructed housing	20

(f) *Subsequent rents during the affordability period.* (1) The maximum HOME rent limits are recalculated on a periodic basis after HUD determines fair market rents and median incomes. HUD then provides the new maximum HOME rent limits to participating jurisdictions. Regardless of changes in fair market rents and in median income over time, the HOME rents for a project are not required to be lower than the HOME rent limits for the project in effect at the time of project commitment.

(2) The participating jurisdiction must provide project owners with information on updated HOME rent limits so that rents may be adjusted (not to exceed the maximum HOME rent limits in paragraph (f)(1) of this section) in accordance with the written agreement between the participating

jurisdiction and the owner. Owners must annually provide the participating jurisdiction with information on rents and occupancy of HOME-assisted units to demonstrate compliance with this section.

(3) Any increase in rents for HOME-assisted units is subject to the provisions of outstanding leases, and in any event, the owner must provide tenants of those units not less than 30 days prior written notice before implementing any increase in rents.

(g) *Adjustment of HOME rent limits for a particular project.* (1) Changes in fair market rents and in median income over time should be sufficient to maintain the financial viability of a project within the HOME rent limits in this section.

(2) HUD may adjust the HOME rent limits for a project, only if HUD finds that an adjustment is necessary to support the continued financial viability of the project and only by an amount that HUD determines is necessary to maintain continued financial viability of the project. HUD expects that this authority will be used sparingly.

(h) *Tenant income.* The income of each tenant must be determined initially in accordance with § 92.203(a)(1)(i). In addition, each year during the period of affordability the project owner must re-examine each tenant's annual income in accordance with one of the options in § 92.203 selected by the participating jurisdiction. An owner of a multifamily project with an affordability period of 10 years or more who re-examines tenant's annual income through a statement and certification in accordance with § 92.203(a)(1)(ii), must examine the income of each tenant, in accordance with § 92.203(a)(1)(i), every sixth year of the affordability period. Otherwise, an owner who accepts the tenant's statement and certification in accordance with § 92.203(a)(1)(ii) is not required to examine the income of tenants in multifamily or single-family projects unless there is evidence that the tenant's written statement failed to completely and accurately state information about the family's size or income.

(i) *Over-income tenants.* (1) HOME-assisted units continue to qualify as affordable housing despite a temporary

noncompliance caused by increases in the incomes of existing tenants if actions satisfactory to HUD are being taken to ensure that all vacancies are filled in accordance with this section until the noncompliance is corrected.

(2) Tenants who no longer qualify as low-income families must pay as rent the lesser of the amount payable by the tenant under State or local law or 30 percent of the family's adjusted income, except that tenants of HOME-assisted units that have been allocated low-income housing tax credits by a housing credit agency pursuant to section 42 of the Internal Revenue Code of 1986 (26 U.S.C. 42) must pay rent governed by section 42. In addition, in projects in which the HOME units are designated as floating pursuant to paragraph (j) of this section, tenants who no longer qualify as low-income are not required to pay as rent an amount that exceeds the market rent for comparable, unassisted units in the neighborhood.

(j) *Fixed and floating HOME units.* In a project containing HOME-assisted and other units, the participating jurisdiction may designate fixed or floating HOME units. This designation must be made at the time of project commitment. Fixed units remain the same throughout the period of affordability. Floating units are changed to maintain conformity with the requirements of this section during the period of affordability so that the total number of housing units meeting the requirements of this section remains the same, and each substituted unit is comparable in terms of size, features, and number of bedrooms to the originally designated HOME-assisted unit.

[61 FR 48750, Sept. 16, 1996, as amended at 62 FR 28929, May 28, 1997; 62 FR 44840, Aug. 22, 1997]

§ 92.253 Tenant and participant protections.

(a) *Lease.* The lease between a tenant and an owner of rental housing assisted with HOME funds must be for not less than one year, unless by mutual agreement between the tenant and the owner.

(b) *Prohibited lease terms.* The lease may not contain any of the following provisions:

§ 92.254

(1) *Agreement to be sued.* Agreement by the tenant to be sued, to admit guilt, or to a judgment in favor of the owner in a lawsuit brought in connection with the lease;

(2) *Treatment of property.* Agreement by the tenant that the owner may take, hold, or sell personal property of household members without notice to the tenant and a court decision on the rights of the parties. This prohibition, however, does not apply to an agreement by the tenant concerning disposition of personal property remaining in the housing unit after the tenant has moved out of the unit. The owner may dispose of this personal property in accordance with State law;

(3) *Excusing owner from responsibility.* Agreement by the tenant not to hold the owner or the owner's agents legally responsible for any action or failure to act, whether intentional or negligent;

(4) *Waiver of notice.* Agreement of the tenant that the owner may institute a lawsuit without notice to the tenant;

(5) *Waiver of legal proceedings.* Agreement by the tenant that the owner may evict the tenant or household members without instituting a civil court proceeding in which the tenant has the opportunity to present a defense, or before a court decision on the rights of the parties;

(6) *Waiver of a jury trial.* Agreement by the tenant to waive any right to a trial by jury;

(7) *Waiver of right to appeal court decision.* Agreement by the tenant to waive the tenant's right to appeal, or to otherwise challenge in court, a court decision in connection with the lease; and

(8) *Tenant chargeable with cost of legal actions regardless of outcome.* Agreement by the tenant to pay attorney's fees or other legal costs even if the tenant wins in a court proceeding by the owner against the tenant. The tenant, however, may be obligated to pay costs if the tenant loses.

(c) *Termination of tenancy.* An owner may not terminate the tenancy or refuse to renew the lease of a tenant of rental housing assisted with HOME funds except for serious or repeated violation of the terms and conditions of the lease; for violation of applicable Federal, State, or local law; for completion of the tenancy period for tran-

24 CFR Subtitle A (4-1-07 Edition)

sitional housing; or for other good cause. To terminate or refuse to renew tenancy, the owner must serve written notice upon the tenant specifying the grounds for the action at least 30 days before the termination of tenancy.

(d) *Tenant selection.* An owner of rental housing assisted with HOME funds must adopt written tenant selection policies and criteria that:

(1) Are consistent with the purpose of providing housing for very low-income and low-income families;

(2) Are reasonably related to program eligibility and the applicants' ability to perform the obligations of the lease;

(3) Provide for the selection of tenants from a written waiting list in the chronological order of their application, insofar as is practicable; and

(4) Give prompt written notification to any rejected applicant of the grounds for any rejection.

§ 92.254 Qualification as affordable housing: Homeownership.

(a) *Acquisition with or without rehabilitation.* Housing that is for acquisition by a family must meet the affordability requirements of this paragraph (a).

(1) The housing must be single family housing.

(2) The housing must be modest housing as follows:

(i) In the case of acquisition of newly constructed housing or standard housing, the housing has a purchase price for the type of single family housing that does not exceed 95 percent of the median purchase price for the area, as described in paragraph (a)(2)(iii) of this section.

(ii) In the case of acquisition with rehabilitation, the housing has an estimated value after rehabilitation that does not exceed 95 percent of the median purchase price for the area, described in paragraph (a)(2)(iii) of this section.

(iii) If a participating jurisdiction intends to use HOME funds for homebuyer assistance or for rehabilitation of owner-occupied single-family properties, the participating jurisdiction may use the Single Family Mortgage

Office of the Secretary, HUD

§ 92.254

Limits under Section 203(b) of the National Housing Act (12 U.S.C. 1709(b)) (which may be obtained from the HUD Field Office) or it may determine 95 percent of the median area purchase price for single family housing in the jurisdiction, as follows. The participating jurisdiction must set forth the price for different types of single family housing for the jurisdiction. The 95 percent of median area purchase price must be established in accordance with a market analysis which ensured that a sufficient number of recent housing sales are included in the survey. Sales must cover the requisite number of months based on volume: For 500 or more sales per month, a one-month reporting period; for 250 through 499 sales per month, a two-month reporting period; for less than 250 sales per month, at least a three-month reporting period. The data must be listed in ascending order of sales price. The address of the listed properties must include the location within the participating jurisdiction. Lot, square and subdivision data may be substituted for the street address. The housing sales data must reflect all, or nearly all, of the one-family house sales in the entire participating jurisdiction. To determine the median, take the middle sale on the list if an odd number of sales and if an even number, take the higher of the middle numbers and consider it the median. After identifying the median sales price, the amount should be multiplied by .95 to determine the 95 percent of the median area purchase price. This information must be submitted to the HUD Field Office for review.

(3) The housing must be acquired by a homebuyer whose family qualifies as a low-income family and the housing must be the principal residence of the family throughout the period described in paragraph (a)(4) of this section.

(4) *Periods of affordability.* The HOME-assisted housing must meet the affordability requirements for not less than the applicable period specified in the following table, beginning after project completion. The per unit amount of HOME funds and the affordability period that they trigger are described more fully in paragraphs (a)(5)(i) (resale) and (ii) (recapture) of this section.

Homeownership assistance HOME amount per-unit	Minimum period of affordability in years
Under \$15,000	5
\$15,000 to \$40,000	10
Over \$40,000	15

(5) *Resale and recapture.* To ensure affordability, the participating jurisdiction must impose either resale or recapture requirements, at its option. The participating jurisdiction must establish the resale or recapture requirements that comply with the standards of this section and set forth the requirements in its consolidated plan. HUD must determine that they are appropriate.

(i) *Resale.* Resale requirements must ensure, if the housing does not continue to be the principal residence of the family for the duration of the period of affordability, that the housing is made available for subsequent purchase only to a buyer whose family qualifies as a low-income family and will use the property as its principal residence. The resale requirement must also ensure that the price at resale provides the original HOME-assisted owner a fair return on investment (including the homeowner's investment and any capital improvement) and ensure that the housing will remain affordable to a reasonable range of low-income homebuyers. The period of affordability is based on the total amount of HOME funds invested in the housing.

(A) Except as provided in paragraph (a)(5)(i)(B) of this section, deed restrictions, covenants running with the land, or other similar mechanisms must be used as the mechanism to impose the resale requirements. The affordability restrictions may terminate upon occurrence of any of the following termination events: foreclosure, transfer in lieu of foreclosure or assignment of an FHA insured mortgage to HUD. The participating jurisdiction may use purchase options, rights of first refusal or other preemptive rights to purchase the housing before foreclosure to preserve affordability. The affordability restrictions shall be revived according

to the original terms if, during the original affordability period, the owner of record before the termination event, obtains an ownership interest in the housing.

(B) Certain housing may be presumed to meet the resale restrictions (i.e., the housing will be available and affordable to a reasonable range of low-income homebuyers; a low-income homebuyer will occupy the housing as the family's principal residence; and the original owner will be afforded a fair return on investment) during the period of affordability without the imposition of enforcement mechanisms by the participating jurisdiction. The presumption must be based upon a market analysis of the neighborhood in which the housing is located. The market analysis must include an evaluation of the location and characteristics of the housing and residents in the neighborhood (e.g., sale prices, age and amenities of the housing stock, incomes of residents, percentage of owner-occupants) in relation to housing and incomes in the housing market area. An analysis of the current and projected incomes of neighborhood residents for an average period of affordability for homebuyers in the neighborhood must support the conclusion that a reasonable range of low-income families will continue to qualify for mortgage financing. For example, an analysis shows that the housing is modestly priced within the housing market area and that families with incomes of 65% to 80% of area median can afford monthly payments under average FHA terms without other government assistance and housing will remain affordable at least during the next five to seven years compared to other housing in the market area; the size and amenities of the housing are modest and substantial rehabilitation will not significantly increase the market value; the neighborhood has housing that is not currently owned by the occupants, but the participating jurisdiction is encouraging homeownership in the neighborhood by providing homeownership assistance and by making improvements to the streets, sidewalks, and other public facilities and services. If a participating jurisdiction in preparing a neighborhood revitalization strategy

under §91.215(e)(2) of its consolidated plan or Empowerment Zone or Enterprise Community application under 24 CFR part 597 has incorporated the type of market data described above, that submission may serve as the required analysis under this section. If the participating jurisdiction continues to provide homeownership assistance for housing in the neighborhood, it must periodically update the market analysis to verify the original presumption of continued affordability.

(ii) *Recapture*. Recapture provisions must ensure that the participating jurisdiction recoups all or a portion of the HOME assistance to the homebuyers, if the housing does not continue to be the principal residence of the family for the duration of the period of affordability. The participating jurisdiction may structure its recapture provisions based on its program design and market conditions. The period of affordability is based upon the total amount of HOME funds subject to recapture described in paragraph (a)(5)(ii)(A)(5) of this section.

(A) The following options for recapture requirements are acceptable to HUD. The participating jurisdiction may adopt, modify or develop its own recapture requirements for HUD approval. In establishing its recapture requirements, the participating jurisdiction is subject to the limitation that when the recapture requirement is triggered by a sale (voluntary or involuntary) of the housing unit, and there are no net proceeds or the net proceeds are insufficient to repay the HOME investment due, the participating jurisdiction can only recapture the net proceeds, if any. The net proceeds are the sales price minus superior loan repayment (other than HOME funds) and any closing costs.

(1) *Recapture entire amount*. The participating jurisdiction may recapture the entire amount of the HOME investment from the homeowner.

(2) *Reduction during affordability period*. The participating jurisdiction may reduce the HOME investment amount to be recaptured on a prorata basis for the time the homeowner has owned and occupied the housing measured against the required affordability period.

(3) *Shared net proceeds.* If the net proceeds are not sufficient to recapture the full HOME investment (or a reduced amount as provided for in paragraph (a)(5)(ii)(A)(2) of this section) plus enable the homeowner to recover the amount of the homeowner's downpayment and any capital improvement investment made by the owner since

purchase, the participating jurisdiction may share the net proceeds. The net proceeds are the sales price minus loan repayment (other than HOME funds) and closing costs. The net proceeds may be divided proportionally as set forth in the following mathematical formulas:

$$\frac{\text{HOME investment}}{\text{HOME investment} + \text{homeowner investment}} \times \text{Net proceeds} = \text{HOME amount to be recaptured}$$

$$\frac{\text{homeowner investment}}{\text{HOME investment} + \text{homeowner investment}} \times \text{Net proceeds} = \text{amount to homeowner}$$

(4) *Owner investment returned first.* The participating jurisdiction may permit the homebuyer to recover the homebuyer's entire investment (downpayment and capital improvements made by the owner since purchase) before recapturing the HOME investment.

(5) *Amount subject to recapture.* The HOME investment that is subject to recapture is based on the amount of HOME assistance that enabled the homebuyer to buy the dwelling unit. This includes any HOME assistance that reduced the purchase price from fair market value to an affordable price, but excludes the amount between the cost of producing the unit and the market value of the property (i.e., the development subsidy). The recaptured funds must be used to carry out HOME-eligible activities in accordance with the requirements of this part. If the HOME assistance is only used for the development subsidy and therefore not subject to recapture, the resale option must be used.

(6) *Special considerations for single-family properties with more than one unit.* If the HOME funds are only used to assist a low-income homebuyer to acquire one unit in single-family housing containing more than one unit and the assisted unit will be the principal residence of the homebuyer, the affordability requirements of this section apply only to the assisted unit. If HOME funds are also used to assist the low-income homebuyer to acquire one or more of the rental units in the sin-

gle-family housing, the affordability requirements of § 92.252 apply to assisted rental units, except that the participating jurisdiction may impose resale or recapture restrictions on all assisted units (owner-occupied and rental units) in the single family housing. If resale restrictions are used, the affordability requirements on all assisted units continue for the period of affordability. If recapture restrictions are used, the affordability requirements on the assisted rental units may be terminated, at the discretion of the participating jurisdiction, upon recapture of the HOME investment. (If HOME funds are used to assist only the rental units in such a property then the requirements of § 92.252 would apply and the owner-occupied unit would not be subject to the income targeting or affordability provisions of § 92.254.)

(7) *Lease-purchase.* HOME funds may be used to assist homebuyers through lease-purchase programs for existing housing and for housing to be constructed. The housing must be purchased by a homebuyer within 36 months of signing the lease-purchase agreement. The homebuyer must qualify as a low-income family at the time the lease-purchase agreement is signed. If HOME funds are used to acquire housing that will be resold to a homebuyer through a lease-purchase program, the HOME affordability requirements for rental housing in § 92.252 shall apply if the housing is not transferred to a homebuyer within forty-two months after project completion.

§ 92.255

(8) *Contract to purchase.* If HOME funds are used to assist a homebuyer who has entered into a contract to purchase housing to be constructed, the homebuyer must qualify as a low-income family at the time the contract is signed.

(9) *Preserving affordability.* (i) Notwithstanding § 92.214(a)(6), to preserve the affordability of housing that was previously assisted with HOME funds and subject to the requirements of § 92.254(a), a participating jurisdiction may use additional HOME funds to acquire the housing through a purchase option, right of first refusal, or other preemptive right before foreclosure, or to acquire the housing at the foreclosure sale, to undertake any necessary rehabilitation, and to provide assistance to another homebuyer. The housing must be sold to a new eligible homebuyer in accordance with the requirements of § 92.254(a). Additional HOME funds may not be used if the mortgage in default was funded with HOME funds.

(ii) The total amount of original and additional HOME assistance may not exceed the maximum per-unit subsidy amount established under § 92.250. Alternatively to charging the cost to the HOME program under § 92.206, the participating jurisdiction may charge the cost to 2 the HOME program under § 92.207, as a reasonable administrative cost of its HOME program, so that the additional HOME funds for the housing are not subject to the maximum per-unit subsidy amount.

(b) *Rehabilitation not involving acquisition.* Housing that is currently owned by a family qualifies as affordable housing only if:

(1) The estimated value of the property, after rehabilitation, does not exceed 95 percent of the median purchase price for the area, described in paragraph (a)(2)(iii) of this section; and

(2) The housing is the principal residence of an owner whose family qualifies as a low-income family at the time HOME funds are committed to the housing.

(c) *Ownership interest.* The ownership in the housing assisted under this section must meet the definition of "homeownership" in § 92.2.

24 CFR Subtitle A (4-1-07 Edition)

(d) *New construction without acquisition.* Newly constructed housing that is built on property currently owned by a family which will occupy the housing upon completion, qualifies as affordable housing if it meets the requirements under paragraph (a) of this section.

§ 92.255 Converting rental units to homeownership units for existing tenants.

The participating jurisdiction may permit the owner of HOME-assisted rental units to convert the rental units to homeownership units by selling, donating, or otherwise conveying the units to the existing tenants to enable the tenants to become homeowners in accordance with the requirements of § 92.254. If no additional HOME funds are used to enable the tenants to become homeowners, the homeownership units are subject to a minimum period of affordability equal to the remaining affordable period if the units continued as rental units. If additional HOME funds are used to directly assist the tenants to become homeowners, the minimum period of affordability is the affordability period under § 92.254(a)(4), based on the amount of direct homeownership assistance provided.

§ 92.256 [Reserved]

§ 92.257 Faith-based activities.

(a) Organizations that are religious or faith-based are eligible, on the same basis as any other organization, to participate in the HOME program. Neither the Federal government nor a State or local government receiving funds under HOME programs shall discriminate against an organization on the basis of the organization's religious character or affiliation.

(b) Organizations that are directly funded under the HOME program may not engage in inherently religious activities, such as worship, religious instruction, or proselytization, as part of the assistance funded under this part. If an organization conducts such activities, the activities must be offered

separately, in time or location, from the assistance funded under this part, and participation must be voluntary for the beneficiaries of the assistance provided.

(c) A religious organization that participates in the HOME program will retain its independence from Federal, State, and local governments, and may continue to carry out its mission, including the definition, practice, and expression of its religious beliefs, provided that it does not use direct HOME funds to support any inherently religious activities, such as worship, religious instruction, or proselytization. Among other things, faith-based organizations may use space in their facilities, without removing religious art, icons, scriptures, or other religious symbols. In addition, a HOME-funded religious organization retains its authority over its internal governance, and it may retain religious terms in its organization's name, select its board members on a religious basis, and include religious references in its organization's mission statements and other governing documents.

(d) An organization that participates in the HOME program shall not, in providing program assistance, discriminate against a program beneficiary or prospective program beneficiary on the basis of religion or religious belief.

(e) HOME funds may not be used for the acquisition, construction, or rehabilitation of structures to the extent that those structures are used for inherently religious activities. HOME funds may be used for the acquisition, construction, or rehabilitation of structures only to the extent that those structures are used for conducting eligible activities under this part. Where a structure is used for both eligible and inherently religious activities, HOME funds may not exceed the cost of those portions of the acquisition, construction, or rehabilitation that are attributable to eligible activities in accordance with the cost accounting requirements applicable to HOME funds in this part. Sanctuaries, chapels, or other rooms that a HOME-funded religious congregation uses as its principal place of worship, however, are ineligible for HOME-funded improvements. Disposition of real prop-

erty after the term of the grant, or any change in use of the property during the term of the grant, is subject to government-wide regulations governing real property disposition (*see* 24 CFR parts 84 and 85).

(f) If a state or local government voluntarily contributes its own funds to supplement federally funded activities, the State or local government has the option to segregate the Federal funds or commingle them. However, if the funds are commingled, this section applies to all of the commingled funds.

[68 FR 56404, Sept. 30, 2003]

§ 92.258 Elder cottage housing opportunity (ECHO) units.

(a) *General.* HOME funds may be used for the initial purchase and initial placement costs of elder cottage housing opportunity (ECHO) units that meet the requirements of this section, and that are small, free-standing, barrier-free, energy-efficient, removable, and designed to be installed adjacent to existing single-family dwellings.

(b) *Eligible owners.* The owner of a HOME-assisted ECHO unit may be:

(1) The owner-occupant of the single-family host property on which the ECHO unit will be located;

(2) A participating jurisdiction; or

(3) A non-profit organization.

(c) *Eligible tenants.* During the affordability period, the tenant of a HOME-assisted ECHO unit must be an elderly or disabled family as defined in 24 CFR 5.403 and must also be a low-income family.

(d) *Applicable requirements.* The requirements of § 92.252 apply to HOME-assisted ECHO units, with the following modifications:

(1) Only one ECHO unit may be provided per host property.

(2) The ECHO unit owner may choose whether or not to charge the tenant of the ECHO unit rent, but if a rent is charged, it must meet the requirements of § 92.252.

(3) The ECHO housing must remain affordable for the period specified in § 92.252(e). If within the affordability period the original occupant no longer occupies the unit, the ECHO unit owner must:

(i) Rent the unit to another eligible occupant on site;

§ 92.300

24 CFR Subtitle A (4-1-07 Edition)

(ii) Move the ECHO unit to another site for occupancy by an eligible occupant; or

(iii) If the owner of the ECHO unit is the host property owner-occupant, the owner may repay the HOME funds in accordance with the recapture provisions imposed by the participating jurisdiction consistent with § 92.254(a)(5)(ii). The participating jurisdiction must use the recaptured HOME funds for additional HOME activities.

(4) The participating jurisdiction has the responsibility to enforce the project requirements applicable to ECHO units.

Subpart G—Community Housing Development Organizations

§ 92.300 Set-aside for community housing development organizations (CHDOs).

(a)(1) Within 24 months after HUD notifies the participating jurisdiction of HUD's execution of the HOME Investment Partnerships Agreement, the participating jurisdiction must reserve not less than 15 percent of the HOME allocation for investment only in housing to be developed, sponsored, or owned by community housing development organizations. For a State, the HOME allocation includes funds reallocated under § 92.451(c)(2)(i) and, for a unit of general local government, funds transferred from a State under § 92.102(b). The funds are reserved when a participating jurisdiction enters into a written agreement with the community housing development organization. The funds must be provided to a community housing development organization, its subsidiary, or a partnership of which it or its subsidiary is the managing general partner. If a CHDO owns the project in partnership, it or its wholly owned for-profit or non-profit subsidiary must be the managing general partner. In acting in any of the capacities specified, the community housing development organization must have effective project control. In addition, a community housing development organization, in connection with housing it develops, sponsors or owns with HOME funds provided under this section, may provide direct homeownership assistance (e.g. downpay-

ment assistance) and not be considered a subrecipient.

(2) The participating jurisdiction determines the form of assistance, e.g., grant or loan, that the community housing development organization receives and whether any proceeds must be returned to the participating jurisdiction or may be retained by the community housing development organization. While the proceeds the participating jurisdiction permits the community housing development organization to retain are not subject to the requirements of this part, the participating jurisdiction must specify in the written agreement with the community housing development organization whether they are to be used for HOME-eligible or other housing activities to benefit low-income families. However, funds recaptured because housing no longer meets the affordability requirements under § 92.254(a)(5)(ii) are subject to the requirements of this part in accordance with § 92.503.

(b) Each participating jurisdiction must make reasonable efforts to identify community housing development organizations that are capable, or can reasonably be expected to become capable, of carrying out elements of the jurisdiction's approved consolidated plan and to encourage such community housing development organizations to do so. If during the first 24 months of its participation in the HOME Program a participating jurisdiction cannot identify a sufficient number of capable community housing development organizations, up to 20 percent of the minimum community housing development organization setaside of 15 percent specified in paragraph (a) of this section, above, (but not more than \$150,000 during the 24 month period) may be committed to develop the capacity of community housing development organizations in the jurisdiction.

(c) Up to 10 percent of the HOME funds reserved under this section may be used for activities specified under § 92.301.

(d) HOME funds required to be reserved under this section are subject to reduction, as provided in § 92.500(d).

(e) If funds for operating expenses are provided under § 92.208 to a community housing development organization that

is not also receiving funds under paragraph (a) of this section for housing to be developed, sponsored or owned by the community housing development organization, the participating jurisdiction must enter into a written agreement with the community housing development organization that provides that the community housing development organization is expected to receive funds under paragraph (a) of this section within 24 months of receiving the funds for operating expenses, and specifies the terms and conditions upon which this expectation is based.

(f) *Limitation on community housing development organization operating funds.* A community housing development organization may not receive HOME funding for any fiscal year in an amount that provides more than 50 percent or \$50,000, whichever is greater, of the community housing development organization's total operating expenses in that fiscal year. This also includes organizational support and housing education provided under section 233(b)(1), (2), and (6) of the Act, as well as funds for operating expenses provided under § 92.208.

[61 FR 48750, Sept. 16, 1996, as amended at 62 FR 28930, May 28, 1997]

§ 92.301 Project-specific assistance to community housing development organizations.

(a) *Project-specific technical assistance and site control loans—*(1) *General.* Within the percentage specified in § 92.300(c), HOME funds may be used by a participating jurisdiction to provide technical assistance and site control loans to community housing development organizations in the early stages of site development for an eligible project. These loans may not exceed amounts that the participating jurisdiction determines to be customary and reasonable project preparation costs allowable under paragraph (a)(2) of this section. All costs must be related to a specific eligible project or projects.

(2) *Allowable costs.* A loan may be provided to cover project costs necessary to determine project feasibility (including costs of an initial feasibility study), consulting fees, costs of preliminary financial applications, legal

fees, architectural fees, engineering fees, engagement of a development team, option to acquire property, site control and title clearance. General operational expenses of the community housing development organization are not allowable costs.

(3) *Repayment.* The community housing development organization must repay the loan to the participating jurisdiction from construction loan proceeds or other project income. The participating jurisdiction may waive repayment of the loan, in part or in whole, if there are impediments to project development that the participating jurisdiction determines are reasonably beyond the control of the borrower.

(b) *Project-specific seed money loans—*

(1) *General.* Within the percentage specified in § 92.300(c), HOME funds may be used to provide loans to community housing development organizations to cover preconstruction project costs that the participating jurisdiction determines to be customary and reasonable, including, but not limited to the costs of obtaining firm construction loan commitments, architectural plans and specifications, zoning approvals, engineering studies, and legal fees.

(2) *Eligible sponsors.* A loan may be provided only to a community housing development organization that has, with respect to the project concerned, site control (evidenced by a deed, a sales contract, or an option contract to acquire the property), a preliminary financial commitment, and a capable development team.

(3) *Repayment.* The community housing development organization must repay the loan to the participating jurisdiction from construction loan proceeds or other project income. The participating jurisdiction may waive repayment of the loan, in whole or in part, if there are impediments to project development that the participating jurisdiction determines are reasonably beyond the control of the community housing development organization.

§ 92.302 Housing education and organizational support.

HUD is authorized to provide education and organizational support assistance, in conjunction with HOME funds made available to community housing development organizations in accordance with section 233 of the Act. HUD will publish a notice in the FEDERAL REGISTER announcing the availability of funding under this section, as appropriate. The notice need not include funding for each of the eligible activities, but may target funding from among the eligible activities.

§ 92.303 Tenant participation plan.

A community housing development organization that receives assistance under this part must adhere to a fair lease and grievance procedure approved by the participating jurisdiction and provide a plan for and follow a program of tenant participation in management decisions.

Subpart H—Other Federal Requirements

§ 92.350 Other Federal requirements and nondiscrimination.

(a) The Federal requirements set forth in 24 CFR part 5, subpart A, are applicable to participants in the HOME program. The requirements of this subpart include: nondiscrimination and equal opportunity; disclosure requirements; debarred, suspended or ineligible contractors; and drug-free workplace.

(b) The nondiscrimination requirements at section 282 of the Act are applicable. These requirements are waived in connection with the use of HOME funds on lands set aside under the Hawaiian Homes Commission Act, 1920 (42 Stat. 108).

[62 FR 28930, May 28, 1997]

§ 92.351 Affirmative marketing; minority outreach program.

(a) *Affirmative marketing.* (1) Each participating jurisdiction must adopt affirmative marketing procedures and requirements for rental and homebuyer projects containing 5 or more HOME-assisted housing units. Affirmative marketing steps consist of actions to

provide information and otherwise attract eligible persons in the housing market area to the available housing without regard to race, color, national origin, sex, religion, familial status or disability. (The affirmative marketing procedures do not apply to families with Section 8 tenant-based rental housing assistance or families with tenant-based rental assistance provided with HOME funds.)

(2) The affirmative marketing requirements and procedures adopted must include:

(i) Methods for informing the public, owners, and potential tenants about Federal fair housing laws and the participating jurisdiction's affirmative marketing policy (e.g., the use of the Equal Housing Opportunity logotype or slogan in press releases and solicitations for owners, and written communication to fair housing and other groups);

(ii) Requirements and practices each owner must adhere to in order to carry out the participating jurisdiction's affirmative marketing procedures and requirements (e.g., use of commercial media, use of community contacts, use of the Equal Housing Opportunity logotype or slogan, and display of fair housing poster);

(iii) Procedures to be used by owners to inform and solicit applications from persons in the housing market area who are not likely to apply for the housing without special outreach (e.g., use of community organizations, places of worship, employment centers, fair housing groups, or housing counseling agencies);

(iv) Records that will be kept describing actions taken by the participating jurisdiction and by owners to affirmatively market units and records to assess the results of these actions; and

(v) A description of how the participating jurisdiction will annually assess the success of affirmative marketing actions and what corrective actions will be taken where affirmative marketing requirements are not met.

(3) A State that distributes HOME funds to units of general local government must require each unit of general local government to adopt affirmative

marketing procedures and requirements that meet the requirement in paragraphs (a) and (b) of this section.

(b) *Minority outreach.* A participating jurisdiction must prescribe procedures acceptable to HUD to establish and oversee a minority outreach program within its jurisdiction to ensure the inclusion, to the maximum extent possible, of minorities and women, and entities owned by minorities and women, including, without limitation, real estate firms, construction firms, appraisal firms, management firms, financial institutions, investment banking firms, underwriters, accountants, and providers of legal services, in all contracts entered into by the participating jurisdiction with such persons or entities, public and private, in order to facilitate the activities of the participating jurisdiction to provide affordable housing authorized under this Act or any other Federal housing law applicable to such jurisdiction. Section 85.36(e) of this title describes actions to be taken by a participating jurisdiction to assure that minority business enterprises and women business enterprises are used when possible in the procurement of property and services.

§ 92.352 Environmental review.

(a) *General.* The environmental effects of each activity carried out with HOME funds must be assessed in accordance with the provisions of the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321) and the related authorities listed in HUD's implementing regulations at 24 CFR parts 50 and 58.

(b) *Responsibility for review.* (1) The jurisdiction (e.g., the participating jurisdiction or State recipient) or insular area must assume responsibility for environmental review, decisionmaking, and action for each activity that it carries out with HOME funds, in accordance with the requirements imposed on a recipient under 24 CFR part 58. No funds may be committed to a HOME activity or project before the completion of the environmental review and approval of the request for release of funds and related certification, except as authorized by 24 CFR part 58.

(2) A State participating jurisdiction must also assume responsibility for ap-

proval of requests for release of HOME funds submitted by State recipients.

(3) HUD will perform the environmental review, in accordance with 24 CFR part 50, for a competitively awarded application for HOME funds submitted to HUD by an entity that is not a jurisdiction.

§ 92.353 Displacement, relocation, and acquisition.

(a) *Minimizing displacement.* Consistent with the other goals and objectives of this part, the participating jurisdiction must ensure that it has taken all reasonable steps to minimize the displacement of persons (families, individuals, businesses, nonprofit organizations, and farms) as a result of a project assisted with HOME funds. To the extent feasible, residential tenants must be provided a reasonable opportunity to lease and occupy a suitable, decent, safe, sanitary, and affordable dwelling unit in the building/complex upon completion of the project.

(b) *Temporary relocation.* The following policies cover residential tenants who will not be required to move permanently but who must relocate temporarily for the project. Such tenants must be provided:

(1) Reimbursement for all reasonable out-of-pocket expenses incurred in connection with the temporary relocation, including the cost of moving to and from the temporarily occupied housing and any increase in monthly rent/utility costs.

(2) Appropriate advisory services, including reasonable advance written notice of:

(i) The date and approximate duration of the temporary relocation;

(ii) The location of the suitable, decent, safe, and sanitary dwelling to be made available for the temporary period;

(iii) The terms and conditions under which the tenant may lease and occupy a suitable, decent, safe, and sanitary dwelling in the building/complex upon completion of the project; and

(iv) The provisions of paragraph (b)(1) of this section.

(c) *Relocation assistance for displaced persons—(1) General.* A displaced person

(defined in paragraph (c)(2) of this section) must be provided relocation assistance at the levels described in, and in accordance with the requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA) (42 U.S.C. 4201-4655) and 49 CFR part 24. A "displaced person" must be advised of his or her rights under the Fair Housing Act and, if the comparable replacement dwelling used to establish the amount of the replacement housing payment to be provided to a minority person is located in an area of minority concentration, the minority person also must be given, if possible, referrals to comparable and suitable, decent, safe, and sanitary replacement dwellings not located in such areas.

(2) *Displaced Person.* (i) For purposes of paragraph (c) of this section, the term *displaced person* means a person (family individual, business, nonprofit organization, or farm, including any corporation, partnership or association) that moves from real property or moves personal property from real property, permanently, as a direct result of acquisition, rehabilitation, or demolition for a project assisted with HOME funds. This includes any permanent, involuntary move for an assisted project, including any permanent move from the real property that is made:

(A) After notice by the owner to move permanently from the property, if the move occurs on or after:

(1) The date of the submission of an application to the participating jurisdiction or HUD, if the applicant has site control and the application is later approved; or

(2) The date the jurisdiction approves the applicable site, if the applicant does not have site control at the time of the application; or

(B) Before the date described in paragraph (c)(2)(i)(A) of this section, if the jurisdiction or HUD determines that the displacement resulted directly from acquisition, rehabilitation, or demolition for the project; or

(C) By a tenant-occupant of a dwelling unit, if any one of the following three situations occurs:

(1) The tenant moves after execution of the agreement covering the acquisition, rehabilitation, or demolition and

the move occurs before the tenant is provided written notice offering the tenant the opportunity to lease and occupy a suitable, decent, safe, and sanitary dwelling in the same building/complex upon completion of the project under reasonable terms and conditions. Such reasonable terms and conditions must include a term of at least one year at a monthly rent and estimated average monthly utility costs that do not exceed the greater of:

(i) The tenant's monthly rent before such agreement and estimated average monthly utility costs; or

(ii) The total tenant payment, as determined under 24 CFR 5.613, if the tenant is low-income, or 30 percent of gross household income, if the tenant is not low-income; or

(2) The tenant is required to relocate temporarily, does not return to the building/complex, and either

(i) The tenant is not offered payment for all reasonable out-of-pocket expenses incurred in connection with the temporary relocation; or

(ii) Other conditions of the temporary relocation are not reasonable; or

(3) The tenant is required to move to another dwelling unit in the same building/complex but is not offered reimbursement for all reasonable out-of-pocket expenses incurred in connection with the move, or other conditions of the move are not reasonable.

(ii) Notwithstanding paragraph (c)(2)(i) of this section, a person does not qualify as a *displaced person* if:

(A) The person has been evicted for cause based upon a serious or repeated violation of the terms and conditions of the lease or occupancy agreement, violation of applicable federal, State or local law, or other good cause, and the participating jurisdiction determines that the eviction was not undertaken for the purpose of evading the obligation to provide relocation assistance. The effective date of any termination or refusal to renew must be preceded by at least 30 days advance written notice to the tenant specifying the grounds for the action.

(B) The person moved into the property after the submission of the application but, before signing a lease and commencing occupancy, was provided

written notice of the project, its possible impact on the person (e.g., the person may be displaced, temporarily relocated, incur a rent increase), and the fact that the person would not qualify as a "displaced person" (or for any assistance under this section) as a result of the project;

(C) The person is ineligible under 49 CFR 24.2(g)(2); or

(D) HUD determines that the person was not displaced as a direct result of acquisition, rehabilitation, or demolition for the project.

(iii) The jurisdiction may, at any time, ask HUD to determine whether a displacement is or would be covered by this rule.

(3) *Initiation of negotiations.* For purposes of determining the formula for computing replacement housing assistance to be provided under paragraph (c) of this section to a tenant displaced from a dwelling as a direct result of private-owner rehabilitation, demolition or acquisition of the real property, the term *initiation of negotiations* means the execution of the agreement covering the acquisition, rehabilitation, or demolition.

(d) *Optional relocation assistance.* The participating jurisdiction may provide relocation payments and other relocation assistance to families, individuals, businesses, nonprofit organizations, and farms displaced by a project assisted with HOME funds where the displacement is not subject to paragraph (c) of this section. The jurisdiction may also provide relocation assistance to persons covered under paragraph (c) of this section beyond that required. For any such assistance that is not required by State or local law, the jurisdiction must adopt a written policy available to the public that describes the optional relocation assistance that it has elected to furnish and provides for equal relocation assistance within each class of displaced persons.

(e) *Residential antidisplacement and relocation assistance plan.* The participating jurisdiction shall comply with the requirements of 24 CFR part 42, subpart C.

(f) *Real property acquisition requirements.* The acquisition of real property for a project is subject to the URA and

the requirements of 49 CFR part 24, subpart B.

(g) *Appeals.* A person who disagrees with the participating jurisdiction's determination concerning whether the person qualifies as a displaced person, or the amount of relocation assistance for which the person may be eligible, may file a written appeal of that determination with the jurisdiction. A low-income person who is dissatisfied with the jurisdiction's determination on his or her appeal may submit a written request for review of that determination to the HUD Field Office.

§ 92.354 Labor.

(a) *General.* (1) Every contract for the construction (rehabilitation or new construction) of housing that includes 12 or more units assisted with HOME funds must contain a provision requiring the payment of not less than the wages prevailing in the locality, as predetermined by the Secretary of Labor pursuant to the Davis-Bacon Act (40 U.S.C. 276a-276a-5), to all laborers and mechanics employed in the development of any part of the housing. Such contracts must also be subject to the overtime provisions, as applicable, of the Contract Work Hours and Safety Standards Act (40 U.S.C. 327-332).

(2) The contract for construction must contain these wage provisions if HOME funds are used for any project costs in § 92.206, including construction or nonconstruction costs, of housing with 12 or more HOME-assisted units. When HOME funds are only used to assist homebuyers to acquire single-family housing, and not for any other project costs, the wage provisions apply to the construction of the housing if there is a written agreement with the owner or developer of the housing that HOME funds will be used to assist homebuyers to buy the housing and the construction contract covers 12 or more housing units to be purchased with HOME assistance. The wage provisions apply to any construction contract that includes a total of 12 or more HOME-assisted units, whether one or more than one project is covered by the construction contract. Once

§ 92.355

they are determined to be applicable, the wage provisions must be contained in the construction contract so as to cover all laborers and mechanics employed in the development of the entire project, including portions other than the assisted units. Arranging multiple construction contracts within a single project for the purpose of avoiding the wage provisions is not permitted.

(3) Participating jurisdictions, contractors, subcontractors, and other participants must comply with regulations issued under these acts and with other Federal laws and regulations pertaining to labor standards and HUD Handbook 1344.1 (Federal Labor Standards Compliance in Housing and Community Development Programs), as applicable. Participating jurisdictions must require certification as to compliance with the provisions of this section before making any payment under such contract.

(b) *Volunteers.* The prevailing wage provisions of paragraph (a) of this section do not apply to an individual who receives no compensation or is paid expenses, reasonable benefits, or a nominal fee to perform the services for which the individual volunteered and who is not otherwise employed at any time in the construction work. See 24 CFR part 70.

(c) *Sweat equity.* The prevailing wage provisions of paragraph (a) of this section do not apply to members of an eligible family who provide labor in exchange for acquisition of a property for homeownership or provide labor in lieu of, or as a supplement to, rent payments.

§ 92.355 Lead-based paint.

Housing assisted with HOME funds is subject to the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821-4846), the Residential Lead-Based Paint Hazard Reduction Act of 1992 (42 U.S.C. 4851-4856), and implementing regulations at part 35, subparts A, B, J, K, M and R of this title.

[64 FR 50224, Sept. 15, 1999]

§ 92.356 Conflict of interest.

(a) *Applicability.* In the procurement of property and services by participating jurisdictions, State recipients, and subrecipients, the conflict of inter-

24 CFR Subtitle A (4-1-07 Edition)

est provisions in 24 CFR 85.36 and 24 CFR 84.42, respectively, apply. In all cases not governed by 24 CFR 85.36 and 24 CFR 84.42, the provisions of this section apply.

(b) *Conflicts prohibited.* No persons described in paragraph (c) of this section who exercise or have exercised any functions or responsibilities with respect to activities assisted with HOME funds or who are in a position to participate in a decisionmaking process or gain inside information with regard to these activities, may obtain a financial interest or benefit from a HOME-assisted activity, or have an interest in any contract, subcontract or agreement with respect thereto, or the proceeds thereunder, either for themselves or those with whom they have family or business ties, during their tenure or for one year thereafter.

(c) *Persons covered.* The conflict of interest provisions of paragraph (b) of this section apply to any person who is an employee, agent, consultant, officer, or elected official or appointed official of the participating jurisdiction, State recipient, or subrecipient which are receiving HOME funds.

(d) *Exceptions: Threshold requirements.* Upon the written request of the participating jurisdiction, HUD may grant an exception to the provisions of paragraph (b) of this section on a case-by-case basis when it determines that the exception will serve to further the purposes of the HOME Investment Partnerships Program and the effective and efficient administration of the participating jurisdiction's program or project. An exception may be considered only after the participating jurisdiction has provided the following:

(1) A disclosure of the nature of the conflict, accompanied by an assurance that there has been public disclosure of the conflict and a description of how the public disclosure was made; and

(2) An opinion of the participating jurisdiction's or State recipient's attorney that the interest for which the exception is sought would not violate State or local law.

(e) *Factors to be considered for exceptions.* In determining whether to grant a requested exception after the participating jurisdiction has satisfactorily met the requirements of paragraph (d)

of this section, HUD will consider the cumulative effect of the following factors, where applicable:

(1) Whether the exception would provide a significant cost benefit or an essential degree of expertise to the program or project which would otherwise not be available;

(2) Whether the person affected is a member of a group or class of low-income persons intended to be the beneficiaries of the assisted activity, and the exception will permit such person to receive generally the same interests or benefits as are being made available or provided to the group or class;

(3) Whether the affected person has withdrawn from his or her functions or responsibilities, or the decisionmaking process with respect to the specific assisted activity in question;

(4) Whether the interest or benefit was present before the affected person was in a position as described in paragraph (c) of this section;

(5) Whether undue hardship will result either to the participating jurisdiction or the person affected when weighed against the public interest served by avoiding the prohibited conflict; and

(6) Any other relevant considerations.

(f) *Owners and Developers.* (1) No owner, developer or sponsor of a project assisted with HOME funds (or officer, employee, agent, elected or appointed official or consultant of the owner, developer or sponsor) whether private, for-profit or non-profit (including a community housing development organization (CHDO) when acting as an owner, developer or sponsor) may occupy a HOME-assisted affordable housing unit in a project. This provision does not apply to an individual who receives HOME funds to acquire or rehabilitate his or her principal residence or to an employee or agent of the owner or developer of a rental housing project who occupies a housing unit as the project manager or maintenance worker.

(2) *Exceptions.* Upon written request of a housing owner or developer, the participating jurisdiction (or State recipient, if authorized by the State participating jurisdiction) may grant an exception to the provisions of para-

graph (f)(1) of this section on a case-by-case basis when it determines that the exception will serve to further the purposes of the HOME program and the effective and efficient administration of the owner's or developer's HOME-assisted project. In determining whether to grant a requested exception, the participating jurisdiction shall consider the following factors:

(i) Whether the person receiving the benefit is a member of a group or class of low-income persons intended to be the beneficiaries of the assisted housing, and the exception will permit such person to receive generally the same interests or benefits as are being made available or provided to the group or class;

(ii) Whether the person has withdrawn from his or her functions or responsibilities, or the decisionmaking process with respect to the specific assisted housing in question;

(iii) Whether the tenant protection requirements of § 92.253 are being observed;

(iv) Whether the affirmative marketing requirements of § 92.351 are being observed and followed; and

(v) Any other factor relevant to the participating jurisdiction's determination, including the timing of the requested exception.

§ 92.357 Executive Order 12372.

(a) *General.* Executive Order 12372, as amended by Executive Order 12416 (3 CFR, 1982 Comp., p. 197 and 3 CFR, 1983 Comp., p. 186) (Intergovernmental Review of Federal Programs) and HUD's implementing regulations at 24 CFR part 52, allow each State to establish its own process for review and comment on proposed Federal financial assistance programs.

(b) *Applicability.* Executive Order 12372 applies to applications submitted with respect to HOME funds being competitively reallocated under subpart J of this part to units of general local government.

§ 92.358 Consultant activities.

No person providing consultant services in an employer-employee type relationship shall receive more than a

§ 92.400

reasonable rate of compensation for personal services paid with HOME funds. In no event, however, shall such compensation exceed the limits in effect under the provisions of any applicable statute (e.g., annual HUD appropriations acts which have set the limit at the equivalent of the daily rate paid for Level IV of the Executive Schedule, see the Departments of Veterans Affairs and Housing and Urban Development, and Independent Agencies Appropriations Act, 1997, Pub. L. 104-204 (September 26, 1996)). Such services shall be evidenced by written agreements between the parties which detail the responsibilities, standards, and compensation. Consultant services provided under an independent contractor relationship are not subject to the compensation limitation of Level IV of the Executive Schedule.

Subpart I—Technical Assistance

§ 92.400 Coordinated Federal support for housing strategies.

(a) *General.* HUD will provide assistance in accordance with Subtitle C of the Act.

(b) *Notice of funding.* HUD will publish a notice in the FEDERAL REGISTER announcing the availability of funding under this section as appropriate.

Subpart J—Reallocations

§ 92.450 General.

(a) This subpart J sets out the conditions under which HUD reallocates HOME funds that have been allocated, reserved, or placed in a HOME Investment Trust Fund.

(b) A jurisdiction that is not a participating jurisdiction but is meeting the requirements of §§ 92.102, 92.103, and 92.104, (participation threshold, notice of intent, and submission of consolidated plan) is treated as a participating jurisdiction for purposes of receiving a reallocation under subpart J of this part.

24 CFR Subtitle A (4-1-07 Edition)

§ 92.451 Reallocation of HOME funds from a jurisdiction that is not designated a participating jurisdiction or has its designation revoked.

(a) *Failure to be designated a participating jurisdiction.* HUD will reallocate, under this section, any HOME funds allocated to or reserved for a jurisdiction that is not a participating jurisdiction if:

(1) HUD determines that the jurisdiction has failed to:

(i) Meet the participation threshold amount in § 92.102;

(ii) Provide notice of its intent to become a participating jurisdiction in accordance with § 92.103; or

(iii) Submit its consolidated plan, in accordance with 24 CFR part 91; or

(2) HUD after providing for amendments and resubmissions in accordance with 24 CFR part 91 disapproves the jurisdiction's consolidated plan.

(b) *Designation revoked.* HUD will reallocate, under this section, any funds remaining in a jurisdiction's HOME Investment Trust Fund after HUD has revoked the jurisdiction's designation as a participating jurisdiction under § 92.107.

(c) *Manner of reallocation.* HUD will reallocate funds that are subject to reallocation under this section in the following manner:

(1) If the funds to be reallocated under this section are from a State, HUD will:

(i) Make the funds available by competition in accordance with criteria in § 92.453 among applications submitted by units of general local government within the State and with preference being given to applications from units of general local government that are not participating jurisdictions, and

(ii) Reallocate the remainder by formula in accordance with § 92.454.

(2) If the funds to be reallocated are from a unit of general local government:

(i) Located in a State that is participating jurisdiction, HUD will reallocate the funds to that State. The State, in distributing these funds, must give preference to the provision of affordable housing within the unit of general local government; or

(ii) Located in a State that is not a participating jurisdiction, HUD will reallocate the funds by competition among units of general local government and community housing development organizations within the State, with priority going to applications for affordable housing within the unit of general local government; and reallocate the remainder by formula in accordance with § 92.454.

§ 92.452 Reallocation of community housing development organization set-aside.

HUD will reallocate, under this section, any HOME funds reduced or recaptured by HUD from a participating jurisdiction's HOME Investment Trust Fund under § 92.300(d). HUD will reallocate these funds by competition in accordance with criteria in § 92.453 to other participating jurisdictions for affordable housing developed, sponsored, or owned by community housing development organizations.

§ 92.453 Competitive reallocations.

(a) HUD will invite applications through FEDERAL REGISTER publication of a Notice of Funding Availability (NOFA), in accordance with section 102 of the Department of Housing and Urban Development Reform Act of 1989 (42 U.S.C. 3545) and the requirements of sec. 217(c) of the Cranston-Gonzalez National Affordable Housing Act (42 U.S.C. 12747(c)), for HOME funds that become available for competitive reallocation under § 92.451 or § 92.452, or both. The NOFA will describe the application requirements and procedures, including the total funding available for the competition and any maximum amount of individual awards. The NOFA will also describe the selection criteria and any special factors to be evaluated in awarding points under the selection criteria.

(b) The NOFA will include the selection criteria at sec. 217(c) of the Cranston-Gonzalez National Affordable Housing Act (42 U.S.C. 12747(c)), with the following maximum number of points awarded for each category of criteria:

(1) *Commitment.* Up to 25 points for the criteria at sec. 217(c)(1) of the Cran-

ston-Gonzalez National Affordable Housing Act (42 U.S.C. 12747(c)(1));

(2) *Actions.* Up to 50 points for the criteria at sec. 217(c)(2) of the Cranston-Gonzalez National Affordable Housing Act (42 U.S.C. 12747(c)(2)); and

(3) *Policies.* Up to 25 points for the criteria at sec. 217(c)(3) of the Cranston-Gonzalez National Affordable Housing Act (42 U.S.C. 12747(c)(3)).

[62 FR 44840, Aug. 22, 1997]

§ 92.454 Reallocations by formula.

(a) HUD will reallocate under this section:

(1) Any HOME funds remaining available for reallocation after HUD has made competitive reallocations under § 92.451 and § 92.452;

(2) Any HOME funds available for reallocation because HUD reduced or recaptured funds from participating jurisdiction under § 92.500(d) for failure to commit the funds within the time specified;

(3) Any HOME funds withdrawn by HUD from a participating jurisdiction under 24 CFR 91.520(f) for failure to submit in a timely manner a performance report required by 24 CFR 91.520 that is satisfactory to HUD; and

(4) Any HOME funds remitted to HUD under § 92.503(b) when a jurisdiction ceases to be a participating jurisdiction.

(b) Any reallocation of funds from a State must be made only among all participating States, and any reallocation of funds from units of general local government must be made only among all participating units of general local government, except those participating jurisdictions that HUD has removed from participating in reallocations under § 92.552.

(c) A local participating jurisdiction's share of a reallocation is calculated by multiplying the amount available for reallocation to units of general local government by a factor that is that ratio of the participating jurisdiction's formula allocation provided under § 92.50 to the total of the formula allocations provided for all local participating jurisdictions sharing in the reallocation. A State participating jurisdiction's share is comparably determined using the amount available for reallocation to States.

§ 92.500

24 CFR Subtitle A (4-1-07 Edition)

(d) HUD will make reallocations under this section quarterly, unless the amount available for such reallocation is insufficient to warrant making a reallocation. In any event, HUD will make a reallocation under this section at least once a year. The minimum amount of a reallocation is \$1000.

Subpart K—Program Administration

§ 92.500 The HOME Investment Trust Fund.

(a) *General.* A HOME Investment Trust Fund consists of the accounts described in this section solely for investment in accordance with the provisions of this part. HUD will establish a HOME Investment Trust Fund United States Treasury account for each participating jurisdiction. Each participating jurisdiction may use either a separate local HOME Investment Trust Fund account or, a subsidiary account within its general fund (or other appropriate fund) as the local HOME Investment Trust Fund account.

(b) *Treasury Account.* The United States Treasury account of the HOME Investment Trust Fund includes funds allocated to the participating jurisdiction under § 92.50 (including for a local participating jurisdiction, any transfer of the State's allocation pursuant to § 92.102(b)(2)) and funds reallocated to the participating jurisdiction, either by formula or by competition, under subpart J of this part; and

(c) *Local Account.* (1) The local account of the HOME Investment Trust Fund includes deposits of HOME funds disbursed from the Treasury account; the deposit of any State funds (other than HOME funds transferred pursuant to § 92.102(b)(2)) or local funds that enable the jurisdiction to meet the participating threshold amount in § 92.102; any program income (from both the allocated funds and matching contributions in accordance with the definition of program income); and any repayments or recaptured funds as required by § 92.503.

(2) The participating jurisdiction may establish a second local account of the HOME Investment Trust Funds if:

(i) The participating jurisdiction has its own affordable housing trust fund

that the participating jurisdiction will use for matching contributions to the HOME program;

(ii) The statute or local ordinance requires repayments from its own trust fund to be made to the trust fund;

(iii) The participating jurisdiction establishes a separate account within its own trust fund for repayments of the matching contributions; and

(iv) The funds in the account are used solely for investment in eligible activities within the participating jurisdiction's boundaries in accordance with the provisions of this part, except as provided under § 92.201(a)(2).

(3) The funds in the local account cannot be used for the matching contribution and do not need to be matched.

(d)(1) *Reductions.* HUD will reduce or recapture HOME funds in the HOME Investment Trust Fund by the amount of:

(A) Any funds in the United States Treasury account that are required to be reserved (i.e., 15 percent of the funds) by a participating jurisdiction under § 92.300 that are not reserved for a community housing development organization pursuant to a written agreement within 24 months after the last day of the month in which HUD notifies the participating jurisdiction of HUD's execution of the HOME Investment Partnership Agreement;

(B) Any funds in the United States Treasury account that are not committed within 24 months after the last day of the month in which HUD notifies the participating jurisdiction of HUD's execution of the HOME Investment Partnership Agreement;

(C) Any funds in the United States Treasury account that are not expended within five years after the last day of the month in which HUD notifies the participating jurisdiction of HUD's execution of the HOME Investment Partnership Agreement; and

(D) Any penalties assessed by HUD under § 92.552.

(2) For purposes of determining the amount by which the HOME Investment Trust Fund will be reduced or recaptured under paragraphs (d)(1)(A), (B) and (C) of this section, HUD will consider the sum of commitments to CHDOs, commitments, or expenditures,

as applicable, from the fiscal year allocation being examined and from subsequent allocations. This sum must be equal to or greater than the amount of the fiscal year allocation being examined, or in the case of commitments to CHDOs, 15 percent of that fiscal year allocation.

[61 FR 48750, Sept. 16, 1996, as amended at 62 FR 28930, May 28, 1997]

§ 92.501 HOME Investment Partnership Agreement.

Allocated and reallocated funds will be made available pursuant to a HOME Investment Partnership Agreement. The agreement ensures that HOME funds invested in affordable housing are repayable if the housing ceases to qualify as affordable housing before the period of affordability expires.

§ 92.502 Program disbursement and information system.

(a) *General.* The Home Investment Trust Fund account established in the United States Treasury is managed through a computerized disbursement and information system established by HUD. The system disburses HOME funds that are allocated or reallocated, and collects and reports information on the use of HOME funds in the United States Treasury account. [For purposes of reporting in the Integrated Disbursement and Information System, a HOME project is an activity.]

(b) *Project set-up.* (1) After the participating jurisdiction executes the HOME Investment Partnership Agreement, submits the applicable banking and security documents, complies with the environmental requirements under 24 CFR part 58 for release of funds and commits funds to a specific local project, the participating jurisdiction may identify (set up) specific investments in the disbursement and information system. Investments that require the set-up of projects in the system are the acquisition, new construction, or rehabilitation of housing, and the provision of tenant-based rental assistance. The participating jurisdiction is required to enter complete project set-up information at the time of project set-up.

(2) If the project set-up information is not completed within 20 days of the

project set-up call, the project may be cancelled by the system. In addition, a project which has been committed in the system for 12 months without an initial disbursement of funds may be cancelled by the system.

(c) *Disbursement of HOME funds.* (1) After complete project set-up information is entered into the disbursement and information system, HOME funds for the project may be drawn down from the United States Treasury account by the participating jurisdiction by electronic funds transfer. The funds will be deposited in the local account of the HOME Investment Trust Fund of the participating jurisdiction within 48 to 72 hours of the disbursement request. Any drawdown of HOME funds from the United States Treasury account is conditioned upon the provision of satisfactory information by the participating jurisdiction about the project or tenant-based rental assistance and compliance with other procedures, as specified by HUD.

(2) HOME funds drawn from the United States Treasury account must be expended for eligible costs within 15 days. Any interest earned within the 15 day period may be retained by the participating jurisdiction as HOME funds. Any funds that are drawn down and not expended for eligible costs within 15 days of the disbursement must be returned to HUD for deposit in the participating jurisdiction's United States Treasury account of the HOME Investment Trust Fund. Interest earned after 15 days belongs to the United States and must be remitted promptly, but at least quarterly, to HUD, except that a local participating jurisdiction may retain interest amounts up to \$100 per year for administrative expenses and States are subject to the Intergovernmental Cooperation Act (31 U.S.C. 6501 et seq.).

(3) HOME funds in the local account of the HOME Investment Trust Fund must be disbursed before requests are made for HOME funds in the United States Treasury account.

(4) A participating jurisdiction will be paid on an advance basis provided it complies with the requirements of this part.

(d) *Project completion.* (1) Complete project completion information must

§ 92.503

24 CFR Subtitle A (4-1-07 Edition)

be entered into the disbursement and information system, or otherwise provided, within 120 days of the final project drawdown. If satisfactory project completion information is not provided, HUD may suspend further project set-ups or take other corrective actions.

(2) Additional HOME funds may be committed to a project up to one year after project completion, but the amount of HOME funds in the project may not exceed the maximum per-unit subsidy amount established under § 92.250.

(e) *Access by other participants.* Access to the disbursement and information system by other entities participating in the HOME program (e.g., State recipients) will be governed by procedures established by HUD.

§ 92.503 Program income, repayments, and recaptured funds.

(a) *Program income.* (1) Program income must be used in accordance with the requirements of this part. Program income must be deposited in the participating jurisdiction's HOME Investment Trust Fund local account unless the participating jurisdiction permits the State recipient or subrecipient to retain the program income for additional HOME projects pursuant to the written agreement required by § 92.504.

(2) If the jurisdiction is not a participating jurisdiction when the program income is received, the funds are not subject to the requirements of this part.

(3) Program income derived from consortium activities undertaken by or within a member unit of general local government which thereafter terminates its participation in the consortium continues to be program income of the consortium.

(b) *Repayments.* (1) Any HOME funds invested in housing that does not meet the affordability requirements for the period specified in § 92.252 or § 92.254, as applicable, must be repaid by the participating jurisdiction in accordance with paragraph (b)(3) of this section.

(2) Any HOME funds invested in a project that is terminated before completion, either voluntarily or otherwise, must be repaid by the participating jurisdiction in accordance with

paragraph (b)(3) of this section except for repayments of project specific community housing development organization loans which are waived in accordance with §§ 92.301(a)(3) and 92.301(b)(3).

(3) If the HOME funds were disbursed from the participating jurisdiction's HOME Investment Trust Fund Treasury account, they must be repaid to the Treasury account. If the HOME funds were disbursed from the participating jurisdiction's HOME Investment Trust Fund local account, they must be repaid to the local account. If the jurisdiction is not a participating jurisdiction when the repayment is made, the funds must be remitted to HUD and reallocated in accordance with § 92.454.

(c) *Recaptures.* HOME funds recaptured in accordance with § 92.254(a)(5)(ii) must be used in accordance with the requirements of this part. Recaptured funds must be deposited in the participating jurisdiction's HOME Investment Trust Fund local account unless the participating jurisdiction permits the State recipient, subrecipient, or community housing development organization to retain the recaptured funds for additional HOME projects pursuant to the written agreement required by § 92.504. If the jurisdiction is not a participating jurisdiction when the recaptured funds are received, the funds must be remitted to HUD and reallocated in accordance with § 92.454.

§ 92.504 Participating jurisdiction responsibilities; written agreements; on-site inspection.

(a) *Responsibilities.* The participating jurisdiction is responsible for managing the day to day operations of its HOME program, ensuring that HOME funds are used in accordance with all program requirements and written agreements, and taking appropriate action when performance problems arise. The use of State recipients, subrecipients, or contractors does not relieve the participating jurisdiction of this responsibility. The performance of each contractor and subrecipient must be reviewed at least annually.

(b) *Executing a written agreement.* Before disbursing any HOME funds to any entity, the participating jurisdiction must enter into a written agreement

with that entity. Before disbursing any HOME funds to any entity, a State recipient, subrecipient, or contractor which is administering all or a part of the HOME program on behalf of the participating jurisdiction, must also enter into a written agreement with that entity. The written agreement must ensure compliance with the requirements of this part.

(c) *Provisions in written agreements.* The contents of the agreement may vary depending upon the role the entity is asked to assume or the type of project undertaken. This section details basic requirements by role and the minimum provisions that must be included in a written agreement.

(1) *State recipient.* The provisions in the written agreement between the State and a State recipient will depend on the program functions that the State specifies the State recipient will carry out in accordance with § 92.201(b).

(i) *Use of the HOME funds.* The agreement must describe the use of the HOME funds, including the tasks to be performed, a schedule for completing the tasks, and a budget. These items must be in sufficient detail to provide a sound basis for the State to effectively monitor performance under the agreement.

(ii) *Affordability.* The agreement must require housing assisted with HOME funds to meet the affordability requirements of § 92.252 or § 92.254, as applicable, and must require repayment of the funds if the housing does not meet the affordability requirements for the specified time period.

(iii) *Program income.* The agreement must state if program income is to be remitted to the State or to be retained by the State recipient for additional eligible activities.

In conducting performance reviews, HUD will rely primarily on information obtained from the participating jurisdiction's and, as appropriate, the State recipient's records and reports, findings from on-site monitoring, audit reports, and information generated from the disbursement and information system established by HUD. Where applicable, HUD may also consider relevant information pertaining to a participating jurisdiction's or State recipient's performance gained from other sources, including citizen comments, complaint determinations, and litigation. Reviews to determine compliance with specific requirements of this part will be conducted as necessary, with or without prior notice to the participating jurisdiction or State recipient. Comprehensive performance reviews under the standards in paragraph (b) of this section will be conducted after prior notice to the participating jurisdiction.

(b) *Standards for comprehensive performance review.* A participating jurisdiction's performance will be comprehensively reviewed periodically, as prescribed by HUD, to determine:

(2) If the participating jurisdiction fails to demonstrate to HUD's satisfaction that it has met the requirement, HUD will take corrective or remedial action in accordance with this section or § 92.552.

(c) *Corrective and remedial actions.* Corrective or remedial actions for a performance deficiency (failure to meet a provision of this part) will be designed to prevent a continuation of the deficiency; mitigate, to the extent possible, its adverse effects or consequences; and prevent its recurrence.

§ 100.75 Discriminatory advertisements, statements and notices.

(a) It shall be unlawful to make, print or publish, or cause to be made, printed or published, any notice, statement or advertisement with respect to the sale or rental of a dwelling which indicates any preference, limitation or discrimination because of race, color, religion, sex, handicap, familial status, or national origin, or an intention to make any such preference, limitation or discrimination.

(b) The prohibitions in this section shall apply to all written or oral notices or statements by a person engaged in the sale or rental of a dwelling. Written notices and statements include any applications, flyers, brochures, deeds, signs, banners, posters, billboards or any documents used with respect to the sale or rental of a dwelling.

§ 100.80

(c) Discriminatory notices, statements and advertisements include, but are not limited to:

which purport to restrict the sale or rental of dwellings because of race, color, religion, sex, handicap, familial status, or national origin preclude the sale or rental of a dwelling to a person.

(3) Enforcing covenants or other deed, trust, or lease provisions which preclude the sale or rental of a dwelling to any person because of race, color, religion, sex, handicap, familial status, or national origin.

(4) Limiting information, by word or conduct, regarding suitably priced dwellings available for inspection, sale or rental, because of race, color, religion, sex, handicap, familial status, or national origin.

(a) It shall be unlawful, for profit, to induce or attempt to induce a person to sell or rent a dwelling by representations regarding the entry or prospective entry into the neighborhood of a person or persons of a particular race, color, religion, sex, familial status, or national origin or with a handicap.

(b) In establishing a discriminatory housing practice under this section it is not necessary that there was in fact profit as long as profit was a factor for engaging in the blockbusting activity.

(c) Prohibited actions under this section include, but are not limited to:

(1) Engaging, for profit, in conduct (including uninvited solicitations for listings) which conveys to a person that a neighborhood is undergoing or is about to undergo a change in the race, color, religion, sex, handicap, familial status, or national origin of persons residing in it, in order to encourage the person to offer a dwelling for sale or rental.

(2) Encouraging, for profit, any person to sell or rent a dwelling through assertions that the entry or prospective entry of persons of a particular race, color, religion, sex, familial status, or national origin, or with handicaps, can or will result in undesirable

consequences for the project, neighborhood or community, such as a lowering of property values, an increase in criminal or antisocial behavior, or a decline in the quality of schools or other services or facilities.

§ 100.90 Discrimination in the provision of brokerage services.

(a) It shall be unlawful to deny any person access to or membership or participation in any multiple listing service, real estate brokers' organization or other service, organization, or facility relating to the business of selling or renting dwellings, or to discriminate against any person in the terms or conditions of such access, membership or participation, because of race, color, religion, sex, handicap, familial status, or national origin.

Subpart C—Discrimination in Residential Real Estate-Related Transactions

§ 100.110 Discriminatory practices in residential real estate-related transactions.

(a) This subpart provides the Department's interpretation of the conduct that is unlawful housing discrimina-

tion under section 805 of the Fair Housing Act.

(b) It shall be unlawful for any person or other entity whose business includes engaging in residential real estate-related transactions to discriminate against any person in making available such a transaction, or in the terms or conditions of such a transaction, because of race, color, religion, sex, handicap, familial status, or national origin.

§ 100.115 Residential real estate-related transactions.

The term residential *real estate-related transactions* means:

(a) The making or purchasing of loans or providing other financial assistance—

(1) For purchasing, constructing, improving, repairing or maintaining a dwelling; or

(2) Secured by residential real estate; or

(b) The selling, brokering or appraising of residential real property.

§ 100.120 Discrimination in the making of loans and in the provision of other financial assistance.

(a) It shall be unlawful for any person or entity whose business includes engaging in residential real estate-related transactions to discriminate against any person in making available loans or other financial assistance for a dwelling, or which is or is to be secured by a dwelling, because of race, color, religion, sex, handicap, familial status, or national origin.

(b) Prohibited practices under this section include, but are not limited to, failing or refusing to provide to any person, in connection with a residential real estate-related transaction, information regarding the availability of loans or other financial assistance, application requirements, procedures or standards for the review and approval of loans or financial assistance, or providing information which is inaccurate or different from that provided others, because of race, color, religion, sex, handicap, familial status, or national origin.

§ 100.125

§ 100.125 Discrimination in the purchasing of loans.

(a) It shall be unlawful for any person or entity engaged in the purchasing of loans or other debts or securities which support the purchase, construction, improvement, repair or maintenance of a dwelling, or which are secured by residential real estate, to refuse to purchase such loans, debts, or securities, or to impose different terms or conditions for such purchases, because of race, color, religion, sex, handicap, familial status, or national origin.

(b) Unlawful conduct under this section includes, but is not limited to:

(1) Purchasing loans or other debts or securities which relate to, or which are secured by dwellings in certain communities or neighborhoods but not in others because of the race, color, religion, sex, handicap, familial status, or national origin of persons in such neighborhoods or communities.

(2) Pooling or packaging loans or other debts or securities which relate to, or which are secured by, dwellings differently because of race, color, religion, sex, handicap, familial status, or national origin.

(c) This section does not prevent consideration, in the purchasing of loans, of factors justified by business necessity, including requirements of Federal law, relating to a transaction's financial security or to protection against default or reduction of the value of the security. Thus, this provision would not preclude considerations employed in normal and prudent transactions, provided that no such factor may in any way relate to race, color, religion, sex, handicap, familial status or national origin.

§ 100.130 Discrimination in the terms and conditions for making available loans or other financial assistance.

(a) It shall be unlawful for any person or entity engaged in the making of loans or in the provision of other finan-

24 CFR Subtitle B, Ch. I (4-1-07 Edition)

cial assistance relating to the purchase, construction, improvement, repair or maintenance of dwellings or which are secured by residential real estate to impose different terms or conditions for the availability of such loans or other financial assistance because of race, color, religion, sex, handicap, familial status, or national origin.

(b) Unlawful conduct under this section includes, but is not limited to:

(1) Using different policies, practices or procedures in evaluating or in determining creditworthiness of any person in connection with the provision of any loan or other financial assistance for a dwelling or for any loan or other financial assistance which is secured by residential real estate because of race, color, religion, sex, handicap, familial status, or national origin.

(2) Determining the type of loan or other financial assistance to be provided with respect to a dwelling, or fixing the amount, interest rate, duration or other terms for a loan or other financial assistance for a dwelling or which is secured by residential real estate, because of race, color, religion, sex, handicap, familial status, or national origin.

(b) For the purposes of this section, the term appraisal means an estimate or opinion of the value of a specified residential real property made in a business context in connection with the sale, rental, financing or refinancing of a dwelling or in connection with any activity that otherwise affects the availability of a residential real estate-related transaction, whether the appraisal is oral or written, or transmitted formally or informally.

The appraisal includes all written comments and other documents submitted as support for the estimate or opinion of value.

(c) Nothing in this section prohibits a person engaged in the business of making or furnishing appraisals of residential real property from taking into consideration factors other than race, color, religion, sex, handicap, familial status, or national origin.

(d) Practices which are unlawful under this section include, but are not limited to, using an appraisal of residential real property in connection with the sale, rental, or financing of any dwelling where the person knows or reasonably should know that the appraisal improperly takes into consideration race, color, religion, sex, handicap, familial status or national origin.

§ 100.140 General rules.

(a) *Voluntary self-testing and correction.* The report or results of a self-test a lender voluntarily conducts or authorizes are privileged as provided in this subpart if the lender has taken or is taking appropriate corrective action to address likely violations identified by the self-test. Data collection required by law or any governmental authority (federal, state, or local) is not voluntary.

(b) *Other privileges.* This subpart does not abrogate any evidentiary privilege otherwise provided by law.

[62 FR 66432, Dec. 18, 1997]

§ 100.141 Definitions.

As used in this subpart:

Lender means a person who engages in a residential real estate-related lending transaction.

Residential real estate-related lending transaction means the making of a loan:

(1) For purchasing, constructing, improving, repairing, or maintaining a dwelling; or

(2) Secured by residential real estate.

Self-test means any program, practice or study a lender voluntarily conducts or authorizes which is designed and used specifically to determine the extent or effectiveness of compliance with the Fair Housing Act. The self-test must create data or factual information that is not available and cannot be derived from loan files, applica-

tion files, or other residential real estate-related lending transaction records. Self-testing includes, but is not limited to, using fictitious credit applicants (testers) or conducting surveys of applicants or customers, nor is it limited to the pre-application stage of loan processing.

[62 FR 66432, Dec. 18, 1997]

§ 100.142 Types of information.

(a) The privilege under this subpart covers:

(1) The report or results of the self-test;

(2) Data or factual information created by the self-test;

(3) Workpapers, draft documents and final documents;

(4) Analyses, opinions, and conclusions if they directly result from the self-test report or results.

(b) The privilege does not cover:

(1) Information about whether a lender conducted a self-test, the methodology used or scope of the self-test, the time period covered by the self-test or the dates it was conducted;

(2) Loan files and application files, or other residential real estate-related lending transaction records (e.g., property appraisal reports, loan committee meeting minutes or other documents reflecting the basis for a decision to approve or deny a loan application, loan policies or procedures, underwriting standards, compensation records) and information or data derived from such files and records, even if such data has been aggregated, summarized or reorganized to facilitate analysis.

[62 FR 66432, Dec. 18, 1997]

§ 100.143 Appropriate corrective action.

(a) The report or results of a self-test are privileged as provided in this subpart if the lender has taken or is taking appropriate corrective action to address likely violations identified by the self-test. Appropriate corrective action is required when a self-test shows it is more likely than not that a violation occurred even though no violation was adjudicated formally.

§ 100.144

(b) A lender must take action reasonably likely to remedy the cause and effect of the likely violation and must:

(1) Identify the policies or practices that are the likely cause of the violation, such as inadequate or improper lending policies, failure to implement established policies, employee conduct, or other causes; and

(2) Assess the extent and scope of any likely violation, by determining which areas of operation are likely to be affected by those policies and practices, such as stages of the loan application process, types of loans, or the particular branch where the likely violation has occurred. Generally, the scope of the self-test governs the scope of the appropriate corrective action.

(c) Appropriate corrective action may include both prospective and remedial relief, except that to establish a privilege under this subpart:

(1) A lender is not required to provide remedial relief to a tester in a self-test;

(2) A lender is only required to provide remedial relief to an applicant identified by the self-test as one whose rights were more likely than not violated;

(3) A lender is not required to provide remedial relief to a particular applicant if the statute of limitations applicable to the violation expired before the lender obtained the results of the self-test or the applicant is otherwise ineligible for such relief.

(d) Depending on the facts involved, appropriate corrective action may include, but is not limited to, one or more of the following:

(1) If the self-test identifies individuals whose applications were inappropriately processed, offering to extend credit if the applications were improperly denied; compensating such persons for any damages, both out-of-pocket and compensatory;

(2) Correcting any institutional policies or procedures that may have contributed to the likely violation, and adopting new policies as appropriate;

(3) Identifying, and then training and/or disciplining the employees involved;

(4) Developing outreach programs, marketing strategies, or loan products to serve more effectively the segments of the lender's market that may have

24 CFR Subtitle B, Ch. I (4-1-07 Edition)

been affected by the likely violation; and

(5) Improving audit and oversight systems to avoid a recurrence of the likely violations.

(e) Determination of appropriate corrective action is fact-based. Not every corrective measure listed in paragraph (d) of this section need be taken for each likely violation.

(f) Taking appropriate corrective action is not an admission by a lender that a violation occurred.

[62 FR 66432, Dec. 18, 1997]

§ 100.144 Scope of privilege.

The report or results of a self-test may not be obtained or used by an aggrieved person, complainant, department or agency in any:

(a) Proceeding or civil action in which a violation of the Fair Housing Act is alleged; or

(b) Examination or investigation relating to compliance with the Fair Housing Act.

[62 FR 66432, Dec. 18, 1997]

§ 100.145 Loss of privilege.

(a) The self-test report or results are not privileged under this subpart if the lender or person with lawful access to the report or results:

(1) Voluntarily discloses any part of the report or results or any other information privileged under this subpart to any aggrieved person, complainant, department, agency, or to the public; or

(2) Discloses the report or results or any other information privileged under this subpart as a defense to charges a lender violated the Fair Housing Act; or

(3) Fails or is unable to produce self-test records or information needed to determine whether the privilege applies.

(b) Disclosures or other actions undertaken to carry out appropriate corrective action do not cause the lender to lose the privilege.

[62 FR 66432, Dec. 18, 1997]

§ 100.146 Limited use of privileged information.

Notwithstanding § 100.145, the self-test report or results may be obtained

and used by an aggrieved person, applicant, department or agency solely to determine a penalty or remedy after the violation of the Fair Housing Act has been adjudicated or admitted. Disclosures for this limited purpose may be used only for the particular proceeding in which the adjudication or admission is made. Information disclosed under this section remains otherwise privileged under this subpart.

[62 FR 66433, Dec. 18, 1997]

§ 100.147 Adjudication.

An aggrieved person, complainant, department or agency that challenges a privilege asserted under § 100.144 may seek a determination of the existence and application of that privilege in:

(a) A court of competent jurisdiction; or

(b) An administrative law proceeding with appropriate jurisdiction.

[62 FR 66433, Dec. 18, 1997]

§ 100.148 Effective date.

The privilege under this subpart applies to self-tests conducted both before and after January 30, 1998, except that a self-test conducted before January 30, 1998 is not privileged:

(a) If there was a court action or administrative proceeding before January 30, 1998, including the filing of a complaint alleging a violation of the Fair Housing Act with the Department or a substantially equivalent state or local agency; or

(b) If any part of the report or results were disclosed before January 30, 1998 to any aggrieved person, complainant, department or agency, or to the general public.

[54 FR 3283, Jan. 23, 1989, as amended at 69 FR 18803, Apr. 9, 2004]

§ 100.202 General prohibitions against discrimination because of handicap.

(a) It shall be unlawful to discriminate in the sale or rental, or to otherwise make unavailable or deny, a dwelling to any buyer or renter because of a handicap of—

(1) That buyer or renter;

(2) A person residing in or intending to reside in that dwelling after it is so sold, rented, or made available; or

(3) Any person associated with that person.

(b) It shall be unlawful to discriminate against any person in the terms, conditions, or privileges of the sale or rental of a dwelling, or in the provision of services or facilities in connection with such dwelling, because of a handicap of—

(1) That buyer or renter;

(2) A person residing in or intending to reside in that dwelling after it is so sold, rented, or made available; or

(3) Any person associated with that person.

(c) It shall be unlawful to make an inquiry to determine whether an applicant for a dwelling, a person intending

to reside in that dwelling after it is so sold, rented or made available, or any person associated with that person, has a handicap or to make inquiry as to the nature or severity of a handicap of such a person. However, this paragraph does not prohibit the following inquiries, provided these inquiries are made of all applicants, whether or not they have handicaps:

(1) Inquiry into an applicant's ability to meet the requirements of ownership or tenancy;

(2) Inquiry to determine whether an applicant is qualified for a dwelling available only to persons with handicaps or to persons with a particular type of handicap;

(3) Inquiry to determine whether an applicant for a dwelling is qualified for a priority available to persons with handicaps or to persons with a particular type of handicap;

(4) Inquiring whether an applicant for a dwelling is a current illegal abuser or addict of a controlled substance;

(5) Inquiring whether an applicant has been convicted of the illegal manufacture or distribution of a controlled substance.

(d) Nothing in this subpart requires that a dwelling be made available to an individual whose tenancy would constitute a direct threat to the health or safety of other individuals or whose tenancy would result in substantial physical damage to the property of others.

§ 100.203 Reasonable modifications of existing premises.

(a) It shall be unlawful for any person to refuse to permit, at the expense of a handicapped person, reasonable modifications of existing premises, occupied or to be occupied by a handicapped person, if the proposed modifications may be necessary to afford the handicapped person full enjoyment of the premises of a dwelling. In the case of a rental, the landlord may, where it is reasonable to do so, condition permission for a modification on the renter agreeing to restore the interior of the premises to the condition that existed before the modification, reasonable wear and tear excepted. The landlord may not increase for handicapped persons any customarily required security deposit.

§ 100.204

However, where it is necessary in order to ensure with reasonable certainty that funds will be available to pay for the restorations at the end of the tenancy, the landlord may negotiate as part of such a restoration agreement a provision requiring that the tenant pay into an interest bearing escrow account, over a reasonable period, a reasonable amount of money not to exceed the cost of the restorations. The interest in any such account shall accrue to the benefit of the tenant.

(b) A landlord may condition permission for a modification on the renter providing a reasonable description of the proposed modifications as well as reasonable assurances that the work will be done in a workmanlike manner and that any required building permits will be obtained.

(c) The application of paragraph (a) of this section may be illustrated by the following examples:

Example (1): A tenant with a handicap asks his or her landlord for permission to install grab bars in the bathroom at his or her own expense. It is necessary to reinforce the walls with blocking between studs in order to affix the grab bars. It is unlawful for the landlord to refuse to permit the tenant, at the tenant's own expense, from making the modifications necessary to add the grab bars. However, the landlord may condition permission for the modification on the tenant agreeing to restore the bathroom to the condition that existed before the modification, reasonable wear and tear excepted. It would be reasonable for the landlord to require the tenant to remove the grab bars at the end of the tenancy. The landlord may also reasonably require that the wall to which the grab bars are to be attached be repaired and restored to its original condition, reasonable wear and tear excepted. However, it would be unreasonable for the landlord to require the tenant to remove the blocking, since the reinforced walls will not interfere in any way with the landlord's or the next tenant's use and enjoyment of the premises and may be needed by some future tenant.

Example (2): An applicant for rental housing has a child who uses a wheelchair. The bathroom door in the dwelling unit is too narrow to permit the wheelchair to pass. The applicant asks the landlord for permission to widen the doorway at the applicant's own expense. It is unlawful for the landlord to refuse to permit the applicant to make the modification. Further, the landlord may *not*, in usual circumstances, condition permission for the modification on the applicant paying for the doorway to be narrowed at the end of

24 CFR Subtitle B, Ch. I (4-1-07 Edition)

the lease because a wider doorway will not interfere with the landlord's or the next tenant's use and enjoyment of the premises.

§ 100.204 Reasonable accommodations.

(a) It shall be unlawful for any person to refuse to make reasonable accommodations in rules, policies, practices, or services, when such accommodations may be necessary to afford a handicapped person equal opportunity to use and enjoy a dwelling unit, including public and common use areas.

(b) The application of this section may be illustrated by the following examples:

Example (1): A blind applicant for rental housing wants live in a dwelling unit with a seeing eye dog. The building has a *no pets* policy. It is a violation of § 100.204 for the owner or manager of the apartment complex to refuse to permit the applicant to live in the apartment with a seeing eye dog because, without the seeing eye dog, the blind person will not have an equal opportunity to use and enjoy a dwelling.

Example (2): Progress Gardens is a 300 unit apartment complex with 450 parking spaces which are available to tenants and guests of Progress Gardens on a *first come first served* basis. John applies for housing in Progress Gardens. John is mobility impaired and is unable to walk more than a short distance and therefore requests that a parking space near his unit be reserved for him so he will not have to walk very far to get to his apartment. It is a violation of § 100.204 for the owner or manager of Progress Gardens to refuse to make this accommodation. Without a reserved space, John might be unable to live in Progress Gardens at all or, when he has to park in a space far from his unit, might have great difficulty getting from his car to his apartment unit. The accommodation therefore is necessary to afford John an equal opportunity to use and enjoy a dwelling. The accommodation is reasonable because it is feasible and practical under the circumstances.

§ 100.205 Design and construction requirements.

(a) Covered multifamily dwellings for first occupancy after March 13, 1991 shall be designed and constructed to have at least one building entrance on an accessible route unless it is impractical to do so because of the terrain or unusual characteristics of the site. For purposes of this section, a covered multifamily dwelling shall be deemed to be designed and constructed for first occupancy on or before March 13, 1991, if the

dwelling is occupied by that date, or if the last building permit or renewal thereof for the dwelling is issued by a State, County or local government on or before June 15, 1990. The burden of establishing impracticality because of terrain or unusual site characteristics is on the person or persons who designed or constructed the housing facility.

(b) The application of paragraph (a) of this section may be illustrated by the following examples:

Example (1): A real estate developer plans to construct six covered multifamily dwelling units on a site with a hilly terrain. Because of the terrain, it will be necessary to climb a long and steep stairway in order to enter the dwellings. Since there is no practical way to provide an accessible route to any of the dwellings, one need not be provided.

Example (2): A real estate developer plans to construct a building consisting of 10 units of multifamily housing on a waterfront site that floods frequently. Because of this unusual characteristic of the site, the builder plans to construct the building on stilts. It is customary for housing in the geographic area where the site is located to be built on stilts. The housing may lawfully be constructed on the proposed site on stilts even though this means that there will be no practical way to provide an accessible route to the building entrance.

Example (3): A real estate developer plans to construct a multifamily housing facility on a particular site. The developer would like the facility to be built on the site to contain as many units as possible. Because of the configuration and terrain of the site, it is possible to construct a building with 105 units on the site provided the site does not have an accessible route leading to the building entrance. It is also possible to construct a building on the site with an accessible route leading to the building entrance. However, such a building would have no more than 100 dwelling units. The building to be constructed on the site must have a building entrance on an accessible route because it is not impractical to provide such an entrance because of the terrain or unusual characteristics of the site.

(c) All covered multifamily dwellings for first occupancy after March 13, 1991 with a building entrance on an accessible route shall be designed and constructed in such a manner that—

(1) The public and common use areas are readily accessible to and usable by handicapped persons;

(2) All the doors designed to allow passage into and within all premises are sufficiently wide to allow passage by handicapped persons in wheelchairs; and

(3) All premises within covered multifamily dwelling units contain the following features of adaptable design:

(i) An accessible route into and through the covered dwelling unit;

(ii) Light switches, electrical outlets, thermostats, and other environmental controls in accessible locations;

(iii) Reinforcements in bathroom walls to allow later installation of grab bars around the toilet, tub, shower, stall and shower seat, where such facilities are provided; and

(iv) Usable kitchens and bathrooms such that an individual in a wheelchair can maneuver about the space.

(d) The application of paragraph (c) of this section may be illustrated by the following examples:

Example (1): A developer plans to construct a 100 unit condominium apartment building with one elevator. In accordance with paragraph (a), the building has at least one accessible route leading to an accessible entrance. All 100 units are covered multifamily dwelling units and they all must be designed and constructed so that they comply with the accessibility requirements of paragraph (c) of this section.

Example (2): A developer plans to construct 30 garden apartments in a three story building. The building will not have an elevator. The building will have one accessible entrance which will be on the first floor. Since the building does not have an elevator, only the *ground floor* units are covered multifamily units. The *ground floor* is the first floor because that is the floor that has an accessible entrance. All of the dwelling units on the first floor must meet the accessibility requirements of paragraph (c) of this section and must have access to at least one of each type of public or common use area available for residents in the building.

(e) Compliance with the appropriate requirements of ANSI A117.1-1986 suffices to satisfy the requirements of paragraph (c)(3) of this section.

(f) Compliance with a duly enacted law of a State or unit of general local government that includes the requirements of paragraphs (a) and (c) of this section satisfies the requirements of paragraphs (a) and (c) of this section.

(g)(1) It is the policy of HUD to encourage States and units of general

§ 100.300

local government to include, in their existing procedures for the review and approval of newly constructed covered multifamily dwellings, determinations as to whether the design and construction of such dwellings are consistent with paragraphs (a) and (c) of this section.

(2) A State or unit of general local government may review and approve newly constructed multifamily dwellings for the purpose of making determinations as to whether the requirements of paragraphs (a) and (c) of this section are met.

(h) Determinations of compliance or noncompliance by a State or a unit of general local government under paragraph (f) or (g) of this section are not conclusive in enforcement proceedings under the Fair Housing Amendments Act.

(i) This subpart does not invalidate or limit any law of a State or political subdivision of a State that requires dwellings to be designed and constructed in a manner that affords handicapped persons greater access than is required by this subpart.

Subpart E—Housing for Older Persons

§ 100.300 Purpose.

The purpose of this subpart is to effectuate the exemption in the Fair Housing Amendments Act of 1988 that relates to housing for older persons.

§ 100.301 Exemption.

(a) The provisions regarding familial status in this part do not apply to housing which satisfies the requirements of §§ 100.302, 100.303 or § 100.304.

(b) Nothing in this part limits the applicability of any reasonable local, State, or Federal restrictions regarding the maximum number of occupants permitted to occupy a dwelling.

§ 100.302 State and Federal elderly housing programs.

The provisions regarding familial status in this part shall not apply to housing provided under any Federal or State program that the Secretary de-

24 CFR Subtitle B, Ch. I (4-1-07 Edition)

termines is specifically designed and operated to assist elderly persons, as defined in the State or Federal program.

§ 100.303 62 or over housing.

(a) The provisions regarding familial status in this part shall not apply to housing intended for, and solely occupied by, persons 62 years of age or older. Housing satisfies the requirements of this section even though:

(1) There are persons residing in such housing on September 13, 1988 who are under 62 years of age, provided that all new occupants are persons 62 years of age or older;

(2) There are unoccupied units, provided that such units are reserved for occupancy by persons 62 years of age or over;

(3) There are units occupied by employees of the housing (and family members residing in the same unit) who are under 62 years of age provided they perform substantial duties directly related to the management or maintenance of the housing.

(b) The following examples illustrate the application of paragraph (a) of this section:

Example (1): John and Mary apply for housing at the Vista Heights apartment complex which is an elderly housing complex operated for persons 62 years of age or older. John is 62 years of age. Mary is 59 years of age. If Vista Heights wishes to retain its "62 or over" exemption it must refuse to rent to John and Mary because Mary is under 62 years of age. However, if Vista Heights does rent to John and Mary, it might qualify for the "55 or over" exemption in § 100.304.

Example (2): The Blueberry Hill retirement community has 100 dwelling units. On September 13, 1988, 15 units were vacant and 35 units were occupied with at least one person who is under 62 years of age. The remaining 50 units were occupied by persons who were all 62 years of age or older. Blueberry Hill can qualify for the "62 or over" exemption as long as all units that were occupied after September 13, 1988 are occupied by persons who were 62 years of age or older. The people under 62 in the 35 units previously described need not be required to leave for Blueberry Hill to qualify for the "62 or over" exemption.

§ 100.304 Housing for persons who are 55 years of age or older.

(a) The provisions regarding familial status in this part shall not apply to housing intended and operated for persons 55 years of age or older. Housing qualifies for this exemption if:

(1) The alleged violation occurred before December 28, 1995 and the housing community or facility complied with the HUD regulations in effect at the time of the alleged violation; or

(2) The alleged violation occurred on or after December 28, 1995 and the housing community or facility complies with:

(i) Section 807(b)(2)(C) (42 U.S.C. 3607(b)) of the Fair Housing Act as amended; and

(ii) 24 CFR 100.305, 100.306, and 100.307.

(b) For purposes of this subpart, *housing facility or community* means any dwelling or group of dwelling units governed by a common set of rules, regulations or restrictions. A portion or portions of a single building shall not constitute a housing facility or community. Examples of a housing facility or community include, but are not limited to:

- (1) A condominium association;
- (2) A cooperative;
- (3) A property governed by a homeowners' or resident association;
- (4) A municipally zoned area;
- (5) A leased property under common private ownership;
- (6) A mobile home park; and
- (7) A manufactured housing community.

(c) For purposes of this subpart, *older person* means a person 55 years of age or older.

[64 FR 16329, Apr. 2, 1999]

§ 100.305 80 percent occupancy.

(a) In order for a housing facility or community to qualify as housing for older persons under § 100.304, at least 80 percent of its occupied units must be occupied by at least one person 55 years of age or older.

(b) For purposes of this subpart, *occupied unit* means:

(1) A dwelling unit that is actually occupied by one or more persons on the date that the exemption is claimed; or

(2) A temporarily vacant unit, if the primary occupant has resided in the unit during the past year and intends to return on a periodic basis.

(c) For purposes of this subpart, *occupied by at least one person 55 years of age or older* means that on the date the exemption for housing designed for persons who are 55 years of age or older is claimed:

(1) At least one occupant of the dwelling unit is 55 years of age or older; or

(2) If the dwelling unit is temporarily vacant, at least one of the occupants immediately prior to the date on which the unit was temporarily vacated was 55 years of age or older.

(d) Newly constructed housing for first occupancy after March 12, 1989 need not comply with the requirements of this section until at least 25 percent of the units are occupied. For purposes of this section, newly constructed housing includes a facility or community that has been wholly unoccupied for at least 90 days prior to re-occupancy due to renovation or rehabilitation.

(e) Housing satisfies the requirements of this section even though:

(1) On September 13, 1988, under 80 percent of the occupied units in the housing facility or community were occupied by at least one person 55 years of age or older, provided that at least 80 percent of the units occupied by new occupants after September 13, 1988 are occupied by at least one person 55 years of age or older.

(2) There are unoccupied units, provided that at least 80 percent of the occupied units are occupied by at least one person 55 years of age or older.

(3) There are units occupied by employees of the housing facility or community (and family members residing in the same unit) who are under 55 years of age, provided the employees perform substantial duties related to the management or maintenance of the facility or community.

(4) There are units occupied by persons who are necessary to provide a reasonable accommodation to disabled residents as required by § 100.204 and who are under the age of 55.

(5) For a period expiring one year from the effective date of this final

§ 100.306

regulation, there are insufficient units occupied by at least one person 55 years of age or older, but the housing facility or community, at the time the exemption is asserted:

(i) Has reserved all unoccupied units for occupancy by at least one person 55 years of age or older until at least 80 percent of the units are occupied by at least one person who is 55 years of age or older; and

(ii) Meets the requirements of §§ 100.304, 100.306, and 100.307.

(f) For purposes of the transition provision described in § 100.305(e)(5), a housing facility or community may not evict, refuse to renew leases, or otherwise penalize families with children who reside in the facility or community in order to achieve occupancy of at least 80 percent of the occupied units by at least one person 55 years of age or older.

(g) Where application of the 80 percent rule results in a fraction of a unit, that unit shall be considered to be included in the units that must be occupied by at least one person 55 years of age or older.

(h) Each housing facility or community may determine the age restriction, if any, for units that are not occupied by at least one person 55 years of age or older, so long as the housing facility or community complies with the provisions of § 100.306.

[64 FR 16329, Apr. 2, 1999]

§ 100.306 Intent to operate as housing designed for persons who are 55 years of age or older.

(a) In order for a housing facility or community to qualify as housing designed for persons who are 55 years of age or older, it must publish and adhere to policies and procedures that demonstrate its intent to operate as housing for persons 55 years of age or older. The following factors, among others, are considered relevant in determining whether the housing facility or community has complied with this requirement:

(1) The manner in which the housing facility or community is described to prospective residents;

(2) Any advertising designed to attract prospective residents;

(3) Lease provisions;

24 CFR Subtitle B, Ch. I (4-1-07 Edition)

(4) Written rules, regulations, covenants, deed or other restrictions;

(5) The maintenance and consistent application of relevant procedures;

(6) Actual practices of the housing facility or community; and

(7) Public posting in common areas of statements describing the facility or community as housing for persons 55 years of age or older.

(b) Phrases such as “adult living”, “adult community”, or similar statements in any written advertisement or prospectus are not consistent with the intent that the housing facility or community intends to operate as housing for persons 55 years of age or older.

(c) If there is language in deed or other community or facility documents which is inconsistent with the intent to provide housing for persons who are 55 years of age or older housing, HUD shall consider documented evidence of a good faith attempt to remove such language in determining whether the housing facility or community complies with the requirements of this section in conjunction with other evidence of intent.

(d) A housing facility or community may allow occupancy by families with children as long as it meets the requirements of §§ 100.305 and 100.306(a).

[64 FR 16330, Apr. 2, 1999]

§ 100.307 Verification of occupancy.

(a) In order for a housing facility or community to qualify as housing for persons 55 years of age or older, it must be able to produce, in response to a complaint filed under this title, verification of compliance with § 100.305 through reliable surveys and affidavits.

(b) A facility or community shall, within 180 days of the effective date of this rule, develop procedures for routinely determining the occupancy of each unit, including the identification of whether at least one occupant of each unit is 55 years of age or older. Such procedures may be part of a normal leasing or purchasing arrangement.

(c) The procedures described in paragraph (b) of this section must provide for regular updates, through surveys or

other means, of the initial information supplied by the occupants of the housing facility or community. Such updates must take place at least once every two years. A survey may include information regarding whether any units are occupied by persons described in paragraphs (e)(1), (e)(3), and (e)(4) of § 100.305.

(d) Any of the following documents are considered reliable documentation of the age of the occupants of the housing facility or community:

- (1) Driver's license;
- (2) Birth certificate;
- (3) Passport;
- (4) Immigration card;
- (5) Military identification;
- (6) Any other state, local, national, or international official documents containing a birth date of comparable reliability; or

(7) A certification in a lease, application, affidavit, or other document signed by any member of the household age 18 or older asserting that at least one person in the unit is 55 years of age or older.

(e) A facility or community shall consider any one of the forms of verification identified above as adequate for verification of age, provided that it contains specific information about current age or date of birth.

(f) The housing facility or community must establish and maintain appropriate policies to require that occupants comply with the age verification procedures required by this section.

(g) If the occupants of a particular dwelling unit refuse to comply with the age verification procedures, the housing facility or community may, if it has sufficient evidence, consider the unit to be occupied by at least one person 55 years of age or older. Such evidence may include:

- (1) Government records or documents, such as a local household census;
- (2) Prior forms or applications; or
- (3) A statement from an individual who has personal knowledge of the age of the occupants. The individual's statement must set forth the basis for such knowledge and be signed under the penalty of perjury.

(h) Surveys and verification procedures which comply with the require-

ments of this section shall be admissible in administrative and judicial proceedings for the purpose of verifying occupancy.

(i) A summary of occupancy surveys shall be available for inspection upon reasonable notice and request by any person.

§ 100.308 Good faith defense against civil money damages.

(a) A person shall not be held personally liable for monetary damages for discriminating on the basis of familial status, if the person acted with the good faith belief that the housing facility or community qualified for a housing for older persons exemption under this subpart.

(b)(1) A person claiming the good faith belief defense must have actual knowledge that the housing facility or community has, through an authorized representative, asserted in writing that it qualifies for a housing for older persons exemption.

(2) Before the date on which the discrimination is claimed to have occurred, a community or facility, through its authorized representatives, must certify, in writing and under oath or affirmation, to the person subsequently claiming the defense that it complies with the requirements for such an exemption as housing for persons 55 years of age or older in order for such person to claim the defense.

(3) For purposes of this section, an authorized representative of a housing facility or community means the individual, committee, management company, owner, or other entity having the responsibility for adherence to the requirements established by this subpart.

(4) For purposes of this section, a person means a natural person.

(5) A person shall not be entitled to the good faith defense if the person has actual knowledge that the housing facility or community does not, or will not, qualify as housing for persons 55 years of age or older. Such a person will be ineligible for the good faith defense regardless of whether the person

§ 100.400

received the written assurance described in paragraph (b) of this section.

(1) Coercing a person, either orally, in writing, or by other means, to deny or limit the benefits provided that person in connection with the sale or rental of a dwelling or in connection with a residential real estate-related transaction because of race, color, religion, sex, handicap, familial status, or national origin.

(4) Intimidating or threatening any person because that person is engaging in activities designed to make other persons aware of, or encouraging such

24 CFR Subtitle B, Ch. I (4–1–07 Edition)

(c) The substantially equivalent State or local agency has failed to commence proceedings with respect to the complaint within 30 days of the date that it received the notification and referral of the complaint; or the agency commenced proceedings within this 30-day period, but the Assistant Secretary determines that the agency has failed to carry the proceedings forward with reasonable promptness.

(1) To obtain information concerning the events or transactions that relate to the alleged discriminatory housing practice identified in the complaint.

(2) To document policies or practices of the respondent involved in the alleged discriminatory housing practice raised in the complaint.

(3) To develop factual data necessary for the General Counsel to make a determination under § 103.400 whether reasonable cause exists to believe that a discriminatory housing practice has occurred or is about to occur, and for the Assistant Secretary to make a determination under § 103.400 that no reasonable cause exists to believe that a discriminatory housing practice has occurred or is about to occur, and to take other actions provided under this part.

(b) Upon the written direction of the Assistant Secretary, HUD may initiate an investigation of housing practices to determine whether a complaint should be filed under subpart B of this

A person who is not named as a respondent in a complaint, but who is identified in the course of the investigation under subpart D of this part as a person who is alleged to be engaged, to have engaged, or to be about to engage in the discriminatory housing practice upon which the complaint is based may be joined as an additional or substitute respondent by service of a notice on the person under this section within ten days of the identification.

(b) The Assistant Secretary will also serve notice on any person who directs or controls, or who has the right to direct or control, the conduct of another person who is involved in a fair housing complaint.

(c) HUD may also make the information you provide available to other Federal, State, or local agencies having an interest in the matter. In making such information available, HUD will take steps to protect the confidentiality of any informant or complainant when desired by the informant or complainant.

[64 FR 18541, Apr. 14, 1999]

§ 103.205 Systemic processing.

Where the Assistant Secretary determines that the alleged discriminatory practices contained in a complaint are pervasive or institutional in nature, or that the processing of the complaint will involve complex issues, novel questions of fact or law, or will affect a large number of persons, the Assistant Secretary may identify the complaint for systemic processing. This determination can be based on the face of the complaint or on information gathered in connection with an investigation. Systemic investigations may focus not only on documenting facts involved in the alleged discriminatory housing practice that is the subject of the complaint but also on review of other policies and procedures related to matters under investigation, to make sure that they also comply with the nondiscrimination requirements of the Fair Housing Act.

§ 103.215 Conduct of investigation.

(a) In conducting investigations under this part, the Assistant Secretary will seek the voluntary cooperation of all persons to obtain access to premises, records, documents, individuals, and other possible sources of information; to examine, record, and copy necessary materials; and to take and record testimony or statements of persons reasonably necessary for the furtherance of the investigation.

(b) The Assistant Secretary may conduct and order discovery in aid of the investigation by the same methods and to the same extent that discovery may

be ordered in an administrative proceeding under 24 CFR part 180, except that the Assistant Secretary shall have the power to issue subpoenas described in 24 CFR 180.545 in support of the investigation. Subpoenas issued by the Assistant Secretary must be approved by the General Counsel as to their legality before issuance.

The Assistant Secretary, in processing Fair Housing Act complaints, may seek the cooperation and utilize the services of Federal, State or local agencies, including any agency having regulatory or supervisory authority over financial institutions.

§ 103.225 Completion of investigation.

The investigation will remain open until a determination is made under § 103.400, or a conciliation agreement is executed and approved under § 103.310. Unless it is impracticable to do so, the Assistant Secretary will complete the investigation of the alleged discriminatory housing practice within 100 days of the filing of the complaint (or where the Assistant Secretary reactivates the complaint, within 100 days after service of the notice of reactivation under § 103.115). If the Assistant Secretary is unable to complete the investigation within the 100-day period, HUD will notify the aggrieved person and the respondent, by mail, of the reasons for the delay.

[61 FR 14380, Apr. 1, 1996]

§ 103.230 Final investigative report.

(a) At the end of each investigation under this part, the Assistant Secretary will prepare a final investigative report. The investigative report will contain:

(1) The names and dates of contacts with witnesses, except that the report will not disclose the names of witnesses that request anonymity. HUD, however, may be required to disclose the names of such witnesses in the course of an administrative hearing under part 180 of this chapter or a civil

action under title VIII of the Fair Housing Act;

(2) A summary and the dates of correspondence and other contacts with the aggrieved person and the respondent;

(3) A summary description of other pertinent records;

(4) A summary of witness statements; and

(5) Answers to interrogatories.

(b) A final investigative report may be amended at any time, if additional evidence is discovered.

(c) Notwithstanding the prohibitions and requirements with respect to disclosure of information contained in § 103.330, the Assistant Secretary will make information derived from an investigation, including the final investigative report, available to the aggrieved person and the respondent. Following the completion of investigation, the Assistant Secretary shall notify the aggrieved person and the respondent that the final investigation report is complete and will be provided upon request.

Subpart E—Conciliation Procedures

§ 103.300 Conciliation.

(a) During the period beginning with the filing of the complaint and ending with the filing of a charge or the dismissal of the complaint by the General Counsel or the Assistant Secretary, the Assistant Secretary will, to the extent feasible, attempt to conciliate the complaint.

(b) In conciliating a complaint, HUD will attempt to achieve a just resolution of the complaint and to obtain assurances that the respondent will satisfactorily remedy any violations of the rights of the aggrieved person, and take such action as will assure the elimination of discriminatory housing practices, or the prevention of their occurrence, in the future.

(c) Generally, officers, employees, and agents of HUD engaged in the investigation of a complaint under this part will not participate or advise in the conciliation of the same complaint

or in any factually related complaint. Where the rights of the aggrieved party and the respondent can be protected and the prohibitions with respect to the disclosure of information can be observed, the investigator may suspend fact finding and engage in efforts to resolve the complaint by conciliation.

[54 FR 3292, Jan. 23, 1989, as amended at 55 FR 53294, Dec. 28, 1990]

§ 103.310 Conciliation agreement.

(a) The terms of a settlement of a complaint will be reduced to a written conciliation agreement. The conciliation agreement shall seek to protect the interests of the aggrieved person, other persons similarly situated, and the public interest. The types of relief that may be sought for the aggrieved person are described in § 103.315. The provisions that may be sought for the vindication of the public interest are described in § 103.320.

(b)(1) The agreement must be executed by the respondent and the complainant. The agreement is subject to the approval of the Assistant Secretary, who will indicate approval by signing the agreement. The Assistant Secretary will approve an agreement and, if the Assistant Secretary is the complainant, will execute the agreement, only if:

(i) The complainant and the respondent agree to the relief accorded the aggrieved person;

(ii) The provisions of the agreement will adequately vindicate the public interest; and

(iii) If the Assistant Secretary is the complainant, all aggrieved persons named in the complaint are satisfied with the relief provided to protect their interests.

(2) The General Counsel may issue a charge under § 103.405 if the aggrieved person and the respondent have executed a conciliation agreement that has not been approved by the Assistant Secretary.

§ 103.315 Relief sought for aggrieved persons.

(a) The following types of relief may be sought for aggrieved persons in conciliation:

(1) Monetary relief in the form of damages, including damages caused by

§ 103.320

humiliation or embarrassment, and attorney fees;

(2) Other equitable relief including, but not limited to, access to the dwelling at issue, or to a comparable dwelling, the provision of services or facilities in connection with a dwelling, or other specific relief; or

(3) Injunctive relief appropriate to the elimination of discriminatory housing practices affecting the aggrieved person or other persons.

(b) The conciliation agreement may provide for binding arbitration of the dispute arising from the complaint. Arbitration may award appropriate relief as described in paragraph (a) of this section. The aggrieved person and the respondent may, in the conciliation agreement, limit the types of relief that may be awarded under binding arbitration.

§ 103.320 Provisions sought for the public interest.

The following are types of provisions may be sought for the vindication of the public interest:

(a) Elimination of discriminatory housing practices.

(b) Prevention of future discriminatory housing practices.

(c) Remedial affirmative activities to overcome discriminatory housing practices.

(d) Reporting requirements.

(e) Monitoring and enforcement activities.

§ 103.325 Termination of conciliation efforts.

(a) HUD may terminate its efforts to conciliate the complaint if the respondent fails or refuses to confer with HUD; the aggrieved person or the respondent fail to make a good faith effort to resolve any dispute; or HUD finds, for any reason, that voluntary agreement is not likely to result.

(b) Where the aggrieved person has commenced a civil action under an Act of Congress or a State law seeking relief with respect to the alleged discriminatory housing practice, and the trial in the action has commenced, HUD will terminate conciliation unless the court specifically requests assistance from the Assistant Secretary.

24 CFR Subtitle B, Ch. I (4-1-07 Edition)

§ 103.330 Prohibitions and requirements with respect to disclosure of information obtained during conciliation.

(a) Except as provided in paragraph (b) of this section and § 103.230(c), nothing that is said or done in the course of conciliation under this part may be made public or used as evidence in a subsequent administrative hearing under part 180 or in civil actions under title VIII of the Fair Housing Act, without the written consent of the persons concerned.

(b) Conciliation agreements shall be made public, unless the aggrieved person and respondent request nondisclosure and the Assistant Secretary determines that disclosure is not required to further the purposes of the Fair Housing Act. Notwithstanding a determination that disclosure of a conciliation agreement is not required, the Assistant Secretary may publish tabulated descriptions of the results of all conciliation efforts.

§ 103.335 Review of compliance with conciliation agreements.

HUD may, from time to time, review compliance with the terms of any conciliation agreement. Whenever HUD has reasonable cause to believe that a respondent has breached a conciliation agreement, the Assistant Secretary shall refer the matter to the Attorney General with a recommendation for the filing of a civil action under section 814(b)(2) of the Fair Housing Act for the enforcement of the terms of the conciliation agreement.

[54 FR 3292, Jan. 23, 1989, as amended at 59 FR 39956, Aug. 5, 1994]

Subpart F—Issuance of Charge

§ 103.400 Reasonable cause determination.

(a) If a conciliation agreement under § 103.310 has not been executed by the complainant and the respondent and approved by the Assistant Secretary, the Assistant Secretary shall conduct a review of the factual circumstances revealed as part of HUD's investigation.

(1) If the Assistant Secretary for Fair Housing and Equal Opportunity determines that, based on the totality of factual circumstances known at the time of the Assistant Secretary's review, no reasonable cause exists to believe that a discriminatory housing practice has occurred or is about to occur, the Assistant Secretary shall: Issue a short and plain written statement of the facts upon which the Assistant Secretary has based the no reasonable cause determination; dismiss the complaint; notify the aggrieved person and the respondent of the dismissal (including the written statement of facts) by mail; and make public disclosure of the dismissal. The respondent may request that no public disclosure be made. Notwithstanding such a request, the fact of dismissal, including the names of the parties, shall be public information available on request. The Assistant Secretary's determination shall be based solely upon the facts concerning the alleged discriminatory housing practice provided by complainant and respondent and otherwise disclosed during the investigation. In making this determination, the Assistant Secretary shall consider whether the facts concerning the alleged discriminatory housing practice are sufficient to warrant the initiation of a civil action in federal court.

(2) If, based on the totality of the factual circumstances known at the time of the decision, the Assistant Secretary believes that reasonable cause may exist to believe that a discriminatory housing practice has occurred or is about to occur, the Assistant Secretary shall determine that reasonable cause exists to believe that a discriminatory housing practice has occurred or is about to occur, in all cases not involving the legality of local land use laws or ordinances (except as provided in paragraph (b) of this section). The Assistant Secretary's determination shall be based solely on the facts concerning the alleged discriminatory housing practices provided by complainants and respondents and otherwise identified during the investigation in making this determination. In making this determination, the Assistant Secretary shall consider whether the facts concerning the alleged discriminatory

housing practice are sufficient to warrant the initiation of a civil action in federal court.

(i) If the Assistant Secretary determines that reasonable cause exists, the Assistant Secretary, upon receipt of concurrence of the General Counsel, will issue such determination and direct the issuance of a charge under § 103.405 on behalf of the aggrieved person, and shall notify the complainant and the respondent of this determination by certified mail or personal service.

(ii) If the Assistant Secretary determines that no reasonable cause exists, the Assistant Secretary shall: Issue a short and plain written statement of the facts upon which the Assistant Secretary has based the no reasonable cause determination; dismiss the complaint; notify the complainant and the respondent of the dismissal (including the written statement of facts) by mail; and make public disclosure of the dismissal. The complainant or respondent may request that no public disclosure be made. Notwithstanding such a request, the fact of dismissal, including the names of the parties, shall be public information available on request.

(3) If the Assistant Secretary determines that the matter involves the legality of local zoning or land use laws or ordinances, the Assistant Secretary, in lieu of making a determination regarding reasonable cause, shall refer the investigative material to the Attorney General for appropriate action under section 814(b)(1) of the Fair Housing Act, and shall notify the complainant and the respondent of this action by mail or personal service.

(b) The Assistant Secretary may not issue a charge under paragraph (a) of this section regarding an alleged discriminatory housing practice, if an aggrieved person has commenced a civil action under an Act of Congress or a state law seeking relief with respect to the alleged housing practice and the trial in the action has commenced. If a charge may not be issued because of the commencement of such a trial, the Assistant Secretary shall so notify the complainant and the respondent by certified mail or personal service.

§ 103.405

(c)(1) A determination of reasonable cause or no reasonable cause by the Assistant Secretary shall be made within 100 days after filing of the complaint (or where the Assistant Secretary has reactivated a complaint, within 100 days after service of the notice of reactivation under §103.115), unless it is impracticable to do so.

(2) If the Assistant Secretary is unable to make the determination within the 100-day period specified in paragraph (c)(1) of this section, the Assistant Secretary will notify the complainant and the respondent by mail of the reasons for the delay.

[55 FR 53294, Dec. 28, 1990, as amended at 57 FR 18398, Apr. 30, 1992; 59 FR 39956, Aug. 5, 1994; 59 FR 46759, Sept. 12, 1994]

§ 103.405 Issuance of charge.

(a) A charge:

(1) Shall consist of a short and plain written statement of the facts upon which the Assistant Secretary has found reasonable cause to believe that a discriminatory housing practice has occurred or is about to occur;

(2) Shall be based on the final investigative report; and

(3) Need not be limited to facts or grounds that are alleged in the complaint filed under subpart B of this part. If the charge is based on grounds that are not alleged in the complaint, HUD will not issue a charge with regard to the grounds unless the record of investigation demonstrates that the respondent has been given notice and an opportunity to respond to the allegation.

(b) Within three business days after the issuance of the charge, the General Counsel shall:

(1) Obtain a time and place for hearing from the Chief Docket Clerk of the Office of Administrative Law Judges;

(2) File the charge along with the notifications described in 24 CFR 180.410(b) with the Office of Administrative Law Judges;

§ 103.410 Election of civil action or provision of administrative proceeding.

(a) If a charge is issued under §103.405, a complainant (including the Assistant Secretary, if HUD filed the complaint), a respondent, or an aggrieved person on whose behalf the complaint is filed may elect, in lieu of an administrative proceeding under 24 CFR part 180, to have the claims asserted in the charge decided in a civil action under section 812(o) of the Fair Housing Act.

(b) The election must be made not later than 20 days after the receipt of service of the charge, or in the case of the Assistant Secretary, not later than 20 days after service. The notice of the election must be filed with the Chief Docket Clerk in the Office of Administrative Law Judges and served on the General Counsel, the Assistant Secretary, the respondent, and the aggrieved persons on whose behalf the complaint was filed. The notification will be filed and served in accordance with the procedures established under 24 CFR part 180.

(c) If an election is not made under this section, the General Counsel will maintain an administrative proceeding based on the charge in accordance with the procedures under 24 CFR part 180.

(d) If an election is made under this section, the General Counsel shall immediately notify and authorize the Attorney General to commence and maintain a civil action seeking relief under section 812(o) of the Fair Housing Act on behalf of the aggrieved person in an appropriate United States District Court. Such notification and authorization shall include transmission of the file in the case, including a copy of the final investigative report and the charge, to the Attorney General.

(e) The General Counsel shall be available for consultation concerning any legal issues raised by the Attorney General as to how best to proceed in the event that a new court decision or

newly discovered evidence is regarded as relevant to the reasonable cause determination.

Subpart G—Prompt Judicial Action

§ 103.500 Prompt judicial action.

(a) If at any time following the filing of a complaint, the General Counsel concludes that prompt judicial action is necessary to carry out the purposes of this part or 24 CFR part 180, the General Counsel may authorize the Attorney General to commence a civil action for appropriate temporary or preliminary relief pending final disposition of the complaint. To ensure the prompt initiation of the civil action, the General Counsel will consult with the Assistant Attorney General for the Civil Rights Division before making the determination that prompt judicial action is necessary. The commencement of a civil action by the Attorney General under this section will not affect the initiation or continuation of proceedings under this part or administrative proceedings under part 180.

§ 107.35 Complaints.

(a) The Assistant Secretary for FH&EO, or designee, shall conduct such compliance reviews, investigations, inquiries, and informal meetings as may be necessary to effect compliance with this part.

(b) Complaints under this part may be filed by any person and must be filed within one year of date of the alleged act of discrimination unless the time for filing is extended by the Assistant Secretary for FH&EO. Complaints must be signed by the complainant and may be filed with the Assistant Secretary for Fair Housing and Equal Opportunity, Department of Housing and Urban Development, Washington, DC 20410, or any Regional or Area Office of the Department. All complaints shall be forwarded to the Director, Office of Regional Fair Housing and Equal Opportunity in the appropriate Regional

Office which has jurisdiction in the area in which the property is located.

(c) Upon receipt of a timely complaint, the Director of the Office of Regional FH&EO shall determine whether the complaint indicates a possible violation of the Executive Order or this part. The Director of the Office of Regional FH&EO or a designee within a reasonable period of time shall conduct an investigation into the facts. The complainant shall be notified of the determination.

§ 107.40 Compliance meeting.

(a) Where preliminary analysis of a complaint, a compliance review initiated by the Assistant Secretary for FH&EO, or other information indicates a possible violation of E.O. 11063, or this part, the person allegedly in violation (*respondent*) shall be sent a Notice of Compliance Meeting and requested to attend a compliance meeting. The Notice shall advise the respondent of the matters to be addressed in the Compliance Meeting and the allegations contained in a complaint received pursuant to § 107.35. The purpose of the compliance meeting is to provide the respondent with the opportunity to address matters raised and to remedy such possible violations speedily and informally, to identify possible remedies; and to effect a resolution as provided in § 107.45.

(b) The Notice of Compliance Meeting shall be sent to the last known address of the person allegedly in violation, by certified mail, or through personal service. The Notice will advise such person of the right to respond within seven (7) days to the matters and to submit information and relevant data evidencing compliance with E.O. 11063, the Affirmative Fair Housing Marketing Regulations, 24 CFR 200.600, the Fair Housing Poster Regulations, 24 CFR part 110, the Advertising Guidelines for Fair Housing, 37 FR 6700, April 1, 1972, other affirmative marketing requirements applicable to the program or activity and any revisions thereto. Further, the person will be offered an opportunity to be present at the meeting in order to submit any other evidence showing such compliance. The date, place, and time of the

§ 107.45

scheduled meeting will be included in the Notice.

(c) Whenever a compliance meeting is scheduled as a result of a complaint, the complainant shall be sent a copy of the Notice of Compliance Meeting and shall be provided an opportunity to attend the meeting.

(d) The Area Office having jurisdiction over the program will prepare a report concerning the status of the respondent's participation in Department programs to be presented to the respondent at the meeting. The Area Manager shall be notified of the meeting and may attend the meeting.

(e) At the Compliance Meeting the respondent and the complainant may be represented by counsel and shall have a fair opportunity to present any matters relevant to the complaint.

(f) During and pursuant to the Compliance Meeting, the Director of the Office of Regional FH&EO shall consider all evidence relating to the alleged violation, including any action taken by the person allegedly in violation to comply with E.O. 11063.

(g) If the evidence shows no violation of the Executive order or this part, the Director of the Office of Regional FH&EO shall so notify the person(s) involved within ten (10) days of the meeting. A copy of this notification shall be sent to the complainant, if any, and shall be submitted to the Assistant Secretary for FH&EO.

(h) If the evidence indicates an apparent failure to comply with the Executive order or this part, and the matter cannot be resolved informally pursuant to § 107.45, the Director of the Office of Regional FH&EO shall so notify the respondent and the complainant, if any, no later than ten (10) days after the date on which the compliance meeting is held, in writing by certified mail, return receipt requested, and shall advise the complainant, if any, and the respondent whether the Department will conduct a compliance review pursuant to § 107.50 or, where appropriate, refer the matter to the Assistant Secretary for FH&EO for possible imposition of sanctions. A copy of this notification shall be submitted to the Assistant Secretary for FH&EO. The compliance review shall be conducted to determine whether the respondent has complied

24 CFR Subtitle B, Ch. I (4-1-07 Edition)

with the provisions of E.O. 11063, title VIII of the Civil Rights Act of 1968, Department regulations and the Department's Affirmative Fair Housing Marketing requirements.

(i) If the respondent fails to attend a compliance meeting scheduled pursuant to this section, the Director of the Office of Regional FH&EO shall notify the respondent no later than ten (10) days after the date of the scheduled meeting, in writing by certified mail, return receipt requested, as to whether the Department will conduct a compliance review or, where appropriate, refer the matter to the Assistant Secretary for FH&EO for possible imposition of sanctions. A copy of this notification shall be submitted to the Assistant Secretary for FH&EO and sent to the complainant, if any.

§ 107.45 Resolution of matters.

(a) Attempts to resolve and remedy matters found in a complaint investigation or a compliance review shall be made through the methods of conference, conciliation, and persuasion.

(b) Resolution of matters pursuant to this section and § 107.40 need not be attempted where similar efforts by another Federal agency have been unsuccessful in ending and remedying the violation found with respect to the same respondent.

(c) Efforts to remedy matters shall be directed toward achieving a just resolution of the probable violation and obtaining assurance(s) that the respondent will satisfactorily remedy any violation of E.O. 11063 and will take actions to eliminate the discriminatory practices and prevent reoccurrences. Compensation to individuals from the respondent may also be considered.

(d) The terms of settlements shall be reduced to a written agreement, signed by the respondent and the Assistant Secretary for FH&EO or a designee. Such settlements shall seek to protect the interests of the complainant, if any, other persons similarly affected, and the public interest. A written notice of the disposition of matters pursuant to this section and of the terms of settlements shall be given to the Area Manager by the Assistant Secretary for FH&EO or a designee and to

the complainant, if any. When the Assistant Secretary or a designee determines that there has been a violation of a settlement agreement, the Assistant Secretary immediately may take action to impose sanctions provided under this part, including the referral of the matter to the Attorney General for appropriate action.

§ 107.50 Compliance reviews.

(a) Compliance reviews shall be conducted by the Director of the Office of Regional FH&EO or a designee. Complaints alleging a violation(s) of this part or information ascertained in the absence of a complaint indicating apparent failure to comply with this part shall be referred immediately to the Director of the Office of Regional FH&EO. The Regional Director of the Office having jurisdiction over the programs involved and the Area Manager shall be notified of all alleged violations of the regulations. A complaint is not a prerequisite for the initiation of compliance review.

(b) The purpose of a compliance review is to determine whether the respondent is in compliance with the Executive order and this part. Where allegations may also indicate a violation of the provisions of title VIII of the Civil Rights Act of 1968, HUD regulations issued thereunder and Affirmative Fair Housing Marketing requirements, a review may be undertaken to determine compliance with those requirements. The respondent shall be given at least five (5) days notice of the time set for any compliance review and the place or places for such review. The complainant shall also be notified of the compliance review.

§ 107.51 Findings of noncompliance.

(a) A finding of noncompliance shall be made when the facts disclosed during an investigation or compliance review, or other information, indicate a failure to comply with the provisions of E.O. 11063 or this part. In no event will a finding of noncompliance precede the completion of the compliance meeting procedures set forth in § 107.40.

(b) Determinations of noncompliance with E.O. 11063 shall be made in any case in which the facts establish the

existence of a discriminatory practice under § 107.15(g).

(c) The existence or use of a policy or practice, or any arrangement, criterion or other method of administration which has the effect of denying equal housing opportunity or which substantially impairs the ability of persons, because of race, color, religion (creed), sex or national origin, to apply for or receive the benefits of assistance shall be a basis for finding a discriminatory practice unless the respondent can establish that:

(1) The policy or practice is designed to serve a legitimate business necessity or governmental purpose of the respondent;

(2) The policy or practice effectively carries out the interest it is designed to serve; and

(3) No alternative course of action could be adopted that would enable respondent's interest to be served with a less discriminatory impact.

[45 FR 59514, Sept. 9, 1980, as amended at 50 FR 31360, Aug. 2, 1985]

§ 107.55 Compliance report.

(a) Following completion of efforts under this part, the Director of the Office of Regional FH&EO or a designee shall prepare a compliance report promptly and the Assistant Secretary for FH&EO shall make a finding of compliance or noncompliance. If it is found that the respondent is in compliance, all persons concerned shall be notified of the finding. Where a finding of noncompliance is made, the report shall specify the violations found. The Director of the Office of Regional FH&EO shall send a copy of the report to the respondent by certified mail, return receipt requested, together with a Notice that the matter will be forwarded to the Assistant Secretary for FH&EO for a determination as to whether actions will be initiated for the imposition of sanctions. The Regional Director of the Office having jurisdiction over the programs involved and the Area Manager shall also receive a copy of the report and the notice of intention to refer the matter to the Assistant Secretary for FH&EO.

(b) The Notice will provide that the respondent shall have seven (7) days to

§ 107.60

respond to the violations found and resolve and remedy matters in the compliance report. At the expiration of the seven (7) day period the matter shall be referred to the Assistant Secretary for FH&EO.

(c) The complainant shall be sent a copy of the findings and compliance report and shall have seven (7) days to comment thereon.

§ 107.60 Sanctions and penalties.

(a) Failure or refusal to comply with E.O. 11063 or the requirements of this part shall be proper basis for applying sanctions. Violations of title VIII of the Civil Rights Act of 1968 or a state or local fair housing law, with respect to activities covered by the Executive order, or of the regulations and requirements under E.O. 11063 of other Federal Departments and agencies may also result in the imposition of sanctions by this Department.

(b) Such sanctions as are specified by E.O. 11063, the contract through which Federal assistance is provided, and such sanctions as are specified by the rules or regulations of the Department governing the program under which Federal assistance to the project is provided, shall be applied in accordance with the relevant regulations. Actions which may be taken include: cancellation or termination, in whole or in part of the contract or agreement; refusal to approve a lender or withdrawal of approval; a determination of ineligibility, suspension or debarment from any further assistance or contracts provided, however, that sanctions of debarment, suspension and ineligibility are subject to the Department's regulations under part 24 of this title; and provided further, that no sanction under section 302 (a), (b) and (c) of E.O. 11063 shall be applied by the Assistant Secretary for FH&EO without the concurrence of the Secretary.

(c) The Department shall use its good offices in order to promote the abandonment of discriminatory practices with regard to residential property and related facilities provided with assistance prior to the effective date of E.O. 11063 and take appropriate actions permitted by law including the institution of appropriate litigation to provide such equal housing opportunities.

24 CFR Subtitle B, Ch. I (4-1-07 Edition)

(d) In any case involving the failure of a lender to comply with the requirements of the Executive order or this part, the Assistant Secretary for FH&EO shall notify the Federal financial regulatory agency having jurisdiction over the lender of the findings in the case.

§ 107.65 Referral to the Attorney General.

If the results of a complaint investigation or a compliance review demonstrate that any person, or specified class of persons, has violated E.O. 11063 or this part, and efforts to resolve the matter(s) by informal means have failed, the Assistant Secretary for FH&EO in appropriate cases shall recommend that the General Counsel refer the case to the Attorney General of the United States for appropriate civil or criminal action under section 303 of E.O. 11063.

Such pre-occupancy conference shall be held prior to initiation of sales or rental marketing activities. At this conference, the previously approved AFHM plan shall be reviewed with the applicant to determine if the plan, and/or its proposed implementation, requires modification previous to initiation of marketing in order to achieve the objectives of the AFHM regulation and the plan.

The notice will invite the public to comment on the relevant State and local laws, as well as on the performance of the agency in enforcing its law. All comments will be considered before a final decision on certification is made.

Subpart B—Certification of Substantially Equivalent Agencies

§ 115.200 Purpose.

This subpart implements section 810(f) of the Fair Housing Act. The purpose of this subpart is to set forth:

(a) The basis for agency interim certification and certification;

(b) The procedure by which a determination to certify is made by the Assistant Secretary;

(c) The basis and procedures for denial of interim certification;

(d) The basis and procedures for withdrawal of certification;

(e) The consequences of certification;

(f) The basis and procedures for suspension of interim certification or certification; and

(g) The funding criteria for interim certified and certified agencies.

§ 115.201 Basis of determination.

A determination to certify an agency as substantially equivalent involves a two-phase procedure. The determination requires examination and an affirmative conclusion by the Assistant Secretary on two separate inquiries:

(a) Whether the law, administered by the agency, on its face, satisfies the criteria set forth in section 810(f)(3)(A) of the Act; and

(b) Whether the current practices and past performance of the agency demonstrate that, in operation, the law in fact provides rights and remedies which are substantially equivalent to those provided in the Act.

§ 115.202 Criteria for adequacy of law.

(a) In order for a determination to be made that a State or local fair housing agency administers a law which, on its face, provides rights and remedies for

alleged discriminatory housing practices that are substantially equivalent to those provided in the Act, the law or ordinance must:

(1) Provide for an administrative enforcement body to receive and process complaints and provide that:

(i) Complaints must be in writing;

(ii) Upon the filing of a complaint the agency shall serve notice upon the complainant acknowledging the filing and advising the complainant of the time limits and choice of forums provided under the law;

(iii) Upon the filing of a complaint the agency shall promptly serve notice on the respondent or person charged with the commission of a discriminatory housing practice advising of his or her procedural rights and obligations under the law or ordinance together with a copy of the complaint;

(iv) A respondent may file an answer to a complaint.

(2) Delegate to the administrative enforcement body comprehensive authority, including subpoena power, to investigate the allegations of complaints, and power to conciliate complaints, and require that:

(i) The agency commence proceedings with respect to the complaint before the end of the 30th day after receipt of the complaint;

(ii) The agency investigate the allegations of the complaint and complete the investigation within the time-frame established by section 810(a)(1)(B)(iv) of the Act or comply with the notification requirements of section 810(a)(1)(C) of the Act;

(iii) The agency make final administrative disposition of a complaint within one year of the date of receipt of a complaint, unless it is impracticable to do so. If the agency is unable to do so it shall notify the parties, in writing, of the reasons for not doing so;

(iv) Any conciliation agreement arising out of conciliation efforts by the agency shall be an agreement between the respondent, the complainant, and the agency and shall require the approval of the agency;

(v) Each conciliation agreement shall be made public unless the complainant and respondent otherwise agree and the agency determines that disclosure is

not required to further the purposes of the law or ordinance.

(3) Not place any excessive burdens on the complainant that might discourage the filing of complaints, such as:

(i) A provision that a complaint must be filed within any period of time less than 180 days after an alleged discriminatory housing practice has occurred or terminated;

(ii) Anti-testing provisions;

(iii) Provisions that could subject a complainant to costs, criminal penalties or fees in connection with filing of complaints.

(4) Not contain exemptions that substantially reduce the coverage of housing accommodations as compared to section 803 of the Act.

(5) Provide the same protections as those afforded by sections 804, 805, 806, and 818 of the Act, consistent with HUD's implementing regulations found at 24 CFR part 100.

(b) In addition to the factors described in paragraph (a) of this section, the provisions of the State or local law must afford administrative and judicial protection and enforcement of the rights embodied in the law.

(1) The agency must have authority to:

(i) Grant or seek prompt judicial action for appropriate temporary or preliminary relief pending final disposition of a complaint if such action is necessary to carry out the purposes of the law or ordinance;

(ii) Issue and seek enforceable subpoenas;

(iii) Grant actual damages in an administrative proceeding or provide adjudication in court at agency expense to allow the award of actual damages to an aggrieved person;

(iv) Grant injunctive or other equitable relief, or be specifically authorized to seek such relief in a court of competent jurisdiction;

(v) Provide an administrative proceeding in which a civil penalty may be assessed or provide an adjudication in court at agency expense, allowing the assessment of punitive damages against the respondent.

(2) Agency actions must be subject to judicial review upon application by any

§ 115.203

party aggrieved by a final agency order.

(3) Judicial review of a final agency order must be in a court with authority to:

(i) Grant to the petitioner, or to any other party, such temporary relief, restraining order, or other order as the court determines is just and proper;

(ii) Affirm, modify, or set aside, in whole or in part, the order, or remand the order for further proceedings; and

(iii) Enforce the order to the extent that the order is affirmed or modified.

(c) The requirement that the state or local law prohibit discrimination on the basis of familial status does not require that the state or local law limit the applicability of any reasonable local, state or Federal restrictions regarding the maximum number of occupants permitted to occupy a dwelling.

(d) The state or local law may assure that no prohibition based on discrimination because of familial status applies to housing for older persons substantially as described in 24 CFR part 100, subpart E.

(e) A determination of the adequacy of a state or local fair housing law “on its face” is intended to focus on the meaning and intent of the text of the law, as distinguished from the effectiveness of its administration. Accordingly, this determination is not limited to an analysis of the literal text of the law but must take into account all relevant matters of state or local law. Regulations, directives, rules of procedure, judicial decisions, or interpretations of the fair housing law by competent authorities will be considered in making this determination.

(f) A law will be found inadequate “on its face” if it permits any of the agency’s decision-making authority to be contracted out or delegated to a non-governmental authority. For the purposes of this paragraph, “decision-making authority” shall include:

(1) Acceptance of the complaint;

(2) Approval of the conciliation agreement;

(3) Dismissal of a complaint;

(4) Any action specified in §§ 115.202(a)(2)(iii) or 115.202(b)(1); and

(5) Any decision-making regarding whether the matter will or will not be pursued.

24 CFR Subtitle B, Ch. I (4–1–07 Edition)

(g) The state or local law must provide for civil enforcement of the law or ordinance by an aggrieved person by the commencement of an action in an appropriate court at least one year after the occurrence or termination of an alleged discriminatory housing practice. The court must be empowered to:

(1) Award the plaintiff actual and punitive damages;

(2) Grant as relief, as it deems appropriate, any temporary or permanent injunction, temporary restraining order or other order; and

(3) Allow reasonable attorney’s fees and costs.

§ 115.203 Performance standards.

A state or local fair housing enforcement agency must meet all of the performance standards listed in this section in order to obtain or maintain certification.

(3) Identification of the education and outreach efforts of the agency; and

(4) Identification and discussion of any special requirements of the fair housing law or ordinance.

§ 115.204 Consequences of certification.

(a) Whenever a complaint received by the Assistant Secretary alleges violations of a state or local fair housing law or ordinance administered by an agency that has been certified as substantially equivalent, the complaint will be referred to the agency, and no further action shall be taken by the Assistant Secretary with respect to such complaint except as provided for by the Act, this part, 24 CFR part 103, subpart C, and any written agreements executed by the Agency and the Assistant Secretary.

(b) If HUD determines that a complaint has not been processed in a timely manner in accordance with the performance standards set forth in § 115.203, HUD may reactivate the complaint, conduct its own investigation and conciliation efforts, and make a determination consistent with 24 CFR part 103.

(c) Notwithstanding paragraph (a) of this section, whenever the Assistant Secretary has reason to believe that a complaint demonstrates a basis for the commencement of proceedings against any respondent under section 814(a) of

§ 115.205

the Act or for proceedings by any governmental licensing or supervisory authorities, the Assistant Secretary shall transmit the information upon which such belief is based to the Attorney General, Federal financial regulatory agencies, other Federal agencies, or other appropriate governmental licensing or supervisory authorities.

§ 115.205 Technical assistance.

(a) The Assistant Secretary, through its FHEO Field Office, may provide technical assistance to the agencies. The agency may request such technical assistance or the FHEO Field Office may determine the necessity for technical assistance and require the agency's cooperation and participation.

(b) The Assistant Secretary, through FHEO Headquarters or Field staff, will require that the agency participate in training conferences and seminars that will enhance the agency's ability to process complaints alleging discriminatory housing practices.

§ 115.206 Request for certification.

(a) A request for certification under this subpart shall be filed with the Assistant Secretary by the State or local official having principal responsibility for administration of the State or local fair housing law. The request shall be supported by the following materials and information:

(1) The text of the jurisdiction's fair housing law, the law creating and empowering the agency, any regulations and directives issued under the law, and any formal opinions of the State Attorney General or the chief legal officer of the jurisdiction that pertain to the jurisdiction's fair housing law.

(2) Organizational information of the agency responsible for administering and enforcing the law.

(3) Funding and personnel made available to the agency for administration and enforcement of the fair housing law during the current operating year, and not less than the preceding three operating years (or such lesser number during which the law was in effect).

(4) If available, data demonstrating that the agency's current practices and past performance comply with the per-

formance standards described in § 115.203.

(5) Any additional information which the submitting official may wish to be considered.

(b) The request and supporting materials shall be filed with the Assistant Secretary for Fair Housing and Equal Opportunity, Department of Housing and Urban Development, 451 7th Street, SW., Washington, DC 20410. A copy of the request and supporting materials will be kept available for public examination and copying at:

(1) The office of the Assistant Secretary;

(2) The HUD Field Office in whose jurisdiction the State or local jurisdiction seeking recognition is located; and

(3) The office of the State or local agency charged with administration and enforcement of the State or local law.

§ 115.207 Procedure for interim certification.

(a) Upon receipt of a request for certification filed under § 115.206, the Assistant Secretary may request further information necessary for a determination to be made under this section. The Assistant Secretary may consider the relative priority given to fair housing administration, as compared to the agency's other duties and responsibilities, as well as the compatibility or potential conflict of fair housing objectives with these other duties and responsibilities.

(b) *Interim certification.* If the Assistant Secretary determines, after application of the criteria set forth in § 115.202 that the State or local law or ordinance, on its face, provides substantive rights, procedures, remedies, and judicial review procedures for alleged discriminatory housing practices that are substantially equivalent to those provided in the Act, the Assistant Secretary may offer to enter into an Agreement for the Interim Referral of Complaints and Other Utilization of Services (Interim Agreement). The interim agreement will outline the procedures and authorities upon which the interim certification is based.

(c) Such interim agreement, after it is signed by all appropriate signatories,

will result in the agency receiving interim certification.

(d)(1) Interim agreements shall be for a term of no more than three years. The Assistant Secretary, through the FHEO Field Office, will conduct one or more on-site assessments to determine whether the agency administers its fair housing law or ordinance in a manner that is substantially equivalent to the Act.

(2) *Performance Improvement Plan.* If the agency is not administering its law or ordinance in a manner that is substantially equivalent, the Assistant Secretary, may, but need not, offer a Performance Improvement Plan (PIP) to the agency. The PIP will outline the agency's deficiencies, identify necessary corrective actions, and include a timetable for completion.

(3) If the agency receives a PIP, funding under the FHAP may be suspended for the duration of the PIP. Once the agency has implemented corrective actions to eliminate the deficiencies, and such corrective actions are accepted by the Assistant Secretary, funding may be reinstated.

§ 115.208 Suspension of interim certification.

(a) *Suspension based on changes in the law.* (1) The Assistant Secretary may suspend the agency's interim certification if the Assistant Secretary has reason to believe that the State or locality may have limited the effectiveness of the agency's implementation of the fair housing law or ordinance by:

- (i) Amending the fair housing law or ordinance;
- (ii) Adopting rules or procedures concerning the fair housing law or ordinance; or
- (iii) Issuing judicial or other authoritative interpretations of the fair housing law or ordinance.

(2) If the Assistant Secretary suspends interim certification under paragraph (a)(1) of this section, such suspension will remain in effect until the Assistant Secretary conducts a review of the changes in language and/or interpretation and determines whether the law or ordinance remains substantially equivalent to the Act on its face or in its operations. Such suspension shall not exceed 180 days.

(3) If the Assistant Secretary determines that, notwithstanding the actions taken by the State or locality as described in paragraph (a)(1), the law or ordinance remains substantially equivalent on its face and in operation to the Act, the Assistant Secretary will rescind the suspension and reinstate the agency's interim certification and/or recommend the agency for certification. HUD will provide full or partial reimbursement for cases processed during the period of the suspension.

(4) If the Assistant Secretary determines that the actions taken by the State or locality do limit the agency's effectiveness interim certification will be denied pursuant to § 115.209.

(b) *Suspension based on agency performance.* (1) The Assistant Secretary may suspend the interim certification of an agency charged with the administration of a fair housing law or ordinance if the Assistant Secretary has reason to believe that the agency's performance does not comply with the criteria set forth by this part. Such suspension shall not exceed 180 days.

(2) If the agency is suspended pursuant to paragraph (b) of this section, the FHEO Field Office may elect not to provide payment for complaints processed within that period of time unless and until the Assistant Secretary determines that the agency is fully in compliance with § 115.203. The FHEO Field Office will provide technical assistance to the agency during this period of time.

(3) During the period of a suspension the Assistant Secretary shall not refer complaints to the agency.

(4) Suspension under paragraph (b) of this section renders the agency ineligible to receive Fair Housing Assistance Program Funds under subpart C of this part, pending correction of the deficiencies by the agency.

(5) Before the end of the suspension, a final performance assessment will be provided to the Assistant Secretary upon which a determination will be made as to the adequacy of the agency's performance.

(c) HUD will provide an agency with notice of the specific reasons for the suspension of its interim certification

§ 115.209

and an opportunity to respond, in accordance with the procedures set forth in HUD issued guidance.

§ 115.209 Denial of interim certification.

(a) If the Assistant Secretary determines, after application of the criteria set forth in this part that the State and local law or ordinance, on its face or in its operation, does not provide substantive rights, procedures, remedies, and availability of judicial review for alleged discriminatory housing practices which are substantially equivalent to those provided in the Fair Housing Act, the Assistant Secretary shall inform the State or local official in writing of the reasons for that determination.

(b) The agency, within 20 days from the date of the receipt of this notice, may submit, in writing, any opposition to the planned denial of interim certification to the Assistant Secretary. The Assistant Secretary will evaluate all pertinent written comments, information, and documentation. If, after reviewing all materials submitted by the agency, the Assistant Secretary is still of the opinion that interim certification should be denied, the Assistant Secretary will inform the agency in writing of that determination.

(c) If the agency does not, within 20 days of receipt of the Assistant Secretary's notice of denial of interim certification, make a request of the Assistant Secretary under paragraph (b) of this section to submit additional data, views, or comments, no further action shall be required of the Assistant Secretary and denial of interim certification shall occur.

§ 115.210 Procedure for certification.

(a) *Certification.* (1) If the Assistant Secretary determines, after application of the criteria set forth in §§115.202, 115.203 and this section, that the State or local law or ordinance, both "on its face" and "in operation," provides substantive rights, procedures, remedies, and judicial review procedures for alleged discriminatory housing practices that are substantially equivalent to those provided in the Act, the Assistant Secretary may enter into a Memo-

24 CFR Subtitle B, Ch. I (4-1-07 Edition)

randum of Understanding (MOU) with the agency.

(2) The MOU is a written agreement providing for the referral of complaints to the agency and for communication procedures between the agency and HUD that are adequate to permit the Assistant Secretary to monitor the agency's continuing substantial equivalency certification.

(3) A MOU, after it is signed by all appropriate signatories, may authorize an agency to be a certified agency for a period of not more than five years.

(b) *Performance Improvement Plan.* (1) If the agency is not administering its law or ordinance in a manner that is substantially equivalent, the Assistant Secretary, may, but need not, offer a Performance Improvement Plan (PIP) to the agency. The PIP will outline the agency's deficiencies, identify necessary corrective actions, and include a timetable for completion.

(2) If the agency receives a PIP, funding under the FHAP may be suspended for the duration of the PIP. Once the agency has implemented corrective actions to eliminate the deficiencies, and such corrective actions are accepted by the Assistant Secretary, funding may be reinstated.

(c) *Annual assessments.* The Assistant Secretary shall annually assess the performance of an agency to determine whether it continues to qualify for certification under this part. If the Assistant Secretary affirmatively concludes that the agency's law and performance have complied with the requirements of this part in each of the five years, the Assistant Secretary may offer the agency an updated Memorandum of Understanding.

(d) *Interim certification required prior to certification.* An agency shall receive interim certification prior to receiving certification.

§ 115.211 Suspension of certification.

(a) *Suspension based on changes in the law.* (1) The Assistant Secretary may suspend the agency's certification if the Assistant Secretary has reason to believe that the State or locality may have limited the effectiveness of the agency's implementation of the fair housing law or ordinance by:

(i) Amending the fair housing law or ordinance;

(ii) Adopting rules or procedures concerning the fair housing law or ordinance; or

(iii) Issuing judicial or other authoritative interpretations of the fair housing law or ordinance.

(2) If the Assistant Secretary suspends certification under paragraph (a)(1) of this section, such suspension will remain in effect until the Assistant Secretary conducts a review of the changes in language and/or interpretation and determines whether the law or ordinance remains substantially equivalent on its face and in its operation to the Act. Such suspension shall not exceed 180 days.

(3) If the Assistant Secretary determines that the law or ordinance remains substantially equivalent on its face and in operation to the Act, the Assistant Secretary will rescind the suspension and reinstate the agency's interim certification and/or recommend the agency for certification. HUD will provide full or partial reimbursement for cases processed during the period of the suspension.

(4) If the Assistant Secretary determines that the actions taken by the State or locality do limit the agency's effectiveness, certification will be withdrawn pursuant to § 115.212.

(b) *Suspension based on agency performance.* (1) The Assistant Secretary may suspend the certification of an agency charged with the administration of a fair housing law or ordinance, if the Assistant Secretary has reason to believe that the agency's performance does not comply with the criteria set forth by this part. Such suspension shall not exceed 180 days.

(2) If the agency is suspended pursuant to paragraph (b) of this section, the FHEO Field Office may elect not to provide payment for complaints processed within that period of time unless and until the Assistant Secretary determines that the agency is fully in compliance with § 115.203. The FHEO Field Office will provide technical assistance to the agency during this period of time.

(3) During the period of a suspension the Assistant Secretary shall not refer complaints to the agency.

(4) Suspension under this paragraph also renders the agency ineligible to receive Fair Housing Assistance Program Funds under subpart C of this part, pending correction of the deficiencies by the agency.

(5) Before the end of the suspension, a final performance assessment will be provided to the Assistant Secretary upon which a determination will be made as to the adequacy of the agency's performance.

(c) HUD will provide an agency with notice of the specific reasons for the suspension of its certification and an opportunity to respond, in accordance with the procedures set forth in HUD issued guidance.

§ 115.212 Withdrawal of certification.

(a) If the Assistant Secretary finds, as a result of a review undertaken in accordance with this part, that the agency's fair housing law or ordinance no longer meets the requirements of this part, the Assistant Secretary shall propose to withdraw the certification previously granted.

(b) The Assistant Secretary will propose withdrawal of certification under paragraph (a) of this section unless further review and information or documentation establishes that the current law and/or the agency's administration of the law meets the criteria set out in this part.

(c) If the Assistant Secretary determines, after application of the criteria set forth in this part, that the state or local law or ordinance, in operation, does not provide substantive rights, procedures, remedies, and availability of judicial review for alleged discriminatory housing practices which are substantially equivalent to those provided in the Fair Housing Act, the Assistant Secretary shall inform the State or local official in writing of the reasons for that determination.

Subpart C—Fair Housing Assistance Program (FHAP)

§ 115.300 Purpose.

The purpose of the Fair Housing Assistance Program (FHAP) is to provide assistance to State and local fair housing enforcement agencies. The intent of this funding program is to build a

§ 115.301

coordinated intergovernmental enforcement effort to further fair housing and to encourage the agencies to assume a greater share of the responsibility for the administration and enforcement of their fair housing laws and ordinances. This financial assistance is designed to provide support for:

- (a) The processing of dual-filed complaints;
- (b) Training under the Fair Housing Act and the agencies' fair housing law;
- (c) The provision of technical assistance;
- (d) The creation and maintenance of data and information systems; and
- (e) The development and enhancement of other fair housing enforcement projects.

§ 115.301 Agency eligibility criteria.

Any agency with certification or interim certification under subpart A of this part, and which has entered into a MOU or interim agreement, is eligible to participate in the FHAP.

§ 115.302 Capacity building funds.

(a) Capacity building (CB) funds are funds that HUD may provide to an agency with interim certification during the agency's first three years of participation in the FHAP. Agencies receiving CB funds are not eligible to receive contributions funds under § 115.304.

(b) CB funds will be provided in a fixed annual amount to be utilized for the eligible activities established pursuant to § 115.303. However, in the second and third year of the agency's participation in the FHAP, HUD has the option to permit the agency to receive CB funding on a per case basis, rather than in a single annual amount.

(c) In order to receive CB funding, agencies will be required to submit a statement of work which identifies:

- (1) The objectives and activities to be carried out with the CB funds received;
- (2) A plan for training all of the agency's employees involved in the administration of the agency's fair housing law or ordinance;
- (3) A statement of the agency's intention to participate in HUD-sponsored training in accordance with the training requirements set out in the cooperative agreement;

24 CFR Subtitle B, Ch. I (4-1-07 Edition)

(4) A description of the agency's complaint processing data and information system or, alternatively, whether the agency plans to use CB funds to purchase and install a data system; and

(5) A description of any other fair housing activities that the agency will undertake with its CB funds. All such activities must address matters affecting fair housing enforcement which are cognizable under the Fair Housing Act. Any activities which do not address the implementation of the agency's fair housing law or ordinance, and which are therefore not cognizable under the Fair Housing Act, will be disapproved.

§ 115.303 Eligible activities for capacity building funds.

The primary purposes of capacity building funding is to provide for complaint activities and to support activities that produce increased awareness of fair housing rights and remedies. All such activities must support the agency's administration of its fair housing law or ordinance and address matters affecting fair housing which are cognizable under the Fair Housing Act. HUD will periodically publish a list of eligible activities in the FEDERAL REGISTER.

§ 115.304 Agencies eligible for contributions funds.

(a) An agency that has received CB funds for three consecutive years is eligible for contributions funding. Contributions funding consists of three categories:

- (1) Complaint Processing (CP) funds;
- (2) Administrative Costs (AC) funds; and
- (3) Special Enforcement Efforts (SEE) funds (§ 115.305 sets forth the requirements for SEE funding).

(b) *CP funds.* (1) Agencies receiving CP funds will receive such support based solely on the number of complaints processed by the agency and accepted for payment by the Director of FHEO during a consecutive, specifically identified, 12-month period. Normally this period will be the previous year's funding cycle.

(2) Funding for agencies in their fourth year of participation in the FHAP will be based on the number of complaints acceptably processed by the

agency during the agency's third year of participation in the FHAP.

(c) *Administrative Cost (AC) funds.* (1) Agencies which acceptably process 100 or more cases will receive no less than 10 percent of the agency's annual FHAP payment amount for the preceding year, in addition to case processing funds, contingent on fiscal year appropriations. Agencies that acceptably process fewer than 100 cases will receive a flat rate contingent on fiscal year appropriations.

(2) Agencies will be required to provide HUD with a statement of how they intend to use the AC funds. HUD may require that some or all AC funding be directed to activities designed to create, modify, or improve local, regional, or national information systems concerning fair housing matters (including the purchase of state of the art computer systems and getting on line or internet access, etc.).

§ 115.305 Special enforcement effort (SEE) funds.

(a) SEE funds are funds that HUD will provide to an agency to enhance enforcement activities of the agency's fair housing law or ordinance. SEE funds will be a maximum of 20% of the agency's total FHAP cooperative agreement for the previous contract year, based on approval of eligible activity or activities, and based on the appropriation of funds. All agencies receiving contributions funds are eligible to receive SEE funds if they meet three of the six criteria set out in paragraphs (a)(1) through (6):

(1) The agency has taken action to enforce a subpoena or make use of its prompt judicial action authority within the past year.

(2) The agency has held at least one administrative hearing or has had at least one case on a court's docket for civil proceedings during the past year.

(3) At least ten percent of the agency's fair housing caseload resulted in written conciliation agreements providing monetary relief for the complainant as well as remedial action, monitoring, reporting and public interest relief provisions.

(4) The agency has had in the most recent three years, or is currently handling, at least one major fair housing

systemic investigation requiring an exceptional amount of expenditure of funds.

(5) The agency's administration of its fair housing law or ordinance received meritorious mention for its complaint processing or other fair housing activities that were innovative.

(6) The agency must have fully investigated 10 fair housing complaints during the previous funding year.

(b) Notwithstanding the eligibility criteria set forth in paragraph (a) of this section, an agency is ineligible for SEE funds if:

(1) Twenty percent or more of an agency's fair housing complaints result in administrative closures; or

(2) The agency is currently on a PIP, or if its interim certification or certification has been suspended during the fiscal year in which SEE funds are sought.

(c) SEE funding amounts are subject to the FHAP appropriation by Congress and will be described in writing in the cooperative agreements annually. HUD will periodically publish a list of activities eligible for SEE funding in the FEDERAL REGISTER.

§ 115.306 Training funds.

(a) All agencies are eligible to receive training funds. Training funds are fixed amounts based on the number of agency employees to be trained and shall be allocated based on the FHAP appropriation. Training funds may be used only for HUD-approved or HUD-sponsored training. Agency initiated training or other formalized training may be included in this category. However, such training must first be approved by the Cooperative Agreement Officer (CAO) and the Government Technical Representative (GTR). Specifics on the amount of training funds that an agency will receive and, if applicable, amounts that may be deducted, will be set out in the cooperative agreement each year.

(b) All staff of the agency responsible for the administration of the fair housing law or ordinance must participate in mandatory FHAP training sponsored by HUD at the national and field office levels. If the agency does not participate in the mandatory national and field office HUD-sponsored training,

§ 115.307

training funds will be deducted from their overall training amount.

§ 115.307 Additional requirements for participation in the FHAP.

(a) Agencies which participate in the FHAP must:

(1) Conform to reporting and record maintenance requirements determined by the Assistant Secretary;

(2) Agree to on-site technical assistance and guidance and implementation of corrective actions set out by the Department in response to deficiencies found during the technical assistance or performance assessment evaluations of the agency's operations;

(3) Agree to implement and adhere to policies and procedures (as their laws and ordinances will allow) provided to the agencies by the Assistant Secretary, including but not limited to guidance on investigative techniques, case file preparation and organization, implementation of data elements for complaint tracking, etc.;

(4) Spend at least twenty (20) percent of its total annual budget on fair housing activities; and

(5) Not unilaterally reduce the level of financial resources currently committed to fair housing complaint processing (budget and staff reductions or other actions outside the control of the agency will not, alone, result in a negative determination for the agency's participation in the FHAP).

(b) The agency's refusal to provide information, assist in implementation, or carry out the requirements of paragraph (a) of this section may result in the denial or interruption of its receipt of FHAP funds.

§ 115.308 Standards for FHAP program review.

HUD will conduct reviews of the agency's cooperative agreement implementation. This review will also identify:

(a) How the agency used the FHAP funds received;

(b) Whether its draw-down of funds was timely;

(c) Whether the agency has been audited and received copies of the audit reports in accordance with applicable rules and regulations for State and local governmental entities; and

24 CFR Subtitle B, Ch. I (4-1-07 Edition)

(d) If the agency complied with all certifications and assurances required by HUD in the cooperative agreement.

§ 115.309 Reporting and recordkeeping requirements.

(a) The agency shall establish and maintain records demonstrating:

(1) Its financial administration of the FHAP funds; and

(2) Its performance under the FHAP.

(b) In accordance with the cooperative agreement in effect between the agency and HUD, the agency will provide to HUD the agency reports maintained pursuant to paragraph (a) of this section. The agency will provide reports to HUD in accordance with the cooperative agreement in effect between the agency and HUD for frequency and content, regarding complaint processing, training, data and information systems, enforcement and other activities explaining how FHAP funds were expended and used.

(c) The agency will permit reasonable public access to its records, consistent with the jurisdiction's requirements for release of information. Documents relevant to the agency's participation in FHAP must be made available at the agency's office during normal working hours (except that documents with respect to ongoing fair housing complaint investigations are exempt from public review consistent with Federal and/or State law).

(d) The Secretary, the Inspector General of HUD, and the Comptroller General of the United States, or any of their duly authorized representatives, shall have access to all pertinent books, accounts, reports, files, and other payments for surveys, audits, examinations, excerpts, and transcripts as they relate to the agency's participation in FHAP.

(e) All files will be kept in such fashion as to permit audits under applicable procurement regulations and guidelines and the Single Audit requirements for State and local agencies.

(f) The FHAP financial records and files will be kept at least three years on-site after any cooperative agreement has terminated.

§ 115.310 Subcontracting under the FHAP.

If an agency subcontracts to a public or private agency any activity for which the subcontractor will receive FHAP funds, the agency must ensure and certify in writing that the subcontractor is:

- (a) Using services and facilities that are accessible in accordance with the Americans with Disability Act (ADA) (42 U.S.C. 12101) and Section 504 of the 1973 Rehabilitation Act (29 U.S.C. 701);
- (b) Complying with the standards of Section 3 of the Housing and Urban Development Act of 1968 (42 U.S.C. 1441); and
- (c) Furthering fair housing.

§ 115.311 Corrective and remedial action.

(a) If HUD makes a preliminary determination that an agency has not complied with § 115.309, the agency will be given written notice of this determination and an opportunity to show, through demonstrable facts and data, that it has done so within a time prescribed by HUD.

(b) If an agency fails to demonstrate to HUD's satisfaction that it has met program review standards, HUD will request the agency to submit and comply with proposals for action to correct, mitigate, or prevent performance deficiencies, including, but not limited to:

- (1) Preparing and/or following a schedule of actions for carrying out the affected fair housing activities;
- (2) Establishing and/or following a management plan that assigns responsibilities for carrying out the actions required;
- (3) Canceling or revising activities likely to be affected by a performance deficiency before expending FHAP funds for the activities; and
- (4) Redistributing or suspending disbursement of FHAP funds that have not yet been disbursed.

(c) HUD may condition the use of FHAP award amounts with respect to an agency's succeeding fiscal year's allocation on the satisfactory completion by the agency of appropriate corrective actions. When the use of funds is so conditioned, HUD will specify the deficiency(ies), the required corrective ac-

tion(s), and the time allowed for taking these actions. Failure of the agency to complete the actions as specified will result in a reduction or withdrawal of the FHAP allocation in an amount not to exceed the amount conditionally granted.

(d) Notices of Funding Availability under this program will be published periodically in the FEDERAL REGISTER. Such notices will announce amounts available for award, eligible applicants, and eligible activities, and may limit funding to one or more of the Initiatives. Notices of Funding Availability will include the specific selection criteria for awards, and will indicate the relative weight of each criterion. The selection criteria announced in Notices of Funding Availability will be designed to permit the Department to target and respond to areas of concern, and to promote the purposes of the FHIP in an equitable and cost efficient manner.

(e) All recipients of FHIP funds must conform to reporting and record maintenance requirements determined appropriate by the Assistant Secretary. Each funding instrument will include provisions under which the Department may suspend, terminate or recapture funds if the recipient does not conform to these requirements.

§ 125.301 Education and Outreach Initiative.

(a) The Education and Outreach Initiative provides funding for the purpose of developing, implementing, carrying out, or coordinating education and outreach programs designed to inform members of the public concerning their rights and obligations under the provisions of fair housing laws.

(b) Notices of Funding Availability published for the FHIP may divide Education and Outreach Initiative funding into separate competitions for each of the separate types of programs (i.e., national, regional and/or local, community-based) eligible under this Initiative.

(c) National program applications, including those for Fair Housing Month funding, may be eligible to receive, as provided for in Notices of

24 CFR Subtitle B, Ch. I (4-1-07 Edition)

§ 125.401 Private Enforcement Initiative.

(a) The Private Enforcement Initiative provides funding on a single-year or multi-year basis, to investigate violations and obtain enforcement of the rights granted under the Fair Housing Act or State or local laws that provide rights and remedies for discriminatory housing practices that are substantially equivalent to the rights and remedies provided in the Fair Housing Act. Multi-year funding may be contingent upon annual performance reviews and annual appropriations.

(b) Organizations that are eligible to receive assistance under the Private Enforcement Initiative are:

(1) Qualified fair housing enforcement organizations.

(2) Fair housing enforcement organizations with at least 1 year of experience in complaint intake, complaint investigation, testing for fair housing violations and enforcement of meritorious claims. For the purpose of meeting this 1 year qualification period, it is not necessary that the activities were conducted simultaneously, as long as each activity was conducted for 1 year. It is also not necessary for the activities to have been conducted for a continuous year. An organization may aggregate its experience in each activity over the 2-year period preceding its application to meet this 1 year qualification period requirement.

§ 125.501 Fair Housing Organizations Initiative.

(a) The Fair Housing Organizations Initiative of the FHIP provides funding to develop or expand the ability of existing eligible organizations to provide fair housing enforcement, and to establish, on a single-year or multi-year basis contingent upon annual performance reviews and annual appropriations, new fair housing enforcement organizations.

(2) *Operating budget limitation*. (i) Funding under this component of the Fair Housing Organizations Initiative may not be used to provide more than 50 percent of the operating budget of a recipient organization for any one year.

(ii) For purposes of the limitation in this paragraph, *operating budget* means the applicant's total planned budget expenditures from all sources, including the value of in-kind and monetary contributions, in the year for which funding is sought.

§ 135.7 Delegation of authority.

Except as may be otherwise provided in this part, the functions and responsibilities of the Secretary under section 3, and described in this part, are delegated to the Assistant Secretary for Fair Housing and Equal Opportunity. The Assistant Secretary is further authorized to redelegate functions and responsibilities to other employees of HUD; *provided however*, that the authority to issue rules and regulations under this part, which authority is delegated to the Assistant Secretary, may not be redelegated by the Assistant Secretary.

(2) For competitively awarded assistance involving housing rehabilitation, construction or other public construction, where the amount awarded to the applicant may exceed \$200,000, the NOFA must include a statement that one of the purposes of the assistance is to give, to the greatest extent feasible, and consistent with existing Federal, State and local laws and regulations, job training, employment, contracting and other economic opportunities to section 3 residents and section 3 business concerns.

(c) *Section 3 as NOFA evaluation criteria.* Where not otherwise precluded by statute, in the evaluation of applications for the award of assistance, con-

sideration shall be given to the extent to which an applicant has demonstrated that it will train and employ section 3 residents and contract with section 3 business concerns for economic opportunities generated in connection with the assisted project or activity. The evaluation criteria to be utilized, and the rating points to be assigned, will be specified in the NOFA.

§ 135.11 Other laws governing training, employment, and contracting.

Other laws and requirements that are applicable or may be applicable to the economic opportunities generated from the expenditure of section 3 covered assistance include, but are not necessarily limited to those listed in this section.

(a) *Procurement standards for States and local governments (24 CFR 85.36)*—(1) *General.* Nothing in this part 135 prescribes specific methods of procurement. However, neither section 3 nor the requirements of this part 135 supersede the general requirement of 24 CFR 85.36(c) that all procurement transactions be conducted in a competitive manner. Consistent with 24 CFR 85.36(c)(2), section 3 is a Federal statute that expressly encourages, to the maximum extent feasible, a geographic preference in the evaluation of bids or proposals.

(2) *Flexible Subsidy Program.* Multifamily project mortgagors in the Flexible Subsidy Program are not required to utilize the methods of procurement in 24 CFR 85.36(d), and are not permitted to utilize methods of procurement that would result in their award of a contract to a business concern that submits a bid higher than the lowest responsive bid. A multifamily project mortgagor, however, must ensure that, to the greatest extent feasible, the procurement practices it selects provide preference to section 3 business concerns.

(b) *Procurement standards for other recipients (OMB Circular No. A-110).* Nothing in this part prescribes specific methods of procurement for grants and other agreements with institutions of higher education, hospitals, and other nonprofit organizations. Consistent with the requirements set forth in OMB Circular No. A-110, section 3 is a

§ 135.30

Federal statute that expressly encourages a geographic preference in the evaluation of bids or proposals.

(c) *Federal labor standards provisions.* Certain construction contracts are subject to compliance with the requirement to pay prevailing wages determined under Davis-Bacon Act (40 U.S.C. 276a—276a-7) and implementing U.S. Department of Labor regulations in 29 CFR part 5. Additionally, certain HUD-assisted rehabilitation and maintenance activities on public and Indian housing developments are subject to compliance with the requirement to pay prevailing wage rates, as determined or adopted by HUD, to laborers and mechanics employed in this work. Apprentices and trainees may be utilized on this work only to the extent permitted under either Department of Labor regulations at 29 CFR part 5 or for work subject to HUD-determined prevailing wage rates, HUD policies and guidelines. These requirements include adherence to the wage rates and ratios of apprentices or trainees to journeymen set out in “approved apprenticeship and training programs,” as described in paragraph (d) of this section.

(d) *Approved apprenticeship and trainee programs.* Certain apprenticeship and trainee programs have been approved by various Federal agencies. Approved apprenticeship and trainee programs include: an apprenticeship program approved by the Bureau of Apprenticeship and Training of the Department of Labor, or a State Apprenticeship Agency, or an on-the-job training program approved by the Bureau of Apprenticeship and Training, in accordance with the regulations at 29 CFR part 5; or a training program approved by HUD in accordance with HUD policies and guidelines, as applicable. Participation in an approved apprenticeship program does not, in and of itself, demonstrate compliance with the regulations of this part.

(e) *Compliance with Executive Order 11246.* Certain contractors covered by this part are subject to compliance with Executive Order 11246, as amended by Executive Order 12086, and the Department of Labor regulations issued pursuant thereto (41 CFR chapter 60) which provide that no person shall be

24 CFR Subtitle B, Ch. I (4-1-07 Edition)

discriminated against on the basis of race, color, religion, sex, or national origin in all phases of employment during the performance of Federal or Federally assisted construction contracts.

Subpart B—Economic Opportunities for Section 3 Residents and Section 3 Business Concerns

§ 135.30 Numerical goals for meeting the greatest extent feasible requirement.

(a) *General.* (1) Recipients and covered contractors may demonstrate compliance with the “greatest extent feasible” requirement of section 3 by meeting the numerical goals set forth in this section for providing training, employment, and contracting opportunities to section 3 residents and section 3 business concerns.

(2) The goals established in this section apply to the entire amount of section 3 covered assistance awarded to a recipient in any Federal Fiscal Year (FY), commencing with the first FY following the effective date of this rule.

(3) For recipients that do not engage in training, or hiring, but award contracts to contractors that will engage in training, hiring, and subcontracting, recipients must ensure that, to the greatest extent feasible, contractors will provide training, employment, and contracting opportunities to section 3 residents and section 3 business concerns.

(4) The numerical goals established in this section represent minimum numerical targets.

(b) *Training and employment.* The numerical goals set forth in paragraph (b) of this section apply to new hires. The numerical goals reflect the aggregate hires. Efforts to employ section 3 residents, to the greatest extent feasible, should be made at all job levels.

(1) *Numerical goals for section 3 covered public and Indian housing programs.* Recipients of section 3 covered public and Indian housing assistance (as described in §135.5) and their contractors and subcontractors may demonstrate compliance with this part by committing to employ section 3 residents as:

(i) 10 percent of the aggregate number of new hires for the one year period beginning in FY 1995;

(ii) 20 percent of the aggregate number of new hires for the one period beginning in FY 1996;

(iii) 30 percent of the aggregate number of new hires for one year period beginning in FY 1997 and continuing thereafter.

(2) *Numerical goals for other HUD programs covered by section 3.* (i) Recipients of section 3 covered housing assistance provided under other HUD programs, and their contractors and subcontractors (unless the contract or subcontract awards do not meet the threshold specified in § 135.3(a)(3)) may demonstrate compliance with this part by committing to employ section 3 residents as 10 percent of the aggregate number of new hires for each year over the duration of the section 3 project;

(ii) Where a managing general partner or management agent is affiliated, in a given metropolitan area, with recipients of section 3 covered housing assistance, for an aggregate of 500 or more units in any fiscal year, the managing partner or management agent may demonstrate compliance with this part by committing to employ section 3 residents as:

(A) 10 percent of the aggregate number of new hires for the one year period beginning in FY 1995;

(B) 20 percent of the aggregate number of new hires for the one year period beginning in FY 1996;

(C) 30 percent of the aggregate number of new hires for the one year period beginning in FY 1997, and continuing thereafter.

(3) Recipients of section 3 covered community development assistance, and their contractors and subcontractors (unless the contract or subcontract awards do not meet the threshold specified in § 135.3(a)(3)) may demonstrate compliance with the requirements of this part by committing to employ section 3 residents as:

(i) 10 percent of the aggregate number of new hires for the one year period beginning in FY 1995;

(ii) 20 percent of the aggregate number of new hires for the one year period beginning in FY 1996; and

(iii) 30 percent of the aggregate number of new hires for the one year period beginning in FY 1997 and continuing thereafter.

(c) *Contracts.* Numerical goals set forth in paragraph (c) of this section apply to contracts awarded in connection with all section 3 covered projects and section 3 covered activities. Each recipient and contractor and subcontractor (unless the contract or subcontract awards do not meet the threshold specified in § 135.3(a)(3)) may demonstrate compliance with the requirements of this part by committing to award to section 3 business concerns:

(1) At least 10 percent of the total dollar amount of all section 3 covered contracts for building trades work for maintenance, repair, modernization or development of public or Indian housing, or for building trades work arising in connection with housing rehabilitation, housing construction and other public construction; and

(2) At least three (3) percent of the total dollar amount of all other section 3 covered contracts.

(d) *Safe harbor and compliance determinations.* (1) In the absence of evidence to the contrary, a recipient that meets the minimum numerical goals set forth in this section will be considered to have complied with the section 3 preference requirements.

(2) In evaluating compliance under subpart D of this part, a recipient that has not met the numerical goals set forth in this section has the burden of demonstrating why it was not feasible to meet the numerical goals set forth in this section. Such justification may include impediments encountered despite actions taken. A recipient or contractor also can indicate other economic opportunities, such as those listed in § 135.40, which were provided in its efforts to comply with section 3 and the requirements of this part.

§ 135.32 Responsibilities of the recipient.

Each recipient has the responsibility to comply with section 3 in its own operations, and ensure compliance in the

§ 135.34

operations of its contractors and subcontractors. This responsibility includes but may not be necessarily limited to:

(a) Implementing procedures designed to notify section 3 residents about training and employment opportunities generated by section 3 covered assistance and section 3 business concerns about contracting opportunities generated by section 3 covered assistance;

(b) Notifying potential contractors for section 3 covered projects of the requirements of this part, and incorporating the section 3 clause set forth in § 135.38 in all solicitations and contracts.

(c) Facilitating the training and employment of section 3 residents and the award of contracts to section 3 business concerns by undertaking activities such as described in the Appendix to this part, as appropriate, to reach the goals set forth in § 135.30. Recipients, at their own discretion, may establish reasonable numerical goals for the training and employment of section 3 residents and contract award to section 3 business concerns that exceed those specified in § 135.30;

(d) Assisting and actively cooperating with the Assistant Secretary in obtaining the compliance of contractors and subcontractors with the requirements of this part, and refraining from entering into any contract with any contractor where the recipient has notice or knowledge that the contractor has been found in violation of the regulations in 24 CFR part 135.

(e) Documenting actions taken to comply with the requirements of this part, the results of actions taken and impediments, if any.

(f) A State or county which distributes funds for section 3 covered assistance to units of local governments, to the greatest extent feasible, must attempt to reach the numerical goals set forth in § 135.30 regardless of the number of local governments receiving funds from the section 3 covered assistance which meet the thresholds for applicability set forth at § 135.3. The State or county must inform units of local government to whom funds are distributed of the requirements of this part; assist local governments and their contrac-

24 CFR Subtitle B, Ch. I (4-1-07 Edition)

tors in meeting the requirements and objectives of this part; and monitor the performance of local governments with respect to the objectives and requirements of this part.

§ 135.34 Preference for section 3 residents in training and employment opportunities.

(a) *Order of providing preference.* Recipients, contractors and subcontractors shall direct their efforts to provide, to the greatest extent feasible, training and employment opportunities generated from the expenditure of section 3 covered assistance to section 3 residents in the order of priority provided in paragraph (a) of this section.

(1) *Public and Indian housing programs.* In public and Indian housing programs, efforts shall be directed to provide training and employment opportunities to section 3 residents in the following order of priority:

(i) Residents of the housing development or developments for which the section 3 covered assistance is expended (category 1 residents);

(ii) Residents of other housing developments managed by the HA that is expending the section 3 covered housing assistance (category 2 residents);

(iii) Participants in HUD Youthbuild programs being carried out in the metropolitan area (or nonmetropolitan county) in which the section 3 covered assistance is expended (category 3 residents);

(iv) Other section 3 residents.

(2) *Housing and community development programs.* In housing and community development programs, priority consideration shall be given, where feasible, to:

(i) Section 3 residents residing in the service area or neighborhood in which the section 3 covered project is located (collectively, referred to as category 1 residents); and

(ii) Participants in HUD Youthbuild programs (category 2 residents).

(iii) Where the section 3 project is assisted under the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11301 *et seq.*), homeless persons residing in the service area or neighborhood in which the section 3 covered project is located shall be given the highest priority;

(iv) Other section 3 residents.

(3) Recipients of housing assistance programs administered by the Assistant Secretary for Housing may, at their own discretion, provide preference to residents of the housing development receiving the section 3 covered assistance within the service area or neighborhood where the section 3 covered project is located.

(4) Recipients of community development programs may, at their own discretion, provide priority to recipients of government assistance for housing, including recipients of certificates or vouchers under the Section 8 housing assistance program, within the service area or neighborhood where the section 3 covered project is located.

(b) *Eligibility for preference.* A section 3 resident seeking the preference in training and employment provided by this part shall certify, or submit evidence to the recipient contractor or subcontractor, if requested, that the person is a section 3 resident, as defined in § 135.5. (An example of evidence of eligibility for the preference is evidence of receipt of public assistance, or evidence of participation in a public assistance program.)

(c) *Eligibility for employment.* Nothing in this part shall be construed to require the employment of a section 3 resident who does not meet the qualifications of the position to be filled.

§ 135.36 Preference for section 3 business concerns in contracting opportunities.

(a) *Order of providing preference.* Recipients, contractors and subcontractors shall direct their efforts to award section 3 covered contracts, to the greatest extent feasible, to section 3 business concerns in the order of priority provided in paragraph (a) of this section.

(1) *Public and Indian housing programs.* In public and Indian housing programs, efforts shall be directed to award contracts to section 3 business concerns in the following order of priority:

(i) Business concerns that are 51 percent or more owned by residents of the housing development or developments for which the section 3 covered assistance is expended, or whose full-time,

permanent workforce includes 30 percent of these persons as employees (category 1 businesses);

(ii) Business concerns that are 51 percent or more owned by residents of other housing developments or developments managed by the HA that is expending the section 3 covered assistance, or whose full-time, permanent workforce includes 30 percent of these persons as employees (category 2 businesses); or

(iii) HUD Youthbuild programs being carried out in the metropolitan area (or nonmetropolitan county) in which the section 3 covered assistance is expended (category 3 businesses).

(iv) Business concerns that are 51 percent or more owned by section 3 residents, or whose permanent, full-time workforce includes no less than 30 percent section 3 residents (category 4 businesses), or that subcontract in excess of 25 percent of the total amount of subcontracts to business concerns identified in paragraphs (a)(1)(i) and (a)(1)(ii) of this section.

(2) *Housing and community development programs.* In housing and community development programs, priority consideration shall be given, where feasible, to:

(i) Section 3 business concerns that provide economic opportunities for section 3 residents in the service area or neighborhood in which the section 3 covered project is located (category 1 businesses); and

(ii) Applicants (as this term is defined in 42 U.S.C. 12899) selected to carry out HUD Youthbuild programs (category 2 businesses);

(iii) Other section 3 business concerns.

(b) *Eligibility for preference.* A business concern seeking to qualify for a section 3 contracting preference shall certify or submit evidence, if requested, that the business concern is a section 3 business concern as defined in § 135.5.

(c) *Ability to complete contract.* A section 3 business concern seeking a contract or a subcontract shall submit evidence to the recipient, contractor, or subcontractor (as applicable), if requested, sufficient to demonstrate to the satisfaction of the party awarding the contract that the business concern is responsible and has the ability to

§ 135.38

perform successfully under the terms and conditions of the proposed contract. (The ability to perform successfully under the terms and conditions of the proposed contract is required of all contractors and subcontractors subject to the procurement standards of 24 CFR 85.36 (see 24 CFR 85.36(b)(8)).) This regulation requires consideration of, among other factors, the potential contractor's record in complying with public policy requirements. Section 3 compliance is a matter properly considered as part of this determination.

§ 135.38 Section 3 clause.

All section 3 covered contracts shall include the following clause (referred to as the section 3 clause):

A. The work to be performed under this contract is subject to the requirements of section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (section 3). The purpose of section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.

B. The parties to this contract agree to comply with HUD's regulations in 24 CFR part 135, which implement section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the part 135 regulations.

C. The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

D. The contractor agrees to include this section 3 clause in every subcontract subject to compliance with regulations in 24 CFR part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this section 3 clause,

24 CFR Subtitle B, Ch. I (4-1-07 Edition)

upon a finding that the subcontractor is in violation of the regulations in 24 CFR part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 135.

E. The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR part 135.

F. Noncompliance with HUD's regulations in 24 CFR part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.

G. With respect to work performed in connection with section 3 covered Indian housing assistance, section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e) also applies to the work to be performed under this contract. Section 7(b) requires that to the greatest extent feasible (i) preference and opportunities for training and employment shall be given to Indians, and (ii) preference in the award of contracts and subcontracts shall be given to Indian organizations and Indian-owned Economic Enterprises. Parties to this contract that are subject to the provisions of section 3 and section 7(b) agree to comply with section 3 to the maximum extent feasible, but not in derogation of compliance with section 7(b).

§ 135.40 Providing other economic opportunities.

(a) *General.* In accordance with the findings of the Congress, as stated in section 3, that other economic opportunities offer an effective means of empowering low-income persons, a recipient is encouraged to undertake efforts to provide to low-income persons economic opportunities other than training, employment, and contract awards, in connection with section 3 covered assistance.

(b) *Other training and employment related opportunities.* Other economic opportunities to train and employ section 3 residents include, but need not be limited to, use of "upward mobility", "bridge" and trainee positions to fill vacancies; hiring section 3 residents in

management and maintenance positions within other housing developments; and hiring section 3 residents in part-time positions.

(c) *Other business related economic opportunities.* (1) A recipient or contractor may provide economic opportunities to establish, stabilize or expand section 3 business concerns, including micro-enterprises. Such opportunities include, but are not limited to the formation of section 3 joint ventures, financial support for affiliating with franchise development, use of labor only contracts for building trades, purchase of supplies and materials from housing authority resident-owned businesses, purchase of materials and supplies from PHA resident-owned businesses and use of procedures under 24 CFR part 963 regarding HA contracts to HA resident-owned businesses. A recipient or contractor may employ these methods directly or may provide incentives to non-section 3 businesses to utilize such methods to provide other economic opportunities to low-income persons.

(2) A *section 3 joint venture* means an association of business concerns, one of which qualifies as a section 3 business concern, formed by written joint venture agreement to engage in and carry out a specific business venture for which purpose the business concerns combine their efforts, resources, and skills for joint profit, but not necessarily on a continuing or permanent basis for conducting business generally, and for which the section 3 business concern:

(i) Is responsible for a clearly defined portion of the work to be performed and holds management responsibilities in the joint venture; and

(ii) Performs at least 25 percent of the work and is contractually entitled to compensation proportionate to its work.

Subpart C [Reserved]

Subpart D—Complaint and Compliance Review

§ 135.70 General.

(a) *Purpose.* The purpose of this subpart is to establish the procedures for handling complaints alleging non-compliance with the regulations of this

part, and the procedures governing the Assistant Secretary's review of a recipient's or contractor's compliance with the regulations in this part.

(b) *Definitions.* For purposes of this subpart:

(1) *Complaint* means an allegation of noncompliance with regulations of this part made in the form described in § 135.76(d).

(2) *Complainant* means the party which files a complaint with the Assistant Secretary alleging that a recipient or contractor has failed or refused to comply with the regulations in this part.

(3) *Noncompliance with section 3* means failure by a recipient or contractor to comply with the requirements of this part.

(4) *Respondent* means the recipient or contractor against which a complaint of noncompliance has been filed. The term "recipient" shall have the meaning set forth in § 135.7, which includes PHA and IHA.

§ 135.72 Cooperation in achieving compliance.

(a) The Assistant Secretary recognizes that the success of ensuring that section 3 residents and section 3 business concerns have the opportunity to apply for jobs and to bid for contracts generated by covered HUD financial assistance depends upon the cooperation and assistance of HUD recipients and their contractors and subcontractors. All recipients shall cooperate fully and promptly with the Assistant Secretary in section 3 compliance reviews, in investigations of allegations of non-compliance made under § 135.76, and with the distribution and collection of data and information that the Assistant Secretary may require in connection with achieving the economic objectives of section 3.

(b) The recipient shall refrain from entering into a contract with any contractor after notification to the recipient by HUD that the contractor has been found in violation of the regulations in this part. The provisions of 24 CFR part 24 apply to the employment, engagement of services, awarding of contracts or funding of any contractors or subcontractors during any period of

§ 135.74

debarment, suspension or otherwise ineligible status.

§ 135.74 Section 3 compliance review procedures.

(a) *Compliance reviews by Assistant Secretary.* The Assistant Secretary shall periodically conduct section 3 compliance reviews of selected recipients and contractors to determine whether these recipients are in compliance with the regulations in this part.

(b) *Form of compliance review.* A section 3 compliance review shall consist of a comprehensive analysis and evaluation of the recipient's or contractor's compliance with the requirements and obligations imposed by the regulations of this part, including an analysis of the extent to which section 3 residents have been hired and section 3 business concerns have been awarded contracts as a result of the methods undertaken by the recipient to achieve the employment, contracting and other economic objectives of section 3.

(c) *Where compliance review reveals noncompliance with section 3 by recipient or contractor.* Where the section 3 compliance review reveals that a recipient or contractor has not complied with section 3, the Assistant Secretary shall notify the recipient or contractor of its specific deficiencies in compliance with the regulations of this part, and shall advise the recipient or contractor of the means by which these deficiencies may be corrected. HUD shall conduct a follow-up review with the recipient or contractor to ensure that action is being taken to correct the deficiencies.

(d) *Continuing noncompliance by recipient or contractor.* A continuing failure or refusal by the recipient or contractor to comply with the regulations in this part may result in the application of sanctions specified in the contract through which HUD assistance is provided, or the application of sanctions specified in the regulations governing the HUD program under which HUD financial assistance is provided. HUD will notify the recipient of any continuing failure or refusal by the contractor to comply with the regulations in this part for possible action under any procurement contract between the recipient and the contractor. Debarment, suspension and limited de-

24 CFR Subtitle B, Ch. I (4-1-07 Edition)

nial of participation pursuant to HUD's regulations in 24 CFR part 24, where appropriate, may be applied to the recipient or the contractor.

(e) *Conducting compliance review before the award of assistance.* Section 3 compliance reviews may be conducted before the award of contracts, and especially where the Assistant Secretary has reasonable grounds to believe that the recipient or contractor will be unable or unwilling to comply with the regulations in this part.

(f) *Consideration of complaints during compliance review.* Complaints alleging noncompliance with section 3, as provided in § 135.76, may also be considered during any compliance review conducted to determine the recipient's conformance with regulations in this part.

§ 135.76 Filing and processing complaints.

(a) *Who may file a complaint.* The following individuals and business concerns may, personally or through an authorized representative, file with the Assistant Secretary a complaint alleging noncompliance with section 3:

(1) Any section 3 resident on behalf of himself or herself, or as a representative of persons similarly situated, seeking employment, training or other economic opportunities generated from the expenditure of section 3 covered assistance with a recipient or contractor, or by a representative who is not a section 3 resident but who represents one or more section 3 residents;

(2) Any section 3 business concern on behalf of itself, or as a representative of other section 3 business concerns similarly situated, seeking contract opportunities generated from the expenditure of section 3 covered assistance from a recipient or contractor, or by an individual representative of section 3 business concerns.

(b) *Where to file a complaint.* A complaint must be filed with the Assistant Secretary for Fair Housing and Equal Opportunity, Department of Housing and Urban Development, Washington, DC, 20410.

(c) *Time of filing.* (1) A complaint must be received not later than 180 days from the date of the action or omission upon which the complaint is

based, unless the time for filing is extended by the Assistant Secretary for good cause shown.

(2) Where a complaint alleges noncompliance with section 3 and the regulations of this part that is continuing, as manifested in a number of incidents of noncompliance, the complaint will be timely if filed within 180 days of the last alleged occurrence of noncompliance.

(3) Where a complaint contains incomplete information, the Assistant Secretary shall request the needed information from the complainant. In the event this information is not furnished to the Assistant Secretary within sixty (60) days of the date of the request, the complaint may be closed.

(d) *Contents of complaint*—(1) *Written complaints*. Each complaint must be in writing, signed by the complainant, and include:

(i) The complainant's name and address;

(ii) The name and address of the respondent;

(iii) A description of the acts or omissions by the respondent that is sufficient to inform the Assistant Secretary of the nature and date of the alleged noncompliance.

(iv) A complainant may provide information to be contained in a complaint by telephone to HUD or any HUD Field Office, and HUD will reduce the information provided by telephone to writing on the prescribed complaint form and send the form to the complainant for signature.

(2) *Amendment of complaint*. Complaints may be reasonably and fairly amended at any time. Such amendments may include, but are not limited to, amendments to cure, technical defects or omissions, including failure to sign or affirm a complaint, to clarify or amplify the allegations in a complaint, or to join additional or substitute respondents. Except for the purposes of notifying respondents, amended complaints will be considered as having been made as of the original filing date.

(e) *Resolution of complaint by recipient*.

(1) Within ten (10) days of timely filing of a complaint that contains complete information (in accordance with paragraphs (c) and (d) of this section), the

Assistant Secretary shall determine whether the complainant alleges an action or omission by a recipient or the recipient's contractor that if proven qualifies as noncompliance with section 3. If a determination is made that there is an allegation of noncompliance with section 3, the complaint shall be sent to the recipient for resolution.

(2) If the recipient believes that the complaint lacks merit, the recipient must notify the Assistant Secretary in writing of this recommendation with supporting reasons, within 30 days of the date of receipt of the complaint. The determination that a complaint lacks merit is reserved to the Assistant Secretary.

(3) If the recipient determines that there is merit to the complaint, the recipient will have sixty (60) days from the date of receipt of the complaint to resolve the matter with the complainant. At the expiration of the 60-day period, the recipient must notify the Assistant Secretary in writing whether a resolution of the complaint has been reached. If resolution has been reached, the notification must be signed by both the recipient and the complainant, and must summarize the terms of the resolution reached between the two parties.

(4) Any request for an extension of the 60-day period by the recipient must be submitted in writing to the Assistant Secretary, and must include a statement explaining the need for the extension.

(5) If the recipient is unable to resolve the complaint within the 60-day period (or more if extended by the Assistant Secretary), the complaint shall be referred to the Assistant Secretary for handling.

(f) *Informal resolution of complaint by Assistant Secretary*—(1) *Dismissal of complaint*. Upon receipt of the recipient's written recommendation that there is no merit to the complaint, or upon failure of the recipient and complainant to reach resolution, the Assistant Secretary shall review the complaint to determine whether it presents a valid allegation of noncompliance with section 3. The Assistant Secretary may conduct further investigation if deemed necessary. Where the complaint fails to present a valid allegation of noncompliance with section 3,

§ 135.90

the Assistant Secretary will dismiss the complaint without further action. The Assistant Secretary shall notify the complainant of the dismissal of the complaint and the reasons for the dismissal.

(2) *Informal resolution.* Where the allegations in a complaint on their face, or as amplified by the statements of the complainant, present a valid allegation of noncompliance with section 3, the Assistant Secretary will attempt, through informal methods, to obtain a voluntary and just resolution of the complaint. Where attempts to resolve the complaint informally fail, the Assistant Secretary will impose a resolution on the recipient and complainant. Any resolution imposed by the Assistant Secretary will be in accordance with requirements and procedures concerning the imposition of sanctions or resolutions as set forth in the regulations governing the HUD program under which the section 3 covered assistance was provided.

(3) *Effective date of informal resolution.* The imposed resolution will become effective and binding at the expiration of 15 days following notification to recipient and complainant by certified mail of the imposed resolution, unless either party appeals the resolution before the expiration of the 15 days. Any appeal shall be in writing to the Secretary and shall include the basis for the appeal.

(g) *Sanctions.* Sanctions that may be imposed on recipients that fail to comply with the regulations of this part include debarment, suspension and limited denial of participation in HUD programs.

(h) *Investigation of complaint.* The Assistant Secretary reserves the right to investigate a complaint directly when, in the Assistant Secretary's discretion, the investigation would further the purposes of section 3 and this part.

(i) *Intimidatory or retaliatory acts prohibited.* No recipient or other person shall intimidate, threaten, coerce, or discriminate against any person or business because the person or business has made a complaint, testified, assisted or participated in any manner in an investigation, proceeding, or hearing under this part. The identity of complainants shall be kept confidential except to the extent necessary to

24 CFR Subtitle B, Ch. I (4-1-07 Edition)

carry out the purposes of this part, including the conduct of any investigation, hearing or judicial proceeding arising thereunder.

(j) *Judicial relief.* Nothing in this subpart D precludes a section 3 resident or section 3 business concerning from exercising the right, which may otherwise be available, to seek redress directly through judicial procedures.

(Approved by the Office of Management and Budget under control number 2529-0043)

Subpart E—Reporting and Recordkeeping

§ 135.90 Reporting.

Each recipient which receives directly from HUD financial assistance that is subject to the requirements of this part shall submit to the Assistant Secretary an annual report in such form and with such information as the Assistant Secretary may request, for the purpose of determining the effectiveness of section 3. Where the program providing the section 3 covered assistance requires submission of an annual performance report, the section 3 report will be submitted with that annual performance report. If the program providing the section 3 covered assistance does not require an annual performance report, the section 3 report is to be submitted by January 10 of each year or within 10 days of project completion, whichever is earlier. All reports submitted to HUD in accordance with the requirements of this part will be made available to the public.

(Approved by the Office of Management and Budget under control number 2529-0043)

§ 135.92 Recordkeeping and access to records.

HUD shall have access to all records, reports, and other documents or items of the recipient that are maintained to demonstrate compliance with the requirements of this part, or that are maintained in accordance with the regulations governing the specific HUD program under which section 3 covered assistance is provided or otherwise made available to the recipient or contractor.

(1) Entering into "first source" hiring agreements with organizations representing Section 3 residents.

(2) Sponsoring a HUD-certified "Step-Up" employment and training program for section 3 residents.

(3) Establishing training programs, which are consistent with the requirements of the Department of Labor, for public and Indian housing residents and other section 3 residents in the building trades.

(4) Advertising the training and employment positions by distributing flyers (which identify the positions to be filled, the qualifications required, and where to obtain additional information about the application process) to every occupied dwelling unit in the housing development or developments where category 1 or category 2 persons (as these terms are defined in §135.34) reside.

(5) Advertising the training and employment positions by posting flyers (which identify the positions to be filled, the qualifications required, and where to obtain additional information about the application process) in the common areas or other prominent areas of the housing development or developments. For HAs, post such advertising in the housing development or developments where category 1 or category 2 persons reside; for all other recipients, post such advertising in the housing development or developments and transitional housing in the neighborhood or service area of the section 3 covered project.

(6) Contacting resident councils, resident management corporations, or other resident organizations, where they exist, in the housing development or developments where category 1 or category 2 persons reside, and community organizations in HUD-assisted neighborhoods, to request the assistance of these organizations in notifying residents of the training and employment positions to be filled.

(7) Sponsoring (scheduling, advertising, financing or providing in-kind services) a job informational meeting to be conducted by an HA or contractor representative or representatives at a location in the housing development or developments where category 1 or category 2 persons reside or in the neighborhood or service area of the section 3 covered project.

(8) Arranging assistance in conducting job interviews and completing job applications for residents of the housing development or developments where category 1 or category 2 persons reside and in the neighborhood or service area in which a section 3 project is located.

(9) Arranging for a location in the housing development or developments where category 1 persons reside, or the neighborhood or service area of the project, where job applications may be delivered to and collected by a recipient or contractor representative or representatives.

(10) Conducting job interviews at the housing development or developments where category 1 or category 2 persons reside, or at a location within the neighborhood or service area of the section 3 covered project.

(11) Contacting agencies administering HUD Youthbuild programs, and requesting their assistance in recruiting HUD Youthbuild program participants for the HA's or contractor's training and employment positions.

(12) Consulting with State and local agencies administering training programs funded through JTPA or JOBS, probation and parole agencies, unemployment compensation programs, community organizations and other officials or organizations to assist with recruiting Section 3 residents for the HA's or contractor's training and employment positions.

(13) Advertising the jobs to be filled through the local media, such as community television networks, newspapers of general circulation, and radio advertising.

(14) Employing a job coordinator, or contracting with a business concern that is licensed in the field of job placement (preferably one of the section 3 business concerns identified in part 135), that will undertake, on behalf of the HA, other recipient or contractor, the efforts to match eligible and qualified section 3 residents with the training and employment positions that the HA or contractor intends to fill.

(15) For an HA, employing section 3 residents directly on either a permanent or a temporary basis to perform work generated by section 3 assistance. (This type of employment is referred to as "force account labor" in HUD's Indian housing regulations. See 24 CFR 905.102, and §905.201(a)(6).)

(16) Where there are more qualified section 3 residents than there are positions to be filled, maintaining a file of eligible qualified section 3 residents for future employment positions.

(17) Undertaking job counseling, education and related programs in association with local educational institutions.

(18) Undertaking such continued job training efforts as may be necessary to ensure the continued employment of section 3 residents previously hired for employment opportunities.

(19) After selection of bidders but prior to execution of contracts, incorporating into the contract a negotiated provision for a specific number of public housing or other section 3 residents to be trained or employed on the section 3 covered assistance.

Pt. 135, App.

(20) Coordinating plans and implementation of economic development (e.g., job training and preparation, business development assistance for residents) with the planning for housing and community development.

II. Examples of Efforts To Award Contracts to Section 3 Business Concerns

(1) Utilizing procurement procedures for section 3 business concerns similar to those provided in 24 CFR part 905 for business concerns owned by Native Americans (see section III of this Appendix).

(2) In determining the responsibility of potential contractors, consider their record of section 3 compliance as evidenced by past actions and their current plans for the pending contract.

(3) Contacting business assistance agencies, minority contractors associations and community organizations to inform them of contracting opportunities and requesting their assistance in identifying section 3 businesses which may solicit bids or proposals for contracts for work in connection with section 3 covered assistance.

(4) Advertising contracting opportunities by posting notices, which provide general information about the work to be contracted and where to obtain additional information, in the common areas or other prominent areas of the housing development or developments owned and managed by the HA.

(5) For HAs, contacting resident councils, resident management corporations, or other resident organizations, where they exist, and requesting their assistance in identifying category 1 and category 2 business concerns.

(6) Providing written notice to all known section 3 business concerns of the contracting opportunities. This notice should be in sufficient time to allow the section 3 business concerns to respond to the bid invitations or request for proposals.

(7) Following up with section 3 business concerns that have expressed interest in the contracting opportunities by contacting them to provide additional information on the contracting opportunities.

(8) Coordinating pre-bid meetings at which section 3 business concerns could be informed of upcoming contracting and subcontracting opportunities.

(9) Carrying out workshops on contracting procedures and specific contract opportunities in a timely manner so that section 3 business concerns can take advantage of upcoming contracting opportunities, with such information being made available in languages other than English where appropriate.

(10) Advising section 3 business concerns as to where they may seek assistance to overcome limitations such as inability to obtain bonding, lines of credit, financing, or insurance.

24 CFR Subtitle B, Ch. I (4-1-07 Edition)

(11) Arranging solicitations, times for the presentation of bids, quantities, specifications, and delivery schedules in ways to facilitate the participation of section 3 business concerns.

(12) Where appropriate, breaking out contract work items into economically feasible units to facilitate participation by section 3 business concerns.

(13) Contacting agencies administering HUD Youthbuild programs, and notifying these agencies of the contracting opportunities.

(14) Advertising the contracting opportunities through trade association papers and newsletters, and through the local media, such as community television networks, newspapers of general circulation, and radio advertising.

(15) Developing a list of eligible section 3 business concerns.

(16) For HAs, participating in the "Contracting with Resident-Owned Businesses" program provided under 24 CFR part 963.

(17) Establishing or sponsoring programs designed to assist residents of public or Indian housing in the creation and development of resident-owned businesses.

(18) Establishing numerical goals (number of awards and dollar amount of contracts) for award of contracts to section 3 business concerns.

(19) Supporting businesses which provide economic opportunities to low income persons by linking them to the support services available through the Small Business Administration (SBA), the Department of Commerce and comparable agencies at the State and local levels.

(20) Encouraging financial institutions, in carrying out their responsibilities under the Community Reinvestment Act, to provide no or low interest loans for providing working capital and other financial business needs.

(21) Actively supporting joint ventures with section 3 business concerns.

(22) Actively supporting the development or maintenance of business incubators which assist Section 3 business concerns.

III. Examples of Procurement Procedures That Provide for Preference for Section 3 Business Concerns

This Section III provides specific procedures that may be followed by recipients and contractors (collectively, referred to as the "contracting party") for implementing the section 3 contracting preference for each of the competitive procurement methods authorized in 24 CFR 85.36(d).

(1) *Small Purchase Procedures.* For section 3 covered contracts aggregating no more than \$25,000, the methods set forth in this paragraph (1) or the more formal procedures set forth in paragraphs (2) and (3) of this Section III may be utilized.

(i) *Solicitation.* (A) Quotations may be solicited by telephone, letter or other informal procedure provided that the manner of solicitation provides for participation by a reasonable number of competitive sources. At the time of solicitation, the parties must be informed of:

- the section 3 covered contract to be awarded with sufficient specificity;
- the time within which quotations must be submitted; and
- the information that must be submitted with each quotation.

(B) If the method described in paragraph (i)(A) is utilized, there must be an attempt to obtain quotations from a minimum of three qualified sources in order to promote competition. Fewer than three quotations are acceptable when the contracting party has attempted, but has been unable, to obtain a sufficient number of competitive quotations. In unusual circumstances, the contracting party may accept the sole quotation received in response to a solicitation provided the price is reasonable. In all cases, the contracting party shall document the circumstances when it has been unable to obtain at least three quotations.

(ii) *Award.* (A) Where the section 3 covered contract is to be awarded based upon the lowest price, the contract shall be awarded to the qualified section 3 business concern with the lowest responsive quotation, if it is reasonable and no more than 10 percent higher than the quotation of the lowest responsive quotation from any qualified source. If no responsive quotation by a qualified section 3 business concern is within 10 percent of the lowest responsive quotation from any

qualified source, the award shall be made to the source with the lowest quotation.

(B) Where the section 3 covered contract is to be awarded based on factors other than price, a request for quotations shall be issued by developing the particulars of the solicitation, including a rating system for the assignment of points to evaluate the merits of each quotation. The solicitation shall identify all factors to be considered, including price or cost. The rating system shall provide for a range of 15 to 25 percent of the total number of available rating points to be set aside for the provision of preference for section 3 business concerns. The purchase order shall be awarded to the responsible firm whose quotation is the most advantageous, considering price and all other factors specified in the rating system.

(2) *Procurement by sealed bids (Invitations for Bids).* Preference in the award of section 3 covered contracts that are awarded under a sealed bid (IFB) process may be provided as follows:

(i) Bids shall be solicited from all businesses (section 3 business concerns, and non-section 3 business concerns). An award shall be made to the qualified section 3 business concern with the highest priority ranking and with the lowest responsive bid if that bid—

(A) is within the maximum total contract price established in the contracting party's budget for the specific project for which bids are being taken, and

(B) is not more than "X" higher than the total bid price of the lowest responsive bid from any responsible bidder. "X" is determined as follows:

	x=lesser of:
When the lowest responsive bid is less than \$100,000	10% of that bid or \$9,000.
When the lowest responsive bid is:	
At least \$100,000, but less than \$200,000	9% of that bid, or \$16,000.
At least \$200,000, but less than \$300,000	8% of that bid, or \$21,000.
At least \$300,000, but less than \$400,000	7% of that bid, or \$24,000.
At least \$400,000, but less than \$500,000	6% of that bid, or \$25,000.
At least \$500,000, but less than \$1 million	5% of that bid, or \$40,000.
At least \$1 million, but less than \$2 million	4% of that bid, or \$60,000.
At least \$2 million, but less than \$4 million	3% of that bid, or \$80,000.
At least \$4 million, but less than \$7 million	2% of that bid, or \$105,000.
\$7 million or more	1½% of the lowest responsive bid, with no dollar limit.

(ii) If no responsive bid by a section 3 business concern meets the requirements of paragraph (2)(i) of this section, the contract shall be awarded to a responsible bidder with the lowest responsive bid.

(3) *Procurement under the competitive proposals method of procurement (Request for Proposals (RFP)).* (i) For contracts and subcontracts awarded under the competitive proposals method of procurement (24 CFR 85.36(d)(3)), a Request for Proposals (RFP) shall identify all evaluation factors (and

their relative importance) to be used to rate proposals.

(ii) One of the evaluation factors shall address both the preference for section 3 business concerns and the acceptability of the strategy for meeting the greatest extent feasible requirement (section 3 strategy), as disclosed in proposals submitted by all business concerns (section 3 and non-section 3 business concerns). This factor shall provide for

Pt. 146

a range of 15 to 25 percent of the total number of available points to be set aside for the evaluation of these two components.

(iii) The component of this evaluation factor designed to address the preference for section 3 business concerns must establish a preference for these business concerns in the order of priority ranking as described in 24 CFR 135.36.

(iv) With respect to the second component (the acceptability of the section 3 strategy), the RFP shall require the disclosure of the contractor's section 3 strategy to comply with the section 3 training and employment preference, or contracting preference, or both, if applicable. A determination of the contractor's responsibility will include the submission of an acceptable section 3 strategy. The contract award shall be made to the responsible firm (either section 3 or non-section 3 business concern) whose proposal is determined most advantageous, considering price and all other factors specified in the RFP.

Subpart A—General

§ 146.1 Purpose of the Age Discrimination Act of 1975.

The Age Discrimination Act of 1975 (the Act) prohibits discrimination on the basis of age in programs or activities receiving Federal financial assistance. The Act, however, permits federally assisted programs and activities and recipients of Federal funds to continue to use certain age distinctions and factors other than age which meet the requirements of the Act and this part.

§ 146.3 Purpose of HUD's age discrimination regulation.

The purpose of this part is to state HUD's policies and procedures under the Age Discrimination Act of 1975, consistent with the government-wide age discrimination regulation contained at 45 CFR part 90.

§ 146.5 Applicability of part.

This part applies to each program or activity that receives Federal financial assistance provided by HUD.

§ 146.7 Definitions.

The terms *HUD* and *Secretary* are defined in 24 CFR part 5.

Act means the Age Discrimination Act of 1975, 42 U.S.C. 6101–07.

Action means any act, activity, policy, rule, standard, or method of administration or the use of any policy, rule, standard, or method of administration.

Age means how old a person is, or the number of elapsed years from the date of a person's birth.

Age distinction means any action using age or an age-related term.

Age-related term means a word or words which necessarily imply a particular age or range of ages (for example, *children*, *adult*, *older persons*, but not *student*).

Federal financial assistance means any grant, entitlement, loan, cooperative agreement, contract (other than a procurement contract or a contract of insurance or guaranty), or any other arrangement by which HUD provides or otherwise makes available assistance in the form of:

- (a) Funds;
- (b) Service of Federal personnel; or
- (c) Real or personal property or any interest in or use of property, including:

(1) Transfers or leases of property for less than fair market value or for reduced consideration; and

(2) Proceeds from a subsequent transfer or lease of property if the Federal share of its fair market value is not returned to the Federal government.

Recipient means any State or its political subdivisions; any instrumentality of a State or its political subdivisions; any public or private agency; any Indian tribe or Alaskan Native Village, institution, organization, or other entity; or any person to which Federal financial assistance is extended, directly or through another recipient. Recipient includes any successor, assignee, or transferee, but does not include the ultimate beneficiary of the assistance.

Subrecipient means any of the entities in the definition of *recipient* to which a recipient extends or passes on Federal financial assistance. A subrecipient is regarded as a recipient of Federal financial assistance and has all the duties of a recipient set out in this part.

United States means the several States, the District of Columbia, Puerto Rico, the Virgin Islands, American Samoa, Guam, Wake Island, the Canal Zone, the Trust Territory of the Pacific Islands, the Northern Marianas, and the territories and possessions of the United States.

[51 FR 45266, Dec. 17, 1986, as amended at 61 FR 5206, Feb. 9, 1996]

Subpart B—Standards for Determining Age Discrimination

§ 146.11 Scope of subpart.

This subpart contains the standards that HUD will use to determine whether an age distinction, or a factor other than age that may have a disproportionate effect on persons of different ages, is prohibited.

§ 146.13 Rules against age discrimination.

(a) The rules stated in this paragraph are limited by the exceptions contained in paragraphs (b) and (c) of this section.

(1) *General rule.* No person in the United States shall, on the basis of age, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under, any program or activity receiving Federal financial assistance.

(2) *Specific rules.* A recipient may not, in any program or activity receiving Federal financial assistance, directly or through contracting, licensing, or other arrangements, use age distinctions or take any other actions that have the effect, on the basis of age, of:

(i) Excluding individuals from, denying them the benefits of, or subjecting them to discrimination under, a program or activity receiving Federal financial assistance; or

(ii) Denying or limiting individuals in their opportunity to participate in any program or activity receiving Federal financial assistance.

(3) The specific forms of age discrimination listed in paragraph (a)(2) of this section do not necessarily constitute a complete list.

(b) *Exceptions for normal operation or statutory objective of any program or activity.* A recipient is permitted to take an action otherwise prohibited by paragraph (a) of this section if the action reasonably takes into account age as a factor necessary to the normal operation or the achievement of any statutory objective of a program or activity. An action reasonably takes into account age as a factor necessary to the normal operation or the achievement of any statutory objective of a program or activity, if:

§ 146.21

(1) Age is used as a measure or approximation of one or more other characteristics; and

(2) The other characteristics must be measured or approximated in order for the normal operation of the program or activity to continue, or to achieve any statutory objective of the program or activity; and

(3) The other characteristics can be reasonably measured or approximated by the use of age; and

(4) The other characteristics are impractical to measure directly on an individual basis.

(c) *Exceptions for reasonable factors other than age.* A recipient is permitted to take action otherwise prohibited by paragraph (a) of this section if the action is based on a factor other than age, even though that action may have a disproportionate effect on persons of different ages. An action may be based on a factor other than age only if the factor bears a direct and substantial relationship to the normal operation of the program or activity or the achievement of a statutory objective.

(d) *Burden of proof.* The burden of proving that an age distinction or other action falls within an exception described in paragraph (b) or (c) of this section is on the recipient of Federal financial assistance.

(e) For the purposes of paragraphs (b) and (c), *normal operation* means the operation of a program or activity without significant changes that would impair its ability to meet its statutory objectives. *Statutory objectives* means any purpose of a program or activity expressly stated in any Federal, State, or local statute adopted by an elected, general purpose legislative body.

(f) Notwithstanding paragraph (b) of this section, if a recipient operating a program provides special benefits to the elderly or to children, such use of age distinctions shall be presumed to be necessary to the normal operation of the program.

Subpart C—Duties of HUD Recipients

§ 146.21 General responsibilities.

Each recipient has primary responsibility to ensure that its programs and activities that receive Federal finan-

24 CFR Subtitle B, Ch. I (4–1–07 Edition)

cial assistance from HUD comply with the provisions of the Act, the government-wide regulation, and this part, and shall take steps to eliminate violations of the Act. A recipient also has responsibility to maintain records, provide information, and to afford HUD access to its records to the extent HUD finds necessary to determine whether a program or activity receiving Federal financial assistance from HUD is in compliance with the Act and this part.

(Approved by the Office of Management and Budget under control number 2529–0030)

[51 FR 45266, Dec. 17, 1986, as amended at 52 FR 7408, Mar. 11, 1987]

§ 146.23 Notice of subrecipients.

Whenever a recipient passes Federal financial assistance from HUD to subrecipients, the recipient shall provide the subrecipient with written notice of its obligations under this part and the recipient will remain responsible for the subrecipient's compliance with respect to programs and activities receiving Federal financial assistance from HUD.

§ 146.25 Assurance of compliance and recipient assessment of age distinctions.

(a) Each recipient of Federal financial assistance from HUD shall sign a written assurance as specified by HUD that it will comply with the Act and this part with respect to programs and activities receiving Federal financial assistance from HUD.

(b) As part of a compliance review under § 146.31 or an investigation under § 146.37, HUD may require a recipient employing the equivalent of 15 or more employees to complete, in a manner specified by the Secretary or Secretary's designee, a written self-evaluation of any age distinction imposed in its program or activity receiving Federal financial assistance from HUD, so that HUD may have to assess the recipient's compliance with the Act. Whenever an assessment indicates a violation of the Act or this part, the

recipient shall take corrective action to remedy the violation.

(Approved by the Office of Management and Budget under control number 2529-0030)

[51 FR 45266, Dec. 17, 1986, as amended at 52 FR 7408, Mar. 11, 1987]

§ 146.27 Information requirements.

In order to make it possible for HUD to determine whether recipients are in compliance with the Act and this part, each recipient shall:

(a) Keep records in a form and containing information that HUD determines is necessary;

(b) Make information available to HUD upon request;

(c) Permit reasonable access by HUD to the books, records, accounts and other recipient facilities and sources of information.

(Approved by the Office of Management and Budget under control number 2529-0030)

[51 FR 45266, Dec. 17, 1986, as amended at 52 FR 7408, Mar. 11, 1987]

Subpart D—Investigation, Settlement, and Enforcement Procedures

§ 146.31 Compliance reviews.

(a) HUD may conduct pre-award reviews to determine whether programs or activities submitted for HUD assistance are consistent with the age distinctions set forth at § 146.13(b).

(b) If a pre-award review indicates that the proposed programs or activities are not consistent with the age distinctions set forth at § 146.13(b), the application will be returned to the applicant for additional information or clarification or for correction consistent with this part.

(c) HUD may conduct compliance reviews of recipients that will enable it to investigate and correct violations of this part. HUD may conduct these reviews even in the absence of a complaint against a recipient. The review may be as comprehensive as necessary for HUD to determine whether a violation has occurred.

(d) If a compliance review indicates a violation, HUD will attempt to achieve voluntary compliance. If voluntary compliance cannot be achieved, HUD

may begin enforcement procedures as provided in § 146.39.

§ 146.33 Complaints.

(a) Any person, individually or as a member of a class or on behalf of others, may file a complaint with HUD alleging discrimination prohibited by the Act. A complainant shall file a complaint within 180 days from the date the complainant first had knowledge of the alleged act of discrimination. However, for good cause, HUD may extend this time limit. The filing date for a complaint will be the date upon which the complaint is deemed sufficient to be processed.

(b) HUD shall facilitate the filing of complaints and shall take the following measures:

(1) Accept as a sufficient complaint any written legible statement which is signed by the complainant and which identifies the parties involved, the date the complainant first had knowledge of the alleged violation, and describes generally the alleged prohibited action or practice;

(2) Freely permit a complainant to add information to the complaint to meet the requirements of a sufficient complaint;

(3) Widely disseminate information regarding the obligations of recipients under the Act and this part;

(4) Notify the complainant and the recipient of their rights under the complaint process, including the right to have a representative at all stages of the complaint process; and

(5) Notify the complainant and the recipient of their right to contact HUD for information and assistance regarding the complaint resolution process.

(c) HUD will return to the complainant any complaint determined to be outside the coverage of this part, and shall state the reasons why it is outside the coverage.

(Approved by the Office of Management and Budget under control number 2529-0030)

[51 FR 45266, Dec. 17, 1986, as amended at 52 FR 7408, Mar. 11, 1987]

§ 146.35 Mediation.

(a) HUD shall refer to the Federal Mediation and Conciliation Service, a mediation agency designated by the

§ 146.37

Secretary of Health and Human Services, all complaints that:

(1) Fall within the coverage of this part, unless the age distinction complained of is clearly with an exception; and

(2) Contain all information necessary for further processing.

(b) Both the complainant and the recipient shall participate in the mediation process to the extent necessary to reach an agreement or make an informal judgment that an agreement is not possible. There should be at least one meeting by each party with the mediator during the mediation process. However, the recipient and the complainant need not meet with the mediator at the same time.

(c) If the complainant and the recipient reach an agreement, the mediator shall prepare a written statement of the agreement and have the complainant and recipient sign it. The mediator shall send a copy of the agreement to HUD. HUD will take no further action on the complaint unless the complainant or the recipient fails to comply with the agreement.

(d) The mediator shall protect the confidentiality of information obtained in the course of the mediation process. No mediator shall testify in any adjudicative proceeding, produce any document, or otherwise disclose any information obtained in the course of the mediation process without the prior approval of the head of the mediation agency.

(e) HUD shall use the mediation process for a maximum of 60 days after receiving a complaint. Mediation ends if:

(1) 60 days elapse from the time HUD receives the complaint; or

(2) Before the end of the 60-day period, an agreement is reached; or

(3) Before the end of the 60-day period, the mediator determines that an agreement cannot be reached.

This 60-day period may be extended by the mediator, with the concurrence of HUD, for not more than an additional 30 days if the mediator determines that it is likely that an agreement will be reached during such extended period.

§ 146.37 Investigation.

(a) *Investigation and settlement following mediation.* (1) HUD shall inves-

24 CFR Subtitle B, Ch. I (4-1-07 Edition)

tigate complaints that are unresolved after mediation or are reopened because of an alleged violation of a mediation agreement.

(2) In the investigation of complaints filed under this part, HUD will establish facts through such methods as discussion with the complainant and recipient and the review of documents in the possession of either party. HUD may also seek the assistance of any applicable State agency. Where possible, HUD will settle the complaint on terms that are mutually agreeable to the parties.

(3) Settlements shall be in writing and signed by the parties and by an authorized HUD official.

(4) A settlement shall not affect the initiation or continuation of any other enforcement effort of HUD, including compliance reviews or investigation of other complaints involving the recipient.

(5) A settlement reached under this paragraph (a) of this section is an agreement to resolve an alleged violation of the Act to the satisfaction of the parties involved, and does not constitute a finding of discrimination against the recipient.

(b) *Failure of settlement.* If HUD cannot resolve the complaint through settlement, it may make a formal determination that the Act or this part has been violated and begin enforcement procedures, as provided in § 146.39. HUD shall inform the recipient and complainant in writing that the matter cannot be resolved through settlement.

§ 146.39 Enforcement procedures.

(a) HUD may enforce the Act this regulation by:

(1) Termination of a recipient's financial assistance from HUD under the program or activity involved, if the recipient has violated the Act or this part. The determination of the recipient's violation may be made only after a recipient has had an opportunity for a hearing on the record before an Administrative Law Judge. If the financial assistance consists of a Community Development Block Grant, the requirements of section 109(b) of the Housing and Community Development Act of 1974, 42 U.S.C. 5309, must also be

satisfied before the termination of financial assistance. Cases settled in mediation or before hearing will not involve termination of a recipient's Federal financial assistance from HUD.

(2) Any other means authorized by law, including, but not limited to:

(i) Referral to the Department of Justice for proceedings to enforce any rights of the United States or obligations of the recipient created by the Act or this part;

(ii) Use of any requirement of, or referral to, any Federal, State or local government agency that will have the effect of correcting a violation of the Act or this part.

(b) Whenever the Secretary determines that a State or unit of general local government which is a recipient of Federal financial assistance under Title I of the Housing and Community Development Act of 1974, 42 U.S.C. 5301-5317, has failed to comply with requirements of the Age Discrimination Act or this part with respect to a program or activity funded in whole or in part with such assistance, he or she shall notify the Governor of such State or the chief executive officer of such unit of general local government of the non-compliance and shall request the Governor or chief executive officer to secure compliance. If within a reasonable period of time, not to exceed 60 days, the Governor or chief executive officer fails or refuses to secure compliance, the Secretary is authorized to take the action specified in (a) of this section, exercise the powers and functions provided for in section 111(a) of the Housing and Community Act of 1974, 42 U.S.C. 5311(a), or take such other action as may be provided by law.

(c) HUD shall limit any termination under § 146.35 to the particular recipient and particular program or activity HUD finds to be in violation of this part. HUD shall not base any part of a termination on a finding with respect to any program or activity of the recipient which does not receive Federal financial assistance from HUD.

(d) HUD shall take no action under paragraph (a) of this section until:

(1) The Secretary has advised the recipient of its failure to comply with the Act or this part and has deter-

mined that voluntary compliance cannot be achieved.

(2) Thirty days have elapsed after the Secretary has submitted a written report of the circumstances and grounds of the action to the committees of the Congress having legislative jurisdiction over the Federal program or activity involved. A report shall be filed whenever any action is taken under paragraph (a) of this section.

(e)(1) The Secretary may defer the provision of new Federal financial assistance to a recipient when termination proceedings under this section are initiated.

(2) New financial assistance from HUD includes all assistance for which HUD requires an application, approval, or submissions under the Community Development Block Grant program including renewal or continuation of existing activities, or authorization of new activities, during the deferral period. New financial assistance from HUD does not include increases in funding as a result of changed computation for formula awards or assistance approved before the beginning of a hearing under this section.

(3) HUD shall not impose a deferral until the recipient has received a notice of an opportunity for a hearing under this section. HUD shall not continue a deferral for more than 60 days unless a hearing has begun within that time or the time for beginning the hearing has been extended by mutual consent of the recipient and the Secretary. HUD shall not continue a deferral for more than 30 days after the close of the hearing, unless the hearing results in a finding that the recipient has violated that Act or this part.

§ 146.41 Prohibition against intimidation or retaliation.

A recipient may not engage in acts of intimidation or retaliation against any person who:

(a) Attempts to assert a right protected by this part; or

(b) Cooperates in any mediation, investigation, hearing, or other part of HUD's investigation, settlement, and enforcement process.

§ 146.43

§ 146.43 Hearings, decisions, post-termination proceedings.

The provisions of 24 CFR part 180 apply to HUD enforcement of this part.

[61 FR 52218, Oct. 4, 1996]

§ 146.45 Exhaustion of administrative remedies.

(a) A complainant may file a civil action following the exhaustion of administrative remedies under the Act. Administrative remedies are exhausted if:

(1) 180 days have elapsed since the complainant filed the complaint and HUD had made no finding with regard to the complaint; or

(2) HUD issues any finding in favor of the recipient.

(b) If HUD fails to make a finding within 180 days or issues a finding in favor of the recipient, HUD shall:

(1) Promptly advise the complainant of this fact;

(2) Advise the complainant of his or her right to bring a civil action for injunctive relief; and

(3) Inform the complainant:

(i) That he or she may bring a civil action only in a United States District Court for the district in which the recipient is located or transacts business;

(ii) That a complainant prevailing in a civil action has the right to be awarded the costs of the action, including reasonable attorney's fees, but that the complainant must demand these costs in the complaint;

(iii) That before commencing the action, the complainant must give 30 days' notice by registered mail to the Secretary of HUD, the Secretary of Health and Human Services, the Attorney General of the United States, and the recipient;

(iv) That the notice must state: the alleged violation of the Act, the relief requested, the court in which the complainant is bringing the action, and whether or not attorney's fees are demanded in the event the complainant prevails; and

(v) That the complainant may not bring an action if the same alleged violation of the Act by the same recipient is the subject of a pending action in any court of the United States.

24 CFR Subtitle B, Ch. I (4-1-07 Edition)

§ 146.47 Remedial and affirmative action by recipients.

(a) Where the Secretary finds that a recipient has unlawfully discriminated on the basis of age, the recipient shall take any action that the Secretary may require to overcome the effects of the discrimination. If another recipient exercises control over a subrecipient that has unlawfully discriminated, the Secretary may require both recipients to take remedial action.

(b) Even in the absence of a finding of discrimination, a recipient may take affirmative action to overcome the effects of conditions that resulted in limited participation in the recipient's program or activity on the basis of age.

(c) If a recipient operating a program which serves the elderly or children in addition to persons of other ages provides special benefits to the elderly or children, the provision of those benefits shall be presumed to be voluntary affirmative action, provided that it does not have the effect of excluding otherwise eligible persons from participation in the program.

§ 146.49 Alternate funds disbursal procedure.

(a) Except as otherwise provided in this paragraph and to the extent authorized by law, the Secretary may reimburse funds withheld or terminated under this part directly to an alternate recipient, including any public or non-profit private organization or agency, State or political subdivision of the State. Under title I of the Housing and Community Development Act of 1974, 42 U.S.C. 5301, funds withheld because of a reduction or withdrawal of a recipient's Community Development Block Grant must be reallocated in the succeeding fiscal year, in accordance with the applicable regulations governing that program.

(b) The Secretary shall require the alternate recipient to demonstrate:

(1) The ability to comply with the regulations; and

(2) The ability to achieve the goals of the Federal statute authorizing the program or activity.

§ 180.215 Ex parte communications.

(a) An ex parte communication is any direct or indirect communication concerning the merits of a pending proceeding, made by a party in the absence of any other party, to the presiding ALJ, and which was neither on the record nor on reasonable prior notice to all parties. (b) Ex parte communications are prohibited.

(c) If the ALJ receives an ex parte communication that the ALJ knows or has reason to believe is prohibited, the ALJ shall promptly place the communication, or a written statement of the substance of the communication, in the record and shall furnish copies to all parties. Unauthorized communications shall not be taken into consideration in deciding any matter in issue. Each party may appear in person, be represented by counsel, examine or cross-examine witnesses, introduce documentary or other relevant evidence into the record and, in Fair Housing Act matters, request the issuance of subpoenas.

§ 180.305 Representation.

(a) HUD is represented by the General Counsel.

(b) Any party may appear on his/her/its own behalf or by an attorney. Each party or attorney shall file a notice of appearance. The notice must identify the matter before the ALJ, the party on whose behalf the appearance is made, and the mailing address and telephone number of the person appearing. Similar notice shall also be given for any withdrawal of appearance.

(c) An attorney must be admitted to practice before a Federal Court or the highest court in any State. The attorney's representation that he/she is in good standing before any of these courts is sufficient evidence of the attorney's qualifications under this section, unless otherwise ordered by the ALJ.

§ 180.310 Parties.

(a) Parties to proceedings under this part are HUD, the respondent(s), and any intervenors. Respondents include persons named as such in a charge issued under 24 CFR part 103 and Recipients/applicants named as respondents in hearing notices issued under 24 CFR parts 1, 6, 8 or 146 and notices of proposed adverse action under this part.

24 CFR Subtitle B, Ch. I (4–1–07 Edition)

party may be restricted by order of the ALJ pursuant to statute, the rules in this part or other applicable law. Intervention shall be permitted if the person requesting intervention is

(1) The aggrieved person on whose behalf the charge is issued; or

(2) An aggrieved person who claims an interest in the property or transaction that is the subject of the charge and the disposition of the charge may, as a practical matter, impair or impede this person's ability to protect that interest, unless the aggrieved person is adequately represented by the existing parties.

(c) A complainant in a non-Fair Housing Act matter is not a party but may file a motion to become an amicus curiae.

(d) Any person may file a petition to participate in a proceeding under this part as an amicus curiae. An amicus curiae is not a party to the proceeding and may not introduce evidence at the hearing.

(1) A petition to participate as amicus curiae shall be filed before the commencement of the hearing, unless the petitioner shows good cause for filing the petition later. The petition may be granted if the ALJ finds that the petitioner has a legitimate interest in the proceedings, and that such participation will not unduly delay the outcome and may contribute materially to the proper disposition thereof.

(2) The amicus curiae may submit briefs within time limits set by the ALJ or by the Secretary in the event of an appeal to the Secretary.

(3) When all parties have completed their initial examination of a witness, the amicus curiae may request the ALJ to propound specific questions to the witness. Any such request may be granted if the ALJ believes the proposed additional testimony may assist materially in elucidating factual matters at issue between the parties and will not expand the issues.

[61 FR 52218, Oct. 4, 1996, as amended at 64 FR 3801, Jan. 25, 1999]

§ 180.315 Standards of conduct.

If an ALJ suspends or bars an attorney from participating in a proceeding, the ALJ shall include in the record the reasons for such action. An attorney who is suspended or barred from participation may appeal to the Chief ALJ. The proceeding will not be delayed or suspended pending disposition on the appeal, except that the ALJ shall suspend the proceeding for a reasonable time to enable the party to obtain another attorney.

Subpart D—Proceedings Prior to Hearing

§ 180.400 Service and filing.

(a) *Service*—(1) *Service by the Office of ALJs.* The Office of ALJs shall serve all notices, orders, decisions and other such documents by mail to each party and amicus curiae at the last known address.

The signature constitutes a certification that: the signer has read the document; to the best of the signer's knowledge, information and belief, the statements made therein are true; and the document is not interposed for delay.

§ 180.405 Time computations.

(a) In computing time under this part, the time period begins the day following the act, event, or default and includes the last day of the period, unless the last day is a Saturday, Sunday, or legal holiday observed by the Federal Government, in which case the time period includes the next business day.

(b) *Modification of time periods.* Except for time periods required by statute, the ALJ may enlarge or reduce any time period required under this part where necessary to avoid prejudicing the public interest or the rights of the parties. Requests for extension of time should set forth the reasons for the request.

(c) *Entry of orders.* In computing any time period involving the date of the ALJ's issuance of an order or decision, the date of issuance is the date of service by the Chief Docket Clerk.

(d) *Computation of time for delivery by mail.* When documents are filed by mail, three days shall be added to the prescribed time period for filing any responsive pleading. Documents are not filed until received by the Chief Docket Clerk.

§ 180.410

(b) *Contents.* The charge shall consist of a short and plain written statement of the facts upon which reasonable cause has been found to believe that a discriminatory housing practice has occurred or is about to occur. A notification shall be served with the charge containing the following information:

(1) Any complainant, respondent, or aggrieved person may elect to have the claims asserted in the charge decided in a civil action under 42 U.S.C. 3612(o), in lieu of an administrative proceeding under this part.

(2) Such election must be made not later than 20 days after receipt of service of the charge by serving written notice of such on the Chief Docket Clerk, each respondent, each aggrieved person on whose behalf the charge was issued, the Assistant Secretary, and the General Counsel.

(3) If no person timely elects to have the claims asserted in the charge decided in a civil action under 42 U.S.C. 3612(o), an administrative proceeding will be conducted under this part.

(4) If an administrative hearing is conducted:

(i) The hearing will be held at a date and place specified.

(ii) The respondent will have an opportunity to file an answer to the charge within 30 days after service of the charge.

(iii) The aggrieved person may participate as a party to the administrative proceeding by filing a request for intervention within 50 days after service of the charge.

(iv) All discovery must be concluded 15 days before the date set for hearing.

(v) The rules in this part will govern the proceeding.

24 CFR Subtitle B, Ch. I (4-1-07 Edition)

(5) If, at any time following service of the charge on the respondent, the respondent intends to enter into a contract, sale, encumbrance, or lease with any person regarding the property that is the subject of the charge, the respondent must provide a copy of the charge to such person before the respondent and the person enter into the contract, sale, encumbrance or lease.

(c) *Election of judicial determination.* If the complainant, the respondent, or the aggrieved person on whose behalf a complaint was filed makes a timely election to have the claims asserted in the charge decided in a civil action under 42 U.S.C. 3612(o), the Chief ALJ shall dismiss the administrative proceeding.

(d) *Effect of a civil action on administrative proceeding.* An ALJ may not continue an administrative proceeding under the Fair Housing Act after the beginning of the trial of a civil action commenced by the aggrieved person under an act of Congress or a State law seeking relief with respect to that discriminatory housing practice. If such a trial is commenced, the ALJ shall dismiss the administrative proceeding. The commencement and maintenance of a civil action for appropriate temporary or preliminary relief under 42 U.S.C. 3610(e) or 42 U.S.C. 3613 does not affect administrative proceedings under this part.

§ 180.415 Notice of proposed adverse action regarding Federal financial assistance in non-Fair Housing Act matters.

(a) *Filing and service.* Within 10 days after a Recipient/applicant has requested a hearing, as provided for in 24 CFR parts 1, 6, 8, or 146, the General Counsel shall file a notice of proposed adverse action with the Chief Docket Clerk and serve copies (with the additional information required under paragraph (b) of this section) on all respondents and complainants.

(b) *Contents.* The notice of proposed adverse action shall consist of a short and plain written statement of the facts and legal authority upon which the proposed action is based. A notification shall be served with the notice containing the following information:

(4) That discovery must be concluded by a date specified.

(5) That the rules specified in this part shall govern the proceeding.

(c) *Consolidation.* The ALJ may provide for non-Fair Housing Act proceedings at HUD to be joined or consolidated for hearing with proceedings in other Federal departments or agencies, by agreement with such other departments or agencies. All parties to any proceeding consolidated subsequent to service of the notice of proposed adverse action shall be promptly served with notice of such consolidation.

§ 180.420 Answer.

(a) Within 30 days after service of the charge or notice of proposed adverse action, a respondent may file an answer. The answer shall include:

(1) A statement that the respondent admits, denies, or does not have and is unable to obtain sufficient information to admit or deny, each allegation made. A statement of lack of information shall have the effect of a denial. Any allegation that is not denied shall be deemed to be admitted.

(2) A statement of each affirmative defense and a statement of facts supporting each affirmative defense.

(b) Failure to file an answer within the 30-day period following service of the charge or notice of proposed adverse action shall be deemed an admission of all matters of fact recited therein and may result in the entry of a default decision.

§ 180.425 Amendments to pleadings.

(a) *By right.* HUD may amend the charge or notice of proposed adverse action once as a matter of right prior to the filing of the answer.

(b) *By leave.* Upon such conditions as are necessary to avoid prejudicing the public interest and the rights of the parties, the ALJ may allow amendments to pleadings upon a motion of a party.

(c) *Conformance to the evidence.* When issues not raised by the pleadings are reasonably within the scope of the original charge or notice of proposed adverse action and have been tried by the express or implied consent of the parties, the issues shall be treated in all respects as if they had been raised in the pleadings, and amendments may be made as necessary to make the pleading conform to evidence.

(d) *Supplemental pleadings.* The ALJ may, upon reasonable notice, permit supplemental pleadings concerning transactions, occurrences or events that have happened or been discovered since the date of the pleadings and which are relevant to any of the issues involved.

§ 180.430 Motions.

(a) *Motions.* Any application for an order or other request shall be made by a motion which, unless made during an appearance before the ALJ, shall be in writing and shall state the specific relief requested and the basis therefor. Motions made during an appearance before the ALJ shall be stated orally and made a part of the transcript. All parties shall be given a reasonable opportunity to respond to written or oral motions or requests.

(b) *Responses to written motions.* Within seven calendar days after a written motion is served, any party to the proceeding may file a response in support of, or in opposition to, the motion. Unless otherwise ordered by the ALJ, no further responsive documents may be filed. Failure to file a response within the response period constitutes a waiver of any objection to the granting of the motion.

(c) *Oral argument.* The ALJ may order oral argument on any motion.

§ 180.435 Prehearing statements.

(a) Before the commencement of the hearing, the ALJ may direct the parties to file prehearing statements.

(b) The prehearing statement must state the name of the party presenting

§ 180.440

the statement and, unless otherwise directed by the ALJ, briefly set forth the following:

- (1) The issues involved in the proceeding;
- (2) The facts stipulated by the parties and a statement that the parties have made a good faith effort to stipulate to the greatest extent possible;
- (3) The facts in dispute;
- (4) The witnesses (together with a summary of the testimony expected) and exhibits to be presented at the hearing;
- (5) A brief statement of applicable law;
- (6) Conclusions to be drawn;
- (7) Estimated time required for presentation of the party's case; and
- (8) Such other information as may assist in the disposition of the proceeding.

§ 180.440 Prehearing conferences.

(a) Before the commencement of or during the course of the hearing, the ALJ may direct the parties to participate in a conference to expedite the hearing. Failure to attend a conference may constitute a waiver of all objections to the agreements reached at the conference and to any order with respect thereto.

(b) During the conference, the ALJ may dispose of any procedural matters on which he/she is authorized to rule. At the conference, the following matters may be considered:

- (1) Pre-trial motions;
- (2) Identification, simplification and clarification of the issues;
- (3) Necessary amendments to the pleadings;
- (4) Stipulations of fact and of the authenticity, accuracy, and admissibility of documents;
- (5) Limitations on the number of witnesses;
- (6) Negotiation, compromise, or settlement of issues;
- (7) The exchange of proposed exhibits and witness lists;
- (8) Matters of which official notice will be requested;
- (9) Scheduling actions discussed at the conference; and
- (10) Such other matters as may assist in the disposition of the proceeding.

24 CFR Subtitle B, Ch. I (4-1-07 Edition)

(c) Conferences may be conducted by telephone or in person, but generally shall be conducted by telephone, unless the ALJ determines that this method is inappropriate. The ALJ shall give reasonable notice of the time, place and manner of the conference.

(d) *Record of conference.* Unless otherwise directed by the ALJ, the conference will not be stenographically recorded. The ALJ will reduce the actions taken at the conference to a written order or, if the conference takes place less than seven days before the beginning of the hearing, may make a statement at the hearing and on the record summarizing the actions taken at the conference.

§ 180.445 Settlement negotiations before a settlement judge.

(a) *Appointment of settlement judge.* The ALJ, upon the motion of a party or upon his or her own motion, may request the Chief ALJ to appoint another ALJ to conduct settlement negotiations. The order appointing the settlement judge may confine the scope of settlement negotiations to specified issues. The order shall direct the settlement judge to report to the Chief ALJ within specified time periods.

(b) *Duties of settlement judge.* (1) The settlement judge shall convene and preside over conferences and settlement negotiations between the parties and assess the practicalities of a potential settlement.

(2) The settlement judge shall report to the Chief ALJ describing the status of the settlement negotiations, evaluating settlement prospects, and recommending the termination or continuation of the settlement negotiations.

(c) *Termination of settlement negotiations.* Settlement negotiations shall terminate upon the order of the chief ALJ issued after consultation with the settlement judge. The conduct of settlement negotiations shall not unduly delay the commencement of the hearing.

§ 180.450 Resolution of charge or notice of proposed adverse action.

At any time before a final decision is issued, the parties may submit to the ALJ an agreement resolving the charge or notice of proposed adverse action. A

charge under the Fair Housing Act can only be resolved with the agreement of the aggrieved person on whose behalf the charge was issued. If the agreement is in the public interest, the ALJ shall accept it by issuing an initial decision and consent order based on the agreement.

Subpart E—Discovery

§ 180.500 Discovery.

(a) *In general.* This subpart governs discovery in aid of administrative proceedings under this part. Discovery in Fair Housing Act matters shall be completed 15 days before the date scheduled for hearing or at such time as the ALJ shall direct. Discovery in non-Fair Housing Act matters shall be completed as the ALJ directs.

(b) *Scope.* The parties are encouraged to engage in voluntary discovery procedures. Discovery shall be conducted as expeditiously and inexpensively as possible, consistent with the needs of all parties to obtain relevant evidence. Unless otherwise ordered by the ALJ, the parties may obtain discovery regarding any matter, not privileged, that is relevant to the subject matter involved in the proceeding, including the existence, description, nature, custody, condition, and location of documents or persons having knowledge of any discoverable matter. It is not grounds for objection that information sought will be inadmissible if the information appears reasonably calculated to lead to the discovery of admissible evidence.

(c) *Methods.* Parties may obtain discovery by one or more of the following methods:

(1) Deposition upon oral examination or written questions.

(2) Written interrogatories.

(3) Requests for the production of documents or other evidence for inspection and other purposes.

(4) Requests for admissions.

(5) Upon motion of a party, the presiding ALJ may issue an order requiring a physical or mental examination of a party or of a person in the custody or under the legal control of a party.

(d) *Frequency and sequence.* Unless otherwise ordered by the ALJ or restricted by this subpart, the frequency

or sequence of these methods is not limited.

(e) *Non-intervening aggrieved person.* For purposes of obtaining discovery from a non-intervening aggrieved person, the term *party* as used in this subpart includes the aggrieved person.

§ 180.505 Supplementation of responses.

A party is under a duty, in a timely fashion, to:

(a) Supplement a response with respect to any question directly addressed to:

(1) The identity and location of persons having knowledge of discoverable matters; and

(2) The identity of each person expected to be called as an expert witness, the subject matter on which the expert witness is expected to testify, and the substance of the testimony.

(b) Amend a response if the party later obtains information upon the basis of which:

(1) The party knows the response was incorrect when made, or

(2) The party knows the response, though correct when made, is no longer true, and the circumstances are such that a failure to amend the response is, in substance, a knowing concealment.

(c) Supplement other responses, as imposed by order of the ALJ or by agreement of the parties.

§ 180.510 Interrogatories.

(a) Any party may serve on any other party written interrogatories to be answered by the party served. If the party served is a public or private corporation, a partnership, an association, or a governmental agency, the interrogatories may be answered by any authorized officer or agent who shall furnish such information as may be available to the party. A party may serve not more than 30 written interrogatories on another party without an order of the ALJ.

(b) Each interrogatory shall be answered separately and fully in writing under oath or affirmation, unless it is objected to, in which event, the reasons for the objection shall be stated in lieu of an answer. The answers shall be signed by the person making them, and

§ 180.515

the objections may be signed by the attorney or other representative making them. The answers and objections shall be served within 15 days after service of the interrogatories.

(c) It is a sufficient answer to an interrogatory to specify the records from which the answer may be derived or ascertained if:

(1) The answer to the interrogatory may be derived or ascertained from the records of the party on whom the interrogatory has been served or from an examination, audit or inspection of such records, or from a compilation, abstract or summary based thereon, and

(2) The burden of deriving or ascertaining the answer is substantially the same for the party serving the interrogatory as the party served. The party serving the interrogatory shall be afforded reasonable opportunity to examine, audit or inspect such records and to make copies, compilations, abstracts or summaries. The specification shall include sufficient detail to permit the interrogating party to locate and identify the individual records from which the answer may be ascertained.

(d) Objections to the form of written interrogatories are waived unless served in writing upon the party propounding the interrogatories.

§ 180.515 Depositions.

(a) *Notice.* Upon written notice to the witness and to all other parties, a party may take the testimony of a witness by deposition and may request the production of specified documents or materials by the witness at the deposition. Notice of the taking of a deposition shall be given not less than five days before the deposition is scheduled. The notice shall state:

(1) The purpose and general scope of the deposition;

(2) The time and place of the deposition;

(3) The name and address of the person before whom the deposition is to be taken;

(4) The name and address of the witness; and

(5) A specification of the documents and materials that the witness is requested to produce.

24 CFR Subtitle B, Ch. I (4-1-07 Edition)

(b) *Deposition of an organization.* If the deposition of a public or private corporation, partnership, association, or governmental agency is sought, the organization so named shall designate one or more officers, directors or agents to testify on its behalf, and may set forth, for each person designated, the matters on which he/she will testify.

(c) *Procedure at deposition.* Depositions may be taken before any disinterested person having power to administer oaths in the location where the deposition is to be taken. Each deponent shall be placed under oath or affirmation, and the other parties will have the right to cross-examine. The deponent may have counsel present during the deposition. The questions propounded and all answers and objections thereto shall be reduced to writing, read by or to and subscribed by the witness, and certified by the person before whom the deposition was taken. Non-intervening aggrieved persons may be present at depositions in which they are not the deponent.

(d) *Motion to terminate or limit examination.* During the taking of a deposition, a party or the witness may request suspension of the deposition on the grounds of bad faith in the conduct of the examination, oppression of the witness or party, or improper questioning or conduct. Upon request for suspension, the deposition will be adjourned. The objecting party or witness must immediately move the ALJ for a ruling on the objection. The ALJ may then limit the scope or manner of taking the deposition.

(e) *Waiver of deposing officer's disqualification.* Objection to taking a deposition because of the disqualification of the officer before whom it is taken is waived unless made before the taking of the deposition begins or as soon thereafter as the disqualification becomes known or could have been discovered with reasonable diligence.

(f) *Payment of costs of deposition.* The party requesting the deposition shall bear all costs of the deposition.

§ 180.520 Use of deposition at hearings.

(a) *In general.* At the hearing, any part or all of a deposition, so far as admissible under the Federal Rules of

Evidence, may be used against any party who was present or represented at the taking of the deposition or who had due notice of the taking of the deposition, in accordance with the following provisions:

(1) Any deposition may be used by any party for the purpose of contradicting or impeaching the testimony of the deponent as a witness.

(2) The deposition of an expert witness may be used by any party for any purpose, unless the ALJ rules that such use is unfair or in violation of due process.

(3) The deposition of a party, or of anyone who at the time of the taking of the deposition was an officer, director, or duly authorized agent of a public or private corporation, partnership, or association that is a party, may be used by any other party for any purpose.

(4) The deposition of a witness, whether or not a party, may be used by any party for any purpose if the ALJ finds:

(i) That the witness is dead;

(ii) That the witness is out of the United States or more than 100 miles from the place of hearing, unless it appears that the absence of the witness was procured by the party offering the deposition;

(iii) That the witness is unable to attend to testify because of age, sickness, infirmity, or imprisonment;

(iv) That the party offering the deposition has been unable to procure the attendance of the witness by subpoena; or

(v) Whenever exceptional circumstances exist as to make it desirable, in the interest of justice and with due regard to the importance of presenting the testimony of witnesses orally in open hearing, to allow the deposition to be used.

(5) If a part of a deposition is offered in evidence by a party, any other party may require the party to introduce all of the deposition that is relevant to the part introduced. Any party may introduce any other part of the deposition.

(6) Substitution of parties does not affect the right to use depositions previously taken. If a proceeding has been dismissed and another proceeding involving the same subject matter is

later brought between the same parties or their representatives or successors in interest, all depositions lawfully taken in the former proceeding may be used in the latter proceeding.

(b) *Objections to admissibility.* Except as provided in this paragraph, objection may be made at the hearing to receiving in evidence any deposition or part of a deposition for any reason that would require the exclusion of the evidence if the witness were present and testifying.

(1) Objections to the competency of a witness or to the competency, relevancy, or materiality of testimony are not waived by failure to make them before or during the taking of the deposition, unless the basis of the objection is one which might have been obviated or removed if presented at that time.

(2) Errors and irregularities occurring at the oral examination in the manner of taking the deposition, in the form of the questions or answers, in the oath or affirmation, or in the conduct of parties, and errors of any kind which might be obviated, removed or cured if promptly presented, are waived unless reasonable objection is made at the taking of the deposition.

§ 180.525 Requests for production of documents or things for inspection or other purposes, including physical and mental examinations.

(a) Any party may serve on any other party a request to:

(1) Produce and/or permit the party, or a person acting on the party's behalf, to inspect and copy any designated documents, or to inspect and copy, test, or sample any tangible things that contain or may lead to relevant information and that are in the possession, custody, or control of the party upon whom the request is served.

(2) Permit entry upon designated land or other property in the possession or control of the party upon whom the request is served for the purpose of inspection and measuring, photographing, testing, or other purposes stated in paragraph (a)(1) of this section.

(b) Each request shall set forth with reasonable particularity the items or categories to be inspected and shall specify a reasonable time, place and

§ 180.530

manner for making the inspection and performing the related acts.

(c) Within 15 days after service of the request, the party upon whom the request is served shall serve a written response on the party submitting the request. The response shall state, with regard to each item or category, that inspection and related activities will be permitted as requested, unless there are objections, in which case the reasons for the objection shall be stated.

(d) Upon motion of any party, when the mental or physical condition (including the blood group) of a party or of a person in the custody or under the legal control of a party, is in controversy, the presiding ALJ may order the party to submit to a physical or mental examination by a suitably licensed or certified examiner or to produce for examination the person in the party's custody or legal control. The order may be made only on motion for good cause shown and upon notice to the person to be examined and to all parties and shall specify the time, place, manner, conditions, and scope of the examination and the person or persons by whom it is to be made. A report of the examiner shall be made in accordance with Rule 35(b) of the Federal Rules of Civil Procedure.

§ 180.530 Requests for admissions.

(a) Any party may serve on any other party a written request for the admission of the truth of any matters relevant to the adjudication set forth in the request that relate to statements or opinions of fact or of application of law to fact, including the genuineness and authenticity of any documents described in or attached to the request.

(b) Each matter for which an admission is requested is admitted unless, within 15 days after service of the request, or within such time as the ALJ allows, the party to whom the request is directed serves on the requesting party a sworn written answer which:

(1) Specifically denies, in whole or in part, the matter for which an admission is requested;

(2) Sets forth in detail why the party cannot truthfully admit or deny the matter; or

24 CFR Subtitle B, Ch. I (4-1-07 Edition)

(3) States an objection that the matter is privileged, irrelevant or otherwise improper in whole or in part.

(c) An answering party may not give lack of information or knowledge as a reason for failure to admit or deny, unless he/she/it states that he/she/it has made a reasonable inquiry and that the information known to, or readily obtainable by, him/her/it is insufficient to enable the party to admit or deny.

(d) The party requesting admissions may move for a determination of the sufficiency of the answers or objections. Unless the ALJ determines that an objection is justified, the ALJ shall order that an answer be served. If the ALJ determines that an answer does not comply with the requirements of this section, the ALJ may order either that the matter is admitted or that an amended answer be served.

(e) Any matter admitted under this section is conclusively established unless, upon the motion of a party, the ALJ permits the withdrawal or amendment of the admission. Any admission made under this section is made for the purposes of the pending proceeding only, is not an admission by the party for any other purpose, and may not be used against the party in any other proceeding.

§ 180.535 Protective orders.

(a) Upon motion of a party or a person from whom discovery is sought or in accordance with § 180.540(c), and for good cause shown, the ALJ may make appropriate orders to protect a party or person from annoyance, embarrassment, oppression, or undue burden or expense as a result of the requested discovery request. The order may direct that:

(1) The discovery may not be had;

(2) The discovery may be had only on specified terms and conditions, including at a designated time and place;

(3) The discovery may be had by a method of discovery other than that selected by the party seeking discovery;

(4) Certain matters may not be the subject of discovery, or the scope of discovery may be limited to certain matters;

(5) Discovery may be conducted with no one present other than persons designated by the ALJ;

(6) A trade secret or other confidential research, development or commercial information may not be disclosed, or may be disclosed only in a designated way; or

(7) The party or other person from whom discovery is sought may file specified documents or information under seal to be opened as directed by the ALJ.

(b) The ALJ may permit a party or other person from whom discovery is sought, who is seeking a protective order, to make all or part of the showing of good cause in camera. If such a showing is made, upon motion of the party or other person from whom discovery is sought, an in camera record of the proceedings may be made. If the ALJ enters a protective order, any in camera record of such showing shall be sealed and preserved and made available to the ALJ or, in the event of appeal, to the Secretary or a court.

§ 180.540 Motion to compel discovery.

(a) If a deponent fails to answer a question propounded, or a party upon whom a discovery request has been made fails to respond adequately, objects to a request, or fails to produce documents or other inspection as requested, the discovering party may move the ALJ for an order compelling discovery in accordance with the request. The motion shall:

(1) State the nature of the request;

(2) Set forth the response or objection of the deponent or party upon whom the request was served;

(3) Present arguments supporting the motion; and

(4) Attach copies of all relevant discovery requests and responses.

(b) For the purposes of this section, an evasive or incomplete answer or response will be treated as a failure to answer or respond.

(c) In ruling on a motion under this section, the ALJ may enter an order compelling a response in accordance with the request, may issue sanctions under paragraph (d) of this section, or may enter a protective order under § 180.535.

(d) *Sanctions.* If a party fails to provide or permit discovery, the ALJ may take such action as is just, including but not limited to the following:

(1) Inferring that the admission, testimony, document, or other evidence would have been adverse to the party;

(2) Ordering that, for purposes of the adjudication, the matters regarding which the order was made or any other designated facts shall be taken to be established in accordance with the claim of the party obtaining the order;

(3) Prohibiting the party failing to comply with the order from introducing evidence concerning, or otherwise relying upon, documents or other evidence withheld;

(4) Ordering that the party withholding discovery not introduce into evidence, or otherwise use in the hearing, information obtained in discovery;

(5) Permitting the requesting party to introduce secondary evidence concerning the information sought;

(6) Striking any appropriate part of the pleadings or other submissions of the party failing to comply with such order; or

(7) Taking such other action as may be appropriate.

§ 180.545 Subpoenas.

(a) This section governs the issuance of subpoenas in administrative proceedings under the Fair Housing Act. Except for time periods stated in the rules in this section, to the extent that this section conflicts with procedures for the issuance of subpoenas in civil actions in the United States District Court for the District in which the investigation of the discriminatory housing practice took place, the rules of the United States District Court apply.

(b) *Issuance of subpoena.* Upon the written request of a party, the Chief ALJ or the presiding ALJ may issue a subpoena requiring the attendance of a witness for the purpose of giving testimony at a deposition or hearing and requiring the production of relevant books, papers, documents or tangible things.

(c) *Time of request.* Requests for subpoenas in aid of discovery must be submitted in time to permit the conclusion of discovery 15 days before the

§ 180.600

date scheduled for the hearing. If a request for subpoenas of a witness for testimony at a hearing is submitted three days or less before the hearing, the subpoena shall be issued at the discretion of the Chief ALJ or the presiding ALJ, as appropriate.

(d) *Service.* A subpoena may be served by any person who is not a party and is not less than 18 years of age. Service on a person shall be made by delivering a copy of the subpoena to the person and by tendering witness fees and mileage to that person. When the subpoena is issued on behalf of HUD, witness fees and mileage need not be tendered with the subpoena.

(e) *Amount of witness fees and mileage.* A witness summoned by a subpoena issued under this part is entitled to the same witness and mileage fees as a witness in proceedings in United States District Courts. Fees payable to a witness summoned by a subpoena shall be paid by the party requesting the issuance of the subpoena, or where the ALJ determines that a party is unable to pay the fees, the fees shall be paid by HUD.

(f) *Motion to quash or limit subpoena.* Upon a motion by the person served with a subpoena or by a party, made within five days after service of the subpoena (but in any event not less than the time specified in the subpoena for compliance), the ALJ may:

(1) Quash or modify the subpoena if it is unreasonable and oppressive or for other good cause shown; or

(2) Condition denial of the motion upon the advancement, by the party on whose behalf the subpoena was issued, of the reasonable cost of producing subpoenaed books, papers or documents. Where circumstances require, the ALJ may act upon such a motion at any time after a copy of the motion has been served upon the party on whose behalf the subpoena was issued.

(g) *Failure to comply with subpoena.* If a person fails to comply with a subpoena issued under this section, the party requesting the subpoena may refer the matter to the Attorney General for enforcement in appropriate proceedings under 42 U.S.C. 3614(c).

24 CFR Subtitle B, Ch. I (4-1-07 Edition)

Subpart F—Procedures at Hearing

§ 180.600 Date and place of hearing.

(a) *For Fair Housing Act Cases—(1) Time.* The hearing shall commence not later than 120 days after the issuance of the charge, unless it is impracticable to do so. If the hearing cannot be commenced within this time period, the ALJ shall notify in writing all parties, aggrieved persons, amici, and the Assistant Secretary of the reasons for the delay.

(2) *Place.* The hearing will be conducted at a place in the vicinity in which the discriminatory housing practice is alleged to have occurred or to be about to occur.

(b) *For Non-Fair Housing Matters.* Hearings shall be held in Washington, DC, unless the ALJ determines that the convenience of the respondent or HUD requires that another place be selected.

(c) The ALJ may change the time, date or place of the hearing, or may temporarily adjourn or continue a hearing for good cause shown.

§ 180.605 Conduct of hearings.

The hearing shall be conducted in accordance with the Administrative Procedure Act (5 U.S.C. 551-559).

§ 180.610 Waiver of right to appear.

If all parties waive their right to appear before the ALJ, the ALJ need not conduct an oral hearing. Such waivers shall be in writing and filed with the ALJ. The ALJ shall make a record of the pleadings and relevant written evidence submitted by the parties. These documents may constitute the evidence in the proceeding, and the decision may be based upon this evidence.

§ 180.615 Failure of party to appear.

A default decision may be entered against a party failing to appear at a hearing unless such party shows good cause for such failure.

§ 180.620 Evidence.

The Federal Rules of Evidence apply to the presentation of evidence in hearings under this part.

§ 180.625 Record of hearing.

(a) All oral hearings shall be recorded and transcribed by a reporter designated and supervised by the ALJ. The original transcript shall be a part of the record and shall constitute the sole official transcript. All exhibits introduced as evidence shall be incorporated into the record. The parties and the public may obtain transcripts from the official reporter at rates not to exceed the applicable rates fixed by the contract with the reporter.

(b) Corrections to the official transcript will be permitted upon motion of a party. Motions for correction must be submitted within five days after receipt of the transcript. Corrections of the official transcript will be permitted only where errors of substance are involved and upon the ALJ's approval.

§ 180.630 Stipulations.

The parties may stipulate to any pertinent facts by oral agreement at the hearing or by written agreement at any time. Stipulations may be submitted into evidence at any time before the end of the hearing. Once received into evidence, a stipulation is binding on the parties.

§ 180.635 Written testimony.

The ALJ may accept and enter into the record direct testimony of witnesses made by verified written statement rather than by oral presentation at the hearing. Unless the ALJ fixes other time periods, affidavits shall be filed and served on the parties not later than 14 days prior to the hearing. Witnesses whose testimony is presented by affidavit shall be available for cross-examination as may be required.

§ 180.640 In camera and protective orders.

The ALJ may limit discovery or the introduction of evidence, or may issue such protective or other orders necessary to protect privileged communications. If the ALJ determines that information in documents containing privileged matters should be made available to a party, the ALJ may order the preparation of a summary or extract of the nonprivileged matter contained in the original.

§ 180.645 Exhibits.

(a) *Identification.* All exhibits offered into evidence shall be numbered sequentially and marked with a designation identifying the sponsor. The original of each exhibit offered in evidence or marked for identification shall be filed and retained in the docket of the proceeding, unless the ALJ permits the substitution of a copy for the original.

(b) *Exchange of exhibits.* One copy of each exhibit offered into evidence must be furnished to each of the parties and to the ALJ. If the ALJ does not fix a time for the exchange of exhibits, the parties shall exchange copies of proposed exhibits at the earliest practicable time before the commencement of the hearing. Exhibits submitted as rebuttal evidence are not required to be exchanged before the commencement of the hearing if the submission of such evidence could not reasonably be anticipated at that time.

(c) *Authenticity.* The authenticity of all documents submitted or exchanged as proposed exhibits prior to the hearing shall be admitted unless written objection is filed before the commencement of the hearing, or unless good cause is shown for failing to file such a written objection.

(d) The parties are encouraged to stipulate as to the admissibility of exhibits.

§ 180.650 Public document items.

Whenever a public document, such as an official report, decision, opinion, or published scientific or economic statistical data issued by any of the executive departments (or their subdivisions), legislative agencies or committees, or administrative agencies of the Federal Government (including Government-owned corporations), or a similar document issued by a State or its agencies is offered (in whole or in part), and such document (or part thereof) has been shown by the offeror to be reasonably available to the public, such document need not be produced or marked for identification, but may be offered for official notice, as a public document item by specifying the document or relevant part thereof.

§ 180.655

§ 180.655 Witnesses.

(a) Witnesses shall testify under oath or affirmation.

(b) If a witness fails or refuses to testify, the failure or refusal to answer any question found by the ALJ to be proper may be grounds for striking all or part of the testimony that may have been given by the witness, or for any other action deemed appropriate by the ALJ.

§ 180.660 Closing of record.

(a) *Oral hearings.* Where there is an oral hearing, the hearing ends on the day of the adjournment of the oral hearing or, where written briefs are permitted, on the date that the written briefs are due.

(b) *Hearing on written record.* Where the parties have waived an oral hearing, the hearing ends on the date set by the ALJ as the final date for the receipt of submissions by the parties.

(c) *Receipt of evidence following hearing.* Following the end of the hearing, no additional evidence may be accepted into the record, except with the permission of the ALJ. The ALJ may receive additional evidence upon a determination that new and material evidence was not readily available before the end of the hearing, the evidence has been timely submitted, and its acceptance will not unduly prejudice the rights of the parties.

§ 180.665 Arguments and briefs.

(a) Following the submission of evidence at an oral hearing, the parties may file a brief, proposed findings of fact and conclusions of law, or both, or, in the ALJ's discretion, make oral arguments.

(b) Unless otherwise ordered by the ALJ, briefs and proposed findings of fact and conclusions of law shall be filed simultaneously by all parties. In Fair Housing Act cases, such filings shall be due not later than 45 days after the adjournment of the oral hearing. In other cases, they shall be due as the ALJ orders.

§ 180.670 Initial decision of ALJ.

(a) The ALJ shall issue an initial decision including findings of fact and conclusions of law upon each material

24 CFR Subtitle B, Ch. I (4-1-07 Edition)

issue of fact or law presented on the record. The initial decision of the ALJ shall be based on the whole record of the proceeding. A copy of the initial decision shall be served upon all parties, aggrieved persons, the Assistant Secretary, the Secretary, and amici, if any.

(b) *Initial decision in Fair Housing Act cases.* (1) The ALJ shall issue an initial decision within 60 days after the end of the hearing, unless it is impracticable to do so. If the ALJ is unable to issue the initial decision within this time period (or within any succeeding 60-day period following the initial 60-day period), the ALJ shall notify in writing all parties, the aggrieved person on whose behalf the charge was filed, and the Assistant Secretary, of the reasons for the delay.

(2) The initial decision shall state that it will become the final agency decision 30 days after the date of issuance of the initial decision.

(3) *Findings against respondents.* If the ALJ finds that a respondent has engaged, or is about to engage, in a discriminatory housing practice, the ALJ shall issue an initial decision against the respondent and order such relief as may be appropriate. Relief may include, but is not limited to:

(i) Ordering the respondent to pay damages to the aggrieved person (including damages caused by humiliation and embarrassment).

(ii) Ordering injunctive or such other equitable relief as may be appropriate. No such order may affect any contract, sale, encumbrance or lease consummated before the issuance of the initial decision that involved a bona fide purchaser, encumbrancer or tenant without actual knowledge of the charge.

(iii) Assessing a civil penalty against any respondent to vindicate the public interest in accordance with § 180.671.

(A) The amount of the civil penalty may not exceed:

(1) \$11,000, if the respondent has not been adjudged to have committed any prior discriminatory housing practice in any administrative hearing or civil

action permitted under the Fair Housing Act or any State or local fair housing law, or in any licensing or regulatory proceeding conducted by a Federal, State or local governmental agency.

(2) \$32,500, if the respondent has been adjudged to have committed one other discriminatory housing practice in any administrative hearing or civil action permitted under the Fair Housing Act, or under any state or local fair housing law, or in any licensing or regulatory proceeding conducted by a Federal, state, or local government agency, and the adjudication was made during the five-year period preceding the date of filing of the charge.

(3) \$60,000, if the respondent has been adjudged to have committed two or more discriminatory housing practices in any administrative hearings or civil actions permitted under the Fair Housing Act, or under any state or local fair housing law, or in any licensing or regulatory proceeding conducted by a federal, state, or local government agency, and the adjudications were made during the seven-year period preceding the date of filing of the charge.

(B) If the acts constituting the discriminatory housing practice that is the subject of the charge were committed by the same natural person who has previously been adjudged, in any administrative proceeding or civil action, to have committed acts constituting a discriminatory housing practice, the time periods set forth in paragraphs (b)(3)(iii)(A)(2) and (3) of this section do not apply.

(C) In a proceeding involving two or more respondents, the ALJ may assess a civil penalty as provided under paragraph (b) of this section against each respondent that the ALJ determines has been engaged or is about to engage in a discriminatory housing practice.

(4) *Findings in favor of respondents.* If the ALJ finds that the charging party has not established that a respondent has engaged in a discriminatory housing practice, the ALJ shall make an initial decision dismissing the charge as against that respondent.

(c) *Initial Decision in Non-Fair Housing Act matters.* The ALJ shall issue the initial decision as soon as possible after the end of the hearing.

(1) *Findings against Respondents.* If the ALJ finds that a respondent has failed to comply substantially with the statutory and regulatory requirements that gave rise to the notice of proposed adverse action, the ALJ shall issue an initial decision against the respondent.

(i) The initial decision shall provide for suspension or termination of, or refusal to grant or continue, Federal financial assistance, in whole or in part, to the involved program or activity.

(ii) The initial decision may contain such terms, conditions, and other provisions as are consistent with and will effectuate the purposes of the applicable statute and regulations, including provisions designed to assure that no Federal financial assistance will be extended for the program or activity unless and until the respondent corrects its noncompliance and satisfies the Secretary that it will fully comply with the relevant statute and regulations.

(iii) The initial decision shall state that it will become final only upon the Secretary's approval.

(2) *Findings in favor of respondents.* If the ALJ finds that a respondent has not failed to comply substantially with the statutory and regulatory requirements that gave rise to the notice of proposed adverse action, the ALJ shall make an initial decision dismissing the notice of proposed adverse action. The initial decision shall state that it will become the final agency decision 30 days after the date of issuance.

§ 180.671 Assessing civil penalties for Fair Housing Act cases.

(a) *Amounts.* The ALJ may assess a civil penalty against any respondent under § 180.670(b)(3) for each separate and distinct discriminatory housing practice (as defined in paragraph (b) of this section) that the respondent committed, each civil penalty in an amount not to exceed:

(1) \$16,000, if the respondent has not been adjudged in any administrative hearing or civil action permitted under the Fair Housing Act or any state or local fair housing law, or in any licensing or regulatory proceeding conducted

§ 180.671

24 CFR Subtitle B, Ch. I (4-1-07 Edition)

by a federal, state, or local governmental agency, to have committed any prior discriminatory housing practice.

(2) \$37,500, if the respondent has been adjudged in any administrative hearing or civil action permitted under the Fair Housing Act, or under any state or local fair housing law, or in any licensing or regulatory proceeding conducted by a federal, state, or local government agency, to have committed one other discriminatory housing practice and the adjudication was made during the five-year period preceding the date of filing of the charge.

(3) \$65,000, if the respondent has been adjudged in any administrative hearings or civil actions permitted under the Fair Housing Act, or under any state or local fair housing law, or in any licensing or regulatory proceeding conducted by a federal, state, or local government agency, to have committed two or more discriminatory housing practices and the adjudications were made during the seven-year period preceding the date of filing of the charge.

(b) *Definition of separate and distinct discriminatory housing practice.* A separate and distinct discriminatory housing practice is a single, continuous uninterrupted transaction or occurrence that violates section 804, 805, 806 or 818 of the Fair Housing Act. Even if such a transaction or occurrence violates more than one provision of the Fair Housing Act, violates a provision more than once, or violates the fair housing rights of more than one person, it constitutes only one separate and distinct discriminatory housing practice.

(c) *Factors for consideration by ALJ.* (1) In determining the amount of the civil penalty to be assessed against any respondent for each separate and distinct discriminatory housing practice the respondent committed, the ALJ shall consider the following six (6) factors:

(i) Whether that respondent has previously been adjudged to have committed unlawful housing discrimination;

(ii) That respondent's financial resources;

(iii) The nature and circumstances of the violation;

(iv) The degree of that respondent's culpability;

(v) The goal of deterrence; and

(vi) Other matters as justice may require.

(2)(i) Where the ALJ finds any respondent to have committed a housing-related hate act, the ALJ shall take this fact into account in favor of imposing a maximum civil penalty under the factors listed in paragraphs (c)(1)(iii), (iv), (v), and (vi) of this section.

(ii) For purposes of this section, the term *housing-related hate act* means any act that constitutes a discriminatory housing practice under section 818 of the Fair Housing Act and which constitutes or is accompanied or characterized by actual violence, assault, bodily harm, and/or harm to property; intimidation or coercion that has such elements; or the threat or commission of any action intended to assist or be a part of any such act.

(iii) Nothing in this paragraph shall be construed to require an ALJ to assess any amount less than a maximum civil penalty in a non-hate act case, where the ALJ finds that the factors listed in paragraphs (c)(1)(i) through (vi) of this section warrant the assessment of a maximum civil penalty.

(d) *Persons previously adjudged to have committed a discriminatory housing practice.* If the acts constituting the discriminatory housing practice that is the subject of the charge were committed by the same natural person who has previously been adjudged, in any administrative proceeding or civil action, to have committed acts constituting a discriminatory housing practice, the time periods in paragraphs (a) (2) and (3) of this section do not apply.

(e) *Multiple discriminatory housing practices committed by the same respondent; multiple respondents.* (1) In a proceeding where a respondent has been determined to have engaged in, or is about to engage in, more than one separate and distinct discriminatory housing practice, a separate civil penalty may be assessed against the respondent for each separate and distinct discriminatory housing practice.

(2) In a proceeding involving two or more respondents who have been determined to have engaged in, or are about to engage in, one or more discriminatory housing practices, one or more

civil penalties, as provided under this section, may be assessed against each respondent.

[64 FR 6754, Feb. 10, 1999, as amended at 68 FR 12788, Mar. 17, 2003; 72 FR 5588, Feb. 6, 2007]

§ 180.675 Petitions for review.

(a) The Secretary may affirm, modify or set aside, in whole or in part, the initial decision, or remand the initial decision for further proceedings.

(b) Any party adversely affected by the ALJ's initial decision may file a motion with the Secretary explaining how and why the initial decision should be modified, set aside, in whole or in part, or remanded for further proceedings. Such petition shall be based only on the following grounds:

(1) A finding of material fact is not supported by substantial evidence;

(2) A necessary legal conclusion is erroneous;

(3) The decision is contrary to law, duly promulgated rules of HUD, or legal precedent; or

(4) A prejudicial error of procedure was committed.

(c) Each issue shall be plainly and concisely stated and shall be supported by citations to the record when assignments of error are based on the record, statutes, regulations, cases, or other authorities relied upon. Except for good cause shown, no assignment of error by any party shall rely on any question of fact or law not presented to the ALJ.

(d) Such petitions must be received by the Secretary within 15 days after issuance of the initial decision.

(e) A statement in opposition to the petition for review may be filed. Such opposition must be received by the Secretary within 22 days after issuance of the initial decision.

(f) A petition not granted within 30 days after the issuance of the initial decision is deemed denied.

(g) If the Secretary remands the decision for further proceedings, the ALJ shall issue an initial decision on remand within 60 days after the date of issuance of the Secretary's decision, unless it is impracticable to do so. If the ALJ is unable to issue the initial decision within this time period (or within any succeeding 60-day period

following the initial 60-day period), the ALJ shall notify in writing the parties, the aggrieved person on whose behalf the charge was filed, any amicus curiae and the Assistant Secretary, of the reasons for the delay.

§ 180.680 Final decisions.

(a) *Public disclosure.* HUD shall make public disclosure of each final decision.

(b) *Where initial decision does not provide for suspension or termination of, or refusal to grant or continue, Federal financial assistance—*(1) *Issuance of final decision by Secretary.* The Secretary may review any finding of fact, conclusion of law, or order contained in the initial decision of the ALJ and issue a final decision in the proceeding. The Secretary shall serve the final decision on all parties no later than 30 days after the date of issuance of the initial decision.

(2) *No final decision by Secretary.* If the Secretary does not serve a final decision within the time period described in paragraph (b)(1) of this section, the initial decision of the ALJ will become the final agency decision. For the purposes of this part, such a final decision will be considered to have been issued 30 days after the date of issuance of the initial decision.

(c) *Where initial decision provides for suspension or termination of, or refusal to grant or continue, Federal financial assistance.* When the initial decision provides for the suspension or termination of, or the refusal to grant or continue, Federal financial assistance, or the imposition of any other sanction, such decision shall not constitute an order or final agency action until approved by the Secretary. Further, in the case of proceedings under title VI of the Civil Rights Act of 1964, no order suspending, terminating, or refusing to grant or continue Federal financial assistance shall become effective until the requirements of 24 CFR 1.8(c) have been met.

Subpart G—Post-Final Decision in Fair Housing Cases

§ 180.700 Action upon issuance of a final decision in Fair Housing Act cases.

(a) *Licensed or regulated businesses.* (1) If a final decision includes a finding that a respondent has engaged or is about to engage in a discriminatory housing practice in the course of a business that is subject to licensing or regulation by a Federal, State or local governmental agency, the Assistant Secretary will notify the governmental agency of the decision by:

(i) Sending copies of the findings of fact, conclusions of law and final decision to the governmental agency by certified mail; and

(ii) Recommending appropriate disciplinary action to the governmental agency, including, where appropriate, the suspension or revocation of the respondent's license.

(2) The Assistant Secretary will notify the appropriate governmental agencies within 30 days after the date of issuance of the final decision, unless a petition for judicial review of the final decision as described in § 180.710 of this part has been filed before the issuance of the notification of the agency. If such a petition has been filed, the Assistant Secretary will provide the notification to the governmental agency within 30 days after the date that the final decision is affirmed upon review. If a petition for judicial review is timely filed following the notification of the governmental agency, the Assistant Secretary will promptly notify the governmental agency of the petition and withdraw his or her recommendation.

(b) *Notification to the Attorney General.* If a final decision includes a finding that a respondent has engaged or is about to engage in a discriminatory housing practice and another final decision including such a finding was issued under this part within the five years preceding the date of issuance of the final decision, the General Counsel will notify the Attorney General of the decisions by sending a copy of each final decision.

§ 180.705 Attorney's fees and costs.

Following the issuance of the final decision, any prevailing party, except HUD, may apply for attorney's fees and costs. The ALJ will issue an initial decision awarding or denying such fees and costs. The initial decision will become HUD's final decision unless the Secretary reviews the initial decision and issues a final decision on fees and costs within 30 days. The recovery of reasonable attorney's fees and costs will be permitted as follows:

(a) If the respondent is the prevailing party, HUD will be liable for reasonable attorney's fees and costs to the extent provided under the Equal Access to Justice Act (5 U.S.C. 504) and HUD's regulations at 24 CFR part 14, and an intervenor will be liable for reasonable attorney's fees and costs only to the extent that the intervenor's participation in the administrative proceeding was frivolous or vexatious, or was for the purpose of harassment.

(b) To the extent that an intervenor is a prevailing party, the respondent will be liable for reasonable attorney's fees unless special circumstances make the recovery of such fees and costs unjust.

§ 180.710 Judicial review of final decision.

(a) Any party adversely affected by a final decision may file a petition in the appropriate United States Court of Appeals for review of the decision under 42 U.S.C. 3612(i). The petition must be filed within 30 days after the date of issuance of the final decision.

(b) If no petition for review is filed under paragraph (a) of this section within 45 days after the date of issuance of the final decision, the findings of facts and final decision shall be conclusive in connection with any petition for enforcement.

§ 180.715 Enforcement of final decision.

(a) *Enforcement by HUD.* Following the issuance of a final decision, the General Counsel may petition the appropriate United States Court of Appeals for the enforcement of the final decision and for appropriate temporary relief or restraining order in accordance with 42 U.S.C. 3612(j).

(b) *Enforcement by others.* If no petition for review has been filed within 60 days after the date of issuance, and the General Counsel has not sought enforcement of the final decision as described in paragraph (a) of this section, any person entitled to relief under the final decision may petition the appropriate United States Court of Appeals for the enforcement of the final decision in accordance with 42 U.S.C. 3612(m).

Subpart H—Post-Final Decision in Non-Fair Housing Act Matters

§ 180.800 Post-termination proceedings. proceedings.

(a) A respondent adversely affected by the order terminating, discontinuing, or refusing Federal financial assistance in consequence of proceedings pursuant to this title may request the Secretary for an order authorizing payment, or permitting resumption, of Federal financial assistance. Such request shall:

(1) Be in writing;

(2) Affirmatively show that, since entry of the order, the respondent has brought its program or activity into compliance with statutory and regulatory requirements; and

(3) Set forth specifically, and in detail, the steps taken to achieve such compliance.

(b) If the Secretary denies such request, the respondent may request an expeditious hearing. The request for such a hearing shall be addressed to the Secretary within 30 days after the respondent is informed that the Secretary has refused to authorize payment or permit resumption of Federal financial assistance and shall specify why the Secretary erred in denying the request.

(c) The procedures established by this part shall be applicable to any hearing.

§ 180.805 Judicial review of final decision.

A termination of or refusal to grant or to continue Federal financial assistance is subject to judicial review as provided in the applicable statute.
